

THE PATRIOTS of Wakefield High School are a new addition to WHS basketball activities this school year. Mrs. Lyle Trullinger, left, head of the music department, directs the group of thirteen youth as they sing the National Anthem prior to each home game. The pregame ceremony is impressive as the Boy Scouts present the colors under a spotlight and the Patriots sing the Anthem. Singing in the group are, from left, Barb Fischer, Cindy Stallbaum,

Betty Johnson, Mary Preston, Richard Magnuson, Devon Fischer, Marlin Kraemer, Marlene Mills, Kathy Carlson, Laurie Lueders, Roger Boeckenhauer, Bob Johnson and Dallas Pearson. Scouts from Troop 172 hold the colors in the background (only Scout Jeff Groves is visible). Marilyn Felt accompanies the Patriots on the piano.

The Wayne (Nebr.) Herald, Thursday, February 13, 1969

CONCORD NEWS

Mrs. Jerry Allvin—Phone 584-2440

Mr. and Mrs. Ivan Johnson, Mr. and Mrs. Elvins Olson and Mrs. David Williams were in the Vern L. Carlson home for supper Wednesday. The occasion was a farewell for Mrs. Williams who is leaving soon for Egypt to join her husband.

Mr. and Mrs. Ervin Kraemer, Concord, Mr. and Mrs. Melvin Kraemer and Melva and Mr. and Mrs. Anders Jorgenson, Wakefield, were guests Monday in the

son, Mrs. Fawodla Johnson, Mrs. Otto Miller, Mrs. Pat Erwin, Mrs. Jim Nelson and Larne and Mrs. Winton Wallin.

Guests during the week in the Willis Johnson home to observe the host's birthday were Mr. and Mrs. Leland Johnson, Laurel, Mr. and Mrs. Meredith Johnson and family and Mr. and Mrs. Milton Johnson and family.

Guests in the Raymond Erickson home for the hostess' birthday were Mr. and Mrs. Keith Erickson and family, Mr. and Mrs. Arvid Peterson and Mr. and Mrs. Oscar Johnson.

Guests of Mildred Fredrickson Monday afternoon for her birthday were Mrs. Leroy John-

Using Labels Helps IRS in Processing 1040 Tax Packages

Income tax refunds can be processed quickly and without delay if taxpayers put the pre-addressed name label that came on their 1040 tax package on the return they file, Richard P. Vinal, IRS District Director of Nebraska, said today.

Taxpayers using the card form 1040-A should use the pre-addressed form mailed them.

Vinal said that use of the name label or pre-addressed form will eliminate errors in social security numbers that held up refunds for 11,628 taxpayers in Nebraska last year. Returns filed before April 1 which used the name label can be processed and the refund issued in five to six weeks.

Taxpayers who find an error in their name label should correct it and send it back with their return.

Schuyler Girl Gets 2 Scholarships for Study at Wayne State

Elizabeth Schmidt of Schuyler has received two scholarships for study at Wayne State College this term, one from Colhecon, a club for home economics students, the other from the Nebraska Congress of Parents and Teachers.

She is a senior with a double major in home economics and English, is vice-president of the home economics honorary and a member of the education and English honorary fraternities, Cardinal Key, a national honor society for women students, and the Wayne Student Education Association of Nebraska. She has maintained a grade average of 3.3 (on a 4.0 scale).

A 1966 graduate of Schuyler High School, she is the daughter of Mr. and Mrs. Glenn C. Schmidt.

Elizabeth Schmidt

George Schrenk Dies

George Schrenk, husband of Edna McVicker Schrenk, a former Wayne resident, died at his home in Denver, Colo., Sunday afternoon, Feb. 9. The retired minister was buried Wednesday, Feb. 12, at Leonardville, Kan.

Peace Corps Tests Set for Saturday
 Wayne area residents interested in putting their skills to use in helping the developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. Saturday at either Lincoln or Omaha.

The test, which measures general aptitude and the ability to learn a language and not education or achievement, will be given at room 416 of the Main P.O. building in Lincoln and at room 1606 of the Federal Building in Omaha. It requires no preparation and is non-competitive.

Persons interested in serving with the Peace Corps must fill out an application, if they have not already done so and give it to the tester before taking the test. The forms are available from post offices or from the Peace Corps in Washington, D.C. 20525.

Fifteen thousand volunteers are currently serving in Asia, Africa, Latin America and the

moved into the new home they have built. Mr. and Mrs. Warren Campbell have moved into the house vacated by the Heckens.
 Sunday afternoon luncheon guests in the Robert Noe home at Elbow were Mr. and Mrs. Oliver Noe, Mr. and Mrs. Laelle Noe, Mr. and Mrs. Marvin Green, Mrs. F. M. Noe and Martha, Mrs. Emma Shortt and Steve and Mrs. Veri Noe and family.

Ikes Will Show Wildlife Film On February 23

Keith McColl, popular Canadian TV personality and outdoor wildlife photographer is featured in a two-hour adventure film, "Wildlife in Action" scheduled to be shown in the Wayne city auditorium Feb. 23 at 2 p.m.
 The excitement of hunting, fishing and wildlife is featured in this true color show filmed in Alberta, Manitoba, Saskatchewan, British Columbia, MacKenzie Mountains and the Yukon Territory. McColl is Canada's answer to the leading wildlife photographers of the world. He has captured on film some of the most breathtaking scenery of the rugged wilderness while showing outstanding trophy hunting and fishing adventures.

The show will feature Dall sheep, 40 lb. lake trout, pack trips, grizzly bear, bull elk, arctic car, Rocky Mountain bighorn, caribou, pheasants, sharp tail grouse, sage hens, giant northern pile and arctic gyrfalcon.
 Advance tickets for this show can be purchased from any Isaac Walton member, or, more specifically, from Arlen Fitch, C.L. Costello and Glen Walker.

Draft Q & A

Q: Recently my local board reopened my classification because of new evidence that was submitted. I believe the new classification they gave me is incorrect. Can I appeal from the decision?

A: Yes. When a local board reopens a registrant's classification and classifies him anew, the registrant has the same right of appearance before the local board and the same right of appeal as in the case of an original classification.

Choosing Glasses Children Like, at Parent-Pleasing Prices, is just KID STUFF at Pearle!

At Pearle Optical, the young set makes the scene, cheerfully. We know how to make choosing glasses an occasion to remember. We've learned that Little Girls have their own idea of what Style is all about. (And heaven help the brave parents who try to dissuade them!) As for Little Boys? They could care less about Style. Sure, they want a frame that looks good, but there's a world out there waiting for them. And, wistfully, we've watched Little Girls and Little Boys grow up. So, we anticipate it, and try to make it easier. No matter how old young folks are we have the quality glasses they need for good vision, and the selection they like.

At Pearle Optical, the choice is theirs. The confidence is yours.

QUALITY GLASSES FROM \$12.50 • CONTACT LENSES: \$65 • CONVENIENT TERMS

WARMING UP. Mary Schroeder and Jeff Weeks, West Point high school students, warm their hands over the fire barrel following a snowmobile ride Saturday on the WSC campus. The couple were some of the students participating in the Lewis and Clark District Explorer's "Winter Happening." "That was fun, let's go again!" seemed to be the spirit of all those riding the snowmobiles.

Otto Sabo, Norfolk, was a dinner guest at Theron Culton's Tuesday. Mr. and Mrs. Paul Lessman were afternoon visitors.

Mr. and Mrs. Ivan Nixon and his mother, Mrs. Dora Nixon, Menden, Kan., were Sunday dinner guests in the G. H. Schuler home, Bancroft.

Mr. and Mrs. Merlth Nixon and children, West Point, spent Sunday evening in the Ivan Nixon home. They had been dinner guests in the Marland Schroeder home. Mrs. Marvin Elliott, Bender, was also an evening visitor.

Mr. and Mrs. Lelroy E. Johnson were Sunday dinner guests in the Earl Johnson home, Thurston.

Your Heart Fund dollars played a vital role in the dramatic decline of cardiovascular death rates for persons aged below 65 that has taken place in this country since 1950. The overall decline amounts to 18.4 per cent.

History of Greeks
Among New Books
At City Library

Jaquetta Hawkes' "Dawn of the Gods," a study of the beginnings of the European history, has been presented to the Wayne city library in memory of the late Charlotte Waggoner.

This abundantly illustrated book will be of interest to those who enjoy reading the history of the Greeks.

Librarian Rodella Tricker also announced that the following new works of adult fiction have been added to the library:

"Born to Trouble" by Lewis Patten, "Doubly Dead" by John Patterson, "A Capitol Crime" by Alexandra Roudybush, "The Doctor's Confession" by Elizabeth Siefert, "Valentine Estate" by Elin Stanley, "Judas, My Brother" by Frank Yerby, "Peanuts' Treasury" by Charles Schulz, "West of Cheyenne" by Lee Hoffman, and "The Gold-Lined Box" by Marjory Hall.

New adult non-fiction added are as follows:

"The Promise of Space" by Arthur Clark, "Generous Years" by Chet Huntley, "The Day Kennedy Was Shot" by Jim Bishop, "The American Challenge" by Servan-Schreiber, "Twentieth Century" by Joel Colton, "The Border States" by Wilma Dykeman, and "Famous First Flights That Changed History" by Lowell Thomas.

Draft Q & A

Q: Can you supply me with some details concerning educational benefits available under the "GI Bill"?

A: The Veterans' Readjustment Benefits Act of 1966, frequently called the "Third Generation GI Bill," is administered by the Veterans Administration, not by the Selective Service System. It is suggested you contact any office of that Agency (Regional Office, 220 South 17th, Lincoln, Nebraska 68508), or write to the Veterans Administration, Washington, D.C. 20420.

THE WAYNE HERALD

Third Year - No. 85 Wayne, Nebraska 68787, Thursday, February 13, 1969 Section 2 - Pages 1-4

DEMONSTRATING the automatic shut-off valve on the new portable water pump is Harvey Brasch of the Wayne Volunteer Fire Department. The pump was purchased recently for almost \$400. It will float in water, pumping up to 100 gallons of water a minute through a screen on the bottom side. The valve automatically shuts the machine off when water level gets to a certain level. The pump can be used to throw water on a fire (up to about 150 feet) or can be used to pump out flooded basements. By using the hose, it can be lowered into a well or cistern.

Recognition to Wayne Students Raising Grades

Wayne High School Guidance Counselor, Kendall Carlson, announces that recognition will be given to all high school students who raise their academic grade by at least one letter in at least one course from one-nine-week grading period to the next.

In addition to raising a letter grade in order to qualify for recognition of improvement, the student must maintain or improve letter grades in all academic courses of study from one grading period to the next, Guidance Counselor Kendall Carlson explained.

Recognition for such an achievement will be published each nine-week period. Only nine-week grades will be utilized to determine academic improvement from one quarter grading period to the next. The following students, listed by classes, qualify for recognition on the "Improvement" Honor Roll for the first half of the 1968-69 school year.

Freshmen: Theresa Allen, Alan Baier, David Baier, Jana Barker, Jean Blison, Gregory Creamer, Kim Daugherty, Kenneth Frahm, Tammy Fredrickson, Michael Ginn, Randy Goshorn, Steve Haase, Nancy Janner.

Glora Ilx, David Kudrna, Kurt Lash, Tom McCright, Hill McNatt, John Meyer, Robert Nelson, Brian Nelson, Richard Soden, June Starke, Carol Spittiger, Bryan Stoltenberg, Roger Willers, Kyle Willa.

Sophomores: Dorothea Beckenhauer, Sue Brown, Randy Gathle, Rebecca Greenwald, Marsha Johnson, Debbie Kell, Terry Meyer, Kirk Russell, Tim Sharer, Jim Stevenson.

Juniors: Karen Baker, David Barker, Peggy Burner, Cynthia Bottolfsen, Dan Carroll, Mark Dunning, Lyle Grone, Wanda Hall, Gary Helthold, Susan Helthold, Carl Janssen, Trixie Jones, Roger Kay, Doug Mauer, Darlene Miller.

Wes Meyer, Karen Nedergaard, Blaine Olds, Jean Pantratz, Bruce Pfieser, Connie Pfieser, Debbie Pickett, Tracy Preston, Dennis Rauss.

Seniors: Sarah Ahlman, Chris Bernthal, Dwayne DeDirk, Kathy Danley, Sherry Goodrich, Nancy Hamley, Roger Hammer, Diana Janke, Doug Nelson, Terry Pfieser, Jeanne Suhr, Alan Thomsen, Dave Tietgen, Karen Wax.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial -- but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Your Son!

In an information bulletin to parents, one of the larger denominations of the Christian faith included the following. We feel it is worth passing on.

with pride. He is your son? Another part of the standard equipment of sons seems to be the most amazing appetite for any and every kind of food. After one of his visits to the kitchen for a quart of milk, half a loaf of bread and the major portion of a ham.

A Birthday Thought

Abraham Lincoln certainly knew how to couple words together into meaningful trains of thought. His brief and his expressions known as the "Gettysburg Address" given November 19, 1863.

before us, that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we are highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom, and that government of the people, by the people, and for the people shall not perish from the earth."

Comments on County Roads

This is one of the reasons some of the roads in the county are not being opened as quickly as possible. The driver of this maintainer attempted to open this road and got his machine stuck. The machine sat useless for quite some time and forced county workers, who should have been out cleaning and widening the roads, to spend time in getting it pulled out.

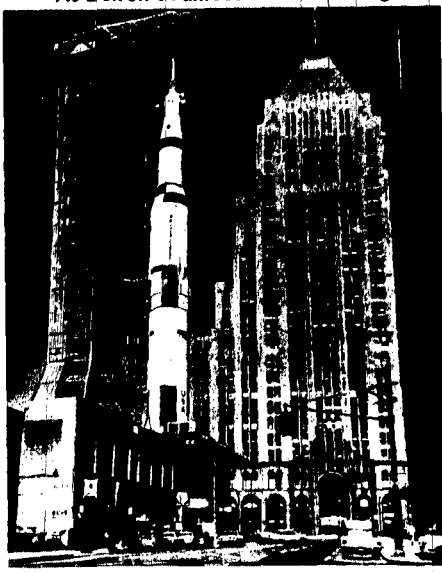

Comments on County Roads... faster than they have been. We have not yet decided whether the commissioners have been lax in their jobs or whether the farmers were complaining about an unavoidable situation.

Capital News 1,500 Attend State School Board Hearing on 'Report'

LINCOLN — A standing-room-only throng jammed into the Nekean Hall last week to hear four hours of testimony on the controversial Great Plains School Organization Project report.

crowd of at least 1,500 persons waited until the last speech was given -- even though nearly half of them were on their feet throughout it all. Opposition to the report was marshaled by S. H. Brauer, Jr., secretary of the Nebraska School Improvement Association.

Apollo 8 Rocket Almost As High As Detroit's Famous Fisher Building

Here's how the Saturn 5 rocket, which launched astronauts Horman, Lovell and Anders on their trip around the moon, compares in height with Detroit's Fisher Building. This composite picture shows the rocket as though it is resting on West Grand Boulevard adjacent to the famous office building in Detroit's New Center area.

Heart Research Faces Big Challenges Next 20 Years

This third and final article in a series presented by the Heart Association is to inform readers of this newspaper about progress in the fight against heart and circulatory diseases.

Your Heart Association is now completing its twentieth year as a national health agency. As noted in the first two articles of this series, it has been the spearheading force behind an 18.4 percent drop in the cardiovascular death rate for persons below 65 since 1950. What are the prospects for the next twenty years?

Nobody can give an exact answer to the question, but many competent authorities think it likely that great advances are likely, and that progress during the next two decades will surpass that of 1949-1969. These possibilities have been mentioned:

Prevention and control of conditions causing heart attack (now responsible for about

550,000 deaths yearly in the United States) and stroke (cause of over 201,000 U.S. deaths annually). Realization of this goal would constitute one of the greatest medical achievements in human history.

Identification of causes and prevention of inborn heart defects with which about 25,000 babies are born yearly.

Increased knowledge leading to successful transplantation of hearts and other organs.

Development of an effective artificial heart, with a fully-implanted power source, as well as perfection of "assist" mechanical devices to help hearts in distress.

Extension of already-tested "coronary care units," or their equivalents, to all hospitals in the country treating acutely ill persons. These units, which provide for continuous monitoring of vital functions of persons surviving heart attacks, with an

alarm system bringing personnel trained to cope with sudden emergencies, improve the survival rate by as much as 30 percent. They are now available only to about a third of surviving heart attack patients.

Further substantial gains also are expected in the fight against rheumatic fever and rheumatic heart disease, already widely regarded as being preventable by knocking out the "strep" infection which almost always precedes rheumatic fever. Some scientists believe that a reliable vaccine, immunizing young people against "strep" infection, is in the offing.

Dramatic advances in cardiovascular surgery are quite possible. During the 1949-69 era, this type of surgery focused on correction of inborn heart and blood vessel defects, arterial grafts, valve replacements and relief of conditions resulting from rheumatic heart disease. Addi-

tionally, heart transplantation moved into its clinical trial phase. During the next twenty years, medical scientists are likely to improve existing techniques and develop many new ones.

Apart from what is done by science and medicine, man himself may play a big role in reducing the risk of heart attack and stroke during the next twenty years. The steps he can take include periodic health examinations, which give his physician an opportunity to detect and begin treatment of any high blood pressure or diabetes that may be present; avoidance of cigarettes, maintenance of normal weight, regular physical activity and adherence to a diet which substitutes poly-unsaturated fats (chiefly from vegetable oils and fish) for animal fats and which has fewer high-cholesterol foods.

Any look at the future also must take into account another vital consideration—Your Heart Association, now needed more than ever before, is highly successful research program, having contributed so effectively to virtually every recent advance in cardiovascular medicine. Surely warrants extension. So

do its programs of professional and public education, as well as its community heart programs, which must continue to bring the benefits of new knowledge to the grassroots of America.

And how can the individual help? One way is to work as a heart volunteer, actively and personally participating in the fight against heart and blood vessel diseases. Another way is to give generously to the 1969 Heart Fund Campaign, which is being conducted throughout February.

Allen School Board Approves Schedule

The board of education at Allen Consolidated School approved a salary schedule for teachers at a meeting Monday, Feb. 3, according to Gaylin Jackson, board president.

The schedule contains a base salary of \$5,800 with a three and one-half percent increment. The increment is figured from the base salary for each year of teaching experience. The schedule also contains a table for payments of teachers taking on extra-curricular jobs.

To Ask Area People About Jobs in 1968

A sample of residents in the Wayne area will be asked about their work experience during 1968, as part of a nationwide survey the week of Feb. 17, Director Guy A. Lutz of the Bureau of the Census Regional Office in St. Paul announced.

Questions will be asked about the number of weeks worked last year, the number of weeks lost because of unemployment or other reasons and the longest job held during the year.

The survey is taken annually at this time to provide data for use by the U. S. Department of Labor. The questions supplement the Bureau's regular monthly inquiries for the Labor Department on current employment and unemployment.

The identity of households in the survey is confidential, and the information obtained will be used for statistical purposes only.

Interviewers who will visit households in this area Feb. 17-22 are Ruth Koehler, of Norfolk and Catherine V. Moeller of Winer.

STEPS LUMBER DEALERS are taking to meet the needs of farmers were discussed by two lumbermen at the Farm Building Conference held at the Nebraska Center for Continuing Education in Lincoln February 6. E. A. Olson (left), Extension agricultural engineer at the University of Nebraska, moderated a discussion by Bob Carhart (right), manager, Carhart Lumber Co., Wayne; and Everett Yost, president, Yost Bros. Lumber Co., Millford. Theme of the one-day conference was "Increased Profits Through Improved Rural Services."
