

WS College Boosts Area's Economic Outlook Public Hearing Planned on Zoning of New Subdivision

By Merlin Wright

What kind of a body has 6,012 legs, rides around on more than 6,000 wheels, spends an estimated \$150,000 a month, consumes tons of food weekly, studies in an estimated \$17 million dollar plant and requires a full-time staff of 257 laborers to tend it? You're right on the first guess! It is the student body of Wayne State College.

Even wise Solomon with his thousand wives and thousands of servants might find it difficult to comprehend the total number of dollars involved in 3,006 students eating three or more times a day, having places to live, cars to drive, clothes to wear, laundry to wash, books to buy, plus costs for entertainment, insurance, tuition, doctor and dental bills, and, of course, having a little spending money!

Whatever the exact total amount of these dollars might be, the financial "shot in the arm" they give to the community of

Wayne and surrounding area is a sizable one indeed. For instance, each of 3,000 individual students spending a minimum of \$50 a month means \$150,000 a month outlay by students for essentials. Much of this is spent in Wayne.

Wayne considers itself fortunate to have both the students and faculty personnel in the city and appreciates the accompanying economic boost.

Dr. H. D. Johansen, dean of administration at Wayne State College, explained Monday that about 1,600 of the college students are housed in dormitories while the remaining 1,400 live in off-campus rooms, apartments, houses, and mobile homes in Wayne or the area. Although some commute to school from parental homes, the major portion of the 1,400 students live in rented facilities.

A FEW DOZEN of the 1,780 automobiles registered at the Wayne State College business office this term are parked north of the John D. Rice Health and Physical Education Building at the north end of the campus. Money spent by college motorists is but one of the many economic boosts in the area due to this "intellectual industry" being located in Wayne.

industry. Additional industry in the community means additional payrolls, houses, jobs and demand for utilities. Industry moving into town means physical and financial growth. Think of the size of the college "industry" which brings thousands of people into Wayne! Imagine how many small industries Wayne would necessarily have to have in order to employ having a similar number of people

as the college brings into the community. An industry employing only 250 people makes a noticeable impact on the demand for goods and services in a town. Wayne State's 3,000 students, not mentioning college personnel, equals having a number of industries in Wayne, each of which would bring 250 employees here to live.

Dr. Johansen pointed out that

the total 1969 WSC payroll for the 257 full-time college employees and the 382 part-time student employees amounts to \$2,189,590. The college is quite an "industry" indeed and spends an estimated \$150,000 a year for utilities.

Wayne State brings other thousands of people into our community through various entertainments. WSC, Sec. 2, page 4

Monday night the hot potato will be in the laps of members of the Wayne planning commission.

It will be then that the planners hold a public hearing on the proposed subdivision to the west edge of the city. The hearing will concern itself primarily with the subdivider's request that the area, presently zoned for agricultural purposes, be rezoned so single and multiple family dwellings can be built there.

That aspect of the proposed subdivision, the Knolls, is what gave the councilmen fits at their meeting just two weeks ago. After considerable debate on the

proposed plat for the subdivision and on the single and multiple zoning areas mapped out on the plat, the councilmen gave the subdivider their approval. But at the same time, they noted that they might not approve single and multiple zoning for the subdivision when asked for final approval of the plat after it goes through the city planning commission.

Now it is up to the planning commission to consider the plat and come up with recommendations, which can then be forwarded to the city council.

And if that recent city council meeting is any indication, the city planners will have to listen to arguments both for and against the inclusion of multiple family dwellings in the subdivision.

At that council meeting over a dozen property owners were present. A few of them voiced opposition to the multiple family zoning, arguing that it would lower the value of surrounding land and would be a step in the direction of ruling the quiet residential nature of the area just to the east of the proposed subdivision.

Those objections were countered by the subdivider's legal advisor, who argued that the multiple family zoning would be so restrictive that it would be lower surrounding land values. He also argued that there is a real need for more multiple family zones in Wayne which can provide less expensive housing to those people who can't afford

to own homes much over \$17,000. The planning commission will have to come up with recommendations concerning the proposed zoning so they can be forwarded to the city council. The council will then decide whether to allow multiple family dwellings to be built in the subdivision.

The hearing is scheduled for 7:30 Monday evening in the meeting room above the fire station. It is open to the public.

Tickets Available

Plenty of tickets are still available for the coming annual fund raising dance being planned by the Wayne volunteer fire department, according to members of the fire department.

Ticket sellers have already canvassed the business district and are now in the process of selling tickets in the residential area. Anybody who has not had a chance to buy a ticket may get one from any of the firemen, the banks or the taverns in Wayne.

Proceeds from the dance, which features Eddie Sheets and which is scheduled for Nov. 7 at 9 p.m. in the National Guard Armory, go toward helping pay for new fire department equipment and help support the junior fire patrol classes.

Cadet Meyer Makes Academy Honor Roll

Cadet Robert J. Meyer, son of Mr. and Mrs. John D. Meyer of Allen, has earned academic honors for the first six weeks grading period of the first semester at Wentworth Military Academy. He has earned superior grades to qualify him for the dean's honor roll.

Cadets who earn academic honors during the specified grading periods at Wentworth are accorded extra privileges and are permitted to wear the Scholastic Bar on their uniform.

Meyer attended his first three years of high school at Allen. He enrolled at Wentworth Military Academy this summer.

Up'n Coming

- Today (Thursday), state diesel operators tour city light plant.
- Friday, Wayne-Laurel football game at Laurel, 7:30 p.m.
- Saturday, beginning of annual win-a-car Christmas promotion.
- Monday, planning commission hearing on The Knolls subdivision, 7:30 p.m.
- Tuesday, annual pancake day at Wakefield.

THE WAYNE HERALD

NINETY-FOURTH YEAR Second Class Postage Paid at Wayne Nebraska WAYNE, NEBRASKA 68787, THURSDAY, OCTOBER 30, 1969 Published Every Monday and Thursday at 114 Main, Wayne, Nebraska 68787 NUMBER FIFTY-FOUR

Scouts Camp at Ike's

Five boys of Boy Scout Troop 174 of Wayne and 13 Scouts of Troop 172 of Wakefield camped overnight at Ike's Lake northwest of Wayne Friday and Saturday. Scouts and their leaders returned home Sunday.

Troop 174 members attending, according to Paul Hanks, Scoutmaster, were David and Gregg Anderson, Brian and Eric Johnson and Randy Park. Hanks and his assistant, Bob Barr, supervised the outing. Training was conducted in pioneering by building a monkey-bridge across a creek.

(Ike Groves, Alan Johnson, Bob Twite, John Groves, Scott Mills, Kirk Peters and Edward Schroeder.

The campout was part of the Lewis and Clark Scout District's fall camporee. Boys attending earned the camporee patch.

UNICEF Drive Slated Tonight

Although it may surprise some people, Halloween will be coming a day early for most people in Wayne this year.

The Wayne chapter of Future Homemakers of America plans on holding its annual house to house UNICEF (United Nations International Children's Emergency Fund) drive tonight (Thursday) instead of tomorrow night on Halloween because of the Friday football game at Laurel. The FHA members will be ringing doorbells from 6:30 to 8 tonight asking for donations for the fund. Those who contribute to the fund will be given either a pamphlet or a bookmark explaining what UNICEF is and where donations to it are distributed. The girls will be carrying orange and black collection boxes.

Last year the girls collected \$216 during their Halloween drive.

New CC Board Members Picked

Three Wayne businessmen - Larry King, Philip Grless and Steve Brasch - have been elected to the board of directors of the Wayne Chamber of Commerce, according to Chamber Manager Roger Elder.

The new members will meet with the present board at the group's meeting Monday. At that time the board will appoint a fourth member to the board, probably a person from Wayne State College, and will name a new president, vice-president and treasurer. The new board will meet officially for the first time in January.

King, Grless, Brasch and the person yet to be appointed to the board will replace Bob Merchant, Bob Lund, Francis Haun and Lyle Seymour. Merchant is the president of the group, Lund, vice president. Not going off the board are Kent Hall, Bill Richardson, Gene Fredrickson and Arnie Reeg, present treasurer.

Wayne Woman Is Recognized by Cancer Society

An appreciation certificate for her work with the American Cancer Society was received by Mrs. O. K. Brandstetter of Wayne recently. She was awarded the certificate Oct. 24 during the society's annual meeting in Omaha.

George Farder, chairman of the ASC board made the presentation in recognition of Mrs. Brandstetter's 15 years of service in the Cancer Society and expressed his sincere appreciation for her notable service in helping to save lives from cancer.

Mrs. Brandstetter is a member of the American Cancer Society's state board and has served on the executive committee for the past six years. She is also presently a lay member from Area IV.

Car Demolished as Driver Misses Dog

A Hoskins resident reportedly escaped with only minor injuries around 3 a.m. Monday when he swerved his auto to miss a dog on Highway 35 a mile southwest of Hoskins.

Gene Langenberg, 22, son of Mr. and Mrs. Henry Langenberg Jr., received facial lacerations when his car hit the guard rail alongside the highway.

Langenberg was taken to Norfolk hospital where he was treated and released. The auto was damaged extensively.

Trickin' Early in Allen

Youngsters in Allen will be making those trick-or-treating rounds tonight (Thursday) rather than on Halloween Friday night. Reason for the change is the Allen-Hartington football game scheduled for Allen Friday evening.

\$230 Stolen at Allen

About \$230 in cash, quite a large amount of money in checks and some merchandise was taken from the Farmers Co-op Elevator Co. in Allen during a robbery some time after closing Friday, according to Manager Richard Schaefer.

Schaefer said the thief or thieves also took a calculator and a typewriter from the office but dropped them outside the building.

Entrance to the building was gained by breaking in the front door of the Co-op, Schaefer noted.

Investigating the break-in, which was discovered when the store opened for business Saturday morning, were Robert Mavis of Wakefield, special investigator for the State Patrol, and Gus Schutte, Dixon County sheriff.

If You Don't Do It, It Won't Get Done

Only two more weeks are left before the deadline on accepting names and addresses for our servicemen's Christmas List. Do you have your contribution in yet?

Just jot down the name and address of that man or woman you know in the armed forces and send it to The Wayne Herald before that Nov. 13 deadline creeps up and past. We will publish the complete list in the following Thursday issue.

The list, which last year contained upwards of 50 names and addresses, will serve as a handy reference for anybody in the area who would like to send Christmas cards or gifts to those serving in the service. It is amazing how often addresses of servicemen become lost or changed.

Make sure the spelling and address are correct.

But most of all, don't assume somebody else will send in the name and address if you don't.

Whoops, \$45 Error

This week's Cash Night drawing is worth \$150, not \$105 as was incorrectly reported in the last issue of The Wayne Herald.

To be eligible for the drawing, which will be held tonight (Thursday) at eight o'clock, make sure you have registered in one of the stores taking part in the weekly promotion. Although no purchase is required, you must be present in one of those stores to collect the money if your name is the one announced.

Named State Head

J. Alan Cramer, publisher of The Wayne Herald, was appointed the Nebraska chairman of the National Newspaper Association during the organization's fall convention and mechanical conference in Denver in mid-October. Cramer replaces the publisher of the Nebraska Signal in Geneva, Tyler Edgcombe.

There's a Reason

What causes the price of meat to jump from the 26 cents a pound at live weight to the average 86 cents a pound at the store?

It may seem unrealistic for this large jump, but a University of Nebraska meats specialist offers an answer for the increase from what the farmer might get per pound to what a housewife might have to pay per pound at the local grocery. Read about what that specialist has to say on the subject in this week's column by Harold Ingalls, Wayne County agricultural agent. You'll find the column on the Farm Page.

Organizing Scout Post

A new Explorer Post is being organized in Wayne to work in relationship with Boy Scout Troop and Pack 175, according to Burns McCulloh, post adviser.

Halloween Dangers

Tomorrow night there will be plenty of youngsters running up and down Wayne streets as they go about their annual trick-or-treating activities.

Because of the extra hazards that exist each year at this time, motorists should be on the watch for children on their way to Halloween parties or on their rounds of the houses, warns the Nebraska State Medical Association. Also warned are the parents of these youngsters. They should caution them against running across the streets and should make sure they wear light-colored clothing.

Halloween Scene --

Jack-O'-Lanterns, Witches 'n Goblins

Some happy youngsters, a fresh jack-o'-lantern and lots of imagination. Those are the ingredients for an exciting Halloween anywhere across the nation.

Tomorrow night the sprites and spirits, witches and goblins will fill the air for a few hours as children begin their traditional rounds of trick-or-treating. And the next day there will probably be a lot of youngsters who wake up a little bit sick from too much candy, popcorn and cookies. But that, too, goes with Halloween.

Captured by this newly cut jack-o'-lantern are (from left) Chad Dorcy, 4, son of Mr. and Mrs. Jerry Dorcy of rural Wayne; Billy DeForge, 4, son of Mr. and Mrs. Larry DeForge of Wayne; and Tammy Ellis, 5, daughter of Mr. and Mrs. Keith Ellis of Wayne.

Don't be surprised if you don't recognize these youngsters among those rapping on your front door tomorrow night. For a few hours tomorrow night they'll look completely different. It's part of the tradition.

"Win A CAR" Rules

- Those eligible for prizes must be at least eighteen (18) years of age.
- Business owners and the wives and families of all the preceding are not eligible for any of the prizes.
- Employees are eligible for any and all prizes.
- A Grand Drawing will be held on Tuesday, December 23 for a car.
- There will be a Cash Prize of \$50.00 given on each of the following dates:
December 5-9-12-15-16-19
- Twenty numbers will be drawn for each drawing.
- The first number drawn will have the first chance to claim the prize. If the holder of the first number does not step forward to claim the prize within the allotted time, then the ticketholder of the second number drawn may step forward and claim the prize. This will continue until there is either a winner or all twenty numbers have been used. The winning ticket numbers for the Cash Prizes will be posted by the Merchants at 1:00 p.m. on each day there is a drawing. The holders of the tickets have until 8:00 p.m. to claim their Cash Prize. No announcement will be made until 8:00 p.m.
- The drawing for the car will be held on December 23, 1969. It will be handled the same as the \$50.00 cash prizes. Twenty numbers will be posted at 1:00 p.m. on December 23, 1969. The ticket holders will have until 8:00 p.m. to claim their numbers. Again, no announcement will be made until 8:00 p.m.
- The winner of the car will have his choice of the cars offered.
- In case of bad weather that would stop travel, an alternate date of December 27, 1969 will be used to give the car away. In case the alternate date is used, the time of the give away will be 5:00 instead of 8:00 p.m. In the event that December 27, 1969 wouldn't work, it will be the sole judgment of the Retail Committee to pick a date.

Wayne-Laurel Clash Promises Excitement

By Jack Manske

Two well balanced and apparently equal football teams will take to the gridiron Friday night when Wayne High invades Laurel for a West Husker Conference battle.

Although the traditional rivalry between the two schools is heightened by the striking similarity of the squads' performances this season, the game holds little strategic value for the Blue Devils who are in a hot race with Pierce for the divisional conference championship. Regardless of the outcome of the Wayne-Laurel confrontation, the Blue Devils must set their sights for Pierce on Nov. 7 since the winner of that game alone will represent the division in the playoff with the Fast Husker champions.

Wayne and Pierce currently share top spot in the conference with 5-0 records while Laurel trails with a 4-1 history (the sole loss being a costly one to Pierce early in the season). Even though the possibility exists of a knotted race with all three teams sporting 6-1 records at the season's end, Laurel would be eliminated since it went to the playoff last year and conference rules state that a team must win outright in order to represent its division two years in a row. Consequently, the Wayne-Pierce tilt will be of paramount importance since it will determine the champion.

But Friday night's clash at Laurel pitting two of the top teams in the area should prove to be one of the season's best

Wayne's offensive backfield of Mike Bilofto, Randy Helgren, Dan Sutherland and Randy Robins (from left) will probably see plenty of action in Friday's Wayne-Laurel clash.

games. According to Laurel Coach Vince Bramer, "The game may turn out much like last year's—it will be decided by two or three touchdowns." Wayne lost that battle, 19-7.

"Both schools have good boys playing on their squads and it probably won't be a run-away by either team," he added.

In comparing the two powerhouses, the Blue Devils hold a slight edge in scoring with a

total of 262 points against Laurel's 240. The opposition has gathered 46 tallies against Wayne and 47 against the Bears.

However, the conspicuous equality of the teams is evidenced in the outcome of their meetings with the same foes. Both schools trounced Madison, 34-0; Wayne beat Neligh, 32-8, while Laurel outscored the Dragons, 52-14; the Bears beat Plainview, 46-6, while Wayne chalked up a 40-0

win and Laurel overpowered Stanton, 50-13, while the Blue Devils won, 46-13.

Even though comparative scores don't always provide a sound basis for analyzing two teams, they should at least be taken into consideration when weighing the potential strength of Wayne and Laurel.

Team statistics find the Blue Devils leading in rushing with 2,187 total yards compared to Laurel's 2,056. Spearheading Wayne's running attack is Mike Bilofto with 56 carries for a 7.6-yard average. He is followed by Randy Robins (47/5.6), Randy Helgren (43/4.8) and Dan Sutherland (72/4.6).

Laurel's leading rusher is Jerry Sarha with 59 carries for an 11-yard average. Following him are Ross Dirks (27/8.8), Jim Schroeder (76/5.9), Rod Erwin (25/5.6) and Steve Erwin (61/2.9).

Passing could be a decisive factor in Friday night's contest

The Wayne (Nebr.) Herald, Thursday, October 30, 1969

1966	7	34
1967	26	6
1968	7	19
1969	?	?

since Laurel's aerial barrage has netted 750 yards for that team so far this season. Wayne has gained 580 yards in the air.

Quarterback Steve Erwin has completed 45 of 133 passes for 721 yards on the throwing end of Laurel's awesome passing attack. His principal receivers include Rod Erwin (eight receptions for 192 yards), Paul McCoy (13/170), George Schroeder (10/130) and Jerry Sarha (5/96).

Wayne's passing game is led by Quarterback Randy Helgren who has connected on 32 of 74 attempts for 529 yards. Leading receivers include Randy Robins with seven receptions for 195 yards, Ted Armbruster (3/85), Lonnie Bilofto (4/74), Doug Maurer (5/64) and Rick Robins (1/23).

Defense will also play a major role in determining the outcome of the annual battle since both teams obviously have great offensive potential. So far Laurel has given up 271 yards on the ground and the Blue Devils have limited their opponents to 310 yards rushing.

Ken Jorgensen and Dan Sutherland share defensive honors for Wayne with 27 tackles and 11 assists each. They are followed by Charles Weible (21-8), Les Echtenkamp (17-9), Bill Fletcher (16-15), Randy Helgren (15-2) and Steve Kamish (13-10).

Laurel's leading tackler is Paul McCoy (38-38). He is fol-

Waiting for Wayne Friday night will be these offensive backfield men on the Laurel squad. From left: Ross Dirks, Jim Schroeder, Steve Erwin (4) and Rod Erwin.

Coach Hansen Named District NCA Head

Allen Hansen, head football coach at Wayne High School, was named president of the Northeast Nebraska Coaches Association during the recent district teachers convention at Norfolk.

Hansen, who replaces Erv Wentling of Norfolk High School, will serve for one year in the

position. His duties will include setting up a program for the coaches for the district convention next October, seeing that the district is represented at meetings of the Nebraska Coaches Association and helping keep the district coaches informed on NCA activities.

Harold Maciejowski, athletic director at Wayne High, has gone off the board of directors of the NCA. He has served on the board for four years.

Jr. High Gridders Wallop Walthill, 62-30, Tuesday

Wayne's junior high recreation football squad kept its record unscathed by knocking off Walthill in a high scoring contest at Wayne Tuesday night. The local gridders sent the visitors scurrying home with a 62-30 defeat to add to their record.

Now with a record of four straight wins, the juniors high squad prepares for its final game of the season, a 7 p.m. contest against Lyons at Wayne Tuesday.

How the scoring for Wayne went:

First quarter—Earle Overin scored from inside Walthill's 20; Overin scored on an intercepted pass which he carried 70 yards; Marty Hansen scored from 28 yards out at the quarter's close.

Second quarter—Jack Froelich swiped the ball from the Walthill runner on an end sweep and skipped 55 yards for a TD; Charlie Johnson went over from five yards away on a roll out at the close of the period.

Third quarter—Marty Hansen ran for the only Wayne TD in the period.

Fourth quarter—Overin passed to Bruce Kucera for a 60-yard TD; Overin swept around his end from 22 yards out with about three minutes left in the game for the Wayne score; Marty Hansen fired a halfback option pass to Mike Manes from eight yards out for the final Wayne TD.

Hank Overin noted that the recreation sixth grade football players will practice Friday afternoon from 4 to 6 in preparation for the Saturday afternoon game against the second and third squads on the seventh grade team. That game will be held at 1:30 p.m. on the Wayne diamond.

Koeber, Kardell Win

Phil Koeber and Virgil Kardell teamed up to roll a 582 series for top honors in the Saturday afternoon junior bowling league. Coming in second in the team action were Monte Lowe and Rodney Turner with a 464 series.

Koeber's 161 game took single game honors, followed by Kardell's 156 for runner-up honors.

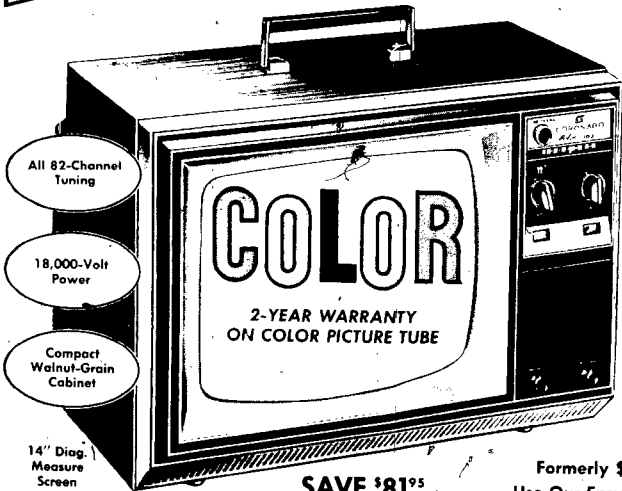

American hunters bought 42,000,000 big and small game hunting permits in fiscal 1966.

Stout Southwest Minnesota Faces Improving Wildcats

With the momentum of a 55-6 win last Saturday, Wayne State's football team went into spirited rehearsal for a 1:30 p.m. clash next Saturday at Marshall, Minn., against a first-time foe, Southwest Minnesota State College.

Southwest, though a loser in its last four games, held powerful Doane—now unbeaten in 36 straight games—to a 3-0 margin Oct. 11. Last week the Minnesotans lost by an even narrower 35-33 edge to Milton College.

Wayne, improving steadily, made its record 2-4-1 at the expense of Peru State, winless in seven games. It was Wayne's eighth straight decision over the Bobcats.

Wildcat coaches had plentiful compliments for their players. An obvious comment, of course, concerned junior tailback Sam Singleton's four touchdowns and 197 yards rushing, his college career high. The four-touchdown performance probably is a Wayne

record. One of them went 65 yards for the longest Wayne play this year. The other Singleton TD's went for 17, 12 and four yards.

Also rating plaudits was freshman defensive halfback Charlie Wendt of Ralston, who started the scoring with a pass interception and a 27-yard return to a touchdown—the game less than a minute old. It was Wendt's second scoring interception return.

Defensive Coach Ralph Barclay calls Wendt "probably the most improved defensive player on the team." The improvement has moved him into a starting assignment. Barclay adds: "Charlie is way ahead of what we expect from a freshman on defense."

Wayne defenders as a group got praise from Barclay, a tough taskmaster whose troops are akin to the Nebraska Blackshirts in spirit. He mentioned a few names:

sophomore tackle Mike Wynn of Grand Island ("Game in, game out he's a terrific player"); junior linebacker Bruce Cramer of Olympia Fields, Ill. ("He keeps the defense together better than anybody"); freshman Reggie Smith of West Point ("Much improved in his second game at linebacker after shifting to defense").

Barclay can find reason any week to cite the defensive backfield play of Doug Radtke, Pender junior, a bundle of spring steel at 6-0 and 185 pounds. He fields most of the punts and kicks off, often for sizable returns, and averages one or more interceptions a game. Barclay says of Radtke: "Best defensive back we have."

Offensively, Wayne had notable performances from many against Peru. Coaches mentioned junior end Jon Roberts of Lincoln for consistent effort and a fine pass

reception with several tacklers hanging on; freshman Dan Ernst of Aurora, who kicked seven extra points in eight tries; split end Greg Walker of Omaha, who added two touchdowns on passes going 40 and 18 yards; and, as usual, Jolting Jerry Liedtke, Omaha junior fullback, who slammed 26 yards for a touchdown. Substitutes who had not seen much action in previous battles got considerable chance against Peru, and several did exceptionally well. Coach Del Stoltenberg said:

Wayne built a 20-0 first-quarter lead, added 14 in the second while Peru got its lone tally on a 90-yard pass play from Mike Challis to Sherwin Williams. The third period added 21 more Wayne points, but Peru held the Wildcats scoreless in the final quarter while reserves were playing.

Observations of three broods of chukar partridge in Sioux County have been reported to the Game Commission. One brood was composed of 9 young, while 2 others had 15 young each. Chukar partridge have been released on an experimental basis in the North Platte River valley, and Wildcat Hills since 1964.

Wayne Reserves Bomb NH, 36-0

Wayne's reserve football squad, spearheaded by the strong running of Tony Pflueger and the impressive defensive play of Don Mau, stomped the Norfolk High sophomores, 36-0, Tuesday afternoon.

Pflueger raced for a total of 157 yards on 12 carries in the action, giving him a respectable average of just over 13 yards a carry. Mau, who intercepted one Norfolk pass for a long touchdown, came up with four tackles in the game and hauled in several Wayne passes.

The locals scored twice in the first quarter, both times on runs by Pflueger. He carried the ball 32 yards into the endzone for one of those scores, 55 yards for the other. Jim Kenny, who tallied 48 yards in eight carries, scampered across the Norfolk goal from five yards out and Mau took that pirated pass for 55 yards for the two Wayne touchdowns in the second period.

Held scoreless in the third period, Wayne came back for one more touchdown in the final

LAUREL SPEEDSTERS: These three youngsters took the three trophies in the second annual Cubmobile Derby held in Laurel Sunday afternoon. The racing event, which attracted 14 racers the first year and 22 this year, was sponsored by Laurel Pack 176. Taking the first place trophy was Ron Gadeken (center), son of Mr. and Mrs. Ed Gadeken. Don Casey (left), son of Mr. and Mrs. Leo Casey, copped the runner-up trophy, and Garth Paulsen, son of Mr. and Mrs. Charles Paulsen, took the third place trophy. All youngsters are from Laurel. Last year Paulsen took first, Keith Knudsen took second and Robin Gadeken took third.

period. Mau scored that on a 25-yard run.

Leading tacklers for the winners, who now hold a perfect record of five straight wins, were John Roberts and Lynn Gunderson with seven tackles and assists each. Dick Tietgen and Jerry Reeg had five each, followed by Mau, Rod Cook and Dave Johnson with four each.

Also earning for considerable yardage in the game were Lonnie Bliloff with 37 yards in eight attempts and Dick Tietgen with 31 yards in five.

The reserves traveled to West Point Central Catholic for their final game of the season Monday. The game is scheduled for four o'clock in the afternoon.

WSC Harriers Place 14th, 18th at KSC

Wayne State cross country runners Mark Oswald and John Wright placed fourth and eighth Saturday in the State College meet at Kearney.

With a team short of the minimum five, Wayne did not figure in team scoring. Peru won with 23 points. Kearney scored 36, Chadron 85. Peru's Jack Wevers came in first at 19:43 over the four-mile course. Wright and Oswald, freshmen from Webster City, Iowa, who never ran cross country in high school, finished seventeenth and nineteenth at the Vankton Invitational October 18—with about 60 runners entered. Paul Eaton of Wakefield also ran, finishing eleventh, but was not an official entry because as a transfer student he will not be eligible for competition until later this term. In a meet here with Creighton University, Eaton, Wright and Oswald finished first, second and fourth.

The channel catfish is sometimes called the spotted catfish or fiddler.

National Group Coming to WS

The National Players will perform at Wayne State next Wednesday, doing "The Lady's Not for Burning" by Christopher Fry. The 8 p.m. play in Ramsey Theater brings together the nation's foremost touring repertory company, performing a work by one of the world's foremost modern playwrights, says Dr. Robert G. Johnson, director of Wayne State Special Programs.

The performance is open to the public. Tickets available at the door. College students and faculty will be admitted on activity tickets.

National Players is an operation of University Players, a non-profit theatrical corporation which also operates Olney Theatre, an Equity summer theatre, and St. Michael's Playhouse, a non-Equity summer theatre. The touring company, National Players, was the first operation to be founded and is now in its 21st consecutive year on the road. Its repertoire includes works of the 19th-century masters of drama.

Two Collisions North of Wayne On Highway 15

The Wayne County Sheriff's office has been called to investigate two accidents during the past few days. There were no serious injuries in either mishap according to the reports.

Mary Hinrichs, 28, of Laurel was northbound on Highway 15 Oct. 22 around 5 p.m. when the 1963 Chevrolet she was driving was struck in the rear by a northbound 1962 Ford driven by Sherman Eddy of Dixon. The collision occurred 1.4 miles north of Wayne. The Sheriff's office reported.

The Hinrichs auto was attempting to pass a car ahead but noticed the driver starting to signal a turn so she slowed down and was hit in the rear by the Eddy vehicle, according to the Sheriff's file.

Another collision occurred around 6:40 p.m. Sunday 1.3 miles north of Wayne on Highway 15 when Lawrence Rupe, 73, of rural Wayne slowed his southbound 1954 Chevrolet after coming upon a slow moving vehicle. A 1962 Pontiac driven by Tony Reimers, 32, of Wayne came from behind and struck the Rupe auto in the rear, according to the Sheriff's office record. Mrs. Wilhelmina Borgentach was a passenger in the Rupe auto but no one in either vehicle was reported as seriously hurt.

Police -

(Continued from page 1)

by Laurence Shupe was parked on the Lij Duffer parking lot Sunday when hit by a vehicle which left the scene of the accident.

The police department received two complaints of cars blocking driveways on Walnut Street. The one auto in the 1200 block on Walnut was towed away. The other vehicle was in the 1300 block on Walnut.

Tuesday, a 1964 Chevrolet owned by Patricia Dendinger was parked in the alley behind Ron's Cafe when it was hit by a vehicle which left the scene of the accident.

Pay Hike -

(Continued from page 1)

the areas the committee will be looking at will probably come into the city within a few years anyway, he noted, the city should annex them before the first of the year so the population will be included in the 1970 census. It is that census on which these funds will be based, he noted.

The committee, composed of Wilmer Marra, Ed Smith and Dick Banister, will tour the city this afternoon (Thursday) and will report back to the council at its next meeting so the council could decide whether to begin annexation steps which would bring areas into the city before the deadline of Jan. 1.

The city attorney also advised the group to begin steps which

would result in the city setting up a street improvement program which would meet state requirements. If it does this the city would probably be able to obtain about \$80,000 from the state the first year it is in the program compared to \$25,000 it would probably get by not being in the program. Deadline for meeting those state requirements is March of 1971, but several requirements would take considerable time and therefore the council decided to begin working on the problem.

In other action the council heard a report from a representative of the contractor doing the sanitary and storm sewer work in the area of the college. That work and work the contractor is doing on paving several city streets, is taking much longer than originally planned, the council told the representative. He said he has tried very hard to get the work done, even to the extent of asking other contractors to come in and help him with the work.

Councilmen told the representative to try to get the sewer work at the college and the paving of the stripped streets done before the first heavy snowfall. They also told him to give the opening of Nebraska Street south of the college his first priority.

The council also:

- Appointed Mern Mordhorst to the city planning commission to fill the position left vacant by Anton Metherda, now a councilman.
- Authorized the city engineer to begin work on the cost estimates and details on plans and

specifications for drilling more water wells and running a water line from them to the city.

"Sprinters" -

(Continued from page 1)

In Sloux City. The Telephone Pioneers in Sloux City have as their goal the raising of \$12,000 for the bus. If they raise \$4,900 more they will have enough to pay for the \$12,000 bus.

Members of the social fraternity have noted that there are over 350 wheelchair patients in the Glenwood home and they have no transportation available to them. There is one 17-year-old boy who has never been outside the home, they emphasized. The bus will be used this year to take the youngsters to Sloux City so they can see the Christmas lights in that city.

"Outstanding" -

(Continued from page 1)

chairman of the Journalism section of the district, Diane McGuire was named secretary of the business teachers section and Allen Hansen was named president of the Northeast Nebraska Coaches Association. Dayrell Heier was elected to the district business teachers association and will be a state representative for the group. Francis Ilaun, superintendent at Wayne High, was named director of sub-district one of the NSEA district. He is also chairman of the Nebraska School Activities Association's managing committee for the district. Named to the sectional group which will plan next

year's convention was Loren Park, Middle School principal. Leota Moller, head of the English department at the high school, will be taking over her job as president of District III beginning the first of the year.

Funeral Services For Ellen Jones Set For Tomorrow

Funeral services for Ellen M. Jones, 89, Lincoln, will be held tomorrow (Friday) at 2 p.m. at the Wilse Mortuary, Wayne. The body will lie in state at Wilse Mortuary this afternoon. Mrs. Jones died in Lincoln Oct. 28, 1969.

The Rev. Richard Burgess will officiate. Mrs. Fritz Ellis will sing "Rock of Ages" and "Safe in the Arms of Jesus" accompanied by Paulette Merchant. Burial will be in Greenwood Cemetery, Wayne.

Ellen M. Jones, daughter of Thomas and Elinor Hughes Evans, was born June 12, 1880 in Denbigh, North Wales. She lived in Wayne County for 50 years and had been living in Lincoln at the time of her death. She was a past member of the First United Methodist Church, Wayne.

She is preceded in death by her husband. Survivors include two sons, Theodore and Cyrus of Lincoln; one daughter, Viola F. Jones of Lincoln; one brother, Evan T. Evans, (raft Valley, Calif.); one sister, Mrs. Mary Washburn, Wayne; four grandchildren and three great grandchildren.

Funeral services for Carrie Marie Hansen, 89, Winside, will be held today (Thursday) at 2 p.m. at Trinity Lutheran Church, Winside. Mrs. Hansen died at a Norfolk hospital Oct. 27, 1969. The Rev. Paul Reimers will

officiate at the rites. The ladies choir will sing "No Night There" and "Beyond The Sunset" accompanied by Mrs. Jack Krueger. Pallbearers will be Warren Jacobsen, William Carey, James Trosman, Albert Jaeger, Leo Jensen and Kent Jackson. Burial will be in Pleasant View Cemetery, Winside.

Carrie Marie Hansen, daughter of Jorgen and Bena Holm Nielsen was born Dec. 4, 1899 at Kennard, Nebr. She was married to Ellor Hansen, Jan. 21, 1920 at Winside. They lived their married life in Winside.

She is preceded in death by her husband, parents, two sons and one brother. Survivors include three sons; George of Bowling Green, Va., Bernard of Arlington, Va. and Norris of Winside; two daughters, Althea Olin of Crosby, N. D. and Helen Stahlnecker of Grand Island; 12 grandchildren; one brother, George Nielsen of Washington, D. C.; four sisters, Edna Nielsen, Royal, Evelyn Hendrickson, Wayne, Frances Koch, Winside, and Esther Quakenbusch, Fairlawn, N. J.

Funeral Services For Mrs. Felber Held Wednesday

Memorial services for Maxine Felber were held yesterday (Wednesday) at the United Presbyterian Church, Laurel. Mrs. Felber died Oct. 27, 1969 at Laurel.

The Rev. J. Keith Cook officiated at the rites. The church choir sang "I Know That My Redeemer Lives" and "For God So Loved The World," accompanied by Mrs. F. W. McCorkindale. Special organ music was furnished by Mrs. David Curtiss. Burial was in the Laurel Cemetery, Laurel.

Maxine Eggert, daughter of Max W. and Augusta Nielsen Eggert, was born Nov. 10, 1916 at Everett, Wash. She was married to Neal A. Felber at Portland, Ore., Sept. 1, 1946.

She was graduated from the school of nursing at Everett

Providence Hospital and received her BS at the University of Washington. She was chief surgical nurse at Bushnell Hospital, Brigham City, Utah, during World War II and achieved the rank of captain in the United States Army Nurse Corps.

She was a member of the United Presbyterian Church and had been superintendent of the Sunday school. She and her husband had both served as parental advisors to the youth group.

Mrs. Felber worked actively with the local Red Cross as an instructor and was secretary-treasurer of the Cedar County Tuberculosis Association.

Survivors include her widower; two sons, David and Douglas at the University of Nebraska, and two brothers, Willard Eggert, Seattle, Wash., and Howard Eggert, Tigard, Ore.

We Are Proud To Announce

Irene Jeffrey

As Our New

Social Director

The position of social director has just been devised at Dahl's and we've chosen Irene Jeffrey to fulfill the duties it entails. Activity programs are becoming increasingly more important in the nursing homes for several reasons:

- 1) Remotivation of the stroke patient
- 2) Occupy idle hours
- 3) Provide occupational therapy for the mentally retarded and senile patients
- 4) Re-establish patients' role in society and their sense of belonging to a group.

We feel that Irene will successfully accomplish these objectives in addition to coordinating the activities of the numerous volunteer groups. We are proud to have Irene as our new social director.
