Council Moves to Annex Property East of Wayne

City officials took steps Tuesday night to annex property on the east edge of Wayne. City council members voted 8-0 to draw up the papers necessary for annexing the property south of Highway 35 from near Valley Drive east and south to the railroad tracks. The land includes the piece where the new Pizza Hut is being constructed and another piece of land where a private home is located. During their regular meeting, which lasted only an hour and a half, councilmen also learned of an offer from Wayne Industries, Inc. to sell approximately 50 acres of land to the city for \$32,000.

The offer, contained in a letter to the council from Wayne Industries president Robert Merchant, involves land east of the city which the industrial group has been attempting to develop in recent years. Councilmen will take up the offer at their next meeting after having city officials obtain information about options which have been picked up by industrial prospects and other information.

Mayor Kent Hall noted during discussion of the offer that cities often are in a better position to develop land for industrial use than are private organizations because of federal grants which are available. Fred Brink, attending his first council meeting since taking over as the new city administrator the first of this month, noted that another city received a large federal grant to help with industrial development. Councilmen also: —Learned the city this week received a \$14,070 check from the federal government as the latest quarterly payment of federal revenue sharing funds.

—Learned the city has received a check for \$965 from Peoples Natural Gas Co. in Wayne as the city's refund on winter service gas it purchased last winter. —Agreed to draw up necessary papers for purchasing a piece of land in the south part of the city from councilman Vernon Russell. The vote was 7-0, with Russell abstaining. —Voted 8-0 to approve paying expenses for police chief Robert Evers and detective sergeant Ron Penlerick to attend a week-long school on sex crimes at Papillion Oct. 29 Nov. 2. —Agreed 7-1 (Beeks voting no) to pass a resolution requiring installation of sidewalks on See COUNCIL, page 6.

Parade Is Planned For Veteran's Day

Wayne veterans organizations have announced that plans are underway for the annual Veteran's Day parade, to be held at 2 p.m. Sunday, Nov. 11. Members of the VFW post American Legion post World War I Barracks, women's auxiliaries and Boy and Girl Scouts will march in the parade. A social hour for members and guests, will follow the parade at the Vets club, and a covered dish luncheon is scheduled for 4 p.m.

At the time of his appointment as action president, Seymour had declared that he was a candidate for the regular position of president. The board action was in reply to a request from the search committee at Wayne State. This committee was appointed by the Governing Board to conduct a search for a new WSC president. The committee is comprised of Wayne State students, faculty and administrators. Wayne State alumni and area citizens. Their request to the board for Seymour's consideration was in reply to a petition signed by college faculty and other employees asking for that Seymour be considered.

In a letter to Dr. Ed Elliott, chairman of the search committee, Robert Walker, president of the college Governing Board said in part, "...in light of the faculty members' petition and the Search committee's letter of request, the Board gave due consideration to this issue at its regular Board meeting in Kearney, October 5. "You are hereby advised that the Board of Trustees duly passed a resolution authorizing Dr. Lyle Seymour to be a candidate for the presidency of Wayne State College."

Dr. Seymour Candidate For WS Post

Board of Trustees of the Nebraska State Colleges voted unanimously last week to allow Dr. Lyle Seymour to become a candidate for the position of president of Wayne State.

Seymour is currently serving as acting president of the college. He assumed that post last spring upon the resignation of Dr. W.A. Brandenburg, who had served as Wayne State president for 17 years. Brandenburg had requested and received an assignment to a teaching post in the Wayne State history department.

At the time of his appointment as action president, Seymour had declared that he was a candidate for the regular position of president. The board action was in reply to a request from the search committee at Wayne State. This committee was appointed by the Governing Board to conduct a search for a new WSC president. The committee is comprised of Wayne State students, faculty and administrators. Wayne State alumni and area citizens. JOHN HOCHSTEIN

Local Man Wins \$50 In 'Bucks'

Latest winner in Wayne's weekly Birthday Bucks promotion is a local man, John Hochstein.

Hochstein picked up \$50 in Birthday Bucks coupons by being the consolation winner in last week's giveaway. He was in Sav Mor Drug when the winning date in the contest was announced last Thursday night, and it turned out that he was the shopper with the birthday closest to the date.

He will be able to spend the coupons just like cash in any of the numerous stores and firms taking part in the promotion. Up for grabs tonight (Thursday) is the \$300 grand prize, offered to any and all shoppers See 'BUCKS,' page 6.

Fire Department Holding An Open House Tonight

To mark National Fire Prevention Week (Oct. 7-13), Wayne volunteer firemen and the firemen's auxiliary will hold open house at the fire station from 7 to 10 this evening (Thursday).

Refreshments will be served and a door prize will be awarded. The public is invited to attend and see the safety equipment provided by the taxpayer's money, said fireman Gary Stegner.

Among the equipment to be on display will be Rescue Annie and a new addition, Anatomic Anne, which are used for practice in mouth-to-mouth resuscitation and external cardiac compression. Auxiliary members will have on display the entries in their children's fire prevention poster contest. Winning entries will have been chosen by that time.

Plans for the open house were completed at the department's monthly meeting last week. Also at that meeting, Bill Kugler distributed copies of an article about a chokesaver, which the department decided to order.

The chokesaver is a large, curved plastic tweezer, invented some years ago by Dr. William Eller of Fort Lauderdale, Fla., to retrieve particles of food from the throats of food inhalation victims. It has been reported by the National Safety Council of America that an estimated 2500 Americans choke to death on food each year, making food inhalation the sixth leading cause of accidental deaths.

The addition would include a garage, interrogation area and office space for the county sheriff and city police, according to county officials. It would permit the county to take advantage of the 24-hour surveillance provided by the local police department. The county must pay for that round-the-clock surveillance when a prisoner is in the county jail.

Decision to seek federal funds to help finance the addition followed a comprehensive regional study of jail facilities conducted for the regional law enforcement commission. That study recommended the city and county jail facilities be combined so the 24-hour surveillance provided by the city could be taken advantage of by the county.

Bible Institute Offers 8 Four-Week Courses

Churches in the Wayne Circuit of the Missouri Synod are holding their annual Bible Institute at St. John's Lutheran Church in Wakefield, from 7 to 9:30 p.m. the Sundays of Oct. 14, 21, 28 and Nov. 4.

The institute, for any interested persons, will offer individuals a choice of two course topics to pursue from a list of eight. The sessions will get underway with a half-hour of hymn singing, led by a layman, and will conclude with a coffee hour at 9:30 p.m.

Three different courses will be offered during the first hour. "Job, a Look at Pain," is to be taught by the Rev. Donald E. Meyer of St. John's Church, Wakefield. This course will explore such questions as "What is the meaning of suffering in human lives?" and "Why does God permit pain?"

The study of "Psalms," the songbook and prayerbook of the Bible, will be conducted by the Rev. John Upton of Grace Lutheran Church in Wayne. Various types of psalms — messianic, penitential, imprecatory and praise — will be discussed.

The course on chapters two through five of the book of James will be taught by the Rev. E. A. Binger of St. Paul's Lutheran Church in Wakefield. A choice of five courses will be offered for the second hour-long period of the nightly meetings. The Rev. Floyd Possel from Trinity Lutheran Church at Martinsburg will teach a course on stewardship of resources entitled, "Waste Not, Want Not."

The Rev. Gerald Gottberg from St. Paul's Lutheran Church of Winside, will conduct a study on "The Charismatic Movement," involving speaking in tongues, baptism of the Holy Spirit, prayer meetings and faith healing. "Contemporary Issues in the Church," to be taught by the Rev. Henry Niermann from Immanuel Lutheran Church of Laurel, will focus on current

to wed

Making plans for an Oct. 25 wedding at First United Methodist Church are Patricia Emry, daughter of Mr. and Mrs. Arnold Emry, and David Anderson, son of Mr. and Mrs. Maurice Anderson, all of Wayne.

The engagement and approaching marriage have been announced by the bride-elect's parents. Miss Emry is a student at Wayne High School and her fiancé is a student at Wayne State College.

Aid Meet Held

Eight members and a guest, Mrs. E. Juergensen, attended the First Trinity Lutheran Ladies Aid meeting at the Altona church Oct. 3.

Pastor Juergensen led the topic and showed a film, "How Our Bible Came to Us, Part 1." Mrs. Charles Stelling spoke on Christian growth.

Members were reminded of the Oct. 10 fall rally at Concord. Women who wish to sew quilts for Lutheran World Relief are to meet at 9 a.m. Oct. 16 at the school.

Hostesses were Mrs. Val Damme and Mrs. Alvin Daum. Officers will be elected at the next meeting to be held Nov. 7 at 1:30 p.m.

an exercise in Christian self-expression, an attempt to get beyond passive reception of thoughts, feelings and images, including those in religion and church, will be taught by The Rev. Pastor Meyer.

Attendance at the sessions is expected to run about a hundred. Congregations in the Wayne Circuit are from Wayne, Winside, Laurel, Wakefield, Altona, Bancroft, Newcastle, Martinsburg, South Sioux City, and Carroll.

Next year's institute will be hosted by Grace Lutheran Church of Wayne.

Girls Stater Guest At Auxiliary

1973 Girls Stater Debbie Bodenstedt was present at the Monday evening meeting of the VFW Auxiliary to report on Girls State activities at Lincoln in June and to thank the group for sponsoring her.

Ten members attended the meeting which was held at the Vet's Club. The group decided to hold Poppy Day on Saturday, Nov. 10, and Amy Lindsey was chosen to find a local Poppy Girl.

The Armistice Day parade, social hour and covered dish luncheon to be held Sunday, Nov. 11, were discussed. Reports were heard on the department convention at Kearney, Sept. 29-30, which was attended by Helen Siefken and Eveline Thompson. The conference featured a school of instruction for auxiliary presidents, secretaries, treasurers and other interested members, banquet, dance and worship service in addition to the general sessions.

District IV convention reports were heard. Darlene Helgren, Marilyn Schultz, Helen Siefken, Eva Brockman and Eveline Thompson had attended the meeting at Creighton.

Lunch was served at the Monday meeting by Cindi Juergensen, Helen Sommerfeld, Marilyn Schultz, Darlene Prince and Dorothy Hughes.

Angelo Lo Vallo To Speak Friday

The Rev. Angelo Lo Vallo, a representative of Christ's Mission, Inc., at Hackensack, N. J., will be speaking at the Laurel city auditorium at 8 p.m. this Friday.

The meeting, which is sponsored by the Northeast Nebraska Christian Men's Fellowship for their family night, is open to the public.

The mission is a refuge devoted to helping former Roman Catholic clerics. It is a center for protestant Catholic information and publishes the Christian Heritage magazine, dealing with theological questions from scholarly, evangelical and popular viewpoints.

19 at Meeting

The Friday afternoon meeting of the OES Kensington was attended by 19 members and a guest. Mrs. Clara Kessler.

Mrs. Meiba Wait was named to the nominating committee. Mrs. Faye Fleetwood read several articles.

Hostesses were Mrs. Norma Dinkinger, Mrs. Festa Thiel and Mrs. Phyllis Cauwe. Next meeting will be Nov. 2 at 2 p.m.

Rural Students Entertain

Special guests at the Sept. 26 meeting of St. Paul's LCW were rural school pupils of Mrs. Harry Leseberg, who entertained with musical selections. The program, which was arranged by Ruth Circle members, also included a short skit, "Great Expectations," presented by Mrs. Donald Nau and Mrs. Morris Anderson.

Thirty members were present for the meeting. Mrs. Laura

Dion presented devotions and Mary Martinson reported on the district convention she had attended at Midland in August.

New officers elected by the society are Mrs. LeRoy Johnson, president; Mrs. Merrill Baier, vice president; Mrs. Alvin Willers, secretary; Mrs. Nau, treasurer; Mrs. Dion, outreach and fellowship chairman; Mrs. William Cavner, faith and life chairman; Mrs. Arnold Reeg,

Christian action chairman. Group III, with Mrs. Baier and Mrs. Dick Longe in charge, served.

Correction...

In a recent Wayne Herald article concerning honors received by the Wayne State College Pi Omega Pi honorary, it was noted that Patricia Rhoades is faculty sponsor. Dr. O. J. Owens is also a sponsor and Jack E. Johnson was sponsor last year.

About 90 women turned out for the annual event. Registration was by the Town and Country Extension Club of Carroll. Twentieth Century Club members from Norfolk were in charge of the tea table.

Program chairman Mrs. Alvin Wagner of Hoskins was assisted by Mrs. Ron Lange, Mrs. William Thoendel, Mrs. Louis Bendin and Mrs. Verle Gunter, all of Hoskins, and Mrs. Leo Hansen of Wayne.

On the serving committee were the Monday Mrs. and Sunshine clubs of Wayne and Scattered Neighbors of Winside. A Teen Club members of Hoskins served coffee. On the food committee were the Farm Fans, Highlands, Working Women and

Hoskins Homemakers, all of Hoskins; Monday Night Mrs., Live and Learn, Happy Homemakers, Sunshine, Klick and Klaffer, Three M's and Merry

Mrs. Phelps Hostess

Mrs. George Phelps was hostess Oct. 2 to Pla-Mor Bridge Club members. Guests were Mrs. Jay Liska and Mrs. Martha Bartels, and prizes at cards were won by Mrs. Everett Roberts and Mrs. Erma Utecht. Mrs. Bartels will host the Oct. 16 meeting at 8 p.m.

Mixers, all of Wayne; Serve-All of Wakefield and Star and Hillcrest of Carroll. Hoskins Homemakers Club members were on the clean-up committee.

Corsages were presented to home extension agent Myrtle Anderson, publicity chairman Mrs. Alvin Wagner, outgoing county chairman Mrs. Leo Hansen and new county chairman Mrs. Robert Porter who will take over the first of July.

Proceeds from the silver tea will be given for work with retarded.

Open House

The children of Mr. and Mrs. Gerald Becker of Norfolk, David, Linda, Shannon and Todd, invite all friends and relatives to have cake and coffee with their parents and grandparents from 2 to 4:30 p.m. Sunday, Oct. 21.

The 25th wedding anniversary open house will be held at Mount Olive Church in Norfolk. The couple requests no gifts.

Mrs. Becker is the former Bernita Roerber of Wayne.

New Kind of Fashion Show Proves To Be Rib-Tickler

Eighteen Laurel Tuesday Club members paraded their (or hubby's) professions and hobbies in a unique fashion show at the club's Oct. 2 meeting. Eighty members and guests turned out for the event which was held at the Laurel city auditorium.

Lois Potter at the piano provided appropriate background music for the forty-minute fun program. Emcee was Laurel Postmaster Rosemary Mintz who had dressed in a colorful cape of commemorative stamps for the evening.

Serving as models were mail clerk Wilma Broderson, who

was disguised as a first-class letter; bookworm Roberta Lute, who chose a long, slinky green costume, complete with five-foot tail and antenna; interior decorator Betty Finley, who wore cover-alls and carried tools and golf clubs; farmer's wife Mildred Christensen who appeared in a stunning gunny sack and a hat filled with farm and garden products; weight watcher instructor Phyllis Brunken who had accumulated several extra pounds for the show; homemaker Norma Ebmeier, who chose Carol Burnett's washerwoman role for the evening; news reporter Shirley Kramer in a newspaper hat and dress, carrying a paper bag, pad and pencils, and saddle club enthusiasts Thelma Hattig and Debbie Hartman, as the most fashionable horse in town.

Representing their husband's businesses and hobbies were carpenter's wife Karen Crookshank, the fumble-fingered carpenter; fireman's wife Arlys McCorkindale, darling in long red underwear and carrying a sprinkler can and water pistol; banker's wife, Floy McNabb, walking bank; mechanic's wife Sally Wichman who wore the latest in greasy cover-alls and sported tools and a cigar; welders' wives Lynette Jaslin and

Carol Hielman, in patched cover-alls, backwards hats and goggles to protect their eyes from the lighted sparklers they carried; milk trucker's wife Cheryl Asbra who wore — what else — a truck, co-op manager's wife LaVon Madsen in a Co-op uniform, carrying a truck tire, and AMPI manager's wife JoAnn Hgtrman who was stuning in a large brick chaise.

Following the show, the unusual models accepted two local bookings. They were scheduled to appear before the Laurel Chamber of Commerce meeting this week and will be at the Wagon Wheel Steak House in December to entertain the Laurel Senior Citizens.

Two new members, Mrs. Martha Holmes and Mrs. Vincent Sausser, were introduced during the club's business meeting, and reports were given by Mrs. Eleanor Thomas on the inter-county convention; by Sophia Johnson on the Dr. Hersey banquet and by Laurel Greeters chairman Mrs. Leona Bass. The GFWC sign report was given and a Chapel of Hope project discussed. The printing of Laurel brochures is under consideration.

Club president announced that the Laurel-Concord School open house would be held Oct. 24. The club will provide refreshments.

Members were urged to attend the District III convention in Norfolk Oct. 10.

Betty Finley, Winnifred Bass, Carol Hielman and Ethel Ebmeier, members supporting the Goals for Nebraska meeting held recently in Laurel, were recognized.

Luncheon hostesses were Ella Larson, Phyllis Brunken, Ethel Ebmeier, Pat Berg and Winnie Burns.

EOT Club Meets

Members of the EOT Club met Thursday in the home of Mrs. Ernest Sahn with 13 present. Mrs. Walter Jaeger and Mrs. Ron Sebade were guests.

New officers are Mrs. Lorna Loberg, president; Mrs. Janet Sievers, vice president; Mrs. Julie Grono, secretary, and Mrs. Doris Helli, treasurer.

Mrs. Otte from Pilger gave a craft demonstration and plans were made for an evening card party to be held Oct. 19 at 8 p.m. in the home of Mrs. Herman Thun.

R PRESCRIPTION NOW NEEDED FOR SOME VITAMINS!

As of the first of this month, a new regulation was put into effect regarding the sale of some vitamin products. Other rules might possibly be forthcoming. Specifically, new supplies of those products containing heavy concentrations of Vitamin A or D now must have a prescription.

This DOES NOT mean that you cannot buy products with Vitamin A or D. We carry formulations that have smaller quantities of those vitamins. But, it is important to realize that indiscriminate use of some vitamins can be harmful.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Cats' Claws Sharp Enough for 6-6 Tie; Coin Flip Could Decide Clark Champ

Winside High's football team is not noted for its passing game in the Lewis and Clark Conference. In fact, the Cats aerial game ranks about last among 12 teams.

But Friday, quarterback Doug Lage almost proved to the visiting Wausa club that Winside's offense is not only strong in rushing but can pass to boot.

Lage limbered up his arm in the last minutes of what was a battle for the Clark division lead at Winside and moved his team on passing plays from deep in Winside's territory to Wausa's 15-yard line before an interception stopped the Cats' winning momentum and halted the game at a 6-6 tie.

"I know we're not a passing team," head coach Doug Barclay admitted after the clash,

"but we had to do something to move the ball."

"Their defense wasn't so strong as to stop our running game," Barclay went on. "It's just that we made a lot of offensive mistakes on the ground that forced us to go to the air."

Lage, a senior, completed four of seven attempts for 76 yards, with most of that yardage coming in the last minutes of the game.

Winside's victory bell, brought out of seclusion just for this match, rang only once during the night. In the first quarter senior halfback Larry Weible popped across the goal line from five yards out to put the home team ahead, 6-0, with 5:46 left to play.

Winside had taken the ball on

the opening kickoff on their 47-yard line and 14 plays and two penalties later were in the lead. Kicker Mike Anderson's extra point try was blocked.

With 39 seconds left in that same stanza the Vikings struck back on a pass play from quarterback Tim Nelson to Jeff Erickson to tie the game at 6-6.

At that point the game took a sudden turnabout. Instead of kicking for the extra point, the Vikings decided to go for two against the league's No. one defensive unit.

Apparently, Wausa doesn't have a kicker, Barclay surmised.

But Wausa didn't score the two-point as the Cats' "Junk-Yard Dog" defense stopped the run at the three-yard line.

Prior to last Friday's clash,

Winside was No. one in rushing defense, second against the pass and first in total defense. But Wausa's total yardage may have changed that. The Vikings gained a total of 246 yards, 194 of them on the ground.

According to last week's league figures, Winside allowed only 88.3 yards a game on the ground while giving up 42 in the air. The passing defense almost stuck to the average as Wausa collected 52 yards on five of 13 attempts. In total yardage, though, Wausa nearly doubled what the Cats normally allow a game.

"Our defense didn't really look that bad," Barclay noted, "considering that we were playing one of the top rushing teams in the league."

The Viking's Doug Homquist, a stocky 5-7, 155-pounder, collected 97 yards in 25 carries to fall short of his No. one league average of 118.3 yards a game.

But another Wausa running back made dents in Winside's line. Junior Gene Barnes had 71 yards in eight totes.

"We did stop their offense when they got close to the goal line on three of four occasions," Barclay said. During most of those drives, though, the Vikings were assessed 15-yard penalties to halt the marches.

One key play for Winside came when sophomore Bob Hoffman picked off a Nelson pass near the seven-yard line to put an end to one of Wausa's drives. Another big play was Dwight Lienemann's pass-block in the second half.

In addition to Hoffman's interception, he led tacklers with 11 takedowns. Bob Hartman, Doug Lage and Dan Bowers had nine each. Lienemann and Steve Brummels dropped opponents a total of eight times each.

Greg Lage, substituting for Weible after he re-injured his leg, led Cat rushers with an 8.5-yard average in the six carries. Weible averaged 4.6 in nine runs.

Both Winside and Wausa have three more conference matches which will decide which team will represent the Clark division in the loop playoff game.

If Winside should get past Coleridge, Wynot and Osmond and Wausa beats its opponents, a flip of the coin will decide who will play in the L.C. playoffs in November.

This Friday will be Winside's father-son football game when players' fathers will be honored at the home match against Ponca. Following the game there will be a chili feed at the high school.

WINSIDE QUARTERBACK Doug Lage attracted a big crowd when he tried an end sweep in Friday's game against Wausa. The Cats drove 53 yards in 14 plays to take the lead, 6-0, in the first period.

Eagles Rock Homer During Homecoming

Three down and two to go. That's three Lewis and Clark teams Allen has disposed of in its half of the conference with two more to face before the Eagles can claim the Lewis division championship.

But last Friday's 25-16 win over Homer wasn't easy according to the coaching staff. Nor was it cheap.

After the Eagles scored their first touchdown in a 71-yard opening drive in four plays — using only 2:42 — leading receiver Charlie Peters was out of the game with a leg injury.

Charlie was going into the end zone to grab senior quarterback Scott Von Minden's 39-yard strike. But as soon as Peters scored, he fell to the ground.

"We don't know exactly what happened but we do hope he will be ready for Friday's homecoming match against Newcastle," a coaching staff member pointed out.

That L.C. game, plus the season finale with Walthill, are

the only two roadblocks keeping coach Charles Haag's club from taking the division.

The Eagles, now 3-0 in conference play and 3-2 overall, didn't have an easy time with the Knights. After the visitors scored the first touchdown — the extra point failed — Homer came back to drive 83 yards in seven plays with running back Kevin Beerman scampering 41 yards for the tying score. Homer's try for the two points was good, giving the home team an 8-6 lead.

"Homer's first drive made our defense look like soup," pointed out Neelyn "Butch" Isom, member of the coaching staff. "After they scored that touchdown, we thought it was going to be a long night."

With 5:20 left in the second period, Allen crossed the goal line to take command, 12-8. Senior Tim Hill, who had troubles gaining yardage in previous games, capped a 75-yard march with a three-yard run.

The PAT failed.

Hill totaled 83 yards for the night in 19 attempts and accounted for two touchdowns. The second one came on another three-yard run in the last quarter when Allen recovered a Homer fumble on the 28-yard line. Six plays later Hill scored; Loren Book's PAT was good.

The Eagles started out the second half with another six-point try. End Darwin Rubeck, substituting for Peters, grabbed Von Minden's 14-yard aerial to score his first career touchdown, giving the Allen club an 18-8 lead before the PAT went wide.

Homer got its last score on the board when both reserves for both teams took over. The two-point try was good.

Allen's Rick Chase had 61 yards in 13 tries. The leading pass receiver was Peters, three catches for 70 yards before exiting the game.

Penalties were the biggest factor in Friday's game. Both More EAGLES, page 5

Frosh Level Randolph for Third Victory

The Wayne High freshmen football team last week leveled Randolph, 32-7, in achieving their third win in as many starts.

Mark Brandt led the locals with three of the team's five touchdowns. The speedster collected 148 yards — not counting a couple of 80-yard runs that were called back, said coach Duane Blomkamp.

Brandt raced 33 yards in the first stanza, one yard in the next frame and 50 yards in the third period for his TDs.

Marc Lawrence and Mark Victor accounted for Wayne's other two scores, with Lawrence taking the ball in from five yards out. Quarterback Ralph Atkins hit Victor for an eight-yard strike. Tom Nissen kicked two PATs; three two-point attempts failed.

The visitors scored their only touchdown in the last period on a 55-yard pass.

Besides Brandt's 148 yards, Mike Wieseler had 97 yards out of the team's 302 total rushing yards.

Defensively, Wieseler and Nissen were one-two in the tackling department, with Mike getting eight tackles and Nissen seven.

Today (Thursday) the locals face Norfolk in a home match.

AHS Boosters Meet

Allen High's football booster meeting will be this Friday at 7:30 a.m. in the home cafe. Cliff Gotch and Dave and Ray's barber shop will sponsor the breakfast.

ROB LINAFELTER

Linafelter Wins PPK at Fremont

Rob Linafelter of Allen was the only one of seven area youngsters to win at the Ford-sponsored Punt, Pass and Kick zone competition at Fremont last weekend.

The son of Mr. and Mrs. Ken Linafelter won first place in the nine-year-old division with a total of 197½ points. His nearest rival had 178 points.

Linafelter's next step is Saturday at Omaha.

Other area youths participating were Todd Pfeiffer, Tim Thomas and Kevin Nissen, all of Wayne; Val Johnson of Wakefield, and Mitch Pfeiffer and Brian Bowers, both of Winside.

Pierce Defeats Laurel Cubs

The Laurel junior high football team dropped a 16-6 game to Pierce last week.

After taking a 6-0 halftime lead the Laurel team ran into fumbles and was plagued by numerous penalties.

The team's defense was cited for its performance, however. Klyde Matthews had 13 tackles while Toby Cunningham finished with nine stops.

Neligh Nudges Bears, 19-18

Laurel High's football team resembles the University of Wisconsin team.

The Badgers lost their first three contests on close shaves including a narrow four-point loss to the University of Nebraska.

Similarly, the Bears, now 0-4-1, lost to one of the top Northeast Nebraska Activity Conference leaders, Neligh, by a one-point margin, 19-18, Friday night.

In the past three ball games, coach Bob Olson's heart-minded club lost a 13-8 upsetbreaker to Randolph, tied Creighton, 8-8, and almost pulled off one of the team's biggest upsets against Neligh.

Bear quarterback Gregg Anderson guided his club from a 12-6 defeat at the half to a 18-12 lead with about three and a half minutes left in the game before the Warriors' Rog Bragg scored his second touchdown of the

that six-pointer with a 30-yard end around that brought the home club down to the three.

The Warriors took charge at the half with another scoring play when Mark Murphy took the ball in from the three to make the half time score 12-6.

Anderson, capping 60 and 45-yard drives in the last two frames, put his team ahead at 18-12 with about five minutes left in the game.

Sohler led Bear rushers with

91 yards in 19 carries. Sterling Stolpe followed with 49 yards in 12 attempts, with Anderson collecting 34 yards in nine tries.

All told, the Bear's ground attack kept the club in the ball game, rushing for 174 yards. The home team had 72 yards in the air on Anderson's 7-14 attempts for a total of 246 yards. Neligh had 267 yards, 218 of them on the ground.

Friday night the Bears will be on the road, venturing to Bloomfield.

The Yardstick:

Midland Winner In Harrier Meet

The Wayne State cross-country team played host to Midland and Chadron in a triangular Saturday — and came up with a disappointing loss.

Midland won the meet with 26 points. Chadron's 47 points were enough to edge Wayne, with 49 points.

The winning runner was Lue Grasser of Chadron, running the four-mile course in 21:25. Chip Hagerman was Wayne's leading runner placing sixth with 23 minutes flat. John Freitas of Wayne was right at his heels at 23:10.

Roger Kuhlman and Bob Steinauer placed ninth and tenth, respectively.

The big story was Midland who placed runners second, third, fourth and fifth spots. This Saturday the harriers will go to the Yankton Invitational.

Laurel	6	0	6	6-18

Sportsbeat

By Bob Bartlett

LAST WEEK it was mentioned that the \$1.25 adult admission price for Wayne High's girls volleyball games is too high and should be lowered.

According to principal Deryl Lawrence, the West Husker Conference schools agreed that the highest price for school sports activities would be \$1.25. Lawrence pointed out that the amount is flexible, but that Wayne-Carroll school officials decided to stick with the Husker's guidelines.

A check with the four other area high schools did show that Wayne High has the highest admission price.

Wakefield, another West Husker Conference member, allows adults in for \$1. Winside, of the Lewis and Clark loop, charges the same for adults as Wakefield, while Allen, also a L.C. member, has set its price at 50 cents. Laurel, of the Northeast Nebraska Activity Conference, also charges 50 cents.

Wayne High also leads when it comes to student prices. It costs 75 cents to see local contests while at Wakefield and Winside the price is 50 cents for students. Laurel and Allen rank the lowest at 25 cents.

It seems to me that Wayne High could lower its price. Wakefield, Winside and Allen have played the sport a lot longer than Wayne, yet their price is lower.

After all, the idea is to get more people to attend such activities, not keep them away.

A NOT SO funny thing happened to Wakefield's head football coach about two weeks ago.

John Torczon sprained his ankle, he thought, while on the practice field. After walking around for a couple of days with a cane, his foot began to feel better. But the good feeling was only temporary.

Several days after the initial injury, he hurt his ankle again. This time, upon the doctor's examination, Torczon found out that it was broken.

Well that's the luck of a football coach. If his players aren't banged up, it's his turn to suffer a few broken bones.

By the way, Torczon broke his ankle in the Wakefield elementary gym. How? Playing wiffle ball. "I was delivering my fast pitch when it happened," he sighed. "If it weren't for that break my team would have won the game."

HIGH WATERS in Nebraska rivers last spring and summer may have left hidden threats in store for duck and goose hunters this fall, warns the Game and Parks Commission.

The rushing water changed the charac-

ter of many stretches of river, shifting channels, washing out shallow bars and undercutting banks. The unsuspecting duck or goose hunter stepping into the water this fall may find a hole or a swift, deep channel where there was once shallow, slow-moving water.

Hunters wearing hip or chest waders loaded down with shotgun shells and other heavy gear are especially vulnerable to an unsuspected spill, the commission pointed out.

The best policy is to wade out on an exploratory trip, using a pole or wading staff to check the bottom for dropoffs or shifting sand.

While most waterfowl activity will center around lakes and marshes early in the season, the rivers will be prime hunting grounds in a few weeks. Now would be a good time to take a look at any changes in the river, the commission advised.

Wayne's 20-20 Tie With Stanton Could End Hopes for Repeating As West Husker Division Champ

A 20-20 tie with Stanton of the West Husker Conference Friday night may have killed Wayne High's chances of repeating as division champions.

If both clubs go undefeated the remainder of the season, said Wayne coach Al Hansen, Stanton would win the right to represent the division in the conference playoff since Wayne represented the West last year.

Currently, Stanton and Wayne had identical 2-0-1 marks in the West half, with the Mustangs having a 4-0-1 overall mark compared to Wayne's 3-1-1 record.

Friday night the Devils, playing at Stanton's homecoming, put together a come-from-behind game on a 49-yard romp by the team's leading rusher, Rod Hoops. The 184 pound, junior halfback broke loose on a trap play to cut Stanton's margin to 20-18. Then quarterback Marly Hansen hit senior Gordon Cook for the two-point conversion.

"I really wasn't satisfied with our defense," Hansen pointed out. "I would have never believed that any team would score three touchdowns on us."

The head mentor cited a lack of one-on-one tackling as the reason the Mustangs were able to score. "I don't want to take anything away from Stanton's offense, but our defense wasn't doing the job."

Wayne senior middle linebacker Mike Dunklau led the defense with 22 tackles — 20 of those assists. Kerry Jech had the most

unassisted drops for the locals with four. "I don't know what was wrong but we just couldn't get those unassisted tackles," Hansen said.

After both clubs went scoreless in the first quarter, Wayne and Stanton exchanged touchdowns in the second period before the host club scored another TD to take a 12-6 half-time margin.

Wayne quarterback Bill Schwartz, switching duties during the night with Hansen, rifled a 61 yard pass play to Hansen to heavy traffic to put the club on the board, 6-0. But Terry Hasebrook's extra-point try failed.

Stanton struck back on an eight yard aerial from signal caller Phil Frank to tight end Rex Hawkins, but the Mustangs attempt for a two-pointer failed. Running back Art Barr scampered 22 yards before the closing of the half to give the Mustangs the edge, 12-6, but again the two-point conversion failed.

Wayne's passing duo of Schwartz and Hansen hit again in the third period, this time on a 26 yard strike after the ball was tipped into Hansen's hands. That left the score at 12-12 with Hasebrook's kick going wide.

In the last frame both clubs exchanged touchdowns and two-point conversions. Frank dived in from one yard before tossing the two-pointer to Hawkins for Stanton's final score.

Hoop's led Wayne's offensive with 100 yards in 17 carries while Hansen mounted 52 yards in 11 attempts. Cook followed with 22 yards in five runs.

In the passing department, Schwartz went 5-7 for 120 yards. His leading receiver was Hansen with 102 in three catches.

Both Hansen and Stanton were about equal in offense. The Mustangs had 287 total yards — 114 passing and 173 on the ground — while Wayne mustered 120 in the air and 171 via the running game for a total of 291.

Friday the locals will try to unrepeat in a homecoming match against Madison. Meanwhile, Stanton will visit the Northeast Nebraska Activity Conference in a clash with Plainview.

Norfolk Catholic Ends Jr. High's Winning Streak

Norfolk Catholic's junior high football team ended Wayne's winning streak at 19 on two touchdowns and a safety for a 14-8 victory.

Norfolk struck in the first frame last week, scoring on a 10-yard sweep before the locals came back the following period to take an 8-6 lead.

Wayne defensive man Kelly Hansen intercepted a Norfolk

pass and raced 60 yards for the tying score. In the try for two points, Hansen again was the man to look for as quarterback Vic Sharpe rifled the pass to Hansen.

In the third quarter, though, the visitors scored a safety followed by another TD.

"We had a chance to tie the match," said coach Hank Overlin, "with about two minutes left

in the game and the ball on Norfolk's 10-yard line. But our offensive line just crumbled."

Dave Hansen, along with Kelly Hansen and Brian Haun were noted for their defensive work while Sharpe and Brad Emry were selected for their offensive ability.

Next Wednesday the locals will travel to Laurel in attempt to boost their 2-1 season mark.

Wisner Dampens Trojans' Homecoming

"There was nothing done," said Wakefield head football coach John Torczon after last Friday's 8-0 defeat at the hands of Wisner Pilger, "so there's nothing to be said."

Torczon, disgusted with his team's efforts pointed out that Wisner "made us look poor. They came to play a game and they did."

That 8-0 skunking at the Trojans' homecoming left the Trojan clan with 2-2 overall record while holding a 1-2 West Husker mark.

The head mentor pointed out that his club has done "a lot of soul searching" in preparation

for Friday's match with Columbus Lakeview.

Lakeview has a good club, Torczon admitted. They're undefeated in league play (1-0-1) with their only tie going to Wisner Pilger early in the season.

In Friday's game Wisner-Pilger scored when it took the opening kickoff off to Wakefield's 28-yard line and crossed the goal line eight plays later.

Bob Stueve grabbed the Wakefield boot on his 10-yard line and almost broke loose, until Wakefield made the stop at the 28. With a fourth and five situation, Wisner's quarterback

threw an aerial to Rabe for the only TD of the night.

Only once did the Trojans manage to get within striking territory. In the second quarter, Wakefield moved the ball down to the six-yard line, but Wisner stopped the home club.

Grid Teams Still Wondering: Who's No. 1?

Two ties in last week's prep football games didn't put a dent in my prediction record, but they sure left a lot of questions unanswered as far as which are the strongest teams in the conferences.

For instance, which team is stronger in the West Husker loop, Wayne or Stanton? Both clubs tied at 20-20 Friday, and the Blue Devils forced to make a last-ditch effort to pull out the tie.

Another for instance is Winside's 6-6 tie with Wausa — the two leading teams in the Clark division of the Lewis and Clark League.

Both Winside and Wayne played good offensive ball, according to coaches Doug Barclay of Winside and Al Hansen of Wayne. But defensive mistakes for Wayne caused the Devils to end up in a tie, said Hansen.

Barclay was pretty well satisfied with his team's performances both offensively and defensively, knowing that his team faced a good Wausa club last Friday.

Since both L-C teams are perfect in league play, (Wausa is 2-0-1, Winside 1-0-1), if each club wins remaining conference matches, a flip of the coin would be needed to decide which squad would represent the division in the conference playoffs in November.

In the case of Wayne, a coin flip won't be that simple. Since the locals represented the

West half last year, they will have to step aside this year in case of a divisional tie.

Peering at this week's games, Wayne's homecoming Friday pits the Devils against Madison. Talk around town has it that this will be one of Wayne's easier homecoming games in a long time.

Last year the Devils played Stanton, taking that one 19-8. The year before Wayne made it 16-13 over the Mustangs.

So in looking at the Dragons — last-place team in the West half with a 1-2 conference mark and 1-3 overall — Hansen's crew should show a vast improvement over last week's game. Wayne gets the pick.

The same should hold true for Winside when the Cats host Ponca of the Lewis division. Although this game does not count in division records, Barclay needs to keep his winning string running and the team morale high.

It'll go with Winside to stop the Indians on their home ground.

As I mentioned earlier, those two ties didn't hurt the win-loss count. Last week it stood at 9-5. This week it moves up to 11-6, with Wakefield's disappointing homecoming loss, 8-0 to Winsler-Pilger, the only blemish. I picked Allen to win over Homer and Laurel to lose to Neligh. They did.

Coach John Torczon knows that his team's

chances for taking the West Husker are all but gone. Last Friday's loss was the second in the division; the first one going to Wayne, 16-3.

This Friday things won't be getting any easier as the Trojans host West Husker powerhouse Columbus Lakeview. Lakeview, tied Winsler-Pilger earlier in the season, which might give area fans an idea of the outcome of Friday's match.

The Vikings get the nod in this battle. In the Northeast Nebraska Activity Conference, I believe Laurel coach Bob Olson's club is going to get that long-awaited victory Friday after three close calls in as many weeks.

The Bears take on Bloomfield at the Bees' field, and they should keep the Bloomfield club winless. Laurel is 0-4-1, the Bees 0-5.

Another homecoming match Friday finds Alien hosting Newcastle. This game, as Eagle fans and coaching staff know, is a must victory if the area team is to stay on top of the Lewis division.

If senior end Charlie Peters is able to get back into the lineup this week, Alien should have its offensive guns ready for another strong attack. And with senior runningback Tim Hill on the ground, the Red Raiders had better look out. The Eagles are picked to get victory No. four.

Wakefield Girls Ace 3 Wins

Wakefield High's first-year head volleyball coach Ernie Kovar sounded a little tired Wednesday after his girls whipped South Sioux City's three volleyball teams Tuesday in one of the school's best efforts of the year.

"Everyone looked good," Kovar commented. "The A, B and C teams did outstanding jobs to defeat South Sioux on our home court."

Both the freshmen and varsity clubs kept their records above the .500 mark in pounding the visitors. The C team used three sets to knock off South Sioux, 16-14, 9-15 and 15-13, to gain a 3-2 record.

For the A team, the story was a little easier — it took two sets to up their record to 5-3. The varsity won 15-6 and 15-12.

The reserves, or B team, evened its play at 3-3 in another three-set game. After losing the first set 13-15, the Trojannes came back with 15-4 and 15-3 victories to win the game.

Wayne High came out on top in both the reserve and varsity games against Allen Tuesday night, but coach Mavis Dalton's clubs needed three sets to do so.

The reserves won their first set, 15-6, lost the second, 13-15, and won the final set, 15-10, for a 4-2 season record.

In the varsity match, Allen head coach Lorna Stamp watched her girls jump off to a 15-12 first-set victory before the home team came back to win two straight, 15-8 and 15-13. Wayne's varsity record now is 2-4.

Winside coach Don Leighton isn't quite sure what has happened to his Wildkittens. In the team's last two games in as many weeks, the Winside club has lost.

Tuesday night was the latest downfall, this time to a powerful Emerson-Hubbard club.

"I didn't know it until last night," Leighton said, "but Emerson only has one loss for the year." That one loss, he said, came in the Winside invitational volleyball tournament last month when Emerson-Hubbard was knocked off by Pierce — the tourney champion.

The freshmen were the only one of Winside's three girls teams to pull out a victory. They beat the host team 15-12 and 17-15 for a 3-3 season record.

Both the varsity and reserve teams, though, suffered two-set defeats. The B team, winless in six starts, fell 15-6 and 15-13. The A squad, 5-5 for the year, played one of its better games for the year, the coach said, but it wasn't good enough. Emerson won 15-7, 15-13.

Last week Wausa took advan-

age of the Wildkittens in the A and B matches with only the freshmen winning. That Lewis and Clark Conference loss all but put the Winside club out of the race for the league championship. But, Leighton pointed out, "We're still trying for districts."

Also last week, Laurel High's A team was the only one of three squads to pick up a win.

The Bearettes, under-first-year mentor Susan Beach, fell in its first set to O'Neill, 10-15, but came storming back 15-9 and 15-8 for a 3-1 record.

Julie Wallin and Denise Magnuson did a real good job of setting up and spiking. Mrs. Beach pointed out.

The B group, 0-3, lost 1-15 and 2-15 while the C team also suffered defeat, 10-15 and 6-15 for a 1-2 mark.

Wakefield will be the busiest team as far as volleyball action is concerned next week. The area team plays three consecutive matches.

Monday they will host Lyons. Tuesday play Stanton at home court, Wednesday venture to Winside.

Other action will find Hartington Cedar Catholic at Wayne, Newcastle at Allen and Laurel at Bloomfield, all on Tuesday.

Next Thursday Winside is slated to play in the Beemer reserve meet.

Defensive Brakes, Breaks Await St. Cloud State in Homecoming Match

For whatever it's worth, Wayne State's football team likes its national ranking — No. 15 among Division II colleges of the NAIA.

That ranking came out from NAIA headquarters just before the Wildcats went out Saturday and conquered another foe, Chadron State by a 13-7 count. Now the Wildcats await this week's NAIA ratings.

But it ought not matter, one way or another, when Wayne takes on homecoming foe St. Cloud State Saturday at 1:30 in Memorial Stadium. The task once again will be to put defensive brakes — and breaks — on a Huskie team that is something of a mystery to Wayne coaches.

No information has come from St. Cloud on its record so far, and Coach Del Stoltenberg knows the results of only three Huskie games — two losses and one win — out of five games. He does have films of St. Cloud, however, so will be somewhat prepared.

The best way to be prepared is for the Wildcats to continue rugged defense that has forged a 4-0-1 record. They've been murder on enemy rushers, and they did it again against Chadron, holding the Eagles to minus 11 yards rushing. That is the third time in five games they put opponents in a rushing hole.

And as usual, the defense made opponent errors expensive. An interception in the fourth quarter opened the door for a winning touchdown. Big defensive end Stan Lewis (6-5 and 240 pounds) tipped a Chad-

ron pass into the hands of tackle Mike Schuster, who plunged to the Eagle 14. Quarterback Tim Denham scored on a six-yard run for a 13-7 lead. The conversion kick, partly blocked, went wide, and Wayne fans groaned.

With 13 minutes left, there was all too much time for the Eagles to fly again — like in their second-quarter touchdown when tailback Mike Maryott and end Terry Myers teamed for an 83-yard aerial spectacular, plus Bob Lacey's PAT kick.

That tied the score following Wayne's first-quarter touchdown, accomplished on a six-yard pass from quarterback Rick Benedetto to wingback Dean Ott — a dandy money player who often manages to be where it counts at the right time — in the end zone. It was his fifth scoring pass catch and his sixth TD of the season.

Several other times Wayne put Chadron to stiff tests, and it has to be said the Eagle defense lived up to an early-season reputation. However, Wayne defense did better, keeping the Eagles in their own half of the field all but a few brief times.

The quarterback-rich Wildcats found Rick Benedetto effective this time, although Dave Miller took a turn and hit two of three passes, and Denham got the winning TD.

Surprisingly, Wayne rushing produced more yardage this time, 155, than passing, 84 — a reverse of normal. Tailback Brian Moeller, who packs a startling wallop into his 175 pounds, gained 70 yards on 28 carries against a dogged Chadron line.

That line, incidentally, had not allowed a rushing touchdown in nine games until Denham galloped over with his giant strides.

The Yardstick:

Wayne	Morning
First downs	18 6
Yards passing	84 179
Yards rushing	155 11
Total yards gained	239 168
Passes	10-24 10-26
Punts	10-31 9-35
Fumbles lost	1 2
Yards penalized	62 80

Scoring by Quarters:

Morningside	0 7 0 0 - 7
Wayne	7 0 0 6 - 13

Winside Beats Wakefield, 16-7

A pair of first-quarter touchdowns and a safety in the last stanza boosted the Winside freshman-sophomore football team over Wakefield freshman Monday, 16-7.

Brad Brummels scored both Wildcat TDs, with Tyler Frevert converting a two-point play. No other information was available.

Winside's next game will be Tuesday when the junior high and reserves take on Emerson-Hubbard in home matches.

WSC Coeds Have Busy Weekend

A flurry of volleyball kept the Wayne State women's team busy over the weekend.

It started with a quadrangular Saturday and ended with identical 2-1 records by three entries — host Wayne, UN-Lincoln and UN-Omaha. Peru State lost all three games.

Wayne coeds defeated UNL, 15-4, 15-10; also beat Peru, 14-16, 16-14, 15-4, but lost to UNO, 4-15, 6-15.

UNL downed UNO, 16-14, 15-9; and Peru, 15-11, 15-12. UNO defeated Peru 15-9, 15-9.

For Wayne, the volleyball day had another chapter — after the Wayne-Chadron football game — when Chadron's coed volleyballers made amends for the male football loss by edging the Wayne girls, 15-10, 16-14.

Thought for Today
By Rowan Wittse

"Doubt whom you will, but never doubt yourself."

Self-doubt is a millstone that slows and stops many people short of their potential. A tiny dash of doubt, sufficient only to spark a thorough study of a problem, may actually be beneficial. Such discretionary caution can insure the success of a project and make further doubt unnecessary.

However, when self-doubt is strong enough to rob the individual of initiative and creative effort, it becomes a wasteful if not dangerous weakness. How many great talents have been lost to the world because their owners have been too dismayed by premises of possible failure, founded in self-doubt, to make even an initial effort.

In case of rain, the coronation will take place at the dance after the game.

Following the game with Madison, ninth through 12th grade students will gather at the high school auditorium to dance to the music of Truck, a four-piece combo from Omaha.

Snoopy and other Schultz comic strip characters will appear along with football decorations on the refreshment tables and throughout the gym to carry out this year's theme, "Happiness Is Homecoming — 1973."

Tickets for the dance are \$1.25 per person or \$2 per couple and are being sold during school this week. Dates who are not from Wayne High School must be registered at the school office by Friday.

Parents are invited to drop in during the evening, according to Susan Oglesby and Judy Zobel, the Pep Club's co-sponsors.

The board took no action on Dr. Simpson's recommendations.

ALSO DURING the evening, board members viewed a slide-tape presentation outlining some of the things being done in the school's Project Success, the program aimed at helping students who are unable to learn through traditional teaching methods.

This spring the innovative program was named one of the top seven federally funded educational projects in the nation.

Conducting the presentation was Richard Metteer, project director and West Elementary principal. Slides showed teachers working with students in a variety of activities—walking on balancing beams, writing in sand, tracing letters made of yarn, scooting across the

floor on rolling boards and the like.

THE BOARD also discussed working with Northeast Nebraska Technical Community College at Norfolk in sponsoring adult education classes for area residents.

Several board members agreed that the school district should be doing more in offering classes for adults, and Hahn agreed to check with Wayne State officials to see if they are planning to offer area residents similar courses.

Board members agreed during the meeting to pay \$200 of the cost of transporting the Wayne High marching band to the state marching band to the state marching contest scheduled for Lincoln Oct. 27. Wayne-Carroll Music Boosters and students will pay the remaining cost of chartering busses for the trip.

South American Mission Speaker To Visit Wayne

The Rev. Ken Moody, a missionary from Caracas, Venezuela, will arrive in Wayne this weekend to deliver a message on "The Third World" at the 6 p.m. mass Saturday at St. Mary's Catholic Church. He returned from South America in June.

Father Moody will also speak at the 8 and 10 a.m. masses Sunday. He will be accompanied by JoAnn Eber, mission education director for the Omaha archdiocese, who visited Wayne about a year ago.

At 7 p.m. Monday evening they will be at the Cooperative Christian Ministry Center on the Wayne State College campus with a film, "The Healer." The public is welcome.

Paper consumption in the U.S. averages about 560 pounds per person annually, placing a heavy demand on forests for pulpwood.

Music Boosters Hold First Meeting

Introduced at the Monday evening meeting of the Wayne-Carroll Music Boosters were Mrs. Jean Nuss, the organization's new president; Mrs. Dale Johansen, vice president; Mrs. Dallas Havener, secretary; Mrs. Ed Wolske, treasurer, and Mrs. Wilbur Giese, Mrs. Keith Owens, Mrs. Fred Temme and Mrs. George Goblirsch, board members.

About 100 boosters turned out for the meeting which was held at the high school lecture hall.

Band instructor Ron Dalton introduced Larry Stratman, the new vocal instructor and middle school band director, and outlined the upcoming music schedule.

He announced that the Wayne High School band, which received a first place award last year, will again participate in the Pershing Band competition at Lincoln Oct. 27. Advance tickets,

for those who would like to attend the contest, will be available from Mr. Dalton until Oct. 17 for 75c, \$1.00 and \$1.25.

Booster president reminded members that the magazine drive, sponsored annually by the boosters, would be held in November. Music students will be selling subscriptions as in previous years.

Following the business meeting, the high school stage band, under the direction of Dalton, played several selections from "Jesus Christ Superstar," and the choir, directed by Stratman, sang three numbers. School superintendent, Francis Haun and elementary principal Richard Metteer presented a narrated slide show afterward on the Title III Project Success.

Club Members At District Meeting

Members of the Roving Gardeners Club who attended the District V fall workshop of Federated Garden Clubs Tuesday were Mrs. Chris Tietgen, Mrs. George Biermann, Mrs. Harry Heinemann, Mrs. Val Damme, Mrs. Clara Bareiman, Mrs. Bernart Barolman and Mrs. Walter Spittgerber.

The meeting, held in Bancroft, was hosted by the Bancroft Garden Club. Mrs. Betty Puckett, from the Ponder greenhouse, was present to demonstrate flower arranging. Many blooms from member gardens were brought to the meeting for display.

Luncheon Set

Coterie members will hold their Oct. 15 dessert bridge luncheon at Miller's Tea Room. Mrs. Arthur Ahern will host the 1:30 p.m. meeting.

Chili Feed To Honor Football

Center members have reserved the 40-passenger excursion boat for Monday, Oct. 15. Wakefield Christian Church is furnishing transportation from Wayne to Ponca where passengers will board.

Those interested in making the trip should call the center by 5 p.m. this Friday or contact Mrs. Bull at home over the weekend. Cost is \$3.65 per person. Each one should bring a covered dish and their own table service. Drinks will be furnished.

Hospital Favors Made

Minerva Club met Monday afternoon in the home of Mrs. Joe Corbit with 16 members. The group spent the afternoon working on favors for the hospital.

Next meeting will be at 2 p.m. Oct. 22 at Miller's Tea Room. Mrs. Al Swan will be hostess.

Steinbeck Opens Next Week

ED HAVLOVIC, right, portrays Lennie's friend George who makes everything all right in the Steinbeck play, "Of Mice and Men," to be presented next week at the Wayne State College Ramsey Theatre. Performances are scheduled for 2 and 8 p.m. Sunday and 8 p.m. Monday and Tuesday.

The first production by the Wayne State College Theatre Department, will feature, in addition to an outstanding story by John Steinbeck, a trio of realistic sets and a "lifelike" sound track.

The audience will be introduced to the "Of Mice and Men" plot as the story unfolds on the banks of a river. Radiant sunrises and sunsets will provide the background for the sound of birds, crickets, frogs and running water.

The second set is a typical 1930's bunkhouse, constructed of old lumber which had been buried at Ponca by a flood.

The third set, most unique of all, features an old, rundown barn, which was torn down outside of Wayne and reconstructed on stage. Adding realism to the play will be potbellied stoves, harnesses, flintlock rifles and other livery equipment.

Courtesy Held Sunday

Forty guests attended a bridal courtesy Sunday afternoon at the Winside United Methodist Church for Mrs. Jerry Wacker of Norfolk.

Mrs. Wacker, nee Linda Hopkins, is the daughter of Mr. and Mrs. Crandall Hopkins of Clearwater. She and Jerry Wacker, son of Mr. and Mrs. Don Wacker of Winside, were married Sept. 22.

Hosting the bridal fête were Mrs. Kenneth Wagner, Mrs. Marcella Wacker and June,

Twelve members attended the Oct. 1 meeting of the American Legion Auxiliary. Mrs. Lizzie Longnecker of Winside was a guest. Mrs. Eveline Thompson read an article, "Good Old School Days."

Hostesses were Mrs. Harry Kay, Mrs. Emma Soules, Mrs. George Hoffman and Kathleen McGuigan.

Next meeting will be Nov. 5 at 8 p.m. at the Vet's Club.

Mrs. George Gahl and Mrs. Clifford Burris, all of Winside, Mrs. Elmer Wacker and Mrs. Paul Dangberg of Wayne.

Decorations were in pink and featured floral arrangements. Bridal games served for entertainment, with prizes going to the honoree. Mrs. Don Wacker poured and the committee presented the guest of honor a corsage.

Guests were present from St. Paul, Minn.; Wichita, Kan.; Lincoln, Clearwater, Battle Creek, Norfolk, Wayne and Winside.

Marriage Announced

Mr. and Mrs. Orville Nobbe of Allen, announce the marriage of their daughter, DeLores Smith of Plattsmouth, to Thomas Coggeshall, son of Mr. and Mrs. John P. Coggeshall Sr., of North Darmouth, Mass.

The ceremony took place Sept. 29 at the First Lutheran Church of Plattsmouth. The Rev. Dean Boerke officiated. Honor attendants for the couple were Burt Knepp on Curtis and her sister, LeAnn Nobbe of Allen.

A reception followed at 3207 Reed Drive in Bellevue, where the couple are making their new home. The bridegroom is stationed at Offutt AFB.

Twelve Brownies 52 Attend At First Meeting Guest Day

Twelve Brownies attended the first meeting of Troop 304, Oct. 2. President Julie Fleming conducted the meeting and Colleen Hamer, vice president, called the roll. Other new officers are Shelley Emry, secretary, and Karen Sandahl, treasurer.

The girls formed a Brownie ring to discuss plans for the year. Next meeting was set for Oct. 9 at St. Paul's Lutheran Church. Leaders are Mrs. Susan Upton and Mrs. Bob Fleming.

Thirty-two members and 20 guests attended the annual guest day meeting of the United Presbyterian Women's Association, held Wednesday afternoon at the church.

Guest speaker was deputy probation officer Merlin Wright, who chose for his topic, "Rehabilitation in Lieu of Incarceration."

Mrs. Merle Beckner gave devotions, and hostesses for the day were Mrs. Howard Witt, Mrs. Joe Corbit, Mrs. Harry Wert, Mrs. Jack Beeson, Mrs. Clarence Hedrick and Mrs. Merton Hilton.

The next UPWA meeting will be at 2 p.m. Nov. 7 at the church.

Denise Cook, Albert Temme Married September 29

In a 7 p.m. ceremony Sept. 29 at Grace Lutheran Church, Denise Cook, daughter of Don Cook and Mrs. Bill Hoffman of Norfolk, became the bride of Albert Temme, son of Mr. and Mrs. Alvin Temme of Wayne.

The Rev. John Upton and the Rev. E. J. Bernthal officiated at the ceremony. Mrs. Ferris Meyer of Wakefield sang "Jesus, Lead Thou On." "The Lord's Prayer," and "We've Only Just Begun," accompanied by Mrs. Upton.

Attending the bride were her sister, Deb Cook, and Barb Farner, both of Norfolk, and Amy Echtenkamp of Omaha. The bridegroom's attendants were his brother, Melvin Temme, Daniel Grono and John Meyer, all of Wayne.

Ann Hansen of Carroll was flower girl and Todd Johnson of Elkhorn was ring bearer. Ushers were Ronald Temme and Randy Holdorf of Wayne.

For her wedding the bride

chose a toe-length dress of white imported silk organza, styled with empire waistline, high neckline and full sleeves caught to buttoned cuffs. Her short, mantilla type veil, edged in Venice lace, was caught to a Juliet cap and she carried a cascade of red roses, blue silk flowers and white stephanotis.

Her attendants wore identically styled empire gowns of blue dream mist lace over jersey crepe which had been fashioned by Mrs. Judy Kolmar and Mrs. Gene Mack of Norfolk. The bride's mother chose a blue floor-length dress with gold accessories. Mrs. Temme chose white accessories for her blue dress, also in formal length. Both had red rose corsages.

Two hundred and fifty guests attended the wedding and reception which was held afterward at the church parlors.

Deanna Erwin of Concord registered guests who were greeted by hosts Mr. and Mrs. Richard Cook of Norfolk.

Mrs. Jack Erwin of Concord was dining room hostess. Norma Magdanz and Bev Hoodorf of Wayne and Peg Temme of Leawood, Kan., cut the cake which was served by Elsie Echtenkamp of Wayne and Verita Johnson of Elkhorn. At the punch table were Lois Temme of Omaha, and Betty Zumbur of Norfolk. Assisting in the dining room were Joni Braitwaif, and Susan Upton of Norfolk. Belinda Magdanz of Wayne and Kathy Jensen of Winside, Grace Lutheran Ladies Aid served.

The couple will make their home at 714 York Ave., in York. The bride attended Norfolk Senior High School and was employed by the Holiday Inn. The bridegroom, a graduate of Wayne High School, is employed by the Nebraska Public Power.

Parent-Teacher Talks Oct. 24 At Winside

Parent-teacher conferences for Winside elementary students will be Oct. 24, according to superintendent Don Leighton.

Monday night the school board approved the date for the all-day meeting at the elementary building, he said.

The members also set Nov. 12 as the date for Veterans Day ceremonies at the high school. The Rev. Paul Reimers of Trinity Lutheran Church in Winside will be speaker for the 1 p.m. gathering at the school auditorium.

In other board business, the members discussed attending the Nebraska State School Boards Association meeting Nov. 8-9 in Lincoln, the national school board meeting, April 6-9 in Houston and a school board seminar Oct. 17 in South Sioux City.

The board agreed to retain the school policy on senior sneak day trips which permits a one-day visit anywhere in the state. If the seniors decide to go out of state, three sets of parents will have to accompany the group, Leighton said.

OBITUARIES

Harold Tuttle

Funeral services were held Monday at 2 p.m. at the United Methodist Church, Laurel, for Harold Tuttle, 71. Mr. Tuttle died Saturday at his home in Laurel.

The Rev. Robert Nebers officiated. Burial was in the Laurel Cemetery. Pallbearers were William G. Rieken, Harold White, Elmer Hattig, Craig Addison, Gerald Cunningham and Gary Johnson.

Harold Tuttle, son of William and Gertrude Ward Tuttle, was born July 6, 1902 at Newcastle. He had resided in Dixon and Cedar Counties most of his life. On Nov. 28, 1924 he was married to Florence M. Cromble at Sioux City. The couple moved into Laurel in 1968.

Preceding him in death were two brothers and one sister. Survivors include his widow; two daughters, Mrs. Darrell (Lois) Hansen of Laurel and Mrs. Dwayne (Carole) Petersen of Mankato, Minn.; ten grandchildren and one great grandchild; two brothers, Ward of Sioux City and Ray of Hartington, and two sisters, Mrs. Everard Burns and Mrs. Lewis Reynolds, both of Laurel.

Virgil Behmer

Virgil Behmer of Norfolk died there Oct. 2 at the age of 57 years. He was born March 13, 1916 at Hoskins, the son of Mr. and Mrs. William Behmer. He attended school at Hoskins.

On April 8, 1942 he was married to Marjorie Follette at Stanton. He was employed as a stationary engineer at the Northeast Nebraska Regional Center at the time of his death.

Funeral services were held Oct. 5 at the Hoskins First United Methodist Church with the Rev. Harold Mitchell officiating. Pallbearers were Jerry Martin, Robert Follette, Larry Follette, Phalen Follette, Terry Oatman and Steve Duncan. Burial was in the Hillcrest Memorial Park Cemetery, Norfolk.

He was preceded in death by one brother. Survivors include his widow; two brothers, Walter of Santee, Calif. and Raymond of Kenosha, Wis., and three sisters, Mrs. Loretta Swan of Marion, Ill., and Mrs. Francis Duncan and Mrs. Jesse Follette, both of Norfolk.

S. Erik Johnson

Funeral services for S. Erik Johnson, 84, of Wakefield, were held there Wednesday at 2 p.m. at the Salem Lutheran Church with the Rev. Robert V. Johnson officiating. He died Monday at the Wakefield Community Hospital.

Honorary pallbearers were Mauritz Carlson, Charles Schwarten, Oscar Johnson, Arvid Peterson, Charles Pierson and Art Longe. Pallbearers were Alden Johnson, Eiden Johnson, Ronald Johnson, Gerele Johnson, Freeman Ping, Clyde Long and Richard Kraemer. Burial was in the Wakefield Cemetery.

Sven Erik Ephraim Johnson, son of Sven Alfred and Hilda Josephine Johanson, was born May 20, 1889 in Sweden. He was baptized and confirmed in the Lutheran faith in Sweden, and was a member of the Salem Lutheran Church of Wakefield.

He came to the United States at the age of 20 and settled in the Wakefield vicinity where he remained until his death.

He was married to Emma L. Backstrom Feb. 18, 1914 at Wakefield. The couple farmed near Wakefield until 1947 when they moved into Wakefield. He served as custodian of the Salem Lutheran Church for several years.

Preceding him in death were his wife, one son, two brothers and one sister. Survivors include four sons, Ephraim and Harold, both of Wakefield, Theodore of Dixon and Amos of Milwaukee, Wis.; one daughter, Mrs. Clarence (Linnea) Olson of Wakefield; nine grandchildren and eight great grandchildren; one brother in Sweden, and one sister in Aurora, Ill.

William James Podany

Funeral services were held Monday at 10:30 a.m. at the Trinity Lutheran Church, Altona, for William James Podany, 4-month-old son of Mr. and Mrs. Warren Podany of Pilger. The Rev. Eugene W. Juergensen officiated and burial was in the Pilger Cemetery.

The infant was born May 28, 1973 in a Sioux City hospital and died Friday at Children's Memorial Hospital in Omaha.

Survivors include his parents; grandparents, Mr. and Mrs. Merlin Reinhardt of Wayne and Mr. and Mrs. Waldo Podany of Pilger, and great grandparents, Mr. and Mrs. John Zurcher of Stanton, Mrs. Sophia Podany of Fresno, Calif., Mrs. Ella Reinhardt of Wayne and Henry Behling of Beemer.

Rural Allen Native Wins DMS Honor

Cadet Robert Meyer of rural Allen has won the coveted designation of Distinguished Military Student at the Citadel at Charleston, S.C.

Meyer, son of Mr. and Mrs. J. D. Meyer of rural Allen, is majoring in political science and is enrolled in the Army ROTC program at the South Carolina military school.

Upon graduation, a Distinguished Military ROTC Student is entitled to apply for a regular rather than a reserve commission as a second lieutenant.

In awarding the ratings, careful appraisal of a candidate's leadership, loyalty, initiative, attitude, military bearing and character is made by his military instructors. In addition, DMS recipients must be in the top third of their ROTC classes, attain a favorable report on their summer camp activities and be in the upper half of their classes academically.

Wayne Prof Gets Choice Cather Bid Mrs. Ruby Pedersen of Wayne State's English Department has been invited to the International Seminar on "The Art of Willa Cather" in Lincoln. Willa Cather is a well-known author from Nebraska whose works include "My Antonia," "O Pioneer," and "Song of the Lark." The Oct. 25-28 conference is the culmination of state-wide classes, lectures, and concerts on Cather's work, marking the centennial year of her birth. Three e international speakers will head the seminar: Leon Edel, University of Hawaii; Marcus Cunliffe, England and Eudora Welty, a novelist from Mississippi.

Mrs. Pedersen was one of 40 people chosen through the university including international persons, graduate students in American studies, and approximately one faculty member from each Nebraska college to sit in on these discussion groups. Mrs. Pedersen has taught a class including Cather's works, read all her writings, and attended a conference and concert on her works at the University of Nebraska last year.

Carhart Honored at Lodge's 90th Anniversary Saturday Night

Past master John Carhart was recognized for his 50 years of service during Saturday night's celebration of the Wayne Lodge No. 120 A.F. and A.M. 90th anniversary.

Carhart's son, Robert, also a past master, presented him with the award at Wayne State's Student Center where over 130 members and guests marked the lodge's anniversary.

Current master Ken Dalh welcomed the group, and Dr. William Koeber served as master of ceremonies.

Grand senior warden Harold Hultman, Elkhorn of the Grand Master Frank Matton, evening speaker, stressed that Masonry was founded on the principles of friendship, morality and brotherly love. Hultman pointed out that these principles are as true today as when they were founded in the mists of antiquity.

Past master K.N. Parke presented a short history of the Wayne lodge, emphasizing that members of the lodge have been influential in the development of Wayne as a community. A.R. Davis and Ralph Carhart were two former grand masters of Nebraska and the Wayne lodge which he cited as strong leaders. Two of the oldest living past masters were honored. They were L.W. Ellis, current organizer, and Paul R. Mines, former Wayne business man now living in Tucson.

Also honored was O.L. Randall of Norfolk, current Jordan Medal holder of the Wayne lodge. The honor is bestowed

DR. WILLIAM KOEBER, standing, served as master of ceremonies at the 90th anniversary of Wayne Masonic Lodge No. 120 Saturday night at Wayne State's Student Center. Harold Hultman, grand senior warden, at Koeber's right, was guest speaker. The Rev. Frank Kirtley of Wayne is at the left.

upon the oldest living member in point of masonic service.

Also present at the program were Leo Stines, Central City, grand junior warden to the Grand Lodge; Harold Wurde-man, Columbus, grand marshal, and grand secretary Norris Lallman of Omaha.

The Rev. Frank Kirtley, pastor of Wayne's First United Methodist Church and member of the Wayne lodge, delivered the invocation and benediction. Mrs. Fred Webber sang two solos for the group, and Tim Sharer and Beth Bergt furnishing dinner music.

Former WH Teacher Heads Honor Group

Jay Runestad, a teacher in the Wayne-Carroll school system two years ago, has been named president of Alpha Epsilon, an honor society at South Dakota State University at Brookings. Runestad taught chemistry during the 1971-72 school year at Wayne.

The society honors agriculture engineering students who have achieved high academic merit. Juniors chosen must be ranked in the upper one-fourth of their class, seniors in the upper one-third and graduates must have 12 semester credits with a grade point average of 3.25 or better.

September Is Busy Month For Scouts

Included in September activities for Boy Scout Troop 175 was the Order of the Arrow Ordeal at Fremont, Sept. 7-9, attended by Vincent Kriesche, Brad Emery and Rick Luff, all candidates, and Dan Johnson, Mick Kemp and Mark Middleton.

Troop officers were elected at the Sept. 17 meeting, and the weekend of Sept. 22 troop members and four sponsors camped out near Lynch and went fishing.

The monthly court of honor and parents auxiliary meeting was held on the 24th. Scouts received their badges and new officers were introduced.

Parents auxiliary officers, elected to serve for one year, are Mr. and Mrs. Dallas Havenner, president; Mr. and Mrs. Marilyn Koch, vice president, and Mr. and Mrs. Victor Kriesche, secretary-treasurer.

Mr. and Mrs. Arnold Emry were in charge of the monthly paper drive held 29. The next paper drive will be Oct. 27.

Enrollment at WSC Drops

Enrollment at WSC has dropped slightly this year, according to Virginia Wright at the Registrar's Office. The total enrollment at the present is 1,972. Last year the enrollment was 2,177.

The breakdown of the enrollment shows that there are 1,000 men to 972 women. Presently enrolled are 631 freshman, 324 sophomores, 388 juniors, 437 seniors and 192 graduate students. Out of the 631 freshman, 492 are new. Transfer students number 116. There are 108 veterans enrolled and 53 children of veterans.

Full time students (those carrying 12 hours or more) number 1,625. Off campus classes are being held in Norfolk and Blair with the possibility of another one in O'Neill.

Three From Area Attend Conference

Among those who attended the Morningside College Superintendents' Conference Wednesday were Educational Service Unit I Director Harry Mills and Wakefield school superintendent Muri Bellar, both of Wakefield, and Wayne-Carroll school superintendent Francis Haun.

The annual meeting each year draws school administrators from Nebraska, Iowa, Minnesota and South Dakota.

Attending Convention

Verne Mills, chairman of the Wayne High School science department, and Harland Pankratz, assistant biology professor at Wayne State College, leave today (Thursday) for St. Louis, Mo., where they will attend the annual convention of the National Association of Biology Teachers at the Chase Park Plaza Hotel. They plan to return Sunday.

'If we don't act, energy situation may become a crisis'

Government rationing of home-heating fuel oil will probably be in effect by the time this letter reaches you.

Already the government has instituted mandatory allocation of propane. I hate to see federal management of any sector of business, but in these cases intervention seems necessary in order to insure that these petroleum products in short supply are distributed as fairly as possible.

By intervening, however, the government won't have created any more heating oil or propane. If we have a wet fall and a cold winter, we could have some very nasty situations in America.

The Congress and citizens acting as individuals must take steps to correct our energy crisis.

Last spring, President Nixon asked Congress to act on seven legislative measures related to the energy crisis.

When Congress reconvened after Labor Day, he again asked for action. Congress has not completed action on a single one of these items.

Both the House and the Senate have voted for the Alaska pipeline, but there are differences between the two bills that haven't been resolved in conference committee.

No action has been taken on the proposal to establish national reclamation standards to regulate all surface and underground mining in this country. This measure is particularly important to Nebraska. The largest deposits of low-sulphur coal in the nation are in Wyoming and Montana. The legislation would clear the way for development of these fields. Adjacency of Nebraska to this non-polluting coal would help our state, since it is presently dependent on

energy on supplies that have been moved much farther.

Congress should act quickly also to authorize deepwater ports to bring in foreign oil more economically. Congress should also modify the regulation of natural gas prices which have been kept so low by government that there hasn't been sufficient incentive for suppliers to search for new deposits.

The House and Senate should also act quickly on measures to increase research on new forms of energy. Converting coal into natural gas is the technique that appears to me to be closest to a practical state.

The greatest new drain on natural gas and fuel oil supplies has been caused by power generating plants that used high sulphur coal before the Clean Air Act of 1970 was enacted. If a practical means of taking the sulphur out of coal or

converting it to gas can be found, the fuel oil and natural gas now used by electric utilities will be available for homeowners.

As individuals, we can help by realizing that all energy needs are related. If we cut down on our speed while driving and reduce our unnecessary mileage, the petroleum saved could be used to increase the supply of home heating oil or propane.

If we reduce our use of electricity, we are reducing the demand for natural gas and fuel oil.

America is going to be seriously short of energy for some years to come. We can anticipate that the nations from whom we are importing oil are not only going to raise their prices but also at least threaten to cut us off altogether.

To measure just how seriously the energy crisis is apt to affect Nebraska

this winter, I have written to all retail fuel dealers in the First Congressional District. Many of them are on the verge of being forced out of business by the combination of short supplies and low margins. I want to find out what steps are necessary to insure their survival, which is vital to all of us.

Each dealer has also been asked to furnish me with information concerning anticipated shortages of propane, heating oil, diesel and gasoline this winter.

The energy situation will certainly become a crisis if we do nothing. If we accept the situation as a challenge, we can solve the problem. Congress must act now to provide short-term and long-term solutions. In the meantime, each of us as individuals must do his or her part to conserve energy.

Charles Thone, congressman from this district, tackles the difficult problem of the nation's impending energy crisis in this letter to his constituents.

OBSERVATIONS

Some good ideas

There are a lot of good ideas floating around among local and area people for ways to improve the life we live. This was brought home at the recent "Goals for Nebraska" meeting held at Wayne State College. Although attended by a small number of people, the suggestions for goals for the state were stimulating.

Suggestions which we think are worth considerable thought and consideration include the one for establishing an overall governing body to coordinate all the things the numerous post high school educational institutions are attempting to accomplish. Although we would have to be careful not to let such a body become too cumbersome or powerful, it would serve useful purposes in reducing duplication of educational programs, cutting administrative and other costs, and improving what the state is offering to young people once they leave high school. It also could help improve adult education courses, something which is lacking in this and many other parts of the state.

Another suggestion worth consideration was licensing of building contractors by the state in a similar manner as electricians are licensed. There are too many poorly built homes already in existence and other being erected not to have some type of control over the people who are building them. A home is the biggest investment most families will ever make; it only makes sense that the state should help give them some security in knowing that what they bought isn't going to start falling apart in five or ten years.

Another person attending that meeting suggested that the state should seriously consider promoting development of the Missouri River all the way from Omaha to Sioux City. The idea has merit,

because with that development would come economic shots in the arm for numerous communities along the river and miles inland.

Still another person suggested that the state should purchase and turn into a wilderness area the stretch of land along the river from Sioux City to Yankton. It may sound like a far-fetched idea at first, but the way this country is using up its virgin and wilderness land, such a step might prove one of the most progressive ones the state could ever take. In not too many years, this and other states might be wishing the day would return when nearly untouched land was available to set aside so it would remain undeveloped.

A person in tune with what keeps this area's economy humming suggested that we should do more to try to encourage industries into this part of the state which would tap the huge amounts of grain and livestock produced year after year. Small processing plants and other small industries would seem like a perfect way to employ people in a profitable way while using up resources which farmers in the area have to ship elsewhere to be processed.

Others agreed that people in this part of the state are very lucky that we do not have the pollution problems common to almost every large city and big industrial area in the nation. But they also agreed that we better not sit back and think that it will always be so. We need to be concerned about environmental pollution to make sure that what has happened elsewhere doesn't happen in Northeast Nebraska.

There were numerous other ideas, and suggestions tossed out during the meeting, ideas and suggestions which we think could become goals for the whole state.

And it's a lot more

Newspapers across America this week are observing National Newspaper Week. It's their annual opportunity to step forward and brag about the role they have played and continue to play in keeping this a strong, free nation.

We won't delve into some deep, philosophical discussion on the importance of free press. We'll leave that to those more capable.

We will simply mention, however, that weekly newspapers such as The Wayne Herald remain a vital, necessary part of small communities.

What is a weekly newspaper? It is the source most people go to for the news about what's going on in their town, true, but it is a lot more than that.

It's the community soapbox, the place a person can go if he wants to make some points known to everybody else in the town and area. Anybody can use it to explain or argue almost any point, regardless of how influential or how rich he happens to be.

It's the place in town which makes a business of being a governmental watchdog. We can't think of any other place which pays its employees to cover such things as school board meetings, city council meetings or the like so that the people can be informed about what public officials are doing week in and week out.

It's the conveyer of all kinds of news, some of it good and some of it bad, but hopefully all of it of interest and use to its readers.

It's the advertiser of goods and services which its readers need to live and work and play. And by being open to all dealers of those goods and services, it plays an important role in making sure the people can purchase them at competitive prices.

We could go on and on in explaining what the weekly newspaper really is, but those points should support our comment that the weekly newspaper remains a very important part of the small community.

GRASSROOTS OPINION

BLAIR, NEBR. PILOT-TRIBUNE

"American taxpayers should begin to take note of the elected state and federal officials who sanction the continued expansion of government programs and government spending. They should analyze every legislative and Congressional vote carefully to determine whether the price is worth the taxes which will be required and whether the project is a genuine benefit to the state and nation or merely a vote getting maneuver at the expense of the taxpayers."

LAKE CITY, S. C. NEWS

"Have you ever noticed that when a group of adults are called upon to line up for food or tickets or anything else, they push and shove and act unbelievably

rude? I always stand back in unhappy amazement and watch. It seems that by the time adults reach the old age of 21 they should know that pushing and shoving is not necessary. People really do show their ugly side when they line up."

DUBLIN, GA. LAURENS CO. NEWS

"There are problem people and there are people problems; and it is these problem people who regardless of race, creed, or national origin may be involved but are not interested in getting people problems solved, but rather are determined to create and escalate people problems. That's why they are our problem people. Why we have people problems."

Capital News—

Hiram Scott ball is bouncing again

LINCOLN — The Hiram Scott ball is back in the University of Nebraska Board of Regents' court.

A special study committee appointed by Gov. J. J. Exon to look into the feasibility of state acquisition of property at the former private college in Scotts-

bluff has decided the plan isn't feasible. The regents have gone on record as supporting the acquisition, and they will have another chance to make a go-no go decision.

It will be the first time the board has met since the governor's committee convened in Grand Island to prepare its report.

NU President D. B. Varner said recently he considered the committee members honorable men, but he said he hadn't changed his mind personally about the justification for university expansion into the Panhandle.

property, and State Sen. Frank Lewis of Bellevue.

On the other side were:

DR. JAMES O'HANLON, a University of Nebraska-Lincoln education professor who served as chairman of the governor's committee; Dana F. Cole, a Lincoln accountant who argued that the Hiram Scott property may come as a gift but would cost the taxpayers plenty to operate programs there; state college trustee William F. Colwell of Hay Springs, who expressed the state college view that their campuses could provide needed programs without adding a new university facility in the western sections of the state; Norman Otto, Exon's chief staff aide who apparently was expressing the governor's personal views; Virginia Vierweg of Grand Island, who represented vocational education interests, and Wes Hansen, a North Platte rancher.

Smokey Says:

Chaperone your trash fire — don't let it go out alone. National Fire Prevention Week, Oct. 7-13

VARNER SAID he still thinks good use could be made of the facilities of the defunct private college for agricultural research and rural health programs.

The committee, however, heard detailed presentations about the programs the university wants to install at Scottsbluff, voting 7-3 to adopt this motion:

"The programs which have been suggested by the University of Nebraska are not of a scope and significance necessary to warrant the acquisition of the Hiram Scott property by the university."

Regent Robert Koefoed of Grand Island was one of the members of the minority in that vote. He took his stand on the instructions of the board.

The other two votes against the motion were cast by John Seltzer, representing the Scottsbluff interests who want to make a gift to the state of the college

Dr. James O'Hanlon, a University of Nebraska-Lincoln education professor who served as chairman of the governor's committee; Dana F. Cole, a Lincoln accountant who argued that the Hiram Scott property may come as a gift but would cost the taxpayers plenty to operate programs there; state college trustee William F. Colwell of Hay Springs, who expressed the state college view that their campuses could provide needed programs without adding a new university facility in the western sections of the state; Norman Otto, Exon's chief staff aide who apparently was expressing the governor's personal views; Virginia Vierweg of Grand Island, who represented vocational education interests, and Wes Hansen, a North Platte rancher.

The regents won't be bound by the committee report, although Exon had said he would send the board a copy.

The attorney general's office issued an opinion after the Hiram Scott question became a hot topic in the 1973 Legislature that the university is empowered to accept the facilities as a gift if it wants to.

LETTERS

'And it gives us pride'

Dear Editor:

I've been following the comments about girls sports in the paper and would like to make a few of my own.

First, about the school board: Whoever wrote that they didn't care what anyone thought obviously has never been to a meeting. To begin with, the board didn't come running, begging us to accept the idea of girls sports and to get interested. We went to them with parents and asked why girls didn't have sports. They answered that they didn't know there was interest or concern. After two months of talking and many questions later, it was decided to give girls sports a try. They had listened to anyone who had enough guts to come to them and give their opinions.

Secondly, about sports being too demanding and that P.E. is sufficient. P.E. is fine, but if your schedule is like mine you have a seven period day of solids with no time to take it. I'm athletic and would go crazy without time to exercise and work out. Sure, two hours a day is time consuming, but if you're enjoying yourself, isn't it worth it? I'm in Girl Scouts, MYF and many school organizations, so volleyball is not depriving me of anything, including my study time.

Thirdly, the money for sports. Girls and boys had been sharing long before Wayne High sports came into existence. It's not impossible to compromise, and trivial things like bus transportation can be taken care of.

Finally, the pride. In the last four weeks Wayne High has had something new. Girls walking around proud. It's quite an accomplishment to win and it's an experience to lose. We've learned more about each other in the last four weeks than any time before. We're learning to communicate with each other, and we're learning to blend ourselves together as a team and become one solid rather than six separate islands. Sure, we're disappointed when we lose, but it means more experience, and experience is the best teacher.

The people involved would like to extend a thank you to anyone who has helped us and especially to those who follow the games. The boys in school have been wonderful and many are becoming avid fans. It makes us proud of them because they're not afraid to show their interest or to cheer us on.

Many people try to tell us we're in the wrong and are doing something terrible. Let's remember that the times are changing and we must change with them.

Wayne

Just because our mothers didn't do it or it isn't the "in" thing to do, does that mean that we also must forget it? I hope not! I'm on the volleyball team this year and from what I've seen, it's one of the best things to come along in a long time. I'm active in it and proud of it, too.

Susan Jacobmeier

Editor's Note: Another girl wrote a letter in support of girls athletics. However, since it was not signed it could not be printed in the newspaper.

'Accommodations just are not available'

Dear Editor:

The question was raised in the October 4th issue of The Wayne Herald as to why isn't the Wayne Chamber of Commerce appreciation dinner open to farm wives.

In behalf of the Appreciation Night Committee, I would like to explain why the committee is again making this a stag affair.

The facilities (Student Union, Wayne State College), being used for this event will accommodate 500 people. At the first annual appreciation dinner last year, approximately 300 farmer guests and 100 businessmen hosts were in attendance. It is the committee's goal to have 400 area farmers and 100 hosts in attendance this year.

If wives were included, invitations would have to be limited to about 200 farm couples. The committee feels this, too, could create problems. The committee is not satisfied that we have handled the "numbers" problem in the best manner. We do recognize the importance of the farm wife. We are aware that it is the wife who does a majority of the shopping in local businesses, spending the money which helps Chamber members' stores remain open.

We do welcome the opportunity to answer this question. The committee welcomes all suggestions for a more favorable solution. The names of the committee members appeared in an earlier issue of the Herald.

It is the committee's sincere wish to be able to include all area farm couples in future years.

Lee Foote,
Committee Chairman,
Chamber of Commerce

THE LEGISLATURE, you will recall, passed a bill which made the Hiram Scott land and buildings state property — but Exon vetoed it and, despite a legislative majority, there weren't the necessary two-thirds votes to override the veto.

The lawmakers then, at the urging of Scottsbluff Sen. Terry Carpenter, adopted a last-day motion which said the university should accept the gift.

There was considerable question about the legal impact of that motion, other than as an expression of legislative feeling on the subject.

Exon appointed the 10-member study committee and directed it to "evaluate the possibilities, needs, costs and feasibility" of NU expansion into the Panhandle. After a series of hearings across the state, the committee held its Grand Island meeting and voted to recommend rejection of the Scottsbluff offer.

CARPENTER'S REACTION to the committee vote was that it came as no surprise because he felt the membership had been stacked against the proposal from the star.

Chairman O'Hanlon denied that. He said it was his feeling during the early committee meetings that the group was open-minded. It is true, he said, that as the information came in on the proposals for programs to be operated out of Scottsbluff that he could see a consensus developing against the Hiram Scott offer.

O'Hanlon's vote intrigued some observers. He went on record in opposition to a policy supported unanimously by his bosses — the board of regents, Varner and Koefoed.

O'Hanlon said he voted as he did because he wasn't convinced by the evidence that it would be wise to install the university at Scottsbluff for the programs proposed.

Thoughts for the day

- THURSDAY** MARK 9-50
Troubles in marriage often start when a man is so busy earning his salt that he forgets his sugar.
- FRIDAY** MARK 10-6-9
A honeymoon is that quiet interval between bells and bills.
- SATURDAY** GENESIS 2:24
The goal in marriage should be Christ the head of the home, and marriage is not to think alike but to think together.
- SUNDAY** REVELATION 19-7
So many Christians want to eat at God's table, but nobody wants to do the dishes.
- MONDAY** PSALM 31-2-3
Christ can take a home which is going on the rocks and stabilize it by putting it on the Rock.
- TUESDAY** I TIMOTHY 2-12
Some husbands know all the answers — they've been listening for years.
- WEDNESDAY** MATTHEW 4-19
"Wait!" you see the big bass I caught!" exulted the happy husband. "It's a beauty. But, honey, although the fishing trip was fun, I really missed you. I'm so glad to be back. I'm just not happy when I'm away from you." "I'm not cleaning it," announced his wife.

WAY BACK WHEN

30 YEARS AGO

October 7, 1943: Wayne County Legion Auxiliary Convention was held at the Woman's Club room, Wayne, Tuesday afternoon with about 50 from Carroll, Winside and Wayne units attending.

T. S. Hook and Rev. Oliver Proffert went to York Tuesday to attend the state-Presbyterian Synod. Mrs. S. A. Lutgen, Mrs. F. S. Berry and Mrs. V. A. Senter went to Fremont Wednesday to attend the state Woman's club convention. Mrs. E. E. Gailey plans to attend the convention today. Wayne college training detachment expects a new unit this week which will bring the number to capacity.

25 YEARS AGO

October 7, 1948: Mrs. Walden Felber has been named third district secretary-treasurer of the American Legion Auxiliary. Nelle Fox, who is retiring from the Northwestern Bell Telephone Co. after 31 years and three months of continuous service was honored at a farewell party at the hotel Thursday evening. Charles E. McDermott has opened the law offices of Leamer and McDermott in the First National Bank building, Wayne. Clifford McCormack and James Rath narrowly escaped electrocution Wednesday afternoon when their car struck the guy wire of a rural electrification pole, snapping it into three parts. Immediate urgency of soil conservation measures for Nebraska was stressed by State Senator Norris Schroeder Friday night as Wayne County's conservation leaders were feasted at an honor banquet. Attorneys Harry E. Siman and Kenneth Olds have moved to offices in the Fred Berry building. The Fred Berry building, law library and office equipment have been sold to Kenneth Olds.

20 YEARS AGO

October 8, 1953: Gerald Coenen, Carroll, and C. R. Wenstrand, Wakefield, are the winners in the third annual corn contest sponsored by Wayne merchants and The Wayne Herald. Harold Ingalls was named president of the Wayne Toastmaster's Club Monday night at a meeting at the Woman's Club rooms. Dorothy Bilson, Wayne senior, will preside at the 1953 Homecoming ceremonies which Wayne State will get underway tomorrow. Wilbur Bruns escaped injury when his car struck and killed a cow on a highway southeast of Wayne. The cow walked in front of the car. The loan rate on '53 corn crop of \$1.54 a bushel was announced Wednesday by Wayne County PMA Chairman, T. P. Roberts.

15 YEARS AGO

October 16, 1958: Irene Marra, Wayne, won first place in the sub-deb division of the district "Make It With Wool" contest Oct. 4 at West Point. Dr. L. Dale Lund, son of Mr. and Mrs. Emil Lund, Wakefield, was inaugurated as the sixth president of Bethany College, Lindsborg, Kan. in ceremonies last Wednesday. Mrs. Jim Puckett, Allen, was elected 1959 Dixon County home extension club chairman at the annual county Achievement Day program last Tuesday at Waterbury. Marlan and Irving Carlson, sons of Mr. and Mrs. Albert G. Carlson, Wayne, have been named members of the Kansas University band and orchestra. WSTC President W. A. Brandenburg will be featured speaker at a Wayne Masonic banquet tonight celebrating the diamond anniversary of the founding of the local lodge.

10 YEARS AGO

October 10, 1963: K. N. Parke, Wayne Chamber of Commerce manager for the past seven years announced his retirement from the office Monday. A former resident, Marvin Nuernberger, recently was promoted to the position of vice-principal in the Kansas City, Mo., school system. A 1952 Wayne State graduate, he is the son of Mr. and Mrs. Carl Nuernberger. Groundbreaking ceremonies for a new parsonage for the Redeemer Lutheran Church will be held Sunday at 10 a.m. A historical article by Wayne State's Dr. J. R. Johnson occupies the lead position in the September, 1963, issue of Nebraska History. It is entitled "Imperialism in Nebraska, 1898-1904". Wagons full of soybeans stacked up at the Wayne Grain and Feed Co. Monday, as one of the largest soybean crops in recent years has been recorded in the Wayne area. Elevator operator Fred Gilder-sleeve said they had every bit of available space full or being filled at present. Sales in Wayne alone are nearing the \$200,000 mark and the market on beans took a jump again Tuesday.

OUR HOME-TOWN ECONOMY GROWS STRONGER WITH EACH HOME-TOWN PURCHASE OR BUSINESS DEAL

You may not think much about it when you see a truck transport unloading at a home-town store, but you actually share in the profits of every business transaction in your community. You see, the growth and prosperity of any community is measured by the sum of the large and small business transactions within it. And since about one-third of the money spent within the community goes to help pay for schools, churches, protection, conveniences, and other elements of community life, home-town economy gets stronger with every purchase within it. It is good business to buy at home, where it counts over and over again!

Survey to Ask Area Persons About Students

A sample of households in the Wayne area will take part in the federal government's annual survey of school enrollment to be taken the week of Oct. 15-19 by the Bureau of the Census. Interviewers will visit homes to obtain information about household members attending school, from nursery school through college, including those taking vocational, technical or business courses. Results of last year's survey showed that 60.1 million persons three to 34 years old were in school. Elementary school enrollment (kindergarten through eighth grade) has declined by about 1.4 million since the fall of 1971 because of a decline in the number of births during the 1960's. Although college enrollment had increased considerably in the years since 1962, a lower proportion of college-age men were in college than during the late 1960's, while the college enrollment rate for women has remained about the same since the late 1960's. School enrollment questions will be in addition to the ones asked regularly in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U. S. Department of Labor. About 50,000 households across the country, scientifically selected to represent a cross section of American households, take part in this monthly survey. All information provided by law and can be published only as statistical totals in which no individual or household can be identified.

WH, WSC Grad Leads Team of Food Sleuths

Although Dennis Manske has a two-week supply of groceries delivered to his office 30 times a year, he doesn't eat one bit of it. Instead, he and a team of scientists at the "total diet" section of the Kansas City district of the department of Health, Education and Welfare test the 117 items in each delivery for dangerous levels of pesticides and some metals.

Manske, 34, is a graduate of Wayne High School and Wayne State College. His mother, Mrs. Lena Manske, lives in Wayne.

Manske and his team have the assignment of providing a reliable index for the nation as to the amounts of potentially dangerous substances being consumed by humans through food.

The sample they test is called "total diet" because the foods selected cover a variety and quantity that would feed what HEW considers the nation's "largest appetite," that of a man 17 to 19 years old.

According to Manske, comparing year-to-year findings of pesticides and metal residues will enable the laboratory to predict trends in pesticide usage.

The team has traced several potentially dangerous substances in foods during recent years. The detectives discovered excessive levels of an insecticide in some wheat products, and later tracked it to a warehouse where it had been sprayed to kill spiders.

"The residue levels in the food weren't dangerous, but it was a dangerous practice," Manske was quoted as saying in a story about him and his team in the Kansas City Star.

DENNIS MANSKE

Another time Manske and his team traced compounds commonly called plasticizer in breakfast cereal to tainted cereal caused by recycled paper used in packaging.

The task Manske and his team daily undertake is not an easy one. "We may find ourselves trying to track down the source of contamination in a product purchased in Wisconsin but grown in Texas and packed in Georgia," he notes.

One thing Manske is certain of, however: "The price of the food we test has skyrocketed."

Manske obtained his master's degree in chemistry at the University of South Dakota at Vermillion and has done research work at the University of Georgetown in Washington, D.C. He has been with the Federal Food and Drug Administration for the past 10 years.

Roedger Replaces Young as Chief Of Dixon VFD

Don Roedger of Dixon was elected new fire chief of the Dixon volunteer fire department Monday night during a special fire meeting.

Roedger, who takes over in place of chief John Young, will have Lawrence Fox as the assistant chief and Leonard Hamilton as secretary-treasurer.

Fox replaces Marvin Nelson while Hamilton takes over for L.L. Saunders.

In other business, five new members were added to the department. Besides Fox and Hamilton, other new members include Austin Gother, Norman Jensen and Allen Prescott.

The Allen school board awarded Robert Hollenstein of Allen the Harmony Hill school building after the members accepted his \$350 bid for the structure Monday night.

According to superintendent Gail Miller, Hollenstein had the highest sealed bid for the building, located about six miles northeast of Allen. Earlier this year the board agreed to accept students from the district after it was decided to close the school.

During the regular monthly meeting, the board moved to raise from eight to 10 cents a mile the payment for those who use their vehicles in behalf of the school.

In a further vote, the members are considering buying a \$10,000 gasoline tank. Miller said he is still looking into the matter.

Also, the board is studying the possibility of sending the high school band to Rapid City for a four-state band fair sometime in the spring.

Pack 176 Recruits New Scout Leaders

Fifty members of the Laurel Pack and Troop 176 scouting families met Oct. 1 at the city auditorium to re-organize their scouting program for the coming year.

Dennis Boehme, district scouting executive, explained the scouting program. Shirley Kraemer, den leader coach, showed films on the purposes of cub scouting.

New cub scouts registering were Roger Anderson, (Mr. and Mrs. Gary Anderson, Concord); Mike Dietrich, (Mr. and Mrs. John Frerichs); Paul Lofquist, (Mr. and Mrs. James Lofquist); Randy Finley, (Mr. and Mrs. Wayne Finley); John Strange Jr. (Mr. and Mrs. John Strange); John Fegley, (Mr. and Mrs. Dennis Fegley); and Mike Jonas, (Mr. and Mrs. John Jonas).

Thirteen cubs and five Webelos are registered in the Laurel pack.

Mrs. Marlin Kraemer
Phone 256-3585

New leaders recruited were Harold White, cubmaster; Roger Heitman, assistant cubmaster; and John Strange, secretary-treasurer.

Den mothers and their assistants are: Mrs. Cheryl Asbra, Mrs. Wanda Jonas, Mrs. Gary Anderson and Mrs. Marilyn Frerichs. Den chief is Jerry Weimers. Mrs. Asbra's den will meet in her home and Mrs. Anderson's den will meet at the Laurel school. Den meetings will be held each Wednesday from 4-5 p.m.

Webelos leaders recruited were Jerry Reynolds, Dwayne Freeman and Leon Johnson. The Webelos den will meet Wednesday evenings at 7 p.m. in the Reynolds home.

Laurel Boy Scout leader is Ron Erion with Brian Curtis assisting and Alan Rainbolt, helper. There are twenty Boy Scouts meeting every Monday night at 7 p.m. at the city auditorium.

Ken Carlson, guidance counselor at Wayne High, is taking applications for the Elks Club Youth Leadership Contest.

High school juniors and seniors are eligible to compete in the leadership contest, and although not a scholarship contest based upon academic grades, the contest offers the national winner cash awards for recognition as an outstanding leader in high school affairs.

Criteria for local screening of applicants includes leadership, citizenship appreciation, perseverance, resourcefulness and sense of humor, neatness and arrangement of application brochure, and compliance with brochure instructions. Juniors and seniors wishing to compete in the contest should contact Carlson prior to Friday.

It would be inaccurate to say that television selects the outstanding college football player in the U. S. to receive the Heisman Trophy each year. But, it cannot be denied that TV plays an enormous role in the voting.

Ballots are sent to 1,300 sports writers each year, who indicate their choice for the award. Obviously, the only chance most of these sports writers have to watch the work of outstanding college players is on the televised games. The player with the best chance to win is one who plays an outstanding game in a nationally televised event shortly before the Heisman voting.

Your best chance to get the buy of a lifetime on a new color TV is when you shop, compare and listen to our deal for YOU! Easy budget terms, if you wish, too.

How's Your Hearing Please Read This Carefully

Electronic hearing tests will be given at Morrison Hotel, Wayne, Nebraska October 12 from 10:30 a.m. to 3 p.m. by Nile A. Newburn, Beltone Hearing Aid Specialist. These tests will be offered as part of the Better Hearing Workshop program now being conducted nationwide.

Anyone who has trouble hearing or understanding is welcome to come in for a test using the latest electronic equipment to determine his or her particular degree of hearing loss. Diagrams showing how the ear works and some of the causes of hearing loss will be available. Everyone should have a hearing test at least once a year. Even people now wearing a hearing aid or those who have been told an aid won't help should have a hearing test and find out about the very latest kinds of hearing correction.

The free hearing tests will be held at Morrison Hotel, Wayne, Nebraska, October 12 from 10:30 a.m. to 3 p.m. If you can't get there, on that day call 375-3300 and arrange for an appointment at another time.

Swine Expert Says: Have Options Ready If Propane Becomes Short

Pork producers should consider their options in the event they are unable to purchase propane this winter, advises an area agricultural specialist. Bob Fritschen, swine specialist at the Northeast Station near Concord, indicated that a shortage of propane in general will mean that some livestock facilities heated with propane will have to be cut back.

Assuming that the producer heats all or part of his hog buildings with propane, Fritschen makes the following suggestions:

- Be careful that the farrowing house is the last to run out of fuel becomes short.
- Check buildings for adequate insulation, making sure they are as air tight and draft free as they can be. A good deal of fuel is wasted through inadequate insulation and improper ventilation.
- Producers with growing-finishing buildings that utilize propane but do not have slatted floors should consider straw bedding as an alternative. Placing boards over the top of the sleeping area and then putting a layer of bales on the boards is an effective method of preventing drafts in the sleeping area and conserving body heat.
- Since rats and mice move inside in the fall and are capable of destroying insulation and the like, develop an effective control program.

By knowing what the fuel balance on the farm is on a day-to-day basis and keeping in touch with suppliers, swine producers should be able to avoid serious problems, Fritschen concluded.

Judging Teams Advance to State Contest

One 4-H team and three FFA teams qualified for state competition at the area land judging contest held last week at the Northeast Station near Concord.

The teams will participate in the State Land Judging Contest at Clay Center Oct. 27.

The lone 4-H team to represent the district in the state is Dodge County with a team score of 912 points out of a possible 1,200.

Top FFA teams that will journey on to the state contest are the Pender FFA team, 899 points; Emerson-Hubbard, 893, and Scribner, 859. A second Pender team racked up 863 points for third place. However, since only one team from a school can be represented at the state contest, Scribner advanced into the third slot to go to state.

Individual winners in the 4-H contest were Donald Von Seggen, with a score of 314 out of possible 400; Dennis Stumpe, 310; Glen Waielhorst, 288; and George Stockamp, 272. All were from Dodge County.

In FFA individual competition, Paul Jasa of Pender totaled 334 points out of 400 for first place. The next four placings were Wes-Dunn of Pender, 328; Tim Barth, Stanton, 322; Dan Partridge, Stanton, 318, and Glenn Baumert, Scribner, 318.

A field of about 300 youths competed in the FFA and 4-H divisions of the contest.

FALL LAWN WEED CONTROL
Fall is a good time for lawn weed control.

Many lawn weeds such as dandelions are effectively controlled with an October application of a weed killer. Controls applied now eliminate dandelion blooms and seed next spring.

Choose a warm day when the temperature is above 60 degrees. Make certain there is little or no wind movement, using as little pressure as possible in your applicator when applying liquids. This will keep the number of small droplets to a minimum and reduce dangers of drift to susceptible plants.

Weed killers containing 2,4-D will give excellent results on dandelions, field bindweed, penny-cress and shepherds purse.

Herbicides containing silvex or mecoprop will give the best results on white clover, henbit, chickweed and violets. Many lawn herbicides now sold are combinations of 2,4-D with silvex, dicamba or mecoprop. Such combinations take care of practically all troublesome broadleaf weeds in lawns.

Also popular are "weed and feed" products which fertilize the grass and kill weeds at the same time. Weed and feed combinations are available as granules for spreader application. For best results, apply when the grass is slightly damp. Carefully check the label content of weed and feed packages. If they contain Banvel (dicamba) don't use them near or under trees and shrubs.

Why do fall applications give such good results? Simply because perennials and winter annuals are storing large quantities of food in the form of carbohydrates in their roots for next spring's growth. 2,4-D and closely related herbicides move with this food supply into the roots, interfering with normal processes. Cells are ruptured,

Have a Potato
Many farm families like the versatile potato for breakfast, while teens eat it for a midnight snack. Homemakers have favorite ways to prepare it. And processors are always introducing new potato products to the market.

Potatoes are considered a staple food to most families. They are relatively inexpensive and can be prepared in many ways, including dumplings, donuts or a chocolate potato cake. Potatoes are one source of vitamin C.

Surprisingly, a potato does not contain many calories — only 76 in a 3 1/2 ounce boiled potato. The same potato contains 93 calories when it is baked. French fries, containing 274 calories, and chips, with 568 calories, are definitely off limits to dieters. Of course, gravies and sauces increase the total calorie count.

Store potatoes in a cool dark place — between 45 to 50

Killing Frost Also Applies To Motorists

The expression, "killing frost" is usually applied to a hard frost that kills vegetation and ends the growing season.

Killing frost is also an apt term for motorists who fail to take proper precautions when approaching or crossing bridges. Bridge decks freeze quicker than roads and remain slippery longer. Vehicles can skid on the frost covered surfaces, and go out of control, especially if the driver hits the brakes.

The critical time for frosted bridges is approximately two hours before sunrise to two hours after, says the Department of Roads.

The DOR urges all motorists to slow down as they approach a bridge and to proceed across the deck at a slower speed. Warning signs located at bridge approaches should be heeded.

Using the Imagination

FOURTH, fifth and sixth grade students at St. Mary's School engaged in some unusual rosary making the past week, using material ranging from macaroni to puffed rice and even baseball bubble gum. Sister Mary Jamesine said the children came up with all kinds of ways to make rosaries. Students participating and the materials they used were: Joni Coan, macaroni; Theresa Dinges, purple, blue and brown lusk beads; Julia Dorcay, noodles and marshmallows; Teresa Ginn, puffed rice; Mary Garvin, blue, white and silver beads; Mary Henderson, flat white beads and cross from a pounded nail; Barbara Kovensky, blue, fauce beads; Alan Lindsay, baseball bubble gum; Brenda Lindsay, red candy and baseball bubble gum; Nancy Maly, breakfast food; John Melena, white and blue glass beads; Terri Melena, imitation white and pearl beads; Mark Meyer, red and white glass buttons; Nancy Nuss, white plastic fauce beads; Mary Schwartz, red and black licorice and marshmallows; Michael Sieler, popcorn and breakfast food; Nic Sieler, caramel and white popcorn; Deena Sharer, small marshmallows; Connie, Karen and Sharon Starman, red and black licorice and breakfast foods; Billy Vrtiska, yellow and white popcorn; James and Jeff Sperry, red and black licorice; Patrick McCright, breakfast foods.

Local Group To Camp Out At Ikes

Members of the Wayne Wheelers, a local camping group, will camp out at the Izaak Walton League lake northwest of Wayne Saturday and Sunday.

The camping group, which has traveled to Norfolk, Columbus and West Point this summer, will hold a potluck dinner at the lake site Sunday.

Anybody in the area who would like to camp out with the group is welcome to do so, according to club member Mer-ton Hilton

County Officials Plan to Attend District Meet

Several Wayne County officials plan on attending the semi-annual convention of the Northeast Nebraska Association of County Officials Oct. 18 at Norfolk.

The meeting will include talks by Steven Oltmans, general manager of the Lower Elkhorn Natural Resources District; Arnold Ruhnke, executive director of the Nebraska Association of County Officials; and Del Rasmussen, executive director of the Nebraska League of Municipalities.

One of those planning on attending, commissioner Floyd Burt of rural Winslow, is vice president of the 24-county association.

Also planning on attending are commissioners Joe Wilson and Ken Eddie, treasurer Leon Meyer, assessor Doris Stipp, veterans service officer Chris Bargholtz and clerk Norris Weible.

The all-day meeting will be held at the Villa Inn.

Area Residents Attend Annual Cancer Meet

Representing Wayne County at the annual meeting of the Nebraska division of the American Cancer Society at Norfolk Saturday were Mr. and Mrs. Charles Whitney of Carroll, Mrs. Ruby Longe of Wakefield, Mr. and Mrs. Fred Gildersleeve, Mrs. Lester Hansen and Mrs. Clifford Johnson, all of Wayne.

Dr. Gordon Adams of Norfolk, state president, conducted the meeting. Reports were heard in the morning, and new board members were elected and slide illustrated panel presentation on different areas where cancer can locate was given.

Dr. Arthur James, national president from Ohio, addressed the group concerning progress in cancer control, pointing out that there are now cures for about 10 varieties of cancer and that 75 per cent of all cancer can be cured if detected in time. He especially stressed the dangers of cigarette smoking.

The annual meeting concluded with an evening banquet. Entertainment was provided by a three piece combo and vocal selections by a native Norfolk man, Don Steward, who plays Michael Bauer on the day time television serial, "Guiding Light."

Thirteen Attend Youth Fellowship

Methodist Youth Fellowship met Sept. 30 in the church basement with 13 members attending. New members are Theresa and Barbara Heskitt and Kay Lynn Hansen.

Renay Harmeier gave the lesson and Rick Davis was in charge of games. Jill Kenny and Julie Stephens served lunch.

Next meeting will be Oct. 14 in the church basement.

Thirty-four men make up the Wayne Volunteer Fire Department, serving the city of Wayne and Rural Fire District 2 (parts of Wayne and Dixon Counties). Three pump and ladder trucks, a 1,000-gallon tanker, an equipment truck and a personnel carrier are housed in the city's six-bay fire hall. In the year ended May 1, Wayne's firemen spent 325 man hours responding to 23 fire calls and over 829 hours in training and maintenance. Fire damage in the past year amounted to an estimated \$39,850 in the Wayne area. The value of property saved during the same period is estimated at \$147,000. In the past ten years, the Wayne Volunteer Fire Department has responded to an average 27.7 fires per year. The number of fires has decreased each year.
