

Wayne to Host Two Events

Wayne has been chosen as site of two major district school events coming up under sponsorship of the Nebraska School Activities Association. The city was chosen at an NSAA district meeting in Norfolk Thursday night.

The district music contest will be a two-city affair, O'Neill and Wayne. Apr. 18-19-20 are the dates for this.

Three cities were named to host the district speech and dramatics contests Mar. 15-16. They are Atkinson, Norfolk and Wayne.

Representing Wayne High School at the district meeting was Supt. Francis Haun. Present from Wayne State College were Dr. Phil Kelton from the music department, Dr. Robert Johnson from the dramatics department and Doug Spencer from the special services

department.

At the meeting a list of candidates for offices in District 3 NSAA was compiled. Voting will take place Thursday, Oct. 26, at 11 a.m. at the official meeting for the year in Norfolk.

Wayne will be represented at the representative assembly in Lincoln by Supt. Haun, who is vice president of the managing committee. Don Schumacher, Wayne, is a candidate for music area delegate to the assembly and Allen Hansen, Wayne, is a candidate from the coaching field as delegate to the assembly.

Coaches, administrators, speech department, music department and other teachers are invited to the official meeting in Norfolk, which will be held during the annual teachers convention there.

Hoskins Girl Wins Doane College Title

Janis Koepke, daughter of Mr. and Mrs. Herman Koepke, Hoskins, was crowned 1967 "Duchess of Doane College" at Crete following the homecoming football game and at the dance Saturday night, Oct. 14.

Miss Koepke is majoring in biology at Doane and plans to attend a school of medical technology following graduation. She is a transfer student at Doane, having attended Concordia Teachers College previously.

She was president of the Doane chapter of the American Guild of Organists last year, was graduated from Pierce High School in 1964 and attended District 55 rural school near Hoskins for her elementary education.

Need You Be Told?

Community Chest campaign time is here again. It hardly seems possible it has been a year since the last drive was held.

However, if you think this drive comes around often, you should live in a community where there is no such Chest drive. They have fund-raising campaigns the year-round.

Wayne is fortunate that in past years the drive has been in capable hands. As a result, the city has never failed to make its goal. Certainly this year is no time to set a precedent.

There is an increase in the amount being asked. However, where is most of this increase going? To the youth program of the community.

Need you be told how important this is? Can you see the difference between those who take part and those who are unable to participate? Need you be told how it is more important than ever to strengthen our program for youth?

Have your gift ready when the workers come. Give 10 per cent more than you gave last year and Wayne can once again reach its goal. You can be proud of the results in the past, with youth and campaigns as well as other services provided. We should be able to hold our heads high when this drive is over. —CEG.

Community Chest Drive Set

The 15th annual Community Chest drive is scheduled to start Monday, Oct. 23 in Wayne. A goal of \$9,300, highest in history, has been set.

Main increases in funds will go to the Wayne Youth Activities. This means the baseball, football, basketball, girls' softball, park recreation, Boy Scouts, Girl Scouts, Cub Scouts, Explorer Scouts, Browns and other such activities.

Not forgotten are those who once were kids, but had to turn into men overnight. The USO is seeking more money because there are more men in the service, especially overseas, more especially in Vietnam, who rely on USO for entertainment and services they find no longer available except the USO.

The two-week drive, Oct.

23-Nov. 4, means Wayne will have only one fund-raising campaign to support twelve projects. This united appeal saves the city from having a multitude of drives throughout the year.

Funds benefitting from the drive include: Wayne Recreation Activities, Boy Scouts, Girl Scouts, Red Cross, Florence Crittenton Home, United Health Foundation, American Social Health Association, National Travelers Aid, Christian Braille Foundation, Salvation Army, USO and Emergency and Disaster Funds.

A meeting is scheduled Monday noon at the City Auditorium to kick off the drive. Wayne Kiwanis Club will join the group for the session.

Business district block

captains are headed by Ken Dahl. Other block captains are Phil Gless, Leo Wortman, Verlin Glass, Dlok Hammer, Everett Hamilton, Jack Manske, Jerry Bose, Rowan Wiltsie, Larry Stevenson, Harold Olson, Loren Ellis, Darrell Barber, Keith Doescher, Larry King, Ivan Creighton, Norris Weible, Dan Sherry and Charles Thomas.

Loren Kamish is president of the Wayne Community Chest with Diane Cramer and Opal Wriedt drive chairmen. Secretary-treasurer is Ted Baha.

Speaker at the Monday noon kickoff dinner was Gordon Schemp, who is commercial supervisor for Northwestern Bell Telephone Co., Omaha. Residential drive captains were named earlier for the drive.

Openings in Classes Reported at Winside

There are openings in two adults classes to be offered at Winside High School, Supt. James Christensen reports. Information on them can be secured by calling the school.

Mrs. Faunell Lynch will teach typing Tuesday evenings at 7 p.m. The exception is this week when

the class will be held Thursday, Oct. 26.

Judene Zechin has seven signed for a sewing class, beginning and intermediate. Three more are needed if the course is to be offered. Next meeting will be Thursday, Nov. 2, at 7 p.m. in the WHS home-making room.

Garry Coble Misses Thursday Prize

Garry Coble could have picked up a check for \$200 by being in a participating Wayne business place at 8 Thursday. He was not present, however, so he receives a \$10 consolation check from the Wayne Chamber of Commerce.

Coble was listed as living on East Eighth when registered. His address now is in the 300 block on Dearborn.

Since there was no winner, another \$50 will be added to the drawing for

the Silver Dollar Night promotion Thursday, Oct. 26. Each week there is no winner, the amount goes up \$50, with \$400 going to the most allowed and a reserve fund started after the fund reaches that amount.

Anyone who has not registered can do so now. More registration blanks have been printed and those over 18 are eligible. One must be present in order to be a winner in the drawing at 8 Thursday nights.

Set 11-County 'Decorama'

An 11-county "decorama" for 4-H members is being planned in Wayne Thursday, Oct. 26. Members of 4-H clubs in Knox, Antelope, Pierce, Cedar, Wayne, Stanton, Madison, Dixon, Thurston, Dakota and Cuming counties will take part.

Members of middle and advanced home furnishing projects are to be in Wayne for the day-long affair. They and their guests will spend the day learning how to improve their homes through use of color, furniture selection and window treatment.

Paint brushes, sewing machines, hammers, sandpaper and other tools are the equipment of the "trade." Know-how and skills will be built up at the sessions.

The University of Nebraska cooperative extension service and the Sears Roebuck Foundation are co-sponsors of the event. Magdalene Pfister, extension home furnishing specialist,

will start the decorama off at 9 a.m. at the high school. Featured at the morning program will be "Design for Living," a film produced by the University of Illinois. Demonstrations and exhibits of accessories, fabric furnishing, paint and wall surface materials will be highlighted.

In the afternoon, 4-H members will tour Larson's Department Store's drapery and carpet department, Wayne State College fine arts department and Surber's Furniture Store.

Miss Pfister says the decorama will give 4-H members a chance to hear experts in the field of home decoration and will give teenage guests an insight into what can be done by young people interested in improving their homes.

Pilots' Wives Learn About Flying

Wives of the men who fly in this area are taking a course in flying themselves. It's not to learn to fly, but to learn about how planes work, understand what flying involves and gain confidence in flying with their husbands.

Seven of the women taking the course are wives of Wayne Flying Club members. The other three are also wives of pilots.

Mrs. Don Brown, wife of the airport manager who is also the instructor in flying, gives the lessons. Classes have been meeting for several weeks each Monday for two hours or

more in the pilots' lounge at the airport.

Some wives are apprehensive of flying and of having their husbands flying. In other words, they aren't "sold" on it. The course is aimed at making them less reluctant to fly and have their husbands fly.

The Sanderson ground school course is taught, using many aviation visual aids. When completed, the course will be equal to four hours of class time required to become a pilot.

At State Meetings

Three Wayne residents were in Lincoln the past week for state meetings. Judge David Hamer attended the county judges' session and Don Reed attended

the county attorneys' meeting. Both of these were Wednesday and Thursday. Ken Olds and Reed also attended a state bar meeting Thursday.

Mrs. Deck, Scheel Heading Groups

Mrs. Norman Deck, Winside, and Carl Scheel, Wayne, are the new president of the Wayne County Legion Auxiliary and commander of the Wayne County American Legion respectively.

win Jones, Carroll, accompanied by Joan Hokamp.

The Auxiliary voted to sponsor a bingo party at the Soldiers and Sailors Annex, Norfolk, later in the year.

The two were elected at the annual county convention Thursday night at Vets Hall and Woman's Club Rooms. Around 40 from three towns attended the convention.

Mrs. Deck succeeds Mrs. Herb Lutt, Wayne, as president. Other Auxiliary officers are Mrs. Charles Whitney, Carroll, vice president, and Mrs. Elvina Bush, Wayne, secretary.

Scheel takes over commander's duties from Jim Pickett, Wayne. Chris Bargholz, Wayne, was named to succeed himself as vice commander of the Legion group, made up of posts in Carroll, Winside and Wayne.

District officers present were Mrs. Ralph Beermann and Mrs. E. M. Arntzen, both of Dakota City. Mrs. Beermann is district president and Mrs. Arntzen district secretary-treasurer.

Following separate sessions at the hall and auditorium, the groups joined at the Woman's Club Rooms for a program followed by a lunch. Program numbers included: a flute solo by Mary de Freese, accompanied by Diane Olds; baton twirling by Diane Shreiner, Winside, and a vocal number by Mr. and Mrs. Er-

Seek Pictures

With the new power plant addition nearing completion in Wayne, plans are going ahead for dedication and open house. Pictures of the light plants of years gone by are being sought. Anyone having any pictures along this line should contact Sid Magdanz.

Orders Choir Robes

Joseph Unzicker, vocal music instructor at Wayne High School, has ordered 100 new choir robes for the school. Funds will come from the school district and from the Music Boosters. Midnight blue robes have been ordered for the singers.

D. Wacker, D. Jaeger Winside Royalty

Diane Wacker, daughter of Mr. and Mrs. Don Wacker, and Dan Jaeger, son of Mr. and Mrs. Herb Jaeger, were crowned football homecoming queen and king at a dance following the Winside-Coleridge football game Friday night. They were chosen by vote of the student body.

Senior attendants elected were Diane Mann and Randy Jacobsen. Junior attendants were Connie Deck and Robert Wacker, sophomore attendants Donna Krueger and Dave Witt and Freshman attendants Jeanette Hansen and Dave Langenberg. Lynette Carstens and Rodger Deck crowned the royalty with Neal Brogren master of ceremonies.

Miss Wacker is a varsity cheerleader, treasurer of Pep Club, treasurer of Science-Math Club, member of her church league, Spanish Club and the volleyball team, vice president of the senior class, editor of the school newspaper, member of Library Club and was a junior class play cast member.

Jaeger is a member of the football team, competes in basketball, track and wrestling, is a member of Science-Math Club, is president of W Club, vice president of his church league and president of the senior class.

Homecoming ceremonies got underway Thursday with

a girls' football game Thursday night. A bonfire rally followed. Closing activity was the traditional dance after the crowning. The juniors won the display contest and the skit contest. Their winning display was a big egg beater for beating Coleridge. Their skit took place at Wildcat Ave. and Victory St., in a malt shop where the Bulldogs went in, tangled with the Wildcats and came out in the form of hot dogs.

For their display, the freshmen had a football player disposing of a bulldog in a trash can; the sophomores rigged up a homecoming sign across the street by the school; and the seniors had a V-Beat for Victory.

In skits, the sophomores sacrificed a bulldog at the stake, the seniors had a swami with a crystal ball and members re-enacting what he foresaw in the globe and the freshmen had a science lab with the bulldogs coming up with suckers and getting licked. A "protest" march against CHS preceded a rally downtown.

Patty Frevert won the poster contest with about a dozen pictures of babies and clever game captions under each. Carol Wagner was second and Mrs. Pete Kropp third.

The firm that handles trash hauling in Wakefield has a big sign on the side of the truck: "SATISFACTION GUARANTEED". Beneath it in fine print it says: "Or double your trash back."

A nine-year-old Concord boy overheard his sister and mother talking about weddings. The girl asked her mother if she had a flower girl at her wedding. "No, I didn't have one," replied the mother. Before anything more could be said, the little boy piped up "Did you have a groom?"

The subscription department of The Wayne Herald is being given fits by a Pender subscriber. She returns the form letters notifying her that her subscription is due, using our postage-paid envelopes. The first week she wrote: "Stop it." There was absolutely no indication as to who might have written that so all subscribers at Pender continue to get the paper for fear of stopping the wrong one. This week another form letter comes back with big block letters: "I said stop it." No one knows yet who out of the many Pender subscribers wants their paper stopped.

A FLYING COURSE at Wayne Municipal Airport is being taken by wives of several pilots in the area. Mrs. Don Johnson (foreground) is instructor. Students (from left) are Mrs. Lionel Moore, Mrs. Herb Albers, Jr., Mrs. Ron Wartig, Donald Boling, Mrs. Gerald Hornback and Mrs. Mrs. Fred-Mesmer, Mrs. Howard McLain, Mrs. Gene Fletcher.

Offering Swine Course Here

A six-week swine production course is to be offered in Wayne starting Nov. 6. Area farmers interested in swine are invited to take the classes, but enrollment is limited.

University of Nebraska Extension Service is joining State National Bank and First National Bank, Wayne, in sponsoring the classes. Registrations will be accepted through Thursday, Nov. 2, at either of the banks.

Textbooks and materials needed for the course will be included in the small registration fee. Classes will be held Monday nights at 7:30 Nov. 6 through Dec. 11.

Following are the dates,

topics and instructors: Nov. 6, Basic nutrition and its application to swine production, Bob Fritschen, area swine specialist, Northeast Station, Concord;

Nov. 13, Genetics and reproduction as factors in profitable pork production, Bob Fritschen; Nov. 20, A producer's view, two producers (one confinement and one pasture operator) discuss their operations and reflect on the merits of each, Robert Craft, Foster, and Willis Hoehne, Stanton;

Nov. 27, Disease and parasite management, a

look at some important diseases and parasites that limit production and ways to cope with them, Dr. James Brown, Wayne, and Dr. Donald Ferguson, University of Nebraska veterinary science department;

Dec. 4, Ration balancing, how to balance a ration and understand a feed tag, Bob Fritschen; and Dec. 11, Management, its component parts and how they affect profits, Bob Fritschen.

Details on the course can be secured at the banks, at Northeast Station or from agricultural extension agents in the area.

BOOSTING THE BAZAAR is an old story for Mrs. Faye Fleetwood. She gives many hours of her spare time making aprons to be sold at Wayne Hospital Auxiliary bazaars each year. Even though she suffered an ankle injury she still managed to keep working on the aprons and the picture above shows some of her handiwork. The bazaar will be held Nov. 10 from 11 a.m. to 5 p.m. at the City Auditorium. All proceeds are used to purchase equipment for Wayne Community Hospital.

WAYNE'S ONLY TOUCHDOWN Friday night was scored by senior halfback Steve Kerl (with Phil Witt) who was just about to cross the goal line when this picture was taken. Quarterback Dave Tietgen (10) can be seen following the play.

Blocked Extra Point Saves Blue Devils

A blocked extra point by Blue Devil defensive man Don Skokan paved the way to a 7-6 Wayne High victory over West Point Central Catholic on the WSC field Friday night. Both touchdowns were scored in the first quarter and the blocked kick made the winning difference as neither team was able to cross the goal line in the remaining three quarters.

Lavern Brown set up Wayne's touchdown with 6:27 remaining in the first quarter when he recovered a WPC fumble on the Blue Jays' own 12 yard line. Three plays later senior halfback Steve Kerl scored the touchdown on an end run from the seven. The extra point was kicked by Gordie Jorgensen and with 5:11 left in the first stanza Wayne led 7-0.

West Point came right back following Wayne's kickoff and marched 27 yards in four plays for a touchdown. The drive was capped by a 47-yard pass play on a third and nine situation. The extra point was blocked by Don Skokan and with 3:40 remaining in the first quarter Wayne held a one-point lead that would last for three more quarters in what was to be a grueling defensive battle.

Neither team posed a serious scoring threat in the remainder of the first

half but the Blue Devils did manage to move the ball to WPC's 24 with less than three minutes left before they were unable to make a first down on a fourth and 10 situation.

Most of the third quarter was a defensive battle as neither offensive unit was able to penetrate deep into the other team's territory. However, the West Point gridgers were put in good field position with 1:10 remaining in the quarter when they intercepted a Blue Devil pass and returned it to Wayne's 34. Four plays later the ball was on the seven yard line and WPC was faced with a second and five situation as the third quarter ended.

Wayne High's defensive unit made a terrific goal stance on the next two plays as it held the hard-running Blue Jays on the seven and forced them to give up the football. In the next three plays Wayne was able to advance the ball to the 14 before a fourth and three punting situation resulted. Lynn Lessmann's punt was returned to Wayne's 44 where WPC took over with less than eight minutes left in the game.

Again the Blue Jays were on the move as they advanced the ball to the 24 before Bernie Binger ended the drive by recovering a

fumble with 7:06 remaining in the game. Four plays later the Blue Devils were forced to punt from their own 11 yard line. A 17-yard punt against WPC on the punt return put the Blue Jays on their own 27 with time running out.

After three plays WPC was forced into a fourth and seven situation from the 28 with 4:30 left in the game. A fake punt failed to catch the Blue Devils off guard as they threw WPC for a three-yard loss that gave Wayne possession of the ball.

Wayne was unable to make a first down in the next series of plays and the Blue Jays took over on their own 24. Three plays later a Blue Devil victory was clinched when Steve Kerl intercepted a

pass and returned it to the 12 yard line with 26 seconds left in the game. Wayne had time for just one more play before time ran out.

Lynn Lessmann was the leading ground gainer for Wayne as he carried the ball 12 times for 65 yards. He was followed by Dan Sutherland who carried 11 times for 30 yards.

Defensive leaders for Wayne were Harry Lindner (14 tackles, five assists); Bernie Binger (nine tackles, seven assists); Gordie Jorgensen (seven tackles, three assists); Dan Sutherland (six tackles, four assists); Lavern Brown (six tackles, two

assists); Lynn Lessmann (five tackles, two assists); and Don Skokan (five tackles, two assists).

The Blue Devils will be trying for their eighth straight victory of the season Wednesday night when they travel to Laurel.

Stout-Hearted Winside Loses 27-13

An out-manned Winside squad that refused to give up on homecoming night, outplayed a good Coleridge team the last three quarters, saw a touchdown pass knocked down at the last instant and withheld CHS scoring threats twice, lost a hard-fought 27-13 battle on the WHS gridiron Friday night.

The Wildcats of Coach Pete Kropp have two games left. They travel to Dodge Wednesday, Oct. 25, and close at home against Norfolk Catholic Nov. 3.

Against Coleridge Friday, the Bulldogs scored early in the game. In fact, they led 20-0 shortly after the second quarter started. From there on Winside outscored the visitors 13-7.

Bob Wacker kicked the 23 with Hodger Deck tackling the carrier on the 17. Coleridge drove, only to lose the ball on the Winside 11, Andy Mann recovering a fumble at that point. Randy Jacobsen gained 1 and 3, Roy Wagner 12 and 1 and CHS intercepted. Four plays later the Blue and White had a 10, Don Brandl passing

to Steve Anderson for 30 yards and the score. Brandl kicked the extra point to make it 7-0.

Jacobsen received the kickoff on the 31, returned the ball to the 31, only to have the fine runback nullified by penalty. Winside again passed, Brandl intercepting on the 20. Brandl passed to Bill Jefferson for a touchdown on the next play, Brandl kicked the extra point and it was 14-0.

Dave Witt received the kickoff on the 7, running out to the 19. Wagner ran for 2, Jacobsen passed to Larry Pfeiffer for 14, Jacobsen ran 14, Doug Deck 7, a penalty hurt and Wacker had to punt, the ball going to the 26 and being returned to the 33. Again Coleridge drove, going 67 yards in eight plays, mainly on passes and a 15-yard penalty. Ron Wilcox went the final 5 to make it 20-0.

Jacobsen received on the 18, returning to the Coleridge 42. Witt ran 8, Jacobsen passed to Wacker for 27 and Jacobsen went the final 4 to score. Ja-

WINSIDE HIGH'S homecoming was spoiled by Randolph Friday. In this scene a lot of players are on the ground. No. 46 is Larry Pfeiffer, (34) Phil Witt, (39) Charles Langenberg, (51) Dan Jacobsen kicked the extra point to make it 20-7.

Wacker's kick was returned from the 18 to the 37. Winside held Coleridge to 2 yards, forcing a kick with Witt returning from the 28 to the 46. Wagner gained 7, Jacobsen 7, a penalty 15, Jacobsen to Wacker 26 and CHS took over on downs before the half ended.

The second half kickoff was returned to the 29 from the 10 by Jacobsen. After no gain, Wacker kicked to the 42. Three plays later CHS scored, Wilcox going 36 yards. Brandl made the kick good for PAT and it was 27-7.

Jacobsen returned from the 13 to the 40 but a penalty again nullified a good runback. Witt received on the 7 and carried out to the 29. Jacobsen ran for 3, Wagner 10, Jacobsen 7, Bob Jackson passed to Witt for 23 but the Cats bogged down, Coleridge taking over.

Winside held to take possession on the CHS 36. Jacobsen went all the way but an official ruled he stepped out of bounds on the 2. Wagner gained 1, Jackson 1 and it was a 27-13 ball game.

Wacker kicked to the 43, Phil Witt set the visitors back 8, but a couple of gains picked up 43 and Coleridge saw a field goal attempt go off to one side.

Jacobsen passed to Jacobsen for 9, Wagner ran for 2, Witt 4, Jacobsen 20, Jacobsen passed to Pfeiffer for 9, Wagner ran for 2, Jacobsen passed to Wacker for 15 and ran for 3 before the Bulldogs took over.

Jacobsen threw Coleridge back 4. Both sides substituted freely the rest of the game with the final plays being a 3-yard gain by Doug Deck, Witt booting to the 37, Coleridge fumbling and Dave Langenberg recovering for Winside.

Rodger Deck had 8 tackles, Dan Jaeger 7, Larry Pfeiffer, Mark Witt and Phil Witt 6, Randy Jacobsen, Dave Witt and Charles Langenberg 4, Randy Wagner 3, Bob Wacker and Andy Mann 2 and Bob Jenkins 1.

Ainsworth, Crofton

Take Cross Country

Ainsworth and Crofton won Class B and Class C titles in the district cross country championships in Wayne Friday. Schuyler and Blair in B and Uehling and Clarkson in C also won state trips.

Keith Kube, Crofton, had the winning time in Class C, 9:47 for the 1.9 mile course. Steve Carr of Ainsworth won Class B only a fraction slower, 9:49.

Following Carr in order were Tom Horeisi, Schuyler, Bob Gerber, Schuyler, Dennis Kube, Blair, Mark Clausen, Wahoo and Mike Shelthman, Ainsworth. In Class C, Kube was followed by Rus Bos, Clarkson, Max Doerr, Creighton, Keith Nabor, Uehling, Mike Kube, Crofton, and Larry Otto Clarkson.

Team scores in Class B were: Ainsworth 27; Schuyler 34; Blair 41; Wahoo 47; O'Neill 75; Bloomfield 93; Fremont Bergan 118; Wayne 150.

In Class C it was Crofton 22; Uehling 49; Clarkson 56; Plainview 57; Atkinson 86; Hooper 109; and Wynot 138.

Larry Wilson, Allen, finished 17th out of 38 in his class. For Wayne, Mike Schneider finished 36th,

Charles Fisher 37th, Scott Kraemaer 38th and Loren Hansen 39th.

The first six individuals in each class and the first three teams in each class get to go to state. Medals went to the first five in each class, according to Harold Maciejewski, meet director.

Three Teams Tied in City Recreation Loop

With only one week of activities left, the city recreation football league is a tie among the three teams. The Blacks, Grays and Reds have each won two, lost two and tied two.

Hank Overin said the games this week will determine the winner. An all-star game is planned to wind up the season.

The Blacks made it a three-way tie for first (and last) by defeating the Grays 13-6 Monday. The Reds and the Grays were scheduled to play Friday, the Blacks and the Reds Tuesday and the Blacks and the Grays the following Friday.

Last Monday Randy Nelson put the Grays in front 6-0 on a 15-yard run. Billy Brown tied it up in the same quarter by going 4 yards for a TD and then put the Blacks ahead to stay by making the extra point.

With two minutes left in the third period, Brown went 40 yards to make it 13-6. That ended the scoring for the game.

Nelson and Glen Biltoff were standouts for the Grays. Brown, Kerry Jech and Mark Johnson made the best showing for the Blacks.

Wed In Double Ring Ceremony Oct. 14**

Patricia A. Jorgensen, Wayne, daughter of Mr. and Mrs. Arland Aurich, Winside, and Douglas A. Lueders, son of Mr. and Mrs. Delbert Lueders, Wakefield, were married Oct. 14 at 7:30 p.m. in rites at First Methodist Church, Wayne.

and baskets of peacock blue and white glads and pompons. Janine Brown and John Brandstetter sang "One Hand, One Heart" and "The Lord's Prayer." Paulette Merchant was organist.

The bride was given in marriage by her stepfather, Arland Aurich. She wore a floor length gown of imported silk organza over taffeta. The fitted bodice was fashioned with long tapered sleeves and a sabrina neckline. Motifs of jeweled alencon lace were used to accent the neckline and extended in panels on the flowing cathedral train.

Her veil of silk illusion was held by a starpointed capulet trimmed with seed pearls and aurora borealis crystals. She carried a heart-shaped bouquet of white roses and stephanotis centered with a removable cymbidium orchid. The arrangement was accented with tufts of blue nylon net and blue and white lace streamers.

Belinda Bebee, Wayne, was maid of honor. Bridesmaids were Deanna Jorgensen, Winside, the bride's sister, and Laurie Lueders, Wakefield, the bridegroom's sister.

They wore floor length gowns of peacock blue nylon net over taffeta styled in empire lines. Two flowing panels were held at the back waistline by large self fabric bows. Each wore a fingertip veil held by a pearl-trimmed comb and each carried a cascade arrangement of gladioli and baby carnations.

Wayne Lueders, Wakefield, served his brother as best man. Groomsmen were Terry Swagerty, South Sioux City, and Bruce Jorgensen, Crete, the bride's brother. Ushers were Tom Eaton, Claire Cisney, Gene Brown and Larry Donnelly, Wakefield, Emery Field, Wayne, and Tom Hager, Beloit, Wis. The bridegroom wore black tuxedo trousers with cummerbund and a white dinner jacket with a white rose boutonniere. His attendants wore black tuxedo trousers with cummerbunds and ice blue dinner jackets with white rose boutonnieres.

Terry Boltjes and Jimmy Salmon, Wakefield, were ringbearers. Flowergirls were Rhonda Lueders, Omaha, and Kay Lynn Lander, Wayne. The candles were lighted by the ushers.

The bride's mother wore a peacock wool sheath dress with black accessories. The bridegroom's mother wore a gold lace dress with brown accessories. Each wore a white cymbidium orchid corsage.

A reception for 250 guests was held in Fellowship Hall following the ceremony. Mr. and Mrs. Robert Anderson, Wake-

field, were hosts. Guests were registered by JoAnn Saha. Gifts were arranged by Peg Daly, Patsy Lubberstedt, Mrs. Lloyd Luedke, Mrs. Ross Terry and Phyllis Brown.

Mrs. Alan Bebee, Wayne, and Mrs. Clarence Baker, Wakefield, cut the cakes which were served by Mrs. Myron Schultz, Wayne, and Mrs. Lloyd Hugelman, Wakefield.

Mrs. Larry Donnelly and Mrs. Calvin Swagerty poured. Mrs. Charles Thompson and Marla Carlson served punch. Waitresses were Paula Curry, Diane Bennet, Mrs. Jenny Janovec, Terri Allen and Marilyn Daly. Members of Friendship Circle were in charge of serving with Mrs. Gene Fletcher and Mrs. Earl Beeks as co-chairmen.

For her going away ensemble the bride chose a black and white checkered coat and dress ensemble with black accessories and a white cymbidium orchid corsage.

The bride, a graduate of Wayne High School, is employed at Dale Electronics, Norfolk. The bridegroom, a graduate of Wakefield High School, attended W.S.C. He is presently in the U. S. Air Force to be stationed in Germany.

The couple took a wedding trip to Lake Okoboji, Minnesota and the Black Hills. Following his leave the bridegroom will be going to Germany where his bride will join him at a later date.

ALLEN HIGH'S Kevin Hill was the object of a bear-hug tackle by Joe Hansen of Randolph Friday night. No. 87 for Allen is Mike Roerber. No. 78 Joe Ankeny for Randolph, 85 is Randy Beltz and 64 Randie Meier.

Randolph Trips Allen in Close Tilt

The Randolph Cardinals in a well-fought contest tripped the Allen Eagles 13-7 on the Cardinals grid-iron Friday night.

The Eagles will host the Wildcats from Hartington High next Wednesday night for another tough Lewis and Clark battle. It will be the last home game for AHS.

On the opening kickoff Kevin Hill took the ball on the 15 and returned to the 34. Hill went for three but Allen was held and forced to kick.

The kick went to the Randolph 16. The Cardinals gained 73 yards on three consecutive runs that took them to the 9. Allen's defense went to work and held, taking over on the 7.

Hill went for 6, Larry

Carr went for 12 and 5, and Randolph took possession on an interception on the 33.

Randolph gained 30 yards that moved them down to the 3. Dwayne Meier went in for the TD, making the score 6-0.

On the kickoff, Hill returned from the 15 to the 35, as the first quarter ended.

Opening the second quarter, Carr ran for 2, Rick Hank passed to Mitchell for 4, Hank to Mike Roerber was good for 22 yards to the 4. Hank carried to the 2, then went the final 2 for Allen's first score making it 6-6. Hank made the extra point, making it 7-6.

Randolph returned the kickoff to the 44, gaining 6 before Carr intercepted

a Cardinal pass on the 43. Hill went for 1, Hank 3, Hill 4, and AHS was held by the Cardinal defense. Allen's defense also stopped Randolph, taking over on the 41. Carr gained 9, Hill 4, and the half ended with the score 7-6.

Opening the second half, Allen's kick was returned to the 45 but a clipping penalty moved it back to the 29 of Randolph.

The Cardinals gained 51 yards before Jerry Warner broke through the line and threw Randolph for a 12-yard loss.

The fighting Cardinals came right back, gaining 24 more, putting them on the 4. Again the tough Allen defense dug in and threw Randolph back for a 13-yard loss, Joe Smith making a big tackle for The Eagles. The Cardinals gained 9 more before giving the ball over to Allen on the 11. Allen was forced to kick as the third quarter came to a close.

Allen's punt went to the Allen 22. Randolph took advantage of fine field position gaining 18 before Joe Hansen went the final 4 for the Red and White. The extra point was good and Randolph led 13-7.

Hank returned the kickoff from the 15 to the 30. A penalty put the ball on the 45, Carr went for 4, Hank 3, Carr 4, Smith 4, and Hank 4, before Randolph intercepted a pass and went to the RHS 45. They kept the ball, gaining 30 yards and running out the clock.

Allen's leading tacklers were: Kevin Hill 6; Rick Hank 11, Alan Smith 8, Mike Isom 6, Larry Carr 13, Wayne Rasmussen 9, Bob Meyer 14, Jerry Warner 10, Rich Gensler 7, Mike Roerber 6, and Hasler 7.

Allen Coach Losing Several Grid Stars

If Coach Leroy Wilch, Allen, appears a little downcast the rest of the football season, it is with good reason. He started the season minus some good players and has lost more.

Mike Prescott, one of the leading defensive men on

the team, has moved back to Iowa. Jim Ellis, senior backfield star, has been lost for the rest of the season with a torn cartilage in his right knee.

Craig Schulz was a doubtful participant in this week's game with Randolph due to an injury. Rich Gensler has a torn ligament which may keep him out of action for a while.

Kevin Hill is badly bruised and his activities may be limited this year. Jerry Warner has been out of school because of illness and his play this week was expected to be limited.

Mother, Son United

A three-year-old boy was found by a Wayne resident last week. Police were

called. They took the boy, drove around and finally found a woman driving around as if she were looking for someone. She was a mother looking for a three-year-old boy. An unusual fire was also put out by the police. They did not bother calling the firemen. Leaves caught on fire in a storm sewer. Policemen used a hand-operated fire extinguisher to put out the

flames. More extensive deer movements during the months of September through November mean higher deer mortality on Nebraska's highways in those months. Motorists should be especially watchful at this time

Coaches Attend Big Two-Day Cage Clinic

Coaches Dick Nelson and Don Johnson went to Kansas City, Kan., Friday to attend one of the biggest coaching clinics in the Midwest. Sessions lasted all day Saturday.

Nelson is the new cage coach at Wayne High School. Johnson will be his assistant.

The "Clinic of Champions" is sponsored by Wyandotte High School, Kansas City. It features coaches of four state champion basketball teams, Kansas, Ohio, Indiana and New Jersey.

Here are the clinic coaching staff records: From Kansas, won 253, lost 20, eight state champions; Ohio, 184-50; Indiana, 137-99; and New Jersey, 210-69.

Around 400 coaches from all over the Midwest attended. Nelson also attended the clinic last year when he was on the staff at Plattsmouth High School.

Wakefield Farmer Aided by Friends

Walter Otte, hospitalized seven weeks at Wakefield, was the recipient of one of those typical acts of "friends in need" Friday. Neighbors showed up to bring in his milo crop. Otte, who lives six miles southeast of Wakefield on the Thurston-Dixon county line, has a son, Sandy, who has been trying to keep up with the work. However,

he has been unable to get all of it done. Friday the neighbors showed up with five combines, ten wagons, six tractors and three trucks. They harvested and stored 60 acres of milo before the day was over. Women brought food to serve the workers at noon. They had plenty left for a lunch at quitting time in the afternoon.

WHS May Send Pupil Abroad in Year

Wayne High is getting ready to sponsor its third foreign exchange student. So enthusiastic are boosters, there is even thought being given to sponsoring a Wayne pupil as an exchange student in a foreign country next year.

At a meeting of the American Field Service chapter in Wayne High School Thursday night, this possibility was discussed. Counselor Ken Deissler reported several WHS pupils had indicated an interest in going abroad for a year of study under such a plan. If the AFS chapter does decide to do this, it means \$1,500 will have to be raised instead of \$750. It had already been decided to bring another exchange student here for the 1968-69 school year.

Phadet Gawsonbat started it off when he came for a year from Thailand. Margot McKay from Australia is adding lustre to the program as a student here this term.

Techniques for raising money for the AFS pro-

gram, the success of the endeavor so far and other business matters were discussed Thursday.

Meetings are held the third Thursday each month and the public is invited. Next meeting will be Nov. 16 at 8:15 in the high school.

Allen High to Elect County Day Officials

County Government Day for Dixon County will be held Tuesday, Oct. 31. Allen High pupils are getting ready for an all-out political campaign.

Leroy Wilch, who is in charge, reports there are 26 candidates for the various offices. Speeches are being prepared for Monday and Tuesday, Oct. 23 and 24. Each candidate will be allowed five posters.

The juniors elected to the various offices will spend Oct. 31 in the courthouse at Ponca. They will join "officers" from other schools in the county for the annual day to learn about county government.

SHEILA BJORNSEN, Sioux City, was crowned queen of Wayne State College's 1967 homecoming Wednesday night. A senior majoring in business education, she is a daughter of Mr. and Mrs. C. R. Bjornsen. At Central High, where she graduated in 1964, Miss Bjornsen won another queenly honor, as Friendship Sweetheart. At Wayne State she is president of Cardinal Key, women's honorary organization, and a member of Pi Omega K, national honorary in business education. Coronation of the queen took place in a colorful ceremony inaugurating the college's four-day homecoming festival on a "Camelot" theme.

WOMEN SERVING lunch at the Walter Otte home for the harvest crew were (left to right) Mrs. Bernard Kinney, Mrs. John Greve Jr., Mrs. Walter Otte, Mrs. Charles Kinney and Mrs. Edith Hanson. Also furnishing food were Mrs. Lloyd Hugelman, Mrs. Cornelius Leonard, Mrs. Buck Driskell, Mrs. Bill Kinney, Mrs. Hans Stark, Mrs. Ralph Oswald and Mrs. Paul Everingham.

City Slogan Decision Draws Near

Wayne Jaycees have narrowed the competition for a city slogan for Wayne to 15 entries. This is one-fifth of the total entered, there being 75 entries in all.

At the Wednesday night meeting of the club, it was revealed that a winner will be named soon. It is hoped the slogan will be catchy enough to be adopted by the city and by civic organizations.

Five new Jaycee members have been signed. Don Brockman, Loren Ellis, Robert Powell and Mark Dorsey are regular members and Chas Greenlee is an associate member.

Lions Honor Several Tuesday Night

With one of the largest crowds in years present, 117 in all, Wayne Lions Club honored several area residents, young and not-so-young, Tuesday night at a ladies' night meeting in Laurel. President Stan Smith handling the affair.

Guests included the winners of the Punt, Pass & Kick contest and their parents, plus some grandparents. The boys received their awards from Ken Daugherty on behalf of Wortman Auto, and were guests of Lions Club for the meal.

Special recognition went to three. Larry DeForge was honored for his work in setting up the PP&K contest; Hank Overin was honored for his work with the youth of the community; and Coach John Jermier was honored for his help in the program and his special gift of free passes to Saturday's homecoming football game at WSC for PP&K champions. Coach Jermier was guest speaker. He talked on patriotism in general and the athletic programs' roles in developing sound citizens in particular.

The annual turkey promotion has been set by the club with proceeds again going to sight conservation. Selves of Lions will help sell tickets this year. Mr. and Mrs. Leo Hansen were guests along with wives of members.

Driverless Car Hits Side of Long Truck

Arthur Storm, Wayne, parked his car on the Carhart parking platform on Main Street Monday. It was in parking gear but the car slipped out of that gear and rolled backward, striking a big truck in the side.

Simeon Taylor, Scott City, Kan., was driving the truck owned by Broggerman, Scott City. It was northbound at the time, according to Officer Melvin Lamb, who investigated. The mishap caused \$80.74 to the Storm car. The right rear outside tire on the tractor of the big truck was cut in the mishap.

of flying time. This could qualify for an AOPA (Aircraft Owners and Pilots Association) certificate indicating they are capable of at least landing a plane. This could come in handy in case they are with husbands and have to land the plane.

All have ridden with their husbands. Two, Mrs. Gerald Hornback and Mrs. Lionel Moore, have piloted planes some.

AOPA wrote the course for women. It is not quite as technical in terminology as the courses men take, and the women coming here for it classes indicate they enjoy it.

Women in the course are Mrs. Hornback, Mrs. Herb Albers, Jr., Mrs. Fred Mesmer and Mrs. Ron Wartig, Wisner; Mrs. Donald Boling, Belden; Mrs. Gene Fletcher and Mrs. Moore, Wayne; Mrs. Craig Williams, Allen; and Mrs. Lee Boltjens, Wakefield.

Teachers Meet

The district teachers' convention will be held in Norfolk Thursday and Friday, Oct. 26-27. Winside, Wayne, Allen and Wakefield schools will close for the two days. Classes will be dismissed Wednesday afternoon and will resume the regular schedule Monday, Oct. 30. Football games will be played Wednesday night because of the convention.

Time Running Out

Time is running out for getting driver's licenses. The present ones expire at midnight Oct. 30. Anyone driving on an old license Oct. 31 will be violating the law and will be subject to a fine if caught. County Treasurer Leona Bahde's office will be open Monday through Friday this week (including noon hours) and all day Monday, Oct. 30. This means several hundred drivers are going to have to bring or send licenses in for renewals during those six days.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

And Now for Winter

Can you take winter after what we have endured through spring, summer and fall? Ready or not, winter is on its way to Northeast Nebraska.

Just to get you in the right frame of mind, your attention is called to the fact this area has had two mild winters in a row. WOW, Omaha, reminds us that weather bureau records show that never in history have we had three mild winters in a row.

Getting right down to brass tacks, it should be pointed out that we never have had such a spring, summer and fall as we had this year. So, history can be made — we might have three mild winters in a row. Don't give up hope yet.

Do you remember spring? It got up above 100 in May. Unheard of! Yet the mercury never reached the 100-degree mark again all summer.

Maybe you recall how dry it was. Everyone was moaning about the drought before all crops were even in the ground. Then came that unusual rain from the east that lasted for days, soaking, soaking, soaking. Oldtimers tried to recall another such rain. Few could. It was followed by more rain of a more typical nature, three weeks of it in all.

Then came summer. It turned dry.

Invite Teachers to Wayne

How come the district teachers convention is always in Norfolk? That's a question asked of a local teacher and the reply came back: "That's the only place that invites them."

Another convention is coming up this week. How about someone extending an invitation to have the 1968 convention in Wayne!

Looking over the schedule at Norfolk, one finds the events scheduled at the senior high, churches, hotel and cafes. School is not open during convention so facilities at the high school can be used.

But look what Wayne has to offer in its school complex. Wayne High, Wayne Elementary and Wayne Middle School are all close together. There are parking facilities around all.

If that were not incentive enough, there is Wayne State College here. Students could even be dismissed there for the convention. After all, most of the WSC students plan to be teachers anyway and might even take in some sessions.

Don't laugh that off either, because the same situation arises at Kearney where the students at KSC get out during teachers convention of another district in Wyoming.

At any rate, let's extend the invitation. Wayne has much to offer. Let's have the teachers find out for themselves by convening here in our modern facilities in 1968. —CEG.

Northeast Pioneers Consistent

You've got to hand it to Northeast Nebraska pioneers this centennial year. When they named a county and a town the same name years ago, they made sure they were together. The rest of the state was not so consistent.

For example, the town of Dixon is in Dixon County. Then there's Pierce in Pierce County, Stanton in Stanton County, Wayne in Wayne County, Madison in Madison County, Dodge in Dodge County, Thurston in Thurston County and Boone in Boone County. They even put Dakota City in Dakota County and Platte Center in Platte County.

But, in other parts of the state you find this: Grant is not in Grant County; Lincoln is not in Lincoln County; Dawson is not in Dawson County; Johnson is not in Johnson County; Kearney is not in Kearney County; Adams is not in Adams County; Valley is not in Valley County; Thayer is not in Thayer County; Douglas is not in Douglas County; and Morrill is not in Morrill County.

What's more, Cedar Bluffs, Cedar Creek and Cedar Rapids are not in Cedar County. Loup City is not in Loup County. South Sioux City is in the northeast part of Nebraska bordering Iowa, clear across the state from Sioux County, bordering Wyoming.

Wanted: A Great Man

Just when needed, a man like George Washington came along. When the job of saving the Union was upon us, Abraham Lincoln appeared. Great men have come into the presidency at other points in history, just in the nick of time.

A great man is needed right now. With Communism a world threat, with our own young being misled, with protests being based on misunderstanding and misinformation, with all the world depending on us for leadership, with our own country requiring a firm hand at the controls more than ever before, a truly great man is needed.

But who is he? How did it happen a Washington, a Lincoln, a Theodore Roosevelt or any other great men were

Moisture was needed but seldom fell. Thunderstorms hit scattered areas. Some places had hail. Tornado watches became commonplace.

As fall neared, we had a nearly freeze. This affected the filling out of kernels and the crop loss was mourned.

So, what happens? So Nebraska has a corn harvest that is said to be the fourth greatest in history. Wheat was better than expected. Other crops endured far greater than thought.

Fall is here. Rain is needed before the ground freezes. Pleasant days are at hand.

But lurking over the horizon are the storms of winter now moving closer and closer. Canada, always ahead of us in having cold weather, is getting the cold now. Readings below freezing are not uncommon in the border states.

Winter is coming. After all these months of the unexpected being expected, maybe the expected can unexpectedly fail to arrive. We don't ask for a banana-belt season. We just want the "unusual weather" to extend well into next year. We know winter has to come. We just hope it doesn't have to be hard to get along with. —CEG.

What's more, Wayne has the city auditorium, steak houses and other places for luncheons and snacks. West Elementary is prepared to serve. The college catering service could serve. Restaurants could handle the crowds now.

Wayne stores would be sure to go all out welcoming the teachers, as Wayne is an education-conscious and teacher-appreciative as any city in the state. Other business places would go along with making the instructors and administrators know they are welcome.

Out in Western Nebraska no town has the monopoly on teachers conventions. Norfolk does in this area. Sidney, Chadron, Alliance and Scottsbluff take turns hosting the convention.

Why not do the same here? It's a cinch Wayne could handle it. South Sioux City might extend an invitation. West Point and O'Neill might want to get in bids.

At any rate, let's extend the invitation. Wayne has much to offer. Let's have the teachers find out for themselves by convening here in our modern facilities in 1968. —CEG.

However, the rest of the state does have some things right. Kimball is in Kimball County; Scottsbluff in Scottsbluff County; Arthur in Arthur County; Greeley in Greeley County; Polk in Polk County; York in York County; Seward in Seward County; Washington in Washington County; Otoe in Otoe County; Nemaha in Nemaha County; and Franklin in Franklin County. What's more, Clay Center is in Clay County and Hayes Center is in Hayes County.

But, there is one incongruity that we'll never understand. There is a town of Western, Nebr. where is it located? Western, Nebraska, is in Eastern Nebraska!

Maybe the same jokers did that who lined up these communities in alphabetical order east to west across the state (with a few new towns added to break the order in various spots over the years): Adams, Bennett, Crete, Dorchester, Exeter, Fairmont, Grafton, Hastings, Ingleside, Juniata, Kenesaw, Lowell, Minden, North Platte, Oshkosh, Penn. (No Q), Redington, Scottsbluff and Torrington (just over the line in Wyoming). Sorry, they ran out of state by then so the UVWXYZ don't enter the picture. —CEG.

Just offstage may be another man who could be as great as any. Is it Percy? Reagan? Kennedy? Humphrey?

Oh, how we need a good man for the years ahead. The trouble is, the people no longer get to choose the man they want. They merely vote for those who are put up as candidates regardless of public sentiment. Then they take a choice, often between two who wear different party labels but think almost alike.

A great man is needed today. If we can't have a Lincoln or a Washington, at least let's have a near-great. Voting will help; praying can't hurt. —CEG.

Letters to the Editor

Dear Editor: I would like to thank SWAY for the \$10 I received as a result of being a winner in one of the weekly drawings. The thought of

people who do appreciate a serviceman's efforts means much more than the money. Money means very little here with no place to spend it but it really helps when a guy comes home for 30 days leave. I am located at Red Beach, about eight miles northwest of Da Nang. It is very sandy here so it's not as muddy as it was at 1st Marine Division. We are now in the monsoon season so it rains every day and it is very hot all the time.

northwest of Da Nang. It is very sandy here so it's not as muddy as it was at 1st Marine Division. We are now in the monsoon season so it rains every day and it is very hot all the time.

I am working in a new disbursing office we opened two weeks ago. We work from 7 a.m. to 9 p.m. seven days a week as we are short of help, so spare time is rare around here. Time does seem to go fast though and working all the time keeps me out of trouble and occupies my mind so I don't have much time to think about home.

As of today I have 108 days left to go in Vietnam and they will never go fast enough. That's what most everybody thinks about most here: The day they'll go home.

Once again, thank you. Warren Cook (Cpl. Warren A. Cook, 2212665, Disbursing Office, Force Logistic Command, FMF, FPO San Francisco, Calif. 96602).

I would like to express my thanks for the pleasant surprise which I received from the members of SWAY Inc.

I just returned to Williams Air Force Base from Washington, D. C. where I attended a seminar on the training and administration of Foreign Military Personnel who are receiving

training by the United States Air Force.

My primary duty at Williams is supervising the training, administration and informational activities which the Allied Students receive while they are in the United States.

My job is an interesting and rewarding one. I have an opportunity to come into almost daily contact with some of the future leaders of the free world. Besides being skilled individuals, these men are very interested in learning all they possibly can about the most advanced country in the world, and it's a pleasure for me to help these students while at the same time serving my country.

Roger (Lt. Charles R. (Roger) Denesia, USAF, 690, W. Galveston, No. 1, Chandler, Ariz. 85224).

I recently received the SWAY letter and check and was very pleased to be lucky enough to have a chance to win.

I wish to thank SWAY's sponsors very much, and I know the other servicemen appreciate it as much as I do.

I am presently assigned as a computer instructor at Lowry Air Force Base in Denver, Colo.

Respectfully, Wm. J. Ahern (1061 Uvalda, Aurora, Colo. 80010)

Out of Old

Pawnee Reservation Boyhood

Correspondence with our members quite often brings to light interesting but forgotten aspects of Nebraska history. Recently we came across a letter written in 1940 to A. E. Sheldon, then director of the Nebraska State Historical Society. In it Carroll G. Pearse of Milwaukee, Wisconsin, wrote of his childhood spent near the Pawnee Reservation.

Pearse, after attending Doane College and teaching in Nebraska, became a nationally known educator, while his younger brother, Arthur Speery Pearse, was a noted American zoologist. They were the sons of Sherman L. and Sarah Pearse, who came to Nebraska from Iowa in 1868, taking a homestead in Butler County.

Pearse wrote, "As a 10 year old boy I crossed on Shinn's Ferry going from just outside the Pawnee reservation on the Loup to my father's homestead in Butler County. I saw Chief Petaleshro many times. Father bought from a wagon that the U. S. had issued to him and Pete didn't want."

"I herded ponies on the Loup bottoms, helped plant sodcorn and watermelons which melons, when ripe, were sold to the Pawnees for \$1.00 apiece. Visited the Pawnee winter 'lodges' swarming with fleas."

"I remember a two wretched women who had been scalped but not killed by the Sioux, whom the

tribe considered as dead & refused to let them come into the village. The trader, Lester Platt, let them live in a lean-to on the side of one of the outbuildings.

"I remember the Sioux scares when the Indian pony herds would come streaming in from every direction, driven by the (Pawnee) women and boys herding them, when some unaccounted for figure loomed up on the skyline on top of the bluffs north of the village."

It is unfortunate that Dr. Pearse did not record more stories of his childhood for it is likely that he had many other tales to tell of his interesting boyhood near the Pawnee reservation.

The period Pearse spent near the reservation were the last years in which the Pawnee lived in Nebraska, and for the Pawnee these were troublesome years. Sioux war parties utilized the natural trail of the Loup River valley from their own territory to the Pawnee reservation, where they made regular raids against the Pawnee horse herds or attacked the Pawnee women working in their cornfields.

Homesteaders began to grow around the reservation and whites stole consistently from the Pawnee wood reservation. After much intra-tribal turmoil, the Pawnee gave up their Nebraska reservation and moved to Oklahoma, in 1874-75, where they still live.

60 YEARS AGO THIS WEEK

Wayne Herald, Oct. 24, 1907
Mr. Wright, of Wayne, father of our Principal has rented the Bennett store building, which will be fixed up in good shape, and will open up a general store here about Nov. 1 with a nice new stock of goods of every description. (Taken from Dixon Herald)

Goldie Chace had quite a scare last Thursday afternoon, while riding horseback, the horse became unmanageable and ran at a rapid rate as far as Way's barn, but she hung on till the horse was stopped.

We understand that William Jennings Bryan has promised to come to Wayne and give an address at the Opera House on Friday evening, Nov. 1.

Gordon, the cement walk man, tells us that in summing up his season's work in Wayne he finds that he has put in cement walks the value of \$5,412.41. During the past several years the value of cement walk laid each year has nearly approached this, and to cast up the total would make an exceptional showing for Wayne. Another summer will likely see the board walks along all the principle streets replaced with cement.

We are informed that on Tuesday morning fire destroyed the house occupied by Henry Echtenkamp, right east of the German Church north-east of Wayne. Mr. Echtenkamp was out in the field at the time and his attention was first called to the burning building by the explosion of some shot gun shells by the flames. He hastened to the house, and arrived just in time to break in a window and rescue the children, while his wife, had barely succeeded in getting out herself. The household goods were destroyed. The cause of the fire is unreported.

Work has begun on a large well for the waterworks which will be eight foot across, as we understand it. The well is located just back of the town hall and excavation has commenced under the building for a basement where the engine to pump the water will be placed. The great

Wednesday in LeMars, Ia. He was a nephew of Pingel and was killed in a navy plane crash in Vietnam. Five crewmen from the plane of the carrier Oriskany died in the crash.

Nephew's Rites Held

Mr. and Mrs. J. E. Pingel, Hoskins, attended memorial services for Lt. Norman Roggau, 26,

Due to the terrain, it was impossible to recover the bodies. Parents of the young officer are Mr. and Mrs. Orville Roggau, LeMars.

LOANS TO FEEDERS

Whether your feeding plans this fall include cattle, hogs, or lambs, you'll find a PCA loan to fit your needs. PCA loans are far more planned, so they fit the particular requirements of livestock feeders. You save money with a PCA loan by paying interest only for the days you actually use the money. Repayments are arranged to fit marketing times. Include a PCA loan in your feeding plans this fall. For complete details, see, call, or write.

Dependents of Vets Will Get More Benefits

Chris Bargholz, Wayne County veterans service officer, reports widows and children of deceased veterans of all military conflicts will receive greater benefits under the new veterans law.
Marriage time requirements for widows have been reduced from five to one year. Veterans' widows may also qualify for benefits for children born either before or after marriage.
Death pensions have been extended to widows of Vietnam veterans and for those whose veteran husbands survived action in Vietnam but died later. Additional payment is available if widows are in nursing homes.
Pension increases for October will be included in November checks, Bargholz said. It is not necessary to apply for the increases—they are automatic.

HOME COOKING in America looks mighty good to Dr. T. H. McDonald, Altona, shown leading off at a luncheon following an AAL meeting at Altona Trinity Lutheran School Wednesday night. After 11 days of eating in Russia, he was most happy to return to this side of the Iron Curtain.

'Let Anyone Live One Year in Russia; They'd Gladly Return to Capitalism'

"Let anyone who thinks Communism is so great live in Russia under Communism one year; they'll be glad to come back to

Capitalism." That, in essence, is what Dr. T. H. McDonald tells various groups when he shows his slides of Russia. He then proceeds to show a few reasons.

Dr. McDonald, who resides at Altona, showed his slides at the Aid Association for Lutherans meeting at Altona Trinity Lutheran School Wednesday night. His conversational discussion of happenings on a 5,000-mile trip behind the Iron Curtain make a program of a little over an hour's length seem much shorter than that.

Here are two examples of what Dr. and Mrs. McDonald encountered, not necessarily in the order of occurrence. When they left Russia and entered Finland, they found modern facilities in the smaller country. In fact, the bathroom, with their hotel room had a seat on the stool, toilet paper and hot water. They had not found these in Russia. Dr. McDonald recalls that in Russia wherever they stayed the toilet seats had been removed. One dared not be too near the stool when it was flushed either, as the water comes from directly overhead.

In fairness to the Russians, it should be pointed out that Dr. and Mrs. McDonald did not take an Intourist trip. They camped out at regular camps for travelers. Intourist makes sure most foreigners stay at the best hotels and eat at the best restaurants so they see only the best of Russia.

However, the McDonalds camped each night at designated spots and they found they had to turn their passports in each place and remain behind locked gates until they left in the morning. No one wanders around at night in USSR, especially foreigners.

Women might appreciate their situation in the USA when they learn that many of the women seen were only dresses and shoes—period. Why? Bras sell for \$5 or more, slips at \$15 or more, hosiery at \$3 and up. Panty prices are also high. Dresses are high priced. Of course, coats are needed in the winter, but they are high-priced too, a rather plain one Dr. McDonald pointed out being a "moderately-priced" \$40 model.

Ah, but the bikinis. Many women in Russia wear them on the beaches. Even the 200-pound women (and larger ones) wear bikinis. It is not so uncommon for those without bikinis to wear bras and panties to swim in—understandable since those items wear better than the bikinis do and women can't always afford both bikinis and underclothes.

Some men in this country wear \$40 shoes. In Russia some men wear \$40 shoes. The difference is, the quality shoes for \$40 in this country do not compare with the cheap construction of \$40 shoes in Russia.

Women, you would work, possibly harder than the men do if you lived behind the Iron Curtain. Everywhere the McDonalds went they saw women doing heavy labor. They build highways (50 per cent of workers on roads are women). Men would be seen leading teams of oxen or horses in the fields, while the women followed behind, tossing the crops onto the wagons. Herds of cattle were shown lined up to be milked. Who was milking them? Women. How? By hand. Blacktop was dumped off trucks to make highways. No need to say who tamped them down to smoothness with hand tools.

Dr. McDonald traveled the most modern of highways—two lanes of blacktop. He said it would be 50 to 70 miles between

crossroads, dirt roads, often one lane wide. Get off the main roads and you might as well be in the fields. In fact, buses were seen leaving the highway and driving to communal farms across fields.

Gas stations were a delight to see, mainly because it was so gratifying to find them, especially if they had the right octane gasoline. If they didn't have the right octane, you begged enough of the highest octane possible to get to the next station that did have what you needed. Also, there was a line of cars at every station, waiting to get gas. The gas they received for the most part was 66 to 76 octane.

Trucks were everywhere but cars were scarce. In fact, big cities were shown in mid-day with one car or less in sight. A bridge near a city of over a million population was the only link to the other side of the river and yet there was only one vehicle on it.

Dr. McDonald said the nearest thing to a real traffic jam they encountered was when two wagons, one truck, an ox cart and the McDonald car were slowed down to a near halt on a narrow road one time.

Merchants in a city of over a million have their "sales" just as the big fall sales are held in this country. Well, not exactly. Since the peasants have no transportation and cannot get into the cities to buy, merchants load up trucks with goods, take them to the country and sell items to the peasants—at mark-ups of as much as 30-40 per cent over the regular prices. No trading stamps either!

The people were most kind, thoughtful and generous in the Ukrainian area. However, when they gave even a few vegetables away, it was something big since all they can "farm" for themselves are the plots in their yards. Everything in the big fields belongs to the government.

A town the size of Wayne had only one store, that one no bigger than the country school house in which Dr. McDonald was speaking. Gas stations did not exist in towns that size.

Dr. McDonald told many other things of interest about life behind the Iron Curtain. They cannot be told in detail here. However, he is filling speaking engagements of all types and has a story to tell that everyone should see and hear.

One final word. Dr. and Mrs. McDonald did stay at an Intourist Hotel, the best, reserved for visitors from other countries to show off Russia. They ate in a fine Communist dining room. Have you ever eaten boiled wheat with fried porridge? That's what they had. They lost weight in Russia, gained it back in Scandinavia.

After telling about this and some of the other "delicacies," Dr. McDonald closed his talk. Then the women of the Altona area served sandwiches, coffee, rolls, cake, pie and other food. It would be a banquet in Russia. It was a routine after-meeting lunch at Altona Trinity Lutheran School, USA.

Five Top Honor Report at Allen

With much stiffer requirements than ever before, only five pupils at Allen High School made the honor roll the first six weeks, Supt. E. C. Heckens reports. A new system also sets up "first, second and third" honor rolls.

Those on the first honor roll have all A grades; those on the second honor roll have three A grades and the rest B; those on the third honor roll have two A grades and the rest B.

What's more, getting the top grades is harder. The new schedule looks like this: A, 94 to 100; B, 86

to 93; C, 78 to 85; D, 70 to 77; and F, 0 to 69. In each case, numbers are inclusive.

The five on the first honor roll (all A) are Margaret Ankeny and Cynthia Ellis, both juniors, and Roger Lanser, Della Lindahl and Wayne Rasmussen, all seniors. There were none on the second honor roll.

Those on the third honor roll were Linda Book, sophomore; D'Vee Koester, sophomore; Kathy Jackson, Valerie Koester and Craig Schultz, juniors; and Sally Gensler, Eunice Johnson and Marcia Rubeck, seniors.

Roof at Hoskins Has Damage During Blaze

A roof on a downtown business district building was damaged in Hoskins Friday, Oct. 13. Sparks from a trash fire are thought to have caused the blaze.

The wind blew sparks from the fire onto the roof

of the Hoemann Plumbing Co. in the main business block. Someone noticed the fire a short time after it started and firemen were called.

With only a block to go, firemen were on the scene in quick order. They had the fire out in minutes, holding roof damage to a moderate amount.

Wayne, Stanton Frosh Game Tie

Wayne Freshmen battled the Stanton Freshmen-Sophomores to a 6-6 tie Thursday afternoon on the local field. Statistics favored Wayne but the score is the main factor.

Coach Ron Carnes has one game left for the locals. They play West Point Central Catholic at 4 p.m. Tuesday, Oct. 24, on the West Elementary field.

Stanton scored early in Thursday's game. Lynn Gunderson had kicked to the 23 with Stanton returning to the 33. After several short gains and a penalty on Wayne, a Stanton back ran 34 yards for a TD.

The extra point was no good and the visitors led 6-0.

Don Mau received the kickoff on the 23, returning to the 30. Steve Kamish gained 7, Brock Giese 2, Kamish 3, Mike Creighton passed to Mau for 6, Kamish made 3, Creighton passed to Mau for 4 and Stanton took over. Kamish set them back 6, they failed to gain and kicked. Mau returning from the 37 to the 42.

Kamish ran for 4, Dick Tietgen 4, Creighton 1, Tietgen took a pass from Creighton for 2, Creighton ran 1 and Stanton took over. The Colts picked up a first down and took to the air, Blaine Hubeck forcing one bad pass and Steve Pen-

nington another so Stanton kicked.

Wayne drove again, Creighton 3, Kamish 2, Creighton to Mau 7, Kamish 3, Creighton to Tietgen 6 and the drive ground to a halt. Stanton took over only to lose the ball on a fumble, Charles Weible recovering as the half ended.

Mau received the second half kickoff on the 18, returning to the 30. Creighton passed to Mau for 12 and to Pennington for 6. Kamish gained 3 before Wayne kicked, Pennington booting to the 28. Stanton had the ball two plays, fumbled and Jerry Reeg recovered for Wayne.

A good drive got underway, Creighton passing to Giese for 2, Mau for 8, Pennington 5 and Mau 5. Tietgen ran for 2, Giese 1, Kamish 1, Creighton 3 and Creighton went the final yard on fourth down to tie the count. No extra point meant a 6-6 tie.

Gunderson kicked to the 28, Reeg set the visitors back 2, a pass failed to gain and SHS kicked, Mau returning 12 yards to the 40. Giese made 3, Creighton passed to Giese for 3, Tietgen ran for 8 and 2, Giese 13, Kamish 1 and the visitors took over.

Wayne held, forcing a kick, Mau returning from the 11 to the 20, Kamish picked up 4, Giese 4, Kamish 4, Creighton passed to Tietgen for 1 and Giese for 21. Tietgen gained 2 and took a pass from Creighton for 7. Stanton held, only to have Mau intercept on the 50, hand off to Tietgen who returned to the 38. Creighton passed to Mau for 10, but three other passes fell in-

complete. Stanton completed four passes in a row for 42 yards and the game was over.

Wayne led in first downs 16-9; yards passing 105-69; total yardage 190-159; passes 24-15; completions 16-7; interceptions 1-0; and fumble recoveries 3-1. Stanton led in yards rushing 90-85; fumbles 3-1; and yards penalized 64-25.

Wynot Team Defeats Wayne Eighth Grade

Wynot freshmen and sophomores defeated Wayne eighth grade in a game at Wynot Thursday afternoon. The host team took a 15-6 game over the younger and lighter Wayne squad.

Coach Hank Overin has

two games left for Wayne. Monday the eighth grade plays Pierce junior high at 4:45 at Pierce. Pilger freshmen and sophomores take on the locals in the season finale at night in Wayne Nov. 2.

Wynot made the first TD Thursday to hold a 6-0 lead after one period. Kelly Dill moved the ball to the 20 on a long run, Danny

A CLUB OFFICERS at Allen High School posed with their sponsors. Leroy Wilch, left, and Jon Olson Officers (left to right) are Craig Schultz, treasurer, Wayne Rasmussen, secretary, Mike Roeber, vice president; and Jim Ellis, president. In fairness to the boys, it should be pointed out their sweaters do not contain all the chevrons and other honors they have earned.

Don't overload your heart. Take warm, but light clothing on your hunting trip. The Nebraska Heart Association suggests.

Convention Brings Grid Game Changes

Teachers convention this week brings changes in the schedule for gridiron games all over the state. All four area high schools will have their varsity games Wednesday, Oct. 25. Here's the Wednesday lineup: Wayne at Laurel; Winside at Dodge; Hartington at Allen; and Scribner at Wakefield. All games start at 7:30 p.m. Other games in Wayne

are set for Monday and Tuesday. Monday at 4, South Sioux City Sophomores play at Wayne. Tuesday at 4, West Point Central Catholic Freshmen play at Wayne.

Surm moved it to the 10 and Lonnie Biltott scampered 10 yards to tie it up 6-6.

Court Suits Filed

Two new suits for district court have been filed with John T. Bressler, Jr., clerk of the district court. One involves Carhart Lumber Co., Wayne, versus Everett Davis in a suit on account. The other involves Farmers State Bank, Carroll, versus Marlin and Dana Landinger and Credit Bureau of Norfolk, for enclosure on property in Carroll.
