

MIDDLE SCHOOL OPEN HOUSE ATTRACTIONS — Mrs. Jan Woodward, teacher of the gifted students at Wayne Middle School, holds the skull of a buffalo her students unearthed at the Logan Creek site just north of the Wayne municipal airport. This and several other items the students dug up during their study of the past will be on display during the open house at the school from 7 to 9

tonight (Monday). In the bottom picture, Bill Brader (left) and Steve Schneider work on a replica of the Mayflower during their period in the school's Learning Center. This and other projects of the youngsters will also be on display this evening. Bill is the son of Mr. and Mrs. Paul Brader of Carroll; Steve is the son of Mr. and Mrs. Bud Schneider of Wayne.

AFS 'Mile of Pennies' Aids Exchange Pupils

Wayne High freshmen, sophomores, juniors and seniors will be competing today through Friday for the honor of contributing the greatest number of pennies toward a "mile of pennies" fund raising project for the American Field Service. The penny campaign is co-sponsored by the WHS student council and AFS Club.

Wayne High School's pupils abroad during 1970-71 is \$1,000. The mile of pennies project is one of two local projects for raising necessary funds. Local AFS members will also sell Christmas note cards from 6:30 to 8:30 p.m. Tuesday night in the residential area of Wayne as a second fund raising effort.

Benefit Cage Game Nets \$50 for 'Ches'

This year's Community Chest was given a \$500 boost thanks to the cooperation of a fraternity at Wayne State College and several Wayne businessmen. A total of \$50.00 was collected during the benefit basketball game Thursday night between Wayne businessmen and members of Delta Sigma Pi, business fraternity at the college. The college students won the game, 52-47, played at the city auditorium. Probably as interesting to the estimated 50 fans who attended the contest were the four fraternity members who were dressed up as girl cheerleaders. The fraternity members advertised the game all-day Thursday by dribbling basketballs up and down the business section.

Bloodmobile at WS

Tuesday will be Bloodmobile Day at Wayne State as the Red Cross comes for a six-hour visit, 10 a.m. to 4 p.m. in the Student Center. While the Bloodmobile is likely to be kept busy by college students, townspeople will be accepted as donors. Marilyn Hlabroek, student senate member in charge of the project, said, "All prospective donors are asked to sign up in advance for scheduling purposes. Sign-up forms are located in all dormitories.

WS Student Misses Out on \$250 Prize

Karlyn Hadenreiter, a Wayne State College student from Iowa, could have had part of her college expenses paid for by the Wayne Chamber of Commerce had she been in the right place Thursday night. Her name was called during the eight o'clock Cash Night drawing. Had she been present in one of the stores taking part in the weekly promotion, she would have won \$250.

Local Jaycees Plan Honey Sales Again

The Jaycees in Wayne plan on selling honey on "Honey Sunday" again this year, according to Darrel Fuetberth, who is in charge of the project this year. The honey will be sold house-to-house on Sunday, Nov. 23. Proceeds from the sales will go to support programs and projects for the mentally retarded in Nebraska. Fuetberth said the Jaycees may also have a van parked at Seventh and Main on next Sunday and anyone who is not contacted during the house-to-house drive can pick up containers of honey at the van. The Nebraska Jaycees and the Nebraska Association for Retarded Children co-sponsor "Honey Sunday" annually in Nebraska chapters. Jaycee and NARC chapters coordinate door-to-door sales campaigns in local communities. MONEY SALES, page 7

Christmas List Nears Century Mark

We knew our Christmas List of addresses of area servicemen was getting longer and longer, but we never expected it to total nearly 100. At last count there were over 80 names on the list of young men and women who will be serving in some branch of the armed forces during the approaching holiday season. If the list tops 100 it will be nearly twice as large as last year's list. The Christmas List will be printed in Thursday's issue of The Wayne Herald. Clip it out and save it as a handy guide when sending gifts or cards during the winter holidays. Although the deadline for sending in names and addresses is past, we will try to include in it any which come in late.

Training Meet Set \$825 Donated To Two Funds

The second junior police patrol class, sponsored by the Wayne Police Department, will meet Tuesday night at 7 p.m. in the Middle School gymnasium with chief Vern Fafelheid and Officer Penlerick in charge. Subject for study will be gun safety rules. There will be both a lecture and a film. The class is open to students of the sixth grade from both St. Mary's and Wayne Public Schools and lasts about two hours. The fund set up to aid Mr. and Mrs. Calvin Comstock of Wayne following the death of their son, Calvin, in late October had grown to \$726 by late last week, according to the two banks in Wayne which are handling the donations. The fund was set up by friends of the family following the death of the Comstock boy. He died, while hospitalized in Rochester, Minn., following a sickness of about three and one-half years. He was 29 years old. Anybody wishing to donate to the fund should send their contributions to either the First National Bank or the State National Bank. The fund which friends of the Bob Dempster family of Dixon have started has grown to \$99, according to the State National Bank. That fund was set up recently after Dempster suffered a broken leg when a horse he was breaking to ride fell on him. The leg he broke is the same one he broke about three and one-half years ago in a similar accident. He was forced to wear a cast and a brace for over three years because his leg was so badly crushed. The recent break is much cleaner than the earlier one, but he will be forced to wear a cast some time. Friends or relatives should send their contributions to the Dempster fund to the State National Bank.

Pupils Selling Greeting Cards Tomorrow Night

Wayne High School student council members and friends will be in the Wayne residential districts Tuesday night selling American Field Service Christmas note cards from 6:30 to 8:30 p.m., according to Ken Carlson, guidance counselor. Selling the greeting cards is but one of the few means that the AFS Chapter has to raise the \$1,000 needed to bring a foreign exchange student to Wayne for the 1970-71 school year and for support of the AFS Americans Abroad program. Carlson noted that \$850 is the actual cost of bringing an exchange student to Wayne, but additional money is needed to assist a Wayne student to study abroad for a year through the Americans Abroad program. He pointed out that the Wayne AFS Chapter is supported solely by volunteer labor and monetary contributions.

The AFS Christmas note cards feature multi-colored pictures of foreign culture. Each package contains 10 cards and envelopes. Wayne Kiwanis members will transport student sales personnel to various residential areas in Wayne Tuesday evening to aid them in their fund raising project. Tessie Urian of the Philippine Islands is the present AFS exchange student attending Wayne High. She is living in the home of Dr. and Mrs. Walter Peterson.

122 WHS Pupils Named to First Honor Roll List

Wayne High School administrators released the names of 122 students last week who have qualified for the first nine weeks honor roll. Names are 25 freshmen, 28 sophomores, 26 juniors and 43 seniors. Grouped according to grade point average (parentheses) the honor roll students are: (1) Catherine Cook, Carol Haun, Carolyn Lockling, Doris Ann Baker, Lyle Nelson, Jane Owens and Bruce Ring. (116) Beth Lyle Dunklau and George John. (12) Mark Johnson, Lee Ann Owens, Kurt Lesh, James Stevenson, Lorna Harder and Jean Pankratz. (125) Sally Penns, Lisa Lesh, Connie Jones and Diane Olds. (13) Becky Sutherland, Leah Havener, Ruth Kenny and Winona Peterson. (14) Robert Lockling, Amy Lechtenkamp, Bill Fletcher, Bonnie Florine, Christine Peterson, Brad Roberts, Bryan Stoltenberg. Parents to School Carroll and Wayne

Carroll and Wayne elementary schools report nearly 97 percent of the parents attended the parent-teacher conferences held recently, according to Richard Metter, principal at Wayne Elementary. The conferences were held in Carroll Nov. 6 and 7 and in Wayne on Nov. 10 and 11. The greatest interest shown by the parents was in reading and social behavior. He said that it was hoped parents would return to school periodically throughout the year to confer with teachers.

Area Policemen Are Taking Camera Class

Photography for law enforcement officers will be the subject of a short course starting at the Northeastern Nebraska College in Norfolk tonight. The course will continue for three consecutive Mondays, Nov. 24 and Dec. 1 and 8. All classes will meet at Northeastern's administrative building from 7:30 to 9:30 p.m. Sponsored by the University of Nebraska Extension division and Northeastern Nebraska College, the course is open to law enforcement and investigation personnel. Its purpose is to give those who use photography as a method of recording the crime scene, preserving evidence and preparing evidence an opportunity to receive effective training. The course will be divided into six teaching segments: basic fundamentals of photography, photography in law enforcement, types of photography, special techniques, types of cases and admissibility of court exhibits.

Parents to School Norfolk This Week

Arrangements have been made for a Small Business Administration representative to conduct interviews in Norfolk on Thursday. SBA, a federal agency, has established the policy whereby visits are made to key entities of the state at regular intervals to provide every small business with the opportunity to fully utilize the services available through this agency. Interview space has been made available in the city auditorium in Norfolk. It is suggested that those interested in the SBA programs contact the Norfolk Chamber of Commerce for an appointment by calling 371-4862.

New Stage Band at WSC Makes Debut Wednesday

Wayne State's stage band, something new this year in the family of Wayne's musical groups, will make its debut Wednesday, playing pop music favorites by some of the top composers. Dr. Lee Mendyk, who joined the faculty in September, will direct the 8 p.m. concert in Ramsey Theater of the Fine Arts Center. The band's program includes such numbers as "Intermission Riff" by Stan Kenton, "Artistry in Boiero," by Pete Rugolo, "Lil' Darlin'" by Neal Hefti, and others by Henry Mancini, Dick Feno, Warren Barker and Skitch Henderson. While Wayne State students have organized informal stage bands in the past, this year is the first time it has been a credit course.

Musicians in the band: George Cook, Omaha; Barbara Boe, Madison; Larry Mark, Howells; Jan Lhotak, Omaha, and Vance Wolverton, Underwood, Iowa, on saxophone. Dan Praeuner, Neligh; Gary Willett, Woodbine, Iowa; Bruce Linafelter, Allen, and Jackie Armstrong, Milford, on trombone. Keith Krueger, Winside; Gwen Marol, Ralston; Jack Fischer, Norfolk; Larry Teager, South Sioux City, and Wally Schlenz, Madison, on trumpet. Gary Dunker, Schuyler, string bass; Carol Bisanz, Tekamah, piano, and John LaPuzza, Omaha, drums. Four other major concerts are scheduled: the honor recital of outstanding students, 8 p.m. Dec. 2; concert band, symphonic wind ensemble, 3 p.m. Dec. 7; brass choir, madrigal singers, and clarinet ensemble, 8 p.m. Dec. 9; the choir's Christmas concert, 8 p.m. Dec. 11; and the choir-orchestra performance of "The Messiah" at 3 p.m. Dec. 14—all in Ramsey Theater except "The Messiah," in Rice Auditorium.

'Pillow Talk' Cast At Laurel High Busy Rehearsing Production

Members of the junior and senior classes at Laurel High School are busy rehearsing for this year's stage production, "Pillow Talk," an adaptation of the popular movie by the same title. This bright comedy, which starred Doris Day and Rock Hudson when it was released as a movie several years ago, has a dual set: the apartments of Jan Morrow and Brad Allen. They are forced to use the same telephone line, causing unusual and hilarious complications in their lives. The three-act production will be presented in the Laurel High auditorium on Tuesday and Wednesday, Nov. 25 and 26. Directing the play is Ella Larson. Students with roles in this year's production: Lori Chase (Jan Morrow), Jim Kirentner (Jonathan Forbes), Randy Elmeier (Brad Allen), Baret Kels (Alma), Kim Sudbeck (Dorcas), Ann Pedersen (Mrs. Walters), Doug Tuttle (Tom Walters), Star Dickey (Marie), Dianne Johnson (Eileen), Lee Ann MacDonald (Yvette), Patty Mason (Miss Conrad), Anita Ward (telephone supervisor), Debbie Novell (Miss Dickinson), Dean VanCleave (policeman), Alice Pearson (Bessie), Mary Schutte (Mrs. Frost), Lynette Johnson (Mrs. Graham), Ross Dirks (Graham), Doris Dickey (a girl singer), Nancy Novell (Tilda) and Yvette Kramer (Ann).

Measles Shots Offered Youths In Allen Area

Students at Allen Consolidated Schools, any children in the area from one to five years old and any rural students are being offered vaccination for red measles ("seven day measles") through the cooperation of the school and Educational Service Unit 1. The vaccinations are being offered for a fee of \$1 on Tuesday afternoon, Nov. 25. The rural students and the children between the ages of one and five must be accompanied by a parent and should be taken to the Allen school by 1 p.m. on the day the shots are to be given. The \$1 fee can be paid at that time. Students attending the Allen school must return their consent forms and the \$1 fee by noon this coming Wednesday. Grades kindergarten through six may turn in the forms and money to their teachers; grades seven through twelve may turn in their money and forms to Connie Parrott on Wednesday, from 9 a.m. to noon. The FSU nurse has arranged for the vaccination program through the cooperation of the Nebraska State Department of Health. The safe and effective vaccine to produce immunity to this disease has been developed and used for the past six years. Hundreds of thousands of children have been immunized with very little discomfort and with rather remarkable reduction in the number of cases of measles reported to the State Department of Health. A single dose of the vaccine injected into the arm will most likely protect a youngster from this disease for a very long time, possibly life, according to the most recent studies conducted. The vaccine is the live virus vaccine. MEASLES, page 7

Public Hearing Set

A public hearing will be held Dec. 1 by the Wayne Planning Commission regarding a request for special use of ten lots of ground in the Roosevelt Park Addition for a trailer camp, according to Mert Marshall, commission secretary. Anyone interested may attend the 7:30 p.m. hearing which will be held in the commission's office above the fire hall. The lots involved in the request are bounded on the north by Fairgrounds Ave., on the east by Windy Street, on the south by Folk Street and on the west by Nebraska Street.

SBA Man Visiting

Arrangements have been made for a Small Business Administration representative to conduct interviews in Norfolk on Thursday. SBA, a federal agency, has established the policy whereby visits are made to key entities of the state at regular intervals to provide every small business with the opportunity to fully utilize the services available through this agency. Interview space has been made available in the city auditorium in Norfolk. It is suggested that those interested in the SBA programs contact the Norfolk Chamber of Commerce for an appointment by calling 371-4862.

Officials to School

Henry Arp, Wayne County assessor and Mrs. Doris Stipp, deputy assessor, will join other Nebraska county assessors and deputies in a training and information program scheduled Nov. 17-21 at the Nebraska Center, University of Nebraska, in Lincoln. The annual assessors school provides training and information for county assessors in Nebraska and helps them meet provisions of a Nebraska statute requiring such a school at the University. Appraising is the main topic of study. The program was arranged by the office of the State Tax Commissioner.

Wakefield Man Seriously Hurt By Corn Picker

Clarence Schlines, who farms north of Wakefield, was taken by ambulance to the St. Joseph Hospital in Sioux City Thursday following an accident involving a combine. Schlines' reportedly received serious injury to his left hand after it became caught in the husking rollers of a tractor-mounted picker. Being unable to disengage his hand from the rollers, he drove the tractor back to his farm house for help. Mrs. Schlines called the Harold Fischer family, who are neighbors, and help was summoned. It reportedly took an hour for the men using cutting torches to free Schlines. Fire men from Wakefield were on the scene in case the torches started a fire.

Pupils May Study Abroad

Two Wayne High School juniors have recently completed application through the New York American Field Service office to study overseas during the 1970-71 school year, according to Ken Carlson, WHS guidance counselor. Kathryn Heppburn, daughter of Dr. and Mrs. Charles Heppburn, and Tom McDermott, son of Mr. and Mrs. Charles McDermott, will not be notified until spring regarding any final decision of the New York AFS office relating to their applications. Placement abroad depends upon the finding of homes for Americans abroad students while they are overseas, Counselor Carlson noted. He explained that the AFS in New York will decide next spring as to the placement of one or both of the Wayne High School students in overseas programs. The local AFS Chapter supports the Americans Abroad program which began operation earlier this fall under the direction of Mrs. LeRoy Simpson. Chapter members contribute \$100 toward each Americans Abroad student's expenses while on the AA Scholarship program. Wayne High School student council members and friends will be in the Wayne residential area Tuesday night selling AFS greeting cards to raise funds for the Americans Abroad program.

AMERICANS ABROAD APPLICANTS: Kathryn Heppburn, daughter of Dr. and Mrs. Charles Heppburn, and Tom McDermott, son of Mr. and Mrs. Charles McDermott, have completed application through the American Field Service for overseas study in 1970-71. Both students are juniors in the Wayne High School.

# EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

It is the duty of an editorial writer to search all available facts before he sits down to write. From this basis the writer should be able to give a clear picture of important topics.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject, discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

## Going to the Moon

Earth's inhabitants have a way of identifying different times in history. Those who write the history books will note our time as the "space age." Like other ages, it is an exciting time to live. Our generation has discovered how to ride rockets into outer space, land on another celestial body and return.

Without doubt there were humans in the "fire age" who "knew" the discovery of fire would only bring evil upon the world because of its destructive characteristics. Is man always inclined to think negatively? Surely there were dreamers in the "fire age" informing their neighbors about some of the good things fire could do for them. When controlled and harnessed, fire makes possible many great things for earthlings.

There were those who set their minds against man getting into a machine and flying. What possible good could ever come from imitating the birds and moving through the air? Such questions were asked by individuals who failed to dream of the numerous benefits that would come to mankind through the ability to fly. Man has used the airplane in much the same manner as other inventions, for good and for destruction.

Now our age asks similar questions related to voyages to the moon. Many who fail to dream,

much like their ancestors in the past, cannot imagine what advantages and blessings have been given to mankind already due to space exploration, not to mention future uses of space travel.

NASA has announced plans for a total of 10 trips to the moon, each with a research program. These trips are but the latest of mankind's adventures into the unknown to make discoveries.

Should we be going to the moon now when there are so many problems on earth to solve? It is this writer's opinion that if all programs of any kind in the past and present had to meet that test, everything would have come to a sudden stop long ago. Music would no longer be written, authors would cease to write, Columbus would never have upped the sails and the Pilgrims would have stayed at home.

Progress cannot be halted simply because all of man's present complex problems have not been solved. If progress was halted until mankind first solved other problems, there would be no fire to warm us, no airplanes to transport us and no medicine to heal us.

Space travel is bound to revolutionize the way all lives on the surface of the earth. It is indeed an exciting time to be alive. — MMW.

## Majoring in Minors

It has been said before but we want to say it again. Don't judge an entire generation by the actions of only a few of its members. There have always been a few persons in every generation who didn't know how to behave themselves. The big difference is that 100 years ago controversial personalities didn't get national newspaper, television and radio exposure.

All too often those in news business are competing to be "first with the worst." Controversy and sensationalism have become a steady diet, particularly as microphones and cameras are on a scene. A radical moodpiece in any corner of the nation may easily have an entire network at his disposal due to the "race for a face" by television cameras. Good news is sometimes ignored.

The Wayne Herald would be doing readers an injustice to only report youth activities when those activities were either lawless or nearing it. It is our opinion that the majority of any generation, especially the younger one now growing up, are law abiding people who have the potential of making great contributions to society.

Briefly thumbing through the past few issues of the Herald we note about 30 stories relating to beneficial activities of high school students. Think of all the news made by both boys and girls in Scouting, pages of stories concerning youth involved in competitive sports, music and band programs.

JUST WRIGHT

by Merlin Wright

"There is just never anything to do around this place!" according to many a youthful offspring. Each generation seems to say something similar. You probably said it when you were a kid and your children have un-

doubtedly bombarded your ears from time to time with "Mom, what can I do? There's just nothing to do." Sound familiar?

A typical 12-year-old may be in Scouting, a city recreational program, a variety of school activities, regular in attending youth functions at the church, uses the library, watches television and goes to an occasional movie, but may still say, "There's nothing to do."

While you are thinking about it, just how would your town in so far as "things to do" are concerned? If the truth were known isn't there usually something a person can "find" to do if really interested in activity? Or do you prefer the non-in-

volved life? If you have youngsters there, isn't any choice, you are involved, right?

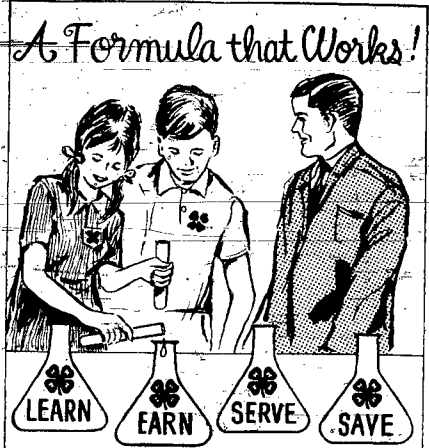

Let's take a brief check of some of the things you might do this week in the Wayne area.

It is too late now, but did you see "The Mousetrap" presented by Wayne High Theatrics Friday and Saturday nights? Plays are fun for the entire family. They are also in three dimensional color! "Mousetrap" was the product of lots of good old hard work and dedication. If you didn't see it, you really missed fine entertainment.

Sunday is always a special day for any family, or should be, and provides an opportunity for everyone to attend worship services. In fact, your family likely finds many activities and outings related to your church.

Wayne State Players are presenting three one-act plays tonight (Monday) and tomorrow night at Ramsey Theatre on the college campus. These productions are presented "arena style." This means the performers are surrounded by the audience. Curtain time is 8 p.m. The three plays are "The Web," "The Lottery" and "The Private Ear." If you want a pleasant change of pace for your family, try some college drama. You'll not leave disappointed as the productions are highly professional.

Also tonight (Monday) the Middle School is holding "open house" from 7 to 9 p.m. Visiting our public schools can be an interesting adventure whether or not you have youngsters attending. Modern audio and visual aids have caused a revolution in the classroom. The open house also provides opportunity for parents and teachers to become better acquainted. This leads to increased understanding between

the home and school in the joint project of educating a child. The public is invited, whether you are eight or eighty the open house will provide you with a nice evening out.

Tuesday evening the Wayne State Players will be in acton again at 8 p.m. Tickets may be purchased at the door in the Arts building.

If you are a sports enthusiast the city basketball league will play three games Wednesday night in the city auditorium. Game times will be around 7, 8 and 9 p.m. There is no admission charge. It's free! There are few times when an evening of entertainment doesn't cost something, but Wednesday night you may watch basketball and no charge.

One of the world's most celebrated folk spectacles, "Frula," will visit Wayne Thursday night at 8 p.m. in the Rice Auditorium. If you plan to see this production in Omaha your tickets will cost twice as much as they will here in Wayne. The show is the same but the Wayne prices are about half! Don't be one of those persons who wait until a show has been in town and left and then say, "Guess I saw it in the paper but I didn't realize what it really was until I heard people talking about it the next day." Tickets will be available at the door. If area residents realize what show it is that is going to be "happening" right here in Wayne, Nebraska, Thursday night, the auditorium will be filled.

Then on Friday night the Wayne High football squad will receive recognition during the annual appreciation banquet which will be held at 6:30 p.m. in the Birch Room at the Wayne State Student Union. The public is invited and tickets are available from either Lee Fode at First National Bank or Ted Armbruster at State National Bank. There should be a big crowd as townsmen congratulate the successful Blue Devil team and their coaches.

Members of the Wayne Hospital Auxiliary have scheduled a bazaar Saturday which will be held in the city auditorium from 9 a.m. to 4 p.m. The ladies, as usual, have prepared a variety of items for sale, many of which would make ideal Christmas or birthday gifts.

Maybe the hunters in your family can plan a special outing, or another special outing during this hunting season in northeast Nebraska. Information as to which farms are open to hunting is available from the local ASCS office.

Wayne has two downtown movie theaters, both showing a great variety of films. You naturally do not attend the films you don't approve of, but do you give the theaters your support when they bring films into town that are acceptable for the entire family?

Nothing to do in Wayne? Hardly! We haven't even attempted to list the many club activities, bowling, Scout programs, blue rock shoots at the airport, flying, hiking, lodge activities, and other types of social outings. Ice skating will be available in the near future along with sledding, tobogganing and ski-mobility.

# The Year the Century Turned

The Wayne Herald - November 16, 1899 Nebraska Short Notes

**Local and Personal**

J. Locke's fourteen-year-old son while attempting to climb a rope at the new court house building on Sunday, fell some 12 or 14 feet striking on his head and shoulders. He was rendered unconscious for some time, but fortunately was able to attend school on Monday.

Court has again been adjourned until the middle of January and when convened will be held in the new court house. The lawyers are said to be responsible as they preferred to have the new term held in the handsome new structure. The old palace de jure is now a thing of the past and there are none to mourn.

If you are looking for a subscription bargain call at The Herald office or the post office. We can duplicate any offers made by any contemporary in Northeast Nebraska.

Among the city improvements for next year a sewerage system would not come amiss.

Wayne's merchants will have a line of holiday goods this year that will excel anything of the kind ever placed before the public here in the past. The exceptionally fine weather is a grand thing for the carpenters and masons, as there is yet a large amount of unfinished work in the building line in and around the city.

The Herald has many subscribers who are in arrears one or more years. Don't wait for us to send you a statement of your account, but call at the office and settle it, or send us money order or draft.

**Carroll and Winside**

The pleasant weather still continues in the Carroll area, according to the latest reports.

Mr. and Mrs. Waldo Smith and Mrs. Westrop visited with Dr. Multhead and family in Winside Sunday, having driven over from Belden. Mrs. Smith remained in Winside until Wednesday when Mrs. Workman drove over to Carroll with her and Mrs. Multhead went on to Belden with Mrs. Smith.

M. P. Jensen whose home was southeast of Winside, died Thursday night, leaving a wife and a large family of children. Mr. Jensen was an honest man.

Andrew Schnin of Winside went over into Iowa Saturday morning to visit for a time. Mr. Schnin intends soon to go to Idaho.

Ben Robinson and Jas. Ritchey of Carroll are moving Peavey's corn crib this week. The Fairview school of Carroll is prospering very nicely under the management of Mr. Geo. Shirts.

Twenty-eight farm mortgages were filed and forty-five released in Platte county last month. Surgeons have amputated the leg of the son of Frank Scott of Osceola, who was caught in a revolving buggy wheel one week ago.

The farmers in the vicinity of Fremont are all very busy husking corn and help is scarce both in corn and beet fields.

Horse thieves have been plaguing Blaire Township, Adams County, during the last four months and the farmers in that vicinity have lost many valuable animals. As no trace of the stolen horses can be found the farmers are of the impression that a regularly organized band of thieves exist in this part of the state, so they have organized a protective association with the intention of running the marauder to earth.

**Miscellaneous**

What between American embalmed beef and British colonial mutton the chance of the professional soldier to get in touch with the enemy is not quite 80 to 1.

Sam Jones says political parties are unnecessary. To Sam Jones, yes.

In Cedar county there is one precinct that cast 76 votes, all fusion. The Republicans only succeeded in electing county clerk in that county. In Dixon county the Republicans elected three officers; in Dakota county the Republican-citizens ticket was elected with the exception of coroner.

The Herald has no cause for regret as to the manner in which it conducted its campaign. It was loyal to the Republican candidates in every respect and treated their opponents fairly, yet we carry no sign as "the only straight Republican party in the city."

Not a populist was elected in Wayne county. In fact they were turned down per agreement and next year they are to be given another kick. We would like to inquire of our populist friends how they like it?

The Herald hereafter proposes to take no part in party politics in local affairs and trusts that the rank and file of the party will take hold of matters and see that harmony prevails and that the county again becomes solidly Republican.

We feel somewhat cheap, too, Mack, but not so worthless as to make such a confession as that. — Democrat.

Roy Surber was called to Randolph Saturday by a message announcing the death of a cousin. Jas. Miller and Thos Holtz were three miles east of Wakefield Sunday where the former purchased twenty barrels of Michigan apples for the firm of P. L. Miller & Son.

## Your Place in the Stars

by Tom McDermott

I forgot to mention in the last installment a good source for moon sign-phase data. "The Moon Sign Book," published annually, can be obtained from Llewellyn Publications, Box 3383, St. Paul, Minn. That price is \$1.50. However, if you don't want to bother try "Old Moore's Almanack" which is obtainable at almost every newsstand.

Undoubtedly the reader has at one time or another been confronted with a great many "horoscope" magazines at newsstands. A common predicament is the decision of just which one to purchase. "American Astrology" and "Horoscope" magazines seem to be the most popular of all such magazines. "American Astrology" is particularly interesting since it does contain many articles by noted astrologers. In any case, buy whichever appeals to you the most. Remember, too, that this is an endorsement — not an advertisement. I hope.

Two weeks ago I told everyone that this column was now being read in the Bozwell (Nebraska) area courtesy of the local newspaper there, The Bozwell Daily Bureau-Crat. I have just found out that Bozwell lays claim to no newspaper, and even more important, to no bureaucrats. If there really is such a thing as the Bozwell Daily Bureau-Crat, then I wonder if it can actually lay claim to Bozwell itself.

O, I am interested in learning astrology. Could you tell me how you get the necessary books for learning this? Lorraine Hendrickson, Great Falls, Mont.

A. I wish I could. I learned astrology by reading 15 books. I read them one after another, although simultaneously would have been much faster. The trouble with the astrological textbook is that it leaves a lot to be desired, it's too presumptuous. In a few months I will recommend a good book for the readers to buy. But for now, I'm still looking.

Have you got a question? Then send it to me in care of The Wayne Herald. Everyone certainly has some sort of question about his sign, or another's, that he would like answered.

## Homemaker Club Meets With Mrs. Fred Heier

Sunny Homemakers Club met Thursday afternoon with Mrs. Fred Heier. Thirteen members and two guests, Mrs. Harvey Reibold and Martha Heier, were present. Christmas packages will be sent Rodney Reeg and Robert Dangsberg in the service. The birthday song was sung for Mrs. Henry Reeg and the pitch prize was won by Mrs. Alvena Brudigan. The 1:30 p.m. meeting Dec. 11 will be with Mrs. August Koeh.

## Fortnightly Meets in Mrs. R. Carhart Home

Fortnightly Club met Tuesday afternoon with Mrs. Ralph Carhart. Guests were Mrs. Lella Maynard, Mrs. Jim Iahn and Mrs. Vale Kessler, and prizes were won by Mrs. Maynard. Mrs. Hein, Mrs. J. M. Strahan and Mrs. Ralph Beckenhauer. Mrs. Don Wightman will be hostess for the 2 p.m. meeting Dec. 9.

## Honor M. Engle at Miscellaneous Shower

A miscellaneous bridal shower was held Nov. 9 at the First United Methodist Church for Marcheta Engle. Hostesses were Mrs. Roger Lutt, Mrs. Duane Lutt and Mrs. Vern Dahلمان. ## Mrs. Betty Hendon Is Guest Speaker At Methodist Guest Night Wednesday

Guest speaker Wednesday evening at the First United Methodist WSGS-WSG guest night meeting held in the church sanctuary was Mrs. Gathier (Betty) Hendon, a visually handicapped wife and mother of two from Sioux City, Iowa. Mrs. Hendon's program, entitled, "My Faith Looks Up To Thee," included incidents from her sightless childhood and schooling, and emphasized how her faith in God had sustained her. A graduate of the Juillard School of Music, New York, Mrs. Hendon is an accomplished musician, and delighted the audience with her vocal and piano selections, closing her program with "You'll Never Walk Alone." Accompanying Mrs. Hendon to the meeting were her son, Paul, eight, and friends, Mrs. Russell Hudson and Mrs. Thelma Jaynes, Sioux City. Mrs. Eldon Bull opened the Wednesday evening meeting with the invocation and Mrs. Roscoe Jones extended the welcome to friends, husbands and prospective new members. Mrs. Clifford Johnson had Thanksgiving devotions. David Anderson presented a medley of violin selections, accompanied by Paulette Merchant and Mrs. Bull presented Mrs. Hendon with a corsage for missions. Following the benediction tea was served in the fellowship hall with Mrs. Roscoe Jones, WSG president, and Mrs. Bull, WSGS president, pouring. Mrs. Alvin Pflers, chairman, and Mrs. Arnold Emery, co-chairman assisted by members of the November committee, served. Decorations consisted of fall flowers in a Thanksgiving theme.

## Overlin Releases Cage Slate for City Program

Hank Overlin, city recreation director in Wayne, announced last week that the basketball program for youngsters will begin Monday, Nov. 24. The program will not begin this coming Saturday because of conflict with the upcoming hospital bazaar.

Overlin noted that all practices will be held after school in the National Guard Armory on East Seventh until closer facilities are obtained.

After the first week of practice, Overlin said, there will be 15 eighth grade boys selected who will make up the eighth grade team which will play games with surrounding towns. The remaining eighth grade boys will practice with the seventh grade youngsters. Towns already scheduled for eighth grade games include Norfolk, West Point and Laurel.

Following is the schedule for youngsters in the city cage program:

- Monday: seventh grade boys from 4 to 6 p.m.
- Tuesday: eighth grade boys.
- Wednesday: sixth grade boys.
- Thursday: seventh grade boys.
- Friday: eighth grade boys.
- Saturday: third and fourth grade boys from 8:30 to 9:45 a.m.; fifth grade boys from 9:45 to 10:45; sixth grade boys from 10:45 to 11:45; sixth, seventh and eighth grade girls from 12:15 to 1:30; high school girls from 1:30 to 2:30; seventh grade boys from 2:30 to 3:30; eighth grade boys from 3:30 to 4:30.

## Lowie Wins Twice

Monte Lowie took part in two victories during Saturday afternoon's junior bowling action. He rolled a 145 for high single game of the week, and he and Rodney Turner teamed up to roll a 472 for high series.

## WSC Tigers Edge

College student Gale Jensen pumped in 19 points for high point honors as the Tigers from Delta Sigma Pi knocked off the Wayne businessmen Thursday night, 52-47.

to raise money for the Community Chest fund drive in Wayne. Just over \$50 was collected from the fans.

The businessmen built up an early lead in the first quarter behind the shooting of Roger Lintz and Ray Vrtiska, but fell behind in the second quarter when the college students hit for 17 points to the businessmen's three.

Leading the scoring for the local squad were Lintz and Vrtiska, 14 and 11. Don Kramer came up with eight points, Sid Hiller and Ken Dahl had six each, Roger Elder had two and Dick Hammer had one. Also scoring for the college squad were

## Beaver Pelts Yield Trappers \$73,000

Muskkrat provided some 45,000 of the 77,000 pelts harvested in Nebraska last year, according to the Nebraska Game Commission, but the 5,600 beaver taken produced the lion's share of the income.

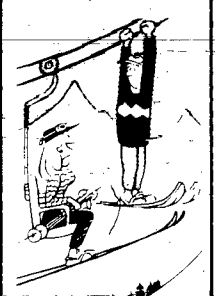

The furbearers yielded \$73,000 of the \$202,000 earned by Nebraska's trappers in 1968. Other profitable furbearers during the 1968 season were raccoon, yielding about \$49,000, mink, giving up about \$24,000 worth of pelts, and coyote, yielding some \$14,000. Most valuable animal on an individual basis was the

bobcat, averaging more than \$18 per pelt.

Mink and muskrat season began across the state last Saturday. Nebraska's beaver, however, are enjoying an extra-month's protection, as the season across most of the state does not open until Dec. 15.

Mink should be the best bet early in the season, since their pelts are in prime condition in November. Later in the season, around February, muskrat pelts reach their peak.

Trapping ends on Feb. 28 for muskrat and beaver, and Jan. 15 for mink. All persons, regardless of age, must have trapping permits, available from permit vendors across the state, conservation officers and Game Commission offices.

"You're a real gentleman to get up and give me your seat!"

## I Recommend Using "4x4" Commercial Cattle Wormer with Thibenzole

Worms literally eat up several million dollars worth of profits in the beef feeding industry annually. Healthy looking cattle often carry roundworms - in fact, 8 out of 10 feeder cattle are infested regardless of appearance or origin. That's why worming cattle with "4x4" Commercial Cattle Wormer with Thibenzole is an important part of the Walnut Grove Blueprint for Beef program.

### College's 'Tonight' Runs 2 More Times

This year's production of "Tonight At Eight" opened Sunday evening at eight o'clock in Ramsey Theatre. The three one-acts will continue again tonight (Monday) and Tuesday.

Being presented this year are Eugene O'Neill's "The Web," "The Lottery" and "The Private Ear."

Directing "The Web," one of O'Neill's "Ten Lost Plays," is Richard Kuebler, a senior from Crete. He has appeared in several Wayne State productions and was a member of the Shaw Acres Summer Theatre in Shawnee City last summer. He is a member of Alpha Psi Omega, the national honorary dramatics fraternity.

Brad Ford

Smell of the Crowd" and was stage manager for the last production of "Snow White and the Seven Dwarfs." He is a pledge to Alpha Psi Omega.

Wayne's Brad Ford, also a senior at Wayne State, is directing the third of the three one-acts, "The Private Ear," a comedy which provides the audience with a refreshing release in tension. Ford, who played Cochy in "The Boat," has been technical director for several college plays. Vice-president of Alpha Psi Omega, he has appeared in the productions of "The Fantasticks," "Snow White" and "My Sister, Eileen."

Admission to the three one-acts is \$1.50. Arena staging is employed for the productions.

### Ak-Sar-Ben Names

#### '70 Membership Goal

John Becker, chairman of the Ak-Sar-Ben membership committee, announced last week that the 1970 goal will be 50,000 members and that this year's members will be given the first opportunity to rejoin.

This year's members will receive a statement of dues for 1970 this week. Dues this year will be \$12.

Becker said the reasons for the raise are increased operating costs and Ak-Sar-Ben's desire to maintain its agricultural, charitable and educational programs at the present high level.

The Ak-Sar-Ben 1970 summer series will include Danny Thomas and Victor Borge, Borge, one of the funniest pianists in show business, will kick off the series July 17-19 in the Coliseum. Joining him for the five nights will be a popular singing group called "The Arbers." Comedian Thomas is scheduled to appear, also for five nights, in the Coliseum in August.

### No Fines for Overdue Books All This Week

People in the Wayne area are reminded again by Librarian Rodella Wacker that they can return any overdue books this week without being fined.

The Wayne Library is observing National Children's Book Week all this week by allowing overdue books to be turned in without charge regardless of how long they have been kept out of the library.

All parents in the area have been invited by the librarian to visit the library during this week so they can look over the display of nearly 100 new children's books. Also, parents can view a short film, "And Something More," which shows the many ways children may be served in a library.

### Waterfowlers Offered Extra Hunting Action During New Season

Every person wishing to participate in this special mallard drake season must have a free High Plains Experimental Point System permit. Application forms are available from any Game and Parks Commission office and from permit vendors. Processing of applications has begun, but the permits will not be mailed until about Dec. 1. The special season is limited to that portion of Nebraska west of U. S. 83. Because of this, the regular season in that area of the state was shortened by one week. No shooting will be allowed on federal and state sanctuaries and refuges. Since many waterfowl areas are leased, hunting areas may be hard to find. Consequently hunting spots should be arranged for in advance to avoid disappointment. Shooting hours are from sunrise to sunset.

According to federal regulations: "The daily bag limit is reached when the point value for the bird last taken, when added to the sum of the points for birds already taken that day, reaches or exceeds 40 points."

In other words, a hunter can take four mallard drakes, however, if he shoots any duck other than a male greenhead, he is done hunting for the day. Possession limit is two daily bag limits.

When white men first arrived on the plains, there were more than 50,000,000 buffalo in Nebraska and Kansas.

The last horse-drawn streetcar in the U.S. made its final run in Red Cloud, Nebr., in 1921.

### BUILDING FEEDLOT FENCE?

**TRY CARHART'S 4" x 4" 6-GAUGE WELDED MESH FOR A PERMANENT INSTALLATION**

THIS GALVANIZED WIRE FENCING IS AVAILABLE IN 150-FT. ROLLS THAT ARE 5 FEET HIGH

- Advantages of this type feedlot fence:**
- ★ Gauged size of wire to withstand normal feedlot requirements.
  - ★ Height to suit even the largest feeder stock.
  - ★ Minimum amounts of posts and dimension for reinforcing.
  - ★ Less fence-building time.
  - ★ Available in 48-inch size for other special uses.
  - ★ We also stock 16-foot panels.

**Hints on Feedlot Planning**

**DRAINAGE** — Manure tends to collect around the edges of feedlots and block drainage. In order to assure efficient drainage and good animal health, a slope of 1 ft. to 2 ft. per 100 feet is recommended.

**EROSION** — Avoid locations with steep slope of the ground (more than 4 feet per 100 feet) unless you expect to pave your feedlot.

**AREA** — Space needed depends on climate and feeding system. However, 65 square feet per mature beef animal is about the minimum total area, including shed space and open lot.

**RAISED FENCE PANELS** — A space of 6" between ground level and the bottom of feedlot fences is recommended for cattle. For hogs, go down to 2". This reduces the build-up of mud and manure against the fence and improves drainage.

### Tax Dollar Chart

The subject of taxes is of interest to most taxpayers, however, there seems to be a lot of confusion in understanding just where one's tax dollars are spent. Wayne County's tax program may perhaps be best understood by simply forgetting large sums and deal instead with the single lowly dollar bill. What happens to each \$1 in taxes paid into the Wayne County treasury? The answer is not simple due to the breakdown varies according to the tax district in which a person lives. We are indebted to Wayne County courthouse personnel for compiling the following statement showing the taxing district and the amount of each dollar that goes to the city, county, fire department, school plus free high tuition, Educational Unit I, and the Voc Tech school at Norfolk. Let's assume you pay the amount of \$100 in taxes. This sum is chosen because it is easy to work with. If the resident paying \$100 in taxes is from Hoskins, then \$46 goes to Hoskins, \$17 to the County, \$32 to the school and free high tuition, \$2 to Educational Service Unit I and \$3 to the Voc Tech school at Norfolk. Each line of figures to the right of the taxing district on the chart when added totals \$1. If you work with the sum of \$100 paid in taxes, then the figures stand for dollars. Do not miss noticing that the major portion of each dollar paid in taxes goes into education. Notice also how little of a total dollar goes into county expenditures.

### Letters to the Editor

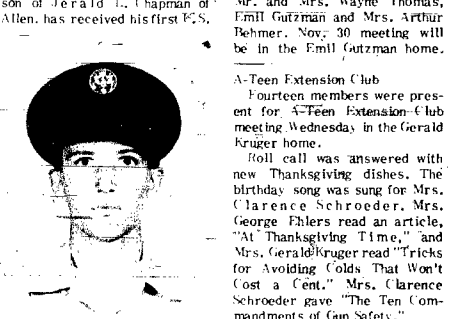

Pvt. William W. Hohlgraw, son of Mr. and Mrs. William Hohlgraw of Winside entered the service in July and trained at Ft. Eisenhower, Germany. Dear Editor: I would like to express my appreciation to SWAY, Inc. for the very nice gift of \$10 that I received in the mail. The gift makes you feel proud to know that your community is concerned and thinking about the servicemen.

Right now I'm stationed in Pioneer Kaserne, a little bit outside of Hanau, Germany. Our unit, the 574th Personnel Service Company, handles the promotions, orders, records and other actions of a military nature, for all the men in the V Corps Support Command. My job is in processing records coming into our command and out-processing guys who are either getting reassignments or going back to the States or ETS. This also includes making tickets up for those going back. Again I want to thank SWAY for the \$10 that I received and believe me I really appreciate the fine gift.

Army Private First Class Robert L. Dangberg, 20, son of Mr. and Mrs. Gilbert Dangberg, Winside, was assigned Oct. 12 to the 101st Airborne Division (Airborne) in Viet Nam as a rifleman. His wife, Linda, lives at Norfolk.

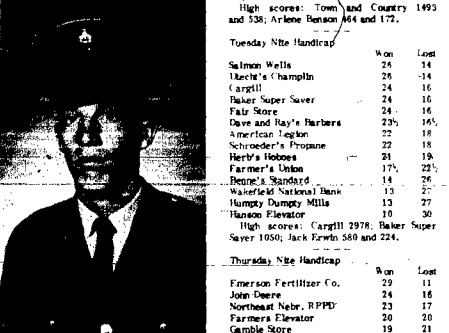

Airman Wayne A. Chapman, son of Jerald L. Chapman of Allen, has received his first PCS.

Air Force duty assignment after completing basic training at Lackland AFB, Texas. The airman has been assigned to a unit of the Air Force Logistics Command at Tinker AFB, Okla., for training and duty in the field of photography. Airman Chapman is a graduate of Allen Consolidated High School.

Airman Dennis A. Lipp, son of Mr. and Mrs. Arthur V. Lipp of Laurel, has completed basic training at Lackland AFB, Texas. He is remaining at Lackland for training as a security policeman. Airman Lipp is a 1967 graduate of Laurel Public High School.

Pvt. Robert E. Meyer, son of Mr. and Mrs. Louie Mavis of Norfolk, has finished basic training at Ft. Lewis, Wash., after enlisting in August, and is now receiving advanced training at Ft. Leonard Wood, Mo. Meyer is a former Winside resident. His address: Pvt. Robert E. Meyer, 60770957, Co. B, 2 BND, 5th CST, BDE, Ft. Leonard Wood, Missouri 65473.

U. S. Air Force Master Sergeant Jere L. Milliken, son of Mr. and Mrs. James Milliken of Wayne, is a member of the Patrick AFB, Fla., special task force that is supporting the Apollo 12 lunar landing mission. Sergeant Milliken is a radar technician with the 645th Radar Squadron at Patrick. His unit provides radar data on the position of aircraft in the vicinity of Cape Kennedy to air traffic controllers at Patrick.

The 645th is a part of the Aerospace Defense Command which protects the U. S. against hostile aircraft and missiles. The sergeant is a 1954 graduate of Wayne High School.

Tickets are available each evening at the door.

blows, keeping the car from becoming drifted over.

Also, parking in an open area will allow air currents to take away exhaust fumes, so that you can allow the motor to run. Remember too, that if you are on a relatively heavily-traveled highway, parking in an open, easily seen area will greatly increase your chances of being seen by someone and rescued.

While you are waiting in the car do not close all the car windows tight. Leave one of them on the side away from the storm open slightly to let in fresh air. If all windows are closed, blowing snow will seal them tight, and you will suffocate.

If the motor is stalled stay in the car and keep warm by using blankets, newspapers or even the cotton in the seats to keep warm. A lighted candle in a gallon can between a person's feet will furnish some heat.

Travelers who have survived being stranded indicate that a container such as a plastic bucket or large can is an absolute necessity for use as toilet facilities. It is vitally important to stay in the car and keep dry.

When people are faced with possible death in a storm, some of them panic and make unwise decisions. Try to keep yourself awake and give considerable thought to possible actions. Above all, remain calm and relaxed. You can do this if your car has a blizzard survival kit so that you can stay inside and remain as dry and as warm as possible.

## Tips Could Avoid Deaths in a Blizzard

Blizzards can be killers. They call for careful planning and sensible thinking. The Nebraska Department of Roads offers several guidelines which may save your life and the lives of your family or friends should you become the victims of a blizzard.

The wise motorist will listen to weather reports and get off the road before the blizzard starts. If travel is absolutely necessary in threatening weather, the trip should be started with a full tank of gasoline.

During winter months, be prepared for the unexpected. Equip your car with a winter "survival kit" of things you will need if stranded.

The kit should include two or more blankets or a box of newspapers if blankets are not available; two one-gallon cans with plastic covers (empties, three-pound coffee cans), one for a toilet facility and one for a candle; heat method of staying warm; supply of matches and candle

in one can; complete change of clothing in case you get wet; supply of high-energy foods such as candy bars; transistor radio or car radio; compass; first aid kit; over-shoes and shovel and a box of Kleenex or roll of toilet paper.

If you are stalled and are prepared, stay with the car. Never park in a sheltered area, where snow may pile up, covering your car and suffocating you. Park in an open area where the wind

**EARNING MONEY** for their summer camping trip will be the members of Boy Scout Troop 175 in Wayne. The 36 boys will be selling boxes of candy in the residential district of Wayne tonight (Monday) from 5 to 9 p.m. Last year the project earned the youngsters about \$200; this year they hope to earn \$250. In charge of the project are Keith Jech and Leg Lamp. Here, Vincent Jenness (left) and Carl Jenness try to sell a box of candy to Scoutmaster Rowan Wittse. Although the weather may be chilly tonight, the boys can look forward to a chili supper being served by the Scout auxiliary in the First United Methodist Church, as a pleasant break from rapping on doors.

Local Legion and Auxiliary members judged the contest which was limited to grades two through four in the Carroll and Wayne schools.

**Former Wayne Man Mentioned in Book About World War II**

A former Wayne resident is mentioned prominently and is pictured in a book recently added to the collection at the Wayne public library.

Douglas Canning is credited in the book, "Get Yamamoto," with spotting the plane which was secretly inspecting American bases in the Pacific during World War II. Canning quickly informed the proper officials and the plane was shot down by American airmen over the jungles of Bougainville. Flying the spy plane was Admiral Yamamoto.

Other new adult non-fiction books added recently to the Wayne library include "Modern Upholstering Methods" by William F. Tierney, "The Phil" by Robert W. Kistner, "Brother, Can You Spare A Dime" by Milton Teitzer, "Between Parent and Teenager" by Dr. Iain G. Ginott, "Why Priests Leave" by John A. O'Brien, "My Life with Martin Luther King Jr." by Coretta Scott King, "On Death and Dying" by Elizabeth Kubler-Ross and "My

Life with Jacqueline Kennedy" by Mary Parell Gallagher.

Among the new adult fiction books are "The Gnat-Pickers" by B. Traven, "The Devil's Daughter" by Fleazar Lipsky, "Act of Love" by Cella Dale, "Autopsy for a Cosmonaut" by Jacob Ilay, "The Wind on the Dragon" by Joyce Stranger, "The Spy Who Spoke Porpoise" by Phillip Wylie, "At Wit's End" by Erma Bombeck and "Two Little Children and How They Grew" by Doris Miles Disney.

GOING DOWN: One of the oldest buildings in Allen (second from left) is now being torn down to make room for future expansion by the Allen bank.

### Allen Landmark Being Removed

One of the oldest buildings in Allen, one which has housed such different businesses as a millinery shop and a trading post, is being torn down to make way for possible development by an Allen businessman.

The building, which stands on the north side of the town's main street and two buildings west of the Security State Bank, was built by Jasper McCouly some time between 1892 and 1894. He purchased the land the building is on from the founder of the northeast Nebraska village, Henry Allen, two years before selling it and the building to a Mr. Kellogg. Kellogg and his wife, Effie, opened a millinery shop in the new building. Bob Caulk had a real estate and insurance office in the building in the early years and Elmer Kingsbury had his law office there. During the Depression the women in Allen used the main floor of the building for the WPA sewing work they did. Later businesses in the landmark were Eleanor's Variety Store, owned and operated by Eleanor and Mar-

### Wakefield

Guest at South Dakota  
Dennis Paul, Wakefield High School senior, was a special guest Saturday of Joe Salem, head football coach at the University of South Dakota, at a luncheon and the USD and Augustana football game. Accompanying him were Dan Bard, Robert Mavis and Kevin Peters.

### Mothers Entertain Friday

Mothers of the Wakefield High School senior football players entertained the players and their fathers and the coaches and their

troop to a lunch of taverns and potato chips after their final game of the season at Lyons Friday, in the multi-purpose room at Wakefield High School. Players were Rich Kline, Dennis Paul, Dan Bard, Warren Johnson, Robert Johnson, Tom Nicholson, Bill Gustafson, Dale Brown and Kip Bressler.

Troop Meets Before Board  
Boy Scout Troop 172 met Monday evening at the old school building for a board of review. The Scouts came before Robert Twite, Robert Bernas and Charles Oleson in preparation of awards to be given Nov. 17 at 7:30 p.m. during court of honor.

Ald Meets  
St. John's Ladies Aid met Friday afternoon at the church parlors with 31 members and a guest, Mrs. Wilbur Utecht. Pastor Wentzell had devotions and showed a film, "Launching Into The 70's."

The group donated the proceeds from their bake sale to the retirement fund. The family of Mrs. Ella Thomsen gave the Aid a silver service.

New officers elected were Mrs. Harold Holm, vice-president, and Mrs. Delbert Jensen, secretary. A 1 p.m. potluck Christmas luncheon will be Dec. 5. Hostesses were Mrs. Elton Miller, Mrs. Alvin Ohlquist and Mrs. I. F. Peterson.

Pioneer Girls Meet  
Pioneer Girls met Monday afternoon at the Covenant Church with 20 members. Carol Mills was in charge of the meeting and the Bible exploration, "Faith in Action." Vicki Carlson led the songfest.

The group made invitations for mothers for the encampment supper meeting Nov. 17 at 6:30. Mrs. Larry Baker will demon-

strate cake decorating and about 100 awards will be given.

At Monday's meeting Mrs. Dennis Carlson helped the girls make rolls for the supper. Lunch was served by Mrs. Elmer Carlson.

Covenant Women Meet  
Covenant Women met Tuesday afternoon in the Fellowship Hall with 35 members for election of officers. Mrs. Malcolm Jensen was re-elected president. Mrs. C. R. Wenstrand is new vice-president, and Mrs. Elwin Fredrickson was re-elected as secretary.

Thanksgiving devotions were given by Mrs. Mary Patterson. Mrs. Norman Anderson sang "Thanks Be to God." Hostesses were Mrs. Elmer Baker, Mrs. Alvern Anderson and Mrs. Laurel Miner. All Covenant women are invited to attend the 16th Christmas luncheon, Dec. 10.

FHA Meets  
Wakefield High School FHA met Tuesday evening at Wakefield Public School. Barb Brownell led songs; President Cheryl Light gave the welcome and devotions were given by Kathy Pospisil. Suzanne Wageman was in charge of teen time and Judy Schroeder had the teen talk. Members were reminded to have articles ready for the Nov. 15 festival at the Legion Hall.

"The Builders," a panel of four girls and two boys from the University of Nebraska College of Agriculture, presented a program on their school. They were accompanied by their advisor, Dr. John Orr.

Lunch was served by Susan Gustafson, Kathy Pospisil and Suzanne Wageman.
