proposed that the city plan a lift station north of the college to serve the campus. It would make it necessary to increase the size of some feeder lines to handle the flow.

Approval was given to a change order on Storm Sewer District 67-2 on Sherman Street. This would pay L. E. Ball Co., contractor, \$297 for laying 1500 square feet of sod and replacing a fence.

Another contract, this one with S&H Contractors, would cost \$812. It would provide additional valves, hose connectors and piping changes for the inner-coolers on the power plant engines.

Street Improvement District 56, Blaine between Second and

Third, was reviewed and specifications approved. The paving plan will be presented to property owners this week for their approval or rejection.

Another landfill site is being sought. The one now will be usable until mid-1968. Sites within five miles of Wayne suitable for landfill purposes are being sought by the council.

Two parking changes were approved. One was a request that parking be prohibited on the west side of Sherman Street from Eleventh Street north to the city limits. Parking is already prohibited from Eleventh south and works so well some residents wanted the plan put in effect along Sherman clear through town.

Off-street parking was approved at two sites. One is at the Little Duffer Restaurant, Seventh and Main. The other is for Lee

Computer

(Continued from page 1) the dance. Pupils are being urged to fill out forms accurately to find out how the electronic computer picks out a partner meeting genuine specifications, not some that are made up in jest.

The WBS student council will also hold a slave day Dec. 21 following the end of ticket sales for the dance. The losing side (boy's or girls) will have to act as slaves for one day for members of the winning side.

Outside guests will be allowed to attend the computer dance providing they are registered with the guidance counselor, Ken Deissler. For that reason, pupils will be making contacts outside of school to sell tickets, win the contest, promote the lots-of-fun dance and earn money to bring an AFS student here. Phadet Gawsombat, Thailand, was the first exchange student here. This year, Margot McKay, Australia, is an exchange student. Student council and the AFS chapter here have made the exchange program possible and it has been so popular, there is even talk of a local pupils going overseas as a student abroad if enough money can be raised.

Wayne State Swimming Outlook for Season Called 'Sufficient' by Coach

Wayne State's swimming coach is a rare one among coaches. He permits himself to be optimistic in a slightly cautious way before the season.

In fact, Ralph Barclay sums up his expectations with one word: 'Sufficient.'

Translated, that means he thinks the Wayne squad will continue to record winning seasons and retain the conference and NMA district titles which Wayne has won every year there were such titles.

Seven lettermen are back, including three-lettered senior Jim Brown and two-lettered junior Russ Nyberg, a seldom-beaten pair who hold a flock of conference and district records.

Two Wayne swimmers are among the lettermen: Dave Noyes and Rich Brown. Noyes is a butterfly record holder in the N.C. Brown is a diver and handman in swimming events.

The other lettermen are Wendell McConaha, senior with three monograms; Barry Phelps,

and Ron Fazio, each with one letter. Phelps holds two conference records.

Among the newcomers are several who did well in high school meets at Omaha, Lincoln and Chicago where the competition is stiff.

The first meet, and only one before Christmas recess, will take Wayne to Concordia at Seward Friday night.

Seven-Win Skein Boasted by WSC

Senior guard Bob Strathman equalled his personal collegiate scoring record Monday night with a 30-point effort helping Wayne State to a 91-63 win over Northwestern College at Orange City, Ia.

The slender 6-1 sharpshooter lifted his seven game season average to 20.7, tops for the team. He has had only two games under

that pace.

A pair of sophomore forwards, Bill Goodwin of Lawton, Ia., and Dean Elofson of Wayne, have clipped off points at 15.6 and 14.3 averages, respectively.

And four others are averaging around seven or eight points to give the Wildcats versatile depth which accounts for their seven straight wins without defeat this season. Joel Parks, Pawnee City, Neb., junior, has averaged 8.4; Paul Emanuel, North Bend, sophomore, 8.0; Bill Kruse, Calumet, Ia., junior, 7.8, and Ron Hlutz, Rudard, Mich., senior, 7.1.

Wayne suffered a chilly start against Northwestern before Strathman, Parks and Goodwin warmed up to hit a total of 35 points in the first half. The Wildcats led, 44-32, at intermission. In the second half Strathman added 18 to his onslaught, Goodwin eight more for a 19 total, and Parks five more for 17 before fouling out.

Rick VanderBerg led Northwestern with 32.

Wayne tapers off practice now as the college finishes its fall trimester term next week. Next action for the Wildcats will be in their own Christmas Holiday Tournament December 29-30.

long shot of the game to put the game into overtime.

Wesleyan scored first in the extra period, but Kruse hit another long one to knot the count at 74-all. Elofson again scored, making it 78-76 with 58 seconds left.

The clock showed four seconds when Wesleyan's Dick Hahn went to the free throw line with a one-and-one chance. He hit his first shot but missed the second, and Wayne's miraculous jumper, Bill Goodwin, came down the crucial rebound—his 21st of the game. Then he fouled, and with one second left he hit two free throws for the 80-77 victory.

It was bench strength that won the game. Neither Kruse nor Goodwin started the first half, but both started the second and finished with 24 and 19 points, respectively. Elofson alone of the starters scored consistently, totaling 20.

Defensive skill—Wayne's trademark this year—made the difference as the Wildcats applied pressure at the critical times.

points respectively. Don Mau made 10, Steve Pennington 4 and Steve Kamish and Steve Peterson 2 each. Hoyer had 14, Luebe 12, Thomas 10, Tomack 9 and Schleppebach 6 for Pierce.

The car grazed the bull, the animal escaping major injury. It appeared that all was well as the car went along the right ditch in Wayne County (Dixon County being on the other side of the road) until the vehicle came to a stop when it hit a heavy steel culvert.

In spite of the fact the 24-inch culvert is buried 2 1/2 feet, it was smashed in by the impact. The car was heavily damaged on the front and underside.

Both the county ambulance and the station wagon of the police department, equipped for use as an ambulance, were called into use to transport the injured to the hospital.

Wayne Teams Divide Tilts Against Pierce

Wayne Junior High and Freshmen divided a double-header with Pierce Monday evening at Pierce. It was the second time in a row the locals had split games, except this time Junior High won and Fresh lost whereas against Laurel the Fresh had won, and the Junior High lost.

Both teams go to Stanton Monday for games and will play a sweep. Coach Hank Overlin's Junior High squad plays at 5 and Coach Ron Carnes' Freshmen play at 6:30. These are the last games until the coming month.

In the junior high tilt, Wayne won by the unbelievable score of 61-7. The locals had nine men scoring, leading 19-1, 25-3 and 47-3 at the quarter marks. Pierce managed two field goals.

For Wayne, Lonnie Biltoft had 16, Kelly Dill 11, Chris Laeders 10, John Meyer 6, Billy Fletcher 5, Todd Hornhoft 4, Rick Elofson 3 and Don Hansen and Kyle Willis 2. Gene Thomas had 5 and Kirk Scheer 2 for the losers.

The Freshmen trailed all the way, 12-8, 27-20 and 37-32 before losing 51-37. Balanced scoring was the difference, all the first five for Pierce making 5 or more points each.

WSC in Overtime Victory Saturday

There were frayed nerves aplenty before Wayne State emerged with an 80-77 victory Saturday against Nebraska Wesleyan.

The host Wildcats needed an overtime to accomplish the win after overcoming a six-point deficit in the last minute and 10 seconds of regulation time.

The see-saw battle had kept fans on edge from the first seconds while the lead repeatedly changed. Though Wayne held a 40-37 half advantage, Wesleyan caught up and went ahead twice in the second half, the latter time with 8 1/2 minutes left.

The Wildcats did not lead again in that period. Wesleyan built the game's widest margin, six points, two minutes before the end, but Wayne players did not get any idea they were beaten.

Dean Elofson closed the gap to 72-68 with two free throws, 1:09 left, and added a field goal at :41. Wayne defense rose to the occasion twice in the last minute by breaking Wesleyan plays and regaining the offense. Then with six seconds left, junior guard Bill Kruse swished his eleventh

Brilliant Comeback Falls Short as WH Drops Game

A brilliant comeback late in the second half Tuesday night gave indications of the potential Wayne High's basketball team has, once it solidifies into a coordinated unit. The Blue Devils outscored Laurel 16-2 during a torrid rally but then fell victim to the five-foul handicap and went down to defeat before a quick-handed Bear team 44-63.

Two more games remain on the schedule before the holidays. Friday night Plainville is here and Wednesday night Papillion visits Wayne.

Against Laurel Tuesday, Wayne led 16-6 midway through the first quarter, the lead changing hands four times before Laurel went ahead to stay at 8-7. The Bears outscored WHS 9-1 during one stretch, pulling from a 6-1 deficit to a 13-7 lead.

It happened again in the second period, Laurel getting hot to pull from a 26-17 lead to a 39-20 lead, outscoring the locals 13-3. After leading 23-13 at the end of one period, the Orange and Black moved to a 43-24 halftime lead.

The visitors pulled out in front by 22 points for the biggest lead of the evening in the third period. Then the Wayne offense finally jelled and Wayne hit 16 points while holding Laurel to 2. Trail- ing 57-35, the Blue and White pulled up to 59-51.

Laurel pulled out again to lead 65-53 and then Wayne got hot, outscoring Laurel 9-2 to pull up to a 69-62 deficit with two minutes left. It was a matter of LHS stalling and WHS fouling from then on, the rallies having come too late and Laurel being able to hit on free throws. The Bears had led 58-43 at the three-quarter mark and were outscored 20-16 the final period.

George Eynon led Wayne in rebounds with 12. Gordon Jorgensen and Dave Brown grabbed off 10 each, Lynn Lessmann 4, Dave Tietgen 3, Harry Lindner and Larry Hix 2 and Jim Robinson 1. For Laurel, Brent Fahnestock had 12, Larry Smith 11, Tom Erwin and Jim Hank 8, Steve Eynon 6, Vernon Saha 4 and

Eynon 3, Tietgen 3, Jorgensen, Lindner and Hix 1. For Laurel, T. Erwin had 3 assists, Fahnestock 2 and Hank, Smith and S. Erwin 1.

The second team game was a preview of what was to come. Wayne let Laurel build a lead and then came fighting back but lacked enough to win. Laurel led 12-5 at the end of one period and 28-16 at the half.

Each team had extended scoring drives. Laurel led 31-20 and pushed 10 straight points through to take a 41-20 advantage. Wayne came back to outscore LHS 13-0, pulling from a 44-25 deficit to a 44-38 lag.

Free throws spelled the difference, Wayne outscoring Laurel 42-30 from the court. The numerous Wayne fouls gave Laurel 41 free throws and the Bear Cubs hit 26. Wayne hit 8 of 20 free throws.

Randy Helgren had 12 rebounds to lead Wayne. Jerry Tietze had 8, Les Echtenkamp and Jim Sturm 6 each, Terry Ellis 4, Mike Biltoft 3, Ted Armbruster and Dennis Redel 2 and Bruce Pflueger 1. For Laurel, Jim Schroeder had 16, Steve Erwin and Jim Ebnier 11, Tod Erwin and Gary Hank 4, Steve Anderson 2 and Paul McCoy and Randy Ebnier 1.

Helgren led in steals with 5. Redel had 4, Echtenkamp 3, Tietze, Ellis and Biltoft 2 and Armbruster 1. S. Erwin and B. Erwin each had 3 steals, J. Ebnier, R. Ebnier and Gary Hank 1. Echtenkamp had 4 assists, Tietze, Ellis and Sturm 2 and Helgren, Biltoft and Schneider 1. For Laurel, S. Erwin, J. Ebnier and Schroeder each had 1.

In scoring, Helgren led Wayne with 25. Armbruster and Redel each hit 6, Biltoft 5, Ellis 4 and Tietze and Sturm 2. R. Erwin

Carroll Pupils Give Musical for Boosters

Pupils from kindergarten through sixth grades at Carroll Elementary School gave a musical program Monday night for the Carroll Music Boosters meeting at Carroll Auditorium. Lunch was served following a short business session and the program. Well over 200 attended, including children in the program and adults.

Feature production by the kindergarten, first and second grades was "The Little Red Hen," narrated by Ricky Harmer with Mrs. John Rees playing accompaniment. Mrs. Viola Hartman and Mrs. Ruth Keestine are teachers.

Children were costumed as chickens, ducks, pigs, sheep and hay. Hansen was the little red

hen. In musical form the story was told of how the hen could get no help with the planting, growing, harvesting, flour-making and bread making but had plenty of offers to eat the bread.

Third, fourth, fifth and sixth grades sang eight Christmas carols. Honita Vandegrift, vocal music instructor, played accompaniment. Teachers are Mrs. Lynn Bruns and Mrs. Lou Lutt. Songs ranged from "Rudolph the Red-Nosed Reindeer" to "O, Little Town of Bethlehem." Almost 50 youngsters took part in this production, almost 30 in "The Little Red Hen."

Mrs. Milton Owens entertained eight children and Mr. and Mrs. John Owens, Wayne, Thursday afternoon in honor of Megan's sixth birthday.

St. Paul's Youth in Pair of Activities

Two young people's groups of St. Paul's Lutheran Church scheduled special Christmas activities this week. The first was held Wednesday night and the second is set for Sunday.

WSC Musicians Give Kiwanians Program

Is now and near Kavanaugh's new headquarters. They admit the cards have been coming from Goldfaden for years.

Goldfaden's card was addressed to "Police Headquarters, Carroll, Nebraska." He closed with: "A Merry Christmas and a Happy New Year to your men of today and of yesterday."

It is an unusual situation, remembering a kind deed performed 30 years ago, and remembering many of them so 319 cards got out each year to communities that did help. Sgt. Goldfaden provides an almost lost link with an era when hobos rode the rails and there was a railroad through Carroll.

Hobo 30 Years Ago Remembers Carroll

Back in 1937, a hobo came into Carroll on the railroad. He was cold, hungry and had no money. Carroll's marshal let him stay in the jail, food was provided and he was able to continue on his way, drifting across the country during the depression years.

Last week that "hobo" sent a card to Carroll and 318 other towns across the United States that had befriended him. He sent a picture of himself and explained that because of what had been done for him 30 years ago he is alive and well today and he will not forget.

He is no longer a hobo. He is a policeman, a sergeant at that. His name, Philip Goldfaden, 34 Second Ave., Long Branch, N. J., 07740.

Goldfaden cites examples of when he was practically dead in San Fernando and Fort Worth, Nov. 57, he remembers Carroll and the other towns that helped him when he needed help. He wrote: "I for one don't forget those things and now that I am 57 years old today, this card is a sort of an anniversary for me as it's the 30th year I have been sending them out. But if you don't receive any cards from this year on I will be dead and gone, but while I am alive the memory will linger on."

Carroll residents remember the "bums" who used to come in on every train. They recall the jail back of where the post office

Spacemen, Santa in Operetta at Dixon
"Santa and the Spacemen" is the name of an operetta to be presented by the pupils in Dixon Grade School Thursday, Dec. 14, at 7:30 p.m. in the school auditorium. The public is invited to attend free of charge.

The story concerns creatures from another world who resent the fact Earth has kept Santa for itself all these years. Martians kidnap him, representatives from other planets contact Earth and an arrangement is worked out where Earth will share Santa with other planets.

A lot of work has gone into costuming and memorizing songs for the Christmas operetta, teachers report. It will be something quite different from previous Christmas productions at Dixon. Teachers in all eight grades will take part with Mrs. Lowell Saunders playing accompaniment. Lunch will be served following the operetta.

Testing of Band Applied Phosphate Shows Method Not Necessarily Best

Banded starter phosphate applications are no more effective than broadcast plowdown applications of corn in Northeast Nebraska, according to Ulver Alexander, area agronomist, Northeast Station, Concord, however, testing has been made only on loamy soils and not on sandy soils.

According to Alexander, tests from six different Northeast Nebraska locations indicate there is no distinct difference in corn yield response to banded response as a result of phosphate placement. All studies conducted have been run on Clinton, Iowa and Moody soil series, which predominate in this area.

The agronomist cautions in use of results. "Stressing. An evaluation has not been made on the sandy soils of the area. In addition, all data is from surface-planted corn. Listed corn would not respond in the same manner. Listing would throw the previously applied phosphate too far away from the young seedlings for early plant use.

Planting time could be reduced if fertilizer applications could be made prior to planting season. This would allow farmers to get the planting done earlier, resulting in a higher potential corn yield in the fall.

In the experiment series, banded phosphate was placed two inches to the side and slightly below seed on soils testing low or very low in phosphate. Broadcast applications were plowed down or disked in to seed depth or below.

Phosphate was applied in combination with nitrogen and other needed nutrients. Comparisons between methods of application were made at exactly the same rates for phosphate.

CALCULATING YIELD response of broadcast versus starter applications of phosphate fertilizer is Ulver Alexander, area agronomist, Northeast Station, Concord.

Alexander states, "On calcareous hardland soils there has been a consistent yield advantage of four to six bushels of corn per acre in favor of broadcast applications. On slightly acid hardland soils, yields have been the same regardless of whether applications were banded near the seed or were plowed down."

According to Alexander, corn growth differences between the two methods of application have not been apparent at any state of growth on either calcareous or acid locations.

He states: "At first glance, these findings appear to be directly opposed to previous results reported in other areas. This is not the case. Illinois has reported similar results on certain soil types. This indicates that some soil types and soil conditions may greatly influence relative efficiency of phosphate methods of application."

WSUS To Meet
WSUS will meet Dec. 14 at 2 p.m. The lesson will be presented by Mrs. Roger Jacobs. Everyone is asked to bring something to pack in the boxes for shut-ins.

Program Planned
Springbank Friends Christmas service will be held Dec. 21.

Concord Station Has New Project

Northeast Station, Concord, will start a special conservation project this fall, weather permitting. Dixon County farmers can contact the ASCS office in Ponca, SCS office in Wakefield or Northeast Station about details.

The project will be located in the southwest corner of the experimental farm on 30 acres of cropland surrounding the office. The project will consist of steep back-slope cut and fill terraces with underground conduit outlets.

Purpose of cut and fill terraces is to cut the raise of slopes down in order to fill in the low areas. This results in parallel terraces and makes for more efficient use of machinery in preparing, planting, cultivating and harvest-

ing crops produced on the land. The terraces will hold excess water from running downhill. The underground outlets will have openings in the channel of the terraces, providing pre-deter-

mined flow of excess water underground in the pipe to a protected waterway at the base, thus conserving both water and soil.

SCS and ASCS worked on the project with the SCS staking out

terraces and outlets and supervising work. ASCS will provide cost-share to assist in completion. State and federal approval is necessary before financial aid will be given.

SPORTS

HERE COMES TWO! Rick Hank, Allen, hit 10 field goals against Homer, many of them on shots just like this one. Teammate Mike Roeber, who had 16 rebounds, is below the basket. Players for the Knights include Rick Lauritsen, 20, and Brent Longwell.

Allen Victim of Homer Comeback

Allen High's Eagles were "unable to stand prosperity" Saturday night in a game at Homer. The Blue and Gold led at half-time but then lost rebounding ability and shooting eyes as Homer's Knights came back for a 58-51 victory.

Coach Leroy Welch has his team at home Friday against Newcastle. Following that is the Randolph tournament Dec. 27-29. Friday night, Allen was going great with rebounds helping the first half. One member of the team only got one-fourth as many rebounds the second half as he did the first, and another got one-half as many the last half as he did the first. The same trend was evident in rebounding for the entire team.

Allen led 10-8 after one quarter and 28-25 at half-time. The Eagles managed a 34-33 lead midway through the third stanza and then were outscored 9-0 as Homer moved to a 42-34 advantage. At one time HHS led by as much as 13 points, 58-45, but Allen hit three shots to close the gap somewhat.

Mike Roeber led in rebounds with Dave Abts right behind, the two having 16 and 13 respectively. Alan Smith picked off 6, Rick Hank 4, Jim Ellis and Kevin Hill 2 and Dennis Geiger 1.

Hank stole the ball 7 times, Roeber 3, Dave Abts, Smith and Ellis 2, Geiger and John Abts 1. Dave Abts had 4 assists, Hank 3, Smith and Ellis 2, Roeber, Hill and Geiger 1.

Hank led Allen scorers with 20, Roeber adding 18, Rick Lauritsen hit for 26 and Dan Harris 14 to lead the Knights.

In the reserve game, Allen suffered its first loss in four outings. Homer led 9-7 after one period and 25-20 at half-time. Allen went ahead at 31-30 in the third quarter only to lose the lead right away to trail 40-32 going into the final stanza and losing 48-40.

Free throws were the difference. Allen hit 7, Homer hit 17. Allen outscored the host team 33-31 from the court. Allen was also guilty of many "turn-overs," taking the ball down the court and losing it on bad passes, traveling, double dribble or other ways without even getting a shot at the hoop.

Wayne Wrestlers Win All; Fremont Bergan Here Next

Wayne wrestlers made an auspicious start in the new sport Saturday night. On the local mats, they won every match against Plainview, a team that is also in its first year of the sport. Final score was Wayne 14, Plainview 0.

Next action for Coach Don Koeng's team will be Thursday, Dec. 14, at 6:30 p.m. in Wayne City Auditorium at 6:30. There will be both varsity and reserve matches with Fremont Bergan the opposition.

Saturday night, one match was won by forfeit, six by pins and three by decisions. There were no 95 or 103 pound matches. Several Wayne wrestlers put on extra matches among themselves to provide action and experience.

Latest pin of the evening was by Don Siefken, who pinned Randy Pellatz in 1:47 in the 180-pound class. Right behind was Lavern Brown, 165, who pinned Fred Anson, Plainview, in 2:30, and Steve Hix, 120, who pinned Don Bender in 2:43.

Other Wayne pins were: Steve Hall, 534, over Paul Spillinger, 112-pounds; Randy Lutt, 5:52, over Frank Herbert, 127; Bob Peterson, 5:01, over Marvin Peterson, 145. Alan Wischhof won by forfeit in the heavyweight class.

In decisions, Dale Johnson beat Gary Malibewski at 113 pounds; Scott Nelson declination Steve Norris in the 138-pound division; and Doug Maurer, 154, declination Mike Alexander.

Field Representative Will Be Here Tuesday

Robert Swan, field representative of the Social Security Administration, will be in Wayne Tuesday, Dec. 19 from 1 to 3 p.m. He will be in the main lobby during those hours.

No appointment is necessary. However, if anyone wishes to call at the Norfolk office, they can write Box 884 for an appointment for Swan's visit or at the district office.

When applying for SSA benefits, Swan says people will need proof of age, birth certificate, baptismal certificates and other forms can be used as proof.

Four Cage Tilts Before Holidays

Wayne, Winside and Allen high schools have four basketball games before the Christmas holidays. Tournaments are in the holiday and early-new-year schedule.

Friday night, Plainview is at Wayne, Norfolk Catholic at Winside and Newcastle at Allen. Wednesday, Dec. 20, Papillion plays at Wayne.

Between Christmas and New Year's, Allen will play in a tournament at Randolph, Jan. 3-6, Winside and Allen play in the Lewis & Clark Conference tournament. First action for Wayne in 1968 will be Jan. 5 against Madison.
