

Set Pancake Feed Tuesday

The annual "Kiwans for Kids" pancake feed will be held Tuesday, Feb. 27, at the Wayne City Auditorium. It is a regular Shrove Tuesday feature in the city.

Serving will start at 5 p.m. and continue until 8 p.m. or until everyone has been taken care of. Advance tickets have been sold but tickets may be purchased at the door also.

Proceeds from the annual fund-raising event go to various civic projects. Usually the city winds up with more equipment for parks, playgrounds, swimming pools or other kid-oriented situations so

the "Kiwans for Kids" tag has been attached to the project. This year Kiwanians are being joined by new and younger workers. Members of the Circle K Club at Wayne State College are assisting in the project, including selling tickets.

Kiwans Club members are on various committees to prepare and serve the food, clear the tables and do the dishes. It's a lot of work, but it has produced such things as park shelter houses, swimming pool bleachers and other equipment so it always gets enthusiastic workers and generous public support.

Set Prayer Day

World Day of Prayer services will be held Friday, Mar. 1, at 2 p.m. in First Baptist Church, Wayne. Rev. Frank Pedersen, pastor of the church, will speak on "Bear One Another's Burden." United Council of Church Women sponsors the event, which is open to the public.

NFO Will Elect Officers Monday

Monday, Feb. 26, at 8 p.m. the Wayne County National Farmers' Organization will meet to elect officers and name bargaining board members. Officials call it one of the most important meetings of the year.

One officer said, "NFO is moving into a period of maturity, bargaining is rapidly shifting into high gear under the NFO program and the need for high caliber personnel to fill the offices has never been more important than at the present time."

Attendance at last Monday's meeting hit another record high. A tape recording featuring NFO national vice president, Erhard Pringsten, was presented followed by a question and answer period.

Interest in NFO has never been greater than now, officers of the local chapter report. New members are being enrolled at a rapid rate daily along with additional production sheets being signed which builds the over-all bargaining power of the farmers through the NFO.

Following the meeting, refreshments were served by wives of members.

Prize Drawing

There was no winner Thursday night in the drawing for a Silver Dollar Night prize. Name drawn was that of Mrs. Jack Brandt, Coleridge, who would have received \$400 had she been present. The prize remains \$400 for next Thursday.

The Spook Speaks

One of the better "spur of the moment" remarks we've heard of lately concerns an Altona man. It happened on a hot day last summer. He came into the house, his tee shirt soaked with perspiration. He decided to make iced tea, opened the jar, stuck a knife in the paper seal that covered the top and the powdery stuff spurted out all over his soaked shirt. "Look, Ma," he said to his wife, "an instant tea-shirt!"

An Allen boy came home with the news his grade was going to be in the Peeewe tournament at Dixon. Asked what other towns were in it, he checked a mimeographed form and replied: "Oh, a lot of little towns, Dixon, Allen, Wayne—" He paused, noting the bracket opposite Wynot and asked: "Say, where's this town of B-Y-E anyway?"

A couple from a North Dakota town near the Canadian border was headed for Blair to get married. Blair being a town where relatives live. They got into Nebraska, found out a blood test would be required in order to get married in this state and went to Sioux City to take care of that matter. Coming out of Sioux City they made the wrong turn, ended up on Highway 35 and wound up in Wayne. When they found out they just decided nothing else was going to hold up their marriage so they had the wedding performed here by Judge David Hamer.

Soldier Flown Back From Tokyo Hospital

Mr. and Mrs. Albert Gamble, Wayne, received a telephone call from their son, Keith, Friday. He had just arrived in California from Japan, where he had been hospitalized following a wound suffered in Vietnam.

According to the Winside High School graduate, he will be flown to Denver, but it was not learned whether this was for hospitalization at Fitzsimons, or somewhere else. He was allowed only three minutes on the call paid for by the Red Cross.

"Boy, is it ever good to be back in the States!" he remarked. The Gambles agreed that it was good to have him back. If he cannot get home from Denver in the near future, they probably will try to get there to see him.

All SWAY Winners Men From Wayne

One of the few times all winners in the Servicemen We Appreciate You drawings have been from Wayne occurred Monday night of last week. All three are army men from here.

Names drawn for \$10 each were: Edgar Baird, son of Mrs. Henrietta Baird; Bob McLean, son of Mr. and Mrs. Robert McLean; and Dean Skokan; son of Mrs. Marie Skokan.

Baird entered the service in April, 1952, joining the Infantry. He has been in Germany three different times, spent time in Korea and returned from Vietnam in November after serving a year there.

Since December, following a month's furlough, he has been at Ft. Polk, La. He completed more schooling Feb. 18 and is now training troops.

His address is: S/Sgt. Edgar J. Baird, A 5251078, Co. D, 5th Bn., 1st Tng. Bde., Ft. Polk, La. 71459.

TWO NEW TRUCKS of the Wayne Rural Fire Protection District are shown with board members who met the past week. The new six-passenger pickup is shown on the left and the new pumper on the right. Shown kneeling (left

to right) are Jack Niles of International Harvester, Fire Chief Ivan Beeks, President Ralph Beckenhauer, Melvin Wert, Joe Beckenhauer, Lovern Harder, John Mohr, Harold Fleer and Gilbert Krallman.

Two New Rural Fire Trucks in This Area

Wayne Rural Fire District No. 2 has two "new" fire trucks. The quotation marks are put around "new" because one of them is actually used but the other is absolutely new.

The used truck was acquired from government surplus without cost to the district. It has been painted in fire-engine-red and identified with signs on each door.

An unusual vehicle, it looks much like a truck or pickup but it has a cab that will seat six—or if the men are not too big, it will seat more. This will be used to transport men to fires, a convenience firemen are going to appreciate on calls to rural areas when it is raining, snowing or just cold.

Pride of the district is a new and bigger fire truck, for which the present rural truck has been traded in. Like the six-passenger pickup it is an International and it has a special fire truck engine.

A huge truck, it is too big to go inside the Wayne Volunteer Fire Department building. It has four-wheel drive, all of the latest safety equipment and a 750-gallon

pumper compared to a 500-gallon tank on the 1950 model traded in. Since there is no room in the fire hall for the new truck, it is being housed in the city Quonset. The Wayne City Council has decided to seek approval of a \$30,000 fire hall and if this goes through it will be big enough to house all of the fire department vehicles without parking any in front of the others as is now necessary.

Joe Beckenhauer, 19 years a member of the rural fire board, took the occasion of a meeting of the board Wednesday to retire. Taking his place is Lovern Harder. Beckenhauer has served in offices of the board for most of the years he has been on it.

Other members of the board at the meeting Wednesday were Ralph Beckenhauer, president; John Mohr, vice president; Harold Fleer, secretary; Melvin Wert and Gilbert Krallman.

Winside Hosting One-Act Play Feb.

Winside will host the Lewis & Clark Conference one-act play contest Friday, Mar. 1 at the Winside City Auditorium. A "run-off" of two local plays will be held first to decide what play will represent WIS.

The public is invited to the free showing of the two plays

Tuesday, Feb. 27, at 7:30 p.m. in the auditorium. One is "The Cornhusk Doll" and the other is "The Happy Medium."

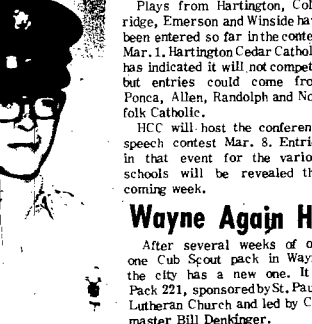

Director David Robinson said the play chosen for the one-act play contest will be given Mar. 1. The other will be entered in the speech contest of the conference.

Plays from Hartington, Coleridge, Emerson and Winside have been entered so far in the contest Mar. 1. Hartington Cedar Catholic has indicated it will not compete, but entries could come from Ponca, Allen, Randolph and Norfolk Catholics.

HCC will host the conference speech contest Mar. 8. Entries in that event for the various schools will be revealed this coming week.

Caucuses Set for Tuesday

Caucuses for all towns and most school districts in the area will be held Tuesday, Feb. 27. Candidates will be named for the elections to be held in April.

Times vary in the different towns and each community has a different situation arising as to positions to be filled. Following is the information in reverse alphabetical order, Winside, Wayne, Hoskins, Dixon, Concord, Carroll and Allen:

Winside will have two caucuses, the Peoples Party at the grade school dining room and the Citizens Party at the Winside Auditorium. Both will assemble at 8 p.m.

To be named by the two are candidates for councilmen, two for regular terms of two years and one for an unexpired term of one year. Two school district board members are to be named for three-year terms.

Wayne will have a pair of caucuses at which board of education candidates for District 17 will be named. These will be followed by three ward caucuses.

Citizens party will meet at 7:30 p.m. in the Fire Hall for the school district caucus and 7:45 p.m. for the mayoral nominations. Popular Party will meet at Wayne City Auditorium at 7:30 to name board of education nominations and 7:45 for mayoral nominations. Two positions for three years are to be filled on the school board.

Ward caucuses will follow for each party. Citizens party will have Ward 1 caucus at Fire Hall, Ward 2 at Library and Ward 3 in the courthouse basement. Popular Party will have Ward 1 caucus at Auditorium, Ward 2 at Wilcox Chapel and Ward 3 at courthouse main floor. One councilman is to be elected from each ward in the Apr. 2 election.

Hoskins will have a caucus at 8 p.m. in the fire hall. Three councilmen are to be elected for two-year terms so it will be possible to name as many as six candidates.

Dixon's caucus is at 8 p.m. in the Dixon Auditorium. To be named are candidates for three town board posts, two for two-year terms and one for a one-year term to finish out an unexpired term.

Concord will have a caucus at 7 p.m. in the fire hall. Two councilmen are to be elected Apr. 2 for two-year terms. Concord is also in the Laurel school district and two board members are to be elected for three-year terms, the caucus set at Laurel School at 3 p.m.

Carroll will have a caucus at 7 p.m. in the Village Library. Two board members are to be named for two-year terms and a police magistrate to be elected in the April election.

Allen will have caucuses at the Elre Hall, Citizens Party at 7 p.m. and Peoples Party at 7:30 p.m. Three regular terms on the town board are expiring and one unexpired term of one year is to be filled.

A school district caucus will follow. There are two regular board terms of three years to be filled, four to be nominated to the posts.

Offer \$10,000 in Contest

Alan Cramer, publisher of The Wayne Herald, has announced the opening of the largest subscription campaign ever conducted in the area. Prizes and commissions totaling an estimated \$10,000 are offered to community leaders in and around Wayne County, who, within the next six weeks, will gather comments and suggestions for improvement and distribute free gifts to all readers in exchange for new and renewal subscriptions to The Herald.

A 1968 Chevrolet Camaro, priced at \$2,250 from Corvair Auto Co., will be awarded as first prize, followed by \$1,000 cash second prize, \$500 third, \$300 fourth, \$200 fifth, and \$100 sixth. In addition to the prizes, all candidates who do not win the major awards will be paid according to what they do, a guaranteed 20% commission on all subscriptions collected under his or her name. Several special bonuses and merchants' awards will be announced from time to time.

The campaign will begin Monday, Feb. 26 and will end Monday, Apr. 8; major award winners to be announced Apr. 9. Although The Herald reader list is at a high peak, it is believed that even more homes can be reached by personal invitation to join our long list of readers. It is hoped every home in the area will become a Herald subscriber and booster, reading the local news twice each week and thereby being better informed about current events in all of our trade area.

Many readers have never used the opportunity to place a simple classified ad in a newspaper, therefore, EVERY family who subscribes or renews during this campaign will be given a "Good Will" coupon for 15 words or less to be printed free of charge in two issues of The Herald, a \$3.00 value returned. In addition to the coupon, each family subscribing for two years will be given a \$2.95 "booster" gift from the worker's, a beautiful

Prayer Service Set

World Day of Prayer will be observed by Winside Methodist and Trinity Lutheran Church, Friday, Mar. 1 at 2 p.m. at Trinity Lutheran Church. The theme this year is "Bear One Another's Burden."

Weigh Day Set

Saturday, Mar. 2, will be Weigh Day for pen calves at the Wayne Sales Co., County Agent Harold Ingalls reports. Weighing will take place from 10 a.m. to 3 p.m. Agent Ingalls said he would also like to tag and weigh other individual calves that day. The total weight of a pen of five head must not exceed 3,500 pounds.

The contest will end at the Wayne sale date around Sept. 15. Factors involved are rate of gain, sale appraisal and accuracy of records.

Wayne Again Has Second Cub Pack

After several weeks of only one Cub Scout pack in Wayne, the city has a new one. It is Pack 221, sponsored by St. Paul's Lutheran Church and led by Cubmaster Bill Denkinger.

St. Paul's has been sponsoring the third Boy Scout troop in Wayne for several months with Jewell Schock as Scoutmaster. The church agreed to sponsor Cubs too after Pack 174 all but disappeared, a few of the boys moving to Pack 175 but others having nowhere to turn.

Mrs. Arnold Marr and Mrs. Tom Lambert are den mothers for the new pack with Morris Anderson institutional representative. Rev. Robert Shirek, pastor of St. Paul's, is executive officer.

Initial meeting of the Pack 221 was held Wednesday night at St. Paul's. Along with several of the boys who used to be in Pack 174, there were some boys who are starting out in Cub work for the first time.

A full list of board members and other assignments has not been prepared. Further information on the new pack will be given from time to time.

Warning!

County Clerk Norris Weible reports that those attending caucus Tuesday night should be registered voters. If a nomination were to be made by someone who is not registered, it is possible the entire affair could be challenged. To be on the safe side, only legal voters should nominate and the only legal voters now are those who are registered.

A list of candidates who already understand the need for such a tremendous campaign appears here, and a complete list of rules appears in a large ad elsewhere in this issue. Since there are no area restrictions, you can help us to avoid call-backs by turning in your subscription and receiving your free gifts from any of the workers calling on you first. Join in on the fun, everyone's going to be talking about The Wayne Herald!

Commodity Signup Starts

Farmers in Wayne County are reminded that signups are now underway for participants in the 1968 feed grain and wheat programs. All commodity program signups are being held at the ASCS county office Feb. 5-Mar. 15.

Under the feed grain program, farmers have the opportunity to help reduce the nation's feed grain supply and thereby help influence prices. The past year was evidence of the need to reduce production with the small

Aid Comes to Two Deserving Families

Funds are coming in for the Keith Schwartz Fund and the Charmi Milligan fund. State National Bank is receiving donations for the Schwartz Fund and First National Bank is receiving donations for the Milligan Fund.

At Carroll, hometown of Charmi Milligan, a big benefit event is planned Tuesday, Mar. 19, under the sponsorship of four different groups. There has been talk of some sort of benefit in Wayne for the Schwartz fund but no plans are definite yet.

Carroll Community Club, Carroll Saddle Club, Carroll Fire Department and Belles and Beaus Square Dance Club of Winside and Carroll are sponsoring a benefit dance in March. Bob Haberger and the Wranglers will donate their services for modern dancing and Jerry Junk will call and donate his time and equipment for square dancing.

For those who do not dance, See FUNDS, page 6.

NEW CUBMASTER for a new pack, No. 221, took over his duties Wednesday night. He is Bill Denkinger, shown with three Cubs (left to right) Mark Bliss, David Lambert and Sam Lambert. The Cub pack is sponsored by St. Paul's Lutheran Church and replaces a pack that all but disbanded.

Food Consumer Forum Here Thursday

Elmer Harder, former Wayne County resident, and Mrs. Lorena Meyers, consumer specialist with the food and drug administration, will be the principal speakers at a food consumer forum in Wayne City Auditorium Thursday, Feb. 29 at 9 a.m.

Registration begins at 9 with Wayne Chamber of Commerce serving coffee. The program itself begins at 9:30.

Theme will be "Food—Today's Biggest Bargain." Harder, now with Safeway Stores, will speak on "Meat on the Menu" and Mrs. Meyers will tell about protection provided food consumers through government legislation.

Those attending will learn about meat identification, cooking hints and shopping sense

from Harder. Mrs. Meyers will tell of food safety, additives, pesticides and food contamination.

Also on the program will be Glenn Froning, food technologist at the NU poultry science department. "Frontiers in Food Packaging and Labeling" will help consumers gain a better understanding of purposes and methods of packaging the many food items available today.

The public is invited to the forum. Discussion sessions are planned so consumers, homemakers and 4-H leaders in the audience can get answers to questions related to food shopping.

The forum is sponsored by the Northeast Nebraska Area Extension Service as part of the 1968 family living home economics program. Area extension home economists at Northeast Station, Concord, will be in charge.

No Hearing Needed

The Nebraska Normal Board has ruled that Dr. William Brandenburg acted properly in offering Dr. T. H. McDonald a one-year extension of his contract to avoid a conflict with regulations of the AAUP and there was no need for a hearing. Dr. McDonald, history teacher at WSC, had asked for the hearing after being notified of the extension, having been told previously his contract would not be renewed after the present term. In other action the board authorized a 7 per cent salary increase at the four state colleges with freedom to raise or lower faculty salaries within the fund limitations set up by the legislature.

Management Training School to End

Kent Hall of the education committee of the Wayne Chamber of Commerce reports the final management training seminar school class will be held Monday, Feb. 26, at Wayne High School. Certificates will be presented to those who have been enrolled in the class.

The course has been offered by the C. of C. in cooperation with the Small Business Administration. Sessions have been held Mondays the past five weeks with Monday's sixth session final. Benjamin Davis of SBA will be present to give certificates to those taking the course. Joe Ferguson of the Norfolk Daily News will speak on "Aspects of Sales Promotion."

Hall said "if enough interest is shown, another series of the same type may be offered. It will run for about six weeks sometime this spring."

Those taking the course are Ted Babe, Evan Bennett, Leroy Barner, O. K. Brandstetter, Steve Brasch, Dick Braunger, Charlotte Blake, Bob Carhart, John Elmung, Jr., Kenneth Whorlow, Darrel Fuebberth, Leonard Gaden, Wilmer Griess, Pat Gross, Dale Gutshall, Kent Hall,

Claude Harder, Anna Mae Hensley, Phil James, Larry Johnson, Dr. William Koeber, Robert Lund, Jim Marsh, Robert Merchant, Walter Moller, Merv Mordhorst, Vernon Pradosh, Bill Richardson, Dan Sherry, Pat Wert, Merle Whitney, Al Wittig, Don Wittig, Leo Wortman and Chick Moline.

On State Council

Leo Wortman, Wayne, is one of the new members selected for the Small Business Advisory Council for the State of Nebraska. Wesley Taylor is chairman and Frank Morrison is representative on the national SBA council. Representatives were chosen in recognition of their knowledge of and interest in small business and will participate in semi-annual meetings to consider needs of small businesses in Nebraska as well as study and evaluate SBA programs in the state. The Advisory Council serves as a channel of information to various business and commercial interests regarding SBA programs and as an advisory body keeping the regional director informed of economic conditions in the state.

WSC Gets First Money Approval

With Omaha University, Chadron State and Kearney State all still waiting, Wayne State College received word this week that approval had been given for federal funds for two new buildings on the campus. It is the only college building plan in the state approved so far.

Dr. William Brandenburg, president of WSC, said Sen. Roman Hruska and Cong. Robert Denney called him Wednesday to advise him of the action. The

federal approval amounts to \$700,000 for new construction on the campus.

Friday, Dr. Brandenburg contacted the executive director of the Nebraska Higher Education Facilities. He confirmed the fact that the US Office of Education has now officially committed the \$700,000 to WSC.

Money is coming from Title I, Higher Education Facilities Act. Approval had been received earlier from state officials and then from regional officials, the federal approval being the final "go ahead" needed.

Leo Daly Co., Omaha architectural firm, has worked out a schedule for construction. Dr. Brandenburg said. Work is now underway on preliminary plans on the new science building and an addition to the library, details of which have been described before.

The architect plans for finishing contract documents this week and meeting Office of Education officials in Kansas City, delivering review contract documents Mar. 1; reviewing period of four to six weeks; revising as necessary in April with a release of contract documents for bidding by Apr. 20; four to six weeks for bids; letting contracts

about June 1; and construction to start soon after that.

Variations in the schedule will depend on the time needed for reviewing plans. The sooner the review is over, the sooner the rest of the required work can be done.

Nhora Cardoza Going

Nhora Cardoza from Colombia, S. A., is leaving Winslow for Wisconsin this week. She met Wednesday, Feb. 21, with the Spanish Club at Winslow High School, 38 attending. Mrs. Bill Schmitt is sponsor. Miss Cardoza has been at WHS and at Wayne State College for several weeks. She has been staying at the Charles Jackson and Walter Bleich homes while in Winslow.

Deadlines Near

Two deadlines at courthouses are drawing near. Thursday, Feb. 29, is the last day for assessing for all farmers, businesses and anyone owning property from which they make money through lease or rental. It is also the final day on which to get 1968 tags for license plates. Cars being driven after midnight Thursday without the new tags will be operated in violation of the law.

The lesson, "Refinishing Furniture" was given by Mrs. Jim Warner and Mrs. Lawrence Lindahl. The following goals were decided on for 1968: remember the shut-ins; sponsor the Girl Scouts; donate a book to the library; donate to the Rogers diabetic camp; donate to the Nebraska Children's Home; aid the community betterment; strive for new members. Hostesses were Mrs. Rollie Hank and Mrs. John Goch.

PTA To Meet

PTA will meet Monday evening, Feb. 26 at the school auditorium. The program will be

PREDICAMENT Here is the climax to Wayne State's Wrestling victory over Omaha University last Tuesday night. Wildcat heavyweight Tom Firestack went into the final match against Omaha's Mel Melcher with the burden of winning to guarantee a team triumph. The 250 pounder met the challenge. In the second period he flattened Melcher into the position pictured, and the referee eventually called it a predicament, worth two match points. Later Firestack came close to pinning Melcher again. Final result: a 7-1 decision for the Wildcat, lifting Wayne to a team score 17-11 win.

"Let's talk about delinquency." A film "Glass Houses" will be shown. Life membership will be awarded. Some legislative matters will be discussed. Coffee hour will follow.

Mr. and Mrs. Gary Nelson and Ricky and Teresa, Jackson and Mr. and Mrs. Marvin Nelson, Dakota City, were dinner guests last Monday of Mr. and Mrs. A.M. Lanser to celebrate the wedding anniversaries of Mr. and Mrs. Marvin Nelson and the Lansers.

BATTLING FOR THE BALL in the Peru State-Wayne State game Wednesday were Dean Eloffson (52) and Paul Emanuel (40) of WSC and Wayne Heine (54) and Pete Stewart (40) of PSC.

Wildcats found themselves with a mere 56-50 edge midway through the second half and had to keep the pressure on for a spell before Coach Dave Gunther could relax. Though the Wildcat ball handling was somewhat below par, shooting percentage was miraculous—a season-high 65 per cent from the field.

Two Local Teams Win Tournaments

St. Mary's and Wayne won the tournament championships in the Recreation Department tournament Monday night. The games were moved to Monday due to a conflict with next Sunday's planned finals. Consolation games will be played at a later date.

WSC Swimmers Split Minnesota Meets

One win and one loss came out of Wayne State's swimming expedition into Minnesota over the weekend, and that was one win better than Coach Ralph Barclay expected. The team's record now is 8-2.

The loss was administered Friday by Mankato State as the Indians won nine of 13 events in a 65-48 decision. Winners for Wayne were Bob Meredith in the 100 freestyle, Rich Draper in the 500 free, Dwight Eveland in the 200 breaststroke, and by the 400 free relay. The Wildcats took second in seven other individual events.

Saturday, Wayne defeated St. Cloud State, 72-41, with firsts in 10 of 13 events.

Three Wildcats gained double victories—Draper in the 500 and 1,000 freestyle, Pat Driscoll in the 200 free and 200 backstroke, Meredith in the 50 free and 100 free.

Other Wayne firsts: Jim Brown, 200 individual medley; Rich Brown, three-meter diving; Dave Noyes, 200 butterfly; and the 400 medley relay of Barry Phelps, Eveland, Noyes and Driscoll.

Wakefield Scene of NNEFA Annual Meet

The annual meeting of the Northeast Nebraska Experimental Farm Association will be held Tuesday, Mar. 12, at Wakefield. Reports of research work at the Northeast Station, Concord, will include two additional special-interest items.

George Smith, director of water resources research at the University of Missouri, will discuss sources of water pollution with emphasis on farms and feedlots. Hugo Zimmerman of Northeast Station and Glen Vollmar of NU, will discuss farmers and bargaining power.

Eugene Schwartz and Ulverd Alexander of Northeast Station will report on narrow rows, phosphate on alfalfa, time of application of nitrogen and phosphate placement on corn. Walter Tolman will report on beef feeding work at the station and Robert Fritschen will report on the progress of the swine housing and management research project.

Program committees include Ed Fahrenholz, Allen; Don Arduser, Coleridge; John Kroger, Rosalie; Julian Canaday, Bloomfield; Gordon Nuernberger, Wayne; and Cal Ward, Concord. Wakefield Lions will make local arrangements. A directors' meeting and election of officers will be held.

and schools will be notified. Dixon won second in both tournaments. In the game for the smaller boys, they lost to Wayne, 31-15. In the championship tilt for older boys, St. Mary's won a 31-20 decision.

Charles Peters led Dixon in the first game with 11 points, Dunn making the other 4. Wayne was led by Earl Overlin with 10, Marty Hansen had 5, Jack Froehlich 5, Scott Ehlers and Rick Mitchell 3, Mike Meyer, Brian Jessmann and Greg Biltrot 2 and Mark Schram 1.

In the bigger boys tilt, Joel Henner had 17 and Jim Maly 10 for St. Mary's. Doug Poehliman had 2 and Dave Dahl and Bill Schwartz 1. For Dixon, Charles Peters and Jim Prescott had 6 each, Fred Moore 4 and Rick Dowling and Gaylord Strivens 2.

Win Over St. Mary's

Wayne fifth and sixth grades in the recreation league defeated Wayne St. Mary's 29-15 in a game last week. Earle Overlin led the winners with 9 points. Mike Meyer made 8, Scott Ehlers and Marty Hansen 3 and Mark Schram, Kerry Jech and Rick Mitchell 2. For St. Mary's, Jim Maly had 7, Bill Schwartz 5, Steve Meyer 2 and Dave Nuss 1.

Allen Ends Season in Tourney Loss

The Allen Eagles brought their basketball season to a close Tuesday night with an 87-63 loss to Emerson in the district Class C meet at Wakefield. In the other game that night, Homer defeated Pender 68-51.

Thursday night saw Coleridge lost to Ponca and Homer eliminate Emerson. The finals at Wakefield Friday saw the district championship going to Ponca.

In the Allen-Emerson game, the Eagles led up until a 5-5 tie

was forged and then started dropping back, trailing 23-16 after one quarter, 47-33 at halftime and 59-42 after one period before outscoring the Pirates 25-24 in a wild final quarter.

Mike Roeber pulled down 20 rebounds to help the AIS cause. Dave Abbs had 5, Rick Hank 4, Dave Hill and Jim Ellis 3, Dennis Geiger 2 and Alan Smith and Tom Mitchell 1. Roeber had 4 steals, Hank and Abbs 3 and Ellis 1. Hank and Ellis each had 5 assists, Hill 2, Smith 2 and John Abbs 1.

Legion Auxiliary Meets

American Legion Auxiliary met Feb. 12 at the Legion Hall with president, Vida Douglas presiding. It was reported that the voter registration sponsored by the Auxiliary was successful with approximately 280 registering. Mrs. Deonette Von Minden gave a report on the current state aid bill and on the partisan petition drive sponsored by the GOP. Lunch was served by Mrs. Alta Holmes and Mrs. Opal Trevett.

Mr. and Mrs. Jack Mitchell, Mr. and Mrs. Harvey Henningsen and Mr. and Mrs. Paul Fischer, Wakefield, were guests Thursday evening of Mr. and Mrs. Emil Rodgers for Emil's birthday.

MIKE ROEBER (50) of Allen and Dan Combs (51) of Emerson both have pretty firm grips on the ball in a tournament game at Wakefield Tuesday. Another Allen player reached in to help and Doug Carper (43) of Emerson is ready to take over in case the ball gets loose.

WSC Cagers' Record Sets All-Time Mark

The Wayne (Neb.) Herald, Monday, February 26, 1968

Another all-time school basketball record went into the book Wednesday when Wayne State cagers passed the season scoring mark. Their 100-67 rout of Peru State raised the year's total to 2,024 points.

The old mark: 1,994 in 26 games by the 1959-60 team that posted a 19-7 record.

This year's Wildcats reached the new level in 24 games with an 84.3 average. Their won-loss record of 22-2 also is a Wayne record and one of the best ever in Nebraska collegiate history—perhaps the best.

Downing Peru added frosting to the Nebraska College Conference cake which Wayne already had won. The Wildcats finished 7-1 in the league—their one loss at Peru by a 79-77 margin. Chadron closed in second spot, 5-3. Peru also is done at 3-5. Left to decide is whether Kearney State or Hastings, both 2-5, mounts a tie with Peru after their finale Friday at Hastings.

Wayne's only two seniors, Bob Strathman of St. Louis, Mo., and Ron Hintz of Rudyard, Mich., had a frolic before a throng of nearly 3,000—largest crowd ever to watch a Wayne home game. They rattled Peru defenses with 25 and 18 points and controlled the play from the back court as they have been doing together for three years.

Despite the century score, Wayne had only four players in double figures. Eleven Wildcats contributed to the 59 per cent field accuracy. All 10 Peruvians got into the scoring, but only freshman center Pete Stewart hit consistently, with 23.

Wayne moved from a 46-32 half to a 75-45 advantage nine minutes into the second half and only once after that was less than 30 points ahead. Paul Emanuel was the only starter who shared in the final 25 points as the subs took over.

The Peru victory followed by two nights another Wayne romp, 96-62, over Southern State. This score is a bit misleading as the

'Staters' Upset Omaha U.

Wayne State wrestlers staged a major upset here Tuesday night in a 17-11 victory over nationally rated Omaha University. Wayne grapplers called it the "best team effort of the year."

The win gave Wayne a 10-2 dual record and handed Omaha its first defeat after 10 wins and one tie. The Indians came to Wayne ranking No. 8 nationally in the NAIA, and WSC Coach Don Pate had said earlier he thought Omaha should rate in the top four.

Wayne's 125-pounder Bill Schwarz of Cedar Rapids, Ia., lit a fire with his 3-0 decision over Curlee Alexander. Jeff Meineke, 130-pounder from Charles City, Ia., poured fuel on the flames as he defeated John Elias, 7-2. Omaha's Tom Ruffino did some extinguishing in a 2-2 draw with Dick Ferguson, Forsyth, Mont., at 137.

The next two matches stretched

Wayne's team score to 14-2. Steve Hanson, 145, of Irlan, Ia., outmaneuvered Joe Gibler, 7-3. Then the feature battle matched Wayne's Larry Michelson of Jackson, Minn., and Omaha's Roy Washington—both undefeated in dual meets and once beaten in tournaments. Result: Michelson prevailed, 5-3. His season record is 16-1, the team's best.

Omaha gained big-margin decisions in the next three tussles, but Wayne entries elevated the falls that could have lifted the Indians to a final draw. At 160, Reggie Williams defeated John Yodger of Woodstock, Ia., 14-1; at 167, Wendell Hanson beat Charlie Peters of Grundy Center, Ia., 8-0. Mel Washington won a lively 177 scrap with Frank Cuckle of Fort Dodge, Ia., 20-6.

That sent the heavyweights into action with Wayne leading 14-11. Tom Hirstack, national junior college champion before transfer to Wayne, overpowered Mel Melcher 7-1, twice pressing him close to a pin.

NAIA Playoff Not Definite Saturday

Dr. Dale Pennybaker of Wayne State College reported the latter part of the week that an agreement had been reached for a playoff series between Doane, leading independent, and Wayne State, NCC champion, but arrangements were not definite due to factors involving NAA rules.

In a meeting at Wahoo Friday, this schedule was agreed upon: First game, Crete High, Feb. 29, 7:30 p.m.; second game, WSC, Mar. 2, 7:30 p.m.; third game, WSC, Mar. 4, 7:30 p.m.

Meeting were district committeemen, Chairman Al Papp, Doane, Dr. Pennybaker, and Paul Petersen, Dana. The two coaches, Dave Gunther, WSC, and Bob Erickson, Doane, also attended the Wahoo session.

Here's the stickler: NAA rules say playoffs must be on a 94' by 50' court seating 1,500 or more with rectangular glass backboards. Neither Doane nor Crete High has any of these requirements; the NAA provides that rules must be followed unless an exception has been requested prior to Dec. 1, and finally, NAA rules say if teams deviate from

rules of playoffs, they must receive approval from the national executive secretary, absence of such approval means the district will be barred from the NAIA tournament.

At the time of this writing, Dr. Pennybaker was attempting to get a ruling from NAA headquarters. Last year Chadron beat Omaha U. for the right to play in the NAIA tourney but the size of the Doane court, lack of seating and use of fan-shaded boards are proving a disturbing element the teams last year did not have to contend with.

Win District Titles

Battle Creek and Ponca won district Class C titles Friday night. Battle Creek defeated Stanton 42-20 at Howells and Ponca, the Cinderella team of the Wakefield tournament, won over Homer 58-51. Battle Creek now meets Ponca at Norfolk to see which will go to state. In Class D, Hartington beat Niobrara 76-32 to win Class D and enter a four-team play-off to see who goes to state. Wausa won another Class C title by downing Creighton 77-71 in the finals at Randolph. The Vikings will have to win one more game in order to qualify for state. Class B and Class A play starts this week.

WSC Swimmers Beat SDU

Minus several veteran swimmers, Wayne State defeated South Dakota University, 75-28, in a home dual Friday night. Sounded the dual season with a 10-1 record.

The squad was missing its seniors who are busy with directed teaching. And the leading swimmer, Russ Nyberg, entered only one race because of a crippling ankle sprain. He placed second in that one, the 200-yard backstroke. Nyberg also missed last week's Minnesota trip which resulted in the lone Wayne loss this season. Coach Ralph Barclay thinks Nyberg, in good condition, would have won enough points to give Wayne a win over Manitoba State, instead of the 65-48 loss.

Wayne won 10 of 12 events against South Dakota, a team in its first year of competition. Wildcat firsts went to Bob Meredith in the 100 and 200 free; Rich Draper, 1,000 free; Jim Matlesh, 500 free; Dave Noyes, 200 butterfly; Barry Phelps, 200 back; Harlan Groff, 500 free; Dwight Eveland, 200 breast-diving, and the 400 individual medley relay of Noyes, Phelps,

Groff and Brown.

Jim Perkins won the only SDU individual first, the 200 individual medley. The Coyote 400 freestyle relay also scored first-place points because Wayne displaced both its teams' scholarship. They came in first and second. Had one of them been competing for points, the Wayne final score would have been 82-21.

Remaining for the swimmers is the combined Nebraska College Conference-NAIA District Meet next Thursday-Saturday at Newark, followed by the national NAIA meet at St. Cloud, Minn.

Wayne Freshmen Lose Game at West Point

Wayne High School freshmen were defeated 55-49 in the season finale at West Point (Central Catholic) Wednesday evening. The game was part of a double-header, Wayne winning a junior high game, details of which are in another article.

Dan Maul led Wayne scoring in a balanced team performance. He had 11 points, Rod Cook and Dick Tietgen 9, Craig Johnson 8, Steve Kamish 7, Steve Peterson 2 and Breck Giese 1.

Central Catholic's scoring was more of a two-man show. Tom Helman hit 17 and Glenn Evert 13. Ron Grekel made 6, Mark Westerman and John Welding 5, Duane Helman 4 and Tim Scherer 3.

Water Resources Meet Scheduled at Wisner

Sen. Maurice Kremer, chairman of the legislature council's water study committee, has announced a series of seven hearings to discuss Nebraska's water resources and problems has been scheduled. One hearing is set for the Wisner VFW Hall, Friday, Mar. 1, at 1:30 p.m.

Water problems range from lowering ground water levels to flooding and anything in between. If problems are presented by local citizens, the committee will be in a better position to make decisions regarding legislation or actions needed in the future.

All interested area residents are invited to attend and present their ideas and problems on any phase of water use, water control or water development. It is almost as good as being heard in the legislature, without much travel involved.

BIRTHS

Feb. 23: Mr. and Mrs. Gary Sievers, a daughter, 8 lbs., Wayne Hospital.

New Members Join at Lions Club Meeting

Four new members were inducted at the meeting of Wayne Lions Club Tuesday night at Les' Steak House. They are Arnold Zach, Jim Sturm, Wendell Korth and Leonard Gadenken.

Speakers at the meeting were two scholarship students, a WSC from other countries, Sigurd Kleiter of Norway and Helga Kleiter of Austria. They showed slides of their home towns, told how their governments operated, described schooling, industry and agriculture and answered questions.

The board approved purchases of glasses for those needing them. Also approved was a donation to the Charml Milligan Fund, previous help having been given the health Schwartz family.

Sunday a delegation was scheduled to go to Oakland for the District 38-B meeting. Election of a district government was to be the principal business.

Last Chance Near in Heart Fund Project

Wayne County Heart Fund drive is almost over. February is Heart Month and workers hope to wind up the campaign Thursday—they should do extra well too, with one more day to work in than most Februarys have.

While seeking funds, the campaign workers also seek believers—believers in the idea that "As the twig is bent, so is the tree inclined." This refers to the American Heart Association campaign to get young people to start early on good health habits so they won't have as much danger of heart trouble in later life.

Children should not be allowed to get fat, should learn good rules of diet, should know the risk of smoking, should get exercise, should avoid strenuous exertion to which they are not accustomed and should learn to get periodic check-ups as they go through life so the first signs of trouble can be detected early.

Your Heart Fund donation can be mailed in if you have not been contacted yet. Every dollar given will help in the research, care and other projects of the AHA which hopes eventually to remove heart disease from the top rung as the number one killer in the nation.

Four Draw Fines in Wayne County Court

Four were fined in Wayne County Court Monday afternoon through Friday morning of the past week. Judge David Hamer heard the cases.

Feb. 19, Marvin Sudbeck, Hartington, was fined \$10 and paid \$5 court costs. Trooper C. L. Howell, NSP, signed the complaint for a stop sign violation.

The following day, Sebastian Franco, Omaha, paid \$10 fine for using an expired driver's license and \$10 fine for making an illegal turn plus \$5 court costs. Complaining officer was Assistant Chief of Police E. L. Hailey.

John Kuehl, South Sioux City, appeared Feb. 21. He was fined a total of \$15, including court costs, for speeding. Officer Ron Penlerick brought charges.

Feb. 23, R. T. Cutnell, Plattsmouth, paid \$10 fine and \$5 costs on a stop sign violation. Trooper C. L. Howell, NSP, signed the complaint.

School Board Seminar Here

Wayne High School will be the site of a regional seminar for school board members Wednesday, Mar. 6, from 4:30 to 8:30 p.m. Registration fee of \$4 includes an evening dinner.

"Adult Education in Nebraska Schools" is the topic for the seminar put on by the University of Nebraska. Monty McMahon, supervisor of informal education at the NU Extension Division, is in charge.

This is one of ten regional seminars staffed by specialists from NU and adult educators from Nebraska and other states.

The seminars are funded in part by Title I of the Higher Education Act.

The program is presented by the Nebraska State School Boards Association, University of Nebraska Extension Division, Adult Education Association of Nebraska, State Department of Education, Nebraska State Education Association and Wayne High School.

Any school board members, town or rural, will be welcome. It is hoped they will learn that "continuing education is a necessity—not a frill." They will be shown that people can advance socially, culturally and financially through adult education.

Deer shed their summer coats and grow special ones for winter.

A TYPICAL SCENE at the Feeder's Day program in Wayne Tuesday was this group Farmers and feeders were in little clusters talking over the agricultural situation between the morning and afternoon sessions.

Feeders Day Draws From Long Distances

Feeders Day in Wayne Tuesday drew a big crowd, over 300 registering. The surprising turnout from distant points was an unexpected facet, registrants from South Dakota, O'Neill, Atkinson, Wynot and other points many miles from here.

Sessions were held in the morning and afternoon with a lunch served at noon. The session here was one of a series planned throughout the state.

Walt Tolman of Northeast Station, Concord, told the feeders there is no "best way" to handle new cattle but there are positive steps to avoid economic losses. He gave pointers which are generally agreed upon.

New cattle should be confined to a small pasture to reduce milking; loud and rough handling should be avoided; feed and water should be available; spraying and vaccinating should be taken care of at once; treat sick cattle individually with pens and restraining devices if necessary; fill cattle on quality roughage.

Dr. Walter Woods, NU animal sciences, said adding urea to corn silage at silo-filling time produces about the same results in cattle feeding as when added at feeding time. However, one-third of the nitrogen added in urea form can be lost in silage stored in concrete stave silos.

NU studies show that urea fed wet or dry yields similar results in animal performance. This suggests that urea properly fortified is used similarly no matter which form it is used.

Dr. Woods also said adding more corn to corn silage ration tends to narrow the gap between urea-based and soybean meal-based supplements in terms of rate of gain and feed required per unit of gain. A high level of management is required of feeders using urea as protein in comparison to plant proteins.

Paul Johnson, Schuyler, secretary of Nebraska Livestock Feeders Association, said the problem of controlling pollution of streams from feedlots will take years of study. Regulations in Nebraska are deferred until further studies can be made.

The state has a proposed regulation requiring registration for

stock and poultry in varying numbers. Every state has the problem and all are working on inexpensive plans for controlling pollution from feedlots or poultry yards.

According to Dr. Paul Guyer, NU livestock specialist, "backgrounding" calves is expected to increase. Narrower profit margins in finishing cattle have led many feeders to try backgrounding, raising calves to 600 or 700 pounds and then selling.

Dr. Guyer pointed out that those backgrounding must remember these things: Roughage is used more efficiently in growing than in finishing; death, disease and weight losses can be disastrous to backgrounding; calves must gain as fast as possible without getting too fleshy; buying costs tend to be higher; good outlets are essential; and backgrounding is one of the higher risk beef programs.

Question and answer periods were also shown. Information was handed out and small group discussions were held. The entire day was one of a series sponsored by the University of Nebraska Extension service with Northeast Livestock Feeders Association with Chamber of Commerce support.

Word from Cincinnati reveals Mrs. Milligan is staying at the YWCA to save money. Charmi is one of the first patients in the new Shriners Burns Hospital there, having been flown by military aircraft from Sioux City.

Donations for her fund not reported previously were: Mrs. Ed Seymour, Anonymous, King's Carpets, Paul Baier and Richard Lund. Donations will be reported each Thursday from now on.

Nelth Schwartz is no better. He is in bed most of the time now and his wife stays home to help. With seven children under teenage, they have quite a task keeping them in school, clothed, well fed and in church regularly, but they manage.

He is critically ill and has been since last September. Friends and others have helped where they can but medical costs mount and with no income their situation has been called to the attention of all organizations that might help.

Contributions came in early last week from anonymous, Rosedale Farms, Mrs. Edward Seymour and Paul Baier. Further donations will be reported in Thursday papers from now on.

Carroll Club Has Ladies' Night Set

Carroll Community Club will hold ladies' night, Feb. 26, at 7 p.m. in the Carroll Auditorium. It is expected to be one of the biggest meetings of the year.

Rev. John Craig is in charge of the program. He was out of town the last part of the week so information was not available on the speaker or college entertainment planned.

The CCC is currently working on several projects. Among these is the Charmi Milligan Fund, details of which are in a separate article.

A Sinking Sensation

How would you feel if you were a bus driver with a load of high school pupils on a country road, came over a hill and found the bridge ahead of you apparently on fire? That's about what happened to Alfred Wagner, Winslow, enroute back from the Class C tournament at Howells with WIS pupils Monday night of last week. Six miles south of Winslow he came upon the fire. Someone had put hay on the bridge, poured kerosene on it and set it afire. Wagner was able to put the fire out with the bus fire extinguisher. No damage was done to the bridge so he drove on into Winslow.

LAUREL BOYS are joined by one boy from Ball. Left to right are Randy Swanson, Jim Wayne for this combo, "The Soul Sounds," shown here playing for the Allen High Sweetheart Ball. Left to right are Randy Swanson, Jim Wentworth, Lee Dahl, Mike Bebee, Don Roth and Dave Swanson.

Third Year for Laurel's Combo

"The Soul Sounds," may not ring a bell with some of the adults in the area but they are well-known among teenagers of the area. A combo from the Laurel

region, they have been playing together for three years with only a few changes in personnel.

Right now there are five Laurel youths and one from Wayne in the dance combo. They follow a tight schedule during the school term, one to two engagements a month, and then take on more assignments during the summer

to help make money.

About as far away as they get in the winter is to Crofton and towns closer. Saturday, Feb. 17, they were playing at the F.H.A. Sweetheart Ball in Allen. Practices are two or three times a week in the basement of the Mert Swanson home at Laurel. Since they play with a lot of volume, the Swansons quite

often find it convenient to have engagements elsewhere during the practice sessions.

Mike Bebee, Wayne, has been with The Soul Sounds the last six months. Others in the combo are Randy and Dave Swanson, Jim Wentworth, Lee Dahl and Don Roth. Dahl is on drums, D. Swanson on organ and the rest play guitars with R. Swanson and Wentworth doing the singing leads and Bebee the background singing.

Allen F.H.A. Chooses State Delegation

Delegates for the state convention have been chosen by the Allen Future Homemakers of America chapter. Elected by the members are Valerie Koester, Jean Serven, Jill Fahrenholz and Margaret Ankeny.

The Allen F.H.A. is planning a polo benefit basketball game. It will be held Friday, Mar. 15, at 7:30 p.m. with Barb Rastede and Marcia Rubeck team captains and other girls named on committees.

Hill call at the last meeting was "My Most Embarrassing Moment." Following the business meeting, Nancy Swanson andathy Jackson spoke on chapter improvement and Sue Thomas presented film strips on parliamentary procedure.

Final Rites for Mrs. M. Behmer Held in Norfolk

Funeral services for Mrs. Minnie Behmer, 83, Norfolk, formerly of Hoskins, were held Feb. 24 at Mt. Olive Church, Norfolk. Mrs. Behmer died Feb. 21 at a Norfolk hospital.

Rev. LeRoy Paul officiated at the rites. Music was furnished by Carol Leu and Mrs. LeRoy Sommerfeld. Pallbearers were Alvin Raasch, R. C. Jackson, Delbert Mariott, Lester Goodell, Walter Gunter and LeRoy Sommerfeld. Burial was in Springbranch Cemetery.

Minnie Krueger, daughter of Mr. and Mrs. Herman Krueger, was born June 14, 1884 in Stanton County. She was married July 2, 1903 to William F. Behmer at Hoskins. The couple lived on a farm southwest of Hoskins until they moved to Norfolk.

She was preceded in death by her husband, a son, two brothers and four sisters. Survivors include three sons, Raymond Behmer, Kenosha, Wis., Walter Behmer, San Diego, and Virgil Behmer, Norfolk; three daughters, Mrs. Francis Duncan, Norfolk, Mrs. Fred Swan, Marion, Ill., and Mrs. Jean Follette, Albion; 26 grandchildren and 14 great grandchildren.

HOSKINS GRADE SCHOOL had this group leading cheers for the team in the Recreation Department tournament in Wayne. From left to right are Pat Marten, Susan Walker, Therese Graves and Sue Peter.

Colorado Rites Held For Mrs. Theophilus

Funeral services for Mrs. Fannie Theophilus, 84, were held Feb. 20 at Peetz EUB Church, Peetz, Colo. Mrs. Theophilus died last Friday at Sterling, Colo.

Fannie L. James was born Dec. 5, 1883 in Red Oak, Ia. She was married Jan. 6, 1909 to Harry Theophilus at Carroll. They moved to Peetz, Colo. from Wayne in 1919. Mr. Theophilus died in 1967.

Survivors include three sons, Elmer of Lebanon, Ore., and Harold, Sidney and Edward of Peetz; two daughters, Janet Wright, Medford, Ore., and Cora Liggett, Alliance; a brother, Ward James, Winside; 10 grandchildren and two great grandchildren.

CHEERING WAYNE'S TEAM in the grade school tournament put on by the Recreation Department was this group. Cheerleaders left to right are Lisa Lesh, Kim Schmitz, Jan Sherry, Stephanie Spencer and Renee Milligan.

SWEETHEART QUEEN at Wakefield High School is Donna Johnson, right. She was crowned at the annual Sweetheart Ball by her sister, Rae, shown with her. Rae was last year's queen.

Wakefield Crowns Sweetheart Queen

Wakefield High School crowned a Sweetheart Queen Friday, Feb. 16, following the Wakefield-Ponca basketball game. The queen is Donna Johnson, daughter of Mr. and Mrs. Floyd Johnson.

Miss Johnson, a freshman, was crowned by her sister, Rae Johnson, who was last year's queen. Attendants were chosen from each of the other classes.

Senior attendant was Dorca Grose; junior, Mary Peterson; and sophomore, Betty Johnson. Each pupil at Wakefield voted for one girl from each class and

the one with the most votes was queen.

Mary Gordon presented Miss Johnson with a charm on behalf of the sponsoring student council. The Sons of Satan, Wayne, provided music for the dance.

Enters Guilty Plea

A plea of guilty was entered by Richard Caldwell in district court Wednesday, the charge being petit larceny. The defendant was arraigned before entering the plea. Proceedings were deferred pending an investigation and report by a probation officer. Bond of \$200 remained in effect.

Pilger Scout Receives Eagle Award

The Eagle Award, highest in Scouting, was presented Sunday, Feb. 18, to Leonard Raabe, son of Mr. and Mrs. Erwin Raabe, Pilger, at St. John's Lutheran Church in that city. It was only the second Eagle rank earned in Pilger, the first going to Leonard's brother, Lavern, 11 years ago.

Raabe started in Boy Scout work in 1959. He is now a sophomore at Wayne State College and has earned 26 merit badges, five more than required for the rank. He was active in football, basketball and track four years at Pilger High, went to the state track meet in the pole vault, won honorable mention on the conference football team, attended Boys State as a junior, sang in mixed chorus and took part in other activities.

In Scouting, he went to the Region 7 canoe base at White Sulphur Lake, Wis., in 1965 and

Vehicles Damaged in Accident Near Here

Two vehicles were damaged Thursday, Feb. 22, in an accident on Highway 15 a mile south of Wayne. The sheriff's department investigated.

Neither driver was injured. One was Rudolph Jay, Wakefield, and the other John Morris, Wayne.

According to the report, both were southbound, Morris, driving a Wayne (Grain & Feed Co.) truck, passing Jay just as the latter turned left. Damage was estimated at \$80 to the bus car and at \$125 to the truck.

will return there this summer. He attended Camp Cedars and Camp Eagle at Cedar Bluffs several years and has served as assistant patrol leader, patrol leader and junior assistant Scoutmaster.

Church work includes membership in the Missouri Synod church, St. John's. He has also been active in Waltham League.

Taking part in the Eagle Scout court of honor were: Wells McSally, district chairman for Diamond Dick District; Rev. H. M. Ritz, his pastor; Jim Duncan, his Scoutmaster; Rev. Gail Aven, Stanton; Vernon Putz; Eric Benson, district commissioner; and E. J. Jolley, scout executive for the Lewis & Clark District.

Raabe is a member of Troop 128, Pilger. He has been in 4-H activities, has carried a daily paper and includes many other activities in his Scouting years.

More Information Provided on Food Stamp Program Set for Dixon County

Dixon County's food stamp program will go into effect Wednesday, Mar. 13. New information on the purpose of the program and the basic operation has been provided.

The program will operate through the consumer and marketing service of the USDA and the Nebraska and Dixon County welfare agencies. It is provided to help low-income families get better diets so they will be healthier and to use up the big supplies of food American farmers produce.

The farmers of America produce more than enough food so everyone can eat well, but some families cannot buy what they require for good health. The food stamp plan has been started to help them get what is nutritional and needed.

Under the program, those participating will purchase extra food at retail stores. Those participating provide their families with better nutrition, farmers get to sell more products and communities enjoy added food-buying power.

An office for the program will be in the courthouse at Ponca where it will be determined how many food stamps each family can receive. Stamps are then spent just like money at the grocery store the participant selects.

Carriers redeem the coupons at banks. In order to be eligible, grocery stores must be authorized by a food distribution field office. Nearly all Dixon County grocers are expected to take part.

The stamp plan is not a welfare program but a food assistance program to increase the food-purchasing power of fam-

ilies. It is not intended to make your monthly income available for buying something else, but to make the food dollars you have buy more.

To get stamps, you have to buy the coupons. How many coupons as bonuses you get depends on family income and the number in the family.

Anyone living in Dixon County must be prepared to prove residence, prove that cooking facilities are available, verification of income and proof that savings do not exceed \$750 for a single person or \$1,500 for a couple or family.

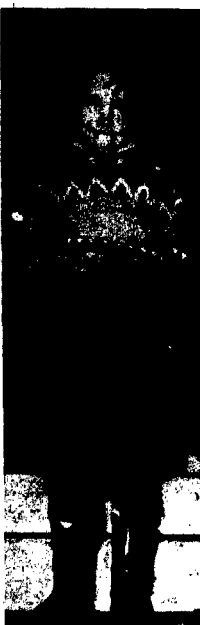

Mrs. Doris Anderson can certify families rapidly when the above information is supplied. When it can be determined how much will be needed to pay for food coupons, the USDA wants families to keep spending the same amount for food but wants the families to get more for each dollar.

This program is open to those getting assistance (old age, blind, disabled, dependent children, etc.) and to those not getting assistance. Although some work is through the welfare office, it is not a welfare program.

Food coupons can be purchased at the courthouse, at the New-castle fire station, at the Wakefield fire station and at the Emerson Community Building. Identification cards will be provided to those certified as eligible for the plan.

No change is given for food coupons so if a \$2 coupon is torn out, \$2 worth of groceries should be purchased. Only food items can be purchased, soap, cigarettes, maps, brooms, paper products and other such items not being included in the program.

Further information will be given from time to time about the program before it goes into effect. Anyone having any questions about eligibility and other phases of the food stamp plan should write or call at the office in the courthouse.

TAKE MY PICTURE' this little fellow said at the grade school tournament in Wayne So, the photographer did. The boy is Chipper Young, 3, son of the John Youngs, Dixon.

Sign String Quartet

A string quartet from the University of Nebraska has been signed to appear Apr. 2 at Wayne High School. Supt. Francis Iann reports the group will present two assembly programs in addition to spending the day with the pupils giving help on work with stringed instruments.

Auto, Cattle Mixed Up

An auto and some cattle had their positions reversed the past week according to Wayne Police Department reports. In one case, policemen were called because a motorist found the cattle wandering around on the highway. In the other, a Wayne resident reported a car on grass—someone had driven across their lawn, breaking off some bushes while they were at it.

4-H CLUB NEWS

Deer Creek Valley 4-H club met Feb. 12 in the Pat Finn home with 10 members and five guests present. Speeches will be given by Mike Dunklau, David Anderson, Mitchell Baler, Roger Fuoss and Alan Finn. Others will give speeches in April. Demonstrations were given by the cooking girls. A livestock meeting was held, Mar. 11 meeting will be with Nancy Hansen, Mindy Anderson, reporter.

Wayne Rips HCC with Ease

The Wayne High Blue Devils brought their record to 6 wins and 10 defeats for the regular season with an impressive 98-52 win over Hartington Cedar Catholic Tuesday at Hartington. The victory saw five Wayne players in double figures as they hit 55 per cent of their shots from the field.

As the first quarter started Wayne went into full-court press but this didn't seem to bother Cedar Catholic as they stayed right with the Blue Devils. As the quarter ended the score was 18 to 14. In the second stanza Wayne's press showed its effectiveness as HCC was forced in to 9 turn-overs. Wayne outscored the opposition 28-12 with Tim Robinson, Gordon Jorgensen and George Eynon combining for 18 of these points. Wayne took a 20-point lead into the intermission, 46-26.

In the third quarter Wayne stayed in its press, keeping the pressure on the Trojans with 10 turn-overs being committed by HCC. Jorgensen led the attack, scoring 16 of Wayne's 30 points in the quarter while holding the host team to 17. The fourth quarter saw Wayne clear the bench and the lead increase from 33 points to 46 points.

Wayne's rebounding department was led by George Eynon with 9. He was followed by Dave Brown with 8, Dave Tietgen 7, Larry Hix and Jorgensen 5 each, Lynn Lessmann and Robinson 3 each, Charles Fischer 2 and Harry Lindner and Joedy Hoogner 1 each.

The Blue Devils next game will be in the District Tournament at Norfolk Monday, Feb. 26 against Bloomfield.

Wayne's "B" team ended the season with an 82-43 win over Cedar Catholic. The "B" team finished the season with 9 wins and 6 losses.

The scoring attack Tuesday was led by Randy Helgren with 22 points. Tim Robinson had 15, Ted Armbruster 12, Gerry Titzze 12, Charles Fischer 6, Joedy Hoogner 4, Dennis Redel 4, Les Echtenkamp 3, Dan Sutherland and Bruce Pflueger 2. The rebounding leader was Hoogner with 11. He was followed by Titzze with 8, Helgren 5, Fischer 4, Robinson and Tom Denesia 3, Sutherland, Mike Biltoff, and Sturm 2 and Armbruster, Pflueger, Echtenkamp and Terry Ellis with 1 each.

Wayne Eighth Grade Splits in Two Games

Wayne split a pair of eighth grade games the past week. Tuesday night they lost a 34-32 heart-breaker at Hartington Cedar Catholic and Wednesday night won over West Point Central Catholic 30-19 at WPCC.

In the game at Hartington, Lonnie Biltoff led Wayne scoring with 15 points. Don Hansen made 6, Kelly Dill and Todd Bornhoft 4 and Chris Lueders 3. For HCC, Mike Laise had 9, Tim Dwyer and Larry Eichoff 8, Randy Helmes 7 and Gordon Dove 2. At WPCC, Wayne seventh grade

played the host eighth grade. Mark Johnson led the way with 12 points. Doug Sturm and Bill Brown each hit 6, Tom Kerstine 3, Ron Magnuson 2 and Shane Giese 1. For the losers, Emmanuel had 9, Struble 6 and Schin-stock and Slavton 2.

Wins for Allen Girls

Two wins were scored in volleyball by Allen the past week. The varsity beat Emerson 15-4 and 15-8. In reserve team action, Allen lost by 15-7 and 15-11 scores. Mrs. Leroy Wilch, coach, is lining up an intramural tournament this week to wind up the season.

Nebraska's 1967-68 trapping season on beaver ends on February 29.

Wayne Plays Bloomfield in Class B Meet

Wayne Blue Devils will tackle Bloomfield Monday at 8:30 in the second game of the Class B district basketball tournament in the Norfolk City Auditorium. First game will find the favored Laurel Bears going up against Elkhorn Valley of Tilden.

Tuesday night will find the other opening round games being played. Norfolk Catholic will play Hartington Cedar Catholic at 7 and Pierce will go against second-rated Madison at 8:30.

Semi-final games will be played Thursday, Feb. 29 with the Laurel-Tilden winner playing the Bloomfield-Wayne winner at 7 and the HCC-NCHS winner playing

the Pierce-Madison winner at 8:30. One game will be played at 8 Mar. 1, the winner getting a trip to the state tournament.

Coach Dick Nelson's Blue Devils have their work cut out for them. Bloomfield beat WIS on the BIS court late in the season and then came on to upset Madison on the MHS court, no easy trick.

Laurel can be expected to be tougher than ever after losing in the Husker Conference playoff game against Scribner Wednesday night. It was the second loss of the year for the Orange and Black, who are ranked among the top Class B teams in the state.

Wildcats Leading in Cage Statistics

The Wayne State Wildcats, NC basketball champions, are in front in the District II cage statistics. They lead in most of the statistics reported for teams.

Coach Dave Gauthier's crew has scored an average of 83.6 points per game (figured before the Peru State tilt). Next best record was Peru with 76.5.

Defensively, the Wayne crew has limited opponents to 67.7 points, that not changing much with Peru getting 67 points Wednesday. Peru State has an average of 80.1 points allowed opponents.

Wayne State also leads in field goal and free throw shooting. The Wildcats have hit 47.4 per cent of their field goal shots and 69.9 per cent of their free throws. Concordia has a 43.9 field goal shot record and a 65.6 free throw average for next best.

Peru leads in rebounds with 53.3 per game. Wayne has a 45 average.

Leading scorer is Wayne Heine of Peru with 19.2 points per game. Bob Strathman of WSC is hitting 17.8 points per game. Heine is leading rebounder with 10.2 per game. Dean Flotson of Wayne State coming in second at 8.9. Dave Schneider of WSC hit 35

of 56 field goal attempts for a 62.5 per cent record. George Moore of Peru has hit 53.7. Strathman is third in free throws with a percentage of 82.1, just behind Rod Harsten of Kearney with 82.9 and Rod Glesselman with 82.5.

Allen freshmen are entered in an invitational tournament at Emerson Thursday, Friday and Saturday, Feb. 29 and Mar. 1-2. Six other teams are entered in the meet.

The Allen team coached by Larry Ahrendt plays Emerson Sacred Heart Thursday at 6 in the tourney opener. Winnebago meets Wisner in the game following and Emerson-Lubard plays Ponca in the evening's finale.

Friday night the Allen-Sacred Heart winner will play the Winnebago-Emerson-Ponca winner will play Homer at 8. Consolation will be Saturday at 6:30 with the championship game at 8.

Danger Cheerleading

Sports may be dangerous for the boys but cheerleading can be dangerous for the girls. That's what Elayne Snyder, daughter of Mr. and Mrs. Bill Snyder, Allen, found out while practicing routines. Miss Snyder's ring finger on her left hand had a chipped bone in the joint and she had to have a splint put on it, disguising it as much as possible when she was crowned Sweetheart Queen at the FHA-FFA ball Saturday night.

WAKEFIELD HIGH student council provided a free hat and coat checking service at the Class C district tournament the past week. Here Mrs. Hazel Rolston assists Rich Kline, Cindy Peterson with glasses and Michelle Johnson in waiting on patrons.

WATCHING EGGS is not really as interesting as Scott McAfee and Jennifer Hall, Allen, make it appear. They just posed with their teacher, Mrs. Carolyn Day, and the home-made incubator the sixth grade is using for a science project on how chickens and geese develop in eggs and then hatch.

Thermostat turns on the bulb whenever more heat is needed. By using a dark room and a candle, they can check the progress of the growth of a chicken inside the shell. They can even see how the living embryo eats away at the yolk for food. Eggs in the incubator have to be turned over twice a day and water bowls must be refilled. On weekends, volunteers come in to do a good turn-over. It takes 21 days for a chicken egg to hatch and one week longer for a goose egg. But the children are not counting their chickens (or geese) before they're hatched. They are just learning a lot about how life comes about inside eggs.

Sign Joint Returns

Wayne County residents expecting an income tax refund are advised to sign their returns and especially if they are joint returns, in which case both husband and wife must sign. Pre-addressed forms are available with returns received in the mail. Pre-addressed envelopes for speeding up handling are available at the local Internal Revenue Service office, which is in Omaha.

Allen Pupils Expect 'Blessed Event'

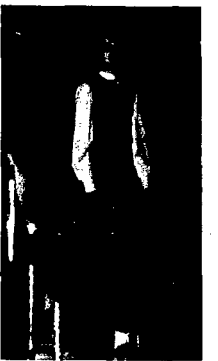

Allen sixth grade pupils are expecting a blessed event—the birth of a chicken—or even a goose—maybe both, they don't know eggactly. It's all part of a science study on "Animals, Their Growth and Behavior." The class under the leadership of Mrs. Carolyn Day, teacher, has a home-made incubator in operation and is learning how life comes about. Like the famous heart surgeons, they know moments

of failure. Last week they opened an egg and the embryo heart could be seen pulsating for five minutes before life departed. Something had gone wrong. They learned that their incubator did not have enough moisture in it so they added three little bowls of water below the 40-watt bulb and put some more eggs in the incubator. The size of the bulb won't make much difference because a thermometer tells them what the heat is and a

Park Hill Club Meets
Mrs. Emil Miller was hostess to Park Hill club last Tuesday afternoon. Guests were Edna Dahlgren, Mrs. Elton Miller and Mrs. Wallace Ring. Roll call was answered by displaying homemade valentines. The club voted a \$2 donation for the heart fund. Mrs. Joe Erickson and Mrs. Thure Johnson were in charge of the entertainment. Mrs. Deah Dahlgren gave a reading about Lincoln and Washington. Mrs. Thure Johnson read an article, "Mrs. George Washington" and conducted a Bible quiz with reference to hearts. Edna Dahlgren was the winner. Mrs. Verdel Lund read a poem, "Party Line." Mrs. Dean Dahlgren won a prize for best valentine and Mrs. Ernest Packer won the door prize. The ladies worked on lap robes which they are making for hospital patients. Mrs. Lowell Newton will be the next hostess.

Mr. and Mrs. Albert Echtenkamp, Mr. and Mrs. Gary O. Nelson and Marcia Ann joined supper guests Saturday in the Delwyn Swanson home, Oakland, for the observance of Loren's second birthday. Monday evening relative

helped Albert Echtenkamp celebrate his birthday in their home. The Harlan Nelsons and Delwin Swansons, Oakland, were in the group.

As a courtesy to Mr. and Mrs. Kermit Turner for their wedding anniversary last Monday evening, Mr. and Mrs. Theron Culton, Mr. and Mrs. Leo Schulz, Mr. and Mrs. Dennis Fredrickson and daughters, Mabel Hartsock and George Anderson gathered with them in the Preston Turner home.

Mrs. Oscar Bloomquist and Mr. and Mrs. Kenneth Sutz, Lincoln, were Friday afternoon guests in the Hjalmer Lund home.

The Lowell Newton family were Sunday dinner guests in the Darrell Nelson home, Newcastle. Mr. and Mrs. Art Meyer entertained at dinner Sunday Mr. and Mrs. Delbert Jensen and sons observing the wedding anniversary of both couples.

Mr. and Mrs. Gary O. Nelson and Marcia Ann and Mr. and Mrs. Albert Echtenkamp were among the group helping Mrs. Lavern Wischof, Wayne, celebrate her birthday Sunday evening.

Mrs. Art Meyer, Mrs. Helop Nelson, Mrs. Bertha Anderson and Marie Fredrickson were guests in the Mrs. Josie Anderson home last Tuesday at a coffee party.

Mr. and Mrs. Clayton Stalling and Valerie, Lincoln, spent the

weekend in the William Stalling and Ivan Nixon homes. Mrs. Nixon and Mrs. Stalling and Valerie went to Bancroft Saturday afternoon to visit Mrs. G. H. Schaller, who was released Thursday from a Stoupe City hospital.

Sunday afternoon guests of Mrs. Beasle Hill were Mr. and Mrs. William Jaso, Mrs. James Ribenek and Mrs. Mary Doonik, Thurston.

Mr. and Mrs. Harold Miller, Oakland, visited in the Theron Culton home Wednesday after visiting his brother-in-law, Elmer Bonderson, Emerson, who was a patient in Wakefield Hospital.

Mrs. Dwalne Erickson observed her birthday last week when a group of relatives and friends came to spend a Friday evening in their home.

Thursday evening Mr. and Mrs. Joe Erickson were among those helping Carl Sundell observe his birthday. Two successful farm sales were held last week by two farmers in our locality. Weather was fine, roads good and large crowds attended. The Culton sale was Feb. 14 and the Nixon sale on Feb. 16. The Cultons have retired to their home in Wakefield. The Nixons will reside on their farm for the time being.

ROBERT BAIER, son of Mr. and Mrs. Julius Baier, Wayne, has completed a course in auto mechanics at Universal Trades School, Omaha. He took a nine-month course at the school after completing high school here.

OCS Men Visit WSC

An officer selection team for the Officer's Candidate School of the army will be on the Wayne State College campus Monday, Tuesday and Wednesday, Feb. 26, 27 and 28. They will test men to see if they qualify as officer material. Tests will be given from 10 a.m. to 4 p.m. at the Student Center.

TERRY CARSTENS, son of Mr. and Mrs. Henry Carstens of Wayne, is a recent graduate from Universal Trades School, Omaha, having completed a nine-month course in auto body and fender repair. He is a Wayne High School graduate.

WALT TOLMAN, right, of Northeast Station was talking to two farmers at a "break" in the Feeders Day program in Wayne the past week. Little groups such as this (and larger) were scattered throughout the auditorium waiting for the afternoon session.

Eventful Trip for WHS Administrator

Supt. Francis Haun returned Thursday from Atlantic City, New York City and Washington, D. C. He had an "eventful" trip in conjunction with the convention of the American Association of School Administrators.

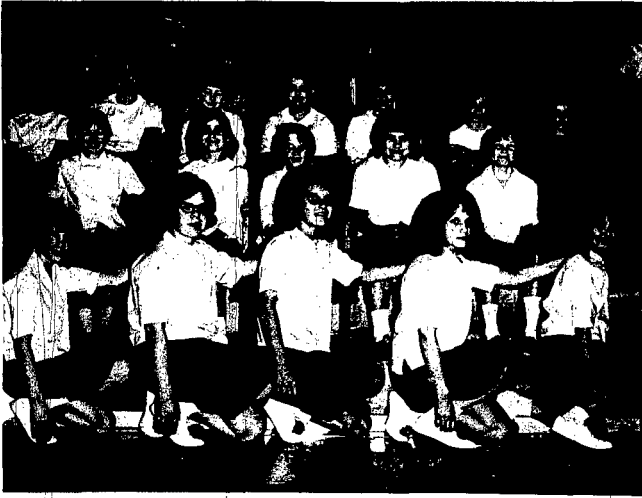

He was among 24 Nebraskans who went first to the heart of New York City where they visited a school 90 per cent Puerto Rican on the east edge of Harlem. The building was five stories high with old furnishings, restrooms that were locked while classes were changing, elevators and stairways that were guarded and policemen about.

In spite of the atmosphere, Supt. Haun said he believes the young people, most of them from deprived homes, are getting the best education possible under the circumstances. He had praise for the tour through the school given by a principal and the obvious dedication of the teachers.

A vocationally-oriented school, it offers rather unusual courses in comparison to what is offered here, but the pupils get what they will need coming from poor homes. Families with money send their children to private schools.

Girls are offered courses in babysitting, practical nursing, sign-making, being waitresses

and other such callings. Boys learn to be taxi drivers, chauffeurs and other such lines. The principal said few boys finish school but they manage to get girls to stay in school until

DIXON CHEERLEADERS lined up for a picture before the cheering section at the grade school tournament in Wayne. Left to right the cheerleaders are Brenda Young, Vicki Hirschert, Mary Peters, LaRaye Lubberstedt and Marsha Thompson.

graduation.

Supt. Haun said Wayne High School looks "better than ever to him, but he went back time and again to express admiration for the dedication of the teachers and the amount of education that is being provided in schools such as the one he visited.

The Nebraskans went from New York to Atlantic City to the AASA convention for sessions Saturday, Sunday and Monday. These were pretty routine compared to what had gone before and what was to come.

Tuesday they went to Washington to visit the Goddard Space Center, where they were shown how any space center in the world can be contacted in two seconds, voices coming in with complete clarity. One man was in Brisbane, Australia, which should be of interest to Margot McKay, AFS exchange student at WHS from Brisbane.

A four-hour conference was spent with United States department of education officials, the Senate and House were visited, a quick tour was made of the National Archives, three buildings of the Smithsonian Institute and many of the attractions of Washington were seen on a "taxi-tour."

Wednesday morning the Nebraskans were awakened by an

explosion. They did not know it then, but their hotel was one block from the Russian Embassy and that was where the explosion was. They couldn't get close later in the morning.

Early Thursday morning the group was back in Nebraska, exhausted but feeling they had some unusual experiences to tell about, all glad to be back and happy that a weekend was coming up.

Med Assistants Meet

Nebraska Association of Medical Assistants will meet Mar. 22-24 at Lincoln. It is open to anyone working under the direction of a physician, including lab technicians, hospitals, receptionists, typists and others. Theme is "Progress Through Professionalism." Omaha, Lincoln and Norfolk chapters are in charge. Brochures are being mailed to medical offices and early registration is asked. Questions or registration information may be secured by writing Medical Assistants, Box 566, Norfolk.

Big-game hunters in Nebraska have an enviable safety record. No deaths have ever been reported by this segment of the hunting population.

Tests for Winside

National Merit Scholarship Tests will be given Tuesday, Feb. 27, at Winside High School for eight members of the junior class. Supt. James Christensen will give the tests. Open to all juniors, the tests are being taken only to those who volunteer. Those who take the tests will be eligible for the national scholarships and also if they score high in tests may get further aid through other channels.

Car Burns Following Tire Blowout at Allen

An Iowa car burned on Highway 20 between Allen Junction and Waterbury Junction Sunday, Feb. 18. Allen Volunteer Fire Department was called to put out a fire that started in grass along the road. A blowout was considered cause of the blaze. Mr. and Mrs. Bob Cogdill, Panama, Ia., were enroute to Hartington when the tire blew out. The gas tank on the car exploded and the car completely burned. The flames spread to the grass alongside the highway. Allen firemen were able to keep the blaze from spreading into adjoining fields.

1. Any person of good character is eligible to enter the "Good Will" Subscription Campaign. Regular employees of The Wayne Herald and their families are barred. This does not apply to correspondents.
 2. All nominations and enrollments must be approved by the Campaign Manager.
 3. Any person can nominate himself or herself or a friend can do it. Names of persons making nominations will not be divulged without the consent of the person making the nomination.
 4. The "Good Will" Subscription Campaign opens Monday, February 26 and closes April 8.
 5. Any person enrolling in the campaign and not securing one of the six Grand Prizes will be given a "Good Will" commission of 20 percent on gross amount of subscription money he or she turns in.
 6. There will be two sources of point getting. First through a coupon that will appear in The Herald during the first week of the campaign. Second, through money paid in subscriptions, both old and new.
 7. A point ballot will be issued in exchange for all money paid on subscriptions according to the schedule of points prescribed for. The "Good Will" Campaign Free coupons will be recorded on their receipt and then destroyed and the record kept in lieu of the coupon.
 8. In case of tie points, prizes equal in value and character will be awarded at the close of the campaign to those tying.
 9. The prizes will be awarded at the close of the campaign in the order of the points the various "Good Will" Workers have.
 10. A "Good Will" worker cannot receive both a prize and a commission, the greatest amount shall be awarded. All workers turn in their subscription money at least twice a week to be considered active.
 11. Points issued to one worker cannot be transferred to another.

REGULATIONS

List of workers and the number of points accepted for publication will be published from time to time throughout the campaign. All subscription points will be accepted for publication at the discretion of the campaign manager.

No worker attempting to intimidate or buy up another worker's points or attempting to pool subscriptions with an enrolled worker will be dismissed from the campaign.

Every worker must subscribe to the campaign rules.

The Campaign Manager reserves the right to make amendments to these rules if the progress of the campaign may develop as desirable, such amendments being made in the interest of the campaign and workers.

The Campaign Manager further reserves the right to remove any worker from the campaign for good and sufficient cause and all decisions of the Campaign Manager are final.

Listing the name of a subscriber in the same family does not constitute a subscription.

The campaign will be divided into four periods. During each of these periods extra points may be given in addition to the regular schedule, as set out on this page.

Under no conditions beyond the control of this newspaper or the campaign manager shall any time prior to the close of the 4th week of said campaign be used to affect the campaign in such a way as to make it inadvisable in the opinion of the campaign manager or the publisher of this newspaper to continue the campaign, the candidates and campaign manager mutually agree to pay such candidates sufficient sums so that they shall receive the amount of their total reported collections to date. Said 50 percent shall be regular 20 percent commissions paid or payable to said candidate. It is mutually agreed that the candidates shall accept such settlement as set out in full for their services during said campaign.

THE PLAN IN BRIEF

The object of the big distribution is two-fold. Primarily to increase the already large subscription list of The Wayne Herald and advance subscription payments from present or new subscribers, and at the same time afford our friends and readers an unparalleled opportunity to profit in a big way through their spare time during the next few weeks. So it is a plan that works both ways and to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, one of the most valuable and attractive lists of prizes ever offered by a local

newspaper in this section of the country has been made ready for distribution among those who participate most heartily. Ambition and energy are the only requisites for success. The plan adopted is straightforward and simple and is fully outlined in this announcement.

Let it be understood at the very outset that it is not a "beauty" or "popularity" contest, but strictly a legitimate competitive proposition for enterprising men and women, and one in which no element of chance enters. One feature of this competition is the fact that there will be no losers in this race.

The picture of Kenneth Flintz, Belden, did not come out too good last week as we attempted to enlarge a color picture more than it was possible. So we are

printing this picture of him this week. He is the son of Mr. and Mrs. Charles Flintz, Belden, and is a crew chief on a plane at Peterson Field, Colo.

Sgt. Earl Anderson, son of Mr. and Mrs. Arthur Anderson, Wayne, is on temporary duty at Anderson AFB, Guam. He is a SAC aircraft mechanic with a group supporting B-52 bomber crews flying missions over Viet Cong targets. He is permanently assigned to Ellsworth AFB, S. D. His wife is the former Beverly Hieken, daughter of Joseph Rieken, Wayne. He is a 1965 graduate of Wayne High School.

Two Wakefield boys who joined the navy at the same time are Dallas Miller and Jim Ring. Miller, son of Mr. and Mrs. Reinhold Miller, is a 1966 graduate of Wakefield High School and enlisted in the navy in June, 1966. He is enroute to Vietnam

Leon Jorgensen, son of Mrs. Dorothy Aurich, Winside, is on the USS Bon Homme Richard, a big carrier, as a metalsmith. The ship is enroute to the Far East and made a stop at Hawaii—but only for a day. He made the most of sightseeing that day and hopes to get back some day, as most people do who visit Hawaii. His destination has not been given yet.

After we had pictures and information about David Ring, Timothy Kober and Randy Buhr all being home in Wakefield at the same time, official word came from the Fleet Home Town News Center informing us the three seamen apprentices graduated from nine weeks of navy basic training at San Diego NTC. Officially, they received courses in military subjects, lived and worked under conditions similar to those they will encounter on their first ship or shore station, received instruction under veteran navy officers and studied sea-

Jim Ring is the son of Mr. and Mrs. Austin Ring, Wakefield, and is a 1966 graduate of WHS. His brother, David, is also in the navy, now being at Great Lakes, Ill. Jim finished boot camp and is now in the Philippines. He serves aboard the USS

Neches as a boiler technician. The ship is an oil tanker. He has been to Vietnam, Japan, Hong Kong, Taiwan, Hawaii and Philippines and has just been home once since he went into the service. He liked Japan about as much as any place he has been so far. His address is: FN J, N. Ring, B-606518, USS Neches AO 97, FPO San Francisco, Calif. 96601.

Gerald Anderson, son of Mr. and Mrs. Alvern Anderson, Wakefield, has been promoted to CFC (Civilian, First Class). He got out of the army after serving two

years, 18 months of which were spent in Germany, where he was a medic. He is now working at Automatic Electric, Peñder, but hopes to return to school later. He is married to Edith Botger, daughter of Mr. and Mrs. Erwin Botger, Wakefield.

The army says it needs more helicopter pilots. Young men who are high school graduates, 18-30 years old, in top physical and mental condition and who can pass a series of aptitude tests can achieve warrant officer rank, a commissioned officer status

allowing for regular salary plus quarters and subsistence allowance and an extra \$100 pay per month. Young men interested should contact any army recruiting office.

and reconnaissance aircraft conducting the air war over Vietnam. Airman Hall was assigned to Offutt AFB, Omaha, before going to Thailand. His wife, Deborah, is the daughter of Mrs. Virginia Wright, Wayne.

Another son of the Alvern Andersons, Wakefield, is enroute to Vietnam. He is Lawrence, who is in the marines. He is a 1965 graduate of Wakefield High School

and then went to Universal Trades School, Omaha, before going into the marines Aug. 3. He has been training at Camp Pendleton, Calif., leaving Feb. 14 for Vietnam. His address is: Pfc. Lawrence J. Anderson, 2353280, 3rd Bn., 27th Marines, L Co., First Plt., FPO San Francisco, Calif. 96602.

Coyotes are useful scavengers. Their diet will include up to 40 percent carrion.

Two Seminars in Area This Week

Two cattle breeding seminars are scheduled Wednesday and Thursday in this part of the state. Both start at 10 a.m., the one Feb. 28 at Plainview Legion Hall and the one Feb. 29 at Wagon Wheel Steak House, Laurel.

What nutritional factors affect reproduction? How do we prevent diseases affecting reproduction? How do we eliminate diseases in herds which are infected? How can we manage our breeding program to obtain the highest possible conception rate?

The preceding paragraph gives some of the questions dairy men and cow-calf operators are asking today and are questions that will be answered by experts such as Dr. Foster Owen, Dr. Charles Mebus and Donald Judik of N.Y. Dr. J. H. Webb of Midwest Breeders and Whit Dawkins, federal veterinarian.

Registration will include the cost of the noon meal. Information on the seminars may be obtained at Northeast Station, Concord, or from county agents.

Officer Visits Allen

Mrs. Gertrude Kurtz, West Point, District I supervisor of the Eastern Star, visited Opal Chapter 195, Allen, Friday, Feb. 16. A banquet in her honor was served at the American Legion Hall prior to the OES meeting.

ST. MARY'S SCHOOL had these girls leading Left to right are Mickey Armbruster, Jean Bilchiers in the grade school tournament here son, Faye Eulberg, Joan Garvin and Kim Allen.

Interest Rate Same Once Loan Is Made

Chris Bargholz, Wayne County veterans service officer, reports veterans with GI loans pay the rate agreed upon in their contract. If interest rates go down, their rate does not decrease. At the same time, if rates go

up, the interest rate on their loan will not go up.

According to Bargholz, pension awards cannot be increased by VA because of rising costs of living expenses. Under present law, there is no provision for automatic increases as the cost of living goes up.

Finally, Bargholz asks those attending college under the GI

bill to notify the VA of the marriage date. If a certificate of marriage cannot be furnished at once, a VA representative should be asked to prepare a report so increased allowances will be paid from that date. The same provision is made for married veterans going to school under the GI bill when a baby is born.

Who is the INDEPENDENT?

How he can save you money
at the super market!

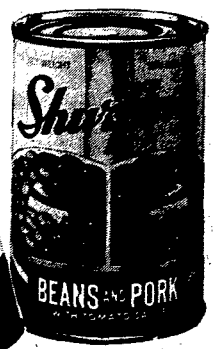

There is probably no word that has been bandied about more before the American consumer these last two decades than the word "independent!" It has been used, mis-used, over-worked and over-insinuated into our shopping vocabulary until it has lost its meaning—if, indeed, it had one in the beginning.

Its most often intended inference seemed to be that here was some poor little all-American guy beset by big-ness on all sides and unable to survive without our sympathetic patronage. No wonder most of us associate the word "independent" with the size of the store.

Funny thing is that in most communities the largest supermarkets are very often the "independents" — supermarkets owned by individuals, families or partnerships operating one or more stores in a relatively small geographic area. These supermarkets are truly "independent of the dictates of faraway management

and rigid operational policy. Their "independence" to make their own decisions as to what they will sell allows them to offer more of the brands, services and products that you in your community prefer. Their "independence" in their decisions as to who will supply them, has allowed many of them to join together in the ownership of their own warehouses, procurement and distribution facilities . . . producing the lowest cost of food possible at the supermarket.

So it is with the 8000 supermarket owners who comprise Shurfine-Central Corporation. Their stores are diverse in name, size and appearance, but they have three common denominators: they are "independent" in the best sense of the word for you, they have Shurfine brand on their shelves.
