

2 Automobile Accidents North of Wayne Sunday

Two automobile accidents, one resulting in slight injuries to a passenger, occurred within a few minutes of each other Sunday evening about nine miles north of Wayne on Highway 38, according to the investigating state patrolman, Bill Wheeler of South Sioux City.

The first accident, which took place about 6:30, involved automobiles driven by men from Laurel. A car driven by Kenneth Kint, 49, apparently struck loose snow which had blown back into a cut through a snow drift, causing his car to slide sideways on the highway. A car driven by Verner Madsen, 36, struck the Kint car on the left side, causing damage to both vehicles. Both cars were traveling north.

Wheeler said Mrs. Tillie Kint, one of three passengers in the Kint automobile, suffered a bump on the head but was not hospitalized. Passengers in the Madsen automobile were his wife and five children. No injuries were reported by them.

A few minutes after this ac-

cident another one occurred just to the north when Phillip Scheer, 28, Creighton, parked his car and helped direct traffic. His automobile was struck in the rear by one driven by Albert H. Berry, 35, of Wakefield.

Neither of these cars had passengers and no injuries were reported. Wheeler said damage to the Scheer automobile was quite extensive.

The highway was quite slippery at the time of the accidents because of a freezing mist which was falling. There was no blowing snow when they occurred, according to Wheeler.

Assessor to Carroll

Wayne County Assessor Henry Vrp has announced that the dates he plans to be in Carroll are Jan. 29th and Feb. 5th.

The Feb. 5th date was established when a conflict in schedule necessitated a change from the original announcement.

EXAMINING DOCUMENTS. — Carl Matson, son of Dr. and Mrs. Roy Matson of Wayne, a volunteer for the draft, looks over some of his papers before leaving Wayne early Tuesday morning for induction into the armed service. Nineteen years old, he graduated from Wayne High School in 1967.

State Income Tax Can Be Deducted From Federal Tax

The Nebraska state income tax is deductible on Federal income tax returns for those who itemize their deductions instead of taking the standard deduction. Richard P. Vinal, district director of Internal Revenue for Nebraska, said today that his office is receiving many inquiries about the amount of state income tax that can be deducted on 1968 Federal income tax returns.

Mrs. Vinal said that cash basis taxpayers, which most of us are, can deduct the amount of state income tax withheld from wages during 1968. Those who paid estimated income tax to the state during 1968 can also deduct those payments.

Mr. Vinal argued all taxpayers to mail their Federal returns directly to the Internal Revenue Service Center, Midwest Region, Kansas City, Mo. 64170.

County May Decide Not to Take Part

Wayne County may decide not to participate in the Food Stamp Program, according to Mrs. Ethel Martelle, county welfare director, and George Stoltz, chairman of the county commissioners.

They said on Tuesday that several questions have arisen lately which must be answered satisfactorily before the county commissioners make the final decision on whether to take part in the federally-backed food assistance program.

The commissioners meet again on Jan. 28 and the final decision will probably be reached then, Stoltz said.

If Wayne County decides to take part in the program, a story will be carried in the paper explaining how to receive the stamps, how to use the coupons and other details.

State Normal Board Approves Test Case Against State Auditor

A Wayne State College revenue bond refinancing problem prompted the State Normal Board Tuesday to approve a resolution to initiate a test case against the state auditor.

The problem involves Wayne State's request to refinance a \$2,550,000 bond issue for two buildings completed several years ago, the Student Center and Bowen Hall.

The state auditor declined to approve the refinancing because of the state's constitutional ban of state indebtedness exceeding \$3,000,000.

For many years the residence halls and other non-academic buildings on Nebraska state college and university campuses have been financed by revenue bonds. Such bonds are retired by income from the use of such buildings—board and room fees, for example—and not by tax money.

The outcome of the test case will determine future policy on financing new dormitories, food facilities and other non-academic buildings, board members said.

The Normal Board endorsed the request of the four state colleges to withdraw from the Nebraska College Conference in June. In effect, that dissolves the five-college league since Hastings College already has announced intent to withdraw at the See TEST CASE, page 8

St. Olaf Choir Coming

The St. Olaf College choir of Northfield, Minn., will sing here Friday afternoon, Jan. 31, as an addition to the Wayne State College special program series.

The concert at 1 p.m. in the Fine Arts Center is open to the public at no admission charge.

The St. Olaf choir is nationally renowned among collegiate vocal organizations.

'69 Corn Average Up

The average yield of dry-land corn in Wayne County for 1969 will be 64.4 bushels to the acre, according to the Agricultural Stabilization and Conservation office in Wayne. This is slightly higher than the 1968 average of about 62 bushels to the acre.

Average yield on irrigated fields in the county, the office reported, will be 106.8 bushels to the acre, about two bushels higher than the 1968 average.

The office noted that the years 1963-67 were used in determining these averages.

WVFD Answers Alarm

Winside's Volunteer fire department answered a call Friday evening about 8:30 p.m. when a 1959 station wagon belonging to Darrell Grothe caught on fire.

The Grothe family live northeast of the Fred Bangberg family when the vehicle began to burn while Grothe was parking it.

Grothe escaped with light burns but the station wagon received considerable damage in both the motor area and interior. Cause of the blaze was not determined.

Details of 1969 Feed Grain Program Ready

Operating details of the 1969 voluntary feed grain program are now available to all producers, according to John H. Mohr, chairman, Agricultural Stabilization and Conservation County Committee.

The 1969 program, announced Dec. 26 by Secretary of Agriculture Orville L. Freeman, is virtually identical to that of 1968—the only major difference being that barley is included in the program this year.

A national acreage diversion target of 37 million acres of corn, grain sorghum and barley was set by Secretary Freeman. This compares to an actual 1968 diversion of 32.4 million acres when barley was not in the program. The diversion target is designed to produce a 1969 crop about three to five million tons below estimated requirements, thereby causing a slight reduction in stocks—about 47 million tons.

Producers of feed grains may participate in the 1969 programs by reducing their total base acreage by at least 20 per cent. This will make them eligible for the program benefits of price-support loans and payments. Additional acreage diversion for payment—of up to 50 per cent of the base—will also be encouraged.

Sign-up will be conducted simultaneously for the feed grain and wheat programs from Feb. 3 to Mar. 21.

New Stater Editors

Two new editors were named Friday, Jan. 11, to the Wayne Stater by the Student Publications Committee at Wayne State College.

Editing the paper, which again this trimester will be printed once a week, are Diane Wilson, junior from Lincoln, and David Bartlett, freshman from Spalding. They will head the paper for the second term.

Miss Wilson is past president of Pi Alpha Lambda, member of the Student Union Board and treasurer of the Wayne State Literary Club. She is majoring in English and minoring in sociology.

Bartlett was assistant editor of the Stater last term and worked on the Spalding Enterprise. A four-year Navy veteran, he is majoring in English.

Drawing Worth \$100

Wayne's Thursday night Cash Night drawing is worth \$100 to the shopper who has his name announced at 8 p.m. in all the participating stores. But the shopper must be present in one of those stores in order to take home the check.

Last week Ernest Stefken of rural Wayne took home \$150 after stepping forward when his name was announced as the one drawn.

To be eligible for the drawing you must register in one of the stores taking part in the weekly drawing and you must be over 18 years old to register.

Date Change

A representative of the Department of Labor offices in Northway will be in Wayne Feb. 13 and 24. The first date had to be changed because of a holiday falling on the second Wednesday of the month.

He will be at the Chamber of Commerce office at 9:30 in the morning both days.

Scholarships Now Available for Area Farm, Ranch Youth

Wayne area farm and ranch youth who need financial assistance to continue their education beyond high school may apply for help from the Nebraska Department of Agriculture and Economic Development, according to Thomas Lambert, Farmer's Home Administration county supervisor for Wayne, Cuming and Stanton counties.

The scholarships, which will provide up to \$2,400 during a student's educational career, are available both for students now enrolled or about to enroll in any governmentally operated school. These schools include the four state colleges at Wayne, Peru, See SCHOLARSHIPS, page 8

March of Dimes Works in Wayne

March of Dimes treasurer, Pat Gross reports that the annual drive is well underway and the response has been good. Particularly significant is the participation of Wayne State College students who have held a bake sale, hot dog sale and made solicitations in the dormitories for the fund. One fraternity is writing to 250 brother fraternities asking for participation in the 1969 March of Dimes drive. Campus efforts to swell the drive funds will climax with a Feb. 15 dance in the WSC student center.

Treasurer Gross said Monday, "Since 1966 the Wayne County March of Dimes has paid out \$2,087.82, all of which has been spent on medical costs incurred by area families."

A check for \$500 to defray medical costs was presented by the March of Dimes Treasurer Monday to Mr. and Mrs. Harvey Reeg of rural Wayne whose son, Kurtis died last October as a result of birth defects.

Pat Gross has stated any family that has or may have a child or children with birth defects should contact him for information concerning the March of Dimes program.

Hire Roger Elder As CC Manager

Roger Elder, 34, was hired Tuesday by the Chamber of Commerce board of directors to replace Bernard Schulte as chamber manager.

Married and the father of four daughters, Elder will work with Schulte until Feb. 15 when he will take over the duties. Schulte resigned his position in December.

Elder came to Wayne in late 1967 as the sales manager of KTC II Radio. Prior to moving to Wayne he had been sports director of KAWL Radio in York. He is a native of York and a five-year Navy veteran.

Schulte said he has not decided what he plans to do after Feb. 15.

NE Tech Board Give Architects First Approval

Northeast Tech came a step closer to reality Tuesday night when the Board of Governors gave preliminary approval to their architects to complete planning phases on the first stage of construction at the school.

Tuesday marked the third attempt by the architects to come within an acceptable budget. Current estimates for the initial phase are \$1,499,325. Original proposals were \$1,917,946.

First construction for the school calls for a combination administration-classroom building and a shop complex. The shop building is planned in two wings.

Next step will be for the architects to complete the design development phase of the project by Feb. 13. Working drawings must be completed by June 21 with bids to be issued by July 5. Bids will be received August 5 with construction to start August 25. Completion of the project is scheduled by September, 1970.

The Board emphasized that they will probably call for the bids in various combinations so as to determine how well they fall within projected income. For example they may ask for the shop building to be bid by wings.

Administrator F. Don Macley projected annual income from tax monies of \$1,002,000. This is based on a two mill levy. Cur- See NE TECH, page 8

WS Foundation Providing \$500 For Scholarships

The Wayne State Foundation will provide \$500 for scholarship awards for several students presenting research papers at the spring meeting of the Northeast Nebraska Junior Academy of Science. The Academy meets each year at Wayne State College.

The scholarships, which will be awarded students enrolling at Wayne State, will consist of \$50 for each of two trimesters, according to Dr. Harland Parkratz, secretary of the Academy. He said the purpose of the scholarships is to attract more science students to the college.

A non-profit corporation, the Foundation decided at its annual meeting last fall to provide the \$500. Information about the scholarships and criteria the students must meet were made available to members of the Academy.

County's Semi-Annual Report Gives Figures

Wayne County spent over one million dollars during the period from July 1 to Dec. 31, 1968, according to the county treasurer's semi-annual report. The notice appears elsewhere in this issue of the paper.

The report shows that the county took in about \$100,000 more than it spent during those six months. Added to the previous balance, this left a total balance on Dec. 31 of \$1,112,582.24.

Scholarships to 25 WS Students

Twenty-five Wayne State College students have received \$100 scholarships from the Wayne State Foundation for second-term study at the college. It is the largest number ever awarded by the foundation, which selects recipients for their ability, character and promise of success.

Among those getting scholarships were Karen Willis, Jean Eynon, Inge Atkins and Earl Fey, all of Wayne, and Marsha Schmidt of Wisner.

at its meeting early in January at Wayne High School.

Up to a few years ago, area high school students took part in a science fair each spring at the college. This was dropped in favor of the presentation of papers by the students.

No date has been set for this year's spring meeting.

A committee composed of representatives of the Academy and the college science and mathematics faculty will screen the research papers presented by the students. It will make recommendations to the Academy's executive committee for final approval. The names of the students receiving final approval will be presented to the Foundation which will grant the scholarships.

To be eligible for the scholarships, students must meet the following criteria:

- have a high rating for presenting the results of an experimental project at the spring meeting of the Academy;
- have the abstract and the written paper;
- undergo an interview with the screening committee;
- be currently enrolled in science and mathematics in high school or have three years of experience;
- get the sponsoring teacher's evaluation of the student and his work;
- express interest in a science or mathematics career;
- and be a member in the local science club and activities associated with such groups.

The scholarship money will be made available by the college business office and will be applied to payment of tuition at the time of enrollment. A letter to the winners will be sent informing them they have been granted the money.

The Academy has recommended that biology, mathematics and physical science each be represented among the recipients.

SCOUTS TAG HOMES. Vincent Jenness, 10, (left) and his brother Carl Jenness, 11, were busy Saturday, along with fellow Troop 173 members, placing door knob tags on Wayne residences as a reminder of a second paper drive to be held Jan. 25. The Jenness brothers are sons of Mr. and Mrs. Miron Jenness, Wayne. The tags being distributed read "to help our scout unit earn money for camping and equipment, would you kindly do us a favor and save your old newspapers? We will be in this area on Saturday, January 25, and would appreciate your slacking the papers where we can pick them up without bothering you. Thank you very much!"

Farmers Warned to Watch For Deadly Swine Disease

At least one case of the dreaded Transmissible Gastroenteritis (TGE) disease of swine has been diagnosed in the Wayne area.

Bob Fritschen, area swine specialist at the Northeast Station near Concord, said this week that a farmer in the Allen area lost all the pigs from 36 litters last week due to the TGE virus.

Fritschen said that is the only outbreak of the disease this year as far as he knows, but that farmers in the area should be on the watch for it because it appears about this time of the year.

"The virus is activated whenever there is a warming and then cooling period," Fritschen said. "There is no cure for the disease and it is almost 100 per cent fatal," he continued.

A check with the veterinarian service in Wayne revealed that no cases of the disease have been reported in the immediate area. Losses have been reported in the Beatrice-Wymore area and some other locales, according to the University of Nebraska (College of Agriculture).

TGE, known as "baby pig disease" because of the high mortality rate when it strikes pigs under a week of age, is caused by a virus that attacks the lining of the intestine. Severe erosion of tissues where most food nutrients are absorbed occurs, with symptoms of vomiting, diarrhea and rapid loss of weight. There is no effective vaccine or cure for the disease.

Loss may be 90 to 100 per cent under a week of age, 80 to 90 per cent at 7-10 days of age, and at 14-21 days may drop to 40 to 70 per cent. While the death loss is small past 21 days of age, growth rate may be depressed, according to Dr. Crosby Lowe, extension veterinarian at the University of Nebraska.

Because TGE resembles hog cholera in some ways, it is important to get a diagnosis. Dr. See DISEASE, page 8

Original Prints To Be Displayed At Wayne State

London Grafica Arts will present a collection of original graphics in an exhibition and sale at Wayne State College's Fine Arts Center on Thursday, Jan. 30, from ten in the morning to seven in the evening.

About 500 works seen usually only in major galleries or museums will be on display. All original, they have been printed directly from the plate or stone that the artist himself has done. They range from 16th century manuscript pages to 20th century prints. Among the artists represented are Picasso, Braque and Chagall.

All the prints are for sale at prices ranging from \$10 to \$3,000. A representative from London Arts will be on hand to answer any questions about the prints or about graphic arts in general.

MARCH OF DIMES. Pat Gross, treasurer of March of Dimes drive, presents Mr. and Mrs. Harvey Reeg of rural Wayne with a check to assist with medical costs incurred during the hospitalization of their son Kurtis who died last October due to birth defects. Mrs. Reeg is holding two-year old daughter Karen.

WAYNE STATE STUDENTS receiving scholarships from the Wayne State Foundation for second-term study at WSC include (top picture, front row from left) Elaine Hess, Omaha; Jean Wacker, Norfolk; Carol Brit, Crete; Karen Willis, Wayne; Jean Eynon, Wayne; (standing) Tom Graves, Grand Island; Marsha Schmidt, Wisner; George Cook, Omaha; Inge Atkins, Wayne; Donald Weber, Neligh; Jennie Peck, Coleridge; Earl Fey, Wayne, and Ron Brunken, Columbus. Also receiving scholarships are (bottom picture, front row) Connie Steckelberg, Manilla, Ia.; Grace Jedlicka, Schuyler; Phyllis Maussbach, Humboldt; (back row) Lynn Tomack, Rock Rapids, Ia.; Jack Ferris, Shenandoah, Ia.; formerly of Cleghorn, Ia.; John Marbens, Ashton, Ia.; David Busby, South Sioux City; John Macklin, Sloan, Ia.; Tom Rhodes, Carrizo Springs, Texas, and Frank Weberg, Omaha. Another recipient, not pictured, is Stanley Fullner, Beatrice.

1st Swine Day Set for January 28

Area swine producers attending one of the University of Nebraska Area Swine Days Jan. 28, 29 or 30 will hear first-hand from Dr. Murray Danielson, swine research project leader at the NC North Platte Station, and the new mechanical baby pig rearing unit now available. The three one-day swine information meetings set for Holdrege, Jan. 28; Albion, Jan. 29 and Oakland, Jan. 30, are designed to keep Nebraska pork producers abreast of new information in the industry. Dr. Danielson will discuss nearly one year of practical and research experience with the Baby Pig. Marjama installed late in 1967 at the North Platte Sta-

NEW WAYNE COUNTY extension officers elected at the monthly meeting of the board Monday afternoon at the county courthouse are (seated, left to right) Don Johnson, Hoskins; Mrs. Howard Grave, Wakefield; Les Youngmeyer, vice-chair-

man, Wayne; Ray Reeg, chairman, Wayne; Mrs. Wallace Anderson, secretary, Laurel; Mrs. Melvin Dowling, Randolph, and Paul Sievers, Wayne. Standing is Wayne County Agricultural Agent Harold Ingalls.

tion. The fully-automatic mechanical rearing unit includes 108 individual wire cage units which are serviced every 90 minutes by the Pig Mamma moving continuously on an overhead oval track. Baby pigs are taken from the sow six hours after birth and kept in the unit about three weeks. The ND Department of Agricultural Engineering is working cooperatively with swine researchers on the North Platte project with heat, light, ventilation and humidity studies related to baby pig rearing.

The Area Swine Days program also includes: discussions on tele-type marketing, feet and leg problems of swine, worm control in swine and other developments in swine research and management.

Funeral Services Held in Iowa for Mrs. Klingbeil

Funeral services for Mrs. Martha Klingbeil, 76, were held Jan. 22 at Peace United Church of Christ, Melbourne, Ia. Mrs. Klingbeil died Jan. 19 at a Dubuque, Ia. hospital. Martha Fuhrman, daughter of Mr. and Mrs. C. J. Fuhrman, was born Aug. 21, 1893 on a farm south of Hoskins. She was baptized and confirmed at Peace Church south of Hoskins. She was married Dec. 29, 1920 to Charles Klingbeil. She was preceded in death by her parents, her husband who died Jan. 28, 1961; two sisters, Ella and Winnie and two brothers, Ernest and Ed, all of Norfolk. Survivors include two daughters, Mrs. Elaine Casper, Melbourne, Ia., and Mrs. Velda Alderson, Dubuque, Ia.; four sisters, Mrs. Lizzie Franz, Orangeville, Ill., Mrs. Harry Brumless, Randolph, Mrs. Herman Marten, Norfolk, and Mrs. Awalt Walker, Hoskins, and seven grandchildren.

Burial was in Pleasant View Cemetery, Winslow. Elsie Lydia Rehmus, daughter of Mr. and Mrs. Herman Rehmus, was born July 22, 1864 in Omaha. She spent most of her life in the Winslow area. Two years ago she entered a convalescent home in Norfolk. Survivors include a sister, Emma Rehmus, and a brother, August Rehmus, both of Norfolk.

Funeral services were at Augustana Lutheran Church, Washington, D. C., with burial at Mount Comfort Cemetery, Alexandria, Va.

Wakefield Farm Has 2 Winners At Norfolk Show

Jack Sievers, son of Mr. and Mrs. Leroy Sievers of Wakefield, showed the trophy winning champion heifer and the reserve champion female at the Northeast Nebraska Hereford Show and Sale

Jack Sievers held at the Norfolk Livestock Market Inc. Monday.

The Sievers turn the Lori Lee Farms. Sievers' heifer was sold to J. B. Ranch of Wayne for \$425. His female entry was sold to Donald Hansen of Wisner for \$250. The Lori Lee Farms also showed the trophy winning get of sire at the contest. Showing the grand champion bull, which brought \$600, was Phillip Stoltz of Elgin. It brought the top price at the sale. Average price brought by the 31 bulls at the sale was about \$350.

About 200 4-H and Future Farmers of America members from 11 area schools took part in the show and sale. Final judging was done by Joe Bstrandig, Stanton County agent. Chalmers Wilkerson of Coleridge had charge of the sale.

Mrs. K. Carlson Dies in Virginia

Klara Blomquist Carlson, a resident of Concord and Wayne from 1927 to 1942, died Jan. 13 at her home at 2206 Windsor Rd., Alexandria, Va., after a long illness. She was the widow of Christopher Theodore Carlson, a clergyman in the Augustana Synod of the Lutheran

LEGAL PUBLICATION

WANEY CITY COUNCIL PROCEEDINGS December 30, 1968 The Mayor and City Council met in regular session in Council Chambers at the City Auditorium on December 30, 1968, at 7:30 P.M. The Mayor called the meeting to order with the following present: Mayor Alfred Kopla, Councilmen Wilmar Marra, R. H. Banister, Allan Wittig, Martin Willers, E. G. Smith, Attorney John Addison, and City Clerk Dan Sherry. Absent: Councilman Jack Ringstrom. Motion by Councilman Smith and seconded by Councilman Willers that, whereas, the City Clerk had prepared copies of the last regular Council meeting for each Councilman and that each Councilman has had an opportunity to read and study same, that the following items be dispensed with and the same be declared approved, Motion carried.

Table listing various public notices, including 'WATER EXTENSION DISTRICT 1', 'SEWER REVENUE FUND', 'LEGAL PUBLICATION', and 'WANEY CITY COUNCIL PROCEEDINGS'.

acceptance of Consolidated Engineers, Inc., City Engineers, certifying that Storm Sewer District No. 67-2 had been completed in accordance with plans and specifications and certifying as to the work being accepted and placed in file and that said Storm Sewer District No. 67-2 be and hereby is accepted. BE IT FURTHER RESOLVED that the said Special Engineers be and hereby are directed to make a complete statement of costs of said improvements and to make a plat of the property in Storm Sewer District No. 67-2 and a budget schedule of amounts proposed to be assessed against each separate place of property in said District and file the same with the City Clerk within ten days from the date hereof. Councilman Smith seconded the motion and on roll call the following voted: Yes: Marra, Banister, Wittig, Willers, Smith. The following voted No: None. It was moved by Councilman Wittig and seconded by Councilman Willers that the proposed schedule of amounts proposed to be assessed against each separate place of property in Storm Sewer District No. 67-2 be and hereby is accepted. BE IT FURTHER RESOLVED that the City Engineers, Consolidated Engineers, Inc., be and hereby are directed to make a complete statement of costs of Storm Sewer District No. 67-2 and a budget schedule of amounts proposed to be assessed against each separate place of property in the District. The proposed schedule of amounts were filed with the City Clerk after careful examination thereof, the following Resolution adopted: BE IT RESOLVED that the Mayor and City Council of the City of Wayne, Nebraska, do hereby certify that the City Clerk has filed with him the following: A copy of a plat of the property in Storm Sewer District No. 67-2 of the City of Wayne, Nebraska, as shown on the plat of the City Auditorium for the purpose of assessing and levying special assessments against the property within the District to pay the cost of said improvements in an amount not exceeding the local benefits conferred upon the properties within the District and that the Clerk of the City has filed with him the following: A copy of the proposed schedule of amounts proposed to be assessed against the property within said District as prepared by Consolidated Engineers, Inc., City Engineers for the project, are on file in the office of the City Clerk and all objections to said plat or schedule or to any prior proceedings on account of errors, irregularities or inequalities must be made in writing and filed with the City Clerk within twenty days after the first publication of this notice or all objections shall be deemed to have been waived. You are further notified that the Mayor and City Council will sit as a board of Adjustment and Equalization on the City Auditorium in the City of Wayne, Nebraska, at 8:00 o'clock P.M. on the 14th day of January, 1969, to consider said objections and to adjust and equalize the proposed assessments with reference to the benefits resulting from the proposed improvement and levy special assessments therefore. Any objection not taken in person or by representative and submitted additional information as he may desire.

passage of said resolution, the Mayor declared the resolution passed and adopted. Thereupon, Councilman Banister moved that the Mayor be adjourned to reconvene at 7:30 o'clock P.M., on January 14, 1969, to sit as a Board of Adjustment and Equalization and to levy special assessments for said Storm Sewer District No. 67-2, and transmit such other business as may properly come before the meeting as may be determined by the motion being seconded by Councilman Wittig and seconded by Councilman Willers. The motion was adopted by Councilman Wittig and seconded by Councilman Willers. Dan Sherry, City Clerk. BE IT FURTHER RESOLVED that the following resolution and moved its adoption: RESOLUTION BE IT RESOLVED that the Mayor and City Council of the City of Wayne, Nebraska, do hereby certify that the City Clerk has filed with him the following: A copy of a plat of the property in Storm Sewer District No. 67-2 of the City of Wayne, Nebraska, as shown on the plat of the City Auditorium for the purpose of assessing and levying special assessments against the property within the District to pay the cost of said improvements in an amount not exceeding the local benefits conferred upon the properties within the District and that the Clerk of the City has filed with him the following: A copy of the proposed schedule of amounts proposed to be assessed against the property within said District as prepared by Consolidated Engineers, Inc., City Engineers for the project, are on file in the office of the City Clerk and all objections to said plat or schedule or to any prior proceedings on account of errors, irregularities or inequalities must be made in writing and filed with the City Clerk within twenty days after the first publication of this notice or all objections shall be deemed to have been waived. You are further notified that the Mayor and City Council will sit as a board of Adjustment and Equalization on the City Auditorium in the City of Wayne, Nebraska, at 8:00 o'clock P.M. on the 14th day of January, 1969, to consider said objections and to adjust and equalize the proposed assessments with reference to the benefits resulting from the proposed improvement and levy special assessments therefore. Mrs. Kumm Entertains Central Social Club

Central Social Club met for a 1 p.m. luncheon Jan. 7 at the home of Mrs. Harland Kumm. Eleven members answered roll call by giving New Year resolutions.

Mrs. Warren Austin presented the lesson on first aid. Mrs. Herb Niemann won a prize. Feb. 4 meeting will be with Mrs. Elder Lubberstedt.

Reports, Topic Heard At Immanuel Aid Meet

Hosting last Thursday's meeting of Immanuel Lutheran Ladies Aid were Mrs. Conrad Welterhauser and Mrs. Edward Meyer. Rev. A. W. Gode presented the topic, "Love Active in Social Ministry". Twenty-three members responded to roll call with payment of dues and mite box offering.

Guests were Mrs. Marvin Reinkens, Mrs. Ellnor Heikhold, Mrs. Dwayne Jacobsen and Mrs. Amos Echtenkamp. Mrs. Evert Hank reported on the LWML meeting held in Wakefield. A workshop is slated Jan. 28 in South Sioux City.

Winside Couple Mark Wedding Anniversary

Mr. and Mrs. Herbert Jaeger, Winside, were surprised Sunday when 45 friends and relatives gathered at their home to help them celebrate their 20th wedding anniversary.

Cards furnished entertainment with prizes going to Herman Jaeger, Mrs. Gottlieb Jaeger, Howard Voss and Mrs. Christ Weible. Mrs. Gurney Hansen received travelers prize. Mrs. Paul Zoffka baked and decorated the cake.

Mr. and Mrs. Jaeger were married Jan. 16, 1949 at Redeemer Lutheran Church, Wayne. They have spent their married life in the Winside community. They have five children, Danny, Debra, David, Dirk and Douglas at home.

Mission Topic Heard At Grace Aid Meeting

Attendance was limited to 31 members at Grace Lutheran Ladies Aid meeting Jan. 8 due to unfavorable weather conditions.

Pastor E. J. Bernthal presented the topic, "Mission Beyond Ourselves". Mrs. Allan Wittig accepted the position of secretary to serve the rest of the 1969 term. Mrs. Ernest Grone resigned due to ill health.

Aid members will serve dinner for the 50th wedding anniversary of Mr. and Mrs. Carl Nelson Feb. 9. Announcement was made that the LWML family life workshop will be held Jan. 28 at Hope Lutheran Church, South Sioux City. Next meeting will be Feb. 12.

Coterie Meets Monday With Mrs. F. Morgan

Coterie meeting was held Monday at the home of Mrs. Frank Morgan. Guests were Mrs. Don Wightman and Mrs. Ralph Carhart. Jan. 27 meeting will be with Mrs. A. T. Cavanaugh.

Gutshall-Campbell Plan June Wedding

Mr. and Mrs. Dale S. Gutshall, Wayne, announce the engagement of their daughter, Sally L. to Dale R. Campbell, son of Mr. and Mrs. Roland Campbell, Oxford, Ia.

WWI Auxiliary Meets

WWI Auxiliary meeting was held Monday evening with six members present. Discussion was held on the district IV convention planned in Wayne in March. Mrs. John Goshardt and Mrs. Clarence Powers served. Barracks members joined the group for lunch and a social hour.

Mark 55th Anniversary

Mr. and Mrs. Gus Kraemer, Norfolk, recently marked their 55th wedding anniversary. Dinner guests Sunday in their home were Mr. and Mrs. Erwin Kraemer and family, Concord, Mr. and Mrs. Kenneth Kraemer and family and Mrs. Melvin Dommer, Colfax, Wis., and Mr. and Mrs. Leonard Kraemer, Paul, Idaho.

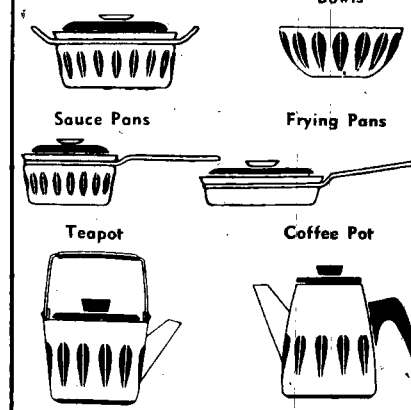

Acme Meeting Monday

Acme Club meeting was held Jan. 20 at Miller's Tea Room with Mrs. Armand Hiseox as hostess. Mrs. Leslie Doescher will host the Feb. 3 meeting.

Mrs. Sievers Hosts Club

Mrs. John Sievers was hostess to Monday Pitch Club Jan. 20. Prizes were won by Mrs. Julia Haas and Mrs. R. H. Hansen. Feb. 3 meeting will be with Mrs. Lou Baier.

S. Cleveland-Wehrer Set Wedding in June

Mr. and Mrs. Lyle Cleveland, Wayne, announce the engagement of their daughter, Sharon, to Jerry Wehrer, son of Mr. and Mrs. V. G. Wehrer, Wayne.

Miss Cleveland, a graduate of Wayne High School, attended WSC two years and is presently employed at Mines Jewelry. Her fiancé, also a graduate of Wayne High, served two years in the Army and is now employed by Wayne County Public Power District.

H. Von Seggren Has Birthday 92

Henry Von Seggren, Winside, observed his 92nd birthday at his home Thursday. Relatives from Hubbard were guests Wednesday afternoon for the occasion.

He was born Jan. 16, 1877 in Germany and came to the United States in 1893. He worked on a farm near Altona for 12 years. In 1905 he married Lizzie Von Seggren. The couple lived on a farm in Cherry County for 21 years before coming to Winside in August, 1926. They have lived in the same house since moving into Winside.

Mrs. Von Seggren, 82, enjoys good health and her hobby of working with flowers. Mr. Von Seggren reads without the aid of glasses and is very active for his 92 years. He spends and works his own garden and grows a variety of vegetables. He also helps his wife with the housework.

The Von Seggrens are members of the Trinity Lutheran Church, Winside. He has two sisters in Germany. One brother is deceased.

To Mark Golden Year

Mr. and Mrs. Ernest Pfeil, Hoskins, will be observing their golden wedding anniversary Sunday at their home. No special program is planned.

Wayne Hospital Notes

Admitted: Mrs. DeWayne Peterson, Wayne; James Wentworth, Laurel; Janie Gromenthal, Wayne; Mrs. William Janke, Winside; Mrs. Darrell Holdorf, Winside.

Wayne 45
Bloomfield 32

BLOOMFIELD'S LARRY LARSON had just pulled down a rebound under Wayne's basket during Saturday night's competition when this picture was taken. Blue Devils shown trying to halt Bloomfield's drive down court include Randy Helgren (10), Chuck Fisher (34) and Les Echtenkamp (30).

Blue Devils Net 45-32 Win Over Bloomfield Saturday

by Jack Manske

Wayne High was forced to utilize a rigid ball control offense in the second half of a tussle conference (western division) cage (lit Saturday night at WSC's Blue Auditorium in order to salvage a low-scoring 45-32 victory over the Bloomfield Bees. Coach Dick Nelson's Blue Devil hardcourt artists, who held a slim 19-18 halftime lead, managed to outscore the visitors 12-6 and 14-8 in the final two quarters while posting their fifth win of the 1968-69 season.

First period action was spiced with fast-moving offensive and aggressive defensive performances by both teams although Wayne did manage to pull ahead of the Bees 13-12 when Dwayne DeTurk scored on a 20-foot jump shot with just four seconds remaining in the quarter.

Neither team was able to find its range in the second stanza as only 12 points were scored in the eight minutes of action that saw the scoreboards lights advance to 19-18 in the Blue Devils' favor.

Wayne took advantage of a Bloomfield scoring drought in the third stanza as the margin was increased to 31-24. Dave Tietgen, the Blue Devils' leading scorer

for the night, led Wayne's third quarter offensive attack with two field goals and a charity toss for five points.

Bloomfield never seriously threatened Wayne's lead in the final period as a Blue Devil still successfully thwarted the Bees' desperate attempt to gain control of the ball in the last four minutes. Free throws clinched Wayne's victory as the local cagers connected on 10-14 charity tosses while netting 14 points in the quarter.

Dave Tietgen and Harry Lindner shared the honor of leading the Blue Devils under the boards with seven rebounds each. They were followed by Dwayne DeTurk with six, Randy Helgren with three, Les Echtenkamp, Ted Armbruster and Jerry Titz with two apiece and Chuck Fisher with one rebound.

Tietgen also led Wayne in scoring with 14 points. He was followed by Helgren, Echtenkamp and Lindner with six each; Titz and DeTurk with four apiece; Armbruster with three and Fisher with two tallies.

Coach Don Johnson's junior varsity dropped a 44-43 thriller to the Bees in the preliminary competition. Don Mau led Wayne's B Team in scoring with 10 points. He was followed by

Ted Armbruster and Dick Tietgen with five each; Mike Creighton, Jerry Titz, Les Echtenkamp and Bud Cook with three apiece; Lonnie Biltoft with three and Brock Giese and Mike Biltoft with two points each.

Mau also led Wayne under the boards with 11 rebounds. He was followed by Armbruster with seven; Giese, Echtenkamp and Lonnie Biltoft with four apiece; Creighton with three; Tietgen and Mike Biltoft with two each and Jim Sturm with one rebound.

Both Wayne High School teams will see action tomorrow (Friday) night as they play host to Nellig at Blue Auditorium. Game time is 8:00 p.m. for the varsity while B Team action begins at 6:15.

Cold 4th Quarter Costly For Wakefield Trojans

Although leading host Tekamah most of the game, the Wakefield Trojans couldn't find the range in the final quarter and suffered their fourth defeat of the season Monday night, 77-69.

In an away game Saturday night, the Trojans picked up their third win by soundly trouncing Pender, 73-41.

Wakefield held an eight point lead at the end of the first period, 19-11, and then moved in front of Tekamah by as much as 15 at one point in the second quarter. Tekamah trimmed that lead slightly and trailed by only six, 37-31, going into intermission. The hosts outscored Wakefield in the third stanza, 19 to 16, to move within three points going into the final eight minutes of action and then held Wakefield to only 16 points while garnering 27 to pull off the win.

Standout for the losers was 5-11 senior Gary Preston, who tallied 24 points for high point honors in the game. But despite his efforts, Wakefield fell below their usual shooting percentage, about 47 or 48 per cent, when they hit on only 28 out of 66 attempts for 42 per cent, about the same percentage as at the free throw line where they potted 13 out of 30.

"Our shooting really hurt us," said Coach Dennis Crawford. "Tekamah shot better than we did both from the field and from the free throw line."

Only other Trojans in double figures in the scoring column were Jerry Jensen, senior at 6-4, with 15 and Mike Burns, junior at 6-0, with 10. Garnering eight each were Denny Paul and Lyle Brown. Rob Eaton added four.

High scorer for Tekamah was Mock with 21 points. Three other Tekamah shooters scored in double figures.

In Saturday's game at Pender, Wakefield outscored the hosts in every quarter, pumping in 25 to Pender's 13 in the third quarter, to gain their 73-41 victory.

Wakefield took command early in the game, moving in front 17-10 at the end of the first quarter and 35-20 going into intermission.

The rest in the locker room must have refreshed the Trojans, they added 25 points to their side of the clock while holding the hosts to only 13 in the third stanza. Jensen's best showing came in the final eight minutes when they scored only eight points while giving up 13.

Preston led both squads in the scoring department, pumping in 18 points. Also in double figures, were 5-10 junior, Lyle Brown with 13, Jerry Jensen with 11, and 5-7 senior Rob Eaton with 10. Adding six each were Denny Paul

and Mike Burns. Rick Kline came in with three points.

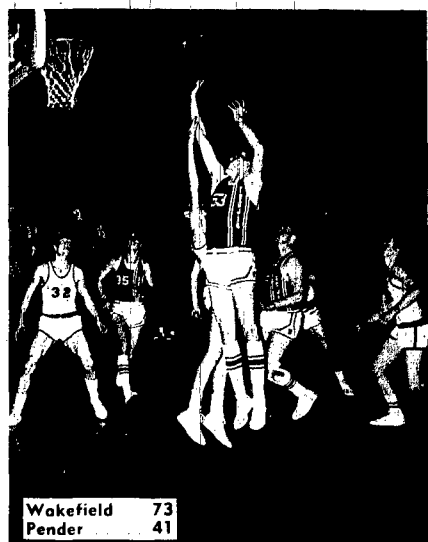

Pender's Kevin Tonjes, a 6-1 junior, was the only Penderon to hit double figures. He garnered five buckets for his ten points.

Next action for the Trojans is Friday night when they play on their own court for the first time this season, going up against Emerson-Hubbard.

Score by quarters:

Wakefield	19	18	16	16	69
Tekamah	11	20	19	27	77

Wakefield	17	18	25	13	73
Pender	10	10	13	8	41

ADDING TWO MORE POINTS to Wakefield's column in the Saturday tilt against Pender is Jerry Jensen. Wakefield trounced the hosts, 73-41. Other Trojans pictured are Gary Preston (35) and Denny Paul.

WHS Wrestlers Drop Meets Monday, Tuesday

Wayne High wrestlers took two on the chin when they tangled with O'Neill Tuesday night and with Albion Monday night. Wayne dropped both the away matches, 29-18 to O'Neill and 32-15 to Albion.

In the reserve meets, Wayne defeated both opponents.

Against the strong O'Neill squad Wayne could manage only one pin during the night's action. In the last match when Alan Wischhof pinned his heavyweight opponent in 2:44.

O'Neill grabbed three pins—over Mark Belerman in the 105-pound class, Gary Helthold in the 138-pound class and Bernie Binger in the 165-pound class.

Wayne took three matches by decisions, O'Neill four.

Winning by decision were Rick Ginn, 145, Doug Maurer, 154, and Alan Thomsen, 175. Losing by decision were Matt Harms, 95, Steve Hall, 112, Jim Meyer, 127, and Randy Lutt, 133. Steve Hix wrestled to a draw.

Against Albion, Wayne varsity wrestlers came up with two pins and one decision, Albion with three pins and five decisions.

Winning by pins: Mark Belerman, 103, and Alan Wischhof, heavyweight. Winning by decision was 165-pound Bernie Binger, 6-0.

Losing by pins: Matt Harms, 95, Randy Lutt, 133, and Gary Helthold, 138.

Losing by decisions: Steve Hix, 120; Tony Pfueger, 157; Rick Ginn, 145; Doug Maurer, 154 and Alan Thomsen, 175.

Winside Kitties Win Own Volleyball Meet

The Winside Kitties took first place in their own volleyball tournament Saturday afternoon by knocking off Pierce and Wakefield in elimination play. The tourney was to have been a four-team meet, but Rosalie failed to compete.

In the first game, Pierce, 493, won Wakefield after losing the first set, 14-4. Pierce won the next two sets, 15-8 and 15-2. In the second game, Winside needed only two sets to take care of Wakefield, 15-3 and 15-12.

Winside won the first match against Pierce by blanking the visitors, 15-0, but Pierce came rallied to take the second set. Winside pulled out a 16-14 victory in the final match to take the tournament.

Next action for the Winside Kitties is Friday afternoon at 5:45 when they host Randolph. Winside downed Randolph earlier in the year.

18 Duos Compete In Junior Bowling

Competing against 17 other teams in Saturday's junior bowling action the duo of Hix and Johnson rolled highest series, 493. Coming in second were Kardec and Hoerber with a 467.

High single game was clocked up by Marty Hansen at 142 while Virgil Kardell's 141 earned him second high honors. Converting a 5-10 split was Earl Ovetin.

TWO MORE POINTS were being added to Wayne's score via a lay up by Randy Helgren (10) when this photo was taken during the Blue Devils' 45-32 victory over Bloomfield. Other cagers shown include Wayne's Dave Tietgen (40), Mike Hoffman (25) and Larry Larson (33).

Mankato State Tankers Swamp Wayne State

Mankato State College of Minnesota swamped the Wayne State swimming team, 66-38, here Tuesday afternoon, winning nine of 12 events.

Mankato had a pair of double winners, Don Stevens in the 50 100 freestyle, Don Ogren in the 200 individual medley and the 200 butterfly.

Rich Draper doubled with firsts for Wayne in the 500 and 1,000 freestyle. Pat Driscoll gained the other Wildcat first in the 200 freestyle.

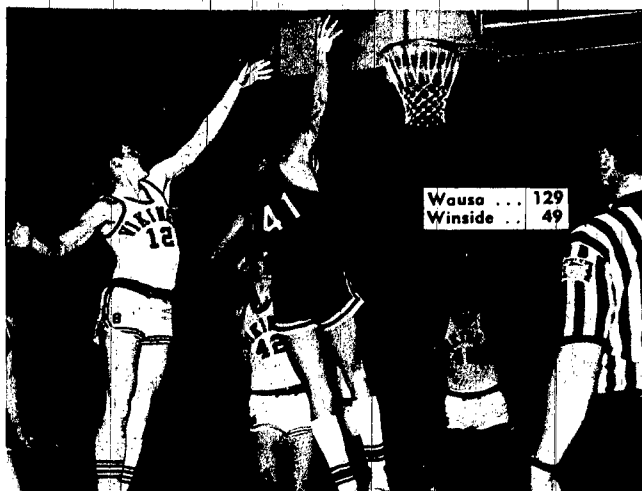

Other winners for Mankato: Jerry DeMers, one-meter diving; Ken Hughes, 200 backstroke; Ted Krall, 200 breaststroke, the 400 medley relay and the 400 freestyle relay.

Saturday at Grinnell, Ia., Wayne finished third in the Grinnell Relays, after winning the meet the previous two years. Grinnell College won with 50 points. The University of Northern Iowa scored 37, Wayne 34, Luther 33.

The only Wayne first came in diving as Rich Brown and Tom Houtchens posted the highest combined point total. All events were scored on the combined performance of two swimmers from each team. Grinnell won five events, UNI three, Luther two.

Wayne's next meet will be with Concordia Friday night at Seward.

ONE OF THE FEW easy shots Winside was able to manage in Tuesday's tilt with Wausa was this lay-up by junior Gregg Troutman. Wausa overwhelmed the visitors, 129-49.

Vikings Shoot 75 Percent; Demolish Winside, 129-49

Shooting a blistering 75 percent from the field, the Wausa Vikings rolled over visiting Winside Tuesday night, 129-49.

As if still trying to make up for their soot trailing at the Vikings of Laurel recently, the Wausa club threw everything it had at the Wildcats from the opening seconds of the game. They tallied over 30 points in each of the first three quarters, 24 in the final one.

About the only thing Winside could look at after the beating were the free throw statistics—they shot better at the line than did the Vikings, potting 15 out of 20 compared to Wausa's 12 out of 23.

But from the field, Wausa overwhelmed Winside.

Wausa opened the action by tallying four points in as many seconds after the opening jump. Winside's Dave Witt got Winside on the scoreboard to make it 4-2, but then Wausa keyed off on its demoralizing fast break to get out front 12-2. Wausa kept the pressure on the rest of the quarter and took a comfortable 36-9 lead into the second period.

While holding Winside to 15 points, Wausa chalked up 32 to take a commanding 68-24 lead into the locker rooms.

The rest didn't bother them—they came back with their best scoring attack of the night, adding 37 points to their side of the clock to pass the century mark. Winside, unable to move the ball against Wausa's harassing full court press, could add only seven more points to its total.

Wausa just went about its way in the final period, chalking up another 24 points while holding Winside to 18.

In what must have been one of the most balanced scoring attacks of its season, Wausa ended up with five men scoring in double figures. Leading all scorers was 6-2 senior David Holmquist with an impressive 40 points. Adding 26 to the winners' column was 5-11 senior John Olson. Les Thierolf had 19, Ron Nelson and Milo Anderson had 17 each.

Wildcats Dave Witt, 6-1 junior, and Doug Deck, 5-6 junior, were the only scorers in double figures in Winside's losing effort. Witt tallied 17, Deck 13. Adding five was Bob Jackson, Bob Wacker had three, Scott Doering and Mick Jeffrey two each.

Winside will have a chance to make amends for the loss Friday night when they host Randolph for the second time this season. Winside clipped Randolph, 65-54, in the Lewis and Clark Tournament early in January. Saturday night Winside plays host to Wynot. Both games are Lewis and Clark Conference games.

Score by quarters:
Wausa 36 32 37 24 - 129
Winside 9 15 7 18 - 49

St. Mary's Nips Dixon

St. Mary's school of Wayne traveled to Dixon Sunday afternoon for two ball games. They were victorious in both encounters with the Dixon teams.

The first game was between the fifth and sixth graders of both schools. St. Mary's won the first game, 27 to 10. Dixon was outscored in all quarters but the second. The leading scorer for St. Mary's was Sharer with 8 points. He was followed by Macke with five points, Schmeller four, Kocera, Nuss, Finhelm, Hepburn and McCright with two points each. Dixon's scorers were Brian Bloom with eight points and Davis White with two points.

The second game involving the seventh and eighth graders of St. Mary's saw Wayne's Schwartz potting eight and Macke getting seven in their winning effort. Dixon's Charles Peters was high scorer in the contest, getting 14 points. Coming up with six was Richard Ables.

Laurel High Girls Win

Laurel High School girls won the Wayne State Invitational volleyball tournament Saturday, downing runner-up Orchard in the finals of the double elimination meet. Elgin finished third.

Selected for an all-tournament honor team were Bev Russ and Sue Schaefer of Laurel, Sarah Huffman and Gwen Peters of Elgin, Jeannie Kniffel of Newcastle and Gloria Nelson of Orchard.

Besides the three winning teams, the meet also attracted Coleridge, Fremont, Newcastle, Ponca, Oakland, Randolph and Scribner.

Wayne State downs Doane -- Wildcats Win 11th Straight

Wayne State marked up its eleventh straight basketball victory here Tuesday, extending Nebraska's best collegiate cage record to 12-1. The victim was Doane College, 75-58.

The Wildcats return to Nebraska College Conference action Thursday night with a home game against Hastings, 7:30 in Rice Gymnasium. Defending champion Wayne is 2-0 in conference play. Hastings is 0-1 after a 72-62 loss to Peru Monday, 5-12 over-all.

Against Doane, Wayne moved from an early 6-6 tie to lead, 33-24, at the half, then extend the advantage up to 21 points six minutes before the end.

It was typical fast-paced Wayne action, dominated by defense. Though Wildcat scoring fell below the 85-point average, defense performed close to par with the 17-point spread, one below Wayne's winning average.

Wayne's 6-9 junior center Dave Schneider hit 24 points, high for the game. The Blair product's best previous college score was 20 last year. He led first-half Wildcat scoring with 12, which earned him a starting assignment for the second half. Curiously, the regular starter at center, Paul Emanuel of North Bend, got 10 of his 14 points in the second half.

Wayne defense shackled all the Tigers except Leslie Grant, who poured in 22. Next best was Dennis Kruszka's seven.

Doane, 6-7 for the season, has bowed to Wayne eight straight games.

In the preliminary game, Wayne State freshmen defeated the Midwestern College junior varsity, 73-70, to remain undefeated in eight games this season.

Bears Climb Ladder; Ranked 9th in State

The Laurel Bears moved up one notch in the Omaha World-Herald's rating of class B schools in the state - from 10th to 9th. Idle last Friday because poor weather forced postponement of their game with Neligh, the Bears have a record of 10 wins and no defeats. They already have added two first-place trophies to the school's collection - the Wayne State Christmas Holiday Tournament and the Northeast Nebraska Athletic Conference Tournament.

Holding down top spot in the ten-team rating is Crete. Schuyler is ranked second, Millard third. Other teams in the top ten, in order: Seward, Cozad, Holdrege, Auburn, Syracuse and Lincoln Plus X (10th). Scribner, ranked seventh last week, falls from this week's list.

Only Laurel (10-0) and Schuyler (7-0) have perfect records among those ranked.

EASY LAY-UP. This Wayne seventh grader goes in for an easy shot during 14-time action Saturday night at Rice Auditorium. Each time Wayne High plays at home the youngsters play for eight minutes during intermission. A different class competes each time.

Cards of Thanks

THANKS DEAR FRIENDS, NEIGHBORS and relatives for all the kindness shown me during my stay in the hospital and since my return home. It was all very much appreciated. Sincerely, Mrs. Wilbur Hill. j23

WE WISH TO THANK the March of Dimes for the assistance with the medical costs incurred for our son, Kurtis. Mr. and Mrs. Harvey Reeg and Karen. j23

I WISH TO EXPRESS my heartfelt thanks to Drs. Walter and Robert Bentback and all the staff and nurses at the hospital for their excellent care; also thank you to Rev. de Freese for his many visits and prayers; and to all my relatives, friends and good neighbors a thank you for the many kind deeds, flowers and cards they have sent to me while I was in the hospital. Sophie M. Wieland, R.N. j23

WE WISH IN THIS WAY to thank our many friends for their cards and other expressions of sympathy in the passing of our brother and uncle, Mr. and Mrs. Ernfrid Allvini and family. j23

WE WISH TO THANK our friends, neighbors and relatives for their help, cards, letters, flowers, gifts and words of hope. Also thanks to the several ministers who called every week during my stay at the Wakefield Hospital, Lucille and Glen Rice. j23

I WISH TO THANK my relatives and friends for the cards, lovely plant and visits while I was in the hospital and since returning home; thanks to all who helped to open up on the place, to get the livestock out. LeRoy F. Johnson. j23

A SINCERE THANK YOU to Pastor Johnson for his comforting words and prayers, to those friends and relatives who sent flowers, memorials and cards; to the ladies of the church who served lunch. We will always remember your expression of sympathy in the passing of our husband, father and grandfather, Mrs. Emil Buhl, Mr. and Mrs. William Kramer, Jr. and family, Mr. and Mrs. Lowell Froehlich and family, Mr. and Mrs. Wayne Kramer and sons, Mr. and Mrs. William E. Kramer. j23

DRIVER'S LICENSE EXAM Joe E. Hunsaker, State driver's license examiner, is visiting with Mrs. Albert Karberg, Wakefield, Monday afternoon, in regards to the test she has just completed for the renewal of her license. Jerry Reisdorff (not in photo) was also on duty. The examiners are at the Wayne County Courthouse each Monday from 8:30 a.m. until 4:30 p.m., however, the office is closed during the noon hour from 12 until 1 p.m. Drivers should note the expiration date on their present license, and then within a 60 day period prior to their birthday, take the written examination. The exam cannot be taken ahead of the 60 day period. Drivers are also encouraged not to wait until too near the closing hour on Mondays to come in.

Disease

(Continued from page 1)
 Howe said, "Don't assume it's TGF just because that's what's going around," he commented.
 The disease is cyclic, with three to five years sometimes passing between cycles. TGF usually affects pigs in the winter when temperatures are low. And, drying seems to diminish the effectiveness of the virus.
 The most probable cause of spread of TGF is the movement of animals—and of man, depending on the way he conducts his swine business, the University animal health authority pointed out.
 He listed these steps in protecting swine from outside contact and contamination:
 —Do not bring any other swine on the premises, except absolutely necessary breeding stock.
 —Do not allow visitors in the farrowing house or hog lot without first putting on clean outer clothing and clean overshoes or boots.
 —Keep dogs and cats at home.
 —Do not visit other farms with swine, feed mills, auction markets or other places where people or swine may have spread the disease.
 —When hogs die, determine the cause, and dispose of car-

In his own county, Funds for the scholarships come from interest from the Rural Rehabilitation Corporation fund. The interest amounts to about \$80,000 per year.

Applicants must submit two forms. This material can be obtained from the Nebraska Department of Agriculture and Economic Development, State Capitol, Lincoln, from participating schools and from state or county FHA offices. They must be returned to either the county or state FHA office or the State Department of Agriculture no later than Feb. 15 to be considered for the 1968-69 school year.

NE Tech

(Continued from page 1)
 rent levy is one and one-half mills. Based on an enrollment of 200 students the operating budget as projected by MacLay is \$490,000 leaving a surplus of \$562,400. This includes \$50,400 which would be tuition income based on the 200 enrollment figure. He offered similar figures based on enrollment of 400.

Estimated receipts for the Board by July 1 of this year are \$1,554,000. This includes a \$100,000 grant from the State of Nebraska received last year but does not include interest currently being earned through investment of the tax money as it is collected.
 Since tax money is collected each month, the board will continue to build income during the construction of the school.
 According to MacLay's projections majority of the board feels the school will have sufficient income by completion of the phase I project to operate for the first year and have a surplus of approximately \$500,000 based on a two mill levy.

In other action Tuesday the Board authorized MacLay to investigate the possibility of starting some class work in temporary quarters next fall.

Test Case

(Continued from page 1)
 end of the present school year.
 Thus, all the state colleges are free to compete independently in athletics or join another conference or form a new one.
 The NCC, organized in 1945, had up to 10 members in the late 1950's. It declined to five with the departure, over several years, of Dana, Concordia, Midland, Nebraska Wesleyan and Doane.
 NCC officials since then have invited all of them back into the league and also have sought other new members without success.
 Demise of the conference came as no surprise, as athletic and administrative officers of the colleges have considered it for some time.

Wayne Athletic Director LeRoy Simpson expressed desire to continue playing the other state colleges, but he said the possibilities of joining other conferences are vague at this time.
 In other action of interest to Wayne, the board authorized a \$50,000 change order which will add planetarium equipment to the \$1,500,000 science building now being erected. President W. A. Brandenburg said the \$50,000 was included in the \$1,500,000 because of favorable bids on the contract.
 Alan Cramer, new board member from Wayne, was named vice-president of the Board. He succeeds James Lane, Ogallala attorney who was elevated to president following Dr. Francis Brown, Genoa.

Streets of Ice Big Factor in Auto Smash-ups

Ice coated streets have contributed to a continuous parade of fender-bending collisions in Wayne.
 Saturday evening a 1954 Ford driven by Mark V. Francis attempted to stop for the stop light in the 300 block on Main, slammed on his brakes and lost control, according to the police report, striking a 1959 Chevrolet owned by Russell Lindsay. The Lindsay auto was parked.

Valley Drive which is on private property at the trailer court was the scene of an accident either sometime during the night of Jan. 18 or the morning of the 19th. Someone backed a '66 Chevrolet owned by James Vacha into a 1962 Chevrolet owned by Carol Murdock. Both auto owners had left their vehicles parked. Vacha said, according to the police, that there was a party going on in the court and someone must have moved his vehicle causing the incident.

Sunday afternoon around 4:45 p.m. in the 300 block on south Main a 1962 Ford driven by Brian Erdman was entering Main street from a filling station and was in collision with a 1962 Oldsmobile driven by Charles Wittnuth.
 Police checked out two business firms having unlocked doors. Officers also had four autos towed in due to overtime parking.

Tuesday morning a 1957 Chevrolet driven by Carol Murdock was making a left turn onto Logan from off Fairground Ave. and was hit in the side by a 1961 Plymouth, according to the police records, being driven by Craig Petersen who was unable to stop because of the ice-coated street.
 Later that day around 5:45 p.m. a 1961 Buick driven by Marilyn Billoft was attempting to stop for an oncoming auto but failed to do so on account of ice conditions. The Billoft auto struck a parked 1964 Volkswagen owned by James Atkins.

Winside School Gives Operetta

Winside Public School is not apt to forget the 1968 Christmas program which was finally presented in 1969!
 After three postponements the fourth time was charm for the presentation of the school's operetta. Originally scheduled to be presented on Dec. 19, the operetta was scheduled again and again with each date's presentation made impossible by bad weather. Finally, on the fourth date scheduled the operetta was presented to a large crowd at 7:30 p.m. Jan. 20, in the high school gymnasium, under the direction of Mrs. Pat Kropp.
 Included in the program were numbers by the kindergarten class, singing and playing rhythm instruments; approximately 125 students of the fifth, sixth, seventh and eighth grades singing several choral numbers, selections by the high school girl's glee, mixed chorus and swing choir and an operetta called "Christmas for Others," which was presented by grades one through four.
 Accompanists for the various music groups were Debbie Bargstadt, Jane Witt, Donna Krueger, Mrs. Reba Mann and Mrs. Pat Kropp.

'High Yield' Honor To Hoskins Farmer

Dale Deck of Hoskins has been given special recognition for producing a corn yield of 70 bushels per acre, 50 per cent higher than the Nebraska state yield average for the past seven years. Deck harvested 1,050 bushels of No. 2 corn from a measured 15 acres for his high yield.

In producing his outstanding corn crop, Deck used the hybrid Funk's G-4588, planted in 35-inch rows, with 15,000 plants per acre at harvest. He fertilized with 110 pounds of actual nitrogen and 55 pounds of actual phosphate. He also used a pre-emergence herbicide.

Norman Deck of Hoskins, Funk's G-hybrid corn dealer in his area, presented Deck with a Documented Yield Award following certification of his field. Carroll Barnes, Funk's G-hybrid Representative from Wayne participated in the presentation.

Quartet in Concert

Members of the Kordsmen Quartet and their accompanist will be at the Wakefield Covenant Church Jan. 28 in a 7:30 p.m. gospel music concert.
 Quartet members are David Ratzlaff, Dale McKnight, Tim Peterson and Jerry Schrader, all from the Neligh area. Earl Henry McNare is pianist for the group.
 The Kordsmen appear regularly on Albion's television station as well as having made a number of record albums.
 The program is sponsored at the Wakefield Church by the Covenant Couples. Public is invited.

Autos Smash-Up East of Hoskins

A collision of two vehicles 3.6 miles east of Hoskins about 1:30 a.m. Saturday on Highway 35 resulted in one auto being demolished and another receiving damages estimated by the State Patrol at \$350. Occupants of the two vehicles were not seriously injured according to the Patrol's report.

Drivers of the two vehicles were Elroy F. Brogren, Hoskins, and Gene A. Miller, Norfolk. Mrs. Miller was accompanying her husband.

The Miller car crashed into the ditch and was demolished after being struck in the rear by the Brogren auto, according to Troopers Terry Rogers and D.B. Whitted, Norfolk, who investigated the accident. Both vehicles were west bound. Occupants of the autos received cuts and bruises.

Faculty Recital To Be Given at Ramsey Theatre

Wayne State College's music department has scheduled a faculty recital Jan. 30 at 8 p.m. in Ramsey Theatre.
 Appearing on the program will be Connie Matthews Webber, soprano soloist; Jay O'Leary playing the clarinet and Ron Neel, pianist. The artists will combine their talents in the presentation of Spohr's "Sechs Deutsche Lieder, Opus 103" written for soprano, clarinet and piano, as well as giving individual performances.

Mrs. Marten Capped

Mrs. Leonard Marten, Hoskins, was one of 29 licensed practical nurses "capped" in an appropriate ceremony held Sunday at the Junior High School auditorium in Norfolk.

The ceremony concluded the first four months of a study in a year-long course of instruction which was conducted through the Norfolk Junior College. Mrs. Marten was a member of this first class coming from 15 north-east Nebraska communities.

Open house was held at the Norfolk Junior College in the student practical nurses classrooms. Coffee and cookies were served.

Elect Officers At NFO Meeting

Wayne County members of the National Farmers Organization met Monday evening for the annual election of officers. Project plans were made for the year and a report on the hog collection point at Laurel was given.

Results of the election are as follows: Roland L. Victor was re-elected president; Harlin Brugger elected vice president; Dean Sorenson re-elected bargaining supervisor; Erwin Morris elected assistant bargaining supervisor; Floyd Gasmeyer, secretary; Howard Gaunt re-elected treasurer; Neyron Woodward, trustee; Eldin Roberts, district director; Merlin Reinhardt, meat board chairman; Al Baden, Charles Nichols, Glenn Meyer, and Lawrence Sprouts were elected as meat board members and Jack Rubek will serve as publicity chairman.
 Luncheon was served following the business meeting.

To Meet with Council

Several members of the Wayne Lions Club will meet with the city council at the council's meeting Tuesday evening to discuss the possibility of building a park along Highway 35 just east of Wayne.
 The proposed park would be on city land north of the highway and west of the airport.
 Men on the committee include Chairman Chris Tietgen, Clarence Boling, Dr. George Goblirsch and Leland Fote. The committee was formed last year to look into the possibility of a park along the highway which could be used by travelers or residents of Wayne.
 The group made the decision at its regular monthly meeting Tuesday night.

FUNK'S G-4588 yields 70 bu. for Dale Deck!

Dale Deck of Hoskins has produced a documented yield of 70 bushels of No. 2 corn per acre with Funk's G-4588. We are proud of Mr. Deck's outstanding yield because it's a good indication of the kind of corn G-4588 can produce in this area. It's a great hybrid — one of our new Hot Line 200-bushel varieties.
 We believe everyone in the Hoskins/Wayne area should plant some G-4588 next season.

FUNK'S G-4588 IS GOING STRONG — GOING FAST. WE ARE TAKING ORDERS NOW.

NORMAN DECK

Your corn could be worth \$1.55+ per bushel

KENT'S ANSWER TO \$1.10 CORN

With the cost of land, seed, fertilizer, insecticide, herbicide, machinery and labor what it is today, grain farming isn't very profitable with corn prices so low. It can be profitable, however, when you can get up to \$1.55 per bushel and more! by marketing corn through livestock. Very little extra labor is involved when we do the work.

CONSIDER FEEDER PIGS

To get a 40 pound pig up to 220-225 pounds requires about 10 bushels of corn and 85 pounds of KENT supplements. For our example let's assume a 40 pound feeder pig is selling for \$16.00 and that hogs are selling for \$18.00 CWT. Plug in the figures you figure are accurate for your situation in the blanks provided.

Example figure	Your figure
Cost of 40 lb. Feeder pig	\$16.00
Supplement & Medication	\$ 7.00
Interest & Transportation	\$ 1.00
Feed Processing & Delivery	\$ 1.00
Total Out-of-Pocket Cost to produce a 225 lb. Hog	\$25.00
Sale Price of 225 lb. Hog at 18¢ per lb.	\$40.50
Less Out-of-Pocket Cost	\$25.00
Return on the 10 Bushels of Corn Fed	\$15.50

Your corn is now worth \$1.55 per bushel

We'll help you locate feeder pigs, provide the KENT supplement that gives you maximum feed efficiency, and deliver it to your farm. See us today on \$1.55 corn.

You'd Smile, Too If You Had A Wonderful Kitchen Like Mine From Carhart LUMBER CO.

What a change from my drab, dingy old kitchen!

When a gal spends a large part of her day in the kitchen, she deserves a convenient, pleasant place in which to work!

I told the experienced remodeling advisors at Carhart's about my old kitchen. We discussed my ideas for features I'd like in my new kitchen. We picked out some new cabinets and built-in appliances.

They came out and measured my kitchen space, then drew up special plans. When we agreed that everything was as we wanted it, they put a contractor to work.

Now, I have a bright, convenient, easy to use and easy to keep clean kitchen.

Why don't you see Carhart's soon?

Conservationist Looks at Dixon County

by William Voet
The Dixon County Soil and Water Conservation District, with headquarters at Wakefield, in making plans for 1969, reflects on accomplishments and trends during the past 10 years.

The most notable trends of recent conservation are larger farming units and larger equipment. Economics often force the landowner or operator to ignore the physical conservation practices that are considered necessary by resource planners. While research from conservation farming for long range planning has shown economic gains, many farmers caught in a cost-price squeeze reject conservation and do not invest in it.

A greater awareness of conservation might be created if soil losses were estimated farm by farm, community by community

throughout a county. Plans are now in the making for resource development for Logan Creek and Aowa Creeks in Dixon County. The best of plans have limited use if individuals do not protect their own land from excessive soil and water losses. Business and professional people who frequently work with the farmer should recognize the value of conservation and be valuable allies in encouraging farmers to apply conservation to their farms.

Today, we know in large degree the facts of how to keep our soil in good condition. The question is not knowledge, but desire. Do we desire to keep our basic resources of soil and water in good condition?

The role of the conservationist is also changing rapidly. Where

10 years ago the primary concern was individual farm conservation, he now must be concerned with all people, both rural and urban. In an era where the population explosion is certainly here, where the demands for clean water, air, recreation and uncrowded living conditions are increasing many times, the conservationist is now becoming "people" oriented. He is considering the total environment as related to mankind, to make a better place to live. Specifically in Dixon County this has meant developing a guide for recreation potentials, assisting feedlot owners with information to control potential feedlot pollution, providing land owners soil information in planning recreational developments and providing grass seeding recommendations for public use areas. This, along with working with groups and individuals, seems to be the trend for conservation in Dixon County.

BELDEN NEWS

Mr. Ted Leasley - Phone 963-2771

UPY Meets

United Presbyterian Youth met Sunday afternoon at the church. Rev. Keith Cook showed a film. Leaders, Mr. and Mrs. Don Boling and Mr. and Mrs. Doug Preston, were present. Lunch was served by Kevin Leasley and Kathy McLain.

Faith Missionary

Faith Missionary Society met Friday afternoon in the home of Mrs. Joe Lange. Present were Mrs. Albert Flanders, Mrs. Glese, Mrs. Don Arduser and Mrs. Charles Meyer and Marlan. Devotions were led by Mrs. Charles Meyer. Mrs. Elmer Ayer was a guest.

Guests Thursday for supper in the home of Marie Bring in honor of the birthday of Douglas Casal were Mr. and Mrs. Gordon Casal, Sue and Douglas and Emma Mae Bring.

Auxiliary Meetings

Tuesday evening Ladies Auxiliary met in the bank parlors. Plans were made for a public card party to be held Jan. 26. The Legion met at the same time and lunch was served to both groups by Mrs. Clarence Stapleton and Mrs. Delbert Krueger.

Rebekah Lodge

Rebekah Lodge members met in the Lodge Hall Friday evening. Eight members were present. Lunch was served by Mrs. Elert Jacobsen and Mrs. Frank Swanson.

Cub Scouts Meet

Belden Cub Scouts met Jan. 14 after school in the school gym with 10 members present. Roll call was answered by naming one thing that they had received for Christmas. "Fit for America" is the theme of the month. Physical fitness exercises were played throughout the meeting. The boys were asked to bring along an idea

or game for physical fitness for the next meeting. Rodney Burns is den chief. Denmers are Charlie Vogel and Todd Boling. Den mothers are Mrs. Wayne Vogle, Mrs. Don Boling and Mrs. Darrell Neese. Lunch was served by Todd Boling and Jimmy Cunningham. Mike Burns is to serve next time.

Sharlene Gubbels entertained 32 seniors and their dates after the St. Francis Homecoming in the home of her parents, Mr. and Mrs. Morlie Gubbels. (Others present were Father Moseke, Handolph, and Mr. and Mrs. Merle Kavanaugh.)
Kathy McLain, Janice Longe, Lori Bernel and Peggy Hwaldt entertained at a farewell party Saturday night in the bank parlors in honor of Cindy Bierschenk. Dancing and games were the entertainment. Cindy will leave for Norfolk to attend school there.

Churches -

Presbyterian Church
(Keith Cook, pastor)
Sunday, Jan. 26: Church, 9:30 a.m.; Sunday school, 10:30.

Catholic Church
(Father Spinner)
Sunday, Jan. 26: Mass, 10 a.m.

Loren Winklebauer, Denver, Larry Bacon, Lincoln, and Jane Billerbeck were Sunday guests of Sharlene Gubbels in the home of her parents, Mr. and Mrs. Merle Gubbels.

Mr. and Mrs. Gene Magden and Dennis, Sioux City, Francis Pflanz, South Sioux City, and Mr. and Mrs. Donnie Pflanz and family were Sunday dinner guests in the Ed Pflanz home.

Mr. and Mrs. Ed Kiefer, Ed and Lorene were dinner guests Saturday in the home of Mr. and Mrs. Gene Cook at Cedar Rapids, Nebr.

Mr. and Mrs. Lawrence Fuchs attended the wedding in Lincoln Saturday of Olin Barjenbruch and Linda Lee Loke.

Mr. and Mrs. Erwin Haselhorst and ADJ3 and Mrs. Larry Haselhorst and Mr. and Mrs. Robert Berner and Robin were Wednesday supper guests in the Clarence Krueger home.

Mrs. Arlene Gaskins, South Sioux City, was a dinner guest Sunday in the Lloyd Heath home.

Mr. and Mrs. Floyd Root spent the weekend in the home of their son, Mr. and Mrs. Palmer Root and family, Richfield, Minn.

Mrs. Joe Lange went to Millard Thursday to visit several days in the home of her daughter and family, Mr. and Mrs. Dick Jorgenson.

Mrs. John Wobbenhorst and Mrs. Robert Wobbenhorst were Monday guests in the home of Mrs. Carl Urtler at Laurel.

Byron McLain returned Sunday afternoon from the Osmond Hospital where he spent several days for treatment.

Council to Meet As Board of Adjustment

Property owners in storm sewer district 97-2 are advised that the city council will sit as a board of adjustment and equalization in the city auditorium at 8 p.m. Feb. 11 to hear any objections and to adjust and equalize the proposed assessments resulting from the improvements in that district.

The district includes those lots facing Sherman from Ninth to Fourth, some lots on Fourth through Ninth and some of the high school land west of Sherman. A plat of the district is on file in the city clerk's office and may be examined by anyone interested in the sewer district.

A legal notice advertising the coming board of equalization meeting appears elsewhere in the paper.

NORAD to Highlight February 12 Meeting

A discussion of NORAD will highlight the coming Blue and Gold banquet of Allen's Pack 199 on Feb. 12. Giving the talk will be Dan Titze of the Northwestern Bell Telephone Company. The program is open to the public and anyone interested is urged to attend.

The group made plans for the coming program at their recent monthly meeting. The Dens were unable to carry out plans for January meetings for Sulf craft because of the bad weather.

'Move' Correction

Two errors were made in the "It's Your Move" column which appeared in the last issue of the paper. It was stated that J. M. Brown was moving to Ames, Ia. Dr. and Mrs. J. M. Brown were reported to be in the paper this week that they are still undecided where they are going. It also stated that Maude Atker of 714 Douglas had moved to Florida. She telephoned and said she had moved a much shorter distance, to 112 Blaine.

Westma: Counselor

Bob Pfeil, admissions counselor with Westmar College, LeMars, Ia., will be at Westma's High School Winside, on Thursday, Jan. 30 at 9 a.m. to talk with students and their parents who are interested in the program at Westmar.

A four-year, coeducational, privately-supported institution, Westmar is an accredited liberal arts college with 1,091 full-time students from 33 states and seven other countries and alumni in 50 states.

Westmar college students are involved in a new curriculum that was adopted last fall. Called the 4-1-4, the new plan of education utilizes four courses during each of two semesters and a one-month interim consisting of study of a single subject.

During interim grading is on a "pass" or "fail" basis. Students may elect to undertake study experiences off campus, even in foreign countries.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

More About Snowmobiles

In a recent editorial (January 9) we came out in favor of the city purchasing a snowmobile which could be used in case somebody became stranded on a highway or on a farm during another blizzard.

Several snowmobiles were used in northeast Nebraska recently in the search for the private aircraft which presumably crashed on its way to Sioux Falls. Although the plane was not found, the snowmobiles proved their effectiveness by letting the searchers cover large areas of ground that would have taken much more time to cover on foot.

Now, a former resident of Dixon, Lowell Thompson, writes from Verndale, Minnesota, that every town in central Minnesota has prepared for winter emergencies by setting up snowmobile clubs. Along with his letter Thompson includes an article from the Staples, Minnesota, paper which describes how two snowmobiles were used in that city during a recent emergency.

That city has set up a Snowmobile Rescue Squad which is available to all area residents. It is sponsored by the Veterans of Foreign Wars Post 1910.

At the last city council meeting (January 14) Councilman Allan Wittig commented on the possibility of the city purchasing a snowmobile. Little discussion of the idea took place. We still think the idea is a sound one. At least it should get an airing by the council. — NLH.

A Word of Praise

Wayne is fortunate, along with other area communities, in having so many fine youth. It is tragic that those few youngsters, who insist upon deliberately making bad news, get the headlines. Let us be thankful such activities are still not the social "norm," thus making "news."

The "norm" for Wayne's youth is that of pursuing twelve good years of education, finding time for recreation as well as part-time work evenings and weekends.

Many of Wayne's youth are involved in Scout Troop 175. This group is presently active, among doing other things, earning money for camping equipment and money to go camping. Their only request, "Would you kindly do us a favor and save our old newspapers?" The Scouts are thus planning their second paper pick-up this Saturday.

If you are like the majority of folk and are only too glad that someone can make use of an item you want to discard anyway, you'll have your papers stacked on the front porch Saturday. It is not absolutely necessary, but your trying the papers into a bundle or putting them in a box will be of great help. Remember, magazines cannot be used or slick papers, just your newspapers will be fine.

Printed on tags distributed last week to most area homes, the Scouts asked that you place your newspapers "where we can pick them up without bothering you". This courtesy is thoughtful and appreciated.

Let's all join this time, and get those used newspapers stacked, packed or tied, and show the scouts a good turn. Your cooperation not only will help the scouts, but by companies re-using the papers it will save having to use a good many trees for pulp. — MMW.

Capital News — Warner: Let's Implement Hiway Bond Amendment

LINCOLN — Before long, the 1969 legislature will have to decide whether to implement the highway revenue bond amendment the voters approved last fall.

The amendment gives the lawmakers permission to authorize the sale of revenue bonds to finance highway construction. Sen. Jerome Warner of Waverly, who headed a legislative Council study committee on highways, said he will sponsor a bill establishing the mechanics for the sale of bonds.

State Engineer Marvin Nuernberger has already drafted a detailed proposal for a bond issue which would help give the Interstate Highway program a push forward.

Nuernberger has suggested that \$20 million in bonds be sold this year to finance Interstate work which couldn't otherwise be afforded during 1969. He said this extra financial show would virtually assure the completion of the super highway in Nebraska by the 1974 Congressional deadline.

Warner's committee also recommended a \$15 million bond issue for 1970 and another for 1971. These would be separate from the proposal Nuernberger made.

The state engineer's proposal calls for a repayment plan of 20 years. He said the servicing of the bonds could probably be

handled if money in the State Highway Cash Fund were put into short-term investments and the interest returned to the fund.

In addition, Nuernberger would like to have the shrinkage allowance now granted to petroleum jobbers reduced from 3 per cent to 1 per cent. He said this would bring another \$1 million a year into the highway fund.

The shrinkage allowance is, in effect, a credit allowed to the jobbers. It means they only have to collect taxes on 97 per cent of the gasoline they sell. The allowance is considered a compensation for loss through evaporation.

Nuernberger says national statistics show the average loss is much closer to 1 per cent than 3 and Nebraska is the most liberal of all states in this respect.

Also under Nuernberger's plan, the \$20 million in bond money would be, in effect, advanced to the federal government. The state, using the bond funds, would put the Interstate construction under contract, rather than wait until enough federal aid is available to finance the work.

For Interstate construction, the federal government supplies 90 per cent of the cost. Therefore, Nuernberger said, within three years, all but 10 per cent

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Fire Hydrants Covered?

Those residents in Wayne who have fire hydrants near their home or business should check to make sure that the snow has been cleaned off them. It might save a home or business from extensive damage should a fire break out.

Vern Schultz, street commissioner, said that the street department has cleaned off almost all the hydrants, but with about 200 hydrants in the city some could be easily missed. He said the city would be more than happy to clean off those that might have been missed if the people would let him know. — NLH.

Taking the Oath

Richard M. Nixon became the thirty-seventh President of the United States of America Monday in an inaugural ceremony using the unchanging 35-word oath to "faithfully execute the office of President" and to "preserve, protect and defend the Constitution of the United States."

We're living in a day and age when a minority group is attempting to stain and destroy the power and purpose of oaths. There is also a well-defined group of no small number who obviously consider an insult for having been asked to sign an oath regarding their loyalty to the United States. Why?

When a person has nothing of which to be ashamed, has nothing to hide, including his patriotism, why would there be any hesitation in declaring to the whole world his or her loyalty to his or her country?

William Tyler Page once wrote "The American's Creed," which was adopted by the House of Representatives April 3, 1918, and is as follows: "I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of free sovereign States; a perfect Union one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies."

Wouldn't this creed make the content for an excellent oath? Why would any American citizen feel insulted for being asked to commit himself to such loyalties?

Is a part of our social difficulties today caused in any way by folk remaining uncommitted and un-concerned?

Does it make sense or nonsense to want all the conveniences provided by electricity and gas in one's home, but then not wanting to pay the bill? Can you imagine a person wanting a newspaper, wanting it on time, and wanting it regularly, but not wanting to commit himself to paying the bill?

Or can you imagine an individual wanting to be a member of an organization, lodge, or church; wanting his or her name on the membership list but simultaneously doesn't want to be committed to paying the price of loyalty?

This great Nation of ours will rise and fall with that degree of individual commitment afforded by its citizens. Those individuals who want all of America's prosperity, the privileges of her freedom, and the protection of her military might, but who become angry when asked to take an oath regarding their committed loyalty, are truly people "without a country". They are people who "want" but don't want to pay the bill.

Wouldn't you question the motives of an incoming President who refused to take the loyalty oath? Nixon pledged his loyalty to his country with pride. Let us all do likewise. — MMW.

Warner: Let's Implement Hiway Bond Amendment

LINCOLN — Before long, the 1969 legislature will have to decide whether to implement the highway revenue bond amendment the voters approved last fall.

The amendment gives the lawmakers permission to authorize the sale of revenue bonds to finance highway construction. Sen. Jerome Warner of Waverly, who headed a legislative Council study committee on highways, said he will sponsor a bill establishing the mechanics for the sale of bonds.

State Engineer Marvin Nuernberger has already drafted a detailed proposal for a bond issue which would help give the Interstate Highway program a push forward.

Nuernberger has suggested that \$20 million in bonds be sold this year to finance Interstate work which couldn't otherwise be afforded during 1969. He said this extra financial show would virtually assure the completion of the super highway in Nebraska by the 1974 Congressional deadline.

Warner's committee also recommended a \$15 million bond issue for 1970 and another for 1971. These would be separate from the proposal Nuernberger made.

The state engineer's proposal calls for a repayment plan of 20 years. He said the servicing of the bonds could probably be

handled if money in the State Highway Cash Fund were put into short-term investments and the interest returned to the fund.

In addition, Nuernberger would like to have the shrinkage allowance now granted to petroleum jobbers reduced from 3 per cent to 1 per cent. He said this would bring another \$1 million a year into the highway fund.

The shrinkage allowance is, in effect, a credit allowed to the jobbers. It means they only have to collect taxes on 97 per cent of the gasoline they sell. The allowance is considered a compensation for loss through evaporation.

Nuernberger says national statistics show the average loss is much closer to 1 per cent than 3 and Nebraska is the most liberal of all states in this respect.

Also under Nuernberger's plan, the \$20 million in bond money would be, in effect, advanced to the federal government. The state, using the bond funds, would put the Interstate construction under contract, rather than wait until enough federal aid is available to finance the work.

For Interstate construction, the federal government supplies 90 per cent of the cost. Therefore, Nuernberger said, within three years, all but 10 per cent

America needs your help.

U.S. Savings Bonds, new Freedom Shares

be given this task, or it could be assigned to the State Investment Council. Warner said there also was a possibility a special commission could be created to handle only highway bonds.

The Waverly senator said the legislature's research staff and several attorneys who specialize in bond affairs were studying the problem.

There is a possibility, Warner said, that the bond bill could be turned down by the legislature. He said there is no hurry to implement the new amendment. Others, Warner said, want to stipulate that bond money could be used only for certain types of highways, such as the Interstate or farm-to-market roads.

Highway problems of all types are expected to create the most fireworks of the 1969 session—and the bond battle could provide the first skirmishing.

Also scheduled for hot discussion in the coming months will be proposals to boost the highway users' fees—and the distribution of that money among cities and counties. Warner's committee proposed the cash be divided on a 60-20-20 basis with the state getting the big chunk. The counties have already objected to this as unfair.

Another highway issue which might stir up some debate is the committee's proposal that uniform standards be established for streets and highways throughout the state. Each street and road would be classified and every thoroughfare with a classification would have to be built to certain specifications.

The classification and the standards would be established by a board consisting of representatives of cities, counties and the state.

County Agent's Column

by Harold Ingalls

Gun Safety
Firearms will hit the right target if their handlers practice the rules of gun safety, says Rollin Schneider, University of Nebraska Extension safety specialist.

Young and old alike should treat every gun as if it were loaded, keep the muzzle pointed in a safe direction and be sure of their targets. Fatal accidents often happen when someone is cleaning a gun. These tragedies can be avoided if loaded guns are not kept in the house. A person who knows firearms can clean a gun and never have to check to see if the shells will feed through. They know it will work when it's taken to the field, said Schneider.

Remain in Omaha, however, will be completion of I-80, which cuts through South Omaha, and I-680, which skirts the northern edge of the city. Both these routes require Missouri River bridges which will be built in cooperation with Iowa authorities.

In the western portion of the state, the super highway needs to be built across the Panhandle to the Wyoming border. Nuernberger estimated this would cost about \$38 million to finish.

He said progress on the western reaches of the Interstate would move much faster if the bond money were available because the state otherwise would have to concentrate on the expensive, but low-mileage, projects in the Omaha area.

Warner described Nuernberger's proposal as logical, but he said he didn't want to predict the reaction it would get from the entire legislature.

The first battle, he said, would be on the bill setting up the mechanics for selling bonds. The legislature, in every case, would have to give its permission for each bond issue — but Warner said several alternatives are available for the handling of the approved bond sales.

The Roads Department could

You can influence the species of birds you wish to attract by the type of food offered, he pointed out.

For instance, the seed eaters, those with rather heavy beaks capable of removing seed coats, include juncos, sparrows and cardinals. Cardinals are partial to sunflower seeds.

Seed eaters are an interesting group composed of several kinds of woodpeckers, titmice, chickadees, nuthatches and an occasional bluejay. This group will also eat shelled peanuts.

Suet should be suspended on a wire or fastened securely to some other feature which permits birds easy access. Under no conditions should it be nailed to live trees.

By locating these foods close to a window and continually supplying them, birds will rely on feeding stations for most of their food. In this way the opportunities for observation are frequent.

The English sparrow can become a problem because of numbers. Should this be the case, they are easy to trap by enticing them into a baited wire cage, Wiegars said.

Northeast Extension Notes

by Myrtle Anderson

Humidity in Heated Homes

There is a definite need for humidifying indoor air during the winter months to increase comfort and protect the health of the family. Dry air absorbs moisture from any available source. People are affected as the nasal passages and throat get uncomfortably dry, skin becomes dry and itchy, freshly shampooed hair is difficult to groom and there are frequent shocks from static electricity.

Drying out of nasal membranes makes them more susceptible to cold viruses and other infections.

Rapid evaporation of body perspiration in a dry room causes people to need a higher temperature for comfort. That raises heating costs. Most experts agree that a relative humidity between 30 and 50 per cent is desirable for comfort and health. However, when the outdoor temperatures drop to very low levels the indoor humidity cannot be raised that high without damaging the house. The safe recommendation varies with the construction of the dwelling. It can be higher if windows have double panes and there is a vapor barrier and insulation between the walls.

A reasonable compromise between comfort of the people and concern for the house is to recommend an indoor relative humidity of 25 per cent when the

Way Back When

30 Years Ago

January 26, 1939: O. R. Bowen has been chosen district organizer of the Nebraska Writers' Guild... Mr. and Mrs. L. W. Roe observed their golden wedding anniversary Sunday... The heaviest snow of the season fell Monday amounting to four inches... No fatal accidents were reported in the county during 1938... Remodeling of the Dixon county courthouse in Ponca was started this week... W. R. Scribner, who has taken charge of the Carroll bank, drives here each day from Walslake... New display counters have been installed in the Safeway Store providing more room for shoppers... A school of gardening and flower arrangement is being planned by the Wayne Women's Club for Feb. 10... Conrad Carlson had an excellent farm sale near Concord Monday.

25 Years Ago

January 20, 1944: Mr. and Mrs. Harry Kinder of Carroll, bought the former J. E. Hufford property at 5th and Douglas through the M. L. Ringer Agency. The Kinder's expect to move here soon... A car belonging to the Morton Salt Co., taken from the streets of Pender last Thursday, was found in Wayne that night by Chief of Police George Bornhoff. Thurston county sheriff and salt salesman were notified and came here from Pender for the machine... John Grier, sr., of Carroll, suffered a forehead cut that required two stitches Tuesday when the handle of a tractor crank struck him as he started to turn the motor... William Schmittner, who had been with a creamery company in Omaha, is new manager of the H. B. Graham plant in Wayne. Orville Page, who had been here, plans to go to California... Nebraska grasshopper infestation in 1944 is expected to be the lightest in 10 or 12 years, according to Don B. Whalen, extension entomologist. Surveys indicate that only light or threatening infestations may be expected and only 29 counties show evidences of any grasshoppers.

outdoor temperature is zero, 30 per cent when it is 10 degrees, and 35 per cent when it is 20 degrees and above. An inexpensive hygrometer (humidity meter) is accurate enough for home use and would be a wise investment when considering humidity per cent for health and comfort.

Letters to the Editor

Letters to the editor may be published under a pen name if the writer desires; however, the true signature and address must be a part of the original letter. Letters must be pertinent and current, be brief as possible and contain no libelous statements. The Wayne Herald reserves the right to edit or reject any letter.

I read your editorial on snowmobiles and decided to send along an article from the Staples, Minn., paper. (See the editorial

20 Years Ago

January 20, 1949: Marguerite Wiberg, Wakefield, won the district DAF contest Saturday at the Wayne city school, by writing an extemporaneous essay on the topic, "What the Constitution of the United States Means to Me"... Mrs. Chris Leaders has told The Wayne Herald that her two sisters and their families plan to come to America next week from Eindhoven, Holland. They will make their home in Wayne and plan to become citizens of the United States... Fuelbath Motor Co., newly appointed Studebaker dealer in Wayne, is holding its formal opening today in its new building at 117 West Third street... Everett Rees was installed as worshipful master of the Masonic Lodge at special ceremonies Friday evening.

15 Years Ago

January 21, 1954: Wayne is one of about 20 Nebraska communities selected for a dental survey to determine the effects on children of fluorides naturally present in a city's water supply... Wayne residents are contributing \$9,328.48 in the city's first Community Chest drive... Harris Hehemann, Walslake, won the Wayne county championship in a National Youth Corn Growing contest sponsored by a seed company. The company said his yield was 119.3 bushels an acre... Theyas broke into John Danne's tavern, Walslake, Sunday night and stole \$85 in cash, \$80 in pennies and \$20 worth of cigarettes... Orval Brandstetter was named top speaker at the regular meeting of Wayne Toastmasters Monday night at the Woman's club rooms. He spoke on personnel selection.

10 Years Ago

January 22, 1959: Two young Houston, Tex. "stowaways" were still held in the Cedar county jail, Hartington, Wednesday, where they had been lodged for safekeeping since last Monday night. The brothers, Chester Booker, 11, and Melvin Booker, 14, were found hiding in a truck at the Laurel weighing station Monday night. They told how they had boarded the truck at Houston Jan. 10, intending to visit their father in Louisiana... George Stolz, Carroll, was re-elected chairman of the Wayne County Board of Commissioners at the group's annual organizational meeting last Tuesday... Mary Schroeder and Mrs. Marilyn Marsh, Wayne, were chosen as winners of tuition scholarships at WSTC by the Nebraska P-TA congress last week... Mr. and Mrs. Henry D. Bush, Wayne, observed their golden wedding anniversary with an open house at the Woman's club rooms Tuesday night.

We are former residents of Dixon. We lived their 18 years and moved to Minnesota in April of 1968. We think snowmobiles will be worthwhile for your rescue operations. You should have two so you can go in pairs. Every town in central Minnesota is set up for emergencies with snowmobile clubs. West of us there is a club called "Snowbunnies". Lowell Thompson Verndale, Minn.

Dear Editor: A big "thank you" for the fine job of printing our church news this past year. It is very much appreciated. Our best wishes go with you this New Year. Wakefield Covenant Church Marjorie Holm, Sec.

Farm workers lose more time from work due to injury and illness than any other group, reports the Bureau of Labor Statistics. Farmers lose an average of 7.6 days per person per year compared with the national average of 5.8 days. Workers in finance, insurance and real estate are at the low end of the scale with an average of only 4.8 lost days per year.
