

'Lil' Abner' This Year's Wayne High Production

The Wayne High music department will present "Lil' Abner" as this year's musical on Mar. 27, 28 and 29 in the high school lecture hall.

The musical, which tells the story of the conflict between Dogpatch and Washington, D. C., is being directed by Arlene Cook, vocal music instructor. Student director is Mary Stevenson, senior at Wayne High. Don Schumacher, instrumental teacher,

is in charge of the orchestra. Helping out with the building of sets is Mrs. Carlos Frey, art director.

"Lil' Abner," quite a change from last year's "Gays and Dolls," tells the story of the trouble the people of Dogpatch have in stopping the federal government from using their mountainous home as a testing site for nuclear bombs.

When a crooked politician in Washington finds that there is something useful in Dogpatch after all, Mammy Yokum's secret formula of Yokumery tonic, he tries to wheedle the formula from Lil' Abner. And then the fun begins.

The musical will be presented each evening at 8 p.m. Tickets for the presentation are \$1 for adults, and \$.50 for students.

In this year's cast: Laurie Wolters (Daisy Mae), Les Echtenkamp (Lil' Abner), Dan Probst (Pappy Yokum), Amy Correll (Mammy Yokum), Dave Ellis (Longsome Polcat), Scott Kerl (Hatless Joe), Doug Stanley and Bernie Binger (Omeo and Clem Scraggs), Beth Bergt (Moonbeam McSwine), Ron Seymour (Marryin' Sam), Mike Baler (Carthage McGonn), Alan Meyer (Mayor See 'LIL' ABNER', page 6

200 Feeders Attend Annual Meet at Laurel

About 200 area livestock feeders turned out Monday evening for the annual meeting of the Northeast Nebraska Livestock Feeders Association.

Held at the Wagon Wheel Steak House in Laurel, the meeting included election of officers and directors.

Elected for another term in office were Don Mayberry of Pender, president; Henry Bruns of Pender, vice president; Wilbur Techt of Wakefield, secretary, and Willis Meyer of Wayne, treasurer.

Directors elected at the meeting include Warren Marrotz, Wayne County; Kenneth Schroeder, Dixon County; and David Denker, Dakota County. Results of the election for a director from Thurston County were not available.

Cub Pack Holds Blue and Gold Banquet Tuesday

Wayne's Cub Pack 175 held a Blue and Gold banquet Tuesday evening at 6:30 p.m. in the Elementary School. Cub Scouts made the table favors and parents brought the food.

Boyd Hedrick, Cubmaster, was master of ceremonies. Following group singing led by Mrs. Hedrick, Jack Niles, awards chairman, presented eight-year-old Brad Hoogner the bobcat pin. He is the son of Mr. and Mrs. Lanny Hoogner.

Adon Jeffrey made presentation of \$1 deposits in savings accounts to nine of the pack members.

Recognition was given to five den mothers, Mrs. Marilyn Koch, Mrs. Frank Prather, Mrs. Leroy Middleton, Mrs. Bill Davie and Mrs. Arvid Marks, who were given certificates of appreciation.

Guests introduced and thanked for their assistance in the Scout program were Ray Replogle who worked with Webelos in art, Don Koehnig who assisted as a sportsman counselor, and Ken Daugherty who has assisted as a training leader. Others have helped but were unable to attend the banquet.

A film, "The Will to Win" concerning the national scout box derby was shown to the crowd of about 100 scouts, parents and guests.

NEW BOBCAT in Pack 175 is eight year old Brad Hoogner whose parents, at right, are Mr. and Mrs. Lanny Hoogner. Jack Niles, awards chairman, at left, made the Bobcat pin presentation during the Pack's Blue and Gold banquet held Tuesday evening in the Elementary School. Brad's father pins the award on him.

'LIL' ABNER' DANCERS practice one of their numbers for this year's musical production by Wayne High School. 'Lil' Abner' will be presented March 27, 28 and 29.

Student Carnival for AFS Plate Deadline Brings a Rush

Bob Porter, publicity chairman of the Wayne County Chapter of the American Field Service, said Monday that Wayne High School's student council will sponsor a carnival April 12 as a major fund raising project for the financing of another AFS student in Wayne next year.

Though the carnival plans are not complete it will be held April 12 in the high school gymnasium between the hours of 5 and 10 p.m. Various booths will be set up and tended by different classes and organizations.

There will be fun for both young and old alike with such things as a cake walk, tricycle ride, ball house, a marriage booth and a fishing pond.

February 15 was the deadline for families to get their applications in for hosting an exchange student. Several Wayne families did make application. These papers are sent to the New York office of the American Field Service where they are examined. After the student's biographical sketch is also

examined, the New York office mates the student with the family. Whether next year's student is a boy or girl will depend to a great extent upon the family. Even after the student is chosen for Wayne, the host family will have the right to reject the student for any reason without the student knowing it and another student can be assigned here.

A sum of \$750 is needed to finance another AFS student for next year. About \$50 of this has been raised through the sale of Christmas note cards. Porter stated earlier, "Any donations to support next year's student will be very welcome."

Eghon Guzman Bustamante, present AFS student in Wayne, has been speaking before groups and organizations. Some of the needed funds are expected to be raised in this manner.

AFS brings over 3,000 students from more than 60 countries to the U.S. annually and is also sending approximately 1,400 American students abroad each year.

The student council's carnival will helpfully raise a considerable amount of the funds necessary for the next AFS student. More details of the carnival will be carried in forthcoming issues of The Herald.

Prize Jumps to \$350 In Spite of Weather

Three hundred fifty dollars is what this week's Cash Night prize is worth.

There was no drawing in Wayne last Thursday night because of the storm which struck that day, snowing most shoppers in once again. That's the second time this winter stores were forced to close Thursday night because of bad weather.

But another \$50 was added to the prize, bringing it up to the \$350 total which will be awarded some shopper if he is in a participating store when his name is called Thursday night at 8 p.m.

Council Opens Bids on Sewer and Street Work

The city of Wayne opened bids for work on 10th Street sanitary sewer and storm sewer district 68-1 at the council's regular meeting Tuesday evening.

Apparent low bidders for the work on the sanitary sewer were E. L. Chung Concrete (\$17,948), Gerhold Construction Co. of Columbus (\$18,787.20) and N. L. Cole Construction Co. of

WH Nips Hartington

The Wayne High Blue Devils, surprising their fans with their late-season showing, knocked off highly touted Hartington Cedar Catholic, 64 to 57, in overtime Tuesday night.

In Monday's class C district tournaments, Winside whipped Hartington High 72-43, at Coleridge and Wakefield defeated Emerson-Hubbard, 72-50 at Wakefield. Tuesday night Allen lost to Wainhill, 75-41.

And Laurel wallpiped Scribner, 80-42. Tuesday night to gain the Husker Conference championship.

For a complete wrap-up on these games and other area sports stories, see the sports section of this paper.

Parties Select Candidates For Council, School Board

Caucuses were held Tuesday night in 7:30 p.m. meetings by the Citizens and Popular parties in Wayne to nominate two candidates for three year terms on the Wayne School District 17 board of education. A few minutes later at 7:45 p.m. caucuses were held by both parties to nominate candidates for the city council. Each party nominated one person as a candidate for each of the three wards in the city.

Citizens Party electors gathered for their school board caucus at the Firemen's Room in the City Hall with the result of

Wayne Post Office Urges Cooperation

The Wayne Post Office again urges patrons to place the street address or rural route number on all mail addressed for local delivery.

The office has new employees who are strangers to the city and rural routes. Without the proper address it is possible a letter will be delayed in delivery.

Local merchants are also urged to get the addresses of customers when making charge sales so they can indicate the addresses when sending out monthly bills.

Addressees should show their return address in the upper left hand corner of all mail they send. This will give the Post Office a chance to return the first class mail if delivery cannot be made.

Many of the college students living off campus are on city delivery and correct street addresses will enable the Post Office to make delivery to them even though it has no order from the students.

Addressees are available for most people in the city in the local telephone book.

nominating Dorothy Ley and Irvin Brandt, according to Lyle Seymour, chairman. Mrs. Ley has been a member of the Wayne board of education for the past six years, has a master's degree, and has taught at Wayne State College. Dr. Irvin Brandt is chairman of the division of science and mathematics at Wayne State. He graduated from Wayne State with a bachelor of science degree in 1955, received the master's degree from the University of Wisconsin in 1959 and completed a doctorate program at the University of Nebraska in 1967 with a major in secondary education.

Popular Party electors assembled at the Municipal auditorium for a school board caucus and nominated Bob Bergt and Larry King. Candidate King and his wife both attended high school in Wayne. They have a three-year-old daughter. He has been a businessman in Wayne, King's Carpets, for about six years. Bob Bergt is a well known cattle feeder who farms southeast of Wayne and is a director of Educational Service Unit one.

Nominated as candidates for the city council by the Citizens Party were Ed Smith in the first ward, Jack Kingston in the second ward, and Bob Lund in the third ward. Lund had not decided whether to accept the nomination as of Wednesday.

The Popular Party caucus named the following candidates for the city council: Jim Thomas in the first ward; Jack Kingston in the second ward; and R. H. Banister in the third ward.

Councilman from the first ward, E. G. Smith has been a resident in Wayne for approximately 30 years. He is 69 years old and retired after being in business, owning the Wayne Monument Works, for 24 years. Smith has been a member of the city council for the past eight years.

Just finishing up his first two-year term on the council, Dick Banister is 63 years old and retired after serving 40 years as a city mail carrier. He is a native of Wayne.

Jack Kingston, councilman from the second ward, has been on the council just over two terms. He finished out six months of Dan Sherry's term when the latter took over the job as city clerk. A longtime resident of Wayne, Kingston ran the Wayne Ice and Cold Storage for many years before selling out recently.

Bob Lund is a Wayne businessman having operated Sawyer Drugs during the past five years and is active in community affairs.

Nominated in the first ward by the Popular Party is Jim Thomas who is a rural mail carrier and has worked in the Post Office for approximately 14 years.

City elections for the school board will be held April 1. Deadlines for filing petitions to be included on the school board ballot is Mar. 12. The petition must be signed by at least 50 qualified voters and must be given the school board secretary by the Mar. 12 deadline.

To vote for school board members or run for the school board see CANDIDATES, page 6

MAY BE JUST A MEMORY. If the State Railway Commission grants the request of the Chicago and Northwestern Railway Co., the Wayne depot will no longer be used by a resident agent and would probably be torn down by the railroad.

Flag at Wayne Herald

The 100-mile flag belonging to Wayne County's Servicemen We Appreciate You organization is now on display at the Wayne Herald. The flag and its case has been on display at several business places in the town during this year. It was given to SWAY by Major James B. Davis, son of the late Burr Davis.

March of Dimes Slowed by Snow

Wayne County March of Dimes drive has been slowed considerably due to the abundant amount of snow making traveling difficult according to Pat Gross, treasurer of the fund drive.

Though the drive for funds is normally concluded at this time, the date of March 15th has been set this year when all funds should be in, the treasurer said.

Earlier Gross pointed out that "Since 1966 the Wayne County March of Dimes has paid out \$2,087,82, all of which has been spent on medical costs incurred by area families."

Any family that has or may have a child or children with birth defects should contact Pat Gross for information concerning the March of Dimes program.

City Voices Opinion About Keeping Depot

Six people from Wayne testified as to the desirability of keeping the Wayne depot in operation and keeping a depot agent in the city at a hearing before a representative of the State Railway Commission Tuesday in the Wayne County courthouse.

Attorney John Addison, representing the city, called upon Roy Christensen, manager of Carhart Lumber Co.; Alan Cramer, owner-publisher of The Wayne Herald; Diane Upton, engineer for the city engineer; Alvin Schmoed, owner of Wayne Motor Express; Fred Glickensleeve, Wayne Grain and Feed, and G. S. Shaffer, manager of the Standard Oil Farm Center now under construction.

The State Railway Commission is holding several hearings in the state to gather information so it can decide whether to permit the Chicago and North Western Railway Co. to go away with several of its "central agencies" and replace them with "associated agencies."

No decision on the application to change the status of the Wayne depot was made at this hearing. That decision will be made later this year when the commission will rule on all the applications by the railroad.

If the request is granted, Wayne would lose its resident depot agent and the depot would become an "associated agency." That is, railroad customers would be serviced by a traveling agent located in Wakefield, which would be the "central agency" for Wayne, Winside, Healds and those towns northwest of Wakefield serviced by the railroad.

The railroad contends, in its formal application to the commission, that the central agency plan will let the traveling representative service those customers using the associated stations. Customers could telephone the traveling agent collect. See DEPOT, page 6

Slush and Slosh With More Snow? O-o-h My Gosh!

Daytime temperatures have stayed above the freezing mark for over a week now which has been the tactful manner Dame Nature is using to gradually melt tons of snow.

	HI	LO
February 22	32	28
February 23	34	26
February 24	34	30
February 25	36	32

Old Sol has made himself scarce during the past seven days but has managed to burrow through the overcast with the warming trend. Warmer temperatures have assisted the city street department in getting rid of ice and snow packed on the streets for so long. It appears, however, that over shoes will continue to be a needed accessory for some time.

The extended five-day forecast for eastern Nebraska from the Weather Bureau in Norfolk states that temperatures for our area will average near normal through Saturday with only minor day to day changes. Normal high temperatures for this time of the year are near 37 degrees; normal minimums are around 17 degrees.

Precipitation will average from one half to three quarters inch, according to the Bureau, occurring mostly today (Thursday) and Friday, in the form of rain or snow.

Longtime WS Prof Dead in Missouri

News has been received here of the death of J. Q. Owen, professor of English at Wayne State College from 1928 until his retirement in 1958. No further details were available Wednesday.

Owen moved to Springfield, Mo., following retirement and was active in Sigma Tau Delta, national honorary fraternity in English.

AND WE THINK WE'VE GOT IT BAD? R. H. Banister brought this photograph taken 30 years ago and thought we might be interested in how it was then. The picture was taken on a rural road nine miles south and one east of Wayne on Feb. 22, 1936. People who can remember the storm say that even pictures don't show the country as bad as it was during that winter.

C. Tietgens Observe Wedding Anniversary

More than 250 relatives helped Mr. and Mrs. Chris Tietgen, Wayne, observe their 45th wedding anniversary. Open house was held at the Tietgen home Feb. 22-23 from 2 to 5 p.m. Guests were from Omaha, Norfolk, Bennington, Blair, Fremont, Arlington, Kennard, Ames, Rosalie, Hooper, Scribner, Wisner, Oakland, Pender, Wakefield, Lyons, Hoskins, Winslow, Carroll, Concord, Ponce and Wayne.

The Tietgens were married Feb. 20, 1924 at Burke, S. D. They farmed four years in Gregory County before moving to O'Neill. They came to Wayne in 1928 where they were associated one year with Schmela Hatcher and then with Colson Hatcher. In 1936 they went into the hatchery business themselves until their retirement in 1959.

Mr. Tietgen has served several terms as city commissioner and one term as mayor. Both are active in civic and church affairs. Mrs. Tietgen has been very active in the cancer crusade and in many other community projects.

Mrs. Tietgen composes poetry as a hobby and some of her compositions were used for the program Saturday and Sunday. Her poems gave a history of their married life. Readers were Mrs. Clint Heber, Hoskins, Mrs. Alfred Koplin, Mrs. Irma Tietgen and Mrs. Floyd Sullivan.

Homemakers Club Has Family Supper Sunday

Progressive Homemakers Club had a family supper Feb. 23 at the Woman's Club room. Guests were Mrs. Anna Mau and Mrs. Emma Otte.

Cards furnished entertainment with prizes going to Mr. and Mrs. Charles Franzen, Mrs. Mau and Mrs. Ervin Hagemann.

Mar. 18 meeting will be with Mrs. Otto Saul.

Mr. Vellis received his master's degree in business administration from the University of Southern California where he was a member of Alpha Tau Omega and Phi Beta Kappa fraternities. He is presently employed at Mattel Toys, Inc., Redondo Beach, Calif.

A May wedding in California is being planned.

Club Meeting Tuesday At B. Spittiger's

Happy Homemakers Extension Club met Feb. 25 at the home of Mrs. Bruno Spittiger. The meeting had been postponed from the previous Thursday due to inclement weather. Mrs. Walter Spittiger and Mrs. Allen Spittiger were guests.

The lesson on pattern alterations was given by Mrs. Ed Watkins and Mrs. Delvin Mikkelson.

Mar. 20 meeting will be with Mrs. Edwin Caauwe. The lesson on yeast rolls will be given by Mrs. Val Damme.

M. Culton-J. Vellis Plan Wedding in May

Mr. and Mrs. Theron Culton, Wakefield, announce the engagement of their daughter, Marjane, to John C. Vellis, son of Mr. and Mrs. Gus D. Vellis, Los Angeles.

Miss Culton, a graduate of Wakefield High School and NBT College, Sioux City, is employed as executive secretary to the vice president, marketing, North American Rockwell Corp., International Airport, Los Angeles.

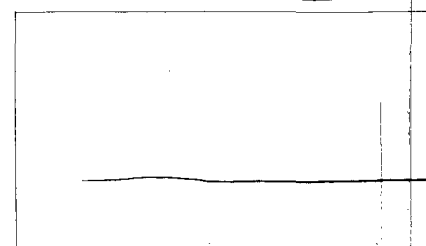

Mr. Vellis received his master's degree in business administration from the University of Southern California where he was a member of Alpha Tau Omega and Phi Beta Kappa fraternities. He is presently employed at Mattel Toys, Inc., Redondo Beach, Calif.

A May wedding in California is being planned.

Confirmation's Soon!

LYMAN PHOTOGRAPHY

This is a hemline.

Once upon a time, you knew exactly where it was and that was that. Then suddenly, all that nice comfortable conformity ended and the hemline was all over the place! It went up to mini and down to maxi. And often it wasn't even a hemline at all — it was pants. A girl had e-b-o-i-c-e. Which while it scared a lot of girls, others found challenging, releasing. Our view? We think the whole development is great. We like individuality! But we think age is basic to the decision-making process. With few exceptions, we think minis should stop at 30. Maxis at 40. Beyond that, the skirt can be anywhere from just clearing to 3 inches above the knee, depending on height and figure and personality. As for pants, we think they're absolutely age-less. If you'd like a store (finally!) that doesn't hem and haw about the whole hemline business, see us. We're not only chic, we're honest.

Lynette Fredrickson Weds Terry Roth In Double Ring Rites at Wakefield

Lynette Fredrickson, daughter of Mr. and Mrs. LeVern Fredrickson, Wakefield, and Terry Roth, son of Mrs. Iona Roth, Pender, were married Feb. 22 at 7 p.m. at Evangelical Covenant Church, Wakefield.

Pender Couple Marks Silver Anniversary

Mr. and Mrs. Milan Tonjes, Pender, observed their silver wedding anniversary with an open house and social evening Feb. 22 at Pender Community Hall. Mrs. Tonjes is the former Elaine Wurdean of Carroll.

Linda Tonjes registered the guests. Mrs. Bill Jonkins and Mrs. Floyd Tonjes poured. Mrs. Dallas Vanover and Mrs. Lowell Tonjes cut and served the cake.

Mrs. Arland Aurich (the former Dorothy Beyer) and Floyd Tonjes, attendees 25 years ago, were present at the open house.

Masonic Meeting Set

Masonic Lodge 120 AF & AM will meet Tuesday, Mar. 4, at 7:30. Past masters of the Wayne Lodge will be honored. A special program is planned.

Herman Longes Mark 50th Year

Mr. and Mrs. Herman Longe of Dakota City will be honored at an open house for their 50th wedding anniversary at American Legion Hall, South Sioux City, Saturday, Mar. 8, 8:30 p.m. to 8:30 p.m.

Hosting the event will be their daughters and sons-in-law, Mr. and Mrs. Cal Swagerby, South Sioux City, and Mr. and Mrs. Clifford Nixon, Dakota City.

Immediately following, Mr. and Mrs. Cal Swagerby will have a dance in observance of their 25th wedding anniversary, also at the American Legion Hall, South Sioux City. No formal invitations are being sent.

Wayne Hospital Notes

Debra J. Chicoine Weds E. D. Frazee

Debra Jean (Chicoine and Eddie Dwayne Frazee were married Friday evening at Riverside United Methodist Church. The bride is the daughter of Mr. and Mrs. Ferdinand (Chicoine). The bridegroom is the son of Mr. and Mrs. Raymond Frazee, Worthington, Minn.

The bride wore a floor length gown of peau de sole with a coat of chantilly lace fashioned into a chapel train. Her headpiece of daisies held her illusion veil. She carried red roses and stephanotis.

Diane and Doreen (Chicoine, the bride's sisters, were her attendants. They wore floor length gowns of aqua linen in emerald styling with real lace trim and pearl chokers with bustle veils of aqua tulle. They carried aqua and white carnations.

The bridegroom's attendants were Emmett De Hart and James Frazee. Randy Edwards was usher.

The bride's mother wore a fern green shift with silver accessories. The bridegroom's mother wore a navy shift with matching accessories.

The couple will reside at Worthington, Minn. The bride is a granddaughter of Mrs. Albert Milliken, Wayne.

'Women's Night' Group Sees Films

"A Night for Women (1958)" program was held Feb. 18 in the Wayne High Lecture Hall with about thirty in attendance.

Three films, "The Woman in Question," "A Breath of Life," and "Investment in Life" were shown.

Mary Ann Cottrell, coordinator of Health and Education for the Wayne public schools, expressed disappointment in the number attending the special meeting sponsored by the Wayne County Cancer Society, 1969-70, as she said Monday morning. "There were several other things going on that night" in Wayco.

Ed Brown, program director for the Omaha division of the American Cancer Society, and Dr. George John of Wayne assisted with the presentation.

Both Mrs. Cottrell and Mrs. Chris Tietgen emphasize that the films are available at no cost for showing to interested clubs and organizations. Mrs. Tietgen is the Wayne County public education chairman for the Cancer Society. Anyone interested in using one or more of these films should contact her for their availability.

Lil' Duffer BURGER BARN

Blue Devils Nip Hartington CC, 64-57, in Overtime

by Kieth Tietgen

Tuesday night the Wayne High Blue Devils topped one of north-east Nebraska's basketball powers, Hartington Cedar Catholic, 64 to 57, in an overtime thriller. The Blue Devils demolished the Trojans, seeded second in this district tournament, in the overtime period as they held them to only two points while garnering nine.

Wayne fought an uphill battle from the start as they had to out-hustle the taller Hartington CC team. But, they did it as they tied the score at 55-all with 1:38 remaining in the game.

Wayne then called time to set the stage for a last-second shot.

to win the contest. The shot was missed and the game went into an overtime period.

Joedy Hoogmer, a 6-0 senior, put the Blue Devils out in front for the first time in the contest with a two-pointer in the overtime, making it 57-55. Hartington CC came back with their only points in the extra period to tie the score at 57-57. Dave Tietgen then brought the lead back with a field goal and it was 59-57.

The Trojans called time with 1:37 remaining in hopes of getting some winning strategy started, but Wayne stalled, forcing Hartington CC to foul. Wayne picked up five more points as Hoogmer and Tietgen hit two 24-foot shots each, and Jerry Tietze led it with one as Wayne had its upset victory 64 to 57.

A big part of the credit for the victory belonged to Harry Lindner and Les Fechtenkamp, both 6-1. They led Hartington Cedar Catholic's 6-7 Steve Becker to only eight points in the contest far below his average and caused him to foul out with

PURE BEDLAM. Wayne High fans swarmed the floor after the Blue Devils upset highly touted Hartington Cedar Catholic in overtime Tuesday evening in Rice Auditorium. The Blue Devils tied the score at 55-all at the final buzzer, won the game 64 to 57 in overtime.

Wayne High (ovt.) 64
Hartington CC (ovt.) 57

'LET'S GO GET 'EM!' Coach Dick Nelson tries to inspire his Blue Devils at the start of the overtime period in Tuesday night's game against Hartington Cedar Catholic. The strategy worked — the Blue Devils downed Hartington CC, 64-57.

about four minutes remaining in the action.

The early going was all Trojan as they led 16 to 10 at the first quarter stop. In the second period the visitors built up as much as a 17-point lead before Harry Hoogmer brought Wayne back into the contest by hitting 10 of 11 charity tosses. Wayne trailed 35-30 going into intermission.

In the second half the Blue Devils cut away at the lead as they outscored the Trojans 17 to 14 in the third canto and nine to six in the fourth. This knotted the score at 55-all as the buzzer

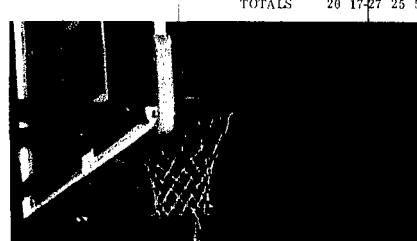

sounded and gave Wayne the overtime period in which to earn their 64-57 victory.

The Blue Devils displayed a fine team effort as they had three men in double figures — Hoogmer and Lindner with 16 points each and Tietgen with 15. They were followed by Hoogmer with nine, Ted Armbruster with four, Jerry Tietze with three and Dwayne DeTurk with one.

Wayne out rebounded the taller Trojans 45 to 38. Tietgen pulled down 13, Hoogmer 11, Lindner seven, DeTurk five, Hoogmer and Fechtenkamp four each and Armbruster one.

Wayne swamped Hartington Cedar Catholic in the preliminary every quarter break as they breezed to their victory. Scores at quarter stops: 18-8, 33-18, 51-28.

The scoring: Ted Armbruster hit for 11 points, Dick Tietgen 10, Mike Blittoff nine, Terry Ellis eight, Steve Kamish and Don Mau seven each, Jerry Tietze and Rod Cook three each, Mike

LES ECHTENKAMP goes in for an easy lay-up during Tuesday's Wayne High-Hartington Cedar Catholic tilt at Rice Auditorium. Wayne downed the visitors 64 to 57 in overtime. Waiting expectantly are Wayne's Dave Tietgen (left) and Dwayne DeTurk.

LES ECHTENKAMP goes in for an easy lay-up during Tuesday's Wayne High-Hartington Cedar Catholic tilt at Rice Auditorium. Wayne downed the visitors 64 to 57 in overtime. Waiting expectantly are Wayne's Dave Tietgen (left) and Dwayne DeTurk.

well over 7,000 in the last 10 years.

Only Arthur County had no deer deaths from any cause other than hunting. Cherry County led in the number of fatalities with 43, most of which occurred in the Almsworth Canal.

A sharp jump in accidental deer deaths normally occurs in October and November because of increased deer movements. Whitetail mortalities outnumbered mule deer 866 to 468 last year.

Dixon's "Peewee" Tournament is slated for early in March.

Teams scheduled to see action in the meet will hail from Wymot, Hubbard, Thurston, Maskell, Obert, Hoskins, Wayne St. Mary's and Dixon.

The tourney also includes competition for the cheerleaders. Watch for a complete schedule and dates for the tournament in the next issue of the paper.

WH Devils Rip Wisner Saturday For 8th Victory

The Blue Devils of Wayne High chalked up their eighth victory of the season Saturday, a 63-53 win over the Wisner Bulldogs. The win brought their record just above the 800 mark as they have lost seven games.

The first half started as a tightly fought contest. Dave Tietgen's 12 points in the first period kept Wayne in the contest and gave them a 15-14 lead.

The Bulldogs produced 11 of their 17 points in the second quarter via the free throw line as the Blue Devils were in foul

trouble. Wayne came up with 16 points in the stanza and both teams went to the locker room with the score knotted at 31-all.

For the Blue Devils the third quarter was the turning point as they held Wisner to seven points while garnering 17. Harry Lindner led the charge with eight points. Wayne's 10-point margin proved to be the difference in the game as both teams garnered 15 points in the final stanza and Wayne came off with the 63-53 victory.

Coach Dick Nelson's Blue Devils were sparked by Dave Tietgen as he had one of his finer nights of the season, hitting 75

per cent of his shots for 26 points.

Wayne had two other men in double figures, Harry Hoogmer and Lindner with 10 points each. They were followed by Joedy Hoogmer, Dwayne DeTurk and Ted Armbruster with four points apiece, Jerry Tietze and Mike Blittoff with two each, and Don Mau with one.

Tietgen also led in the rebounding department, coming off the boards with eleven; Hoogmer seven and Lindner and DeTurk with five each.

The Blue Devil reserves prounced the Wisner reserves, 53 to 33. They built a 33-12 first half lead and coasted to their win in the second half.

Dick Tietgen and Rod Cook were leading scorers. Tietgen had 11, Cook 10. They were followed by Jerry Tietze with nine, Don Mau with eight, Ted Armbruster with five, Mike Blittoff with four, Brock Glese and Lonnie Blittoff with two each, and Les Fechtenkamp and Steve Kamish with one each.

In the rebounding department Mau had six, Kamish five and Lonnie Blittoff four.

Wayne Jr High '5' Nipped at South Soo

St. Michael's of South Sioux City knocked off Wayne's junior high basketball squad, 43-41, Monday afternoon to win the consolation game in the South Sioux Junior High Invitational tournament.

The finals in the tourney had been scheduled for last Thursday but had to be postponed because of bad weather.

Wayne led all the way in the contest until the fourth quarter when the St. Michael's quintet squeezed out the victory.

Scheel pumped in half of Wayne's points in the first quarter as Wayne jumped out front 12 to nine at the first quarter break. The locals outscored their foes eight to six in the second stanza to move into a 20 to 15 lead going into intermission.

But then St. Michael's pumped in 11 points to Wayne's 10 in the third period to make the score 30 to 26 going into the final stanza.

St. Michael's came up with 17 counters in the final stanza to Wayne's 11 to pull the game out of the fire.

Leading the scoring for the locals were Saul with 13 and Scheel with 12. Morris added

Live TV Coverage Of State BB Finals

Television Channels 10 and 11 will broadcast the Nebraska State High School Basketball Tournament finals live from Lincoln on Saturday, Mar. 15.

The live coverage will begin at noon the 15th. The broadcast schedule:

Noon — Class A, 2 p.m. — Class B, 6:30 p.m. — Class C, 8:30 p.m. — Class D.

Director for the day's events will be Bill Homke, director of Saturday's Big 4 basketball "Game of the Week".

Allen Girls Clip Walthill Friday

Friday evening the Allen High School girls knocked off their Walthill counterparts in three volleyball sets. Allen won the practice set 15 to 1, then came back to take the volleyball game in two straight sets, 15-5 and 15-2.

Linda Rasmussen served 15 points for Allen. High spikers for the winners were Cathy Dilling, Jill Ahrenholz and Sue Smith.

The Allen girls now have a record of three wins and seven defeats. They have won three of their last four games.

Next game for the girls is Mar. 4 when Randolph St. Francis invades Allen.

Allen Reserves End Season with Loss

The junior varsity of Allen High School closed out their 1968-69 basketball season on a losing note Friday night, dropping their season finale to visiting Walthill, 35-24. The reserves, coached by Don Kruse, ended up with a record of nine wins, five defeats.

Walthill moved out to a 13 to nine lead at the end of the first quarter and then increased that lead by another point in the low-scoring second quarter. Allen pumped in only two free throws, Walthill one free throw and a basket in the second eight minutes of action.

Walthill outscored the hosts six to five in the third quarter and 13 to 10 in the final period. High scorer for Allen was John Warner with nine, followed by Mike Ellis and Gary Troth with four each. Ray Breidinger, Brian Lufelder and Terry Trube added two each and Jerry Geiger added one. Walthill's Cline was high point man for the evening with 12 counters.

Wakefield Wrestler Injured at Lincoln

Wakefield's Walter Hank, 120-pound grappler, very nearly went all the way in the state wrestling tournament last Friday and Saturday.

Hank defeated his first opponent Friday, 3-2, then whipped his next foe, 12-2.

But Saturday Hank injured his shoulder while wrestling in the semi-finals and lost by default. Wakefield garnered two points in the state competition.

Hank ended the season with a record of 14 wins and four defeats.

Record Set in '68 for Deer Killed on Roads

A record number of deer was killed on Nebraska highways during 1968.

Of 1,365 deaths from causes other than legal hunting, 1,120 deer died after tangling with automobiles. The previous high was set in 1965, when 1,112 animals were killed by vehicles. Total deer fatalities neared the record 1,403 deaths in 1966, according to the Game Commission.

A breakdown of other deer mortalities: 71 from poaching, 134 from a variety of causes, 40 unknown.

Such fatalities have generally increased over the past 10 years. Growing deer herds account for part of the rise and reporting and investigation are also more complete.

The number of deer killed on the roads has topped 1,000 each year since 1964, with a total

Dixon Tourney Set

Dixon's "Peewee" Tournament is slated for early in March.

Teams scheduled to see action in the meet will hail from Wymot, Hubbard, Thurston, Maskell, Obert, Hoskins, Wayne St. Mary's and Dixon.

The tourney also includes competition for the cheerleaders. Watch for a complete schedule and dates for the tournament in the next issue of the paper.

Trojans Blast Emerson-Hubbard, 72-50 In First Round Action of Class C Tournament

The Wakefield Trojans, playing on their home court, demolished Emerson-Hubbard in the first round of class C district basketball action Monday night, 72-50, in a game which saw 45 fouls committed and six starters setting on the bench at its end.

Wakefield will now play Thursday night at 7 p.m. against Homer to determine who moves into the semi-finals.

Homer knocked off Ponca in Monday night's first game, 59-42.

Wakefield jumped out to an early 6-1 with 6:17 remaining in the first quarter. Emerson-Hubbard came back strong as they brought the score to 7-6 in favor of the Trojans with 3:20 showing on the clock. The Trojans maintained their lead and led 16-12 as the quarter ended.

The Pirates threw a full-court press against Wakefield in the second period but all it did was hurt them as Wakefield found its way to the basket. The Trojans increased their lead to eight, 22-14, with 5:43 remaining in the first half, and as the half ended

Wakefield	72
Em-Hub.	50

WAKEFIELD TROJAN JERRY JENSEN (52), a 6-4 senior, has one of his shots blocked by Emerson-Hubbard's Steve Carper, a 6-3 senior, in the first round of class C district tournament action at Wakefield Monday night. Wakefield knocked off the Pirates, 72-50, to move into second round action Thursday night against Homer. Other Trojans moving in on the action are Dennis Paul (54) and Lyle Brown.

the Pirates were trailing by 13, 39-26.

In the second half Wakefield couldn't do anything wrong except commit fouls. The fouls hurt the Trojans little and they led by as much as 26 points with seven minutes remaining in the contest.

Both teams used a full-court press in the second half but it was only to Wakefield's advantage. Leading 67 to 48 with 2:20 showing on the clock, Trojan Coach Dennis Crawford took out his starters and went on to chalk up the 72-50 victory.

Wakefield had four men in double figures: Dennis Paul with 20, Lyle Brown with 18, Jerry Jensen with 15 and Gary Preston with 10. They were followed by Mike Berns with four, Rich Kline with three and Kip Bressler with two. Emerson-Hubbard had two men in double figures: Steve Carper with 15, Bill Patken with 10.

The Trojans dominated both boards. Paul grabbed 13 rebounds, Brown pulled down 12. The leading rebounder for the Pirates was Carper with 13.

In the first game Monday night, Homer's Gordon Longwell and Tom Lauritsen guided the Knights to their 59-42 victory over the Ponca Indians. Longwell pumped in 18 counters, Lauritsen 16.

Homer led at the quarter stops 18 to 10, 40 to 20 and 54 to 32.

Also hitting in double figures for Homer were Dan Harris with

13 and Rod Eriksen with 10.

Only Indians in two figures was Mike Kneerl with 13 points. Jeff Kneerl tallied eight points and Kelly Asmussen had six.

Allen Suffers 75-61 Defeat Tuesday; Knocked Out of District Tournament

Although they edged to within six points midway in the third period, the Allen High Eagles couldn't manage to overtake Walthill in Tuesday night's first round action of the class C district tournament at Wakefield.

The Bluejays handed Allen a 75-61 defeat; their second victory over the Eagles in as many games. Friday night Allen went down in defeat to Walthill, 56-38.

In Tuesday night's first game at Wakefield, Pender edged by Walthill, 52-49.

The semifinals round at Wakefield tonight (Thursday) now sees Wakefield taking on Homer at 7 p.m. and Walthill taking on Pender at 8:30 p.m.

Allen took the lead in Tuesday's game in the opening seconds of action on a charity toss by Jerome Roberts, but then Walthill edged out front by two before the Eagles tied the score at 3-3 with 5:00 left in the first period.

The Bluejays finally started finding the range in the closing moments of the first quarter and built up a seven point lead, 15-8, at the first buzzer.

Trailing 27 to 13 halfway through the second period, the Eagles shook off their cold spell and edged to within 11 points,

29-18, with 2:26 showing on the clock. But they couldn't get any closer to the Walthill squad and trailed 37 to 25 at intermission.

The Eagles cut Walthill's lead to nine points, 41-30, with about two minutes gone in the third period, then moved to within six, 45-39, with 3:58 showing. Two quick counters by the Bluejays put them out front and they held a 54-44 advantage going into the final period of action.

Allen was unable to move any closer to the Walthill quintet in the final period as the Bluejays scored several buckets on fast breaks and came up with 21 points to Allen's 17 in the final eight minutes of play.

Leading the scoring attack for the losing Eagles was Bob Mitchell with 20 points. John Abs added 15, Jerome Roberts nine.

Allen Fuler garnered 20 points to lead the scoring for the win-

ALLEN FANS CHEER despite their team's losing effort Tuesday night in the first round of the class C district tournament at Wakefield. Allen lost to Walthill, 75-61.

Wildcats get revenge --- Winside Drops Hartington

Coach Jim Conick's Winside Wildcats took advantage of a well organized fast break and took revenge on the Hartington High Wildcats in the first round of the district tournament at Coleridge, knocking off the Hartington quintet 72 to 43.

Saturday night the Winside squad suffered a 72-54 beating at the hands of the same Hartington team.

In the first game Monday night, Wausa knocked off Osmond, 86-25. The Vikings led 16 to 5 at the first quarter stop, 39-6 at the intermission break as they held Osmond to one lone point in the second quarter. Wausa added 25 more in the third period to Osmond's nine to move out from 86 to 25 going into the final period.

Dave Witt, a junior at 6-1, had the hot hand in the first period, garnering 16 points to spark the Winside team to a 25-12 advantage at the first buzzer.

Winside	25	33	47	71
Hartington	12	24	32	43

Hartington tied the score twice, early in the quarter at 2-2 and then with just over six minutes to play at 4-4.

But another bucket by Witt and a charity toss gave Winside a three-point lead with 4:58 left on the clock and they were in little trouble after that. Winside moved out from 19-6 with 2:48 showing and kept that 13-point edge going into the second period, 25-12.

Winside tried to slow the game down in the second period of play and were successful until the closing moments of action. Hartington moved to within nine

points, 33-24, at the halftime break.

Outscored 12 to eight in the second quarter, Winside turned the tables in the third period and came up with 14 counters to Hartington's eight to increase their lead to 15 points, 47-32, going into the final period of action.

Bob Jackson and Bob Wacker each pumped in six points in the quarter to guide the Winside quintet to their biggest lead so far in the game.

Conick kept the same strategy in the final period, using the fast break against the slower Hartington squad, and Winside again outscored the foes, this time 25 to 11, to take home the 72-43 victory.

Winside now goes up against Wausa at 7 p.m. tonight (Thursday) to determine who advances to the championship round.

Leading the winning Wildcats in scoring was their ace pivot, Dave Witt, with 26 points on nine field goals and eight for eight from the charity line. Scoring next high was Bob Jackson with 14. Bob Wacker added nine more.

Leading the Hartington High Wildcats were Larry Elckhoff with 13 and Steve Lucht with 11.

Wayne State Runners Win 4 of 14 at KSC

Wayne State trackmen won four of 14 events and had the only double winner in an indoor track dual at Kearney State Saturday, won by Kearney, 100-37.

Al Strong posted firsts for Wayne in the 75-yard dash, at 7.7, and the 220 dash, 22.8. Also winning for the Wildcats were Terry Wegner with a 6-2 high jump, and Tim Blach in the 75-yard high hurdles at 9.4.

In 1941, Nebraska pheasant hunters were allowed one gun in their bag, if it was shot by accident.

ECSTATIC WILDCAT FANS. These Winside High School fans display their joy during Monday's victory over Hartington High in Winside's first round of Class C district action at Coleridge. The Wildcats, who only two nights earlier suffered a

beating at the hands of Hartington, knocked off their foes, 72-43. They now go up against a tough Wausa squad Thursday night at 7 p.m. to determine who moves into the semi-finals.

CLASS B TOURNAMENT TROPHIES. Dr. LeRoy Simpson, Wayne State College instructor and director of the class B basketball tournament set for Wayne the first full week in March, eyes the two trophies which will be awarded the tournament champion and runner-up. Teams which will

Laurel Bears Garner Husker Title; Knock Off Scribner, 80-63, Tuesday

The Laurel Bears made it a perfect season by knocking off visiting Scribner Tuesday night, 80-63.

The victory gave them a season record of 19 wins and no defeats and earned them the Husker conference championship trophy. It also left little doubt in anybody's mind about whether Laurel deserved their number one seeding in the class B district tournament slated for Wednesday next.

But Scribner, knocked off by Scribner earlier in the season, is going to have to do some re-

Laurel	21	39	57	80
Scribner	13	22	40	63

High point men for Scribner were Bob Cerns and Kirk Mueller with 18 each and Jack Robart with 10.

Laurel made 10 out of 12 free throw shots for 83 per cent and 35 out of 73 field goals for 48 per cent. Scribner hit 58 per cent of the charity line (11 out of 19) and 46 per cent from the field (26 out of 57).

The Bears' goal against Perle in the first round of the district tournament slated for Wednesday next. The exact dates for the tourney could not be set until after the Wayne State-Peru game Wednesday evening.

Swimming, Grappling In Store at WSC

Sports fans can have their choice of both swimming and wrestling this weekend at Wayne State.

The Nebraska College Conference swimming meet is scheduled in Carlson Natatorium Friday and Saturday, with preliminaries at 11 a.m., finals at 4 p.m. each day.

Wayne will defend its four-

Acute Cover Shortage More Harmful To Pheasants Than Severe Winters

One of the most unfortunate circumstances involving wildlife in Nebraska is that pheasants are objects of concern during the winter and are ignored in the spring.

This simple situation means that sympathy is wasted in the winter because the ringnecks can stand about anything that old man winter can dish out. But, the truly pathetic thing is that pheasants do not attract any attention in the spring when they are in dire need of assistance.

Nebraska could literally be chock full of pheasants except for one thing, stresses M. O. Steen, Game Commission director. That one thing is the acute shortage — total absence in some localities — of spring nesting cover. That cover can include many different kinds of foliage, but the amount and quality of suitable nesting cover becomes alarmingly diminished each year.

Ringnecks are sturdy birds, capable of going more than two weeks without food if they have to, of staying comfortable in frigid climates and of scrounging food from under heavy layers of snow. Hen pheasants, however, are very particular about nesting sites. They will not set up too near another nesting hen. Also, their nests are vulnerable to predators if the cover is not adequate.

Good nesting cover is nearly a thing of the past. Expensive farm land cannot be left idle for the sole benefit of wildlife. Every

available acre is being put into production to the extreme detriment of wildlife. Pheasants have virtually disappeared from portions of Nebraska because of this habitat loss. If something is not done to preserve the remaining cover areas, the pheasant is destined for a bleak future.

Just as a farmer cannot increase corn production beyond a certain number of bushels per acre, so it is with pheasant production. To increase the number of birds in the state, the amount of suitable, safe nesting cover available to the hens in the spring must be increased. That is the only formula that will work.

Knowing the answer and putting a program into working condition are far removed, however. The vast majority of pheasant nests must necessarily be in privately-owned land. The future of the pheasant in Nebraska, therefore, rests in the hands of the landowners. Preserving existing cover areas and providing new ones will mean improved ringneck populations.

Farm programs which pay farmers for taking land out of production and putting it into permanent cover offer some hope. Such programs can affect a large number of acres over a big portion of the state. But in the final analysis, what the future holds depends on the willingness of landowners to incorporate some cover-saving practices into their farming operations.

College Cagers Stand High in NAIA Statistics

With only one week of regularly scheduled games left as of Friday, the Wayne State Wildcats still ranked high among teams in District II of National Association of Intercollegiate Athletics.

Of the teams reporting last week, Wayne still had the best defense. The Wildcats held their opponents to 657 points in 21 games. Wayne and Kearney State College were the only teams to outscore their foes. Kearney led in offense, racking up an average of 82.8 points in 18 tilts.

The Wildcats also ranked close to the top in free throw percentage, coming in second with a .673 mark. Midland College held down the top spot with a .668 average. Kearney was at the bottom with a .631 average.

In field goal shooting, the Wildcats' .469 average topped the district II NAIA teams. Kearney came in second with .452.

Dana had grabbed 50 rebounds each game, barely edging the Wildcats, who have garnered 49.5 caroms. Midland had the poorest mark with 33.4 rebounds.

Wayne's late-blossoming Dave Schneider ranked fourth in scoring. He has a 15.4 average. Leading the pack was Chadron's Mike Kinated with 24.6 points. Kirk Koehler of Kearney was averaging 15.3, Brent Peterson of Dana 12.3.

Schneider was hitting 571 from the field, ranking third behind Jeff Draemel of Midland, 19.1, and John Mackey of the University of Nebraska at Omaha, 16.1.

Free throw competition was extremely close. Rex Mahlman of Dana led with .775, followed closely by Draemel of Midland with .773 and Paul Stezkowski of UNO with .771. Others high in the competition: Concordia's Kent Jones, .768; Wayne's Bill Goodwin, .767; and Kearney's Jerry Wiley, .723.

Wayne has ranked among the nation's defensive leaders all season, yielding an average that varied narrowly between 65 and 68 points to the foe.

Coach Dave Gunther reasons that defense is a phase of the game that can be controlled more predictably than offense. So pressure defense has been the hallmark of his teams through 44 wins and only six losses over two seasons. Dakota Wesleyan and Peru alone have scored more against Wayne than Southern did, 95 and 90 respectively, and both beat Wayne.

The Wildcats had a merry time working plays at Southern, and by halftime they led 63-36, with five players hitting upwads of eight points before intermission.

The second-half production of 44 was more ordinary as Gunther used up all his reserves. Dean Efloson led the Wildcat efforts at 22, but Southern's Jim Uttecht hit one more to close his senior year.

Wayne freshmen ran their undefeated record to 13 in a 77-68 preliminary with the Southern junior varsity.

WS Cagers Prove Offensive Power In Monday Win

For a defense-strong team, Wayne State cagers played an unusual game Monday night as they gave 81 points to Southern State at Springfield, S. D. The fact is, the Wildcats were so busy playing offense — scoring a season-high 107 points — that they didn't take much time for defense.

Maybe just as well that they polished their scoring power for the season's crucial climax Wednesday night (Feb. 26) at home against Peru State — a game which was destined to settle the Nebraska college conference championship.

Wayne has ranked among the nation's defensive leaders all season, yielding an average that varied narrowly between 65 and 68 points to the foe.

Coach Dave Gunther reasons that defense is a phase of the game that can be controlled more predictably than offense. So pressure defense has been the hallmark of his teams through 44 wins and only six losses over two seasons. Wayne freshmen ran their undefeated record to 13 in a 77-68 preliminary with the Southern junior varsity.

'Best in State' Award Given to Local Fisherman

Jerald Daniels of Wayne has been awarded the "Best in the State" citation from Sports Afield magazine for his sauger catch last year in the Missouri River.

Daniels landed a 4 lbs., 12 oz. sauger last December, the largest sauger taken in Nebraska in 1968.

The prize consisted of a sterling silver pin and a printed certificate.

Purpose of the Sports Afield's awards program, which covers all 50 states, is to encourage catching fish on sporting tackle and to give recognition to large catches on a state rather than a national level.

WHS Hosts County Teachers Ass'n

Windside High School faculty members were hosts to the Wayne County Teachers Association Feb. 26 at 4:15 p.m. at the school cafeteria.

Discussion topic for the program concerned the possibility of both Windside and Wayne teachers having area chapters in the educational association.

In other Windside school news Mrs. Henry Ley, Wayne, was guest speaker on the PTA program Feb. 18 in the school cafeteria. Mrs. Ley spoke concerning dyslexia.

Mike Jagger and Terry Jaeger both qualified to enter the State wrestling meet Feb. 21 and 22 in Lincoln. Mike wrestled at 112 pounds. Terry went to his match at 103 pounds.

Don Kramer, principal, said Friday morning that "Operation Snowstorm" was put into effect Feb. 20 and 21 in Windside. It was possible to have school in spite of the storm with 18 pupils absent Thursday and 36 absent on Friday. According to the principal the school had only two days of school to make up. Operation snowstorm is a plan whereby pupils are welcomed into Windside homes for lodging during bad snowstorms.

Senior home economics girls had to postpone their field trip to Norfolk last week due to the snowstorm. Another date will be set in March for the trip.

The Spanish Club sponsored by Candace Stubbs, had a banquet Feb. 18, attended by club mem-

MIGHTY PROUD. Jerald Daniels of Wayne proudly displays his certificate from Sports Afield for landing the biggest sauger in the state during 1968.

Candidates - (Continued from page 1)

you must be a qualified voter, must have lived in the school district for 40 days, and must own real or personal property that was assessed in the last annual assessment or have a child of school age living in the district.

Anyone wishing to be included on the city council ballot by petition must get the signatures of at least 10 per cent of the voters registered in his ward. This petition must be filed with the city clerk by Mar. 12.

To vote for city councilmen or run for the council you must be a qualified voter and must have lived in the state for six months, the city for 30 days and the precinct for 10 days.

Wayne voters will go to the polls Apr. 1 to elect one councilman from each ward for a two-year term.

County Society Releases Report

Dixon County's Historical Society has released an annual report on its activities for 1968. According to Basil Wheeler, secretary of the Society, there were 1,000 entries made in the guest book during the year at the museum in Allen.

Monthly planning meetings were held. Officers elected at the January meeting to serve for the year were Mrs. Adelin Presslin, president; Vern Jones, vice president; Basil Wheeler, secretary; and Clarence Emry, treasurer.

A variety of programs featuring guest speakers were held throughout the year. Some of the guest speakers were Mrs. Pete Oberg and her daughter, Mrs. Marvin Muller, Mrs. Laurel Miller, all of Wakefield; Mr. and Mrs. K. J. Mitchell and Mr. and Mrs. Ray White of Allen; Dr. Whit Dawkins of South Sioux City who told of his ride across Nebraska on his horse "Storm" in 1967. The ride was in commemoration of the Negro cowboy of early days.

The Historical Society had a membership of 85. Membership dues are \$2 per person each year.

commission.

—Heard City Attorney John Addison's report on the results of his investigation into the costs of heating the city swimming pool. Addison said the city would probably be able to install gas heaters in the pool for about \$4,000. The heaters would keep the water near 80 degrees during the months the pool is opened, considerably warmer than the water is during the first few weeks the pool is open. The council requested more detailed facts about cost of installation and operation from Keith Mosley, manager of Peoples Natural Gas, and will consider the subject at the next regular meeting.

DR. FRED BERNTHAL, making measurement of the gamma-ray spectrum from a radioactive isotope working in a laboratory at Berkeley University. Bernthal completed his doctorate program this month and will now go to Yale University in New Haven, Conn. for postgraduate research. He is the son of Rev. and Mrs. E. J. Bernthal, Wayne.

Hahn Grad Finishes Doctorate Work In Nuclear Chemistry at Berkeley

Fred M. Bernthal, 26, son of the Rev. and Mrs. E. J. Bernthal, Wayne, completed a doctorate program of study at Berkeley University, Berkeley, Calif., this month and is now spending a few days in his parental home prior to moving to New Haven, Conn.

Dr. Bernthal plans to go to Yale for postgraduate research in low energy nuclear physics. After graduating from Ithaca High School in 1960, young Bernthal went to Valparaiso University in Indiana and then on to Berkeley. His doctoral thesis was written in two parts: "I. The Electric Dipole Transitions in Odd-Mass Deformed Nuclei, and II. The Decay of Ta (176) to Levels in Hf (176)".

The youthful physicist hopes to eventually take a faculty position in a university, after completing research work at Yale in the field of nuclear structure study.

According to Dr. Bernthal, studies of radiocost for isotopes have made a great contribution to our knowledge of nuclear structure. From the thousands of energy levels observed from spectroscopic measurements of alpha-beta-emitting isotopes, a large part of our present knowledge of nuclear level systematics has come, and this body of knowledge has played a central role in the development of nuclear theory, especially of the collective modes of nuclear motion.

Dr. Bernthal's research in nuclear chemistry is not associated with the field of nuclear weaponry which is in the field of high energy nuclear physics. He will commence his work at Yale in March.

Wanted

WANTED: By middle-aged couple, on or before May 1. Furnished or partly furnished apartment, tourist cabin, trailer house or house. Ground floor preferred, not necessarily. State what you have and price. Mary Henshaw, Hiding City, Nebr. 68658. 2713

Cards of Thanks
I WISH TO THANK all of those who visited and helped me celebrate my birthday at Bath Retirement Center on Sunday and for all the gifts and cards that were sent to me. It was greatly appreciated. Mrs. Ruth Ellis. 272

MAY I TAKE this means of expressing my sincere thanks to all who sent flowers and cards and visited me during my stay in the hospital. Also thanks to Dr. Robert Deatrick and the Wayne Hospital staff for their care. Pat Dordinger. 272

OUR THANKS to each and everyone who remembered us on the occasion of our golden wedding anniversary; also to the ladies of St. Paul's Ev. Lutheran Church who helped serve lunch and to all who helped in any way. May the Lord bless each one of you. Mr. and Mrs. Henry Warmund, Winside, Nebr. 272

I WISH TO THANK all my friends and relatives for the visits, cards and flowers I received while I was a patient at the Wayne Hospital. Special thanks to Dr. Mason and the nurses at the hospital for their wonderful care, also to David Theophilus. All of your kind deeds will be treasured memories. Gia Pippitt. 272

A BIG THANK YOU to all for the lovely cards, letters, flowers and visits while I was in the hospital, and to neighbors who helped in many ways. Special thanks to Pastor Johnson for visits and prayers; Arvid Samuelson who took good care of everything at the farm and Mr. and Mrs. Richard Lund who brought us to and from the Sioux City hospital. Arthur Lange. 272

WE WISH TO EXPRESS our sincere thanks to our neighbors and relatives who helped in any way during the time we were waiting for Cindy, the people who assisted in opening roads, Dr. Join and the Wayne Hospital staff, a special thanks to our visitors, those who sent cards and messages, KITCH and Wayne Greenhouse for the roses. Everything was deeply appreciated. God bless all of you. Mr. and Mrs. Carl Berg and family. 272

JUST HOW DO YOU say thank you to folks who are deserving of so much more. Very humbly we will try to express our thanks and appreciation to all the folks who came to our home for our 45th anniversary open house; for all the flowers, gifts, cards, telephone calls and food and to everyone who helped with the event in any way. Also thanks to all of you who were blocked in because of our severe winter weather whose thoughts were with us we know. Sincerely, Mr. and Mrs. Chris Tietgen. 272

EARLYBIRD Sale

An inviting lawn doesn't "just happen" but you can make it happen with TURF BUILDER!

Just spread a bag of TURF BUILDER on your lawn and enjoy the difference it will make. Turf Builder actually makes grass multiply itself. Works harder and longer to make your grass greener and stronger.

Turf Builder is a wonderful bargain anytime - a special bargain now, during Scotts EarlyBird Sale. Buy the triple-size bag and get Turf Builder at a lower cost than 10 years ago.

CRABGRASS A PROBLEM? - Use HALTS PLUS. It gives the same feeding at Turf Builder, but in addition stops crabgrass before it starts. See pricing below.

NEED GRASS SEED? - Use WINDSOR, the new improved variety of Kentucky bluegrass. It feels like velvet but wears like iron. See pricing below.

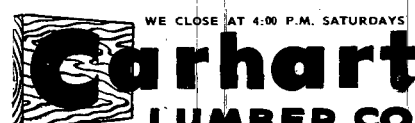

TURF BUILDER (5,000 sq. ft.) Reg. \$5.45	\$ 4⁹⁵
TURF BUILDER (10,000 sq. ft.) Reg. \$9.95	8⁹⁵

4-H Club News

Wranglers
Wranglers 4-H Club met Feb. 5 in the Allen Club room. Seventeen members were present. Discussion was held on a new date for the dance but no definite decision was reached. The public speaking contest and the point system were discussed and it was decided to renew for the year. Next meeting will be Mar. 10. Sharon Nobbe, reporter.

HI-Raters
HI-Raters 4-H Club had a skating party at Wakefield Feb. 12. Mar. 10 meeting will be with Perry Backstrom. Lila Mann, reporter.

Wednesday Workers
Wednesday Workers held a meeting Feb. 17 to reorganize. Officers elected were Kathy Draghu, president; Debbie Dahl, vice president; Connie Helkes, secretary; Barb Munter, treasurer, and Karen Woodward, reporter. Leaders are Mrs. Marvin Muller, Mrs. Marvin Draghu and Mrs. Dean Dahlgren. Projects are cooking, sewing, gardening and photography. Lunch was served by Mrs. Muller, Karen Woodward, reporter.

When George P. Shultz was sworn in as President Nixon's Secretary of Labor, he became only the eleventh Secretary in the Department's 55-year history.

Merit Exams for Seniors

Examinations for all types of clerical positions with the Nebraska Department of Public Welfare, Department of Health, Division of Employment, Civil Defense Agencies, Office on Aging and Comprehensive Health Planning will be given in approximately 50 Nebraska cities on Saturday, Mar. 29, 1969. It was announced today by James T. Edington, Nebraska Merit System Director. Local high school seniors who will be seeking employment in the clerical fields may find the March 29th Statewide Merit System examinations of importance to them. Positions as Typist, Clerk and Stenographer Clerk I are open to high school graduates with a background in appropriate commercial courses. Those interested in permanent employment in the above public service agencies upon graduation this spring should make application to take the test at the center located nearest to them. Commercial and Guidance Departments of all high schools have information regarding these tests. All others interested in these

and other clerical positions should also apply to take the qualifying examinations at this time while they are given in centers near their place of residence. These tests are given every Wednesday morning in the State Capitol, but only two or three times a year in out-State centers. In order to qualify for the tests on March 29, applications must be postmarked by midnight of March 10, 1969. Applications received after this closing date will be processed and scheduled for a future examination period. Announcements listing the specific positions for which applications will be received should be posted on your local post office and library bulletin boards, with copies also in the hands of local high school commercial teachers and guidance counselors, or you may request a copy of the announcement directly from the Merit System Office, 11th Floor, State Capitol, Lincoln, Nebr. 68509. Applications and information

may also be obtained at any County Welfare Office or local office of the Division of Employment.

Taxpayers Usually Have to Wait 5, 6 Weeks for Refunds
If a tax return is properly made out, it usually takes five to six weeks to issue a refund, Richard Vinal, IRS district director for Nebraska, said last week. He advised taxpayers who do not receive their refunds within this period to wait at least ten weeks before writing about them. To write earlier may delay processing, he said. To avoid refund delays, Vinal said, taxpayers should be sure their return is accurate and complete. They should check to see if the return is signed (two signatures if a joint return), all W-2 forms are attached and the social security number shown on the name label is correct. If you do not have a name label, or use the card form 1040-A, double check your social security number to make sure it's accurate.

CARROLL NEWS

Mrs. Forrest Nettleton — Phone 585-4833

Sunday luncheon guests in the John Bowers home in honor of Peggy's eleventh birthday were Mr. and Mrs. Tom Bowers, Mr. and Mrs. Don Harmeler and family and Mr. and Mrs. Herb Willis and family of Winslow.

Guests Feb. 17 in the John Bowers home in honor of their 12th wedding anniversary were Mr. and Mrs. Tom Bowers, Mr. and Mrs. Herb Willis and family, Mr. and Mrs. Don Harmeler and family.

Lyle Cunningham, Merlyn Jenkins, Ron Stanfield, Jim, Bob and Jerry Fredrickson attended a well and plumbing meeting at Lincoln last Thursday.

Mr. and Mrs. Ellery Pearson returned Friday. They attended funeral services Wednesday for Mrs. Jessie Pearson, Orleans, Neb. Mrs. Pearson was visited Mr. and Mrs. Roy Freed, Holdrege.

Sunday supper guests in the Jerry Arduser home, Randolph, in honor of Gene's seventh birthday were Mr. and Mrs. Clifford Rhode.

Society -

Ladies Aid Meets

St. Paul's Lutheran Ladies Aid met Wednesday at the church with 12 members and a guest, Mrs. Hilbert, present. Mrs. Leonard Hecke was hostess. Rev. Hilbert led devotions and conducted a Bible quiz. Mrs. Ed Fork accompanied group singing. Mrs. Leonard Hecke presided. Mrs. Harry Hoefelt, Mrs. Gilmore Sals and Mrs. Leonard Hecke attended an I.W.M.I. workshop Feb. 4 at Sioux City, Mrs. Hecke gave a report on that meeting. A thank you note was read from Allan Cook for the Christmas gift he received in Vietnam. The birthday song honored Mrs. Hilbert. They made plans to do painting and work this week at the church. Summer Employment Available Area Youth

To Train in Kansas

Applications for summer employment with the Department of Interior and the U.S. Forest Service for high school seniors participating university study in a natural resource field are due March 20.

Applications are being taken by the Nebraska Division of the Isaac Walton League, according to Professor Howard L. Wiegner of the University of Nebraska.

The applicants are selected by a special committee set up by the League and the government agencies.

The top three selected will be candidates for employment by the Federal agencies.

Two others selected will be eligible for summer employment with the State Game Commission.

All applications must be mailed to Wiegner, c/o College of Agriculture and Home Economics, Lincoln, Nebraska 68503.

College students are being brought to the front lines of the war on poverty through a Department of Labor program called SAGE (Starting a Generation Alliance). During the next year, volunteer students will help locate, counsel, test and coach the disadvantaged jobless in eight U.S. cities.

BLOOMFIELD, NEBR. - CLARK MILLS

From Ford the Wagonmaster...

Ford's Country Squire has Better Ideas where some wagons don't even have ideas. Ford's new "Front Room" features instruments grouped together cockpit fashion for the driver and extra leg and knee room for his passengers. Top-of-the-line interiors like those in our luxury LTD's. Distinctive paneling, hidden headlamps and a 302 CID V-8, all standard. You also get Ford's exclusive one-two-three doorgate that: (1) swings down for cargo; (2) swings out for passengers, and (3) offers you extra convenience because it opens like a door with the window down or up. Drive the Country Squire soon. See why Ford is America's best-selling wagon. Again.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Eying One's Etiquette

Though ancient man's etiquette is left to our imagination for the most part, we can guess his manners were few. There may have been such a scarcity of food that when the average caveman did get it, he was likely so hungry that he cared little about the manner in which he ate it. It is highly probable that members of the family just squatted on the ground somewhere near the fire with food grabbed by the hands.

After crude tools and weapons were made, times got better in that man learned to plant crops. As food became more abundant the cave dwellers had more time to sit around and enjoy a meal.

Tables were invented as well as stools to sit upon. Finally eating ceased being a selfish thing. Where one sat at the table and the manner in which one ate became subject to rules.

As the desire to eat "nicely" developed, people began "setting" their tables with those utensils available. Tablecloths were used as early as in the days of Rome while napkins were practically unknown before the 17th century.

It is said that during the Middle Ages it was fashionable to give babies silver spoons for christening presents. Cousins were required to carry their own spoons to feasts. Those who had been given a beautiful silver spoon were considered fortunate. In fact, possession of a silver spoon entitled one to sit at the high table with the lord and lady of the castle. People less fortunate who had only wooden spoons had the least desirable places to sit while dining.

Thus, "being born with a silver spoon in your mouth" had plenty of meaning.

Now that modern man has made great strides in progress, it is a mark of distinction to have one's own patio, open fire, and to eat tasty delicacies once again out-of-doors. If it is by dogs, hamburgers, carrots, or celery, by all means use your fingers. If criticized for your actions, remind your critic that it is just the "caveman" coming out in you after all, precedent was set by your ancient forefathers.

As man made "progress" he left sitting by an open fire and moved into the refinement of an elegant dining room, only to return to the open fire on his patio. Man is determined he likes eating by a fire out-of-doors!

Another development that has taken the complete circle of "progress" is the item of clothing. Man first moved to the fig leaf and then on to the finest of clothing. However, "modes" have reverted to nothingness causing many to wonder if it will ever be popular for Hollywood to wear clothes again. A new morality? It was "new" when the caveman sat by his open fire. I guess we could say he was both rude and nude. Has man really advanced much in all these centuries? Perhaps our etiquette is more advanced? — MMW.

Good Game to Play

Our bodies and minds are plastic like clay, malleable like iron, ductile like gold. We can make of them what we will. We are all artists with a world filled with glorious colors. Our models we may find everywhere.

We are constantly changing. Change is the only constant thing we have. We are becoming either better or worse. We are becoming stronger or weaker. We are doing better work today than we ever did — or poorer. We never remain stationary. We must progress or recede. We have no choice. That is the law.

The food and drink we put into our bodies constantly change them. Whatever we put into our stomachs later works itself into our blood.

bone and brain. When we eat nourishing, wholesome, strengthening food we cannot fail to build bodies composed of strength and symmetry.

The magazines we read, the books we buy, the people with whom we associate, the movies we see, the music we hear — all these things furnish food to our minds. The person who associates with inspirational, helpful, successful, high-minded, clear-souled people will become like them.

They serve both as models and as colors. As the dyer's hand is tinted by the colors in which he works, so are our lives colored by our associates — by the sensations we receive, by the messages which come to our minds through our eyes, our ears, our sense of touch and taste and smell.

It is a good game to play, this one of painting masterpieces. In every face is found more than a Raphael can carry away on a canvas. But whether the message of the face is one that inspires greater faith and hope and love and courage, or whether the message be of hate and fear and cowardice and meanness, that depends on the colors we have used and the models we have chosen.

Are the men we associate with socially the sort we would choose for companions for our daughters? Would we point to our business friends and proclaim them models which our sons should emulate?

And what are our associates thinking about us when we ask themselves those questions? — MMW.

An Athlete's Prayer

It is district tournament time for basketball athletes throughout the area. Crowds will cheer, hearts will pump faster, and the players themselves will be doing their best to bring a victory and trophy home for the school they represent.

Good sportsmanship must be the code of every court. The self-control, attitude and self-discipline one learns in competition of high school athletics may well be the modus operandi throughout a lifetime.

Following is a prayer most every good sport might use:

"Dear God: Help me to be a sport in this little game of life. I don't ask for any easy life in the line-up; play me anywhere you need me. I only ask for the stuff to give you one hundred per cent of what I've got. If all the hard drives seem to come my way, I thank you for the commitment. Help me to remember that you won't ever let anything come my way that you and I can't handle together.

"And help me to take the bad breaks as part of the game. Help me to understand that the game is full of knots and nocks and trouble, and make me thankful for them. Help me to get so that the harder they come the better I like it. And, O God, help me always to play on the square.

"No matter what the other players do, help me to come clean. Help me to study and think a lot about the Greatest Player that ever lived, and other great players. If they found out that the best part of the game was helping other guys who were out of luck, help me to find it out, too. Help me to be a regular fellow with the other players."

Author of the above prayer is not known but so many have appreciated it that it is being passed on.

So whether you are a spectator or participant in a basketball tournament this week, or maybe you're having a tough time of it in the game of life, remember the importance of being a good sport, for many are in the game with you. — MMW.

Capital News

'The Old Order Changeth' Almost Daily at Lincoln

LINCOLN — There is an ancient poem which contains these lines:

"The old order changeth,
Yielding place to new..."

That's what was happening at the Statehouse last week. Changes seemed to be coming daily.

The week began with Dr. Lynn W. Thompson informing the State Health Board he was resigning as state health director. The resignation was promptly accepted and a search was launched for a successor.

Then a resignation submitted four months ago by John R. Carson, director of the comprehensive health planning agency, was accepted by Gov. Norbert T. Tiemann, who immediately named former Sen. Calista Cooper Hughes of Humboldt to succeed him.

Before the dust settled on that change, the State Motor Vehicle Dealers License Board fired E.J. Freese, its secretary the past eight years. No successor was immediately in sight of that post.

Then, Harold W. Rogers delivered his resignation as State Welfare Director to Tiemann, who had Robert McManus walking in the wings, ready to take over as acting director.

This action followed a week in which revamping was done in the Motor Vehicles Department and crises were raised for the resignation of Director Emmett Dennis, Jr. Tiemann, however, has stuck by Dennis and insisted no change is contemplated. Welfare Costs to be Studied

McManus was transferred to the interim job at the welfare department from his post as deputy director of the Department of Administrative Services (DAS).

He is a 54-year-old former businessman and management specialist who was assigned by the governor to put the department on order.

His first day on the job, McManus announced he was going to take "a hard look at all costs of operation in every facet of the department to ensure the state is getting the maximum utilization of the money it spends."

McManus, while he was still in DAS, was among the governor's advisors during the preparation of Tiemann's executive budget recommendation. That budget suggests an appropriation of state money to the welfare department that is \$32 million less than the total the department had requested originally.

The Legislature's Budget Committee is expected to ask McManus in for a review of the department budget. Several committee members were reported dissatisfied with the presentation made during earlier public hearings on the request.

Because he lacks the statutory requirements to be given a full appointment as director and because there have been some questions raised about the legality of naming an acting director, McManus' status was unclear.

But Tiemann said he was determined McManus would remain on the job, even if he has to operate as a representative from DAS, rather than as an official of the welfare department. A problem developed about a director's signature on papers, the governor said, someone from the department could be authorized to sign; but McManus would continue in the driver's seat.

To Return to Private Practice

The retiring health director, Dr. Thompson, said he wanted to return to private practice. He said he had been considering resigning for several months.

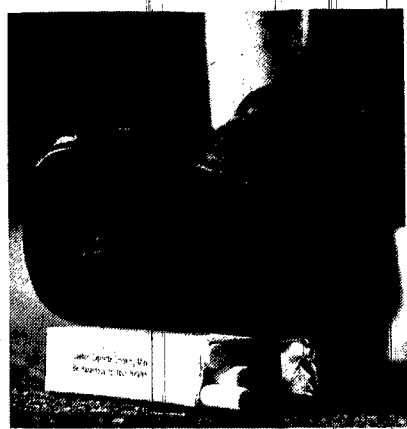

It developed, however, his decision would have been hurried along by the health board if Thompson hadn't acted voluntarily last week.

If there was any one key to the situation, it was Thompson's continued stand that the transfer of the comprehensive health planning agency from the health department to the governor's office was a mistake. Tiemann made the transfer last October because, he said, it administered funds for health projects in many departments and needed a broader base for its operations.

Officials maintained there was no connection between Thompson's resignation and Carson's departure as director of the planning agency.

Carson, however, had stated flatly in his resignation letter that a week before Tiemann ordered the transfer — that he felt the planning function should be moved. He said his position had caused some friction and he felt it would be better for the program if he resigned.

Tiemann decided to keep Carson on the job until a successor could be found. When Mrs. Hughes, who was defeated last fall in a bid for a second four-

If you give up cigarettes, you might gain a few pounds.

(And also a few years.)

The plain, unfiltered fact is that people who smoke cigarettes get lung cancer a lot more frequently than nonsmokers.

And lung cancer can finish you before your time. We'd rather have you stay alive and in good health.

Because even if you do gain a few pounds, you'll have the time to take them off.

County Agent's Column

by Harold Ingalls

Information on the availability of Nebraska Certified Seed for the 1969 growing season is now available in a new Nebraska Crop Improvement Association publication, called the 1968 Growers Directory for 1969 Planting.

The booklet gives brief descriptions of available varieties of alfalfa, spring barley, crownvetch, field beans, grass, hybrid corn, millet, spring oats, grain sorghum, forage sorghum, soybeans, sudangrass, soybeans and turfgrowth sod. Growers, their addresses and acreage are also listed.

A separate section is devoted to closed-pollinated corn and sorghum hybrids inspected by the Nebraska Crop Improvement Association.

The booklet lists the Approved Seed Processor in Nebraska, available Foundation seed varieties and a district cropping chart suggesting varieties considered to be among the best available for production in 1969.

Copies of the Directory may be obtained at no charge at local County Extension Offices or from the Nebraska Crop Improvement Association, East Campus, University of Nebraska, Lincoln, Nebr. 68503.

Test Results Now Available

Results of 1968 Nebraska corn performance tests are now available in the new Outstate Testing Circular 132, published by the University of Nebraska Agricultural Experiment Station.

This bulletin lists the brand names and hybrid designations of each variety studied. It also includes tables summarizing

yield and other data about the entries.

The circular contains tables summarizing data in each zone as well as certain data concerning individual experiments. It also reports the two-, three-, four- and five-year average performances of hybrids.

Sixteen trials were planted in 1968. Hybrids are tested and results are summarized on a zone basis. Approximate growing season length was used as a basis for the zones. Areas are approximate and local soil and other conditions as well as management must be considered in evaluating hybrid performance.

Tests included two classes of entries:

1. Experiment Station open-pollinated and experimental hybrids, and

2. Hybrids entered by producers under their brand name and number designations. These included commercially available and experimental combinations. Seed for planting commercially available hybrids has been obtained from seed lots offered for sale. Seed of experimental hybrids was

from limited production or hand-pollinated sources.

These tests are conducted to provide yield and other information about some of the corn hybrids being offered for sale in Nebraska. The entry of a hybrid in a trial does not necessarily imply recommendation for that particular region. Several open-pollinated hybrids either later or earlier than recommended were included in some tests to provide information about maturity and yield performance. These tests include only a portion of the hybrid numbers offered for sale in Nebraska. Many producers do not have entries in these trials. Selection of hybrids was made by seed producers. Each was limited to six hybrids in each testing zone. Copies are available at County Extension Offices.

Northeast Extension Notes

by Myrtle Anderson

Milk Consumption Down

Milk consumption is on the decline. This might be one reason why food consumption surveys reveal that American diets were poorer in 1965 than in 1955. Calcium was among the nutrients most often found to be below recommended dietary allowances.

Use of fresh whole milk, cream and evaporated whole milk had declined in the 10-year period. Consumption of fresh skimmed

milk and non-fat dry milk had increased. Total milk consumption in 1965 was only 80 per cent of that in 1955.

Responses from the pilot survey indicated greatest use of low-fat milk, especially dry milk. In households where the person responsible for food preparation was under 30 years of age, it was concluded that young adults were willing to accept new forms of milk more readily than older persons. Convenience and economy were reasons given for using non-fat dry milk. Dry milk was used more for cooking and baking than as a beverage.

Education concerning the nutritional value and health benefits of milk and milk products may be an important factor in increasing consumption of milk and thus improving American diets.

National Livestock Conference Set For University of Nebraska March 7

Profits in the livestock industry will be the subject of a talk to be presented by Bill House of Cedar Vale, Kan., president of the American National Cattleman's Association, at the 21st annual National Livestock Conference set for Friday, Mar. 7, on the University of Nebraska campus.

House is a highly successful commercial and purebred hereford breeder and cattle feeder and will have some comments and advice regarding the current profit picture and outlook in the livestock industry.

Also on the program is Dr. Robert Bray, chairman of the Meat and Animal Science Department at the University of Wisconsin and director of the State Experiment Station. He will present a look at research accomplishments in the livestock industry, an area in which he holds national prominence.

The day-long event will begin

with a tour of the new \$1.7 million Marvel Baker Hall, an animal science office, laboratory and classroom complex in the school's East Campus. The tour will feature research demonstrations and a display of beef carcasses which will readily illustrate the recently adopted USDA carcass suitability grades.

Governor Norbert T. Tieman will open the program with welcoming remarks. Also scheduled are brief talks by J. D. Anderson and Harold Salisbury, presidents of the Omaha and Lincoln Chambers of Commerce, Richard Adkins, president of the NE Board of Regents, and Melvin Kuska, Fairmont, president of the Nebraska Livestock Feeders Association.

With the University celebrating its centennial this year, Dr. Mark Hobson, acting Chancellor of NE, will present a projected look ahead at the next 100 years during

the luncheon.

Robert B. McCreight, president of the Union Stock Yards Company of Omaha, will cap the speaking program at 1 p.m. with a discussion of the importance of Nebraska's livestock industry in the total economy.

A large turnout is expected for the Conference which is being held at Lincoln this year in conjunction with the University's centennial and the dedication of Marvel Baker Hall. Cooperating sponsors are the University of Nebraska and the Omaha and Lincoln Chambers of Commerce.

Few Takers for VA Agricultural Program

A GI assistance program for agricultural workers has had very few takers in Nebraska, according to C. W. Nixon, manager, VA Regional Office in Lincoln.

Nixon said rules on institutional agricultural training for veterans have been liberalized in hope that more eligible veterans will apply. Under a law

that became effective Dec. 1, part-time training in a farm cooperative program now qualifies veterans for educational assistance, he said.

Under the old rules a minimum of 12 clock hours of classroom work a week was needed to qualify. Nixon expressed hope that the change will attract enough applicants to make it worthwhile for one or more schools in the state to set up agricultural classes.

Qualified veterans taking full-time farm cooperative training receive \$105 a month if they are single, \$125 if they have one dependent, \$145 with two dependents and \$7 more for each additional dependent. Single part-time students—those taking six to eight hours a week—receive \$50 a month and those taking three-quarters-time programs—nine to eleven hours—receive \$75. Part-time students with dependents receive proportionate increases.

Nixon said that those with at least 18 months service after Jan. 31, 1945, who have satisfied their military service obligation, are

entitled to 36 months of full-time VA educational assistance. The formula for computing the entitlement of others is one and a half months of assistance for each month of service, up to a maximum of 36 months.

VA assistance is extended for many types of educational programs including college, high school, cooperative training and correspondence course, as well as for farm cooperative, flight and apprenticeship or other on-the-job training, he said.

Full information on all VA benefits may be obtained from the Lincoln Regional Office or from local County Service Officers.

To Organize Soybean Group at Fremont

Wayne area farmers who have grown or who have considered growing soybeans may want to attend the organization of a state soybean association to be held in Fremont on March 6.

The group would have a mini-

FENCE POST FROSTING Afternoon shadows, and snow in Carroll Snow during this 1968-69 pasted on the snow by winter sunshine, assist a winter has closed roads but simultaneously opened this log fence in framing a wonderland of wood a pictorial album of natural beauty.

The Wayne (Nebr.) Herald, Thursday, February 27, 1969

177,000 acres to soybean production, yielding 3,011,000 bushels.

The value of Nebraska's soybean crop in 1967 was \$42,932,000. In 1968, Nebraska estimates are for 829,000 acres of soybeans to be harvested with a total production of 18,283,000 bushels.

Wagner pointed out that continued expansion of soybean production, coupled with development of healthy markets, "would be good for the state."

He noted that Nebraska is among the top three states in per acre yield, with the crop being produced on land which is not as expensive as in Iowa and Illinois. "All these factors underline the fact that we (Nebraska) should have a soybean organization," the Cedar county farmer-businessman said. He urged all soybean growers, large or small, to attend the meeting at Fremont and help put the organization effort over the top.

The Fremont meeting follows earlier meetings in November and December, 1968, where it was ascertained that sufficient interests existed to push ahead on plans for a state organization. A steering committee was formed, headed by seedsman and soybean producer Bob Wagner of Hartington.

In 1967 the District Wayne is in, which includes Wayne, Cedar, Dakota, Dixon, Knox, Pierce and Thurston Counties, devoted

drought damaged corn; Roughage levels for fattening steers (including no roughage); and

Performance of swine in different types of buildings. A special interest item will be a panel discussion on the topic, "Should I Consider Irrigation?"

The Board of Directors of the Association will meet in the morning and the public meeting will begin at 1 p.m.

The Northeast Nebraska Experimental Farm Association was organized in 1954 to establish an experiment station in Northeast Nebraska. The Northeast Station was established in 1957.

The Association's annual meeting has been held at various locations throughout the area served.

Business Notes

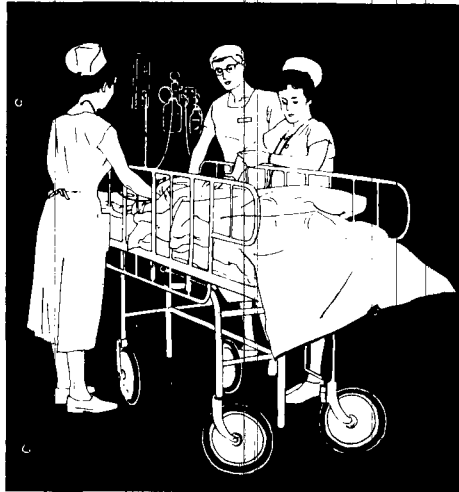

William J. Norvell, general agent in Laurel for the Ohio National Life Insurance Company, has been appointed to the company's Field Advisory Board.

The board is a group composed of seven outstanding general agents who meet several times a year to analyze, discuss and pass on to Home Office officials, suggestions and recommendations made by members of the company's national sales organization.

The Norvell Agency was among the company's top ten agencies in sales of new life insurance in 1968.

Blue Cross and Blue Shield

Bank Depositors Plan

Could You Afford \$1,859⁹⁵ in Hospital and Medical Charges?

One Nebraskan who recently enrolled in the Blue Cross and Blue Shield bank depositors program through his local bank was involved in an accident a few months later. He was taken to the hospital with a crushed chest.

His hospital and doctor bills amounted to \$1,859.95. Blue Cross and Blue Shield paid these charges in full through the bank depositors program.

This is not an unusual case. Blue Cross and Blue Shield has paid hospital and medical charges amounting to as much as \$36,000.00 for a single individual.

Accidents do happen. They happen at any time—and to anyone. Could you afford hospital and medical charges like these?

Today almost everyone can obtain Blue Cross and Blue Shield protection through the bank depositors program at low group rates and savings of up to 30%. This is genuine Blue Cross and Blue Shield coverage—unlike ordinary health and accident insurance, which often pays only limited benefits. Blue Cross and Blue Shield is designed to pay 90% or more of all hospital and medical charges.

A group of trained Blue Cross and Blue Shield health care specialists is now here to explain this bank depositors program. Visit your bank today—get the details on this unusual opportunity to obtain Blue Cross and Blue Shield protection at low cost through your bank.
