

SWAY Draws 12 Names

After a period of three weeks, when there were no drawings due to bad weather, SWAY Inc. met at the Vet's Club in Wayne Monday evening and drew the names of twelve servicemen. Twelve Wayne businessmen participated in the drawing.

During the months of December and January SWAY drawings were held at Winside.

Following are the military men who will soon receive a \$10 check and a letter of appreciation from Servicemen We Appreciate You as a result of the drawing: Darrell Macklin, son of Mr. and Mrs. W.A. Macklin, Carroll, Stephen Stalling, son of Mr. and Mrs. Emil Stalling, Wakefield, who is stationed at Fort Belvoir, Va.; Nell E. Rohrke, son of Mr. and Mrs. Fred Rohrke, Wayne; Dennis L. Stoltenberg, Carroll; Dean A. Jaeger, Winside; Donald L. Meyer, son of Mr. and Mrs. DeLloyd Meyer, Pender, who is now in Lackland AFB, Texas; Donald M. Fredrickson, Wayne; Carl H. Matson, son of Dr. and Mrs. Roy Matson, Wayne; Bryce C. Lindsay, son of Mr. and Mrs. Frank Lindsay, Wayne, has served one year in Vietnam and is now based in Germany; George Phillip Sherry, son of Mr. and Mrs. Dan Sherry, Wayne; Loy W. Marotz who has been commissioned a Second Lieutenant in the U.S. Army following completion of a 23 week course in Officer Candidate school at Fort Benning, Ga. He is presently stationed at Fort Benning as a tactical officer with the 8th Battalion TCB, USMC program; and Edgarr Baird, son of Mrs. Henrietta Baird.

SWAY's letters and checks are sent weekly to servicemen who entered the armed forces while residents of Wayne County or through the local selective service board.

Wayne Jaycees Will Attend Area Meeting

At least four members of the Wayne chapter of the Junior Chamber of Commerce will attend the Area 3 Jaycees meeting in Norfolk Sunday. Planning to attend from Wayne are Wes Winggett, Jerry Bose, Dick Hammer and Roger Nelson.

The all-day meeting will include SPOKE, Spark Plug and Speak Up competition for individual members. A problem solving seminar will be held in the morning and election of three Jaycee state vice presidents to serve Area 3 in the afternoon.

Featured speaker will be State Jaycee President Frank Smith of Papillion, the elected head of 7,000 Jaycees in 94 communities in the state.

The Jaycees is an organization of young men from 21 to 35 devoted to leadership training through community development.

Area 3 in the organization includes 21 towns in the north-eastern portion of the state.

Snow's Benefits Outweigh Costs, SCS Office Says

While severe winter conditions have caused considerable problems and snow removal expenses, the benefits to the farmer for next year's crops are high, according to William Yost of the Soil Conservation Service at Wakefield.

SCS personnel at Wakefield recently removed a cubic foot of snow from the ground and melted it to determine water content. Two gallons of water were melted from one cubic foot of snow. Assuming that the snow on one acre of land were 12 inches deep, this would mean there were approximately 87,000 gallons of water on this one acre, Yost reports. Expressed differently, this is equivalent to a four inch rain.

The fortunate part about the snow moisture, says Yost, is that this year most of the snow melt is soaking into the soil, making it available for next year's crop. It is worth noting that one inch of water per acre will produce five bushels of corn. This moisture also contains certain amounts of nitrogen, taken from the earth's atmosphere, which is a definite benefit to the farmer for plant growth, according to Yost.

So the next time you begin to complain when scooping a sidewalk, or removing snow from the farmyards or when you get stuck in the snow or mud, think about the value of all this moisture for next year's pasture, corn, beans or alfalfa crop, Yost concludes.

Institute for Rural Teachers

A Wayne County Rural Teachers Institute will be held Mar. 12 in the County court room beginning at 8:30 a.m., according to Mrs. Gladys Porter, Superintendent of County Schools.

A three hour Science Workshop is scheduled for the morning session. Demonstrations in reading, science and art complement the afternoon schedule.

Mrs. Edith Cook, president of the local teacher's association, will have charge of the meeting at 3 p.m. There will be an election of officers.

Irene Hamilton and her committee will serve coffee during the morning sessions. Lunch committee members are Morris Jacobsen, Ila Noyes, Darrel Grothe, Helen Swanson, Judy Hall, Marti Blehen and Richard Bleker.

Waterbury Native Fraternity Initiate

Wayne Rasmussen, son of Mr. and Mrs. Clifford Rasmussen of Waterbury, has been initiated into Alpha Gamma Rho, social professional fraternity at the University of Nebraska.

An active member of the East Union Campus Life Committee and ASAE, he is majoring in agricultural engineering.

Winter Band Concert Sunday Afternoon at Wayne High School

The Wayne High School concert band, under the direction of Donald Schumacher, will present a winter concert Sunday afternoon at 2:30 in the High School lecture hall.

The 84-member band will play a variety of music, including such selections as "Concerto Gross in D Minor" by Vivaldi, "Finale from Symphony No. 1" by Borodin, "Fretschitz Quake-step" by Graffula, "Symphonic Dance No. 2" by Williams and highlights from the musical "I Do I Do" by Jones and Schmidt.

The music boozers will serve coffee and cookies following the program. Proceeds from the free concert will be put in the band uniform fund.

March 18 Next Meet Of Historical Group

Next meeting of the Dixon County Historical Society will be Tuesday, Mar. 18, at the museum in Allen. Mr. and Mrs. Rubel Hutchings will show slides of their trip to Europe at the meeting.

New officers of the group, elected at the recent annual meeting, include Adelin Hreslin of Newcastle, chairman; Vern Jones of Allen, vice-chairman; Mrs. Mabel Wheeler of Allen, secretary, and Mrs. DeAnna Emory of Allen, treasurer. Richard Roberts of Allen was elected to the board of directors for a three-year term.

Paper Drive Is Saturday

Boy Scouts in Wayne will conduct another of their city-wide newspaper drives Saturday.

Residents who have been saving their old newspapers for the Scouts should put them on their front lawn Friday night or early Saturday morning so they can be picked up. The papers should be weighted so they do not blow away.

The Scouts, who conduct the paper drives periodically, are paid for each ton of newspaper they collect. The money is used to finance their various projects and outings.

Drives are also being conducted Saturday morning in Winside, Wakefield and Laurel.

Allen Cub Scouts Learn About NORAD

Dan Titze of Northwestern Bell, former Wayne resident now living in South Sioux City and a telephone representative from Fremont presented a program on NORAD during the recent annual Blue and Gold Banquet of Allen's Cub Scout Pack 199.

Included in the program was a film about NORAD and a direct hookup to the NORAD station in Colorado.

Awards given during the evening included Webelos Craftsman to Bob Burgess and Richard Davenport. Receiving one Silver Arrow under the Wolf were Tod Ellis, Kenneth Ellis and Gary Brownell. Darwin Kluever and Nick Mitchell passed their Bobcat tests and received the Bobcat pin. Darwin Kluever received a recruiter's strip and Steven Shortt a service pin.

Held in the First Lutheran Church, the banquet had "Communication" as its theme for decorations. Telephone lines were made by the Webelos and all the boys of the pack made suit telephone men of telephone wire to man the poles. About 60 Cub Scouts and their families attended the affair.

Farm and Home Show Planned

Wayne retailers will sponsor a Farm and Home Show March 26 and 27 in the city auditorium, according to Larry King, chairman of the Farm and Home Show planning committee.

Business firms will have display booths exhibiting the latest in their line of sales. Plans are being made for drawings and prizes for lucky winners.

The procedure for cash night on the 27th will be the same as usual with the winning name read also at the Home Show.

There will not be any charge made to the public for admission.

Girl Scouts Mark 57th Anniversary

One hundred Wayne Girl Scouts will join thousands of other Girl Scouts of the U.S.A. in observing their 57th birthday on Mar. 12, during National Girl Scout Week, Mar. 8-15.

Founded in 1912 in Savannah, Ga., American Girl Scouting has grown up with the nation. Theme of the organization for the years 1966-69, "Values to Hold, Worlds to Explore," represents values held constant for almost 60 years.

There are approximately 3.5 million members in the Girl Scout program in the U.S.

Locally, Brownie Troop No. 190 under the leadership of Mrs. Andrew Manes and Mrs. Jim Pokett, are preparing trays for the hospital to be used St. Patrick's Day. Brownie Troop No. 304 is led by Mrs. Dean Hendricks and Mrs. Steve Erasmich.

Junior Troop No. 191 is directed by Mrs. Linnie Pfeiffer. The girls heard Mrs. Manjit Johar speak concerning her native land of India in February during the observance of International Friendship month.

Wayne's Junior Troop No. 257 is headed by Mrs. Ed Wolske and Mrs. Ronald Neel. They recently heard Eghon Guzman Bustamante, a Mexican Field Service student in Wayne, speak of his homeland in Chile.

Mrs. Max Landstrom guides the program of Cadettes No. 145. The girls helped make posters for the clothing drive to assist flood victims in southern California.

Wayne Girl Scout's senior Troop No. 260 has just been newly formed this winter and is led by Mrs. Mavis Sip. The senior scouts are giving help to the younger scouts and presented a "Thinking Day" program Feb. See GIRL SCOUTS, page 6.

BACK IN WAYNE, Wayne County's Servicemen We Appreciate You organization is again holding its drawings in Wayne. There were no SWAY drawings in January or February because of the bad weather. Drawing Monday night were (from left) Larry DeForge, Kent Hall, Les Dooscher, Ray Richards, Keith Jech and Chris Bergholtz. Also drawing during the evening were Willis Johnson, W. E. Ellis, Ray Nelson, John Barr Jr., Dick Wacker and Harold West.

To Heck with Winter, We're Going Swimming'

Although it's still winter, Boy Scouts of the Lewis and Clark District are going swimming Sunday afternoon. The occasion is the district Swim-O-Race scheduled from 2 to 5 p.m. in the Wayne State pool.

District Activities Chairman Rowan Wiltsie said the program includes a brief session on water safety, followed by instruction and testing in both first class and merit badge swimming—then a free-swim period for fun.

The Swim-O-Race is expected to attract a hundred or so boys from numerous troops in the five-county district.

Plans for a district campout last weekend took another blow from the weather. Because of a warm spell, mud conditions prevented having the event at Camp Kiwanis near Norfolk. But two troops—175 of Wayne and the Winside troop—camped anyway at the Wayne Scout Park. Leaders and boys report a "most successful" camp in spite of warm weather, a bit of rain and a lot of mud. The fine food, they said, made up for the less desirable conditions.

Earlier a severe snowstorm postponed the original campout date.

State Tax Officer In Wayne Monthly

Beginning Wednesday, March 19, a representative of the State Tax Commissioner's Office will be in Wayne monthly to help area residents and businessmen with any problems of questions they may have concerning state taxes, reporting forms or records.

Jim Cleveland, field representative, will be in the Wayne Chamber of Commerce office from 9 a.m. to 3 p.m. every third Wednesday of each month and will be available for questioning or consultations. He suggests that reporting forms or records which pertain to your problems be brought with you when you consult him.

This plan is presently in the experimental stage and will probably be expanded over the state if it proves successful.

Cautions Grocers About Accepting 'Food Stamps'

Retail and wholesale food dealers in Wayne County have been cautioned not to accept food stamp coupons unless authorized to do so by the U. S. Department of Agriculture.

The warning comes from George Williams, officer-in-charge of USDA's consumer and Marketing Service food programs office in Norfolk.

Wayne County is almost surrounded by counties with the food stamp program now in effect. Only county bordering it not in the program is Thurston.

The food stamp program will not go into effect in Wayne County until early in April, according to Mrs. Ethel Martelle, Wayne County welfare director. A meeting is planned for Wednesday, Mar. 12, in the Wayne Chamber of Commerce office, to explain the program to all grocers in the county.

Williams said Tuesday that unauthorized acceptance of food stamp coupons by a food dealer could mean a financial loss equivalent to the total amount of the coupons accepted.

A Consumer and Marketing Service representative will continue FOOD STAMPS, page 6.

Open Bids for New St. Mary's Church At Friday Meeting

Once Construction Company of Wayne was the apparent low bidder for the general construction phase of the proposed new St. Mary's Catholic Church in Wayne.

Bids were opened at a general parish meeting Friday night.

The bids on the mechanical and electrical phases of the construction ran considerably higher than preliminary estimates, according to one member of the parish, and consequently it has not been decided whether to go ahead with construction of the new church. Dan Sherry, building committee chairman for the parish, had hoped the bids for all three phases of construction would be about \$150,000.

Another general parish meeting will be held later in March and parish members hope their architect will be able to obtain several more bids on the mechanical and electrical phases of construction.

The church would be built to the northwest of the present St. Mary's Catholic Church and would seat approximately 350 people. It would feature a full basement and be completely air conditioned.

In other business at the parish meeting a group of men were elected to serve as the new finance committee for the parish, the first time a group has been elected to oversee finances for the church.

On the committee are Joe Nuss, Pat Gross, Lee Foote, Lester From, Charles Denesla and Fred Weber.

Weather

Only a trace of precipitation has fallen thus far in the month of March and that was scattered traces of snow on Monday.

Norfolk weather bureau's five-day forecast issued early in the week advised that temperatures

	HI	LO
Feb. 27	34	29
Feb. 28	32	23
March 1	29	24
March 2	30	14
March 3	28	20

will average 4 to 8 degrees below normal. Normal high is 40, low 20 degrees. Temperatures will be below normal throughout the entire period.

Weathermen in Norfolk forecast about one quarter to one half inch of precipitation occurring between now and the end of the week.

1969 Feed Grain Program Deadline Is 2 Weeks Away

One Man in Two Mishaps Monday

Nandalism, larceny, and two auto wrecks make up the police report over the past week-end. Officers had a car towed in on Saturday. Sunday it was discovered that a hunk of ice had been thrown through the south door glass of the Gem Cafe.

Monday afternoon around 1:45 p.m. a 1966 Mercury driven by Carl Lage was stopped for the red light at 2nd and Main intersection. (Clinton Chase of Allen was driving his 1961 Ford and was turning right at 2nd and Main but did not turn sharply enough, according to the police report, and collided with the Lage auto doing an estimated \$134 worth of damage.

Approximately 25 minutes later Chase was involved in another accident as he was backing his 1961 Ford out of the fire station entrance and collided with a 1968 Chevrolet driven by Arnold Janke. Janke was backing out of a parking stall at the time on the north side of the street according to the police file.

Police received a report that six stereo tapes and a tape player worth a total of \$127.67 were stolen from Terry Flinch's car Monday. Flinch is a WSC student living at Moresly Hall.

Under the feed grain program, farmers may earn diversion and price-support payments as well as qualify for price-support loans on their corn, barley, grain sorghum and wheat crops.

In order to qualify for diversion payments, a farmer must leave idle at least 20 per cent of their feed grain base. They can divert up to 50 per cent of their base or 25 acres, whichever is the larger.

Price-support payments are paid on planted feed grains up to one-half of the feed grain base.

Mohr cautioned farmers who wish to take part in the programs to file their applications in the Wayne office as soon as they decide on their 1969 production plans.

Lack of Quorum Stalls Planners

The request by Cecil Wriedt for a zoning change in use for an area in the east end of the city was not acted upon formally during the regular meeting of the planning commission Monday night because of lack of a quorum.

The city planners, who were referred the request by the city council, will meet today (Thursday) at 7 a.m. at the L & M Cafe in order to act formally on the request so the city council will be able to make final decision at its meeting Tuesday evening.

Wriedt's request concerns an area presently zoned R2, multiple dwelling district, just south of Sixth St. about six blocks east of Main. The request is not for a zoning change but only for a use change.

Those planning commission members in attendance spent some time going over the Capital Improvement Program with Dick Wozniak, city planning consultant.

The group has nearly finished with the six-year guide for capital spending by the city and may be able to adopt the plan at the Thursday meeting.

It will then be given to the city council, which will review it and either adopt it or send it back to the planners for more work.

The planning commission meets every first Monday of each month at 7 p.m. above the fire hall.

Dixon Thieves Don't Bother with Money

John Young, gas station operator in Dixon, says he has come to doubt whether his years of work have been worth it—somebody recently broke into his station and didn't even bother to steal any money, tools or equipment.

Two young men got their car stuck in front of Young's station early one morning, broke the window on the station's door, backed out a Scout which was stored inside during the night, pulled out the car, put the Scout back, closed the door and locked it from the outside.

They didn't even bother with the few dollars Young always leaves in the open cash register. He leaves the cash register open so thieves won't have to break into it if they want to steal something.

A lady returning from working late in another town even saw the boys going about their work. She talked to them and they were very polite she later told Young.

Young just can't figure out why they didn't use his pickup, which was parked just a few feet from where their car was stuck and which had keys in it.

Up'n Coming

Class B district basketball finals at Norfolk Friday evening, March 7, 8 p.m.

School board meeting Monday evening, March 10, at 7:30 p.m. in the Wayne High School.

City council meeting Tuesday evening, March 11, at 7:30 p.m. in the Women's Club room in the city auditorium at 8 p.m. as a board of adjustment.

Wednesday, March 12, deadline for filing petitions to be included on school board or city council ballots.

SOMETHING NEW is about to be perpetrated by Wayne State College music students. "Perpetrated" seems to be the word, the way the sponsoring MENC members feel about their Mock Recital scheduled for 8 p.m. Thursday in Ramsey Theater. Their posters blazon such phrases as "mock school," "recital for pun," "new and now." MENC, a student club, promises fun, wit and

even some music from their variety show, which has a serious purpose—to raise funds of 50 cents a ticket. Student recitals at WSC usually are quite proper, but after this one, said one irreverent wag, "We'll have to expect it. Sebastian Bach." Making posters for the recital are Jane Goodmanson (left), Larry Marik and Joyce Koutceky.

Calling All Women For Day of Prayer

All women in the area are invited to join United Church Women of Wayne and the world in the World Day of Prayer celebrating "Growing Together in Christ". The meeting is sponsored by the Church Women United and will be held Mar. 7 at 2 p.m. at First United Methodist Church, Fellowship Hall, Wayne.

Special music will be presented to enhance the service. Officers in charge emphasize "Knowing that whatever the day brings, it will be faced in faith and not in fear, if we believe in prayer". They are urging all to join in the World Day of Prayer celebration.

R. Hammers to Mark Wedding Anniversary

Mr. and Mrs. Rudolph Hammer will celebrate their 45th wedding anniversary with a social evening, Wednesday, Mar. 26 at the Woman's Club room, Wayne.

No invitations have been sent and all friends and relatives of the couple are welcome to attend.

St. Mary's Guild Has Covered Dish Supper

St. Mary's Guild met for a covered dish supper Feb. 25 with 28 members present. Mrs. Don Goeden and Mrs. Jean Nuss were hostesses.

Members decided that money-making projects would be discussed at each Guild meeting if possible. Next meeting will be Mar. 25.

Zimmerman-Nielsen Plan June Wedding

Mr. and Mrs. Hugo J. Zimmerman, Wayne, announce the engagement of their daughter, Ann, to Stuart Nielsen, son of Mr. and Mrs. Ingvar Nielsen, North Platte.

Two Weeks in Japan 'Just Unbelievable'

"Those two weeks in Japan with my husband were just unbelievable, just absolutely wonderful" was the way Mrs. Joseph Wether (the former Barbara Wolke) described her recent visit with her husband in Japan.

(Pl. Joseph F. Wether) serving with the U.S. Army in Vietnam, received a leg wound Jan. 25 and was sent to a hospital in Japan. His wife, who resides in Wayne, was allowed to go to Japan to spend two weeks. She arrived in Japan Feb. 15 and returned to Wayne Mar. 8. She said she and her husband stayed in a small town about 20 or 30 miles from Tokyo. Pl. Wether was given passes from the hospital and they took numerous tours into the Japanese countryside.

Mrs. Wether said the Japanese people are very kind and charming and although no one spoke English in the town where they stayed they did not have much trouble communicating. According to Mrs. Wether, the stores in Tokyo are as modern as the ones here at home. The quaint Japanese living can only be glimpsed in trips into the countryside. Mrs. Wether had said the doctor had given Pl. Wether another 60-day extension to stay in Japan as he was still not able to return to duty. He believes that he will probably be sent back to Vietnam when he recovers from his wounds.

Mrs. Wether is the daughter of Mr. and Mrs. Ed Wolke, Wayne.

Patricia Hofeld Weds Robert Cook In Denver Rites

Patricia Ann Hofeld, daughter of Mrs. Lester C. Hofeld, Wayne, and Robert Erwin Cook, son of Mr. and Mrs. Clifford J. Cook, Rocky Ford, Colo., were married Feb. 28 at 8 p.m. at Christ Chapel, Augustana Lutheran Church, Denver. Rev. Martin B. Lingwall officiated at the double ring ceremony.

The bride wore an A-line dress of antique white satin with matching coat. Her shoulder length veil of sheer illusion fell from an arrangement of edelweiss, seed pearls and crystals. She carried a colonial bouquet of red roses.

Shirley Banister, Englewood, Colo., was matron of honor. She wore an A-line dress of green wool and carried a colonial bouquet of pale yellow roses. Herbert Banister, Englewood, was best man.

Following a wedding trip to Glenwood Springs and other ski resorts, the couple will reside in Denver.

CONVENTIONS TAKE PLANNING. Wayne Women's Club will host the District III Fine Arts convention March 21 and planning is necessary. The first preliminary planning meeting was held at the home of Mrs. Herman Slive Monday. Pictured above, seated left to right are Mrs. Slive, president of Wayne Women's Club; Mrs. Mathilde Harms, house chairman; Goldie Leonard, district secretary; and Mrs. Lester From, first vice president. On the floor, left to right, are Mrs. T. H. Stevenson, second vice president, and Mrs. Larry King, secretary.

Bridal Shower Held For Marjean Culton

A bridal shower, honoring Marjean Culton of Los Angeles, was held in the church parlors of St. John's Ev. Lutheran Church, Wakefield, Friday. Hostesses were Mrs. Verdel Land, Mrs. Elton Miller, Mrs. Paul Lessman, Mrs. Emil Miller, Mrs. Dale Lessman and Mrs. Marvin Nelson.

Mrs. Otto Sals and Mrs. Clayton Staling, Norfolk, and Mrs. Dale Erwin, Laurel, were among the 45 guests which included a number of schoolmates and teachers.

Mrs. Elton Miller registered the guests and was in charge of games. Former classmates of the Park Hill community, Mrs. Jim Allen (Betty Id. Walter), Mrs. Dale Erwin (Cleopatra Packer) and Mrs. Clayton Staling (Janice Nixon), assisted with gifts.

Decorations were in rose and white. Mrs. Thea Ed Culton poured. The cake was baked and decorated by Mrs. Gary Land, Wayne.

John C. Vellis, Los Angeles, fiancé of the honoree, spent the weekend in the Theon Culton home.

The wedding will be held in California in May.

NOTICE...

In the Marcia Ehlers-Steve Kerl wedding write-up, the name of Debl Armbruster, Lincoln, should have been included as the one who poured. Miss Armbruster was unable to come to the wedding at Wayne, however, due to inclement weather.

Most of our customers wear one when they leave our place. We don't change their lives, but we do make their shopping so much nicer. Our salespeople say hello, but they aren't pushy. They'll let you browse without bugging you. On the other hand, if you want their help, they'll really try. If you find something you like and buy it, they'll say thank-you. If you don't, they'll say thank-you too. And if it should happen (though we try not to let it) that we don't have the dress you want in the size you wear, we'll do everything to get it as pronto as possible. Laurel '5' Advances to Semifinals

The Laurel Bears advanced to the semifinals by walking over Pierce, 72-38, in the first round of the class B district basketball tournament at Norfolk Monday evening.

The Bears, now 20-0, take on Madison tonight (Thursday) at 7 p.m. to see who moves to the final round of play. Madison knocked off the Wayne High quintet, 58-54, Monday night.

The contest was never in doubt for the Bears as they completely overpowered the Bluejays. Laurel pumped in 27 field goals to their opponent's 15 and 18 free

throws to Pierce's eight. Sophomore Steve Erwin and seniors Brent Falnestock and Tom Erwin garnered all the points for Laurel in the opening stanza, putting the Bears in the driver's seat, 15-6, at the first quarter stop. The Bears out-scored Pierce 17 to 10 in the second period to take a comfortable 32-16 advantage into the locker rooms.

Behind the strong rebounding of Larry Smith, Brent Falnestock and Steve Erwin, the Bears set a blistering pace in the third period, ripping the nets for 28 points. Best Pierce could produce was seven points, dropping them behind 60 to 23 going into the final period.

Only time Pierce could come close to the Bears was in the final period when Laurel coach Larry Moore started calling upon his bench to give his regulars some rest. Pierce came up with 15 points to Laurel's 12 in the final eight minutes of action.

The balanced scoring attack of the Bears saw two men hitting in double figures. Tom Erwin scored 18 points, Brent Falnestock 15. Close behind were Todd Erwin with nine and Steve Erwin and George Schroeder with eight each. Larry Smith and Jerry Nelson added six each, Jim Schroeder two.

Leading rebounders for the winners were Brent Falnestock, Larry Smith and Steve Erwin with seven caroms each. Tom Erwin rebounded six, Rod Erwin three.

Laurel '5' Ranked 3rd

The Laurel Bears, coached by Larry Moore and sporting a season record of 19 wins and 10 defeats, were ranked third among the state's class B schools by the Omaha World-Herald this week.

Laurel was the only class B team in the rating with a perfect record.

Heading the list of the top ten B teams was Schuyler with a record of 16 wins, one defeat. Schuyler is defending state champion.

Number two on the list is Grete with a record of 16 wins, two defeats.

Rounding out the top ten: Millard (13-6), Holdrege (10-5), Aurora (14-2), Gothenburg (11-3), Syracuse (14-5), Lexington (12-4) and Fremont-Bergan (13-6).

Laurel was the top seeded team in the class B district tournament which started in Norfolk Monday night. Finals in the meet are set for Friday night.

Bowl in State Meet

Several Wayne bowlers turned in some high scores in the first weekend of action in the men's state bowling tournament at Omaha.

Ken Dahl rolled a 606 for high scratch honors in the singles competition. He and Larry Stevenson rolled a 1,168 for high scratch honors in the doubles action. Turner and Jerry Malcom teamed up to roll a 1,249 series with a 204 handicap to rank high in the doubles competition.

Devils Coast by Visiting Neligh, 84-53, Saturday

Coach Dick Nelson's Wayne High Blue Devils finished the regular season on a winning note Saturday night with an 84-53 decision over the visiting Neligh Warriors, bringing their season record to 30 wins and eight defeats.

Wayne had little trouble with Neligh as the Devils hit 45 per cent of their field goals to Neligh's cold 25 per cent. Wayne grabbed 50 caroms in the game, Neligh only 34.

The Blue Devils, leading 22-11 at the first quarter and 39-27 at intermission, surged ahead

of the visitors by as much as 17 points, 57-40, at the end of the third period.

Although substituting freely in the fourth period, Coach Nelson still saw his quintet outscore

Neligh 27 to 13 to garner their 10th victory.

Wayne's fine scoring effort saw four men hit double figures in the action: Dave Tietgen with 19, Randy Helgren with 16, Joey Hoogmer with 11 and Ted Armbruster with 10. Rounding out the scoring were Jerry Tietze with nine, Les Fichtenkamp and Dwayne DeTurk with seven each, Chuck Fisher and Dick Tietgen with two each, and Mike Biltoft with one.

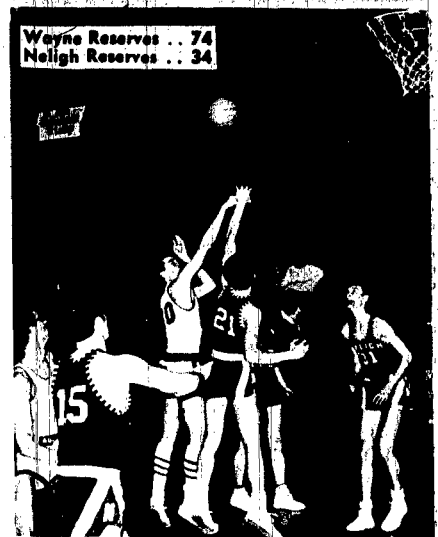

Leading the action under the boards were Dave Tietgen with 11 rebounds, DeTurk with 10, Harry Lindner with eight and Hoogmer with seven.

The Blue Devil reserves, coached by Don Johnson, also scored a lopsided victory over their Neligh counterparts in the preliminary game, 74-34. The win upped the reserves' record to 10 wins and five defeats. Neligh could manage only 21 per cent of their field goals while Wayne hit 47 per cent. The locals also outrebounded Neligh, 38-28.

Leading scorers for Wayne were: Steve Kamish with 14, Ted Armbruster with 12 and Mike Biltoft and Rod Cook with 10 each. Other Wayne scorers: Don Mau with seven, Lonnie Biltoft, Jerry Tietze and Dick Tietgen with four each, Steve Peterson with three and Rick Giese, Todd Hornbostel and Scott Nieman with two each.

Kamish was also high rebounder for Wayne, collecting 11 in the contest.

Sluggish Offense Knocks WH Devils Out of District

by Kloth Tietgen

The Wayne High Blue Devils bowed out of the class B district basketball tournament by losing a 56-54 decision to the Madison Dragons in Monday's first round of action.

Madison will now play Laurel tonight (Thursday) at 7 p.m. in the semifinals. Laurel walked over Pierce in the first game Monday night, 72-38.

Wayne scored first on a charity toss by Joey Hoogner, but from then on it was an uphill battle for the locals. They trailed by as much as 13 counters at one

point in the contest before rallying in the final period.

Sluggish is the best way to describe the Blue Devil offensive attack until Jerry Tizze, a 6-4 junior, entered the game in the final period. He proved to be the much-needed spark, lifting the Devils by his own 10 point effort and several steals, as Wayne made a last-ditch effort to garner the victory.

But his efforts proved futile as Dave Tietgen's shot with nine seconds showing on the clock

bounded off the rim and into the hands of a Madison player.

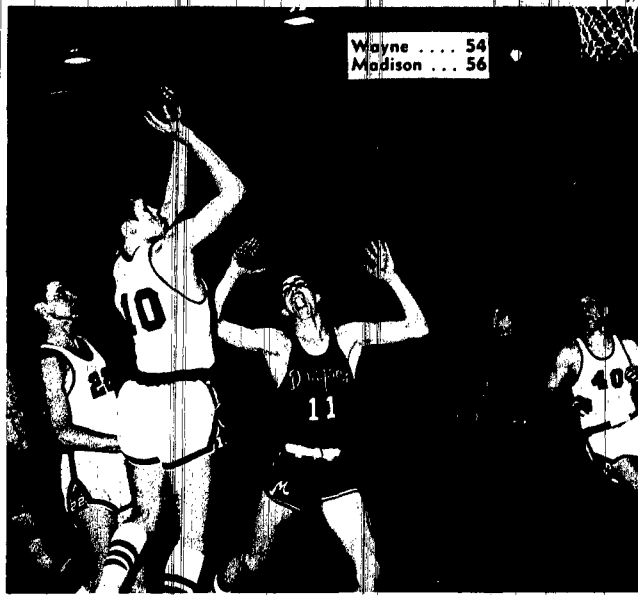

Both teams put on a poor display of shooting in the contest. Wayne hit only 28 per cent of their field goals, Madison only 35 per cent. But that seven per cent edge was just enough to lift the Dragons to a 19-13 lead at the first quarter stop, 32-26 at intermission and 47-34 going into the final period of action.

Three Blue Devils hit in double figures in the contest: Joey Hoogner with 16 and Jerry Tizze and Dave Tietgen with 10 each.

Dave Tietgen, 6-1 senior, put forth one of his best efforts under the boards, coming off with 19 rebounds. Following him in that department were Hoogner with seven, Harry Lindner with six, Les Echtenkamp with four, Randy Helgren and Jerry Tizze with three, Dwayne De Turk with two and Ted Armbruster with one.

The loss still left Wayne's overall record about the .500 mark, 18 wins and nine defeats.

Wayne State Sweeps NCC Crowns With Saturday's Swimming Victory

Wayne State athletes Saturday completed a sweep of winter sports championships in the Nebraska College Conference when the swimming team won the league meet at Wayne. The Wildcats piled up 185 points to 107 by Chadron State, 100 by Kearney State.

Wayne basketball and wrestling teams already had gained NCC titles—the swimmers their second straight, the matmen their sixth. For the swimmers, this is the fifth in a row.

Rich Draper of Elgin collected three of Wayne's 12 firsts—the 1,650-yard freestyle in 2:13.6, the 500 free in 5:26.7, and the 200 free in 2:01.2.

Double winners for Wayne were Bob Meredith of Chicago, Ill., the 50 free in 2:23.8 and the 100 free in 5:33.3; Dwight Eveland of Omaha, the 100 breaststroke in 1:08.2, bettering his own mark of 1:09, and the 200 breaststroke

in 2:35.8. Chadron's Rick Daniels was the only other twin winner, in the 100 backstroke in 1:01.6 and the 200 backstroke in 2:14.4. Invitational Meet

"What we have are good—we just need more of them."

That's the comment about Wayne State's track team by Coach Roger Bentley after a Wayne entry in the Kearney State Invitational indoor track meet Saturday. Wayne finished sixth among eight teams, with 36 points.

One of Wayne's five places was Terry Wegner's winning high jump of 6-4, tying the outdoor school record by Larry Schlines. Also earning points were Larry Kuehl, third in both the mile and two-mile; Tim Blach, third in the 75-yard high hurdles; and the second-place two-mile relay of Gary Day, Steve Dosh, Gene Lobbig and Duane Wilken.

Kearney piled up 169 points to win, followed by Peru with 70, Yankton 64, Hastings 46, Black Hills 40, Wayne 36, Concordia 5, and Midland 4.

Bentley, a graduate assistant, has been taken over track coaching duties since Bill Silverberg resigned to become head coach of track at Eastern New Mexico State.

WSC Downs Doane for 2nd Straight NAIA District Title

It's off to Kansas City next week for Wayne State's basketball Wildcats, who earned their second straight ticket to the national NAIA tournament with a 77-71 victory over Doane Tuesday night in Rice Gym.

That decision made Wayne champion of the Nebraska NAIA District again this year, Monday night the Wildcats downed Doane, 80-71, in the first game of the two-out-of-three series, played at Nebraska Wesleyan's gym.

The time and opponent of Wayne's first-round game in the national was not known Wednesday, pending completion of play-off in all 32 NAIA districts.

Wayne found the going tough all the way Tuesday night, with 1-25 in the first half, 1-11 in the second, after trailing by 11 points four minutes earlier.

But 21 points proved to be the key for Doane while the Wildcats mounted six points more on a 10-11 scoring lay-up by Dave Schneider, a pair of free throws by Marc Sommerfeld, and a final jumper by Dean Elfson, who led Wayne with 19, Schneider finished 17, Bill Goodwin, Bill Gause and Sommerfeld 11 each, and Emanuel 8.

Program participants exchange for food stamps about the same amount of money they would normally use each month to buy food. They are given extra "bonus" food stamps, paid for by USDA, boosting their food buying power.

The coupons can be spent like cash at any authorized food store for all foods, except imported items. Non-food items cannot be purchased.

A USDA survey showed that food dealers' business increases an average of eight per cent when the food stamp program opens in an area.

Marc Sommerfeld, Dave Schneider, Tom Cox, Bill Goodwin and Graduate Assistant Coach Dennis Neubrand. Second row: Dean Elfson, Mick Anderson, Joel Parks (partly hidden), student manager Milt Peters, Paul Emanuel and Steve Hoffman.

Monday night Doane after a late first-half tie, fell victim to Wayne's standard second-half onslaught. From a 41-33 half, the Wildcats zipped ahead by as much as 26 points. Goodwin led the attack with 22 points, Elfson right behind at 20.

Doane's basketball team matched Wayne's 19 points while Leslie Grant, the top Doane scorer for the year, averaging about 23, led the team.

Doane was a subdued crowd of some 100 that saw the Wildcats go to the halftime rest trailing (for the third time this season) by 26-33. The nerve-rattling first half had produced 14 changes of lead. But as usual, Wayne fans cheered their Wildcats would take charge in the second half and they did. They went ahead, 37-33, in a minute. Doane again was managed brief one-point leads before the late tie. Otherwise, Wayne held a controlling lead.

Wayne Coach Dave Gunther thought the team "was a bit tired" from two games in two nights and late arrival home Monday. The Wildcats lacked some of their outclass Tuesday night - but

NAIA Meet Next Stop for College Wrestlers

Wayne State's wrestling team is heading for the stratosphere of competition this weekend, the national NAIA meet at Omaha. The goal: to improve on the fourth place achieved last year.

Coach Don Pate will take 10 wrestlers, one short of a full team, to the meet, which has first-round sessions at 2 and 5:30 p.m. today (Thursday) in the University of Nebraska at Omaha fieldhouse.

Wayne State's wrestling team is heading for the stratosphere of competition this weekend, the national NAIA meet at Omaha. The goal: to improve on the fourth place achieved last year.

Coach Don Pate will take 10 wrestlers, one short of a full team, to the meet, which has first-round sessions at 2 and 5:30 p.m. today (Thursday) in the University of Nebraska at Omaha fieldhouse.

Action continues Friday with quarterfinals at 2, semifinals at 7 p.m. Then on Saturday: wrestling-backs at 2, consolation finals for third through sixth places at 6:30, followed by the championship finals at 8 p.m. In the psychological warfare of wrestling, Wayne goes into the meet with some valuable combat experience. Four Wildcats competed in the 1968 national, and three finished at or near the top—Larry Michelson, national champion at 152 pounds; Tim Hestack, second at heavyweight; Bill Schwarz, fourth at 123. Steve Hanson was a 145-pound member of that national team. A fifth member, Jeff Michelson, was a senior who finished fifth at 130.

Besides the four returning na-

tional veterans, Coach Pate lists these other contenders: Cal Johnson, 115; Max Bramum, 130; Bill Cartwright, 145; John Yoder, 160; John Kleinek, 167; Jack Vaughn, 177. Only the 191 class will be vacant.

Pate himself is no stranger to the pressures of national wrestling. He gained a sixth place on the Moorhead (Minn.) State team that won the national NAIA title in 1964.

The Wildcats finished their dual season Saturday at home with a 24-9 victory over Lea College of Albert Lea, Minn. Last month they defeated Lea, 25-16, in a double dual at Kirksville, Mo.

Results of the Lea Meet, fifth Wayne win against three losses: 123-Bill Schwarz, Wayne, decorated Myron Prehel, 16-2. 130-Cal Johnson, Wayne, decorated Rich Gross, 9-3. 137-Max Bramum, Wayne, plined Dan Salica in 4-20. 145-John Lacla, Lea, decorated Bill Cartwright, 3-1. 152-Steve Hanson, Wayne, plined Tony Beatrice in 3-28. 160-Larry Michelson, Wayne, plined Tim Tabatt in 6-51. 167-Jerry Anderson, Lea, decorated John Yoder, 5-3.

Annual Livestock Meet Is Friday

The 21st annual National Livestock Conference is set for the University of Nebraska animal science complex Friday.

The day's activities will include dedication and tour of the Marvel Baker Hall, \$1.7 million new home of the NU animal science department, and tours of other points of interest to Nebraska farmers.

The conference gets underway at 8:30 in the morning and ends with a 2 p.m. tour of the new Marvel Baker Hall.

Dixon Scout Dinner Held Thursday Night

About 30 people attended the annual Blue and Gold Banquet of Dixon's Boy Scout Troop 264 and Cub Scout Pack 264 last Thursday evening despite the inclement weather.

Held at the United Methodist Church, the banquet included a 6:30 supper, flag ceremony, games and group singing.

Toting for the prize for guessing closest to the number of bottle caps on a string were Denise White and Lori Hartman. Lori won the two-way drawing to win the prize.

Seal Fund Drive March 10

Chamber Drive Nets Over 100 Members

Nebraska's Easter Seal Society is conducting an appeal for funds in Wayne County between March 10 and April 5, according to Duane Anderson, field consultant for the Society in Omaha.

A "Neighbor-to-Neighbor" kit containing the 1968 Easter Seals and envelopes for contributions will be given to one family in each block. When that family has obtained their Easter Seals and made any contribution they care to, they are asked to pass the kit along to their next door neighbor. When the kit has been around the block, the block chairman will turn it in to the First National Bank. In this way, every family receives their Easter Seals and has an opportunity to contribute directly to this year's campaign for funds.

Alan H. Faeter, Executive Director of the Nebraska Society has announced that \$200,000 is needed if the state is to carry out its planned program of services to the handicapped. The fund drive is a statewide project. The money collected by the Nebraska Easter Seal Society makes possible a year-round program of direct service to handicapped children and adults. The Society provides physical and speech therapy, transportation for medical care and schooling, the loan and purchase of orthopedic and other medical equipment, an Information, Referral and Follow-up Program and summer camping sessions.

In Wayne County, the Easter Seal Society has helped five families.

Last summer, the Nebraska Easter Seal Society sponsored its first resident camp session for physically handicapped children. This resident camp was in addition to the regular day camping program held in six cities across the state. Fifty disabled children attended the resident camp. In addition, 122 attended Easter Seal Day Camps. The Nebraska Society hopes to expand their camping program and as soon as funds are available, plans to build a camping facility especially designed to meet the needs of the handicapped.

Anyone wishing to start the Easter Seal Kit in their block is asked to contact Mrs. Larry King (375-1657) Wayne.

Seven city employees toured the Cooper-Bessemer plant in Grove City, Penn., last week and saw in operation the new 20-cylinder dual fuel engine the city has purchased.

Taking the trip were Dan Sherry, city clerk, John Addison, city attorney, Wilmer Marra and J. L. Banister, councilman, Norbert Bruggier, Bud Walker and Alfred Koplin, mayor.

The group left Wayne Wednesday morning, Feb. 26, and returned last Friday afternoon. Expenses were paid by the manufacturing plant.

Troop 175 Holds Court of Honor

Wayne Boy Scout Troop 175 held a Court of Honor at the Wilste Mortuary Monday evening at 7:30 p.m.

Advanced from Webelos to the rank of Tenderfoot were Bruce Kucera, Mark Powers, Doug Straight, Mitchell Ernie, Paul Daniels and Jim Heppburn. Neither Mitchell Ernie nor Jim Heppburn were able to be present.

Advancing from the rank of Tenderfoot to Second Class Scouts were Carl Jenness and Ralph Arett. Jimmy Brasch was awarded a physical fitness merit badge. John Rockwell received the bar designating him as a Patrol Leader of the Flaming Arrow Patrol.

Rowan Wilste, Scoutmaster of Troop 175, made the presentations.

NAYI Deadline Getting Closer

March 16 is the deadline for applications for area youth wishing to attend the third annual National Agricultural Youth Institute in Lincoln Aug. 4-15.

The applicant must be a junior in high school this spring who has a genuine interest in following agriculture as a career. The completed applications should be sent to the local county extension agent.

A five-day seminar will be held at the Nebraska Center for Continuing Education on the East Campus. There will be a three-day period of practical experience and four days at the State 4-H Camp in the Nebraska National Forest near Halsey.

Of the 125 boys selected to attend the institute, 50 will come from Nebraska. Notification of final selection by NAYI will be made by Apr. 15.

The institute, an education program for outstanding young men interested in agricultural careers, is sponsored by the Agricultural Careers, Inc., Lincoln, in cooperation with the University of Nebraska College of Agriculture and Home Economics. It will provide an opportunity for the participants to become acquainted with national leaders in science, education and the agricultural industry.

WAYNE STATE'S Marc Sommerfeld (24) goes up for a rebound during Tuesday night's Wayne-Doane tilt at Rice Auditorium. The Wildcat beat Doane, 77-71, for the second straight NAIA district title and a trip to Kansas City for the national NAIA tournament.

45 Lads, Dads Camp Out

Thirty-eight Boy Scouts and seven adult leaders from the Lewis and Clark Scout District set up camp in Scout Park on the south edge of Wayne Friday afternoon. Twenty-five of the Scouts were from Wayne and 13 were attending from Winslow. Scouts from Laurel and Hartington were unable to attend.

A layer of straw and a sheet of plastic formed the ground covering over which each tent was set up. Troop 175 Scoutmaster Rowan Wiltse said that each boy had either a sleeping bag and three blankets or two sleeping bags, one inside the other, with which to stay warm overnight.

Saturday noon the seven patrols, with from five to seven boys in a patrol, competed for efficiency, quality and food selection in the preparation of their dinner. Each patrol prepared a

Day of Prayer Set

World Day of Prayer will be observed Friday, Mar. 7, in the First Lutheran Church. Allen World Day of Prayer is planned annually to give people the opportunity to pray for the needs of the world and to express a commitment and give offerings to carry out the missions of the church in the world. Mrs. Dwight Kemling will be guest speaker. Rev. Dwight Kemling will be

solist. The ladies of United Methodist Church are in charge of the program which will begin at 2 p.m.

Legion Program Set

In honor of the 50th anniversary of the American Legion, a program "Salute to Legionnaires" is being planned for members of Floyd Gleason Post 131 and their wives. The program will be held at 7:30 p.m. Mar. 10 at the Legion Hall. The program is being sponsored by the Auxiliary.

Methodist Barquet Held

The 30th annual banquet was held Wednesday evening in United Methodist church parlors. More than 150 persons heard Rev. Jerry Elrod tell of his work in InterCity in Omaha. Rev. Dwight Kemling gave the invocation. Debbie Jones sang a solo. Eighteen members of the Senior high choir, led by Mrs. Maurice

Carr, sang a number and led in group singing. Vera Hubbard, church lay leader, recognized the choir for faithful attendance and work done for the church. He praised the youth for their leadership and told of achievement of the youth who have gone from the church.

Each of the choir members received a carnation. Also presented carnations were Mrs. Maurice Carr and Mrs. Allen Trube for their work with the group. Mrs. Dwight Kemling, the pastor's wife, also received a flower. Mrs. Kemling had made a "Praying Hands" quilt for each one present. Brian Linafelter sang a solo and a quartet, composed of Debbie Jones, Valerie Koester and Bruce and Brian Linafelter, sang several numbers. Musical numbers were accompanied by Nancy Swanson. The ladies of WSCS prepared the dinner which was served by the Senior MYF.

Cemetery Association

The Ladies Cemetery Association met at the cafe Feb. 26 with 13 members answering roll call. A business meeting was held followed by election of officers. Mrs. S. E. Whitford is president; Mrs. Ronald Allen, vice president; Mrs. Walter Krause, secretary, and Mrs. Ed Truby, treasurer. Lunch was served by Mrs. Jim Kingston and Mrs. Gladys Roberts. Next meeting is Mar. 28.

OES School Held

Mrs. Irene Berry, Tekamah, District I supervisor, held a school of instruction for Opal Chapter 195 Order of Eastern Star Monday, Mar. 4, in the Eastern Star Hall. A noon luncheon was held in the cafe. A banquet in her honor was held at the Legion Hall. An evening meeting following Mrs. Jim Warner is worthy matron and Jim Warner is worthy patron. The banquet was served by the Auxiliary.

Mr. and Mrs. Wilmer Eustand entertained at dinner Sunday honoring their daughter, Jennifer, on her second birthday. Guests were Mr. and Mrs. Pat Fox.

Tax Guidelines Will Help Avoid Trouble

Divorced or separated parents planning to claim a child as a dependent on federal income tax returns can avoid possible tax controversy by carefully reading the guidelines. Richard Vinal, district director of Internal Revenue for Nebraska, said the guidelines should especially be referred to in cases where divorced or separated parents claim the same child as a dependent. Generally, the parent with cus-

ody of the child for the greater part of the year is entitled to the dependency deduction. There are exceptions to this rule, depending on the terms of the decree and the amount contributed to the child's support by the parent who does not have custody. Vinal said. This special rule does not apply if someone other than the parents provides over half of the child's support for the year, he noted. Nebraska taxpayers can obtain a copy of the guidelines by sending a postal card to the Omaha Internal Revenue office requesting Publication 501, "Your Exemptions and Exclusions for Dependents." The guidelines are also contained in "Your Federal Income Tax," the 1968 page tax guide which sells for 60 cents.

national parks, national wildlife refuges and public forest and range lands other than those in the national forest system.

Applications for the position will be narrowed to three candidates in each state. The national president of the Izaak Walton League will appoint a committee to choose finalists and alternates to fill all positions. In addition, the Nebraska Game and Parks Commission will offer summer jobs to the two highest rated state applicants not accepted for federal employment.

Applicants must be 18 years old by June 15, 1969, and should have an above-average scholastic record. He must presently be a high school senior expecting to graduate this spring and must also have definite plans to enter a college or university for study in a natural resource field.

He must demonstrate leadership qualities, have an interest in natural resource conservation and be in good health and physically capable of field work. Applications, which must be submitted by March 20, should include the following:

-A completed U. S. government form No. 57 (employment application) (available at any post office);

-A transcript of high school record to date;

-A written recommendation from an adult, other than a relative, who knows the applicant and his qualifications for the program;

-A letter from the applicant indicating his college and career

plans, describing his extra-curricular activities in high school, and any conservation work he has done, and discussing his reasons for seeking summer employment with the Department of the Interior.

Applications should be returned to Professor Howard L. Wieggers, College of Agriculture and Home Economics, University of Nebraska, Lincoln 68503.

Funeral Services Held Sunday for Stanley Hartman

Funeral services for Stanley W. Hartman, 53, were held Mar. 2 at Zion Lutheran Church, Canistota, S. D. Mr. Hartman died Feb. 28 in a hospital at Slou Falls.

Rev. Russell Grundmeyer officiated at the rites. Mrs. P. R. Albrecht was organist. Pallbearers were Willis Cook, Orville Knutsen, Henry Spomer, Calvin Comstock, Dr. J. E. Wellenstein and Albert Kostboth. Burial was in Canistota Cemetery.

Stanley W. Hartman was born Sept. 7, 1915 at Canova. He grew to manhood in the Spencer and Canistota areas. He was married Oct. 3, 1940 to Viola Ried at Kadoka.

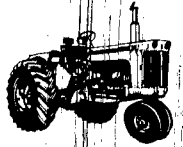

The couple lived first at Marlon then moved to McCook in 1942 and returned to Marlon in 1946 where Mr. Hartman owned and operated an appliance store and

did electrical work. In 1951 the Hartmans moved to Canistota where he was electrical adviser for Wayne County Public Power District.

Survivors include his widow; a daughter, Mrs. Ronald L. Brown, Aurora; a son, Jay Hartman, Des Moines; his mother, Mrs. Dorothy Hartman, Slou Falls; two sisters, Mrs. Cell France, Indianapolis and Mrs. Roald Edmessa, Slou Falls; two brothers, Melvin Hartman, Canistota, and Dale Hartman, Slou Falls, and a grandson, James Hartman.

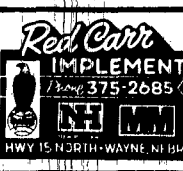

The mythical Great Plains jackalope has again reared its head, this time in the form of a letter of inquiry from a California lad. "I have a picture of a jackalope, which is found in Nebraska, and I thought it was a trick photograph," the lad wrote to the Game Commission. He asked for information verifying the authenticity of the picture. The photo is genuine enough, the Commission told him, but the subject is the product of trick-taxidermy. Sorry about that.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers. It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

Community Improvement Program

Will Wayne enter the Community Improvement program again this year? Entry deadline for the 1969 CIP is March 15 which isn't far away.

All the incorporated communities in Nebraska have the opportunity to gain statewide and national publicity while simultaneously improving the environment of the community. There is also a total of \$5,000 in cash prizes given at the conclusion of the competition.

There were 125 communities, one of which was Wayne, entered in the 1968 CIP competition. Emerging as first place winners in their respective population categories were Pilger, Cambridge, Halston and North Platte. Second and third places were awarded to Stuart, Coleridge, Wisner, Rushville, York, Gordon, Beatrice and South Sioux City. Other awards for outstanding achievement in six special categories went to Milford, Seward, Halston, Gering, Beatrice and Cozad.

Officially, the 1969 program began October, 1968 and will conclude on October 15, 1969. Some Nebraska communities already have their officers named and projects started.

CIP is basically a "bootstrap" operation, or in other words, a do-it-yourself type of improvement program.

Classification for competition is made according to population: Class I - up to 300 population; Class II - from 301 through 800; Class III - from 801 through 1,600; Class IV - from 1,601 through 7,000; Class V - from 7,001 through 30,000.

Improvement is a year around process. Each resident of Wayne should work toward the goal of making Wayne a better place to live, whether the community is participating in a contest or not, and many do.

The coming of spring will undoubtedly nudge us toward getting the fever for cleaning up debris left on our lawns from winter. After the snow melts and the moisture has seeped into the ground there is usually an urge to get out the rakes and go to work.

It is never too early to contemplate what painting you'd like to get done on your buildings. Are there trees needing to be removed? Or were you going to set out new trees?

Usually, there are steps to be repaired and painted, porches that may need attention. In what condition are your window screens? Will they need painting?

Whether or not Wayne enters the CIP program each of us as residents can, and undoubtedly will, enter our own clean up operation just as soon as weather permits. And those warmer days are not far off.

Springtime in Nebraska

Overcast skies, 46 inches of snow, overboots, winter hats, caps and coats, scooping driveways and walks over and over again is bound to get to you sooner or later and give you a good case of the winter "blahs". Many Wayne residents have had the blahs since January 1. Then Christmas bills, taxes (local, state and federal) have to be paid plus all the other monthly obligations! It's enough to give anyone the "triple blahs", or blah, blah, blah!

What you have suspected in the back of your mind all along, however, is going to come true soon, spring will come as it always has. It's freshness will be welcome.

Since the beginning of time, spring has been nature's way of reminding man that life is a never-ending process. During the spring months of March, April, May and June, the sun rises higher in the Northern Hemisphere, the trees leaf out, crops flourish, the scent of flowers fills the air and the new young of all nature's creatures look about them with wonder at the beauty of the land and the blueness of the sky.

Depending upon where we live, our thoughts will turn to the pursuits of spring gardening, Easter bonnets, vacations, weekend treks to the lakes, mountains and coasts. One and all, we will enjoy the general state of somnolence known as spring fever that always makes its appearance after a dreary winter with its blahs.

If you're tired of wrestling the snow shovel, spinning the car's tires on ice, catching a ride because your car wouldn't start, not being able to get out because of drifted roads, and spending hours upon hours on the seat of your tractor moving snow and more snow, then you'll need any pushing to make the most of spring! Spring is the time to start anew. Most of us can hardly wait!

Maybe you've also noticed how irritable and impatient most everyone has become as these final days of winter linger on?

It takes a strong constitution to face getting up early on winter mornings to go to work in a

Legislation Would Revamp State's Highway Program

LINCOLN - Legislation designed to implement the results of 3 1/2 years of senatorial study has been introduced in the unicameral.

Under the sponsorship of Chairman Jerome Warner of Waverly and the other members of his Legislative Council Highway Study Committee, 13 bills have been proposed which would make radical changes in the way Nebraska administers its roads and highways.

The legislation is aimed at establishing the first totally integrated highway system in the nation. This means all 103,000 miles

of streets and highways in Nebraska would be coordinated centrally with the state, counties and cities working as equal partners.

This would be done by creating a board composed of technical representatives from the state, counties and cities and two laymen representing the public. This board would establish standards for all classes of public roads and streets.

The three levels of government would have to bring their thoroughfares up to these standards.

You may not agree with an editorial - but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

new snow storm, to hear the constant barrage of violence, tragedy and news concerning a war few seem interested in winning. It takes an extra sense of hurt to try and understand the deep feelings and tears of your fellow office worker who has received word that the young man he fathered twenty years ago now is dead in Vietnam. Winter will never end for him.

Telecasts bombard one's ears in being "first with the worst" concerning demonstrations, protests, dope and drug traffic, graft and dishonesty in high places. Mix all of that with daily overcast skies and the world looks rather bleak and bleak.

Spring is like a good tonic. One of these days the sunshine is going to cause your alarm clock to cast a shadow before it rings in the past window. Upon awakening you'll likely hear a robin, meadow lark or blue jay. As you start your day's work you'll note that the radishes have peeked through the topsoil and the whole world will look brighter.

Springtime in Nebraska will remove your blahs. It is going to remind you that through the din and noise of all that is unpleasant, each day your mail is in your box, the bread is on the rack, the fireman answers your call, the teacher heads her class, the soldier answers muster, the waiter brings your soup, the copper gets mined and cars are built. Best of all, you're loved.

While impatient critics go merrily down the river bemoaning "we're heading for Armageddon," human beings of high character with a new spring in their step will be going to work, paying their taxes, educating their children, inventing, patching, searching, planning and plowing, making the wonderful United States of America continue to tick. It will be spring again! Flowers will bloom, eggs will hatch, seeds will sprout, roads will dry up and you'll suddenly awaken to realize your blahs are gone! Ah Spring! Do hurry! - MMW.

Millions Swindled

In a bulletin called "Facts You Should Know About 'Earn Money At Home Schemes'" the Better Business Bureau reveals that millions of Americans are swindled yearly by "home work" promotion schemes.

Help Wanted columns in daily papers often carry ads that would encourage a person to make extra money at home by working part time. As always there is a "gimmick" and this time in many of the ads the requirement is that you first buy something from the advertiser.

BBB estimates that over a half-billion dollars are swindled from people yearly in amounts ranging from \$1 to \$1,000.

Perhaps you have read ads offering to provide you "instructions" for doing various things for only \$1. Not all such ads are dishonest but many are. Oftentimes worthless instructions for \$1 or \$2 are sent. The Better Business Bureau points out an incidence where a housewife sent \$2 for instructions on how to use her spare time for a profit. She received instructions telling her to get an auto and sell pies in the neighborhood.

If you read the ads in magazines you've undoubtedly seen those asking you to get into the business of addressing envelopes at home, or mail advertising from your home. One firm advertised for ladies to decorate Christmas cards. Most of the ads want you to send \$1 for the instructions and information. Hundreds of thousands of dollars change hands in this way and the information is often useless.

The Better Business Bureau points out that the general scheme in many ads is the promise to buy a "miraculous" product from you. They may ask you to sew aprons at home, string beads, do typing work or paint novelties. The company promises to buy all you can produce. After the unhappy customer buys the materials from the company and does all of the work and sends them in then the customer receives a letter from the company rejecting the work as "not up to our standards". Regardless of how many times the articles are improved and sent in they are always rejected as "unacceptable".

Many are the schemes drawn up and advertised to lure victims into writing songs, sending manuscripts, etc. Most of the methods are just inside the law and deceitful. A slyster can fulfill his promised obligation to you in the field of publishing your song by having several copies of the song made and so your song has been "published" and you're out whatever fee you forwarded.

It would be a wise investment to secure the pamphlet "Facts You Should Know About 'Earn Money At Home' Schemes" from the Better Business Bureau for 15¢.

Or write to the Small Business Administration of the U. S. Department of Commerce for business service bulletins Nos. 95 and 98 on the subjects "Information and References on Home Businesses" and "Information and References on Handicraft and Home Products for Profit". - MMW.

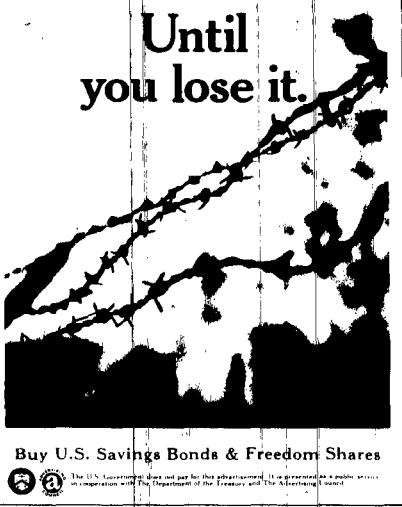

The package of highway proposals also calls for increases in user fees - gas taxes and registration fees - and a new system for allocating this money.

Also included are bills which would insure that only qualified personnel serve as street superintendents or highway engineers. Interim legislative committees studied the highway situation in 1966 and 1968 and more than 40 public hearings were held to determine the best solutions to the problems. In addition, three consulting firms were hired to recommend solutions. Tiemann Veto Survives

Gov. Norbert T. Tiemann exercised his veto power last week for the first time this session. Despite a vigorous effort by Sen. Terry Carpenter of Scottsbluff to have the veto overridden, the governor's action stood.

At issue was a bill which would have required Nebraska's col-

leges - both public and private - to suspend for 30 days any student convicted of possession of marijuana. The presiding officer of any institution which failed to suspend such a student would be ousted from his job.

The bill passed on a 34-8 vote, but Tiemann said the measure's constitutionality was questionable at best. He said it was an interference with the affairs of private schools and it singled students out for special treatment.

Furthermore, Tiemann said, Nebraska's college administrators have been doing a good job of controlling student drug use.

When Carpenter, the sponsor of the bill, sought to have the veto overridden, his motion received 25 votes. Thirty were needed.

The Scottsbluff senator argued opponents of the bill, especially Tiemann, were advocating the free use of marijuana. The opponents, however, maintained they had no sympathy with users of the drug, but they felt there was a better way to control the problem.

Eight senators who had supported the bill when it passed voted against the override motion. They were Sens. Ellen Craft of North Platte, Lester Hrauf of McCook, E. Thome Johnson of Fremont, Jerome Warner of Waverly, Theodore C. Wenzlaff of Sutton, C. F. (Pat) Moulton of Omaha, Leslie Stull of Alliance and Wayne Ziebrath of Wilcox. Who Gets the Game Commission?

The State Game Commission is being courted by heitry a score of Nebraska communities, but there is no assurance the legislature will let it move from Lincoln.

At its meeting Friday, the commission heard from several cities which presented what Director Melvin O. Steg called "fantastic offers". He said if Lincoln doesn't make a comparable offer, he would recommend the headquarters be moved to the outstate location, which offers the best deal.

While the commission was meeting on the ninth floor of the statehouse, however, the legislators gave unanimous voice approval to a motion which said the senators insisted on a change to endorse any transfer of the game headquarters.

Steen has said the commission staff has been cramped for space at least a decade and needs to move out of the capitol. "There is no reason under the sun," he said, "why we have to be located in Lincoln."

Program Gets Review The Legislature, after complaints from constituents who feel the motor vehicle inspection standards are tougher than necessary, is reviewing the program.

The vehicle inspections were to have become mandatory Mar. 1, but the senators suspended it until they complete their study of the standards written by the Motor Vehicle Department.

two of their personal cars underwent the safety examination. Each step was explained by Ilay E. Johnson, director of the inspection program.

There will be mandatory inspections this year, Budd has said, but the minimum standard probably won't be as rigid as established in the department's controversial rules and regulations.

Johnson has announced the results of a survey of the inspections during January when vehicle owners weren't required to take their cars to the examination stations.

His report showed 1,151 inspections. Of that total, 55.5 per cent flunked the headlight aiming standards, 16.2 per cent failed for wheel alignment and 10.6 per cent had inefficient brakes.

Fewer than 10 per cent were rejected on tires, horns, whistles, windshield glass, exhaust systems, mirrors or bodies.

Pollution - A Serious Problem

Polluting of ground water could be a very serious problem for Nebraskans.

All but three towns in Nebraska depend on ground water for their water supply. The most common sources of pollution are feed lot wastes, pesticides and fertilizers. If these should contaminate the ground water supply, it is very difficult, if not impossible, to remove them.

Once the ground water is contaminated, surface treatment is the only method of purification, and this is extremely costly and difficult.

In the case of nitrates, no economical method of purification has been developed at this time.

Pre-emergence Herbicides are not the final answer in weed control; they are only one part of the total weed control program.

The idea is sometimes prevalent that herbicides are fool-proof and all that is needed is to spray them on and watch the weeds die. Unfortunately, herbicides are not this sophisticated or dependable yet.

Farmers who are discouraged with the performance of pre-emergence herbicides should recognize that several factors influence the effectiveness of these chemical materials. These include soil type, soil moisture, organic matter, amount and timing of rainfall after application.

Despite the potential for variable results, herbicide performance over a large number of years and environmental conditions has been amazingly dependable.

One of the prime considerations in selecting a herbicide for a crop is the safety of the

March 5, 1959: Wayne County School reorganization committee will hold a proposal to reorganize 20 districts in and around Whiteside... Fire of undetermined origin destroyed about eight tons of hay on the Lester Bethune farm near Capital... Wayne High's Blue Devils capped their sixth consecutive district Class B basketball title Friday night with a 63-59 overtime victory over the favored Plainville Pirates... Wayne merchants will hold their annual Spring Opening next Thursday night, Chamber of Commerce Secretary K. N. Parke announced. This year's unveiling will feature action displays in downtown store windows. Parke said some stores plan to use live models while others will use mechanical action to attract attention... Wayne City school teachers and administrators Monday night were granted pay increases totaling \$5,900 a year.

Kitchen Lighting is Important! When planning a new home kitchen or remodeling a kitchen it is a good idea to consider the importance of good lighting. Providing comfort in work and safety from accidents!

Since the kitchen is the home-maker's work room, though natural and artificial lighting is necessary to keep down eye strain and help prevent accidents. In order to let in enough daylight, the window area needs to be 15 to 20% of the floor area. At least one stretch of the counter should be lighted by a window, preferably located near the sink.

Ceiling fixtures are needed over special areas such as the sink and dining area. Light is also needed over the range. Shielded fluorescent units mounted under the wall cabinets supply good lighting over work centers.

Luminous panels will provide good general lighting in a kitchen. Recessed fixtures may be round, square or rectangular metal boxes set into the ceiling with a covering shielding panel flush

with the ceiling. The interior of the box should be of high reflectance for efficiency.

If the kitchen has two doorways, one to outside and the other into other rooms, two-way wall switches controlling the ceiling lights located at each entrance is a step-saver as well as a safety feature.

When you blend the lighting ingredients with the design of your work area you will have a cheerful kitchen that saves time and energy and is easy on the disposition.

Business Notes

Mel and Ruth Elson, owner of the Coast To Coast store in Wayne, have just returned from the organization's 39th annual storeowners convention. The four-day meeting was held at the Lemington Hotel, in Minneapolis, Minn., Feb. 16-20.

Mr. and Mrs. Elson and Coast To Coast store owners and employees from 23 states in the Mid-West and West attended a complete curriculum of modern retailing courses. Spring and Summer merchandise lines were on display, and presented in group discussions. Key personnel from the Home Office, along with factory representatives emphasized the new products, product knowledge and customer service.

Wayne State Teachers At Spring Conference

Faculty members from Wayne State College were scheduled to join those from 10 other Nebraska colleges in a "National Heritage of Nebraska" conference set for the University of Nebraska Center Sunday through Tuesday.

About 80 people were expected to attend the spring conference, which is part of the Humanities and Social Sciences Development Program sponsored by the U.S. Office of Education. It is intended to enable faculty members to learn more about the state's cultural heritage and give them an opportunity to discuss ways of improving the teaching curriculum.

be their fifth engagement (this term).

Members of the troupe are Lennie Hofmann, Omaha; Linda Schroeder, Fremont; Joy Nielsen, Audubon, Ia.; Charlene Wendt, Halton, Neb.; Diane Zobel, South Sloux City; Patrick Brown, Tilden; Brad Ford, Nebraska City; Bobby Johnson, Wayne, and three Danish students from Copeland, Anne Hansen, Ida Hasselbach and Tom Berntzen.

Joyed Kottecky of Omaha will sing between ballet acts. Accompanists are Joan Bobon-mayer, Harrington, Cheryl Thase, Denton, Ia., and Mrs. Joanna John, Wayne.

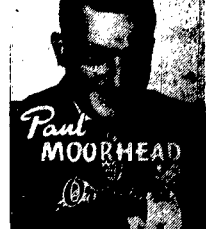

A working wife is today the rule rather than the exception. The Labor Department reports that about 60 per cent of all women in the labor force are married. Twenty per cent are widowed, separated or divorced. The remaining 20 per cent are single.

Midland Is Next Stop For WS Ballet Troupe

The Wayne State College ballet troupe has five performances booked in the next few weeks—the first two scheduled Friday morning at Midland College, and at Omaha North High School in the afternoon.
