

HOMECOMING HIGHLIGHT. Sue Ehlers (second from left) expresses in her face her delight on being crowned Wayne High Homecoming Queen Friday night at halftime ceremonies in the Wayne-Stanton battle. Bernice Binger (third from left) holds the football presented to him for being

selected Homecoming King. Attendants crowning the King and Queen were Marty Willis and Joedy Hoogner. A bit puzzled by the whole affair were the crownbearers, Valita Schumacher and Kent Mills.

Binger, Ehlers Named WHS Royalty

Wayne High Blue Devils just kept right on walking and by the end of the game had racked up their fourth straight win of the season by knocking off visiting Stanton 26-7 in their Homecoming game.

In halftime activities Bernice Binger was crowned Homecoming King and Sue Ehlers was crowned Homecoming Queen. Their parents are Rev. and Mrs. Ervin

Binger and Mr. and Mrs. Alvin Ehlers.

A huge crowd almost filled the stadium at Wayne State College to see the game and coronation ceremonies.

Attendants crowning the royalty were Joedy Hoogner, son of Mr. and Mrs. Harold Hoogner, and Marty Willis, daughter of Mr. and Mrs. Stanley Willis. Crown bearers during the halftime ceremony were Kent Mills, son of Mr. and Mrs. Verne Mills, and Valita Schumacher, daughter of Mr. and Mrs. Don Schumacher.

Wayne High School's Homecoming dance took place Saturday night in the high school auditorium.

For a complete story of the Wayne-Stanton battle please turn to the sports section.

Kiwanians to Aid Broberg

Wayne Kiwanians have a "Trick or Treat" candy sale underway with Ray Schreiner, Chairman. Purpose of the sale is to use the proceeds as a helping hand to Verne Broberg, awaiting a kidney transplant at the Mayo Clinic. Verne and his wife, Karen, are former residents of Wayne, in fact, Verne was one of the first recipients of the Masters Degree in WSC Graduate program on July 26, 1957. His wife is the former Karen Long.

Verne Broberg suffers from chronic glomerulonephritis (inflammation of the kidneys). Lincoln doctors diagnosed the disease in 1953 when he was taking a physical examination prior to entering Naval reserve officer training school. Doctors informed Verne that he had had the disease since he was eight years old and it would get progressively worse.

Dr. William Johnson, director of Mayo's artificial kidney division, has said that about 5,000 people each year suffer kidney failure. Of this number 4,500 are facing death because there are only medical facilities and equipment to treat approximately

500 patients each year.

WSC campus members of the Circle K and Epsilon Pi Tau organizations will be helping with the sale of the candy at \$1 a bag.

Kiwanians are also planning to have a booth downtown making the bags of candy available for purchase by all interested individuals. Purchasing the Trick or Treat candy will not only provide "goodies" for the goblins on the home front, but more importantly will financially assist a former Wayneite in an hour of need.

New in Nebraska? Must Apply for Ballot

New residents who have not lived in Nebraska over six months and residents in Wayne or Wayne County who have moved from one ward or precinct to another had better take the necessary steps or they will be unable to vote in the general election Nov. 5, according to Norris Weible, county clerk.

People now living in Wayne who have just recently moved to Nebraska have to make application at the county clerk's office in the Wayne County courthouse at least two days before the general election or they will be unable to take part in the election, Weible said. The new residents who have not lived in Nebraska at least six months should do this as soon as possible. At the same time as filling out the application, the new resident will vote in the presidential race, Weible noted.

Weible also warned Wayne residents who have recently moved from one ward to another that they must reregister at his office before Oct. 25 or they will not be eligible to vote in the general election. The same rule applies for rural Wayne County residents who have moved from one precinct to another.

There are three wards in Wayne and 14 precincts in Wayne county. The wards in Wayne extend to the city limits and cover the following areas: First Ward—south of Fifth; Second Ward—north of Fifth and east of Main; and Third Ward—north of Fifth and west of Main.

Voters in the First Ward cast their ballots on Nov. 5 at the Fire Hall; voters in the Second Ward cast theirs at the Public Library; and voters in the Third Ward cast theirs at the courthouse.

The fourteen precincts and the places where the voters cast their ballots are as follows:

- Brenna, School District No. 23;
- Strahan, School District No. 51;
- Hunter, undecided; Hoskins and the village of Hoskins, Hoskins town hall; Garfield, School District No. 55;
- Sherman and the village of Sholes, Nelson's Steak House; Hancock, Winside city auditorium; Chapin, Winside Legion Hall; Winside, Winside city auditorium; Wilbur, undecided.
- Plum Creek, School District No. 34; Leslie, School District No. 25; Logan, Wakefield school house; Deer Creek and village of Carroll, Carroll auditorium.

People who have not yet registered to vote in the general election have until Oct. 25 to do so, Weible said. Voters who will be absent from Wayne on Nov. 5 have until Nov. 2 to pick up their ballots at the clerk's office, and voters who are disabled have from Oct. 26 until Nov. 4 to pick up their ballots at the clerk's office. A physician's statement stating the reason the voter cannot go to the polls must accompany the application.

A conflict in scheduling brought about the change, Kemble added. The meeting time, 7 p.m., remains the same.

Up for further discussion will be a move to change the zoning of land laying east of the National Guard Armory on the north side of Highway 35 from R-1

and A-1 designations to B-1, which would allow for highway businesses to be built on the land.

Current zoning allows only residential building or agricultural use.

Social Security

A representative of the Norfolk Social Security office will be in Wayne Oct. 15 to serve persons in and around Wayne. Persons wishing to contact the representative may visit him at the court house in Wayne from 1-3 p.m.

Asphalt Production Has Own Recipe

A four-acre site, and eight, eight miles south of Wayne, has been a busy place for the past two months. Dobson Bros. Company of Lincoln moved onto the four acres some two months ago, commencing operations to resurface Highway 15. With the project nearing completion, the equipment, large and small, will be moved out by next week, according to Kenneth Fuhrer, an employee of the plant.

The asphalt recipe, providing an all-weather surface when packed and finished, is a combination of 80 per cent 2A gravel, 13 per cent fine sand, 7 per cent mineral filler and 4.3 per cent asphaltic cement.

Thieves Break Into Winside Store

Carl Troutman, owner of Troutman's Super Saver Store in Winside, reported that somebody broke into his store Friday night, Sept. 27, and stole about \$6 in cash from the cash register. The theft took place sometime between 2 and 6 a.m. They entered the store by breaking the front door window with a large rock and unlocking the door. He thinks that some articles were taken from his shelves, but he has no way of knowing for sure what or how much was taken.

Whoever broke into the store

also opened the safe Troutman has in another part of the store. Luckily, Troutman no longer keeps money in this safe—he's learned from past experience.

A few years ago somebody broke into his store through the back door and stole several hundred dollars from the safe. Not too long after that his store was broken into once again and he was missing about \$80 the next day.

The police in Winside haven't had any leads on who broke into his store, according to Troutman.

Fines Total \$495 in County Court

County Judge David Hamer was again a busy man last week, fining 16 people for offenses committed in Wayne County. Eleven drivers were fined for driving violations, two men on intoxication charges and three young men on charges of minor in possession of alcoholic beverages.

Tuesday Roger Nelson of Randolph received a fine of \$25 and \$5 costs for intoxication; Don Reed, county attorney, was complainant. Leonard Wischoff, Wakefield, received the same fine and costs for the same charge on Wednesday; Keith Reed, city police, was complainant.

Also on Tuesday, Kenneth Whorlow, Wayne, was fined \$11 and \$5 costs, and Robert Cople, Dakota City, was fined \$12 and \$5 costs on charges of speeding. C. Fransson, state patrol, signed Whorlow's complaint and Yosten, state patrol, signed Cople's complaint.

Wednesday, Leonard Stinson, Charles Puls, Jr., and Steven Powley, all of Pender, each were fined \$100 and costs of \$5 on charges of minor in possession. T. Rogers, state patrol, signed the complaints against Stinson and Puls, and Melvin Lamb, city police, signed the complaint against Powley.

Fined for speeding violations Tuesday were: Harry Means, Jr., Norfolk, \$25 and \$5; Nikki Von Minden, Martinsburg, \$22 and \$5; Joyce Pleske, Pender, \$15 and \$5 costs; and Duane Theil, Sioux City, and Leon Beard, Del-

ing, \$10 and \$5. C. Fransson, state patrol, signed the complaints. Also on Wednesday, Perry Lewin was fined \$10 and \$5 costs for failure to yield right of way; T. Rogers, state patrol was complainant. The same day Mary Ellen McRight of Wayne paid a fine of \$10 and costs of \$5 for improper parking; Keith Reed, city police, filed the complaint.

Thursday two drivers paid fines of \$10 and costs of \$5 on charges of speeding made by Ron Penlerick, city police. Fined were Jon Barkdall of Battle Creek and Thomas Folger of Sioux Falls.

A. Wieseler Misses

Out on \$300 Drawing

Alvin Wieseler of Wayne was in the wrong place at the right time Thursday night at 8 p.m. Had he been in one of the participating stores during the Cash Night drawing he would have gone home \$300 richer because his was the name drawn.

This Thursday's Cash Night drawing will be worth \$350 to some lucky person. All you have to do to be eligible to win the prize is register in one of the participating stores and be in one of those stores when the winner's name is announced each Thursday night. You have to be at least 18 years old to qualify for the drawing.

Bankers, Young Farmers Meet, Study

The Dixon County Bankers Association and some of their young farm couples met at the Northeast Experimental Station to study farm, home beautification and landscaping.

Wayne Whitney, extension horticulturist, was the guest speaker. He explained how farmsteads could be made attractive and an enjoyable place.

"Everyone should have a series of planning charts of the farmstead drawn to scale," Whitney said. "Chart one should show what is in or on the farmstead at the present time. Chart two should show the near future changes with a date and budget to do the job," he explained.

Another feature of the evening was a "husker chop" dinner. The "Husker Chop" were prepared by Bob Fritschen, area swine specialist at the Northeast Station.

Walt Tolman, beef nutritionist

at the Northeast Station, and Howard S. Gillespie, county agent, presided at the meeting.

Erwin Larson of the First National Bank at Emerson was chairman of the program for the County Bankers Association.

Businesses Warned

Printed blank checks and a check writer were stolen from the Konklin Implement and Body Shop at Hartington sometime Friday. Also stolen were some business and printed checks for Mr. and Mrs. Gerald Konklin for the Coleridge National Bank in Coleridge.

This warning was phoned to The Wayne Herald through the warning system set up among the town businesses. Merchants in Wayne should keep on the alert for somebody attempting to cash these checks.

Survey Center for Elderly

The people in Wayne will be surveyed starting this week concerning their feelings about setting up a community center for the elderly. About 200 households will be surveyed this week and an additional 200 will be surveyed next week.

Conducting the survey is the citizens committee for a community center. The committee was formed and the survey idea settled on at a meeting of interested people Monday night. The meeting was held at Rev. C. Paul Russell's home in Wayne.

People surveyed will be asked three questions: "Would you be in favor of a community center in Wayne for elderly people?" "What activities do you think

should be provided for in the community center?" and "Would you be interested in taking an active part in helping setting up and running the center?"

Members of the committee emphasized that the people are not being asked if they would donate money to get the center going. The center would be started and run by donations of materials and time by interested people in Wayne. The committee also hopes a small amount of money could be obtained from some local governmental agency in order to pay operating costs for the center.

A similar study will also be conducted at the Wayne High School this week. Three similar

questions will be asked the students concerning their interest in a teen center.

Conducting the door-to-door survey in Wayne will be volunteers, mostly college students but also some adults. Mrs. Mike Havel will spearhead the survey at the high school.

Members of the committee have stated that the results of the surveys will give them a better idea of the interests and feelings of the community concerning these two centers. It will also give them an idea as to how many people would donate their time in helping operate them.

The results of the survey will be released about the middle of this month.

'Tribute to Walt Disney' Wayne State Homecoming This Week

Wayne State will celebrate its annual homecoming this week, using the theme, "A Tribute to Walt Disney."

The inaugural event is coronation of the homecoming queen at 7:30 p.m. Wednesday in Rice Auditorium. Identity of the queen remains secret until then. The student body votes Monday on its choice among nine candidates selected by the W Club.

The queen contenders: Pat Byers, Omaha; Julie Chicknell, Ralston; Beverly Fullner, Pierce; Kathy Klein, Fordyce; Peg Maguire, Omaha; Beverly Prosch, Bloomfield; Mary Jane Robertson, Oakland; Pam Torrey, Cherokee, Ia., and Charlene Wendt, Ralston.

As a prelude to the coronation, ballet classes of the college will

perform Chopin's "Les Sylphides Suite" with choreography by their instructor, Nina Youshkevitch-Johnson.

Thursday's activities include lighting of campus displays at 7 p.m., all on the Disney theme. Displays will be judged in two classes, by dormitories and by organizations. The traditional freshman ski show is at 8 p.m. in Rice auditorium.

Friday's highlight will be the Greek Olympics at 6:30 p.m. in the Willow Bowl. Each social sorority has a candidate for Helen of Troy, each fraternity a contender for the title of Alexander—the winner depending on which sorority and fraternity scores highest in the Olympic "games."

The Wayne State Foundation will have its annual business

meeting Friday.

Saturday the schedule includes guided campus tours starting at 10 a.m. from the Student Center; an alumni reception from 11 a.m. to 1 p.m. in the Student Center, sponsored by the Annual and Blue Key; the W Club's key lunch at noon in the Center; pre-game ceremonies starting at 1:45 p.m. in the stadium with presentation of the queen; the Wayne State-Hastings football game at 2 p.m.; a halftime show by the college band; an alumni smorgasbord dinner from 4:30-6:30 p.m. in the Student Center.

The finale is the homecoming ball at 9 p.m. in Rice Auditorium with music by Woody Herman's orchestra. The dance is open to the public, as are most of the activities.

WSC ROYALTY. — One of these co-eds will be crowned queen of Wayne State's 1968 homecoming Wednesday night. The candidates are (front row from left) Kathy Klein, Fordyce, Neb.; Beverly Fullner, Pierce; Beverly Prosch, Bloomfield,

Neb.; Julie Chicknell, Ralston, Neb.; (back row) Pat Byers, Omaha; Mary Jane Robertson, Oakland, Neb.; Charlene Wendt, Ralston, Neb.; Pam Torrey, Cherokee, Ia., and Peg Maguire, Omaha.

Winside Scouts Advance in Rank

Six boys from Winside's Boy Scout Troop 179 have advanced another step after passing their tests in front of the board of review, according to Butch Holdorf, scoutmaster.

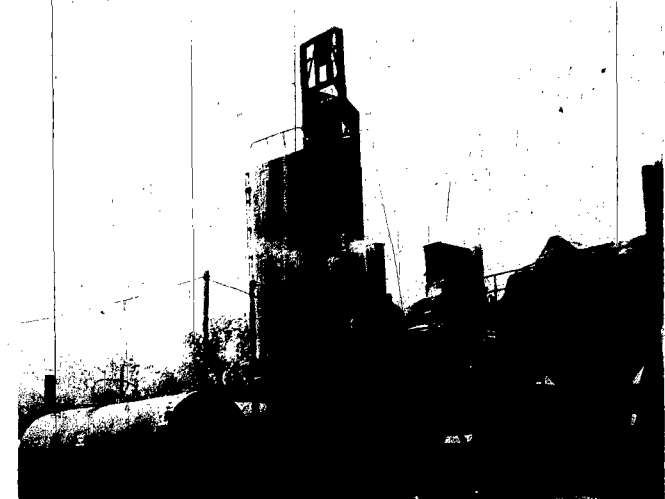

Les Troutweil advanced from Second Class to First Class and is now the only Boy Scout in First Class. Bill Burris, Bob Kropp, Jeffrey Willers, Woodrow King and Dale Muehlmeier all advanced from Tenderfoot to Second Class.

Making up the board of review were Pete Kropp, Duane Willers, Richard Carstens, Pastor H. M. Hilpert and Holdorf.

Holdorf said that 21 boys took the tests but only these six succeeded in passing. He noted that interest among the Boy Scouts is quite high and most of them are trying hard to advance in rating.

GIANT CRANE handles the big bucket with ease. Sand and gravel are transferred from ground into huge bins.

AT THIS POINT the mixing process is completed and the asphalt is dropped from an overhead bin into the waiting truck below.

GOVERNOR TIEMANN signs the proclamation designating October as Nebraska Rural Electric Month. With Governor Tiemann at the ceremony were (from left) Orin Kohlmaier, Craig, president of NREA; Mrs. Lucille A. Clems, Lincoln, general manager of NREA; and Maurice Gustafson, Wakefield, chairman of the NREA Public Relations Committee.

Wakefield Man with Governor at Signing

October has been designated "Nebraska Rural Electric Month" by Governor Norbert T. Tiemann in recognition of the significant contributions that Rural Electric Systems and Cooperatives have made to the agricultural, economic, social and cultural development of the state.

Attending the ceremony when Governor Tiemann signed the proclamation was Maurice Gustafson of Wakefield, chairman of the Nebraska Rural Electric Association Public Relations Committee.

Governor Tiemann cited the fact that 98 per cent of Nebraska farms now enjoy the benefits of electric power, compared to only seven per cent in 1935, and credited the 35 rural electric systems of the state as being "primarily responsible for making available to farm families and rural Nebraska economical electric power."

About 103,000 customers are served by electric systems in Nebraska, including homes, commercial and industrial establishments, irrigation and oil wells, airports, missile and defense installations, schools, recreation and other public facilities.

The extension of electric service to rural areas was made possible by the Rural Electrification Act of the mid-1930's,

which made it possible for locally-organized electric systems to obtain loans from the Federal Government to build facilities for serving rural areas.

Member systems of the area borrowed nearly 138 million dollars to establish rural electric service, including building more than 60,000 miles of lines. They pay interest on the loans, and make repayments on regular schedules.

Each of the systems is locally controlled with its own board of

directors. They hire their own employees, pay their salaries, set their rates as low as good business practices permit and make their own policies.

While the cost of most items has been rising, the cost of electricity provided by the nation's rural electric systems has dropped over 45 per cent per kilowatt hour since 1948. During this same period, the average consumer has increased the amount of electricity used by nearly four and one-half times.

Roads Hearing Oct. 22 at Madison

An informational hearing on roads in Northeast Nebraska has been set for Oct. 22 at Madison for Wayne and 12 other counties. Included are Burt, Thurston, Dakota, Dixon, Cedar, Knox, Antelope, Boone, Madison, Pierce, Stanton and Cuming counties.

The hearing is scheduled for 2 p.m. in the Madison city auditorium. A large attendance is expected, department officials said.

This will be one of eight such meetings scheduled throughout the state by the Department of Roads to give interested persons and organizations an opportunity to submit plans and opinions about needed highway improvements.

Information collected at the hearings will be studied as the Highway department's construction program for 1969-71 is being selected.

Anyone with a highway interest is invited to attend the hearing—live groups, farm organizations, garden clubs and individuals. All will be asked to contribute their views on the most urgent highway needs in their areas.

Hearings will be tape recorded

and transcribed to be studied by the Governor, the Highway Commission and the Department of Roads.

Laurel-Concord PTA Meets Tuesday Night

The Laurel-Concord Parent-Teacher Association will meet in the Concord school gymnasium Tuesday night at 8.

Special speaker will be Senator Elmer Wallwey. He will discuss the proposed amendments to the Nebraska Constitution, especially those having to do with education.

The Concord Grade School students will present several musical numbers.

Officials of the group extend a special invitation to the parents to attend the meeting and make this year's PTA better than last year's.

Paul Abegglen, sr., of Columbus is the state hook-and-line record holder for largemouth bass with a 10-pound, 11-ounce lunker he hauled from a sand pit near Columbus on Oct. 2, 1965.

Annual Home Ec Day Set for Oct. 16

Final plans for the annual Home Economics Day for Homemakers, Oct. 16, on the University of Nebraska East Campus, has been announced by Agnes Arthaud, assistant director of the Nebraska Cooperative Extension service.

Featured speaker will be Dr. Joel Moss, Professor of child development and family relation-

ship at Brigham Young University, Provo, Utah, and former NU staff member. Dr. Moss will discuss "Bridging the Generation Gap." Following his talk, representatives of various age groups will react to issues raised by Dr. Moss.

Representing the "grandmother generation" will be Mrs. Keith Lessert, of Gordon, while Mrs.

Callan Speaks at WSC Wednesday

Wayne County Courthouse Roundup

REAL ESTATE TRANSFERS: October 1, Carl E. and Harriet Wright to Robert Lowell and Barbara Ann Johnson, 3 1/2 of lot 1, block 2, Britton's and Bressler's addition to Wayne, \$20.35 in documentary stamps.

October 1, Walter L. and Leota H. Moller to Vakoc Construction Co., lot 2, Oak Ridge, Wayne, \$1.10 in documentary stamps.

October 3, William and Elona Mellor, et. al., to Robert W. Shults, part of SW 1/4 of 10-26-3, \$29.15 in documentary stamps.

Congressman Clair Callan will be in Wayne Wednesday afternoon and will speak at the Birch Room in the Student Center on the Wayne State College campus at 3 p.m. He will be speaking to the Young Democrats at the college and the public is invited to attend.

Following his speech, Callan will help open the Democratic headquarters in the 100 block on West Second. The public is also invited to attend the headquarters opening.

Richard Lelsher, of Lincoln, will represent the "mother generation" and Marcela Kominsky, of Lincoln, the "daughter generation."

According to Miss Arthaud, another highlight of the day will be a discussion of "Food for the Future" by Barbara R. Thornton, director of Ann Pillsbury Consumer Service Kitchens in Minneapolis, Minn.

Miss Thornton supervises a staff of more than 40 home economists and supporting personnel who work in many phases of the company's consumer activities.

NU student Kondra Schepers of Shelton also will be a featured part of the program. Miss Schepers will deliver a history of and tribute to Home Economics, said Miss Arthaud. Home Economics Day for Homemakers will begin at 8:30 a.m. in the College Activities Building on East Campus. Attendance is open to all homemakers and is not limited to Home Extension Club members, Miss Arthaud concludes.

BRIDGE REPAIRING. These Dixon County workers were busy Thursday morning repairing the bridge about one mile north of Concord. The bridge collapsed September 12 when a heavy truck went over it. County workers estimated the work on the bridge would be completed sometime this week. The deck of the bridge will be six inches of concrete and should have no trouble supporting the heavy trucks in the future.

Chaplain Honored

A former minister of the Dixon Methodist church, now a chaplain in the North American Air Defense Command, recently received the Bronze Star award in ceremonies at MacDill Air Force base in Tampa, Fla.

He is Harold D. Bonath, now a captain. His award cited him for his "outstanding ability in the formulation and adoption of plans and studies in support of tasks assigned to his unit."

Chaplain Bonath served the Dixon church during the 1950's.

PRELUDE FOR WSC HOMECOMING — Dancers in Wayne State's ballet classes will provide the prelude program for the college's Homecoming Queen coronation Wednesday night. With choreography by their instructor, Nina Youshkevitch Johnson, the troupe will do Chopin's "Les Sylphides Suite." The dancers are (kneeling) Linda Schroeder, Fremont, and Joy Nielsen, Audubon, Ia.; (standing) Anne Hansen, Stockholm, Denmark; Brad Ford, Nebraska City; Charlene Wendt, Ralston; Ida Hasselbalch and Tom Benzenzen of Stockholm, Denmark; Dianne Zobel, South Sioux City; Lannie Hofmann, Omaha, and Patrick Brown, Tilden. The three Danish students all have had several years training in a Stockholm ballet school. The coronation program at 7:30 p.m. in Rice Auditorium is open to the public.

Royal Neighbors Set Guest Day and Party

Royal Neighbors met Tuesday at the Woman's Club rooms and made plans for a combined guest day and Christmas party in December. Named for the committee were Mrs. Wayne Marsh, Mrs. Walter Longe, Mrs. Florence Stiemers, Mrs. R. H. Banister, Mrs. Lee Caauwe, Mrs. R. F. Gormley and Mrs. Hattie McNutt.

Reports were given on the inter-county convention held at Page. On the committee Tuesday were Mrs. Julia Jaas and Mrs. R. F. Gormley. Next meeting will be Nov. 5.

Mrs. Amos Echtenkamp was hostess to Sunshine Club Oct. 2. Mrs. Ed Meyer was a guest. Roll call was answered by recalling a favorite family expression. Mrs. Echtenkamp read an article, "Let's Have a Diabetic Checkup." Nov. 6 meeting will be with Mrs. Gordon Starks.

Distress Warrants Issued to 328

A total of 328 distress warrants representing \$36,717.42 in unpaid and delinquent personal taxes have been issued by Wayne County Treasurer Leona Bahde. The taxes are for 1967 and prior years.

The distress warrants have been given to County Sheriff Don Weible. He will send courtesy notices to the people first and if they do not pay the taxes he will be forced to collect the taxes. The unpaid and delinquent taxes range from a low of \$2 to a high of \$2,214.54.

Last year 312 distress warrants were issued for a total of \$35,354.03 in delinquent and unpaid taxes. The amount collected then was \$27,319.76.

Winside Homecoming Activities Set

Winside Wildcats have planned their Homecoming activities which start Thursday at 7:30 p.m. with an all girl "Powder Puff" football game. This should prove to be entertaining for spectators. After the game freshmen will light a large "W" located on the west side of the football field. Also scheduled at that time is a bonfire and pep rally.

Then at 2 p.m. Friday a parade will move from the school to the city park. Each class from 7 through 12th grades will have a float entered. Upon reaching the park each class will also present an appropriate skit. A pep rally will close this portion of the festivities.

Seven-thirty p.m. is gametime Friday when the Wildcats meet the Ponca Indians. After the tangle on the home field, the

Coronation ceremonies will be held, at which time the royal King and Queen's identities will be revealed.
Queen candidates are: Kathy Pfaffler, Denise Hansen, Glenda Morris and Connie Deck.
Candidates for King are: Bob Wacker, Keith Wacker, Jim Jackson and Andy Mann.
The Winside student body voted on their choice of candidates Friday.

Pheasants were first introduced in Nebraska during the late 1800's and early 1900's. Even though only a few pheasants were released, due to the favorable habitat by 1927 the pheasant population was estimated at over 1,000,000 birds.

WHS Wins Homecoming Tilt 26-7

The Wayne High Blue Devils added a fourth victory to their season record Friday night at WSC stadium by walking away with a 26-7 homecoming win over Stanton. Statistics tell the story of Wayne's third conference victory as the Blue Devils ran for 229 yards and passed for another 154.

Coch Allen Hansen's gridlers needed only 28 seconds following Stanton's kickoff to get on the scoreboard as they opened with an unusual pass play from Randy Helgren to Quarterback Dave Tietgen that moved the ball from the Blue Devils' own 45 yard line to Stanton's 23. On the next play Dan Sutherland took a handoff from Tietgen and scampered up the middle for Wayne's first touchdown. The extra point attempt by Jerry Titze failed and Wayne held a 6-0 lead with 11:32 remaining in the first quarter.

Wayne again assumed control of the football after Stanton failed to make a first down following the kickoff. The Blue Devils' second offensive drive appeared to be as formidable as the first since Wayne moved the ball from Stanton's 48 to the nine in nine plays before they were faced with a fourth and two situation. The drive was abruptly ended, however, as the Mustang defense rose to the occasion and threw Randy Robins for a two yard loss.

After possession of the ball had changed two more times it looked as if Stanton was on a scoring rampage as it moved the ball 47 yards to Wayne's five before Larry Lindner made a fine defensive play and threw Mustang halfback John Vaught for a two yard loss on a fourth and one situation. The first quarter ended three plays later with Wayne in control on their own six yard line.

Ten plays later Wayne was again deep in Stanton territory as the Blue Devils were faced with a first and goal to go at the Mustang nine. Again the Blue & White was unable to gain the last few yards for a touchdown and they lost the ball on downs at the five.

Neither team posed a serious scoring threat for the remainder of the quarter until Wayne moved the ball to Stanton's eight with just two seconds left. On the next play Tietgen hit Jerry Titze with a pass over the middle that fell just inches short of a Blue Devil score. The half ended with Wayne leading by a slim 6-0 margin.

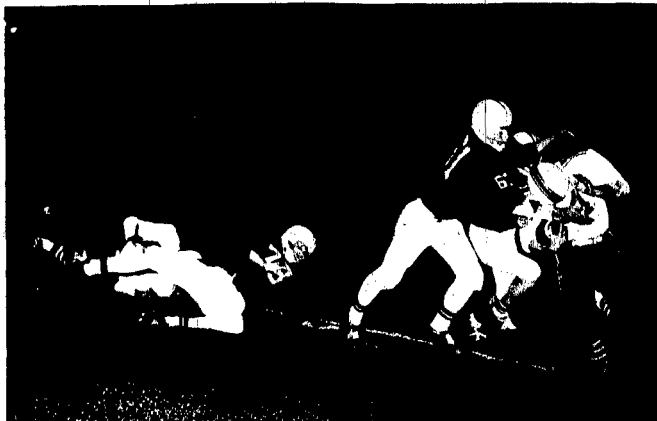

Two more touchdowns were added to Wayne's score in the third stanza while Stanton was again held scoreless. The first TD was set up by Dan Sutherland as the junior fullback blocked a Stanton punt on the Mustangs' 25 that was picked up by Doug Maurer and carried across the goal line. The PAT attempt again failed by Wayne led 12-0 with 6:27 left in the third period.

A magnificent screen pass from Tietgen to Helgren netted Wayne its third TD after possession of the football changed three times. The play originated on the Stanton 41 and gave Wayne the score as a result of a key block by Sutherland. The extra point by Titze with Helgren holding was good and Wayne increased its lead to 19-0.

The fourth quarter had just begun when Wayne scored its final

FULLBACK DAN SUTHERLAND demonstrates in this picture the drive he used in gaining 92 yards on the ground during Wayne's 26-7 homecoming victory over Stanton. Doug Maurer (80) is shown observing the play in the background.

TWO MUSTANGS were needed to drag Randy Robins (carrying ball) down on a punt return early in the third quarter of Friday night's gridiron contest. Robins returned this boot 18 yards in the third quarter of Friday night's gridiron contest. Robins returned this boot 18 yards in the third quarter of Friday night's gridiron contest. Robins returned this boot 18 yards in the third quarter of Friday night's gridiron contest.

touchdown on a 23-yard pass from Tietgen to Dwayne DeTurk. The play began on Stanton's 34 following a Mustang fumble. Titze added the extra point and the Blue Devils held a comfortable 26-0 advantage with 11:10 left in the game.

The game was almost over when Stanton exploded for its only TD. A 70-yard pass play from Mustang Quarterback Doug Podall to John Vaught put Stanton on the scoreboard with 57 seconds left in the game and the clock ran out before either team was able to start another drive.

Dan Sutherland turned in his best performance of the year as he rushed for a total of 92 yards. He was followed by Dwayne DeTurk with 42, Randy Helgren with 32 and Randy Robins with 17.

Helgren was Wayne's leading pass receiver, catching two aerials for 50 yards. He was followed by Dave Tietgen with one reception for 30 yards, Doug Maurer with one reception for 28 yards and Dwayne DeTurk with one reception for 22 yards.

Larry Lindner led the Blue Devil defensivesmen with seven tackles and four assists. He was followed by Sutherland with five tackles and four assists, Jeff Echtenkamp with five tackles and three assists, Vaughn Korth with five tackles and two assists, Bernie Binger with five tackles and one assist, Dwayne DeTurk with four tackles and five assists and Steve Mrsny with four tackles and three assists.

Wayne's next contest will be Oct. 11 at Plainview.

WSC Harriers Win Tuesday at USD

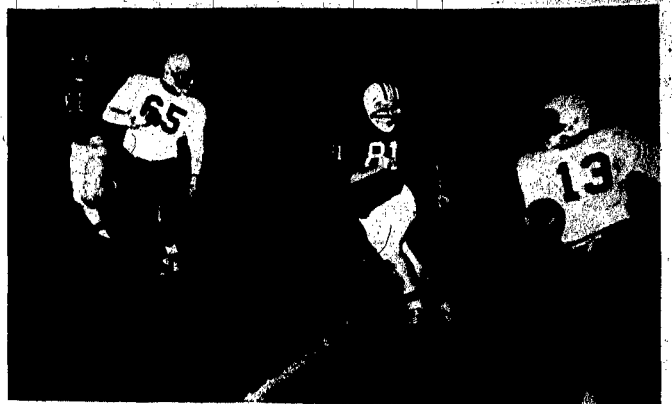

Wayne State's cross country team notched its second dual victory Tuesday at Vermillion by downing South Dakota University, 22 to 33.

SDU's Gene Heffern, rated among the top distance runners in the Midlands, won in 15:28. Wayne harriers took the next four places—Duane Wilken, Steve Dosh, Gary Day and Larry Bockelman, in that order—and Larry Kuehl finished eighth.

The performance drew praise from Coach Bill Silverberg, who earlier thought this would be a rebuilding year for Wayne, with only two sophomores returning and the rest freshmen. Now he is optimistic for a good season.

Wayne's next meet will be the Doane Invitational at Crete Saturday, then a dual at Kearney State Friday, Oct. 11 (originally scheduled Oct. 12).

The college will host its annual high school invitational cross country meet Oct. 15 at 4 p.m.

RETURNING PUNTS is just one of Randy Helgren's (31) duties as a Blue Devil gridder this year. He is shown returning one punt in this picture as Steve Mrsny (65) prepares to lead interference.

Frosh Win Third

Wayne High Freshmen upped their season record to three wins and no losses by knocking off host West Point Central Catholic 20 to 13 Thursday afternoon.

Wayne held a 20-0 lead all the way until the final four minutes of the second quarter.

Laurel Scores Impressive Victory

The Laurel High Bears scored an impressive 58-7 victory over visiting Plainview in their homecoming game Friday night.

Laurel was apparently in an angry mood after their shocking 19-14 defeat at the hands of Pierce a week earlier. The Bears opened up their scoring early in the first quarter and from then on it was just a question of how many touchdowns they wanted to make against Plainview's defense.

Upping their record to three wins and one loss, Laurel still remains high in the Western Division of the Husker Conference.

Wayne Blue Devils have the better conference record, three wins and no losses, and the better season record, four wins and no losses.

Friday night the Bears journey to Stanton for their fourth straight conference battle and a chance to improve their win-loss record.

In after-game ceremonies in the Laurel High School auditorium, a crowd of about 700 watched as Larry Smith and Annette Jammer were crowned Homecoming King and Queen for 1968.

Also candidates for the King title were Tom Erwin, Lee Dahl,

Wendell Hansen and Dave Dietrich. Other Queen candidates were Sally Blatchford, Linda Erwin, Bev Buss and Pat Dalton.

Crownbearers for the coronation ceremony were Kristy Kastrop, daughter of Mr. and Mrs. Leo Kastrop, and Paul Cook, son of Rev. and Mrs. Keith Cook.

Junior attendants selected by the Junior Class of Laurel High were Vicki Christensen and Rodney Erwin.

Wayne took an early lead on a touchdown pass from Quarterback Todd Bornhoft to Joe Renner. Bornhoft scored himself in the second quarter and Blitoff ran his second extra point to put Wayne in front 14-0. Donnie Hansen scored Wayne's last points in the game when he crossed the goal in the second quarter.

Making a strong showing offensively were Lonnie Blitoff with 134 yards in 26 carries, Donnie Hansen with 42 in 12, Ron King with 22 in six, and Todd Bornhoft with 23 in four.

Strong defensively in the tackles category for the victors were Bill Fletcher with two unassists and five assists and Chris Leuders with three unassists and one assist.

Wayne Freshmen see their next action Thursday afternoon when they travel to Norfolk.

Allen was the first to draw blood when in the first quarter Jerome Roberts tackled the Ponca ball carrier in the endzone for a safety to put Allen in front 2-0.

Ponca came back and recovered Allen's fumble and ran it 54 yards into the endzone to put the Indians on top. The extra point was good and Ponca led 7-2.

Allen trailed all the rest of the game until Brian Linafelter pulled the game out of the fire when he recovered an Indian fumble in the fourth quarter and ran it 75 yards for a touchdown. Allen's extra point was good and the Eagles went home 9-7 victors.

Winside B squad needed only one touchdown to get by Randolph in their first game of the season Monday night. Wingback Jerry Walker ran the ball into the endzone on the victory at 6-0. Tonight the B squad takes on the Coleridge reserves at 7:30.

Allen B Team Wins

It was almost a replica of the varsity game between Allen and Ponca when the two B teams

Crown Royalty at LHS

A crowd estimated at 700 filled the Laurel High School auditorium Friday night after the Laurel-Plainview football game to watch the coronation of the Homecoming King and Queen for 1968.

Selected by the students for the honors were Larry Smith, son of Mr. and Mrs. Bud Smith, and Annette Jammer, daughter of Mr. and Mrs. William Jammer.

Also candidates for the King title were Tom Erwin, Lee Dahl,

Wendell Hansen and Dave Dietrich. Other Queen candidates were Sally Blatchford, Linda Erwin, Bev Buss and Pat Dalton.

Crownbearers for the coronation ceremony were Kristy Kastrop, daughter of Mr. and Mrs. Leo Kastrop, and Paul Cook, son of Rev. and Mrs. Keith Cook.

Junior attendants selected by the Junior Class of Laurel High were Vicki Christensen and Rodney Erwin.

LHS KING AND QUEEN, Larry Smith and Annette Jammer were crowned Laurel High Homecoming King and Queen Friday night after Laurel smashed invading Plainview.

LEADING RUSHER Rich Kline grinds out a few more yards in Friday night's Wakefield-Ponca tilt. Kline gained 119 yards for the winner. He also caught two passes for a total of 35 yards and one touchdown, and completed a pass to Gary Preston which went 69 yards for a touchdown.

Win Homecoming game 25-12 - Wakefield Clips Ponca

The Wakefield Trojans finally ended their losing streak at three in a row by clipping the invading Ponca Indians 25-12 to put the cream on top of the homecoming cake.

Apparently tired of being on the short end of the stick after dropping games to Wisner, Emerson-Hubbard and Pender, the Trojans finally settled down and took command of the ball game.

Neither Wakefield nor Ponca could break the ice in the first quarter as the teams repeatedly held each other from crossing the goal. But in the second quarter Kip Bressler set up Wakefield's first score when he intercepted an Indian pass on the enemy's 20 yard line and ran it to the five before being tackled. Robble Eaton took the ball into

Ponca finally got on the scoreboard when Mike Knerl took the ball over the goal from about 30 yards out. They failed to make the extra point. Wakefield came right back with another touchdown on a pass play this time from Kline to Preston from 35 yards out to put the Trojans out front 18 to 6.

On Ponca's first play after the Wakefield kickoff, Wakefield's Preston speared an Indian pass on the enemy's 45 and ran it into the endzone. Wakefield had two tries to make their extra point because of a penalty but both failed.

Ponca made a last ditch effort to pull the game out of the fire but the clock was against them. They did succeed in completing a pass play for a touchdown with only a few minutes left in the game to make the score 25-12, but time ran out before they could mount another offense.

Wakefield has only a few days

rest before they tackle another team. Tuesday night they travel to Allen and will attempt to play the role of spoilers at Allen's Homecoming.

Wakefield Crowns Royalty

Wakefield's 1968 Trojan homecoming festivities found Richard Kline as master of ceremonies Friday afternoon in the new gymnasium. A trumpet trio consisting of Jacques Slevens, Leslie Swanson and Ruth Gustafson, announced the arrival of the royal party. Cheryl Kahl was pianist for both professional and recreational.

Robert Eaton was crowned as the new King by Willie Nixon. Queen Rae Johnson was crowned

by Michelle Johnson, 1967 Queen. King Eaton is the son of Mr. and Mrs. Hubert Eaton. The Queen is daughter of Mr. and Mrs. Floyd Johnson, Pender. Crownbearers were Pam Harding and Brent Kahl. First attendants to the King and Queen were Robert Gustafson and Mary Peterson. Second attendants were Rick Driscoll and Patti Jensen. Trojan pages in the royal party were Devon Fischer, Dave Burns, Richard Magnuson and Kevin Peters.

Urges Return of Survey Questions

All the people in Wayne who received the program-of-work questionnaires last week should make every effort to return them to Chamber Secretary Bernard Schulte today or Tuesday so the results can be tabulated as soon as possible.

Every business and professional office in town should have received a copy of the questionnaire asking for ideas and recommendations for Chamber of Commerce projects for the coming year. The questionnaire was developed by the Program of Work Committee of the Chamber of Commerce and the results will serve as a guide for next year's business.

Social Security office at Norfolk, Robert Pelkey, district manager, said last week.

These reports can be made by mail, telephone or personal visit. The reports were formerly mailed to the record centers for action.

This change is possible, Pelkey noted, because of the increased capacity of the Norfolk office to transmit the information directly to computers which immediately take all necessary actions. He said this change will reduce the time needed to process all information that has an effect on the receipt of monthly checks.

Pelkey noted that in addition to address changes, other events that affect the receipt of monthly checks include employment, retirement, marriage, remarriage, divorce and death.

Pelkey reminded the people of this area that a representative from the Norfolk office will be in Wayne again on Tuesday, Oct. 1, from 1 to 3 p.m. at the Wayne County courthouse.

Anybody having questions about the reporting of changes or other aspects of social security should talk to this representative.

Children Receive Bibles

Sunday morning guest speaker in the Presbyterian Church was Dr. Ellis Butler, Lincoln. Dr. Butler is the new executive for the Synod of Nebraska. During the church services seven children promoted from the primary to junior class received Bibles. They were Teddy Fuchs, Sandra McLain, Barbara Krueger, Linda Broders, Jeff Nesso, David Broders and Brad Stapelman.

Mr. and Mrs. R. K. Draper were guests Friday in the Richard Draper home, Elgin.

Mr. and Mrs. Dick Jorgenson and family, Millard, were Saturday overnight guests in the home of Mrs. Margaurite Lange.

Mr. and Mrs. K. L. Hightower, Omaha, were Thursday dinner guests in the R. K. Draper home.

Mr. and Mrs. R. K. Draper spent Friday on Wednesday in the Lex Menard home, Spearfish, S. D.

Mr. and Mrs. Gene Cook and Michelle, Cedar Rapids, Nebr., spent the weekend in the home of Mr. and Mrs. Ed Ketter. Sharon Pfund, Coleridge, was a Monday evening visitor in the Hazen Boling home.

Grover Ayer, Wausa, was a Sunday afternoon visitor in the home of Mr. and Mrs. Elmer Ayer.

Mrs. Irene Klöhn, Council Bluffs, and Mr. and Mrs. Arnold Heitman were Sunday dinner guests in the home of Mr. and Mrs. Oscar Schultz, Council Bluffs.

Mrs. Larry McDonald, Crofton, spent the weekend in the Elmer McDonald home. Guests the past week in the Robert Wobbenhorst home were Mr. and Mrs. Ted Stephens and family, Mrs. Jack Thompson and family, Denver, Mr. and Mrs. Elmer Schultz, Limon, Colo., Mr. and Mrs. Larry Schultz, Puerto Rico, Mr. and Mrs. Robert Schultz, Key Park, Wash., Mrs. Robert Fox, Vancouver, Wash., Mr. and Mrs. Chris Wunderlich, Columbus, and Mrs. Helen Fox, Atkinson.

Mr. and Mrs. Fred Pfanz were dinner guests Sunday of Mr. and Mrs. Marvin Anderson in Sioux City.

Niobrara Presbyterian Society Fall meeting was held Tuesday in the Presbyterian Church, South Sioux City. Mrs. Gerald Leapley is district treasurer. Those attending included Mrs. B. H. Moseley, Mrs. Cy Smith, Mrs.

John Barnes Likes His Radishes Big

Radishes up to five pounds? John Barnes raises them that size here in Wayne.

These are a special kind of radish, developed to grow to large size and be served in slices rather than as a whole vegetable.

Barnes said the radishes are tasty. They were planted about July 10, mulched with compost and watered well. Known as a

California Winter White Mammoth radish, they grow a peeling about one-eighth inch thick which must be pared off before serving.

Last year was his first effort at raising the big radishes, Barnes said. His best specimen for 1967 weighed about two pounds.

Seeds for the vegetable were purchased here in Wayne, Barnes said. The radishes are good in the small sizes as well as large.

While he doesn't know if they will store through the winter in the manner of turnips and parsnips, Barnes said he last year pulled radishes from ground frozen an inch deep and found them good.

Richard Craven Dies

Richard C. Craven, 49, died Oct. 2 at an Omaha hospital. Funeral services were to be held Saturday, Oct. 5, at St. Bernard's Church with burial at Holy Cross Cemetery, Blair.

Craven was employed at Bill's Market Basket, Wayne, before his hospitalization. Survivors include his father, Charles Craven, Randolph; three brothers, Lloyd, Santa Barbara, Calif., Clifford of Omaha, and Clyde, Canon City, Colo.; two sisters, Mrs. Loretta Steele, Omaha, and Mrs. Gertrude Schrad, Randolph. He was a member of L. B. Whitmore Post No. 5291 VFW, Wayne.

NOTICE

Wayne County courthouse will be closed all day Friday, Columbus Day falls on Saturday this year and therefore the county employees have this Friday off. Persons with business at the courthouse should conduct their business before Friday.

JOHN BARNES, with 5-pound radish.

Sell Ad Space for Winside Yearbook

Winside's High School's Journalism Class journeyed to Wayne and Norfolk last week to sell advertisements for their yearbook, The Winner.

Editor Robert Farran said the class sold more ads than expected and he expects the yearbook to be the largest one ever. He expressed his thanks to the businessmen for making the 1969 yearbook possible.

Phillip Witt is the assistant editor.

Educators Study

Winside High School Superintendent Joe Masten and Principal Ronald Kramer are presently enrolled in a night class at the University of Nebraska.

Each Thursday night they attend a class in Elementary Curriculum Development taught by Doctor Kopp. The course is designed to better equip the students to understand the needs of elementary students.

Daughters Help Mom Celebrate

A contagious smile swept across the face of Mrs. Rose Scott Wright as she celebrated her 90th birthday Saturday. Mrs. Wright, resident at Dahl Nursing Home four and one-half years, was noticeably pleased that three of her five children were able to be with her for the occasion.

Daughters, Mrs. Thomas Fox, Mission, S. D., Mrs. George Fox of Wayne, and Mrs. Charles Teel, Colome, S. D., helped their mother celebrate. Sons, Russell Scott of Sioux City and Don Scott of Sheldon, Mo., were unable to be present. The celebrator expressed her great pleasure in being the recipient of so many wonderful cards, gifts, flowers, and having two cakes.

Born in Charles City, Ia., 1878, Rose moved to Wayne with the family and vividly remembers having cast her first vote in a Presidential election. It was in the year 1922 that she voted for Calvin Coolidge who became the 30th President of the U. S. "Women have not always had the right to vote you remember," she remarked candidly.

When 16 she became a member of the Methodist Church and recalls that many of her girlhood pleasures were found in taking walks and attending Sunday School. "Rock of Ages" is her favorite hymn.

Mrs. Wright, in reminiscing, said her first ride in an automobile was taken in a WWIIs-Knight. She let it be known, however, that the highlight of her life was riding a big jetliner from California into Omaha at the age of 86.

Ninety birthdays have not dimmed her interests whatsoever. It is her observation that a major cause of present day juvenile disturbances is because

IT WAS A JOYOUS occasion Saturday as Mrs. Fox helped their mother, Mrs. Rose Scott Wright, Charles Teel, Mrs. Thomas Fox and Mrs. Geo mark her 90th birthday.

of delinquent parents seldom or spending much time doing With a cheerful spirit, Mrs. staying home with their children, things of mutual interest. Wright anticipates her 91st year.

MULTI-POWER NOW AT Tiedtke's

The model M.P. 12 120 MULTI-POWER unit is a low cost compact power supply that utilizes the power of the generator and alternator on present day automobiles, trucks and industrial equipment to provide from 12 volts to 150 volts up to 2000 watts. It may be installed under the dash or under the hood of most any automotive vehicle, or it may be installed on tractors or any other self powered farm or industrial equipment having a 12 volt alternator or generator.

It will charge 6, 12 or 24 volt batteries in from 6 to 18 minutes. It is an electrical system analyzer which can be used for checking defective batteries, regulators, generators, alternators, and wiring systems.

The MULTI-POWER is especially valuable to contractors operating in remote areas enabling mechanics and service men to service and make repairs of heavy equipment right on the spot, saving expensive down time and labor by eliminating the necessity of towing or hauling the equipment to a repair shop.

The MULTI-POWER also may be used on off shore boats for emergency power for various uses such as pumps, lighting, etc.

For the economy minded, there is a junior model of the MULTI-POWER available which provides power only for power tool operations, lighting, etc. Inquire at your local MULTI-POWER dealer about this unit also.

Dixon Co. 4-H Work 'Tops This Year'

"The club work in Dixon County was 'tops' this year," according to County Agent Howard S. Gillaspie. He said the 324 members in the 22 clubs displayed excellent quality projects at both the County and State Fair.

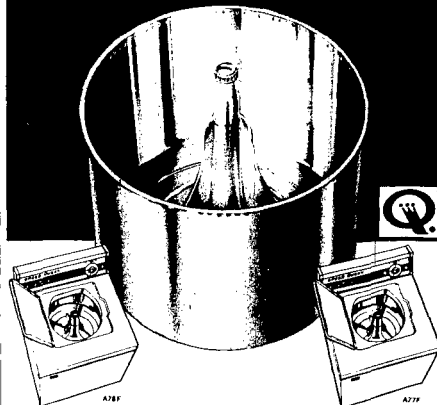

Gillaspie noted that 4-H clubs are now in the process of re-organizing for 1969 and that now is a good time to organize new clubs. Nebraska, he said, is currently in a 4-H enrollment expansion program. He hoped new clubs would be formed in Dixon County. The county has had an expansion of their 4-H enrollment for the past two years.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Take a Good Look

For those mis-guided souls who would believe our friends in the New Left movement are seeking only liberalization of some laws and practices in the United States perhaps a look at the countries still living under Communist influence and domination would be in order.

Professing only to be seeking reforms, these militant New Lefters are denying others some of the very rights they wish, especially freedoms to voice opinions and to assemble peacefully.

But a discussion with an American who visited relatives recently in one of the Communist-dominated countries of Europe reveals that none of the freedoms and reforms sought by our New Left followers is in existence today where the Communists are in power.

With a break in his voice he told of the fear of being reported to police if he should voice an opinion unfavorable to the current regime in that country.

On the street, he said, no one talked about anything except the most ordinary topics. When they felt they wanted to talk of the differences of

economic and social conditions between the U.S. and the Communist-dominated states, they sought the sanctuary of their own homes or took to the wide-open fields where none could eavesdrop.

Virtually no economic progress has been made in the nation during the years it has been under Communist rule. Everyone works — and hard — from early age to the grave. There is no chance of retirement for a healthy man or woman, no chance to build an estate or retirement fund.

Small grain is still harvested by hand in a nation that has resources for tremendous economic development.

For those who would give even a moment's consideration to the value of the communist line, take a good look at conditions today — as they are now — after years of Communist influence and guidance.

For those who parrot the New Left Ideologies and seek those unspecified reforms, remember such demands today would be met with clubs, prison and even death in the countries under heavy Communist domination. — WWII.

Little Jack Horner

Jack Horner, you'll recall, was sitting in a corner. His "hang up" was a pie into which he put his thumb and pulled out a plum. Having acted in this experimental manner, he evidently felt that which he had done was economically feasible, and a bit of brilliant intuition, for he considered himself to be a good boy.

Waynites, too, are important pie holders. Get a map of Nebraska and draw a line north from Norfolk, following Highway 81, to Yankton. Draw another line from Norfolk east to Decatur. Note that you have enclosed our portion of Nebraska which is the true northeast corner of northeast Nebraska. With the help of the old muddy Missouri River which forms the "crust" line, we now have a chunk of real estate marked out having the shape of a quarter chunk of pie.

Wayne, due to her population, is the largest plum in the center of this pie-pleve. True, size alone doesn't make Wayne the most important plum by any means, for it takes a lot of community plums to make a pie, but Wayne's size does load her with increased responsibility to permeate NE Nebraska with flavor development.

This spread of northeast by northeast geographical pie, enjoyed by hundreds of both native and non-native Nebraskans, well deserves our intense consideration. How many Little Jack Horners are there in this corner of the pie who are willing to stick in a thumb assisting with productive development of industrial plums?

Wayne has among other things, the largest concentration of college students in the area; one of three airports having hard-surfaced all-weather runways; second largest downtown shopping area

in the pie; seat of the county courthouse; semi-weekly newspaper; a broadcasting station; centrally located in the heart of pheasant and deer hunting country; surrounded by some of the richest croplands in eastern Nebraska; known to be a part of Nebraska's beef center; and last but not least, Wayne, by numbering the total number of books available in both college and city libraries, can rightly claim to be no small center for cultural and intellectual research in NE Nebraska. Having all this potential, our community finds herself assuming the responsibility for firing up initial enthusiasm, encouraging every northeast Nebraskan to enthusiastically work in his or her particular corner.

Questions we might ask ourselves are: "How many of the area youth will likely seek education and employment elsewhere?" "How many of the high schools can expect to remain accredited during the next decade?" "What is being done to encourage industry in the area?" "Are the recreational facilities adequate?" "How many doctors and hospitals are available?" "How many of the population in the 'pie' can be expected to move, die or retire within 10 years?" "Will there be any collective action taken to increase tourist travel through the area to use the state park at Ponca, to reach Gavins Point dam, or observe Indian tribal dances and celebrations on the two reservations?"

Little Jack Horner, we're joining you in your thumb exercise! Whenever each citizen goes to work in his or her individual corner for the betterment of all, that is something. Help it happen! — MMW.

DEPARTMENT STORE

be held in conjunction with the annual meeting of the Nebraska State Historical Society.

The memorial has been open for visitors since August 18, and already hundreds of persons have toured the building.

The history of the Statehood Memorial, located at 1627 H Street in Lincoln, began in 1867 when the newly-organized state of Nebraska was faced with the problem of finding a location for its state capital. Meeting in Omaha, Nebraska's territorial capital from 1854 to 1867, the State Legislature picked three men to make the decision: Governor David Butler, Secretary of State Thomas Perkins Kennard, and Auditor John Gillespie. This Capital Commission, largely through Kennard's persuasion, selected the present site of Lincoln on July 29, 1867.

A few modest dwellings were soon built, but whether Lincoln would continue to exist as a settlement, let alone as Nebraska's capital, remained uncertain until after the depression years of the 1870's.

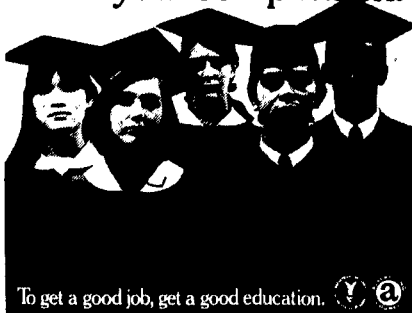

In 1869 John Keys Winchell of Chicago designed three similar masonry dwellings in Lincoln, one for each of the Capital Commissioners. The construction of these three showplaces by Nebraska's first state officers did much to instill confidence in the future of Lincoln and to insure its continued existence.

Of these three structures, only the Kennard house stands today, 99 years later. It is believed to be the oldest house within the original plat of Lincoln and is perhaps the best of the few remaining Nebraska examples of Italianate domestic architecture, the leading American style during Nebraska's pioneer period of the mid-1850's to the mid-1870's.

In 1965 the State Legislature designated the structure the Nebraska Statehood Memorial and appointed the Nebraska State Historical Society to restore and refurbish it. Today this work has generally been completed. However, it will continue as additional funds and gifts of mid-Victorian American furnishings with quality or important associations with early Nebraska history are received.

The Society has refurbished the house to represent the home

Looking for work? Meet your competition.

To get a good job, get a good education.

of a moderately well-to-do family in the late 1870's. Furnishings associated with leading state officials have been used and European imports excluded wherever possible. The house is not designed as a memorial to a specific city, family, or individual, but as a memorial to statehood.

Originally, the building's location on a high elevation on the southeast edge of Lincoln meant the view from its cupola spanned miles of treeless prairies. The city's growth gradually obscured this view, and shortly after 1900 the cupola was removed. Like the balustrades and front porch, it has been reconstructed primarily on the basis of early photographs. Still to be rebuilt is the original two-story rear wing demolished in 1923.

Some especially noteworthy furnishings include a fireplace from the razed 1876 home of Governor Arthur J. Weaver in Falls City, the desk of first Governor David Butler, a bookcase and secretary from the Governor James W. Dawes family, a corner whatnot thought to have belonged to Second Governor Robert W. Furnas, and a furniture set from the Governor Albinus Nance family.

Authorities Agree, Bread Healthy Food

French and American authorities have found something they agree on wholeheartedly. People should eat more bread to stay young and healthy.

Professor H. Goumelle of the French Academy of Medicine has advised his countrymen that bread is "the most important of all foods" and belongs in most diets.

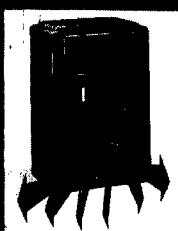

His analysis, published in a French publication, agrees with the strong stand for more bread and cereals in the diet recently taken by a nutrition expert from the Wheat Flour Institute on her visit to Nebraska.

Mrs. Beverly Anderson, director of Home Economics for the Wheat Flour Institute, was in

LEGAL PUBLICATION
In the County Court of Wayne County, Nebraska.
Notice is hereby given that the estate of William Spitzberger, deceased, of the State of Nebraska, all persons interested in the estate of William Spitzberger, deceased, are hereby notified that Kenneth M. Oida has filed in the County Court of Wayne County, Nebraska, a Petition for determination of heirship of said deceased, alleging that William Spitzberger died February 24, 1968, a resident of the County of Wayne, Nebraska, and that the following described real property:

The Southeast Quarter (SW 1/4) of Section Twenty-two (22), Township Twenty-five (25) North, Range Three (3) East of the 9th P.M., Wayne County, Nebraska.
The Southwest Quarter (SW 1/4) of Section Twenty-three (23), Township Twenty-five (25) North, Range Three (3) East of the 9th P.M., Wayne County, Nebraska.
That said Petition of Determination of Heirship of the said deceased will be heard in said court on the 16th day of October, 1968, at 10:00 o'clock A.M.
Dated this 28th day of September, 1968. (s) David J. Hamer, County Judge (Seal)

I WISH TO THANK all who remembered me with flowers, gifts, cards and visits during my stay in the hospital and since my return home. Special thanks to the doctors and nursing staff at Wayne Hospital for their excellent care. Tod Test. #2717

WE WISH TO EXPRESS our heartfelt thanks to all our friends, relatives and neighbors for food brought in, for helping with the farm work, for memorials, flowers, cards and prayers during the recent illness and death of our son and brother, Kuria Harvey Reg. Thanks to Dr. Walter Bentback and Pastor S. K. de Freese, Mr. and Mrs. Harvey Reg and Karen. #2717

Every government official or board that handles public moneys, should publish an accounting of it showing where and how each dollar is spent. We had this to be a fundamental principle to democratic government.

The Wayne (Nebr.) Herald, Monday, October 7, 1968

The Mayor stated that the time was at hand as advertised for the public hearing on re-zoning of the middle fifth (feet of 120 ft and the North half of Lot 16 of blocks 10 and Taylor's Addition from an R-1 zone to an R-2 zone. The request for rezoning to Mr. Fred Wittig.

The City Clerk, read the proposal as printed in The Wayne Herald and the Mayor called for testimony in favor of the rezoning. Mr. Wittig appeared before the Council on behalf of the rezoning change stating the need for additional housing and that a larger area had been considered by the Planning Commission.

The Mayor then called for testimony against the proposed change and there was none. The Mayor declared the hearing closed. It was moved by Councilman Kingston and seconded by Councilman Marra that the City Attorney be instructed to prepare an ordinance declaring the change in zoning and present it for passage at the next regular Council meeting. Upon roll call all voted Yea and the Mayor declared the motion carried and the authorization approved.

The Mayor also requested sewer service for lots on the North end of 1st Drive that were not presently served by sewer and Councilman Wittig moved to authorize the City Attorney to request an easement from the School Board through the land West of the High School for sewer service. Councilman Marra seconded the motion and upon roll call all voted Yea and the Mayor declared the motion carried.

It was moved by Councilman Wittig and seconded by Councilman Marra that the City Clerk be instructed to prepare an ordinance declaring the change in zoning and present it for passage at the next regular Council meeting. Upon roll call all voted Yea and the Mayor declared the motion carried.

Sp/4 John Casal attended the Airborne Riggers School in Fort Lee, Va. and graduated from there on Aug. 4. He left for Vietnam on Aug. 26 and is stationed at Phu Bai. His present address is: Sp/4 John Casal, AF 56544349, AES Co. 15th S & S Bn., 1st Air Cav. Div., APO San Francisco, Calif. 96490.

AMN Jerry L. Brasch has been transferred from Sheppard Air Force Base, Tex., to Camp Dyess, Tex. Jerry is now taking training in Mechanical Engineering related to jets. His address is: AMN Jerry L. Brasch, AF 16983882, 347 TAF, PO Box 3931, Dyess AFB, Tex. 79607.

Pvt. Dennis Sausser, son of Mr. and Mrs. Leonard Sausser, Belton, is awaiting orders. His address is: Pvt. Dennis Sausser, US 56545922, Co. A 11th Bn., 4th AIP, BDE (MP), Fort Gordon, Ga. 30905.

Major Eugene E. Mitchell, son of Mr. and Mrs. Ernest H. Mitchell, Allen, is on duty at Udorn Royal Thai AFB, Thailand.

Major Mitchell, an intelligence officer, is a member of the Pacific Air Forces. Before his arrival in Thailand, he was assigned at Hickam AFB, Hawaii. The major, a 1945 graduate of Allen High School, received his BA degree in 1956 from Wayne State College and his BS degree in 1965 from Arizona State Uni-

Letters to the Editor

Editor's Note: On Aug. 24 Bill Gries, son of Mr. and Mrs. Harry Gries, Norfolk, who has been a SWAY winner in past months, wrote the following letter to his parents. Because the letter is so informative we are sharing it in part with Herald readers.

Hi, R's I a.m. I have tonight off and since I slept nearly all day I'm not ready to hit the hay. VC activity seems to be picking up. I guess by now you've already heard about the 19 rockets hitting in Saigon.

The artillery that is set up about a mile west of our site was firing nearly all night last night. B-52's, or the resultant bombs shook the ground and everything else five times during the night. We have been pulling extra guard, just in case, but so far everything in our area seems pretty normal.

Our best indication of trouble is the Vietnamese that work in the mess hall. So far they have been at work every night. If they don't come to work, then is the time to get shook.

I've been sitting here trying to imagine how a Vietnamese civilian must feel during times like this. I had never really thought much about them until I talked to this girl whose father had been killed by VC. The VC came to their house and demanded 20,000 piasters. He refused and was decapitated right on the spot in front of the whole family.

Privately owned weapons are forbidden in Vietnam so about all a person could do would be to bolt his doors or run.

Guess you know how I feel about gun laws as proposed in the US.

Back to the family! The man who was killed was a doctor. The daughter had completed a year of college and planned to become a lawyer. She had to quit school and support the family. He was commissioned in 1953 upon completion of Officer Candidate School.

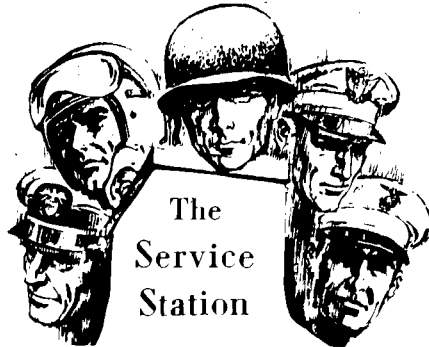

His wife, Lois, is the daughter of Mr. and Mrs. Edward Jenkins, 44 Harris St., Presque Isle, Maine.

She now works as a secretary at Phu Lam. Her plight worked out fairly well, but if she didn't have the education she has or had a large family to support, she would probably have to resort to working in a bar or even a house of prostitution where the monetary payoff is much more substantial.

So many of the educated men over here just don't exist thanks to the VC. This is bad enough in itself but, to make it worse, you think of the offspring that will be deprived and you wonder what this place will come to. Those things we take for granted like life insurance, health insurance, workman's compensation, sick leave, social security, etc. are just plain unheard of here. Since education is paid for by the individual, and there are so many poor, the only people that can afford to go to school are the children of the better classes whose parents are sometimes dead ones. If that is the case, they usually have their hands full just trying to feed that little brother or sister. One heck of a mess "ain't" it?

When you see something like this it really, if nothing else, helps to renew one's confidence in our forefathers and government and have today. I'm really proud and feel very fortunate to be able to say that I am an American.

I wish we could do some constructive good over here. If those VC would give up we could give these people, North and South, a start to a life they never

The Service Station

Gene L. Thompson, who has been in Korea since Dec. 4, 1967, has recently been promoted to E5. His address is: Sp5 Gene L. Thompson, RA 16980388, Co. "D", 335th Main, BN (DK), APO San Francisco 96301.

Patrick P. Vrtiska, son of Mr. and Mrs. Adrian Vrtiska, Wayne, recently spent two weeks at home before going to his new assignment in Oahu, Hawaii. He will be stationed there for two years. His address is Patrick P. Vrtiska, SN 1629134, USNAB, Box B, FPO San Francisco, Calif. 96612.

Robert F. Nedergaard, son of Mr. and Mrs. Gordon M. Nedergaard of 1301 Meadow Lane, Wayne, is one of more than 1,200 freshmen cadets who have entered the U.S. Air Force Academy class of 1972.

He recently completed the academy's stringent basic training program for acceptance into the cadet wing. The two-month program includes field training at a simulated frontline combat base near the academy's strenuous physical conditioning and survival instruction.

The cadet now enters a four-year course of study leading to a bachelor of science degree in one of nearly 30 fields covered by the curriculum and a commission in the Air Force as a second lieutenant.

Cadet Nedergaard is a 1968 graduate of Wayne High School where he lettered in football.

Airman Virgil S. Starks, son of Mr. and Mrs. Stanley V. Starks of Allen, has been graduated from a U. S. Air Force technical school at Sheppard AFB, Wichita Falls, Tex.

He was trained an aircraft mechanic and has been assigned to a unit of the Air Training Command at Laughlin AFB, Tex.

The airman is a graduate of Allen High School.

Airman First Class Leonard F. Jones, son of Mrs. Lela C. Jones of Laurel, is on duty at Da Nang AB, Vietnam.

Airman Jones, a security policeman, is a member of the

SWAY DRAWING was held at Carroll Tuesday night in the American Legion Hall, Post No. 165, of which Vernon Schnoor is Commander. Drawing the servicemen's names are, left to right, Leonard Hallett, Hallett's Barber Shop; Esther Hansen of Hansen's Grocery; and Frank Krov of Frank's Welding Shop. Servicemen's names drawn were David R. Stringer, Joe Simonin, and Kenneth J. Haase. Each of these winners will receive a check for \$10 from SWAY.

When you see something like this it really, if nothing else, helps to renew one's confidence in our forefathers and government and have today. I'm really proud and feel very fortunate to be able to say that I am an American.

I wish we could do some constructive good over here. If those VC would give up we could give these people, North and South, a start to a life they never

dreamed possible and I doubt if any of us taxpayers would have any slimmer wallet than we have now. Even if it were, the money couldn't go to a better cause.

At one time I would have said, "Let's take care of our own first" but our own are either lazy, or indifferent, for the most part, although I realize there are a few exceptions. In comparison with these people, our own live like kings or at least like humans, which is more than I can say for some of these.

We are supposed to move into the new barracks at Phu Lam in
