'74 Community Chest Drive Opens With Jump on Goal

Approximately 200 volunteers who will help conduct this year's Community Chest fund drive in Wayne are expected to attend a breakfast this morning (Monday) to kick off the drive.

And this year, those volunteers will be taking over the drive with a \$2,700 jump on the \$11,450 goal.

Advance gifts contributed by local businessmen, managers, teachers and others totaled about \$2,700 Friday, according to drive secretary Vera Hummel. This is the first year drive organizers have conducted an advance gifts campaign.

All the people who have been asked to help with the fund drive are being urged to attend this morning's breakfast at the Student Union on Wayne State's campus. The breakfast, with rolls and coffee being served at 50 cents per person, is scheduled for 7 a.m.

Shown during the breakfast will be a 12 minute film on the national United Fund drive, which the local drive is affiliated with, and speaking to the group will be drive chairman

Ernie Thayer and board president Dr. Sid Hillier. Those two have emphasized that with the drive nearly 25 per cent complete, workers should have little trouble in reaching this year's goal if they make sure they talk to every person on their list. The workers will pull out cards at this morning's breakfast with names of persons they are to talk to during the drive.

Drive officials are hoping the drive will be completed within one or two weeks this year. Recent drives have taken several weeks to complete, and the past three have failed to reach the goal set by the Community Chest board.

The advance gifts total was boosted several hundred dollars Wednesday when teachers in the Wayne-Carroll school system listened to the drive officials, saw the short film and then made some of their contributions before the drive officially got underway.

Hillier told the teachers in a meeting at the lecture hall at Wayne High School that the fund

drive benefits nine different agencies, all of them worthwhile. If it were not for the Community Chest, every one of those different agencies would likely conduct its own fund drive sometime during the year.

Conducting the one united drive each fall saves on expenses for advertising and administration and cuts down the amount of time volunteers have to spend on seeking donations, he emphasized.

Homecoming Fun Starts Today at AHS

Homecoming activities get in to full swing this week at Allen High School after the student body already has selected king and queen candidates.

Brian Hirschell and LeAnn Lubberstedt have been named as "master and mistress of this year's ceremony, which will take place Friday night during the homecoming dance at the school's auditorium, scheduled for 9:30.

Hirschell will be competing with Loren Book, Rick Chase and Paul Snyder for king honors, and Lubberstedt will be vying for queen honors along with Deb Lundgren, Lesa Carpenter and Jill Hanson.

Today (Monday) is "slop" day at Allen High, with students wearing sloppy clothes to classes. Tuesday everyone is to wear a hat, and on Wednesday students are asked to dress in the 1930's style of clothing.

Thursday students will dress up for school. The bon fire at 7:30 p.m. behind the school house Friday, blue and gold day, includes a 2 p.m. snake dance from the school through town and back to school for a pep rally prior to the Allen Home game that evening at 7:30.

Both Mrs. Don Kliver and Mrs. Bruce O'Callaghan are sponsoring this year's homecoming activities.

Band Days' Parade Total Now at 26

The addition of Emerson-Hubbard High School's band brings to 26 the number of bands which will march in the parade during Wayne State's annual Band Day on Saturday.

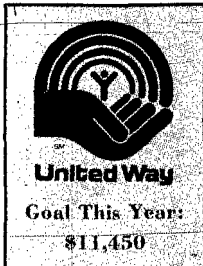

The Emerson-Hubbard band, directed by Wayne resident Richard Dale, will take part in the afternoon parade but will not participate in the halftime ceremony during the Wayne State Dakota State football game that evening at Memorial Stadium on the campus.

Bands will be competing for two scholarships to Wayne State's Summer Music Camp, with the top bands in two divisions receiving \$30 scholarships and the runners-up receiving \$25 scholarships. The divisions are for bands from schools with total enrollment of 225 students or more and with enrollment under 225.

Saturday's parade at 3:15 from the college campus down Main Street to First will begin at 3:15 p.m. Judges will rate the bands on marching, playing and appearance as they proceed through the downtown area.

After the parade, bandsmen and their conductors and sponsors will be treated to a free lunch at the city auditorium. A total of 1,470 persons are expected to be served during the lunch, according to Roger Nelson, overall chairman of activities for the bandsmen.

In addition to the Wayne High, Wayne State and Emerson-Hubbard bands, there will be bands participating in the parade from Creighton, Howells, Butte, Penard, Wynot, Spencer, Niobrara, Bancroft, Verdigré, O'Neill, Underwood, La., Randolph, Elgin, Mead, Ponca, Wausa, Homer, Keya-Paha, Ashland-Greenwood, Allen, Stuart, Laurel and Coleridge. Oakland-Craig's band had withdrawn from the activities.

GOV.
J. J. EXON

Exon, Whelan To Help Open Demo Offices

Governor J. J. Exon, Democratic candidate for another term in office, and his running mate for the lieutenant governor's post, Gerald Whelan of Hastings, will open Wayne County Democratic campaign headquarters in Wayne Thursday afternoon.

Exon and Whelan will be here from 2 to 3 p.m. to open the headquarters at 108 West Second St., then will leave for Wakefield and South Sioux City as they continue their two-day campaign swing through Northeast Nebraska.

"Everyone is welcome to meet and talk with the governor and his running mate," said Dorothy Ley of Wayne, co-chairman of the Exon Whelan campaign in the county. Independents as well as Republicans are invited to meet the two candidates during their stop here, she noted.

Exon and Whelan are scheduled to begin Thursday's campaign swing at Neligh. They will stop at Verdigré, Center, Bloomfield, Hartington, Coleridge and Laurel before coming to Wayne.

The two Democrats will face Republicans Richard Marvel, governor candidate, and Mrs. Anne Batchelder, lieutenant governor candidate, in the Nov. 5th general election. Seeking the governor's seat as an independent candidate is Ernest Chambers of Omaha.

WH Students Will Attend FHA Confab

Seven Wayne High School girls will attend the Future Homemakers of America district convention at Stanton on Wednesday, reports sponsor Mrs. Marie Mohr.

The students who will be attending include seniors Judy Korn, Julie Park and Gigi Goblirsch and juniors Martha Sloakes, Anna Victor, Rhonda Kriesche and Rhonda Myers. Mrs. Victor Wallace will accompany Mrs. Mohr and the students to the convention.

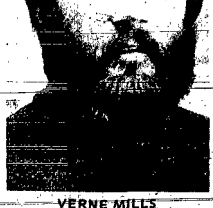

Between 250 and 300 high school students from Northeast Nebraska are expected to attend the convention, which will feature World Herald entertainment columnist Peter Citron as guest speaker.

Officers for the 1974-75 year will be installed during the all day convention, and a creed speaking contest will be conducted. Also, chapter awards will be handed out and nominees to state offices will be selected.

Science Teacher Earns 'Teacher of Year' Title

Verne Mills has been named Teacher of the Year by fellow teachers in the Wayne-Carroll school system.

His name will be forwarded to the selection committee which will name the top teacher in the state, and if successful there, his name will be sent to Washington, D. C. for consideration for the National Teacher of the Year.

VERNE MILLS

award is sponsored by chief state school officers, Encyclopedia Britannica and the Ladies Home Journal.

Mills has taught in the Wayne-Carroll school system for five years. He received a bachelor of science degree from Wayne State and a master of science from Ball State University at Muncie, Ind. He has been active in cellular and molecular biology and has co-authored articles that have been published in educational magazines.

This past summer Mills developed an innovative summer program in environmental education at Wayne High, and he has presented several seminars and workshops on individualized instruction to area teachers.

Mills is currently serving a third year on the board of directors of Lower Elkhorn Natural Resources district and is up for re-election to this board this year. His name will be on the ballot in the general election in November.

MS Drive Nets Total Of \$1,270

The drive to raise funds in Wayne for research on multiple sclerosis netted \$1,270.09, reports Mrs. Jerry Malcolm, one of three women who headed up the drive.

She said the total was almost \$30 greater than the \$1,141.81 collected in 1972, the last time a MS fund drive was held in Wayne. She said plans are to hold another drive next summer.

Also helping head up the drive were Mrs. Evan Bennett and Mrs. Doug Barry. Both Mrs. Barry and Mrs. Malcolm suffer from MS.

Currently in progress is a drive in the rural areas to raise funds for MS research. Conducting that drive are the Mrs. Jaycees.

Homecoming Candidates at WH Selected

King and queen candidates have been named and a full week of activities have been planned as Wayne High students prepare for Friday's homecoming.

King candidates picked Wednesday are Marty Hansen, Rod Hoops, Rick Mitchell and Don Nelson. Queen candidates, also named Wednesday, are Kristy Jech, Monica Kovensky, Kay Pierson and Carol Wiltse. Alternates, who will crown the king and queen, are Steve Brandt and Beth Baier.

The football squad selected the king candidates, and the Pep Club named the queen candidates, but all students in the high school will vote in naming the king and queen on Thursday. Last year's honors went to Mary Ann Ginn and Gordon Cook.

Crowning of the new royalty will be Friday night during halftime of the Wayne-Stanton football game at Wayne State's Memorial Stadium. Carrying the crown for the queen and a white football for the king will be young Leslie Keating, daughter of Mr. and Mrs. Jim Keating, and Jess Zeiss, son of Mr. and Mrs. Don Zeiss. Zeiss is Wayne High champion.

Special activities have been planned for every day this week at the school.

Today (Monday) is "stomp em" day, and students are to wear boots to school. Tuesday is hat day, with students wearing hats during school.

On Wednesday students are to wear blue and white, and a sign party will be held at the high school starting at 6:30 p.m. All students in the high school are invited to the party to help make See CANDIDATES, page 3

Jury Finds Allen Man 'Not Guilty' on Charge Of 2nd-Degree Murder

A jury Thursday afternoon found 22-year-old Edwin Magnuson of Allen not guilty of a charge of second-degree murder in connection with the shooting death of Verlyn Dale Bad Heart Bull near Allen last February.

The jury of eight men and four women returned its verdict in Dixon County district court at Ponca shortly before 5 p.m. Thursday after deliberating about an hour and a half.

Magnuson was charged in the Feb. 18th shooting death of the 25-year-old Indian outside Magnuson's mobile home on Highway 20 northwest of Allen. He had been free on \$25,000 bond since a preliminary hearing on March 25.

His trial before district judge Joseph Marsh of South Sioux City had started on Monday. The prosecution, led by county attorney Merle Kingsbury of Ponca and special prosecutors Rodney Smith and Wayne Boyd, both of South Sioux City, rested its case Wednesday morning. The defense, conducted by South

Sloax attorneys Robert Scoville and Gobly Uhlir, completed its presentation Wednesday afternoon. Closing arguments were delivered Thursday morning.

On the jury were Keith Addison, Robert Whipple and Margaret Gran, all from Newcastle; Margaret White, Allen; Ruby Russell, Ponca; Hermie Wriedt, Emerson; Wilbur Hinz, Waterbury; Richard Hanson and William Borg, both of Concord; Larry Lubberstedt and C. R. Wensstrand, Wakefield; Alternate jurors were Larry Schindler, Newcastle, and Francis Woodford, Ponca.

The prosecution attempted to show that the shooting of Bad Heart Bull was unwarranted, but the defense contended that it was an accidental shooting or a shooting that was justifiable because of events taking place shortly before it happened.

One of the main witnesses for the prosecution was Ronald Robinson, 17, of Allen, who See "NOT GUILTY," page 3

How'd Farmers Fare? Very Well, Study Tells

How did the average farmer in Wayne County make out in the past year?

The answer is very well — far better than right now. According to the final figures for 1973, recently compiled, his gross receipts were the best in a long time, and for some local growers they were the best ever.

Their overall income from the sale of crops, livestock and other farm products compared favorably with the returns reported for many other parts of the country.

The figures are from a national survey released by the Standard Rate and Data Service (SRDS). It shows that farm receipts in the local area were \$5,071,000 larger than in 1972, which was a relatively good year itself.

The increase was due to the big upsurge in foreign orders for American food products. Exports jumped from the \$9.4 billion recorded in 1972 to more than \$17 billion as a result. The good growing conditions that prevailed, in contrast to this year's ruinous drought, made it possible to meet the unexpected demand.

In Wayne County, the SRDS figures show, farm income in the year came to \$58,119,000, as compared with the previous year's \$53,048,000.

That was the gross amount, before deductions for taxes, labor, supplies and other operating costs.

Included in the gross income figure are cash receipts from farm marketings, government payments and "income in kind," which is the value of home-grown products that are consumed on the farm.

Of the amount received by local growers from the sale of farm commodities, the latest Department of Agriculture breakdown reveals that some 10 per cent of it came from crops and 90 per cent from the marketing of livestock, poultry and dairy products.

The sharp gains made in the year by American farmers and ranchers are attributed to the unprecedented worldwide demand for their products which led to much higher prices.

Gross receipts, as a result, rose \$21.6 billion as against a \$15.2 billion rise in operating costs. The net gain was \$6.4 billion.

Students to Get History Lesson On Lincoln Tour

Some 72 third and fourth graders in the Wayne-Carroll school system will get a lesson in Nebraska history when they tour Lincoln in October.

Third and fourth graders from Carroll will join fourth graders from Wayne for the trip to Lincoln on Thursday. Another trip will be made on Oct. 17 when fourth graders from Wayne will tour the state's capital.

Youngsters will stop at the Nebraska Historical Society building, Elephant Hall on the University of Nebraska campus, the governor's mansion, the state capitol and other points of interest.

Making the bus trip along with elementary school principal Richard Koffler will be teachers Sharon Olson of Carroll, Shirley Hamer, Elizabeth Barley and Beulah Atkins.

WSC Fraternities Hosting Social Hour

Two business fraternities at Wayne State College will host a social hour for Wayne businessmen at the Wayne County Club Thursday from 5:30 to 6:30 p.m.

Sponsoring the event, being held to help students learn how to meet businessmen, are Delta Sigma Pi and Theta Xi Omega. A similar social hour was hosted last year.

Not As Easy As It Looks

THERE'S MORE to tumbling and doing somersaults in gymnastics than many people realize, and 15 Wayne area youths found that out Thursday night during a free introductory class. One youngster attending, Michelle Kubik, gets first-hand tips from instructor Shelly Patterson. All interested students from third grade up to eighth grade are invited to participate in a gymnastics course offered every Monday and Wednesday at 4 p.m. in Rice Auditorium on Wayne State's Campus. The first class meets today (Monday). Cost is \$1 per lesson per child.

Goal for this year: \$11,450 Will you give?

YUP. Elwayne Fleetwood, that old-timer from Wayne who now calls South Sioux City his home, has saved the day. He sent along more than 20 tidbits for our "Remember When" feature on the front page. And some of them are delicious. Samples:

"Remember when: Bill Jenkins, Francis Jones and Lynn McClure pulled the first VIP kidnapping by overpowering Bunt Fleetwood as he stepped from the train returning him from his honeymoon and hustled him to a previously prepared cell in the jail for a few hours of cooling off?"

"Remember when the wind was so strong one day that campus school-kindergarten teacher Miss Luers safety-pinned some of her wee 'scholars' to her long skirt and walked them home?"

"Remember when you had to trim the charred wicks of the kitchen kerosene stove before you could start breakfast?"

Fleetwood, who either has one tremendous memory or else is getting those gems from somewhere else, jots off this little note:

"What was it like yesterday? The same as the day before, and the same as tomorrow. It's all been done before, but somehow it seemed (at least from this side of the calendar) more fun. For, as the great Confucius used to admonish, 'he who not remember, not very sneaky in youth!'"

After listing some 21 of his best yet, Fleetwood noted: "And that's the way it was on certain days of certain years of certain lives."

"We were running pretty low on those 'Remember When' items, so his contributions are certainly welcome."

Can't count how many times I've been stopped on the street by somebody with some juicy recollections of years past. They always feel me they are going to let them down one of these days and send them in. Maybe their memory isn't as good as they say, 'cause most of them don't do it.

Fleetwood's contributions will soon run out, so if you have some stored upstairns make sure you send them in. Am sure the readers get as big a kick out of them as I do.

OH, before I forget, Bob Beckenhauer corrects a recent item in "Remember When?" by pointing out that the dirt highway from Sioux City through Wayne and over to Norfolk was called Grainland Highway, not Grand Island Hastings Highway. That's where the name of the street in the southwest part of the city comes from, he notes.

SIGN SEEN in the window of a local clothing store: "All Ladies Summer Tops 1/2 Off." And the view is getting better: A white back, the tops were "1/2 off."

GRANDCHILDREN of Mr. and Mrs. Marty Willers were named King and of the Little Britches Round Up held near Omaha Sept. 14. They are Marty, seven, and Kelly, nine, children of Mr. and Mrs. Clifford Marx Jr. of Wisner. Close to 400 youngsters from Nebraska and neighboring states participated in the competition, and some 54 competed in the royalty contest.

WAYNE'S volunteer fire department answered 27 alarms between May 1 of last year and April 30 of this year, says fire chief Cliff Pinkelman. The men spent a total of 458 man hours on those fires, which did an estimated \$16,953 in damages. Those man hours were well spent, because an estimated \$88,250 in property was saved from destruction.

Fourteen of those alarms were sounded inside the city limits of Wayne, 12 of them in the surrounding rural area. One was a mutual-aid call in which local firemen helped Laurer's VFD fight a farm fire.

And during that year, local firemen spent 374 hours at regular monthly

meetings and 110 at fire school. The next time you see these volunteers wheel out on a fire call, feel thankful—it would hate to see the bill if we had to support a paid department.

YOU WON'T see cars parked on the lawn at 10th and Main anymore. The board of adjustment recently turned down the request by the owner, Doug Lyman, for permission to park in the front yard.

Mayor Freeman Decker and councilwoman Mrs. Carolyn Fitterer appeared at the recent board meeting to object to the request because parking there is unsightly and dangerous.

On the board are Roy Hurd, Gene Fletcher, LeRoy Barner, R. H. Banister and Al Voorhies.

LOCAL chiropractor Sid Hillier attended the recent Nebraska Chiropractic Physicians Association's annual convention at the new Hilton Hotel in Lincoln.

The hotel is so new, work was still going on in the upper eight floors during the convention, said Hillier.

By Carl Marcy, former Chief of Staff, Senate Foreign Relations Committee.

The United States is the greatest military power on earth—the greatest in all history. That should make us safe now. And, if we keep our military establishment powerful, our children will be safe and our society strong.

Since the end of World War II, each of our Presidents, Republican and Democratic, have told us:

The Roman emperors told their citizens the same thing—that their legions were indomitable and must be supported at all costs. But Rome fell when support of its military empire sucked its domestic life dry. Indeed, the great military powers of the past—Rome, Spain, Portugal, France, Great Britain, Germany, Japan—are today second rate powers. Military strength was not enough to keep them great powers.

Perhaps the United States is different. Perhaps we protect ourselves and preserve world peace by keeping a military establishment greater than any other. It is better to be safe than sorry and, so goes the argument, we can only be safe if we are number one in military power.

We are trying the military route. This year the military budget of the United States is conservatively put at over 90 billion dollars, larger than the largest budget during World War II. If influence in the world is measured by military power, we've got influence.

I suggest, however, that there are limits to the proposition that the greater a nation's military strength, the greater its influence.

Communist nations have been letting the world for a long time that capitalist societies must spend money for military purposes in order to avoid depression. I don't believe that. Certainly the Russians have not been stingy in their military spending. I am uneasy, however, at the ease with which our society spends money for guns, but not for education or health or housing. I am uneasy when a natural resource such as iron is turned into tanks rather than bridges or dams or housing. I am uneasy at the statement of the Secretary of Defense to the effect that the Defense Department budget contains funds which can be spent to help keep our economy running at full blast should recession threaten. Have we taken our role of world leader so seriously that we have forgotten the internal needs of our own society?

What would happen if the United States were for each of the next five years to reduce its military expenditures by five per cent and increase its domestic expenditures by the same amount for energy, health, education, and assistance to nations plagued by starvation and underdevelopment?

I do not know, I suggest, however, it is possible that power and influence in the world of today come not so much from the muzzle of a gun, as from societies devoted to improving the total quality of life of a people who have managed to control inflation, develop new sources of energy, and, in short, beat their guns into plowshares.

There are two roads ahead for this nation: one is the military course of the old empires leading to God-knows-what—a course we have followed for only the last 25 years of our 200 year history. The other is the course of civilized, humane values we profess but nobody quite dares to implement.

Which is the better course for the nation? Think about it.

Readers: comments are welcome. Send to: 1011 Massachusetts Avenue, N.E., Room 110, Washington, D.C. 20002. I'll be a proofer of the Fund for Peace.

'Horses, you know, do have two ends'

Wakefield

Dear Editor

The Wayne Herald recently carried an advertisement from the Wayne County assessor's office to inform the public that an appraiser would call on them in the near future. This included a veiled threat that if the appraiser was not allowed to see the inside of the home, whether the beds were made or not, it just might cost you.

No, Virginia, your home is not your own private little castle anymore. Then we have a controversial school law which would give dictatorial power over all schools in the state to a single office in Lincoln.

The news release on that carried an open threat of both fine and imprisonment for anyone who might appear before an opposition group unless they were qualified. No mention as to who would decide on the qualifications.

Beat that for dictatorship if you can. Next we have the mandatory state-wide water fluoridation law. The issue of adding a vile poison to the drinking affects every town and city dweller in the state. Why was the right of franchise not given the people by putting the choice on the ballot in the general election?

But, no, the "Father knows best" boys pass the law and now we must get out from under by the petition method.

Do yourself and your family a big favor by getting a past voting record of Unicameral members and then weed out all of those who believe in totalitarian methods and government by intimidation.

By your vote you can make a change, whereby we will have a membership with at least the equivalent of sound horse sense.

I have always been a lover of horses, but the horse must have two ends — George E. Frederick

Our liberty depends on the freedom of the press, and that cannot be limited without being lost — Thomas Jefferson, Letter, 1786.

OBSERVATIONS

Worth considering

Citizens in Wayne County who will be voting in the November general election on whether to boost fluoridation levels in their water supplies might well take into consideration the recommendation of the Northern Nebraska Health Planning Council.

The council, which is composed of persons from a 21-county area in Northeast Nebraska who are concerned about health care, has voted to recommend that communities approve fluoridating their water supplies. Members on the council include consumers, health care professionals and government representatives. They made their recommendation after hearing a Norfolk dentist speak on fluoridation recently. The dentist, Dr. Don Theophilus, said that fluoridating

water supplies is a safe, simple and economical procedure that can result in a reduction of up to 60 per cent in tooth decay. He also noted that there is evidence showing a reduction in the incidence of bone and joint disorders in elderly people who have used fluoridated water. The cost of fluoridation varies, he noted, but averages show that it amounts to about 10 to 15 cents per person per year.

I don't mean to make too much out of an advertisement except to offer it as another instance of knowledgeable people giving their backing to fluoridation. Area voters who are still undecided about how they are going to vote come November might be wise to keep that recommendation in the back of their minds when they go to the voting booth. — Norvin Hansen.

Thoughts on a minibus

The subject of purchasing a mini bus for use by elderly residents in Wayne came up at Tuesday night's council meeting, and a suggestion was made which is worth basing on for the general public to consider.

One of the council members suggested that the community might give more support to a fund raising drive which would have as its goal the purchase of a minibus that they will try to raise money to either construct or buy a new building for the Senior Citizens Center. The center has had a build-or-buy fund raising effort going on for several months now, but the total in the fund last week was slightly less than \$950.

That \$950 is a long way from the total which would be needed to purchase a building or construct a new one, considering present prices of real estate and construction costs, but it isn't too far away from the approximate \$7,000 which would be needed to purchase a minibus.

The councilman who made that suggestion might be correct in saying that many local residents aren't going to contribute to a build or buy fund when the city is already paying rent at the center and is considering moving the center into the building presently being used as a hospital once the new hospital is completed.

That suggestion may or may not be a good one, but at least the city council

once again is talking about purchasing a minibus for the elderly. As we said editorially in the last issue of the newspaper, that subject has been cooling off on the back burner for far too long.

Although the director of the Center would tell you that you are wrong, you could probably argue that the Center could not keep a minibus busy enough of the time to justify spending several thousand dollars for one. If that is true, and we are not sure it is, maybe the bus could be used at other times by the director of the city's recreation program. We don't envy the old school bus he has to use to take his youngsters here and there throughout the year.

Another possibility that should be considered, and it apparently is being thought about, is to cooperate with the Wayne County commissioners in purchasing a minibus which would be used throughout the county to transport elderly people who otherwise are unable to leave their homes or who find it very difficult to arrange transportation. The cooperation between city officials in Wayne and the commissioners has certainly been less than ideal in the past, but there is no reason that should not change. If there is a need for a minibus in the county and if the people think the governmental subdivisions should cooperate in providing it, those officials should be taking steps to do just that. — Norvin Hansen.

Guest Commentary

'2nd Guessers needs support from everybody'

The Second Guessers club is an organization of persons interested in local athletics, both high school and college.

The group was started in 1964 under Wayne State football coach John "Jersey" Jeremier to honor Wayne State athletes. The idea of the program is to help Wayne State's athletic programs financially since they have very limited aid to support a good program.

The money raised from Second Guesser's projects, such as the Wayne State holiday basketball tournament, pork scholarship fund, district and regional high school basketball tournaments, goes to help pay for scholarships, scouting, films and recruiting. In addition, we sponsor the annual sports banquet for all Wayne high school and college athletes, parents and coaches. There is no membership fee to join. We meet every Thursday noon at the Black Knight lounge and are out promptly at 1 p.m. if not before.

Price for the meal is \$2, with about 50 cents going to the Wayne State athletic fund. For that \$2 you also learn from the coaches about players, Wayne's opponents and view some game films from the week before.

The football team is off to a fast start. I believe it deserves our support. Let's help develop a strong athletic program! — Cal Comstock, president of Second Guessers.

News of Note around Northeast Nebraska

NURSING STUDENTS from Nebraska Methodist Hospital School of Nursing in Omaha will gain work experience under a new program at Antelope Memorial Hospital in Neligh.

The seniors will work and study at this hospital under a program similar to one already underway at Auburn. They will gain experience in the hospital as well as in local doctor offices. Initially the students will spend four weeks in Neligh, but hospital officials hope to expand the program early next year so they will spend eight weeks there.

FROM the "Editorially Speaking" column in Thursday's Oakland Independent and Tribune:

"While passing a lonely corner on a dark night a pedestrian was stopped by a voice coming out of the shadows: 'Would the gentleman be so kind as to help a poor, hungry fellow who is out of a job?'" It asked, and then added, "Besides this revolver, I haven't a thing in the world."

A LOAN totaling \$244,000 has been approved for the Northeast Nebraska Rural Public Power District at Emerson for financing service for 45 additional customers, 15 miles of new distribution line and other system improvements. The district serves customers in Wayne, Cedar, Dixon, Dakota and Thurston Counties.

EXTENSION CLUBS in Knox County will sponsor a diabetes detection clinic at the Wausa auditorium on Friday from 2 to 6 p.m. The clinic is open for any residents in the area.

SCHOOL administrators certainly have

their problems. A Cumming County administrator told his school board recently that it is illegal to offer a certain program to parochial schools under state law but it is mandatory to offer it under federal laws.

PONCA RESIDENTS are trying to raise \$5,000 to help operate the Cook Blacksmith Shop and for other historical projects. Money raised from the drive will be turned over to the Mayor's Commission for Historical Preservation and to the newly formed Ponca Historical Society—working on the fund raising effort are Phil Kneel, Dale Tracy, Stan Leigh, Howard Gibbs, Carl Wellenstein, Sam Curry, Royce Kollbaum, Russ Curry and John Kingsbury.

CUMMING COUNTY'S board of supervisors have approved spending approximately \$20,000 to make changes in the courthouse at West Point in line with suggestions from the state fire marshal's office.

Money will be spent on an additional exit in the jail on the third floor, fireproofing of doorways on the stairway landings and the hiring of a fulltime guard at the jail.

State fire marshal Joe Piuta earlier told the board that the building was in violation of the state fire code and would be closed if changes weren't made.

DAVID HOVE of Christine, N. D., is the new administrator of the Pender Community Hospital, taking over in place of Ralph Solheim, who has taken over administration of a hospital and nursing home at Fort Morgan.

LCW Meets, Picks Officers

The Lutheran Church Women of St. Paul's Lutheran Church met Wednesday with 23 members and one guest, Mrs. Don Merriman, attending.

Mrs. Gary Slegner had the devotions and introduced Mrs. Merriman, who told about her trip to Russia.

Officers named during the meeting were Mrs. Leroy Johnson, president; Mrs. Marvin Draghu, vice president; Mrs. Alvin Willers, secretary, and Mrs. Don Nau, treasurer.

Two delegates, Mrs. Leroy Johnson and Mrs. Doniver Peterson, were chosen to attend the state convention at Sidney Tuesday through Thursday.

Service group three, headed by Mrs. Dale Franzen and Mrs. John Kay, served the lunch.

The next meeting, Oct. 23, will be guest day featuring the Rev. Shin Kim, Presbyterian minister at Wakefield, as guest speaker.

Carroll Dance To Raise Money For New Lights

The Carroll Community Baseball Association is planning a benefit dance to help raise money for new lights at the ball diamond.

The dance, 9 p.m. Saturday at the village auditorium, will feature Bob Haberer and the Wranglers. According to Dennis Rohde, in charge, the cost will be \$2 per person.

The association hopes to collect over \$700, the amount needed to complete the estimated \$1,100-1,200 lighting project. The village board has designated \$500 of its federal revenue sharing funds to buy the lights, said board chairman Howard McClain.

Plans call for tearing down of the present nine poles and replacing them with six poles of about 20 lights each. Rohde said if enough money is collected, work likely will begin next spring.

Fall Rally To Be Held Saturday

The Nebraska-Iowa circuit of the Lutheran Women's Missionary Society will hold its fall rally Saturday at the Immanuel Lutheran Church at Hadar.

Registration begins at 10 a.m., and pastor Richard Schlieve will be the host pastor.

The business meeting will be conducted by circuit president, Mrs. Robert Dorr of Sioux City. A noon luncheon will follow.

The afternoon session will begin at 1 p.m. with the Rev. Waldemar Hoyer of Rochester, Minn., as guest speaker. He will inform the society of his work as an institutional missionary in Rochester. He formerly served Grace Lutheran Church in Sioux City and spent one year in Viet Nam as a civilian chaplain.

The LWMS is an organization of women of the Wisconsin Evangelical Lutheran Synod.

Circuit projects this year are the mission in India, KMA Radio in Shenandoah, la., and church furnishings for the Hong Kong seminary.

Guest Day Held Tuesday

Club 15 held their annual guest day Tuesday in the home of Mrs. Roger Luft. Attending were 11 members and eight guests.

Mrs. Bob Morris, Mrs. Dennis Luft, Mrs. Gene Luft, Mrs. Randy Baier, Mrs. Willis Meyer, Mrs. Bill Wilson, Mrs. Eldin Roberts and Mrs. Terry Meyer. Mrs. Eldin Roberts joined the club.

Mrs. Larry Nichols conducted several pencil games, with prizes being won by Mrs. Dennis Luft and Mrs. Eldin Roberts.

The club will hold its next meeting Oct. 16 in the home of Mrs. Morris Backstrom.

This Year's Goal: \$11,450

signs to decorate the school.

Thursday is mourning day for the Stanton Mustangs. A snake dance will start in the downtown business district at 6:30 p.m. that day, weaving from Third and Main to the south end of the practice field near the elementary school for a bon fire. Also Thursday, freshmen and sophomores will be sold as slaves and will be required to carry out duties assigned to them on Friday.

Friday also will feature dispensing of "spirit juice" to all the students at school. The spirit juice will actually be lemonade with blue food coloring.

A pep rally after classes on Friday will conclude activities before the game, and a dance after the game will be open to the 1973 and 1974 graduates as well as high school students. Playing at the 10 p.m. to midnight dance will be Joker, a musical group from Pilger.

Overall chairman of homecoming activities is Susan Daugherty, Pep Club sponsor.

testified to the event's leading up to the shooting. He was not a witness to the actual shooting, however.

Robinson testified that Bad Heart Bull had come to the Allen area from Colby, Kan., to work on a construction project shortly before his death. He also said the Indian had been drinking heavily prior to his shooting.

Robinson told the jury that Bad Heart Bull beat him in the Magnuson mobile home but was pulled off by Magnuson. Bad Heart Bull later became angry again, threatening to kill all white men by starting with Magnuson's wife and child, according to Robinson.

Bad Heart Bull talked about Wounded Knee and the slaying of his brother, Wesley, outside a bar in Buffalo Gap the preceding year. That slaying touched off violence later at Custer, S. D.

Bad Heart Bull went out to his car outside the mobile home, drove toward the mobile home and then got out of his car, according to Robinson. He was stopped by Magnuson, who was standing on the porch with a gun. Robinson said he saw Magnuson fire one shot into the air but then turned away before the fatal shot was fired seconds later.

Backers Needed For Allen FFA Trip to K.C.

The Allen High chapter of the Future Farmers of America plans to attend the national convention Oct. 15-18 in Kansas City if the group can secure eight sponsors.

According to sponsor Daryl McGhee, seven members intend to go to the convention. They include chapter president Loren Book, vice president Doug Smith, secretary Don Kluever, treasurer Robert Bock, reporter Dave Dunn, Pat Kavanaugh and Mark Chapman.

Allen residents interested in sponsoring the group should contact McGhee at Allen High.

Saturday night McGhee intends to take his group to the district livestock judging show near Lyons.

A HOST OF Wayne defenders attempt to block a Wakefield punt by Scot Keagle deep in Trojan territory. Keagle, however, was able to get the ball off despite the efforts of Reg Godsey, left, Doug Straight and an unidentified Wayne player to block the ball. On the far right, Steve Brandt (82) jumps high in an attempt to also get a hand on the ball.

Devils Rip Trojans, 27-12

By BOB BARTLETT
Wayne High coach Al Hansen has experienced players in most of his offensive backfield slots, with seniors Marty Hansen and Rod Hoops sharing much of the running chores. Even junior veteran Paul Mallette has chalked up enough mileage to rate as one of Hansen's top runners.

But Friday night experienced runners weren't the only keys to a charged up Blue Devil team which amassed 360 yards on the ground in a 27-12 win over Wakefield. A lot of credit goes to sophomore speedster Mark Brandt.

Brandt, who riddled Wakefield's defensive line on quick off-tackle plays and end sweeps, totaled 157 yards on 19 carries, including runs of 35 and 28 yards to help set up two of Wayne's four touchdowns.

Brandt's first scamper started at the 40-yard line in the opening quarter. He ran to the five, and three plays later Wayne was ahead 7-0 on Hansen's one-yard plunge and his extra point kick.

That was the first shot in the arm for Wayne's offense. The second came in the opening minutes of the second half when Brandt raced from Wakefield's 47 yard line to the 19. After two 15 yard penalties and an offside call against Wayne, the Devils pushed the ball to the two-foot line where Hansen drove in for a 20-6 edge. Hansen's point after was good.

That TD helped quell Wakefield. Especially when the Trojans lost their starting defensive lineman, Chuck Lindstrom; with a badly sprained ankle during the drive.

Lindstrom mainly was responsible for firing up Wakefield's defense in the second quarter. Wayne twice was knocking at the door on Wake-

SPORTS

field's one and eight-yard line when the Trojans held.

Then, on a first and 10 from Wakefield's eight, quarterback Mike Soderberg took advantage of a stiff breeze and an open Pat Nicholson on the side to rattle a 75-yard pass that put Wakefield on Wayne's 15-yard line where Mallette and Hoops combined to stop Nicholson. But two plays later Soderberg sent Randy

Kahl up the middle for a touch down pass that narrowed the gap to 14-6 going into the second half. That drive covered 97 yards in three plays.

Wayne had a 14-0 lead in the first period after Rick Mitchell blocked a Wakefield punt and Hoops recovered. Three plays later Mallette broke through from the five and Hansen's kick

was good. Wayne's defense also was instrumental in setting up the team's second TD in the third frame. Junior guard Doug Straight pounced on a Wakefield fumble, the only one the Trojans lost in the game — to put the Devils on the Trojan's 17. Two plays later Wayne again scored. This time on a fumble recovery by Hansen in the end zone. The extra point was blocked.

Although coach Hansen was pleased with his offense, he had high praise for his defense. See DEVILS, page 5

Winside Blanks Hartington

Winside High's defense scored a pair of firsts Friday night. The Wildcats held Hartington High to less than 20 yards rushing, and chalked up the team's first shutout, 16-0.

The short rushing yardage can be attributed to good one-on-one tackling and two strong ends who halted Hartington's end sweeps, said coach Doug Barclay. Brad Brockman and Mike Anderson contained the ends. Barclay pointed out, while defensive standouts Bob Hoffman, Dwight Lienemann, Brian Wade and Dennis Newman collected 27 of the team's unassisted tackles.

Lienemann and Wade led the group with six tackles each, followed by Hoffman and Newman with five each. Hoffman, a junior, had 15 take-downs for the night while Anderson who also had five unassisted tackles, sacked Hartington's signal caller three times and blocked his third punt of the year. That blocked punt gave the Cats their final two points of the

FREVERT ANDERSON

game. With Hartington on its two yard line late in the fourth quarter, Anderson rushed in to block the kick and send the ball out of the end zone.

Winside didn't get on the scoreboard until about three minutes left in the first quarter. The Cats started on their 46 yard line and, with the aid of a 39 yard aerial from quarterback Tyler Frevert to Terry Luhr, were able to score three plays later on a six yard plunge by Gregg Lage. Anderson then converted his first of two PAT tries. "At first I thought the game

was going to be a defensive battle since it took us so long to score," Barclay said.

Barclay's club kept Hartington from crossing the 50 yard line the entire first half. Frevert capped Winside's touchdown scoring midway through the third period when he faded back to pass on the nine yard line and raced around his right end for a 13-0 lead. Lage led the team in rushing with 74 yards in 14 carries while Lienemann and Brummels had 47 and 44 yards.

No Doubts in Conference: Winside No. 1 in Scoring

As a team, Winside High leads in only one department in the latest statistics released from the Lewis and Clark Conference, but that department is the most important in winning games — scoring.

The Wildcats, 3-0 in listings released Thursday by conference statistician Jim Winch of Winside, averaged 35.3 points a game to lead the pack of the top 10 scoring teams. Three good reasons why the Cats rank No. one are Gregg Lage, Dwight Lienemann and Bob Hoffman.

Both Lage and Lienemann are tied for second in individual scoring with 30 points each. Hoffman is fourth with 24. Lienemann is fifth in rushing, averaging 79.7 yards a game, and Lage is 11th, just over 50 yards. Lienemann ranks first in individual kick off returns, carrying the ball twice for a 78.5 average.

Another Wildcat who ranks first in his division is Mike Anderson, tops in kick scoring with 10 points in 16 attempts for a 42.5 per cent completion mark. Allen High School is No. one in individual punting, thanks to the toe of Paul Snyder. Snyder, who missed action against Winside Sept. 20, maintains the best average, with a 40.6-yard boot in five punts.

In kick scoring Allen's Loren Book is second with six points, converting three of four extra point attempts and hitting one.

Ponca Stuns Allen, 34-0

Allen High suffered its third defeat in four starts Friday night when Ponca blanked the Eagles, 34-0, in Ponca.

Jack rabbits seldom dig burrows, but they often tunnel three or four feet into the snow to escape cold weather.

for two in field goals. The only other Eagle to rate high in offense is Brad Chase, fifth in individual receiving. Chase has caught seven passes for 199 yards, converting two of them into touchdowns.

Young Gridders At Wakefield Drop 2 Games

Wakefield's junior high football team completely overpowered Wakefield Wednesday afternoon, blanking the club 57-0 and dropping Wakefield's record to 1-1 for the season.

Coach Dennis Chipman's club will play next at Emerson Hubbard on Wednesday.

In a game last Monday, Wakefield's freshman team lost a 14-12 contest to Hartington Cedar Catholic after tying the game at 6-6 in the third period. Paul Dahlgren fired a pass to "Pat" Johnson for an 11-yard touchdown to cap an 80-yard scoring drive, the first time Wakefield has possession in the third period. The club added another six points in the fourth period on a 10-yard end run by Dahlgren.

Hartington opened scoring in the second period when a Wakefield player fumbled and Hartington returned the ball 90 yards for a TD. Hartington went ahead again in the third period on an end reverse which covered 55 yards. The PAT was good.

Gaining praise from Chipman were Chuck Sherer for his offensive running, Sherer, Craig Nelson and sophomore Jim Alvin were standouts on defense, said Chipman.

The coach had additional praise for the offensive line. "It did an excellent job of blocking in the second half," he said. The frosh, now 0-1, play again Oct. 9 at Allen.

Hunting in Ditches Will Be Permitted

A change in the law last legislative session gives Nebraska gunners a bit more freedom along the roadways this fall, but it also means hunters will still have to pay strict attention to passing laws according to Carl Gettmann,

the Game and Parks Commission's chief of law enforcement. The law now allows hunting in most roadside ditches, but the hunter must be completely off the traveled surface and may not shoot across or onto private property.

Creighton Shatters Laurel's Homecoming

Laurel High's attempt to erase an 18-point first half deficit came up two points short Friday night as Creighton marred the Bears' homecoming with an 18-16 win.

Sophomore Brad Erwin scored both Laurel touchdowns in the third period on runs of 35 and six yards and scrambled in for both two-point conversions to lop Creighton's lead to two.

Erwin, who had 60 yards in nine carries for the night, started his attacks from Creighton's 40 and 25-yard lines after strong winds hampered Creighton punts.

WS Runners Score Win

Victory, sweet indeed. And sweeter yet when it's the first taste in years. Wayne State cross country enjoyed this pleasure Wednesday by winning a quadrangular at Sioux City. Wildcat runners finished 3, 4, 5, 7, 11 to score a winning 30 points. Host Morningside scored 44, Northwestern 53 and Buena Vista 97.

Freshman Andy Myrtle of Wayne toured the five mile course in 28:36, for third place behind Delbert Christensen of Morningside, first with a 26:42 time. Hyp of Northwestern finished second.

Trailing Myrtle were Chip Hagerman in fourth at 28:39, Roger Kuhlmann, 28:40, Dale Sobel, seventh, Cliff Switzer, 11th, a new runner, Al Lubbe, came in 12th.

Wildcat runners were scheduled to run in the Doane Invitational Saturday, and they will meet Midland Friday at Fremont.

"We weren't executing well offensively or defensively the first half," Bozied said. Laurel fumbled the ball four times in the game, two of which the Bulldogs turned into touchdowns.

But those two TDs were only two thirds of the Bulldogs' scoring power that took place within two and a half minutes in the second frame.

With 9:19 left in the quarter Creighton took a 6-0 command on quarterback Darwin Falter's seven yard pass to Mike Ulrich. Seconds later Creighton was on a nine yard Falter Mark Mittles combination to lead 12-0. Finally, Falter dashed across

the goal from 25 yards out to make it 18-0. Time on the clock read 6:50.

Laurel had one chance to notch its second win in four games when the Bears were fourth and eighth on Creighton's 30 yard line in the fourth period. But a halfback pass went incomplete.

Besides Erwin's 60 yards, senior Sterling Stolpe had 44 yards in 15 rushes and Mark McCoy finished with 31 yards in four carries.

Leading tackler for Laurel was Warren Hansen with 17.

Board to Elect Officers Oct. 21

The city recreation board will elect new officers at its Oct. 21st meeting, reports Dan Sherry, city clerk treasurer.

The board delayed naming new officers at its September meeting after chairman Mrs. Norman Ehlers resigned. Tuesday night mayor Freeman Decker appointed Mrs. Wayne Nisner to take her place.

Besides electing a chairman, the board also will name a secretary and treasurer, positions held the past year by Wayne Tietjen and Mrs. Mike Karel, respectively.

Other board members are Wayne Wessel and Jim Keating.

Swim Meeting Set for Oct. 7

A meeting to organize a winter swimming team for Wayne area youths will be held Monday, Oct. 7, at Rice Auditorium on Wayne State campus.

Doug Krecklow, who will manage the team, said there will be four age brackets for youths to enter — 10 and under, 11-12, 13-14 and open.

If enough swimmers show interest at the 6:30 p.m. meeting, Krecklow will hold the first practice Oct. 21. Those who are interested in swimming but aren't able to attend the meeting may call Krecklow in Wayne.

Devis—

(Continued from page 4) which limited Wakefield to 48 yards on the ground.

One reason for such a good showing was the tackling of Gary Hansen, who had 21 take-downs for the night, he said. Mitchell was second with 11, followed by Steve Brandt and Straight with 10 and eight.

Nicholson and Soderberg got credit for most of Wakefield's total yards in the air and on the ground. Soderberg had 71 of 25 and nine yards for the longest gainers, while Nicholson led both teams with a 75-yard pass reception. The senior halfback also had a 45-yard reception that put the Trojans into scoring position at the two-yard line in the last frame. Soderberg bolted over for the TD. The PAT failed.

Wayne Places 7th at Crofton

Wayne High's cross country team placed seventh in the eight-team Crofton invitational Thursday, scoring 114 points.

Junior Ken Daniels led Wayne's four-man team with a 25th place showing of 13:20 over the 1.9 mile course. Freshman Jeff Backstrom was second on the team, placing 27th with a 13:22 clocking. Right behind him were sophomores Jon Ley at 13:32 and Tom Maier at a sophomore 14:06.

Host Crofton won the meet, winning the top four places. Naper placed second with 46.

Others competing: Plainview, 49; O'Neill, 58; Creighton, 71; Coleridge, 104; Wayne, 114; and Stanton, 130.

"As a team I thought we did pretty well," said coach Harold Maciejewski, adding that he was impressed with Jeff Backstrom. "This is the first time he's ran in competition like this."

Today (Monday) Wayne travels to Stanton for a triangular that includes Wisner-Pilger.

Emerson Crushes Freshmen, 34-0

Wayne High freshmen football coach Duane Blomenkamp hopes to find the right combination for the team's first win when the frosh host Randolph Tuesday night.

Last Thursday night Wayne suffered its second defeat in as many starts when Emerson Hubbard blanked the locals, 34-0, at Emerson.

The closest Wayne came to scoring was in the first half when the Blue Devils had the ball on Emerson's 21-yard line with a second down and one yard to go for first down. But the locals suffered back-to-back five-yard penalties before Emerson intercepted a pass, one of three successful steals in the 98.

The home team had a 6-0 lead in the first quarter, then made it 14-0 on a TD in the second frame which, Blomenkamp emphasized, "hurt us bad." "We had Emerson stopped on our 20-yard line on fourth down when they threw a pass into the endzone." Emerson scored once more in the third and twice in the fourth.

90 Attend Annual UMW Guest Day

"Woman, a Beautiful Word," was the theme when the United Methodist Women met for their annual birthday party and guest day Wednesday with approximately 90 attending.

Carroll News

Mrs. Ann Roberts registered the guests and ushers were Mrs. Rex Chapman and Mrs. Marjorie Nelson.

Mrs. Wayne Hankins played the organ prelude and gave the welcome. She accompanied Mrs. Don Harmer, Mrs. Robert Johnson, Mrs. Ann Roberts and Mrs. Don Harmer in singing. The entire group sang "It's So Sweet to Trust in Jesus."

Mrs. Walter Lage introduced eight new members to the society and cosages for missions were presented to Mrs. Duane Creamer, Mrs. Stanley Hansen, Mrs. Don Davis, Mrs. Kenneth Hall, Mrs. Perry Johnson, Mrs. Louise Boyce, Mrs. Ron Billheimer and Mrs. Edwin Milligan.

Cosages for missions were also presented Pastor and Mrs. Jim Scovil, Mrs. Rex Chapman and Mrs. Marjorie Nelson for their work in sub group.

A special membership pin was presented to Mrs. Ruby Duncan. Mrs. Duane Creamer was in charge of the devotions.

A skit was presented with Mrs. Walter Lage depicting the announcer of a radio station talking to people about women's role in living through the years. Those taking part were Mrs. Gordon Davis, Mrs. Ronnie Billheimer, Mrs. Wayne Hankins, Mrs. Ann Roberts, Mrs. LaRue Leicy, Mrs. Don Harmer, Thelma Woods and Mrs. Stanley Hansen.

Mrs. Walter Lage then conducted a voice of the people asking various opinions from the audience on ways women should live and conduct themselves.

Women from the Wayne, Randolph, Hoskins, Winside and Carroll Methodist Churches were present. Carroll St. Paul's Lutheran, Congregational, Presbyterian and other guests were also present.

Those on the kitchen committee were Mrs. Frank Cunningham, Mrs. Earl Davis, Mrs. Faye Hurlbert, Mrs. John Rethwisch and Mrs. Joy Tucker.

The dining room committee was Mrs. Merlin Kenny, Mrs. Don Davis, Mrs. Ted Winterstein, Mrs. Perry Johnson and Mrs. Maurice Hansen.

Mrs. Wayne Hankins poured at the salad bar luncheon. Pastor Scovil had closing prayer.

Mark Golden Anniversary
A card showing honored the 50th wedding anniversary of the Arthur Lages of Carroll on Sept. 25.

The Lages were married Sept. 25, 1924 in Sioux City. The couple has lived all their married life in the Carroll area. For 22 years they farmed two miles east of Carroll and then in 1946 moved to town, where they presently reside.

Mr. Lage worked in a blacksmith shop after moving to town and also did well curbing. As a hobby he made miniature farm equipment articles.

Mrs. Lage was a member of the Carroll Woman's Club for many years where she served as pianist and was also pianist for many years at the United Methodist Church of which the couple are members. She is a member of the United Methodist Women.

The Lages are the parents of two sons, Maurice of Carroll and Ronald of Wayne. A daughter, Molly Mae Strunk, died in 1968 and another daughter, Mary Lou, died in infancy. They have three grandchildren and three great grandchildren.

Part of your protection against burglars is next door.

Strong door locks and outside lights can stop burglars. But a watchful neighbor adds to your safety.

An alert neighbor can call the police if he or she sees something suspicious next door. And that's one thing locks and lights can't do.

Take time to check crime.

you can help conserve energy!

Energy conservation must become a way of life for all of us. We are doing all we can to develop and deliver enough clean burning natural gas to our residential customers.

You can help by being sure you are cooking your food, heating your water and drying your clothes in the most efficient manner.

The new gas appliances, because they are more efficient, use less energy, thus cost less to operate.

FALL SAVER SALE

If it's time to replace your old gas range, get a new gas range.

You'll cook better and save energy. The new gas ranges have "cook and keep" ovens, more accurate heat settings and "burners-with-brains" that can use less fuel.

Questions and Answers

Q. I was in the hospital for 2 weeks last month, and now I have to go back in this month. I thought I'd be starting a new Medicare benefit period, but my doctor says I'm in the same benefit period. Is he right?

A. Yes, your doctor is right. Even though you have been out of the hospital you are still in the same benefit period. A benefit period starts when you first enter a hospital, but it doesn't end until you have been out of a hospital (or skilled nursing facility) for 60 consecutive days. You have been out of the hospital for less than 60 days, so you are in the same benefit period.

Medicare helps pay for up to 90 days of hospital care in each benefit period. You still have 76 days of coverage left in this benefit period, plus any reserve days you haven't used previously.

STUMP REMOVAL

WITH A NEW

Pow-R-Stump Cutter

- It gets in and gets the job done fast!
- There is no stump too big or too small!
- Only minutes pass as this machine chews out stumps to chips below the surface!
- No chopping — no burning — no explosives. No damage to surrounding area.
- Cuts at close quarters to walks, driveways and curbs without damage.

HERE'S THE PROBLEM...

There's nothing more unsightly than a dead tree stump in a lovely lawn. And think of the expense, labor, and possible damage to surrounding area when stump removal meant days of chopping, sawing, digging or blasting by a crew to remove a big stump.

THE SOLUTION...

Today, however, you can cut the largest stump to chips in minutes... and reduce the time and labor costs to a bare minimum... with a Vermeer Stump Cutter. Look how the big revolving cutting wheel has chewed out half the stump in just a few passes.

THE RESULT

Now see the difference! The stump is gone. Only chips remain. Hole has been filled with dirt (and chips too, if you wish) and is ready for seed or sod. It's fast, easy and neat. All accomplished in minutes by one man... and any one of several Vermeer Stump Cutters.

Farmers Offered New Equipment By Local Store

Bob's Farm Service of Wayne has purchased a new Ag-Chem "Terra-Gator" flotation applicator for applying liquid fertilizers, and herbicides on a custom basis for farmers in the area. The new unit replaces an older sprayer which the firm has used for the past several years.

According to owner, Robert Sherry, the new machine carries a 1250-gallon stainless steel tank and application is made by a 50-foot wide boom which can cover a swath of sixty-foot. The unit is equipped with a "bout marker" which drops a white substance on the field to give the operator an exact spot to start the next swath, avoiding overlaps or skipped areas.

Sherry said the unit's three king sized tires enable it to operate on soft ground where conventional equipment would bog down, or compact the soil.

The unit is regarded as significant since it will enable Bob's Farm Service to begin spring work earlier.

Powered by diesel engine and a 10 speed transmission, the Terra-Gator can cover several hundred acres a day in its custom work. The operator can direct the per acre application rate from controls in the cab and can raise, lower, level or fold the right and left booms individually.

Sherry said the Terra-Gator's speed and ability to work in fields under adverse conditions will provide faster and more dependable service to farmers in this area. This is important at the present time when higher crop yields are being urged to increase the food supply, he said.

Mrs. Meta Pingel and Mrs. Katherine Asmus visited Mrs. Willis Wills of Shelby and Mrs. Ella Broekemeier in the Behlen Memorial Hospital in Columbus Sept. 23.

Allen High Names Cast For Play
Allen High School has named the cast for its junior class play, "Come Out of Your Coma" Nov. 7-11 at the high school.

Jeff Creamer will have the leading part as Billy Cartwright, who leads rich relatives to believe he is fatally ill in order to obtain money for "riotous living" while courting his sweetheart, Janey Peck, portrayed by Julie Osbahr.

The comedy takes a sudden switch when the relatives, thinking Cartwright is on his death bed, pay him a visit.

Also in the three-act play are Robert Bock as Buzz Bradford, Van Hanson as Henry Peck, Tressa Henry as Mrs. Henry Peck, Kathy Rahn as Susan Blake, Diane Carr as Lena Katzenheimer, Randy Dunn as Woodrow Twillett, JoAnne Roberts as Miss Sylvia Cartwright, Shawn Persinger as Mr. Corn wall Cobb, Karl Erwin as Dr. Boneta Belchnick and Verneal Roberts as Dr. Burdock Butterfish. Play director is Robert Moore.

Included on the staff are Joy Kjer and Diane Wiest, student directors; Lindy Koester and Richard Davenport, stage managers; Roxanne Bock and Jean Kellog, advertising, and Cathy Smith and Delinda Kluver, makeup.
