

Educational Service Unit Has Program to Aid Pupil

Residents in northeast Nebraska live in one of 32 states which have nearly revolutionized the concept of supplementary services to schools—services a school cannot provide for itself—through organizations such as Nebraska's educational service units, according to Harry Mills, Wakefield, ESU I administrator.

Educational Service Unit I works throughout six northeast Nebraska counties, Cedar, Dakota, Dixon, Knox, Thurston and Wayne. Mills noted. He said the area contains 28 K-12 school systems and 75 K-8 systems. Each school has students who are average, some above and some below average, consequently ESU I has purposely designed its total program of supplementary services around the

needs of individual students.

ESU I has started seven new remedial programs this school term for the purpose of aiding pupils with special difficulties. New classes got underway, according to the administrator, at Niobrara, Wymot, Hartington, Ponca, Dakota City, Macy and Walthill. He said Creighton, Bloomfield and Belden schools had ESU remedial classes last year. A total of approximately 130 students in the 10 schools named are being benefited by having personal help and attention.

In expanding its program for the 1969-70 term, ESU has added another speech therapist to the staff, Mills noted, making a total of seven instructors professionally trained to aid students in overcoming speech deficiencies. Therapists help pupils overcome articulation difficulties, stuttering or related problems stemming from hearing loss.

ESU I has started the third school for the trainable mentally retarded children, Mills pointed out. Eight youths are See EDUCATIONAL, sec. 3, p. 3

Over 20 Registered For First Aid Course

Twenty-two people are currently registered for the Red Cross First Aid Course which will be held at the Northeast Station at Concord starting Monday.

Those desiring to take the course may still register by contacting the Northeast Station at Concord, phone number 584-2091.

The classes will start at 8:00 p.m. and will continue on Monday nights through November.

The First Aid Course will cover the emergency treatment of wounds, shock, artificial respiration, poisoning, injuries to bones, joints and muscles, burns and ill effects of heat and cold, common emergencies and transportation of the injured.

Ros Stahler, Dixon County Agricultural agent and area youth specialist will be the instructor. All men, women and young adults who have completed the eighth grade may enroll.

NEN Men Leave For Induction

Two northeast Nebraska youths left Wayne around 4:45 a.m. Sept. 24 for Omaha where they were inducted into the army, according to Mrs. W. H. Caver, Selective Service clerk.

Herb Swan, son of Mr. and Mrs. Herbert Swan, Wayne, and Roger Meyer, son of Mr. and Mrs. Albert Meyer of Randolph were inducted.

Mrs. Caver reports that although there was originally a call for four men from Wayne County to report in October, the call has been cancelled.

1969 Wayne State Homecoming Queen Candidates

Beauty competes with beauty as these seven pretty coeds at Wayne State College pose amid the flowers near the Student Union.

Reason for all the smiles: they were named candidates for the title of 1969 Wayne State Homecoming Queen last week and one of them is smiling even more proudly today after being named Queen during coronation ceremonies at Rice Auditorium Wednesday night. She will reign during the rest of the week and will be presented along with her court before the Wayne-Chadron game Saturday afternoon and again at the Homecoming Ball Saturday night at Rice.

Candidates for the honor are (from left) Linda Schroeder, sophomore from Fremont; Beverly Prosch, senior from Bloomfield; Carol Schaffer, senior from Norfolk; Dianne Frisch, senior from Creighton; Betty Dubas, senior from Fullerton; Claudette Sanders, senior from Sidney, Ia.; and Nancy Moline, junior from Sioux City.

Included in the week's activities are lighting of campus displays tonight (Thursday) at 7 p.m., the annual Greek Olympics Friday at 7:30 in the Willow Bowl and an alumni reception from 10 until noon Saturday.

The Wayne-Chadron game begins Saturday at 1:45 with pre-game ceremonies, the traditional Homecoming Ball at 9 p.m.

Annual Chest Drive Aids City Recreation Program

Many other towns in Nebraska the size of Wayne have about the same things to offer their people as we do—fine churches, schools, parks, places to shop.

But there is one thing Wayne has which it can look upon with justified pride—its city recreation program. Few towns have a better program, most towns don't even begin to offer their young people the opportunities we provide for them.

But our city recreation program—a program which many other towns have requested information about in order to imitate—costs money. One way it gets that money is through taxes which residents in the city pay. But the money raised through taxes is not enough to support

the many and varied offerings of the recreation program.

Another way it gets money is through the annual Community Chest fund drive. That fund drive will start Monday. You will probably be asked by one of several volunteers to give money to the Chest.

Before you decide whether to give to the drive you should know something about where your money will go. Two previous stories in The Wayne Herald discussed how agencies such as the Boy and Girl Scouts, Red Cross and Salvation Army make use of money donated to them. But the biggest use of the money collected during the week-long drive is for the Wayne recreation program.

And we should ask any parent with a boy or girl. Or better yet, give by Bressler Park during the summer and find out how the crafts the youngsters are being taught in the park program. Or watch some of the young boys—over 100 of them this year—learn the basic fundamentals of football on the local ball diamond as they work out and compete in games. Or attend one of the swimming meets, skating parties, girls' softball games or campouts. They're all part of the city recreation program.

Herald Hosts Coffee

All businessmen in Wayne are invited to turn out for the October businessmen's coffee hour scheduled for The Wayne Herald next Thursday, Oct. 9.

Sponsored by the Chamber of Commerce in an attempt to give businessmen an opportunity to tour other business places and get to meet fellow businessmen, the coffee will last from 9 to 11 a.m. The coffee hours are held once a month in different business establishments.

Wakefield Students Sing in 'Patriots'

Names of vocalists in the Wakefield High School who will be participating in the choral group known as "The Patriots" have been announced, according to Mrs. Diane Trullinger, music instructor.

Singing in "The Patriots" will be Betty Johnson, Marlene Mills, Barb Fischer, Laurie Luders, Mary Preston, Leslie Swanson, Miles Pearson, Chuck Rouse, Richard Magnuson, Keith Boeckenhauer and Bob Johnson.

The choral group performs during various school functions throughout the school year, particularly before basketball games, singing "The Star Spangled Banner."

Haun To Offer Solutions to Typing Dilemma

"I will suggest to the board of education Monday night at least three solutions to the problem," Superintendent Francis Haun said last week when asked what steps will be taken in order to continue offering typing to the free high tuition students who attend Wayne High School.

Superintendent Haun and the school board have been criticized lately by some area people for failing to take steps to assure that free high tuition students will be offered typing when they attend Wayne High. About 20 people, mostly rural residents, met with the board at its September meeting and said that it was the school's responsibility to see that all its students have an opportunity to take such an important course as typing.

About two years ago the school board decided to begin moving typing from the high school to the Middle School. Although still offered in high school this year, typing will be offered only in the Middle School next year as the two-year phasing out is completed.

Superintendent Haun said he is the one who should be blamed for the present problem and not the school board because he should have had a solution at hand two years ago when the initial decision was made. "The school board merely followed my recommendations to move the course to the other school," he said. "I'm the one who should have given them a definite plan which would have made sure these students would get the course."

Haun pointed out that it was never the school board's intention to make typing unavailable to those students entering Wayne High from rural schools.

"We knew a problem would exist two years ago when we decided to phase typing out of the high school, but I could not find

an adequate solution to recommend to the board at that time. I'm still not sure what the school should do to make typing available to these students, but I have come up with several possible solutions," Haun noted.

Those possible solutions he will present to the board Monday night include:

- Offer typing to those rural students at the Middle School during regular school hours.
- Offer typing early in the morning at the Middle School, probably at eight o'clock.
- Offer typing during the first See HAUN, sec. 3, page 2

Six Students Awarded Commendation Letters

Letters of Commendation honoring them for their high performance on the 1969 National Merit Scholarship Qualifying Test (NMQT) have been awarded to six students at Wayne High School, according to Fred Rickers, principal.

Those named commended students are Roger Boyce, son of Mr. and Mrs. Donald J. Boyce, Wayne; Kathy Coan, daughter of Mr. and Mrs. James Coan; Wivona Peterson, daughter of Dr. and Mrs. Walter Peterson; Verl Preston, daughter of Mr. and Mrs. Jason Preston; Bruce Ring, son of Mr. and Mrs. Merle Ring and Paul Thum, son of Mr. and Mrs. Oscar Thum.

They are among 39,000 students in the United States who scored in the upper two per cent of those who are expected to graduate from high school in 1970. The commended students rank just below the 15,000 semifinalists announced in September by the National Merit Scholarship Corporation (NMSC).

Edward C. Smith, president of NMSC, said: "Although Commended students advance no further in the Merit Scholarship competition, their outstanding record in a nationwide program deserves public recognition. Their significant academic attainment gives promise of continued success in college."

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Our nation will See STUDENTS, sec. 3, page 3.

Skies Rain 'Money'

Some parents probably had their youngsters scampering up trees while others may have used poles to reach up and shake the limbs, but whatever method they employed they probably ended up with at least a few Lucky Bucks after the airplane dropped the first of two large loads on the city Wednesday afternoon.

The drop from the airplane, which was scheduled for from 4 to 4:30 p.m. yesterday, kicked off the three-day "Dollar Days" promotion, a city-wide promotion which has become an annual affair. The promotion is sponsored by the Wayne Chamber of Commerce.

Another drop of the Lucky Bucks—which are redeemable at the stores whose names appear on those green slips of paper—is scheduled for seven o'clock tonight. This is the first time the Chamber has used this method to kick off the event.

The Lucky Bucks are worth \$1 each toward any purchase at the store named on them and can be used when buying merchandise today, Friday and Saturday.

The Chamber committee said that over \$30,000 of the Lucky Bucks would be dropped from the airplane yesterday and today. Over 50 stores in the city are taking part in the promotion.

Residents in the city should get out those rakes and start working on the lawn. Not to get rid of the leaves, but to rake up those green slips of paper.

TOTAL WRECKS: These two cars (the one in the foreground is the State Patrol car) were total wrecks after being involved in an accident at a county road intersection southwest of Wayne Sunday afternoon. The accident involved cars driven by Dennis E. Janke, 27, of rural Wayne (the car at right) and Mrs. Irene Hamilton of Wayne (the car in the ditch) and took place shortly before 5 p.m. at a crossing four miles south and six and one-half west of Wayne. Janke, who suffered a cut lip and broken tooth, was driving east when he rammed into the left side of the Hamilton vehicle as it was going north, according to Trooper T. J. Rogers, who investigated the accident. Janke's two younger brothers, Phillip and Robert, both 14, were riding with him and were taken to a hospital in Norfolk. One of them complained of back pains. Mrs. Hamilton, riding alone in her car, was taken to the hospital in Wayne, suffering from multiple bruises.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

Is the Criticism Justified?

Our Goal For 1970 Is

\$10,000

How much is a fair share for a Wayne citizen - individual or family - to the Chest? The answer is highly personal, of course, but each of us might ask this question: How many dollars is it worth to give a youngster a year's experience in one or more activities in the Recreation Program, or in Scouting, or in the Red Cross-sponsored swimming and lifesaving classes?

NATIONAL 4-H CLUB WEEK

We Salute the Leaders of Tomorrow... Our 4-H'ers

During National 4-H Club Week, October 5th to 11th we salute 4-H Club members everywhere, with special pride in the 4-H'ers of our community. This year's slogan, "Expand 4-H," expresses a goal that richly deserves the active support of all. Through the "Head... Heart... Hands... Health" program, 4-H molds character, teaches responsibility, encourages leadership and develops compassion for fellow men.

As we extend congratulations to 4-H Club members, we look to the future... for the 4-H'ers of today are the leaders of tomorrow. Since today they do so much toward building a better community and country, we can be sure that tomorrow, our future is in good hands. Let's "Expand 4-H"... and may 4-H activities and ideals ever flourish.

Hau -

(Continued from page 1)

part of the summer in the same way students in Wayne are offered driver education.

Hau said it is possible the high school may be able to offer one section of typing if enrollment in the vocational business course doesn't increase.

What prompted the decision to move typing to the Middle School?

Hau said that several studies have shown that eighth grade students can learn to become proficient typists. For this reason it was felt that typing should be offered in a lower grade so the student would be able to use it for a longer period of time while in school.

"Eighth grade students can learn typing because it is a skill," Hau said. "Once they learn that skill they will retain it for a long period of time, just like a person remembers how to drive a car even though he hasn't driven for a long period of time," he explained.

Another reason prompting the decision was the possibility of offering a better office practices course in high school if beginning typing were moved to the Middle School. The school pres-

ently offers a very good office practices course, according to Hau, and rather than run the risk of curtailing it the decision was made to move typing to the lower grade.

Space was another thing considered by the board when it made its decision.

Although the new high school is only just over two years old, many people do not realize how much the Wayne school system has grown or how greatly the curriculum has been expanded in the past 10 years, Hau noted.

Hau cited the following enrollment figures to emphasize the growth of the school: In the 1959-60 school year there were 579 students in the school system, 360 in grades kindergarten through eight and 219 in grades nine through twelve. This year there are 1,156 students in school.

The breakdown—361 in grades kindergarten through four, 342 in grades five through eight (Middle School) and 453 in grades nine through twelve.

Not only has the enrollment nearly doubled in those 10 years (579 compared to 1,156), but the curriculum has also been expanded, Hau said. The school during those 10 years has expanded its offering to include such courses

as German III, socio-economic, advanced biology, business law and vocational shop. This takes room, noted Hau.

Kiwanians Hear of Institute in Mexico

Wayne Kiwanians met for their weekly luncheon Monday noon in the Women's Club room and afterward heard two Wayne State College faculty members tell of a summer trip to Mexico.

Dr. Raphael Sosa, chairman of the department of foreign languages at Wayne State, and Prof. Robert Brady, WSC history instructor, spoke briefly concerning a summer trip to a Latin American Institute in Mexico City. Sixteen Wayne State College students accompanied by Mr. and Mrs. Brady flew to Mexico late in July to attend the institute.

Prof. Brady described Mexico's scenery, architecture, food and growth potential.

It was announced Monday that Circle K members on the WSC campus will sell "Trickor Treat" candy Oct. 20-27 to raise funds for the National Kidney Foundation, according to Dr. Oryld Owens.

Largest Scholarship In Memory at WSC Awarded G.I. Girl

Diana Zuehlke, a Wayne State College senior from Grand Island, is the recipient of a \$4,000 scholarship from Educators Security Insurance Company of Lincoln.
It is the largest scholarship college officials recall being awarded a Wayne State student.
Miss Zuehlke has a double major, mathematics and English, and a grade-point average of 3.87. She was among 262 students nominated for the company's scholarships by Nebraska school superintendents, said Omaha

Diana Zuehlke

Westside Supt. Vaughn Phelps, a director of the Educators Security Insurance Company. He headed the committee which made the final choice of scholarship winners.

Criteria for selection were intention to become a teacher, proven interest in teaching, high scholarship and extracurricular activities.

In all of these, Dr. Phelps said, Miss Zuehlke has excellent qualifications. She is scheduled to become vice president of Kappa Mu Epsilon, national honorary in mathematics; has been second vice president of WSEAN; was president last year of Alpha Lambda Delta, national honorary for freshmen women; and she was a dormitory counselor last summer.
The scholarship provides \$1,000 a year for four years at any college the recipient chooses, Dr. Phelps said.

Chest Drive

(Continued from page 1)
by Chest drive - \$10,000. A amount which will be given to the city recreation program - \$3,000.
That 30 per cent of this year's goal will help to pay for the numerous expenses involved in the extensive city recreation program. It will help pay the salary of a full-time recreation director - something very few cities the size of Wayne are able to afford. It will help pay for the gas to take youngsters to Wakefield for skating parties. And it will help pay for many other things - like the materials the youngsters use during the crafts lessons in the summer park program... or like the equipment needed to teach boys how to play football, basketball, baseball, golf and boxing... or like the paint which recently went on the boys' club room above the fire hall.
The city through its tax mill levy and appropriations pays the major cost of supporting this program. But that doesn't raise enough money (last year it amounted to \$15,000) and therefore the program, if it is to remain as extensive as it is, needed to obtain money some other way. That other way is through the annual Community Chest fund drive.
When you are asked next week to donate, think about what the city recreation program offers the young people in Wayne. And then remember that your donation will not only help support it. Your donation will also provide funds to help support those other organizations.

The ESU administrator has a program available for presentation at PTA meetings. He said any PTA interested should contact him at the ESU office in Wakefield.

Students

(Continued from page 1)
benefit from their continuing educational development.
The Commended students' names are reported to other scholarship-granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1969. The reports include home addresses, test scores and anticipated college major and career intentions of the Commended students.

Good Morning Feeders & Hi Mom

By Eddie Collins

The telephone rings on the county line, "Hello Mam", this is the USDA Statistical Service. How many cattle are there on your place?"

"Sir, the neighbor has had about 20 wild steers in our corn all summer; as for us, we only have two milk cows."

The next call, a five-year-old that can't read a clock answers "uhuh" or "more than that" to a question, "Does your Daddy have a thousand head?" To a USDA computer in Washington, the cattle population just jumped 15 per cent.

The USDA sends out hundreds of thousands of questionnaires. I've yet to meet the farmer that has ever acknowledged filling out a correct livestock report—and very few return the questionnaire.

Today, the USDA releases some of the most price-damaging crop and cattle-on-feed reports imaginable. It is worse than rain for a class reunion—or 20 chaperons at the junior prom. They are untimely and unneeded. PURPOSE: to guarantee the consumer cheap food, to inform speculators, and to employ thousands of people.

These reports are jokes—cruel, deceitful jokes. This year Texas had a drought. Calves were prematurely weaned and placed in commercial feedlots. The last two cattle-on-feed reports showed Texas up 59 per cent. That's like counting the seventh and eighth grade football players as your varsity strength. But the results were probably the one greatest force to drop fat cattle prices \$60-\$70 per head since May.

How? The psychological impact. Markets no longer operate by supply and demand. Meat demand is manipulated—induced by advertising and price "specials." Chain stores can feature beef—or pork—imported or domestic—or chicken—and the housewife buys. Actually she seldom even knows of a one to two per cent statistical change.

But the chain store meat buyers know! Let one extra percentage point be reported, and carlot beef bids fall faster than boat values after the Johnstown flood. Like suits or jewelry after Christmas. Like used convertibles in Minneapolis after Labor Day.

No buyer will bid today on anything unneeded if he thinks tomorrow might be cheaper. Rather than stick their neck out two weeks in advance for beef commitments, they feature chickens. For advertising executives and meat buyers, the worry is not the price, but will the competition be lower!

Then speculators on cattle futures sway to the brokers' daily inside dope. Conservative bankers grow timid—recalling every collapse since the Civil War. And buying orders drop lower than a February church collection.

And what of the reports? Usually read just. But only after the damage has been done.

Today farmers face turnrow prices of 90¢ on corn, \$1 wheat. Today choice beef is less than 1968 despite consumer reports to the contrary. Funny thing, a

cow only has one calf per year. Numbers change slowly, an immature calf is not beef—so why the panic?

Merely because of that dumb, stupid, unneeded report. It sapped your community of all the profit that farmers were due... or overdue. Give farmers an increased income and it will rub off on every cornbelt businessman. Keep farm income at a break-even point and only the

"Cattle-on-feed are just like termites, you see one and there's 100, 200, 300, 400....."

farm auctioneers and corporate, conglomerate farms will exist... and their business is wholesale... from the city.

Crop reports? Cattle-on-feed reports? Who needs them!

CATTLE FORECASTS: Continuation of weekly pressure but at prices \$1 above the low point of mid-September. Cash corn—would you believe \$.90 to \$1 at the turnrow. If Texas feeds cattle and you don't, look for corn to drop below \$.75.

CATTLE PROSPECTS: Two dollars higher as soon as Texas cleans house. November hogs—higher than choice helters...

4-H Youth Work

There is a ray of hope for a reduction in the number of motor-vehicle accidents in hundreds of communities across the country. And hope is turning to reality in areas where young drivers and pre-drivers are participating in the 4-H Automotive Program.

Conducted by the Cooperative Extension Service with the help of the local police departments, firemen and community leaders, the program aims to develop the right attitudes toward safe driving. And the popularity of the 4-H program is shown by the increasing number of teens who enroll and complete the course of study. Nearly 70,000 participated last year.

E. C. Hale, chief of police in Lexington, Ky., claims the 4-H program works. In three years, teen motor-vehicle accidents in his city decreased from 1,034 to 967. Fatalities dropped from nine to two and injuries from 206 to 156. Chief Hale also says that he is encouraged by the increasing interest and responsibilities taken by young people in the conduct of the program.

"It has proven to be an excellent tool in preventing losses of juvenile life in the community," he reports.

Nationally, the 4-H Automotive Program is supported for the 10th year by the Firestone Tire and Rubber Company, which provides incentives, recognition and other program aids. The company also provides a number of grants to state Extension services for program promotion and expansion.

At the national 4-H congress in Chicago on Nov. 30-Dec. 4, Firestone will award eight \$600 national scholarships and host state winners in the 4-H Automotive Program. And at numerous local recognition events, county medals of honor will be awarded this fall.

Although encouraged by the favorable response of young people, Firestone and Extension officials see need for increased effort. They note that during 1968, the National Safety Council reported 26 million licensed drivers, one of every four, were involved in motor-vehicle accidents. Deaths totaled 55,200 and some 2,000,000 persons were disabled.

Youth of 4-H age, under 20, represented 10.2 per cent of all drivers and accounted for 15 per cent of the fatal accidents and nearly 17 per cent of all accidents. They were surpassed only by the 20-24 year olds.

Four-H young folks are aware of the fact that many people wear seat belts on long trips but not on short trips or around town, yet half the fatal accidents occur at speeds under 40 miles an hour and two-thirds of them within 25 miles of home.

Get rid of paints and thinners as soon as you are finished with them. Keeping them around too long could lead to an explosive situation if they are not handled properly.

Business Notes

The Farmers Union Coop Service station in Wakefield held a grand opening Saturday with approximately 200 persons registering, according to Glenn Longe, manager.

Prize winners were: Karen Georgesen, Hubbard; Mrs. James Gustafson; Francis Rohde and Mrs. Alden Johnson.

William L. Norvell of Laurel, general agent for The Ohio National Life Insurance Company, recently established a record by winning the President's Trophy for the fourth consecutive year.

The award, presented him in Denver recently, is given annually to an agency for outstanding service to current policyholders and for adding new policies during the special month set aside annually to honor Ohio National's president. It is earned by team effort. Nine of the Norvell career agents (including Norvell himself) qualified for individual honors during the special month: Robert Dittman, Rick McGeorge, Daniel Morgan, Richard Rimel, Paul Steffen, Jimmie Thompson, Charles Girdner, Cameron Sutton and Don Poelstra.

Norvell personally placed among the top five of all company representatives in total sales volume and one of his career agents, Richard Remel, placed second in number of new policies.

The Norvell agency is represented in 20 cities in the tri-state area. Its main office is in Laurel.

Srb Receives Award

Hugo F. Srb of Lincoln, a 1920 graduate of Wayne Normal School and clerk of the Nebraska Legislature since the beginning of the Unicameral system in 1937, will be the 1969 recipient of the Distinguished Service Award of the Native Sons and Daughters of Nebraska.

The award, 16th one to be presented since it was established,

To Market We Go

You will have a chance to test your food buying skills when you "Come to Market" in Norfolk next Tuesday at the city auditorium.

This is a Producer-Consumer Conference where you will hear producers and specialists discuss consumer power, protection and spending.

Exhibits on food choice to save time and money are prepared by Sandra Dickison and Ethel Diedrichsen, University of Nebraska Extension food and nutrition specialists.

What influences food prices? To answer this question will be University of Nebraska agricultural economists, Dr. Glen Vollmar and Allen Wellman.

Some of you who have heard Mrs. Lorena Meyers from the Food and Drug Administration

will be happy to hear she is again in this area. "Consumer Protection" is her topic at the conference, so don't miss it.

Be at Norfolk by 9:30 a.m. for coffee and registration. Bring a sack lunch for your noon meal. Dessert and coffee will be provided by the Nebraska Council of Home Extension Clubs. You will be headed home by 3:30 p.m., full of up-to-date information for use now.

Producer-Consumer Conferences are sponsored by the University of Nebraska Cooperative Extension Service and the Nebraska Council of Home Extension Clubs.

Mental Health Clinic Offers Possibility of Helping Area Schools

The possibility of providing consultation services to various school systems in northeast Nebraska was discussed during an open forum sponsored by the eight-county Northeast Mental Health Clinic in O'Neill last week.

Consultation services could include such help as regular visits to schools by psychologists, social workers and rehabilitation counselors to supplement the efforts of school personnel in helping disturbed children, according to Dr. Stanley M. Reiss, clinical psychologist and administrative director of children services at the Northeast Mental Health Clinic. The staff of the Northeast Clinic and those of the satellite clinics at Dakota City, Har- ssett, Atkinson and Valentine are available to work with children and their parents, Dr. Reiss said.

The Northeast Clinic cooperated with volunteer community leaders from six northeast Nebraska counties to establish the satellite clinic at Dakota City. It serves Wayne, Dixon, Cedar, Knox, Dakota and Thurston Counties. A psychiatric team travels from Norfolk once a month to see people with mental and emotional problems.

Persons wishing to refer someone for clinical services or anyone wishing information about those services may contact the clerk of district court at the Dakota County courthouse. The satellite clinic is located at the Salem Lutheran Church four miles west of Dakota City.

Ministerial Group Picks New President

Father Paul Begley of St. Mary's Catholic Church in Wayne was named president of the Wayne Ministerial Association at the group's meeting Monday morning. Selected as secretary-treasurer of the group was Rev. Don- iver Peterson of St. Paul's Lutheran Church.

The group decided to urge all organizations in the city to keep Wednesday evenings, Saturday mornings and Sunday mornings open so that church activities can be carried on at these times without undue conflicts.

The group gave its approval of the program being offered at the Senior Citizens Center and urged that it be supported by the city.

Fifteen women helped Mrs. Donald Kay observe her birthday Friday afternoon.

Mr. and Mrs. Charles Pierson and Mr. and Mrs. Mauritz Carlsson returned Saturday from Abilene, Kan., where they toured Eisenhower Museum and spent the night in the Bob Schenck home.

Relatives helped Mrs. Lenus Ring observe her birthday.

George Thompson and Nadine, Colorado Springs, and his mother of Minnesota were overnight guests Sunday in the Harold Olson home enroute home from a fishing trip.

To observe Lori Jo's second birthday Monday dinner guests in the Dennis Carlson home Sunday, were Myron Olsons, John Vikens, Ron Wenstrands and Jim Stout.

Saturday evening Mr. and Mrs. Verdel Lund were guests of Vern Carlsons and Ivan Johnsons for supper to observe their wedding anniversary.

Last Monday afternoon a group was in the Mrs. Fred Lundin home for Mrs. Swan Soderberg's 90th birthday.

Last Sunday Mr. and Mrs. Alden Johnson and Mr. and Mrs. Marvin Mortenson were in the Ross Roberts' home, Council Bluffs to visit the women's brother and wife of Casper, Wyo., and Mr. and Mrs. Lowell Johnson, Stanton.

Relatives gathered in the Kenneth Gustafson home Friday afternoon for Jane's second birthday.

Last Monday evening Mr. and Mrs. Neil Lundahl, Rantoul, Ill., visited in the Lyle Boeschauer home.

A group of relatives were in the Burnell Grosch home Sunday to observe his 15th birthday.

Four young friends spent Saturday afternoon with Jonathan Kline for his birthday. Sunday evening the Kline family attended Robbie Eaton's birthday observance.

You can rely on it if you read it in The Wayne Herald.

PERFORMING AT HALFTIME: Tom Karel, Wayne High senior, leads the school band in the halftime ceremonies on the Wayne State field during the Neligh-Wayne football game Friday night.

It's Not Too Early To Get This Holiday Chore Accomplished

Again this year The Wayne Herald will print a list of the addresses of area men and women in the armed forces so it will be readily available anybody who wants to write them during the fast-approaching holiday season.

Although the deadline for sending the names in is still about one month away, it would be a good idea to set down right now and jot the name and address of that person you know in the service. Then send it to Christmas List, The Wayne Herald, Wayne. That way it's sure to get done.

Last year our list was quite long by the time it was completed. This year we hope it will be even longer.

The Christmas List will be a valuable guide to anybody who knows people in the service but who has lost their addresses, especially during Christmas season.

Remember: make sure the address is complete, spelling is correct and writing is legible.

Council Acts To Eliminate City Communications Gaps

What some people consider a potentially dangerous setup in the city's communication system will be changed as soon as the paper work can be completed, matching funds obtained and qualified people hired.

The city council Tuesday night authorized Vern Fairchild, chief of police, to begin taking steps which would result in a central dispatch station being set up to handle all the radio calls for the city, county and the college.

The central dispatch station, which will probably be located in the police station, will blot out those "communication gaps" which could at some time prove disastrous.

Decision to go ahead with the station was reached after Fair-

child told the council how it was by mere luck that an emergency message was received recently when the Wayne ambulance was involved in a wreck near Laurel. With a central station such dangerous gaps would no longer exist, according to Fairchild.

Applications for four full-time dispatchers are now being taken. Fairchild said priority would be given to the people with physical handicaps and those on social security. The dispatchers would work six eight hour shifts and then would get two days off before changing shifts. Each would be paid \$140 per month.

The central station would allow any of the city departments, the fire department, hospital and col-

lege police to get immediate attention on their calls. Those calls would go to the central dispatcher and he could in turn relay them or contact the necessary people.

Cost to the city for the equipment for the base station would be \$640. This would be the city's 40 per cent share in the matching funds setup. Cost of the dispatchers' salaries would amount to about \$6,720 a year.

Although the decision to improve the city's communication system was reached almost immediately, the council deliberated for over an hour while listening to the pros and cons on the proposed subdivision to the west edge of Wayne. Result of the deliberation: subject tabled until the next meeting.

Council was unable to reach a decision on whether to accept the final plan for the subdivision, known as The Knolls, because of conflicting recommendations from some of its city employees. See COUNCIL, page 5.

College Welcomes Visitors During 1969 Homecoming

The welcome sign is out for Wayne State's homecoming week festivities.

From the queen coronation ceremony at 7:30 Wednesday night to the concluding dance Saturday night at 9, the sights and sounds are of public interest.

"Sights and Sounds of the Sixties" is the homecoming theme, and numerous campus displays will illustrate highlights of the

spectacular decade nearing its end. All the displays are to be ready - many of them lighted and animated - for viewing at 6:30 tonight (Thursday), and visitors are welcome to drive or walk past them. The displays will remain in place through Saturday.

As usual, the freshman of each dormitory have concocted many skits for a show at 8 Thursday night in Rice Auditorium. And the social fraternities and sororities will stage their annual Greek Olympics at 7:30 p.m. Friday in the Willow Bowl.

Alumni are especially invited to a reception from 10 to noon Saturday in the Student Center, and W Club alumni will have an additional place to gather - for lunch at noon in the Center. The queen and court will be

Break-In Reported

Gary Kant, manager of Winside Delly Inc., informed the Wayne County Sheriff's office Monday morning that a thief or thieves had broken into the business firm some time between 6 p.m. Saturday night and 7:30 a.m. Monday morning. The plant is located on Highway 35 southwest of Winside.

The Sheriff's office investigated and reported that about \$30 was taken from a pop machine. The safe was also damaged but was not opened, according to the officers.

Investigation will continue.

Council Gets \$4,000 Tip

Keith Mosley, local manager for Peoples Natural Gas in Wayne, Tuesday night presented a check to the city of Wayne for \$4,872.67, representing a voluntary payment by the utility based on gross revenue for the first half of 1969.

Mosley gave the check to the city council during its regular meeting.

Wilson Staley, Peoples zone manager, said the annual voluntary payments by Peoples are a recognition by his company of its responsibility in aiding in the solution of economic problems in the communities it serves and an attempt to assure continued growth and civic development.

Peoples, which serves 256 communities in four states, is a division of Northern Natural Gas Company of Omaha.

Haystack Burns

Lightning struck and burned a haystack on the farm of Lewie Geewe southwest of Wayne about midnight Tuesday, making it the second haystack he has lost by fire in the past week or so.

The Wayne fire department answered the fire call but were unable to arrive in time to save the haystack.

Laurel Soldier Killed Serving in Viet Nam

Norman Fork, 21, son of Mr. and Mrs. Kermit Fork of Laurel, was reportedly killed in Viet Nam Friday.

Fork had been a member of the Second Mechanized Battalion of the 133rd Infantry Division of the Iowa National Guard, Sioux City, which was called to duty in Viet Nam last year.

A graduate of the Battle Creek, Iowa High School, the youth moved to Laurel with his parents in the spring of 1968. His father, Kermit Fork, is originally from the Carroll area. His parents farm near Laurel.

Fork had been serving with the 12th Infantry Division in Viet Nam since April, 1969.

His widow is the former Regina Larson of Sioux City. They were married in May, 1968.

No other information was immediately available.

NFWC Convention Is Held Sunday

The nine delegates from the Wayne Woman's Club who attended the NFWC Inter-county convention at the American Lutheran Church, Creighton, Friday are Mrs. Lester From, Mrs. Mildred West, Mrs. Alvin Daum, Mrs. Vernon Predohl, Mrs. Bruno Splittgerber, Mrs. Mabel Sorensen, Mrs. Christine Dillon, Mrs. John Owens and Goldie Leonard. About 100 were present from Wayne, Cedar, Knox and Pierce counties.

Creighton Girl Scouts presented the colors at the opening of the convention; Mrs. Robert Nau, Coleridge, led singing, and the Rev. John Reid, Creighton, gave the invocation. Creighton Mayor Kenneth Fyer gave the greeting and Creighton Woman's Club President Mrs. John Rogers Sr., gave the welcome. The response was by Mrs. Robert Munter, Laurel Woman's Club president.

Ruth Ebmeier of Laurel, who is a past state president, was Federation guest speaker with the topic, "What Are County Conventions For?" The Rev. Waldow Pierson, American Lutheran Church pastor, presented several vocal solos, followed by one minute reports from local presi-

dents. Goldie Leonard introduced past inter-county presidents and the American Lutheran Church Women served the noon luncheon.

The meeting reconvened at 1:15 p.m. with Mrs. George Falter, District III president, speaking on "Now Is The Time." Rhonda Zepf presented a musical selection and James C. Burt, State VFW Commander of Creighton, was guest speaker.

Plans were made for the 1970 convention in Laurel and the 1971 convention in Hartington. Mrs. Falter installed new officers, Mrs. Roy Thomas, Laurel, president; Mrs. Claude Israelson, vice president, and Mrs. Paul Ebmeier, Laurel, secretary-treasurer.

The Girl Scouts retired the colors after which a silver tea was held with proceeds going toward music scholarships.

REV. AND MRS. H. M. HILPERT were honored at Sunday services in the Winside St. Paul's Lutheran Church for his forty-five years service there. A service in Hilpert's honor was also held at the Carroll St. Paul's Lutheran Church last Tuesday evening.

Rev. and Mrs. H. M. Hilpert Honored In Carroll and Winside This Week

Pastor and Mrs. H. M. Hilpert of Winside, were honored this week at two services held in observance of his 45 years service in Winside.

Sept. 23 the couple were honored at an evening service at St. Paul's Lutheran Church, Carroll, and were ushered in by Elder Allan Stoltenberg, John Peterson, council chairman, gave the welcome and Arnold Hanson offered prayer. Gilmore Sals presented a brief address, "Feed My Lambs; Feed My Sheep." Mrs. Edward Fork read an original poem, "Don't Quit Us Yet."

Congratulations were offered by Mrs. Leonard Blecke, Ladies Aid president; Rodney Cook, Walther League president; Carl Peterson, Lutheran Laymans League president; Arnold Hanson, Sunday school superintendent and George Stolz, church treasurer for 32 years, who presented Rev. Hilpert a cash gift. Ladies Aid sang "What A Friend We Have in Jesus"; Walther League sang "How Great Thou Art"; Lutheran Laymans League sang "Beautiful Savior" and Sunday school children sang "I'll Be A Sunbeam."

The services closed with a song by the congregation and the Lord's Prayer, led by Arnold Hanson and the Sunday school children. The congregation was then ushered to the fellowship hall where Mrs. Anna Hanson, a charter member of the church, poured at a luncheon prepared by the church women.

Five hundred twenty-six persons attended the special morning service and noon meal Sunday at Winside which honored Pastor and Mrs. H. M. Hilpert. Dr. Oliver Farms, past president of the Lutheran Church from St. Louis, Mo., was guest speaker and Rodney Hilpert, son of the Rev. Hilpert, was liturgist. Ladies Chorus sang "Great is the Lord," accompanied by Mrs. Carl Ehlers. Guests were registered by Mrs. Werner Janke and Melvin Froehlich and church women served.

C. O. Witt and Mrs. Alfred Miller registered the 355 guests present for the 2 p.m. service. Mrs. Victor Mann played the prelude. Richard Miller, Sunday school president, introduced the Sunday school pupils who sang "I Am Jesus Little Lamb" and "Who Made the Sky So Bright

Chadron '11' WS Homecoming Foe

It will be fourth and first Saturday for the Wayne State Wildcats in their 2 p.m. homecoming clash with Chadron State—fourth game of the season and hopefully their first win.

The gridgers gained their first score but lost a 14-7 decision Saturday to Missouri Southern at Carthage. Despite the setback, Coach Del Stoltenberg noted improvement over previous games, especially in offensive line performance. The defensive backfield also looked stronger, Coach Ralph Barclay added.

Actually, the Wildcats outgained the MSC Lions in most of the statistics, even after the 65-yard drive Southern mounted for a touchdown a minute and a half from the end. Only in penalties of 106 yards did Wayne come out worse than Southern, with 77.

The season's first Wayne tally came on a Marty Going to Tom Hudson pass of 15 yards, capping a campaign of about 60 yards. Bill Mimick kicked the point. The homecoming foe is expected to give Wayne a stiff test, even without starting quarterback Tim Turman, injured in Chadron's 31-28 loss to Eastern Montana last Saturday. In three games the Eagles have piled up 108 points while giving up 63.

Like Wayne, Chadron has a roster loaded with underclass-

men—18 sophs and four freshmen, seven seniors and 10 juniors. Twenty-four of them are lettermen.

In a series dating to 1912, Wayne and Chadron have identical records, each with 22 victories and not one tie. The Wildcats still recall wryly the 26-0 trouncing they took at Chadron a year ago. That, however, was the Wayne season's nadir, with a host of injuries to key players, including the first three tailbacks.

Reds Manage Slim 14-12 Win Sunday

Scott Ehlers, stymied on his quarterback sneak attempt, fired a pass to Kerry Jech on the extra point attempt with 15 seconds left in the game to give the heavy division Red team a slim 14-12 victory over the Gray squad Sunday afternoon. The win was their first this season in the city recreation grid action.

Gregg Biltoft had tied the game at 12-all seconds earlier when he scored from two yards out.

The Gray squad grabbed a 6-0 lead in the first quarter when Gordon Cook went around his right end and scampered 65 yards for a touchdown. He added an-

other six points to the Gray score when he bulled over the Red goal from four yards out in the second quarter.

But the Red team rallied late in the first half and gambled on a fourth and goal situation on the Gray seven. Ehlers turned the gamble into points when he passed to Earle Overlin to cut the Gray lead to 12-6 going into intermission.

In the game between the light division teams, the Gray squad knocked off the Reds, 20-6.

Monty Lowe gave the Gray team a 6-0 lead going into halftime when he raced 55-yards for a touchdown. Tom Melers scored on the same play, off tackle, from 40 yards out in the third quarter to move the Gray ahead by 12 points.

The Red team finally tallied a touchdown in the fourth stanza when Jim Heppburn bulled over the goal from five yards out. But the Red team's hope of pulling off a victory turned to ice when three minutes left to play when the Gray's Bob Keating scored from two yards out. The pass from Paul Mallette to Eric Leffsted was good, giving them their 20-6 margin.

Win Kegling Prizes

Prizes for the high series in Saturday afternoon's junior bowling action were taken home by Phil Koerber and Virgil Kardell. The two teamed up to card a 367 series in the action. Kardell took top honors for high single game, a 127.

Winside Raps Hartington, 14-6

Winside scored touchdowns in the first and third quarters, then held Hartington to just one score in the final quarter of action to pull off a 14-6 victory in an away game Friday night.

Winside punished the Hartington squad on the ground, holding them to only four yards gain throughout the night. Winside, meanwhile, went about tallying 199 yards on the ground. Hartington, forced to fire 24 passes in the action, compiled 155 yards to Winside's 37 in their aerial attack.

Gary Soden, one of the key

players in the Winside victory, set up the first touchdown for the Wildcats when he intercepted a Hartington pass near mid-field in the first stanza. Winside drove to the two-yard line and then called on Soden to take the ball into the end zone to give the visitors a 6-0 edge. Highlight of the long drive was when Bob Jackson, leading rusher for the evening, raced for 40-yards off left tackle before being hauled down.

Jackson added six more points to the Winside tally when he scored on a short dive play from two yards out in the third period. Phil Witt boosted the Winside lead to 14-0 when he ran for the two-point conversion.

Hartington's lone score came on a pass play from five yards out, capping a long drive stitched together with several passes.

Leading the defense for the Wildcats was Phil Witt. He came

up with three lone tackles, assisted on 10 others.

Jackson's 92 yards in 19 carries led the Winside ground attack. Coming up with 86 yards on 16 carries was Phil Witt. Doug Deck carried twice for eight yards.

Gary Soden and Dave Witt gave the Hartington passer plenty to worry about during the action. Soden pirated two passes (one which he returned 80 yards before it was called back on a penalty) and Witt pirated one. One raced it 30 yards before being hauled down).

Winside, now with a record of two wins and one defeat, will travel to Walthill Friday night. Game time is 7:30.

BEAR FALLS. Two unidentified Wayne High freshmen knock down a Laurel ball carrier on the scrimmage line in Thursday's clash at Wayne. The Wayne team came out on top, 14-6.

Local Sophs Whip SSC

Wayne High's sophomores crossed the goal line in every quarter Monday to chalk up a 24-18 victory over a determined South Sioux squad.

South Sioux, trailing the hosts 12-6 at intermission, tallied two touchdowns in the third quarter, both of them coming on long pass plays, while allowing Wayne only one score to pull into an 18-18 tie.

But the local gridgers rallied in the final period when they drove to the South Sioux one-yard line and then went over on a dive play by Doug Sturm.

Wayne had scored in the first three quarters of action on touchdowns by Lonnie Biltoft from four yards out, Mike Ginn from three yards out and Biltoft from 25 yards out.

Workhorse in the rushing department for the Wayne squad was Lonnie Biltoft, he tallied 70 yards in eight carries. Also eating up considerable yardage were Ron King with 30 yards in seven car-

ries, Don Hansen with 26 yards in five carries, Doug Sturm with 18 yards in five carries and Mike Ginn with 17 yards in five carries.

Leading the defense were Bill Fletcher, coming up with four tackles and three assists, and Mike Ginn, tallying three tackles and three assists.

Coach Ron Carnes singled out four freshmen who were called upon to relieve some of the sophomores in the game. Tom Kerstine replaced quarterback Mike Ginn in the fourth quarter after Ginn bruised his arm. Other frosh seeing action were Charles Morris, Randy Nelson and Doug Sturm.

More non-varsity action is scheduled for Monday afternoon when the reserves hit the road for a game with Wisner-Pilger at four o'clock.

Gavins Point 'Just Right' for Vacation

by Charles E. Chace
Nebraska Petroleum Council

This fantastic vacation land has often been described as, "not too small, not too big, but just right." And the millions of visitors who have toured this region since the opening of the lake in 1954, will verify this description.

Lewis and Clark Lake is a big meandering body of water that was formed when Gavins Point Dam was built on the Missouri River north of Crofton. In some areas the lake is three miles wide and it has a one hundred mile shoreline with some of the most spectacular scenery in America.

It is a boater's paradise and scores of boats from the small outboard motor type to \$50 thousand dollar cruisers are seen regularly on the lake. In addition to boating, water skiing is at its best and there are many swimming beaches along the shoreline.

Fishing at Lewis and Clark is excellent. Species of fish to be found include bass, sauger, wall-eye pike, northern pike, catfish, trout and paddle fish. One can fish from a boat or from almost any place along the shoreline. The tailwaters also provide fabulous fishing and just to see the fish immediately below the dam is a marvelous sight. During seasons, waterfowl hunting is some of the best in the world.

Boating enthusiasts particularly like to float by the chalk cliffs which are inhabited by hundreds of swallow colonies. In the spring, one can guide his boat close to the cliff and watch the parent birds feeding their young inside the mud homes. The nests are

of dark mud and are easy to see against the white cliff.

A visit to the 664-foot wide Gavins Point Dam and its power plant is a must for any visitor in the area. Guided tours are available to view the machinery in this tremendous feat of engineering.

While in the area, visit the many points of historic interest including Santee Mission and Devil's Nest wilderness area.

There are many picnic and camping areas and the fall of the year is one of the most beautiful of all times. The nearby Nebraska communities of Bloomfield, Crofton, Hartington, Niobrara and Wausa offer every convenience. After your visit to Lewis and Clark Lake, you will agree that it's not too big, not too small, but just right.

WSC Runners Fall

In Dual Meet, 21-36

South Dakota University's cross country team defeated Wayne State in a dual meet here Tuesday, 21-36. Aaron Howe led the winners in with a 22:41 time over the windy four-mile course, followed by teammate Al Johnson in 22:47.

Mark Oswald came in third for the short-handed Wayne team

at 22:51. Roger Gemar, SDU, was fourth at 23:15; Paul Eaton, Wayne, 23:20; John Oliver, SDU, 23:42; John Wright, Wayne, 24:12; Warren Beebe, SDU, 24:35. Mike Floyd was SDU's sixth man, out of the scoring.

Wayne, short two runners, took tenth and eleventh place points.

St. Mary's Church

Plans Fall Festival

St. Mary's Catholic Church, Wayne, has scheduled a fall dinner and festival from 11:30 a.m. to 2:30 p.m. Oct. 12, according to Leland Foote, president of the men's club.

Foote said the dinner and festival will be held at St. Mary's Elementary School and, if the weather permits, festival booths featuring a variety of games will be placed on the lawn. Everything will be held inside in case of inclement weather.

Provisions have been made, Foote noted, for a carry-out meal service. He said tickets which cost \$1.50 for adults and 75 cents for children under 12-years-old will be available at the door or can be purchased from parish members.

The first major-league night game was played in Cincinnati in 1935.

NO TIME LOST. These two deer hunters, Darrell Doescher (left) of Wayne, and Noelyn (Butch) Isom of Allen, wasted no time last Saturday evening in downing these two bucks. The two hunters got their deer between Concord and Wakefield just before sundown — both within a few minutes. Doescher considered himself "pretty lucky" in bagging his deer since this is his first year at the sport. Doescher's deer had four points, Isom's had three.

Tickets for the homecoming ball Saturday night are being sold by Student Senate members and also will be sold at the door, \$2 a person. In the past, quite a number of townspeople and alumni have attended the ball. This year, the music will be by Buddy Morrow's orchestra.

Another dance Friday night at 9 in Rhee will feature the Rumbles. One \$2 ticket is good for both Friday and Saturday dances.

Local Counselor Attends State Guidance Meet

Ken Carlson, guidance counselor at Wayne High School, attended the seventeenth annual Nebraska Personnel and Guidance Association Conference held in Lincoln Thursday through Saturday at the Nebraska Center for Continuing Education.

Carlson attended the Guidance Evaluation Committee workshop Thursday which was hosted by Don Dean, director of guidance services in Nebraska. Other sessions covered such topics as teenagers and drug abuse, issues in counselor education, employment counseling, group counseling and the place of vocational-technical schools.

Featured speakers at the meeting were Dr. Joseph McVickers Hunt, professor of psychology at the University of Illinois; Joe McDonough, "Guidepost" editor of the American Personnel and Guidance Association; Dr. Frank A. Court, pastor of Trinity United Methodist Church, Denver; Dr. Elizabeth M. Drews, professor of education at Portland State College and Dr. George E. Mathes, education consultant for the public schools in Denver.

Arp Passes Course

Henry Arp, Wayne County assessor, received word Friday that he had received a passing score in completing a Farm and Ranchland Appraisal School he attended Aug. 13-15 in Lincoln.

The State Tax Commissioner's office arranged for the International Association of Assessing Officers to hold the school for county assessors.

Wayne Kietzer, training director of the school, notified the Wayne County assessor of his passing score and presented him with a certificate of completion. Kietzer noted, "The fact that you did successfully complete this course is an indication of your interest in furthering your knowledge in the assessment-appraisal field."

Local Men Hear VA Head During Lincoln Meeting

LeRoy Clark, commander of the American Legion in Wayne and Ellis Burdick, Wayne County veteran's service officer, were in Lincoln Wednesday through Friday last week attending the annual fall meeting of county veteran's service officers of Nebraska held at the state capitol.

Donald J. Johnson, administrator of veterans' affairs on the national level, told the officers, "VA expenditures in Nebraska during the past fiscal year totaled nearly \$65 million. More than \$15 million of this was in compensation payment to some 17,700 Nebraska veterans with service-connected disabilities."

Johnson called the "Nebraska Veterans Administration Educational Television Network" one of the most exciting "successes" in the state, saying it will benefit Nebraska veterans first.

Expected to be operational this fall, the network is a closed-circuit TV system connecting the VA's three hospitals in Nebraska at Omaha, Lincoln and Grand Island, with each other for two-way contact. The network will also connect to the Nebraska Psychiatric Institute which, in turn, connects with the Nebraska State Hospital in Norfolk.

At 3-Day Meeting

Francis Baum, superintendent of Wayne City Schools, attended the second administrative retreat for executive and standing committee members of the Nebraska Association of School Administrators at Camp Cedar near Central City.

Among those taking part in the programs during the retreat, which was held Sunday, Monday and Tuesday, were Senators Jerome Warner, Donald Elrod, Wayne Ziebarth, Harold Simpson and Richard Marvel.

Purpose of the retreat was to make school administrators more sensitive to the changing patterns of educational governance at local, state and federal levels.

Tips on Stretching Food Dollar Offered

Every consumer tries to get his dollar's worth, but it takes shoppers' know-how in making the right choices in order to stretch each dollar.

To help shoppers in making the best choices, the University of Nebraska Extension Service and the Nebraska Council of Home Extension Clubs are sponsoring a "Producer-Consumer Conference" at the Norfolk city auditorium on Oct. 7.

Opening topics at the conference will be "The Consumer Makes Choices," presented by Ethel Diederichsen and Sandy Dickson, NE Extension specialists in food and nutrition.

Also included on the agenda for the day will be talks on the food dollar by Glen Vollmar and Allen C. Wellman, NE economists and on consumer protection by Mrs. Lorena Meyers, consumer specialist with the Food and Drug Administration. There will also be a question-answer session during which the audience may seek answers to their consumer questions.

Council —

(Continued from page 1)

One problem concerned how the intersection of Third and Oak Dr. is to be laid out. The subdivider, Robert Vakoc, recommended to do away with the curve on Third St. The city's engineering firm recommended retaining the curve. That and other problems will apparently have to be resolved before the subdivider can get off the drawing board and go to work.

The council members turned down a request by Arline Ulrich to rezone an area in the southeast part of town from R1 (single family) to II (light industrial). Had the area been rezoned, the county weed control district would probably have built a steel building in the area to house its chemicals and equipment.

About seven people appeared before the council in objection to the rezoning, arguing that removing the residential zoning would open the area for other

building undesirable in such a part of town. A letter with signatures of 18 property owners in the area against the rezoning was also read to the council.

In other action the council: —Awarded the contract for additional work on the 10th St. sanitary sewer district to Finung Concrete. Finung's bid was \$3,212 on the work. The other bid, for \$29,50, was from I. E. Hall of Norfolk. Finung could begin work on the extension immediately. Hall could not get to it until the last of October or early November.

—Took steps which would insure the city of keeping its eligibility for matching funds under the Civil Defense program. Council is still hunting for a new Civil Defense director to replace Don Weible, who resigned earlier this year. The job would probably amount to a half-time job.

—Made a no-parking zone from midnight to 5 a.m. on the north side of Fourth between Logan and Nebraska.

—Approved the liquor license application of the local VW Post.

Henry Leseberg Services Held In Wakefield

Funeral services for Henry Leseberg, 59, Emerson, were held Monday at the St. Luke's Lutheran Church, Emerson. Mr. Leseberg died Friday at the Wakefield Hospital.

The Rev. Paul Lewis officiated at the rites. Vernon Anverson sang "Safe In The Arms of Jesus" and "The Lord's Prayer" accompanied by Mrs. Doree Levy. Pallbearers were Darrel Zeisler, Orville Zeisler, Arthur Zeisler, William Zeisler, Raymond Leseberg and Larry Leseberg. Burial was in the Memorial Park, Sioux City, Iowa.

Henry Leseberg, son of Frank and Marie Leseberg, was born Nov. 18, 1909 at Hubbard, Nebr. He spent most of his life in the state as a construction laborer. He was a member of the St. Luke's Lutheran Church and was married Oct. 24, 1933 to Elinor Zeisler at Martinsburg, Nebr.

Survivors include seven sisters: Mrs. Claus Peters, Piller; Mrs. Edward Miller, Ponca; Mrs. Maynard Hansen, Allen; Mrs. Walter Hansen, South Sioux City; Mrs. Donald Lenton, Ildon Field Road, N. J.; Mrs. Steve Papoweth, Westport, Conn.; Mrs. Kenneth Miller, St. Louis, Mo. and three brothers: Raymond of Emerson; Frank of Polydera, N. M. and Harry of Wayne.

Police Report Two Accidents

Wayne police officers investigated two accidents, received three reports of theft and checked four business firms left with doors unlocked during the past 10 days. Officers also directed traffic for funeral processions, checked on loose dogs and hosted 12 rural students as they toured the police station Friday.

An accident occurred around 3:40 p.m. Sept. 22 when a parked 1967 Chevrolet owned by Carl Damme was struck by a 1967 Ford driven by Alvin Ehlers who was backing from a parking stall on West First Street. According to the police file the Ehlers vehicle which had been parked next to the Damme auto hooked the left rear fender of the Chevrolet.

Terry Lutt reported Friday that a dog had been stolen. It was later returned. Mrs. Jess Spence told officers Friday that someone had stolen a battery from a gas company pickup and put a worn out battery in its place. William Reeg informed the police that a baby stroller had been stolen from behind Arnie's grocery store.

Police informed the management of four business firms during the three-day period of Saturday through Monday that doors of their businesses had been left unlocked.

Three autos were involved in a collision Saturday evening around 8:20 p.m. at the intersection of Pearl and Third Streets, according to the Wayne police file. Larry Teager of South Sioux City had stopped the 1964 Chevrolet he was driving at the Third and Pearl Street stop light while northbound. A 1969 Triumph driven by Dean Skolan, Wayne, pulled up behind Teager and also stopped. The Skolan vehicle was knocked forward into the Teager auto when hit from behind by a 1965 Chevrolet driven by Richard Gensler of Allen. James Erbes, 22, a passenger in the Teager auto, and Nancy Owens, 20, a passenger in the Skolan vehicle were checked at the Wayne hospital and released.

Public School People At Fall Conference Of Language Group

Four teachers from the Wayne City Schools system and a member of the board of education were in Rochester, Minn., last weekend to attend the fall workshop of the Upper Midwest Branch of the Orton Society, a group devoted to helping the child with specific language disabilities.

Attending the two-day meeting were Beulah Atkins and Etta Fischer, West Elementary teachers; Richard Mettler, West Elementary principal; Mary de Freese, substitute teacher; and Dorothy Iyer, school board member.

Special speaker at the Friday night dinner was Mary Lee Enfield, supervisor of the Bloomington, Minn., language disability program. She stressed that change must take place in order to help the 10 to 15 per cent of the students who are missing out on the regular program in most schools across the nation because of reading and spelling difficulties.

On Saturday morning Mrs. Margaret Rawson, former national president of the Orton Society, spoke on outstanding teacher training programs in the language disability field. Three Wayne teachers have trained at two of the programs she rated outstanding, Menlo Park, Calif., and Rochester, Minn.

Saturday afternoon was given over to group discussions on such topics as the classroom teacher's responsibility to the language disability child, techniques for language tutors and setting up programs.

Teachers or parents interested in knowing more about the organization may obtain information from Mary (Mrs. Kenneth) de Freese, who was named to the membership committee of the regional branch during the workshop.

Offer Foreign Service Examination Dec. 6

Young men and women in the Wayne area who are interested in international relations, public and business administration, economics, journalism, foreign commerce, political science, history, labor or any one of a number of other related fields of study may want to take the competitive written examination planned for early December at several sites across the state.

The test, which is required for Nebraskans interested in becoming foreign service officers in the Department of State or foreign service information officers in the U. S. Information agencies, will be given Dec. 6 in Omaha, Lincoln, Hastings, North Platte and Valentine.

You must obtain and complete a special application form and forward it to the U. S. Department of State in Washington, D. C., no later than Oct. 24 in order to be eligible to take the test. The form and descriptive literature may be obtained from the University of Nebraska Placement Office in the Nebraska Union, 14th and H, Lincoln.

Applicants for the written examination are usually between 21 and 31 years of age, must be citizens of the United States and must meet certain residence requirements.

The test and selection process includes both the written exam, which covers one full day of testing, and an oral examination. Dr. William B. Miller, a career Foreign Service officer who is on the Lincoln campus of the University of Nebraska this year as a visiting professor and diplomat in residence, will be available to consult with persons interested in taking the test.

Appointments can be scheduled with Dr. Miller at the Lincoln campus on Oct. 9 or 10 through the University Placement office.

Home Extension Council Plans Special Program

Plans for a Wayne County Achievement Day were revealed by Mrs. Emil Gutzman, achievement day chairman, at the quarterly meeting of the Wayne County Home Extension Council held Monday at 1:15 p.m. in the Wayne County courtroom. Twenty-five members were present representing 16 clubs and two ex-officio members, Anna Marie Kriefel and Myrtle Anderson.

"Cavalcade of Cottons" has been chosen as the theme for the Achievement Day Oct. 17 at the Hoskins Public School. Registration will begin at 1:00 p.m. Twenty-five garments from the National Cotton Council and McColl Pattern Company will be modeled by club members. Larson's Department Store will be showing cotton materials, according to Mrs. Gutzman.

New club presidents for 1970 were welcomed and introduced by Mrs. Arnold Wittler, County Chairman.

The 1970 Extension Club program was presented by Anna Marie Kriefel, area home agent. The following county goals were chosen by the council for 1970:

- Establish a \$50 scholarship for a senior girl in Wayne County who plans to enter the home economics field.
- Continue working in the women's division at the County Fair.
- Visit senior citizen rest homes.
- Contribute to Camp Halsey.
- Advertise the educational opportunities of extension work to benefit more people.
- Club goals chosen are:
- Contribute to the Norfolk Opportunity Center Workshop.
- Aid the hospitals.
- Aid the Wayne County Historical Society.
- 100% voting of club members in elections.
- A club officers training meeting for Wayne County was announced by Myrtle Anderson, area home agent for Nov. 7.

Marcia Krusemark to Marry Lonnie Nixon

Mr. and Mrs. Ed Krusemark, Wakefield, announce the engagement of their daughter, Marcia, to Lonnie Nixon, son of Mr. and Mrs. Ivan Nixon, Wakefield.

Miss Krusemark, a 1967 Wakefield High School graduate, has attended the University of Nebraska. Her fiance, a 1966 Wakefield High School graduate, recently received his discharge from the U. S. Marine Corps and plans to attend Wayne State College.

The couple are planning a Dec. 6 wedding.

Norfolk to Host District Meeting

Norfolk Federated Woman's Club will be hosts to the 66th annual District III NFWC convention Tuesday at the First Christian Church, Norfolk. Registration will be at 8:45 a.m. with call to order at 9:30. Presiding will be District President Mrs. George Falter of Creighton. District First Vice President Mrs. Ottwin Schlueter of Pender, District Second Vice President Mrs. John O'Neal of Clarkson and District Director of Juniors Mrs. Jack Faudel of Oakland.

Christ Lutheran Brownie Troop 132 of Norfolk will present the colors. Meditation by the Rev. John Becker, First Christian Church minister, will be followed by greetings from Ed Vrzal, mayor of Norfolk, Ed Hurd, president of Norfolk Chamber of Commerce, and Mrs. C. W. Chasebro, president of Norfolk Woman's Club. Mrs. Schlueter will have the response and program.

Morning activities will include "Reminders From Your Charmers," by Mrs. O'Neal, 10:15; singing, 10:45; opening of polls, 11; "There is a Hill in View," by Mrs. Irvin Watkins, NFWC first vice president, 11:15 and the officers' report, 11:30.

The noon luncheon, honoring recent past and newly elected county presidents, will be held in the church dining room with Mrs. Schlueter presiding. District Juniors with Mrs. Faudel will present the program.

The afternoon session will convene with Mrs. Kenneth Pollock, District Poet at 1:45 p.m., followed by "The Name of the Game is Involvement," by Mrs. L. B. Myers, NFWC president. Polls close at 2. Charlotte Bokowski, Nebraska charcolate lady of Omaha, will present "Light From the Shadows" at 2:30, followed by fall fashions from Schweser's of Norfolk at 3.

The 3:30 p.m. business meeting will include resolutions by Chairman Ruth Ebmeier and an election report by Chairman Mrs. Claude Strickland. Following recess the executive committee will meet.

Jane Predoehl and Pat Widahalm, District music audition winners, and The Golden Chorals will provide musical selections during the 6:30 banquet. Mrs. Falter will preside, and the address will be given by the Rev. Wablow A. Pierson of the Creighton American Lutheran Church. Mrs. Myers, NFWC president, will install officers at the conclusion of the convention.

District III is comprised of Antelope, Burt, Colfax, Cuming, Dakota, Dodge, Madison, Stanton, Thurston, Wayne, Cedar, Knox and Pierce counties. President of Wayne, Cedar, Knox and Pierce counties is Mrs. Paul Wegner of Creighton.

District III executive committee members not mentioned are Mrs. Jack Hawley, Fremont, third vice president; Goldie Leonard, Wayne, secretary; Mrs. Vernon Predoehl, Wayne, treasurer, and Mrs. Ora Russell, Tekamah, parliamentarian.

Air pollution is highest in the fall months, according to the U.S. Public Health Service. In some cities, pollution reaches 200 micrograms per cubic meter of air — a most dangerous level for many people.

Sioux Falls Girl Married Sunday To Edward Sherry

Linda Milstead, daughter of Mr. and Mrs. James C. Milstead, Sioux Falls, S. D., and Edward P. Sherry, son of Mr. and Mrs. Orville M. Sherry, Wayne, exchanged wedding vows at 2 p.m. Sunday in Our Savior's Lutheran Church, Sioux Falls. The Rev. Howard M. Blegen officiated at the double ring ceremony and Ann Morstad was vocal soloist, accompanied by Luene Wendstrand.

Given in marriage by her father, the bride appeared wearing a princess styled gown of bridal satin with re-embroidered lace panel inserts. The back skirt extended into a slight train and she wore a veil of bridal illusion which was caught to a crown and also extended into a train. Her bouquet was of white mums centered with a white orchid.

Attending the bride were Sherry Nesvik, Casper, Wyo., who served as maid of honor, and Susan Hoffman, Lemmon, S. D., bridesmaid. Their gowns were styled with cummerbund topped brown skirts and ivory waists with full sleeves. They carried old fashioned nosegays of fall flowers.

David Noyes, Wayne, was best man and groomsmen was Paul Stocum, Boston, Mass. Ushers were James Milstead Jr., Sioux Falls, S. D., and James Gatewood, Mitchell, S. D. The men wore tuxedos.

For her daughter's wedding Mrs. Milstead chose an aqua dress with embroidered sleeves and matching accessories. Mrs. Sherry wore a beige knit suit with dark brown accessories. Both had white cymbidium orchid corsages.

About 100 guests attended the catered reception held for the couple at Ramada Inn in Sioux Falls following the ceremony. Jan Sherry, Wayne, sister of the bridegroom, registered guests and Jean Brogman, Sioux Falls, arranged gifts. Marcia Renstow, Sioux Falls, cut the cake. Mrs. Ronald Milstead, Fargo, N. D., poured and Lee Sherry, Wayne, sister of the bridegroom served punch.

For her going away ensemble the bride chose a brown knit
