## Friday Is Deadline for Voter Registration

Voters have until Friday to register to vote in the May 14th primary election, reminds Wayne County clerk Norris Weible.

Weible said persons who have moved from one ward to another or from one precinct to another since the last time they registered should make sure they register by 5 p.m. Friday if they want to vote in the coming election.

Also, he said, persons who have never registered to vote and women who have married since they last registered have to register before Friday's deadline.

Weible said re-registering is easier this year for those voters

who have moved because his office will send out change of address application forms for persons to fill out and return by mail. The clerk's office then completes the registration for those voters, Weible said.

The forms are available by mail, at the clerk's office, at the

Republicans and Democrats will select nominees for the Nov. 11th general election in races for congressional state and county offices. Voters also will name nominees for the general election in the non-political races for seats on the governing board for the Northeast Nebraska Technical Community College at Norfolk and Educational Service Unit No. One.

Two constitutional amendments also will be voted on during the primary. One would raise the salary for legislators from the present \$400 a month to \$675 a month. The other would remove the lieutenant governor as the presiding officer of the

legislature and let the senators choose their presiding officer.

Voters in Wayne County will decide whether to do away with the noxious weed board. The board's duties would be taken over by the county commissioners if voters approve disbanding the board.

Voters in the Wayne Carroll school district will whittle the number of candidates seeking three posts on the school board from the present nine to six. Those six will face each other in the general election.

The May 14th election will decide who will hold the mayor's post in Wayne, four council seats in the city and board of

trustees seats in Winside; Hoskins, Carroll and Sholes.

As of April 5, a total of 4,853 voters were registered in the county, according to Weible. Republicans outnumber Democrats almost two to one — 3,060 to 1,565. Only 228 independents are registered across the county.

Almost half the registered voters in the county live in the city of Wayne. City voters number 2,331, according to figures compiled by Weible.

Following is a breakdown on the registered voters in the county to date:

## Fairgrounds Improvements

THE WAYNE COUNTY FAIRGROUNDS will take on a more pleasing appearance this summer when newly planted trees start shooting up and sprouting out. Helping agricultural agent Don Spitzke plant one of the trees Thursday afternoon are, from left, Harry Brian Frevert, Les Thompson and Jerry Sievers, all of rural Wayne. Also planting trees were members of the local Boy Scout Troop 175. The volunteers planted a total of 15 trees — Emerald Ash, American Linden, Blair Maple, Honeylocust, Silver Maple, Littleleaf Linden and Cottonwood. Purchasing 13 of the trees was the county fair board while the home extension council and the former Leslie Lassies 4-H Club purchased one each. Marilyn Koch, secretary manager of the county fair association, said any individuals or groups who would like to purchase trees for the fairgrounds are welcome to do so. Volunteers will be lined up to plant any trees donated, he said. Koch's son, Ron, will care for the trees this summer as his community service project in working toward Eagle Scout rank.

## Science Students Rank High

Science students from Wayne, Logan View and West Point Catholic schools won the five top prizes on the projects they reported Wednesday to the Northeast Nebraska Junior Academy of Science meeting at Wayne State College.

Said Ed Mundt of Logan View High School, academy president, "You can see why they won," after they re-read their papers for all students attending.

The high school winners in high school divisions — Ron Boyce of Wayne High and Susie Steuter of West Point Central Catholic, in the biology category, and Tom Geister of Logan View, in the chemistry-physics-mathematics category.

In the junior high division: Harvey Brunner and Bill Mc-

Namara of West Point Central Catholic.

A panel of judges including high school and college science teachers and several Wayne State students chose the top winners from 18 who received first-place awards.

The other first placers — in chemistry-physics-mathematics — Russell Barling and the team of David Popken and Roy Morris, Logan View; Sharon Emanuel, West Point Central Catholic.

In biology — Kay Barrett and Gary Wolken, Madison, Alfred Grovas and Brenda Gaunt, Wayne; Alice Hagedorn and Denise Hagedorn in a pair, West Point Central Catholic.

In junior high science — Peter Lueninghoer, Slanton; Mike McNamara, Nancy Engelmeyer, and the teams of Elaine Lueberl and Beth Heimann, Judy Steuter and Sandy Steuter, West Point Central Catholic.

## Winside Hires Teacher for T-1

An industrial education teacher from Coleridge has been named as the new trades and industries instructor at Winside High School.

He is Terry Munter, 25, currently teaching at Valley High School. Munter, a 1968 graduate of Coleridge High School, graduated from Wayne State College with a bachelor's degree in 1973 before taking the Valley job.

He and his wife Ellen have one son.

No other teachers have been hired to fill three other vacancies in the Winside public school system, said superintendent Don Leighton. The positions open are high school mathematics, business education and fifth grade.

Brenda Gaunt's project was titled "Genetic Transformation of Penicillin Sensitive E. Coli" and Alfred Grovas' project was titled "Ultra Violet Irradiation of Serratia marcescens."

Also participating from Wayne were Terry Hasebrook (second See Students, page 7)

## Woehler Named JC President

Bob Woehler will be president of the Wayne County Jaycees for the 1974-75 term.

Woehler was elected Tuesday night during the organization's meeting. Other officers chosen were Roger Madden, internal vice president; Ric Wilson, external vice president; Glen Hood, secretary; Dave Zach, treasurer; Ron Tomme, internal director; Rodney Reeg, external director, and Ken Vrliksa, ways and means director.

The new officers will take over their posts in June when the JCs hold their annual awards banquet, said outgoing president Dale Preston.

## 'Absentee, Disabled Have to Apply for Ballots by May 10'

Absentee, disabled and confined voters have until May 10 at 4 p.m. to apply for ballots so they can take part in the May 14th primary election, says Wayne County clerk Norris Weible.

Voters who know they will be gone on election day and unable to vote should apply for their absentee ballots as soon as possible, he advised.

Absentee ballots completed while a voter is still in the county have to be returned to the clerk's office by 4 p.m. on May 13, Weible noted.

Ballots for disabled and confined voters have to be picked (See Ballots, page 7)

## Dyas Visits in City Thursday On Campaign

Hess Dyas of Lincoln, Democratic candidate for the First Congressional District, was in Wayne last week during a campaign tour through the northeast part of the district.

Dyas spent the first part of his five day trip in Norfolk on Thursday, leaving there that evening for Wayne where he attended a district regional finance committee meeting at the Edwin O'Donnell home.

Friday he was in South Sioux City and Dakota City before going on to Randolph that evening.

## And They Kept on Boppin', Movin', Jivin'

They could've danced all night — and some of them did.

A few other youths who danced away for donations to help retarded people had to give up Saturday morning after more than 12 hours of nearly continuous dancing at the city auditorium in Wayne in order to go to work. Most of them vowed they would be back later in the day to help dance as the area's first danceathon in years drew to a close Saturday night.

Others — not very many of them — grabbed a few hours of sleep during the night or decided to go home to catch some quiet sleep before getting back out on the dance floor.

"It's fantastic, the number of people who donated food and cash during the night," said Mrs. Kenneth Sitzman of Wayne, who stayed up all night with the dancers. Businessmen and others donated pop, weiners and other food while the danceathon was going on, she said, noting that she and the dancers appreciated all the help they got.

Also staying up all night was Mrs. Sillman's husband, who finally gave up about 6 a.m. so he could go to work. "I'll be back as soon as I get off work," he said.

By noon Saturday, the amount those weary-footed dancers had collected through pledges passed the \$400 mark — \$408.10 in fact.

## Beer Sales On Sunday On Agenda

City councilmen in Wayne will consider permitting sale of beer on Sundays during their regular meeting Tuesday night.

Councilmen will read a proposed ordinance permitting Sunday sale of beer during the meeting, the second time they will have done so after taking up the subject at their meeting earlier this month.

If the councilmen agree to do away with a third reading, they would vote on the subject Tuesday night. If a third reading is required, a vote on the ordinance won't take place until the May 14th meeting.

Also scheduled for Tuesday's meeting is discussion of a Columbus firm's proposal for sewage service at the industrial site east of the city limits, discussion of purchasing a de-ionizer to treat water used at the municipal generating plant and discussion of establishing fees for those outside the city limits who wish to hook up to the city's water system.

total going over \$300 early Saturday morning was the ability of four Wayne youths to keep on dancing — something they had done from the start of the danceathon Friday night at 6 o'clock.

Still churning to rock and roll, moving to modern tunes and trying to keep up with an occasional polka were sisters Dianna and Peggy Langston, Susan Addison and Erin O'Donnell. Erin kept up her pace even though her brother, Robin, was

sleeping soundly amid the loud music in a corner of the auditorium.

Showing just as much staying power as the dancers was Mike McCurdy of Wayne, a former disc jockey who played records throughout the night and kept the young people awake in the early morning hours. He did slip away for a couple hours, however, when he had to attend a meeting Friday night. Taking over for him was local radio broadcaster Mike Jacobsen.

Spinning records Saturday morning about 9 a.m. when McCurdy finally called it quits in order to get a few hours of sleep was Jerry Hix.

Also dancing during the evening were Marilyn Wiesler, Kaye Coan, Nancy Proett, Deb Lawrence, Brent Pedersen, Susan Dorcely, Deb Bodenstedt, Mary Proett, Beth Pedersen, Jansen Thomsen and two St. Helena youths, LeRoy Goeden and Marcia Heine.

## Injured Employee Is in 'Fair' Condition

George Henderson, a lineman for the city of Wayne, was reported in fair condition at a Sioux City hospital Saturday morning after receiving a severe electrical shock while working on a power line in Wayne about noon Thursday.

Henderson, 49, suffered severe burns to his right shoulder and both thighs when he came into contact with a 2,400-volt line while working on a truck ladder near the National Guard Armory in the east part of the city. The accident happened about 11:45 a.m.

Bill Mellor, line distribution superintendent, said Henderson was removing the protective wiring on a line in preparation for boosting the voltage in the line so it can serve the industrial site east of the city.

When the contact was made, it apparently knocked Henderson unconscious and he fell against

a conductor, according to Mellor. The ladder Henderson was working on about 30 feet in the air was apparently in contact with a wire leading to the ground, Mellor said.

The two men working with Henderson, Al Grashorn and Don Meisius, called the power plant to have the power shut off, said Mellor, and an ambulance was ordered to the accident site.

Henderson was taken to the Wayne Hospital, then transferred to St. Joseph Mercy Hospital in Sioux City.

Mellor said Henderson was using rubber gloves when he was working on the line, but the wire apparently touched him somewhere above the gloves, causing a ground because the ladder was touching the wire leading to the earth.

Henderson has been working in the city's line distribution department since September of 1969.

## AHS Teachers, Board Stall in Salary Talks

A three-man committee will attempt to carve out a salary schedule acceptable to both the teachers and the school board at Allen now that formal negotiations have stalled.

The school is the first one in the Wayne area to go to impasse since formal negotiations between the board and teacher organization representatives. The two parties will meet and name a third party before actual talks begin.

If the three-man group can not come to a settlement, the case may go to court, Isom added. "We hope to have the negotiations settled by the end of school (May 17)," he said.

Allen teachers are currently receiving a base pay of \$6,450 plus four per cent salary increases for each year of teaching experience and another four per cent for each step in education preparation.

The salary schedules proposed by the board and the teachers were not disclosed.

## Dancin' The Night Away

DIEMARD DANCERS, from left, Peggy and Dian Langston, Erin O'Donnell and Susan Addison dance away while two other youths, Darin Proett, left, and Robin O'Donnell catch some sleep early Saturday morning during the danceathon at the city auditorium in Wayne. The four girls had been dancing almost continuously from 6 p.m. Friday until Saturday morning about 9 a.m.

**THE GALL** of some people! A person up Randolph way who gets our newspaper only when we distribute sample copies throughout the area suggests that we give away papers every time an election rolls around. She says she often goes to the voting booth "not knowing what names are on the ballot." Our sympathies go out to her, but if she isn't interested enough in what's going on around her to subscribe to a paper, we'll be darned if we're going to give her one free. We're in a business, just like the car dealer on the other street, the druggist a couple blocks away or the implement dealer on the edge of town. We sell news and advertisements, and the subscriptions from our readers help us spend the large amounts of money necessary to put newspapers together week after week. Those subscription payments don't cover all those expenses — far from it — but they do help. Keep them coming in — they're appreciated.

**JOHN G. NEIHARDT**, Nebraska's most famous poet, is remembered in words and pictures in a special part of the first issue of Nebraska Bicentennial Broadside, official publication of the Nebraska American Revolution Bicentennial Commission. The publication was named that because the broadside was the start of

modern day journalism and news broadcasting. The broadside was an outdoor wall poster—used first in England and later in early America to keep people aware of what was going on.

Here are a couple of Neihardt's comments quoted in the publication: "People claim I had pull to get into college (the forerunner of Wayne State College). I did. It was a good stout pull — on a bell rope every 30 minutes from 6 a.m. to 6 p.m. during each school day. The school offered me free tuition for my pull."

"Crazy Horse was a great man — as great as Washington... he had had the publicity." There are far too few Neihardts in this world. They are the kind of people who can write epic poetry in such a way that it touches even the simplest among us. A big Sandhills cowboy came up to Neihardt after listening to him read from his "A Cycle of the West." He slapped the tiny poet on the shoulder and said "Damn you, yuh made me cry." Neihardt said that was the finest tribute anybody had ever given him.

**SKAGVALE** Graceful Hattie, a Holstein up near Sedro Wooley, Wash., is the world's most productive dairy cow, says a news story passed on by Northeast Station dairy specialist Don Kubik.

He broke a 21 year old world record in 1972 by giving 44,019 pounds (20,947 quarts) in one year. Standing five feet one inch at the shoulder and weighing one ton when with calf, she must be an impressive sight, deserving of the special barn her owners provide for her. She's an eater too, consuming more than 60 pounds of alfalfa and up to 45 pounds of grain every 24 hours. Just glad she isn't in my household! I've got enough trouble feeding a couple growing kids.

**PROSPECTIVE** college students in high schools across the state are looking at a University of Nebraska Lincoln poster designed by Wayne High graduate Doug Stanley.

Son of Mr. and Mrs. Bob Stanley, he drew up the design for the poster used by NU to explain the school-to-high school seniors. Some 4,500 copies of the poster were printed. Stanley a senior art major at NU graduated from Wayne High in 1970.

**FOR FARMERS:** Feed grain stocks (corn, oats, barley and grain sorghum) on April 1 totaled 10,948,000 tons in the state, 27 per cent less than a year earlier, says the USDA. Corn accounted for 77 per cent of the total, 10 per cent less than last year.

**PEOPLE IN THE NEWS:** Marc Ellermeier, son of Mrs. Arlene Ellermeier of Wayne is one of 13 University of Nebraska Lincoln men named as new members of the Innocents Society, senior men's honorary. Enrolled in the College of Arts and Sciences, he was chairman for two years of the Nebraska Union Fine Arts Committee, served on the Cultural Affairs Committee and worked as entertainment writer for the Daily Nebraskan.

Darrell Moore of Marra Home Improvement Co. helped Gambles manager Gene Cornell work on last week's city wide Beef Days promotion in Wayne. He was named by Chuck Surber and Roger Nelson, co chairmen of the Chamber of Commerce committee to fill out the rest of Byron Heier's term on the committee.

Jane Owens, Wayne High graduate and summer employee at The Wayne Herald in 1971, has been named vice president of the NU Society of Professional Journalists. Sigma Delta Chi, a junior at NU, she will intern this summer at Chicago Today, afternoon edition of the Chicago Tribune.

**'Paper's coverage is appreciated'**

Dear Editor: Thanks so much for the excellent coverage you gave the Lutheran Parish Resource Fair held at Wayne State College Sunday, April 21st, and for the followup to this meeting. I appreciate your descriptive articles and your presence at the fair. Your coverage helped to draw well over 1,000 persons to this event.

Thanks again for your help. — Pastor Doniver Peterson.

Wibaux, Mont., Pioneer-Gazette: "Water rights, pollution and reclamation are three of the most often heard words today, and when you weigh them against three other words: Energy, Heat and Light, you have to look at both sides of the scale before yelling 'Wolf' on all industrial progress."

Morrisville, V. V., Ritchie Gazette and Civil Standard: "The game of life is very much like the game of football. There's the goal we all strive to reach; there are times when combination pays better than individual brilliance; there are big men — and big jobs — to tackle, penalties for those who break the rules, applause of the crowd for clever headwork and spectacular play; unfeeling jeers for failure that, with just a little luck, might have been a success; there are trips and falls — and fouls. Life might be a game of football for many. The trouble is that we are sometimes the ball — kicked and buffeted about, instead of being the player, we are (the) one to be played with. And it hurts."

**LOSSES** in a series of school break ins, vandalism and thefts in Cuming County this month have climbed to several hundred dollars, reports the county sheriff's office. Schools broken into so far include District 25 northeast of West Point and District 32 southwest of Bancroft. Signs have been stolen from the Highway 32 delour west of West Point, and numerous mailboxes have been riddled with rifle bullets.

**JERRY FRAHM** has been named President. Jack Frahm vice president of the Plainview Jaycees. Other officers named recently include Ted Jaroske, second vice president, Carl Wilcox, secretary treasurer, and Rollie Pudenz, board of directors member.

Giving the tests were Dr. William Koerber, Wayne; Dr. Wade Nyquist, West Point, and Dr. Jack James, Dr. Vern Hybl and Dr. Bob Walker, all of Norfolk. Assisting them were five Wisner area registered nurses: Mrs. Victor Borgelt, Mrs. Russell Brahm, Mrs. Bob Brazda, Mrs. Erdine Moeller and Mrs. Cecil McGuire.

**WAUSA RESIDENTS** have organized a Keep Wausa Beautiful Committee. Members of the group are talking with leaders of youth groups, 4-Hers, Scouts and others in an attempt to get their help in keeping the community attractive. The committee hopes to arrange a monthly pickup of recyclable items which will be taken to the Ecology Shed at Norfolk. Plans also call for establishing a central collection point in the community where residents can drop off material for recycling.

**DR. WILLIAM MURPHY** of Neligh was installed as president of the Nebraska Dental Association at the 106th annual convention in Omaha Saturday. A graduate of Neligh High School, he has practiced in Neligh since opening his office there in 1954.

**A MAN** from Sioux City, Kenneth White, remained in serious condition in a Sioux City hospital last week after being stabbed in the left chest in an incident at the Pink Elephant Bar west of South Sioux City earlier in the week. White told officials he was talking to another person when a young man walked up and hit him in the chest. He didn't know he had been stabbed until later when he noticed he was bleeding.

# OBSERVATIONS

## Any takers?

The little Knox County town of Wausa, probably seven times smaller than Wayne, is going to have a recycling center in operation by June if everything works out as planned. Member of the community's beautification committee are trying to get groups lined up to operate the center one time each year. If 12 groups can be committed to the task, the center will be open one day a month the year around for local and area residents to use. In addition, the committee is trying to set up a schedule of regular monthly pickups of material which can be recycled rather than tossed in a ditch, burned in a trash can or dumped in a landfill.

Material collected in Wausa would be taken regularly to the Ecology Shed in Norfolk where it would be combined with the material being collected in that city. Later it would be transported to plants which would turn the trash into useable material.

Here are a few facts about recycled

material which the committee in Wausa is trying to get access to residents. — One ton of newspaper is equivalent to saving 17 trees. — It is less expensive — and requires much less energy — to recycle aluminum products than it is to make aluminum originally. — Glass can be recycled into new glass products and used in asphalt for road construction. — The metal in tin cans can be recycled as close to home as the steel plant just east of Norfolk. — Landfill areas are rapidly being filled and it takes hundreds and thousands of years before glass and aluminum disintegrate when buried or thrown away. — If Wausa, a town of just over 700 population, can tackle a job like this, Wayne, a town of some 5,000, should be able to do the same. — What it would take is a dedicated group or organization to take the project on as its major function. Any takers?

## Nebraska

**STATEHOOD AND BEYOND**

Nebraska, with an estimated population of 1,542,000, celebrated the anniversary of its 107th year of statehood on March 1. Following President Andrew Johnson's 1867 proclamation admitting Nebraska as the 37th state into the Union, countless men and women have added to the development and advancement of their adopted land. Among these builders of Nebraska were the "small town" newspaper editors who so enthusiastically extolled the virtues of the state and were so completely oblivious to its faults. Their efforts attracted new settlers to the area and gave to the people a sense of pride. Few could surpass the exuberance of the editor of the "Peoples Banner" (David City, Nebraska, June 30, 1910): "Nebraska was admitted into the Union on March 1, 1867. On that date the state contained less than 100,000 inhabitants and these were confined to a comparatively narrow strip bordering on the Missouri River. Then the territory now known as Nebraska was known as 'The Great American Desert.' Today (1910) Nebraska has 1,250,000 inhabitants, the 'Great American Desert' is a fast fading memory, and no where in all the world is presented such a spectacle of prosperity and development as that presented by the giant young state carved out of the heart of the 'desert.' In the short space of forty-three years there has been builded within the confines of Nebraska an agricultural and industrial empire that is at once the wonder and admiration of the world. "One hundred and sixty thousand farms. Four thousand industrial plants. Six thousand miles of railroad. The third largest packing center in the world. "The second largest smelter in the world. The largest creamery in the world. The largest permanent school fund of any state in the Union. The seventh largest state university. "These are some of the big things

## 'So they said'

I do feel that there is a danger in thinking that America and the Constitution are under the special protection of God; and that what has happened in other nations, couldn't happen here. A dictatorship could happen in this country. But, I don't sound too alarmist and pessimistic. I want also to say that I do not see such a turn of events happening now, or in the near future. On the contrary, I think that with the proper leadership, the tremendous vitality of this country could be harnessed for the good. I think there is still a lot of idealism to be tapped here, and what is more, I think it is essential for America — and perhaps even the rest of the world — that this idealism... be tapped. — Historian Astair Cooke

## Watch out for that cycle

The next time you're driving around in your car, keep an eye out for that guy on the motorcycle. Motorcycling is growing by leaps and bounds all over the state of Nebraska, reports the Cornhusker Motor Club, and along with the growth in the popularity of motorcycling has been an alarming increase in the number of accidents and deaths. The number of accidents in the state increased from 790 in 1969 to 1,165 in 1973, a 46 per cent increase in five years. Some other interesting facts about motorcycle accidents in Nebraska: — Fatalities have increased 850 per cent in the past 10 years (from two fatalities in 1964 to 20 in 1973). — A total of 75 per cent of all fatal injuries suffered in motorcycle accidents in 1970 were head injuries. — An injury occurs in nearly 100 per cent of all motorcycle accidents. — The probability of dying in a motorcycle accident is about twice that of

dying in an automobile accident. — The mileage death rate for motorcycle lists in 1971 was 15.5 deaths per 100 million miles of travel. That compares to 37 deaths per 100 million miles for all motor vehicles. — Most motorcycle accidents occur during clear weather-on dry, level roads and with no unusual conditions. — A drop of only 32 to 36 inches on a hard surface is all that is necessary to cause a fracture of the human skull and the concussion that usually accompanies it. — More than half the motorcyclists in accidents are between 16 and 20 years old. A surprisingly large number, 72 per cent in one large city in another state, had never received any riding instruction. — Keep those facts in mind the next time you drive around the community or out on the highway. We assume the motorcyclists know that what he's driving is dangerous unless handled properly.

## Bus Going to Iowa For Friendship Day

A 33 passenger bus has been chartered by the Wayne Senior Citizen's Center for the May 15 trip to Sioux City, Ia., to attend the annual Friendship Day festivities at the municipal auditorium.

Reservations should be made as soon as possible at the center. The round-trip fare is \$4 per person. The bus will leave the Wayne center at 9 a.m. and will start home at 4 p.m. Participants may take a sack lunch to eat at the auditorium at noon, or can plan to eat at the nearby cafeteria.

The bus trip is available to all senior citizens in the area. Those who do not wish to attend Friendship Day can take advantage of the transportation to

make doctor's appointments or take care of other business in Sioux City.

Sixteen were at the center Friday afternoon for the sermonette by the Rev. Robert H. Haas of the United Presbyterian Church. His topic was "Friendship." Pearl Griffith accompanied singing of hymns, led by Joceli Bull, center director.

Fifty-four members turned out for the monthly dance Tuesday afternoon. Bobbles and Bubbles played old-fashioned tunes and Herman Beune, senior citizen from Howells, joined in on the concertina.

Other guests were Anton Pedersen's daughter, Mrs. Vera Drews; Mrs. Pedersen's brother-in-law and sister, Mr. and Mrs. Chris Sonderstrup of Omaha, and Mrs. Leila Maynard's sister, Bonnell M. Mosher of Oregon.

Following the dance, Dr. Freeman Decker, candidate for Wayne mayor, spoke to the group and answered questions.

Refreshments were provided by Mr. and Mrs. Anton Pedersen, Pearl Griffith, Leona Bahde, Hilda Vahkamp, Elizabeth Meyer and Louise Hoeman.

Assisting with serving and cleanup were Besse Peterman, Gladys Petersen, Joceli Bull, Roy Daniels and Ed Johnson.

Next dance and sing-a-long will be May 28 at 2 p.m.

Monday afternoon, 35 center members were present for bingo, called by Ed Johnson, and to hear Rich Hall, candidate for Wayne mayor speak and conduct a question and answer session.

## Laurel Girl Wins First at State

A Laurel girl, Jeanne Pippitt, was named first place winner in the state sewing competition at the Nebraska Federated Women's Club convention at Kearney last week.

Miss Pippitt, who was sponsored by the Laurel Tuesday Club, had won a blue ribbon at the District 111 contest held March 9 in Pender.

She competed against high school students from four other Nebraska districts to win the state honor. Her award included a certificate of excellence and \$15 in cash.

Miss Pippitt will graduate this May from Laurel High School and plans to attend Wayne State College and major in home economics.

Laurel women attending the state convention at Kearney included Mrs. Joyce Pippitt, Mrs. Norma Pippitt, Mrs. Helen Sorenson, Mrs. Gloria Anderson and Mrs. Shirley Kraemer.

JEANNE PIPPITT modeled a two-piece, self-designed sport jacket and skirt, complemented by a matching hat, to win first place honors at the state Women's Club contest in Kearney last week.

## BPW Meets For Dinner

The April dinner meeting of the Wayne Business and Professional Women was held at Bill's Cafe.

Myrtle Anderson, past District 111 director, reported on the state convention she and Leona Bahde had attended in Lincoln last weekend.

Mrs. Joann Ostrander and Leona Bahde were named to the nominating committee.

Mrs. Eldon Bull introduced Dr. Charles Hepburn, who spoke to the group on "Purpose of the United Nations and the United States Declaration of Independence." A question and answer session followed.

Next meeting will be at Bill's Cafe at 6:30 p.m., May 28. Membership is open to all employed women.

# Hix Single Boosts Devils Past Allen

Normally when a high school baseball player gets his first run batted in of the season, the only people to remember are the batter and perhaps the coach when he lists it in the statistics. But somehow it's going to be hard for Allen followers to forget Dave Hix's RBI.

The sophomore right fielder for Wayne ended the Eagles' hopes of taking Win No. two against the Blue Devils when he cracked a single to right field to end the eight-inning match, 3-2, Thursday. In the first match, April 9, Allen nipped the locals, 1-0.

Hix powered the ball to shallow right field to score left fielder Kerry Jech and help boost the Blue Devil mark to 6-1. Wayne hosts Elgin Pope John today (Monday).

The locals almost blew their chances of scoring when they had the sacks loaded with no one in the extra inning. Keen

defense by coach Bob Moore's club got the first two outs. Shortstop Roger Anderson grabbed a fly ball hit by senior Kim Baker in the infield for the first out before third baseman Loren Book took a fielder's choice by Wayne third baseman Dave Nuss and fired it to first for the second out. At that point Moore moved his outfield back, but Hix surprised Allen's defense with

## Miller Named L-C Conference President-Elect

Del Feulberth, Osmond High School principal, and Gail Miller, superintendent at Allen High School, have been elected as the Lewis and Clark Conference's new secretary-treasurer and president elect for the 1974-75 school year.

Named during the conference's spring meeting Thursday, they will take over for Bryon Whitehouse of Walthill, present secretary-treasurer, and Don Vanderheiden, who becomes the league's new president next fall.

Also during the meeting, the conference selected dates and sites for various league activities.

Winside will host the vocal clinic Nov. 4 and Allen will be the site of the Feb. 13 speech contest. One act plays will be March 7 at Winnebago. A site has not been determined for the Feb. 3 instrumental clinic.

The members set Feb. 18 as the date for the conference basketball tournament but were uncertain of the site. Tentatively, it will be held again at Wakefield. Also undecided were sites and dates for the conference's football and volleyball playoffs.

## Coeds Blast Concordia

Another game, another win. And now it's an 11-1 record for Wayne State softball coeds after they beat Concordia 10-3 at Seward Thursday.

But they also lost the services of starting second baseman Mary Steinauer. She broke a leg sliding into second base.

Pitcher Mary Gerken started for Wayne and got the win on three innings of work before Bets Thurness took over to finish. Gerken and catcher Cheryl Finke both hit home runs, among Wayne's 10 hits. Concordia hit four times.

The Wildkits were scheduled to play J.F. Kennedy College Saturday afternoon if the field dried enough after a rain.

the fly into short right. Wayne opened the scoring on an RBI by Kim Baker — his 11th of the season — in the second inning to score Jech from second. But the 1-0 lead only lasted until the top of the fourth when the Eagles knotted the score. Pitcher Neil Blom, after getting on first via a single, came home on the team's second single by left fielder Paul Snyder.

Wayne bounced back in its half of the fourth for a 2-1 lead when catcher Mike Meyer slapped a single, stole second and crossed the plate on Nuss' single.

The see-saw scoring continued in the top of the fifth when Allen countered with the tying run on Anderson's single to score Book. Then Wayne mentor Mike Mallette called on junior Earle Overin to take over pitching duties from starter sophomore Paul Mallette. Overin halted Allen's scoring punches in the sixth frame fanning three Eagle batters, but he had his problems in the seventh.

Allen again was in scoring position with runners on first and third and two out but Anderson hit a grounder to shortstop Baker who fired it to second for the force out.

Blom, now 1-1, went the entire distance striking out six, walking four and giving up six hits. Overin's mark is 3-1 after giving up one hit and two walks. He struck out six.

Following today's game Wayne will host Wakefield Wednesday while the Eagles (3-2) host Homer also Wednesday.

## Cheerleading Tryouts Are Tuesday at Allen

Tryouts for Allen High School's varsity cheerleading squad will be held Tuesday. Five varsity members will be selected and one alternate reserve cheerleaders will be named in the fall.

SECOND BASE is where the action was at during the Wayne Allen baseball game as players from both squads tried to steal second or were forced out at second.

## Yrkoski, Saul Pitching Sparks Cats 2 Wins

A no-hitter by Wayne State sophomore Leo Yrkoski and a two-hitter by freshman Roger Saul sparked a pair of Wayne wins over Midland College Wednesday at Fremont.

Yrkoski, an Omaha area who has seen little action in two seasons, got this praise from coach Larry Schultz: "Leo did a complete job

of pitching, with curves and change ups. And he got the big out when he had to have it."

Wayne bats helped Yrkoski and the nightcap early, with 14 hits producing a 12-0 decision in two innings. Among those hits were four out of four trips by Jerry Ferichs of Coleridge. For the twin bill, the 6-5 junior beat out six for seven, including a

home run into a stiff wind, a triple and a double.

In the opener Wayne High product Saul had an 11-strikeout no-hitter going into the last of the seventh, Wayne leading 3-0. Then he got into a bit of trouble — bases loaded with one out.

The next Midland batter belted a long fly toward the left field foul line. Wayne left fielder Brent Moeller, a 5-8 and 155-pounder who is the team's fastest runner, was playing shallow. But the speedster from Scribner dashed after the fly — and caught it as he crashed into the fence. Whirling, he rifled a throw to shortstop Don Hasenkamp of Scribner, who relayed to second baseman Jim Wetzel of Grand Island. Wetzel tagged out a Midland runner trying to get back to second.

That was the game, with one Warrior run scoring for a 3-1 finale.

Minus Moeller's catching gem, Schultz observed, the score could well have been tied, with one out.

The win raised Wayne's chart to 14-6. A make-up doubleheader with Yankton, Friday, has been canceled. Next on the Wildcat schedule, at Dana Tuesday afternoon, at UN Omaha, 6 p.m. Wednesday.

## Winside Gals Take Triangular

Winside High girls nipped Plainview by two and a half points and walloped Osmond to win the Plainview triangular track meet Friday.

The Wildkittens, led by Gail Grone's pair of firsts, collected 62 points to Plainview's 50 and Osmond's 26 to sweep the meet before heading into the Lewis and Clark Conference girls meet at Winside today (Monday).

Grone's first in the 200 lower ed the previous mark of 29 set by Lori Jenkins last year. The sophomore speedster ran the distance in 1:28.7.

Other records broken included sophomore Jill Stenwall's 103.4 mark in the discus. Stenwall extended that record by almost four feet. Another sophomore, Sheryl Peterson, established a new 50 yard dash time of 06.5 to erase a 06.6 clocking set this year.

Other Winside girls who placed:

- 55 yard dash — 1 Jan Trautwein, 06.6
- 100 yard dash — 2 Sheryl Peterson, 12.1
- 120 yard dash — 3 Nancy Morris, 30.1
- 440 yard dash — 2 Patty Mann, 55.6
- 1 mile — 4 Cindy Krueger, 3:11.7
- 880 yard run — 2 Barb Peter, 2:59

# Wayne Cindermen Finish Fifth At Randolph Meet

Wayne High School boys' basketball team garnered fifth place in the Randolph invitational Friday, scoring 19 1/2 points.

Powerhouse Columbus Scotus captured the 13 school meet with 57 points, followed by a second place tie between Crofton and Randolph with 42 each. Other schools which scored included Plainview, 25; Wayne and Bloomfield, 16. No other scores were available.

The relay teams were Wayne's strongest finishers, taking second, third and fourth. The 880 foursome of Ken Baier, Marty Hansen, Rod Hoops and Dick Chapman finished second with a 1:38.2 time. The mile relay squad (Lane Ostendorf, Jim Brasch, Jack Froehlich, Dave Lessmann) came in third in 3:42.4 and the two-mile relay squad was fourth.

For the first time in eight years the two-mile team broke the six-minute mark, coach Al Hansen pointed out. The time for the four man team of Ostendorf, Don Nelson, Brasch and Pat Deacy was 5:59.6.

Gordon Emery also scored a pair of fourths in the triple jump and the 120-yard high hurdles. Emery finished the high jump in 55.9 while going 40.7 in the triple. Also taking fourth were Dick Chapman with a 24.3 time in the 220 and Rod Hoops in the 100 yard dash with a 1:05.6 clocking. During preliminaries, he ran the course in 1:03. Emery and Brasch captured fifth, too — Brasch in the 440 at 1:53.6 and Emery in the 180-yard high hurdles at 23.

"I felt the whole team worked hard," Hansen pointed out. "They warmed up well and put out a 100 per cent effort — you can't ask any more of them than that," he said.

Due to a lack of transportation, only 11 were able to go, he added. But all did place.

Friday afternoon Wayne will enter the Wisner Pilger invitational.

# Lage Snaps 2 School Records

Junior Gregg Lage snapped two school and meet records in grabbing firsts in both the mile and two-mile runs Friday, as Winside finished fifth with 19 1/2 points in the 20-team West Point invitational at Wisner-Pilger High School.

Lage ran the mile in 4:37 — about a second better than his previous record set earlier this season — and bettered his two-mile mark with a 9:56 time.

Junior Mike Anderson also took first, throwing the discus 125.6. Placing fifth in that event was sophomore Bob Hoffman with a heave of 116.6.

Valley won the meet with 39 1/2 points.

Winside will host its annual invitational meet Tuesday, included in the meet will be Allen, Battle Creek, Beemer, Newcastle, Ponca, Winnebago and Wynot.

# Laurel Girls Take First At Osmond

Laurel High's girls track team capped two firsts and 10 other placings to capture the fifth annual Osmond invitational Tuesday.

The area team, paced by Kathy Maxon and Patty Stark with firsts in the 440 and 880. The area team, paced by Kathy Maxon and Patty Stark with firsts in the 440 and 880, jopped a field of 12 teams, including fifth place Winside.

Laurel literally walked away from the competition with 40 1/3 points, with Battle Creek their closest competitor at 32 1/3.

Other scores: Crofton, 29; Wausau 26; Winside 22; Plainview 19; Verdigris 12; Osmond 7 1/3; Harlington 3; Wynot 1. Two teams failed to score.

Three new meet records were set in the competition. Both Laurel's first place winners set records, along with Winside's Jill Stenwall, who won the shot put.

## LET'S HAVE A BUS SERVICE

The people of Wayne tell me that we are in great need of bus service. This is my solution.

We can establish a regularly scheduled "jitney" service within Wayne plus a route to Sioux City and Norfolk. These "jitneys" are now in operation in Atlantic City, New Jersey. I have spoken with officials in Atlantic City by telephone and they have sent me full written descriptions of the service. Each "jitney" costs new about \$4,500.00 from either one of the major American manufacturers. Each carries seats for ten passengers. "Jitneys" operate at a profit to their private owners.

I estimate that two privately owned "jitneys" in Wayne could operate profitably and offer city-wide transportation as well as service to Norfolk and Sioux City.

As Mayor, I will help interested investors coordinate development of this potentially profitable and useful service.

If you have questions, please write or call me.

# WS Netmen Falter, 7-2

Wayne State's tennis team took a 7-2 loss from Concordia College Wednesday on the home courts, remaining winless in five meets.

However, No. 1 player Vince Emery continued unbeaten — normal for him in previous Wayne seasons. He defeated Concordia's No. 1 man, Eric Schultz, 6-3, 6-2. Emery also paired with Rick Noyes for a doubles victory of 7-6, 6-3 over Schultz and Mark Yost.

Wildcat netters will play Midland today (Monday) at Fremont. Doane here Tuesday afternoon at 4, Buena Vista here Wednesday at 3. Morningside here Friday at 2 p.m.

# Wakefield Girls Drop Randolph, Bloomfield In Track Triangular

A clean sweep in the 80 yard hurdles, plus seven first place finishes proved coach Ernie Kovar's Wakefield girls track team over Randolph and Bloomfield Tuesday in a triangular at Randolph.

The Trojanettes captured the top four positions in the 80 yard hurdles, then went on to take first in the shot put, 880, discus, high jump, 50 yard dash, 220 and 880 yard relay to score 68 points to Randolph's 36 and Bloomfield's 23.

Junior Rita Taylor and freshman Kathy Tullberg paced the club with a pair of firsts. Taylor took the shot and discus, and Tullberg finished first in the 50 and 220.

In taking the shot, Taylor also established a new school record with a heave of 34.7, topping her old mark of 29.81 set last year. Other records that fell were the 880, now-held by Kerry Fischer with a 2:40 clocking, and the 440, now owned by Cindy Keagle with a 1:07.4 time.

The old 880 record was 2:43 set by Rachel Bard in 1971. The 440 mark was 1:07.9 set by Lori Starl 1 1/2 years ago.

After Saturday's Husker Conference meet at Columbus Lakeview, Wakefield hosts Laurel Wednesday.

Dear Ladies

And Gentlemen,

Tonight I'd Like to

Talk About...

The other day, while vacuuming my living room drapes and pondering my successful career as a columnist (I had received a fan letter from one of my second cousins just that morning), the thought occurred to me I might someday be called upon to deliver a speech.

Before beginning, I continued, there are certain acknowledgements which I feel are in order. It would not be possible for me to be with you tonight if it were not for the encouragement of several individuals, and I would like to give credit where credit is due.

### Dixon Board To Study Bids

The paving of a five and a-half mile stretch of gravel road from the Northeast Station to Highway 35 south of Allen may become a reality within a year.

Doyle Hanson of Newcastle, chairman of the Dixon County board of supervisors, said the board currently is studying bids totaling about \$271,000 to have the county road graded and widened and have culverts installed.

Hanson said if the board approves the bids, released in Lincoln Thursday, the project to have the road paved or black-topped could start in about a year. Right now plans call for widening the road from about 20 feet to 28 feet, grading and installing culverts.

The board is scheduled to meet May 14 for its regular monthly meeting. At that time it will decide whether it will accept bids by two Norfolk firms and a Hartington firm. Cost of the proposed project will be 70 per cent state funded with Dixon Dixon paving 30 per cent, according to Hanson.

### WSC Head Is on NETCHE Board

Dr. Lyle Seymour, president of Wayne State College, has been elected to the five member executive committee of the Nebraska Educational Television Council for Higher Education, Inc. (NETCHE).

He and the other board members and officers were named during the organization's annual meeting in Lincoln Thursday. Named president was Dr. Brendan McDonald, president of Kearney State College.

In other action the membership approved an institution supported budget for the 1974-75 fiscal year of \$68,828.

NETCHE is a non-profit corporation of 15 Nebraska colleges and universities which provides instructional television materials for its membership via facilities of the Nebraska Educational Television Network and the NETCHE videotape library service.

### Home Ec Is Subject of Workshop

A weekend workshop of interest to home economics instructors is scheduled May 3-5 at Wayne State College on the subject of Selection, Use and Care of Modern Household Appliances.

Mrs. Eena Adams, assistant professor home economics at Wayne State, will direct the class, meeting Friday evening from 7 to 9, Saturday from 8 to 4, Sunday from 8 to 3.

The Friday evening session will have a special consultant, Lynn Raasch, staff home economist with the Maytag Co.'s home service department. She works with educational institutions, extension service home economists and utility companies to explain the use and maintenance of home appliances.

For this workshop, students may earn two hours credit at senior or graduate level. This requires completion of an out-of-class assignment. Tuition payment of \$31 should be mailed to Loren Kamish, director of continuing education, Wayne State College. Housing is available on campus for those wishing to stay Friday and Saturday nights.

## OBITUARIES

### Leona Surber

Wayne resident, Leona Surber, died Thursday at the Wayne Hospital at the age of 73 years. Funeral rites will be conducted today (Monday) at the Redeemer Lutheran Church, Wayne, at 2 p.m.

Officiating will be the Rev. S.K. deFreese. Serving as pallbearers are Harry Wert, Ted Fuoss, Alvin Reeg, Orville Sherry, Glen Sampson and Paul Baier. Burial will be in Greenwood Cemetery.

The daughter of Eugene and Mary Hawley, she was born near Stella on Dec. 16, 1900. In 1905 she moved with her family to a homestead near Hershey.

She was united in marriage to Ray H. Surber May 15, 1922 at North Platte. The couple resided at Davenport until April of 1934 when they moved to Wayne.

She is preceded in death by a daughter, Dorothy, three brothers and two sisters. Survivors include her widower, Ray, two sons, Charles and Harold, both of Wayne; five grandchildren; and one sister.

### Alverno Lanser

The Rev. Clifford Lindgren officiated at funeral services Friday morning at the First Lutheran Church of Allen for Alverno Lanser, 65, of Allen. He died Wednesday in a Sioux City hospital.

Serving as pallbearers were Larry Lanser, Roger Schroeder, Clayton Fegley, Harold Von Minden, Irvin Durant and Earl McCaw. Committal was in the Eastview Cemetery, Allen.

Lanser, a retired rural mail carrier, was born August 25, 1918 at Martinsburg. He was the son of Frank and Margaret Thyne Lanser.

He was married at Dakota City Feb. 12, 1934 to Ethel M. Schroeder. He was a member of the First Lutheran Church of Allen.

Preceding him in death were one sister and three brothers. Survivors include his widow, Ethel; one daughter, Mrs. Gary (Sharon) Nelson of Jackson; four grandchildren, and two sisters, Mrs. Robert (Francis) Kern of Algona, Ia., and Mrs. Aage (Lucile) Jensen of Yankton, S.D.

### Mrs. Emma Munson

Funeral services for Emma Munson, 89, of Laurel, are set for 2 p.m. today (Monday) at Our Savior's Lutheran Church, Oberlin. She died Friday at Wayne.

The Rev. John A. Pietsch will officiate and burial will be in the Oberlin Cemetery. Pallbearers are Jack Rasmussen, Jerry Mathers, Jerry Munson, Terry Munson, Gary Munson and Harold Munson.

A 10 a.m. prayer service will be held today (Monday) at the Willse Chapel in Laurel with the Rev. Olin Knudsen officiating.

Emma Marie Munson, daughter of Fred and Augusta Miller, was born at Fremont July 16, 1884. On June 28 1905 she was united in marriage to Severt Munson at Lime Grove, Ne.

Mrs. Munson had resided at O'Neill, Oberlin and Harting prior to moving to Laurel. She was a charter member of Our Savior's Lutheran Church of Oberlin and of the Lutheran Ladies Aid.

Preceding her in death were her husband, one daughter, Fern, three brothers and four sisters.

Survivors include seven sons, Arthur and Sherman, both of Cherokee, Ia.; Otto of Portland, Ore.; Henry and Syle, both of Norfolk, Bud of Wayne and Lyle of Sioux City; three daughters, Mrs. Elmer (Florence) Rasmussen of Laurel, and Marie Mathers and Mrs. William (June) Harvey, both of San Diego, Calif.; 27 grandchildren, 33 great grandchildren and two great great grandchildren.

### Weather Meeting Held Wednesday

The third annual Dixon-County Severe Weather Watch and Identification meeting was held at the Allen Firehall Wednesday evening with 35 attending.

Dixon County Sheriff Dean Chase conducted the meeting and a meteorologist from the National Weather Service at Sioux City gave a film presentation.

F. C. Iverson of Ponca, county civil defense director, encouraged Dixon County communities to set up severe weather alert signals.

### Students

(Continued from page 1) award) and Paul Mallette, Brian Fraverl, Monte Lowe, Mike Sharron, Donna Brockman, Lori Lesh and Mike Schmoldt (third awards).

Judges had the problem not only of choosing first place winners, but giving seconds and third to all other students who presented projects. Altogether, 89 students reported on 64 projects. Eight schools were represented.

For the coming year, the academy elected these officers: Mrs. Margaret McNamara and Sister Antonia Diederich of West Point Central Catholic; Ed Mundil, Logan View, president elect; Prof. Harland Pankratz, Wayne State, secretary treasurer.

CARROLL PFC James Chapman, son of Mr. and Mrs. Rex Chapman of Carroll, is spending a 30 day leave at his home and will be sent to Germany May 1.

### Police Blotter

Car Pickup Collision - A car driven by Robert Meyer, Hooper, and a pickup operated by Lawrence Arrens, Crofton, collided at 5:45 p.m. and Nebraska about 9:30 a.m. Wednesday Arrens and a passenger in the pickup, Donald Wilke, Pender, were injured at the Wayne Hospital for minor injuries.

The National Apprenticeship Act, establishing the Bureau of Apprenticeship in the U. S. Department of Labor, was passed in 1937.

WAYNE COUNTY BOARD PROCEEDINGS

Wayne, Nebraska April 16, 1974
The Wayne County Board of Commissioners met per adjournment with members Milton "Doc" and "Red" present. The minutes of the preceding meeting were read and approved.

Advance notice of this meeting was published in The Wayne Herald on April 11, 1974. The Wayne County Noxious Weed Control Board met with the Commissioners for the purpose of abolishing the Weed Board with the Commissioners having placed on the ballot for the upcoming Primary Election.

Sheriff Weible reported to the Board on the number of prisoners coming from Richardson County and the City of Norfolk now because of the recent fire in their jail and our increasing cost of surveillance because of this. Motion by Burt to change our charges to the following: \$30.00 per day for the first prisoner, \$20.00 per day for the second, \$15.00 per day for the third, \$10.00 per day for the fourth and any more than four, \$10.00 each per day. Seconded by Eddie Roll call vote: All Ayes.

The Board agreed to hold another public meeting on rural zoning in the first part of May in Wayne. Motion made by Burt to pay the balance of our '73 '74 fiscal year assessment to the Northeast Opportunity Center (formerly NEBOR). The motion was seconded by Eddie Roll call vote: All Ayes.

The following claims were audited and allowed. Warrants to be ready for distribution on April 26, 1974.

Class at Winside to Stage One-Act

Winside's sixth grade level reading class will present a one-act play, "Life of the Party," Thursday afternoon at 2:30 in the elementary multipurpose room.

The play, under the direction of Mrs. Lena Miller, becomes a bit of a mystery before the audience finds out what happens when some sleeping medicine is placed in the punch.

The cast includes: Marly Alys Iadd, Diane Heinemann, Kim Leighton, Bill Gottberg, Dawn Janke, Mary Bowden, Kathy Thies, Rob Waterhouse, Michele Brockmoler, Mark Suehl and Debbie Brockman.

Allen Band Passes Goal For SD Trip Allen High School's band has surpassed its \$1,800 goal to attend the Dakota Days Band Festival at Rapid City.

The total now is near \$2,000, reports Miss Lorna Stamp, band instructor.

Allen Prom Set Allen High School's junior senior prom will be Saturday at the high school auditorium. The banquet will be at 6:30 p.m. followed by a dance at 8 o'clock. The Rainbow Bridge will provide the music.

Young Leaders Stanley Hiller Jr., at age 17, headed his own \$100,000 midget racing auto business. At age 19, he designed, built, and flew the world's first co-axial helicopter; and at age 20 he founded the highly successful Hiller Aircraft Corporation.

GENERAL NOTICE

NOXIOUS WEEDS MUST BE DESTROYED

You Are Required to Destroy Noxious Weeds on Your Property

Notice is hereby given this 29th day of April, 1974 pursuant to the Nebraska Noxious Weed Law Section 2-955 Subsection A, to every person who owns or controls land in Wayne County, Nebraska, that noxious weeds standing, being, or growing on such land shall be destroyed or eradicated by effective cutting, tillage, cropping, pasturing, or treating with chemicals or other effective methods, or combination thereof, approved by the County Weed Control Superintendent, as often as may be required to prevent the weed from blooming and maturing seeds, or spreading by root, root stalks or other means.

Upon failure to observe this notice the county weed control superintendent is required to proceed pursuant to the law and have weeds destroyed by such method as he finds necessary, the expenses of which constitute a lien and be entered as a tax against the land, and be collected as other real estate taxes are collected, or by other means as provided by law.

By order of the Wayne County Weed Control Authority: Located one mile east, Black South and Black East, Wayne RUSSELL LINDSAY, SUPT.

Every government official or board that handles public money should publish at regular intervals an accounting of it showing where and how each dollar is spent. We hold this to be a fundamental principle to democratic government.

Car Wash Saturday

Winside's junior class will have a bake sale and car wash from 11 a.m. to 3 p.m. Saturday at the high school parking lot. Proceeds will go to the junior class fund.
