

Charmi Is Coming Home

Tuesday was a happy day for Mrs. Ed Milligan, Carroll. She received a telephone call from specialists at the Shriners Burn Center in Cincinnati telling her that Milligan's daughter, Charmi, could come home.

Charmi, who has been hospitalized with burns since January, has made an amazingly fast recovery from her injury. Originally the Milligans were told they could expect to have Charmi home again in July, but due to her fast recovery she was allowed to come home this weekend.

Charmi's parents, Mr. and Mrs. Ed Milligan, were scheduled to leave for Cincinnati Friday, picking her up Saturday morning. They expect to take a little longer on the return trip, planning to be in Carroll Sunday or Monday.

Donations to help defray the expenses incurred from Charmi's injuries were received this week from Mr. and Mrs. Harold Stoltenberg, Mr. and Mrs. Elwin Olson and a Tupperware party given by Mrs. Fred Dargberg.

Don't Forget -

Assistant Police Chief E. L. (Pat) Hatley of the Wayne Police Department wishes to remind all youngsters that the bicycle safety school sponsored by the police department starts today (Monday) at 8:30.

The school, which will run Monday through Thursday, teaches youngsters proper signaling and general bicycle safety. Hours for the school are from 8:30 to 10 a.m.

CASH NIGHT winner Friday was Mrs. Frank Heine, shown above receiving the \$400 check from Safeway Manager Bud Schneider.

Mrs. Heine Wins \$400

Mrs. Frank Heine, Wayne, finally broke the long list of non-winners in Wayne's Cash Night drawings Friday night when she took home the \$400 cash prize after her name was called while she was in the Safeway store.

Mrs. Heine was given her check by Bud Schneider, manager of the Safeway store.

Thursday the drawings will be for 10 savings bonds of \$100

Council Opens Engine Bids

Nine bids by four companies were submitted for the proposed new generating unit at the power plant when the city council met last week.

The Cooper-Bessemer company submitted four separate bids, ranging from \$542,481 for a 3,500 KW unit to \$605,878 for a 5,000 KW plant.

The Worthington corporation's bids on three different plans were from \$566,660 for a 4,025 KW to \$618,000 for a 5,000 KW unit. Fairbanks-Morse had a bid of \$615,969 on a 4,300 KW engine, while DeLaval Turbine submitted a \$588,000 price for a 4,200 KW size.

The bid will be let Tuesday night at a special meeting of the council when company representatives will have an opportunity to explain their bids and products.

In other actions Tuesday night the council discussed proposed Storm Sewer District 68-1 which would allow for additional capacity for drainage in the north part of town (see map) and, in some cases, replace or fortify existing sewer lines.

The area involved runs from

Thirteenth street on the north to a point a half a block from Seventh street on the south, and from the west city limits of the city east to Walnut Drive in an irregular pattern.

Limits of the district are outlined on the map. Figures inside lot lines in the map are proposed assessments to be levied against each lot based on a square-footage of the lot size.

Many of the facilities have been in use for years. City Clerk Dan Sherry said, and were not designed for the load now thrown on them.

In two cases, Arnie's and the Wayne Greenhouse, larger lines will be built around existing sewer facilities. Storm sewers now run under the property at each of these businesses and a new, larger line is proposed to bypass, but still leave in operation, the older lines. Thus the lines could remain in operation but would have help when the load becomes too heavy.

The council also authorized the mayor to sign an agreement with the State of Nebraska on a

lease-rental agreement on the new T-hanger at the airport.

The state loans money interest-free to the city to help defray the cost of building the hanger, and it repaid on a lease-rental basis. When the loan is repaid, the agreement, similar to mortgage, is completed.

A proposal to close two alleys was referred to the city attorney for study and recommendation. In question are east-west alleys from Blaine to Sherman between First and Second streets, and from Blaine to Douglas between Second and Third.

The city wants to retain easement rights for utility service purposes through these alleys.

Drainage from Westwood Addition came up for discussion when Special City Attorney Budd Thornhoff reported that Russell Johnson and his attorney feel that Johnson is entitled to damages resulting from water runoff from Westwood runs across his land north of town.

Thornhoff said he and Ken Olds, Johnson's attorney, were not able to reach an agreement, but Thornhoff feels the city has no responsibility in the matter.

The city engineer reported that the storm sewer portion of Street Improvement District 54-55 is progressing according to plan and the portion of the sewer under the railroad tracks is completed.

Details and specifications for the new fire hall will be presented to the council at the June 11 meeting.

A plan to change over portions of the power distribution system from 2,400 volts to 4,160 volts on power lines in the city is being studied. Involved would be changing transformers and adding lines, allowing more power to be delivered to the consumer with less line loss.

Acting as a representative of the Wayne Historical Society, Charles Thomas requested permission from the council to erect a 30 x 50 foot metal building with 1,050 feet of display space at or just west of the airport on city owned land. The building would serve as a museum.

A petition of necessity to pave Blaine street between Second and Third was accepted by the council.

Tennis courts in the area near the swimming pool but no action was taken. Plans would call for the courts to be constructed so they could double as a skating rink during the winter. Engineers now believe they could design and build the courts at a much smaller cost than previously estimated.

Parking near the auditorium—always a thorn in the council's side—was discussed, but no action taken.

A no parking resolution was approved for the west side of Window between Eighth and Ninth streets from midnight to 5 a.m.

Ordinance No. 662, creating a street improvement district in Westwood Addition passed final reading and was approved for publication. Included are Lots 3 through 13, 15 through 18, 45 through 49 and 66 through 68. A complete copy of the ordinance will be published in the June 6 issue of the Wayne Herald.

Baton Twirling Recital Next Tuesday

Thirty-four twirlers in Jeanne Karel's baton classes will display their talents Tuesday night at city auditorium. The baton recital will begin at 8 p.m.

The girls are instructed on Saturdays or after school hours in the use of the baton.

Doing solos in the high school group will be Mary Ellis, Angela Paulson and Connie Ritzke. Mary will use one and two batons; Angela will have one baton and a hoop baton and Connie will perform with two batons.

Mary Ellis and Angela also will do a duet performance.

Taking part in the high school group routine will be the girls already named plus LaVon Beckman, Sue Brown, Barbara Kay, Lizzann Otto, Jennifer Sandahl and Pam Swanson.

In the advanced group routine will be Nancy Stanley, Nancy Backstrom, Dawn Carson, Ann Ellis, Kim Kugler and Carol

Witke. Ann Ellis also will do a one-baton solo while Dawn Carson and Kim Kugler will have a duet performance.

Intermediate advanced group routine will be performed by Kay Pierson, Carol Creighton, Kim Dill, Jane Ring, Christine Suber and Debbie Wolske.

A solo performance by Jane Ring and one baton is scheduled as is a duet by Carol Creighton and Kim Dill.

Soloist in the intermediate group will be Marjorie Lundstrom, performing with one baton. Renay Harmeier and Carol Peterson will perform as a duet.

Others in the same group include Karen Biltoff, Jeannie Ring, Mary Shuffelt and Jeannie Proett. Beginners' group routine will include Jennifer Johnson, Lee Ann Grashorn, Jan Ilam, Joan Hochstein and Martha Stokas. Joan will perform a solo, in addition to the other routine.

New WH Staffer

A new face at The Wayne Herald starting this week will be that of Marilyn Kelle.

Miss Kelle is a graduate of the University of Nebraska School of Journalism. She will be doing news and advertising chores for The Wayne Herald.

In addition to having a degree in journalism, she is a member of Gamma Alpha Chi, women's advertising honorary society. She is the daughter of Mr. and Mrs. Marvin R. Kelle, Lincoln.

Winside to Have Boy Scout Troop

Any boys interested in camping, overnight hikes and handicrafts are sure to be at the Winside auditorium Monday night, as Winside is slated to have a Boy Scout troop in the very near future.

A national representative from the Boy Scouts of America will be at the Monday night meeting to assist future scoutmaster Hutch Holdorf in setting up the new scout troop.

Holdorf stated that the troop will begin its meetings and other activities immediately, and that all boys ages 11 through 17 are welcome to attend the meeting.

To Graduate From U.S. Naval Academy

Midshipman James F. Kern, son of Mr. and Mrs. Richard F. Kern, Wayne, is scheduled to graduate from the U. S. Naval Academy Wednesday.

Upon graduation he will be commissioned an ensign in the U. S. Navy and will be assigned to flight school in Pensacola, Fla.

Kern entered the Naval Academy on June 28, 1964, after graduating from Wayne High School.

Library Starts Reading Program

The Wayne Public Library will begin a "Busy Bee" reading program for all children who were in the first through sixth grades this past year, according to Mrs. Rodella Wacker, librarian. The program will begin today and will end on July 30. This is the same program as last year's "Nebraska Centennial."

Prizes will be awarded the children for various achievements in the reading program, including prizes for reading the most and for the best illustrations.

Some of the new adult books added to the library this past month are as follows: Fiction: "The Tower of Babel," by West, "Wild Runs the River," by Giles, "Another Day—Another Death," by Bayly, "The Gossip Truth," by Burke, "The Last Unicorn," by Beagle, and "The Games by Atkinson. Non-fiction: "Gipsy Moth Circles the World," by Sir Francis Chichester, "The City in Crisis," by Isenberg, "Beyond Belief," by Williams, "The Spiegelfeld Affair," by Schoenbaum, and "McCall's Garden Book" by Harshbarger.

JC's Annual Award Banquet Tonight

The annual awards banquet for the Jaycees and Mrs. Jaycees will be held tonight at 7:30 at the Red Satin Lounge. Both civic groups will install new officers and present awards to outstanding members for their work during the past year.

The Jaycees will present the outstanding Jaycee award, Silver and Gold Key awards for the most outstanding projects and two Presidential awards to those who gave the president the most help throughout the year.

Three More Awarded SWAY Checks

Three more servicemen were awarded \$10 checks by SWAY, Inc. last Monday. Receiving checks this week were James D. Killion, Robert L. Greiner and Merle Behmer.

T/Sgt. James D. Killion was one of Monday's SWAY winners. Killion entered the Air Force in 1950 and has served in Germany, England, the Philippine Islands, Formosa, and Vietnam.

Killion is shown here with a display he had concerning aerospace at the Fox Theatre in San Francisco.

He and his wife Ruth now reside in Yuba City, Calif. They are the parents of three children. Their address is T/Sgt. James D. Killion, 645 Madrone Drive,

Yuba City, Calif.

Winning one of the \$10 SWAY checks was Sp/5 Robert L. Greiner, who is presently stationed near Heilbronn, Germany.

Greiner is a 1965 graduate of St. Francis High School in Randolph. He entered the service in 1966 and is currently working as a radio and telephone repairman.

Cancer Crusade Fund

With the final figures in on the Cancer Crusade in Rural Wayne county, the amount of money collected now stands at \$1,264, an increase of \$17 over last year. The figures were increased when Mrs. Tom Roberts turned in \$50 contributed in the Carroll village fund drive.

POPPY GIRLS were part of the VFW and American Legion Auxiliary floats in the Memorial Day parade Thursday in Wayne. In the VFW car is Nina Reed in her Miss Buddy Poppy costume, while little Pamela Nissen is shown in her mother's miniature uniform.

Training Site Set For Young Farmers

Youngsters 14 and 15 who would like to be able to operate hazardous farm machinery can be certified to do so by attending three days of training sessions, passing a written examination, and demonstrating tractor driving ability, according to the University of Nebraska. Certification is required for youths of this age to operate tractors and other equipment for any employers other than their parents.

Training sessions for farm youth from the Wayne area will be held at the Norfolk High School June 8, 12 and 14. A total of 24 hours of training sessions is required.

Wayne County Agent Harold Ingalls, reported that applications for the sessions may be picked up at his office, at the courthouse. A fee of \$5 is charged each applicant. Ingalls said that he had been notified that the last session would be June 13, but that the date could have been changed recently. He also was unsure about the hours the sessions would meet, but he expected to be informed soon.

Roy Stohler, county agent at Battle Creek, will be in charge of the Norfolk meetings.

The counties sending youth to Norfolk will be Dakota, Thurston, Cuming, Wayne, Cedar, Dixon, Madison, Pierce, Knox, Antelope, Holt, Boyd and Stanton.

Come Get Old Photos

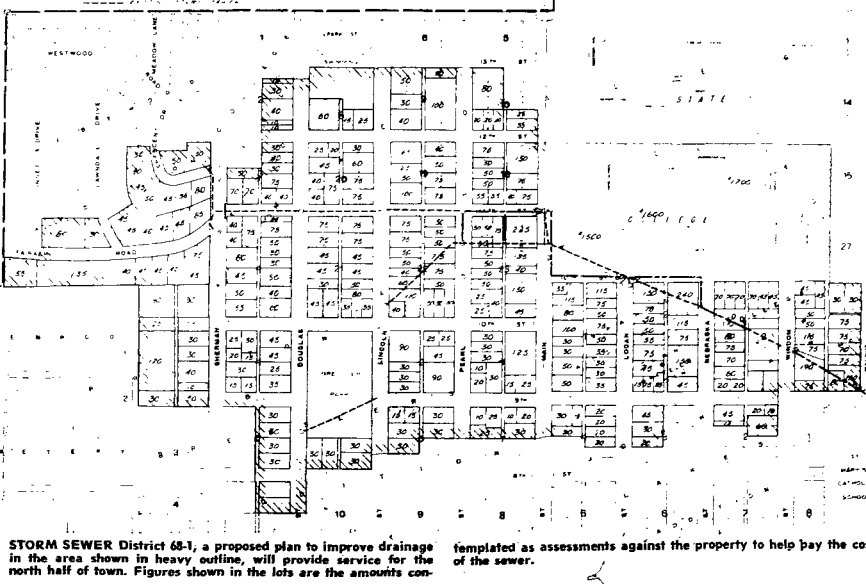

A supply of old photos, many lent us for centennial year interest during 1967, are on file at The Wayne Herald office.

Persons owning these photos may have them by calling at the office and identifying them.

These no doubt are valuable photos of old time places and events, so they will not be destroyed.

TABLE OPPORTUNITIES FOR YOUR CHILD FROM NOW AND TOMORROW

STORM SEWER District 68-1, a proposed plan to improve drainage in the area shown in heavy outline, will provide service for the north half of town. Figures shown in the lots are the amounts contemplated as assessments against the property to help pay the cost of the sewer.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Industry

Persons interested in attracting industry to Wayne — and who isn't? — should have received a pleasant surprise Saturday at our local industry show.

The display of items manufactured by the GEC Manufacturing company of Wayne probably surprised more people than any one thing at the show. GEC, in case you are unacquainted with it, manufactures items for athletic departments of high schools and colleges.

Originally its main products were weights to be worn by athletes during training — weights to be worn with a minimum of discomfort to the athlete, but designed to strengthen specific portions of the body. These are the brainchildren of Lyle Garvin and Carl Ellermeier, who is now dead.

The weights were so successful that they are now marketed nationwide. They were made for hands, wrists, ankles and feet. Now a weight vest has been added to the line.

Branching out into other areas of sports needs was a foregone conclusion — now that we look at it in retrospect.

Like Topsy, it just grew. Added an item at a time were athletic duffle bags for football, basketball and baseball, garment bags, nylon golf jackets, blocking dummies, plastic sidelines jackets, plastic coaching jackets, stadium blanket and case, track shoe cases, bar stool covers, tumbling mats, padding for pole vault and high jump pits and — no doubt — other items.

Coming up soon will be a rubberized nylon reducing suit for women to complement a similar item made for athletes.

At present GEC has eight employees in addition to the owner Carlyle Garvin and his wife.

All this came into being through the ingenuity of local people. No big corporation came to Wayne to look it over to see if it was suitable for a site for a multi-million dollar plant. No one came to Wayne with a new industry on a silver platter.

Personnel of the department of economic

development say repeatedly that this is the best type of industry for a small community.

Homegrown industry, like homegrown fruit, is best for the producer and the consumer.

Other local industries were at the industrial showing, also. They include Marra Home Improvement, where they manufacture a steel combination window and a steel combination door; Eining Concrete with a display of small concrete products such as splash plates for downspouts and others; Feeders Elevator and Wayne Grain and Feed, two companies processing livestock feeds in flaked and pelleted form, respectively; Carhart Lumber company with a new technique for building homes better, faster and at less cost; Fullerton Lumber company with a line of feed banks and picnic tables; Wayne Greenhouse where they grow and wholesale flowers and plants for florists in the area; Johnson's Lockers where they process meats into delicious wursts, sausage and bologna; Shrader-Alton hatcheries where high quality chicks are produced for the poultrymen.

All these and more — too are produced, manufactured or processed right here in Wayne. All of them are the result of local effort and labor.

This editorial does not mean to say that outside industry should not be welcomed. We intend to do two things: First, to show that local people can and do produce ideas, products and jobs in industry, and second, to the many persons who decry the efforts of Wayne to grow, we want to point out that it is growing. Perhaps not as fast as some would have it, but a healthy type growth, nevertheless.

As the industry grows, so can the labor supply, the market and the town. This is healthy and good.

Our local people who work to attract industry are to be commended in their efforts too. They are busy, thinking, probing and seeking. Some day they will connect. Bating averages are not high in this business no matter how hard we swing.

In the meantime, however, Wayne is growing industrially.

Out of Old

Nebraska

Throughbred Racing 80 Years

Although horse racing was a popular sport for the Indians as well as the soldiers at Fort Atkinson in the 1820's, records in the Nebraska State Historical Society imply that the sport of kings developed slowly in the Nebraska area.

Nebraskans have always loved fine horseflesh, but horses to pull the plows and wagons had to take priority over fast, showy pacers and trotters. The all-purpose Justin Morgan of Vermont was more understandable to Nebraska farmers than the fabulous Janus of Tidewater Virginia.

In 1887 The Nebraska Farmer urged its readers to breed and raise coach horses rather than draft horses, for they could be useful on the farm and later sold as car horses or for other purposes in cities. They were advised to leave the breeding of pacers and trotters to the "experts who make a business of it."

Apparently many prosperous

men in eastern Nebraska were "making a business" of it by 1885 or earlier. In that year the National Trotting Association had official reports of 23 racing meets in Nebraska, and we know of others not so verified. Of these 23, 16 were on the programs of county fairs, although acceptance of these races by county agricultural societies seems to have come slowly. So slowly, in fact, that by 1885, if not earlier, a group of breeders had organized the Nebraska Association of Trotting Horse Breeders, complete with constitution, by-laws and an impressive set of officers. That same year the Republican Valley Horse Breeders and Driving Association was organized at McCook, Nebr., and paid \$3,000 in prizes at its first annual fair, October 15-17, 1885.

The finest blood lines of the Thoroughbred were represented in Nebraska owned and bred horses. A sales catalog of 1889 reads like the stud book, with Rysdyk's Hambletonian, Imported Messenger, Ethan Allen, Mam-

brino and Cassius M. Clay among the sires.

Many were large operations, such as George H. Bailey's stables at Fairbury. In September, 1887, Bailey sold twelve horses at a sale in Lincoln. In October, 1889 he added 20 horses to the 19 owned by R. T. Scott of Pawnee City for a sale in Beatrice, yet he still had entries in many racing meets.

But during those years breeders of trotting and pacing horses were understandably disappointed with the sale price of their well-bred animals. At the sale in Lincoln in September, 1887, Diadem, a fine stallion of the Hambletonian line, sold for \$500, the highest price paid for any horse in that sale. In February, 1888 a number of fine Clydesdales from Canada were also sold in Lincoln. One Clydesdale stallion sold for \$1,500 and none brought less than \$825. At this same time corn was selling for fifty cents per bushel.

The constitution of the Nebraska Association of Trotting Horse Breeders, in 1885, says, "The pool box shall be prohibited at all meetings, and all forms of gambling." It seems unlikely that this ban could have been strictly enforced, but the public history of pari-mutual betting in Nebraska belongs to another era and another generation. Let us not forget, however, that only part of the fine Nebraska thoroughbreds raced in timed heats or became famous track names. Two pacers in every barn was a status symbol of Old Nebraska.

Letters to the Editor

(The following letter was received from a SWAY winner).

Dear Editor:

Today as I answer your correspondence, I do so with sincere and emotional gratitude. Your monetary and moral gifts are greatly appreciated.

To express in words the feelings of one's soul at a time such as this is extremely difficult. You as citizens, such as we military, live and abide by one constitution. You too honor and serve it and we too physically support it and its very just cause.

As a career military man, there could be no greater gift than to know we are supported by the majority of the steadfast citizens of our community and country. This wonderful constitution of ours does, however, give us the right to gather and also to protest. Unfortunately we have a few in this great nation that wish to present their wishes in a radical manner, causing dissent and injury, not to mention the financial distress which many have suffered.

You ask that I mention where I am and what I am doing.

After a tour in Vietnam with the 25th Inf. Div. I have been assigned to the 5th Combat Support Training Brigade, Ft. Leonard Wood, Mo.

The mission of the brigade is to provide the best possible training to the young soldiers called to defend our freedom, in the role of support in the skills of clerks, to include legal, finance, postal and many more; cooks, communications, to include lineman, radio operators, switchboard operators, repairman and many more, automotive mechanics, and vehicle drivers.

My duties are as automotive maintenance officer. These duties entail maintenance management and repair, parts procurement for over 400 units of various types and sizes. This equipment is utilized in administrative, and training support of the Brigade and the drivers and mechanics courses.

Again I must express my appreciation to you, fine citizens. We as career military, or dedicated civic servants whichever you desire to call us, are proud to serve you, the finest people

You didn't finish school?

(Lots of luck! You're going to need it.)

Some people never learn. The smaller your education, the smaller the job you'll get. The smaller your salary, too. It's a proven fact: You really cut off your future when you cut out of school. Any school. At any level. Grade School. High School. Even College.

Today, to get a good job, you need a good education. Employers insist on it. Good-paying jobs demand it. So you really ought to get it. If you want to enjoy a really rewarding future.

Don't sell a good education short. If you're in a school now... stay there! Learn all you can for as long as you can. If you're out of school, find out about the many ways to get valuable training outside the classroom. Visit the Youth Counselor at your State Employment Service. Remember, a good education isn't a luxury today. It's an absolute necessity.

(The following letter was received from a SWAY winner).

Dear Editor:

Your recent letter and gift is acknowledged with pleasure. I have recently been reassigned from USS Klondike (AR22) to the Staff of Commander Service Group ONE, Fleet Post Office, San Francisco, Calif.

Your letter referred to the gift as "small." I would like to say that the warm words expressed in the letter makes any accompanying gift "outstandingly large." In these days when the newspapers and other news media are consistently filled with news of people protesting our military involvement in Southeast Asia, picketing of Armed Forces Induction Centers and Military Bases, etc., it is most gratifying to hear from folks back home that our efforts are recognized and appreciated. Please extend my most heartfelt appreciation to all members of your fine organization for your outstanding work.

With the very best regards!

Sincerely,

(Jack Fickler, Chief Boilerman, U.S. Navy Staff, COMSERVGRU ONE, FPO SFRA 96601).

Dear Editor:

Thank you SWAY, and all of your contributors. I must say in all of my travels, I've never experienced a gift such as yours and I consider it a first. In these troubled and uncertain times, it is indeed gratifying to be remembered.

We will have completed our tour in the Far East when you publish this letter and will probably be vacationing in Wayne. Our next assignment is close to home, Kansas City, Mo., so will see you soon. Thanks again.

Sincerely,
Don C. Simolin

Dear Editor:

I wish to thank you for your generous gift. I am presently stationed at Little Rock Air Force Base, Ark. I have been stationed here for the past 21 months.

I am presently assigned to the 825th Combat Support Group. I was recently awarded the rank of Sergeant, which was effective March 1, 1968.

I wish to thank you again.

Yours truly,

(Sgt. Douglas D. Kirsch, AF 16885247, 825th Combat Support Group, Box 2361 (SAC) LRAFB, Jacksonville, Ark. 72076).

Dear Editor:

Thanks for the \$10 gift. It comes at a perfect time. I am home on leave now. I am to be in Oakland, Calif. on June 1 and from there overseas to Vietnam. I do thank you for the gift again.

Yours truly,

(Joe Siphley, Box 307, Evans, Colo. 80620).

Dear Editor:

65 YEARS AGO THIS WEEK

A 39 pound boy was born to Mr. and Mrs. Burt Carpenter Tuesday evening, June 2, says the grandfather of the boy, Charley Carpenter.

The road south of the city between the bridge and Nangle's corner, is in a frightful condition making it almost impassable. Farmers are becoming very impatient over the matter and they are entitled to. Whomever every day it is to look after the matter should do so at once, either the county commissioners or the road overseer in that district. The business men of the city should interest themselves in the matter, too.

Herman Mildner has put in one of the new gasoline lighting plants and it is no trick to see how to take a nip now and then.

Prof. Pile of Wayne College, and Supt. Brookings went to Decatur Monday evening to participate in the commencement exercises of the Decatur High School. They returned early Tuesday morning

that there aren't enough of them to be counted a major voting bloc anymore, and there are still too many of them to be called a disadvantaged minority group. Therefore, nobody pays any attention to the farmers. The steps to a farmer's back porch can collapse and there won't be a voice raised in protest.

Seems there is too much city-ism and not enough farm-ism in this guilt-ridden country. There are people who are trying to make it even harder for the farmer. Just lately I heard of a group agitating for more laws making it illegal for anybody to sell anything below his cost.

This is unfair competition, the argument goes, for a big outfit to sell a few items below his cost. This is unfair competition to lure customers away from small outfits that can't afford the practice.

This may be so, but did anyone ever consider what this kind of law would do to the farmers and ranchers? If a bill was passed saying it is against the law for a farmer to sell a crop for less than it cost to produce it would put him right out of business.

Farmers have got to unite and band together and fight this movement with all they have got. It

and were caught in the heavy rain. Before they arrived here they concluded that even too much water was a bad thing — Burt County Herald (Telamah).

An Edgar special says: This section was visited by another hail storm. After a rather warm day and considerable wind the storm gathered rapidly in the southwest between 3 and 5 o'clock. The wind quieted down and just before 5, hailstones of immense size began falling, some measuring eleven inches in circumference. They fell without wind and beyond breaking a few south windows little damage was done. The storm was much heavier at Angus, six miles south of Edgar in Nuckolls County, where several buildings were damaged, glass broken and roofs injured. No serious damage is yet reported to crops.

Labor notes: Syracuse machinists struck for a nine-hour day. Toronto painters won the 35 cents an hour demand.

Twenty years ago: Col. Robert G. Ingersoll made a six-day speech for the defense in the Star Route trial at Washington.

Adv. for commencement: Program for the graduating exercises of the 1903 class of Wayne High School, to be held at the opera house tomorrow, Friday evening... Graduates: Helene Winifred Hunter, valedictorian, Emma Hollis Hughes, salutatorian, Ethel Mae Holtz, Monte Josephine Theobald, Donald Horton Cunningham, Faye Henrietta Britton, Mabel Young, Lela Jeanette Olmsted, Ethel Mildred Edgerton, Vera Ellen Embree. Bible Schools Now in Full Swing

Bible school activities were in full swing in at least four area towns, starting last week at Allen, Concord, Dixon and Winside. The youngsters were kept busy by their teachers with activities ranging from soil testing to group singing to making "tokonomas."

Allen youngsters at the United Methodist Church were guided in their activities by the theme "The World of Differences." The third and fourth graders from last year proved that it is a world of differences: one of their projects was the making of tokonomas. Tokonomas are paintings or pictures which the Japanese use in their religious worshipping. Several examples of the children's attempts at making tokonomas were photographed and appear elsewhere in the paper.

Other activities which kept the children busy were finger painting and handcraft.

Allen's Vacation School, which lasted one week, closed by having the children attend and be recognized at Sunday's church services by Rev. Roger Jacobs.

The following women gave their time to serve as teachers for the youngsters: Mrs. Mary Mitchell, kindergarten; Mrs. Day White and Mrs. Harold Jeffery, first and second; Mrs. Jim Stapleton and Mrs. Duane Koester and Deb Jones, fifth and sixth.

The teachers were assisted in their duties by Sandy Jones, Lorna Beck, Debbie Ellis, Joan Koester, Pete Snyder, Susie Kjer, and Nadine Shortt.

The music leaders for the Allen activities were Mrs. Allen Trube and Elaine Snyder.

At least 63 people, 52 students and 11 teachers, are participating in Concord's Bible school activities at the Evangelical Lutheran Church. Its vacation school will last two weeks and will close at the end of this week with a picnic and wiener roast.

The theme at Concord's church is "God and His World." Activities for the children for last week and the rest of this week include soil testing, experiments, group singing, and various other activities related to the main theme.

Director of the school is Mrs. John Ream. Teachers are Mrs. Clifford Peters, Mrs. Frank Pedersen, Mrs. Oscar Swanson and Mrs. Richard Carlson, as well as Mrs. Ream. Helpers include Lynn Roggenbach, Holly Roggenbach, and Shirley Peterson.

A picnic will be held Friday afternoon at Bressler Park. The program will be given by the school on Sunday evening at 8 o'clock and everybody is welcome.

Baptist Bible School

Vacation Bible School will be held at the First Baptist Church of Wayne today through Friday from 9 a.m. to 2:30 p.m. daily. All boys and girls from ages 4 through 14 are invited to attend.

The theme is "God's Son for Our World," and materials are from Scripture Press. The children are asked to bring lunch for noon. Cookies and coldaid will be furnished and served by the Women's Missionary Society. Mrs. Hazel Bressler is in charge.

Director of the school is Mrs. John Ream. Teachers are Mrs. Clifford Peters, Mrs. Frank Pedersen, Mrs. Oscar Swanson and Mrs. Richard Carlson, as well as Mrs. Ream. Helpers include Lynn Roggenbach, Holly Roggenbach, and Shirley Peterson.

Two Area Men in Largest NU Class

The Wayne area had two men participating in Saturday's spring commencement exercises at the University of Nebraska, the largest graduating class in the 99-year history of the institution.

Russell L. Harder, Wayne, and Dean A. Jaeger, Hoskins, were among the record 1700 graduates receiving degrees. Harder received a bachelors degree from the College of Pharmacy and Jaeger received a bachelors degree from the College of Engineering and Architecture.

Chancellor Clifford M. Hardin presided at the exercises and Dr. Mark Hobson, vice chancellor and dean of faculties, was master of ceremonies.

Driver Ed Classes to Start Today

Driver education classes for 90 summer students began this morning at Wayne High School. Mike Mallette and Ron Carnes will teach the course.

Classes are open to children 14 years and older. The course is scheduled to last six weeks but Mallette said most of the students would finish in five weeks.

The first three weeks of the course will include two hours

of classroom work each day from 9-11 a.m. Driving will start at 7 a.m. and run through 8:30 p.m. to give all the students a chance to drive.

Mallette said although there was some comment about the class starting early and interfering with Bible schools, the scheduling also had to consider family vacations and be completed so the family could have time to plan their vacations.

Peace Corps Test Set for June 15

Northeast Nebraska residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, June 15, at either Lincoln or Omaha.

The Peace Corps uses the Placement Test, which takes about an hour and a half, to determine how an applicant can best be utilized overseas, according to Stephen Allen, applicant services. This test measures general aptitude and the ability to learn a language, not edu-

cation or achievement. The test requires no preparation and is non-competitive—an applicant can neither pass or fail, Allen said. The application form and the placement test is the most important factor in the selection of volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D.C. 20525.

Placement Tests for area residents will be given in Room 415, Main P. O. Building, Lincoln, and Room 1014, Federal Building, 215 North 17th St., Omaha.

Attend Baccalaureate

Mr. and Mrs. Glenn Granquist and Jim, Mrs. Gene Granquist and Mr. and Mrs. Glenville Sampson and sons attended Baccalaureate services for Brian Granquist at Columbus, Sunday evening.

Brian is the grandson of Mr. and Mrs. Arton Granquist. At the annual Columbus Senior High honors convocation, Brian received the national John Phillips Sousa award. He also rated superior in the district contest as an instrumentalist and received a citation in the vocal music department.

To Lose Finger

Clair Swanson will be in a Sioux City hospital for a few days following amputation of the index finger on his left hand. The surgery was scheduled for this morning.

Swanson injured the finger about two weeks ago when his hand was caught under the rim of a tractor wheel while he was changing a tire. He was pinned there for some time before he was found and released.

He said Friday that the prolonged time his finger was without blood while he was trapped, plus other injuries in the hand will necessitate the amputation.

Here's our offer!
Use PLUS 2 on your lawn but don't pay for it until your weeds are gone!

That's how sure we are of Scotts famous TURF BUILDER PLUS 2. Time and again we've seen it turn scraggly weed patches into thick, vibrantly green turf.

Put PLUS 2 on your lawn this week end. For the first few days nothing much will seem to happen. Then one day you'll notice that the weeds have begun to shrivel. A few days later they'll disappear completely — roots and all.

In their place will be healthy green turf — the result of the fertilizing action of PLUS 2. It's a full-feeding too, equivalent to Scotts famous Turf Builder. Makes grass plants spread out to fill in those places where the weeds were.

The time to use PLUS 2 is right now, while weeds are actively growing. You put it on just like ordinary fertilizer. It's clean, lightweight, and easy to handle. So pick up your PLUS 2 this week and don't pay for it until your weeds are gone.

"WELL, IT WAS LIKE THIS..." That seems to be what Joe Nuss is demonstrating to his partner, Lyle Garvin, after Wednesday's two-man best ball tourney at the Wayne Country Club. Nuss and Garvin won the tournament with a 29, after figuring the handicap.

Nuss-Garvin 29 Wins CC Tourney

Wayne Country Club's first two-man best ball handicap tournament held on Memorial Day was won by Joe Nuss and Lyle Garvin with a 29. Three teams were tied for second place. Prizes of \$18 and \$6 per man went to the first and second place teams.

Ken Dahl brightened the rather gloomy day when he shot an eagle on the par five second hole.

The club pro, Jim Christensen, said that another tournament is scheduled July fourth and that it is hoped the tournament can become an annual one.

About forty-five people turned out for the action that started at 9 a.m. Thirty-six men were at the 8 a.m. breakfast, the cost of which was covered by the \$3.75 entry fee.

The three teams which were tied for second with 30's were Ken Dahl and John Jermier, Wayne Marsh and Les Lutt and Ken Whorlow and Ray Murray.

Rec Program Will Cost for Some

A total of 125 boys have signed up for baseball, and 45 girls in softball for the summer recreation program, Director Dan Ovarin said Friday.

In the football program this fall 90 have indicated interest while 110 boys and 45 girls have signed up for their respective basketball activities. Boxing has attracted 25 youngsters.

Earlier this spring the Wayne Recreation Board under the city council approved a charge for youngsters living outside the city limits who wish to participate.

The cost will be \$10 per family per year, no matter how many children are in the family. This increase was made necessary because of added costs of equipment and other expenses in the program.

Families of children in the program are urged to clip the following schedule for future reference:

Persons living in the city limits contribute to the program through taxes and Community Chest, the committee reasoned, so this added charge is not passed on to them. Payment should be made by June 25, to Wayne Recreation program.

Charges apply to children taking part in baseball, girls softball, football, boys and girls basketball and boxing.

The schedule for the summer program follows:

WSC Professor Gets NYU Award

Dr. Hafiz Sahar, assistant professor of speech at Wayne State college, has received the Founders Day award from New York University where he received his doctoral degree a year ago.

The native of Afghanistan was among recipients of the award chosen for continued scholarship since graduation.

Dr. Sahar, who joined the Wayne faculty last fall, had a career in both newspaper and radio journalism in Afghanistan's capital, Kabul. In 1956-57 he was chief of the editorial board of Kabul's largest newspaper, the Daily Eshah. Later he came to America on a State Department educational exchange program and earned a master's degree in speech at Northwestern University.

Returning home, he became vice-president of Radio Afghanistan and later general director for International Cultural Relations. Then back to the United States and doctoral study at New York University.

Last summer after earning the NYU degree Dr. Sahar worked with the VISTA poverty program in a poor neighborhood of New York City's lower east side. Most of his duties centered around tutoring potential high school dropouts.

GRADUATING FROM Lollipop Lane Nursery School last Sunday were (left to right) Jeff Braunger, Lori Robinson, Tommy DeForge, Joel Mosley, Jodi Froese, Eric Guenther, David Glass, Jeff Brand, Doug Cottrell, Michelle Kubik, Eddie Soso, Stefi Brasch and Nick Sieler. They are shown here with their teacher, Mrs. Bob Ditman, who operates the school. Another graduate, Brian Biermann, was absent when this photo was taken.

Nursery School Has Graduation

Around 60 parents and grandparents were on hand at West Elementary School Sunday, May 26, to witness the graduation of fourteen young men and women

from Lollipop Lane nursery school. A program of nursery rhymes and dances was presented to those in attendance before diplomas were handed out. Mrs. Bob Ditman teaches the nursery school at her home. 28 children attended the school this year, which lasted from September through May.

Westmar Graduate

Sally Gutshall, daughter of Mr. and Mrs. Dale Gutshall, Wayne, received a bachelor of arts degree in elementary education at Westmar College, LeMars, Ia. Sunday, May 26. She is a member of a class of 175, of these 71

receiving BA degrees. Dr. Myron Wicke, general secretary of the division of higher education of the board of education of United Methodist Church, was principal speaker at baccalaureate in the morning and Dr. W. R. Parks, ISU president from Ames, gave the commencement address.

Winside School to Begin June 10

Many Winside elementary children will be returning to school next week, as Winside's summer program starts June 10. The Winside program features remedial reading, under the direction of Mrs. Joyce Camburn; remedial math, supervised by Mrs. Lena Miller, and speech therapy, to be taught by Mr. Ernster. It won't be all work for the youngsters, however. Swimming at the Pilger swimming pool will also be offered as part of the summer schooling.

Youths to Journey to Washington

Thirty-nine 4-H members from the Northeast Area will leave Friday evening, June 7, for Washington, D. C., to participate in a Citizenship Short Course. The 4-H members represent Cedar, Dakota, Dixon, Thurston and Wayne Counties. Also participating in the Short Course June 9-15 will be 4-H members from Kentucky, Michigan, Montana, North Dakota and Virginia.

During the week long Short Course, participants will participate in assemblies and discussions relating to a wide range of Citizenship topics. The Nebraska group will spend one day on Capitol Hill and will meet with Senator Curtis and Congressman Denney. There will also be trips to the U.S. Dept. of Agriculture, Mount Vernon, Washington Cathedral, Arlington

New VFW Officers

The regular monthly meeting of the Veterans of Foreign Wars was held May 23 at L.B. Whitmore Post 5291. The following officers were installed at ceremonies conducted by past post commander Frank Noelle: Roy Sommerfeld, commander, Walter Chinn, chaplain, William Winch, senior vice commander, Dennis Otte, junior vice commander, John Grashorn, quartermaster, and Frank Noelle, service officer.

Miss Hasebrock Graduates Sunday

Miss Ann Marie Hasebrock, daughter of Mr. and Mrs. Erwin Hasebrock, Wayne, received a bachelor of science in nursing degree from the University of Nebraska College of Medicine Sunday. She was one of 175 who were conferred degrees at the ceremony in the Music Hall of the Omaha Civic Auditorium at 2:30 p.m.

Miss Hasebrock is a 1963 graduate of Wayne High School. She is a graduate of Iowa Methodist School of Nursing in Sioux City and attended Wayne State College and Morningside College. At the ceremonies 94 received the doctor of medicine degree and 31 the bachelor of science in medicine degree. Bachelor of science in nursing degrees went to 33 and bachelor of science in medical technology degrees were awarded to 17.

Dr. Sam Foster Seeley, a native of Palmer, Nebraska, received an honorary doctor of science degree.

Bike Registration

80% Complete Friday

Wayne Police were working furiously Friday to keep up with last minute bicycle registrations. They reported that as of 4 p.m. Friday, about 80% of the bicycle owners had been in for their new licenses.

People owning bicycles should register them with the police department as soon as possible, for the tags assist the police in returning lost bicycles to their owners and also add them in locating stolen bicycles.

Any bicycles that do not carry new registration tags may be picked up by the police after May 31.

Seeking Talent for Laurel's Jubilee

Talent auditions for a contest to be held in connection with the Laurel Diamond Jubilee will be held June 11 at the high school in Laurel from 2:30-10 p.m.

The talent contest will be a featured part of the Jubilee June 17. Winning number of the June 17 show will have transportation to and from New York City for an audition for the Ted Mack Original Amateur Hour TV show. This will be a sight-seeing tour in Washington, D.C.

All types and ages of talent are invited to audition. Small groups and solo numbers are needed. In all, 15 numbers will be selected for the June 17 show. Auditions will not be open to the public, committee members said.

Appearing on the Ted Mack show could provide a springboard for talent, as many former winners of these contests are now performing professionally.

Persons interested in auditioning for the show should contact the committee chairman, Mrs. J. L. Pedersen, Mrs. Walter Urwiler, Mrs. Bill Norvell or Mrs. Harold Ward.

Aker and Brian D. Erdman. Gardens are sprouting all sorts of things this time of the year, including autos. Officer Bailey was called to the home of Mrs. Dervie Hall, 220 West 13th, where he found that a car had rolled into her garden. It had been parked at the College Crest apartments. No damage was reported.

Two businessmen were notified that doors to their businesses had been left unlocked. Police also contacted Tom McWright when a person calling him from Fremont could not reach him by telephone.

Steve Kraemaer Wins Scholarship to WSC

Steve Kraemaer, son of Mr. and Mrs. Darold Kraemaer, Wayne, was one of three Boys Town seniors awarded a scholarship for Wayne State College Friday at the annual Award Day exercises held at the Music Hall. He received his high school diploma along with 134 other seniors from Msgr. Nicholas H. Wegner, director of Father Flanagan's Boys' Home Sunday.

Another area resident, William Thomas, Beemer, won a scholarship to attend Cornell University, Ithaca, N. Y.

Norfolk Junior College was represented in the presentations, with its scholarship going to an Omaha young man, Keith Sheppard.

The other scholarships given to attend WSC went to Thomas Roth, Mitchell, South Dakota, and Eric Branham, Washington, D.C.

Three Pay Fines in Wayne County Court

Three cases were heard this week by Judge David Harner. The cases involved speeding, an illegal U-turn and an overweight truck.

May 27 Richard D. Zierke, Pierce, paid a fine of \$60 plus \$5 court costs for an overweight axle. Scale attendant H. Johnson signed the complaint against the truck owned by Miller Produce, Norfolk.

An illegal turn cost Vernon E. Krouse, Plainview, \$10 plus \$5 costs May 29. Officer Keith Reed of the Wayne police signed the complaint.

Patrick R. Keenan paid a fine of \$15 plus \$5 in court costs May 29 for daytime speeding. C. Franzen of the Nebraska Patrol signed the complaint.

To Custodial School

Two members of the custodial staff of District 17 will be attending a custodial school at Kearney State College June 3-7.

They will take courses in room maintenance, electricity, air conditioning and plumbing and return to their duties June 10.

The men are Forrest Nettleton, who is custodian at the Carroll school, and Ray Robbins, custodian at Wayne Elementary school.

JOHN R. ANDERSON, a former Wayne resident and student at old Hahn High, has been appointed inkeeper of Holiday Inn-East at Amarillo, Tex.

Vandals, Errant Car Keep Police Busy

Investigating two cases of vandalism kept the police department busy last week. Somebody caused an unestimated amount of damage to S. B. Whitmore's Students Supply and Variety Store at 203 East 10th St. by throwing several objects through one of the store's north windows. Mr. Whitmore said that the cost of the damage would be known when the insurance agency investigated the incident.

The other case of destruction of property occurred in front of Harold Maciejewski's home where somebody ruined all four tires on his car by drilling holes in them with some sort of drill. About \$130 damages were done to the tires.

The police department reported that they have no idea yet as to who committed these acts.

A minor auto accident was investigated by Officer Bailey at Arnie's-Sav Mor parking lot involving the cars of Mrs. Hobart

FIRE CHIEF Ivan Creighton and firemen John Thiel and Ivan Beeks inspect the burned tractor on the Harland Kumm farm after the tractor was destroyed Thursday morning.

Thursday Blaze Destroys Tractor

Blowing corn husks ignited Thursday morning and set fire to a tractor on the Harland Kumm farm five miles west and three-quarters north of Wayne. The tractor was being used to shell corn.

The tractor was completely destroyed, but no other damage was caused.

The alarm came during Memorial Day ceremonies in Wayne and at a time when many persons were free to follow the fire trucks—which they did, to the consternation of Fire Chief Ivan Creighton.

Creighton said the fire-truck followers have become more numerous recently and he plans to take action against them if they continue to hamper firemen in their efforts to reach the fire. He also cautioned that someone may be killed or injured when sight-seeing drivers follow fire trucks and firemen over county roads, for visibility is often poor and traffic is heavy.

Teresa Stenwall was soloist for the program. She was accompanied by Diane Krueger. Officers for the coming year were then elected. They are Mrs. Mildred Witt, Winside, president; Dwayne Willers, vice president; Mrs. Eva Robinson, Holskins, secretary; Lonnie Behmer, Norfolk, treasurer; Jack Kraeger, Winside, historian; Mrs. Miss Janke, Winside, program chairman; and Mrs. Emma Willers, Winside, table chairman.

The banquet honored all classes ending in the year 8. Representatives from the class of 1908 through 1968 were in attendance.

Court of Honor For Troop 175; Campout Coming

Court of Honor ceremonies at Boys Scout Troop 175 Monday night included the initiation of seven new Tenderfoot Scouts, five promotions to second class and the awarding of a reading merit badge.

Tenderfoot Scouts coming into the troop from Pack 175 included Brad Hedrick, Gordon Emery, Ralph Arott, Mark Cramer, Mark Sherry and Richard Carlson.

Carl Jenness was also taken in as a Tenderfoot but through regular enrollment.

Second class advancements were earned by Jeff Lamp, Jack Froehlich, Mike Nuss, John Hockwell and Steve Hall.

The reading merit badge was earned by Duane Grosse.

A campout is scheduled by the troop for this weekend with a hike to the Izaak Walton lake in the offing as part of the work for an advancement. Plans are for the Scouts to sleep out Friday and Saturday nights and cook their own meals over open fires.

Carroll Horse Show Sunday Featuring 30 Riding Events

Sixth annual horse show for the Carroll Saddle club will be Sunday, starting at 10 a.m. in the club arena just at the south edge of Carroll on Highway 57.

Other events include junior and senior pleasure, junior and senior hat race, ladies egg and spoon, horseshoe pair, junior barrel, four-in-line, ribbon race, senior barrel, junior and senior pole bending, western reining, flag race, pick up race, circular baton, four abreast, inner tube race, surf board and key hole.

Announcer will be Merlin Jenkins, Carroll, while the judge will be Lloyd Johnson, Erwin, S. D.

Baton Twirlers Perform Here Tuesday Night

If the children and Jeanne Karel have anything to do about it, there will probably be another baton recital next year. Jeanne Karel, daughter of Mr. and Mrs. Mike Karel of Wayne, is the Wayne State freshman who worked Saturdays and after school hours to teach 34 young girls the elements of baton twirling.

Miss Karel said that many parents complimented her on the program given Tuesday night in the city auditorium. About 200 people turned out to watch the girls perform in solos, duets and groups. The were accompanied by records of modern music and marching tunes.

The lessons began last October and took a lot of extra time from Miss Karel, but when asked if there would be another recital she said, "I certainly hope so."

Drawings Tonight For \$400 Plus \$1,000 in Bonds

Drawings for \$1,000 in savings bonds and \$400 in cash night money will be held tonight in participating Wayne stores.

A story in the last issue of The Wayne Herald was in error regarding the need to be present to win the prizes.

Requirements are as follows: Winners need not be present to win one of the ten \$100 savings bonds, but they must be present to win the cash night drawing.

Times of the drawings are different, too, with the cash night prize to be awarded at 8 p.m. and the savings bonds at 9:15 p.m.

WS Opens Foreign Affairs Institute

Wayne State's Foreign Affairs Institute on Latin America opens a three-week schedule Sunday night featuring a high-ranking official of the State Department and three representatives of the Pan American Union.

Sunday's session is open to the public at 7 o'clock in the Conn Library lounge. The speaker: Ward P. Allen, deputy assistant secretary of state for international organization affairs. To set the stage for later lectures, Allen will talk about the Organization of American States, which has in recent years been increasingly active.

Allen, with 23 years in the State Department, has been involved in numerous inter-American conferences and also had assignments with the United Nations.

Wayne's assistant dean of instruction, Norman Nordstrand, knew Allen in Copenhagen, Denmark, when both were assigned there on diplomatic duties.

The institute's faculty also will present four members of the Wayne State staff, Robert Brady, politics; Lester Eron, geography; Dr. Rafael Sosa, Latin American literature and culture; Edward Eash, Latin American fine arts.

The institute is sponsored by Mr. and Mrs. Haven Falconer of New York, whose grant made it possible. Mrs. Falconer is a WSC graduate.

Summer School Starts June 10

Reading, mathematics and recreation are the courses to be offered last year's students in grades one through six during the summer at Wayne Middle School, according to Loren Park, principal. The school will run from June 10 to July 20 with 40-minute classes being conducted from 8 a.m. until noon.

Park reported that about 85 students have already signed up for the school and that about 90 are expected by the time classes start. Although students should have registered during the regular school term, Park noted that any students who are not registered should contact him. No fee is charged for the school.

Eight teachers will participate in the program which will be directed by Mr. Park. They are: Mrs. Inez Boeckenhauer, Mrs. Orvella Holmenkamp and Mrs. Lu Ray Peterson, reading; Mrs. Ruth Kerstine, Mrs. Gertrude Vahlkamp and Mrs. Phyllis Daniels, math; and Don Koenig and Al Hansen, recreation.

City Council OK's Purchase Of New 5,000 KW Engine

OUTSTANDING JAYCEE award was earned by Stan Baier. Here he accepts the plaque from Marvin Young, past president of the Wayne chapter.

The city council Tuesday night bought another Cooper-Bessemer engine and generator for the municipal light plant.

The new unit will generate 5,000 kW of power. It will be installed beside the last new engine, also a Cooper-Bessemer, in addition to the power plant completed last year. Provisions were made at that time for a second engine and the pit was built in as a part of the new construction.

Base cost of the engine is \$605,878. However the price can vary slightly from this, City Clerk Dan Sherry said, for deductions from cost of the basic unit for equipment already on hand at the plant.

Delivery of the new engine cannot be expected for at least 10 months. On their specification sheet, Cooper-Bessemer officials said they expect 320-day delivery, or slightly over 10 months.

Stan Baier Wins Top Jaycee Award; H. Overin Honored

A former Wayne Jaycee president returned to act as MC at the Jaycee awards banquet Monday night. Marvin Young, now living at Erickson, was last year's Wayne Jaycee president.

The outstanding Jaycee award was earned by Stan Baier. Outstanding service awards went to three members. Earning a bronze key was Wes Wingett; a silver key went to Jerry Bose and a gold key to Dick Hammer.

Two awards were presented outside the Jaycee organization for the first time. Winning these awards were Hank Overin, who was honored for outstanding development of Wayne youth, and Pat Wert, who was given an honorary membership in the Mrs. Jaycees for her help with the organization.

The presidential court of honor award was presented to Wes Wingett and an appreciation award was given to The Wayne Herald.

Spoke awards were given to Roger Nelson and Keith Kasselner, while spark plug awards went to Jerry Bose, Rollie Granquist, Stan Baier, Dick Hamner, Richard Sorenson, Keith Ellis and Wes Wingett.

Award for outstanding Mrs. Jaycee went to Mrs. Jerry Bose.

Speaker for the occasion was Joe Haggerty, Omaha, who talked on the six principles of the J. C. creed: faith in God; brotherhood in man; free men and free enterprise; government of laws, not of men; human personality and service to humanity.

New officers for the year were installed at the end of the program.

Wayne Youth Seeking Old LaPorte Buildings

A search is on for buildings which once stood at the site of old LaPorte, former county seat of Wayne county. Reason for the search is that Tom McDermott wants to write a historical article about the town and the present site of some of its buildings.

Persons knowing the location of such buildings are asked to get in touch with Tom at his home or phone him at 375-1280.

WS Drama Club Moves Up; Plans Summer Stock Plays

A unique experience is in store for the Wayne State Drama Club: They will combine with the Sioux City Community Theatre to form a summer stock company, according to Director Dr. Helen Russell.

Students enrolled in the Summer Theatre Workshop will produce a play a week at the Community Theatre's Shore Acres Theatre, Riverside Blvd., Sioux City. All six plays are scheduled for 8:15 p.m. Thursday through Sunday.

Because of its great success when presented on campus last February, the first production will be *The Fantasticks*. Most of the original Wayne cast and musicians will appear in this Broadway musical which will run from June 27 through June 30. It played to packed houses for nine years while on Broadway.

Blithe Spirit, a comedy by Noel Coward, will be the second production, running from July fourth through the seventh.

A modern master of psychological drama, Emyln Williams, will be represented July 11 through July 14 when *Night Must Fall* is produced. Dr. Russell said this play is filled with thrills and chills and is sure to keep audiences sitting on the edge of their seats.

A new comedy by Jean Kerr, *Poor Richard*, will be staged July 18 through July 21. The New York Post termed this play "not only steadily funny, but remarkably touching." Dr. Russell said.

Appearing on the boards July 25 through July 28 will be William Inge's drama, *Come Back Little Sheba*, the story of deep-seated frustration in marriage and of its inevitable and furious eruption. Sidney Blackmer and Shirley Booth won the coveted Antoinette Perry awards for their outstanding performance.

Auto Accidents, 'Crazy' Window Keep Police Busy

Police were kept busy the past week investigating two minor auto accidents and locating a stolen bicycle.

An auto accident Tuesday at the corner of West 3rd and Main involved two cars, both heading east on West 3rd St. A 1967 model car driven by Lloyd Sherman, Jr., Omaha, stopped for a pedestrian at the crossing before turning right and was struck in the rear by a 1961 model car driven by Patricia E. Stevenson, 1220 Walnut. Minor damage to both autos was reported.

On Monday an accident occurred just west of 2nd and Logan Sts. involving a parked car and one driven by Clifford M. Dahl, 918 Main. No injuries were reported and only minor damage was done to the cars.

The registration procedure of youngsters' bicycles apparently helped the police department locate a bike stolen from Donald Davies, 220 West 4th St. on Saturday.

A broken rear window in Mrs. Clifford Dahl's car was at first attributed to vandals, but upon investigating the police decided that Sunday's high temperatures had caused excessive pressure to build up inside the car, causing the window to shatter completely. All the windows were rolled up, police reported, and this caused the great pressure inside the car.

The only other police business this week other than routine duties was the investigation of three business doors left unlocked. The owners were contacted by the police.

Humbug Watershed Air Tour Monday

Air tour tickets for a flight over the Humbug watershed Monday will be on sale all day at the Wayne airport. Businessmen and farmers have been invited to take the tour to see from the air details of the Humbug project. Private planes will be taking passengers from the Wayne airport throughout the day.

The trips will take about a half hour. Tours are sponsored by the Wayne and Stanton county soil districts and a member of the sponsoring groups will accompany each plane-load to explain the program.

Hog, Cattle Feeders Tour Set for Friday

Both hog and cattle production will be featured during the Northeast Nebraska Feeders Association, on Friday, according to Walter Tolman, area beef specialist at the Northeast Station, Concord.

The first stop will be at 6 p.m. at Earl Anderson's cattle and hog lots, 17 1/2 miles west and one mile north of Wayne. The group will then stop at Marvin Dunkler's cattle lots, 3 1/2 miles west of Wayne, at 7 p.m., and will go from there to the new Feeders Elevator Company mill in Wayne at 8.

A full discussion of modern hog production by a panel of hog growers will take place at 9 at the Wayne City Auditorium. Moderator of the swine panel will be Wm. F. McQuistin, Wakefield, president of the Nebraska Duroc Breeders Association.

Composing the panel will be Chuck Beerman, Dakota City; Don Mayberry, Fender, Wark and Dan FEEDERS TOUR, page 8

Board Hires Five Teachers; Accepts Resignation of Four

Five new teachers were hired for the Wayne City Schools Monday night. Included are one high school teacher and two each for middle and elementary schools.

Teaching high school American History will be Clarence A. Lippert who received his MA in education at Wayne State College this year. Lippert has been a graduate assistant at WSC.

Shirley Ann Freidel will be seventh and eighth grade mathematics instructor. Miss Freidel received her BA this year at Yankton college.

Typing will be taught this year in the middle school and eventually will be phased out of the high school curriculum and kept in middle school. Teaching typing in the new middle school class will be Darlene Maquire. She is a graduate of WSC.

Mrs. Lloyd Straight will be first grade teacher this fall in the Wayne schools. She is a graduate of WSC.

Taking over teaching duties in the second grade will be Donna Hirt, a graduate of Kansas State University with an MA in education. She has taught in Glendale, Ariz., and Manhattan, Kan.

Resignations of four teachers were accepted. They are Joyce Zimmerman, LuRay Pederson, Patricia Nelson and Arden Sue Dickinson.

Wakefield FHA Chapter Earns Honors Award

Wakefield's Future Homemakers of American chapter won the Honor Chapter Award at the State Workshop Convention last week. The award is given for outstanding achievement in local, state and national projects and is based on the number of points earned in degrees and progress in the areas of family life, health, constructive hobbies and community welfare.

The highest state award possible was given Eileen Muller, a senior.

Attending the state workshop convention were five of the officers for the next year: Kathy Carlson, president; Vickie Grose, vice president; Mary Peterson, song leader; Rita Bargholz, parliamentarian, and Rae Johnson, historian.

Miss Rebbe, chapter sponsor, accompanied the members to the convention.
