

SUNSHINE FRIDAY brought out road crews to work on the south end of Main Street in Wayne where paving crews are planning to pour concrete from the bridge at the edge of town to Clark Street as part of the improvement project in Highway 15. Rains earlier

had stalled the paving project and crews are hurrying to beat the weather again, although the weatherman was predicting rain for Saturday afternoon and Sunday.

Urge Start on Comprehensive Plan

Implementation of the city's Comprehensive Plan should be started as soon as possible. This was the consensus of a dozen business and community leaders who met Friday morning to discuss the future of the plan.

The Comprehensive Plan is the result of about three years of work, study and recommendations made by a professional planning consultant firm and a group of Wayne citizens. One of the first steps in implementation could be the adoption of one-way street recommendations of the plan. This, they felt, should be done soon and could be accomplished with a minimum of effort and expense. (See editorial, this issue).

Main concern of the group was to find a body legally capable of taking over the responsibility of helping implement some of the recommendations and serving as a financially responsible corporation to aid the city council and planning commission in promoting the plan.

The plan was adopted by the city several months ago.

Much of the discussion centered around the success of David City and Schuyler in getting business and property owners to upgrade the business buildings

in town and especially in the business district.

The possibility of working block-by-block was discussed, as well as trying to get the district to work as one group in improving store fronts and rear streets or settle in shopping centers where there is plenty of parking. However, a downtown business district is actually the heart of a community and many times a bad heart can result in a weak body and sometimes death.

In comparison to shopping centers and strip commercial areas, the downtown offers the greatest advantages. It offers a greater selection of merchandise, more competitive and larger range of prices, frequent bargain sales, usually better eating facilities, advertising advantages and the advantage that one trip can accomplish more errands.

"The only advantages shopping centers have are parking, a minimum of pedestrian-vehicle conflict, and esthetics in design. The downtown business district can also have these advantages but hasn't in the past because the downtown business district is too slow to adjust to our changing demands. This is normally due to the lack of coordination between the numerous owners of small parcels and the city. Whereas shopping centers under one ownership can make adjustments as needed.

"For the business district to survive, inaction must be overcome and both private and public enterprise must join together to adjust to our changing conditions. Most population growth occurs in the suburban areas. Commerce and industry will follow that growth unless: 1) easy access and parking are provided; 2) the conflict between pedestrian and vehicle is eliminated; and 3) the downtown becomes once again physically attractive.

"Generally speaking the business district of Wayne is like most Nebraska communities, an uninteresting combination of concrete surfacing and building facades with a mixture of materials which have been added through the years uncoordinated with itself and other buildings in the business district. Rear ends of buildings have been ignored and given a dilapidated appearance. Parking is generally not adequate but may be incon-venient to the individual who wishes to park next to the place where he wishes to do business.

"Merchants and owners of the buildings in the downtown area should form a corporation to collectively plan improvements to their own structures. These plans should be ambitious and include the full size of the building and not just the lower portion. The corporation working with the city can achieve the type of downtown that will insure economic success to the community."

Among comments made in the survey regarding Wayne's business districts were these:

"It is common in growing communities to find business moving from downtown to strip centers or settle in shopping centers where there is plenty of parking. However, a downtown business district is actually the heart of a community and many times a bad heart can result in a weak body and sometimes death.

"In comparison to shopping centers and strip commercial areas, the downtown offers the greatest advantages. Plan One-Day Boy Scout Drive Sept. 30

A new wrinkle will be added to the Boy and Cub Scout recruitment program in Wayne this year, when all three Scout troops and both Cub Scout Packs cooperate in a one-day program.

All five groups will be represented at the same meeting at the Wayne elementary school Sept. 30 in the general purpose room.

From 7-8:30 p.m. boys interested in learning more about the Scouting program may question youth or adult leaders of the troops and packs concerning the meaning, requirements and interests of Scouting.

Parents will be required to accompany the boy if he plans

to join the Scout movement that night, for parents' signatures are required on application papers. Announcements of the program will be made in schools and printed materials will be sent home with boys of Scout ages.

Each Scout unit will be asked to have a demonstration ready for showing several times during the course of the evening and a continuous-run film will be showing the Scouting program from the adult level.

Efforts will be made to conduct the evening as an openhouse so parents and children may attend at their convenience and still get all the information available to them.

Persons interested in asking questions of adult Scouting leaders may contact Larry De Forge or Arnold Marr, Pack 221; Bob Carhart or Jewell Schock, Troop 221; Rowan Whitte, Troop 175; Boyd Hedrick, Pack 175; or Tom Lambert or Tom Rose, Troop 174.

Planners of the one-day program said they hoped the results of the united drive would bring the benefits of Scouting to more boys in less time than in previous years.

Youth recruiters will get special badges for successful efforts even though the new youth does not join the recruiter's group.

Allen PTA Meets Monday Night at 8

Allen Parent-Teacher Association will hold a meeting tonight at 8 p.m. at the Allen High School.

Using the theme "It's about time to get acquainted," the meeting will include introduction of teachers, school board members and other school workers. The group will also take up important business, according to Mrs. Bud Mitchell, president.

Hosts and hostesses at the meeting will be Mr. and Mrs. Harold Kjer, Mr. and Mrs. Lester Ellis, Mr. and Mrs. Loren Carr, Mr. and Mrs. Richard Chapman and Mr. and Mrs. Ed Fahrenholz.

No Injuries in Car Accident Friday

No injuries were reported in an automobile accident Friday morning about five miles north of Wayne on Highway 15, according to Trooper Harold Nielsen of Norfolk.

Mrs. Rabe Misses

Being in the right place at the right time could have made \$250 for Mrs. Arthur Rabe, Winnside, Thursday night.

She wasn't in a Cash Night participating store in Wayne at 8 p.m. Thursday and as a consequence failed to get the \$250 award set for that night when her name was called.

To win, registrants must be in a participating store at 8 p.m. on Thursday nights when their names are called.

This Thursday's drawing will be for \$300.

County Judge Fines Minor, Drivers

Leon Hunkle of Pilger was fined \$100 and costs of \$5 by County Judge David Hamer Wednesday on a charge of minor in possession. Melvin Lamb, city police, signed the complaint.

Judge Hamer also fined two drivers for blocking a sidewalk and a private drive, Roger Harsley, Lawton, Ia., and Gene Schon, Emmet, Nebr., both paid fines of \$10 and costs of \$5 on complaints made by Keith Reed, city police. Three drivers paid fines for speeding. Harold Andersen, South Sioux City, paid a fine of \$15 and costs of \$5; C. Fransen, safety patrol, was the complainant. Steve Nelson and Rodney Haglund, both of Wakefield, paid fines of \$10 and costs of

\$5 on charges made by C. Fransen. Thursday William Kerning, Jr., Shenandoah, Ia., paid a fine of \$10 and costs of \$5 on a speeding charge made by Terry Rogers, safety patrol.

Friday Denny Sutton, Plattsmouth, and Danny Schroeder, Emerson, each paid a fine of \$10 and costs of \$5 on charges of speeding. C. Fransen signed Sutton's complaint and R. Tobey, safety patrol, signed Schroeder's complaint.

Also on Friday, Kevin Hartnett, Valentine, was fined \$25 and costs of \$7.50 on a charge of petty larceny. Gary L. Schiemer was the complainant.

WSC Band Day Will Host 18 Schools

Eighteen high school bands will come to Wayne State for the college's annual Band Day, Saturday, Sept. 28, WSC Band Director Raymond Kelton said Friday.

The bands are from Bancroft, Battle Creek, Bloomfield, Clarkson, Coleridge, Dodge, Emerson-Hubbard, Laurel, Leigh, Lyons, Madison, Orchard, Randolph, Spencer, Stanton, Stuart, Wayne and Woodbury Central of Movable, Ia.

Dr. Kelton plans rehearsal at 1 p.m. on the football field, the traditional parade at 3:30 from the campus to the business district, the pre-game procession into the stadium starting about 7 p.m., and a half-time show during the Wayne State-Missouri Southern game.

The 18 high school bands have about 640 musicians.

Need Names, Addresses for List

Have a son or daughter in the armed forces? If you do, The Wayne Herald would like to have his name and address.

Christmas will soon be upon us and we would like to print the names and addresses of all the people in the service from this area in the paper so anybody wishing to write to them or send them packages over the holiday season may do so.

We have printed the names and addresses of many servicemen in the Service Station already this year, but this will be a list

of names and addresses that will be an easy reference to anybody wishing to get in touch with those in the service.

So if you have a son or daughter in the service make an extra effort to send his or her name and address to us within the next week or so.

Send the names and addresses to: Christmas List, The Wayne Herald, Wayne, Nebraska.

The Wayne Herald will print the list in a coming issue of the paper, in time for readers to use it.

GARY SMITH recently was employed by Wilfse Funeral Homes as an apprentice mortician. Mr. Smith graduated from Kearney High School, served four years in the U. S. Navy and completed two years at Kearney State College. Recently he graduated with honors in restorative art from Washburn College of Mortuary Science in Chicago. He and his wife are living at the Wilfse Funeral home in Laurel.

Pledges at ISU

David Brown, son of Dr. and Mrs. J. M. Brown of Wayne, was one of fifteen new students who pledged Beta Theta Pi social fraternity at Iowa State University at Ames during rush week activities. The men will remain in pledge status until spring quarter. If their grade average permits, they will be activated at that time.

City Police Busy

Wayne police received a report Thursday from a businessman in town informing them that somebody has been writing no account checks with a forged name and a false address. Officer Paul Halley alerted the merchants to be more alert when accepting checks from strangers.

No description was available on the person writing the checks. The checks totaled about \$30.

Police also used the new tranquillizing gun for the first time on a dog. Wednesday the gun helped Officer Ron Pennerick catch a dog belonging to Roy Sommerfeldt of Wayne. The dog was impounded.

Officer John Reed ordered six cars towed Thursday morning because they had exceeded the 24-hour parking limit. The cars were parked along the 100 block on West Second.

Police investigated three auto accidents recently. One occurred on Thursday and involved cars driven by Clarence Stapelman, Belden, and Edward Krusemark, Wakefield.

Stapelman was backing out of a parking stall on the 100 block of Pearl when he collided with Krusemark. About \$50 damage was done to the Stapelman auto.

Another accident occurred Friday in the 300 block on West Fourth. Mrs. Marie Brittain of Wayne backed out of an alley and collided with a parked car belonging to Leslie Allerman of Winnside. Minor damage occurred to both cars.

Saturday a minor auto accident occurred just west of Main in the 100 block of West Second. Again a parked car was involved. Minor damage was done to one of the cars.

Librarians Meet

The fourth annual convention of the Northeast Nebraska Student Librarians association will be held Saturday at the Randolph Public School. This year's officers, Lee Trautwein and Denise Hansen of Winnside, president and secretary respectively, Judy Newton of O'Neill, vice-president, Brinda Grevson of Stanton, treasurer, and Helen Schlichting of Randolph, St. Francis, news reporter, will preside over the meeting.

The purposes of the Student Librarians association are to interest students in library work and give them the opportunity to meet other student librarians and to exchange ideas with them. The theme of this year's convention is "Our Library."

Delegates of the schools will discuss the special features of their library which may be helpful to other libraries. The last order of business of the day will be election of officers for the coming year.

NASFAA Fall Meeting Set for WSC

The Nebraska Association of Student Financial Aid Administrators will convene its fall meeting Friday, Sept. 27, at the Nebraska Vocational Technical School, Milford.

State College, association president, said one of the main speakers will be Harold W. Kennedy, director of student financial aids at Kansas State University.

Also on the speaking program: Michael R. White, assistant supervisor of student financial aids at Iowa State University; Thomas Whelan, field representative of the U. S. Regional Office of Education, and Robert Schoekler, director of the coordinating directorate, Nebraska Student Financial Aids.

The meeting begins at 9 a.m. Association officers in addition to Dr. Owens are Dr. Jean Harvey, vice president, Creighton University; Donald Towell, secretary, Kearney State College, and Ed Chenette, treasurer, Peru State College.

Compete at Omaha

Eight Wayne County 4-H members had planned on taking part in the 41st annual Ak-Sar-Ben Livestock Show scheduled for the Ak-Sar-Ben field in Omaha from last Friday through this coming Saturday.

Ranee Kiesche, David Anderson and Mary Pat Finn went to Omaha Saturday with County Agent Harold Ingalls to take part in the Dairy Show.

Tuesday Jack Slevens is scheduled to take part in the Beef Show, Thursday Amy Corvelli, Terry Davis, Tim Kerstine and Brad Frink will take part in the competition in the Horse Show.

WAYNE'S FIRST TOUCHDOWN in Friday night's 34-0 victory over Wisner was set up on this ten yard pass reception by Blue Devil Dan Sutherland. Sutherland was taken down by Wisner's Robert Moeller on the one yard line but only one more power play up the middle was needed to put Wayne on the scoreboard.

Wayne Blanks Wisner 34-0

The Wayne High School Blue Devils chalked up their second victory of the 1968-69 football season Friday night by blanking the visiting Wisner Bulldogs 34-0 at the WSC stadium. Coach Allen Hansen's much-respected grid-dens will be on the road next week (Sept. 27) at Neligh in search of their second conference win.

Possession of the ball had changed four times in the opening quarter of Friday night's action before the stage was set for Wayne's first touchdown drive. Defense was the name of the game as the Blue and White forced Wisner into a fourth and twenty punting situation at the Bulldogs' own 10 yard line. Wayne assumed control of the ball on Wisner's 29 after the Bulldog punt soared up of bounds on the west sideline. Six plays later the Blue Devils were on the scoreboard when senior halfback Dwayne De Turk capped the drive with a plunge from the one yard line. Terry Litze kicked the PAT giving Wayne a 7-0 lead with 2:19 remaining in the period.

Neither team was able to move the ball successfully for the rest of the first quarter but less than two minutes had elapsed in the second stanza before Wayne scored on a 30 yard pass from Dave Tietgen to Dan Sutherland. Vaughn North set up Wayne's second TD by blocking a Bulldog punt on a fourth and 36 situation. The extra point attempt failed but Wayne led 13-0 with 10:07 left in the first half.

Seven more points were added to Wayne's score in the first half when the Blue Devils ended a 46 yard drive with a 24 yard scoring pass from Henry to Doug Maurer. Bernie Binger set up the drive by recovering a Wisner fumble in the backfield. Litze's extra point kick was good making the score 20-0 with 3:38 remaining in the half.

A terrific goal line stance by the Blue Devils ended the first half as Wisner was unable to score from the five yard line in a series of four downs. The Bulldogs had previously moved the ball 63 yards in 12 plays following Wayne's kickoff.

Wisner was allowed only one play from scrimmage following Wayne's kickoff to start the second half before Sutherland set up Wayne's fourth touchdown by intercepting a pass on the Bulldogs' 34 and returning it nine yards. Three plays later Henry Tietgen crossed the goal from the two yard line behind Roger Binger's interference. The PAT attempt was good and Wayne held a comfortable 27-0 advantage.

The third quarter ended with Wayne's final touchdown in sight as the Blue Devils took control of the ball on downs at their own 47 and moved it to Wisner's four before time ran out.

Only seven seconds were needed in the final quarter for the Blue and White to score on a four yard quarterback keeper by Helgren. A fake kicking attempt with Helgren doing the running gave Wayne its 34-0 lead which endured for the remainder of the game.

Randy Helgren was Wayne's leading rusher with 44 yards and two touchdowns. He was followed by Dwayne De Turk with 36 yards and one TD, Dan Sutherland with 30 yards and one TD, Dick Tietgen with 24 yards, Les Feltenkamp with 19 yards and Wandy Robins with 15 yards.

Sutherland was Wayne's leading pass receiver with two re-

ceptions for 37 yards. He was followed by Doug Maurer with one reception for 24 yards and a touchdown, and Randy Helgren with one reception for 24 yards.

Bernie Binger led Wayne's defense with eight tackles and three assists. He was followed by Harry Linder with six tackles and five assists; Les Feltenkamp with five tackles and two assists; Doug Maurer with five tackles and one assist; Steve Mrsny with four tackles and three assists; Dwayne De Turk with three tackles and two assists; and Mike Biltoff and Ken Jorgensen with three tackles and one assist each.

Wayne Frosh Roll, Down Pierce 38-0

Wayne High School Freshmen opened the football season by swamping Pierce 38-0 in a home game Thursday afternoon.

Getting off to a brilliant start, Wayne took the opening kickoff on their 20 and opened the way for an 80 yard touchdown run by Fullback Donnie Hansen. Later in the game Hansen added another touchdown run to begin the season in fine fashion.

Not to be outdone by Hansen, Quarterback Lonnie Biltoff scored two touchdowns for Wayne in the action.

Wayne led 12 to nothing at the end of the first quarter, 18 to nothing at halftime and 31 to nothing at the end of three quarters.

Gaining the most yardage in the game was Biltoff as he ran up the middle and around the ends. Making a strong offensive line showing were Guard John Roberts and Center Bill Fletcher.

Making strong showings defensively were Fletcher, Biltoff and Right End Tom McRight.

The Freshmen see more action Thursday when they host Norfolk Cedar Catholic at 4 p.m.

They also have five other games this season. The schedule includes:

Thursday, Oct. 3, at West Point Cedar Catholic, 4 p.m.
 Thursday, Oct. 10, at Norfolk, 3:45 p.m.
 Thursday, Oct. 17, Schuyler here, 4 p.m.
 Tuesday, Oct. 22, at Stanton, 4 p.m.
 Thursday, Oct. 31, at West Point, 4 p.m.
 Coach this season for the Freshmen is Don Johnson.

Wayne Reserves Maul Laurel

Wayne High School football reserves mauled the Laurel reserves 38 to 0 Tuesday night at Laurel in their opening game of the season.

Wayne players racked up a 13 to 0 score before halftime. Halfback Wandy Robins went six yards straight up the middle for the first Wayne score. Quarterback Ted Armbruster added six more points to put Wayne out front 12 to 0 on a quarterback sneak for 10 yards. Robins made the extra point on an end run.

In the second half Wayne continued its strong defensive game and stepped up its offensive play.

Docked by the strong defensive playing of Gary Heithold, Scott Kerl, Charles Weiblo, Dave Stovers and Mike Biltoff, Wayne racked up four more touchdowns and one more extra point.

First score of the second half was on Dick Tietgen's seven yard run. Jim Kenny broke loose next for a 25 yard touchdown run and Lynn Gunderson kicked the extra point. Ted Armbruster put Wayne on the scoreboard for the last time on a five yard pass to Rick Robins.

The reserves see more action today when they host Pierce at 4 p.m. on the practice field near the elementary school.

Following is the schedule for the rest of the season for the reserves:
 Monday, Sept. 30, at Pender, 7 p.m.
 Monday, Oct. 7, Wisner here, 4 p.m.
 Monday, Oct. 14, West Point Cedar Catholic here, 4 p.m.
 Monday, Oct. 21, at South Sioux, 4 p.m.
 Monday, Oct. 28, at Norfolk Cedar Catholic, 4 p.m.
 Coaches for the reserves this year are Ron Carnes and Don Koenig.

Over 100 Boys Out for Rec. Football

After a successful season of baseball, Hank Overin, recreation director, is back in the swing of things as the football season shifts into high gear.

Overin has 27 boys signed up for the Junior High football program and 48 boys signed up for the Recreation League. There are 30 youngsters from the fourth and fifth grades signed up for flag football. The other boys will play tackle.

Wednesday will be the first chance for the Junior High boys, eighth graders, to see action. They journey to Laurel for a tilt at 4:45.

The tentative schedule for this group includes: Wayne Freshmen Reserves Oct. 1, at Pierce Oct. 21 and at Walthill Oct. 28.

The Recreation League, sixth, seventh and eighth graders, is divided into four teams and they will play games Tuesday nights at 6:15 and 7:15 p.m.

Their schedule is as follows:
 Sept. 24, Red vs. White and Gray vs. Orange.
 Oct. 2, Red vs. Gray and White vs. Orange.
 Oct. 9, White vs. Gray and Orange vs. Red.
 Oct. 15, Gray vs. Orange, and

Red vs. White.
 Oct. 22, White vs. Orange and Red vs. Gray.
 Oct. 29, Orange vs. Red and White vs. Gray.

The boys out for flag football will play games among themselves on Saturdays from 10 to noon and on Wednesdays from 4 to 6 p.m.

Resettlement of the South Atlantic Isle of Tristan da Cunha in 1963, 18 months after a volcanic eruption forced the evacuation of the 264 inhabitants, was financed by the sale of postage stamps commemorating the return of the exiles, National Geographic says.

A FEW MORE YARDS were being added to Dick Tietgen's (11) rushing total when this picture was taken during Friday night's competition. Blue Devils shown leading interference are Les Feltenkamp (30) and Gary Heithold (81).

WINSIDE GETS NO GAIN in this play during Friday's home contest with Allen. Making the tackle are Al Smith (42) and Kevin Hill (24). Rushing in to give aid are Larry Carr (20) and two other Allen players. Allen lost the game 18 to 7.

Break long losing streak - -

Winside Wildcats Hand Allen 18-7 Loss

After seeing Allen control the game in the first quarter; Winside came back to life in the third and fourth quarters to knock off the Allen Eagles 18 to 7 in a home game Friday night.

It was the Wildcats' first victory of the season after taking a 25-0 dubbing by Emerson-Hubard in the season opener at Emerson Friday, Sept. 13. Winside fans roared their approval at the end of the game, remembering last season's record of eight losses and no wins. Both are now 1 and 1 in the Lewis and Clark Conference.

From the opening kickoff by Allen until the end of the first quarter it looked like Allen's ball game all the way. Forcing Winside to punt from their 24 yard line after their first series of downs, the Eagles marched all the way to Winside's three yard line before being thrown back to the eight on the fourth down.

Getting little yardage, Winside punted out of trouble to their own 34 only to see the determined Eagles put on another march that again brought them to only about four yards from the goal line. Again Winside forced the Eagles to hand over the ball when Quarterback Craig Schultz failed to get the needed yardage for a first down, but the Wildcats had to punt out of trouble deep in their own territory and the first quarter ended with Allen

From the opening kickoff by Allen until the end of the first quarter it looked like Allen's ball game all the way. Forcing Winside to punt from their 24 yard line after their first series of downs, the Eagles marched all the way to Winside's three yard line before being thrown back to the eight on the fourth down.

Getting little yardage, Winside punted out of trouble to their own 34 only to see the determined Eagles put on another march that again brought them to only about four yards from the goal line. Again Winside forced the Eagles to hand over the ball when Quarterback Craig Schultz failed to get the needed yardage for a first down, but the Wildcats had to punt out of trouble deep in their own territory and the first quarter ended with Allen

to Allen's 33.

Allen opened up on their second down with a pass from the quarterback to Wingback Kevin Hill which went from Allen's 49 to Winside's 25. Angrier first down put the Eagles to Winside's 11 before another fumble proved costly for the Eagles.

Winside finally moved into Eagle territory with about two minutes left in the first half but were stalled on the Eagle 45 and were forced to punt.

After getting the ball once again Winside's Quarterback Al Smith picked his pass out of the air on Winside's 33 and raced all the way into the end zone for the first score of the game with 1:05 left in the first half. Larry Carr ran around the end for the extra point to put Allen in front 7 to 0.

And then Winside exploded for the first time in the game. End Robert Wacker took Allen's kick on Winside's 10 yard line and raced all the way home to make the score 7-6. Winside's try for the extra point failed at 49 and Allen took an uncomfortable one point lead into the halftime.

Allen saw the tables reversed in the third quarter as Winside forced a punt from Allen after they gained only six yards in three tries. Winside took the kick on the 50 and began a sustained march that crossed the goal on a one yard run by Fullback Kirt Schellenberg with 5:48 left in the third quarter. Again the extra point failed for Winside and they settled for a 12 to 7 lead.

Allen's Al Smith took Winside's

punt on his own 27 and did some fancy running before being knocked down on Winside's 45. Getting pushed back to their 48 in the next three plays, Allen was forced to punt, only to see the punt career out of bounds on Winside's 47. Bob Wacker was tripped up on the third down by Allen before he could make the needed yardage and Allen took the punt on their 24.

Strong defensive play by Winside pushed Allen back to their 20 and forced them to kick on fourth down. Bob Wacker broke through Allen's line, blocked the kick and recovered for Winside on Allen's eight.

On the second play in the last quarter the Quarterback handed the ball to Wacker on a right end sweep from the five which put Winside ahead 18 to 7 with 11:18 remaining in the game. Another try for an extra point failed.

Holding the Eagles to no gain after the kickoff, Winside moved from their own 40 to Allen's 30 and a third and three situation. The attempt for the first down failed and Winside handed Allen the ball on Allen's 38 with 5:29 left in the game.

On their second play Winside was called for pass interference, moving the ball to Winside's 46, and it looked like Allen was finally going to penetrate into Winside's territory for the first real time since the second quarter.

But Winside's defense intercepted Allen's second down pass, giving them control with only 4:15 left in the game. Failing to make a first down, Winside punted the ball to Allen's 28 and held Allen for only three yards in their next four plays. Winside took over on Allen's 32 with only 1:30 left. The game ended with Allen stymied on their own 46. Despite the loss, Allen gained a total of 195 yards compared to Winside's 158. Allen rushed for 135 yards and passed for 60.

THROUGH THE HUB. Mary Ellis, in this flaming baton routine during the Wayne-Winsider game maintained such stability in her twirling that a bandsman's uniform, music and instrument are visible through the center of the fire. Mary dem- onstrated her prowess during half-time entertain- ment.

Winside rushed for 138 and passed for 20.

Leading carrier for the winners was Bob Wacker with 63 total yards and a three yard average. Kirt Schellenberg carried for 34 yards and a 2.4 average and Doug Deck tallied up 23 yards and a 3.9 average.

Larry Carr led the losers in yards gained with 43 and a six yard average. Kevin Hill gained 34 yards for a 7.5 average and Al Smith racked up 15 yards and a 4.25 average.

Quasar...color TV that's worth looking into...

Quasar Color TV is the set with the "works in a drawer"

The works: 10 tubeless plug-in mini circuits for solid-state dependability and fast at-home service. It's so dependable you get a two year guarantee.

Quasar is worth looking into because it's a different kind of Color TV. It's all solid-state (except the rectifier and picture tube). That's different. Most of the components (or works) are in a drawer in the form of 10 plug-in mini circuits. And that makes Quasar different because it's a snap to service in your home.

Quasar provides a difference in dependability, too. Because the mini-circuits are tubeless, solid-state devices, designed to work for years without burning themselves out. And that's a big difference. Tubes burn out as they work. In time, they just naturally go dead. Not Quasar! No tubes! But if Quasar should ever need service, there's a pleasant difference there, also. A serviceman can replace a mini-circuit in minutes in your home, not the repair shop.

If you've been looking for something different in Color TV, something better, stop and see the 23-in. picture (measured diagonally) 295 sq. in. Color TV. It's worth looking into.

All 82 channel UHF/VHF

Two Year Registered Guarantee on Picture Tube and All Parts

Longtime Army Man SWAY Winner

Leon R. Koch, a SWAY winner at the drawing Tuesday, Sept. 12, is presently stationed in Ethiopia, Africa. He is the son of Mr. and Mrs. Allan Koch of Winnside.

A 1953 graduate of Winnside High School, Koch entered the Army in 1954 after attending Wayne State College for one semester. He took his basic training at Fort Leonard Wood, Mo., and was first assigned to duty in Japan. In 1956 he married a Japanese girl in Japan.

After leaving Japan, Koch was stationed at Fort Riley, Kan., for three years. From there he was sent to Germany, spending from 1962 to 1964 in that country. He returned to the states for an assignment to Fort Campbell, Ky., and stayed there until 1965.

In 1965 Koch went to Fort Ord in California for language training for one year. He learned Arabic while there and was then assigned to Fort Bragg, S. C., for six months.

After spending Christmas of 1966 at home with his parents,

Koch left on New Year's Day in 1967 from Fort Dix, N. J., for Africa. He is now Quartermaster, although he had thought he would be assigned duty as a translator after taking training in the language.

A Staff Sergeant, Koch and his wife have three boys, Jay Lee,

Thomas Dee and Mark Alan. His address is SSG L.R. Koch, RA 5544628, Box 101 Hq. Co. 4th USASAFS, APO New York 09843.

A letter and an address has been received from Delmar Parshall, a serviceman whose name was drawn Monday, Aug. 12. He is the son of Mr. and Mrs. Paul Parshall of Atkinson. The Parshalls were former Wayne area residents.

Parshall underwent basic training at Lackland Air Force Base in Texas, completing the training in August. His new address is AMN Delmar Parshall,

AF 69046794, CMR Box 1108, AF B Charleston, S.C. 29404.

Vernon S. Oswald and Dallas D. Puls had their names drawn at the drawing Sept. 12. Both were inducted into the Army in July and left Wayne for Omaha Tuesday, July 16. Oswald is the son of Mr. and Mrs. Erwin Oswald of Wayne and Puls is the son of Mr. and Mrs. Reuben Puls of Hoskins. No addresses have been received for these SWAY winners.

Mark S. Canning, 21, grandson of Mrs. W. P. Canning of Wayne, had his name drawn at the SWAY drawing Tuesday.

He is the son of Lt. Col. William B. Canning and he entered the service in July. Mark went to high school for a short time in Wayne, according to Mrs. Canning, but he graduated from high school while his father was stationed in Germany. He also attended Wayne State College in 1966. His father graduated from Wayne High School and is mar-

ried to the former Mildred Mau, daughter of Mrs. Anna Mau of Wayne.

No address is available for Mark, but his father's address is 113 Sabine Dr., Villa Sabine, Pensacola Beach, Fla.

Pfc. William Kramer has completed a 10-week course in individual medical training at Fort Sam Houston in Texas. He is the son of Mr. and Mrs. William Kramer, Jr. of Wakefield and a 1966 graduate of Wakefield High School. His address is Pfc. William F. Kramer, US 56545616, Medical Detachment, Kirk Army Hospital, A.P.C. Maryland 21005.

Ale Hart J. Vollers, son of Mr. and Mrs. George Vollers of Concord, recently wrote his parents that he has volunteered for augment duty at Phu Cat Air Force Base in Vietnam. The duty required more training in M16's and other weapons. He recently completed the two-week training that now enables him to help defend the base if it ever comes under attack. He has already been assigned night guard duty.

Mrs. Vollers said her family is now sending tape recordings to her son in Vietnam so he can play them on his recorder. Her son has also sent some of his recordings home.

LaVerl (Curly) McDonald of the Concord and Laurel area is presently taking his basic training at Amarillo Air Force Base in Texas. The son of Mr. and Mrs. Franklin McDonald, he is a 1968 graduate of Laurel High School.

Anyone wishing to write to him should use the following address: A. B. LaVerl McDonald AF 68065155, F. L. 7, 349 Sq. DN

Nebraska High Schools Classified

The Nebraska High School Activity Association has finished the A-B-C-D classification of all the schools in the state. The classifications are made primarily for athletic activities throughout the year.

Wayne High School remains in Class B with 213 boys enrolled. Other area schools in the same class are Hartington (athletic with 177 boys, Scribner with 130, Bloomfield with 122, Madison with 122 and Laurel with 119.

Area schools in Class C include (boys enrolled in parentheses) Crofton (119), Emerson (114), Plainview (111), Pender (107), Wisner (99), Ponca (89), Allen (80), Wakefield (80), Winnside (80), Coleridge (61) and Hartington (58).

In Class D area schools include Wynot (56), Pilger (45) and Emerson Sacred Heart (43).

The 32 schools in Nebraska with the highest enrollment of boys are classified A. The next 64 are Class B, the next 128 (Class C) and the remainder are (Class D). Class A schools range in boy enrollment from 1,681 to 318, Class B from 309 to

119, Class C from 119 to 57 and Class D from 56 to 8.

Winside Faculty Sets Meetings

Winside High School Superintendent Joe Masten has announced that there will be faculty meetings every first and third Wednesday of each month during the school year. Due to the meetings, students will be dismissed at 3 p.m. on those days and the buses will begin their runs early.

Allen Students Get Health Check-Ups

Educational Service Unit One will hold health checkups in the Allen Consolidated Schools all day both Tuesday and Wednesday. The examinations will be administered to all students in grades kindergarten through the senior class.

Pvt. Alan L. Prouse, son of Mr. and Mrs. Maynard Prouse, formerly of Allen and now of Duarte, Calif., is now stationed

at Fort Ord, Calif. He is the grandson of Mr. and Mrs. Ezra Christensen and Dr. and Mrs. Harvey Prouse of Allen. His address is Pvt. Alan L. Prouse, U.S. 56731267, 3rd Platoon C 33, Fort Ord, Calif. 93941.

Ensignman Third Class Gary L. Langemeier, USN, son of Mr. and Mrs. Harvey G. Langemeier of Randolph, is serving aboard the guided missile destroyer USS Waddell.

The ship has returned to the guilne off the coast of North Vietnam for the third time.

The day of the Waddell's return to the combat zone was the fourth anniversary of the ship's commissioning.

To start the day off the ship fired at a causeway linking an enemy transportation network. Aerial observers reported the approaches were chewed up and the causeway itself sufficiently damaged for the Waddell to withdraw.

As the guided missile destroyer headed for sea and a breather from the operations of the day, a fourth anniversary birthday party was held on the ship's mess deck.

KENT CALORIE-CONTROLLED SOW CUBES

Kent Sow Cubes are specially formulated to reduce sow feeding costs. They feature an extremely low calorie level, and high levels of protein, vitamins and other pig building ingredients. Many hog raisers find Kent Sow Cubes save them 25 to 30% on feed, and give them heavier pigs at weaning, more pigs farrowed and more pigs weaned. EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers. It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

One Way to Start

Implementation of Wayne's Comprehensive Plan, a program for orderly growth of the city, was urged Friday morning by a representative group of Wayne businessmen.

Included were former planning commission members, Chamber of Commerce directors, heads of Chamber committees.

The group had met at the request of R. G. Fuelberth and other members of the original commission.

First step in the implementation of the plan should be adoption of the traffic flow pattern recommended in the plan, paid for and adopted by the city some time ago.

This could be done at the same time the paving is completed on Highway 15 at the south edge of Wayne.

Thus Pearl street would become one-way southbound from Fifth to Clark Streets; Logan would become one-way northbound from Fairgrounds avenue to Fifth street.

Main street would remain a two-way street but the two one-way streets certainly would allow for faster and easier traffic movement. In addition, the one-way could serve as by-pass routes for through highway traffic.

This probably is the opportune time to institute the one-way system. If the weather clears it should not be long before the paving and blacktopping on Highway 15 south will be complete. Work will be starting this week on the Seventh and Main intersection, calling for a certain amount of detour to permit the work to be accomplished.

In the time necessary to accomplish the intersection improvement local traffic would become accustomed to the one-way pattern.

A further argument in favor of adopting the one-way now is this: Local traffic seems to be making increasing use of the two streets in the

You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

manner prescribed in the Comprehensive Plan, even without the one-way designation.

Much of the southbound traffic comes down Pearl from Seventh; much of the northbound traffic uses Logan to Seventh.

Despite the fears of a few, the one-way system could be implemented with little problem.

Main Street would continue to be a two-way street. Pearl would be one-way from Fifth to Clark; Logan would be one-way from Fairgrounds avenue to Fifth; the block either side of Main on Fourth and Fifth streets would be one-way west. First street and Clark streets in the block west of Main would become one-way east and Fairgrounds from Main to Logan would be one-way east.

The accompanying map graphically indicates the flow desired.

The plan was completed at the cost of some dollars and not a small amount of work and planning on the part of many local people.

Adoption has been expressed. Now implementation is necessary. And no job can be completed until after it has been started.

About the only costs to the city for this project would be the erection of signs designating traffic flow.

The traffic light recently erected at Third and Pearl streets would continue to be valuable to permit cross traffic. No parking would be lost along the route.

Also shown on the accompanying map are areas designated as proposed parking areas with the numbers of cars they could handle. These areas are not now up for consideration, however they should be used posthaste.

First things first, however, and the one-way streets could be the kick-off in the implementation of the Comprehensive Plan.

Reckless driving was involved in more than one third of the personal injury accidents in 1967.

Letters to the Editor

Dear Editor:

Sometime ago our club wrote you a letter condemning the type of movies that were being offered in Wayne. Now we feel it is only fair to turn around and throw a few bouquets for the type of movies now being offered, with special reference to the children's matinees now showing on Saturday and Sunday. Our hats are off to Mr. March and the Gay Theater.

News of the Week

Henry Kopping went to Omaha yesterday to purchase cattle for feeding. Henry has about the finest corn crop ever raised in Wayne County.

A drive across the country to Carroll Tuesday afternoon convinced the writer that Wayne county has a better corn crop than for many years and that it is the best county in the state.

L. P. Gaertner has purchased one of the finest hearse that can be procured of the kind. It is superior in every particular to the one he now possesses and considerably larger. By his push and enterprise he has built up a large business.

Last Saturday S. F. Auker shipped a lot of

cattle for the sale advertised and one of the steers was crippled in unloading. While driving the cattle through the street the animal in question became angry and ran in on the Baptist church lot. Otis King took his hat and endeavored to drive the steer to the street, but the enraged animal made for him and Otis' coat tail stood straight out as he made tracks. A. R. Davis made a dodge for a tree and O. B. Taylor jumped a fence as did others. Near Loy's residence corner candidate for Treasurer, J. M. Cherry, came along and the maddened steer charged for him. Jack made a number of dodges behind a tree, but to no avail and finally climbed the tree with the agility of a squirrel. However that's nothing to what Joe Jones the republican candidate for Treasurer will do to him this fall.

College Notes

Two new type-writers have increased the efficiency of the type-writing department. Miss Rella is in charge of the short-hand and type-writing and is giving splendid satisfaction both as instructor and practitioner of the arts she teaches.

Steps Taken to Halt Hog Disease

Eight cases of hog cholera have been confirmed in the York area during the past two weeks, according to Dr. E. H. Nordstrom, federal veterinarian in charge, and Dr. S. H. Florin, state veterinarian.

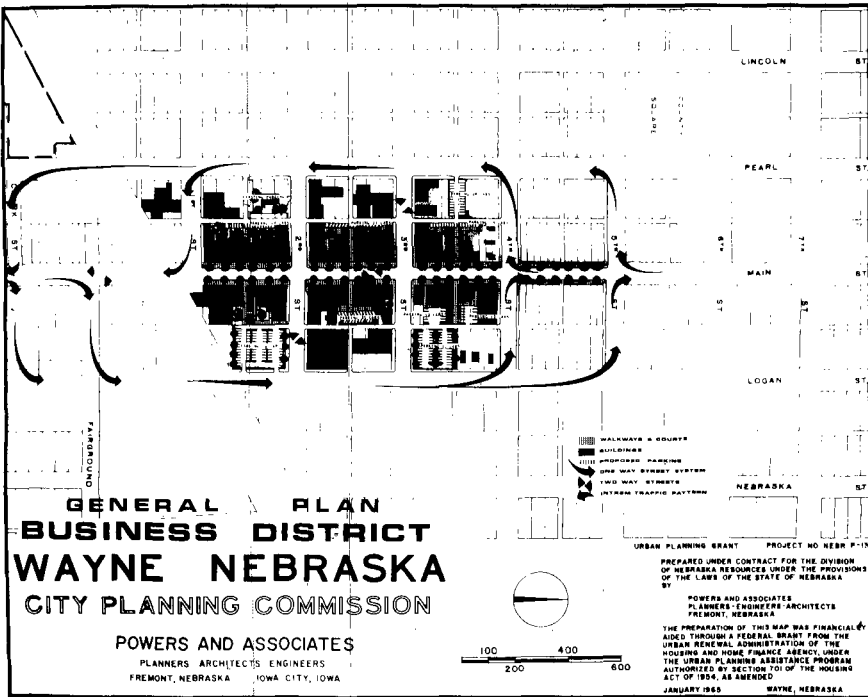

All of the infected herds have been depopulated and the premises are now being disinfected for the second time. Six hundred and four swine were involved in the outbreak with approximately \$18,000 of state-federal funds expended for indemnity payments to owners of infected swine.

The outbreak is confined to a very small area approximately two miles square. Precautions

are being taken to prevent further spread. No new confirmed cases have been uncovered since Monday, Sept. 16.

Swine owners should stay out of swine lots other than their own and keep other people out of their hog lots. The owner can best help himself and the swine industry by reporting any sick hogs to his local veterinarian. Isolate any recent or future herd additions for at least thirty days.

Out of Old

The Big Springs Train Robbery "No. 4 has been robbed of \$60,000 at this station."

The message from Big Springs, Nebr., was received at Union Pacific headquarters in Omaha late in the night of Sept. 18, 1877. The station, now in Deuel County, consisted of the depot, station agent's home, section house and water tank.

On this bright moonlight night shortly before the passenger train was due from the west, two masked men had entered the depot and ordered the station master, John Barnhart to dis-

mantle his telegraph instrument. He was then told to hang out the red light and get the mail ready.

When the train stopped for the red light, the engineer and firemen were ordered down and placed under guard. The station agent was ordered to command the express agent to open the door of the express car. Three of the six robbers entered the car and ordered the agent to open the safe. He declared that no one had the combination except someone at headquarters, and the robbers began to beat him. They might have killed him, had not the conductor persuaded them the agent was telling the truth.

The robbers had almost given up getting the gold when one of them noticed three strongboxes set beside a wall of the car. They knocked the top off one and found it full of \$20 gold pieces. They hastily emptied the boxes into the strong grain sacks they had brought. Meanwhile, other robbers were going through the cars taking money and jewelry from the passengers.

They then mounted their horses and disappeared. On their way

east they hid their loot and soon appeared in Ogallala, where they spent several hours drinking and gambling. One by one they slipped away, recovered their loot and were away to the south.

Two passengers on the train had recognized one of the robbers in spite of his mask, as Joel Collins, a Texan. When they reached Omaha, they notified railroad officials. The evening after the robbery the superintendent of the Pacific company's express division arrived at Ogallala and hired M. F. Leech, who had been in business there for about three years, to trail after the robbers. Leech had previously had some experience as a detective.

Late at night on Sept. 23 he discovered the robbers' camp in a thicket. Tying his horse, he crept up to the camp and found all six robbers asleep. Their gold lay in sacks beside them. He recognized the men as Joel Collins, Sam Bass, James Berry, Bill Heffridge, Jim Davis and Tom Nixon.

The following evening he came near enough to their camp to learn their plans. Leech then hired a runner from a nearby ranch to hurry to the Kansas Pacific Railroad to watch for the robbers' appearance. Ten U.S. cavalry men were detailed to assist the law officers. On Sept. 25 Collins and Heffridge rode into the Buffalo, Kansas, tank station. Sheriff Beardley of Hays, Kan., and the soldiers were waiting in a ravine. When they left Buffalo, the sheriff was notified.

The two bandits were stopped and charged with the robbery. When they attempted to draw their revolvers, the soldiers shot them dead.

James Berry later returned to his old home in Callaway County, Missouri, critically wounded by the local sheriff. Before he died, he confessed to his part in the robbery but would not name his companions. Sam Bass was killed by Texas Rangers at Round Top, Texas, resisting arrest. Jim Davis and Tom Nixon fled and were never captured. Of the \$60,000 taken by the bandits, \$40,000 was recovered.

A Historical Land Mark Council marker has been erected in Big Springs to note this first and greatest robbery of the Union Pacific.

Recent Federal Law Raises Payments to Disabled Veterans

More than 12,000 disabled veterans in Nebraska will receive approximately \$1.5 million in higher payments in 1969 due to a new law signed by President Johnson increasing service-connected disability compensation benefits.

Caldwell W. Nixon, Manager of the Veterans Administration Regional Office, Lincoln, said that beginning January 1, 1969, VA payments to Nebraska veterans with 100 per cent service-connected disabilities will be

Dairy Specialist Computes Value of Common Feeds

Dairymen today are asking a very important question, "What are different feedstuffs worth to feed to my dairy herd?" Don J. Kubik, extension dairy specialist for Northeast Nebraska answers the question this way: "We must evaluate and put a price on each feed on the basis of its feeding value and not its market value." Kubik has computed the relative feeding value of the most common feeds used for dairy cattle and has them listed below with their maximum value as fed to dairy cattle.

| | |
|-------------------------|------------|
| Alfalfa Hay (Excellent) | \$36.00/T |
| Alfalfa Hay (Good) | 31.00/T |
| Alfalfa Hay (Fair) | 25.00/T |
| Alfalfa Hay (Stemmy) | 22.00/T |
| Dehy 20% | 42.00/T |
| Dehy 17% | 34.00/T |
| Concentrates | |
| Sorghum or Milo grain | \$2.12/cwt |
| Corn & Cob Meal | 1.30/cwt |

| | |
|---------------|----------|
| Beet pulp | 1.90/cwt |
| Cane molasses | 1.50/cwt |
| Oats | .68 |
| Wheat Bran | 2.30/cwt |

| | |
|---------------------------------------|-----------|
| Silages | |
| Wilted Alfalfa Silage | \$13.60/T |
| Sorghum | 7.00/T |
| Corn Silage (Well matured well eared) | 7.50/T |
| Corn Silage (Well matured fair eared) | 6.00/T |
| Corn Silage (Immature) | 5.00/T |
| Corn Silage (No ears few leaves) | 4.50/T |

These figures are based on the price of corn and soybean oil meal at today's prices and are the dollar value for Dairy Cattle. The same is not true for other livestock, according to Kubik. Kubik advises farmers to use this table as their planning guide for winter feeding.

NFO Meets Tonight

Milo Bartek, newly-elected NFO national director from Nebraska, will speak at the NFO meeting in the Wayne county ASCS office tonight at 8 p.m., according to Rolland Victor, chairman of NFO in this county. Bartek is the chairman of NFO in Saunders county.

Delegates from Wayne county attending the state NFO convention at Grand Island Sept. 14 were Mr. and Mrs. Dean Sorenson, Mr. and Mrs. Al Daben, Mr. and Mrs. Lloyd Dunklau and Mr. and Mrs. Victor.

In recent activities, the NFO held an organizational meeting at the Carroll auditorium Tuesday night. William Sellhorst, national director and state president of the organization, was featured speaker. A tri-county meeting was held in Randolph Thursday night with Sellhorst again speaking to the group.

Similar meetings are being planned for all the towns in Wayne county, according to Victor.
