

Seek Help of Public to Name Area's Top Farmer

Nominations are being sought from the public for selecting the area's "Outstanding Young Farmer." Wayne Jaycees are sponsoring the recognition as part of the Farmer's Appreciation Night Tuesday, Nov. 28.

Farmers 21 to 36 years of age will be eligible for the honor. They must be deriving at least two-thirds of their income from farming, use sound soil and water conservation practices and contribute to the betterment of both the community and to agriculture in general.

Anyone who knows a farmer in the above category who should be considered should send it to: Top Farmer, c/o Keith Kasselder, Wayne. Nominations will also be received from farm groups, but those from private individuals will be given equal consideration.

Kasselder, who is chairman of the committee making plans for the event, reports two committees are active on the main functions. One is seeking to contact farmers to let them know they will be welcomed as guests and the other is contacting businessmen to seek support in putting on the Farmers' Appreciation Night.

It is expected around 1,000 farmers from the Wayne area will be guests at the feed. Any funds left over after the banquet is See **HELP**, page 2

One Court Case Here

There was only one court case the last of the week, that being Friday, Nov. 6. Tom Langemeier, Hooper, appeared on speeding and improper turn charges. He was fined \$10 on each plus \$5 court costs for a total of \$25. Ron Penlerick was the complaining officer in Judge David Hamer's court.

Open House Scheduled Here for Electric Plant

Wayne is having open house after open house. Another has been scheduled. It will be held Thursday, Nov. 16, at the new power plant and will follow by two days the open house at the middle school and elementary school and by 3 1/2 weeks the open house at the new high school.

Door prizes are on display at Tiedtke's. They will be given at 8:30 p.m. the day of open house and winners need not be present to win. Registrations will See **POWER PLANT**, page 2

Trophy Case, Plaque Planned for School

Plans are being made for the Dwight Clatanoff Memorial Trophy Case to be installed at Wayne High School. A drawing of the bronze plaque to be put on the building has also been approved.

Supt. Francis Haun reports the trophy case will be located on the upper floor near the gym just west of the concession See **TROPHY CASE**, page 2

Twenty Will Take Swine Course Here

Twenty area swine producers have enrolled in the swine workshop which began Monday night at Wayne High School, according to Bob Fritschen area swine specialist at Northeast Station, Concord.

The workshop is sponsored by First National Bank and State National Bank along with the University of Nebraska Extension Service. Classes are scheduled Monday evenings through Dec. 11.

There is still room for more in the class. At least five more producers can take the class by starting with next Monday's session. Information is obtainable at either bank.

Monday's session dealt with basic nutrition and its application to swine production.

Topics to be covered range from genetics and breeding herd management to disease and parasite control and to ration balancing and over-all management. Robert Craft, Foster, and Willis Hoehne, will show slides of their operations. Craft using a pasture system and Hoehne using confinement methods.

Area Post Offices Not Open Saturday

Saturday, Nov. 11, is Veterans Day. It is a legal holiday and Postmaster Don Wightman reports area post offices will be closed.

Post offices at Allen, Carroll, Concord, Dixon, Wakefield, Wayne and Windsor will have regular holiday collections and dispatches of mail. Windows will not be opened but mail will be put in post office boxes.

There will be no rural delivery of mail out of any of the towns. Carrier service in Wayne will not be provided.

Name Directors Chamber Board

Three new directors have been elected to the board of directors of the Wayne Chamber of Commerce. They will take over their posts Jan. 1, 1968, and will serve two years.

Chamber members elected the three. They are Supt. Francis Haun of the high school, Robert Merchant of Merchant Oil Co. and Robert Lund of Savor Drug.

Outgoing board members include the president, Charles McDermott, attorney. The other two whose terms expire are Dale Gutshall of Dale's Jewelry and Fred Gilderleeve of Wayne Grain & Feed.

Laurel, Sioux City Students Selected

Linda Dendinger, Laurel, and Bob Pierson, Sioux City, won the titles of Best Dressed Woman and Man at Wayne State College. A student-faculty panel of judges selected them Saturday from 18 contestants on the basis of their clothing and poise. Each appeared in three kinds of outfit, casual, dress, and formal.

Miss Dendinger, a junior, is the daughter of Mr. and Mrs. Mark Dendinger, Laurel. Pierson, a sophomore, is the son of Mrs. Barbara Pierson, Sioux City.

Photographs of the Best Dressed now will be submitted to a national contest sponsored by Glamour magazine.

The four other finalists were Kathy Hoelker, Kingsley, Ia.; Sue Sinovich, Omaha; Dave Jahn, Council Bluffs; and Mike Fosdick, Lincoln.

Drawing Amount Hits \$350 Here

There is now \$350 in the Silver Dollar Night prize fund. An Altona area resident helped boost it by not being present Thursday when his name was called.

Forrest "Frosty" Magnuson could have had \$300 just for being in Wayne at 8 p.m. in one of the participating business places. He gets \$10 consolation instead.

This week the "Christmas shopping prize" goes up to \$350. In order to win, the person whose name is called must be in one of the business places in Wayne or near Wayne making the drawing possible.

Anyone 18 or over who has not registered is welcome to do so. Information can be obtained at most business places.

Cancer -

(Continued from page 1)
or another. In Wayne county, with over 8,000 people, this means it can be expected 2,000 will have one form or another of the disease.

Most people will guess fewer than this. The average Wayne County resident think only about one in ten will get cancer—which still means 800 county residents would be victims to one degree or another.

Of the residents, most people realize they have just as good a chance to get cancer as the next fellow has. Of those who felt they didn't stand much chance to get the disease, most said they were healthy, while one-fourth said they didn't smoke and another one-fourth said "Cancer does not run in my family."

Those who have checkups for cancer and other irregularities feel that cancer can be stopped before it gets started. Those who do not have checkups feel that they are healthy and fail to understand that cancer can be starting out even when an individual feels fine.

Most people believe a person has a good chance of recovering from cancer but one-fourth of those queried believe that there is little if any chance once a person gets the disease. Almost three-fourths believe that a cure for cancer will soon be announced. People give various reasons for not finding out through checkups about cancer. Some feel they are healthy; some are afraid

the doctor will find something wrong; some think "What you don't know won't hurt you"; and others just never give it much thought so don't bother about checkups.

The Wayne County Cancer Society recommends checkups. There are many forms of cancer that can be halted. There are others that can be prevented from becoming threats to life through surgery if discovered soon enough.

At any rate, WCCHS hopes people here will be more conscious of the danger of cancer and the need for early detection. Literature on the subject is available and any person who seeks more information can get it by writing: American Cancer Society, Nebraska Division, 4201 Dodge St., Omaha, Nebr. 68131.

be accepted during open house, 10 a.m. to 8 p.m. Engineer Sid Magdanz said the visitors will be allowed to "wander" through the huge new plant addition. There will be no guided tours but the city council, city officials and others will help explain features.

Coffee and cookies will be served throughout the day. Departments of the city will have new equipment parked behind the plant to show off, including the new aerial boom for street, park and electric department, the new sweeper and other pieces of equipment.

With the new addition, the city is making adjustments in the rates. One reduction has been made in residential rates and another decrease is expected within a year. A decrease in commercial rates is also anticipated.

A special section of Monday's Herald will be devoted to features in the new plant. Pictures and articles will tell about this huge new power plant that will be ready to serve the city for decades.

Schools -

(Continued from page 1)
Fredrickson said most of the pupils in middle school are now able to read phrases at one-fortieth of a second.

This room is just one of the interesting features of open house Tuesday. Others include the library, special education room, music room, science room, homemaking room and other departments.

Booklets will be handed out describing the middle school. Class schedules will be offered to all.

Teachers will be present in both middle school and elementary school to meet with visitors and discuss the new concept of school here. The Wayne school board will visit the schools Thursday as a body to observe operations prior to open house.

Mark Dorcay and Wesley Wingett head the Jaycees' committee seeking finances for the project. Keith Ellis, Stan Baler, Rollie Granquist, Dick Hammer, Don Brockman and Wingett are assisting Kasselder. Other Jaycees have been assigned roles in the promotion.

This is the first such promotion in the Wayne area although other areas have had Farmers' Appreciation Nights for years. The Outstanding Young Farmer promotion is an annual activity but is being included in this event for the first time. Winner in this area will compete against other winners for the state's outstanding young farmer award and state winners will compete in a national contest.

Vehicles Damaged in Accident at Corner

Two vehicles were damaged in a mishap at the corner of sixth and Lincoln Nov. 5. Officer John Redel investigated. Randy Lutt, Wayne, driving a pickup owned by Lester Lutt, was turning right off Sixth to go north on Lincoln. He told the investigating officer a car was coming to the north and he kept too far to the right, striking the parked car of Sharon Cleveland, Wayne. There was little damage to the two vehicles but estimates were not included in the police report. It was the 11th accident in 1967, compared to 135 at the same time a year ago.

one common foe, Wiener. Wayne caught the Bulldogs early in the season and defeated them 38-19. By season's end, Wiener was tougher and West Point managed to beat them 20-6.

West Point is working on the state's longest winning streak, having won 29 games in a row. It is one of the biggest Class C schools in the state and is ranked No. 2. Wayne is not ranked at all but has a 9-0 record.

Here are the Wayne victories: Over Madison 19-0; Wisner 38-19; Neligh 40-0; Stanton 28-6; Plainview 54-0; Bloomfield 20-0; West Point Central Catholic 7-6; Laurel 26-6; and Pierce 34-13.

West Point wins include: Over Tekamah 26-0; North Bend 13-0; Scribner 13-7; Oakland 18-7; Pender 46-7; Lyons 40-21; Wakefield 45-6; Hooper 40-20; and Wisner 20-6.

The last undefeated season for Wayne was in 1941. The best season was the year before when the Blue Devils were unscored upon in winning eight games.

From the last two games of the 1939 season, Wayne went through 1940 and 1941 without defeat and into 1942's season before Stanton beat the locals 6-0. It gave the locals 20 straight victories.

All of the scores could not be found in files. Here are those that could be found. In 1939 Wayne and Bloomfield tied 0-0 in the next to the last game and Wayne beat Randolph 27-0 in the finale.

In 1940 Wayne was not scored upon, winning the following: Pierce 6-0, Stanton 13-0, Hartington 26-0, Wakefield 6-0, Allen 7-0, Pender 13-0, Laurel 13-0 and Randolph 29-0.

The following year the team also won all, beating Pierce 39-6, Stanton 13-0, Hartington 32-14, Wakefield 12-0, West Point 52-7, Bloomfield 20-7 and Randolph 39-0. In 1942 the locals beat Pierce 20-6 before playing Stanton and losing.

Rec Basketball Starts Monday

Recreation League basketball starts Monday, Nov. 13, in Wayne under the direction of Hank Overin. Boys and girls are welcome to take part.

The schedule for this coming week looks like this: Monday, Nov. 13, City Auditorium, seventh grade 6 to 7 p.m., eighth grade 7 to 8 p.m. and high school 8 to 10 p.m.

Tuesday, Nov. 14, Hahn Gym, fourth and fifth 4:15 to 5 and fifth and sixth 5 to 6 (Hank Overin to choose by ability which group fifth grade boys play in); Wednesday, Nov. 15, Hahn, seventh grade 4 to 5, eighth grade 5 to 6;

Thursday, Hahn, same as Tuesday; Friday, open, after season underway the seventh and eighth will practice Fridays and play games Mondays; Saturday, Nov. 18, Auditorium, fourth and fifth, 9, fifth and sixth 10:30 to 12, girls at 1, seventh grade at 2:30 and eighth grade 3:45 to 5.

A. D. Benson, Peru State Champions; Second Cross Country Meet in Row

Same story for the second straight meet—A. D. Benson of Wayne State the individual winner; Peru State the team winner—this time in the Midwest AAU cross country meet Saturday at Kearney.

A week earlier it had been the same finish in the Nebraska College Conference meet at Wayne.

At the Midwest meet, however, the margin of Peru's victory was slimmer, 40 points to 45 by Wayne, compared with 21 to 36 before.

Wayne Coach Bill Silverberg continues to say that, at full strength, Wayne has the state's best cross country team, bar none. But the Wildcats have not often been at full strength. In earlier outings, Jim Forbes, a promising freshman, hobbled on a sprained ankle, still did well. In the Midwest AAU, he was sick but ran anyway, finishing 33rd.

With his best performance Forbes might well have finished much better, giving Wayne the team championship. But such are the breaks of sports, Silverberg concedes.

Benson toured the four-mile Kearney course in 19:56—a faster time than first reported, but accurate, according to Silverberg. He edged Peru's Jack Weyers by two seconds, the same margin as in the NCC meet. Tim Hendricks of Peru was third, Cliff Colglazier of Nebraska Freshmen fourth, and Silverberg fifth at 20:10. The coach was able to compete because the AAU meet is open to all.

Jim Betts of Wayne was eighth, Larry Kuehl 13th, Dennis Kasischke 18th. The Nebraska Freshmen finished third in team scoring with 71, Kearney fourth at 90, the Road Runners fifth with 94.

Two of the Road Runners are former Wayne State athletes, Carl Owczarzak who finished 11th, and Ken Katzer, 21st.

Final Football Game Scheduled on Sunday

Final game of the football season in Wayne will be played Sunday afternoon at 2 on the Wayne baseball diamond. It will feature two all-star teams from the Wayne fifth-sixth-seventh grade tackle program handled by Hank Overin.

In a game between the two all-star teams last week, the Reds won 7-6, Mark Johnson went 4 yards for the Blacks' TD and Zachary Harms ran 65 yards for the Reds' tally. Randy Nelson made the deciding extra point.

In another city recreation game, St. Mary's fifth and sixth beat Public School 13-6. Bill Schwartz went 25 and 5 for the two

parochial touchdowns and Marty Hansen went 10 for the public TD. Dan Pinkelman made the only extra point.

Lindner, Binger at Top of Tackle List

Harry Lindner and Bernie Binger were in familiar spots in the tackling chart for the Pierce game. They led in tackles, and assists, Lindner having 10 tackles and 5 assists and Binger 9 and 2.

Behind these are many others having used almost every player at one time or another. Lavern Brown and Dave Roberts were next high with 4 and 1.

Following are the others: Larry Magnuson 4-0, Gordie Jorgensen 3-2, Vaughn Korfh 3-1; Doug Maurer, Lynn Lessmann, Steve Kerl, Dave Brown and Steve Johnson 3-0; Dan Sutherland 2-3; Don Skokan 2-2; Keith Warrelmann 2-1; Steve Mrsny, Gene Hansen, Rick Burt, George Eynon and Doug Ritze 2-0; Randy Robins and Ken Jorgensen 1-0; and Les Echtenkamp 0-1.

Statistics for WHS Football Team High

The statistics the Wayne High School football team compiled during the regular season are high. While they will not have any effect on the playoff game with West Point, they do indicate that the Blue Devils have moved with authority at times and held with pugnacious tenacity at others.

West Point Central Catholic came the closest to winning, finally bowing 7-6. Plainview gave the least trouble, going down to defeat 54-0. Neligh was not much better, losing 40-0.

On the other hand, Wisner, a team West Point held to one touchdown, scored three times, the most any team could manage against Wayne. Pierce with two touchdowns, was the only other team to score more than one touchdown against Wayne. Four teams, Madison, Neligh, Plainview and Bloomfield, were held scoreless.

Coach Allen Hansen's Blue Devils made 123 first downs to their opponents' 53. Wayne led in passes and yardage, completing 72 of 121 for the foes, and gaining 1,279 yards against 366. WHS gained 1,780 yards rushing and the opposition 638 to make the total 3,059 yards for Wayne and 1,004 for the opponents.

In nine games, Wayne averaged 142 yards passing, 198 yards rushing for 340 yards average per game. Opponents averaged

41 yards passing, 71 yards rushing for 112 yards average.

Top ten tacklers were (tackles first, assists second): Harry Lindner 81-20; Bernie Binger 56-24; Lavern Brown 40-20; Keith Warrelmann 35-25; Gordon Jorgensen 35-8; Don Skokan 26-17; Dan Sutherland 20-17; Dave Roberts 20-11; Doug Maurer 19-7; Doug Ritze 13-13.

Team scoring by points included: Gordon Jorgensen 65; Lynn Lessmann 42; Dan Sutherland 33; Steve Karl 32; Dave Brown 19; Bob Penn 13; Dave Tietgen and Randy Helgren 12; Don Skokan, Randy Robins, Mike Bluff, George Eynon, Bernie Binger and Harry Lindner 6; and Jerry Tifze and Les Echtenkamp 1.

Midland Foe of WSC Saturday

With a 5-4 season behind them, Wayne State gridders close the campaign Saturday afternoon against Midland at Fremont—game time at 2 o'clock.

While the comparative records put Wayne in the favored role over 1-4-2 Midland, Wayne coaches know the Warriors have shown a knack for knocking off the Wildcats in recent years—three of the last four years since their long rivalry was renewed.

Statistically, the record shows a 2-2 record for those years because a 17-9 Midland victory last year later was reversed to 1-0 for Wayne when Midland forfeited for using an in-

eligible player. In their 31 games, Wayne has won 16, lost 12, and tied four.

Last Saturday Wayne was a 9-7 loser to undefeated St. Cloud State of Minnesota—the margin coming on a fourth-quarter field goal.

St. Cloud scored first on an eight-yard touchdown run by halfback Gary Bahr. Andy Klasons, who kicked the winning field goal, missed his extra point after the touchdown.

The opportunity for this score followed a roughing-the-kicker penalty against Wayne, which gave St. Cloud a first down on the Wayne 37. The next Huskie play produced a 28-yard pass gain—for St. Cloud's only completion of the day in three tries.

A Huskie fumble, lost to Wayne on the St. Cloud 13 in the second period, gave the Wildcats a scoring chance, which they cashed in five plays. Steve Gunther marked up his seventh TD of the year on a one-yard keeper, and Don Grubaugh kicked the vital extra point.

The 7-6 lead held up until early fourth quarter, when Klasons booted his 28-yard field goal into a wind of about 25 mph. St. Cloud had moved from its own 47 to the Wayne nine before stalling out with four yards to go on fourth down. Then Klasons kicked from the 18.

Defense dominated the game, and there was only one extended drive—a 66-yard effort by Wayne from the second-half kickoff. After the field goal, neither team managed much.

Late Wayne passing efforts floundered against a

stiff Huskie defense, especially against the long pass. Gunther connected on seven of 21 attempts for 69 yards, lifting him to a season total of 1,072.

Halfback Sam Singleton netted 70 yards rushing to stretch his season to 625, well ahead of Jerry Luedtke's 405.

Same Story Tuesday

Again on Tuesday, Nov. 7, a WSC cross country clash with Peru produced the familiar result: A. D. Benson first for Wayne, but Peru claiming the team title, the third time in a row it came out this way. This meet with Omaha University on the Elmwood Park course resulted in 25 points for Peru, 33 for Wayne, 73 for Omaha. Benson ran the four-mile course in 21:16, followed by Jack Weyers and Tim Hendricks of Peru, 21:19 and 21:32, Jim Betts, Wayne; Jim Watson, Peru.

Sharer presented the information on this type of resuscitation and demonstrated how it is done. Each Scout and parent had a chance to try mouth-to-mouth resuscitation on the life-size doll.

Scoutmaster Jewell Schock reports the meeting at St. Paul's Lutheran Church was a part of the first aid studies the Scouts are making. They are meeting Second Class requirements at present.

Following the open discussion after everyone tried resuscitation, lunch was served. Plans were made for a board of review to be held within the next few weeks.

Former Carroll Man May Get Home Soon

James Church, formerly of Carroll and now of Madison, may get home Nov. 21. He has been hospitalized over three months following an accident at Schuyler Aug. 11.

Church is the son of Mrs. Henry Johnston, Sacramento, Calif. He is married to the former Pat Boubin, Madison, and they have one daughter, Debbie.

Aug. 11 he was working on the new meat packing plant construction at Schuyler. He fell 24 feet to the ground, breaking his back.

He was hospitalized five days at Schuyler and then moved to Lincoln General Hospital where he has been hospitalized since that time. He has been paralyzed from the waist down.

His wife said Monday he now has movement in his legs and has been able to sit in a wheelchair. Doctors have told him he may leave the hospital by Nov. 21. If he does, he will go to Madison again.

His address now is: Jim Church, Room 457, Lincoln General Hospital, Lincoln, Nebr. 68502. His address after Nov. 21 will be Route 1, Madison.

Marsh, Marsh, Marsh!

The Herald has nothing against Wayne Marsh. The way the last name has been incorrectly used twice recently might lead readers to wonder. Once his name was put in as "March."

There are March families in town but the owner of Wayne Book Store is Wayne Marsh. Last week in the SWAY drawing picture his name was put in as Wayne Price. There are Price families in town but his name is Wayne Marsh. Apologies to Wayne Marsh. We'll try to remember that: Marsh, Marsh, Marsh.

Home Ec Clubs Meet

Members from home economics clubs of Kearney State College, Peru State College, Wayne State College, Omaha University and the University of Nebraska met Nov. 4 on the Wayne State campus for the annual fall workshop. Following the morning business meeting, representatives from each school conducted discussion groups pertaining to home economics problems. Luncheon speaker was Sue Smith, Omaha, formerly of Wakefield, who used to be women's editor for the "Nebraska Farmer." She spoke on family life in Sweden.

NINTH GRADE CHORUS was photographed first number. Director Joseph Unzicker is in the Tuesday night concert just before the front, Penny Rees at the piano.

Wayne Vocalists Impress Tuesday

Wayne High School vocalists presented the first music concert of the year Tuesday night. Their director was new to them; they were new to the director, Joseph Unzicker. All made an impressive debut.

The program featured difficult but often beautiful numbers. Most impressive was the 93-voice concert choir which sang seven numbers and seemed to combine quality with its quantity.

Best numbers by the choir were "Gloria," "Cherubim Song," "Golden Hatched of Mambino" and "Testament of Nations." However, not one song they sang was familiar to most members of the audience.

The new choir robes added much to the beauty of sight as singers added to the beauty of sound. Considering how early it is in the year, Unzicker seems to have gained early voice control over the large group, a fact accentuated in several numbers and forecasting many enjoyable musical moments in the future.

Members of the ninth grade chorus sang lighter songs, all well done for the age group. Boys were out-numbered 34-4, but the boys in the group added plenty of enthusiastic singing for the group.

Girls glee club was much smaller than in previous years, possibly due to the new scheduling. Less than one-half the girls glee club was also in the concert choir. However, the glee club, 29 strong, sang well.

Finally, there was the chamber choir, a 24-voice group that sang the unusual "Bourree" with bass viol and percussion accompaniment and the more familiar "Deep River." This appears to be a select group that has considerable potential in the concert future of WHS.

Director Unzicker, who succeeded Clayton Southwick as vocal instructor in the music department, can take pride in the initial presentation of the season. He displayed an ability to control at all times the volume and the voices, so necessary for the difficult numbers chosen for this initial concert in the new lecture hall.

The crowd was near-

Dr. Butler at Winside

Dr. Aaron Butler, chairman of the business division, Wayne State College, spoke to all commercial students at Winside Friday, classes taught by Mrs. Faunell Lynch hearing him tell about what businessmen are looking for in the way of help. Dr. Butler appeared in clothes of "distinctive colors," red, orange, etc. He then proceeded to explain how much it meant to appear neat, have hair cut and "have no axe to grind" with adults—the people who are going to be the ones the young will be seeking employment with. He made the special session of book-keeping, typing and shorthand students a lively one, and Mrs. Lynch reports they expressed appreciation afterward for the manner in which the world of business was made more understandable to them.

Allen Juniors in Two-Night Play

A three-act play, "The Red House Mystery" will be presented Friday and Saturday, Nov. 10-11 at the Allen High School gym...

The play concerns a jelling remark about a death in the house. It proves not so funny when there is a death. Most of the play is involved with how to solve the murder and solving it. Considerable suspense is built up since a number of those present could benefit from having the dead man dead.

Bob Anderson plays the owner of Red House; Valerie Koester, a guest; Jill Frahenholz, a match-making mother; Kevin Hill, the owner's cousin and secretary; Cindy Ellis, a guest; Jean Serven, her mother; Bruce Linafeltz, an ex-army officer;

Larry Carr, a young medical student; Kathy Jackson, a former actress; Doug Witte, an amateur detective; Linda Rasmussen and Nancy Sullivan, maids; Nancy Swanson, housekeeper; Paul Calvert, inspector on the police force; and Craig Schultz, police officer.

Marcella Shortt is student director. Most other members of the junior class have one or more jobs to perform in production with the production.

Norfolk Play Dropped

Norfolk Community Theatre has cancelled "A Man for All Seasons" which was to have been presented Nov. 28-29-30, Dec. 1-2. Those in this area with season tickets are advised that a substitute production is being sought. A number of problems made cancellation of the "Seasons" play a necessity, not the least of which was the unavailability of costumes in the area, meaning they would have to be rented at high cost or made locally at higher cost.

Mrs. Rose Teckhaus Dies in California

Cards of Thanks

I WISH TO personally thank all my neighbors, friends and relatives and all who remembered me in any way while I was in the hospital and since. I would especially like to thank all the people who helped in any way picking my corn. It is hard to show one's appreciation as to how good it makes one feel to have such good friends and neighbors who took off from their work to come and help. I don't believe you could go anywhere and find such cooperation. Again I want to say thank you from the bottom of my heart; also to the women helping my wife with dinner and lunch and to everyone who brought food. God Bless them all. Myron Deck. n9

OUR SINCERE THANKS to all our friends, relatives and neighbors for the cards, flowers, food, memorials and the many kind deeds extended to us at this time. A special thank you to the ladies who served dinner at the home and the ladies who served lunch at the church. We also thank Rev. Axen for his comforting words, Mrs. John Rees and Milton Owens for music rendered. All these kind expressions of sympathy were deeply appreciated. Children and grandchildren of Mrs. Sarah Ann Jenkins. n9

Grid Team Smorgasbord Planned Next Tuesday

Losing no time showing appreciation for the brand of football, sportsmanship and endeavor displayed by the Wayne High School football team, an informal organization, Coaches Coffee Club, has scheduled a smorgasbord at the Wagon Wheel Steakhouse Tuesday, Nov. 14, at 7 p.m.

It will be an informal affair with no long-winded program. Each businessman is being asked to buy a ticket for himself and one boy or one coach.

To help the boys and men get better acquainted, they will travel in school buses from WHS to the Wagon Wheel. Departure time is 6:30 from the high school parking lot.

Because a lot of fathers

of football boys may want to attend, tickets are also to be sold to them. Anyone else interested can obtain tickets for the "men only" affair by calling Rowan Wiltse, Gene Fletcher or Dan Titze.

Deadline for getting tickets will be noon, Monday, Nov. 13. If there are not too many, everyone having a ticket will be taken by bus to the smorgasbord. If there are too many, the businessmen who buy the coaches' and boys' tickets and the coaches and boys will go by bus, others by car.

Further details will be given Monday in The Herald.

No ETV for Wayne Yet; Board Hears WHS Needs

Wayne School Board met Monday night, deciding to take no action this year on Educational Television programs in the local school system and reviewing the work to be done before the new high school can be considered complete.

ETV is available now through the station at Carroll. However, the costs will have to be covered in the budget so no action on making use of television in classes is anticipated for another year.

Supt. Francis Haun reported several "finish items" needed to be taken care of Oct. 31 when a survey of the new school was made. Some have been taken care of by now but others are still waiting and must be acted upon before the building is accepted and all bills paid.

In electrical work, these are some of the unfinished items as of Oct. 31: Lights needed in girls' physical education instructor's office; different type of bulbs needed for commons stairways; clocks needed in library and commons; inadequate capacity on circuits serving area; broken plug on dimmer board;

Panel board for gym lights defective; time clocks for outside light inoperative; transformer base has sunk and has not been repaired; more volume needed on fire alarm; and light needed on pump in No. 1 boiler room.

Mechanical difficulties that date needing action

were: No heat in lecture hall; exhaust fans in girls' locker room and in health room toilet inoperative; need measuring table for fuel tank; sink drain needed for dark room; fume hood connection needed; too much heat in coaches' offices; and air valves needed on gym heaters.

General changes required Oct. 31 were: Folding door in lecture hall does not seal; broken sidewalk not repaired; patio left in a mess; keys missing for music rooms; keys needed to operate gym lights; window brackets broken in Room 101; shop overhead door sealed; bugs in Rooms 101 and 102.

Items under architectural supervision needing correction that date were: No baseboard in homemaking room; no fume outlets in science room; plywood paneling substituted in science room; night temperature thermostat in questionable location; lights were put in display cabinets in art room, but no hookup provided;

No outlets for irons in homemaking room; no vent for clothes dryer; two doors damaged; auditorium seating used rivets instead of screws; some auditorium chairs have loose arms; terrarium not finished in biology room; and water comes in west doors when it rains.

The superintendent told the board some of these items have been taken care of since Oct. 31. The board agreed that until all were taken care of, payment for the school could not be made.

Dorothy Ley reported on language difficulties children have—known as dyslexia. She pointed out that around 10 per cent of the pupils in any schools population will have dyslexia problems.

Mrs. Ley discussed symptoms at various age levels, pointing out how they could be detected and what could be done to overcome them. She said "underdevelopment of directional function" is almost always a factor in dyslexia problems. Her report proved interesting to all board members.

The board agreed that there is no need to consider a city bus route at

WHY... A HEARING AID SERVICE CENTER? WHY... BUY A BELTONE HEARING AID?

DIANE DOHIER, M. T. Consultant

We feel the hearing handicap needs help not only BEFORE buying a hearing aid, but most important AFTER the purchase. We find so many people, after buying a hearing aid, cannot receive service, the consultant is no longer interested. We at BELTONE feel a great need to have a service center in this area at

present as so little interest was shown in a privately-operated bus system; it agreed to let WHS facilities be used for vocational-technical school pupils who need to finish their high school education;

Mrs. Ley and Supt. Haun agreed to attend the Nebraska State School Boards Association convention in Lincoln Nov. 12-13, when Supt. Haun will serve as consultant on two studies, medical health and educational service units; open house for high school was reviewed; open house plans for middle school and elementary school were discussed; congratulatory letters from Nat Olson, chief of supervisory services for the State Department of Education, and other educators were read.

Lions Club Has Russian Slides

With 52 present for a ladies' night meeting, Wayne Lions Club had slides of Russia for a program Tuesday night at St. Mary's Parish Hall. Dr. Ted McDonald and his wife were guests to show the pictures they took in Russia.

Another special guest was District Governor Carroll Nyquist, Millard. He told of the international convention in Chicago and the experiences he and his wife had meeting Lions members from all over the world.

Mr. and Mrs. Ken Daugherty, Mr. and Mrs. Wes Wingett and Al Morris were other special guests. Bob Powell and Tom Hughes were initiated as new members of the club.

Cliff Dahl received special recognition for his work on publicizing the Punt, Pass & Kick contests and for his work with football games. Ford Motor Co. provided the citation.

Turkey ticket sales are underway with each member selling some. Many turkeys will be given away again this year by the Lions.

JOHN BERGQUIST, formerly of Carroll's Farmers State Bank has been named vice president, cashier and board member of American State Bank, Homer. Bergquist attended Omaha U. and served in Japan during the Korean War. He has been with banks at North Platte, Omaha and Carroll and has worked for Dun & Bradstreet, Firestone Tire & Rubber Co. and other firms. He and his wife and two children are moving to Homer. F. R. Mares is president of the bank there and is also chairman of the board.

Traveling Art Shown at WSC

Drawings by 30 American artists make up a special traveling show now on display in Wayne State College's Fine Arts Center. The exhibit is circulated by the Art Gallery of Ball State University of Indiana.

The drawings were selected from purchases made for the Ball State Art Gallery from the 12 annual drawing and small sculpture shows, open to all artists in the United States. Among the artists represented are some whose works are displayed in the nation's foremost galleries.

Richard Lesh, head of the Wayne State art department, says commentaries by judges have consistently expressed enthusiasm for the works on display. One comment noted "the freshness of vision of most of the artists and sculptors."

The exhibit remains at Wayne State through Nov. 27.

Band Day Parade on Educational Station

Those who did not get to watch the Band Day parade in Lincoln Saturday will have a chance to sit in front of their television sets and watch it. The state educational television network will present the parade from 5:30 to 7 p.m. Thursday, Nov. 9.

For those who have cable service, this will be received on Channel 13. For those receiving TV through regular antennas, the program will come in on Channel 12 and possibly UHF Channel 19, Carroll, if that station is on the air then.

Band Director Don Schumacher said the Wayne band appeared midway in the parade. This may help those who wish to tune in to watch the Wayne Band and do not care to watch the entire parade.

DR. ORVID OWENS, Wayne State College, was elected president of the Nebraska Association of Financial Aids Officers at a meeting in Kearney last week.

Fire Burns Around Buildings on Farm

Fire of undetermined origin burned a strange pattern on an unoccupied farm south of Wakefield Sunday noon. It burned all around farm structures but did not set fire to buildings.

Lack of wind was a contributing factor. Firefighters figured if the wind had been blowing, the barn and corn cribs might have caught fire.

Farmers in the area used sacks to put out much of the fire. The Wakefield Fire Department put out the rest, including several fence posts which had caught fire.

The blaze was on the Merle Callahan place about ten miles south and three-fourths mile west of Wakefield.

A film, "A Trip With UNICEF" was shown. Rev. Jesse Withee gave devotions using the theme of "giving." The treasurer announced that \$9.50 had been collected for UNICEF.

Mrs. Allen Prescott led games. Plans were made to have a Christmas party and gift exchange early in December. At the close Mrs. Carol Hirschert served refreshments.

Mr. and Mrs. Leo Adams, Spencer, were visitors Sunday and Monday in the Ray Spahr home.

Guests Friday evening in the Delbert Lueders home, Wakefield to honor Mr. and Mrs. Douglas Lueders, who will leave soon for military service in Germany, were Mr. and Mrs. Harold Brown, Mr. and Mrs. Ervin Brown and Gene, Mr. and Mrs. Erwin Longe, Mr. and Mrs. Lloyd Luedtke and daughters, Mr. and Mrs. Larry Lubberstedt and family, Mr. and Mrs. Free Lubberstedt, Mr. and Mrs. Norman Lubberstedt and Regg, Mr. and Mrs. Kermit Graf and Rene and Mr. and Mrs. Terry Graf and Patricia. Mrs. Clem Anderson and sons were afternoon visitors.

Among those who attended the golden wedding anniversary open house at Newcastle Sunday honoring Mr. and Mrs. William McCloud were Mr. and Mrs. M. P. Kavanaugh, Mr. and Mrs. James Kavanaugh, Mr. and Mrs. Gerele Kavanaugh, Mr. and Mrs. Alden Serven, Mr. and Mrs. Merle Kavanaugh and sons and Mr. and Mrs. Vincent Kavanaugh and family.

Visitors Sunday evening in the Lowell Saunders home were Mr. and Mrs. Gary White and family, Elkhorn, and Mr. and Mrs. Jack C. Conrad and Mitchell, Newcastle.

Supper guests Monday in the Ray Spahr home were Mr. and Mrs. John Bottes and Jeff, Omaha, and Mr.

and Mrs. Joe Hinkle, Randolph.

Mr. and Mrs. Morris McCloud, Waverly, Ia., were overnight guests Saturday in the M. P. Kavanaugh home.

ALMOST ALL the Allen High School band was caught in this photograph as they played at the concert last week. There was no room to back up and no way to stretch the camera lens. Mary Ducey conducted the band in several numbers. The band wore

its newly-cleaned uniforms for the first time after wearing black slacks, white shirts and red ties and hats for the summer marching band appearances

and Mrs. Joe Hinkle, Randolph.

The Hospital Indemnity "500" Plan

Pays you \$500 per month for up to 500 days each time you're hospitalized — is guaranteed renewable for life — and you can enroll for only \$1.00.

PAYS ACCIDENTAL DEATH BENEFITS, TOO!

The awesome increase in deaths by accident reflects the faster pace and shifting pattern of our modern life.

Today, the greatest number of accidental deaths take place in: 1. CARS; 2. HOMES; 3. FARMS.

Union Casualty Company's Hospital Indemnity "500" Plan recognizes this situation by including:

\$1,000 accidental death benefit and \$2,000 for travel accidental death.

(See Accidental Death Endorsement below.)

Now, during this limited Introductory Enrollment Period, you can enroll with no red tape and without any qualifications whatever — and for only \$1.00 initial enrollment fee!

Think of it. Simply by sending your application and one dollar, you can start enjoying the protection of Union Casualty Company's Hospital Indemnity "500" Plan that pays expense-free, tax-free extra cash direct to you when you are hospitalized.

WHY YOU NEED UNION CASUALTY'S BIG "500" PLAN IN ADDITION TO ORDINARY INSURANCE

In this age of fantastic expenses, ordinary hospital insurance, even Medicare, simply does not cover everything. And what about all your other expenses, such as rent or mortgage, monthly payments, food for the family, utility bills? You probably know friends and neighbors who met with financial disaster when hit by an expensive accident or lengthy illness.

Officials of Union Casualty Company have seen so many cases of financial hardship and tragedy that they determined to develop a plan to provide you with expense-free, tax-free extra cash to use any way you see fit. The Hospital Indemnity "500" Plan is the answer. The cash is paid direct to you.

YOU GET PAID IN ADDITION TO OTHER INSURANCE OR MEDICARE!

Yes, right when you need it most, Union Casualty's Hospital Indemnity "500" Plan pays you \$500 per month for up to 500 days (almost a year and five months, or a maximum of more than \$8,000.00) each time you are hospitalized!

You get this welcome cash whether you are insured by other companies or not. As soon as your policy is in force, you are covered in case of accident. After 30 days, you are covered for sickness.

And even if some companies say you are "uninsurable" because of some chronic ailment that can or does come back again and again, this wonderful plan covers a pre-existing condition after the policy has been in force 24 months!

ANOTHER BIG PLUS — FOR THOSE OVER 65

Statistics show that people over 65 go to hospitals more often and have bigger medical bills than any other age group. That's why some hospital plans won't accept senior citizens, or else raise rates so high they can't afford extra cash protection just when they need it most.

But Union Casualty's Hospital Indemnity "500" Plan not only accepts applicants regardless of age over 65, it pays 50% of the specified protection in every detail, and does it for the same \$5.00 per month paid by all policy-holders under 65!

Yes, senior citizens get this vital extra cash in addition to Medicare or any other insurance — and they, too, can enroll now at the special \$1.00 rate.

AMAZINGLY LOW COST

Membership in Union Casualty's Hospital Indemnity "500" Plan costs only \$1.00 for the first premium period, then only \$5.00 per month thereafter.

On the Application Form below you can authorize your bank to deduct the premium monthly from your account, if you wish this convenience.

If you wonder how a plan can offer so much for so little, the answer is simple: Union Casualty's big "500" Plan is a mass enrollment plan. All business is conducted directly between you and the company by mail, or through your local representative whom we have appointed in your area. No salesman will call on you. Thus, low administrative and sales costs add up to real savings which we pass on to you.

MONEY BACK GUARANTEE

When you receive your policy, you'll see that it is direct, honest, and easy to understand. Read it over. When you see how thoroughly you are protected for so little cost, you'll know you can't be without it.

But if for any reason whatsoever you are not completely satisfied, you may return your policy within 10 days and we will promptly refund your dollar.

Accidents do not wait to happen. Illness does not wait to strike. So ACT NOW! The application and \$1.00 will have to be in Union Casualty Company's office within two weeks for you to become eligible for this program during this special enrollment period.

CHECK THESE IMPORTANT POINTS

- You get \$500 per month for up to 500 days each time you are hospitalized.
- \$1,000 accidental death benefit.
- \$2,000 travel accidental death benefit (world-wide coverage).
- Guaranteed renewable for life. Policy cannot be cancelled or modified by the Company for health reasons.
- Chronic, pre-existing conditions are covered after policy has been in effect 24 months.
- You can collect more than \$8,000.00 for any one sickness or accident under this plan!

ACCIDENTAL DEATH ENDORSEMENT

\$1,000 Accidental Death Benefit

Union Casualty Company will pay One Thousand Dollars (\$1,000) for loss of life because of accidental bodily injuries received while this policy is in force, provided that such injuries shall wholly and continuously disable the insured within twenty (20) days from the date of the accident, and independently of sickness and all other causes, result in the death of the insured within ninety days and while said person is so disabled. Benefits will not be provided under this provision for any injury or death for which any benefits are provided by Workmen's Compensation or Employer's Liability.

\$2,000 Travel Accidental Death Benefit

The Benefit set forth above will be INCREASED TO TWO THOUSAND DOLLARS (\$2,000) if loss of life results from accidental bodily injuries received while the insured is driving or riding in any private passenger automobile or as a fare-paying passenger in any land, water or air conveyance provided by a common carrier.

Trees Need Watering Before Winter Comes

Howard Gillaspie, Dixon County extension agent, reports many trees need to be watered this fall. They will get off to a healthier start in the spring if they are watered, he said.

Confiners are subject to winter damage if the soil is dry, Gillaspie said. They need soil moisture during winter months.

A winter-weakened tree may harbor pathogenic problems or damaging insects or both, the agent pointed out. With plenty of water, the same tree could be healthy when spring arrives.

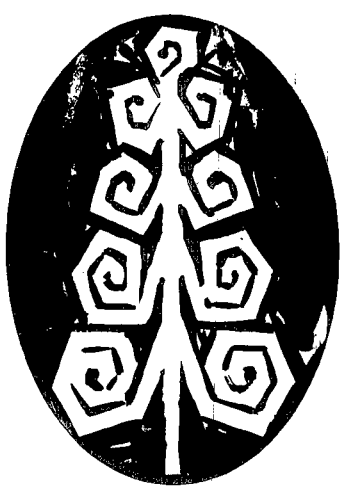

Finally, Gillaspie said watering where there will be trees next spring should be a general practice. If sites for spring planting are watered in the fall, the young trees planted in the spring will have a better chance to survive.

THE IDEA of free stalls for dairy cows has been adapted to one for smaller stalls for calves and heifers. Above is a group of calves in such a free stall installation.

New Free Stalls Idea Catches On

It used to be area dairymen had to go a long way to see dairy cattle in free stall housing. This is no longer true, several dairymen in the area having adopted the idea.

Don Kubik, area dairy specialist at Northeast Station, Concord, reports new buildings have gone up and old ones have been remodeled to accommodate free stalls. Many of the farmers who have done this are those who went to central Nebraska to look at free stall housing a year ago.

Area dairymen report liking the cleaner cows winter and spring. They appreciate the bedding costs, one-half to three-fourths of normal.

Kubik says "Cost studies show savings of about \$20 per cow per year with free stall housing compared to conventional housing." He also pointed out that there were fewer injuries, less labor in the busy season, less washing time in the parlor and less space re-

The Wayne (Nebr.) Herald, 5 Thursday, November 9, 1967

blk said, adding, "They look equally as good as those for cows."

For this type of housing to work properly, some proven guidelines should be followed, Ingalls said. Proper ventilation, stall size, alley width, height of dividers, curb height, layout and alley slope are all important, he said.

Detailed information on the free stall plan may be obtained through the county extension office or from the Northeast Station.

Concord Station Man Tells of Agriculture

Cal Ward, superintendent of Northeast Station, Concord, was guest speaker at Wayne Kiwanis Club Monday noon at Wayne City Auditorium. He spoke on the future outlook in the nation as far as agriculture is concerned and outlined the origin of the experiment farm.

Pat Jolley, Lewis & Clark District Boy Scout executive, was a guest. Dean Pierson was in charge of the program.

A report was given on the visitation to the new West Point Club. Eight Wayne Kiwanians and their wives attended the dinner and business meeting.

Mrs. Anderson and Mrs. Anna Nygren returned recently from a trip to Sweden where they visited relatives and friends. They showed pictures and told of their trip.

Homemakers in Northeast Nebraska have many opportunities to receive information concerning home making and other related areas. Home economists at the University of Nebraska's Northeast Station, Concord, have programs of interest to most homemakers.

The Concord station is a source of free information. Bulletins are available upon request. They cover areas related to home and family concerns.

Crow Indian Life Subject of Movie

"Song of the Shining Mountains," a color movie of American Baptist Missions among the Crow Indians, Montana, will be shown in First Baptist Church, Wayne, Sunday, Nov. 12, at 7:30 p.m. The public is invited, according to Rev. Frank Pedersen, church pastor.

The movie tells the story of Andy Red Cloud as seen through the eyes of a summer service worker and the missionary who has known Andy since he was a child. The Indian youth is disturbed when he returns to the reservation and his father sells land to a ranching company and moves to a crowded village.

Depressed by poverty and the hopelessness of his life, embittered over the barrier between whites and Indians, Andy loses faith in the future. He seeks escape by returning to superstitions and traditions of his ancestors.

In a dramatic and moving sequence, he is saved from himself and the past by mission workers who bring him the peace and power he needs in his crisis. Through their understanding and genuine concern, they help him regain hope and courage so he faces a bright future.

Waterbury Youth in Accident Saturday

Doug Mattes, 19, son of Mr. and Mrs. Francis Mattes, Waterbury, is in St. Luke's East Hospital, Sioux City, following an unusual mishap at Iowa Beef Packers Plant, Dakota City, Saturday.

Mattes, who is a 1966 graduate of Allen High

School, attends business school in Sioux City and works part-time in the IBP plant. He was in the production room of the plant Saturday when the mishap occurred.

According to his parents, a big knife he was using slipped. It entered his chest, just missing the aorta.

Fortunately, an ambulance was on the scene, having been called for a girl who had fainted. The ambulance was used to rush both to the hospital.

His parents said Monday he had undergone exploratory surgery to assess the damage, doctors finding just how close he had come to the heart. He seems to be on the road to recovery, but doctors thought he would be hospitalized at least another week.

Sass

By Chas Greenlee

Some of the good Germans of the area have told us what the word "Jass" meant in that it was printed in "60 Years Ago This Week." (William, keepaway from dot critter or dere'll be singing vot you won't hear). It means "jackass." Apparently someone purchased a new mule in those days and in the personal style of the times, the editor made note of it. Those 60-years-ago items are a lot of fun. We think they're

about the best part of the paper. You are reading them, aren't you?
SASS
A traveling salesman had been phoasant hunting. When it grew dark, he found that he had wandered miles from where he had left the car. Lost, he walked until he came to a farmhouse. It was cold and he was tired and hungry. He pounded on the farmhouse door, and at last a window opened and a man yelled, "What do you want?"
"I want to stay here all night," shouted the salesman.
"That's all right with me," yelled the farmer, slammng the window,

"stay there all night."
SASS
Does anyone miss our former Chamber of Commerce manager, Wanda Owens? You bet your life! We have no idea when we'll have a new manager but we know there was rarely an issue of the paper put out that didn't have something that Mrs. Owens either gave us a lead on, suggested or helped us get the facts on. We're sure the same is true in other fields too. We're just beginning to realize how much work she did do for the city, for the Chamber of Commerce and for business places. We hope a new manager is found soon—and we

Allen High School

Pupils Edit Paper

"Eagle's Cry" is the school paper at Allen High School. The second issue of the fifteenth year of the mimeographed publication came out the past week. Ron Kraemer is editor with Kathy Maggart and Marcia Rubeck assistants. Connie Sachau is in charge of the covers and Valerie Koester is proof-reader. Reporters are Kathy Jackson, Della Lindahl, Agnes Brentlinger, Barbara Rastede, Sharon Nobbe, LeAnn Von Minden, Mike Roeber, Jill Fahrenholz, Danny Noe, Margaret Ankeny, Bill Sachau, Steve Macklem, Jean Serven, Deb Menkens, Bob Meyer, Bruce Linafelter, Virgil Sarkis, Rayme Adams, Susan Noe, Kathy Maggart,

The paper is an unusually neat production for the method used. Someone goes to a lot of extra work to make sure columns are justified (even) on both sides, something typed papers for mimeographing usually do not have. Regular features include news from the high school and grade school classes, the office, music department, FFA, FHA, Spanish Club, Pep Club and sports. Special features are editorials, gossip, advice, capsule portraits of seniors, introductions to new teachers, poetry and art work. Allen advertisers make the publication possible. They are listed on the back page. The issue coming out last week had 16 pages, 15 of news and features and one of advertising.

The couple went into an auto showroom to buy a new economy compact car. After learning the price of the automobile, the husband remonstrated, "But that's almost as much as a big car costs."
"Well," replied the salesman brightly, "if you want economy, you've got to pay for it."

We couldn't decide who to give bouquets to this week so we're giving four. The first two go to a couple of young people who have chosen to enter the business world in Winside. Butch Holdorf has bought the building and equipment and has opened a barber shop. Coming from Omaha, he returns to Northeast Nebraska where he and his wife formerly lived. Down the street, Margaret Plummer has reopened Mari-Lyn's Beauty Shop. She too is a native of the area returning from a larger city. It's good for small towns to have young people to locate in them. We're sure Winside appreciates them choosing that town in which to live. Bouquets to Margaret Plummer and Butch Holdorf in their new businesses. May they always be glad they chose Winside.

SASS
The young man had mustered the courage to ask his girl friend's father for her hand in marriage. "Are you sure you want to marry my daughter?" the father asked.
"Yes, sir," replied the suitor.
"Do you think you can support a family on your salary?"
"That depends," the young man replied, "on how many of you there are."
SASS
The other bouquets go to Blake Studio and Lyman Studio. Wayne is a most fortunate town to have two good photo studios. We have seen towns this size that would be considered lucky if they had one studio, let alone one good one. The work of Doug Lyman and Charlotte Blake merits your consideration. You do not have to drive miles to find quality—it's right here in the Wayne business dis-

trict and it's provided by talented workmen. We don't really have to tell you do we? You've seen the work of both. We're just happy photographic artists are available. Bouquets to them both.
SASS
The young bride had had news for her husband when he returned from work. "I feel terrible," she sobbed. "I was pressing your suit and burned a hole in the seat of the trousers."
"Don't worry about it, dear," said the husband. "I have another pair of pants for that suit."
"Yes, I know," said the wife, "and it's lucky you have. I used them to patch the hole."
SASS
We've never given the Wayne High School band the credit it deserves, but we thought about it at Lincoln when we saw the members playing their instruments on a cold and breezy Band Day. If you recall, they had been out the night before putting on a half-time show and keeping up the pep and spirit at the last regular game of the season. How about a special hand for the WHS band as it makes its final appearance of the football season Friday night at the Wayne-West Point game! Director Don Schumacher and his bandmen are undefeated, untied and unscored upon for the umpteenth year in a row. They're tops!

SASS
Young Groom: "It seems to me, dear, these pancakes are rather heavy."
Bride: "Then I'm afraid you're a poor judge, for the cookbooks says they are light and feathery."
SASS
Ever hear of Rev. Sister Egidia, SSJ., Superior of the St. Francis Assisi Mission, Route 1, Box 28A, Greenwood, Miss. 38930? Neither had we until we received a letter asking readers of The Herald to send cancelled commemorative stamps to her. The stamps are a source of income for the children of the mission. We imagine most of you throw away cancelled postage stamps. Why not start saving them (not the regular five-cent, four-cent or one-cent kinds, but the special ones that come out now and then). Just tear the corner off each envelope, save them for a while and then when you have a batch of stamps,

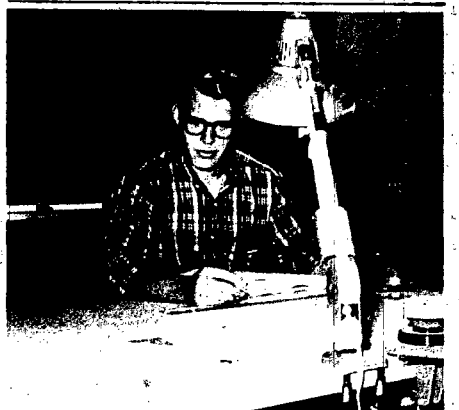

mail them to the above address. We're sure Sister Egidia and the kids at the mission will appreciate them—and you'll have a good feeling for helping.

After two weeks on the campus, the freshman wired home: "Am without funds or friends."
His dad wired back: "Make friends."
