Approximately 1,500 bandmen were ready for rehearsal Saturday morning at the Wayne State Stadium in preparation for the morning downtown parade and Band Day festivities during the halftime of the Wayne

State-Emoria football game. The practice sessions started about 8:50 a.m. with baton twirlers, pom-pom girls and musicians gathered during the bright sunny morning. The Wayne State band was among the many bands featured at

the annual Wayne State Band Day. The University of Nebraska discontinued its Band Day so the local college initiated its own celebration.

I Hear You

Wayne school children, from grades K through 11, had another hand-raising session Thursday during a hearing test at the Wayne Middle School. The hearing clinic also was conducted at West Elementary, High School, St. Mary's and Carroll Elementary. The test, conducted by the Educational Service Unit No. 1, was supervised by Ed Szyptulski, Creighton (right) and assistants Juli Wilcox, Wynol, Peggie Rousch, South Sioux City and Jean Ley, Wayne. Participating in one of the morning sessions were, from left, Pat Godsey, Wayne Buils, Lisa Magnuson, Susan Proefft and Debra Brummond.

Hospital Progress . .

With plans steadily formulating for the construction of the new hospital to serve the Wayne area, The Herald will run a "Hospital Progress" of brief items weekly, relaying information to readers and contributors to the drive.

The Missionary Benedictine Sisters of Norfolk and the hospital staff are now in the process of making final revisions to floor plans for the new Medical Center.

The Hospital Foundation has ordered two signs, one to be placed at the building site and another to be erected at 13th and Main directing persons to the location.

Surveying has begun for the layout of the water line to be installed to service the hospital.

Carroll Sets Appreciation Day Sept. 23

Look out for the town of Carroll on Sept. 23.

The area will be exploding with excitement between 1 and 5 p.m. Saturday as the merchants salute area farmers on Appreciation Day.

The annual event will feature penny beer, free watermelon plus a gathering of other prizes and free food.

The afternoon event is sponsored by all the Carroll merchants, including Farmers State Bank, Nelson Repair, Ron's Bar, Kavanagh Feed and Trucking, John Rethwisch, postmaster, Malleens Barber and Beauty shops, Litho Speed, Karen's Beauty Shop, Conroy's Cafe, Carrigan Feed and Grain, Villaga Wash, Huribert Milk Transfer, Rhode Body Shop, Cunningham Wells and Supply, Hansen Grocery, San Dahl Repair, Vern Build and Riggs, McLain Oil Co., Huribert Repair and Graham Car Wash.

Hwy. 20 Towns Lose Bus Service

Laurel, Randolph and Belden are among the towns along Highway 20 that will lose passenger bus service effective Monday (today).

Arrow State Lines, with head offices in Sioux City, Ia., claims heavy loss of revenue from its Sioux City-O'Neill-Wanner, S.D., route.

"The route is not even half paying its cost," C.D. Busskohl, president of Arrow State Lines, who added revisions will be made in the Norfolk-Sioux City schedules.

That new schedule, which will affect Wayne, will see a bus leaving Sioux City at 9:45 a.m., with arrival in Wayne set for 10:55 a.m., and the end of the trip at Norfolk, to be at 11:30 a.m.

The return trip will see a Norfolk departure at noon, with arrival in Wayne at 12:30 p.m. and Sioux City at 1:45 p.m.

The new times are expected to provide better conditions at both ends of the line, Busskohl said.

Towns along Highway 20 were notified of the possible loss of bus passenger service about a month ago in a letter from Busskohl which said, "The amount of usage has dropped severely in the last several years. We need to know within three weeks what the general consensus of the citizens and business people is pertaining to the service."

Busskohl said the proper commerce commissions have been notified. "If they want a hearing it is up to them," he concluded.

Four Persons Killed In Hwy. 81 Accident

Four out of state youths were killed about 8:10 p.m. Thursday when the car in which they were riding and a semi-truck collided nearly head on five miles east and three tenths of a mile north of Pierce, on Highway 81.

All occupants in the car were killed: Jay Patrice Ackerhoff, 20; Mark George Lotblad, 19; and Jeffrey Blake Lawrence, 19, all of St. Joseph, Mich., and James LeRoy Mills, 18, of Philadelphia, Pa.

According to the report of investigating Trooper Don Matlock of Norfolk, the youths were headed south on Highway 81 when the driver, whose identity is unknown, attempted to pass a farm tractor driven by Kevin Reagan of Pierce. The car then collided with the semi, driven by Roy E. Muehlback, 46, of Raymond. The truck driver was not injured.

In the trunk of the car were several bags of freshly harvested marijuana, Mills had testified in Pierce County Court earlier in the day against Michael Baird of Carroll Mills, Baird, Miss Ackerhoff and two others had been arrested July 19 for possession of a controlled substance and charges against the four were to be dropped in exchange for testimony against Baird.

Four more persons were killed on Nebraska highways, Friday night when two cars collided a mile west of Lindsay on Route 91 at a county road intersection. Dead were Richard Kurtlen, 30, Jerry Kurtlenbach and Sue Chelton of Lindsay and John Feltz of Newman Grove.

Contrary to reports in Wayne, the Richard Kurtlenbach, killed was not the one who formerly lived at Wakefield with his parents, the late Charles Kurtlenbach and Mrs. Kurtlenbach, who later attended Wayne State College.

Sue Chelton was a passenger in a car driven by Bill Korth of Lindsay who is hospitalized at Norfolk. Debbie Vokke of Newman Grove, in the Kurtlenbach vehicle, was taken to the Albion hospital, according to deputy Platte County Attorney Mark Sipple of Columbus and Platte County Deputy Sheriff Dennis Ternus, who investigated the accident.

Allen Hi Invited To UN-O Band Day

The Allen High School Band will participate in Band Day at the University of Nebraska at Omaha Saturday, Sept. 23.

Morning rehearsals will prepare bandmen for the mass band pre-game and halftime shows.

City Meeting

A meeting of the Wayne businessmen and interested parties in trying to solve the city's downtown parking problems will be held Monday (tonight) at 7:30 p.m. in the Club Room of the City Auditorium.

According to Floyd Bracken, Wayne Chamber of Commerce Manager, several members of the Wayne City Council, are scheduled to attend the evening meeting.

Round Table Will Explain Program

The September Round Table, for all Scoutmasters and patrol leaders, will be held Tuesday at 7:30 p.m. at West Elementary School.

The Round Table will explain the new program for next year.

Brent Miller Fund Started

A Brent Miller Fund has been started at Winside to help defray medical expenses for the 11-year-old son of Mr. and Mrs. Vernon Miller, who was hurt when he fell off a tractor at his parents' farm near Winside Aug. 4.

Brent has returned home and his condition, reported to be steadily improved, but still can not open his eyes.

Donations to the fund are being received at the Winside State Bank.

The Aid Association for Lutherans Branch 1960 of Winside will sponsor a chili supper for the youth Oct. 6, the night of the Puma Winside football game. Serving at St. Paul's Lutheran church, will begin at 7 p.m. and continue after the game.

There will be no charge for the chili supper, but a free will offering will be received, with all proceeds going to the Brent Miller Fund.

For Sale

Carl Lentz, left, and Keith Mosley, unload some of the articles that were to be offered for sale at the Kiwanis White Elephant Sale at City Auditorium Sunday. Proceeds from the sale of the donated items will go into the club's fund to help finance its projects for the year.

Schools to Visit With 1973 WHS Graduates

Wayne-Carroll High School I guidance counselor Ken Carlson has announced the scheduled visits of several schools which are to take place this month.

Representatives from Northeast Nebraska Technical School and Northeast Nebraska College, Norfolk, will be at the high school guidance office Monday morning to talk to interested students concerning the proposed July merger of the two schools (to be called Northeast Nebraska Technical Community College), and programs which will be offered. Areas of interest will include vocational, technical, LPN, general college and law enforcement.

Two schools will visit Friday: Sioux Falls College, in Sioux Falls, S.D., has a 9 a.m. appointment, and Creighton University, Omaha, will be here at 2 p.m. Both are private church-related schools.

Doane College, Crete, also a private church related school, is scheduled to visit at 10 a.m. Friday, Sept. 29.

YARC Will Sponsor Bike-a-Thon

The Youth Association for Retarded Children (YARC) in Wayne is sponsoring a Bike-a-Thon for Saturday, Sept. 23, when cyclists will attempt a ride of approximately 50 miles.

Participants are to receive pledges of a certain amount per mile from "public sponsors," with all proceeds to be turned over to the YARC to continue its work with the retarded youngsters in the northeast Nebraska area.

Entry blanks may be obtained from Sam Hepburn, Bob Skokan and Chairman Deb Carroll and returned before the bike-a-thon begins.

In addition, all bikes must be safely inspected by Wayne City Police. The Nebraska State Patrol has been notified of the statewide drive by YARC chapters across Nebraska and will be patrolling the highways in those areas to provide best possible safety.

The cyclists will leave in two groups from the National Guard Armory, the first group scheduled to leave at 8:30 a.m. and the second group a half hour later.

"The YARC has made some wonderful accomplishments in working with the youngsters," Mrs. Kenneth Szymanski, YARC sponsor, says. "Perhaps," she says, "See YARC, page 8."

Outstanding Conservation Farm

The Werner Janke farm, located eight miles west on Highway 98, won an award for the Outstanding Conservation Farm in Wayne County. The farm, which is run by the Janke's son, Terry, was selected at the SCS convention in Omaha. Five Wayne County farms will award Janke an 1824 aerial picture of his farm.

Theory Coming True

Wayne Mayor Kent Hall has a theory that if the City Council agenda is long, the meeting will finish, close to the scheduled time. At Tuesday night's regular City Council meeting that theory almost came true as the members passed a host of resolutions and motions during one of the Council's longer agendas.

workable answer—open to city residents at cost. But, the landfill is not the subject of this writing. Instead, we are pointing out the efficiency the mayor and Council displayed during what could have been a very long meeting. The members showed that they could handle a long agenda without "skipping" over important matters. We believe that the mayor and Council, in the future, may handle more topics on the agenda and still cut down on the time spent on extra discussions. In essence, dispose of more business, without ruffling the most salient matters, and be out of the meeting by at least 10 p.m. This may sound improbable but the fact is, the Council can make it possible. —Bob Bartlett

Flat Broke?

We couldn't help but wonder when we saw an Associated Press story recently if Sargent Shriver, second choice of George McGovern as his vice-presidential running mate, hadn't made a damaging statement in behalf of his own campaign when he told reporters "I'm not really worth a nickel." It is taken to mean that Shriver is in the same financial straits as most of us in the peon class: who live from pay check to paycheck. The similarity shouldn't be there. Shriver, an international lawyer, admits to having made \$125,000 last year. He claims 74 per cent of that amount went to federal, state and local taxes. That left him only a paltry \$32,500 a

year on which to scrimp. His wife, the former Eunice Kennedy sister of former President John F. Kennedy, does not exactly have to go out and work part time to supply meat and potatoes for the dinner table. But, she said, she does bring in a "little bread" with her interest in a multi-million dollar trust fund. Her contribution to the family budget was not disclosed. Here is a person, who obviously, according to his own admittance, has trouble making ends meet on \$125,000 plus a year. The thought occurs—how wisely could he handle taxpayers' money? —Claire Hurlbert

5-Hour Work Day

We can't help but do a slow burn when we hear of the ever increasing demands made by some of the nation's teachers against the hands tied taxpayer. Hands tied, that is, except for two alternatives (1) to be a candidate himself for the board of education or (2) vote for or against a candidate to represent him on that school board. One recent teacher revolt came in Philadelphia where 13,000 instructors went out on strike when their demands were rejected by the Philadelphia Board of Education. It was the demand that the school board of the nation's fourth largest city give one of its rare nixes? The teachers were expected to work a five-hour, 40 minute day. That is 40 minutes more per day than those teachers had worked the previous school year. Philly teachers didn't want to lose the "title" of the shortest high school working day in the nation. Few, if any, of their employers, the taxpayers enjoy such a short working

day. The average person who partially subsidizes the education of those teachers and then has to fork up additional tax money each year for automatic pay increases has to work eight hours per day on up, five or six days a week. Russian teachers and doctors, or the entire populace in the Soviet Union for that matter, are faced with a situation at the opposite extreme. Beginning physicians and school personnel in Russia recently received a raise to \$144 a month. Before the salary increase, these workers took home from \$108 to \$120 a month. Even with the wage hike, they are still lower paid than the average worker in the Soviet Union, who receives \$152 40 per month. Communists apparently don't think as highly of their doctors and teachers as we do. Let's appreciate 'em but, meanwhile, let's not go overboard with this five hour work day thing. —Claire Hurlbert

To the Editor: In these pre-election days, the average voter wonders how he can decide about the candidates and issues. More and more people want to vote independently; not a straight party ticket. The League of Women Voters is a non-partisan organization dedicated to researching all sides of an issue, and finding facts, not opinions. All area women who might be interested in such an organization are invited to an information meeting at the Hoskins Fire Hall Monday, Sept. 18, at 1 p.m. Any woman 18 or older, eligible for membership and one can be active or inactive as she pleases. I also could not find where you mentioned that seven times Mark Spitz stood and occasionally glanced from the flag to the ground to the crowd. In some instances he even stood there with his hands clasped behind his back. What about several of the Girl's Relay Swimming Teams who stood there and giggled during the presentation ceremonies. What greater affront to respect, not only to the flag, but America itself, when the American Basketball Team refused to swallow its pride and honor and show up and accept the silver medal for second place. If you want to see disrespect for the flag, just watch the people around you as the flag passes by in a parade in Wayne. I'm willing to bet that you can count on both hands all the people who show correct respect for the flag, standing facing the flag and saluting. And I don't just mean the 20 people standing around you but every person watching that parade including veterans. This is disrespectful because this is apathy and not a "non protest." People Underestimate Social Security Benefits

People tend to underestimate the monthly benefits Social Security can pay. According to a recent survey, only one person in 25 gave the correct answer to this question: "Let's take a man 35 years old, with a wife and two young children and average earnings of about \$500 a month. If he became disabled and couldn't work any more, about how much do you think he and his family would get from Social Security? Or if he died, how much do you think his wife and children would get?" Most a rough guess. The correct answer is about \$300 a month, according to Social Security officials.

But three out of four people guessed the Social Security payments would be \$350 a month or less, a spokesman said. "More than half guessed \$250 or less. One out of four guessed \$150 or less." Social Security pays monthly disability benefits to eligible workers and their families if the worker is severely disabled and cannot work for a year or more. Survivors benefits are payable to certain family members if the worker dies. A worker's benefit amount is based on his average earnings covered by Social Security over a period of years. "If a 35-year old worker becomes disabled in 1972," the spokesman said,

One of Four Employed In Government Jobs

NEW YORK A survey of public employment in the United States shows that the number of Wayne County residents on government payrolls is relatively larger. Compared with other communities across the country, the proportion of local people in government jobs—federal, state and local—is above average. This is seen in the latest figures on public and private employment released by the Department of Commerce, the Tax Foundation and others. In the local area, appears, about one out of every four employed persons works for some branch of government. The figures take into account all those employed in a civilian capacity by the federal government, by the state and by counties, municipalities and other units of government. Those in the armed forces are not included. The survey shows that, in almost every part of the country, there has been a sharp increase in recent years in the number of people in public jobs. Since 1960 the total has climbed from 8,350,000 to 13,300,000, an increase of no

less than 59 per cent. During the same period of time, the national population rose only 13 per cent. In Wayne County, the number of people on government payrolls is approximately 950. Some 400 of this total are on state and local payrolls. The remainder work for the federal government. The figures for the local area show that in terms of the total working population, 24 per cent are in public employ. This compares with an average of 18.7 per cent throughout the United States as a whole and with 16.4 per cent in the West North Central States. It is pointed out that contrary to general belief, the great increase in the number of government workers has been chiefly at the state and local levels. From a total of 4,300,000 in 1950 they have grown to a total, currently, of more than 10,500,000. During the same period, however, federal employment rose at a much slower pace, from 2,100,000 to 2,881,000.

But Not House Version Revenue Sharing Plan 'Appealing' to Curtis

The idea of revenue sharing has a great appeal," Senator Carl Curtis said in a recent speech in the Senate. "It is true that the federal government, with its high taxes, has taken the lion's share of the available revenue. The idea that the revenue sources should be shared with the states and localities has much merit. In President Nixon's proposal for revenue sharing, a considerable portion of other purposes referred to as special revenue sharing. It called for the discontinuance by the federal government of certain government activities and the turning of that revenue saved by the federal government over to the states. The state could then continue that particular activity or use the funds for other purposes. This would be helpful to the states. It would bring the control closer to the people and at the same time would not increase the expenditures of the federal government or increase the debt."

statement, the national bonded debt has increased in the last year by more than \$27 billion. This means that in the past year we have increased the national debt by more than \$74 million a day, or based upon a 24-hour day, the debt has risen by more than \$3 million an hour. Neither the Congress nor the executive can escape this responsibility. There will be a day of reckoning. Therefore, I cannot support a proposal to start a new program which over a five-year period is going to add to the debt by \$30 billion. The additional interest that will have to be paid if this one program is handled by borrowing the money for the five-year period will be almost \$4 billion. There is one other feature of the bill which is very disturbing to me. Under the formula for distributing funds to the various states and localities, there is a factor called "total tax effort." This means that if by reason of economy of efficiency a state or a subdivision could reduce taxes, they would be penalized by having their federal funds reduced. If on the other hand they increased taxes, their share of federal funds would increase. "This factor in the formula could well prevent any tax relief from every being passed on to the taxpayers by reason of revenue sharing."

"Unfortunately, the bill that passed the House, which has been reported out by the Finance Committee, does not follow this pattern. Actually, it is a bill to give to the states and the localities something over \$5 billion a year. It is a five-year program that will cost approximately \$30 billion. There will be no federal activities discontinued or terminated. "It is not revenue sharing because the federal government is going to have to borrow the money to do it. Again, I repeat that I favor the idea of sharing the federal sources of revenue with the states and localities, but the current bill is a new program of having the federal government send checks to the states, to the cities, to the counties, and other local subdivisions, and they have to borrow the money to do it. I do not believe this program should be carried on with borrowed money. Therefore, I cannot support it. "According to the daily Treasury

and his family could be eligible for disability payments if he had worked in jobs covered by Social Security for five of the 10 years before he became disabled. If the worker died, the spokesman said, his wife and children could start getting payments from Social Security if he had worked 12 years during the three years before he died in work covered by Social Security. A woman who works is building similar protection for herself and her family," he said.

News of Note around Northeast Nebraska

A surprise visit by three officials from the State Liquor Commission last week resulted in the temporary closing of the Hartington VFW Club, for "knowingly and unlawfully distributing and selling alcoholic liquor without having first obtained a valid license to do so under the Nebraska Liquor Control Act." The VFW Club allegedly has been operating for a number of years without a liquor license. Officials discovered that there was no license after they claimed they were recently served drinks after the legal closing hour.

Mrs. Mel Wostougal, Wisner, was especially interested in the Grand Prix events which were televised recently as the silver medal winning Equestrian Team includes an American horse, Main Spring, formerly owned by her parents. The 12-year-old, non-thoroughbred champion had been bought by Mr. and Mrs. Lee Barney, Burlington, Wis., for another daughter, Becky, who had showed him in Junior Jumper competitions, winning many honors. Later he went from a preliminary jumper to the Open Jumper Championships. During the six years the Barneys owned Main Spring, he won five blue ribbons in Open Jumper competition at Madison Square Garden, the most ever won by any horse in the 88-year history of the show. During the Grand Prix Main Spring's team, competing against 16 other countries, was beaten out by the Germans by a quarter of a point.

The Siouxland Community Blood Bank will be in Laurel Wednesday at the Presbyterian Church, from 9:30 a.m. to 5 p.m.

Special seasonal promotions were discussed at the regular monthly meeting of the Bancroft Commercial Club last Monday and plans were made for the annual Halloween parade down Bancroft's main street. Children with winning costumes will receive prizes. Preliminary plans also were made for the free pancake feed to be held after the first of the year.

Representing Area I of the Nebraska Resources Association in their annual speech contest which was held Sunday, was Brooks Larson a junior in the Lyons Schools. Brooks gained the finals in the Omaha World Herald sponsored contest by winning the area meet held last spring.

Beemer and West Point residents served by Cengas were without natural gas for over 24 hours last week as a result of a broken eight inch feeder line belonging to the Northern Gas Company. The cause of the rupture is yet unknown. Workers were called from York, Columbu, Wayne, Seward, Millard, Tripp, Norfolk, Pierce, Wisner, Grand City, Blair, Oakland, Humphrey and Madison.

The Pierce School Board was unhappily surprised at their recent meeting to learn that the district owes Norfolk Sporting Goods over \$2,000 for merchandise purchased as long ago as two and three years. The matter was discovered accidentally by one of the coaches who visited the store and learned of the bill. The store manager said he "just hadn't sent a bill." The school had never been billed for the amount.

A 30 by 60 foot metal building is now being erected on Main Street in Plain view, between the W and S Distributing Company and the Arthur Furstenau home. The building, being built by Mr. and Mrs. E. J. Ashburn, will house Irene's Ceramic Studio, and will include a gift and sample room, workshop and greenware area, firing room, pouring room and rest room. A display window will be featured near the entrance which will face main street.

The Republican National Convention may have been the last stand of the violent subgroup of the "war protesters." Some of their own leaders have been quoted as admitting as much. If so, the movement died less with a bang than a whimper.

Evidently people get enough of disagreeing at home. No one showed up to see the movie, "The War Between Men and Women," the first night it was shown in West Point, though for many pictures shown recently the theater has been packed. The movie immediately following it did better. "Made for Each Other"

The end of anything is a good time to assess its impact. And it is always difficult to avoid thinking about the paradox of the war like peace seekers, particularly if you have been assaulted by them, as my wife and I were, along with many of the delegates to the convention.

The Teen Center at Randolph was painted last week in preparation for its reopening after being closed through the summer months.

Strong Convictions "So how shall we judge them, in retrospect? By the success of their actions? By the strength of their convictions? Obviously, their actions didn't accomplish much. On the surface, they seemed to have very strong convictions. But did they really?

At those times when many Americans from all walks of life were questioning the wisdom of U.S. policy—the violent protesters, by their excesses, managed to rally the rest of the country in opposition to whatever they demanded. The casual observer of the passing scene, to the student of political affairs, to the peruser of editorial pages, and to the mature, responsible peace groups. Could the violent protesters have missed it?

"In the name of freedom, they tried to halt the democratic process in Chicago in 1968, and in Miami Beach in 1972. In the name of love, they hurled obscenities. In the name of peace, they slashed tires. Their methods repelled and disgusted the other 99.9 per cent of America. More difficult to avoid thinking about the violent Richard Nixon in 1968—an outcome they could hardly have favored, considering his relatively conservative image. "At nearly every turning-point in the

"My own theory is that they were well aware of the damage they were doing to their cause, and they didn't care.

It's Fun They're After "Playing hide and seek with the police, breaking windows and throwing trash in the streets is "fun," especially if the "establishment" (Daddy) is picking up the bill for such mundane considerations as food and shelter, and you can rationalize your destructive behavior in the name of a "good" cause.

"Starting work in an entry level job to support a family and become a useful, contributing member of society is pretty dull. The effect of the war has been a maturity, a future orientation, a genuine willingness to make sacrifices which the protesters lacked. They weren't even willing to do the tedious, plodding, behind-the-scenes work of the true revolutionaries.

Perhaps? Perhaps. But their apologists can't have it both ways. Either the violent protesters were too stupid to understand that their acts were counter productive, or they were too immature to care. I'd call them spoiled children, too big to spank and too little to face life."

Barge-Scheinost Wedding Held Sept. 9 in Wakefield

Sandra M. Barge, Lincoln, daughter of Mr. and Mrs. Roland E. Barge, Wakefield, and Steven A. Scheinost, Lincoln, son of Mr. and Mrs. Tony A. Scheinost, Spencer, were united in double ring wedding rites held Sept. 9 at St. John's Lutheran Church, Wakefield.

Guests, registered by Mrs. Rosey Retzlaff, Norfolk, were ushered to their places by Gerald Barge, Wakefield, and Rodney Retzlaff, Norfolk. The Rev. Donald E. Meyer, Wakefield, officiated at the 2 p.m. ceremony and Mrs. Leonard Dorsch was organist. The congregation sang "O Perfect Love."

Lynn Jepsen, Lincoln, served as maid of honor and bridesmaids were Karla Barge, Wakefield and Peggy Hopken, Lincoln. Gary Schneider, Lincoln, was best man. Groomsmen were Larry Hiatt, Spencer, and Bruce Merrill, Lincoln.

The bride's gown made by herself and her godmother, Mrs. Donald Pate, was a floor-length frock of white crepe, fashioned with long, fitted lace sleeves and heavy lace chains accented the bodice and bordering the skirt. Her floor length veil cascaded gracefully from a white satin flower and she carried golden-roses on a white Bible.

wore a frock of embossed or orange and white with white accessories.

Claudia Swanson, Wakefield, and Shirley Herms, Lincoln, arranged gifts for the reception at the church parlors following the ceremony. Mr. and Mrs. Donald Paulsen, Wakefield, greeted the guests and Mrs. Millard Kay served as dining room hostess.

Mrs. Joe-Fredrickson, Spencer, and Mrs. Vernon Karlberg, Emerson, cut and served the cake and Mrs. Herman Oelken, Wayne, poured. Mrs. Donald Puls, Wakefield, served punch. Waitresses were Kathy Puls,

Loann Barge and Lori Paulsen, all of Wakefield.

The couple took a wedding trip to the Black Hills and are now at home at 1601 E. St., Lincoln.

The bride is a 1969 graduate of Wakefield High School and a 1970 graduate of Lincoln School of Commerce. She is employed by Woodmen Accident and Life. The bridegroom, a 1967 graduate of Spencer High School, graduated in 1971 from the University of Nebraska and is employed by the USDA in area soil conservation office, Lincoln, as a soil scientist.

Allen's Last-minute Interception Spoils Homecoming Fun at Winside

Allen's Duane Mitchell saved off Winside's attempted come from behind victory Friday night with a flying interception at Allen's one-yard line, as the

Eagles posted a win in their first game of the season, 20-13. The Wildcats had the ball on Allen's 10 yard line with a first and goal situation. With the clock running at 2:08, Quarterback Scott Deck opened the air

lanes only to have his first pass missed.

On the second down, the 140 pound senior again went to the air, but this time Allen was ready as Mitchell leaped to snag

play over the middle. The two point PAT was good, giving the Wildcat team incentive to come from behind in an all out attempt to win their Homecoming game.

The Wildcats caught fire in the fourth and with the aid of two penalties put the score at 13-8.

But the Eagles weren't going to let Winside completely dominate the game. The Allen 11 shot back three minutes later to add their six points to make the score 20-8.

Tailback Tim Hill took the ball on Winside's 27 yard line and started running around the right end when he noticed Winside was ready to meet him. A quick change of pace found the swift 170 pound junior on the left end, running for the goal line. The PAT failed.

The see saw battle wasn't to end here.

Winside gathered its own steam after an exchange of downs. To mount another drive four plays later the Wildcats' Deck hurried a 50 yard touch down pass to End LaRue Langenberg for six more points.

With 2:08 left in the game, the score was 20-14.

Both clubs seemed to be ready for Winside's on-side kick but the alert Wildcat club jumped on the reflected hit off an Allen player to give the home team the ball on the 40 yard line. Coming off the pile was defensive workhorse Krueger.

Deck wasted no time in putting the ball into the air. Two plays and 30 yards later, a catch by Langenberg put the ball on the 10.

But Allen closed the door with Mitchell's interception.

Two Farm Youths To Travel Abroad

Single young people ages 20-30 have an opportunity to spend six months in another country learning their customs and promoting international understanding through the International Farm Youth Exchange (IFYE) program, according to Dr. John D. Orr, associate state 4-H leader, University of Nebraska-Lincoln.

This year, two scholarships are available for selected delegates from Nebraska. The awards are provided by the University of Nebraska 4-H Club and the Nebraska Rural-Urban Youth organization.

Applications available in the State 4-H office, NU East Campus at Lincoln, are due in that office by Oct. 1.

The IFYE program is conducted by the Cooperative Extension Service and the National 4-H Club Foundation.

Laurel's First-Period Touchdown Nips Neligh

Laurel scored midway in the first period and then the Bears and Neligh kept the action within the 30 yard strips most of the game as Coach Bob Olsen's team racked up an 8-0 victory Friday night at home.

It was the second win of the season for the Bears, both of them counting in the Northeast Nebraska Conference standings. Monty Jensen shook loose for a 30 yard touchdown jaunt with the first period half over and then Keith Olsen passed to Chuck Hirschman for the two point conversion.

The offense of both clubs stalled after that. The only other serious scoring threat was a 50 yard field goal by the Laurel 10 just before the end of the first half before bogging down and losing the ball on downs.

Coach Olsen, who was not at all satisfied with his team's offensive showing, said his club never penetrated past the foe's 30 in the second half.

Defensively, it was another story. Laurel choked off the Neligh drives by giving up only 51 yards, 73 of those on the ground and 28 in the air. Laurel, meanwhile, was able to rack up 195 yards, all but 17 of that figure in a ground attack.

Larry Wiebelhaus, a 175-pound senior middle guard, headed the tackle chart with a total of 22 stops and assists. Dan Vanderhuden was next with a dozen.

Offensively, Jensen and Dave Duediker combined for 129 of the Bears' yards. Jensen with 66 and Duediker with 63.

Laurel had to punt five times and got off a total of 165 yards on those boops, plus having one blocked. Neligh averaged slight-

ly less than 27 yards per kick. Three for 80 yards.

Laurel will go after win No. 3 in the league and for the season next Friday night at Pierce, a team that whipped Neligh in the season opener last week.

Quarterback Marty Hanson, who scored the Wayne Blue Devils' first touchdown of the season last week against Madison, got the last score of the night against Wisner-Pilger Friday night. He is shown here on a 17-yard

end sweep on the first play of the second quarter. Dan Hansen (18) and Randy Nelson (15) form a pocket for Marty and Shane Giese (24), the top corner of the night is ready for a pass should Hansen be trapped.

Blue Devils Shut Out Wisner-Pilger But Offensive Unit Spits, Sputters

By Claire Hurlbert

It doesn't sound feasible that a football team that chalks up 336 yards needs any drilling on offense, but it is highly likely that Wayne High Coach Al Hanson will be putting his offensive unit through the paces in ball handling and play execution in the next few days.

The Blue Devils registered a 20-0 victory over Wisner-Pilger on the Wayne State College football field Friday night, the second triumph of the year and the 13th in a row extending over three seasons but, except for an excellent defensive showing throughout, most of the reasons to cheer were packed into the first quarter of action.

Wayne scored two of its three touchdowns in the first period and added a third six minutes on the opening play of the second stanza, then went sluggish on offense.

The ball, made slippery by an evening dew, was partially to blame for both clubs in handling it like a hot potato. There was turnover after turnover, Wayne losing possession of the ball five times and Wisner-Pilger, three. Both clubs were intercepted twice and the Blue Devils lost three of five fumbles. The

Gators gave up possession only once on a fumble.

Various types of penalties resulted in a total of 195 yards marked off for infractions. Wayne was whittled down for 130 yards of those penalties and Wisner-Pilger exactly half that amount.

The defensive unit came in for some due praise from the coaching staff. Wisner-Pilger completed six of 14 passes for 55 yards in losses in its ground game to wind up with a net of minus nine yards, compared to Wayne's 336.

One more astounding win in the fact that of the five first downs registered by the Gators, four came by way of penalties.

The only "earned" first down was on a 15-yard pass from Quarterback Randy Bellar to End Tim McMaster early in the second quarter.

Heading up the defensive crew were three stalwarts with 15 tackles, no more. Larry Shupe with 10, Chris Brockman with 18 and Mike Dunkley with 15.

Shane Giese headed the Blue Devil ground gamblers, with his 108 yard performance. Tom Kerstine had 63 and Marty Hanson, 50.

It appeared at the outset that Wayne was picking up where it left off during a 48-6 romp past Madison in last week's season debut.

Giese nearly broke loose on the initial play of the game, scooting 23 yards around end Kerstine followed with a 19 yard advance and then drew the assignment on the next two plays that put the ball six yards closer to Wisner-Pilger's 31, but two penalties doused cold water on the locals at that point and a fourth down pass from Hansen to Bill Schwartz was short a yard of a first down.

Three plays—and a punt later, the Blue Devils got another crack at it. With the ball at the Wayne 46, Hansen and Kerstine each had six yards and then Giese skirted his left end for 47 yards and a touchdown.

John Thavon, soccer style kicker from Thailand, booted the ball through the uprights on the PAT and, with 5:38 left in the first quarter it was 7-0.

The two teams traded fumbles, deep in Wayne territory, but the Blue Devils were the second recipients and immediately drew a blood again.

This time it was on a perfectly executed pass play. Hansen

Blue Devil Frosh Shut Out Pierce

The Wayne High Freshman opened up the season on a winning note, shutting out visiting Pierce, 16-0, Thursday afternoon.

Rich Workman went 45 yards on a crossback in the opening quarter to give Wayne a 6-0 lead and Larry Creighton blocked a Pierce punt and fackled the Pierce player who recovered the ball in the end zone for another two points to give the local frosh an 8-0 halftime pad.

Creighton scored the second TD of the game in the fourth with a plunge from the two and Paul Malotte hit Dave Hix with a pass for the two point conversion.

Don Johnson said his club had only 125 total offensive yards, with Workman credited with 55 of those yards in six carries.

The yearlings' coach cited Doug Straight as the defensive leader with 12 tackles, followed by Brian Frebert and Rod Kuhnhen with 10 each and Creighton and Workman with nine apiece.

The Wayne Hi first-year players will travel to Laurel for a game next Thursday.

Second Guessers Elect Gutshall

Dale Gutshall was elected new president of Second Guessers' Club Thursday noon, succeeding Rowan Wittse, who served as the club's president the past year.

During the one-hour luncheon, the Wayne State College boosters outlined Band Day at the college, that will host about 1,500 bandmen from around the area.

A parade was scheduled for 10:30 p.m. in the downtown area with pre game activities set for 1:30 p.m. at WSC Stadium.

In a look at the Kansas State Teachers College at Emporia, Wayne game, the coaches told the group that the Emporia club would be tough.

Athletic Director LeRoy Simpson added that the game will feature some head knocking, after Wayne's loss to University of Nebraska at Omaha, 40-0, last Saturday.

Simpson, along with Assistant Coach Gary Rosso and Offensive Line Coach Roger Bentley, outlined the Emporia team as a strong running team with a wishbone offensive and a tough defense.

Coach Rosso, in scouting the Emporia Arkansas Tech game last week, noted that Arkansas

Tech won the hard-fought game on a field goal with 30 seconds left in the game.

"Both teams ran out the wishbone," he said, "with Emporia passing only seven times during the contest."

Coach Bentley, in reviewing Wayne's last game, said that plenty of freshmen played, getting in a lot of experience. "We'll probably be using some of the men this week."

UNO he continued, is a strong team, probably the best in the past three years. Coach Bentley pointed out that they were good, quick, had size and were well coached.

In a further look at the Wildcat squad, the coaches cited that the team is a little green but can show promise.

Emporia is a solid club, much like Omaha. During last Saturday's game, Emporia made no major mistakes, he added.

Coach Bentley said that the quarterback spot still remains a question with Dave Miller, Rick Benedetto and newcomer Tim Denham all vying for the head job.

Denham, he continued, is better at the I-back position but may see action as quarterback.

Teams 19, 22 To Meet For Golf Playoff Title

Team 19 will play Team 22 Wednesday afternoon for the playoff championship in the Wednesday Night Golf League at the Wayne Country Club after surviving two opening-round matches.

Team 21 will take on Team 33 for consolation honors, the two

having lost semi-final matches.

All four are in the Hackers division of the men's golf league, with the Duffers teams all having lost out in first-round play.

Team 22 had barely missed elimination in the preliminary action by defeating Team 33 on the first hole of a sudden-death playoff. That match, scheduled for Wednesday, Sept. 6, had been postponed until Saturday, Sept. 9.

Then Team 22 knocked Team 33 out of title contention with a 2-1 to 1-1 victory last Wednesday. Team 19 grabbed the other championship bracket berth with a sudden-death victory over Team 21 on the first extra hole.

Top scores in the semi-finals of the playoff were registered by Gary Erickson (38) and Ron Jones (40) in A, Rex Wilcox (41) and Lyle Garvin (42) in B, Lee Tietgen (45) in C and Harlan Farrans (46) and Red Carr (52) in D.

Last year's Second Guessers' President Rowan Wittse (left) congratulates Dale Gutshall on being elected the 1972 president of the Wayne State boosters' club.

Wakefield Defensive Unit Shines in Shutout

The Wakefield Trojans, off to a 2-0 season, their best start in more than 10 years, handed Coach John Torcion his second straight shutout of the year, a 37-0 whitewash of Emerson Hubbard Friday night at Emerson.

Emerson could manage only 11 yards total offense against a Trojan defense that last week held Wisner-Pilger to 79 yards total offense.

The Trojan offense slashed through the Pirate defense for 12 first downs and amassed 34 yards rushing and 102 yards passing for a total yardage of 136. Emerson registered only

one first down with 15 yards rushing and 63 passing for total yardage of 56.

The game started on schedule and with 2:50 gone in the first quarter there was a power failure, and the game was delayed for over two hours before play was resumed. Coach Torcion must have said the right thing during the two hours as the Trojans came out aroused.

After a Wakefield punt put Emerson at their goal line in the first exchange, Chuck Lingstrom fackled Dale Belt, Pirate quarterback, in the end zone for safety. And an early-Trojan lead

of 2-0. After the kick-off, Steve Sorenson carried 14 yards to the Trojan 37 yard line. Kirk Gardner then added 11 more to put the ball on the Trojan 48. A holding penalty on Wakefield put the ball back on the 33, but Gardner went to work again and slashed for 14 yards and Doug Soderberg hit Bob Twite for another 24 yards. And the Trojans were knocking at the Emerson-Hubbard 25-yard line. Four plays later, Soderberg passed five yards to Larry Siebrandt for the touchdown. Bob Twite kicked the extra point and the Trojan lead amounted to 9-0.

On the next series, Randy Hallstrom intercepted to give the Trojans the ball deep in Emerson territory. The Trojans drove the ball to the 10-yard line but fumbled. Emerson, however, could not move the ball and the snap from center on the punt sailed out of the end zone for

another safety and the Trojans lead, 11-0, at the end of the first quarter.

The second quarter was scoreless and both teams were unable to move the ball.

In the third quarter, the Trojans kicked off and forced the Pirates to punt. The punt rolled dead at the Trojan 49 yard line and Gardner went to work. On the Trojans' first play of the second half, all conference fullback, bolted his way 51 yards through the stunned Pirate defense for a touchdown. Bob Twite's extra point was good and the score stood 18-0, Wakefield.

The Trojans kicked off and again Emerson-Hubbard could not move the ball. The Pirates punted to the Wakefield 36-yard line. Bob Twite slammed for 13 yards but Soderberg was dumped for a nine-yard loss attempting to pass. On third and 16, Soderberg hit Gardner for a 58-yard bomb that carried to the Emerson-Hubbard 12-yard line. On the next play Steve Sorenson cracked over for the TD. The extra point by Twite was good and the Trojan lead soared to 25-0.

In the fourth quarter, after Emerson-Hubbard forced a Trojan punt, Steve Kay intercepted a Pirate pass at the Emerson 26-yard line and raced 26 yards for the final Trojan score. Bob Twite's fourth extra point split the 37-0 lead. The game ended with the Trojans on top by 37-0.

Gardner led all rushers with 108 yards in 11 attempts and added 71 yards on two receptions for a total contribution of 179 yards. Twite added 56 yards rushing in 10 attempts and 24 yards on one pass reception. The leading rusher for Emerson-Hubbard was Rod Hassler, who collected 31 yards in 11 carries.

Doug Soderberg was five for 10 in the passing department good for 107 yards and one touchdown. Dale Belt of Emerson-Hubbard was three for 12 for 36 yards with three interceptions.

Dave Scheel, Randy Hallstrom and Kay intercepted Pirate passes. Twite also added a fumble recovery to his interception that went for a touchdown.

Next week the Trojans will open their home season against Pender, which was upset last week by Tekamah Herald, 17-13, at Pender. It will be Dads Night and the Trojan Dads will be looking forward to a possible third straight win.

+++++

Cadet William Kline, son of Mr. and Mrs. Merwyn Kline of Route 1, Wakefield, completed summer training Aug. 27 at Camp Buckner on the reservation of the U. S. Military Academy, West Point, N. Y.

The seven week program was designed to acquaint the West Point third classmen (sophomores) with all equipment and weapons used at platoon and company level in Army combat and combat support units.

An equally important objective of the training was to develop leadership skills, accomplished by placing the command and administration of the cadet companies in the hands of the cadets themselves.

One week was spent at Ft. Knox, Ky., where cadets received armor training.

The 20-year-old cadet is a 1970 graduate of Wakefield High School.

Cadet William Kline of Wakefield operates a field radio during summer training at Camp Buckner, on the U. S. Military Academy Reservation, West Point, N. Y.

Title III Evaluation Encouraging

Mrs. Florence Schermer, who directs the masters' program, in learning disabilities at the College of St. Thomas, St. Paul, Minn., met last Monday and Tuesday with the staff of Project Success, now in its second year of federal funding in the Wayne-Carroll school district. Project Success for the SLD (specific learning ability) child is funded by Title III.

Mrs. Schermer will act as project evaluator this year. Her visit was the first of six that she will make during the current school year to give ongoing suggestions for improvement for the project which seeks to help children find success, children whose learning styles demand teaching techniques different from the ones generally used to teach reading, writing and spelling.

At the conclusion of her two-day conferences with the staff, Mrs. Schermer commented: "The Wayne-Carroll district has

a well planned and well executed program for meeting the needs of children in the Title III project. The staff implementing the program have demonstrated a great deal of expertise in the areas of language development, motor perception, and curriculum modification. Richard Metteer, project director, has administered the program in such a way as to facilitate the operation of the program for individualizing instruction.

As an evaluator for the project," Mrs. Schermer added, "it appears to me that students in the program are being provided with the opportunity to learn in ways that are appropriate to their needs. Through planning, programming, and individualizing instruction, students will be provided the opportunity to be successful in their learning experiences."

Mrs. Schermer concluded, "The primary objective of educational programs is to provide

experiences for children to learn. Through this project I see the right and opportunity being provided to all children."

Attending the Board of Education meeting on Monday evening, Mrs. Schermer spoke briefly on her impressions of the project. "Very often," she said, "I have read project descriptions which looked good on paper, but I found them very disappointing when I visited them. It is therefore gratifying to come to Wayne and find such a promising project." Mrs. Schermer mentioned that she was already familiar with the project, for she had used Project Success materials in a learning disability class she directed at the University of Minnesota this past summer. She complimented the board on being a forward-looking group, saying that the Wayne-Carroll school system was more advanced in its knowledge and programming for specific learning disabilities than many metropolitan areas.

Project Success consists of three instructional components: (1) language arts instruction; (2) motor perception; and (3) curriculum modification with a fourth component, parent demonstration workshops, to help parents better understand the needs of their children and to foster closer parent-teacher relationships to build the success factor into children's lives. This year the curriculum modification support will be extended into the Middle School.

The Community Council, an important working and policy group of the project, will hold its first meeting the latter part of September and parent workshops will get under way in October.

Library Adds Books

"Luce and His Empire," written by W. A. Swanberg, is one of the new books recently acquired by the Wayne Public Library.

The biography pertains to the success and influence of Henry R. Luce, the premier journalist of the 20th century.

The child of American missionaries in China, a man obsessed by God, Luce became a millionaire at age 30 and used his innovative journalistic genius to create a enormous political power.

Swanberg recounts in fascinating detail the career of Luce and the impact of Time Inc. Here, for the first time, is the full record of Luce's propagandist crusades.

The book is alive with vivid portraits of the men and women close to Luce, but most important of all, it portrays and assesses an extraordinarily elusive man — called by Winston Churchill one of the most powerful men in America.

Based on exhaustive research and many interviews, "Luce and His Empire" is an absorbing book, the major achievement of one of the foremost living biographers.

Other new books available at the library:

Non-Fiction
"Only One Earth," Ward.

"The Right to Vote," Severn.
"Memo from David O. Selnick," Behmer.
"Facts, Frauds and Phantasms," McHargue.
"American Youth in a Changing Culture," McClellan.
"Storytelling with the Flannel Board," Anderson.
"Farm Journal Christmas Idea Book."
"The Peter Prescription," Peter.
"New Latin Dictionary," Cassell's.
"Trees," Underwood.
"Creating with Beads," La Croix.
"The Child Seducers," Steinbacher.

Biographies
"Eleanor: The Years Alone," Lash.
"Captain Cook," Maclean.
"Every Inch a Lady," Little, Beatrice.

Fiction
"Goldenrod," Harker.
"The Levanter," Ambler.
"Montezuma's Revenge," Harrison.
"The Pritchard Mass," Dickson.
"Dopey Dan," Bickham.
"The Flowering," Turnbull.
"The Innocents," Sharp.
"The Optimist's Daughter," Welly.

Izaak Walton To Promote National Day

Wayne's Izaak Walton League will sponsor an open house in conjunction with the national Hunting and Fishing Day Sept. 23 with a two-day event.

The league will open the area, located four miles north of Wayne on Highway 15 and two miles west for overnight camping.

Don Langston, in charge of the League Committee, said there may be displays on rocks and assorted nature materials from the local schools.

Persons interested in further information may contact Langston or Earl Beeks.

In recognition of the national day, Wayne Mayor Kent Hall proclaimed Sept. 23 as Wayne's Hunting and Fishing Day and that this day "be an annual observance" on fourth Saturday of each September.

Two Parked Vehicles Hit

A report of a stolen bicycle and two parked cars being hit were among the police docket items the past few days.

A car, driven by John D. Metz, 918 Main, struck a parked car owned by Terry and Edith Jones of West Point Thursday near Third and Lincoln.

The accident, according to the report, occurred about 4:50 p.m. when Metz was turning left on Third and hit the left front fender of the Zeng vehicle.

Friday, at 10 p.m. in the 300 block of Main, a car, driven by Michael Weller of Hopkinton,

hit the rear end of a car driven by Charles Collins of Byfle, which was stopped in a traffic lane, waiting for the light to change.

Dan Beeks of 415 W. Eighth reported the theft of a bike stolen from Middle School about 9:09 p.m. Friday.

Student Financial Aid Group To Meet

Wayne State College, is a member of the Nebraska Association of Student Financial Aid Administrators (NASFAA), which will hold its fall meeting in Omaha, Sept. 29.

The meeting will be preceded on Thursday by a workshop sponsored by the Kansas City regional office of the U.S. Office of Education, according to Harold Noll, director of financial aid at Midland College and president of NASFAA.

The workshop will be concerned with the provisions of the 1972 higher education amendments and the procedures for making application for federal programs of student financial aid for fiscal year 1974.

Other items on the NASFAA agenda include a business meeting and an executive committee meeting.

Advisory Post To Supt. Haun

Wayne State College's School of Education has enlisted eight Nebraska school administrators to serve on an advisory council, Dr. Arthur Dugan, dean of the school, said the council will meet for the first time Monday, Sept. 25, at Wayne and may convene again a time or two in the year ahead.

"Our purpose is to get the suggestions of school officials on

what they need in teachers and how Wayne State can meet those needs," Dr. Dugan said.

Members of the council are Rex Cadwallader, assistant superintendent at Bellevue; Francis Haun, Wayne-Carroll superintendent; Don Thompson, Crofton superintendent; Mrs. Aveline Heydlauff, principal of Lewis and Clark School, South Sioux City; Bob Adams, assistant superintendent, District 66, Omaha; Monty Allgood, administrative assistant, department of personnel for Omaha Schools; Roger Maxwell, Norfolk High School principal, and John Ernst, principal of Columbus North Elementary School.

YARC

(Continued from page 1)

greatest accomplishments occurred last summer when the YARC set up a day camp in Ponca.

"The YARC is a dynamic organization, steadily growing and improving," according to Jim Miller, WSC student who is YARC publicity chairman. "You can help support this organization by pledging a small amount per mile, usually five cents to a quarter, to any rider."

The group needs volunteer riders, pickups, vans or trucks for the bikes-and-riders-not-able to make the entire 50 miles and people who can volunteer their time on September 23.

HOSKINS . . . Missionary Society Elects New Officers

Mrs. Hans Aasmus
Phone 565-4412

About 20 ladies attended the first meeting of the Lutheran Women's Missionary Society Tuesday night, in the Parochial school basement. Pastor Domson opened the meeting with devotions, followed by a slide presentation of the aims and purposes of the Lutheran Women's Society.

The national L.W.M.S. is an organization which includes women from 500 Wisconsin Synod Lutheran congregations. It supports such non-budgeting projects as printing Christian literature in braille and supporting radio church services.

The business meeting was conducted by Mrs. Ronald Schmidt. Election of officers was held with the following results: Mrs. Otto Wanloch, president; Mrs. Orville Broeckmeier, secretary-treasurer. The organization will meet quarterly, at which times the money from the Mission boxes will be collected and the Topic booklet studied under the leadership of volunteers.

The collection from the mission boxes of the ladies present amounted to \$64.70. Ladies who were not present may give their money to Mrs. Orville Broeckmeier by Oct. 10. The first circuit rally in Stanton will be held Oct. 18th.

The meeting closed with prayer and refreshments were served.

Next meeting will be Oct. 12.

—Mrs. Johnson Hosts—
Members of the 20th Century Extension Club met Tuesday afternoon in the Donald Johnson home. Roll call was lesson ideas.

Plans were made for achievement day to be held Oct. 6 at Winside. They will visit the Norfolk Convalescent home Sept. 26th.

Election of officers was held with these results: Mrs. Alvin Wagner, president; Mrs. Don Johnson, vice-president; Mrs. Bill Wilbers, secretary-treasurer; Mrs. Marvin Grothe, news reporter. The lesson on candle making was given by Mrs. Donald Johnson.

The Oct. 10 meeting will be in the Charles Ott home.

—Youth Fellowship—
Nine members of the Youth Foundation Fellowship met Sunday evening in the Peace basement. Mr. and Mrs. Dallas Puls, sponsors, were also present.

Plans were made for a hard luck party which was to be held Sept. 17.

Mrs. Dallas Puls and Rennee Puls were entertainment chairmen. Linda Walker served refreshments.

Marilyn Strafe, news reporter.

—Officers Elected—

While members of the Hoskins Homemakers extension club met Tuesday afternoon in the Fred Brumels home. Mrs. Norris Langenberg was a guest. Roll call was held where each member spent their vacation.

Election of officers was held: Mrs. Louis Bendin, president; Mrs. E. C. Fenske, vice-president; Mrs. Kathryn Rieck, secretary-treasurer.

The hostesses' favorite song, "America, the Beautiful" was sung. Mrs. Louis Bendin, music leader, read an article on Saint Vincent's Home. Reading leader, Mrs. Awall Walker read, "Project embrace." Health leader, Mrs. E. C. Fenske read an article on "New laws on blood transfusions."

Plans were made to visit the Pierce Manor Monday at 2 p.m. The lesson, "Home, Castle, Cave" was given by Mrs. Kathryn Rieck.

Mrs. Brumels, assisted by her daughter, Mrs. Norris Langenberg served lunch.

The Oct. 10th meeting will be in the Edwin Meierhenry home.

Pierce, Walter Koehler of Osmond and Mrs. Meta Pingel were Saturday overnight guests in the Harry Pingel home, Aurelia, Ia. Sunday they visited Mrs. Ann Roggaw and Henry Pingel at Cherokee, Ia.

Club Meets Thursday

T and C Club members met Thursday with Mrs. Jim Hansen. Eight members and a guest, Mrs. Paul Baier, were present. Mrs. Charles Nichols and Mrs. Frank Gilbert were prizes winners.

September 29 meeting will be at 2 p.m. with Mrs. Willard Blecke.

25 at Luncheon

Twenty five were at the Country Club Tuesday for the bridge luncheon. Winners at cards were Edith Wightman, Connie Decker and Leila Maynard. Hostesses were Mrs. Marvin Dunklau and Mrs. Harold Ingalls.

Next luncheon will be Tuesday with board members to be hosts.
