

Bowl-Bound Fans Wanted

Avid followers of the scrappy Wayne State football team are being offered an economical way to see their team compete in the Mineral Water Bowl on Saturday, Nov. 28, at Mineral Springs, Mo.

For \$16 a fan can ride a chartered bus to the bowl game and receive a ticket into the contest. The bus, which will leave from the Rice Auditorium parking lot at 5 a.m. the day of the game, will be back at Wayne late that Saturday evening.

Anybody wishing to reserve a seat on the bus should leave a check or cash with either Ted Bahe at State National Bank or Lee Foote at First National Bank. If the bus is not filled the money will be returned.

Those people handling the trip emphasized that they must know by early this week if they have the required 38 people to charter a bus. A larger bus would be reserved if needed.

School Officials At National Meet

Three educators from the Wayne-Carroll school district attended the 21st annual conference of the Orton Society, a scientific-educational association concerned with the problems of reading and language disability.

Superintendent Francis Ham, Principal Richard Mettler of West Elementary and Dorothy Ley, board of education member, took part in the three-day conference slated for Washington, D. C. on Friday, Saturday and Sunday.

Highlight of the convention was an address by former U. S. Commissioner of Education Dr. James E. Allen, speaking Friday on "The Right to Read" Dr. Archie Silver, New York University Medical School, Mrs. Katrina de Mirsch, Columbia-Presbyterian Hospital, and Mrs. Arlene Jones, public schools at Claremont, Calif., discussed Dr. Allen's paper.

Youth Hurt In Accident

A Pender youth was injured around 9 a.m. Friday when two trucks collided on Highway 16 nine miles south of Wakefield. Keith G. Jorgensen, 16, Pender, was taken to the Pender hospital by the Pender rescue unit for treatment of a badly bruised left knee, cuts and bruises.

Trooper R. A. Tobey, West Point, investigated the accident and reported that Jorgensen was southbound in a 1963 Chevrolet truck and attempted to make a left turn into a field driveway. Tobey said a 1966 semi-truck driven by John D. Hastings, 44, Pender, was in the process of passing Jorgensen when the trucks collided. Jorgensen was thrown out of his truck, Tobey said. Hastings was reportedly uninjured. Both trucks had extensive damage.

Trooper J. Turgeon, South Sioux City, assisted Tobey with the investigation.

Teaching the language as it is to the child as he is" was the theme of the conference. Leaders from the U. S. and Canada in the fields of medicine, psychology, education, speech, linguistics and social work took part. The program included general sessions, workshop-discussion groups and mini-courses.

Mrs. Ley was one of the speakers in the workshop entitled "Elementary School Problems." See OFFICIALS, page 5.

School Sponsoring Book Fair

In observance of National Book Week the middle school in Wayne will sponsor a student book fair today (Monday) through Wednesday.

Students will be able to browse and purchase books during regular school hours. Books will be on display in the library.

Mrs. Fannell Bennett, librarian, invites all students, parents and visitors to attend the fair. The annual fairs encourage student interest in reading and in building home libraries.

The display will include new books from many publishers in all popular price ranges. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books.

Feeders' Goal: Promotion of Beef

Promotion of beef is the goal of a voluntary program of northeast Nebraska beef producers.

More will be learned and more will be told about how to produce, how to prepare and how to enjoy America's most sought after food, John Servino of Waterbury, president of the Northeast Nebraska Livestock Feeders Association, said when talking about the program.

Ten cents from the sale of each beef animal will help finance the program of research, education, development and promotion, according to Servino.

A meeting to work out the details of putting the program in operation will be held at the fire hall in Emerson at 8 p.m. on Tuesday, Nov. 24. Beef producers and cattle marketing people are urged to attend the Nov. 24 meeting and take part in the planning for the voluntary check-off program.

Similar to what is currently being done by pork producers, the program is part of a nationwide effort in cooperation with the Nebraska Livestock Foundation and the National Livestock and Meat Board.

Mrs. Helgren noted that one of the long-range goals of the Northeast Nebraska Retarded Children's Association is to provide a sheltered workshop within the four-county area including Wayne, Dixon, Dakota and Thurston counties. She said some of the "Honey Sunday" proceeds will go toward this.

Mrs. Norbert Tlemann is honorary chairman of "Honey Sunday" for Nebraska. More than 300 communities are expected to participate in the state-wide event.

Residents in Wayne and Wayne County will soon be given the opportunity to buy honey and at the same time help support an estimated 45,000 retarded persons of all ages in Nebraska.

Wayne Jaycees and other local volunteers are planning a door-to-door sale of honey next Sunday, Nov. 22, designated as "Honey Sunday." Proceeds from the sales go to assist local associations in their work for the mentally retarded.

Allen Man Honored For Legion Service

An Allen man, Ezra Christensen, received a pin for 50 years of continuous membership in the American Legion during a brief ceremony last week at the monthly meeting of the Floyd Gleason Post 131 in Allen.

Christensen served as a pilot in World War I when piloting flew "just about everything."

Born at Harlan, Ia., he moved with his parents to a farm near Allen when he was a young boy. He joined the Allen American Legion organization in the early 1930's.

Speaking Meet Slated

Wayne State College's forensic department will host its annual invitational forensic tournament Dec. 4-5, with college teams expected to compete from several midwestern states.

Forensic Coach Don Leonard said a sweepstakes trophy and 10 other trophies will be given in five classes of competition: debate, both varsity and novice, oratory, extemporaneous speaking and oral interpretation.

Books Being Emphasized This Week

To some people the 1970's is the Age of Aquarius. But next week will be the Age of the Book in the children's department of the Wayne public library. Reason: Nov. 15-21 is National Children's Book Week.

Children of all ages who love books will find about 100 new ones on display all week.

The pre-school set might enjoy Albert Lamonsse's "The Red Balloon," a story about Pascal, a young boy, who sees a red balloon stop a lamp post, chases it, catches it and discovers that it has a wonderful magic power. William Wiesner's "Green Noses" tells the adventures of a young man named Michael, who happens upon a town in which many of the men have their noses painted green, and Ezra Keats' colorful "Hi, Call!" is the story of Archie who was on his way to meet Peter when he saw someone new on the block.

Some books for the early elementary grades are Jan Bales' "The Fence," Betty Horvath's "Be Nice to Josephine," Edith Thatcher Hard's "Johnny Lion's Bad Day" and Nathaniel Benchley's "A Ghost Named Fred." Middle elementary grade readers might like Beverly Cleary's "Runaway Ralph," Clyde Robert Bulla's "Down the Mississippi," Ray Brown's "Day of the Pigeons" See BOOKS, page 5.

WS Wildcats Headed to Mineral Water Bowl

After several weeks of rising hopes on campus as Wildcat grid-diggers gained stature, Wayne got the official invitation Thursday from two representatives of the Excelsior Springs Quarterback Club, sponsor of the Mineral Water Bowl.

Members of the Wayne Second Guessers Club, at their weekly lunch meeting, heard details of the game, to be played Saturday, Nov. 28, at 1 p.m. Bowl officials signed contracts with Wayne State for the game, left several hundred tickets, promised more if needed and expressed pleasure over getting "a fine team" for the 22nd annual bowl.

Tickets, at \$3, are on sale at the college athletic office in Rice Gymnasium, Dr. Le Roy Simpson, athletic director, said. Wayne football fans already are lining up a delegation, and a chartered bus will be reserved.

Little is known here about Franklin College football except a few statistics in this week's NAIA charts. For one thing, Franklin has the nation's No. 1 individual in total offense, Phil Powell, averaging 261 yards a game. He also ranks third in passing at 260 yards per game. As a team Franklin rates ninth in total offense with 416 yard average. Passing apparently is Franklin's major weapon.

Wayne, on the other hand, stresses the ground game and currently ranks 30th on rushing offense of 225 yards while the top Wildcat runner, Sam Singleton, rates 13th with 127 average. Wayne also appears in defensive charts, 28th in total defense, 204 yards, and 11th in rushing defense, 74.

Wayne moved up in national ratings to a tie for seventh in Division II. Franklin is 18th.

MAKING IT OFFICIAL by signing the agreement for the Wayne State bowl game is LeRoy Simpson, center, director of athletics at Wayne State. Representatives of the sponsors of the Mineral Water Bowl are Ray Glenn, left, president, and Don Czeffi, team selection committee chairman.

Calling Viet Nam? Make Plans Now

Wayne area residents are being asked by Northwestern Bell to make prior arrangements with relatives and friends in Viet Nam if they wish to talk with them during the coming holiday season.

"Calls from Viet Nam to the U. S. have a much greater likelihood of completion than do calls from the U. S. to Viet Nam," said M. D. Smith, Northwestern Bell manager in Wayne.

He explained that there is no domestic telephone service out of Saigon, and a call placed from the field is difficult to complete unless he is at a USO hospital or Red Cross location.

Under the Call Home Program special operating arrangements have been implemented by the USO, Long Lines and Pacific Telephone to permit servicemen in the field to call home from field USO locations.

"Since the initiation of the Call Home Program, messages from Viet Nam have risen from about 150 a day in 1968 to about 700 a day in 1970," Smith said.

Calls from Viet Nam are usually placed collect to the U.S., and servicemen are encouraged to notify their families in advance if they expect to telephone home, particularly during the holiday season.

"We will, of course, continue to complete calls to Viet Nam," the manager said. "To locate a serviceman in Viet Nam, the operator will require the called party's mail address, particularly the APO number."

Calls originating in Viet Nam are handled "first come, first served" at various telephone centers operated for servicemen.

"But when a serviceman does get to a telephone, it is usually just a few minutes before his call is completed to the States," Smith said.

Calls go by ocean cable or satellite to Hong Kong and the rest of the way to Oakland, Calif. by high frequency radio.

The first three minutes of a station-to-station call to Viet Nam is \$8. A person-to-person call costs \$12 for the first three minutes. Additional minutes rates for both station and person calls is \$3.

Members of Wayne Legion Post 43 and guests held a Veteran's Day program in the Women's Club room Wednesday with about 50 in attendance. The 6:30 p.m. dinner and program were open to the public.

Cletus Sharer spoke on the subject of Veteran's Day. Music and a reading were presented by Mrs. Lloyd Russell and Mrs. Paul Wright. Mrs. Eveline Thompson was in charge of program arrangements.

Legion Commander LeRoy Clark said the Legion's regular meeting originally set for Nov. 25 has been moved ahead one week due to Thanksgiving. Members will meet in the Vet's Club Wednesday at 8 p.m.

'Sonny' Retzlaff Dies

Lawrence "Sonny" Retzlaff, well-known among sports fans across northeast Nebraska, died of a heart attack early Thursday morning in the Veterans Hospital in Omaha.

He will be buried today (Monday) at the cemetery in Hadar following 2 p.m. funeral services in the Pierce Zion Lutheran Church.

Retzlaff, 51, was hospitalized late in September in Wayne and was then transferred to Omaha where he has been since that time.

Head coach in all sports at Allen High at the time he was taken to the Wayne Hospital, Retzlaff had taught in nine other towns before signing a contract at the Allen school for the 1970-71 school year. Those other towns: Meadow Grove, Oakdale, Atchinson, Broadwater, Minnatare, Winside, Leigh, Snyder and David City.

He competed in sports throughout his life and at times played tennis, basketball, and football.

Surviving him are his wife, Lena, and six sons: twins Ronald and Donald, 23; George, 21; James, 19; Dave, 15, and Ervin, 7.

The three older sons are teachers (Ronald at Pierce, Donald at Hartington and George at Decatur. See RETZLAFF, page 5.

Wayne Students To Music Clinic

Nine Wayne school students plan to participate in the Nebraska Music Educators Clinic in Grand Island Thursday through Saturday. The group will leave Wayne Thursday morning accompanied by Mrs. Jim Day, music instructor in the middle school, and Ron Dalton.

Each of the participants will be participating with all-state groups which have been selected by an audition committee.

The group will return home Saturday following a mass concert.

Free Activity Tickets?

High school activity tickets free or at a reduced price for senior citizens is being considered by the Wayne-Carroll school board.

Feelings between the two could be bettered. Such a gesture on the school's part would give the older generation a feeling of being a part of the school system, a feeling they should have because they pay their fair share to help support that system.

Whoops, Did It Again

The Wayne Herald has done it again. We've stepped on somebody's toes and the result was predictable: that somebody became irate and angry with us.

The Herald should not have "publicly branded" the more than 1,000 fans who attended the game and created no problem. The "bare minimum of problems" at the game should not have been criticized, according to the Leader, by a newspaper that was not concerned.

In fact, a third town shouldn't point the finger at problem fans in two other towns without recognizing their own problem fans, says the Leader.

Actually, Mr. Pierce (county) Leader, we do recognize those in our midst. These in evidence at the Laurel-Pierce game just served as the takeoff for criticism of all fans who make a high school athletic contest seem a matter of life or death.

Will There Be Changes?

Both the spring primary and November general elections are now history. Early in January officers in the Wayne County courthouse will begin new terms.

As they try new approaches to solve not-so-new problems. The new board should be given a chance to see what it can contribute toward making Wayne County outstanding.

Since it is obvious that a planning commission can work advantageously in carrying out city government, we are suggesting that our county commissioners consider the idea of establishing an advisory group consisting of persons from throughout the county to assist them in:

- Maintaining direct contact with local problems in a particular area.
- Acting as a "think tank" for new ideas for making Wayne County one of the more progressive in the state.
- Providing the commissioners with a constant up-dated report on road and bridge conditions.
- Acting as a sounding board for any county-related problem and then making suggestions to the commissioners for solving it.

Letters to the Editor

Dear Editor: Why doesn't the first district lame duck county commissioner care about the condition of his roads? I hope it doesn't snow before the new commissioner comes into office because the roads probably won't be cleared.

other people by assuming their speech patterns and body habits. If someone had the job of imitating you, learning your habits, favorite gestures and word phrases, do you suppose you would recognize them as your own? If you had to face someone daily who could reflect your personality, much like a mirror image, and could smile and frown, laugh and cry, complain and praise just like you do, would you be able to put up with them for long? Think back on what you have already said today. If you had heard someone else say the same things, what would you think about them?

There is no doubt about most of us being creatures of habit. The habit that perhaps most of us do not have, and could well afford to start, is that of taking an occasional inventory of ourselves and thinking about how we appear to other people. A short four-line poem comes to mind that was written in an autobiography book years ago. It goes something like this: "Life is like a mirror, reflecting what you do. If you face it smiling, it will smile right back at you." Right? Right?

Changing the subject, let's talk about pheasant hunting. Hunting is a sport that is as old as man. It is more than a sport, as hunting provides not only food on the table but also has a natural potential for comradeship. There are so many people going solo doing their thing in the everyday business world any more that the opportunity of doing something in the course of visiting with good friends is like finding two fresh batteries for your flashlight when it burns out. A sport that puts friends together in the great out-of-doors is bound to be popular.

J. W. got to visiting with Bud Munson late last week and he said he was in a group of 12 men hunting pheasant Saturday and Sunday, Nov. 7 and 8, even though it rained all day Sunday. Also in the group were Clair Swanson, Bob Jenkins and Bud's son, Gary. We understand these guys had a great time in spite of the weather and got 54 pheasants and four quail. Not bad, huh? Those kind folks in New York and other cities just don't know how great it is to live out here in northeast Nebraska and know what real living is like. Give me rolling prairies covered with the gifts of Dame Nature, framed in the silhouette of a setting sun, and we'll let somebody else have the concrete jungles. Right? Right!

Say, did you read in the paper where that 23-year-old fellow in Prattville, Ark., is the chief recipient of more than \$45 million? If that amount should suddenly come into your stewardship, how would you spend it after you paid off your debts? This guy that it all happened to said he has five close friends around Prattville whom he will give \$100,000 apiece. The fact that a man has five close friends, close enough that he wants them to have a nice chunk of his wealth, seems to be another fortune by itself. Do you have five people, outside your family members, that are the kind of good friends you would want to give \$100,000 if you could? Be honest. Most of us have lots of friends in general, but to have five close friends outside the family is really something else. The newly-rich man's minister commented, "To most of us here Jack is a great big kid." Undoubtedly, that is the reason he has more than \$45 million. He is friendly and outgoing, not yet having had time to put on pseudo habits that cause them to feel they are better, more important, or of a higher class than someone else. J. W. sincerely offers his sympathy to persons afraid to let their downy and be warm human beings.

Hartington Cedar Catholic could easily whip Wayne or Laurel in football this year, according to an item in the Cedar-County News at Hartington.

The article noted: It is to be regretted Cedar cannot meet Laurel to prove a point, but we have no doubt Cedar could wallop Wayne with the local first stringers kept on the bench the entire game.

Henry Trysla, editor of the South Sioux City Star, called Richard Hamilton's sentence of 10 to 25 years for the shooting death of John Smith a "mild" sentence. Hamilton was sentenced recently in Dixon County courthouse at Ponca by District Judge Joseph Marsh of South Sioux. Trysla said in an editorial last week that Hamilton could probably be released in less than five years.

Ron Von Seggern, 21, received the distinguished flying cross recently for action near Pleiku, Viet Nam. He is a 1967 graduate of Emerson Sacred Heart High.

being a lovable warm-hearted individual with personality plus. Wayne also has those, however, who are wealthy, not only dollar-wise, but who are constantly doing good deeds for others that no one else knows about. The reason you don't know those people are doing their thing by being generous is because they don't want to mar their fun of sharing by making it a public gesture. Now that, in my book, is a nice habit!

Being on the subject of the giving habit, are you beginning to get ready for Christmas? Oh, excuse me, that's

right. Thanksgiving comes first. Let's be thankful for people who put up with us regardless of our habits, right? Right!

Audience Will Sit On Stage for Plays

Again this year Wayne State Theatre Department is using the three-quarter arena for "Tonight at Eight," a series of three one-act plays to be presented at 8 p.m. Nov. 22, 23 and 24 at Ramsey Theatre in the Fine Arts Center.

Three-quarter arena, which allows the audience to sit on

stage, within inches of the action, enables the director to interpret even the most realistic play, rather than make a tracing of it.

The plays, "The Bald Soprano," by Ionesco; "The Sisters McIntosh," by Corson, and "The Monkey's Paw," by Jacobson, are under student direction.

Seating is limited, so patrons are urged to make reservations early by calling the box office, 375-2200, extension 234. In addition to the evening performances a matinee is scheduled for 2 p.m. Sunday, Nov. 22.

Bears Slosh, Slug Way to Husker Crown

A SEA OF MUD probably had a lot to do with this Laurel fumble (arrow) in Wednesday's play-off with Scribner.

by Norvin Hansen

Laurel, denied in three previous bids for the Husker Conference crown, finally turned the tide Wednesday, rapping Scribner by 34-14 score to earn sole right to the loop title.

The victory was doubly sweet for the Bears and their coach, Vince Brammer, for two years ago the Trojans had stifled Laurel's bid for the same honors on the same field under the same miserable conditions. Score that year: Scribner 29, Laurel 6.

In two other years, 1965 and 1966, the Bears went down in defeat to West Point powerhouse which racked up three straight championships—32-7 over Laurel in '65, 39-19 over Laurel in '66 and 19-0 over Wayne in '67.

But what was in the record books didn't even face the Bears' Veterans' Day before a large crowd. Even the cold, sloppy field didn't faze them.

After battling to a sloshing 14-14 draw in the first half (6-6 in the first frame and 8-8 in the second), the Bears' offense and defense took command of what some may later call the Mud Bowl.

Exceptionally fine efforts by the offensive line early in the third period helped ram the ball 72 yards for the longest touchdown drive of the day on the slippery and soggy field. Quarterback Steve Erwin chose the easiest way into the endzone to cap that drive—riding right behind the center of his powerful line, something he was to do several times before ending the punishment of the Trojans.

Laurel's drive, which began with the kick opening the second half, included five running displays by workhorse Steve Burns, a 160-pound senior halfback. He ground out five and six yards at a crack to keep the drive alive, helping him end the day with an enviable 123 yards on 26 tries for rushing honors for the day.

Although playing without junior end George Schroeder all the second half (he tore ligaments in his knee on the last play before intermission), the Bears

never let up. They slapped together another fine drive which went 47 yards before sputtering dead at the Scribner six with just seconds gone in the final period. But a minute later, with 10:26 on the clock, the Bears covered a bobbled Scribner pitchout and took over on the 17.

About a half dozen plays later Erwin followed his offensive line over the goal and then ran for the two conversion points to give the Bears a 28-14 lead.

An alert junior guard by the name of Kevin Wacker intercepted a Scribner pass on the first play after Laurel's kick and returned it about five yards to the Scribner 24.

Predictably, Erwin followed his line over the goal several plays later from about four yards out for a 20-point advantage over the Trojans. Erwin's run for the extra points failed.

Scribner had taken a 6-0 lead in the first period before the Bears tied it up. Both teams scored eight points in the second frame for the 14-14 mark at intermission.

Scoring for Laurel in that opening frame was Erwin on a run from two yards away. Burns hit paydirt from one yard out in the second frame and Erwin hit Paul McCoy for the conversion play.

"Our offensive line did a tremendous job. Their line was big but we just ran behind good blocking all day."

the season with a perfect 10-0 mark. "Their line was big but we just ran behind our good blocking." Cited as keys to that running game an intentional switch from the usual Laurel aerial attack, were center Steve Anderson, guards Brent Johnson and Jim Kirchner and tackles Regg Swanson and Regg Pehrson.

Defense, Scouting Earn Knights Crown

According to Coach Neil Kaup, a formidable defense plus good pre-game scouting made his team the Lewis and Clark Conference champions for 1971.

Kaup's Homer Knights downed Randolph, 12-0, Wednesday to take the crown for the first year. A play-off has been in the offering in the loop.

Playing on a wet, muddy field at Wayne State, the Knights completely outlasted the Randolph

club in action that saw neither team able to move the ball effectively. The Knights were able to gain four first downs and a total offensive yardage 132 yards, compared to seven first downs and 68 offensive yards for the Cardinals.

The Knights, coming into the play-off with a 7-2 record, put their first half of score on the board with less than one minute to play before intermission. The play for the six points came when

halfback Bob Loecker, going around his own end, pitched the football to quarterback Doug Hohenstein, who in turn rifled the ball to offensive and Rick Jenkins. That bit of razzle-dazzle proved good for 59 yards and the touchdown. The points after attempt proved to be no good, and the Knights ended the first half of play leading the Randolph squad 6-0.

That 6-0 lead held the Homer team in good stead until the final

stanza of the championship fight, when they added another TD to finalize the score 12-0 in their favor. That final six points of the match came when defensive back Tom Challie intercepted a Cardinal pass on the Randolph 29 line and carried the ball back to the Cardinal nine. After four rushing plays the Knights hammered out their second and final touchdown of the game to give them the championship.

In his praise for the Knights' defense, Kaup cited the efforts of five defenders, saying that all were about even in their efforts. Those five players: Hohenstein, Challie, Loecker, Kent Eriksen and Bill Rolde.

Although the wet playing field kept rushing yardage down for both squads, Knight back Jim Mathiesen was able to grind out 22 yards against the Cards in 11 attempts, followed closely by Doug Hohenstein with 18 yards in 12 carries.

Rick Jenkins was the top ground gainer for the Knights, snaring the ball twice for a total of 69 yards—one carry being good for the 59-yard touchdown play.

The win for Homer upped their season record to 8-2 and closed the season for the Randolph squad with a respectable 7-2-1 tally.

LH's Schroeder Has Knee Surgery

George Schroeder, fine junior end for the Laurel Bears, had surgery on his knee Friday morning at St. Luke's West in Sioux City.

Schroeder, son of Mr. and Mrs. Clayton Schroeder of rural Laurel, injured his knee in the Husker Conference play-off game against Scribner Veteran's Day.

His football coach, Vince Brammer, did not know how long Schroeder would have to be hospitalized or how long he would be unable to compete in sports.

As a sophomore he was one of the keys in Laurel's basketball squad which was runner-up to Cozad in the Class B state tournament last year.

Bear Banquet Set

Honored for their perfect football season Wednesday night will be the members of the Laurel High School team during the annual banquet in the school auditorium. The feast starts at 8 o'clock.

Laurel put together a fine 10-0 mark on the way to winning the championship honors in the Northeast Nebraska Athletic Conference, West Husker Conference and the Husker Conference. The Bears defeated Scribner Wednesday, 34-14, for the Husker title.

Sam Given Another Shot at Title

Wayne State's Sam Singleton, one of the keys to the Wildcats' fine success this season, had just Saturday's game at Hiram Scott in which to rack up enough yardage to overtake Nebraska college rushing leader John Makovich of Kearney State.

The Wildcat had put together 1,019 yards in 242 carries for 4.2 average per carry and a 127.4 average per game. The leader had racked up 1,367 yards in 290 carries for 4.7 and 151.8 averages. In third place was Mike Sallier of Doane with 889 yards in 220 tries for averages of 4.4 and 109.8.

In team defense, Wayne State still ranked high among the nine schools reporting prior to Saturday's contests. The Wildcats had given up a total of 1,633 yards (1,038 in the air and 594 on the ground) for a 20.4 per game average and third place.

Leader Hastings had allowed 1,480 yards (934 and 546) for a 118.5 average. Runner-up Hiram Scott, Wayne's foe Saturday, had given up 1,697 total yards

Army First Lieutenant Loy W. Marotz, 25, son of Mr. and Mrs. Lyle A. Marotz, Hoskins, recently received the Combat Infantryman Badge near Duc Pho, Viet Nam.

The badge is a unique and cherished award that is highly coveted by its recipients. The award was originated during World War II to recognize the role of the infantryman. The CIR can be awarded only to a member of an infantry unit of brigade, regimental or smaller size unit who satisfactorily performed in active ground combat against a hostile force for a period of time.

In honor of its singular meaning, the badge is worn above all other awards and decorations on the left breast. It is a blue rectangle with a silver rifle mounted on it, superimposed over a curved wreath. Subsequent awards are represented by stars at the top center of the wreath.

Lt. Marotz received the award while assigned as a platoon leader in Company F, 3D Battalion, 1st Infantry of the Americal Division's 11th Light Infantry Brigade.

The Lieutenant, who also holds the Bronze Star Medal, entered the army in April, 1966. He is a 1963 graduate of Norfolk High School and received

Frosh Hear Results Of Scholastic Test
Wayne High School freshmen have received the results of the Primary Mental Abilities Test given earlier this fall. Kendall Carlson, guidance counselor, noted that students are to give the results to their parents. Carlson said the scholastic aptitude tests help to form a picture of the student's ability in the four areas of verbal meanings, number facilities, reasoning and spatial relations. Results of the test are given in terms of percentiles or comparison with other students of similar age. Parents and students having questions about the test are to contact Carlson at the school.
