

## Ulverd Alexander to Be Rural Advisor in Kenya

Ulverd Alexander, area research and extension agronomist at Concord's Northeast Station, announced last week that he will leave the last week in February for Kisumu, Kenya, where he will work for two years as a rural development advisor.

A resident of Wayne, he said his job would entail working with local agricultural officers training them to do field experiments so they can in turn train their own people. Similar to the Peace Corps worker, he will help the local people help themselves.

An agronomist with the Northeast Station for the past five years, Alexander graduated from the University of Nebraska with a master of science in 1963. Before getting his degree he was the agricultural agent of Frontier County in southwest Nebraska. He is a native of Oklahoma, coming to Nebraska in 1957.

Going with him will be his wife, Jean, and his three children, Jim, 7, Margaret, 5, and John, 4. His children will finish this school year by correspondence in their home.

Alexander wrote to the Near East Foundation last fall inquiring about the possibility of his working overseas. Shortly after, a representative of the Foundation came to Nebraska to discuss the subject.

The Foundation is similar to the Ford Foundation, Alexander said, and it will be paying his salary while in Kenya. The government of Kenya will supply housing for him and his family.

He said he has obtained a leave of absence from the NU Department of Agriculture and plans on returning to Nebraska when his two years are up. He is undecided where in Nebraska he will locate when he returns.

Alexander said the change from Nebraska to Kisumu will probably be welcome—Kisumu is right on the equator. A city of 24,000 population, it is on the east shore of Lake Victoria.

Ulverd Alexander

## 5 WHS Students Get Music Honor

Five Wayne High music students have been chosen to perform in the Nebraska Honor Chorus and Honor Chorus during its annual activities Feb. 7-8. In addition, the event this year will be Hastings College.

Mary de Freese will play flute with the band. Singing with the chorus will be Mary Stevenson, soprano, Dennis Ellermeier, tenor, and Ron Seymour and Mike Baier, baritone.

They were chosen by auditions conducted throughout Nebraska. To qualify for an audition, they had to be recommended by their own high school principal or director and be in the top half of their class scholastically.

The 80 students in the Honor Chorus and 78 in the Honor Band will work under guest conductors for two days before giving a public concert Feb. 8 at 8 p.m. in the French Memorial Chapel on the Hastings campus.

Parents of the youngsters are Rev. and Mrs. S. K. de Freese, Dr. and Mrs. T. H. Stevenson, Mrs. Carl Ellermeier, Dr. and Mrs. Lyle Seymour and Mr. and Mrs. Richard Baier.

This is the first annual Honor Chorus, the eighth annual Honor Band.

## Wakefield Paper Has New Owner

The eighty-five year old Wakefield Republican newspaper at Wakefield has been sold to Mr. and Mrs. Bill Rischmueller of Sioux City, Ia., according to announcement made Wednesday by Esther Turney, former editor and owner.

Rischmueller plans to move his wife and two-year-old daughter, Michelle, to Wakefield by Feb. 1, providing housing is available.

The new owner of the paper is 30 years old and has spent the past seven years working for the Sioux City Journal. Bill was born at Coleridge, and during his years in high school and several years following graduation he worked for the Coleridge Blade newspaper.

Mrs. Turney will remain working in the Republican office for a month assisting the new owner in getting acquainted with the business and with the community.

## Christian Ministries Host Banquet

Cooperative Christian Ministries, Inc., a new concept and venture in ministering to the needs of students on Wayne State campus, is sponsoring a banquet in the south dining room of the student union building on Jan. 29 at 6:30 p.m.

Guest speaker for the program following the banquet will be Dr. W. A. Brandenburg, Rev. Paul Reimers, minister of Trinity Lutheran, Winside, and Rev. Bob Swanson, associate pastor of First United Methodist, Wayne, will lead in group singing.

Cooperative Christian Ministries was incorporated by the following churches: United Presbyterian USA, United Methodist, St. Paul's Lutheran, LCA, Redeemer Lutheran LCA, Grace Lutheran (Missouri Synod) and Roman Catholic.

Tickets for the banquet are \$1.00.

## Assessor Starts Rounds

Wayne County Assessor Henry Arp will begin his visits to surrounding communities this week for assessing purposes.

Following are the towns and days he will be available: Carroll, Farmers State Bank, Jan. 29 and Feb. 5; Hoskins, fire hall, Jan. 27 and Feb. 10; Winside, light plant, Jan. 28 and Feb. 11; Sholes, Nelson's Lamp Lounge, Jan. 30 and Feb. 13; Altona, Altona Store, Feb. 3.

Arp said that anybody who has to be assessed should try to come to his office in the county courthouse. Waiting until the last day will mean standing in line.

**WIDE OPEN SPACES.** Merton Hilton (driver) and Harlan Freese of Northwestern Bell Telephone took off on a snowmobile Friday so Freese could straighten wires on some rural telephone lines. Coryell Auto supplied the snowmobile, which was trucked northwest of Wayne a few miles. The county road was blocked at the time.

WAYNE FINLEY of Laurel hangs new ceiling in the Concordial Lutheran Church in Concord. This is the large room in the basement. The church basement is being remodeled, getting a new ceiling and new paneling on the walls. The kitchen was also being remodeled last week.

## Operation Snowstorm Plan

Winside school administrators are proposing an "Operation Snowstorm" plan to parents of students in the school system in the country. Superintendent of schools, Joe Masten, explained Friday, "In case of a major storm moving into the area it would be advantageous to the Winside schools if students could remain in town to be able to attend school when the buses cannot operate."

Masten continued, "With the snow drifts in the country as they are, a major storm could put the school out of operation for several days at a time. If students had an acceptable place in which to stay, then the school could remain open."

The superintendent suggested, "In order to put such a plan into operation we first must have the permission of parents of students and secondly, we must have a list of acceptable accommodations for the students. Students would have a definite place to go with arrangements previously taken care of. The school would keep a list of hosts and students. Payment required, if any, would be agreed upon by both parties."

"This plan would also be advantageous," Masten pointed out, "in the event of a rapidly moving storm which would make it dangerous to operate the buses in trying to get the students home."

The superintendent asked that any students making arrangements for housing in town, please turn in their own name and that of their host to the school office. He also asked that all Winside residents wanting to participate in "Operation Snowstorm," leave their name and the number of students they can accommodate at the school's office, or phone 286-4435. The school would like to get the program in operation by Feb. 3, the administrator said.

## Storm Halts Drawing; Prize Now Worth \$150

It wasn't fit for humans to be outside Thursday night. And it wasn't fit for a Cash Night drawing.

Most merchants in Wayne closed their doors about 5:30 Thursday evening because of the bad weather and therefore there couldn't be a drawing.

But don't think you missed anything. This week the prize is worth \$150, \$50 more than it was last week.

Any shopper over 18 years of age can take part in the weekly giveaway. Register in one of those stores taking part the next time you're in Wayne and try your luck.

Kathleen S. Dunklau

## Winside Power Off

Most of the city of Winside was without electrical power for approximately four to five hours Wednesday night. The outage was caused by a broken power line near the Jim Troutman residence. It is thought strong winds snapped the line.

Residences cooled some since furnace fans were not operating but maintenance men were able to repair the line before any major problems arose.

## Flu Keeps Lady Away

Mrs. Martha Rasmussen informed The Wayne Herald that the reason she missed out on the Cash Night drawing Jan. 9 was because she and her husband both were sick with the flu. She would have been in Wayne if it weren't for that, she said, and would have won the \$100.

## Chili Feed Jan. 30

Mrs. Wayne Jaycees had planned a "chili" feed in the Women's Club Room Thursday but postponed it due to the severe weather. The ladies are hoping the new date for their annual chili feed will be good "chili" weather Jan. 30.

If you want to enjoy a good bowl of chili, you can have all you want to eat for .90¢ next Thursday in the Women's Club Room when serving commences at 4 p.m. Mrs. Jaycees will continue serving the chili until 10 p.m.

Price for children is .50¢.

## Social Security

A representative of the Norfolk Social Security office will be in the Wayne County courthouse Tuesday, Feb. 4, from 1 to 3 p.m.

Although no appointment is necessary during that time, one may be obtained by writing the Norfolk office, box 884.

## Wayne Girl May Make European Tour

Mary Stevenson, senior at Wayne High School, received word Jan. 16 from the Shenandoah Valley Conservatory of Music in Winchester, Va., stating that her taped vocal audition had been approved and that she was being invited to travel with a special choir on a good will tour to Europe this summer.

Members of the touring choir range in age from sixteen to twenty-two and are selected from all over the United States. Mary is the daughter of Dr. and Mrs. Thomas H. Stevenson.

Miss Stevenson, accompanied on the piano by Beth Bergt, made a tape recording of "Climb Every Mountain" from "The Sound of Music" and "One Fine Day" from "Madame Butterfly" on Dec. 21. She submitted the recording to the Conservatory for consideration. Upon acceptance she was invited by the Conservatory to become a member of the touring choir which will consist of approximately seventy persons.

The next challenge confronting Miss Stevenson is the one facing all teenagers and their goals, that is the matter of raising adequate funds. She hopes to accomplish this by various means, one of which is personal appearances before local and area organizations, singing a variety of music. If present plans work out Mary hopes to travel to the Conservatory early this summer for rehearsals, and then travel with the choir, first flying from Washington, D. C. to Scotland, then on to England, Denmark, Sweden, Holland, Germany, Austria, Liechtenstein, Italy, Monaco, France and back home.

The Conservatory choir would leave June 12 and return July 13, spending approximately a month on the tour.

Mary Stevenson

## Dunklau Is Regent Winner

Wayne High School has received notification that four seniors have received honors in the Fortieth Annual Regents Scholarship Contest of the University of Nebraska at Lincoln. Kathleen Dunklau, daughter of Mr. and Mrs. Alden Dunklau, was the recipient of a one-year scholarship to the university.

Three other WHS seniors, Bernard Blinger, son of Rev. and Mrs. Erwin Blinger, Donald Stiefken, son of Mr. and Mrs. Arnold Stiefken, and Mary Stevenson, daughter of Dr. and Mrs. Thomas H. Stevenson, were selected as alternates for the one-year scholarship award.

All awards were based upon a senior's being in the upper fourth of his class, and completion of the Scholastic Aptitude Test given on Nov. 2, 1968. The students receiving the highest scores on this examination were then selected as winners of four-year, one-year and alternate scholarships.

In the event that a winner of the former two positions chooses not to attend the University of Nebraska at Lincoln, an alternate will be chosen by the university.

4,307 seniors from Nebraska high schools participated in the event. Winners of the four-year, one-year and alternate positions were from 250 Nebraska high schools. Miss Dunklau was one of 202 persons who were awarded one-year Regent Scholarships to the university.

## Report Story Explained

A brief story in the last issue of the paper concerning the county treasurer's semi-annual report may have been misleading to many readers.

It stated that the county spent over one million dollars during the last six months of 1968. Actual county outlay during that period was only about \$325,000, according to Leona Balde, county treasurer.

She explained that receipts and outlays from various sources, such as rural fire district funds, school, municipal and state funds, are also included in the semi-annual report.

## Task Force Report Touches Firemen, City Clerk, Police

Members of Wayne Chamber of Commerce Task Force presented their recommendations concerning future city construction to the city council at a noon luncheon Thursday.

Primary emphasis in the recommendations was placed on construction and remodeling of existing buildings to provide adequate room for the fire department, city clerk and police department.

The Task Force recommended that a building and remodeling program along the lines of the originally proposed \$72,000 bond issue be followed. In April 1967 Wayne voters voted against that bond issue.

Members of the Task Force and some members of the Volunteer Fire Department building committee agreed at a meeting earlier in the week that the issue failed because the election was putted as only a fire hall addition when actually it was a city complex which would have housed the city clerk, fire department and the police department.

Task Force members feel that additions and remodeling to the present city hall and fire hall can be done for about \$70,000, thus providing the room needed for the three departments.

They recommended that the present fire hall have an addition built on the west side which would have six bays to house fire fighting equipment and two bays to house police vehicles and to provide room for growth when needed.

Remodel City Hall

The city hall, according to the report, should be remodeled to provide room for police and city clerk offices. It should also have an addition built to the north and east which would provide an extra 480 to 640 square feet which could be used as a lobby for the city clerk.

If that is not enough room, the recommendations continued, an addition should be built to the south. There is room to expand 28 feet in that direction.

Second story of the city hall should be left as it is for the time being, the report noted, but thought should be given to the possibility of converting it in time to living quarters for one or two paid firemen if ever needed.

Councilmen expressing opinions on the recommendations said they thought the plan sound and worth their consideration at the next council meeting, Tuesday evening. The council could take no action on the recommendations Thursday since the meeting was not a formal one.

Very Similar

Task Force member Bob Carhart said that the recommendations on the fire hall, city clerk offices and police department look very similar to those the city had about two years ago when the voters rejected the bond issue.

"It shows that the city council was on the right line then even though the issue was defeated," he noted.

Following the defeat of the original bond issue, the city council attempted to come up with various other ideas in order to get more room for the fire department.

Bids Too High

In May 1968 a bond election for \$30,000 to build an addition to the present fire hall was passed by Wayne voters. But when bids were submitted by contractors, they were all higher than the amount which could be legally

spent on the addition.

That demanded trimming some of the things from the building so contractors' bids would be low enough. One of the things trimmed was a hose dryer which would have cost about \$5,000.

Just before the bids were to be let again, the Task Force, formed earlier in the year in order to help and advise the city council when possible, asked the city council to hold the bid letting until this coming February. The Task Force felt it could come up with some alternate plan which would be more in line with Wayne's Comprehensive Plan and which would provide the needed room for not only the fire department but also the city clerk and the police department.

The city council decided to let the Task Force work on the idea. The recommendations given last week are the results.

"Your Decision"

Bob Merchant, Task Force chairman, told the councilmen Thursday that his group is not going to attempt to tell them what they should do now. "That's your decision, but whatever you decide we will be more than happy to help persuade the people to follow your decisions."

Several other Task Force members agreed that their next step is to sell the council's decision to the public.

Merchant also noted that many people now agree that one of the reasons the original bond issue was defeated in 1967 was because there was dissension among the firemen and confusion among the voters.

city clerk and the police department, they noted.

City Attorney John Addison told the group that the construction could be worked into two separate bond issues. The group felt that one issue would probably have a better chance of passing.

"Then the next step to take," Addison noted, "is for the fire department to meet with the city engineer and decide on what they want in their building. Then you can get a cost estimate and go from there."

REA Building

Since the recommendations also expressed ideas on possible use of the Wayne County Public Power or REA building, the council felt that they should first contact REA representatives to see if the two could agree on a purchase price of that building.

Concerning the REA building, the Task Force recommended that the city purchase it if it feels it would be cheaper than remodeling the present city hall.

If the building were purchased, the city hall could be used for the police department because it needs more room for storage, offices and interrogation, according to the recommendations. Councilmen and Task Force members also noted that the REA building could possibly be re-

See TASK FORCE, page 5

**Storm Halts Activity**

Although not dumping very much snow on the area, the midweek storm brought most activity in the Wayne area to a standstill for nearly two days.

Some of the results:

- Schools in Allen, Concord, Dixon and Laurel were closed both Thursday and Friday; Wayne, Carroll and Winside closed Thursday, had school Friday.
- Stores in Wayne closed at the unusual time of 5:30 Thursday afternoon.
- Newcastle's Tournament, which Allen was to take part in, was cancelled and will not be made up.
- Wayne's home game with Ne-High Friday was postponed, Winside's home game with Randolph was postponed.
- Postmaster Lowell Saunders in Dixon said that Thursday he did not sell even one stamp during the whole day.
- Farmers dice again spent hours trying to clear their lanes so they could get to town.
- One year ago Wednesday the temperature climbed to 54 degrees for the high—quite a difference from the low of 12 which was recorded this year.

**Must Work Together**

"The firemen have to realize that the public is not going to vote for something if they feel the firemen don't even know what they want," Merchant pointed out. "But I think we can avoid that problem this time because we have met several times with them and with their building committee and these recommendations concerning the fire hall are acceptable to them."

Task Force members and councilmen also agreed that this time the bond issue should not be presented to the public as a "fire hall idea." The bond issue should have no trouble passing if the people understand that it includes housing for the fire department,

**County Rural Teachers Meet Feb. 3**

The Wayne County Rural Teachers will have their third meeting of the year, Feb. 3, at 3 p.m. in the Wayne County Court Room.

Gloria Leseberg is chairman of the serving committee. Other members are Florence Mau, Flo Sandahl, Elzene Lundgren, Nancy Baier, Terry Storm, Helen Kai, Janice Storm and Alice Her-

**IT'S FOR THE BIRDS!** About 20 members of the Brownie Troop 34 in Wayne Tuesday afternoon took a short hike to the Greenwood Cemetery so they could hang small cups of food on one of the trees. The youngsters hope the food will help the small birds survive the winter. Leader of the girls is Mrs. Dean Hendricks.

# EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern the community.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

## What Do You Laugh About?

Have you noticed that all motion pictures released since Nov. 1 have been carrying a rating? Motion pictures exhibited in the United States now are rated "G" for general audiences; "M" identifies films for mature audiences; "R" rates restricted shows where persons under 17 are not admitted, unless accompanied by a parent or adult guardian and "X" marks those films not qualifying for a code seal because of the treatment of sex, violence, crime, or profanity and no one under 17 will be admitted.

Some of the current films and their ratings are as follows: "Hullabaloo" — M; "Chitty Chitty Bang Bang" — G; "Candy" — R and we'll not come close to promoting any of the "X" films by even naming them, but most cities the size of Omaha, Lincoln and South Sioux City have them on the screen nightly.

## Golden Rule for Government

Our government in Washington frequently acts in such a way as to cause one to assume that guidelines and controls are being established for everyone, except the government itself, where restrictions are sorely needed, as past years have proven.

Good government might well rule by the golden rule, not by the rule of the few. The rule would read something like, "Herein is set forth the policy of this government to be as effective as possible in providing for the welfare of the citizenry, and to be as fair as possible to the taxpayer."

An example of our government's seeming fascination for restricting others while not wanting restrictions for itself, is found in proposals for restrictions on the free-market system that are advanced as "consumer protection measures."

One of the most insidious has been the advocacy of controls on promotion and advertising, so far as curbing the price increase brought on by inflationary governmental fiscal policies, that will be about as effective as trying to cure a broken arm with a diet of water and biscuits.

All too many folk fail to realize what is actually at stake in a move to set a limit on legitimate

There was a time in America when Hollywood found a rating system totally unnecessary because they produced their films to be fit for viewing by the entire family, in fact they put on many a publicity drive promoting the idea that movies were constantly better and it was something the entire family could enjoy together. Hollywood realizes this has all changed.

Those days when a young man could take his girl to any film are over. They both must be 17 or over in many cases.

Is the necessity for Hollywood to grade its own movies a serious comment on the change in how Americans call "entertainment"? It is only one opinion and no more important than any other single opinion, but my thought on the subject is that a man can't be much more than what he laughs about. — MMW.

business promotion. Trading stamps, for instance, are liked by some, while useless to others, but one kind of a major supermarket says, "We feel that there are enough customers who would leave us, if we discontinued stamps, that we might lose 10 to 15 per cent of our business." He continued, "Our profit margin is so low that a difference of 10 per cent could make the difference between profit and loss."

Mass distribution depends upon high-volume movement of goods at minimum prices. Promotion is as much a partner of mass distribution as mass production. Promotion and advertising are the bedrock of the free press. Without the financial support of advertising, thousands of independent newspapers in the U.S. would face ruin. As we have just seen in Czechoslovakia, the death of an independent press is soon followed by the death of liberty.

Is it too much to hope, that with a new administration in the Washington saddle, the trend will be to put more restrictions on government spending rather than on free enterprise? Is the golden rule of "doing unto others as you would have them do unto you" as appropriate for government servants as it is for those whom they serve? — MMW.

## A Substitute for Salt

One of our readers recently brought in an editorial he had clipped from the Omaha World-Herald which said that the city street department should investigate the possibility of using some form of nitrogen on the streets during winter rather than salt. Salt harms grass and shrubbery, nitrogen fertilizes them in the spring, it explained.

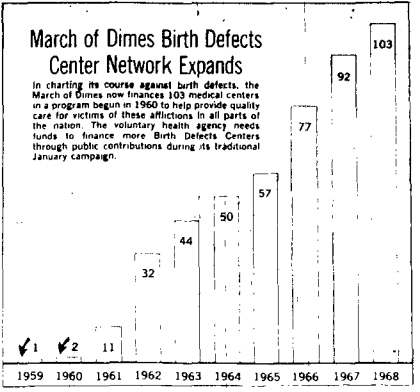

Although possibly a surprise to some, Wayne street department does not now use salt to thaw the ice on the streets. It spreads gravel on the streets following a snow or freezing rain. A small amount of salt has been added to the gravel, primarily to keep the gravel piles from freezing solid and becoming useless. The salt used has been chemically treated in order to cut down its damaging effects on car and truck bodies. This

chemical is what causes the snow and ice to turn a greenish color in many places.

Wayne could begin using more nitrogen and less gravel in order to make driving easier following a storm. This would partially solve the problem of having to make sure the gravel is picked up in the spring so it doesn't clog some of the sewer lines.

But this would cost more money. About twice as much as is now being spent, according to the city street commissioner.

Are the people in Wayne ready to spend more? If so, they should make themselves heard by the city council. If that is what the people want, the council would probably be happy to spend more money to accomplish it. — N.H.H.

open it, he said no, he just saw that our lane was blocked and opened it. I think that was a real swell gesture on his part and we thank him very much. He did in five minutes what would have taken us a half a day to do. We will always remember this. Thanks maintainer man.

Mr. and Mrs. F. D.

Dear Editor: My personal congratulations to you on your new position as the news editor of The Wayne Herald.

Your editorial in the January 6 edition entitled, "Thank God We Didn't 'Go In and Get Her'" was certainly a welcome relief from the usual "safe" editorials presented. Your topic was timely and a definite opinion stated, and I'm sure in deference with the usual attitudes of the Omaha World Herald.

As you have stated, let's hope the American government has learned a lesson, and will let this unfortunate episode pass as quickly and silently as it occurred.

Again, my congratulations on a very timely and thought provoking article.

Sincerely, Sgt. Mark J. Dorsey, AF26820837, 37th FMS, Box 151, APO San Francisco 96368.

Having difficulty finding a different idea for entertaining at the next club meeting? Ask each member to bring individually gift wrapped books which they no longer need or want, and have a "Grab Bag" book exchange. Or ask them to bring a phonograph record they are tired of hearing (watch it now! No fair giving the kid's best rock 'n roll away!) and do the same. Women's groups could use this idea and each member bring an old hat instead of a book or record. Each club member would go home with a new hat! You could, if nothing else, model it for your husband and scare him into buying you a new one!

Most of our communities out here in the midwest are small towns. A small town, according to one sage, is where the gossip goes right in one year and out the other. Even the cold weather seemingly has little effect on the rumormongers infecting many.

Have you read a good book lately? You did plan on doing some reading this winter? How about your scrapbook, have you kept it up? Say, maybe you are one of those who keep a diary? Well, what have you been doing on those days when the weather is nasty outside? Oh yes, the TV. It has a way of doing to people what a mouse trap does to mice. And the producers seem to never

run short of cheesecake with which to rebait the electronic trap.

If you grew up on a farm and are old enough to remember the time when every farm home had a genuine "slop bucket" too far from the kitchen, you should sit down and explain it to your children in colorful terms. They'll find it hard to believe! Pigs got fat on it, didn't they? Another item common to the kitchen area was a box containing wood to be burned in the cook stove. Most usually the cobs were kept in baskets. Time changes things!

While a town about 30 miles southwest of us continues the attempt of having the atmosphere of the big city, why don't we Wayne-ites try using a little reverse psychology (remember how it worked in advertising Volkswagens?) and tell folk that having a big city atmosphere is the last thing we'd want! Let's brag about our town being so doggone small that folk are still speaking to each other, smiling at each other on the street, concerned about each other's welfare, and you can hardly go downtown without finding someone who wants to chat over a cup of coffee!

Let's tell the world that Wayne is so "un-city-fied" that you can actually walk down the street at night without being afraid of being way-laid and robbed, attacked or beaten by bullies.

Come live in Wayne, friend, way out here on the wide shore of the western plains! And while other population centers eagerly strain to become a highbrow metropolitan area, let we Wayne-ites invite others to come live out here in the west, midst mid-American's rustic charm! Why garden, we are so small that the only kind of "hoods" that we have are neighbor-hoods and you can't beat them and they won't beat you!

May I suggest to the City Council that we Wayne-ites erect a sign on the highway, near the edge of town reading "Speed limit is 30 mph with a fine of \$4.00 per mile for faster driving. Pick out a speed you can afford!"

Let's face it, there are some days when it doesn't pay to get up. It was "that kind of day" that you go to your friend's house and their dog named "Friendly" suddenly charges out and bites you for no good reason. You know, that kind of day. Can you imagine what changed the day for the better? Frankly, it was the wide smiles and cheerful "Hi!" from three happy Wayne-ites on main street! Another blessing of the small town. Genuine friendliness is still rather contagious in the community and we can be thankful for it. Let's keep it up, who knows, we might infect everyone of our Wayneighbors.

What are some of the favorite "odd ball" items your family likes to eat? In a little survey I found out that a few of our townspeople eat things like ginger-snaps cookies on white bread; cold potato sandwiches; catsup and bananas; dill pickles and chocolate cake; gravy on tomatoes; syrup on potato cake patties; syrup on hash; peanut butter and banana sandwiches; one fellow always has a piece of meat along with his pie; and mustard on toast. You're welcome to any of these delightful recipes.

If you can remember when a penny postal card cost only two cents; when the most dangerous problem a housewife faced in her kitchen was a stove burn, and not frost-bite; when a youth of the "best" generation was a lad returning from Dad's woodshed, then you really are an old timer.

The Labor Department reports that more than one out of every three workers is a woman, with a total of 29 million women 16 years of age and over in the labor force. Projections through the 1980's indicate that women and youth will provide the largest source of new workers.

# The Year the Century Turned

**Local and Miscellaneous**  
The question of another State Normal school is being agitated. Wayne and Norfolk are the principal points bidding for the location and while a bill has been presented in favor of Wayne, still Norfolk is pre-eminently the best place and in the interest of education the Pilot would like to see a bill of this motive favorably considered by the legislature, authorizing the building of a Normal school at Norfolk. — Blair Pilot.

To read the above one would naturally think the editor of the Pilot a fit subject for the state institution already located at Norfolk.

That Wayne will get trans-continental train service in the not distant future there can be little doubt.

John T. Bressler had business in Winslow Saturday.

The only thing mightier than the sword these days is the drug store. Without a drug store life would be a burden during these days of gripe, and man might long to die.

The following are the amounts the county commissioners have estimated it would require to pay the expenses of the county for the ensuing year: General fund, \$30,000; bridge fund \$9,000; bond fund, \$2,000.

W. C. Bonham of Hoskins received a very favorable letter from Washington attorneys in regard to his book brace; he has an application for a patent on it on file.

Marie Brown of Brenta says, "I don't care, there are just as good fish in the seas as ever was caught out."

**Notes of Current Events**  
Near Arkansas City, Kan., a few days ago, Chief Wauhoop of the Kaws was buried in Indian fashion. His horse was shot and placed on his grave, and over that was erected a new tent.

An Austrian inventor has discovered a method of exploding bombs by the action of light.

Several fine steamers have been caught in the ice in the Yukon river, and it is feared that they will be lost.

All Coons Look Alike to Sheriff  
The Cole & Johnson Coon Toss Comedy Company, which gave a performance at the opera house at Fairburg, was attacked by parties from Denver to secure a debt of \$585. There are twenty-one members in the company, all colored.

**Measles at Brady**  
The measles, which swept through the village

of Brady and surrounding district to such an extent that schools generally were closed, has abated greatly and now serious cases remain.

**Electric Road for Niobrara**  
Two years ago there was an attempt at organizing an electric railway company in Niobrara, having for its purpose a system of lines to various points in the county and extending to Niobrara. R. Rowe a few days ago applied for a franchise and premises, if granted, to commence work not later than June 1, 1899.

**Discontented Hangman**  
One of Australia's ablest hangmen went on strike for increased salary a couple weeks ago. He had somewhere picked up the rates of pay which man-butchers get in other countries and he protested against playing the blackleg any longer. He was persuasively talked over, however, and the strike is off. — Sidney Bulletin.

**Local and Personal**  
Two new members were initiated into the mysteries of the Workman lodge last Thursday evening.

Harry LaCroix is walking with a pair of crutches this week. A horse which he was riding last Friday slipped and fell on his ankle spraining it quite badly.

A letter from Raymond Tracy to Wayne relatives states that he is getting along nicely in the Klondike country, and feels sure that he has struck a rich claim which is located near Eagle City. His many Wayne friends hope that his expectations will be realized. Anyone who braves the hardships of that country is certainly deserving of success.

All ladies who promised to earn a dollar for the Presbyterian church are requested to be at the church with their dollar tomorrow evening and tell how they earned it.

ST. OLAF COLLEGE CHOIR, Northfield, Minn., under the direction of Kenneth L. Jennings, will appear at the Ramsey Theatre for a special concert at 1 p.m. on Jan. 31. Miss Kathryn Christensen, daughter of Mr. and Mrs. Roy Christensen, Wayne, is a junior at St. Olaf (eighth from the left in the front row) and is singing with the choir for the second year.

## St. Olaf Choir at Ramsey

The St. Olaf College Choir, Northfield, Minn., will commence their annual spring tour Jan. 30, under the direction of Kenneth L. Jennings.

Miss Kathryn Christensen, daughter of Mr. and Mrs. Roy D. Christensen, Wayne, is a junior in the St. Olaf College and has been a member of the touring choir for two years.

After appearing in Wayne at the Ramsey Theatre on Jan. 31 at 1 p.m., the choir will travel west, singing 22 concerts, including performances in Denver, Phoenix, San Diego, Los Angeles, Sacramento and Seattle.

The choir's concert Friday afternoon is open to the public without charge.

In his first year as director of the 67-member St. Olaf Choir, Jennings presents a program which balances music from the 16th and 18th centuries with contemporary composition.

A 1960 graduate of St. Olaf, Jennings has been a member of the St. Olaf music faculty since 1953. He holds his master's degree from Oberlin College and his doctor of musical arts degree from the University of Illinois.

## Wakefield PTA Fete

Wakefield's PTA met Tuesday night for a special "family night" chili-oyster supper, group singing and the showing of a Walt Disney film entitled "Stormy". There were approximately 350

parents, teachers and children attending.

Although the chili-oyster supper was planned, prepared and served by mothers of the 7th, 8th and 9th grade students, there was also a crew of men helping the cooks in the kitchen. They were Myron Olson, Derwin Hartman, Harry Mills, John Viken, Muri Beller and Alden Johnson. Each "chef" wore a tall white hat labeled PTA.

Opening the program, Cub scouts presented the flag. Pastor John Epperson of the Christian Church gave a devotional message. Group singing was directed by Mrs. John Epperson.

Youngsters especially liked "Stormy", the true story of a thoroughbred colt who grew up to be a success in spite of an inferiority complex.

## Social and Club News

### Country Club Ladies' Board Holds Meeting

The Women's board of Wayne Country Club met for brunch Thursday at the home of Mrs. Alvin Schmode. Another meeting is set Jan. 30 at the home of Mrs. John Valok.

### Mrs. J. Marsh Holds Faith Circle Meeting

Faith Circle of First United Methodist Church met Jan. 22 with Mrs. James Marsh. Present were seven members and guests, Mrs. Otto Wagner, Carroll, Mrs. Donna Liska, Mrs. Bob Wilson and Rev. Cecil Bliss.

Mrs. Wilson became a member of the circle. Mrs. Ralph Carhart gave the program and devotions. Feb. 26 meeting will be with Mrs. Frank Prather.

### S. Strong - M Meyer Set Wedding in May

Leonard Strong, Laurel, announces the engagement of his daughter, Sandra of Omaha, to Melvin Meyer, son of Mr. and Mrs. Louis Meyer, Wayne.

Miss Strong is a 1968 graduate of Wayne High School and is employed in Omaha.

### Wayne State College Students Will Present at Winside HS

Wayne State College students will be in Winside's secondary school Jan. 28 to observe classes. The WSC students are Dallas Schmalel, Joel Parks, Patricia Chaney, Barbara Pingrey, Robert Kobza and Judith Wilson.

A representative from Westmar College will interview prospective students at 9 a.m. on Jan. 30. Parents who would like to have their senior student visit with him should have the student make arrangements with Mrs. Violet Diamond, guidance counselor.

### Wayne Couple Sets Open House Feb. 2

Mr. and Mrs. George Fox will observe their golden wedding anniversary, Sunday, Feb. 2, from 2 to 5 p.m. at Wayne Woman's Club room. Relatives and friends of the couple are welcome to attend.

### Homemakers Club Sets Family Supper Feb. 23

Progressive Homemakers met Jan. 21 at Miller's Tea Room with Mrs. Harvey Reibold as hostess. Plans were made for a family supper Feb. 23 at Wayne Woman's Club room.

Cards furnished entertainment with Mrs. Otto Baler winning high and Mrs. Bernhard Splittgerber, low.

# WS 'Cats Dominate Nebraska Play

The Wayne (Nebr.) Herald, Monday, January 27, 1969

Wayne State continues to dominate play in Nebraska collegiate basketball play with a record of 11 and 1.

The fall team, which represented the state in the NAIA cage tournament last March, has been rated in national NAIA statistics this season. Although they are in third place in offensive scoring, they are first in defense, allowing their opponents only 66.7 points per game. Dakota Wesleyan scored 95 points to defeat them by two points in the second game of the season. The Cats have held three teams to less than 56 points.

Teams scoring more points per contest are Peru with 87.6 and Kearney with 86.7. Wayne is third with 84.6. Leading is Doane with 88.4.

The Kearney Antelopes are weakest defensively, giving up 84.7 points in each of 12 contests. Other teams' defensive marks: Dana, 82.3; Peru, 82.2; Concordia, 82.2; Omaha, 77.8; Chadron, 75.6; Doane, 85.5.

The Concordia Bulldogs led in team free throw shooting with a .881 average. Close behind is Wayne with a .679 mark. (Other team free throw averages are Kearney with .626; Dana with

.624; Omaha with .608; and Peru with .585.)

In individual statistics, Wayne has five men in double figures. Peru and Kearney both have four. Mike Kinnaid of Chadron has made 415 points in 17 games for a 24.4 average. Concordia's Tom Itabe, although playing with a team still looking for its first win, has averaged 24.1 points. Doane's Les Grant is averaging 22.2 and Peru's Pete Stewart is averaging 21.1.

Dan Wilken of Kearney still leads in field goal shooting percentage although his average has dropped the past two weeks. The

Antelope center has hit 55 of 90 attempts for 61 per cent. In second place is Kinnaid of the Eagles with a 55.3 per cent with Bruce Peterson of Dana in third with 52.7.

Omaha's Bob Allen still leads in free throwing with a .941 mark (16 of 17). Other team leaders in free throwing are: Rod Gesselman of Concordia, .900; Gary Dulaney, Chadron, .887; Bill Goodwin, Wayne, .813; Terry Egger, Doane, .768; Leon Portrey, Peru, .724; Dean Krueger, Dana, .750; and Larry Hummel, Kearney, .720.

## Rec League Rips Stanton, Hubbard

Wayne's recreation league hardcourt specialists had quite a winning streak last week.

Monday they ripped Stanton's eighth graders, 51-22, and Tuesday they pranced over Hubbard's fifth graders, 23-7, and their sixth graders, 36-15.

After potting 17 points to Stanton's 12 in the first quarter of Monday's tilt, Wayne came back in the second quarter with a strong defensive effort to hold the visitors scoreless while they tallied 13 points to take a 30-12 lead into intermission.

Wayne came back with 21 more points in the final half while holding Stanton to only 10.

Strong men in the scoring department for the winners were Sturm with 11 and Nelson with seven. Saul added six, Scheel and Kerstine five each, Magnusson and Hillfort four each, Morris three, and Brown, Johnson and Jerome two each.

Leading the scoring for Stanton was Harrison with 10 points. The first game against Hub-

## Globetrotters to Play in Sioux City in Feb.

Abe Saperstein's Harlem Globetrotters, the "Magicians of Basketball," will appear at the Sioux City Auditorium Monday, Feb. 17, at 8 p.m.

Now in their 43rd season, the fan pleasers have racked up a fantastic record of 9,285 wins and only 322 defeats—a win percentage of 96.9.

During the past 42 seasons, the Globetrotters have played before 60 million fans in 87 countries. By the end of 1968 they had played 319 games in the U.S., Canada, Mexico, Europe, Australia and New Zealand.

The Globetrotters were purchased from the late Abe Saperstein in 1967, but they're still known as Abe's.

## Neligh Grapplers Tounce Trojans Tuesday Night

Wakefield grapplers suffered a sound whipping when they traveled to Neligh Tuesday night. The mat specialists at WHS came off with only three decisions in the contest to lose, 41-6.

Rod Hank at 112, Steve Oswald at 130 and Dick Johnson at 145 were the only Trojans to win their matches.

Neligh pinned four Trojans, decisioned two. Wakefield had to forfeit the other matches.

Results: Dean Fischer, 95, lost by decision; Steve Kraemer, 107, was pinned; Dave Lehman, 123, was pinned; Curt Lonerham, lost by decision; Tom Nicholson, 154, was pinned; Mike Jammer, 165, was pinned.

Wakefield wrestlers see their next action in Wayne Tuesday night when they challenge the Blue Devils. Action takes place in the city auditorium.

ADDED ATTRACTION: Wayne State's coed drill team took the spotlight during halftime of the Wayne-Hastings basketball game Jan. 23. With gold and black pom poms flashing as accents to gold and black uniforms, the girls marched through a series of maneuvers while the Kappa Kappa Psi pep band played an appropriate tune, "Girl Watchers Theme." The Wild Kittettes are directed by Gayle Kneppel, pictured at left with her signal calling whistle.

## Over 20 Fighters Pair Off Tuesday

Sporting enthusiasts in the Wayne area will have a chance to see a full night of boxing Tuesday night in the city auditorium.

Among those on the card are three Wayne State college students: Tim Frankl at 126 pounds, Hill (artwright) at 147 and Doug Radtke at 176.

Frankl, from South Sioux, has won eight of his last ten bouts and has scored three knockouts.

Cartwright won the novice division in Norfolk in 1967.

Promoters of the night's action say the tickets are going rapidly. Their price: \$2.50 for reserve seats, \$1.50 for general admission. Their availability from members of the Mens Club.

## Jorgensen Scores 30 Wednesday to Lead Team I to 77-69 Win

Despite the blizzardy conditions outside, Gordie Jorgensen pumped in 30 points to steer Team I to a 77-69 victory over Team III in Wednesday night's A League action.

Jorgensen tallied half of his total in the first stanza as his quintet built up a 21-15 advantage. Team III outscored its opponents in only the second period, coming up with 21 to 15's 14 to go into intermission with a slim one point lead, 36-35.

But Team I outscored III in the next two periods, 20 to 13 and 22 to 20, to pull off the victory.

Other scorers in double figures for the winners were Mark Robinson with 14, Randy Bates with 12 and Rich Brown with 11. Keith Tietzen added six, Ron Dalton four.

High scorer for Team III was Lynn Lessman with 19, followed by Dick Nelson with 17, Hick Bornhoff with 15 and Dave Danielson with 12. Garnering six was Hank Overin.

In the other A League game Wednesday, Team IV pulled off a 67-63 victory against Team II.

To do it they had to mount a strong second-half scoring attack—they were down 30 to 26 at intermission.

D. Day helped them accomplish it by pumping in 17 of his 21 points in the final two periods as his squad outscored the losers 21-15 and 20-18.

Behind Day in the scoring department were Harlan Freese and Herb Swan with 12 each, Bill Silverberg with 11. Dave Neuhaus added six, Ray Vrtiska five.

Other scorers in double figures for the losers were Randy Olson with 19, Gordie Shupe and Gerry Robins added eight each, Steve Silverberg six.

## Late-Game Surge Gives E-H Win Over Wakefield

Six minutes of scoreless ball cost Wakefield the game against visiting Emerson-Hubbard Friday night, 73-69.

Again, the scoring drought came in the fourth quarter. Wakefield trailed the Pirates all of the first half, then finally took the lead in the third quarter to go ahead 39-38 with about 3:50 left in the third stanza.

They held that lead until early in the final stanza when they fell behind, 52-50, with 6:13 left in the game. The Pirates surged for 19 more points in the next five minutes before Trojan Mike Berns, 6-4 junior, broke his squad's string of bad luck.

Wakefield pulled within 16 points of the leaders but the time was too short for them to make up for the scoring lapse earlier in the quarter.

Results of the final period: Wakefield 10 points, Emerson-Hubbard 27.

The Trojans lost their game against Tekamah Monday night in much the same way. After leading all the game, they potted only 16 points to Tekamah's 27 in the final period to end up with the short end of the stick, 77-69.

Leading scorer Friday night was Emerson-Hubbard's 6-3 senior Steve Carper with 22 points. Other Pirates in double figures: Doug Jepsen with 15, Hill Oetken with 14, Jerry Eriksen with 13.

Leading scorer Friday night was Emerson-Hubbard's 6-3 senior Steve Carper with 22 points. Other Pirates in double figures: Doug Jepsen with 15, Hill Oetken with 14, Jerry Eriksen with 13.

Trojan Jerry Jensen, senior at 6-4, led the scoring in the losing effort, coming up with five field goals and six of eight free throws for 16 points. Also in two figures were Gary Preston with 13 and Lyle Brown and Mike Berns with 12 each. Bob Johnson added three, Denny Paul two, Rob Eaton one.

In the reserve game, Wakefield stopped a long string of victories from growing longer by nipping Emerson-Hubbard, 44-43. Emerson made 15 of 18 free throws in the game, then missed two in the last 10 seconds, either one of which would have tied the game.

After going up against Scribner Saturday night, the Trojans prepare for West Point Friday night, also a home game.

## City Cage Schedule

Wayne city basketball league enters its third week of action with games set for both Monday and Wednesday of this week. All four A League teams see action Wednesday. B League teams play on Tuesday and Wednesday.

Schedule: A League — Wednesday Team I vs. IV at 7 p.m. and II vs. III at 8 p.m. B League — Tuesday Team III vs. Boys Club at 8:15 p.m., Wednesday Team I vs. II at 9 p.m.

Next action for the A League will be Wednesday, Feb. 5 when they enter the second round of action. The B League sees action again on Monday, Feb. 3 and Wednesday, Feb. 5.

## Wayne State Quintet Drops Hastings, 78-55

It was the same story. Wayne State's withering basketball defense prevailed again Thursday night in a 78-55 decision over Hastings College, and the Wildcat winning margin rose to an 18.3 average.

For a time late in the first half, the visiting Broncos mustered a catch-up rally bringing them within three points at intermission, 32-29, and they trailed by only one right after the half.

From then on, Wayne defense put on the brakes while the offense—which had been shaky in the first half—went into high gear, hitting 15 of 39 field shots and 16 of 20 free throws.

Someone asked Coach Dave Guntler what he had changed during the halftime. With a puckish grin he explained, "We didn't put in any changes—just told the boys to play defense the way they were supposed to."

Bill Goodwin led the Wayne attack with 20 points, raising his season to 201 points, a 14.4 average. Dean Johnson contrib-

uted 17, which left him two points behind Goodwin for the 14 games. Dave Schneider hit 12, so stayed on top of Wildcat scoring with a 209 total, averaging a shade under 15. Hill Bruce, with 10 points, now has a 163 total for an 11.6 pace. Also averaging in twin figures is Paul Emanuel, at 10.9.

Together, the top five have averaged 66 points a game—one point more than all 14 Wildcat foes have managed.

Currently Wayne ranks first defensively in Nebraska and thirteenth among NAIA colleges nationally.

## Team III Rips I

In the only B League action Wednesday night, Team III mounted strong scoring attacks in the second and fourth quarters as they swamped Team I, 50-37.

Byon 19-8 at the first buzzer, Team III tallied 18 points in the second period while holding I to only seven to take a slim 26-17 lead into intermission.

Team I cut that lead to only two, 32-30, at the end of the third quarter, but saw their opponents pull away in the final stanza when they hit a scoring slump and could manage only seven more points to the winners' 18.

Leading the victors were Roger Lentz with 18 and Al Hansen with 14, coming in with eight was Al Thiers, Boyd Hendrichs added five, Jim Atkins and Ellis two each, Larry Test one.

Only scorer in two figures for the losers was Hank Overin with 16. Other scorers: Wessel with eight, Maly with six, Jim Palmer with three, and Rebensdorf and heating with two each.

## D. Brown Is Chairman

Dave Brown, son of Mr. and Mrs. J. M. Brown of Wayne, will be the Olympics chairman during Iowa State University's Greek Week from April 15 through 19. Planned during the week are seminars, convocations, house meetings, athletics and entertainment.

The annual event is sponsored

# Lil' Duffer

## BURGER BARN

# Your corn could be worth \$1.55+ per bushel

**KENT'S ANSWER TO \$1.10 CORN**

With the cost of land, seed, fertilizer, insecticide, herbicide, machinery and labor what it is today, grain farming isn't very profitable with corn prices so low. It can be profitable, however, when you can get up to \$1.55 per bushel and more by marketing corn through livestock. Very little extra labor is involved when we do the work.

**CONSIDER FEEDER PIGS**

To get a 40 pound pig up to 220-225 pounds requires about 10 bushels of corn and 85 pounds of KENT supplements. For our example let's assume a 40 pound feeder pig is selling for \$16.00 and that hogs are selling for \$18.00 CWT. Plug in the figures you figure are accurate for your situation in the blanks provided.

Example figure	Your figure
Cost of 40 lb. Feeder pig	\$16.00
Supplement & Medication	\$ 7.00
Interest & Transportation	\$ 1.00
Feed Processing & Delivery	\$ 1.00
Total Out-of-Pocket Cost to produce a 225 lb. Hog	\$25.00
Sale Price of 225 lb. Hog at 18c per lb.	\$40.50
Less Out-of-Pocket Cost	\$25.00
Return on the 10 Bushels of Corn Fed	\$15.50

**Your corn is now worth \$1.55 per bushel**

We'll help you locate feeder pigs, provide the KENT supplement that gives you maximum feed efficiency, and deliver it to your farm.

See us today on \$1.55 corn.

General Office: Muscatine, Iowa

# Collecting Million-Year-Old Gems

by Merlyn M. Wright

David J. Hamer was thirteen years old when he left his home town of Langeloth, Cardigan Shire, South Wales. At the age of sixteen, with \$30 sewed into his vest and a \$60 ticket, young Dave Hamer came to New York, via Ellis Island. He was given a physical examination and tagged, then went to Chicago and ended his long journey the day he arrived at Carroll, Nebr., where he was to make his home with relatives.

Versatile is the word to describe a young man who came to a new country, married in Julesburg, Colo., farmed for eighteen years, then served as Clerk of the Wayne County District Court for twelve years, and in 1955 was elected Judge of Wayne County's Court. Judge David J. Hamer retired earlier this month and can now turn more of his attention to a hobby which has fascinated him since boyhood.

"I always carried things around in my pocket," he said in recalling his first interests in "rocks." "I had a quartz crystal when I was very very small and carried it around in my pocket." Hamer's interest in rocks of all shapes, sizes and colors continued after he came to America, and after marrying his sweetheart, he convinced her of the rewards of such a hobby. Mrs. Hamer remarked Tuesday afternoon, "Yes, he's got me indoctrinated now. So the Hamer home is a husband and wife project as is the collecting of gems from all over the world.

The Hamer's children and family friends have contributed to the collection of gems by gathering various stones from such

THE HAMERS gem collection includes a display of gems mounted for jewelry held by Mrs. Hamer. Dave holds an ancient shell which once was protection for a giant oyster.

places as Rome, Mexico, California, and many places in Europe. Most of the collection, however, is the result of many hours of painstaking search by the husband and wife team of "rockhounds."

"Have," as his friends call him, explained that rock crystal quartz always has six sides. "It isn't just an accident," he remarked, "to me it is the sign of an intelligent Creator." Then with the favoritism of an experienced collector for many

years, he said, "They are my favorite stone."

Hamer explained further that regardless of the proportion of the crystals and the inequality of their faces, the angle between the faces is always exactly 120 degrees, while the angle between a prism face and a facet of the pyramidal end is always 141 degrees and 47 minutes, with the angle of slope very nearly 52 degrees, which is exactly that of the pyramids in Egypt.

A part of the "fun" of a gem collection is the exchange of information and "finds" with others of like interests, conse-

quently the retired judge has been longed for some time to the American Federation of Mineral Society, the Siouxland Gem and Mineral Society and the north-east Nebraska Rock and Mineral Society.

In the Hamer collection are specimens of iron, aluminum, copper, fool's gold, real gold, amber, silver ore, coral, marble, nickel, fire clay, feldspar, pyrite, talcum, serpentine, albite, gypsum, manganese, mossagite, mica, petrified wood, volcanic glass and many other varieties, some of which are mounted for display in his "hobby room" in the basement at 919 W. 10th.

His collection also has a display of Uranium 235 and a meteorite. The meteorite, a mass of stone, was found east of East St. Louis, Ill., and verified as genuine by the State geologist of Nebraska.

In observing the many multi-colored gems, some polished, some not, it doesn't take long for the observer to realize with some awe that he is in the midst of materials that are untold millions of years old.

Holding the Uranium 235 in one's hand jolts the memory back a few years, when the United States entered the "atomic age," even as holding the heavy meteorite causes the mind to wonder as to the stone's origin and is the substance of it at all similar to that which will soon be brought back from the moon? As I held a particularly attractive gem for a few moments, I suddenly realized that those colors vibrating in their chambers of rock were older than the Nazarene Rock, older than Moses, yes, older than man himself!

"Judge" Dave Hamer and his wife have planned ahead so well

DAVID HAMER holds a large specimen of crystal quartz in his right hand and a meteorite in his left hand. In the background are shelves of many varieties of gems and stones collected in pursuit of his hobby.

Mrs. Edward Oswald  
Phone 284-4872

**Town and Country**  
Town and Country Club met Tuesday evening at the Leonard Andersen home for the postponed meeting of Feb. 14. Ten members were present. Prizes were won by Mrs. Paul Zoffka, high Mrs. Glenville Frevort, second Mrs. Mrs. Jay Morse, low. Next meeting will be Feb. 11 at the Kenneth Brockmoeller home.

**Jolly Couples**  
Jolly Couples met Tuesday evening at the Clarence Pfeiffer home with 16 present. Pitch served for entertainment. A dessert lunch was served by the hostess. Next meeting will be Feb. 18 at the Carl Troutman home.

**SOS Meets**  
SOS met Tuesday afternoon at the Artie Fisher home for their postponed meeting. Flight members answered roll call with a current event. Mrs. Emil Swan for entertainment with prizes going to Mrs. Martin Pfeiffer, Mrs. Harold Quinn, Wayne, Mrs. Emil Swanson, Mrs. Edgar Maroz and Mrs. Harry Saehli, Sr. Next meeting will be Feb. 21 at the James C. Jensen home.

Mr. and Mrs. Edward Oswald, Douglas and Daniel were guests Tuesday evening in the Erwin Oswald home, Wayne, to visit Vernon Oswald who left for Ft. Lewis, Wash. From there he will go to Vietnam where he will be stationed.

## Local Girl Ranks High as Homemaker

also included ideas on possible use of the city hospital and the library.  
The Task Force feels that the hospital should be converted into a city library because the present library will not be able to provide room for such things as projection rooms, study rooms and educational television rooms.  
The present library will need repairs within the next few years, according to the Task Force, and the cost of converting the hospital into a library would be small.  
Recommended also was that the basement of the hospital be converted into a recreation center for the elderly. Public restrooms could also be provided there, the study went on.

## Historical Society

To make use of the library if the other ideas are followed, the Task Force recommended that it be given to the Wayne County Historical Society and converted into a museum.  
The Task Force's recommendations concluded: "We have at all times tried to keep our thinking in line with the Comprehensive Plan and the long range needs of the community. The purpose of the Task Force is to help in finding a good long range program and then to help in informing the public and then to help the City Council implement whatever they may decide."

Here's a health tip from your Nebraska State Medical Association:

Sports which provide regular, vigorous, exercise are a major ingredient of keeping fit and having fun throughout your lifetime. Many adults feel sports are only for the very young. But as man grows lazier, he grows fatter - his heart, his arteries and his muscles degenerate. Until finally, as an outstanding physician once put it, "We don't wear out, we rust out."  
Lifetime sports - sports you can enjoy well past your middle years - are important and readily available to everyone. Bowling, walking, swimming and ice skating can improve your muscle tone, keep your body in trim shape and get rid of pent-up emotional stresses and strains.

## Auto Collisions Continue

Ice has been and continues to be the main contributing factor or involved in auto accidents on Wayne's streets this winter. Fourteen more drivers were involved in collisions the past few days.

A 1963 Ford driven by Meredith E. Pohlman, Stanton, stopped at a stop sign and then proceeded into the path of a 1967 Ford driven by Svend Kastrup, Concord, who, according to the police report, was unable to stop and struck the Pohlman auto on the left rear.

Thursday Mrs. Alfred Manske reported a red and white cowhide robe was stolen from her auto while it was parked at a laundry on South Main.

About 5:30 p.m. Thursday a 1964 Dodge driven by James W. Johnson, Columbus, stopped for a stop sign on East 2nd street. Harry Lindner, Wayne, was going south on Logan in his 1967 Buick, attempted to turn right, according to police, onto East 2nd, and skidded into the Johnson car.

The alley east of Mores Hall on the Wayne State campus was the site of a 2 p.m. accident Friday. A 1967 Chevrolet driven by Carol E. Michael, Fort Dodge, Ia., was southbound in the alley when her auto skidded sideways in front of a 1959 Chevrolet pickup driven by Mrs. Robert Miner, Wakefield. Mrs. Miner was unable to stop, striking the 1967 Chevrolet on the left rear panel, according to the po-

## Final Rites for Joseph Carlson Today at Laurel

Funeral services for Joseph Carlson, 76, were to be held today (Monday) at 3 p.m. at the World Missionary Church, Laurel. Mr. Carlson died Jan. 22 at Laurel.

Rev. Gerald Smith officiated at the rites. Mrs. Ruby Anderson and Wayne Dempsie, accompanied by Jerome Peterson, sang "He Giveth More Grace" and "When the Burden is Greater" and "Children of the Heavenly Father". Pallbearers were LeWayne Carlson, Ronald Carlson, Richard Carlson, Eldon Carlson, Verlyn Carlson and Norman Peterson. Burial was in Concord Cemetery.

Joseph Carlson was born Jan. 27, 1893 at Arna, Ill.; Swedish. He came to Omaha in September, 1910. On Aug. 28, 1915 he was married to Esther Gustafson at Concord. They made their home in the Concord area where he farmed and worked as a carpenter.

He was preceded in death by two daughters, a son and a brother. Survivors include his wife; four sons, Milton of Sioux City, Ia., Clifford, Harold and Melvin of Laurel; a sister, Nancy Carlson of Sweden; a brother, Ernest of Sweden; 24 grandchildren and three great grandchildren.

## Brandstetter in Opera

John Brandstetter, son of Mr. and Mrs. O. R. Brandstetter of Wayne, will be in the University of Nebraska cast when it presents its annual opera.

Being presented this year Jan. 29, 30, 31 and Feb. 1 at the Lowell Memorial Theatre in Lincoln is "The Marriage of Figaro," Mozart's popular classic.

The opera is a cooperative venture of the School of Music and the department of speech and dramatic art.

The U.S. Department of Labor plans to hire ex-servicemen to help fight another war - the one against poverty and joblessness. The agency plans to train 5,000 returning GIs to work in manpower programs in deprived areas.

RECITAL: Three members of the Wayne State music faculty will present a recital at 8 p.m. Thursday in the Fine Arts Center: Jay O'Leary (left), clarinetist, Connie Matthews Webber (right), soprano, and their accompanist, Ron Neal (center). The public is invited. The first part of the recital will present "Sechs Deutsche Lieder" for soprano, clarinet and piano by the early 19th century German composer, Louis Spohr.

## Bears Down Madison

The Laurel Bears upped their record to 11 wins and no defeats Friday night by clipping an inspired Madison quintet, 74-66.

Coach Larry Moore said his team had a good first quarter, pumping in the first eight shots, but then they began having ball trouble. "We had a lot of turnovers, about 20, in the game," he said, "primarily because we didn't have school Thursday and Friday last week and the boys missed practice."

Laurel built a 29-14 lead by the sound of the first buzzer, but that was the only quarter they outscored Madison. Madison moved two points closer by intermission, 47-34, and then outscored Laurel 14-11 and 18-16 in the final two stanzas.

Coach Moore said he had a 17 or 18 point lead on Madison in the final stanza and then began using his bench.  
High point man for Laurel was Brent Palmestock with 31 points. Also in double figures was Tom Erwin with 19.  
Leading scorer for Madison was Frank Ray with 18 points.  
Next action for Laurel is Thursday night when the Bears take on O'Neill. Saturday night they clash with Nelgh.

## The Service Station

Curt Brudigan, graduate of Wakefield High School, was injured last September in Vietnam when enemy shrapnel inflicted severe leg wounds. After being hospitalized for two months in Japan, he returned to Wakefield on leave Dec. 21. He left Friday to report in at Fort Riley, Kan., where he will now be stationed.

Hart Vollers has a new address: A7C Hart J. Vollers, 26829372, 37th AMS, Box 135, APO San Francisco 96368.

Scott E. Nelson's new address is: Pvt. Scott E. Nelson, US 56546884, Co. E, 2nd Bn., 3rd Bde., 15AFC (ATTN), Ft. Lewis, Wash., 98433. Scott is the son of Mr. and Mrs. Willis Nelson, Wakefield.

David Manz, son of Mr. and Mrs. Melvin Manz, Dixon, has a new address: Second Lt. David S. Manz, 1V3232880, Box 237, Whitman AFB, Mo. 65301. Manz is a 1968 graduate of the University of Nebraska.

Stephen Johnson, son of Mr. and Mrs. Clarence Johnson, Laurel, has a new address: PFC Stephen E. Johnson, 508 So. Philadelphia Blvd. Apt. 2, Aberdeen, Md. 21001. Johnson is a 1967 graduate of Laurel High School.

Army Specialist Four Richard A. Stamm, 21, son of Mr. and Mrs. Alex Stamm, Jr., Route 2, Randolph, received the Air Medal during ceremonies Dec. 9 near here.

Spec. Stamm was presented the award for combat aerial support of ground operations in Vietnam.

The specialist, a flight engineer with the 242nd Assault

Support Helicopter Company near Cu Chi, entered the Army in August 1967 and completed basic training at Ft. Benning, Ga. He

was stationed at Ft. Eustis, Va., before arriving overseas in April, 1968.

Spec. Stamm, whose wife, Mary Lou, lives in Coleridge, is a 1965 graduate of Randolph Public High School and graduated in 1968 from the Universal Trade School, Omaha.

U.S. Air Force Captain Robert A. Anderson, son of Erick Anderson of Pender, has received the Air Medal at Phu Cat AB, Vietnam.

Captain Anderson, an F-100 Super Sabre pilot, was decorated for meritorious achievement. He was cited for his outstanding leadership and courage on successful and important missions under hazardous conditions.

He is assigned to a unit of the Pacific Air Forces. The captain was commissioned in 1958 through the aviation cadet program.

He is a former member of an Iowa Air National Guard unit at Sioux City. The captain, a graduate of Pender Public High School, attended the University of Nebraska.

His wife, Delores, is the daughter of Frank Kotlik, Beemer, Nebr.

Airman Danny J. Noe, son of Mr. and Mrs. Glen E. Noe, Allen, has been graduated from a U.S. Air Force technical school at Lowry AFB, Colo.

He was trained as a supply inventory specialist and has been assigned to a unit of the Air Force Communications Service at Williams AFB, Ariz.

The airman is a 1968 graduate of Allen Consolidated School.

William Joe Mattes, son of Mr. and Mrs. Joe Mattes of Wakefield, entered the Navy Jan. 15. His address is: William J. Mattes, 1B639903, SR 067, NTC, RTC, San Diego, Calif. 92133.

Airman Jeffrey E. Swanson, son of Mr. and Mrs. Eugene A. Swanson, Wakefield, is a member of the 61st Military AirBn Wing that has earned the U.S. Air Force Outstanding Unit Award.

Airman Swanson, a supply inventory specialist at Hickam AFB, Hawaii, with a unit of the 61st, will wear the distinctive service ribbon to mark his affiliation with the unit.

The wing, which has won the award five times, is headquartered at Hickam. Its units, located throughout the Pacific and Southeast Asia, are charged with the Military AirBn Command's airlift responsibilities.

The wing has accumulated more than 600,000 accident-free flying hours during the past 13 years, a record unsurpassed by any military organization.

The airman was graduated in 1965 from Wakefield High School and attended Wayne State College and Norfolk Junior College.

Airman Dallas J. Pintney, son of Mr. and Mrs. Ralph G. Pintney of RR 1, Randolph, has been graduated from a U.S. Air Force technical school at Sheppard AFB, Tex.

He was trained as an aircraft mechanic and has been assigned to a unit of the Pacific Air Forces at Clark AB, Philippines.

The airman is a graduate of Randolph High School.

Fireman Apprentice Andrew M. Stahl, USN, son of Mr. and Mrs. Harlow Stahl of Route 1, Pilger, departed Pearl Harbor aboard the attack aircraft carrier USS Kitty Hawk for its fourth consecutive combat tour off the coast of Vietnam.

The ship completed its third deployment late last year and, prior to its recent departure from Pearl Harbor, became the second carrier in history to be awarded the Presidential Unit Citation for action in Vietnam. During the 221-day deployment

for which the award was presented, the San Diego-based carrier and its embarked Air Wing Eleven set numerous records for the Vietnam conflict, foremost of which a 61-day combat period which proved to be the longest for any carrier in the Vietnam conflict.

Prior to the bombing halt the carrier launched air strikes against North Vietnam, striking enemy power plants, rail yards and transportation and communication lines. In the south, Kitty Hawk jets helped break the siege of Marine-held Khe Sanh by battering enemy positions surrounding the Allied stronghold.

## Final Rites for Louie Kahl, 63 Held at Winside

Funeral services for Louie Kahl, 63, were to have been held Saturday, Jan. 25, at 2 p.m. at Wittse Funeral Home, Winside. Mrs. Kahl died Jan. 22 at a Norfolk hospital.

Rev. Paul Reimers officiated at the rites. Honorary pallbearers were C. E. Carlson, Leo Jensen, Ed Maas, W. H. A. Wittler, Art Rabe, Herman Jaeger, Frank Brudigan and E. T. Warne-munde. Pallbearers were Herbert Jaeger, Wayne Imel, Robert Jensen, Frank Bright, Willis Reichert and Christ Welble. Burial will be in Pleasant View Cemetery, Winside.

Louie Kahl, son of Ferdinand and Ella Lanz Kahl, was born July 10, 1905 at Winside. He attended Winside schools and Wesleyan University.

With the exception of two years when he was in the grocery business in Wayne, he spent his adult life farming two miles west of Winside. He was director of school district 58 for 12 years and director of a rural fire district until his health failed.

He was preceded in death by his father in 1948. Survivors include his wife and his mother, a resident at Dahl Retirement Center.

## Letters to the Editor

Letters to the editor may be published under a pen name if the writer desires, however, the true signature and address must be a part of the original letter. Letters must be pertinent and current, be brief as possible and contain no libelous statements. The Wayne Herald reserves the right to edit or reject any letter.

Dear Editor:  
This comes rather late but I want you to know that I am grateful for the five dollars you presented me for being first prize winner in the coloring contest.

Again, I say "thanks" for sponsoring the contest and for picking my picture a winner.  
Your friend, Terry Lessmann

Dear Editor:  
Thank you for the money you gave me for being second prize winner in the coloring contest

you presented.  
This was a real thrill for me as I have never won a contest before.

Thanking you, I remain  
Yours truly, David Lessmann

Dear Editor:  
I am writing to thank you for the dollar you gave me for the third prize in the coloring contest.

Every year I look forward to coloring in your contest. I like to color a lot.  
Your friend, Lori Lessmann

## Wayne Hospital Notes

Admitted: Mrs. Elmer Echten-kamp, Wayne; Jane Edwards, Wayne; Conrad Welterhauser, Wayne; Harold Magnuson, Emerson; Susan Crumbliss, Omaha. Dismissed: Conrad Welterhauser, Wayne; Lori Greunke, Wayne.

## Winside Scouts Storing Newspapers

Winside's Boy Scout Troop 179 had planned for an all-day paper drive Saturday, gathering newspapers from the front-porch of homes in Winside, but due to there being classes held at the public school, they were not able to get the drive underway until mid-afternoon.

Winside school administrators announced that classes would be held Saturday in an attempt to make up for some of that time lost due to severe weather. The Scouts went to school and also worked on their drive but were unable to get the newspaper into Wayne in time to put on the railroad car.

Troop 179 stored the newspapers they gathered and the paper will be put on the boxcar at the time of the next drive, according to Scoutmaster Darrel Holdorf. He also stated that if any Winside residents have

newspapers that were not picked up Saturday, please take them to the Holdorf barber shop in Winside and they will be stored along with the others until the next drive.

## FFA Week Feb. 15-22

The week of Feb. 15 to 22 has been set aside as National Future Farmers of America Week. The theme of the week is "FFA - An Opportunity for Youth".

A national organization of high school students studying vocational agriculture in the public schools, FFA is an educational, nonprofit, nonpolitical organization, of, by and for the students. Its prime purpose is to develop agricultural leaders in the communities across the nation.

## The Service Station

Curt Brudgum, graduate of Wakefield High School, was injured last September in Vietnam when enemy shrapnel inflicted severe leg wounds. After being hospitalized for two months in Japan, he returned to Wakefield on leave Dec. 21. He left Friday to report in at Fort Riley, Kan., where he will now be stationed.

Hart Vollers has a new address: A/3C Hart J. Vollers, 26829372, 37th AMS, Box 135, APO San Francisco 96368.

Scott E. Nelson's new address is: Pvt. Scott E. Nelson, US, 56546884, Co. E, 2nd Bn., 3rd Edge, (USAFC) (AT), Ft. Lewis, Wash. 98433. Scott is the son of Mr. and Mrs. Willis Nelson, Wakefield.

David Manz, son of Mr. and Mrs. Melvin Manz, Dixon, has a new address. Second Lt. David S. Manz, 1-V-323280, Box 237, Whiteman AFB, Mo. 65201. Manz is a 1968 graduate of the University of Nebraska.

Stephen Johnson, son of Mr. and Mrs. Clarence Johnson, Laurel, has a new address: PFC Stephen E. Johnson, 508 So. Philadelphia Blvd. Apt. 2, Aberdeen, Md. 21001. Johnson is a 1967 graduate of Laurel High School.

Spec. Stamm, whose wife, Mary Lou, lives in Coleridge, is a 1965 graduate of Randolph Public High School and graduated in 1966 from the Universal Trade School, Omaha.

U.S. Air Force Captain Robert A. Anderson, son of Erick Anderson of Pender, has received the Air Medal at Phu Cat AB, Vietnam.

Captain Anderson, an F-100 Super Sabre pilot, was decorated for meritorious achievement. He was cited for his outstanding gallantry and courage on successful and important missions under hazardous conditions.

He is assigned to a unit of the Pacific Air Forces. The captain was commissioned in 1958 through the aviation cadet program. He is a former member of an Iowa Air National Guard unit at Sioux City. The captain, a graduate of Pender Public High School, attended the University of Nebraska.

His wife, Delores, is the daughter of Frank Kotlik, Beemer, Nebr.

Airman Danny J. Noe, son of Mr. and Mrs. Glen E. Noe, Allen, has been graduated from a U.S. Air Force technical school at Lowry AFB, Colo.

He was trained as a supply inventory specialist and has been assigned to a unit of the Air Force Communications Service at Williams AFB, Ariz.

The airman is a 1968 graduate of Allen Consolidated School.

William Joe Mattes, son of Mr. and Mrs. Joe Mattes of Wakefield, entered the Navy Jan. 15. His address is: William J. Mattes, 1B629903, SR 067, NTC, RTC, San Diego, Calif. 92133.

Airman Jeffery E. Swanson, son of Mr. and Mrs. Eugene A. Swanson, Wakefield, is a member of the 61st Military Airlift Wing that has earned the U.S. Air Force Outstanding Unit Award.

Airman Swanson, a supply inventory specialist at Hickam AFB, Hawaii, with a unit of the 61st, will wear the distinctive service ribbon to mark his affiliation with the unit.

The wing, which has won the award five times, is headquartered at Hickam. Its units, located throughout the Pacific and Southeast Asia, are charged with the Military Airlift Command's airlift responsibilities.

The wing has accumulated more than 800,000 accident-free flying hours during the past 13 years, a record unsurpassed by any military organization.

The airman was graduated in 1965 from Wakefield High School and attended Wayne State College and Norfolk Junior College.

Airman Dallas J. Puntney, son of Mr. and Mrs. Ralph G. Puntney of RR 1, Randolph, has been graduated from a U.S. Air Force technical school at Sheppard AFB, Tex.

He was trained as an aircraft mechanic and has been assigned to a unit of the Pacific Air Forces at Clark AB, Philippines.

The airman is a graduate of Randolph High School.

Fireman Apprentice Andrew M. Stahl, USN, son of Mr. and Mrs. Harlow Stahl of Route 1, Pilger, departed Pearl Harbor aboard the attack aircraft carrier USS Kitty Hawk for its fourth consecutive combat tour off the coast of Vietnam.

The ship completed its third deployment late last year and, prior to its recent departure from Pearl Harbor, became the second carrier in history to be awarded the Presidential Unit Citation for action in Vietnam.
