

Criminal and Civil Cases Set on Fall Court Docket

One criminal and 27 civil cases were marked for trial at the opening of the fall term in District Court Thursday at the Wayne County Courthouse.

District Judge Merritt C. Warren of Creighton presided as the court docket was read, starting at 10 a.m.

Several of the cases have been dismissed or settled. Following are those cases originally listed by John T. Bressler Jr., clerk of the district court, on the court docket.

—Elmer Minklin vs. D. E. Davis, accounting.

—Henry Schmude and F. Dean Gossic, doing business as Schmude's, a partnership, vs. John Kuderka, accounting.

—Credit Bureau of Norfolk, assignee, vs. Lyle Cunningham, assignee, accounting.

—Judith Lee Blecker vs. Dennis LeRoy Blecker, reciprocal uniform support act.

—Hartford Insurance Groups, Inc. vs. Fredrick, Jalayre Fredrick and Mankato Tile Terrazo Co., accounting.

—Kenneth Siltzman vs. Russell W. Hedtke, et al, appeal from workmen's compensation court. Arthur Carlson and Esther

Carlson vs. Marvin Paulson, accounting.

—James L. Jensen, administrator of estate of Jim R. Jensen, deceased vs. Mark M. Dendinger, et al, personal injury.

—Bernard Kinney, Margaret Kinney, husband and wife; Wm. Kinney and Margaret Kinney, husband and wife, vs. R. C. Noonan and Co., equity.

—Lois Rasmussen, et al, vs. Edward Grashorn, reciprocal support act.

—Donald W. Stone vs. Alma Stone, divorce suit.

—Leonard A. Gutzman, administrator of estate of Patsy Lou Gutzman, deceased, vs. Joseph M. Starzl, Louis Starzl, John S. Duprey, Pat Ryan and The State of Nebraska, personal injury suit.

Betty Johnson, Rich Kline '69 Trojan Royalty

Betty Johnson and Rich Kline were crowned the homecoming queen and king of Wakefield High School for 1969-70 at ceremonies held Friday at Wakefield High. Betty is the daughter of Mr. and Mrs. Alden Johnson and Kline is the son of Mr. and Mrs. Mervyn Kline.

Homecoming activities began in the WHS grade school auditorium with a welcome by Kim Kline who introduced the second attendants to the king and queen. They are Nancy Leonard, daughter of Mr. and Mrs. Sam Leonard and Mike Berns, son of Mr. and Mrs. Robert Berns.

First attendants to the king and queen were introduced. They are Barb Fisher, daughter of Mr. and Mrs. Harold Fisher and Lyle Brown, son of Mr. and Mrs. Ervin Brown.

Kimberly Greve, daughter of Mr. and Mrs. Merlin Greve, and Troy Bostwick, son of Mr. and Mrs. Roger Bostwick, WHS kindergarteners, brought the crowns to the 1968-69 homecoming queen See TROJAN, page 6

Wayne County will have a law library before the end of the year providing there is no unforeseen delay in plans being made by a group of attorneys in Wayne in cooperation with the county commissioners and possibly the city council. Not all of the details are as yet worked out but preliminary plans are well underway.

Several of the attorneys met with the Wayne County Commissioners at the courthouse Tuesday morning proposing the creation of a new information bank for area residents—a county law library.

A cost-sharing plan which would get such a library established and open was outlined to the commissioners. The plan

calls for a pooling of funds from the attorneys, the county and possibly the city. The lawyers have contributed an initial \$400 and approached the county commissioners with the idea of the possibility of the county matching that amount. Attorney Ken Olds explained, "We plan to also see the city council for sharing in the costs." According to Attorney Reed the project will be presented at the next city council meeting Sept. 30.

Attorney John Addison pointed out to the county's governing body that the idea behind the law library is to provide books related to law on a county-wide level. "These books are expensive," Addison said, "and our thoughts were, by pooling our efforts, we could purchase books which would not otherwise be available to people throughout the county."

Don Reed, county attorney, noted that the group of lawyers had met previously and had decided to proceed in getting the library established. Bodd Hornhoff emphasized, "Demand to consult with federal law is increasing daily. There isn't a Supreme Court Report that I know of, in the county, for instance." See LIBRARY, page 6

WSC Plans Homecoming Festivities

Theme of the 1969 Wayne State College homecoming is "Sights and Sounds of the 60's," according to Loren F. Kamish, planning committee chairman.

Kamish noted that homecoming this year will be the earliest in recent years with activities starting Sept. 29. Final day of the traditional festivities is Oct. 4.

Homecoming queen will be chosen by election Sept. 29 with coronation rehearsal the next day. Actual coronation of the homecoming queen is set for 7:30 p.m. Oct. 1 in Rice Auditorium.

Chairman Kamish said that special emphasis will be placed on the outdoor displays as there will be no official homecoming parade. The displays are to be ready for official review Oct. 2 at 7 p.m. following the pre-lighting activities which are scheduled to start at 6:30 p.m. Each of the resident halls and campus organizations will have a display.

Numerous activities are scheduled for Thursday and Friday evenings of homecoming week with the highlight of Friday night being an all-school rally and Greek olympics in the Willow Bowl at 7:30 p.m. Kamish points out that Saturday, Oct. 4, will climax the

week on campus. All buildings will be open to visitors. Tours of the campus will be available starting at 10 a.m.

The Blue Key and Cardinal Key organizations will sponsor an alumni reception in the Student Center from 11 a.m. to 1 p.m. Oct. 4. A "W" Club luncheon is planned at 12 noon in the Student Center that day.

Preceding the football game on Saturday at 2 p.m. with Wayne playing Chadron, pre-game activities include the presentation of the homecoming queen to the alumni and persons in Memorial Stadium. The Wayne State College marching band will highlight half-time activities.

Final activity of a busy homecoming week will be a ball in Rice auditorium at 9 p.m. featuring Buddy Morrow and his orchestra.

Auto, Bike Collide

A bicycle-auto collision occurred about 5:35 p.m. Thursday on Main Street in Winnside, according to the Wayne County Sheriff's office.

Mrs. Patricia Timken, Winnside, was westbound in a 1966 Dodge when in collision with a bicycle being ridden by James Olson, 7, son of Mr. and Mrs. Robert Olson, Winnside.

Young Olson received only minor injury, according to the Sheriff's office report.

Mrs. McNatt Dies

Funeral services for Mrs. L. W. McNatt Sr. will be held at 2 p.m. Tuesday at the Methodist Church, Wayne. Mrs. McNatt died Friday at the Methodist hospital in Omaha.

Legionnaires Plan District III Meeting

The Wayne American Legion executive committee conferred last week with district officials of both the legion and legion auxiliary to begin planning the District III legion and auxiliary convention scheduled Oct. 5 in Wayne, according to LeRoy Clark, legion commander.

A joint memorial service and flag raising ceremony at the city auditorium will open the convention program, after which the legion will move to the Wayne Vets Club for its sessions. Auxiliary members will remain at the auditorium for their meeting. The planning committee has scheduled a dance to be held in the city auditorium at the conclusion of the business sessions.

District III legion and auxiliary members plan to come from the following seven counties: Wayne, Cedar, Dixon, Dakota, Thurston, Burt and Cumming.

Carroll Postmaster

On NAPUS Committee

John Rethwisch, postmaster at Carroll, has been notified he has been selected to serve on the nominations committee during the national convention of the National Association of Postmasters of the United States.

The convention will be held Sept. 27 through Oct. 2 in Hot Springs, Arkansas. Rethwisch said Thursday he plans to attend the NAPUS meeting which includes workshops, speeches and discussions relating to postal procedures, reforms and policy changes.

WSC's Hahn Building Slated for Remodeling

Wayne State's Hahn building will be getting a facelift in the near future, according to Dr. Dale Johansen, dean of administration at WSC. The remodeling was made possible by the reappropriation of \$250,000 by the Nebraska State Legislature for the improvement of the building.

The Hahn building, which now houses the Wayne State English department, will be remodeled into administrative offices on the first and second floors, with classrooms on the third floor.

The school's language laboratory will remain in its present location on the third floor.

What is now the administration building on campus will be used for classrooms and offices. One of the reasons for the switch in buildings is the location of the two buildings. College officials feel that because of its central location, the present administration building is better suited for classrooms.

Notices to bidders for the remodeling projects were sent out Sept. 10 and will be opened in October. Construction is slated to begin Jan. 12 and is to be completed sometime in May or June.

'Fashion Show' Will Entertain Community Club

Something a little different in the way of entertainment has been planned for the program portion of "Ladies Nite" at the Carroll Community Club tonight (Monday), according to Dave Lahr, club secretary.

Following a 7:30 p.m. dinner at the Carroll auditorium, club members will turn their attention to a "fashion show" featuring male models. The gents will model various styles of women's clothes expected to be designed in years to come.

Sec. Lahr said plans are also being made to honor Miss Carla Janssen, Carroll, during the meeting. She is presently reigning as the Trucker's Queen of Sioux City.

Tonight's program will get the Community Club's fall schedule underway.

Students Will Tour Northeast Station

Students from five area schools and their teachers are scheduled to visit the University of Nebr. Northeast Station at Concord Oct. 7.

The children will tour the station and be shown slides of Europe and Germany by Mrs. Anna Janssen, assistant Dixon County extension agent. In case of inclement weather, the tour will be held Oct. 9.

Students and teachers making the tour are from Dist. 58, Mrs. Marilyn Wallin, teacher; Dist. 26, Mrs. Donna Frahm, teacher; Dist. 42, Mrs. Frances Noe, teacher; Dist. 19, Mrs. Marge Schweinck, teacher, and the elementary school at Dixon.

Drivers Pay Total of \$401

A total of 21 drivers appeared before Judge Loverna Hilton in the Wayne County Court from Monday through Friday paying a total of \$401 in fines and court costs. Fourteen of the 21 were charged with speeding. Each of those appearing paid \$5 in court costs for a total of \$105.

Fined for speeding: Roger D. Lanser, Allen, \$10; Albert W. Sauser, Randolph, \$10; Donald L. Grubaugh, David City, \$10; John D. Lovelace, Wayne, \$15; John T. Curryn, Denison, Iowa, \$10; Terry P. Hall, Wayne, \$50; Cheryl D. Bessey, Omaha, \$12; Charles Langenberg, Hoskins, \$20; Richard Ginn, Wayne, \$10;

Kevin V. Dorsey, Wayne, \$15; Donald L. Horn, Norfolk, \$12; Kenneth Jorgensen, Wayne, \$15; Susan A. Bremer, Stanton, \$10, and Roger Ackerman, Omaha, \$12.

David L. Nielson, Papillion, paid a \$10 fine on a charge of going through a red light.

Thomas E. Houtchens, Wayne, was fined \$10 on the complaint of driving the wrong way on a one-way street.

John O. Campbell, Norfolk, and Ronald Bunkers, Cherokee, Iowa, each paid fines on the charge of making an illegal "U" turn. See DRIVERS, page 6

Misses \$400

A Wayne man, Robert W. Klenz, 217 South Windom, would be \$400 richer now if he had been in a participating store Thursday night for Wayne's Cash Night Drawing.

Since there was no winner, this week's prize will remain at \$400, with \$50 being added to the reserve put by the participating members.

Meeting Changed

The site for the extension club lesson on "Family Communications" to be held at 1:30 Friday afternoon has been changed from the Wayne County court room to the WSC office in Wayne.

The lesson is designed to help people recognize the importance of family communications as a means of strengthening family life.

Anyone interested in this subject is invited to attend.

ZONE MEETING PARTICIPANTS. District III representative Harold Kemble, Wayne, (left); Mayor of Wayne, Al Koplin; and Keith Mosley, chairman of the local planning commission (right), will participate in the District III Planning and Zoning Association meeting Thursday at the WSC Student Center.

District Zoning Officials To Discuss City Problems

District III members of the Nebraska Planning and Zoning Association will gather in the Birch Room of the Student Center on the Wayne State College campus Thursday for a fall meeting scheduled to start at 7:30 p.m. District III includes most of the counties in Nebraska north of the Platte River, according to Harold Kemble, Wayne, and Tom Cahill, Norfolk, representatives of the association.

Kemble said Friday that an invitation to attend the meeting is extended to all city and county officials, planning commission members and interested citizens. He noted that the meeting is designed to provide an informal atmosphere whereby those in attendance can discuss local planning activities and problems. An exchange of planning information and techniques used in other

cities and counties is also planned.

"The meeting will be exclusively devoted to various matters of concern facing all Nebraska officials, especially planning commission members," Kemble explained. "These matters," he said, "include trailer court zoning and sanitary landfills. Eventually all Nebraska municipalities and counties will be required to adopt sanitary landfill zoning regulations subject to anti-pollution regulations adopted by the state. Trailers have become a solution for the prefabrication of low-cost housing. How their placement within the city can be controlled will benefit all of us."

Also to be included on the program Thursday is a review and explanation of planning legislation passed by the 1969 session of the Nebraska Legislature.

LEADING THE CHEERS for the varsity Blue Devils this year are these six Wayne High students. Clockwise from bottom (with parents' names in parentheses): Amy Coryell (Roy), Holly Roggenbach (Preston), Linda Penn (Robert), Marsha Johnson (Robert), Cindy Froehlich (Melvin) and Janice Sherer (Ralph). All are from Wayne except Marsha Johnson, who is from Carroll. She and Holly Roggenbach are juniors, the rest seniors.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Boycott - Girlcott - and Great Scott!

Phremon who would attempt to put out a fire by dousing a stream of water at the smoke; people who claim to be rich while living on borrowed money; and a gent who believes he can take his wife out for dinner for the same price he did 15 years ago, all have one thing in common — lack of common know-how.

Another group of folk who have a few laws in their pockets are those who plunge hurriedly into joining consumer strikes. Their efforts are aimed at the symptoms of inflation, rather than the cause.

Meat has been boycotted in several areas of the country. The idea, of course, is that high meat prices are the fault of meat producers and retail merchants. Yet, they are merely victims of inflation, just as are the boycotters.

Suppose we should decide to boycott a local auto dealer because he is asking \$600 more on a car than he did in 1950? How about boycotting a lumberman and asking our friends to do likewise because the firm is asking a higher price now than 10 years ago? Should I hurt the lumber worker who received \$1.62 per hour in 1952 and now receives \$3.05 because his equipment costs \$2,000 more than 20 years ago?

Restor yet! One could start a girlcott! Young

bachelors could decide that since it takes a \$10 bill now for an evening out, instead of the \$5 costs 10 years ago, that they would collectively refrain from dating until date-costs declined.

Boycotts? Girlcotts? Let's add the "great scott!" If the gals who want to boycott meat want to go back to the old country butcher shop and the wages paid at that time, then it will mean their giving up hundreds of convenient delicacies, luxurious surroundings and a husband's \$150 a week salary.

The time spent blaming our neighbors for inflation could more profitably be spent gaining a better knowledge not only of the reasons for inflation — governmental monetary and fiscal policies — but also for a better understanding of the principles of the free market that have resulted in the most efficient, high volume, retail, mass distribution system the world has ever known.

Under such a system each merchant must seek to do the best job he can for the consumer, as it is the only way he can stay in business in a competitive market.

Just two words to those who are professionals in aiming a stream of water at the smoke — great scott! Aim for the fire! — MMW.

How to Irritate a Customer

Omaha's Better Business Bureau states in a recent publication that an examination of complaints made to them reveal the following methods which are guaranteed to lose business for any firm:

—Telephone sales pitches timed to interrupt the evening meal.

—Stores who offer an item at an extremely attractive price and sell out within a few minutes of opening the doors. Even advertising "limited quantities" doesn't take the sting out of this.

—Mailings that offer a "last chance" to participate in some bargain when the "final notice" is the first one that has been received.

—"Help Wanted" ads that offer "manager training" and "salary plus" when the only jobs

available are for salesmen on straight commission.

—The proliferation of "free" vacations in Las Vegas, wherein you must pay for everything but the accommodation, and you even have to pay for that. If you fall to listen to a two to three hour sales pitch for a real estate development.

—You have won a "free gizmo," all you have to do is pay \$10 a week.

The BBB also poses the question: "Did you ever ponder that if the business opportunity which is advertised offering an income of \$15,000 to \$30,000 the first year was so good, why the franchise salesman instead of making one-night stands in motels selling the opportunity to others does not accept the offer himself?" — MMW.

Wouldn't It Be Great!

Wouldn't it be great if someone would market a pill, which, upon being swallowed by the consumer, would immediately bestow a keen sense of values?

Many in our country are obvious victims of perverted judgment. It is apparently a thought-deficiency which may occasionally affect us all and is certainly no respecter of persons.

For instance, can you imagine the headlines that would have screamed around the world had our three American astronauts died on the moon? Of course, they are three important humans. A life, however, is a life. Why don't the headlines yell when three youthful American men die in Viet Nam? Men going to the moon or Viet Nam are both making trips in behalf of their country.

Our sense of value becomes warped and evidently difficult to refocus in a right relationship with reality. There are persons who would try to focus your thoughts on the horror of an air collision which killed 55 and have you forgotten the 150 humans who died the same day in highway traffic. More than 55,300 were killed in auto accidents last year while ground-lovers spoke of a few hundred who died in airplanes!

You surely are acquainted with someone whose logic stops at the porch? Can we ever become upset when it comes to the right of owning a gun!

Gun ownership has been a right since the days of the American Revolution. Owning a gun is a tradition and millions of Americans classify handguns

with their golf clubs, outboard motors and the like as a means of recreation! Fanatics, however, believe that legislation should be passed which would all but take away the right to own and have possession of a firearm.

Gun opponents point out that so many lives are snuffed out by guns, therefore the government should by all means control firearms with so much red-tape that having one would be next to impossible.

Let's follow that pseudo-logic. If guns should have federal controls because they can kill, then it is logical that a man should also have to register and license golf clubs. An angry golfer could easily use his club for exactly that and deal a killing blow.

Naturally, you would need to also register and license your home's electricity, gas, matches, butcher knives, ball bats, stairway, power lawn mower and medicines in the cabinet. Come on now, let's be fair. If you license guns because they can kill, let's license everything that has the same potential! There are many individuals who wouldn't think of having or shooting a gun, but seemingly have little fear aiming an automobile within a few feet of an oncoming car or through a crowd of people — maybe even after a nip or two.

Perhaps what is needed, rather than a pill for values, is a pill that would open our eyes to our own personal prejudices. Wouldn't that be great! — MMW.

to install typing classes or hire a typing teacher to teach our children. We were told their credits would not be accepted in high school so they could not take advanced typing.

Why should we buy typewriters and pay a teacher when it is already in high school and was available to tenth graders up until now.

The excuse is there is no room. How come there was plenty of room before the new school was built?

As to \$35 cattle and \$28 hogs. Have you heard the market lately? And besides this has nothing to do with our children's education. We are just interested in our children's future.

We pay taxes just as well as you do. Our children do not come into Wayne High free, believe me.

I think it's terrible that a subject as important to the children's future is being denied them. Just try and get a job without knowing how to type.

A Country Taxpayer

to print it all. All parents of rural students and those in the city also must make it their business to find out what is happening.

Rural Taxpayer

Dear Editor: In regard to the letter to the editor referring to Dist. 17 having to pay the expense of teaching typing to the rural student. Surely anyone with any knowledge of taxes at all — must know the rural property owner pays much more in taxes which indirectly is channeled back to the city school.

Each rural student definitely pays its fair share of tuition. No one — I repeat — no one in Dist. 17 is subsidizing any rural student. Those not paying their fair share are those having merged with Dist. 17 and have only transferred a small portion of their land to Dist. 17, which we know some have done.

Regarding farm prices, surely the writer must be misinformed or ignorant of facts. Farm prices are not the issue, only the dropping of typing from the curriculum for the rural students entering high school.

The article in a previous paper stated the parents present at the board meeting felt it was discrimination against the rural student — truly it is discrimination against the rural student, and pressure to close all rural schools. The lack of space for this class is not a valid reason.

All parents that have a child entering high school this year or some year later should be duly concerned about this situation and make themselves heard.

Concerned Rural Mother

by Merlin Wright

Dear Editor: In reply to the "City School Taxpayer" of last week, it was not a group of concerned mothers, it was a group of concerned parents: She is indeed very un-informed as to the price of cattle and the price of hogs. \$35.00 cattle was the price approximately one week and \$28.00 hogs about the same. This is the first time in 20 years. Are either she or her husband working for the same wage that they worked for 20 years ago? Cattle can not be sold when the price is up, we have to wait till they're fat for good steaks for the good taste that we enjoy.

The city must not forget the hard winter that was last year, it caused a great death loss among cattle and hogs.

"City Taxpayer" would find out the amount of tuition that is paid by the rural student every year she would be surprised. This comes out of the rural taxpayer's pocket. The tuition for a rural student entering high school is as high as the tuition in some colleges.

This is not the question at hand, but I feel that a few city taxpayers better realize that we are not getting a free ride. Any time the press states that the POOR UNDERPRIVILEGED CHILDREN FROM THE RURAL AREA, I call this discrimination, don't you? We are not colored; perhaps if we were the government would help us.

The Year the Century Turned

The Wayne Herald - September 21, 1969

Local and Personal Henry Merriman informed a Herald reporter that Ed Templin of Centralia, Wash., formerly a citizen of Wayne, committed suicide sometime ago and that his body was found in the timber about six weeks after he had disappeared. The funeral occurred at that place on the 13th Inst. It seems that Templin had become despondent and securing a bottle of carbolic acid declared his intention of committing suicide.

The Herald refused to accept an advertising proposition from an Omaha clothing house this week. This paper believes in standing up for home merchants and don't propose to aid any outside establishment in securing the trade of Wayne and Wayne county citizens.

A large timber wolf was seen in the grove of Chris Bastian in Plum Creek last Sunday. That low, rumbling noise in the vicinity of the court house is not an earthquake but simply the gathering of a fusion storm which will strike Wayne in all its fury about three o'clock Saturday afternoon. "Coll" up your slack wire, heap on a little more "coll" and the fusion "meat-house" will come down.

On Thursday evening, October 5th, Rev. G. L. Barker, a noted evangelist, will begin a series of meetings at the M. E. church. A number of Wayne citizens have heard Rev. Eating Like a Bird It isn't as polite as it is intended to be to say that a person has the appetite of a bird; if a human being ate as much proportionately as does the average bird, the sight would be disgusting. In one shrub there have been found the remains of 79 caterpillars, 24 bugs, one field mouse and one leech. A field hawk that was observed for a month is credited with a record of 1,000 mice in that time. A tame owl ate seven mice, one after the other, and three hours afterward ate four more. The robin eats on an average 14 feet of worms daily.

—J. W. has a longtime friend who writes on occasion. His name is an easy one to remember — Tag A. Long. We'll be sharing his letters here from time to time. Recently he wrote:

"Have you ever started reading a novel right in the middle of the book? It's fun! That way I'm not only surprised how everything ends but also shocked by how it all began!

"Reading a book like that is almost as interesting as listening to the gossipy neighbors as they sit snide by snide. Oh, they know their own minds all right, but I sort of figure it isn't any place either one wants to be cooped up in for very long.

"As you so well know, it is an extremely difficult task for me to resist blowing my 'knows' in public, I'm not lonely in that category, however. Anyway, I'm

drawing up a letter of my 'knows,' getting ready to send it to Uncle Sam. It is going to accompany my next income tax report. Don't get me wrong, I don't mind paying my fair share of taxes to help make this great nation, but it really does embarrass me to pay taxes which are then given to other nations so they can hate us and burn down our embassy building.

"You see, I've already got enough folk who hate me without my paying them to do it. We live in a land of the 'free' even to the point where many folk think love should be too. Well, I'm going on a crusade for 'free hate' instead. If the neighbors across the ocean are going to hate me, by golly I'm not going to pay for it! They can hate me at their own expense. As always, Tag A. Long."

How is your reading ability? Can you read English? Are you sure you can read English and understand it? Then try this on for size as it is an example of our 20th Century "batflogab". It has to do with some provisions of the proposed Tax Reform Act of 1969.

Here is part of Sec. 277, "Limitation on Deductions for Individuals": General rule — If a taxpayer (other than a corporation) has allocable expenses for a taxable year, the deduction otherwise allowable under this chapter for such expenses shall be disallowed to the extent of an amount equal to the lesser of—

(1) the aggregate of such expenses multiplied by the section 277 fraction, or

(2) the allowable tax preferences.

"(b) Section 277 Fraction.— For purposes of this section, the section 277 fraction is the fraction the numerator of which is the allowable tax preferences and the denominator of which is the sum of the allowable tax preferences plus modified adjusted gross income."

How is that again?

—x-x-x-x-x—

Just suppose there are 200 million cows in America. Let's also suppose there is an industry doing a great business selling a certain hay. This hay, called Old Bossy, while made entirely from loco-weed, is alluringly packaged and described as a blend of "old straw aged in the cornfield." As a result, let's suppose, cows by the millions turn from their sober diet of alfalfa and begin chewing Old Bossy.

Let's suppose again that this stuff makes cows do silly things, such as running into barbed-wire fences, jumping from bridges, running into cars and other cows . . . so much so that 500,000 of them are killed or injured annually. Suppose their milk production is cut down because the users of Old Bossy lose 500,000 "cow-days" a year.

Suppose life expectancy of those cows who chew it regularly is reduced by an average of 14 per cent. Suppose that it makes 400,000 of the cows so sick that much of the time they are useless, and suppose that for every one "cured," the industry makes 10 more victims as Old Bossy addicts.

—x-x-x-x-x—

Suppose that caring for these victims takes 80 per cent of the farmer's time. Suppose that in spite of all this, the merchants of the deadly stuff, this "fatal fodder," are allowed to advertise the stuff in every pasture, so that on almost every fence there appears various "Cows of Distinction" — munching away on the product.

Suppose the makes of Old Bossy are reaping a tremendous profit from all of this cow-trouble and tragedy.

Do you think the farmer would take all this or would he stand up and declare, "That ain't hay!"

Field Goal Cinches 17-14 Allen Win

By Bruce Linafelter

The toe of sophomore John Warner proved to make the final difference in the outcoming score when Allen won over Winside 17-14. The Lewis and Clark Conference game was held at Allen Friday night.

Warner kicked a 24-yard field goal in the second quarter to make the three-point difference in the final score. He also averaged 49 yards per kick-off for the evening.

Winside kicked off to open the evening's contest, Allen moved the ball to their own 45 before they were forced to kick. Winside moved the ball for their opening first down of the evening only to have Junior Loren Reuter intercept a pass and return the ball to Winside's ten-yard line.

With 6:36 left in the quarter, John Warner crossed the goal line to put the home team ahead. Warner also passed to Jerome Roberts for the extra points.

With one minute gone in the second quarter, senior Bob Jackson scored to climax an 80-yard Winside march. Jackson also scored the points after and tied the game at eight-all on a pass from Dave Witt.

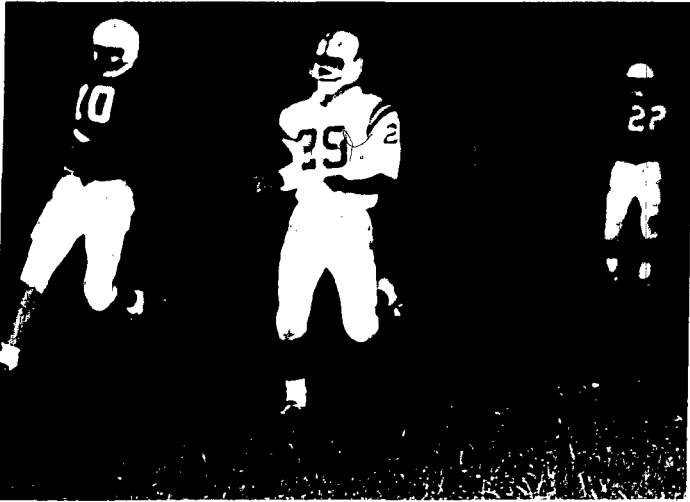

Allen took the kick-off and ran from Winside's 35-yard line. After a series of plays and a 30-yard run by Reuter, Allen was on the Wildcats 4-yard line. Winside's defense held tight and threw Allen for losses in four consecutive plays.

With seven minutes left in the half, John Warner kicked the ball through the uprights to put Allen out in front 11-8. Both teams moved the ball fairly well during the remainder of the half but were plagued by penalties and the score remained unchanged as the gun sounded.

Winside took advantage of a bad delivery from Allen's center on an attempted fourth down punt and ran the ball back to the Eagles' 18-yard line with 1:00 left on the clock in the third period.

They took advantage of three successive Allen penalties to move them within one yard of the goal line. As time in the quarter ran out, as Phil Witt drove across the line to put the visitors ahead 14-11. The point after attempt failed.

Trojans Down Emerson 28-6 in Homecoming Tilt

Although outplayed statistically, Coach Lyle Trullinger's Wakefield High Trojans made their 1969-70 homecoming perfect by defeating Emerson-Hubbard 28-6.

The Trojan scoring began with 3:44 left in the first quarter when Chuck Ellis intercepted a pass on his own 27-yard line and carried the ball over to give Wakefield an early 6-0 lead. A pass from Rich Kline to Warren Johnson added two points to make the score 8-0.

The second quarter saw Trojan back Kip Bressler take an Emerson-Hubbard punt on the Wakefield 45-yard line and romp 55 yards for another six points, making the score 14-0 with 3:05 left in the second quarter. Quarterback Rich Kline took the ball over for the two bonus points, making the score 16-0.

With only seven seconds to go in the half, Wakefield again hit pay dirt, this time on a pass play from Kline to Bressler from ten yards out. The attempt for the extra point failed and the score was 22-0 as the gun sounded. Wakefield's final six points came with 8:31 left in the third quarter when Miner took the ball over from 35 yards out to give the Trojans a 28-0 lead.

The only score for Emerson-Hubbard came with 7:20 left in the game. A pass from the Pirate quarterback Duane Kubik to Mickey Hassler connected to give them their only six points of the game.

Leland Miner was named as the offensive standout for the Trojans, carrying the ball 16 times for 85 yards.

The Trojans picked up a total of 121 yards rushing and 14 yards passing for four first downs, compared to 73 yards rushing and 28 yards passing and ten first downs for the Pirates. Wakefield was forced to punt eight

times for an average of 43 yards, while Emerson punted seven times for an average of 20 yards.

The Trojans never lost the ball because of fumbles during the game. The Pirates lost the ball twice in five fumbles. Penalties cost the Trojans 75 yards and the Emerson eleven 41 yards.

Wakefield will travel to Pendleton next Friday night.

Two Gray Teams Winners in First City Rec. Football

Wayne's City Recreation League opened their season of weekly games Tuesday night with two games. Both Gray teams of the sixth, seventh and eighth were victorious, downing the Red teams by scores of 14-12 and 12-0.

Scoring in the first game opened with the Gray team scoring a safety for a 2-0 lead, Tom Meier being credited with the tackle. Later on in the first quarter Robert Mitchell scored again for the Grays, going around his left end for a seven-yard touchdown play. Following a scoreless third quarter the Red's Larry Creighton came through the middle for five yards and a touchdown. With five minutes left in the ball game the Grays scored again, Paul Mallette scoring from twelve yards out. Never giving up, Larry Creighton again scored for the Reds with 30 seconds left in the game to make the final score Grays 14, Reds 12.

Offensive standouts for the Gray team were Robert Mitchell, Steve Johnson and Paul Mallette. Red players Larry Creighton, Dave Hix and Brad Hedricks were offensive standouts. On defense Paul Linder and Eric Lefstad, Linemen and Steve Johnson and Paul Mallette were outstanding for the Grays, while Jim Lepburn and Larry Creighton were outstanding defensive men for the losing Red team.

Action in the second game was slow in getting started with play during the first quarter being confined to the center of the field. In the second quarter, the Gray team moved to the five-yard line and Gordon Cook took the ball over to give the Grays a half-time lead of 6-0. A third quarter, 30-yard pass play for the Grays from Bill Schwartz to Bruce Kucera clicked to give them a touchdown, only to have it nullified by a clipping penalty.

TEN MORE YARDS were being added to the Trojans' ground attack when this picture of Leland Miner was taken late in the fourth quarter of Friday night's action at Wakefield. A host of Emerson-Hubbard tacklers halted the run near the mid-field stripe.

During the fourth quarter the Reds threatened, taking the ball to the Gray five-yard line, only to have guard Jack Froehlich knock the pignskin from the Red quarterback's hands. The Grays recovered the fumble and moved to the two-yard line where Gordon Cook went in for his second touchdown, finalizing the score at 12-0.

Offensive standouts for the game were Grays Gordon Cook, Danny Pinkelman and Bill Schwartz and Reds Kerry Jech, Scott Ehlers and Steve Mayer. Top defensive players for the Grays were listed as Bruce Kucera and Mike Meyers, ends; Gordon Cook and Bill Schwartz. More GRAY TEAMS, page 5

Wayne Defense Stymies Gator Attack

By Jack Manske

Once again Wayne High's defense proved to be the decisive factor as the Blue Devils scored a 16-6 victory over Wisner-Pilger Friday night at Wisner.

Coach Allen Hansen's gridgers held the Gators to only 71 total yards while the Blue Devil offensive unit amassed 256 yards.

Dan Sutherland put the final touches on Wayne's scoring attack, scoring one touchdown in the first quarter on a 12-yard plunge and adding another six points on

a one-yard dive in the second period.

Although both teams were hampered by an inoperative scoreboard clock throughout the first half, Wayne wasted no time crossing the goal line in the opening stanza after three turnovers.

Taking possession on Wisner-Pilger's 48-yard line following an 18-yard punt return by Lonnie Biltfoft, the Blue Devils moved the football 36 yards in eight running plays before Sutherland scored Wayne's initial touchdown.

A pass from Randy Helgren to Doug Maurer added the two-point conversion as the local squad jumped ahead 8-0.

Wayne started its second scoring drive four plays following the kick-off when Helgren called for a fair catch on his own 26. Then, on the first play from scrimmage following W-P's punt, Lonnie Biltfoft broke away for 67 yards to the Gators' 11. Five plays later Sutherland capped the drive with a one-yard dive. A pass from Helgren to Maurer,

following a delay of game penalty, made the score 16-0.

Neither team was able to forge a significant drive in the remaining minutes of the first half.

Wisner-Pilger scored its sole touchdown of the evening with 7:18 left in the third quarter after Wayne was forced to punt on a fourth down and five situation from the Blue Devils' 29-yard line.

A one-yard return plus a 15-yard penalty assessed against Wayne put the Gators in good field position on the Blue Devils' 24. Seven plays later Wisner-Pilger reached pay dirt, only to be foiled on the two-point conversion attempt.

Wayne's 16-6 lead remained intact for the remainder of the contest although the Blue Devils threatened to increase the margin with five minutes left in the fourth period when they assumed control of the ball on the Gators' 34.

Following seven plays from scrimmage, Wayne was forced to give up the ball on downs at the 14-yard line. The game ended two turn-overs later with the Blue Devils controlling the ball on W-P's 19.

Lonnie Biltfoft was Wayne's leading ground-gainer with 15 carries for 99 yards. He was followed by Dan Sutherland with ten carries for 47 yards and Les Echtenkamp with eight carries for 31 yards.

Biltfoft was also the leading pass receiver for the Blue Devils, pulling in one aerial for 28 yards. He was followed by Ted Armbruster with one reception for 21 yards, Doug Maurer with one reception for 11 yards and Echtenkamp with one reception for five yards.

Charles Weible led Wayne on defense with seven tackles and two assists. Other leaders in-

cluded Sutherland with six tackles and two assists, Echtenkamp with four tackles and four assists and Bill Fletcher with three tackles and four assists.

Wayne High will open its home season next Friday night when it plays host to Neligh. Future action finds the Blue Devils traveling to Stanton Oct. 3, hosting Plainville Oct. 10 and making a road trip to Bloomfield Oct. 17.

Laurel Scores 52-14 Victory Friday; Offensive Attack Totals 500 Yards

An awesome running attack highlighted Laurel's second win of the season Friday night, a 52-14 romp over Neligh. The Bears returned home from the road trip after accumulating 500 offensive yards, 404 of which were credited to the ground attack.

The outcome of the game was never in question as Laurel jumped off to a 20-0 lead in the first quarter, advanced the score to 26-14 in the second stanza, added 14 more points in the third period and scored two more touchdowns before the final gun sounded.

A 28-yard pass from Steve Erwin to Paul McCoy gave the Bears their first TD and Jerry Sarha ran the two-point conversion. Sarha made the score 14-0 later in the same quarter by reaching pay dirt on a 66-yard punt return.

A four-yard pass from Erwin to McCoy capped Laurel's third scoring drive in the quarter, making the score 20-0.

Although out-scored in the second period, 14-6, the Bears maintained their lead as Sarha crossed the goal line on a four-yard plunge.

Laurel's defense, which confined Neligh to 24 yards rushing throughout the contest, held the Warriors scoreless for the final 24 minutes of action while the offensive unit added four more touchdowns.

A four-yard run by Sarha (with Ross Dirks running the conversion) and an eight-yard sprint by Jim Schroeder completed scor-

ing drives in the third quarter as the Bears increased their lead to 40-14.

The final two Laurel touchdowns came in the last stanza via a 30-yard run by Sarha and a four-yard plunge by Steve Burns.

Jim Schroeder was the Bears' leading rusher with 150 yards in 16 carries. Jerry Sarha carried the ball 13 times for 131 yards.

Paul McCoy was the leading pass receiver, pulling in three aerials (two for touchdowns) for 51 yards.

Laurel's defensive leaders included Schroeder with five tackles and five assists, McCoy with 4-4, Rod Erwin with 5-0 and Regg Swanson with three tackles and three assists.

Future action will find Laurel hosting Pierce in a major West Husker Conference battle next Friday night before traveling to Plainville Oct. 3.

Drug Abuse Films To Be Shown at WS

A film series on drug abuse will start Wednesday for Wayne State College students. Dean of Students Donald Merriman and Associate Dean Vivienne Brady, announcing the series, said the films are up to date, informative and objective.

Over five weeks the series will offer these titles: "The Speed Scene," "Breaking the Habit," "LSD—Insight or Insanity," "A Time for Decision," "Escape to Nowhere," "The Time to Stop is Now," "Potpourri: The Current Scene," "Who, Me?" "A Breath of Air" and "Smoking, Past and Present."

Council Officers Elected at Winside

Winside High School student council members met Tuesday for an election of officers. Phil Witt was named president; Gary Soden, vice president; Debbie Jaeger, secretary and Sharlene Brockmuller is treasurer. Council sponsors are Superintendent M. J. Masten and Principal Ron Kramer.

Items coming before the council included the making of plans for Winside High School's homecoming set for Oct. 17.

In other WHS news, the following students at Wayne State College will be observers in the classrooms at Winside today (Monday): Scott Nelson, Donna Halbur, James Rasicot, Nick Indra and Craig Rosenegren. Host teachers for the WSC observers are Farnell Lynch, Doug Barry, Harold Simpson, Lee Johnson and Jim Winch.

Football, Eye Clinic, Lions Meet Topics

A report on a district cabinet meeting at Millard and a talk by WSC Coach Del Stoltenberg about the Wildcat football team were main items on the agenda at the Wayne Lions Club meeting Tuesday night at Ron's Cafe.

Lion's President Willis Johnson reported on the cabinet meeting held September 7 at Millard. The meeting was to inform local Lions of work being done in the area by the Lions International. The main project being undertaken in this area by the international group is the construction of a \$200,000 eye clinic to be constructed at the University of Nebr. within the next year.

Attending the meeting were Mr. and Mrs. Willis Johnson, Mr. and Mrs. Leland Foote and Mr. and Mrs. Del Stoltenberg.

Bob Nelson, chairman of the membership committee, reported on the membership drive which is to be held in October.

The next regular meeting for the Lions will be Oct. 14. The October meeting will incorporate the presentation of awards to the winners of the Punt, Pass and Kick contest. All members are urged to attend.

Del Stoltenberg, head coach of the Wayne State football team, addressed the Lions at the '69 Wildcat football team and its prospects for the coming year.

In other business Pat Atkins gave a talk on Lions Information and Harold Maciejewski and Wendell North reported on the Punt, Pass and Kick contest. The contest is to be held Oct. 5 at the WSC field.

Winside Church Plans Services Honoring Pastor

St. Paul's Lutheran Church, Winside, is planning special services Sept. 28 in honor of the Rev. Herman M. Hilpert, who has ministered to the congregation all of his 45 years in the ministry.

The Rev. H. M. Hilpert

Special worship services will be held at 10:20 a.m. with Dr. Oliver Harms, past president of the Lutheran Church, Missouri Synod, St. Louis, Mo., as guest speaker. Rodney Hilpert, son of the Rev. Hilpert, will be the Hiltgart.

A dinner at noon will be followed by a brief program at 2 p.m. with the theme, "Commemorating Forty-Five Years in the Ministry."

In appreciation to the pastor and his wife, the congregation has made arrangements for them to take a trip to the Holy Land. The tour gift will be presented to the Rev. and Mrs. Hilpert by Melvin Froehlich, chairman of the congregation at the afternoon service.

Pastor Hilpert started his ministry at St. Paul's Lutheran Church in Winside in 1924 following his graduation from Concordia Seminary, St. Louis.

The young minister was united in marriage to Golda Fleeer, Winside, in 1930. They have two children, Janice, Mrs. William Vonderlage of Paris, Ill., and Rodney, a ministerial student at Concordia Seminary, St. Louis, Mo.

During the 45 years of the pastor's ministry at St. Paul's, the congregation has grown in number from 200 to its present 640 members. Since 1955 he has also served the Lutheran Church in Carroll.

Trojan

(Continued from page 1) and king, Rae Johnson and Robbie Eaton, who crowned their successors.

Following a speech by the king, Mary Kaufman presented a bouquet to the new WHS queen. Cheers by the Trojan Pep Club concluded the coronation ceremony and homecoming activities until the Wakefield-Emerson game at the Trojan field Friday night.

At the football field the Wakefield High marching band reopened the activities at half time and performed three numbers for the audience. The band, led by assistant drum major Peggi Rouse, played the varsity fight song, "Hall Varsity," "Sugar Lips" and "Those Were the Days." The band is directed by Mrs. Diane Trullinger.

Following the band's performance the homecoming royalty were presented to the Trojan alumni and fans to conclude ceremonies at the field.

Following the football game a dance was held in the multipurpose room of the elementary school.

Library

(Continued from page 1) Reed referred to the Nebraska Statutes which provides for the establishment, maintenance and supervision of county law libraries. The statute states, "The county board may, when in its discretion it shall seem it advisable, provide by purchase or otherwise for the procuring and maintaining of a suitable law library for the use of the public. Such library shall be under the supervision of the judges of the district court of the county where in the same is located."

see the need for such a facility.

Attorney Bornhoft expressed the lawyers' hopes of getting the library started around Nov. 1. George Stolz, chairman of the commissioners, inquired as to the advisability of locating a county law library in downtown Wayne rather than at the county courthouse. During the discussion concerning the location of the proposed library, the idea of using the room presently occupied by the museum for the library was suggested. The idea was soon discarded, however, for several reasons, one being the uncertainty as to when the museum room would be available, and another was the fact that the library, if located in the courthouse, would be difficult to use when the courthouse is closed.

The attorneys asked the commissioners to consider cooperating in the establishment of the county law library. Later Tuesday, the commissioners passed a resolution, according to Norris Weible, county clerk, to cooperate with the lawyers in the venture and approved a \$400 investment by the county in the project.

National 4-H Week Set for Early Oct.

"4-H Opportunity for All" is the theme of this year's National 4-H Week observance, Oct. 5 to 11. Emphasis will be on 4-H benefits being available to boys and girls of all cultural, racial and economic backgrounds and to youth who live in town as well as country, according to Roy Stohler, area youth specialist.

In Nebraska, there are 39,887 boys and girls between the age of 9 and 19 who are members of a 4-H club. Dixon County's 4-H enrollment totals 305, of which 172 are girls and 133 are boys.

A major aim of 4-H Week will be to broaden the understanding of 4-H and to enlarge the image of 4-H so the public will know that the Head-Heart-Hands-Health program is no longer limited to rural areas.

Student Named Semifinalist in Merit Program

A Wayne High School senior, Lyle E. Nelson, has been named as a semi-finalist in the 1969-70 National Merit Scholarship Program, according to Fred Rickers, Wayne High principal.

Principal Rickers announced Wednesday that Nelson, son of Mr. and Mrs. Ivel Nelson, Wayne, is one of 15,000 semi-finalists who will compete for about 3,000 Merit Scholarships to be awarded in 1970.

The semi-finalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test (NMQST), which was given last February to some 750,000 students in 17,250 schools.

In order to be considered for a Merit Scholarship next spring, semi-finalists must advance to a finalist standing by receiving the endorsement of their schools, substantiating their high NMQST performance on a second examination and providing

information about their achievements and interests.

Winners of four-year scholarships may receive up to \$1,500 a year depending on individual need. Winners of the \$1,000 scholarships will receive the award upon enrollment as U.S. colleges or universities.

Names of the 1969-70 Merit Scholarship winners will be announced April 30, 1970.

E. Hansen.
Ivar H. Anderson, son of Andrew and Ellen Anderson, was born July 25, 1895 in Dixon County. He married Hanna Pearson on Mar. 9, 1919 in Concord. He was a retired farmer at the time of his death.
Survivors include his widow; a son, Dr. Ronald E. Anderson, Ithaca, N. Y.; two daughters, Mrs. Harley Bard, Wakefield, and Mrs. Winton Wallin, Laurel; a sister, Ethyl Anderson, Mesa, Ariz.; a brother, Ernest Anderson, Columbia, Mo. and 12 grandchildren.

Editors Renamed for WSC Stater, Spizz
Editors for the Wayne Stater and WSC Spizz were named last week for the 1969-70 school year, according to Freeman Decker, WSC director of publications. The editors for both publications served in the same capacity last year.
Diane Wilson, Lincoln, and Dave Bartlett, Spalding, were re-elected as co-editors of the Wayne Stater, and Bill Bennett will again serve as business manager, in charge of selling and billing advertisements.
Miss Wilson is an English major and a member of Phi Lambda sorority. Bartlett is a social science major and a member of the Student Union Board and Tau Kappa Epsilon fraternity. Miss Phyllis Mausbach, Humphrey, has been appointed as editor of the Spizz. WSC yearbook. She is a sophomore majoring in English and drama and is on the dean's honor roll.

Business Notes
Mrs. Stan Goodwin has taken over Style Rite Beauty Salon in Wakefield, from former owner, Amber Munson. The shop will be known as Carmen's Clip and Curl and will be open Monday through Friday.

This Is Carl Lueders

Carl's role in the Carhart industry is very diversified. He handles wholesale ordering and acts as a consultant to customers by estimating their jobs and obtaining the material they need. In addition, he works in conjunction with the managers of Carhart's other yards in ordering and stocking materials. Carl also works in retail sales in the store and has, in the past, drawn blueprints for homes and counseled and trained the younger members of the organization.

Wayne is Carl's original home. He and his wife Lillian have one son, Roger, who is married and an instrumental and vocal music instructor at Wausa High School. The Lueders are members of the Grace Lutheran Church, where Carl has served as a member of the church council.

In his spare time Carl does a lot of reading, is an avid sports fan, listing football and baseball as his favorite games, and enjoys fishing.

Carl has been with Carhart's for over 30 years.

Vet Awarded Bronze Star

Stacy Swinney, Wayne, received word recently that he has been awarded the Bronze Star Medal for his actions in Viet Nam during a 12-month tour of duty there from June, 1968 to June, 1969.

Swinney, son of Mr. and Mrs. Lee Swinney, Wayne, was discharged from the Army June 4. He had been stationed with the 1st Cavalry at Phuoc Vinh near the Cambodian border. The veteran was recipient of the Purple Heart in August, 1968 and was presented the Air Medal in October, 1969.

The Bronze Star Medal citation was presented to Swinney "who distinguished himself by outstanding meritorious service in connection with military operations against a hostile force in the Republic of Viet Nam. During the period June, 1968 to June, 1969 he consistently manifested exemplary professionalism and initiative in obtaining outstanding results. His rapid assessment and solution of numerous problems inherent in a combat environment greatly enhanced the allied effectiveness against a determined and aggressive enemy. Despite many adversities, he invariably performed his duties in a resolute and efficient man-

ner. Energetically applying his sound judgment and extensive knowledge, he has contributed materially to the successful accomplishment of the United States mission in the Republic of Viet Nam. "His loyalty, diligence and devotion to duty were in keeping with the highest traditions of the military service and reflect great credit upon himself and the United States Army."

BMI Darwin Hartmann recently returned from Viet Nam and is now spending a leave with his parents, Mr. and Mrs. Walter Hartmann, Hoskins.

Tech. Sergeant and Mrs. Edward Custer and family arrived last week for a visit in the Elmer Baker home at Wakefield after completion of a three and one-half year tour of duty in Germany. The family will now be living at Scott Air Force Base, Belleville, Ill.

Charles Kay, son of Mr. and Mrs. Harry Kay, Wayne, was recently promoted from the rank of major to that of lieutenant colonel.

Lt. Col. Kay has been in the military service since 1952 serving in France and more recently in Viet Nam. He is now back in the states and has this address: Lt. Col. Charles Kay, 219 Falcon, Sheppard AFB, Texas. 76311.

Navy Lieutenant Joseph H. Luallen Jr., husband of the former Miss Beverly J. Mathiesen of Allen, was presented the Navy Commendation Medal.

Lieutenant Luallen was presented the award for meritorious achievement while serving as Director of River Assault Training with the Naval Inshore Operations Training Center, Mare Island, Vallejo, Calif.

Lieutenant Luallen is now serving at the training center at Mare Island.

Lieutenant Luallen entered the service in June, 1944 and attended the University of Kentucky in Lexington.

U. S. Air Force Master Sergeant Robert A. Hochstein, son of Mr. and Mrs. Lawrence J. Hochstein, Randolph, has arrived for duty at Tyndall AFB, Fla.

Sergeant Hochstein, a radar

superintendent, is assigned to a unit of the Air Force Communications Service. He previously served at Goose AB, Labrador.

The sergeant is a 1950 graduate of St. Francis De Chantell High School. His wife, Marilyn, is the daughter of Joe Allar, Norfolk.

Cadet Robert E. Nedergaard, son of Mr. and Mrs. Gordon Nedergaard, Wayne, is one of more than 960 cadets who have entered their sophomore year at the U. S. Air Force Academy.

During the past summer, Cadet Nedergaard and other members of the class of '72 completed an intensive six-week training program at the Academy and armed forces installations across the country.

The cadets were trained in survival techniques and base defense tactics in the rugged Rampart Range area near the Academy. They also completed a combat course in infantry weapons at nearby Ft. Carson, Colo.

The final three weeks of training was conducted at several bases where the cadets got a first hand look at operational Air Force units and aircraft in various types of aircraft.

Also during the summer, Cadet Nedergaard completed jump training at Ft. Benning, Ga. He volunteered for the rugged training and made the required five jumps to win the coveted military parachutist's badge.

As he began his second year at the Academy, the cadet was named to the Superintendent's List for his outstanding academic

achievement. He will be granted special privileges and wear a silver star insignia recognizing the honor accorded him by the Academy dean.

A 1968 graduate of Wayne High School, the cadet will be commissioned a second lieutenant and receive a B. S. degree upon graduation from the Academy.

Lauren R. Boeckenhauer, son of Mr. and Mrs. Robert Boeckenhauer, Wayne, has a new address: S/Sgt. Lauren R. Boeckenhauer, E 506-62-6599, Co. B., 4th Bn. (M) 23rd Inf., APO San Francisco 96385.

Larry G. Slevers, son of Mr. and Mrs. Alfred Slevers, Wayne, has received a promotion to Specialist fourth class.

Slevers is serving at Nelligen Barracks, Germany, as a mechanic for heavy vehicles. He and his wife live in Nelligen.

His address: Sp. 4 Larry G. Slevers, 508-64-0825, 124th IEM Co., Box 54, APO New York, 09061.

Business Fraternity To Sponsor Seminar

The international business fraternity at Wayne State, Delta Sigma Pi, is sponsoring an investment seminar at WSC's Ramsey Theater on Wednesday at 7:30 p.m.

The speakers will be two representatives of Merrill Lynch, Pierce, Fenner, & Smith, Omaha. One of the topics is, "A Forecast of the Fourth Quarter," and the other will deal with the analysis of securities.

The seminar is open to the public and there will be a discussion period for those that have questions. Refreshments will be served.
