(Continued from page 1)  
ther education. "This is an excellent course and is doing a very good job in preparing these girls for immediate employment after graduation," he said.

The Middle School gained the attention of the board again in other action. Haun listed several things the board members should be studying now that they have had a chance to visit the building. Considerable renovation of the building may be in order if the building is to be used for many more years, Haun noted, the extent of which will depend upon what kinds of instruction the board wishes to provide there.

Some of the things the board must begin considering before long include large group instruction, modular scheduling (where classes vary in length daily), the ungraded concept (where students "contract" to do certain amounts of work) and team teaching (where teachers work in teams rather than alone).

Board member Dorothy Ley

noted that although the school system may be a long way from the ungraded concept, the board should begin studying this and other curriculum trends so it will be ready to change if change is ever needed.

The superintendent also reported to the board that the case of the missing school bus has been solved.

That bus, ordered from a local automobile dealer some months ago, has failed to show up. The reason for it was that the chassis had been sent to the wrong body company in Indiana. The bus, which was supposed to be here for the opening of school this fall, should be here within five weeks, according to the automobile manufacturer.

Board members also: Heard a report from the superintendent on the amount of money the school district will get in state aid for this school year. That money will total about \$122,000, up from the approximate \$99,000 received last year. Reason for the increase: passage by the legislature of a bill increasing by 40 per cent the state aid meted out to schools. (A detailed story in the next is-

sue will explain some of the aspects of this state aid).

Decided to bond four people who handle school funds. The four, who will be bonded for \$1,500 each, are Superintendent Haun, Fred Rickers, Loren Park and Bonnie Stanley.

Authorized Haun to accept the low bid from suppliers of fuel oil in Wayne.

Appointed Dorothy Ley and Irv Brandt to the salary committee which will soon begin working with the teachers concerning next year's salaries.

You can rely on it if you read it in The Wayne Herald.

# Nesting Eagles Blasted by Wakefield, 18-8

By Nörvin Hansen

Wakefield took advantage of numerous mental mistakes and what must have seemed an even dozen fumbles to the Allen fans to rack up an 18-8 victory over the visiting Eagles Tuesday night. The victory upped the Trojans' season record to three wins and two defeats, the same as Allen's.

The Wakefield backfield, often running around the slower Allen defenders, scored two touchdowns in the first quarter and another early in the third before the Allen squad began churning out yardage on the ground in its lone sustained drive.

But if the Allen squad looked rugged most of the evening, it was a junior who gave the Allen fans their few reasons for cheers. Brian Linafelter, a 165-pounder who made a big step toward becoming a starter for Coach Don Kruse, pirated three Wakefield aerals — all deep in his own territory — and returned one of them over 40 yards before being hauled down from behind.

Linafelter also scored the only Allen touchdown. That tally came with 5:06 left in the third period and capped a 76-yard drive which began about five minutes earlier after Eagle John Warner returned a Trojan kick to his own 24.

That long drive was one of the few instances during the evening of Allen's ability to move the ball by going straight up the middle. Calling repeatedly on sophomore John Warner and junior Loren Reuter, quarterback Gary Troth led his team straight into the Wakefield defenders as his runners churned out three, four and five yards at a time. Then Linafelter broke past two potential tacklers and scampered over the goal from 14 yards out for the only Allen touchdown. Seconds later, Bob Smith burst through Wakefield's line and raced into the endzone standing up for the two-point conversion to cut Wakefield's lead to 10 points, 18-8.

But after that score it was left up to Linafelter and Trojans Kip Bressler, Rich Kline and Leland Miner to get the fans to their feet.

Bressler, a junior running back, did it with just seconds left in the third period when he took a handoff from quarterback Kline on his own 35 and scampered around his right end for a gain of 50 yards before being cheated from a touchdown by Linafelter. Linafelter did it when he pirated his second of three passes early in the final stanza. He took the ball on his own 25 and raced all the way to the Wakefield 33 before running into a Wakefield defender. And Kline and Miner did it as they had all evening — by racking up repeated gains of five to 10 yards on end runs.

It was Miner and Kline who had given Wakefield its early 12-0 lead in the first quarter. Miner's score came with about three minutes left in the period on a run around his left end from 33

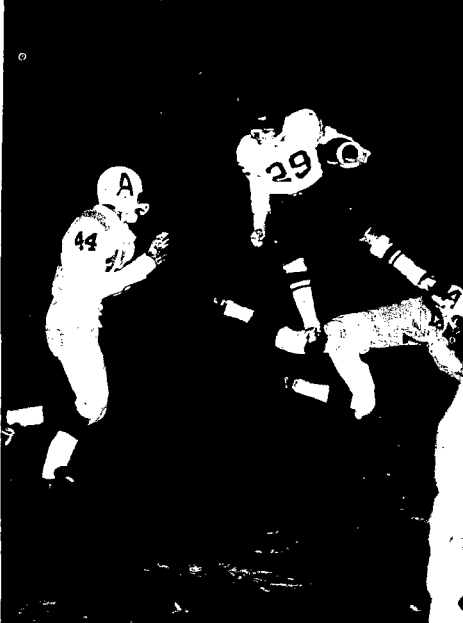

ALLEN'S MIKE ELLIS prepares for Rich Kline's hand in the face during a Wakefield gain Tuesday night. Kline and Leland Miner led the Trojans to an 18-8 victory over Allen.

yards out. Kline's came on a quarterback sneak from two yards with only 14 seconds left after Eagle defenders Jerry Genger, Mike Isom and Rick Gensler had teamed to halt the Trojan drive momentarily.

After the uneventful second period, in which both squads were forced to punt twice when halted early in their drives, Wakefield's strength overpowered the Eagles early in the third period. The Trojans needed just a half over one minute to drive 80 yards to paydirt after taking the Allen kick on their 20. The drive included only about four plays and a personal foul penalty against Allen. Leading the Trojans to the six points were Kline and Miner. Kline took the ball in from 23 yards out.

The Trojans, who may start showing signs of wear and tear when they meet Tekamah for their third game in eight days Friday night, dominated most of the statistics during the night's action. Only place Allen came out "ahead" was in the number of fumbles. The Eagles dropped the ball nine times, lost it four of them. Wakefield fumbled two times and lost one of them.

But Wakefield came out ahead in the places that count. The Trojans managed 11 first downs while holding Allen to nine. In the passing department, Wake-

AIRBORNE: Rich Kline hurdles one Allen defender only to find himself face-to-face with Allen's Brian Linafelter in Tuesday's game at Wakefield. The hosts clipped the Eagles, 18-8.

field completed 13 of three, Allen none of 11. And Wakefield came off the field with a total yardage of 218, 204 on the ground and 14 in the air. Allen gained a total of 120 yards, all on the ground.

Leading rushers for the winning Trojans were Miner with 97 yards in 14 carries, Kip Bressler with 56 yards in four carries and Rich Kline with 48 yards in 13 carries. John Warner carried the ball 14 times for a total of 78 yards for the Allen squad. Also gaining considerable yardage were Loren Reuter (50 in 10 carries), Bob Smith (30 in 7) and Linafelter (27 in 4).

The Eagles get a rest of over a week, giving them time to iron out those too-present mistakes, before they see more action. They travel to Coleridge Friday, Oct. 17.

Score by quarters:

Allen	0	0	8	0-8
Wakefield	12	0	6	0-18
Allen	Wake.			
First downs	9	11		
By passing	0	0		
By rushing	9	11		
Passes attempted	9	13		
Passes completed	0	3		
Had intercepted	1	3		
Yards rushing	120	204		
Yards passing	0	14		
Total offense	120	218		
Punts-yardage	5-109	3-93		
Fumbles-lost	9-4	2-1		
Penalties-yards	7-70	9-75		

The only legal handguns for use in Nebraska's firearm deer season are caliber 44 magnum, 357 magnum, 41 magnum, or 44 special. Legal rifles must deliver at least 900 foot-pounds of bullet energy at 100 yards. Muzzle-loaders, of caliber 40 or larger are also permitted.

### College Cager Gets Haskell Appointment

A former well known basketball player at Wayne State Teachers College has been named director of pupil personnel service at Haskell Institute of Lawrence, Kan.

Named to the position recently was Elmer Blackbird, a native of Macy and a varsity basketball player at Wayne State for about three straight years. Blackbird earned his undergraduate degree from Wayne and his master's degree in guidance and counseling from Northern Arizona University at Flagstaff.

Prior to joining the Bureau of Indian Affairs, he taught at Lynch for three years. He has taught on the Southern Ute reservation in Ignacio, Colo., and has worked with the Sioux Indians at Eagle Butte, S. D., and the Navajo in Arizona.

Haskell Institute is a business, technical and vocational school on the junior college level. It is the largest vocational school for American Indians in the nation.

## Blue Devils Homecoming Activities Start Tonight

Wayne High students, loyal football fans or not, will probably be out in force tonight (Thursday) in an attempt to get the Blue Devils riled up for their homecoming game with Plainview Friday night.

Methods to be used: a snake dance followed by a bon fire and a pep rally. The snake dance will start on Main St. at 7:30 p.m. and will weave through parts of the city until it reaches the practice football field south of West Elementary. There the students will hold their annual bonfire and pep rally.

Currently riding high on a winning streak of four straight, the Blue Devils will meet the visiting Pirates at 7:30 on the Wayne State field. But before the two teams clash, the 1969

homecoming king and queen will be crowned in ceremonies beginning at 7 p.m. The new king and queen will be paraded around the field prior to the opening kick.

Then the Blue Devils will attempt to keep their season record unscathed. And they will attempt it against a team which has yet to come out on top in its four contests this year. Plainview, tied with Neligh for cellar position in the west division of the conference, has a conference record of no wins and three losses, a season record of no wins, three defeats and one tie.

As usual, the traditional homecoming dance will not be held following the Friday night game. That event is scheduled for eight o'clock Saturday night in the state school auditorium. Playing for the affair will be "The Lip."

Contestants for royalty honor this year are Cindy Froehlich, Beth Bergt, Winona Peterson, Linda Pann and Laura Walker, and Dan Sutherland, Ted Armstrong, Doug Maier, Randy Helgren and Les Echtenkamp.

Delmer Butler of Sidney holds the state hook-and-line record for crapple with a 3-pound, 15-ounce fish taken from Lake McConaughy on November 30, 1961.

The Sacramento perch, introduced in Nebraska waters in recent years, more closely resembles the rock bass in physical appearance than the common yellow perch.

Pawnee Recreation Area in Lancaster County is composed of 2,544 acres, including a lake of 740 surface acres.
