

Architect's Vision of Expanding School Facilities Is Unveiled

By NORVIN HANSEN

An extensive plan calling for development of parking, athletic facilities and nature study areas west and south of Wayne High School was unveiled at Monday night's Wayne-Carroll school board meeting.

Turning the plan into a reality would cost approximately \$200,000, depending on what types of facilities were constructed.

School board members, after listening to an architect from a Lincoln firm, explain parts of the plan, agreed to study it further and try to establish construction priorities.

The plan, drawn up by the same firm

which designed the present high school, Davis, Fenton, Stange and Darling, proposes expanding the parking lot just west of the high school so it will accommodate about 188 vehicles and constructing another parking lot for 86 vehicles on the lower level just south of the high school.

It also calls for constructing softball and baseball fields in the practice area southwest of the high school, tennis courts between the high school and elementary school, and a track around the practice football field south of the elementary school.

Included in the plan is an arboretum, a park-like study area which would include

Specific plants, bushes and trees in the southwest area of the school's vacant plot of land west of the high school and elementary school.

That arboretum would feature walks so students could spend time in the area studying various types of plantings.

For a look at that plan, see page 8, section 2

Estimated costs of the various projects:

- \$200,000 for expanded and additional parking.
- \$71,400 for grading and seeding necessary for the softball field, baseball field and track.
- \$2,000 for construction of the baseball field, including dugouts and backstops.
- \$35,000 for the track and field facilities.
- \$46,300 for two synthetic surface tennis courts (or \$26,800 for concrete surface).
- \$5,700 for the first of five phases of the arboretum.
- If the tennis courts were constructed with a synthetic surface, total cost of all those projects would be \$212,600. Constructing the tennis courts with concrete would drop the total to \$193,100.

Lynn Jones, a representative of the Lincoln firm, emphasized to the board that the proposal is probably the best one possible if "flexibility" for future development is to be retained.

He noted that the plan calls for a minimum of earth moving since the practice football field is kept where it currently is and since the area just southwest of the high school is "almost a natural" area for baseball and softball fields.

Moving the practice football field from where it currently is located to the area now being used to practice baseball would mean expensive grading and filling, he added. Moving the field

northwest has been considered by some school officials and staff members in the past.

He also noted that space in the present parking lot could be increased by building onto it on the north end. In addition, traffic flow could be improved by having another access to Highway 35 on the northwest corner of the lot, something he said is possible because the highway is not a limited access one.

Building another parking lot on the flat area just south and below the high school would not destroy the beauty of the school complex, something which would happen if parking were allowed in the area.

Local School Board Sets Pay Negotiations in Motion

Members of the Wayne-Carroll school board Monday night set in motion salary negotiations with teachers for the 1975-76 school year.

The board recognized the Wayne Education Association as the group the board will negotiate with and agreed to negotiate two of three items requested by the association.

The board agreed to discuss

the salary schedule-base pay and the medical insurance program. Rejected as a negotiable area by the board was teaching conditions.

The step is the first in a series of steps which will have to be taken before negotiations for the coming school year can be completed.

Also approved Monday evening was the selection of board member Wilbur Giese as the lead member of the board's negotiating team. Also on that team are board president Irv Brandt, who will act as chairman and Margaret Lundstrom

In a related action, the school board approved hiring the three principals and superintendent Francis Haun for another year but did not set their salaries.

Current salaries are \$21,250 for Haun, \$16,750 for high school principal Donald Zeiss, \$15,000 for middle school principal Loren Park and \$13,500 for elementary school principal Richard Mettler.

Salaries for the administrators will be set at a later time, board members agreed.

Superintendent Haun recommended that all three principals be hired for another year.

Board member Morris Sandahl, serving for the last time on the board after some 11 years as a member, was presented a distinguished service pin by president Brandt during Monday's meeting.

Brandt noted that Sandahl, of Carroll, has been an effective and "loyal" board member who served on the board during the major bond issue necessary for construction of the new high school. He said Sandahl's contributions to the school system helped it receive its double A accreditation from the state, an accreditation which is given only to the top schools in Nebraska.

Sandahl, who gives up his seat to Dale Stollenberg, said serving on the board was "no burden, I've enjoyed every minute of it."

See NEGOTIATIONS, page 5

Students Polish Their Parts for 'South Pacific'

March 21-22 may seem like a long way off for most people, but it's just around the corner for Wayne High School students polishing up their roles for the coming production of "South Pacific."

The students, under the direction of Larry Strätman, will perform the musical on those dates in the high school lecture hall.

The musical is based on James A. Michener's Pulitzer Prize winning novel, "Tales of the South Pacific."

The musical, first performed in 1949, is about a Frenchman, Emile de Becque, who falls in love with an Army nurse, Nellie Forbush, while she is stationed at an American air base on the island.

There also is a love story involving Marine Lt. Joseph Cabot and a native island girl, Liat.

Students auditioned before Christmas vacation for parts in the musical.

Gaining roles were Mark Cramer as the Frenchman, Kay Pierson as the nurse, Scott Havener as the Marine lieutenant and Becky Allen as Liat.

Other parts will be played by Gigi Goblirsch as Bloody Mary, the mother of Liat, Bob Bergl as the entertaining character of Luther Billis, Rod Hoops as Stewpot, Phil Koerber as Capt. George Brackett and Mike Schmolz as Brackett's assistant, Commander William Harbison.

City to Salute Pork Producers

Wayne will salute area pork producers with a week long promotion later this month.

The promotion, to be called "Area Pork Producers, We Appreciate You," will be held Jan. 20-25, tying in with an Area Swine Day scheduled for Wayne Jan. 21.

Given away by participating merchants during the promotion will be numerous pork cuts as well as a grand prize, possibly a half hog.

"This is a rural community, and we just want to show area farmers that we appreciate their business," said Chamber of Commerce board member Roger Nelson in announcing the promotion.

The promoter will be discussed again Friday when the newly named Chamber retail committee holds its first meeting of the year.

On that committee, selected by Nelson, are Gene Cornell, Roy Korth, Marion Froehlich, Lois Hall, Jim Hank, George Follins, Jack Manske and Darrell Moore.

Cornell will serve as chairman of the committee, filling the post he held the past year by Nelson and Charles Surber. Moore is the only member who served on the committee during the past year.

The committee, which meets once a month, sets and plans Chamber promotions held throughout the year.

This year's pork promotion, first held in the city, will be similar to last year's beef promotion. That beef promotion will be held later in the year, according to Nelson.

McFadden to Preside Over County Court

District county judge Eugene C. McFadden of Norfolk will preside over Wayne County court beginning in February, replacing Judge Joseph H. Hunker of West Point.

Judge Hunker has presided over Wayne County court along with Cuming and Stanton County courts for the past two years. He will now take care of Cuming County court and the Madison County court at Madison.

Judge McFadden, named presiding judge for this year, will continue to take care of the Norfolk division of Madison County court as well as Stanton and Wayne County courts.

Judge R. Bruce Henning, also of Norfolk, will continue to preside over the county courts of Antelope, Knox and Pierce Counties.

Wayne County associate judge Luverna Hilton of Wayne will continue in her post for another year. She was named to a two year term beginning January of 1973.

The three district county judges are in the third year of their four year terms.

8th One Is A 'First'

MRS. DARRELL FRENCH'S eighth child was a first. A first born at the Wayne Hospital this year, that is. She gave birth to Douglas William at 10:45 Sunday morning. The fourth boy for Mrs. French, he weighed 10 pounds and measured 21 inches at birth. She and her husband, who farms three miles west of Carroll, have seven other children, Ed, 14, Kathy, 13, Janet, 12, Mary, 10, Leanne, 9, Diane, 3, and David, 2. Dr. Robert Benthack of Wayne was attending physician for Mrs. French's eighth baby.

Ventriloquist to Perform At '75 Chamber Dinner

Persons attending the Chamber of Commerce's annual dinner in Wayne on Monday, Jan. 27, will get to see a pretty young girl perform her ventriloquist act.

She is Sharon Pelc of Johns town, 1974 Miss Nebraska.

Miss Pelc and her two dummies Oliver and Al Ann will highlight the dinner, slated for 7 p.m. at the Student Union at Wayne State College.

Tickets for the dinner, now available at \$5 per person, may be purchased at either the First National Bank, State National Bank or the Chamber office. Tickets also will be sold by Chamber members starting this week.

Heading up this year's dinner is Dean Pierson. On the committee helping with that job are Pat Gross, Dale Gulshall, Francis Haun and Dave Ewing.

This year's guest speaker will give a performance including songs and comedy routines.

Currently attending Kearney State College where she is working on her master's degree in administration, Miss Pelc has held a number of other queen titles. Among them: Miss North Central Nebraska, Miss South West Nebraska, Miss Valley College and Chadron State College Winter Ball Queen and Ivy Day Queen. She also was second

MISS NEBRASKA, OLIVER

WSC to Host Editors

Wayne State College will be host to about 50 guests Saturday at the second annual Editor's Day. Invitations to attend were issued to all area newspaper representatives and senators.

"Purpose of the event," said Dr. Lyle Seymour, college president, "is to acquaint editors with the institution and its function in the area these newspapers serve. The college really belongs to Northeastern Nebraska and Western Iowa," he noted, "and the press is a very important sector of the relationship within this area."

Editor's Day will begin with registration and coffee at 3 p.m. in the lobby of the Student Center. A tour of the campus, with special emphasis on the new Benthack Hall of Applied Sciences and Dale Planetarium, will be conducted by Dr. Seymour at 3:30.

At 5 p.m. the group will tour The Wayne Herald as guests of J. Alan Cramer, publisher.

The Wayne State Foundation will serve a dinner at the Student Center, Walnut Room, at 6:30 p.m., and guests will be seated together for the basketball game between Doane College and WSC that evening.

Senators who plan to attend include John Savage of Omaha, representing Legislative District 10; Glenn A. Goodrich of Omaha, District 20, and Thomas C. Kennedy of Newman Grove, District 21.

College personnel will be on hand to visit with guests during the day. Also to be included in the gathering will be Henry Ley of Wayne, recently appointed by Governor J. J. Exon to fill the State College Board of Trustees position vacated by retiring J. Alan Cramer.

Newspaper men planning to attend include Leon Conrad, Nebraska Journal Leader, Ponca; Donald Ewald, Colfax County Press, Clarkson; D. J. Evans, Herald, Pilger; Joseph Flack, Star Mail, Madison; Lloyd Gnirk, News, Meadow Grove; Duane Hamm, Gazette, Wausa; Clarence See EDITORS, page 9

ED WOLSKÉ, center, is vernal by the new owners of his auto firm in Wayne: Glen Ellingson, left, and his son, Mark. The Ellingsons took over the business the first of the year.

Auto Firm Takes on New Owners

Glen Ellingson and his son, Mark, have purchased Ed Wolske Auto Service in Wayne and are now operating the business under the name of Ellingson Motors.

The Ellingsons took over the auto dealership the first of the year, ending Wolske's ownership which stretched back nearly 30 years.

Wolske, who opened his automobile mechanics shop in October of 1944, began as a dealer for Jeep in May of 1946. He added Pontiac to his dealership in 1948 and Cadillac in 1949.

Also associated with the new owners is another son, Bruce, who moved to Wayne from Albany, Ga., to take over as service manager.

Glen Ellingson had worked for 20 years as a rural mail carrier before purchasing the Wayne business. He had been living at LeRoy, Minn., with his family before moving to Wayne. He and his wife, Vernal, have four other children at home: Janet, a Wayne High Junior; Clay, a Waynes High Junior; Clay, a Waynes High Junior; and a seventh grad.

See AUTO FIRM, page 5

Whose Got A Drink?

Total precipitation in Wayne during 1974 was 15.79 inches, the lowest 12 month total registered in Wayne since 1939 when just 12.23 inches were recorded.

Last year's precipitation total was nearly half the total recorded in 1973. That year a total of 30.40 inches of precipitation fell in the city.

Dixon Priest Bucks Snow Drifts in Model A

Like many antique car buffs, Father Tom Adams of Dixon is ready to forget about driving a modern car through the snows of Nebraska, and to go back to the Model A.

Old time automobiles are a good thing to drive in the deep snows since they are built high off the ground and have narrow or tires than today's cars so the car can plow through snow easier.

Father Adams was convinced when he was attending Omaha North High School that the Model A is the best for winter driving. Now he's going to try it.

"The next time we have three or more inches of snow, I'm going to keep the Mazda in the garage and start up the Model A," the pastor of St. Anne's Church in Dixon said.

The four-cylinder 1930 Ford coupe barreled its way through the drifts in Dixon during a trial run, he said. All he needs now is a pair of chains for the rear tires, and both the car and the priest are on their way.

Since Father Adams has to drive to parishes in Waterbury and Wayne, the need for reliable transportation is evident. "Last

DIXON PRIEST Father Tom Adams looks over his Model A, the automobile that will carry him on his trips to his parishes this winter.

Heithold-Hollman Vows Spoken December 28 at Grace Church

The altar of the Grace Lutheran Church in Wayne was appointed with pink, white and burgundy pompons for the Dec. 28 wedding of Susan Marie Heithold to Ricky Duane Hollman. Both are of Lincoln.

Parents of the couple are Mr. and Mrs. Edmond Heithold of Wakefield and Mr. and Mrs. Dwane Hollman of Waterbury.

The Rev. John Upton officiated at the double ring ceremony. Wedding music included "The Wedding Song," "The Lord's Prayer" and "Joy of Man's Desiring," sung by Connie Baker of Holdrege and accompanied by Mrs. Sallie Pryor of Wayne at the organ. Clarinet soloist was Richard Dale. Music for the recessional was a selection from "Ceremonial Music" by Purcell.

Guests were registered by Shirley Lesch of Omaha and ushered into the church by David Jensen of Ames, Ia., Mark Christiansen of Omaha, and Layton Jensen and Dennis Rohde, both of Emerson.

Maid of honor was Jeanie Meyer of Osceola and bridesmaids were Mrs. Lorie Haglund and Theresa Heithold, both of Wayne, and Pam Hollman of Lincoln.

The bridegroom's attendants were Randall Mueller of Tecumseh, Vaughn Hollman of Emerson, Douglas Heithold of Curtis and Brian Heithold of Wakefield.

Candles were lighted by Linda Heithold and Charlene Heithold, and ring bearer was Michael Heithold, all of Wakefield.

For her wedding day the bride chose a gown of white satelapeu over angel mist taffeta. The high regency neckline was designed of Cluny lace with venise lace trim. The round yoke and long sleeves were of the same lace and both were edged with a wide ruffle. The bodice was fashioned with a front panel,

below the yoke, which extended down the front of the slightly gathered skirt accented with venise flower appliques. A wide Cluny lace ruffle edged the hemline of the skirt which flowed to a semi cathedral length train. Her fingertip manilla of nylon illusion was bordered with venise lace and held by a stand up cap of Cluny lace trimmed with ruffles and cen-

SPEAKING OF PEOPLE

Schwisows Home in Wayne Following December Rites

Now-at-home in Wayne are Mr. and Mrs. Steven Bradley Schwisow who were married Dec. 28 in 7 p.m. rites at the United Methodist Church in Fairbury. Mrs. Schwisow, nee Nancy Jane Haberman, is the daughter of Mr. and Mrs. John Haberman and the bridegroom is the son of Mr. and Mrs. Walter Schwisow, all of Fairbury.

The bride, a 1973 graduate of Fairbury High School, attended Nebraska Southern College and is presently a sophomore at Wayne State College majoring in English. The groom graduated from Fairbury High School and Milford Technical School and is employed by Logan Valley Construction.

The Rev. Herbert Jackman officiated at the double ring ceremony. The organ prelude, "Joyful, Joyful, We Adore Thee," and the processional, "Trumpet Tunes" and "Trumpet Voluntary," were played by David Henske, Cindy Kessinger of Omaha accompanied herself on the piano as she sang an original composition, "Seems Like Only Yesterday." She was also accompanied by Cynthia

Judd on the flute. Mrs. Steve Evers of Lincoln sang "The Lord's Prayer" and "The Wedding Song."

Serving her sister as maid of honor was Juli Haberman of Lincoln. Bridesmaids were Connie Wheatcraft, Debra Compton and Shelly Stewart, all of Fairbury, and Mrs. Tom Brunz of Auburn. Randy Schwisow, brother of the groom, served as best man and groomsmen were Larry Schwisow of St. Louis, Mo., another brother of the groom, and Bob Hughes and Dan Bedlan, both of Fairbury, and Jim Haberman of Dallas, Tex., brother of the bride.

Jeanette Marshall of Cozad was flower girl. Tapers were lighted by Mrs. Kipp Starr of Fairbury. Carol Klassen of Imperial and Pera Jo Bauer of Clay Center, Kan.

The bride, given in marriage by her parents, chose a princess silhouette gown of candlelight silk organza and lace in the Victorian style. The yoke of the gown was of silk chantilly lace trimmed with pearls and outlined with a ruffle of Cluny lace. The pearl trim was repeated on

the tapered lace sleeves, completed with ruffle cuffs. A stand-up, ruffled lace collar contoured the high neckline and a wide ruffle of lace followed the hem, extending onto the sweeping train. Pearl venise lace motifs highlighted the A-line skirt.

Her fingertip, tiered veil of sheer illusion, bordered with lace, was caught to a camelot headpiece of peau taffeta trimmed with pearls lace. Her bouquet was a round colonial cluster of red and pink roses accented with baby's breath and pink and burgundy lace ribbons.

The bride's attendants were attired in alternating gowns of pink and burgundy in floor length, fashioned of satin crepe and styled with a fitted bodice and full skirt. Old fashioned lace accented the yoke of the bodice and a stand-up, ruffled lace collar contoured the high neck line with a ruffle of lace circling the wrists. They carried round colonial bouquets of miniature pink carnations, red roses and baby's breath accented with pink and burgundy ribbons.

The men wore black tuxedos with ruffled shirts in raspberry. Their boutonnières were a single burgundy rose.

Mrs. Larry Schwisow and Susan Savery of Crete registered the 300 guests for the reception held at the church fellow ship hall. Mr. and Mrs. Howard Boeckner and Mr. and Mrs. Carmen Wheatcraft served as hosts.

Kendra Cummins distributed rice bags and Mrs. Chuck Stone and Marjorie Menefee presented programs to the guests. Taking gifts were Mary Schwarm, Mrs. Dennis Steele and Pam Brunkow of Omaha.

Mrs. Jim Marshall of Cozad and Mrs. Wilma Brunkow of Omaha cut the cake and Ann Haberman of Beatrice poured. Punch was served by Kris Haberman of Beatrice. Cindy Durant of Omaha and Mrs. Tom Ruhnke served the brides table. Assisting at the reception were Melissa Cummins, Kathy Meyer and Lisa Ebeling. The Naomi Circle of the United Methodist Church assisted in the kitchen.

The newlyweds were honored at a wedding dance at the National Guard Armory.

MR. AND MRS. FRED BRUMELS

Open House Scheduled For Golden Anniversary

Mr. and Mrs. Fred Brumels of Hoskins Peace United Church of Christ.

Hosting the event will be the couple's daughter and son in law, Mr. and Mrs. Norris Langenberg and sons.

All friends and relatives are invited to attend.

Mr. and Mrs. Dorcey Haines of Sacramento, Calif., formerly of Wakefield, will observe their golden wedding anniversary Sunday, Jan. 19, in California with an open house reception.

Their address is 5400 State Ave., Sacramento, Calif. 95819.

Kay and John Claus

NOW AT HOME at Jardine Terrace Apts., Q.7, in Manhattan, Kan., are Mr. and Mrs. John H. Claus who were married in Dec. 28 rites at the Sioux City First United Methodist Church. Mrs. Claus, nee Kay Suhumskie, is the daughter of Mr. and Mrs. M. E. Suhumskie of Sioux City. The bridegroom's parents are Mr. and Mrs. Henry Claus of Wayne. Honor attendants for the couple were Mrs. Nile Vernon of Cedar Falls, Ia., and Marvin Raile of Manhattan, Kan.

Music Boosters Meet Monday At High School

Wayne Carroll Music Boosters met Monday afternoon at the high school band room with Mrs. Neal Phelps, president.

Ron Dalton, instrumental director, reported that members of the Wayne High School Stage Band will attend the stage band clinic at Wayne State College Jan. 18. Wayne will be host to the Junior High Husker Conference clinic Feb. 19 with eight conference schools expected to participate. The mid-winter concert will be in February.

Dalton, assisted by the uniform committee, will investigate the cost of ordering a new drum major uniform.

Boosters decided not to hold January meetings in the future unless the board requests a special meeting.

The meeting concluded with refreshments served by January committee members. Mrs. Nell Sandahl was committee chairman.

Next booster meeting will be at 8 p.m. Feb. 3 in the high school lecture hall. Co-chairmen of the refreshment committee are Mrs. Dale Johansen and Mrs. William Kugler.

VIC SHARPE, left, and teammate John Keating start to break down court after Keating out rebounds Wakefield's Paul Dahlgren during Monday's freshmen-basketball game at Wayne High.

Frosh Press Halts Trojans

Wayne High's freshmen basketball team using a man-to-man press, allowed Wakefield to score only one point in the third quarter as the locals won their fourth straight, 38-27, Monday afternoon at Wayne.

Wakefield scored its lone point on a free throw 15 seconds into the third period to close within two, 16-14, before Wayne's press caused the taller Wakefield club to throw the ball away. Wayne led 32-14 going into the final period.

"The first half was pretty even," said Wayne coach Duane Blomkamp after his club took a 16-13 lead into the locker room.

Jeff Backstrom and Vic Sharpe led Wayne with 10 points each, followed by Marco Garlick with eight. Garlick was the team's leading rebounder with six as Wayne garnered 18 camrons.

Paul Dahlgren and Val Johnson led Wakefield with 13 and 11 points as Wakefield rallied in the final period.

Wayne, shooting 38 per cent, scored all its points from the field while Wakefield, hitting 28 per cent, was 5-11 at the free throw line.

Friday afternoon at 3:30 Wayne plays Madison. Wakefield 02, hosts Laurel Saturday.

Other scoring:
Wayne — Steve Bodensledt 6, John Keating 2, Jay Hummel 2, Wayne — Craig Nelson 2, Jeff Simpson 1.

Mahler's 34 Points Too Much for Allen

Pender junior Jack Mahler, who scored 28 points against Allen in the Pender holiday tournament, bettered that performance against the Eagles Saturday night by scoring 34 points in Pender's 73-55 victory.

The 6.0 guard scored eight of the team's 12 points in the first period and 13 of the club's 25 in the third to drop Allen's record to 0-7.

Allen, behind seniors Dave Dunn's 17 points and Don Kluever's 14, trailed 29-24 at the half before Pender took a 54-40 command going into the final period.

"We were in the game for three periods," Allen coach Bob Moore said. It was in the third frame that Pender's variation of a man to man and zone press stopped Allen, he noted.

Dunn led Allen in the first period with five points and scored eight in the final period as the Eagles finished with a 33 per cent shooting mark for the night. The Eagles hit 17 of 33 attempts while Pender made 17 of 28.

Allen cleared 47 rebounds, for the night, with Dunn and Brian Hirschert grabbing 16 and 14.

In reserve action, Pender again was victorious, 57-24. Pender took a 22-3 first period lead and 37-6 halftime command.

Allen, now 1-4, was led by Steve Osbahr's 11 points. Other top scorers were Shawn Persing and Tod Ellis with six and five points.

JCs Sponsoring Snowmobile Races

The Wayne County Jaycees will sponsor snowmobile races Jan. 26 at the Wayne County fairgrounds.
The races will be divided into four groups—stock, modified, junior and powder puff.
Stock is divided into five engine classes—0-295 cubic inch es, 296-340, 341-400, 401-440 and 441-650. The modified division will be divided into 0-295, 296-340, 341-440 and 441-650. Juniors are 12-13 and 14-15—will compete with vehicles having a 340 maximum.
First and second-place trophies will be awarded in all but the modified division. Cash prizes totaling 50 per cent of the See RACES, page 5.

5 Grapplers Pace Devils in Meet

Five Wayne High wrestlers placed in the Tekamah Herman invitational Saturday to lead Wayne to fifth place in the eight team tournament.

The Devils, scoring 45 points, trailed winner Tekamah with 94 points. Boys Town with 81, Arlington with 56 and Plattsmouth with 52. Other teams scoring were Omaha Cathedral with 42, Fremont Bergan with 39, and Omaha Paul VI with 20.

Wayne senior Randy Surber paced coach Don Koenig's crew with a win in the 105 pound division, pinning all three opponents enroute to his first tournament win of the season. Surber pinned Terry Marquardt of Arlington in the finals after stopping Boys Town's Steve Boswell and Fremont's Dave Schaulis.

Ken Daniels and Reg Godsey took second and third while

GODSEY SURBER

Godsey, at 185, lost a 4-2 decision after pinning his first man. Following the loss, Godsey pinned two more wrestlers.

Hansen took a 1-0 decision in the first round before dropping 6-0 and 1-1 matches. After losing his first match, Nelson pinned his second opponent and won a 4-2 decision before losing, 2-1.

"This is the best the team has looked this season," Koenig said, adding that both Daniels and Hansen dropped one weight class before the tournament.

Wayne wrestlers eliminated in the first round:
Kirk Echtenkamp 98, Alan Ekberg 119, Les Thomsen 132, Brian Heirhold 138, Tom Maier 145, Rick Straight 167 (No heavyweight).

Foul Trouble Plagues Winside in 2nd Half

Second half foul trouble stopped Winside's bid to dump Osmond in the Coleridge invitational tournament Tuesday night at Osmond, ahead by four at the half, cashed in on 21 of 32 free throws for the night to strike a 65-44 win.

Winside, playing "a little too aggressive on defense," lost the services of junior Bob Hoffman in the third period as the Wildcats closed within two points, said coach Korlin Luff. Hoffman, who scored eight points the first half, was instru-

mental in pulling Osmond's defense out to give Winside the middle shots in the first half. Luff said "We didn't go inside as well as we should have," he admitted.

Osmond's top shooter, 6-2 sophomore Doug Stratton, nailed in eight points the first quarter to "put the Tigers in command," 18-9. The Cats, behind team leaders Terry Luff and Tyler Frevert, high scorers for Winside with 13 points each, scored 16 points the second frame.

Winside went to a man-to-man

defense after the first period to slow down Stratton's shooting, but Stratton came back in the second half to hit 17 of 13 foul shots and three baskets to put his team in the lead.

The Cats, 1-5, shot 27 per cent for the night, hitting 18 of 70 shots. Osmond, which advances to semi-final action tonight (Thursday), connected on 22 of 62 tries for 34 per cent.

During the first round of the eight team tournament Monday night, Coleridge beat Wynot,

80-45, and Hartington High downed Newcastle, 62-46 Tuesday night. Hartington Cedar Catholic topped Ponca 51-48.

Cedar Dumps Laurel Jr. Hi

Hartington Cedar Catholic's junior high evened Laurel's record at 1-1 Monday afternoon by dropping the Bears, 41-30. Russ Uhing ripped the nets for 17 points to power the hosts past Laurel.

Ron Gadeken and Russ Gade led Laurel with eight and seven points. Paul Gurn had four, Don Dalton three, and Don Casey, Shannon Hopkins, Mark McCorminkdale and Glenn Maxon two each.

8th Grade Rallies For Third Victory

Wayne's eighth grade basketball team escaped its first loss in three starts Monday night when the locals beat host Norfolk Catholic, 40-33.

Down 9-2 at the end of the first period, Wayne closed the margin to 14-11 at the half before Brad Emery scored nine of his 12 points in the third period to help put Wayne in front, 31-27.

"The team was tight the first period," said recreation director Hank Overin, noting that Wayne began to loosen up in the second stanza when the team started to run its patterns.

Also scoring were Sean Willis with 11, Dave Schwartz 7, Tom Ginn 5, Don Straight 3 and Al Nissen 2.

The seventh grade boosted its record to 3-0 with a 28-17 victory.

Jeff Zeiss led Wayne with 10 points as the locals took an 18-7 halftime lead. Zeiss has help from Stuart Nissen and Steve Sorenson with four each while Jeff Dion, Rick Johnson, Kurt Powers, Jeff Sperry and Clark Blakeman scored two each.

Tonight (Thursday) Wayne hosts Macy at 6:30 in the city auditorium.

Permits Needed For '75 Season

Ice fishing is just starting to gain momentum in many parts of Nebraska, and pheasant, quail, rabbit and squirrel seasons will continue on into 1975.

However, permits outdoorsmen need for these pursuits do not carry over into the new year. Nebraska's ice fishing, pheasant and quail permits must be renewed for 1975 permits and Upland Game Bird Stamps to remain active, according to the Game and Parks Commission.

For the money, the permits are bargains. Despite inflation and rising prices, the fees remain at the same level. Resident fishing permits are still \$4, resident hunting permits are \$4.50 and hunt-fish combination permits are \$8. For hunters going after pheasants and quail, the \$1 Upland Game Bird Stamp is required.

New hunting and fishing permits are available at some 1,200 permit vendors across the state, from conservation officers or the commission office in Norfolk.

Smooth sumac, which brightens autumn landscapes, is a member of the same family of plants as poison ivy and poison oak.

Bears Ranked No. 8

Laurel High is ranked eighth in this week's Omaha World Herald's weekly Class C top 10 high school basketball standings.

The 7-2 Bears picked up their seventh win Tuesday night at Bloomfield to advance to the semifinals of the Northeast Nebraska Activities Conference tournament tonight (Thursday) at Randolph.

Geneva, 6-0, is No. one in this week's standings, followed by Clarkson, Wilber, West Point, Grant, Bassett, DeWitt, Tri County, Laurel, Valley and Bayard.

Tourney Sites, Dates Set

Norfolk and Wisner-Pilger High Schools have been selected as sites for this year's Class B and C district basketball tournaments.

The Class C 4 meet at Norfolk is slated Feb. 24-25-27-28. In C-4 are Winside, Allen, Wakefield, Laurel, Coleridge, Emerson Hubbard, Hartington High and Wynot.

The Class B 4 tournament at Wisner, which includes Wayne, is set for March 3-4-6-7. Also competing in B-4 will be Crofton, Hartington Cedar Catholic, Pierce, Randolph, Tekamah-Herman, West Point Central Catholic and Wisner-Pilger.

Tournament pairings will be determined Feb. 10 at Wakefield for C-4 and Feb. 11 at Norfolk for B-4.

Sportsbeat

By Bob Bartlett

FINAL receipts from the Wayne State holiday basketball tournament still are being figured, but early figures show that this year's journey may be one of the best.

College athletic director LeRoy Simpson said the tournament grossed about \$3,700 and made a profit of about \$700.

Reason the tournament was such a success was the crowds following teams in the eight-team high school division. Plattsmouth averaged about 40 people per day during the three-day meet, and although the count isn't known for Laurel, it's a sure bet the Bears easily topped that mark.

One of the biggest drawing cards was the Wayne-West Point Central Catholic semi-final game. Practically all the 1,400 seats in Rice Auditorium were filled for the evening contest.

The game was far from disappointing, with the Blue Devils upsetting previously undefeated CC, 60-58, but disheartening was Wayne's fan support. West Point people must have filled half if not three-fourths of the auditorium while Wayne had only a handful. Making up that handful were the cheerleaders plus some parents of players and loyal followers.

One thing that irks me is the number of

pep club members backing the team. Outside of the five cheerleaders and mascot, there were hardly any girls in the yell squad. Why?

If this tournament would have been held at Let's say, Kearney, it would be understandable for the small following. But when the game's at home?

Perhaps it's unfair to talk about the pep club only. After all, many students failed to show up for the game, too.

Some say criticism of Wayne's following is unjust because of the "good" turnout in the finals against Plattsmouth, but does Wayne have to make it to the finals before fans start supporting the team?

Some Wayne backers believe it's the lack of a winning tradition that is responsible for the poor turnout. Hog wash! During the past two seasons under Bill Sharpe, the Blue Devils have posted 13-8 and 15-7 records.

OF COURSE, tradition does have something to do with strong fan support. Laurel High is a good example.

"In the last 15 years Laurel has had only one losing season," said former Bear Cager Keith Olsen, now a student at Wayne State. Olsen said "people just

keep following Laurel" because it has a winning tradition.

Tradition is one reason former Laurel football players Lamont Sohler and Jerry Johnson try to attend every Laurel home game. Even if the game is on a week night the freshmen at the University of Nebraska-Lincoln travel all the way to Laurel to watch the team.

"Laurel's mainly a basketball town," Sohler explained. The town takes pride in its team, he added, pointing out that Laurel's "got something good and it likes to keep it."

Laurel cheerleader Julie Hirschman agrees the school has a strong tradition of winning and that strong fan support has a lot to do with Laurel's winning.

"The boys try harder when they know the fans are there to support them," she said.

Expanded Winside Meet Features Top Wrestlers

High school wrestling gets back into full swing this week with the two-day Winside invitational highlighting action Friday and Saturday. Tonight (Thursday) Wayne opens dual play at Wisner Pledge.

Twelve teams will be competing this year at the Winside meet, two more than last year, which prompted head coach Doug Barclay to expand the meet to two days.

"We originally scheduled 16 teams, but four could not make it," Barclay said. The new state ruling which limits a wrestler to four matches a day was another reason for adding another day to the meet, he said.

Wrestlers from Hartington High, Osmond, Scribner, Macy, Norfolk Catholic, Plainville, Stanton, Wakefield, Randolph, Lyons and Wynot will compete. Barclay isn't singling out a

possible team champion simply because of the variety of talent in all 12 weight classes. Always in the running for first place honors is Winside, second to Neligh last year. Among Winside's title contenders are seniors Gregg Lage (138), Dwight Lienemann (147) and heavyweight Mike Anderson. Juniors Keith Suehl (112) and Bob Bowers (105) also are picked to be tough.

Wakefield seniors Pat Nicholson (145) and Ken Dolph (132) are expected to be strong. Barclay pointed out.

Other top contenders: Scribner's John Havelkust (185), Lyons' Jeff Basswell (155), Plainville's John Guinn (145) and Mike Ragge (132). Hartington's Gary Wohlman (155) and Bob Lauer (119), Stanton's Mike Jensen (119) and Randolph's Lester Gubbels (138).

The Wayne (Nebr.) Herald, Thursday, January 9, 1975

Negotiations

(Continued from page 1)

Stollenberg was one of three persons who won seats on the school board in the November general election. Winning reelection were Mrs. Lundstrom and Giese.

Also Monday night, board members agreed to have Haun inform the Lowell Glassmeyers of rural Wayne that the school's claim for \$462.50 in tuition will be turned over to an attorney for collection if it is not paid in a reasonable time.

The Glassmeyers owe that amount, half the total amount, after leaving their two children in the Wayne school system following the family's move into the Winside school district, according to superintendent Haun.

The board agreed to cut the bill in half after the Glassmeyers explained that they misunderstood a policy the board adopted last year relating to families which move out of the Wayne Carroll school system.

The Glassmeyer students were free high students and should not have been left in the Wayne Carroll school system after the family moved into the Winside school district, according to Haun.

Also Monday night the board saw an architect's plan for development of the land south and west of the high school. The plan calls for construction of additional parking space, baseball field, softball field, tennis courts, track and a nature study area. The board is studying the plan in an attempt to set

priorities on various projects included in the proposal. Total cost of the turning the plan into reality would be approximately \$200,000, depending on the types of facilities constructed.

Agreed to offer the summer environmental course again this summer. High school science teacher Verne Mills offered the six-week course last summer, the first time such a course has been offered through the local school system.

Postponed action on changing the graduation requirements. The board is considering changing the requirements to make it impossible for students to graduate at the end of the junior year.

Learned that Brandt and Mrs. Lundstrom plan on attending the National School Boards Association's annual meeting in Miami on April 18-21.

Story Hour Starts Soon

Story hour at the Wayne Public Library will begin Saturday, according to librarian Kathleen Tooker, and will run through March 22.

The 2 to 3 p.m. sessions will be held each Saturday for youngsters ages three to seven and will feature stories and films.

Assisting Mrs. Tooker at the library are Jeanne Wacker, Susan Jacobmeier, Renee Milligan and Jennifer Johnson, student helpers. Also attending each of the sessions will be a student from the children's literature class at Wayne State College, taught by Dr. Lyle Skov.

The library is open from 2 to 9 p.m. Monday through Friday and from 7 to 6 p.m. each Saturday.

MRS. HENRIETTA FROST

Latest Drawing Is Worth \$850

Wayne's weekly Birthday Bucks drawing this week will be worth \$850 to some shopper present in one of the participating stores with a birthday matching the date announced.

If the top prize isn't claimed in the 8:15 drawing tonight (Thursday), another \$25 consolation prize will be awarded and the grand prize will climb to \$875 for next week's drawing.

Winning last week's consolation prize was Mrs. Henrietta Frost of Wayne, who was shopping at Sav-Mor Drugs when the winning date of Feb. 20, 1975 was announced in all sponsoring businesses.

Trojans Balance Inside, Outside Shots for Win

The outside shooting of guards Tim Rouse and Alan Johnson helped give Wakefield a nine point edge at the half before the Trojans' big men, Scot Keagle and Don Myers, began hitting inside for a 75-68 win at Wakefield Tuesday night.

Johnson, coming off the bench the second period, poured in 11 points while Rouse netted seven in that frame to break a 14-14 first-period score.

"We couldn't hit from the inside when they had a zone defense on us," said head coach Joe Coble. He said Stanton's 6-4 players, Rex Hawkins and Russ Seaman, were very effective. Hawkins scored 28 points while Seaman hit 14 to lead Stanton.

Wakefield broke inside when Stanton went to a man to man defense in the second half. With five minutes left in the game Stanton had a three point edge when Coble put Keagle and

Myers back in the game after half had been sidelined with four fouls.

In the fourth stanza Keagle scored nine of his 17 and Myers hit five of his 11.

Rouse, a junior, finished high for Wakefield with 18 and Johnson hit 15.

"I try to have balanced scoring in all games. That means I like to have five players in double figures," the head coach said. Junior Scott Mills was fifth high with eight points.

Wakefield now is 6-1.

The addition of junior Mike Sanderberg to the reserve lineup sparked Wakefield to its fourth win in five games as the JVs dined Stanton, 65-56.

Sanderberg seeing action the first time after suffering a broken wrist during the football season, scored 20 points as Wakefield took a 30-21 halftime lead.

Gary Munter and Kerry Bressler scored 14 and 12 to finish in double figures.

Stevenson's 31 Leads Team 5 To First Win

Lyle Stevenson set a season high scoring mark in city recreation A league basketball Monday night by pouring in 31 points to lead Team 5 to its first win of the season, 67-59, over Team 1.

Team 1, paced by Mike Loofe and Tim Robinson with 20 and 19 points was down 14-9 at the end of the first period before taking a 33-30 lead at the half. Team 1

in 2-2.

Teams 2 and 3 are tied for first place with 31 records after Team 2 beat Team 4, 67-58. Team 3 was idle.

Balanced scoring produced Team 2's win. Charlie Roland scored 16 while Shane Guss and Mike Creighton had 14 each. Kerry Jack 11, and Steve Hix 10. Ric Wilson scored two points.

Team 4, tied for last place with Team 5 at 1-3, got help from Breck Gless with 10, Ward Barelman with 13 and Bob Weisenberg with 10.

Monday night Teams 2 play at 7-30 followed by Teams 1 and 4.

Other scoring:
Team 4 — Paul Eaton 8, Randy Lanser 8, Jerry Tietz 7, Tim Roberts 1.
Team 5 — Bob Weisenberg 15, Dave Schutte 8, Ron Dalton 6, Doug Sturm 4, Jim Brasch 2, Perry Backstrom 1. Team 1 — Brent Johnson 8, Randy Nelson 6, Dennis Paul 6.

Moore Resigns As BB Coach At Allen High

Brian Brede has been named head basketball coach at Allen High School to replace Bob Moore, who resigned his head coaching job Monday night, said superintendent Gail Miller.

Brede, who graduated from Kearney State College in December, was selected Monday during the monthly school board meeting. Brede also will replace Tom Weddingfelt as head of the school's trades and industries program. Weddingfelt, of Wakefield, announced his resignation at the December board meeting. He intends to operate a drive in business in Wakefield.

Although the head coaching job will be Brede's first in the high school ranks, he assisted on the KSC football coaching staff. Brede's wife and son will move to Allen in the near future. Moore's decision to step down after 20 years of coaching—the last three in Allen—was a "personal reason," Moore said. The decision was not based alone on the team's current 0-7 record, he said. "There was no pressure to resign," he noted.

Moore will continue teaching as well as coaching the baseball team.

In other action Monday, the board agreed to meet tonight (Thursday) to install newly elected members. Wayne Stuart, Florian Mattes and LeRoy Koch Sharp and Mattes defeated incumbents Norris Emry and Raymond Brownell in the November election while Koch was re-elected.

In addition to the swearing in, members also will elect new officers.

Some people believe that if one wishes to bargain with the Devil, he must play the guitar at midnight.

NENAC Semifinals Pit Laurel, Creighton Tonight

Laurel High takes on Creighton in the semifinals of the Northeast Nebraska Activities Conference tournament tonight (Thursday) after the Bears beat Bloomfield, 62-49, in second round play Tuesday night at Randolph.

Also playing tonight are Plainville and O'Neill, winners in Monday night's opening round. Plainville beat Randolph, 69-66, and O'Neill whipped Neligh, 52-39. Also Monday Bloomfield nipped Pierce, 52-45. Friday night consolation finals begin at 7 p.m. at 8:30.

Mark Anderson and Brad Erwin scored 13 of Laurel's 19 points in the third period as the Bears broke away from a slim 31-29 halftime lead.

Laurel scoring eight unanswered points in the third frame pulled to an 11 point lead going into the final quarter, prompting coach Jack Parks to clear his bench in the team's fourth quarter onslaught.

"We spurred and lagged, then spurred and lagged," Parks said about his team's performance.

In the opening frame, the Bears jumped to a 7-0 lead before Bloomfield tied the score at 15-15 at the end of the first period. In the second period Laurel had a seven point advance before Bloomfield shaved the lead to two with the help of

last second field goal. Laurel, shooting 34 per cent for the night, was in control of the last half as the Bears moved to 12 points ahead of Bloomfield with two minutes left in the game.

The Bears' man to man press forced Bloomfield to turn the ball over 23 times. Laurel gave up the ball 16 times.

Rebounding was another strong factor as Laurel, behind Sterling Stolpe and Greg Pippitt with eight catches each, cleared 28 rebounds. Bloomfield had 25.

Mark has been living in Denver for about the past seven years.

Lindgren Leads Laurel Frosh

Dave Lindgren's 13 points in the fourth quarter sparked Laurel freshmen to a 49-22 win over Hartington Cedar Catholic Monday afternoon.

Lindgren, who finished with 18, helped break Hartington's second half press.

Mike Martin, who scored 14 points, boosted Laurel into an early lead, scoring 12 in the first half for an 18-9 lead. Bob Dahlquist was third high for Laurel with 13. Both Randy Birnham and Toby Cunningham scored two each.

The win ups coach Don Ferguson's club to 2-0.

A Two Point Program To Stop Pollution

The Litter Point.
Someone just tossed a can on the ground. Use this point to point it out. Maybe next time he'll toss it in a litter basket.

The Air Pollution Point.
Don't close your eyes to that smoking smokestack. Point it out to someone who can do something about it.

People start pollution. People can stop it.

VA Q&A

Q. Does the Veterans Administration provide medical care for many veterans?
A. Yes. The VA daily provides medical care for some 135,000 veterans in its hospitals, clinics, nursing homes and domiciliarys.

Q. Under what conditions could the wife and children of a veteran receive educational assistance from the Veterans Administration?
A. When the VA has rated the veteran totally and permanently disabled from service-connected causes.

Q. The Veterans Administration pays allowances for my wife and daughter along with compensation for a 60 per cent service-connected disability. My daughter just married. When will the allowance for my daughter be discontinued?
A. At the end of the calendar year in which she was married.

Concordia Lutheran Circles Meet

The Wayne (Nebr.) Herald, Thursday, January 9, 1975

Members of the Concordia Lutheran Womens Circles met Thursday afternoon with each group working on quilts for their project.

Mrs. Robert Erwin was hostess to nine members of the Mary Circle. Bible study leader was Mrs. Ernest Swanson. Mrs. Cecil Johnson will be the Feb. 6 hostess.

Six members of the Ruth Circle met with hostess Mrs. Kenneth Olson. Mrs. Ted Johnson gave the Bible study lesson. The February hostess will be Mrs. Quinten Erwin.

Mrs. Ivar Anderson presented the Bible study at the meeting of the Naomi Circle in the church parlors. Hostess was Mrs. Walter Anderson. Twelve members attended. Mrs. Arvid Peterson will host the group in February.

Maria Circle met at 8 p.m. with Mrs. Clarence Pearson. Mrs. Glen Magnuson presented the Bible study. The February hostess will be Mrs. Glen Magnuson.

Meet Saturday
The Junior Missionary Society of Concordia Lutheran Church met Saturday afternoon. Members answered roll call with a Bible verse.

Layne Johnson presented a special number and read "A New Years Resolution, Pass It On." Devotions were given by Jena Opegaard. Mrs. Keith Erickson read two short stories and games furnished entertainment.

Denise Anderson was on the serving committee. February roll call will be for each member to wear a red heart with a favorite Bible verse written on it. Tray favors will be made for a nursing home.

Missionary Society
The Womens Missionary Society of the Evangelical Free Church met Thursday with hostesses Mrs. Clayton Kardell and Mrs. Vera Kamrath.

A solo was presented by Kelli Kardell with Mrs. Kardell giving devotions. The Bible study, "God's Servants Praised," was given by Mrs. Roy Hanson and several missionary letters were read.

33 at Supper
Approximately 33 persons attended a post Christmas supper for members of the Luther League, held at the Lutheran Church fellowship hall Sunday evening. The New Years program was presented by Brian Johnson and Dwight Anderson.

The group took down Christmas decorations, followed with a sleigh riding party. Hot chocolate and cookies were served at the close of the evening.

The February program will be given by Doreen Hanson, Jean Erwin and Mary Nelson. Mary and Dan Nelson and Vicki Erickson are on the serving committee.

Thought for Today
By Rowan Wittse

"The hours that make us happy make us wise..."
John Masfield

It is not that we increase our store of facts, verities and other knowledge while "having fun". Masfield's observation is far more profound.

When we spend hours in any pursuit that makes us truly happy, be it useful activity that we thoroughly enjoy, or the company of loved ones that bring us happiness in the form of perfect contentment, we learn that happiness is within our reach. Such wisdom can...and should...change our lives.

Whatever the cost of the funeral selected by a family, we have never given less than the most complete, most understanding service of which we are capable. We have only one grade of service...our best!

 vacant "L" area on the south side of the high school, according to Jones.
 The track would be a full quarter mile track of soft asphalt with eight 42-inch lanes, the width required for today's high school competition.
 Jones said the plan is a good one because it keeps the facilities close to the two schools, requires a minimum of earth moving, and leaves room for expansion and development in the future.
 School board members have been discussing developing the school, land south and west of the high school for several months. They decided last year to hire the Lincoln firm to study the area and come up with recommendations for development.
 Superintendent Francis Haun said that school officials are interested most in

Winside Board Recognizes Teachers' Pay Committee

Winside's school board voted Monday night to recognize the Winside Education Association as the official representative of Winside teachers for salary negotiations.
 On the teachers' salary negotiating committee are Mike Jones, Lee Johnson, Betty Monroe, Ruth Puls and Ron Hajek. Representing the board in negotiations are Bob Koll, Erwin Morris, Dennis Bowers and superintendent Don Leighton.
 Included in the pay discussions are the salary schedule, pay increments, extra duty pay, health and accident insurance, and teachers working on curriculum, Leighton said. In addition, the committees are discussing teacher probation and salary ceilings. Talks do not include grievance procedures or the final date for accepting signed contracts, Leighton said.
 During the board meeting, the members re-elected Bob Koll as board president, Myron Deck as vice president, Erwin Morris as secretary and Earle Duering as treasurer. Morris, Deck and Bowers were re-elected to the board during the November election.
 In addition, the members agreed to pay Leighton's car insurance since his car is used for school business. Cost will be about \$180 a year.
 The members also adopted a resolution stating that the Winside school district will accept students and land from adjoining districts upon approval of the school board.

Tri-County Co-Op Holds Annual Meet

About 350 people attended Monday's 10th annual meeting of the Tri-County Co-Op at Laurel.
 Dean Wilkerson, president of the co-op's board of directors, conducted the meeting, and Albert Schram of Winner, S. D., was the main speaker. Schram compared a cooperative to an airplane lifting off the ground. He said the runway is in front of the cooperative members and the plane can go as high or as far as the members want.
 Sales during the past year were \$1,968,904 and savings amounted to \$191,695, according to the audit report given by a representative of a Columbus firm. Also reported on by those who attended were the youth camp at Liberty, Mo., and the family camp at Estes Park, Colo.
 Named to another term on the board were Herbert Jaeger of

Hints for the Clever Consumer
 Have a wonderful Christmas and want next year's to be even better? Consider the following tips:
 Start your Christmas shopping now. In January, Christmas cards, decorations and such will be on sale, and there can be sizable savings.
 Set aside a certain amount of money each month for gifts, including birthdays, Christmas, anniversary, unexpected, etc.
 Shop throughout the year. Be alert to specials, sales or the item that says to you "I'd be perfect for Sally's stocking." Spread the spending over the months. You will then have that time during the holiday season to more fully enjoy the festivities. Avoid the harassment of rush.
 Use your leisure time during the year to make some of your gifts. Organize your lists early in the year and set specific goals. Example, in February, finish a set of place mats for Aunt Susan. Write the personal notes early in December. This is an excellent way to "Give one the Christmas spirit." Then be cool and calm when others are in the throes of the Christmas rush.

Sarah Ann Lykke Is Year's First at Wakefield Hospital

Mrs. Paul Lykke of Wayne gave birth to the first baby of the new year at the Wakefield Hospital. Sarah Ann Lykke, seven pounds, eight ounces, was born Saturday, just four days into 1975, at 5:47 a.m.
 Sarah Ann is joined at home by a sister, 13-month-old Suzanne Christine.
 Lykke moved to Wayne in September from Malvern, Ia. The father is employed at Carhart Lumber Co. in Wayne.

POLICE BLOTTER

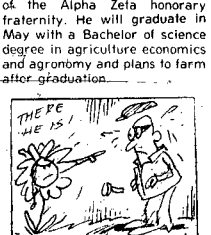

Chair Stolen
 An antique chair valued at \$75 was reported missing from the W. L. H. residence, 312 Pearl, about 12:30 p.m. Sunday.
Break-In
 Dick Ahmann, 318 Sherman, reported his house had been broken into sometime before 9 p.m. Dec. 30. Part of a window was discovered missing.

getting track facilities built near the schools and possibly in expanding parking facilities.
 He noted that parking problems at the school will be evaluated this winter to see how much more space needs to be devoted to parking to handle crowds during sports events now that the high school is being used for basketball games and wrestling matches.
 "It is certainly a long-range plan," he said, "and there is no way the school could undertake it except in stages."
 He noted that the school's sinking fund raises approximately \$39,000 a year which could be used to help undertake portions of the plan. That sinking fund currently totals about \$82,000 after the new bidders in the high school were installed and paid for, he added.
 Haun said he anticipates the school board will study the plan and put some priorities on portions of the plan within the next few weeks or months.

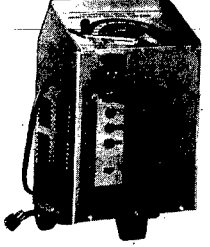

Baier-Fitzke Wedding in June

Making plans for a June 8 wedding are Linda Baier and Elwyn Fitzke.
 The engagement has been announced by the couple's parents, Mr. and Mrs. Merrill Baier of Carroll and Mr. and Mrs. Ward Fitzke of Glenvil.
 Miss Baier, a 1971 graduate of Laurel High School, will graduate in May from the University of Nebraska-Lincoln with a Bachelor of Science degree in home economics extension and education. Her fiancé is a 1971 graduate of Sandy Creek High School and is presently attending the University of Nebraska-Lincoln where he is a member of the Alpha Zeta honorary fraternity. He will graduate in May with a Bachelor of science degree in agriculture economics and agronomy and plans to farm after graduation.

Saddle Club Plans Annual Soup Supper

Members of the Carroll Saddle Club met Sunday evening at the city auditorium with Ray Junck presiding at the business meeting. Mrs. Edward Fork reported on the last meeting and Bev Junck gave the treasurers report.

It was announced that there will be no card party held in February. The annual chili-oyster supper will be held Feb. 2 at the auditorium with serving beginning at 7:30 p.m.

In charge of making soup will be Mrs. Ray Junck, Mrs. Don Harmer, Mrs. Lem Jones, Mrs. Walter Rethwisch, Cora Jenkins and Mrs. Edward Fork. Mrs. Hans Brogren and Mrs. Ronald Kittle are on the coffee committee.

Tentative plans were made for a roller skating party to be held in February, with area clubs invited. Gordon Davis was named planning chairman. Mrs. Harmer, Mrs. LeRoy Nelson, Mrs. Don Harmer and Mrs. Gordon Davis were appointed to serve on the refreshment committee.

Cards furnished the evening's entertainment with prizes going to Mr. and Mrs. Ernest Junck, Mr. and Mrs. Walter Rethwisch and Ray Junck.

A cooperative lunch was served with Mrs. Walter Rethwisch and Mrs. Frank Cunningham on the coffee committee.

Sleigh Riding Party
Members of the AFY held a sleigh riding party Sunday evening with 21 members and sponsors, the Rev. Jim Scovill, the Don Harmer and the Don Harmer, attending.

The group met back at the Methodist Church and practiced songs which they will sing during worship services in the future. Lunch was served by Rick Harmeier and Jill Kenny. The next meeting will be Jan. 19 with Marilyn Dowling presenting the lesson. On the serving committee are Terry Nelson, Joe Kenny and Dick Chapman.

Library Board
The Carroll Library Board met Saturday at the library with members Mrs. Clarence Morris, Mrs. Arthur Cook, Mrs. Otto Wagner and librarian Mrs. Lyle Cunningham present.

Michigan Guests
Mr. and Mrs. Paul Raeside, Rhonda and Denise, Owosso, Mich., spent Dec. 23 to the 28th in the home of her parents, the Frank Cunninghams.

New Year's dinner guests in the Cunningham home were the David-Luff family, Crawford, the Bill Bradens and son and the Loren Cunninghams, all of Norfolk, and the Lyle Cunningham.

Bruggers Are Guests
Mr. and Mrs. Merlin Bruggger were guests when the Happy Go Lucky Pitch Club met Friday evening in the Marion Glass home.

Prizes were won by Mrs. Clair Swanson and Don Davis, high, Lem Jones and Mrs. Don Davis, low, and Mrs. Edward Fork, traveling.

Next party will be Jan. 17 in the LeRoy Peterson home.

Meet Sunday
The Adult Fellowship met Sunday evening at the Congregational Church with Erwin Morris presiding. Mrs. Keith Owens reported on the last meeting.

The Rev. Gail Axen presented the lesson and songs were sung, accompanied by Mrs. John Rees. The group held a Bible quiz.

Serving were Mr. and Mrs. Lem Jones and Mr. and Mrs. Erwin Morris.

Forks Host
Pitch Club met Sunday evening in the Lonnie Fork home. Guests were Mr. and Mrs. Stanley Nelson.

Prizes were won by Mr. and Mrs. Robert Hall, Mrs. Dean Junck and Randy Schluns. Mr. and Mrs. Dean Junck will host the club Jan. 18.

Last Meeting
Carroll Senior Citizens held their final meeting Dec. 31 with a potluck dinner served. There will be no future meetings.

Meet for Bridge
Mrs. Joy Tucker was hostess Thursday to the Delta Dek Bridge Club. Mrs. Robert Johnson was guest.

Prizes were won by Mrs. John Rethwisch, Mrs. Perry Johnson, Mrs. Ann Roberts, Mrs. G. E. Jones and the guest.

Mrs. Otto Wagner will be the Jan. 16 hostess.

Nelsons Host Supper
Mr. and Mrs. LeRoy Nelson hosted a supper Thursday evening at Ron's Bar in honor of Mrs. Nelson's brother, Brad Frink of Norfolk, who will be leaving soon for military service.

Carroll News

Mrs. Edward Fork Phone 585-4827.

Brad and Brian, and the Charles Dwellis, Sue and Jane, all of Norfolk, the Jay Drakes, the Gordon Davis family and the LeRoy Nelson family.

Correction
Mrs. Kenneth Eddie entered the Our Lady of Lourdes Hospital in Norfolk Dec. 28.

A recently issue of the news paper incorrectly stated that both Mr. and Mrs. Eddie entered the hospital.

Tuesday, Jan. 14: Star Extension Club, Milton Owens
Wednesday, Jan. 15: United Presbyterian Women: Happy Workers Social Club, Lyle Cunningham

Lloyd Thomas, Seattle, and Mrs. E. A. Morris were dinner guests in the Erwin Morris home Dec. 28.

Mr. and Mrs. Roger Ledbetter, Huntington Beach, Calif., left Christmas day after attending the funeral of her father, Elnor Cook. The Ledbetters had spent two weeks at Carroll and with her father in Omaha.

Linda Ledbetter remained to spend some time with Mrs. Elnor Cook and they both spent New Year's day in the Louie Ambroz home.

Mrs. Ethel Sturma, Lincoln, spent from Tuesday until Friday with her brother, William Swan son, and with relatives.

Mr. and Mrs. Don Davis went to Sibley, Ia., Monday to get her mother, Mrs. William Thomas of Mankato, Minn., who will spend several days with the Davises.

Mr. and Mrs. Robert I Jones took Bruce back to Beatrice Sunday after he had spent the holidays with his parents.

Mrs. Jerry Walsh, Hubbard, spent the weekend in the home of her parents, Mr. and Mrs. Russell Hall.

Mr. and Mrs. Merle Whitney and family and Mark Halbrook of Lincoln were New Year's guests in the Charles Whitney home.

Mrs. Leona Scott, Cairo, left Thursday after visiting since Dec. 24 in the home of her parents, the George Johnstons.

Area Feeders Plan Annual Member Meet
The Cedar County Livestock Feeders membership meeting will be held Monday night at the Wagon Wheel Steak House in Laurel.

Social hour will begin at 6:30 p.m., with a \$morgasbord dinner to follow at 7:30. The 1975 memberships are due at this meeting and one free meal will be given for each membership paid.

The business meeting will include election of the 1975 board of directors.

Robert Peterson, president of Madison Foods, will visit with attending feeders on the Plant's hog source, plant operations and future plans.

Linda Sander, area extension agent at the Northeast Station near Concord, will be on hand with a special film titled "Time to See" for the ladies.

Association members, their wives and anyone else interested in livestock feeding are invited to attend.

Hansen-Stepanek Engaged

Mr. and Mrs. Gurney Hansen of Winside have announced the engagement of their daughter, Mary Jane Hansen, to Stephen C. Stepanek, son of Edward L. Stepanek of Omaha.

Miss Hansen is a graduate of Winside High School and Wayne State College. Her fiance is a graduate of Omaha Rummel High School.

Plans are under way for a May 17 wedding.

Diedrichsen-Tacey Engagement Told

Mr. and Mrs. Ivan Diedrichsen of Winside have announced the engagement of their daughter, Joyce Diedrichsen, to Roger Tacey, son of Mr. and Mrs. Ray Tacey of Osmond.

Miss Diedrichsen, a 1974 graduate of Winside High School, is employed at the Wayne Hospital. Her fiance, a 1969 graduate of Osmond High School, served in the Air Guard and is currently engaged in farming near Osmond.

No wedding date has been set.

There was once a Northern European belief that it was unlucky to meet an animal while on a journey. No doubt it was even more unlucky if the beast ate you!

Library Board Meets Saturday

Library Board met Saturday afternoon in the public library. The village clerk's report was read and Mrs. Harry Suehl Sr., librarian reported.

A letter was read from the Nebraska State Historical Society concerning the heritage program of the centennial year. The book "The Longest Day" by Cornelius Ryan was placed in the library by the Louie Waldes as a memorial for the Jean Boys.

The next meeting will be Feb. 1.

Celebrates 12 Years
Guests Sunday afternoon in the Eldon Thies home for Linda's 12th birthday were the Arland Thieses and Jack Brockmans, Brad, Danny, Debbie and Julie, all of Winside, Mrs. Ida Thies and Gilbert Thies, Wisner and Ellen Renner, Wisner.

Observes Anniversary
Guests Friday evening in the Edward Oswald home to honor their 15th wedding anniversary were Mrs. Forrest Nettleton and the Dennis Rothens, Kristen and Ryan, all of Carroll and the Erwin Oswalds, Wayne.

Birthday Guests
The Maurice Lindsays, the Waldon Bruggers and Ervin Bruggar, all of Winside, the Clifford Lindsays, Randolph and the Raymond Loberg family, Carroll were dinner guests Sunday in the Larry Lindsay home for Brenda's birthday.

Holiday Guests
The Roger May family spent

WS Is Offering College Credits

Wayne State College will offer two hours of graduate or upper division credit for watching television this spring. Except it's not quite that simple.

The credit will be awarded upon successful completion of the television course, "Human Relations and School Discipline," to be televised weekly on the Nebraska Educational Television Network Feb. 6 - April 24.

The program has been approved for credit to Wayne, Chadron and Kearney State Colleges by the planning board of the Nebraska Educational Television Council for Higher Education (NETCHE).

The human relations course consists of 12 half hour lessons which will be broadcast each Thursday at 7:30 p.m., and which will be repeated each Saturday at 4 a.m.

The color course was designed by Dr. William Glasser, author of "Reality Therapy," "Schools Without Failure," and "The Identity Society." Glasser also created the televised course offered at WSC last spring, "Designing Success Strategies." Lesson titles will include "What Is Discipline, Anyway," "The Who, What and Why of Authority," "The Open Classroom" and "Starting Tomorrow."

Persons interested in participating in the televised course may procure their application blanks from their local high schools or from Dr. Ed M. Elliott, dean of special studies at Wayne State College. Applications should be returned to Dr. Elliott with the \$31 tuition fee before the second scheduled lesson on Feb. 13.

Specific course requirements and lesson previews will be sent to students upon receipt of their applications.

MOD Leaders Listed
Volunteers who would like to work in this year's March of Dimes fund raising campaign in Nebraska may contact leaders in Wayne, Dixon or Cedar Counties, according to Mrs. Joan Wentz, volunteer advisor for this year's drive.

Leaders are Rowan Witte of Wayne in Wayne County, William Bernard of South Sioux City in Dixon County and Ed Schaeffer of Hartington in Cedar County.

This year's campaign runs throughout the month of January.

CWO-4 Neal Olson, son of Mrs. Glenn Rice of Concord, is on a six month tour of duty in the Far East. Olson expects to return to San Diego in May where he will complete the last three years of his 30 years in the Navy.

Brad Frink, son of Mr. and Mrs. Don Frink of Carroll, will leave Friday for California where he will start his three-year service in the Marines. Frink will study administration work.

JOSEPH KLIMA
Navy Fireman Recruit Joseph Klima, son of Mrs. Joseph Klima of Pilger, has graduated from recruit training at the Naval Training Center, San Diego.

He is scheduled to report to Machinist's Mate School at Great Lakes, Ill.

His training included instruction in seamanship, military regulations, fire fighting, close order drill, first aid and Navy history.

Ronald Heberer, son of Mr. and Mrs. Richard Heberer of Hoskins, has enlisted in the Air Force's delayed enlistment program. After Heberer reports to Lackland Air Force Base in San Antonio, Tex. for basic training on Jan. 22, he will begin training in aircraft maintenance.

Heberer, 18, is a 1973 graduate of Norfolk High School.

Navy Airman Donald Hansen, son of Mr. and Mrs. Allen Hansen of Wayne, recently participated in "National Week XVII," a training exercise involving units of the U. S. Sixth Fleet in the Mediterranean.

As a crewmember aboard the aircraft carrier USS Independence, he took part in maneuvers designed to maintain the fleet's operational readiness.

Hansen visited Naples, Italy, during the Christmas holidays.

If your community does not have a meaningful noise abatement ordinance, you should consider contacting your local officials and urging such a law be passed, suggests "The Beltone Crusade for Hearing Conservation."

Exon, Whelan star in today's opening legislative session

CAPITOL NEWS
LINCOLN—The new edition of state government takes over this week.

There are some holdovers — the governor, for example — but there are some new faces — the lieutenant governor, for example — as well.

The legislators elected in November were given the oath of office Wednesday and inaugural ceremonies for other officials is scheduled today (Thursday).

J. J. Exon and his teammate Gerald Whelan, the first-ever governor/lieutenant governor elected as a pair, will be stars of today's proceedings in the legislative chamber.

And they will be spotlighted tonight at the inaugural ball, to be held at Lincoln's Pershing Auditorium.

Also taking the oath today, however,

will be Secretary of State Allen J. Beermann, Attorney General Paul Ogden, Treasurer Frank Marsh, Auditor Ray A. C. Johnson and other constitutional and statutory officials.

They — along with the legislators — will be honored at the ball.

Music for the dancing will be provided by the nationally known band of Peter Duchin, which will open with Jim and Pat Exon's favorite dance number, "I Hear a Rhapsody."

The ball program starts at 8 p.m. with a concert by another band, this one representing the Strategic Air Command.

At 8:30 p.m., the honor guard from the Nebraska National Guard will present the colors and, after the national anthem, the honored guests will be introduced.

The entertainment also includes per-

formances by a group of young Irish dancers from O'Neill, a singing group from Platte Community College at Columbus, a women's barbershop quartet group from Omaha and a group from Wilber doing native Czech dances.

The theme of the program will be "Nebraska: The Good Life," a slogan Exon has used during his first term.

The new Legislature, including a dozen rookies, will have been seated by that time and begun work on such problems as figuring out whether Terry Carpenter or William Nichol should draw the \$400,000 check as senator for Scottsbluff.

In either case, an incumbent won't sit in the 48th District seat. Carpenter, resigned last summer and whichever of the contestants is finally named senator

will technically succeed Senator Charles Davey of Scottsbluff. Davey had been named by Exon to fill the Carpenter vacancy.

Also on the first-day agenda for the senators will be the selection of the leadership which will guide the lawmakers through this year's 90-day session and the 60-day meeting in 1976.

Bills will be introduced, but the schedule of hearings won't begin for a few days, because a minimum of five days' notice is required before a public hearing.

As usual, the session will be off to a bumpy start, with morning work sessions on a floor and afternoon sessions devoted to the hearings. It will be late February and maybe early March, probably, before the senators begin all-day sessions on the floor. It takes that long to conduct the

public hearing Nebraska regulations specify for each bill.

The one topic which always is among the headlines of every legislative session is the budget. It's going to be a toughie in 1975 because of the inflation-recession problems with the economy.

Exon spread some gubernatorial gloom just before the end of the year by describing the economic situation as serious and calling on state officials to reduce spending wherever possible.

He said every dollar appropriated for the current fiscal year which can be saved will help ease the "critical money crunch" the state faces in financing its 1975-76 operations.

He said the state shouldn't panic and there won't be any mass layoffs by state government. Nevertheless, Exon said, "This is certainly a time when all

officials and employees of state government must respond constructively, unemotionally and with prudence to conserve our available funds, which come from the taxpayers. We are not sacred cows who can isolate ourselves and graze in the pasture as if nothing has happened."

Exon said Nebraska isn't as bad off as some other areas of the nation, but recent Bureau of Business data indicates that of the 10 states with declining personal income, Nebraska suffered the most severe decline. Thousands of Nebraska citizens are without jobs for the first time in their lives. Some businesses are unfortunately predicting further layoffs to protect their resources. Sectors of our Number 1 industry, agriculture, are in a serious depressed condition.

OBSERVATIONS

In memory of a doctor

Wayne area residents should take advantage of the opportunity they have to recognize the services made to this area by a special man.

That man, Dr. Roy Matson, who died last week in a hospital in Omaha.

Dr. Matson served the sick and injured in this area for nearly 30 years, coming to Wayne after serving in World War II and continuing to practice here until his hospitalization shortly before his death. In those years, he built up a reputation for putting in long, hard hours to serve his patients.

His death, which leaves the city with only two physicians, comes only months before the anticipated opening of the new hospital in Wayne. We can only guess that he, like everybody else in and

around the city, was anxiously awaiting the opening of that new hospital and the closing of the outdated municipal hospital which has served Wayne for so many years.

Therefore, it would be appropriate if some memorial to Dr. Matson could be established at that new hospital so others who come to Wayne would know that the community was served long and well by him. It would be nice, for example, if some portion or facility at the new hospital could be named after Dr. Matson.

We hope that people who are in a position to make some memorial to him possible will start things in motion so one can become a reality. — Norvin Hansen.

EDITORIAL PAGE

Our liberty depends on the freedom of the press, and that cannot be limited without being lost. — Thomas Jefferson, Letter, 1786.

Thoughts for Today

- January — I have a resolve to start to church this year, but the holidays take out of a person. I think I'll wait until Feb. 1st.
 - February — The weather is cold and here in the Midwest it's not the best time to visit. I warn you, it's not a good idea.
 - March — Let's not have just one, I must keep away from these bars.
 - April — Easter here. I can't stand those big crowds. Anyway, they don't count mass me.
 - May — Ah, the weather is turning nice. So nice to spend Sunday with the folks at Bismarck and reunion.
 - June — I'll wait until the baby is older. How can earth do some folks even take their babies to church at only two weeks of age? And then they never miss a Sunday!
 - July — Wow! The heat is terrible! That's a combination of the church and the weather. I don't know. Anyway, we already have the cabin and boat.
 - August — The pastor says we should have a picnic. I moved. Besides, I never did take those guest preacher. As usual as the pastor's talk.
 - September — Schools started and vacation is over, but it's behind in my work. I have so many things to catch up on and get ready for winter. We simply must make one last visit to the relatives before snow flies.
 - October — Ah, the leaves are so beautiful! I can surely worship God out of doors. Anyway, the kids will be cooped up all winter.
 - November — It's getting colder, and I can stand warm church buildings. I get so sleepy.
 - December — Christmas is just gone. Back to the church. Besides, the roads are bad. Next month, January, I'll start then.

Sign warning: Rocky road ahead for revenue sharing

By RON HENDREN

WASHINGTON—Revenue sharing, the apple of former President Nixon's domestic eye, reaches the end of its five-year Congressional mandate in 1975, and two recent events here spell trouble for efforts to renew and continue the program.

The first was a decision by Federal District Judge John Lewis Smith Jr., coming (ironically) only a few doors away from the courtroom in which John Erlichman, Nixon's former top domestic aide, and other key Nixon officials were convicted last week for their involvement in the Watergate cover up.

There was no hint of revenue sharing corruption in Smith's decision, but its impact nonetheless pierced to the core of the program. He stopped a quarterly revenue sharing payment of over \$18 million in the Chicago police department because of an earlier finding that the department system atically discriminates against minority groups and women in hiring, promotion and other personnel practices.

(Smith's action has been confirmed by still another federal judge, this one in Chicago, who refused to intervene despite outraged protests from Mayor Richard J. Daley's powerful machine.)

This court action was followed almost immediately by the publishing of a highly critical study of revenue sharing sponsored by five respected national organizations, including the League of Women Voters Educational Fund.

The study reports that many local officials refer to revenue sharing as a "hoax" and a "shell game." Like the

Great Society programs of the Johnson administration, Nixon's domestic plan to return government to the people has produced mostly unmet expectations.

Researchers found that only small portions of the funds have been directed to needs of the poor and the aged, and that public participation in discussions on how to spend the federal booty has been minimal.

They also found that the Chicago police are not alone among revenue sharing beneficiaries who use the funds to support discriminatory practices. Indeed, the study points to court action on discriminatory practices in agencies of 13 other cities which have received revenue sharing funds.

If these suits are successful, observers predict a veritable tidal wave of litigation that will tie up more and more revenue sharing funds going to local government programs that openly violate federal anti-discrimination statutes.

If it is, of course, too soon for a rush judgment on revenue sharing. As a concept it reinforces the Jeffersonian principle that government should be kept close to the people, and the program at least as a concept still enjoys the support of most of the nation's local officials.

But members of the new Congress, who must either renew or reject the program, are sure to scrutinize local use of federal tax dollars with a microscope. And if other court decisions now pending follow the pattern of Judge Smith's, there will be much evidence to show that tax funds have been used in large part to help the haves have more, while making sure that the have nots continue to have not.

Donald Reed Monday took office as

LETTERS

'Ladies, don't leave your cart unattended'

Wakefield

Dear Editor:

Having read your article on shoplifting (editorial, Dec. 30), I'd like to tell you what happened to me in Gibson's store in Wayne recently.

A granddaughter and I were shopping there. I had several items in the cart to be purchased and my purse in the upper small compartment of the cart, unattended, as I looked at coats on a rack further back.

There were two teenage girls near my cart at the time. I'm wondering if they have a guilty conscience. I was embarrassed, yes, but not guilty even though I paid a fine for shoplifting.

"I paid for my items and unknown to me there was merchandise in my purse. As I came up the aisle to the checkout counter, I saw the warning sign, and I'd known before that this system was in use.

Ladies, I hope this will help you. Don't leave your purse of packages unattended. You may be the next victim.

I'm going to be happy to go back to the Ozarks. Hillbillys we may be, but we have more love and respect for our fellow man than to do such devilish pranks.

Clara E. Kurrelmeier

'Thanks for \$5 prize'

Wakefield

Dear Editor:

Thank you for the 5 dollars. I really appreciate it. It will come in handy. Thank you.

Heidi Munson

(Editor's Note: Heidi was a second place winner in the Herald's recent Christmas coloring contest.)

Thone: Improving revenue sharing is essential

By Cong. Charles Thone

Most of the important work of Congress is done in committees. In the House of Representatives even more than in the Senate it is unusual to have major changes made in legislation on the floor.

Therefore, I am pleased that the 94th Congress jurisdiction over revenue sharing legislation will be transferred from the House Ways and Means Committee to the House Government Operations Committee. I have served on the latter committee since coming to Congress in 1971.

In that committee in 1975, I will work for continuation and improvement of general revenue sharing. I will also advocate eliminating state governments from general revenue sharing, thus making additional monies available for municipalities and other local governmental units.

Here are my reasons for eliminating state governments from this program:

General revenue sharing does not make up a large share of any state government's budget. State governments have available to them many broad sources of revenue, such as sales and income taxes and special taxes on liquor, tobacco, gasoline, etc. In contrast, local units of government are very dependent upon property taxes for funds. Local governments are badly squeezed for funds, yet there are limits on how much burden can be placed on real property. By eliminating state governments from general revenue sharing, the Congress can make more funds available to local governments even at a time when the federal budget needs to be held within constraints.

Although present legislation provides for continuation of general revenue sharing funds through calendar year 1976, I regard it as important that action on extension be taken as early as possible in 1975. Local budgets require advance

planning. Municipalities will not be able to act widely and economically if they are left in doubt—until almost the end of 1976, as to whether general revenue sharing is to be continued.

As I noted, much more federal legislative work is done in committee than is done on the floor of the House of Representatives. Subcommittee also are extremely important in shaping legislation. It is not known yet which subcommittee in Government Operations will have jurisdiction over revenue sharing. It may be an existing subcommittee or it may be a new one. The members of the majority party will make that decision early in January. When the subcommittee is known, I will seek to serve on that subcommittee. At any rate, I will take an active part in the committee on this legislation.

Extension and improvement of general revenue sharing will not come without a

fight. Many members of Congress feel they get much more political appreciation from their constituents when local governments are dependent on specific categorical grants from the federal government. Other members of the House and Senate have the philosophical view that money raised by the federal government should be spent under close federal controls.

My view is that the closer a governmental unit is to the people, the more responsive, efficient and honest it is apt to be. No matter how well intentioned federal legislators and administrators may be, they cannot write laws and regulations that will make sense for every municipality in the nation. In the interests of better government, I will do all in my power to combat more and more of our problems at the grass roots level. Improving general revenue sharing is an essential giant step in this journey.

Conducts Lessons

William Miller, professor at Norfolk Christian College, is conducting a series of lessons on Revelation, Sunday evenings at the Christian Church. The public is invited.

Observe Birthdays

The Jack Parks and the Carol Berg family, Dakota City, were Sunday dinner guests in the Ted Klopp home. Le Mars, Marlene and Ella's birthdays were observed.

New Years Guests

New Years day dinner guests in the Elmer Carlson home were the Gene Lundin family, Mrs. Martha Lundin, the Bill Yosts and family, Hartington, Hazel Morterud and Mrs. Ollie Aske, Delroit.

The Jim Slouts visited his brother and wife, the Richard Slouts of Mountain Lake, Minn. in Neligh, Sunday. The Richard Slouts leave in February to be missionaries in Brazil.

Supper guests last Sunday evening in the Kenneth Baker home were the Emil Mullers and Marcie, Tecumseh, the Cliff Bakers, Kim and Connie, Mrs. Louie Hansen and Mike and Ervin Baker.

The Burnell Baker family, formerly of Sioux City, have moved to Hartington, where he'll manage the Terra Company plant in Hartington, New Castle and Wynot. Letha, Lori, Scott and Sean Baker have been staying with their grandparents while their parents were moving. The Clarence Bakers took them to Hartington Sunday.

Friday afternoon guests in the Kenneth Baker home were Mrs. Emil Muller and Marcie, Tecumseh.

Monday evening guests in the Kenneth Baker home were the Richard Maruers and Troy of New Haven, Ind.

Mrs. Bertha Anderson returned last week from visiting her daughter and family, the Charles Ellis, Fremont.

The Edwin Nelsons, Lincoln were Wednesday dinner guests of Mrs. Olga Bjorklund.

The Robert Blatchfords were Sunday guests in the Louie Allison home, North Bend.

The Hub Eatons enjoyed having their granddaughter, Sarah Wakefield, spend a week with them. Sarah's parents, the Norman Wakefields of Underwood, Ia., came for her on Sunday.

The John Boetkenhauers took their daughter, Mary, back to Midland College at Fremont, Sunday. On the way home, they had supper with the Forrest Hansens in Oakland.

Monday guests in the Erie Hitz home were the Roy Van Daren, Boulder, Colo., and the Harold Holms.

Frances Rakow returned to Grand Forks, N.D., Sunday.

after spending the holidays with his mother, Mrs. Vera Rakow.
Cheryl Arends, Omaha, and Donell Arends, Ponca were Friday visitors in the Luverne Nelson home.

The Patrick H. Murphy family and Jon Wirth returned Sunday from visiting Mrs. Murphy's sister and family, the Bob Evensons, of Ft. Collins, Colo.

The Bob Turnquist, Carla and Beth, Axtell, were weekend guests of Mrs. Erick G. Johnson and they also visited Edna Dahlgren.

Medicare Rates

Hiked This Year

The Medicare hospital insurance deductible jumped from \$84 to \$92 on January 1, according to Dale Branch, social security district manager in Norfolk.

A Medicare patient who goes into a hospital and starts a benefit period after December 31 will be responsible for the first \$92 of the hospital bill, he noted.

"The increase to \$92 for 1975 is a result of a review of hospital costs during 1973," Branch said. "However, the \$84 deductible remains in effect throughout any benefit period that started in 1974 even if the period of hospitalization goes into 1975."

By law, the increase in the deductible means there also will be increases as of Jan. 1 in three other amounts Medicare patients pay for covered care, according to Branch.

For a hospital stay of over 60 days, the patient will pay \$23 a day (up to \$21) for covered services furnished on the 61st through the 90th day. For a post-hospital stay of over 20 days, an skilled nursing facility, the patient will pay \$11.50 a day (up from \$10.50) for the 21st through the 100th day. For reserve days used after 90 days of hospital care in a benefit period the patient will pay \$40 a day (up from \$42.).

Medicare hospital insurance helps pay for hospital stays and certain post-hospital care of people 65 and over, disabled people under 65 who have been entitled to social security disability benefits for 24 consecutive months or more, and many people who have chronic kidney disease and need dialysis or a transplant.

Hearing Test Set for Wayne

Electronic hearing tests will be given at Morrison Hotel, Wayne, Nebraska, January 10 from 10:30 a.m. to 3 p.m. by Nile A. Newburn, Beltone Hearing Aid Specialist. These tests will be offered as part of the Better Hearing Workshop program now being conducted nationwide.

Anyone who has trouble hearing or understanding is welcome to come in for a test using the latest electronic equipment to determine his or her particular degree of hearing loss. Diagrams showing how the ear works and some of the causes of hearing loss will be available. Everyone should have a hearing test at least once a year. Even people now wearing a hearing aid or those who have been told an aid won't help should have a hearing test and find out about the very latest kinds of hearing correction.

The free hearing tests will be held at Morrison Hotel, Wayne, Nebraska, January 10 from 10:30 a.m. to 3 p.m. If you can't get there on that day call 375-3300 and arrange for an appointment at another time.

Extensive Plan for WH Facilities Unveiled

THIS architect's drawing shows what could be done to provide more and improved athletic facilities, parking and study areas to the west and southwest of the present high school in Wayne. Presented to the Wayne-Carroll school board during Monday night's meeting, the plan calls for expanding parking on the existing parking lot west of the high school and building new parking south of the school. It also proposes development of softball and baseball fields, tennis courts and a track around the practice football field as well as an arboretum in the southwest corner of the

existing school land. That arboretum could be planted with specific trees and bushes and could include walks so students could study those species while walking through the parklike area. Total cost of the projects — which could be undertaken in phases — would be close to \$200,000, depending upon what types of facilities were constructed, according to the Omaha firm which drew up the plan. The school board is currently studying the proposals in an attempt to set priorities on the various projects if any of them are undertaken.

Specialist Warning Area Farmers About Herbicide Hucksters

Hucksters are after your herbicide dollars, and they're using the time-proven door-to-door approach as well as a new dimension—long distance telephoning, warns John Furrer, University of Nebraska-Lincoln extension agronomist. "Recently in Hamilton County a reader who wanted to know

more about a weed killer returned a request for additional information card commonly found in trade magazines. Several weeks later he received a call from New York asking him how many gallons he wanted. The conservation isn't too well recalled, but an order was not intentionally placed. Days later

an invoice, was received in the mail showing that a 20-gallon drum was being shipped. The charges were \$14.95 per gallon plus \$27 freight for the 2.5 percent active ingredient weed killer. Value of the material cost in the product has been calculated to be about \$1," Furrer explained.

A similar sales tactic was used in Butler County. This time a door-to-door salesman from Texas extolled the merits of his weed killer. "It can be used on corn, soybeans and cotton; it controls weeds for three years. The cost is only \$15.00 per gallon, and you use one-half gallon per acre. And it can be ordered by calling collect our New York office."

The next day the potential customer checked the validity of the salesman's claims with his county agent. While gone his

wife received a long distance call from New York indicating their order had been called in and shipment would be made. She didn't fall for the line and stopped the transaction.

Similar modes of operation have been reported from other places in Nebraska. Here are some pointers from Furrer on herbicide purchases.

—Deal only with people you know your local dealer has a stake in the community, and he can be trusted. He handles products that have been tested, and they are backed by reputable manufacturers.

—Check with your county extension agent. He has up-to-date information on weed control chemicals or can obtain it quickly by calling weed specialists.

—If you do receive a shipment of a chemical that you didn't knowingly order, don't sign for it, don't open it and don't make

any kind of payment. Inform the company and the carrier that you're refusing shipment.

Stops Outlined For Tuesday's Feedlot Tour

Three stops will be made near Hubbard Tuesday during the Northeast Nebraska Livestock Feeders Association's feedlot tour.

The tour is the first to be held by the association during the winter.

Bob Boals of Dakota City, tour chairman, said the event is being held during the winter since silage systems and high moisture grain facilities are being used during this time of the year. In the summer hay and dry grain may be in use as silage and high moisture grain is used up, he noted.

Feeders taking in the tour will view silage systems and high moisture grain operations at the Jim Harnett, Beermann Brothers and Earl McLaughlin facilities.

The tour will begin at 1:30

p.m. at the Harnett farm a mile west of Hubbard on Highway 35. Other stops will be made at 2:30 at Beermann Brothers, four miles east of Hubbard on Highway 35 and one mile north, and at 3:30 at the McLaughlin facility six miles east of Hubbard on Highway 35, one mile north, one mile east of Highway 110 and one mile north.

Vernon Kruse, beef specialist at the Northeast Station near Concord, will moderate the tour of the facilities.

Harnett will explain his confinement hog system and his cow herd operation, while cattle backgrounded on silage ration and whole ear corn silage cut with a snapper unit on a silage cutter will be viewed at Beermann Brothers. McLaughlin will show his cattle handling facilities, scale, wet corn storage, corn silage and silage made from corn stalks.

Coffee and doughnuts, furnished by Nutrena Feeds, will be available at the McLaughlins after the tour is completed.

Area Feeders Plan '75 Annual Dimer

Dr. Al Welding of Western Iowa Tech at Sioux City will be guest speaker at this year's Stanton County Feeders Association banquet.

The banquet, which annually attracts about 400 people, is scheduled for 7 p.m. Saturday, Jan. 18, at the Stanton Community Building. A social hour is slated for 6 p.m. at the Stanton VFW Club.

Tickets, selling for \$6 each, are available from the Stanton National Bank, First National Bank of Stanton, Farmers National Bank at Pilger, Leudeke Oil Co. in Stanton and Bill Wilkes of Hoskins. Given out during the evening will be a distinguished service award to one of the members of the organization.

Forks were not introduced into England until 1620.

Gingham Girls 4-H Club was brought to order by president, Sandy Jacobmeier. Members answered roll call with the projects they are taking. Chris Vakoc gave a demonstration on how to measure a figure properly. Lunch was served by Mrs. Vakoc. The next meeting will be Feb. 3 with Mrs. Bahe. LaVonna Sharpe, news reporter.

"How about your wife"

Maybe you can stand those cold bitter mornings that turn buildings into refrigerators... but how about your wife? Give her a break and yourself too. Rent or buy a powerful reliable Kuppen portable heater. A heater that gives instant cozy warmth. Warm your feet, hands, livestock and hearts too. Why it's a bike for the SUN inside.

Ask about our biggest seller, the F150D.

WHAT IS A BANK?

A Bank Is Many Things.

A bank is a friend, partner, advisor, watchdog.

It's the community cash register, the town's hope chest, the trustee for tomorrow. It is lender, borrower, bookkeeper, accountant. It lends money, collects money, counts money, changes money.

A bank is more than just a building.

It is more than bricks, concrete, windows and doors. There are old banks in new buildings, and new banks in old buildings.

A bank is the community strongbox... the public pocket book... a sentinel of safe keeping.

A bank is people, trust, integrity, honor and strength.

But old or young, large or small, a bank is a dealer in dreams. There are banks that help farmers plant crops and banks that help people build homes... and banks that help towns grow, expand and make progress. Banks help people buy cars, send daughters and sons to college, pay hospital bills.

A bank is the community wallet.

It helps people take vacations, start businesses, remodel homes, straighten little Susie's teeth, and send Junior to the university.

A bank is more than a friendly lobby, a strong vault, money drawers and helpful executives.

A bank is an idea exchange, a merchant of progress.

Many good businesses grew because a bank had faith in an idea. Many community enterprises prospered because a bank helped along a dream.

Banks are romantic.

Little old ladies keep faded wedding pictures in safety deposit boxes... and parents keep birth certificates in banks for safety... and heirlooms... and deeds and marriage licenses and honorable discharges.

Banks are filled with the drama of life.

A proud father opens a \$1 savings account for a new child... a little boy deposits \$2.50 earned mowing lawns or shoveling snow... a bashful lad withdraws \$5 to buy a corsage to take a special girl to the prom.

Banks sail the seven seas yet never leave home.

The State National Bank and Trust Co. cashes a check from a son... and sells a travelers check that will be cashed in Acapulco... and sells a cashiers check for purchase made in England.

This is a bank.

Many things to many people... the financial heartbeat of the community... a friend and partner to all.

New Year Offers 4-H'ers A Variety of Adventures

The new year could bring new adventures to Nebraska's 4-H'ers who apply to participate in a variety of international programs.

Because due dates for applications fall in January, interested youth are urged to check with their county extension office for application blanks now.

To allow more people to participate, the deadline for the international 4-H programs has been set back to Jan. 15, announced Dr. John Orr, associate state 4-H leader. These programs include the Nebraska-Japan Exchange, the International 4-H Youth Exchange Representative (IFYE), Teen Caravan and IFYE Ambassador.

The Japanese program got off to a flying start last year when over 120 Japanese youth between 11-19 years of age visited in Nebraska for a month while 63 Nebraskans traveled to Japan. The 1975 schedule calls for another group of Nebraska 4-H'ers to visit Japan July 23-Aug. 22 under the projected cost of \$950 per person. The minimum age is 13 years, said Orr. This experience is open to a limited number of adults who will serve as coordinators.

The IFYE Representative program offers an in-depth experience in one country with an optional personal-expense travel period. Most live with host families. Individuals 19-25 years of age are eligible and the programs are from 10 weeks to five months. Departures are in spring, summer and fall to all continents, involving 25 countries. There is a \$1,300 U.S. delegate fee and Nebraska has several sponsors who help finance individuals.

The Teen Caravan program offers a four to eight week stay in a country with a host family arrangement. Young people 17-20 are eligible to join a Caravan for Europe, Asia, the Caribbean or Central America. Costs range from \$875 to \$1,250.

The Ambassador program offers a group experience with an opportunity to visit several countries, live with host families and become acquainted with other languages through a planned program led by qualified group leaders. High school freshmen through seniors are eligible for this program.

Other programs for adults include the International Youth Development Project (YDP), International Extension 4-H Travel Seminars, and Professional Rural Youth Leader Exchange (PRYLE).

Further information on any of these programs is available from your county extension office. Dr. Orr concluded.

You're Tops 4-H Club Members

Loyal Lassies

The Loyal Lassies 4-H Club met Dec. 9 in the Vic Hease home. The meeting was opened with the 4-H pledge and members answered roll call with what they wanted for Christmas. Games were played and gifts were exchanged by secret sisters. The group decided to go caroling Dec. 16 at the Villa Wayne.

The next meeting will be Jan. 13 in the Lester Hansen home. Debi Penn, news reporter.

Last Alternative

THE LEON BACKSTROM family of Hoskins hasn't given up trying to protect its mailbox after drivers have destroyed six previous mail boxes. After the last car mail box collision in July the family placed caution signs on the sides of the box. So far it has worked, said Mrs. Backstrom. Since the Backstroms moved to Hoskins two years ago, they've replaced their mailbox about once every four months. The family even used a eight-foot bridge piling—five feet in the ground—to secure the box. That also failed.

Tips on Caring for House Plants

Following are some tips for housewives wondering how to care for those potted house plants they received this Christmas. Making the tips available was Wayne County agricultural agent Don Spitzer.

Jerusalem Cherry and Christ-mad Pepper — If these plants were purchased while the fruit was ripe, keep them in full sun during the day to prevent premature fruit drop. Put them in a cool (55 degrees) place at night.

Christmas Begonia — This plant will last for several months if you get it when it has a large number of buds. Don't let the soil dry out completely, or the flowers won't last long. Keep the plant in a cool, sunny window sill.

Christmas Cactus — This isn't a typical cactus. It requires as much water as most other house plants. Water only when it needs it, but water so that moisture drips out the drainage hole. Empty any excess water.

After your Christmas cactus stops blooming this year, prepare it to bloom again next year. Simply keep it in a sunny window and set it outside in a shady place during the summer. In October or before frost, bring it in. Set in a cool spot at night. It won't flower in temperatures above 45 degrees.

Kalanchoe — Keep this plant in a sunny window. This plant flowers when the nights are long. It's somewhat difficult to reflower them. To reflower, treat them like a poinsettia, except you won't need to cut them back in the spring.

Cyclamen — To insure that the flowers last as long as possible, be sure to keep this plant in a cool place about 50 to 55 degrees at night. Be sure you don't overwater.

African Violet — Plants that grow spindly and maintain small leaves on long thin stems

may produce a poor bud set. Correct this condition by providing more light and humidity. It is also important that you take precaution in your watering habits. Make sure that the soil is moist at all times. It should not remain saturated. Soil conditions are very important in maintaining good plant growth. Use a soil high in organic matter that will remain loose and fibrous.

USDA News

Hog Inventory Down
Nebraska pork producers had 3,050,000 hogs and pigs on hand Dec. 1, down 12 per cent from a year ago. The number of hogs bred for breeding were down 22 per cent while market hogs showed a 10 per cent decrease from a year ago.

Pig Crop Down
Nebraska pork producers had 15,000 sows bred during the month of November producing a pig crop of 1,124,000 head, down 16 per cent from a year earlier.

Intentions Down
Hog farmers intend to farrow 1,100,000 sows during the next six months, a decrease of 15 per cent from the same period last year. Of these, 100,000 are expected to be born in Nebraska. The same period last year, March-May, in total farrowings of 1,800,000 represented a 18 per cent decrease from a year ago.

New Guinea first appeared on European maps as Isla del Oro, or Island of Gold, the name given it by Spanish navigator Saavedra in 1528. Little gold was found on the Pacific island, however, the National Geographic Society says.

This and That...

WAYNE COUNTY EXTENSION AGENT

Defensive Managing

To Be Emphasized

At Local Swine Day

You've heard of defensive driving to avoid accidents. How about defensive management to avoid swine production problems?

This new approach to swine herd management will be explained by Bill Ahlswede, University of Nebraska-Lincoln extension swine specialist, during three coming Area Swine Days Jan. 21-23, one of which is slated for Wayne.

Swine reproductive problems in particular lend themselves to this defensive management approach, Ahlswede notes.

"Boar breeding problems often are discovered several months after the problem occurred. Because reproductive problems don't always show up until the damage had been done, avoiding problems through management is the only solution," he says.

The Area Swine Day at Wayne is scheduled for 10 a.m. Tuesday, Jan. 21, at the city auditorium. Others are scheduled for Jan. 22 at Grand Island and Jan. 23 at Benkelman.

Boar problems will be the focus of Ahlswede's presentation at Wayne and Grand Island, including an explanation of the University's recommendation that new boars will be bought 60 days prior to breeding. A timetable and suggested procedures for isolation and controlled exposure of boars will be detailed by the NU swine specialist.

At Benkelman, Ahlswede will expand his talk to include sow management, specifically a herd health program that encourages the development of antibodies in the sow, which she in turn passes on to her pigs.

Area Swine Days are sponsored by the NU Department of Animal Science in cooperation with local pork producer associations and county extension services.

Coming Events

The Wayne County Extension Service is planning a number of meetings this winter that should be of interest to resident in this area. Some of them:

Agribusiness Meeting, tonight (Thursday), 7:30 p.m., National Guard Armory in Wayne:

This meeting is for local businessmen who work closely with farmers in this area. Its purpose is to bring local agribusiness men up to date on the latest developments in agriculture. We hope this can become a yearly event.

Cutting Swine Production Costs Meeting, Jan. 17, 1:30 p.m., Armory in Wayne:

Swine production costs are increasing and the market is very unstable. This means that swine producers need to cut swine production costs wherever they can. Larry Binley, extension economist, and Bob Fritschen, area extension swine specialist, will present information enabling swine producers to cut costs.

Irrigation Meeting, Jan. 20, 1:30 p.m., Armory in Wayne:

A number of farmers in Wayne County have kept production costs on their irrigation fields this summer. This information along with other information on improving irrigation profits will be given at this meeting.

'75-Pig Expo Promises to Be The Happening

The big "happening" of 1975 in Nebraska feeder pig production will occur Feb. 12-13 at Columbus.

That's the promise of swine industry leaders, the University of Nebraska Cooperative Extension Service and animal science department, and the Nebraska Pork Producers Association. They're teaming up to present not only a day-and-a-half of solid program topics on the latest developments in feeder pig production and management but also a feeder pig show.

The Feeder Pig Exposition follows the format of last year's highly successful, initial Nebraska Feeder Pig Expo, with the addition of the feeder pig show competition.

The sessions at the Platte County Agricultural Park at the east edge of Columbus will open at 10 a.m. on Feb. 12. An NU swine specialist, a commercial practicing veterinarian, and a feeder pig co-op manager will discuss their experiences and offer recommendations on "Facility Needs for Weaning Pigs." Session two during the afternoon will focus on "Feeding Sows and Pigs." Topics to be discussed by industry and NU specialists and producer Gerald Beattie of Sumner, current president of the National Pork Producers Association, will include "Stretching the Feed Dollar," "Hay for Sows" and "How We Start Our Pigs."

The morning session Feb. 13 will take a look at pre-conditioning feeder pigs, with one of the featured speakers the nationally known Roland "Pig" Paul of Willow Springs, Mo.

Judging of classes in the first Nebraska feeder pig show will get underway at 1:30 p.m. Pigs will be entered and weighed from 10 a.m. to noon.

All Nebraska feeder pig producers are eligible to enter the show, and all interested persons are welcome to attend both the Expo speaking program and the show.

An entry fee of five dollars for each pen-of-five pigs should be sent to Don Rodenhorst, Rt. 1, Columbus, by Feb. 7. Pigs must average between 30 and 60 lbs., and must have been farrowed on the farm of the exhibitor and castrated and healed by show time. Each exhibitor or farm is limited to two pen-of-five entries.

'Disaster Payments Are Taxable In Year Received by Farmers'

Government payments to farmers for crop losses due to drought, freezing and other such causes are taxable income and should be reported in the year received, says Everett Loury, district director of Internal Revenue for Nebraska.

Loury said his office had received numerous calls from farmers and tax preparers regarding the taxability of crop disaster payments received from the federal government under the Agriculture and Consumer Protection Act of 1973.

There have been some news accounts, said Loury, that these crop disaster payments were not taxable. Other information was circulated that the payments

were taxable in the year the crops were harvested even though payments might not be issued until 1975. Both accounts are untrue, Loury said.

"If a farmer received a payment in 1974 he may not defer reporting it until 1975. He must report it as taxable income on his 1974 return," said Loury. "On the other hand, if he did not receive his payment during 1974 he need not report the income on his 1974 return."

Snow on a shovel is not as light as it looks on the ground, the Nebraska Heart Association says, and middle-aged men who've grown soft can strain their hearts by overdoing it.

New Televised Course Offered by Wayne State

The Nebraska Educational Television Council for Higher Education and five Nebraska colleges and universities are cooperating to offer a new televised course on "Human Relations and School Discipline" during the spring semester.

Wayne, Kearney and Peru State colleges and the University of Nebraska at Omaha will offer two hours of credit, graduate or upper division level or both (depending on the institution), for the 12-lesson course.

Students may attend classes at home since the series will be broadcast over the Nebraska Educational Television Network Thursdays at 3:30 p.m., starting Feb. 6. Each lesson will be repeated at 4 p.m. the following Saturday.

Among the 15 outstanding educators who are special guest participants in the lessons is Dr. William Glasser, creator of the "Disigning Success Strategies" for which more than 600 Nebraska teachers received credit from Wayne State College last spring. Also appearing are Dr. Thomas Harris, author of "I'm OK - You're OK," and Dr. Thomas Gordon, author of "Parent Effectiveness Training."

The course surveys contemporary thought and practice on improving student-teacher relations as a means of creating a climate for effective school discipline. Documentary film examples of public schools from New York to Los Angeles illustrate comments of the special guests and speak for themselves as examples of good human

relations, successful approaches to discipline and positive school climate.

Learning activities will direct enrolled teachers toward assessing their own discipline needs and planning for progress based on an application of concepts and techniques presented in the course. Enrollment is also recommended for school board members.

Several of the lessons stand alone as teacher enrichment subjects. These include "The OK classroom," with Dr. Harris describing how Transactional analysis works in the schools; "Teacher Effectiveness Training," with Dr. Gordon describing his "no lose" educational method; "The Reality Therapy Approach," with Dr. Glasser giving a short course in reality therapy illustrated with documentary film; "The Open Classroom," with Lillian Weber, Charles Silberman and classroom examples; and "Theory into Practice," featuring Madeline Hunter and UCLA's University Elementary School.

Several of the more general lessons, which include many of the series' participants, are "Why Human Relations?" "What's Discipline, Anyway?" "The Who, What and Why of Authority" and "The Humanity of Teaching."

Viewers wishing to earn credit for the course should contact the registrar at the participating institution with which they plan to enroll. Course requirements and tuition vary among the colleges.

Setting Up Operations

MR AND MRS. Allen Robinson are currently in the process of setting up operations at the municipal airport in Wayne after Robinson was hired recently to fill a vacancy left when former airport manager Don Johnson accepted a job in Omaha last fall. Robinson owned and operated the fixed base operation at Theedford from 1968 until last year. He has a full range of ratings, including those qualifying him for aircraft mechanical work, inspection and instruction.

WS, KS, UNO Offering Credit For TV Series

College credit will be offered by Wayne and Kearney State Colleges and the University of Nebraska at Omaha for a 13 program television series, "The Ascent of Man," which will be broadcast on the Nebraska Educational Television Network starting Friday.

UNO's three credit hour course, which will be offered through its College of Continuing Studies, is entitled "History 154 Science and Society." Kearney's three credit hour "Ascent of Man" (Course number 491 01) is available through its biology, history and geography departments. Wayne's "General Studies" course (Course number 396 and 398) will be offered for under graduate and graduate credit. Further information may be obtained from the registrars of the respective colleges and UNO.

The color series presented by Dr. Jacob Bronowski, author of "The Ascent of Man," traces the cultural and scientific evolution of man from the primitive hunter and gatherer of roots to the sophisticated technological being of today. The hour-long programs will be shown at 8 a.m. on Fridays through April 4. Each program will be repeated at 7:30 p.m. Tuesdays and 2 p.m. Saturdays of the same week.

Wayne State, NE Tech Offering Course Aimed At Food Service People

Food service employees of public institutions will be offered educational programs as a result of cooperative arrangements completed by Northeast Nebraska Technical Community College at Norfolk and Wayne State College.

The colleges will co-sponsor the first five parts of a 15 part food service program developed by the state health department, vocational education department, technical community colleges and registered dietitians. The program is designed for food service employees in such institutions as hospitals, public and parochial schools and nursing homes.

The first five parts are introduction to food service, basic nutrition, menu planning and diet modification, safety and sanitation, and introduction to quality food preparation. The five parts may be registered for independently or as one complete unit of 18 weeks of instruction.

Students who have taken the sanitation and safety part, offered in August on the NNTCC campus, need not repeat it and need not register for Part 3 of this series. The other 10 parts of

the state approved curriculum will be scheduled later.

On the Wayne State campus, classes will be held on Mondays, 7 to 10 p.m., Jan. 13 through May 29 in Room 203 of Bonhack Applied Science Building. Mrs. Tama Krause, registered dietitian of Wayne, will be instructor.

On the NNTCC campus, classes will be held on Tuesdays, 7 to 10 p.m., Jan. 14 through May 30 in Room 131 of MacIay Building. Marie Maas of Norfolk and Tama Krause will be instructors.

In addition, a third location to offer all five parts has been arranged between Northeast College and West Point Public Schools. They will co-sponsor the classes on Tuesdays, 7 to 10 p.m., Feb. 4 through June 10 in the multi-purpose room of the West Point Junior Senior High School. Ruth Fredericksen of Fremont will be instructor.

Enrollment will be limited to the first 25 students at each location. Application forms are being mailed to the various public institutions serving food in Northeast Nebraska and are also available at Northeast College in Norfolk.

50 at Annual Ham Supper

Members of the Hoskins Volunteer Firemen, rural officers and the town council met with their wives Saturday evening for their annual ham supper held at the Hoskins Fire Hall. Approximately 50 attended.

Hoskins News

Mrs. Hans Asmus
Phone 565 4417

Duerings and Shawn, Winside, and Jan Behmers were guests last Wednesday evening in the Richard Behmer home for Camala's fourth birthday.

Henry Decks of Norfolk were afternoon visitors.

Meet in Puls Home

Members of the G and G Card Club met Friday evening in the Reuben Puls home. Guests were Mr. and Mrs. Harold Ahlmann, Norfolk.

Pitch prizes were won by George Wittlers, family high, and Carl Wittler, individual high. Ahlmanns received guest high.

The Feb 7 meeting will be in the Ed Meierhenry home.

Birthday Supper

Randall Brumels, Sandra and Jerry, and Ed Brumels were Sunday supper guests in the Ben

Brumels home for Sandra's 11th birthday and Jerry's eighth birthday. Homemade ice cream and cake were served.

Thursday Meeting

The Ladies Aid and LWML of the Hoskins Zion Lutheran Church held their regular monthly meeting Thursday with nine members and the Rev. Jordan Arft attending.

The Rev. Arft was in charge of devotions and the topic, "Walking Together," was discussed. Members answered roll call by placing two cents in the penny pot if they watched the Sugar Bowl and three cents if they did not.

The president, Mrs. Elmer Koepke, conducted the business meeting. Annual reports were given and year books were distributed. On the February altar guild are Mrs. Marie Rathman and Mrs. Larry Weich. Flower committee for February is Mrs. Clemens Weich and Mrs. Leon Weich.

The meeting closed with the Lord's Prayer and the table prayer. Hostesses were Mrs. Clemens Weich and Mrs. Elmer Laubsch.

The February meeting will be

a 6:30 p.m. puttuck supper for members and their families. Hostesses are Mrs. Rudolph Warneke and Mrs. Clarence Koepke. On the entertainment committee are Mrs. Rudolph Warneke, Mrs. Leon Weich and Mrs. Clemens Weich.

Hoskins United Methodist Church

'Gold May Not Be Worth Price'

Buying gold may sound like a lucrative investment, but the cost of owning it may change a lot of minds, according to Larry Miller, vice president of market ing at First National Bank of Sioux City.

Total cost of owning an ounce of gold is about \$230, he told Wayne Kiwanians during Monday's meeting. Beside the current market price of \$180, you have to figure the bank's fee, shipping and insurance fee plus other fees and taxes, Miller pointed out.

"The overall cost is one reason why we are trying to discourage the consumer from buying gold," Miller said.

Another reason is the fluctuating cost of gold. When the United States government allowed gold to be sold Dec. 31—the first time in almost 40 years—the price was \$196 an ounce, according to Miller Monday the price was \$180 an ounce.

"When people realize the cost of owning gold, including \$25 to \$200 just to have it assayed before resale, many soon realize it's not worth buying gold," Miller emphasized.

Known as the king of precious metals, gold came into use in

the world's monetary system about 2,500 years ago, Miller said. In 1717 Isaac Newton established the price of gold at \$20 an ounce, and it wasn't until the 1930's that the price rose to \$35. Now gold has reached an all time high of nearly \$200 an ounce.

There are four nations in the world which mine and sell gold on a large scale, Miller pointed out. South Africa is the leader, mining and selling 65 per cent of the world's supply. The Soviet Union is second at 17 per cent while Canada and the United States rank third and fourth with five and three per cent.

All four produce about 45 million ounces annually, Miller said, adding that production levels are expected to reach 50 million by 1977.

Miller said there are 600 billion ounces of gold in the ocean, but the cost and complicated technology required to mine it are prohibitive.

Prior to 1949, the U.S. had 700 million ounces of gold in its treasury, but that figure has dropped to 276 million due to the increase in trade with other countries, according to Miller.

Wayne Kiwanians also learned that the annual pancake feed has been tentatively set for Feb. 13 at the city auditorium," said chairman Bob Jordan.

Also, on Feb. 23 the club will mark its 52nd anniversary, chairman Dan Sherry reported.
