

# Wayne Residents Pushing Westward

The cries during the pioneer days varied from "Westward Ho!" to "Go West, Young Man." Although the times have changed, the saying can still be heard as well as seen in the city of Wayne.

New families and area residents are moving into the western portion of the city as more and more housing contractors are building in that area.

A recent survey of area contractors shows that growth in the northwest and southwest portions of town are on the increase.

Last year, more than 70 resident building permits were issued to housing contractors. Already, about 10 houses have gone up this year.

Bob Vakoc, of Vakoc Construction Co., pointed out that the city is expanding westward due to several reasons: The area out there, he said, is a more suitable living space. Vakoc pointed out that with industry building on the east side and with Logan Creek limiting the city boundary southward, the city can best expand in the westward direction.

Vakoc explained that the odor from the city lagoon, plus commercial activities

make housing development in the east and southeast areas of town less suitable for construction.

Vakoc, who has built four houses this year in the southwest portion of Wayne, notes that his building involves a 50-50 split between building houses on contract and building houses and then selling them.

Arnold Anderson, spokesman for Carhart Lumber Co., said so far this year Carhart's built five houses, all in the western area of Wayne.

Anderson added that the expansion westward is the best location to go because the college in the northeast section of town is slowing down housing construction in that area.

Presently, he said, their 10 1/2 year plan calls for considerable building in the western area. Already, he added, the company went through the first 10 years with about 40 per cent completion.

The two biggest areas in which Carhart's is expanding are the Knoll's and Westwood Additions.

Again Anderson pointed out that housing construction ranges in the 50-50 department with custom and regular

house building.

Dick Carman of Carman Construction Co. explained that the public schools do have a lot of influence on the westward expansion. "The ground is more adaptable," he said, noting that many of the sewer and other facilities presently are located in the area for housing development.

Carman said he expects that there will be a lot of building in the western section of the city.

This year, Carman said, he has built only one house, with another in the planning stages.

At Reeg, another area contractor, said he is in the process of building one house. Reeg added that he also feels that housing in the south and northwest parts of the city are on the increase.

According to city records, six building permits for residences were issued this year, ranging from \$15,000 to \$24,000.

Many of the contractors said that their average price for a house was closer to the \$20,000 to \$30,000 medium with an increase in building expense.

## Safety School Is Tuesday

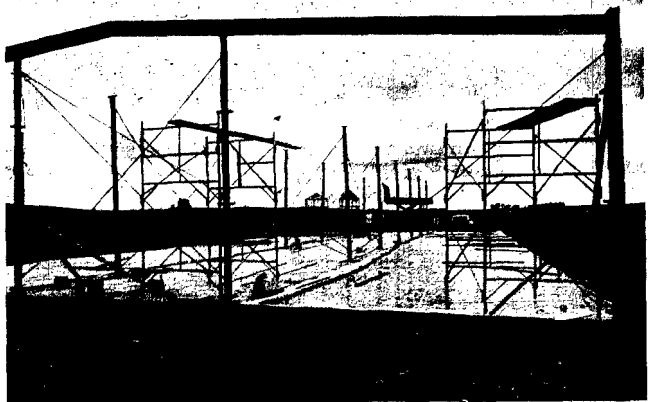

The Pedestrian Safety School for kindergarten students will be held Tuesday, instead of Monday as stated in the Thursday issue of The Herald.

The 1 1/2-hour school will be held at the police garage and conducted by Assistant Police Chief E. L. (Pat) Hailley.

## Curtis to Visit Madison County

Senator Carl Curtis has scheduled a visit to Norfolk and other Madison County towns Monday.

A coffee, open to the public, will be held at 10 a.m. in the Community Room of the Commercial Federal Savings and Loan Building at Norfolk.

## Hangar Going Up

The new six-bay hangar at the Wayne Airport is in the skeleton stage now, but is expected to take shape quickly with the cement floor poured and support beams in place. Carhart Lumber has the \$23,423 contract for the all-steel structure, which will house six planes, with doors on both the west and east. The \$3 by 144-foot building was approved by Wayne City Council some time ago and the contract signed May 24, with completion to be in 100 days. However, changes in the plans were made after that time so completion may be delayed until later in September. None of the space has been rented as yet, but several bays have been spoken for.

## Strengthen Set-aside Provisions

Because payment deductions for less than average quality set aside land are being increased for the 1973 programs, producers can be better assured of equitable application of set aside provisions in the 1973 wheat, feed grain, and cotton programs, the U. S. Department of Agriculture announces.

For wheat and feed grain farms, when low quality acreage is offered for set aside—that is acreage not representative of land on which the farmer's crops are grown—the entire payment will be based on the productivity of the set aside land.

This announcement was made as a result of a study of 1971-72 program operations which revealed that a few producers with

farms having both poor quality and quality cropland have offered the poor quality for set aside and accepted deductions from their farm payments. The deductions were not enough to offset the monetary advantage gained by producing crops on the quality acreage rather than setting it aside from production.

In both 1971 and 1972, quality of set aside has been emphasized with a requirement that set aside acreage be representative of cropland acreage on a participating farm. Deductions

of set aside payments are made in cases where set aside land is not representative.

County ASCS offices will make available set aside inspection and measurement service to 1973 program participants. This service, which is offered at cost, can provide assurance to farmers that their set aside acreage is acceptable for quality and quantity. The set aside inspection service was first offered in 1972. It is available now to any farmer who wants an early determination and will continue as long as needed.

Set-aside land representative of cropland on which crops are normally produced is needed to assure achievement of effective production adjustment, according to officials of USDA's Agricultural Stabilization and Conservation Service which administers set aside programs.

Under the Agricultural Act of 1970, participating wheat and feed grain producers set aside a percentage of their cropland, diverting it into conserving uses, and generally are free to produce as they choose on their remaining cropland. Under this program, more decision making has been returned to farmers.

The program provides freedom to plant crops which are to their economic advantage. This has enabled them to make the most efficient use of their land labor and machinery and has resulted in increased farm income.

The recently announced 1973 wheat program offers wheat farmers an even greater degree of flexibility in planning their 1973 cropping operations. They will have the added choice of voluntarily setting aside additional acreage for payment and agreeing to limit 1973 wheat acreage or of setting aside only the minimum acreage without restrictions on their wheat planting.

## Showmanship Ribbons Given In Dairy Class

Doug Fischer and Pat Domsch, both of Wakefield, won purple ribbons in Dairy Showmanship at the Dixon County Fair.

Fischer also received a trophy from Associated Milk Producers, Inc. for being the top dairy judge from Dixon County at the recent District Dairy Show at Atokah Associated Milk Producers also presented each dairy exhibitor with \$5 in cash.

Kathy Chapman, Allen received the trophy for having the top Holstein animal at the fair. The trophy was furnished by the See DAIRY page 5.

## Norfolk Site Of Area Meet

A formal meeting for a five county area to set up a council of government is scheduled for Sept. 19 in Norfolk.

The five counties, including Antelope, Madison, Pierce, Stanton and Wayne, plus the cities and towns in the counties, are invited to attend the meeting that will center on better local, city and county government relations.

The meeting is set for 8 p.m., but the site has not been determined.

## Laurel City Council Filing Deadline Set

Thursday, Sept. 7 is the deadline for candidates for City Council members within the Laurel City limits.

During the May elections, Laurel residents chose a city form of government, dividing the community into the west ward and east ward, each being represented by two elected councilmen.

The major will be elected at large to serve a four year term. Prospective candidates for a Council seat must file for either a two or four year term, providing each ward with a two year member and a four year

member on the board.

Filing is one percent of the annual salary. Salaries set nine years ago for Councilmen, amount to \$250 per member per year with the mayor's salary set at \$500 per year.

Due to state regulations, Laurel lost their election board two years ago which leaves all local elections to be placed on the Cedar County ballot. All advertisements, filings and counting board tabulations must be taken to Hartington, the county seat.

Local elections will take place Nov. 7.

## No Fire Damage

Firemen were called to the home of Vernon Prodoehl, 513 Fairacres Road, a little before 11 a.m. Saturday, where a fire had been reported in an adjoining garage.

There was no damage caused by the blaze, which apparently started in some straw.

## Laurel Lions Plan Shelters

Laurel Lions Club members are making plans for two small park shelters to be built in the Lions Club Park. Bleachers also will be built and placed by the kiddie swimming pool.

Lions members also discussed a camp trailer dump, better garbage facilities and repair of an outdoor grill. The Lions members have approximately \$500 on hand for park improvements.

A fund raising pancake feed and white elephant sale have been scheduled for September. Duane Purcell, Laurel, who is Region III Deputy District Governor, reported that the building fund for the Nebraska Lions Eye Institute has gone over the top. The institute will be built in Omaha.

## Accidents Reported

Two city accidents were reported to Wayne Police the past few days, but no injuries or heavy property damage was reported in either case.

At 4:46 p.m. Thursday, cars driven by Kevin Gade of Laurel and Arlene Huberty of Omaha collided in the 200 block on Main.

Gade reportedly was north bound and his car was hit on the right side by the Huberty vehicle which was pulling out of a parking stall.

Friday, at 11:45 a.m. a car driven by Ivan Clark of Concord, backing from a parked position near the alley in the 100 block of West Third, hit a car driven by Marjorie Froehlich, 905 Lincoln, which was making a left turn into the alley.

## Market Hog, Feeder Pig Show at Laurel

The sixth annual Market Hog Show and Feeder Pig Show will be held Sept. 26 at the Laurel Livestock Auction. While the market hog show is open only to pork producers in Wayne, Cedar, Dixon, Dakota and Thurston Counties, the feeder pig show is open to anyone.

The combined day's activities call for entry of all pigs from 7 to 10 a.m., with the judging of the market animals to be followed by the feeder pig division. Over \$300 in premiums and trophies will be awarded in the two shows.

The feeder pig show is the 15th such event in Nebraska. The purpose of the addition of the feeder pig show to the day's activities is two fold, according to LeRoy Wolfe, Coleridge, president of the Northeast Pork Producers. First to emphasize and acknowledge the production of feeder pigs, and second to improve the quality of feeder pigs.

Regulations and entry cards for the two divisions may be obtained by contacting Bob Fritsch, Northeast Station, Concord.

The market hog and feeder pig show is co sponsored by the Northeast Nebraska Pork Producers, Hormel and Company, Laurel Livestock Auction Company and the University of Nebraska Extension Service.

## Dixon County Fair Judges Faced With Record Number of Animals

Decisions decisions! Decisions! That's what confronted the judges at the Beef Show during the Dixon County Fair at Concord. Making it hard for the judges were a record number of beef animals of excellent quality.

Denise Magnuson, L. or U. I., dominated the show with her two Charolais, receiving the Champion and Reserve Champion Steer awards.

Reserve Champion Angus Steer was shown by Lee Echtenkamp of Wakefield.

Munter also exhibited the Champion Angus Heifer and his sister, Beverly, displayed the Reserve Champion Angus Heifer. Together with the Angus Supreme special award, furnished by Jerome Helgren, Greyslake, Ill., for Gary's Angus Heifer, the Wakefield boy made it three in a row.

Gary Roebber, Wakefield, took the honors for the Champion Hereford Steer and his brother, Bryan, received the award for Reserve Champion Hereford Steer.

The Champion Shorthorn Steer shown by Maria Dahlgren of Wakefield and Kim Lohse, Newcasttle, had the Reserve Champion in that category.

Denise Magnuson took top honors in the Charolais and Charolais Crossbred Steer division with her two Charolais that went on to be the Champion and Reserve Champion Steers during the fair.

Greg Meyer, Wakefield, had the Champion Crossbred Steer while Steven Luhr, also of

Wakefield, had the Reserve Champion Crossbred Steer.

Brad Erwin, Concord, proved to be another double-winner, claiming the Champion and Reserve Champion Crossbred Heifer.

Randy Kahl, Wakefield, received the special Pollette Award, furnished by the Nebraska Polled Hereford Association, for his Polled Hereford Heifer as well as the Champion and Reserve Champion Hereford Breeding Heifer.

Kurt Grosvenor, Ponca, exhibited the Champion Charolais Breeding Heifer and Randy Stark, also of Ponca, had the Reserve Champion Charolais Breeding Heifer.

The Northeast Feeders Association provided trophies for the Grand Champion Steer and Heifer, won by Denise Magnuson, Laurel, and Brad Erwin, Concord.

The Nebraska Charolais Calfmen's Association will give an engraved plaque to purple ribbon winners of the County Fair who show an exhibit a Charolais or Charolais cross calf, sired by a Charolais bull.

The top Jr. Beef Showman was Mark Muller and second place Jr. Showman went to Bob Dahlgren, Laurel. Top Sr. Beef Showman was Denise Magnuson. See FAIR JUDGES page 9.

## Jaycees Host District Meet

The Wayne County Jaycees were scheduled to host the annual District G Jaycee convention this weekend at the county fair grounds.

Wayne J.C. President Bill Woelcher said chapter presidents of the Jaycees and Mrs. Jaycees from seven area towns were expected at the one day meeting.

Also expected to attend were State Jayce President Gaylord Bousillon and State Mrs. Jaycees President Mary Jo Marlow.

The area included at the meeting are Wayne, Norfolk, Neligh, Pender, West Point and Plainview.

## Free, Reduced-Price Meal Policy Adopted

F. R. Haun, superintendent, today announced the free and reduced-price meal policy for Wayne Public School children unable to pay the full price.

Local School officials have adopted a family size and income scale to assist them in determining eligibility.

Eligibility determinations are made on a family basis, that is, all the children in the same family attending schools under the jurisdiction of the same school food authority are to receive the same benefits, a free meal or a reduced-price meal.

Unusual circumstances, such as illness or death in the family, also will be taken into consideration when determining eligibility for free or reduced-price meals.

The payment for the reduced-price breakfast shall not exceed 10 cents, nor shall the payment for a reduced-price lunch exceed 20 cents.

Families falling within this scale or those suffering from unusual circumstances are encouraged to apply for free or reduced-price meals for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year.

The form itself is simple to complete and requested information needed to determine economic need based on the income of the family and any unusual circumstances or hardships which affect the family's ability to pay for school meals. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

Under the provisions of the policy, the principals will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official he may make a request either orally or in writing for a hearing to appeal the decision. F. R. Haun, superintendent, whose address is 611 W. Seventh, Wayne, has been designated as the hearing official.

The policy also provided that there will be no identification of or discrimination against any student unable to pay the full cost of a meal.

A complete copy of the policy of the Facilities at the Norfolk is on file in each school and in the office of the superintendent where it may be reviewed by any interested patron.

## Unusual Garden Site

Most persons are complete failures as gardeners when they try to raise tomatoes from seeds alone, but to Mother Nature it's one of her more simple tasks. Some time ago the city dredged off the sludge in the aerator section and piled it outside the fence on the south side. Weeks later, city officials found this mass of tomato plants, along with some squash and watermelon vines, growing profusely out of the fertile soil. It was theorized by Street Commissioner Vern Schilt that seeds were flushed down the sink or sent through a garbage disposal into the sewer and germinated when the sludge was exposed to the sunlight. For those with easy pickings on their mind, they are reminded the area is off-limits.

## Top Model

Sheri Kjer, daughter of Mr. and Mrs. Harold Kjer, Allen, received the Grand Champion trophy and ribbon for modeling this outfit in the Dixon County 4-H dress revue held Wednesday afternoon at the Dixon County Fair. Sheri, who also received the Grand Champion award last year, seems to be continuing a tradition. Sisters Kathy and Jacque, have also taken home Grand Champion honors in past years.

Our liberty depends on the freedom of the press, and that cannot be limited without being lost — Thomas Jefferson, Letter, 1786

### Chess

What do some Americans really think of the Bob Fischer-Boris Spassky chess match? Unbelievable, perhaps, or maybe surprising. Any way you look at it, the media has labeled the whole ordeal as 'front page news and sometimes lead stories over the air.

It is kind of puzzling to think that a chess match could become so important to warrant such coverage and magnitude. But all this would not have been possible without the actions of one main person: Bobby Fischer.

Generally, the first impression he gave this nation and the world was that he was a baby, acting in his own special reasons. "Do it my way or don't do it at all."

What many people, including some persons in the media didn't know, is that Fischer was and did establish a psychological edge over his opponent. After all, the world chess championship was on the line.

As of this time, Fischer has an unprecedented three-game lead over the Russian, which to some chess grandmasters is unsurmountable. Maybe the world will reduce its enthusiasm for the game once that match is over. Perhaps that

same curiosity will remain. Anyhow, the chess world is reaching its climax. Or is it?

Many computer operators are and have been loyally with the idea of man vs. machine in a chess match. Preliminary reports show that the current grandmasters would have no problem beating the machine. Even Fischer got into the act in the earlier stages of the man vs. machine idea.

Fischer pointed out that the machine would beat man at his own game and therefore the match wouldn't be fair. Computer operators, at first, thought Fischer might have a point. But a quick match proved his idea to be wrong. So...

The next step is machine vs. machine. Don't laugh. Already matches have been set up across the nation. According to Newsweek magazine, universities on the East Coast are challenging some universities on the West Coast. The idea is to perfect the computer at man's game and then challenge man to another game. The wager: \$2,500. Of course, it will take a little time before this can happen. But the machine "will be able to beat him at his own game by 1978."

—Bob Barfield

### The Plague

Most readers say that an editor doesn't know his p's from his q's.

But, we're sure having a heckuva time with the g's and q's.

In the Aug. 24 edition of the Wayne Herald, a sports story said that "Parasites Plague Bass."

We fibbed a little when confronted by our first critic and said that the tail of the letter q had simply broken off—but we weren't in the least bit convincing.

It wouldn't have been quite so embarrassing had we not "evened up" the goof in the previous edition.

In that "we'd rather forget it" boo-boo, we said that Harold Maciejewski, Wayne

High School athletic director, had received a "25-Year Plague" from the Nebraskans Coaching Association for his quarter-century of association with athletics.

Now we're sure that "Mac" doesn't have any communicable disease and is not a victim of any plague.

His 25-year-plague was a plague—an award.

But the face-burner headline had already prompted this wisecrack response from one of our area colleagues:

"The 25 year plague? Gee, and I thought the seven-year itch was bad."

—Claire Hurlbert

### Watch Those Kiddies!

Reminder: School Begins Aug. 30

### Substitute for 'Those'

A quick reading of any newspaper's "Letters to the Editor" section reveals Nebraskans' concern about traffic accidents. The letters repeatedly cite hazardous conditions, recount near fatal incidents and contain strong urges for action.

But at second glance, an interesting

fact emerges. According to the authors of these letters, the solution to the problem of traffic fatalities lies in the hands of "THOSE."

THOSE car makers should be forced to produce safer cars.

THOSE legislators ought to lower speed limits and raise statutory punishments.

THOSE engineers ought to design safer roads.

THOSE police, sheriffs and State Patrol troopers ought to be stricter in their enforcement of existing laws.

THOSE judges ought to get tougher with jail sentences.

THOSE kids (or older drivers) ought not to be allowed on the roads.

THOSE aren't going to get the job done. Instead of THOSE, it's going to have to be US.

There will be no end to the increasing number of traffic fatalities and injuries until E.A.C.H. OF US is willing to recognize our responsibilities for traffic accidents.

Perhaps there will never be a time when we will voluntarily turn ourselves in whenever we violate a law, or cause a near accident.

But until each of us is willing to "police" ourselves, to make traffic safety our personal commitment, highway slaughter will continue.

Safer cars on safer roads, driven by citizens who meet strict but fair requirements, enforced by the police and the courts... all THOSE at fault but that alone will not reduce traffic deaths. Only when you and I drive with safety as our first concern will the problem of fatal traffic accidents finally be solved.

### Reverse Migration Key to Overcrowding

Is America overcrowded? Has it fun out of opportunities to offer its growing population?

Definitely not, say a growing number of government, educational and community planners. There's room for people to live, work and enjoy what is commonly called "the good life."

The problem, it seems, lies in the fact that 70 per cent of all Americans today live on only two per cent of the available land. In human terms, the means 142 million people live on only 74,000 square miles out of a total of more than three million.

It is little wonder, experts say, that large urban areas are overburdened with problems of air and water pollution, traffic congestion and an endless array of sociological problems.

Over the past 100 years, the nation has shifted from a population base that was 95 per cent rural to one which is now 65 per cent urban. Brighter lights of the city have been an irresistible lure for millions, particularly the young. They have left smaller, rural areas that migrated to already overcrowded urban areas in search of the cultural and business opportunities they couldn't find at home.

Instead of opportunity, a disproportionate number find only welfare and slum housing. They magnify the problem of crowding and poverty that already exists, and instead of the better life, they play a small, but unmistakable, role in a cycle that has the nation once again turning its eyes toward the vast uncrowded areas of the large.

American Trucking Associations, the trade association representing the nation's motor carriers, recently brought the growing problem into sharp focus through a booklet and a film, both titled — "The Geography of Survival."

Citing efforts of former Secretary of Agriculture Orville Freeman, David Rockefeller, Chairman of the Board of Cities Planning and a smoothly functioning other individuals and organizations to come to grips with the problem, the trade association notes that there is general agreement on the solution—the decentralization, or geographic dispersal, of people and industry to achieve a better balance of both America's population and its resources.

In order to carry out such a massive, long-range program, however, three requisites must be met:

—The scope and resources involved demand the strength and backing that only the federal government can supply.

—The many decisions to be made will have to reflect the collective choice of the people who must provide the resources. This will call for full involvement of the nation's business and industrial community.

—Great reliance must be placed upon good highways and a smoothly functioning highway transportation system. Only highway transportation has the flexibility that can make dispersal possible and facilitate the flow of both goods and people that would support such a program.

The concept of population dispersal is not new. In fact, throughout much of the nation's first 100 years, great effort by the federal government was directed toward encouraging people, to migrate westward.

The same effort, though for different reasons, developed into infinitely more complex programs. The President's Task Force to declare that — "The great threat that now faces us is that the social

and economic ills of the nation's inner cities may worsen and spread over entire urban areas, infecting even the entire national structure, unless we act together with intelligence to prevent it."

As the nation prepares to celebrate the start of its third century, it faces the probability that there will be more than 100 million additional celebrants for the big event.

More than that, we must somehow find space for more than three million new people each year and provide a means of feeding, clothing, housing and educating them, as well as providing them with jobs.

Overcoming these problems and all the other sociological ills that are directly related to the manner in which we have crowded ourselves together, the long-range planners believe, is the greatest of all the challenges of this decade.

It may well be, as ATA has pointed out, that "in meeting it, we will be charting the geography of our survival."

### Bill Would Guarantee Speedier Trials

"Thousands of Americans each year are being denied what is guaranteed them in the Bill of Rights," Charles Thone, Nebraska's First District Congressman, claims.

"Amendment VI of the U.S. Constitution states, 'In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial...' When a man remains in jail for three years without a trial, we can't claim to be living up to our Constitution."

"Every criminal defendant would be guaranteed a trial within 60 days by a bill I have introduced with other Congressmen."

"During the year ending June 30, 1971—the latest for which statistics are available—the median time for a criminal defendant in a U.S. District Court

directed acquittal verdict after 16 months in jail. These defendants were not in jail because they had been found to be dangerous under preventive detention laws. They were in jail because they were too poor to post bond."

"On the other hand, the professional criminal can make bail and is likely to be out committing other crimes during a long delay between arrest and trial."

"The bill I have co-sponsored would require several pretrial motions be made within 30 days after arrest or charge. In computing the 60 days to trial, the only time period that would be excluded would be those periods of delay resulting from deciding or hearing arguments on pretrial motions that extended beyond 45 days after arrest or trial."

"This proposed legislation would allow only two continuances by defense counsel and only two by the prosecution, except for unusual circumstances."

"Our bill would give the federal courts a year in which to meet the 60-day period for bringing defendants to trial. It would also authorize the Administrative Office of the U.S. Courts to make emergency appropriations to districts which needed help in meeting this standard."

"Achieving speedy trials is a practical aim that will not require large numbers of additional judges and prosecutors. Several of the busiest jurisdictions in the nation have reached the 60-day goal without any additional personnel."

"This proposed legislation would establish full-time pretrial service officers in each court. The same personnel would also be probation officers. A person who has a pending criminal case before him can be the best probation officer after the defendant has been convicted and paroled."

"The U.S. courts try only a small percentage of our defendants. Most are tried in state courts. To give state courts also authority to bring defendants to trial within 60 days, will prevent that unless these courts meet the same time limits; they would not be eligible for funds from the U.S. Justice Department's Law Enforcement Assistance Administration. State courts would be given six years to meet the goal."

"Delays in bringing criminal defendants to trial result in lost convictions and reduced charges. These delays also

### Scouts Dedicate Woodlands

More than 75,000 acres of woodlands owned by Boy Scouts across the nation were dedicated Friday to the permanent practice of good forestry as Scouts in 22 states joined local ceremonies in observance of National Boy Scout Tree Farm Day.

Individual celebrations marked the completion of a four-month Scout drive to meet Tree Farm standards and qualify their forest property for enrollment in the American Tree Farm System. A total of 90 properties were registered into the national program.

The American Tree Farm System is dedicated to scientific forest management which promotes the conservation and wise use of our nation's renewable forest resources. The program, now made up of more than 31 thousand private landowners with 74 million acres of woodlands, is sponsored by the American Forest Institute, Washington, D. C.

The Scouting project, begun last May, included forest-improvement work which lead to merit badge experience for individual Scouts, as well as advancement of the aims of Scouting's Save Our American Resources (SOAR) national conservation program.

At Boy Scout National Headquarters in North Brunswick, N. J., Irving Feist, past-president of the Boy Scouts of

America marked the event with the dedication of a 60-acre tract of forest alongside the Headquarters building.

The Scout-owned property we are recognizing today as an official Tree Farm is not only growing repeated crops of wood for our nation's future needs. It is also providing improved wildlife habitat, protecting our watersheds, improving the quality of the environment, and providing recreational and educational opportunities for Boy Scouts everywhere," Feist said.

To be eligible for the American Tree Farm System, forest land must be privately owned; managed for the growth and harvest of repeated crops of wood; and adequately protected from fire, insect, disease and destructive grazing damage. Management must also include provisions for prompt reforestation following all free harvesting.

To practice forest management, Tree Farmers should plant seedlings on un-derecked land; cut undesirable tree species and diseased trees; thin heavily-stocked timber stands to open the stands to more sunlight; convert marginally-productive forest stands to better quality trees; prescribe burn under carefully controlled conditions to reduce the hazard of destructive wildfires; and harvest mature timber ready for market.

### Weekly Cleanings ---

News of Note around Northeast Nebraska

Ronnie Breikreutz, Wisner, underwent surgery at Clarkson Hospital, Omaha, last Saturday morning after being transferred from Our Lady of Lourdes Hospital, Norfolk, where he was taken by the rescue unit last Wednesday following a fall of 18 feet. Breikreutz had been doing some electrical wiring on the pole at the Leonard Hosiery farm when the pole broke off at ground level. Breikreutz presumed the pole had rotted out near the ground.

"Sin, Not Skin" was the theme of the Jesus Jubilee held last Sunday, Monday and Tuesday in the Bancroft Park. The rally featured the appearance of Sam Dalton, who surmised up his thoughts to the youth in "I have one message and that's Christ was crucified, buried, risen and coming again in a language people can understand." Over 1,000 young people attended the three-day event. Among those taking part in the jubilee were Randy Matthews, Nashville, Tenn., who sang and played his guitar, and The Reflections, a musical group from StouxCity.

Alan Rogahn has been signed as new principal at Beemer High School, taking the place of Terry Heany, who resigned to accept another position. Rogahn, a native of Tintah, Minn., was graduated from Moorhead State College where he received his bachelor's degree in 1969. He taught one term at Tabor, S. D., and went from there to Bonesteel, S. D., where he had taught science. The past year he served as principal at Bonesteel.

The singing Goeller Sisters, children of Mr. and Mrs. Henry Goeller, Pilger, presented half-hour musical programs in several area nursing homes recently, including those in Dodge, Stanton, Wisner, Beemer and Pender. The group is composed of Flavian Goeller Gilster, Pender; Rhonda, Luen, Starla, Mizti and Holly Goeller.

Don Phipps, Wakefield, was elected president of the Northeast Nebraska Volunteer Firemen's Association at its annual meeting in Pierce. Other officers elected are: Ross Ringer, Wisner, vice president; Larry Pochop, Albion, secretary-treasurer.

The Laurel High School Band has received an invitation to perform at the Nebraska State Fair Thursday, Aug. 31. They will parade the fairgrounds for three times during the day, performing various marching routines. Other bands parading on Thursday will be Odell, Genoa and Central City Bands, parading on other days include Wisner-Pilger, Plainview, Papillion and several from Kansas.

Funeral services were held at Santee Aug. 14 for Merle Gene Thomas, 20, son

of Mr. and Mrs. Rudolph Thomas, Bloomfield. The young man drowned the previous Saturday evening while swimming at the Santee Boat Basin. He reportedly suffered cramps and went under.

Arrow Stage Lines, which operates a bus through Plainview from Sioux City to O'Neill and returns each day except Sunday, has indicated that they may discontinue the service.

Janet Frink, daughter of Mr. and Mrs. Johnny Neiman, West Point, has received one of the highest awards a Girl Scout can receive, the God and Community Award.

Kenny Christiansen, president of Christiansen Construction Co., Pender, said this week equipment will start moving in at once for clearing the site of the new junior-senior high school in West Point. L.C.W. Co. Inc., Laurel, has received the sub-contract.

Tilden annual Whaziti Day is set for Saturday, Sept. 9, with events for the celebration party well lined up. The morning program includes a horseshoe contest and flower show. The parade is set for 2 p.m. and free watermelon and refreshments will be served during the day. Kids' contests at the park will follow the parade and the evening program starts with water fights and the serving of the Legion barbecue. Two softball games and a teen dance are scheduled for the evening.

Prospective candidates for the city council positions in Laurel are reminded that the deadline for filing is Sept. 7 with the city clerk, B. D. Pehrson. Filing fee is one per cent of the annual salary.

Pierce Mayor Greg Hoffmann announced this week that W. Webster, city attorney for about 12 years, has submitted a written resignation effective Aug. 31. In his resignation, Webster stated that the increasing number of potential conflicts between the offices of city attorney and county attorney make it impractical to continue performing both duties.

A 33-year old woman, found dead in Cedar County June 30, has been identified and her body exhumed and buried at Minneapolis, Minn. Posters with the woman's picture on them brought her husband, Joseph Bedeau, to Santee where she had been buried eight days following her death. The woman was Joseph's Theresa Bedeau, mother of four children. She had been found lying on the Gavins Point Dam approach and was taken to Sacred Heart Hospital four days before she died of a skull fracture.

### A Quiz on Traffic Safety

1. Approximately (a) 250, (b) 150, (c) 75 people die in traffic accidents in the U. S. every day.
2. The most effective way to deal with a tailgater is: (a) slam on the brakes to give him a scare, (b) speed up to increase the distance between vehicles, (c) slow down gradually to encourage him to pass at the earliest possible opportunity.
3. Your maximum nighttime seeing

- distance with headlights on upper beam on an unlighted road is (a) 275 feet, (b) 336 feet, (c) 488 feet.
4. When approaching an intersection, look first to the (a) right, (b) left.
5. In negotiating curves, slow down (a) before you reach the curve, (b) after you are in the curve.
6. After the stop light turns green, you should check before you proceed. True or False.
7. If your right wheel drops off the pavement while you are traveling at high speed, steer straight ahead and slow down or equalize to 20 miles per hour before turning back on to the paved roadway. True or False.
8. If a tire blows out, don't brake but hold the wheel steady and let the car coast to a spot that is safely off the road. True or False.
9. A pedestrian crossing the street at a marked crosswalk or within extensions of sidewalk lines is to be given the right-of-way. True or False.
10. A car going 70 miles an hour takes five times the distance to stop as a car going 30 miles an hour. True or False.
11. A car approaches you head on. You flash your lights and sound your horn but he still keeps coming. Do you (a) pull into the left lane, (b) stick to your lane, (c) give way to the right?
12. An average of three-fourths of a second is required to recognize the need to stop and to move your foot to the brake pedal. In this time, at 60 miles per hour, you have traveled 66 feet. True or False.
13. You are stopped at a railroad crossing by a passing train. It is always safe to move ahead as soon as the last car of the train clears the crossing. True or False.
14. Many railroad crossing accidents happen at night. True or False.
15. It is against the law to sneak around railroad crossing signal gates while they are in operation. True or False.

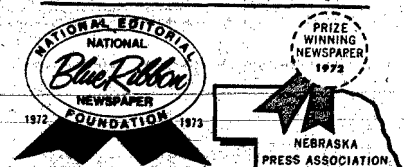

### ANSWERS

1. (b) approximately 150 per day, 2. (c) slow down gradually and encourage him to pass, 3. (b) 366 feet, 4. (b) look to the left, 5. (a) slow down before you reach the curve, 6. True, 7. True, 8. True, 9. True, 10. True (a car going 70 mph requires 609 feet to stop as compared to 121 feet for a car going 30 mph), 11. (c) give way to the right, 12. True, 13. False (you should check for trains coming from the opposite direction), 14. True, 15. True.

lower the esteem that citizens have for their court system. As President Nixon said, "Justice delayed is not only justice denied—it is also justice circumvented, justice undermined." The bill we are sponsoring would do much to bring justice and fulfillment of a Constitutional right.

# Guy Dunnings Wed August 13

In 3 p.m. rites Aug. 13 at the Capitol City, Christian Church, Lincoln, Delores Diane Wilson, daughter of Mr. and Mrs. James Wilson, Lincoln, became the bride of Guy Paul Dunning, son of Mrs. Lloyd Russell, Wayne, and Gail Dunning, Lincoln.

Guy B. Dunning, a grandfather of the bridegroom, officiated at the rites.

Mrs. Larry Wilson was the bride's honor attendant, and Mrs. Edward Rastowski, Winnebago, and Cyndi Kinzer, Homer, were bridesmaids. Mark Dunning served as best man and groomsmen and ushers were Dick Todd, Larry Hewitt, Allen, Larry Wilson and Kirk Russell.

The bride's floor-length gown was of white dotted Swiss, trimmed in ribbon drawn lace on the bodice front stand up collar and cuffs of the full length bishop sleeves. The softly gathered skirt, caught to a high rise waistline, extended in back to a bottom length train. Matching lace edged her train-length veil and she carried a bouquet of red, white and blue garden flowers.

The bride's attendants wore white, dotted Swiss pinoroles over dotted Swiss frocks in red and blue. The flower girl, who was Kelly Holt, Auburn, wore a similarly styled dress of red dotted Swiss with the white pinorole.

The bridegroom was attired in a blue velvet tuxedo jacket and his attendants wore red velvet tuxedo jackets with black trim to match the trousers. They wore white ruffled shirts, ring bearers, were Todd Holt, Auburn, who wore a white tuxedo. A brother, David Dunning assisted with gifts and Tina Russell helped with serving.

For her daughter's wedding Mrs. Wilson chose a street length dress of red linen with red, white and blue trim. Mrs. Russell's floor length fashion of blue linen with white bodice was also trimmed in red, white and blue.

The bride was graduated from Wayne State College where she

### Dixie Smith Is Friday Bride

The United Presbyterian Church at Laurel was the scene of the 7:30 p.m. wedding last Friday of Dixie Smith, daughter of Mr. and Mrs. Melvin Smith, to Regg Pehrson, son of Mr. and Mrs. Elwood Pehrson, all of Laurel. The Rev. Douglas Potter officiated at the double ring rites. Stephen Johnson sang the Wedding Song and Claudia Mallett sang "Walk Hand in Hand." Organist was Mrs. L. J. Mallett.

Maid of honor was the bride's sister, Pam Smith, and matron of honor was Mrs. Steven Johnson, Laurel. Bridesmaids were Mrs. Richard Kraemer, Wayne, and Ruth Lange, Crofton.

The bride's gown was an empire styled frock of Venice lace-trimmed sheerganza, designed with high neckline, fitted bodice, long, full sleeves and deep ruffled flounce bordering the floor length gathered skirt which extended to a short train at the back. Her chapel length mantilla of bridal illusion cascaded from a Camelot headpiece and she carried a cascade of yellow butterfly roses, stephanotis, baby's breath and English ivy.

The bride's attendants wore floor length fashions of green, flared nylon, fashioned with double butterfly sleeves and deep flounces at the hemline. They wore Juliet caps and carried long stemmed roses.

Mr. Pehrson, Wakefield, served his brother as best man and groomsmen were Regg Swanson, Wayne, and Dick Wendel and Gordon Olsen, Laurel. They wore black and white pin striped jackets with dark trousers and white ruffled shirts trimmed in black. The bridegroom's tuxedo was black.

Ushers were Duane Stingley, Dixon Larry Smith, Lincoln, and Steve Smith, Laurel.

"Marry Me" was flower girl and Mike Granquist was ring bearer.

For her daughter's wedding Mrs. Smith chose a floor length gown of lavender crepe with "silver accessories." Mrs. Pehrson wore a blue "Marry Me" dress with white accessories.

Mrs. Tim Pehrson registered the 225 guests who attended the

reception at the church parlors. Mr. and Mrs. Doug Krie, Doris Dirkey and Jim Kirchner had charge of gifts.

Mrs. Shirley Smith poured and waitresses were Janie Carlson, Mickey Hirschman, Sandra Cross and Barb Calcavecchia, all of Laurel.

The bride and bridegroom both attended Laurel High School. The bride is a graduate of Stewart's School of Hairstyling and is employed by Josie's Beauty Shop, Laurel. The bridegroom, a student at Wayne State College, is employed at True Value Hardware, Laurel.

### 200 Attend Reception

About 200 guests helped Mr. and Mrs. Ben Ahlvers, Wayne, observe their golden wedding anniversary Aug. 13.

The open house reception, held at the First United Methodist Church, was hosted by the couple's children, Wilbur Ahlvers, Yorba Linda, Calif.; Mr. and Mrs. Melvin Meyer, Karen and Freddy, Colorado Springs, Colo.; Mr. and Mrs. Gordon Zapp, Kelley, Barbara and Jill, Littleton, Colo.; Mr. and Mrs. Jerry Ahlvers, Raquel and Chad, Omaha, and Mr. and Mrs. Charles Ahlvers, Danny, Julie and Denise, Wayne, all of whom were present.

Others attending from out of town included Mr. and Mrs. Duane Thayer and Jennifer, Santa Ana, Calif. (a granddaughter); Frank Ahlvers, Webster City, Ia.; Mrs. Fred Ottmanns, Wisner; Mrs. Lela Jones, Mr. and Mrs. Al Jones and Jeff and Mrs. Al Jones and Leroy, Oberburg, Wymore, Mr. and Mrs. Dean Olson, North Platte; Mrs. Jack Anderson, Lincoln; Mr. and Mrs. Chester Pfeiffer and Gertrude Pfeiffer.

### Senior Citizens Host Dance, Sing-a-long

Twenty-three members of the Wayne Senior Citizens Center were present Friday afternoon for the old fashioned dance and sing-a-long. Mrs. Amalia Bahe played the piano and Janice Hasebrook the violin. Glen Summers called the circle two-step and Amalia Bahe sang "Goodnight Sweetheart." The next dance and sing-a-long will be at 2:30 p.m. Thursday, Sept. 28.

The library hour, conducted by Mrs. Millie Pfleger, Wayne, Public Assistant Librarian, was held Thursday afternoon. Books now available at the center include "Pride and Prejudice" by Jane Austen, "Good and Easy Cook Book" by Betty Crocker, "Boy Gets Car" by Henry Feisen, "Camilla" and "The Moon by Night" by Madeleine L'Engle, "Second Year Nurse" by Margaret McCulloch, "Bones of the Buffalo" by Lewis Patten, and "Scott's Guide Book to Stamp Collecting."

The library hour will be at 2 p.m. Thursday, Sept. 21.

Twenty more participants are needed for the 15 mile boat trip up the Missouri according to Jocell Bull, center director. The fare \$2.50 per person and each person should plan to take a sack lunch for supper. Tea and coffee will be furnished by the center.

The Wakefield Christian Church is furnishing free bus transportation to the take-off point. The group will leave the center at 3 p.m. Thursday, Aug. 31, for the 4 p.m. ride. Pastor Epperson will accompany the travelers and will conduct a sing-a-long.

Reservations should be called in to the center 375-1460, or 375-2862, by today (Monday).

### Belden Reunion Set

The annual Belden Alumni banquet has been scheduled for Saturday, Sept. 2 at 7 p.m. at the Laurel Waigon Wheel. Reservations should be made by contacting Gladys Pfanz, Belden.

All Belden graduates are urged to attend.

### School Lunch

Monday, August 28, 1972  
Wiener and bun, buttered corn, orange juice, peach crisp

Tuesday, August 29, 1972  
Goulash, rolls and butter, butternut carrots, sauce

Wednesday, August 30, 1972  
Shepherd pie, tossed salad, rolls and butter cake

Thursday, August 31, 1972  
Meat loaf, mashed potatoes, rolls and butter, green beans, cantaloupe

Friday, September 1, 1972  
Peanut butter and ham salad sandwiches, potato salad, buttered peas, pudding  
Milk with each meal. Menu subject to change.

### Twins Stage Program

Twins Linda and Lois Festerling, who teach at Immanuel Lutheran English Middle School in Kowloon, Hong Kong, this Friday at 8 p.m. will present a slide lecture on their work at Trinity Lutheran Church, Hoskins. The public is invited, according to School Principal Ronald Seimdt.

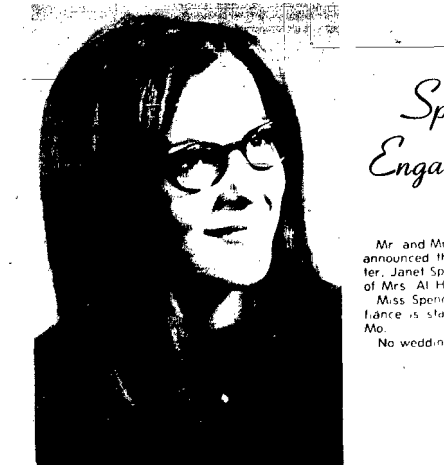

After graduation from Dr. Martin Luther College, New Ulm, Minnesota in 1967, the Festerling sisters each taught two years in Wisconsin Synod Christian Day Schools in Wisconsin before joining their brother, Howard Festerling, principal of Immanuel Lutheran English Middle School in Hong Kong, and becoming the Wisconsin Synod's first women teachers to serve as missionaries in a foreign country.

They have served the past three years at the Immanuel School which is operated by the 800 member Chinese Evangelical Lutheran Church in cooperation with the Wisconsin Evangelical Lutheran Synod.

Ending a three month furlough in the United States, the Festerlings will be visiting at the home of Mr. and Mrs. Ronald Schmidt, Hoskins, before they continue their return trip.

### Consecration Service Set

The Worship Commission of the Laurel United Methodist Church met last Monday to make plans for the consecration of the new sanctuary and fellowship hall to take place Sunday, Sept. 17 at 10:30 a.m. Nebraska Area Bishop Dr. Don W. Holter, will be present to give the consecration message. The Northeast District Superintendent, Rev. Lowen Kruse, will also be on hand. Following the Consecration Service there will be a covered dish meal at the Laurel City Auditorium. A 2:30 p.m. service will be held to dedicate memorial gifts to the new church. Following the afternoon service there will be an open house and tea until 5 p.m.

### Spence-Heikes Engagement Told

Mr. and Mrs. Jes Spence Jr., Wayne, have announced the engagement of their daughter, Janet Spence, to Pvt. Larry Heikes, son of Mrs. Al Heikes, Wakefield.

Miss Spence is employed in Omaha. Her lance is stationed at Fort Leonard Wood, Mo.

No wedding date has been set.

### Back From Colorado

Mr. and Mrs. LeRoy Koepke have returned from their wedding trip to Western Nebraska and Colorado and are making their home at 1208 S. Fourth, Norfolk. Mrs. Koepke, nee Jean Weideman, is the daughter of Mr. and Mrs. Dan Weideman, Norfolk.

Pastor Russell, Norfolk, officiated at the 4 p.m. Aug. 5 ceremony which was held at the Grace Lutheran Church in Norfolk. Mrs. Ivan Koepke, Hoskins, sang, accompanied by Bev Boyac, Norfolk.

The bride's dress was a floor-length line of organza and Venice lace, accented with ruffles which cascaded vertically from the empire bodice to the hem of the skirt. Long sleeves were caught to deep cuffs and a chapel length train was caught to the back waist. Her veil cascaded from a profile crown of Venice lace and ribbon and she carried orchid carnations, pink stephanotis roses, stephanotis and baby's breath.

Mrs. Ron Weideman, Humphrey served as matron of honor and bridesmaids were Barb Koehler, and Julie Weideman, Norfolk. Their floor length gowns were of orchid chiffon over tulle in empire style with short puffed sleeves. Each wore an orchid garden hat and carried a white birchside basket of orchid and pink carnations and white button pompons.

Best man was Ivan Koepke, Hoskins, and groomsmen were Ron Weideman, Humphrey and Jeff Ryan, Meadow Grove. Ushers were Larry Klug, Battle Creek, Mervin Warneke, Norfolk, and Larry Koepke, Hoskins. Candles were lighted by Diane Klawitter, Norfolk, and Debbie Ryan, Lovilia, Ia. Carol Pojar, Madison, was flower girl and Paul Randall, Norfolk, was ring bearer.

Mr. and Mrs. Leon Neitzke served as hosts to the reception for 275 guests held at the church following the ceremony. Gifts were arranged by Theresa Ryan, Mary Ryan, Cheryl Carlson, Mrs. Donny Rauss, Mrs. Leonard Pojar registered guests.

The bride attended Norfolk High School and Northeast Nebraska Technical College, Norfolk, and has been employed by Dale Electronics. The bridegroom attended Pierce High School and Northeast Nebraska Tech, Norfolk, and served four years in the U. S. Air Force. He is employed by Simpsons Structures, Inc.

### LCW of St Paul's Invited to Hastings

Eighteen members of St. Paul's LCW attended the Wednesday afternoon meeting in Hastings. An invitation was issued to the group to attend the LCW convention to be held at First St. Paul's Lutheran Church in Hastings Oct. 23 and 24.

Naomi Circle members, with Mary Madison in charge, had the program. A skit, "Marry Me" was presented by Mary Martinson, Mrs. Clair Myers and Mrs. S. E. Samuelson.

The hymn, "O Perfect Love," sung by the group, honored the wedding anniversary women.

A poem, "God and His People," was read and slides of Germany were shown by Mrs. Larry Sievers.

August birthdays honored were those of Mrs. Anna Grier, Mrs. Hans Rethwisch and Mrs. Samuelson. Mrs. Mathilde Harms read two birthday poems for them.

Plans were tentatively made for a trip to Bethpage Mission at Axtel on Thursday, Oct. 5.

Mrs. Marvin Magnuson, Mrs. Alvin Willers and Mrs. Walter Jaeger were hostesses. Next meeting will be at 2 p.m. Sept. 27 for election of officers.

Fifth row, Assistant Coach Bob Zohner, Greg Pippitt, Roger Kvols, Mark McCoy, Dan Nelson, Steve Thompson, Mark McCorkindale and Brad Erwin.

## Laurel Is Banking on Potent Offense

Coach Bob Olsen took out his oil can this week to prime up his Laurel offensive running machine for the 1972 season. But isn't likely to need too much of the slippery liquid as 18 returning lettermen dominate the Laurel football team.

Coach Olsen doesn't deny the fact that this year's team is predominantly a senior experienced team. Ten seniors fill out the 43 member pack with the sophomores gaining the most players at 14. The juniors number 11 while the freshmen count at eight.

Laurel, which had a 27 mark in the Northeast Athletic conference last year will be among the top teams this year, according to Coach Olsen, vying for the number one spot.

The offense, which sports eight returning members, will have two strong fullbacks contending for the top position. They are Seniors Chuck Hirschman and Marty Hirschman having the edge in height, almost six-foot white Jensen stands 6'6".

Keith Olsen, will be at the helm, calling the plays. Although the senior directed only two games last year, Coach Olsen feels that he will add plenty of punch to the running offense with his speed. Olsen last year averaged five yards a carry while playing halfback.

The final running threat will come from Senior Dave Diediker, who will take over as fullback.

The coach isn't too sure about his passing game but does figure

Rabbit, Squirrel Legal Game Sept. 1

Nebraska's first hunting seasons open one-half hour before sunrise on Sept. 1, when cottontails and squirrels become legal game across the state.

Cottontails have shown a marked increase this summer, and squirrel numbers are also up, according to Game and Parks Commission surveys.

Bag and possession limit are seven and 21 for both species. Shooting hours are one-half hour before sunrise to sunset. Hunters are allowed Jan. 31 to pursue squirrels and Feb. 28, to go after bunnies.

no 20 unassisted tackles during a three game span.

"I believe we will be a sound defensive club," Coach Olsen said, "with the key to be our quarterback spot in our offense."

To add to his offensive and defensive strength, the head mentor will have depth in every position.

Junior Lamont Sohler will be the 1 man while Greg Anderson and Gerald Stanley, both juniors, will be backup quarter-

backs.

Laurel opens its nine-game season with a Sept. 8 away game at Bloomfield Homecoming is scheduled for Sept. 29 against Plainview.

The schedule:  
Sept. 8—Laurel at Bloomfield;  
Sept. 15—Neleh at Laurel;  
Sept. 22—Laurel at Pierce;  
Sept. 29—Plainview at Laurel;  
Oct. 6—Laurel at Stanton;  
Oct. 13—Laurel at Crofton;  
Oct. 20—Randolph at Laurel;  
Oct. 27—Laurel at Wayne;  
Nov. 3—O'Neill at Laurel.

### Derby Contestant

Terry P. Lesman, the Norfolk Derby champion from Wayne, arrived in Akron, Ohio, to a hero's welcome as he prepared to compete in Chevrolet's 25th anniversary All-American Soap Box Derby. Greeting him was Larry Blair, the 1971 World Champion, shown here inside his special Chevrolet convertible and wearing his World Champion shirt. Blair shows the local champion the racing helmet each contestant wore in the All-American this weekend. As he competed with more than 250 other youngsters for a share of \$30,000 in college scholarships and world fame.

### Wakefield Hits Dodge, 11-8

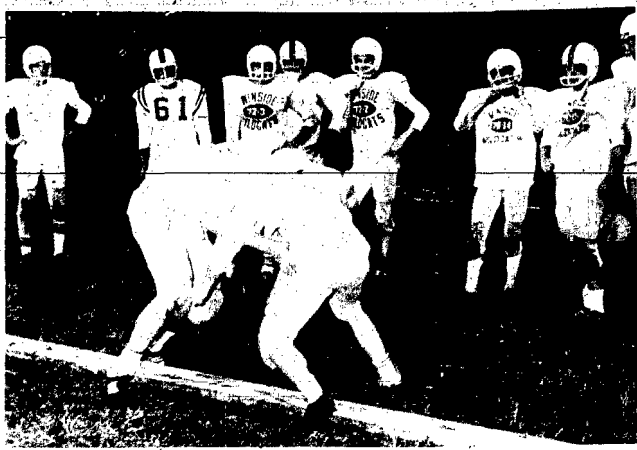

Wakefield rapped out 13 hits while collecting 11 runs Thursday night at the Cuming County Fair baseball tournament to rip the Dodge Town Team, 11-8.

Wakefield started out the season with a 1-0 lead in the first. But the men from Dodge came back with a strong third, scoring seven runs.

The winners warmed up their bats for three runs in the fourth and five in the decision-making seventh to oust Dodge.

Mike Gahan led Wakefield with four hits in five times at the plate. Denny Paul was next in line with three hits in five times at bat and two RBIs.

There are more than 40 million gun owners in the U. S., according to the National Shooting Sports Foundation.

### Striped Bass Population Doubles in State Waters

More than 230,000 striped bass fingerlings were released in Nebraska waters this year by the Game and Parks Commission, twice the number stocked in the state in any previous year.

Most of the stripers were put into Lake McConaughy, a 91,000-acre reservoir for the first time at Harlan County Reservoir.

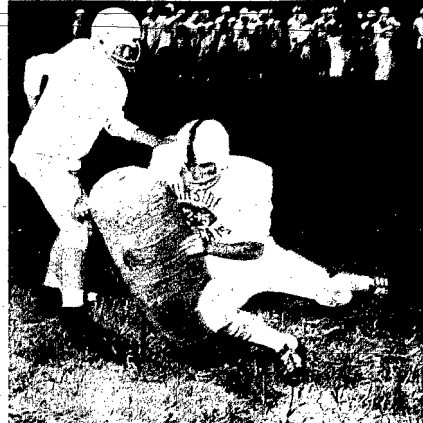

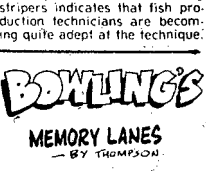

All of the striped bass fingerlings were raised from fry obtained from hatcheries in Virginia. When they arrived at the North Platte Fish Hatchery on the Commission's airplane, the stripers fry were less than 1-2 1/2 inch long. After nine weeks at Commission hatcheries, they grew to three or four inches in length, just right for stocking.

At present, Nebraska must purchase its striped bass fry from southern states or trade with them for Nebraska walleye and northern pike eggs and fry. However, the Commission hopes that stripers released at Lake McConaughy several years ago will mature soon and begin spawning runs up the North Platte River.

If this takes place, Nebraska will be assured a home-grown source of stripers, even if they do not reproduce naturally in the leader streams above Big Mac. Plans call for Commission technicians to trap adult spawners at the electric fish trap

### Bowling's MEMORY LANES

But in 1946, AMF introduced its Automatic Pinsetter machine in Buffalo, New York where the American Bowling Congress was holding its annual national tournament nearby. The demonstration was a striking success and marked the start of the modern bowling era.

### Hit 'em Hard

About 42 prospective football players turned out last week at Winside to limber up for the 1972 season. According to Head Coach Doug Barclay, this year's Class C team should be more experienced, coming off the team's 4-1 '71 record. To get the linemen in shape, Coach Barclay has his men run through a little head-butting contest. —Boy, what a headache. On the right, the boys practice on the tackling dummies.

### Breakfast To Precede Allen Grid Contests

Allen businessmen will again sponsor Booster Breakfasts between 7 and 8 a.m. at the Home Cafe on the mornings before Allen High School football games.

The first Allen football game is Sept. 15.

### Survey Shows Wild Turkeys Increasing

More wild turkeys should be on hand for Nebraska's fall season in 1972 than in the past several years, according to surveys conducted recently by Game and Parks Commission biologists.

Reproduction in the Round Top Unit in the extreme northwestern part of the state was the highest in the past six years, with each brood averaging more than six poult. The average brood for that area the past five years has been less than four.

Brood size in the Niobrara Unit in the north central part of the state was also the highest in the past several years.

The surveys were conducted by Commission technicians, who cover the same routes each year. By comparing the number of toms, hens, and poult sighted from year to year, biologists can compile an index of population size and breeding success.

# Wayne Team Edges Homer, 6-5

The Wayne Town Team kept itself alive in the Northeast Nebraska Baseball playoffs, edging Homer, 6-5, Thursday to even the series at 1-1.

Coach Hank Overin, in a surprise move, took over the home mound duties after Wayne hurler Paul Eddie was hit in the eye on a line drive in the sixth. According to Overin, Eddie was taken to the hospital for observation and probably will see an eye specialist later.

The game was knotted at five apiece going into the bottom of the ninth when Left Fielder Rod Coker bunted to score Second Sacker Lynn Lessman on a squeeze play for the winning run.

Wayne started out late in the game with a solo in the seventh by Shortstop Steve Haying to make the score, 4-1.

Homer earlier ripped off single stanzas before connecting for two runs in the seventh. Then the visitors followed up with another single in the top of the ninth for a 5-1 margin.

Haying got the home team off to a booming start in the bottom of the last inning with a solo homer to boost the score to 5-2.

Haying had the hot bat for the night, collecting two runs and two hits in four times at bat.

The two clubs are scheduled to

meet at Homer in the rubber match at 6 p.m. Monday, with the winner to play the winner of the Sioux City-Newcastle game Thursday. As yet, no site has been selected for the final playoffs.

## Federal Funds Aiding Sportsmen in State

Federal funds derived from hunters, fishermen, and a number of other sources go a long way toward furthering conservation and outdoor recreation in Nebraska, and a good share of these funds are administered by the Game and Parks Commission.

Much of this money comes from Nebraska through the Pittman Robertson Fund, which derives its revenue from federal excise taxes on sporting arms and ammunition. This money is used to aid in wildlife research, management, habitat improvement, and hunter safety training.

Another hunk of federal money comes from a similar tax on fishing tackle through the Dingell Johnson Fund, which is applied toward improving Nebraska's sport fishing resources. Both taxes were imposed at the request of sportsmen years ago to preserve fish and wildlife, a fact emphasized by Governor J. James Exon in declaring Sept. 23 as Hunting and Fishing Day in Nebraska.

## City Football

All seventh and eighth grade boys interested in playing city football should meet at the city ball park Monday (today) and Tuesday at 1 p.m. according to City Recreation Director Hank Overin.

Starting Sept. 1, those boys in the fifth and sixth grades are to report to the Middle Center for sign-up in the city-sponsored sport.

Overin pointed out that uniforms and helmets will be furnished for seventh and eighth grade boys. But those in the lower grades will have to bring their own pads and jerseys. The city will furnish the helmets.

the top Junior Sheep Showman and had the reserve Pen of Three Runners. Junior Sheep Showman, was Jeanette Armstrong of Ponca.

Other ribbons awarded in that class:  
Blue-Lyle Borg, Concord; Ross Lund, Allen; Jack Warner, Allen; Mark Koch, Concord; Kevin Kraemer, Allen; Doug Koester, Concord; Ted Wesley, Luth, Wakefield.

## Successful New Lawn Depends On Earlier Lawn Management

If you are establishing a new lawn, chances are your lawn has failed or you have purchased a new piece of property. Determining the probable causes of lawn failure and correcting them is the first step toward realizing a successful lawn.

Soil compaction from traffic, poor drainage, lack of good topsoil, diseases, insects, mismanagement (fertilizer, water and pesticides), improper mowing, and neglect are just a few causes of lawn failure.

Assuming these can be corrected, the next important step

## Wage-Price Regulations

Q. Does the Internal Revenue Service have a publication that tells you what to do when you discover a rent violation?  
A. Yes. IRS Publication 53026, "Rent Violations," explains what rent increases are legal and what a tenant should do when he believes he has found an illegal increase. You can obtain a free copy by writing your Internal Revenue district office.

## Items Stolen From Garage

George Hoffman, Jr., of 1014 Lincoln reported to Wayne City Police Thursday at 11:30 p.m. that several items were stolen from his garage.

Items missing included gloves, a corn knife and cigarettes.

## Social Security Questions, Answers

Q. I get monthly retirement benefits from Social Security, and my wife also draws benefits on my work record. My wife is planning to start working at a part-time job. Will her earnings affect my monthly benefits?  
A. No. If she earns enough, your wife may have part or all of her own monthly cash benefits withheld, but this will not affect your retirement payments.

Q. I am 62 years old and get monthly Social Security benefits as a widow. Will Medicare help pay any of my medical expenses?  
A. No, Medicare only helps to pay hospital and medical bills for people 65 or older. If you can't pay your medical expenses, you may be eligible for Medicaid. Medicaid helps pay the medical bills of individuals at any age based on their need. Call your local welfare office for more information about the Medicaid program.

Q. My wife and I are both retired and get monthly Social Security payments. Since my wife is collecting on my work record, will her earnings at a part-time job affect my monthly payments?  
A. No. Your wife's earnings affect only her payments.

## Garden Vegetables

The abundance of rain during the summer brought many garden vegetable exhibits to the Dixon County Fair.

Awards were received for those exhibits by:

**Three Vegetables**  
Red-Rita Teer, Wakefield.

**Five Vegetables**  
Purple-Ronnie Gunderson, Ponca; Susie Maltom, Allen; LeElla Allen, Bruce Chapman, Allen; David Moore, Allen.

Blue-John Sawtell, Allen; Lori Maltom, Allen; Pam Haglund, Ponca; Kevin Grosvener, Ponca; Kay Schroeder, Allen; Verneal Roberts, Allen.

Red-Carl Ann Schifferer, Ponca; Ava Godfrey, Ponca; Charles Schifferer, Ponca; Gail Greig, Ponca; Joyce Stapleton, Allen; Katherine Rohrer, Allen; Taylor Domsch, field; Patty Taylor, Wakefield; Chuck Gwin, Waterbury.

White-Glenis Anderson, Concord.

# Now Home in Iowa

Making their home at 204 W. Water St., Centerville, Ia., are Mr. and Mrs. Edward Dean West who were married in August 1971 at St. Paul's Lutheran Church, Albia, Ia. Mrs. West, nee Arlys Ann Anderson, is the daughter of Mr. and Mrs. Lornc E. Anderson, Albia, Ia., and the granddaughter of Mr. and Mrs. Miller West, Udell, Ia. The wedding party included Mrs. Linda Lindgren and Gary Lindgren, West Union, Ia.; Mrs. Diane Durian, Albia, Ia.; Ronnie West and Robin West, Centerville, Ia.; Terry Proctor, Unionville, Ia.; and Larry Platt and Darwin Platt, Moulton, Ia. A reception for 100 guests was held at the Kendall Place, Albia, following the ceremony. The bride is a senior at Northeast Missouri State Teachers College, Kirksville, Mo. The bridegroom graduated from Iowa Tech, Ottumwa, Ia., and is employed at Balzer Implement, Albia.

## Meet With Husbands

Eight members of the Club met for a night out with their husbands Friday at Bill's Cafe. Entertainment consisted of cards with pitch prizes going to Mavis and Lous Lutz.

The guest day meeting will be held Sept. 19 in the Stanley Bajer home at 2 p.m. Mrs. Dennis Bajer will be co-hostess.

## Festive Coffeecake

2 cups all-purpose biscuit mix  
3 tablespoons sugar  
2/3 cup water  
1 egg  
1 cup pink frosted corn flakes  
1 teaspoon sugar  
1 1/4 teaspoon cinnamon

Blend biscuit mix with 3 tablespoons sugar, the water, and egg. Stir in cereal. Pour batter into greased 8-inch square pan. Combine 1 teaspoon sugar and the cinnamon. Sprinkle over batter in pan. Bake at 400 degrees for 20 minutes. Serve warm or cooled.

# Zierke-Ryan Ceremony Held

Cynthia Sue Zierke, daughter of Mr. and Mrs. Robert Zierke, Pierce, and Randall James Ryan, son of Mrs. Virgil Ryan, Winside, were wed in 7 p.m. rites Aug. 19 at St. John's Lutheran Church, Pierce.

The Rev. Jordan E. Arft, Pierce, officiated at the double ring ceremony and Carol Krueger, Randolph, sang "We've Only Just Begun," accompanied by Deb Wragge, Pierce.

The bride, given in marriage by her father, appeared in a floor-length gown of white satin, fashioned with high neckline, long bell sleeves and empire waistline. She wore white ribbons in her hair and carried white carnations and yellow sweethearts roses.

Mr. and Mrs. Don Meinke,

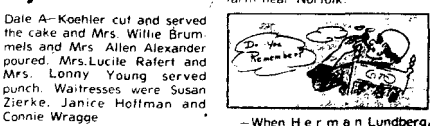

Norfolk, served as honor attendants for the couple and Butch Warnke, Battle Creek, and Richard Miller, Osmond, ushered. The men wore white tuxedo jackets with black trousers and black bowties.

For her daughter's wedding Mrs. Zierke chose a brown and yellow striped dress and Mrs. Ryan wore pink and both had corsages of white carnations and yellow sweethearts roses.

The bride's godparents, Mr. and Mrs. Alvin Miller, Osmond, served as hosts for the reception for 250 guests held at the church following the ceremony. Vickie Zierke, sister of the bride, registered guests and Marilyn Korth, Peg and Deb Zierke and Pam Wragge, arranged gifts.

Mrs. Wesley Wheeler and Mrs.

ly employed by Vulcraft in Norfolk. The couple are at home on a farm near Norfolk.

—When Herman Lundberg, banker, was the first owner of a Nash twin ignition car sold by Joe Baker Garage?

—When smoking was "verboten" on the Wayne College campus?

—When a popular Wayne card club was called "The Owls Nest" and the German card game called "Scholskopf" prevailed?

The bride attended Pierce High School. The bridegroom attended both Pierce High School and Winside High School. He also attended technical college for one year and is present

# WINSIDE Quilting Is Not a Lost Art

Mrs. Edward Oswald Phone 286-4872

Mrs. Meta Nieman, long time resident of Winside, keeps busy with quilting and attending church and club activities. Since January, Mrs. Nieman has completed four quilts and has the fifth one about finished.

At present, she is cross stitching a quilt measuring 90 inches by 108 inches, which is the average size. Mrs. Nieman stated she has done quilting for about thirty years. During the past winter she made a quilt for each of her four grandchildren.

Already printed pattern tops are performed rather than piecing them on her own. All the stitching is done by hand except when block type quilts have to be sewn together by machine. She stated, "Quilts require a lot of stitches and many hours of stitching, which I do whenever I have a few extra minutes."

Mrs. Nieman made an iris quilt for a friend last winter which took her about two months to complete. All stems and leaves are green with light and dark blue flowers. The inside of the quilts are filled with dacron for easy laundering and added warmth. Backs are made from prints or plain material.

In addition to quilting, Mrs. Nieman enjoys flowers, especially tulips and petunias.

She is president of the Winside Senior Citizens and is a charter member of the GT Pinocchio Club. She is an active member of St. Paul's Lutheran Church and Ladies Aid. Mrs. Nieman has two daughters, Mrs. Otto Carlsons of Woodland Park and Mrs. Alfred Miller of Winside.

Mrs. Meta Nieman, Winside, displays one of the quilts she is currently working on.

Mrs. Nieman, Mrs. Arrie Fischer, Otto Hermann, and Arrie Fischer. Door prizes were won by Mrs. Henry Von Seegern and Edgar Marolt. A get well card was sent to Cecil Prince.

September 5 meeting will be a pot luck dinner at 12:30.

Kremkes Host

Bridge Club met Tuesday evening in the Delmar Kremke home. Prizes were won by Vernon Hill, George Farran and Mrs. Clarence Pfeiffer.

September meeting will be in the George Farran home.

WSCS Meets

The United Methodist Women's Society of Christian Service met Tuesday evening at the church social room with nine present.

An invitation was extended to attend guest day Sept. 13 at the Carroll WSCS. Mrs. Lindsay reported 191 pennies were collected for the mile of pennies project. Plans were made to serve the Winside Community Club dinner at 7 p.m. August 28.

Mrs. Neils Nelsen will be chairman.

Mrs. Robert L. Swanson gave the lesson which was a report on the School of Missions which she attended in South Dakota in July. It consisted of a discussion on the new organization of the United Methodist Women; India which is the missionary study for 1973 and how the India women dressed, with Mrs. Marvin Fuoss modeling.

Faith and Justice and Bible study for 1973 which is Romans. The birthday song was sung for Mrs. Chester Wylie. Mrs. Marvin Fuoss served.

September 12 hostess will be Mrs. H. L. Neely.

Observes Birthday

Guests Tuesday in the Andy Mann home for her birthday were six members of the birthday club.

Faith furnished entertainment. A cooperative lunch was served.

Contract Club

Contract Club met Wednesday evening in the Mrs. J. F.

## European Trip To Tour Farms

Lyle Marolt, Haskins, returned home Thursday from a three week European trip sponsored by the People to People Travel program. The purpose of the mission was to give grain and feed dealers and farmers in Indiana and Nebraska the opportunity to carry a message of good will to their occupational counterparts in Western and Eastern Europe, including the Soviet Union, and to inspect typical grain and feed and farming operations to compare with our own methods.

The 32 person delegation visited farms, mills and elevators in Spain, Switzerland, the Soviet Union, Czechoslovakia, Germany, Holland and Belgium.

## Meet Monday

Faithful Chapter No. 165, Order of the Eastern Star Lodge met Monday evening at the Masonic Hall.

The group discussed plans for the District 9 meeting which Winside will host. The meeting will be a 10-30 brunch at Prengers, Oct. 13 and will include Winside, Wayne, Madison, Norfolk and Stanton chapters. Trixie Jones, Carroll, gave a report of her recent trip to Denmark and Norway.

Lunch was served by Mrs. Russell Malmberg, Mrs. Orville Lage, Mrs. Maurice Lindsay and Mrs. Rosemary Mintz.

Next meeting will be Sept. 18.

Senior Citizens

Winside Senior Citizens met Tuesday evening at the auditorium with 19 present to play cards.

Card prizes were won by Mrs.

Boy Scouts Advanced

Several boy scouts received advancements at the Eagle Court of Honor held in the Belden school auditorium Sunday and their mothers each received a miniature pin of their son's rank.

The highlight of the ceremony was the presentation of Eagle awards to Roger Fuchs and Roger Pedersen.

Tenderfoot pins were presented to Steve Hilde and David Fuchs. Those earning second class ranks were Todd Boling and Scott Pedersen.

Scoutmaster Dennis Boehme and Eagle Scout Phil Fuchs making the Eagle presentations. Others on the program included Arnold Hansen, Chairman of the Village Board and David Hay, master of ceremonies.

The Reverend Douglas Potter the invocation and the Rev. James Hilde offered the benediction. A reception followed the afternoon program.

Rabies Treatment Painful, Expensive

Each year, more than 30,000 persons find it necessary to take the lengthy, painful, and expensive antirabies treatment because they were bitten by a suspected or known rabid animal.

In terms of the number of human deaths each year in the United States, rabies is not of major concern. However, in terms of anxiety for those bitten, it is of paramount importance.

All warm-blooded animals are susceptible to rabies, an acute disease of the central nervous system. It is caused by a virus that can be transmitted to man by the bite of a rabid animal or, more rarely, by the saliva of an infected animal entering an open wound or scratch.

The Nebraska Medical Association points out that rabies is a fatal disease, and protection lies solely in prevention. The bite of a stray or feral dog poses a particular problem since confinement of the animal is essential.

Veterans' Benefits Questions, Answers

Q. Is the educational assistance allowance I get from the Veterans Administration taxable? A. No, VA benefits are not taxable or assignable, and are exempt from claims of creditors, attachment or seizure.

Q. I hear the Veterans Administration has a new insurance policy called Modified Life 70 Plan. How can I find out more about this insurance? A. Your local VA office will be happy to provide information on that insurance or any other VA benefit.

Q. Can I buy a Veterans Administration repossessed home if I am not a veteran? A. Yes, the VA sells repossessed homes to any credit-worthy individual, veteran or non-veteran.

Deadline for all legal notices to be published by The Wayne Herald is as follows: 5 p.m. Monday for Thursday's newspaper and 3 p.m. Thursday for Monday's newspaper.

Every government official or board that handles public monies, should publish at regular intervals an accounting of how the money is spent. We hold this to be a fundamental principle to democratic government.

Guidelines Helpful During Apple-Picking Season

When are apples mature? Deciding the proper stage to begin picking apples in home fruit plantings can be a problem.

Picking too early may result in off-flavored, sour, poorly colored, and small apples. On the other hand, over-ripe apples may develop core rot before or after picking, or a mealy or flat flavor.

Fruits increase in size in the final stage of maturity. From this standpoint, it is desirable to leave the fruit on the trees.

Here are some guidelines to use in deciding when to pick apples: Sampling an apple for flavor and aroma is a good way to make a test. If the flavor and aroma characteristic for the variety has developed, the apples are ready for picking.

Protect Your Plum, Cherry Trees From Black Knot

Black knot of plums and cherries is a widespread and serious disease in the United States. In Nebraska, it is commonly found on wild plums or plums or cherries in the home orchard where pruning and spraying are not regularly practiced.

The disease is easily recognized through a canker-like growth produced on twigs and branches. Most infections originate on the newest growth, enlarge, often taking one to two years to develop completely. Mature cankers are hard, brittle, rough and coal-black.

# Area Winners on Parade at Dixon County Fair

The top Jr. Beef Showmanship award went to Mark Muller.

Gary Munter, Wakefield, won the Angus Supreme Award with his showing of the Munter's top Angus.

Another Wakefield resident, Randy Kahl, won the Best Polled Hereford Heifer during the livestock review.

The Pen of Three Lamb honor went to Colleen Chapman. Helping her is her brother Bryce.

Carl Domsch, the winning brother in the Domsch trio, took the Champion Holstein award at the Dixon County Fair.

Jerry Munter proudly displays his Champion Angus winner during the session of the Dixon County Fair.

A hog belonging to Annette Fritschen, Concord, took top honors, winning the Grand and Reserve Champion titles along with the Pen of Three award.

## The best lawns of all are fed both spring and fall!

The biggest single cause of disappointing lawns is underfeeding. All too many homeowners think that feeding in the spring takes care of the lawn's needs for the entire year. But it doesn't. No lawn food feeds that long. For your lawn's sake, replenish its food supply now to encourage fall's natural processes of developing new blades, intensifying color and thickening the weave.

**Turf Builder** is America's favorite lawn fertilizer. Applied now, it not only develops a thicker, sturdier and greener lawn this fall, it will also help your grass winter better and get off to a faster start next spring.

## A TEACHER IS SOMEONE

Someone Special...  
Someone who shapes tomorrow.  
Someone who kindles and makes grow.  
Someone who shares knowledge... and dreams.  
Someone whose greatest joy is to watch a child's mind expand and flower.

A teacher is someone who may very well be doing the most important job in the world. And today, a difficult job, because the world is more complex. How much simpler it must have been one hundred years or so ago to be a teacher, when you taught the same thing in the same way that had been used for centuries... when a slate, a primer and a dunce cap were the main teaching tools... But how many fewer children went to school, and how much less they learned! Today's teachers, on the other hand, keep up with the changing world. If you are a parent, you are well aware of this. You need a book on the new math to understand what your children are learning.

We take our teachers for granted 364 days a year. Today, however, is a good day for us to remember—and by this word—honor teachers (today's, tomorrow's and yesterday's teachers).

The State National Bank and Trust Co. would like to say thank you to all of the teachers in Wayne County. Thanks to each of you for the wonderful job you are doing.

You could not do as simple a thing as read this... if someone had not taught you!

# State National Bank and TRUST COMPANY

MEMBER F.D.I.C.

**Tops in Foods**  
Receiving the Grand Champion award for food exhibits at the Dixon County Fair was Cheryl Koch, daughter of Mr. and Mrs. LeRoy Koch of Concord.

## Savings Bond Sales \$8,331

Sales of E and H Savings Bonds in Wayne County during July amounted to \$8,331, according to Henry Ley, county chairman.

Seven month sales of \$100,310 represented 62.2 per cent of the county's goal for the year. Statewide sales in the first seven months totaled \$34,224,552, for a gain of \$3,781,543 over 1971 and accounted for 72.3 per cent of the state's goal for 1972.

July bond sales for area counties, with seven month totals and percentage of the year's goal in parentheses: (Dixon, \$26,682 (\$137,111, 77.8)

## Correction

Jim Luff of Wayne is one of five students studying the effects of Regim 8 on soybean yield, standability and harvest ability at the University of Nebraska. It was stated in the Farmer Feeder section recently that Jim was one of 25 students.

## Guard Officers Set Conference

National Guard officers from throughout Nebraska will meet Sept. 9 at the Omaha Hilton Hotel for the 17th annual conference of the Nebraska National Guard Association.

Lt. Col. Dayle E. Williamson of Lincoln, Association president, said the conference will consist of a business session for the men and a program for the ladies during the day, with a banquet and dance scheduled in the evening.

Col. James Deerin (Ret.), executive vice-president of the National Guard Association of the United States, will be the keynote speaker at the business session.

## World's Biggest Toy Store Is

probably F.A.O. Schwarz's on Fifth Avenue in New York City. Its three selling floors have a combined area of 50,000 square feet. Its 10 branch stores add another 100,000 square feet.
