

AFS Elects Officers; Slates June Bus Stop

The American Field Service Chapter in Wayne elected officers in a meeting earlier this month, according to Bob Porter, president.

Result of the election is as follows: Robert Porter, president; Kent Hall, vice-president; Rachel Wolsky, secretary; Al Ehlers, treasurer and financial chairman; Dr. and Mrs. Walter Peterson, student family liaison; Mrs. Vern Jacobmeyer, home selection chairman; Marian Simpson, Americans Abroad coordinator; Ken Carlson, faculty representative; Miriam Witt, transportation coordinator, and

Dick Fabricius, engagement chairman. Mrs. O. K. Brandstetter was named chairman of the bus-stop committee.

The bus-stop committee is in charge of making arrangements for the arrival of 40 AFS students in Wayne June 29.

At the first meeting, President Porter noted that the local AFS Chapter has hosted a bus load of AFS students who will be touring the United States just prior to departure for their home countries.

The AFS bus carrying the students and two chaperones is scheduled for four stops during their tour, Porter said. The group will make their orientation stop here and make a "community" stop, a "conference" stop and a "re-orientation and departure" stop later on in the tour.

Petition Signers Are Against Using Park As Development Site

A drive is underway in Wayne to get signatures on a petition opposing using the land now occupied by the city ball park and the Girl Scout cabin as the site for the proposed elderly housing development.

The Wayne housing authority, the group which has been working for some time on the project of getting an elderly housing development in the city, asked the city council last week to come up with a price on the land so the price would be handy when the Housing and Urban Development representative visits the city to view the possible sites.

One of the ladies who started the petition drive, Mrs. Ivan Creighton, said that she was urging parents of the youngsters who use the ball park and the Girl Scout cabin to attend the coming meeting of the city council, slated for 7:30 p.m. Tuesday in the woman's club room in the city auditorium.

Mrs. Creighton said she is concerned about the possibility of using that land as the site for the development because it would be almost impossible for the city to get another ball park built and ready for use by the time the summer recreation and baseball programs get into full swing.

Mrs. Creighton also cited as a disadvantage the distance to another ball park if one is built elsewhere — it has been suggested a ball park be built on the Wayne County fairgrounds. She also said that the city would have to spend a great deal of money to build another ball diamond. See PETITION, page 6

New Record Set In Paper Drive By Area Scouts

In spite of the snow which fell Saturday morning, Scouts in Wakefield, Laurel and Wayne set a new record in the total number of tons of old newspapers they picked up from front porches of cooperating residents in each of the communities. Troop 175 also gathered papers in Winsde.

Towan Wittse, Scoutmaster of Troop 175, reports a collective total of 34 tons of newspapers were turned in for shipment to the Midwest Newspaper Salvage Company in Omaha. Proceeds from selling the papers are used by the troops for summer scouting projects.

Wittse said the previous record of 30 tons was set in the drive last year. Saturday, but the drive Saturday set an all-time high. Scouts will now have another paper drive now for about two months.

Wakefield Troop 172 reportedly turned in about 14 tons of the paper using a truck and driver furnished by the M. G. Waldhauf Company of Wakefield.

Laurel Man Honored For Years of Service

Laurel resident, Melvin Poledna, 55, was honored for 40 years of service with the Nebraska Department of Roads during a luncheon in Lincoln Tuesday.

Poledna is a maintenance foreman with the Department's District III maintenance section office located in Wayne. He works out of Laurel.

State engineer Marvin Nuernberger presented the 40-year service awards to Poledna and five other Department employees during the ceremony.

A native of West Point, Poledna is married and has two children. He began his career with the Department in 1930 as a laborer, just after the state took over handling of the roads from the county governments. He became foreman in 1941.

ASC Official Urges Speedy Enrollment

Harry Heinemann, chairman of the Wayne County ASC committee, urges farmers to come in to the county ASCS office in Wayne early to sign up for the wheat and feed-grain programs.

The final day to sign up is March 20, Heinemann said, but the sooner a farmer comes in the better the chance is he won't have to wait in line.

About 900 farms usually sign up in the voluntary farm programs. There were 90 farms signed up in the first two weeks of the seven-week sign-up period. Heinemann estimated that about one-half of them will wait for the last two or three weeks and will create long waiting periods.

Tags, Assessing Deadlines Near At Courthouse

The March 1 deadline is nearing for being assessed and for getting auto licenses renewed at the Wayne County Courthouse.

Leona Bahde, treasurer, noted Tuesday that there are but a few days left to get new tags for vehicle license plates without running the risk of paying a penalty.

She said her office had sold about 3,500 license tags since Jan. 1, but there are approximately 1,500 licenses yet to be renewed.

The treasurer said that although the courthouse is not normally open on Saturday, she will have her office open Saturday morning Feb. 28 from 8:30 a.m. until noon as an accommodation for those who want to come in and renew their licenses. She emphasized that the applicant must bring his or her auto tax statement and certificate in order to obtain the new tags.

The courthouse will be closed Monday in observance of Washington's birthday, a legal holiday.

Residents who must be assessed are reminded by Henry Arp, county assessor, there are only about five days left for personal property assessments as the deadline is March 1. Schedules filed after that date See TAGS, page 6

AHS Frosh Receives Atokad Scholarship

A freshman at Allen High School has received a \$75 music scholarship from the Atokad Agriculture and Racing Association of South Sioux City.

Richard Burgess, son of Mr. and Mrs. Marvin Burgess of Allen, was presented the scholarship Sunday afternoon at the Sioux City municipal auditorium during the concert given by the Sioux City Symphony. He was one of several Siouxland youth below college level who auditioned at Morningside College early in February for scholarships and was one of four to be chosen.

The scholarship must be used for private lessons at this time. Announcement of the winners was made by Dr. William C. Ziebell, president of the Sioux City Symphony Association, and presentations were made by Mrs. Jerome Stuart, president of the Siouxland Youth Symphony Council.

Richard plays the French horn in the Allen High band and is a member of the Siouxland Youth Symphony.

School Hosting Coffee

Businessmen will have a chance to get out of the rut and move into different surroundings this morning (Thursday) during the February Chamber of Commerce coffee.

The coffee, which will be held from nine to eleven o'clock, will be at Wayne Middle School, a change from the business firms in the city which usually do the hosting. Any businessmen or their employees are welcome to attend the coffee.

Davis to Seek A Second Term As Commissioner

Roy V. Davis of Winsde, county commissioner of District III, has filed for a second term in office, according to Norris Weible, county clerk.

Davis, who filed as a candidate for the commissioner's office Tuesday, will campaign as incumbent candidate on the Republican ticket.

Commissioner Davis first served when appointed to the office (finishing out the unexpired term of Henry Honke in June, 1966. He was then elected to office for a four-year term which ends this year.

Davis and his wife, Lenore, have two children: Dorothy of Winsde and Becky in Omaha.

Opposing Commissioner Davis in the primary election for the District III commissioner's office will be Floyd Burt who filed about a month ago and will also run on the Republican ticket.

Deadline for filing as a candidate for a county office is March 13. The only position in county government up for election for which no one has as yet filed is the office of superintendent of schools.

Candidates filing for office will the county clerk must pay a fee equal to one per cent of the salary of the office.

Cheerleading Duties Nearing End

These five juniors at Wayne High have shouldered all the duties of cheerleading for this year's wrestling squad. They must have done their job fairly well — three of those wrestlers are headed to the state tournament this weekend. The girls are (clockwise from left with parents' names in parentheses) Lizann Otte (Kurt), Bonnie DeTurk (Gene), Jani Luth (Les), LaRee Jones (Robert), and Carolyn Effinger (Don). LaRee is from Carroll, Jani from rural Wayne, the other three from Wayne.

Foundation to Seek Hospital District

The Wayne Hospital Foundation, founded in August, 1963, is continuing to make preliminary plans for what they hope will result in the formation of a hospital district in the immediate area.

Bob Lund, president of the organization which was established to assist and promote the interest of the Wayne Hospital, and also to plan for the eventual building of a new hospital, noted recently in a letter to Wayne Hospital Foundation contributors that preliminary plans toward founding a hospital district were

underway. He said that a committee had been appointed consisting of Bob Carhart, Dr. Bob Benthack and Charles Thomas, to inspect recently constructed hospitals and interview several architects.

After interviewing 14 architectural firms and visiting a number of existing hospitals, the committee made their recommendations to the foundation board.

Foundation board members met Feb. 4 and selected Davis-Pent-Stange-Darling Architects of Lincoln and the Robert

E. Schweser Co. of Omaha. The latter firm will serve as a fiscal agent. Both companies were selected by the board to assist in preliminary planning for the formation of a hospital district. The Lincoln based firm is the same one which designed the Wayne High School structure several years ago.

President Lund noted that the board has set up temporary hospital district boundary lines with which to work. He said when boundary lines are eventually established they will have to be approved by the Wayne County

commissioners. An election would then be scheduled determining whether or not it is the will of the people to form such a district.

The present hospital in Wayne is owned by the city and therefore prior to the formation of the hospital foundation, funds contributed to the hospital went into the city's general fund.

The Wayne Hospital Foundation was then brought into existence seven years ago for several reasons, Lund explained. He said it was set up to assist See FOUNDATION, page 6

WHS Band Concert Slated for Sunday

The public is invited to attend the first major concert for the Wayne High School senior concert band.

The concert will be held Sunday afternoon at three o'clock in the high school lecture hall. No admission is being charged.

On the program are selections from "Sweet Charity" by Coleman and Fields, "Acclamation" by Smith and "Jubilee Concert

Wayne Legionnaires To Fremont Meeting

At least three Wayne members of the local American Legion Post plan to attend the Legion's mid-winter conference held at Fremont Saturday and Sunday.

LeRoy Clark, Legion commander, Chris Bargholz and Carl Scheel plan to attend the conference which will feature two prominent Legionnaires, Bill Galbraith, past national commander, formerly of Beemer and Kent Lundgren of Menominee, Mich., national vice-commander are scheduled to speak.

Second Review Has Six Articles

A special feature of the second edition is a printed cover, adorned with a striking line drawing by art student Rick Francis, titled "Mechanical Man." Inside is another illustration, a print by student Lynn Dobson.

The articles in the latest publication range from Danish home culture to sources of iron ore for U. S. steel mills. The review of Stevenson's is on William Shirer's latest book.

Club Seeks Students For Driving Course

Wayne Kiwanians are sponsoring a defensive driving course which will meet at 7:30 p.m. on each of the first four Monday nights in March, according to Dick Keldel, committee chairman.

Keldel noted the class will meet at the high school with Trooper O'Dell of the Nebraska Safety Patrol serving as instructor. He explained there is yet room for another 15 applicants for the course, but the enrollment will be held to about 30 or 35 persons.

Scout Troop 175 Will Head North Again in August

Boy Scout Troop 175 members are completing plans for another trip to Itasca State Park at Park Rapids, Minn., according to Scoutmaster Rowan Wittse.

The troop camped there last year and decided to make a return trip this summer.

The troop plans to leave Wayne Aug. 1 and will camp overnight at a state park in Minnesota on the way to Park Rapids.

Club Seeks Students For Driving Course

Wittse said after they set up camp in Itasca State Park with a main camp at Elk Lake, the younger group of Scouts will remain there to work on advancements while those boys who qualify will go on a high adventure canoe trip from Itasca Lake toward Lake Bemidji on the headwaters of the Mississippi River.

Scouts will break camp Aug. 8 and camp overnight at a state park in Minnesota on the return trip home, arriving in Wayne

Annual Sale Starts Today

Over 50 businesses in Wayne are taking part in the Washington's Birthday Sale being held here today (Thursday) through Saturday. Firms are offering specials and are cutting prices on much of their stock during the promotion.

Added incentive for area residents to shop in Wayne during the city-wide sale—free cherry pie to lucky shoppers in the stores taking part. Some firms are also giving special \$5 prizes.

Information on the specials the businesses are offering is contained in advertisements in this issue of The Wayne Herald, the first of several extra circulation issues which will be printed this year. Over 7,000 copies of this issue will be distributed in the Wayne area.

...and then the princess...

Hand puppets bring the fairy tale "The Princess and the Pea" to life for these youngsters, three of those who saw the puppet show during Saturday's story hour at the Wayne Public Library. Presenting the Hans Christian Andersen story through the magic of puppetry were Tom McDermott

and Jana Reeg. About 30 young children turned out for the show, first time it has been tried. The children are, from left, Brian McLaws and Layne and Stacy Marsh. Their parents are Mr. and Mrs. Monte McLaws and Mr. and Mrs. Jim Marsh, all of Wayne.

Northeast Extension Notes

Hard Water Problems? Hard water creates problems for homemakers in this area, including rings in the bathtub, gray laundered clothes and even sluggish or leaking hot water tanks to mention just a few. Two ways to attack the problem are to use packaged softeners or install a mechanical water softener. The packaged water softeners are effective in most places except for the hot water tank. However, they require careful measuring and for some, an extra bother. The mechanical water softener is usually the more satisfactory all-around choice. Whether the tank-type water softener with service is rented or purchased for installation, it is best to get it from a local dealer or one who has regular service in the area. Local dealers usually render prompt, dependable service in recharging the conditioning system or replacement of parts. One will be ahead to shop for quality as well as service—price is one indication of how well a unit will work. Do comparison shopping before the final decision. Avoid the salesman who offers a "fantastic new way" to soften water. The dependable brands all operate on the same basic principle—a softening mineral plus salt for recharging the system. Additions to the basic system could include: (1) A hard water by-pass which allows regular unconditioned water to flow through the plumbing system at times when soft water is not needed. (2) Water softening regulator so that it occurs only when needed rather than on a timed schedule. Insist on a written warranty stating what is guaranteed and for how long.

Grace Lutheran Aid Meet Is Wednesday

Grace Lutheran Ladies Aid met last Wednesday afternoon at the church. Forty-five members answered roll call with their birth month. Guests were Mrs. Arnold Roeber, Wakefield; Mrs. Carl Paustian, Carroll; Mrs. Nell Sandahl and Karen, Mrs. Duane Gremke and Rosemary Binder, guest speaker from WSC. Miss Binder spoke on her life as a visually handicapped individual and sang "How Great Thou Art" and "Theme From the Sound of Music," to her own accompaniment.

Class A South Sioux Dumps Blue Devils, 91-51, Saturday

Saturday night the Wayne Blue Devils were outclassed by the South Sioux City Cardinals as the visitors breezed to a 91-51 triumph.

Poor shooting from the field hurt the Blue Devils most as they were on the tail of the Cardinals in other departments. Wayne could hit no better than 20 per cent of their shots (13-63) while the Cardinals amassed 45 per cent (36-80).

The only department the Devils led in was foul shooting. Wayne hit 59 per cent (25-42) to South Sioux's 56 per cent (19-34).

The class A Cardinals managed only four more rebounds over the Blue Devils, 66 for South Sioux and 62 for Wayne. Turnovers didn't help matters either as South Sioux recovered 25 of 27 Wayne turnovers. The Blue

Devils came up with 13 of 21 Cardinal miscues.

South Sioux City wasted little time jumping out to an early 22-6 first quarter bulge. Finding the range was a problem for Wayne as they collected only two field goals to the Cardinals' 11.

The second quarter provided little relief as Wayne managed two more field goals to South Sioux's 10. The only factor that added to the cause for the Blue Devils was their accuracy at the foul line, connecting on 11 of 18 attempts. As the half ended South Sioux had a commanding 50-23 lead.

The third canto provided some respite for Wayne as South Sioux cooled off, adding only two points to their lead. The action was fairly even through this eight-minute period.

Again in the fourth quarter the Cardinals doubled Wayne's output, 22-11, as the Blue Devils could only find the range for two field goals. The Cardinals coasted to the victory with five of their players reaching double figures.

Randy Helgren led Wayne scoring with 19 points. He was

followed by Mike Creighton and Don Mau with seven each, Doug Sturm and Ted Armbruster with six each, Kyle Willis with three, Lonnie Biltoff with two and Dick Tietgen with one. Former Wayne High basketballer Jerry Titz tallied eight points for the Cardinals as he started at guard for South Sioux.

Holding rebounding honors for the Blue Devils was Armbruster with 15. Showing muscle under the boards were Helgren with seven rebounds, Lonnie Biltoff, Tietgen and Creighton with six each and Willis with five.

Things weren't all bleak as the reserves put a little salt on the Cardinals' tail with a 32-45 victory.

The Blue Devils yearlings trailed as they led 16-21, 29-27 and 41-33 at the breaks.

Lonnie Biltoff and Kyle Willis teamed up for 26 points, 13 each, and Rod Cook had 11 points to provide the punch for the reserves. They were followed by Doug Sturm and Steve Peterson with seven apiece and Todd Bornhoff with one.

Peterson and Willis used their

muscle under the boards for 18 and 16 rebounds each. Biltoff pulled in another 10 caroms.

The Blue Devils go on the road Friday as they travel to West Point CC.

Wayne Frosh Whip West Point, 69-59

Young Randy Nelson assumed a great share of the scoring responsibilities and performed more than adequately during the Wayne High freshmen win over West Point Central Catholic Monday afternoon.

The victory, a 69-59 decision, gives the Frosh a 12-3 record going into the final game of the season.

Wayne Frosh 18 21 10 20 -- 69
WPCC Frosh 16 22 11 10 -- 59

That season finale is a four o'clock tilt with the Laurel frosh in the Wayne city auditorium this afternoon (Thursday).

Nelson came up with 25 points in the contest to take scoring honors for both teams. That output, quite respectable for a freshman.

Other locals breaking into the two figure category were Roger Saul and Tom Kerstine, both with 11 counters.

The locals iced away the victory in the final period after fighting to maintain a slim lead or a tie at the quarter breaks: 18-16, 39-38 and 49-49. But Kerstine and Saul teamed up to score all but three of Wayne's counters in the final period while the Wayne defense held West Point to only four scattered field goals to pull off the victory.

Others getting their names into the scoring column in the game were Steve Mordhorst with nine points, Dave Scheel with eight and Mark Johnson with four.

Friday night, then finishes the regular schedule at home next Wednesday night against Peru State. The Wildcats forged decisive wins over both in earlier games, but must win again to present a strong record for district NAAIA playoff contention.

With the score knotted at 75-75 after four quarters of action, the two teams faced off in a three-minute overtime showdown that ended in another stalemate, 79-79. Laurel had an opportunity to break the deadlock by stalling

for the last shot but failed to connect on the attempt.

Pressure finally took its toll on the Crofton squad in the second overtime period as the host team was outscored six to two, giving the Bears their narrow 85-81 win. Up to that final period,

Crofton 24 17 19 15 (4) (2) - 81
Laurel 21 16 19 19 (4) (4) - 85

Laurel had its hands full with the hustling Crofton hard-court artists.

Although the Bears had a distinct height advantage, their scrappy opponents led in rebounding 24-32. According to Coach Larry Moore, "We got outstuffed under the boards and that's just good work by Crofton. A team that small has to be good to score 81 points."

And Crofton did make an impressive showing, hitting 28 of 46 field goal attempts (61%) and 25 of 31 free throws (81%). Those performances kept the hosts in the game as they led 41-37 at halftime and 60-56 going into the final eight minutes of regulation play.

George Schroeder spearheaded Laurel's offense with 27 points on 11 field goals and 5-7 free throws. He was followed by Jim Schroeder with 19, Rod Erwin with 18, Steve Erwin with 11, Steve Smith with five, Brent Johnson with three and Paul McCoy with two.

Crofton's leading scorer was Pat Kollars with 29 tallies. He was helped out by Don Hames with 16 and Delwyn Wheeler and Francis Kramer with 11 each.

George Schroeder also led the Bears in rebounding with 11. Jim Schroeder and Steve Erwin followed with nine and seven rebounds respectively.

Coach Larry Moore noted that Crofton was given numerous easy lay-ups during the contest - an indication of the hosting team's hard effort against the taller Bears. Three fourths of the Crofton field goals came on shots within 10 feet of the basket, he said.

Three Wayne Wrestlers Headed to State

Three Wayne High grapplers - Alan Wischhof, Doug Maurer and Jim Meyer - will head for the state wrestling tournament following five showings in the district wrestling tourney at Schuyler Saturday. The tourney is Friday and Saturday at Lincoln.

The trip is the second in a row for Maurer, one of the three representatives from Wayne to the state affair last year at this time.

Unsuccessful in their bids for a trip to state were Mark Belermann, Bruce Ring, Mike Belermann, Rick Ginn and Steve Kamish. They got by the first day of the tourney but were knocked out of the running in Saturday's action.

WH Wildcats Rap Homer, Hartington As Class C District Action Nears

By Norvin Hansen

Winside got back on the track of the winners recently by knocking off Homer and Hartington in home contests.

The Wildcats now have an 11-6 mark this season. They did have a seven-game winning string going before the 67-63 loss to Stanton in the finals of the Stanton Invitational tourney recently.

Those two recent victories, 54-43 over Hartington High Friday night and 64-58 over Homer Tuesday night, give the Wildcats incentive to end the season on a winning note when they meet their final test this Friday night.

The Wildcats travel to Emerson-Hubbard for that season finale, prelude to the district tourney which will open next week.

In that district meet, scheduled for the Norfolk city auditorium, the Wildcats will go up against a highly rated Norfolk Catholic team in the opening contest of the affair. The game is set for seven o'clock Monday night. Should the Wildcats knock off the Norfolk team, they will go up against the winner of the Battle Creek-Stanton game. Tuesday night Madison meets Elkhorn Valley and Humphrey St. Francis meets Leigh. Semi-finals are set for next Thursday, Feb. 26, at 7 and 8:30. Finals are set for 8 a week from tomorrow night.

The Wildcats had little trouble with the Homer crew Tuesday night, building up leads at the quarter breaks of 13-9, 39-25 and 52-42. In the final period the Hawks closed the gap to a few points after Winside slowed

the ball several times.

But, it was Winside's smooth ball playing — few turnovers, not many fouls — which played an important role in their knocking off the Hawks, just as it did in the win over Hartington. In the two games the Winside crew committed only 19 turnovers, about six or seven less than the Wildcats averaged in the opening three games of this season.

Consistent scoring by Junior Gary Soden and a fine effort by senior Scott Duerling in the second period enabled the Wildcats to handle the Hawks in the Tuesday contest. Soden hit 20 points for scoring honors for his team and Duerling came up with half of his 12 points in the second period as the Wildcats continued their command of the game after the opening moments.

Also getting into the scoring act for the winners were Dave Witt with 13 and Fritz Weible with 11. High scorer for Homer was Randy Miller with 25. Other Winside scorers: Doug Deck six and Kirt Schellenberg two.

Friday night the Winside quintet displayed balanced scoring in chalking up the 54-43 victory over Hartington. There were three Wildcats in double figures — Gary Soden with 13, Dave Witt with 12 and Fritz Weible with 11 — and five others contributed

Athlete of the Week

Jim Meyer
Wayne High School

By Norvin Hansen

Jim Meyer, son of Mr. and Mrs. Alvin Meyer of rural Wayne, is The Herald's "Athlete of the Week," recognizing his efforts at the Class B district tournament at Schuyler over the weekend.

Meyer, at about 128 pounds, gains plenty of praise from his wrestling coach at Wayne High School. He won all but one of his matches at the district affair, and the person who beat him at Schuyler, by a 4-2 decision, took second in the district meet. In his other matches, Meyer earned victories by 5-4, 2-0, pin in 5:02, 2-1 and 6-2. For those efforts he took third at the district and earned a ticket to the state tournament at Lincoln Friday and Saturday.

Coach Don Koenig points to Meyer's willingness to work as one of his outstanding characteristics. "He's always at practice and is always trying to do his best." An example of that would be Meyer's victory over Wakefield's Steve Oswald after suffering a defeat to Oswald earlier in the season.

Coach Koenig says that Meyer is able to turn in good showings on the wrestling mats because of his exceptional strength. That quality has helped the 128-pounder rack up a record of 17 wins and only five defeats. Among those defeats were losses to the Albion wrestler who took first in the district, the one to Oswald and to a wrestler from Ashland.

Meyer is a junior at Wayne High. He maintains about a B average, according to the school records.

points — Scott Duerling with seven, Phil Witt with four, Bob Jackson with three and Kirt Schellenberg and Doug Deck with two each.

Winside dominated most of the game, building up 14-7, 24-21 and 37-27 leads at the quarter breaks before pumping in 17 points to Hartington's 16 in the final canto. Fleming hit 20 points for Hartington, the only opponent in double figures.

tournament swing of things Tuesday evening at South Sioux City. The Eagles face the Hawks from Homer, a team Allen has defeated and been defeated by.

That loss Friday night, the eighth since the slim 77-76 win over Randolph High, came largely as the result of some potent scoring efforts by two Hartington cagers. Fleming pumped in 38 points for the hosting quintet and his teammate, O'Mera, added another 21 counters.

Those scoring efforts enabled Hartington to take advantage of the contest early and keep it all the way through. Allen trailed at the quarter breaks by 21-17, 46-30 and 60-45. In the final quarter the hosts continued to keep on the pressure.

Leading scorer for Allen was junior Loren Reuter. Although only 5-8, he pumped in 23 points in the contest. He was the only Eagle able to break into two figures although Dennis Jaeger and Jerome Roberts came close with their nine and eight points respectively. Also scoring for the Eagles were Mike Ellis with seven, John Abts with six and Brian Linafelter with five.

Jerome Roberts pulled down 13 caroms in the contest to lead the action under the boards for Allen. Mike Ellis had five retrieves.

From the field, Allen hit at a 40 per cent clip — 26 of 66 attempts — and from the charity line the Eagles just broke the 50 per cent mark — 11 of 21.

Guess what the first professional baseball players were paid? Players on the Cincinnati Red Stockings, first all-professional team, earned from \$600 to \$1,400, according to World Book Encyclopedia.

These grapplers from Winside (top picture) and Wakefield (bottom picture) were among the select ones from the Class C district tournament at Winside which will head for Lincoln this Friday to take part in the two-day state wrestling tourney. Winside wrestlers who will make the trip are, front row from left, Terry Jaeger, Mike Jaeger and Steph Carlson, and back row, Larry Cleveland, Dale Miller and Dennis Wade. Wakefield entries at Lincoln include, from left, Steve Oswald, Dave Lehman, Bill Gustafson and Kirk Gardner.

Local Girls Win Two

With six minutes left Saturday afternoon, the local girls' basketball team trailed Brookings, S. D., by five points, but they came up with the necessary points to turn in a 39-34 victory.

That victory, which came largely as the result of Tracy Peterson's 17 points and Sue Gatewood's 16, came on the heels of the whopping 67-12 victory over Augustana Friday night.

Wayne led the South Dakota team by one point at intermission, 19-18.

Leading rebounders for Wayne in Saturday's game were Gatewood and Kathy Erickson with nine each.

Gatewood hit 18 points and came up with 14 rebounds in Friday's victory.

Winside will be one of the best represented wrestling teams in the state tournament this Friday and Saturday after exceptionally fine showings by six of their wrestlers in the district tourney at Winside last weekend.

Those six wrestlers who will be making that trip to Lincoln are Terry Jaeger at 107 pounds, Steph Carlson at 115, Mike Jaeger at 123, Dale Miller at 130, Dennis Wade at 165 and Larry Cleveland at 185. They pulled down places in the district affair ranging from first to third to earn that ticket to state.

But Wakefield didn't end up embarrassed in the district tourney. Four Trojans qualified for the same honor — Steve Oswald at 130 pounds, Dave Lehman at 137, Bill Gustafson at 155 and Kirk Gardner at 175.

Qualifying from Stanton were Pint in the 98-pound class and Jensen in the 137-pound class. Fighting their ways to first places in the district meet were

Carlson, Mike Jaeger and Cleveland, Wade took second and Terry Jaeger took third.

Wakefield's Oswald took second in the meet and his other three teammates took third places. Pint and Jensen, Stanton's contribution to the state meet, took a first and second respectively.

A fairly large crowd attended the district wrestling action in the Winside High auditorium, the first time Winside has hosted the Class C district schools.

Winside, besides placing the large number of boys in the tourney, had the honor of ending the action tied for first place with Battle Creek and Elgin Pope John. All three teams had 71 points. Results of how the other

Federal Food Stamp Benefits Begin in March

A liberalized Federal Food Stamp Program announced recently by Secretary of Agriculture Clifford M. Hardin, will extend its benefits to Wayne County beginning March 2, 1970.

Both the amount of money that a family pays for food stamps and the bonus stamps received have been changed, according to the local representative of the U. S. Department of Agriculture's Food and Nutrition Service in Norfolk.

Mrs. Ethel Martelle, Wayne County welfare director, stated that "the amount that a family pays for its stamp allotment has been reduced as far as possible under present law, which requires that this payment be not less than a family's normal food expenditure."

Bonus coupons paid to participating families will be greater than, or at least equal to those which it had been receiving. In the case of very low-income families, bonuses will more than double in many cases, Mrs. Martelle added.

For example, a family of four in the lowest income level which is required to purchase only \$2 worth of coupons will receive \$106 worth of food coupons each month, an increase of \$44 over the previous minimum of \$60 per month.

For a four-member family with a net income of \$210, the purchase requirement now is \$60, or \$8 less than formerly. For this cash outlay, the family will receive \$106 worth of food coupons each month, an increase of \$14 over the previous minimum of \$92.

These improvements make the program much more beneficial to persons who are eligible to participate in it, and we hope that any family needing food assistance not already in the program will get in touch with the Wayne County Welfare Office.

The Wayne County Welfare Office, which cooperates with USDA in administering the program locally, certifies eligible families for the purchase of food coupons. The coupons can be used the same as cash at any food store authorized by the Norfolk Food Stamp Office to accept them.

Commissioners Pass Resolutions Tuesday

Wayne County commissioners passed two resolutions during their regular meeting Tuesday at the courthouse, according to Norris Weible, county clerk.

The officials passed a resolution to hold a public hearing in the commissioner's meeting room at the courthouse Mar. 3 at 10 a.m. in regard to the application made by the Village of Winside for a license to operate a solid waste disposal site in Section four, Township 25, Range two of Wayne County.

Winside has made application to the state for the license. The state, in turn, asks that the county have a hearing. Results of the hearing are sent to Lincoln, Weible noted, and then the state department decides as to whether or not to issue the license.

The second resolution passed by the commissioners was an agreement to cooperate with Civil Defense officials in a non-funded community shelter plan for Wayne County. Civil Defense per-

sonnel in Lincoln will mail information booklets to each family in Wayne County. Mike Matsukis, Civil Defense representative was in Wayne to confer with the county board.

Wayne Kiwanis Club To Mark Anniversary

Wayne Kiwanis Club will hold its 47th anniversary banquet at 6:30 p.m. Sunday in the WSC Student Center, according to Jim Hummel, banquet chairman. The meal will be served smorgasbord style.

Chairman Hummel said Kiwanis Clubs have been invited from West Point, Albion, South Sioux City, Norfolk, Blair, Fremont and Wahoo.

Members of the Circle K Club on the WSC campus will participate marking their second anniversary.

Featured on the banquet program will be the WSC Chamber Choir, directed by Dr. Jacques Norman.

Due to the banquet Sunday evening, the Kiwanis Club will not hold its regular meeting Monday noon, according to Kent Hall, club president.

Girl Scouts Slate Annual Cookie Sale

Girl Scouts of the Prairie Hills Girl Scout Council will be knocking at doors in Wayne, Pender, Thurston and Winside, beginning tomorrow (Friday) after four o'clock through March 1, taking advance orders for Girl Scout cookies, according to Mrs. Sylvia Denton of Wayne, cookie chairman for Neighborhood 16.

The girls will begin delivering the cookies on Apr. 3 at which time they will collect for the cookies. No money will be taken at the time the cookies are ordered.

Five varieties of cookies will be sold at 55 cents a box, tax included. Patrons will write their orders on the Girl Scouts' order blanks, the chairman noted. Troop profit is 15 cents per box of cookies. Proceeds are used by the council for the maintenance and development of the Girl Scout Camp "Crossed Arrows" at Nickerson.

NFO Meeting Set

Any area farmers or businessmen interested in finding out more about the National Farmers Organization are invited to attend a meeting of the Wayne County group tonight (Thursday).

The meeting will be held at eight o'clock in the Winside High School auditorium. To be explained during the evening are the functions and recent progress of NFO.

Public Hearing Stated To Discuss Changing State Court System

Such potentially controversial subjects as the merging of counties and municipalities and the methods of operation of county government will be among the subjects to be discussed in a meeting at Norfolk next Monday.

The meeting, one of a series scheduled across the state, will begin at 9 a.m. in the city council room of the Norfolk city auditorium. Sponsoring the series as part of its study of county government and related issues is a committee of the Nebraska Legislative Council.

The public is invited to attend the meeting and participate in the discussion. Also invited to the meeting are all county officials in this area of the state.

Other subjects which will come up during the meeting include the possibility of contracting for services among governmental subdivisions, home rule for counties, equalization of taxation and a uniform system of taxing motor vehicles. Another subject which has received considerable attention over the past few years and which is being tried in some places, the possibility of phasing out the office of the county superintendent of schools, will also be taken up by those present.

Jack W. Rodgers, Legislative Council director of research, noted that area residents interested in the future direction of county government should attend the meeting and make their thoughts known to the people studying this area.

Laurel Firm Robbed

The Laurel branch of the Tri-County Co-Op Association was the victim of what appeared to be amateur thieves Sunday night. The thieves entered by a steel door on the south side of the building. Stolen during the robbery were loose change and cigarettes from candy and cigarette machines. A cash box and miscellaneous items were taken from a vault. A 1,500-pound safe was upset and pipe wrenches and other tools were used to try and open it. The thieves failed to break open the safe.

Cedar County Sheriff John Ribbe and Eugene Hastreiter, a criminal investigator, helped local authorities "investigate the robbery."

The WHP has tax exempt status. Contributions, according to the board president, are fully deductible for income tax purposes and requests to the foundation are also exempt for State Inheritance Tax and Federal Estate Tax.

Members of the WHP board of directors met at the Chamber of Commerce building Feb. 10 for the annual election of officers for one-year terms. Re-elected for another term of service were Bob Lund, president; Ken Olds, secretary and Adon Jeffrey, treasurer.

The city does not have enough park space as it is, Mrs. Creighton pointed out, and it is not a very good idea to use what we do have for a construction site.

Wayne has received approval for a 38-unit elderly housing development from the HUD office in Chicago.

The Wayne housing authority has decided that the ball park area is probably the best site in the city for several reasons, including room for future growth and proximity to the business district.

The ball park, located along West Fourth St., is used for several city recreation programs, among them the baseball, soft-

MERIT AWARD. Participants in awarding Howard L. Holm of Wakefield a Certificate of Merit Tuesday were, from left to right, Donald Niebuhr, USDA supervisor; Holm; E. E. Findlow, USDA supervisor; and Dan Gardner, plant manager for the Waldbaum Company.

Holm Honored by USDA At M. G. Waldbaum Co.

Howard L. Holm, a poultry product grader at the Milton G. Waldbaum Co. in Wakefield, was surprised Tuesday afternoon by the USDA Poultry Division Grading Branch in Washington, D. C., when informed that he was the recipient of a check and a Certificate of Merit award.

Donald A. Niebuhr, assistant area grading supervisor in the poultry division-grading branch of the U. S. Department of Agriculture, and E. E. Findlow, federal-state grading supervisor for the USDA, were at the Waldbaum plant for the presentation. The supervisors are both from Des Moines, Iowa.

Niebuhr presented the award which reads, "For sustained superior performance in carrying

out assigned responsibilities for the grading of poultry and poultry products."

Holm has been employed since November, 1956 by the USDA Poultry Division in Washington and works out of the Des Moines, Iowa office. He and his family live in Wakefield where he has been stationed with the Milton G. Waldbaum Co. about three and a half years. His wife, Bernita, was invited to the plant for the presentation ceremony. Holm knew nothing about receiving the award until a few minutes prior to the presentation.

Dan Gardner, manager of the Waldbaum plant, participated in the brief ceremony and introduced the USDA supervisors to plant personnel in attendance.

The completely new Camaro design concept combines prestige car styling with remarkably responsive performance handling. Its distinctive long hood, new front end and swept-back roof and rear deck styling are only a few of the many new features found in this sporty model. It also has improved ride and sound isolation. The 1970 Camaros will be on display in dealer showrooms February 26.

MY SINCERE THANKS for the many cards, flowers and visits by my friends and neighbors. Also to Dr. Robert Bentback and Dr. Matson, the nurse and office held during my stay in the Wayne Hospital. Day Theophilus. f19

I WISH TO EXPRESS my sincere thanks for cards, letters, flowers, gifts, telephone calls and visits while I was in the hospital and since my return home. Also a word of appreciation to those who helped in any way here at home. Words cannot express our gratitude. May God bless you all. Mrs. Jens Mikkelsen. f19

WE WISH TO EXTEND our grateful appreciation to all who have shown us kindness in so many ways. It makes the loss of our loved one easier to bear. May God bless you. Mrs. Rubel Hutchings, Dr. and Mrs. Roger Hutchings and family, Mr. and Mrs. Bruce Hutchings and family and Mr. and Mrs. Miklos Verhar and son. f19

WE WANT TO SAY thank you to everyone who helped us move and get settled in our home. Also thank you to the ladies who prepared and served dinner and to those who donated food. We appreciate it very much. Mr. and Mrs. Melvin Myers and family. f19

WE WISH TO EXPRESS our sincere thanks to all of our dear friends and relatives who attended our open house and to those who remembered us with cards, gifts and flowers for our golden anniversary. Special thanks to Pastor Wentzel for his words and to those who gave so generously of their time to make it such a memorable day for us. God bless you all. Mr. and Mrs. A. H. Meyer. f19

30 WHS Juniors Take Merit Test

Thirty Wayne High School juniors met at the Woman's Club room Tuesday to take the National Merit Scholarship qualifying examination from 9 a.m. until 11:45 a.m. under the direction of Ken Carlson, guidance counselor.

S/4 and Mrs. John Lang and Karen Sue arrived Friday evening from Ft. Lewis, Wash., to spend several days with her parents, Lloyd Behmers. After a 21-day furlough, Specialist Lang will report to Oakland, Calif., and will go from there to Viet Nam. Joining the group for supper Saturday were the John Zinnecker family, Lincoln, Lonnie Behmer and Lyn Dendinger, Norfolk, The Rev. and Mrs. Paul Reimers and family joined them for dinner Sunday and an open house was held honoring Langs that afternoon. Monday Langs left to visit in the George Lang home, Des Moines, Iowa.

Carlson pointed out that the NMSQT is a prerequisite for a secondary school student to be considered for the Merit Scholarship, Achievement Scholarship and special scholarships administered by NMSC. He noted that students who score high in the NMSQT and who fulfill other requirements will continue in the competition for scholarships to be used at the regionally accredited college of their choice.

Eight in Court Pay \$145 Total In Costs, Fines

Eight persons appeared before Judge Luverna Hillon in the Wayne County Court during the two-day period Monday and Tuesday, paying a total of \$145 in fines and court costs. Those in court Monday:
—John A. Sautter of Plattsmouth was fined \$5 and \$5 costs for making an improper U-turn. He also paid a \$10 fine and \$5 costs for illegal parking.
—Arthur D. DeGoel of Orange City, Iowa, was fined \$10 and paid costs of \$5 on a charge of speeding.
—Earl Bennett of Wayne was fined \$10 and costs of \$5 for a stop sign violation.
—James Leach of Rock Falls, Ill., was charged with intoxication and paid \$25 fine, \$5 restitution and \$5 in court costs.
—Loren Schulz of Wakefield paid a \$10 fine and \$5 court costs for speeding.
—Larry Echtenkamp of Wayne was fined \$5 and \$5 costs for failure to display emblem identifying a slow moving vehicle. Appearing in court Tuesday were Anthony A. Churco of Winnebago, who paid a fine of \$10 and costs of \$5 for speeding; and Zoe A. Weber of Meadow Grove, charged with passing on a hill and fined \$10 and costs of \$5.

Papillion Native Is 1st WS Hearts King

Dave Nielson of Papillion has the distinction of being the first King of Hearts at Wayne State College, thanks to the co-eds of Pile Hall.

The co-eds decided the men of the campus needed a royal honor to go with a variety of queens, so they invited each dormitory to nominate candidates, with strong accent on campus activities and leadership. Students attending the King of Hearts Dance voted on their choice among nine contenders, and Nielson won. A sophomore, he is the son of Mr. and Mrs. Carl Nielson.

Postal Workers Get Holiday This Monday

All post offices will be closed all day this coming Monday in recognition of George Washington's birthday.

There will be no city delivery, rural delivery or window service at the Wayne post office, reports Postmaster Don Wightman, but mail will be distributed to the box section patrons. Collection and dispatch will be made on a Sunday schedule.

It is unlawful in Nebraska to possess any upland game bird or small game animal at any time except during the open season and for 90 days thereafter.

Programs May Help You 'Kick the Habit'

Five programs that may change your mind about smoking cigarettes will be seen Monday through Friday, March 2-6, on Nebraska Educational Television Network stations. The series, "Why You Smoke - A Self Test," will be seen each evening at 9 p.m. National Educational Television, in cooperation with the American Cancer Society, is presenting the series nationally to help viewers understand why they smoke and how they may quit. The series is being aired for Nebraska audiences through the cooperation of the Nebraska Division of the ACS and the Nebraska Inter-Agency Health Planning Council, Inc.

No threats or scare tactics are employed; no cancerous organs or deathly ill persons are shown to convince smokers of the advisability of quitting. Instead, the series is constructed around viewer participation and identification with smokers and their problems—plus an element of suspense. The first program introduces three heavy smokers whose habit affects their behavior as well as their health in many subtle and not-so-subtle ways. They are not actors and do not perform in the NET series. Their job was simply to be themselves, to let their true personalities and their problem show through for the cameras. And they had one other assignment—to take a four-part written test designed to reveal many things they didn't know about why

they smoke and how they can change their habits. Viewers in the Wayne area will take the same test, each part on a different night. Copies of this test are being distributed in Wayne County by the local American Cancer Society chapter and other health agencies. One method being used to get copies of those tests distributed to people in the Wayne area is by sending them home with school children in Wayne. Additional copies will also be available from doctors' offices in Wayne and from the health organization chairmen. A list of those chairmen will be printed in a coming issue of The Wayne Herald. The questions and choice of answers also will appear on the screen, and after each part of the test is given, the significance

of the answers will be explained. Local viewing groups are being organized by local ASC chapters. Purpose of the group discussion is for participants to relate their own experiences and to ask questions about smoking, health and the problems involved in quitting.

Emerson Native Wins No. 2 Position in WS Senate Election

Merlyn Habrock

Bob Matthews of Whiting, Iowa, won the Student Senate presidency at Wayne State College Monday, and his vice-presidential running mate, Merlyn Habrock of Emerson, also won after the most spirited campaign in several years. Matthews, a junior majoring in business, defeated runnerup Joe Cornish, sophomore from Tekamah, by a 810 to 370 vote. Two other presidential candidates—Benny Mackey of Howard, Iowa, and Richard Kerns of Dakota City—polled the rest of some 1,500 votes cast.

For the vice-presidency, Habrock, a junior-business major, defeated Sherry Cole of Omaha, 754 to 327. Miss Cole was Cornish's running mate on what they billed the Student Liberation Front. The other vice-president candidates with Mackey and Kerns were Pam Chastain of Essex, Iowa, and Carla Warneke of Ralston.

Matthews, a 1967 graduate of Whiting Community High School, is a senior vice-president of Delta Sigma Pi, international business society chapter at WSC, a member of Blue Key honor fraternity, a member of the Senate, an honor roll student, and has been a counselor and president of Berry Hall. Habrock, a 1967 graduate of Emerson-Hubbard High School and son of Mr. and Mrs. George Habrock, also has been a student senator and is a member of Tau Kappa Epsilon social fraternity. Also elected Monday were members of the Senate representing dormitories and off-campus students. Among them: Neilhardt Hall—Sally Hirschman, Madison, and Jan Slevers, Ponca. Terrace Hall—Warren Anderson, Hoskins, and Terry Welte, Wayne. Off-campus—Nancy Petring, Norfolk; Marty Mills, Wayne; Toni Hassing, Wayne; Steve Ferris, Columbus; Vince Emery, Omaha, and Joe Dashiell, Elizabeth, N. J.

Funeral Services For Mrs. E. Paul Held in Laurel

Funeral services for Elizabeth Paul, 49, Concord, were to have been held yesterday at the United Presbyterian Church, Laurel. Mrs. Paul died Feb. 15, 1970 at the Wakefield Hospital.

The Rev. J. Keith Cook officiated at the rites. The church choir sang "How Great Thou Art" and "God So Loved the World," accompanied by Mrs. F. W. McCorkindale. Pallbearers were Jack Erwin, Dick Hanson, Jerry Martindale, Winton Wainth, Gary Erwin and Earl Nelson. Burial was in the Concord Cemetery.

Elizabeth Paul, daughter of C. D. and Margaret Tlenken Haskell, was born Aug. 16, 1920 at Sioux City, Iowa, and spent her entire life in the Laurel and Concord area. She was married to Glenn Paul March 28, 1942 at Fremont.

She was preceded in death by her father and an infant sister. Survivors include her widower; a daughter, Mrs. Jerry Heitschman, South Sioux City; a son, Neal Paul, attending the University of Missouri at Columbia, Mo.; a sister, Mrs. Maurice Harper, Sun City, Ariz.; two brothers, John Haskell, McCook, and William Haskell, Laurel, and her mother, Mrs. C. D. Haskell, Laurel.

Squirrels are responsible for the planting of many thousands of trees each year. They bury thousands of nuts, acorns and seeds each year and forget to reclaim them.

1970-71 Winside Public School Salary Schedule

10				1.42 (8804)	1.46 (9052)	1.50 (9300)

As shown on the above schedule, the Winside board of education has adopted a salary schedule for next year with a four per cent increment for each additional nine hours of graduate work and a three per cent increment for each allowable year of experience.

Graduate hours must apply to major field assignment after BA + 18 to be recognized on the salary schedule. Winside's new schedule raises the base salary of a beginning teacher with a bachelor of arts degree from \$5,800 to \$6,200 and provides for a salary increase of three per cent of that base for each year of teaching experience and a four per cent increase in salary for the advancement to each of five steps beyond the four-year degree.

Health and accident insurance also accompanies the base salary for staff members.

Funeral Services For Mrs. Derry Held in Norfolk

Funeral services for Mrs. Melvin Derry, 68, Neligh, were held Monday at the First Congregational Church, Norfolk. Mrs. Derry died Feb. 13, 1970 at her home.

The Rev. Richard A. Kline officiated at the rites. Burial was in the Oakdale Cemetery. Survivors include her widower; a daughter, Mrs. Harley Heitold, Wakefield; a son, R. Vance Derry of Lincoln; two brothers, Earl Daughette of Eldora, Iowa, and Daniel F. Daughette of Sunnyvale, Calif., and eight grandchildren.

Coming TV Program May Prevent Mishaps To Area Farm Youths

Wayne area youth who want to qualify for exemption from the hazardous occupations orders should tune in to the Nebraska Educational Television Network in April.

The orders issued by the U. S. Department of Labor are meant to protect hired farm workers under 16 from particularly hazardous jobs. The orders became effective on a permanent basis Jan. 1.

The statewide training program carried on by Nebraska during the past year has been coordinated by Rollin D. Schmie-

der, Extension safety specialist at the University of Nebraska, and NU Extension Engineer Delbert Lane, and conducted on the local level by county Extension agents in cooperation with implement dealers and vo-ag instructors.

The series, "Tractor 10" is scheduled for April 2, 9 and 16 (Thursdays) from 8 to 9 p.m. on the NETV network. It will offer the same kind of training as the statewide training program.

Enrollment in and successful completion of the course by eligible age youths can result in the issuance of 4-H or vocational agriculture exemptions for some of the orders. County agents and vocational agriculture teachers must match each hour of television programming with at least one to one and a half training at the local level.

A \$1 registration office must be paid to the county agents for enrolling in the course.

Without Power Sunday

About 25 or 30 electrical customers of the Stanton County Public Power District were without service for about an hour and a half Sunday night because of a power outage.

The outage was caused when an oil breaker blew up about 10 miles northeast of Stanton. The oil breaker is about the size of a transformer. Electrical users affected by the outage were on the fringe of the district's territory, in northeast Stanton County and southern Wayne County.

Fritschen Will Judge Norfolk Swine Show

The swine specialist at the Northeast Station near Concord, Robert Fritschen, will be the judge of the carcass division of the coming Norfolk Swine Show, according to a story in Tuesday's issue of The Norfolk

Daily News. The live show is slated for Tuesday at the Norfolk Livestock Market with the carcass division scheduled for next Thursday, Feb. 26, at the Roman Packing Co.

Carcass evaluation will be done on the best five hogs in each weight class, and the judging will be done next Thursday at 10 a.m. The carcass hogs will be sold to Roman Packing next Wednesday.

Prizes which will be awarded include a trophy and \$20 for first place, trophy and \$15 for second, \$10 for third, \$8 for fourth, \$6 for fifth and ribbons for first through 10th places. Chairman of the show is Marvin Moore; Bob Suhup, vocational agriculture teacher at Norfolk High is co-chairman.

Part of the secret of the little-iron performance of permanent press garments is the heat and tumbling they get in a dryer. But new wrinkles will form if garments are allowed to stay in the dryer after tumbling stops. Try keeping the load tumbling as you remove garments. Then they'll require only touch-up ironing.

Seven sows and 56 pigs averaging a week old were killed in a barn fire on the Dennis Lutt farm home southeast of Wayne Sunday afternoon. The fire, which started shortly after four o'clock, was apparently started when a sow knocked over her farrowing crate and the crate broke a heat lamp near some straw. That sow was saved from the fire and that evening farrowed nine pigs, seven of which lived. Damage amounted to approximately \$4,500. Firemen from Wakefield and Wayne answered the call, turned in about 4:20 p.m. after Dennis Lutt found the barn on fire when checking on the sow. The fire was out of control by the time firemen arrived at the Lutt farm, located six miles east and two south of Wayne.

Rubel Hutchings Services Held In Allen Church

Funeral services for Marion Rubel Hutchings, Allen, 66, were held Sunday afternoon at the United Methodist Church, Allen. Mr. Hutchings died Feb. 13, 1970 at his home. The Rev. I. B. Choate officiated at the rites. Eldred Smith sang "Going Home," accompanied by Jean Durant. Pallbearers were Gaylen Jackson, James Geiger, Donald Kluever, Robert Boals, Thomas Gustafson and Kenneth Linafelter. Burial was in the Eastview Cemetery, Allen.

Marion Rubel "Doc" Hutchings, son of Lyman and Grace Hutchings, was born Dec. 27, 1903 at Emerson. He was graduated from Allen High School and Wayne State College and coached one year before going into the appliance business. He married Allie Grace Herrick June 24, 1931 at Waterbury. Mr. Hutchings had been mayor of Allen for many years. He had served on the Methodist Church board and was past master of Golden Hule Lodge 2396, 4F and AM and Opal Chapter 195 OES. He had been a member of the Security State Bank board since its organization in 1944 and had operated the Hutchings Lumber plant many years. Survivors include his widow; two sons, Dr. Roger Hutchings of Medford, Ore., and Bruce of Champaign, Ill.; one daughter, Mrs. Miklos Verhar of Lincoln; one brother, John of Omaha; one sister, Mrs. Ralph Boals of Dakota City and six grandchildren.

Area Teachers Asked To Enter Competition For 40 Scholarships

Forty Ak-Sar-Ben post-graduate scholarships of \$150 each are available for elementary and high school teachers in Nebraska. Clarence L. Landen, chairman of Ak-Sar-Ben's scholarship committee, announced today. This is the 12th year that Ak-Sar-Ben has offered the scholarships to help teachers obtain advanced study in their respective fields. They are to be used during the summer session. Stanley L. Hawley of Lincoln, deputy commissioner for the Department of Education, will administer the program which is handled by a committee of 12 Nebraskans. Committee members in addition to Hawley are Ross Rasmussen of Lincoln, Dr. Freeman Decker of Wayne, Mrs. Fritz Krause of Alliance, Mrs. Richard Lackoff of Bassett, Max Logan of Diller, Jerry Steggs of Broken Bow, Robert T. Reilly of Omaha, Ed Burke Jr. of Imperial, Mrs. Enis Shepherd of Lexington, Mrs. Arthur Sweet of Nebraska City and Carl Speks of Kearney. Applications and inquiries should be directed to Mr. Hawley, Department of Education, Room 1401, State Capitol Building, Lincoln. Deadline for applications is April 1, so that the winners may be announced before summer vacations begin.

Dixon County Seeking Names of Pioneers

Richard Hanson, president, and Eldred Smith, secretary, of the Dixon County Fair Board, are seeking the identity of area pioneer farm families. Those who qualify will receive the Nebraska Pioneer Award during the Dixon County Fair. The special award, now in its 15th year, is designed to pay tribute to pioneer farm families of Nebraska who have owned the same land for 100 years or more. The program is a joint venture between Ak-Sar-Ben and the Nebraska Association of Fair Managers. Walnut and bronze plaques and handsome framed certificates will be presented to each family that qualifies. Eligible families are urged to contact Smith, secretary of the county fair, who will submit the nominations from this county to the state committee. Deadline for receiving nominations is June 1.

Seminar Will Help People Working with High School Budgets

The 1969 Nebraska Legislature's uniform budget act and its relation to public school districts will be the subject of a seminar scheduled for Pender early in March. The seminar, one of 16 scheduled for across the state, will be held March 12 in the Pender fire hall. The seminars begin Monday in Rushville. The one-day seminars will be conducted by the University of Nebraska Extension Division in cooperation with the Nebraska State Auditor's Office, Nebraska

Income Determines Whether You File

The amount of your income is a key factor in determining whether you have to file a federal income tax return, the Internal Revenue Service said this week. Anyone under 65 years of age with a gross income of \$600 or more for the year has to file a return. This requirement applies to minors, students, single and married alike. No return is required from anyone 65 or older on the last day of the tax year unless the gross income was \$1,200 or more. However, when the income is under these limits a return should be filed to get a refund of any income tax withheld from salaries or wages. Businessmen, farmers and other self-employed persons must file a return if their net earnings from self-employment were \$400 or more. Publication 528, "Information on Filing Your Tax Return," furnishes more detailed information. It may be obtained by dropping a post card to the District Director, Internal Revenue Service, Federal Office Building, 15th & Dodge Sts., Omaha, Nebr. 68102.

Tax Research Council, Inc., Nebraska State School Boards Association and Nebraska Association of School Business Officials. All of the seminars will deal with LB 1433 and will explain new forms developed and prescribed by the state auditor for use by all public school districts. The seminars will also provide information to schools on planning of programs and budgets. Those invited to take part in the seminars include members and officers of all public school boards of education in the state, all county superintendents, educational service units boards and staffs, and school administrators and staff who work in developing budgets. Registration for the seminars begins at 3:30 p.m. the scheduled day, with dinner at 6 p.m. and adjournment at 9:30 p.m. One of the seminars is also scheduled for Pierce. It will be held in the Pierce High School on March 11, the day before the one is scheduled for Pender.

SBA Man Available In Norfolk Thursday
The Norfolk Chamber of Commerce has again made arrangements to have a representative from the Small Business Administration available for interviews with area businessmen. The representative will be in the Norfolk city auditorium today (Thursday). Anyone in the Wayne area who is interested in learning more about the SBA programs should call the Norfolk Chamber office at 371-4862 and make an appointment for Thursday.

Available during the day will be information on what SBA programs are available, the facts of business life, sound business borrowing and re-evaluating business operations. The chief concern of SBA is the success and continuity of small businesses across the nation. The small businessman in the Wayne area is encouraged to explore the SBA services.

Census Bureau Sets Survey in This Area

The Bureau of the Census will conduct a sample survey of employment and unemployment in the Wayne area during this week, Guy A. Lutz, director of the Bureau's regional office in St. Paul announced last week. The households to be interviewed are part of a scientific-

ly designed sample of the entire U. S. population. The employment and unemployment statistics are collected monthly by the Census Bureau for the U. S. Department of Labor to provide a continuing measurement of the economic health of the nation as a whole and of its major regions. This monthly survey is not to be confused with the 1970 decennial census of the entire population to be taken in April since that will cover all of the

nation's 60 million households and will provide data for each of the 50 States and for each of their political and economic subdivisions. As in the coming April census, facts about the individual and the family collected in this survey are kept completely confidential and the results will be used only to compile statistical tables.

Priest Tells Club Of Harvard Seminar

The Rev. Anthony Milone, pastor of St. Anne's Catholic Church at Dixon and part-time chaplain at Wayne State College told Wayne Kiwanians, following a noon luncheon at the Woman's Club room Monday, of his experiences attending a seminar at Harvard University last summer. Those

attending the seminar heard various militant students express their ideas of revolution. Representatives of the Students for a Democratic Society were at the seminar, according to the Rev. Milone, and expressed their feelings that the present social structure in America is rotten and in need of being destroyed. He noted the SDS students had three primary grips which were thought by faculty to have some

legitimacy. These were against having ROTC on campus; Harvard was expanding with new buildings with little concern for people displaced by the building program; and a lack of communication between students, faculty and administration. A group of local club members attended a West Point Kiwanis meeting Tuesday noon. Dr. LeRoy Simpsom, director of Athletics at Wayne State College and Kiwanian was guest speaker.

EDITORIAL COMMENT

The editorial department of a weekly newspaper is an important department. Normally it is one person's opinion of topics that concern most of the readers.

You may not agree with an editorial — but if you read the editorial and give serious thought to the subject discussed you have gained. You, as a reader, have given careful thought to an important problem and the writer is proud to have called your attention to an important subject that you may have overlooked.

The Ball Park What's It Worth?

The housing authority in Wayne is planning on recommending that the elderly housing development, part of which would be funded by the federal government, be built on the land presently occupied by the city baseball park and the Girl Scout cabin along East Fourth Street. It recently asked the city council to come up with a fair sale price for that land so that figure would be handy when the representative of the federal agency visits the city to view possible sites.

Anticipating some hesitation from the council members on selling recreation land for a housing development, the two representatives of the housing authority explained that the site was one of the best in the city for several reasons. It is big enough to permit expansion beyond the initial 38 units. It is within walking distance of the business district, a factor the federal government considers quite important. It is already owned by the city and there would be no need for condemnation procedures, something which might be necessary if a site were chosen in the sector of privately owned land.

There were, of course, arguments against the plan.

We are sure the members of the housing authority studied the problem of acquiring a site for the housing development at some length before deciding upon this one. Although we do not wish to seem inconsiderate — the group probably deserves a vote of thanks for bringing the city this close to an elderly housing development — we do have doubts about this site being the best one in

the city. There are, in fact, several strong arguments against it.

First, it would destroy approximately a full square block of recreational land which is easily accessible to a great number of people. It is almost certain the council would have to go to the outskirts of the city to replace that recreational area, making it highly unhandy for those living in the opposite end of the city.

Second, it would cost a considerable amount of money — possibly as much as \$7,000 or \$8,000 not counting land — to replace the present ball park. Although the ball park is presently adequate, \$1,000 or \$2,000 judiciously spent would make it one of the best in northeast Nebraska. Would it not be more feasible, it must be asked, for the city to spend several thousand dollars for land for the development rather than on land for a new ball park, thereby saving money in the long run?

Third, municipalities are often reluctant to spend from their hard-pressed budgets to provide such "frills" as large parks, ball diamonds and camping grounds. We have no assurance that the new council about to take office would not consider a full square block for recreational use too costly an item should the housing authority receive this land for the housing development.

We think the city council should look long and hard before a decision is reached on whether to permit the housing authority to have this land for the development. And that decision should reflect the needs and wishes of the people living in this city. One way that can be achieved is by our making your thoughts known to the council. — N.H.H.

A Serious Situation

First of all, take a map of Nebraska and draw a line from Norfolk north along Highway 81 to the Missouri River. Now draw a line from Norfolk east along Highways 275 and 51 to the Missouri River at Decatur. This northeast corner of northeast Nebraska contains 36 towns which have a combined population of approximately 27,000 people. This is a low figure since it is from the last census.

We do not know how many people live on farms in this section of Nebraska but we surely would arrive at a close estimate of the number of people living both in and out of town by "guesstimating" the total to be somewhere around 30,000 residents. This figure may be low since the census is 10 years old.

What is serious about the situation? There are only three towns, Wayne, Wakefield and Pender in this area which have hospitals. This is not including the hospital at Norfolk nor counting the population of that city.

The hospital in Wayne, during the fiscal year starting April 1, 1968 through June 30, 1969, had a daily patient load of 16 or an occupancy rate of 61.5 per cent. There are 26 beds in the hospital and during the fiscal year mentioned there were 542 admissions.

Wakefield Community Hospital, during the fiscal year from March 31, 1968 to April 1, 1969, had an average occupancy rate of 78.1 per cent in its 23 beds. They had a total of 526 patients, or an average 16.4 number of patients per day.

Pender has a 24-bed hospital with an 87.5 per cent occupancy during a similar fiscal year with 1,238 admissions. All these figures are nearly a year old and do not show the impact of Medicare and Medicaid programs.

Persons living on the outer edges of our imaginary geographical piece of "pie" often travel to Osmond, Plainview, Norfolk, West Point, Yank-

ton, Sioux City and Onawa for hospitalization. Only recently those people in and around Pender, after taking a good look into future needs of the area, voted to form a hospital district. On March 24 those people will be voting on whether or not to issue negotiable bonds totaling \$584,000 for constructing an addition onto the present Pender hospital.

There are around 10,000 persons living in Wayne County, and one 26-bed hospital in Wayne. Any major disaster in the area could easily fill the local hospital to overflowing, even if all the beds were empty to begin with, which of course would not be the case.

Even more important than present needs are the problems bound to rise in the future. What good are hospitals without doctors? There are presently four physicians in Wayne, one in Wakefield and three in Pender.

As these present doctors age, who will replace them? It is obvious that new doctors will be drawn to areas where there are adequate hospital facilities.

Will new programs like Medicare and Medicaid increase the load on hospitals and doctors? Yes, without question.

We are glad the Wayne Hospital Foundation is taking a serious look into the feasibility of creating a hospital district in this area in order to meet needs of the immediate future. Something is going to have to be done to keep present doctors and to encourage new ones to come to northeast Nebraska if the situation is to be improved. Pender has created a hospital district. Shouldn't our area get behind the local Hospital Foundation and see that a similar step is taken in order that adequate hospital facilities and doctors are available for us all tomorrow and the day after that? — MMW.

Quotable Notables:

It would be folly to argue that the people cannot make political mistakes. They can and so make grave mistakes. They know it, they pay the penalty, but compared with the mistakes which have been made by every kind of autocracy they are unimportant. — Calvin Coolidge.

I will believe in the right of one man to govern a nation despotically when I find a man born unto the world with boots and spurs, and a nation with saddles on their backs. — Algernon Sidney.

Out of Old

Nebraska

Burlington Plays Cupid, 1872
Unmarried career girls of the frontier-homesite era often gave up their jobs to take on the less glamorous duties of a home maker. Not infrequently young women who had been bypassed in the matrimonial sweepstakes in states east of the Mis-

issippi emigrated west to seek their fortunes — which included a discreet search for a husband, who presumably could be persuaded "to share his hillside home with her."

Readers remembering Molly Wood, the school teacher in Owen Wister's frontier classic, "The

Virginian," or those recalling the story of the Santa Fe's winsome Harvey House waitresses are familiar with the cattleman or farmer romances which blossomed in the Old West.

The Burlington and Missouri River Railroad in 1872, through its land agent George S. Harris, published a prospectus titled, "Views and Descriptions" . . . to be found in the library of the Nebraska State Historical Society, in which was pointed out the disparity between men and women along its lines. The inference was that young ladies — and even older maids — could do better in lands beyond the Mississippi.

The anonymous author emphasized that in the old countries of Europe women predominated because more males than females had emigrated to America; that in England, where the Burlington was particularly active in bidding for settlers, there were "two-thirds of a million more women than men."

In Iowa, however, he said males were in the majority by 37,222 in 1960, while in Massachusetts there were 37,640 more females than males. In Nebraska males "outnumbered females by 41 per cent."

Argued the land commissioner:

Ever wonder why your kid doesn't take you seriously when you lecture him about drugs?

"When a daughter of the East is once beyond the Missouri River, she rarely recrosses it except on a bridal tour." One Nebraska correspondent writing Eastern friends "quoted Shakespeare after this fashion: 'Ruth and Boaz no sooner met than they looked; no sooner looked than they loved; no sooner loved than they sighed; no sooner sighed than they asked one another the reason; no sooner found the reason than they sought the remedy; and so straightway made a pair of stairs to matrimony. Clubs cannot part them.'"

Capital News — Demos' Theatrics Pale As Republicans Import Spiro

LINCOLN — Politics held the spotlight in Lincoln last week. The big event was Vice-President Spiro Agnew's appearance on behalf of Gov. Norbert T. Tiemann's re-election campaign. But the Democrats shouldered their way into the arena with State Sen. J. W. Burbach's announcement he would try to unseat Tiemann. The Crofton legislator joined Lincoln businessman J. J. Fyon on the Democratic primary ballot.

Also making political news was Republican Rep. Robert V. Denney of Fairbury who filed as a candidate for a third term as congressman from the First District.

About 2,500 \$50 tickets were sold to the Tiemann dinner, providing the Republican governor with a net of about \$100,000 to help finance his bid for a second four-year term.

So far, Tiemann is the only entry in the GOP gubernatorial sweepstakes.

Jack Langford of Kearney and State Sen. Clifton B. Batchelder of Omaha have been mentioned as possible candidates.

Burbach's entry in the Democratic race gives Knox County in northeast Nebraska the distinction of having two candidates again for the state's highest office.

Burbach's hometown of Crofton is about 18 miles from Wausa, where Tiemann lived before moving into the executive mansion.

Denney is the first of the three GOP incumbents to file as a candidate for re-election to congress. The other two, Second District Rep. Glenn Cunningham of Omaha and Third District Rep. Dave Martin of Kearney, are expected to follow shortly.

The deadline for incumbents to file for the May 12 primary is March 3. The final date for filing for candidates who aren't incumbents is March 13.

Sen. Roman L. Hruska, a Republican who has announced he will try for another six-year term in Washington, also has yet to file. The only Democrat who has announced he will challenge Hruska is Dr. Wallace Peterson of Lincoln, head of the University of Nebraska's economics department.

Agnew is the Star
Although billed as a "Tribute to Tiemann," the dinner at Pershing Auditorium last week was dominated by the vice-president.

National newsmen who came to Lincoln expecting another of Agnew's headline-making speeches might have been disappointed — but the packed house of Nebraska Republicans didn't seem to be. The vice-president didn't take out after the news media or anti-war demonstrators as he had done in some previous addresses. His target in Lincoln was the Democratic Party.

The state's two U. S. senators and three congressmen all were on hand to assist Agnew in praising Tiemann. In the vice-president's words, Tiemann is the type of governor who "is willing to bite hard bullets" and face issues.

Tiemann and Agnew became acquainted in 1966 when they were both candidates for governor. They attended a campaign school the Republicans conducted at Colorado.

Also on hand at that school was Wyoming Gov. Stanley Hathaway, a native of Osceola and a

graduate of the University of Nebraska. Hathaway also attended the Tiemann dinner.

Hair Case Settled
Federal District Judge Robert Van Pelt decided the big hair case last week in Lincoln.

In ruling that Robert E. Reichenberg Jr. of Chadron and two other students should be permitted to enroll at Chadron State College, Van Pelt said his decision wasn't to be interpreted to mean he would rule the same way if the three youths had had shoulder-length hair.

Reichenberg, sponsored by the American Civil Liberties Union, had brought the case into federal court. He claimed a dress and grooming code at the college violated his personal freedom. Reichenberg's mustache and sideburns exceeded the limits set forth in the grooming code and he was refused permission to register for the second semester at CSC.

Van Pelt didn't tell the college to get rid of the code, as Reichenberg and his ACLU attorneys had asked, but he did get permission to enroll.

College officials said they were happy with the decision. Although he was the winner, Reichenberg said he wasn't satisfied.

Van Pelt said the college would have to pay the court costs, but he said he wasn't including a fee for the attorneys in those costs. If the ACLU stirs up cases like this, the judge said, it ought to pay the attorney fees itself — win or lose.

He said the court had to hear such cases because they do fall within the limits of the federal Civil Rights Act, but he left no doubt that he personally felt there were more important things for a federal court to consider.

He told Reichenberg it probably would have been better all around if he had trimmed his mustache and sideburns to conform to the code and gone about his business as a student than to have brought a case in court.

Van Pelt's decision covered only Reichenberg and two other students whose pictures had been entered in evidence during the trial. He implied that the college still was free to reject any other student whose hairline or facial adornments exceeded the code — but he indicated the hair and mustaches had better be extreme and proof should be given male students with long hairdos actually disrupt normal campus life.

Another Record Set

Another record year for Nebraska Children's Home Society in its care and placement of children has been reached, according to figures released by the Society. Representatives of the Society in the Wayne area is George Macklin of Wayne.

Those figures reveal that 222 children were placed with new parents throughout the state. The

Society also cared for 191 unwed mothers last year. The Society is a private, non-denominational agency licensed by the state for the care and placement of normal children. It receives no tax money or governmental aid and is supported through contributions. Trout have large, globular eyes which give them excellent vision in their underwater environment.

Area Residents Offered Employment Assistance

The Norfolk office of the Nebraska Department of Labor will again make its services available to residents in the Wayne area. A representative of that office will be in the Wayne Chamber of Commerce office at 108 W. Third St. on Wednesday, Feb. 25, at 9:30 a.m. to help anybody having difficulties finding employment. A total of 564 job seekers were registered for work at the close of last month by the Norfolk office, an increase of 180 over December. The increase in job seekers is attributed to the very cold weather curtailing construction work, seasonal slowdown in some businesses and an increasing number of re-entrants into the labor market. Majority of the available labor supply is still comprised of applicants in the construction and building trades, sales, service and clerical occupations. The Norfolk office filed 239 jobs during January, 31 of which were on farms and ranches.

A Different Dance

Members of Brownie Troop 190 meeting at the Redeemer Lutheran Church Monday afternoon heard Tessie Urian, AFS student from the Philippine Islands, tell of her homeland and then watched her demonstrate a bamboo dance. Brownies seated, left to right, are Julie Creighton, Diana Lindsay (behind Tessie), Kimberly Denton, Christine Hamm, Maureen Anderson, Rhonda Schuett, Jodi Fler, Janine Tiedtke and Lori Sherlock. Brownies standing, left to right: LeAnn Bahe, Penny James, Backy Hursey, Joeh Bennett, Julie Larson and Rachelle Malcom. Karen Lechternberg of Omaha, a WSC junior and troop helper, is in the background at left. Mrs. Phil James, troop leader, and Mrs. Howard Fler, co-leader, look on at the right.

Good Morning Feeders & Hi Mom

By Eddie Collins

A beef convention was being held in a suburb of the capital city. During the preceding four years, the federal grading system of beef had been let down the standards. Once the absolute kings of the national beef production, these cattle artists had been sold down the river by their colleagues, neglected by their various industry associations, ignored by their state development boards and criticized by the chain stores and, consequently, the press.

Four father-feeders were hot-dogging during a morning break. Placet stadium. Time: maybe already too late. Bun and skinny frank were 40 cents. By heavy relish and mustard application, these feeders might have got the best of the trade. They chew and talk.

"Hardin says he will hold the line on imports."

"Yeah. Twice he said Nebraska would hold Bear Bryant and Alabama. Twice I lost money. Spiro the socialist told the Aussies, standing eye to eye, they'd receive a five per cent increase for 1970. George, that figured out more cattle than Omaha draws."

"Well, only 'cause terminals keep dropping 20 per cent annually. Sure he. They will dry up and become pickle factories. Sure will miss the old noon radio report. Ever ship there?"

"Twice. In seven years. First time the commission man utilized by a dolly a hundred. Last time some pet Angus got two bits more than my 1,300 pound Short-horn. So I quit. Joe, I haven't seen a commission man on gravel road in three years. I go grade you."

"You mean 'misgrade and steal.' Don't you? That grader was a taxi driver just six months ago. If his cantankerous wife burns the steatite, or if some farmer has his assigned parking place, he would not pay for his mistakes. A 900-pound choice steer might become a common jal cow. He grades strictly by eye. Calls it ossification — the line, who the devils eat the bone?"

"Lassie, and my hound dog, Joe, NFO goes grade yield."

"Christians got eaten by the lions, for only the live ones carried off like commercial lots. Anybody, in the U. S. can sell G.Y.F. — even strangers on the phone. Takes real brains and know how."

"Not many pros left... the

last country buyer I saw was fuzzy faced, had a good conduct medal and his old Eagle Scout badge. His only experience was computer programming and drivers training."

About that time the Secretary of Agriculture and the Governor walked up. "Want a hot dog, Cliff?"

"No, not since we allowed chicken meat in franks. Now I read in the papers some have lesions." Voices fade away down the corridor.

"Dear that, Pete? Sure will hunt low grade import meat."

"Who, said low grade? Not all.

"He was Tiny Tim's kindred spirit... Now he's just a bitter old man."

4-H Livestock Show Undergoes Changes For 1970 Season

Three major changes have been made in Nebraska's 4-H livestock show regulations for the 1970 show season.

According to Dave Williams, University of Nebraska Extension livestock specialist, these changes are:

- All Nebraska 4-H members who exhibit livestock at an interstate show must have his entries approved by both his county agent and his state 4-H club leader.
- All livestock — including sheep and hogs — must be certified for district, state and interstate shows.
- Specific deadline dates for completed ownership certification forms to be filed at county Extension offices have been established for major shows. It will be the responsibility of the exhibitor to comply with the deadline dates.
- A 4-H project animal that is certified for show becomes eligible for that club member to show when:
 - It is exhibited by someone other than the 4-H member(s) who certified it.
 - It is sold, or an animal going through an auction is considered sold.
- Other 4-H show regulations include limiting the number of major interstate livestock shows per year for each club member.

The 1970 4-H Livestock Show season began Feb. 1 and runs through January 31. A 4-H'er who exhibits at Ak-Sar-Ben is eligible for only one additional major show during the show season, he explained. The Nebraska State Fair does not count since it is not an interstate show.

Exhibitors at state and interstate shows must be 4-H members 12 years of age or older on Jan. 1 of the current year and not have completed more than one semester of college work, Williams stated.

Ownership requirements state that all 4-H project animals (except horses) must be owned by the exhibitor but breeding beef, dairy, sheep and swine may be owned in partnership with any member of the immediate family and market beef, sheep and swine may be owned jointly with other 4-H members within the immediate family.

Regarding the registration of purebred animals, Williams said purebred animals in all breeding classes must be registered either with the 4-H member's name as owner or be registered in partnership, in which case the family farm name is acceptable. These

Not from Australia, Pete, I know you paid 28¢ a pound for your non-papered runt bull — that pasture freshener. I read where a Santa Gertrude bull belonging to David Rockefeller was poisoned in Australia. Died at Esperance. That bull cost 30,000 dollars. Joe, dollars is not aborigine. Rockefeller is Chairman of Chase National — do you think your meat is better?"

"Sure, Pete, I feed mine corn. All he feeds his is money."

FORECAST: We've seen our cattle low till June. No chance to collapse. USDA announces: lower in the fall, maybe, but not if we play our cards right. Strictly scare tactics. USDA predicted the same drop before the 1969 spring 10¢ blast off.

First Agronomy Meet Scheduled for Today

The first of two additional agronomy meetings scheduled for the Northeast Station near Concord gets underway today (Thursday) at 1:30 p.m.

The meeting will feature two agronomists from the Station, Russell Moomaw and George Helm. Moomaw's talk will include information on weed control methods and utilization of cultural, mechanical and chemical weed control methods. Cultural practices for corn and soybeans will be among Helm's topics.

The second of the two meetings will be held a week later, Feb. 26, with Helm discussing fertilizer needs of corn and soybeans.

Information obtained from research work at the Northeast Station and other research stations across the state will be handed out during both meetings.

Livestock Club Wants Nominees for Honor

The Block & Bridle Club of the University of Nebraska is accepting nominations for the 1970 Block & Bridle Honoree. Nominees are limited to Nebraska who have made a significant contribution to the livestock industry. Nominees should be living persons so they may meet and inspire club members, according to Dr. P. E. Apperman, a club faculty advisor.

Nomination forms, which must be returned by March 10, can be secured by writing to Larry Holbein, secretary, Block & Bridle Club, Marvel Baker Hall, University of Nebraska, Lincoln, Nebraska 68503.

The person selected will be honored at the Block & Bridle Club Banquet on May 7 in Lincoln. A portrait will be hung in the Block & Bridle Hall of Fame in Marvel Baker Hall.

NU Enrollment Climbs

A total of 2,124 students are enrolled in the University of Nebraska Agriculture and Home Economics program, according to figures released by the school.

That is 146 more students enrolled in that department than last year. Second semester enrollment on the Lincoln campuses is at a new high, 18,626. The current enrollment is 39 more than the second semester last year, which was also a record.

4-H Club News

Wranglers Meet
Wranglers 4-H Club met Feb. 4 at the Northeast Station with 15 members. Billy Isom, Alan Isom and Duane Stolle joined the club.

Each junior leader will be responsible for helping a younger member in completing his projects. Bill Sachau and Jerry Warner will conduct a project lesson at the March 4 meeting to be at 7:30 p.m. at the Northeast Station. Lunch was served by the Duane Koester family.

Kent Sachau, news reporter.

Do Bees Meet
Do Bees 4-H Club met Monday evening with Nancy Bingham. Seventeen answered roll call. Song and speech contests and county fair demonstrations were discussed.

One group of Do Bees discussed 1970 projects and one group received record books. March 9 meeting will be with Ann Swanson.

Nancy Bingham, news reporter.

First Meeting Held

The first meeting of Magic Fingers 4-H Club was held Feb. 2 in the Walter Chace home. Thirteen members were present.

Officers elected were Susan Schroeder, president; Kim Chace, vice-president; Amy Buss, secretary; Lori Chace, treasurer, and Patty Janssen, news reporter.

Lisa Schroeder was in charge of the games and lunch was served by the Chaces.

Foundation Seed Orders

Orders for Foundation seed of spring small grains and soybeans are now being accepted by the University of Nebraska Foundation Seed Division, according to Richard Mills, manager.

Orders for Pettis, Kotá, Neal, Jaycee, Santee and Garland oats, as well as Beeson, Calland, Cutler, Corsoy, Amsoy, Clark 63, Wayne, Kent, Hark and Lindarin 63 soybeans should be sent to the University of Nebraska Foundation Seed Division, 3115 North 70th Street, Lincoln, Nebr. 68507.

Termite Protection

Several things can be done to reduce the chances of termites attacking homes when the new homes are built. They are:

1. Be certain no scrap lumber or wood remains in the soil, especially in backfills near the foundation.
2. Use a solid cap concrete block on the foundation.
3. Install metal termite shields between the foundation and sole plate.
4. Treat basement backfill with a one per cent chlordane.

A Battered Matter

Fred Brader, at left, and Richard Miller, president of the Winside Community Club, mix up more pancake batter Saturday evening during free pancake day held in the Winside auditorium. The community club sponsored the annual affair which drew a crowd of several hundred. Don Wacker and Werner Mann were co-chairmen of the feed which offered a menu of pancakes, sausage, syrup, coffee, milk and orange juice.

emulsion at the time soil is moved to the basement wall.

5. Treat under slab on grade with one per cent chlordane before the concrete is poured.
6. Be certain no wooden portions of the building are in contact with soil.
7. Allow for air drainage to remove moisture from under buildings.
8. Crawl spaces should be

high enough to allow easy access for inspection of sole plates and joists.

9. Inspect all wooden portions of buildings twice each year for possible termite infestations. Termites do not damage homes rapidly, so a timely inspection can prevent damage.

10. If termite control services are necessary, be certain the company offering service is a reliable, locally-owned concern.

Checking Inflation

The following was gleaned from an editorial in the Farm Quarterly:

"In the sixties the dollar value declined 30 per cent. In 1969 alone inflation cost us seven per cent. It is easy to blame people other than ourselves for this, labor unions which strike for higher wages without increasing productivity, business which raise prices to pay higher wages, a farm price structure divorced from the realities of marketing. But the greatest contributing cause is irresponsible government spending.

"Government spending at local, state and national levels has a greater inflationary effect than any other single element. It is reckless financial management for government to spend more than it takes in. It is also reckless conservation to call for lower taxes without specifying what must be reduced or eliminated.

"It seems that the Congress of the United States has no stomach for the kind of austerity program needed to check inflation. It is therefore likely that inflation will continue."

IRS Asks Taxpayers To Wait 10 Weeks, Then Send Queries

Ten weeks from the date a federal-income tax return calling for a refund is mailed, the taxpayer should have either his check or a letter explaining why it is held up, Richard P. Vinal, district director of Internal Revenue for Nebraska, said this week.

A taxpayer who has not heard about his refund should, therefore, wait ten weeks before writing IRS. Most taxpayers will find their inquiry unnecessary if they wait this long, Vinal said. Millions of tax returns are handled every filing season at the Midwest Service Center which serves Nebraska taxpayers. That many returns makes it practically impossible to locate a particular return and to answer any question about it until processing cycles are complete.

If it does become necessary to write, the taxpayer should indicate where and when he filed his return and give his name, address and Social Security number, Vinal noted.

Project Club Meets
 Allen Community Project Club met Friday. Nine members answered roll call with favorite Valentine verses.

The lesson, "Practice For Total Health," was presented by Mrs. Clarence Wilson and Mrs. Basil Wheeler. Hostesses were Mrs. Glenn Rice and Mrs. Vert Johnson. Next meeting will be Mar. 13.

Have Valentine Party
 Harmon Hill pupils held their Valentine party Feb. 12. Robbie and Povie Beck gave reports on Lincoln's life. Robert Beck and Colleen Chapman were elected king and queen. Cathy Sachau and Povie Beck served.

Club officers for this six weeks are president, Bruce Chapman; vice-president, Keith Rhode; secretary, Robert Beck and news reporter, Colleen Chapman.

Sixteen Entertain Seniors
 Sixteen members of Pleasant Hour Club entertained 25 senior women of the community Monday at First Lutheran Church. The program included poems and the crowning of a queen of Hearts, Mrs. Joe Good.

The oldest senior citizen present was Mrs. J. M. Noe, 94, who also received an award for having the most great grand-children. Mrs. Nell Ellis was honored for having 25 grandchildren. The door prize was won by Mrs. Gerie Martin. Pingprizes were filled goods. Lunch was served by the club members.

Mrs. Parlberry and Vernon Harbarnes, Emerson, spent the weekend in the Old Chapel, Humboldt, Iowa, home and attended the golden wedding anniversary for Charles Sunda.

Allen Consolidated School - 1970-71 Salary Schedule

Most of the teachers in the Allen school system fall into the BA column on the recently approved salary schedule.

That salary schedule, given the nod of approval by the school board and by a committee for the teachers early last week, includes a base salary of \$6,200. That base is an increase of \$400 over the \$5,800 base in effect this year.

Presently, all but three teachers at Allen fall into the BA column. Two others fall into the 110-hour column and one falls into the MA column.

The maximum allowable credit for placement on the salary schedule below the MA level is three years of experience outside the Allen system. Also included in the salary schedule is a stipulation that the school district pay \$9.34 per month for each certified teacher towards family plan group health insurance. That stipulation is a new addition to the schedule.

The activity schedule which goes along with the salary schedule sets the salary amounts for the teachers assuming extra duties in the system.

Teachers with no experience in the system would receive the following amounts for extra duties: \$400 for head basketball or football coach; band director or vocal music director; \$250 for assistant basketball or football coach; \$200 for pep club sponsor; \$150 for dramatics, junior high football or junior high basketball; \$125 for track or baseball; \$100 for volleyball, newspaper or annual; \$75 for junior class sponsor, and \$50 for senior class sponsor. Additional years of experience are compensated for by increases in the activity salaries.

Yrs. Exp.	90 hrs.	110 hrs.	BA	BA + 45	MA
0	5,800	6,200	6,200	6,650	6,820
1	5,950	6,350	6,400	6,850	7,020

9	7,150	7,550	8,000	8,450	8,620

Note: The salary schedule is basically one with a four per cent increment (pay raise) for each year of experience in the Allen school system and for each step up the ladder in education. However, the jump between the BA and the BA + 45 is six per cent. This would figure out at close to a four per cent jump if there were another column between these two, the board notes, as there is in most schedules being adopted.

Dixon County Judge Fines Allen Driver, Ponca Roustabouts
The county judge in Dixon County fined Loren Carr of Allen \$13 and costs on a charge of speeding.
Carr was one of four people fined in the court during the past few days. Also fined: Ira Mentzer Jr. and David Jensen, both \$25 and costs on charges of disturbing the peace, and Richard E. Stark, \$10 and costs for failure to display his driver's license. All three are from Ponca.
Issued marriage licenses by the court were three couples, including two girls from Wakefield. Receiving licenses were Joel D. Eitch, 23, of Norfolk, and Mary Louisa Killion, 19, of Wakefield; Henry H. Koster, 25, and Brenda Joyce Curtis, 20, both of Lake View, Iowa, and Michael D. Morkert, 19, of Columbus, and Vicki L. Lienemann, 20, of Wakefield.

Public Is Urged To Air Thoughts On Government
A public hearing which could lead to legislation proposing major changes in Nebraska's court system will be held in Norfolk on Saturday.
The hearings are being conducted by the Legislative Council's interim study committee on Courts of Limited Jurisdiction, headed by Senator Roland Luedtke of Lincoln. Earlier hearings have been held in Alliance, North Platte, Hastings and Beatrice.
"Voters in November will cast ballots on a proposal that could make major changes in the judicial article of the state constitution. The proposed amendments contained in LB 476 would remove references to justices of the peace from the constitution, permit the legislature to establish county court judicial districts and give the Supreme Court administrative authority over the lower courts.
"Our committee wants to have legislation ready to implement these amendments," Luedtke said. "We want to hear from judges, lawyers and all interested parties. We want their opinions and recommendations on just what kind of a court system we should have. We feel there is a definite need for change, that major improvements can be made, but we are open to all suggestions as to the type of change."
"Testimony at the earlier hearings has centered on the justice of the peace and county courts. "There has been unanimous agreement that the fee system of compensating justices of the peace should be abolished, that all judges should be salaried," Luedtke said. "And, even though the constitutional amendment, if adopted, would enable the Legislature to abolish justice of the peace courts, we know we have to have some type of court to handle the matters now coming before JPs."
The committee also is studying the possibility of adopting the Uniform Probate Code in Nebraska.
The Norfolk hearing is scheduled for 1:30 p.m. in the council room in the city auditorium. Committee members in addition to Senator Luedtke are Senators Leslie Skiff of Alliance, Fred Carstens of Beatrice, and Henry Pedersen of Omaha.
