Dance Slated at WH

An all-school dance is scheduled Friday night for students at Wayne High School.
Featured during the 8:30-11:30 p.m. dance will be two musical groups — the "Armageddon" from Des Moines and "The Majic" from Sioux City.
There will be a small admission charge for the student council-sponsored dance, according to high school guidance counselor, Ken Carlson.
Guests of high school students are welcome to attend the dance, he noted.

She's the Queen

MARY BOYD of Spencer, Ia., reigned as Queen of the Green the monarch of Wayne State freshman after coronation Friday night. She was the winner among five candidates for the annual honor.

Language Teachers To Meet at WHS

Wayne High School will host between 15 and 20 foreign language teachers in Educational Service Unit 1 during a regional foreign language curriculum conference on Wednesday afternoon.
The conference, with German teacher Mrs. Inge Atkins in charge of local arrangements, will be held from 2 to 4 p.m. in the high school foreign language room.
Teachers are expected to attend from Wayne, Dixon, Cedar, Knox, Dakota and Thurston Counties.

Purpose of the meeting is to inform area teachers about state department of education guidelines and to assist in state-wide efforts of foreign language coordination, according to high school principal Don Zeiss.

Directors Picked For AHS Play

Marie Malmberg and Dave Dunn have been named student directors for Allen High School's senior class play, "Solid Gold Chevrolet."

The two were selected last week for the three-act comedy that tentatively is scheduled to run April 4-5 at the high school auditorium, according to sponsor Robert Moore.

Named to the 13 member cast last week were Jill Hanson as Melanie Wilkens, Macella Book as Mildred Poole, Deb Lundgren as Bobbie Wilkens, Lesa Carpenter as Sandra Wilkens, Judy Peters as Aunt Roberta Gormeyer, Leann Lubberstedt as Grace Grimley, Pat Kavanagh as Bert Callfish, Pete Lundin as Larry Wilkens, Anthony Brown as Uncle Elwyn Bufford, Loren Trube as Uncle Arnold Gormeyer and Paul Snyder as Phillip Forbisher.

Doug Smith and Don Kulver will share the part of Fred Miller, and Jeann Roberts and Coleen Bohm will share the part of Wendy Crawford.

Although the setting of the play is in the future, the play is adaptable to today, said Moore. The play opens with the Wilkens family caught in the middle of an energy shortage.

Working on the stage, props and makeup are Brian Hirschert, Loren Book, Alice Lux and Roxanne Moore. Deb Jungdren is designing programs while Mervin March is making the posters.

Tickets for Winside Play On Sale Soon

Tickets for Winside High's senior class play, "They Run in Our Family," go on sale March 3, according to play director Mike Jones.

Prices for reserve seats are \$2.125. General admission is \$1.25. Jones said. Tickets may be purchased from any senior.

A cast of 19 will perform in the three act comedy scheduled to be presented at 8 p.m. on April 4 and 5 at the school's multipurpose room.

The play is a story about a family involved in all types of high school athletics, from the youngsters to the father, who is a football coach of the Central High Frogs.

After several winless seasons in all sports, the father — Sam Pennywinner, played by Gregg Lage — tries to instill some pride in his team. The Frogs, however, break their losing skid when the coach's daughter — played by Teri Kleensang, unknowingly takes the place of her all-star brother on the football team to lead the Frogs to victory.

Also in the cast are Brian Wade as Alvin Pennywinner, Lynne Bruggeman as Pat Pennywinner, Terry Lühr as Buzz Pennywinner, Roger Walker as Chester Mullins, Robin Keenan as Agnes Pennywinner, Pam Hoeman as Aunt Alice, Dwight Lienemann as Seymour, Linda Holtgren as Mrs. Alozo Speel, Rose Weels as Josie, Phyllis Suehl as Dimple Dillard, Nancy Morris as Mitze Jones, Melissa Grunkas as Cindy Sanders. Chamber Hosts Coffee for City's New Physician

Wayne's Chamber of Commerce will host a coffee for the community's new physician, Dr. Willis Wiseman, on Wednesday afternoon beginning at 2:30 at the Chamber office at 180 W. Third St.

Businessmen, employees and others are welcome to stop in during the coffee and meet Dr. Wiseman, who opened his office in Wayne the first of last week.
Dr. Wiseman moved from Torrington, Wyo., to Wayne to set up his practice in the medical building formerly occupied by the late Dr. Roy Matson. A native of North Platte, he is a 1970 graduate of the University of Nebraska, Lincoln medical school. His wife, a 1963 graduate of Wayne High School, is the former Karen Christensen, daughter of Mr. and Mrs. Roy Christensen of Wayne.

MOGENS DALSGAARD

Dalsgaard Back On WS Campus

Danish pianist Mogens Dalsgaard is back at Wayne State for another month as musician-in-residence.

He arrived Thursday, and typically friends not a minute greeting old friends from previous visits and getting acquainted with new friends.

Among first acquaintances were Norman Nordstrand, dean of arts and sciences, who first brought Dalsgaard to Wayne in 1970. They had met when Nordstrand was working for the U.S. Information Agency in Copenhagen.

As musician-in-resident, Dalsgaard plans to play two concerts March 9 and 16. But the easy-going Dane is quick to add that every time he sits down to practice, it probably will be an impromptu concert. At least, that's the way it developed in previous years when rehearsals always attracted a crowd of students who happened to be within earshot of the piano in Ramsey Theatre.

Besides performing, Dalsgaard also will be giving lessons. See DALSGAARD, page 7.

Insurance Giving You Headaches? Course May Help

What kind of insurance should you buy? And how much? You should get answers to questions, such as those, by signing up for a learn-at-home course being offered through the University of Nebraska-Lincoln extension service, according to Jocelyn Smith, area home economist at the Northeast Station near Concord.

The course is titled "Insurance — What Kind and How Much?" and consists of five lessons that can be completed at the convenience of those signed up for the course. Miss Smith said. There are no papers to hand in and no grades will be given, she adds.

Covered in the course will be basic information on home-owner's insurance, auto insurance, health insurance and life insurance.
"It's an excellent opportunity for you to become familiar with insurance terms and better determine your insurance needs," she notes.

Those interested in enrolling in the course should send their name and address to Miss Smith at the Northeast Station, the first lesson will be mailed out about March 1.

Council to Consider Season Pool Tickets

Wayne's city council is scheduled to discuss prices of season tickets at the municipal swimming pool during Tuesday night's regular meeting.

City administrator Fred Brink said he will ask the council if it wants to keep the same prices as last year, \$20 for a family and \$7.50 for an individual.
Also scheduled for discussion is an ordinance setting charges for persons hooking up to sanitary sewer outside the city limits.
The council meeting begins at 7:30 p.m. in the Woman's Club room at the city auditorium.

Bicentennial Cake 'Ordered'

By NORVIN HANSEN

Wayne has ordered its American bicentennial cake. Now the community will have to work on decorating it and planning the party.

In a way, that is what happened during Friday night's initial meeting to plan activities and projects the community will tackle to help this nation celebrate its second hundred years of existence in 1976.

About 35 people turned out for that meeting at the Woman's Club room at the city auditorium, not enough to force the meeting into the auditorium but enough to please both the local bicentennial chairman and a spokesman for the Nebraska American Revolution Bicentennial Commission.

Mrs. Roberta Wette, house-mother at Morey Hall on Wayne State campus and leader of local bicentennial activities, said she is encouraged by the numerous people who have contacted her about volunteering to work on any projects the community undertakes in the coming months.

"I'm hoping this just keeps picking up momentum," she noted at the end of the meeting after numerous ideas were suggested as projects and activities for Wayne.

Mrs. William Hasebroock of West Point, a chairman of the state organization working on bicentennial activities, complimented those who turned out for the meeting and urged them to do something for their nation and community to help celebrate the birth of America two hundred years ago.

"There's plenty wrong with our country, but there are so many things that are right," Mrs. Hasebroock said.

She called it a "brilliant idea" to celebrate the nation's second hundred years, all over the country rather than in one or two different places. That will permit everybody to have a part in planning the celebration, she noted.

The bicentennial activities tie in well with Nebraska's widely acclaimed community betterment program, offering cities and towns in the state a chance to improve themselves while helping celebrate the nation's bicentennial, she noted.

She urged local area residents to study Wayne's past to try and find out what is unique and singular about the community, so it can be emphasized as part of the bicentennial.

Mrs. Wette, who called herself a "misplaced woman," said she volunteered to head up the local bicentennial effort "because I'm an American and I love my country."

Idea suggested during the meeting as projects and activities the community could undertake in coming months:

—Restore and restore the Wayne County courthouse, a building which one person called a unique architectural structure.

—Collect all letters from immigrants which residents have in their homes; the letters are very valuable and give a clue to why people settled this nation, according to one person present at the meeting.

—Have a "good, old-fashioned" parade.

—Preserve the country churches and schools rather than letting them be torn down or turned into graneries or the like.

—Update the history of Wayne and Wayne County.

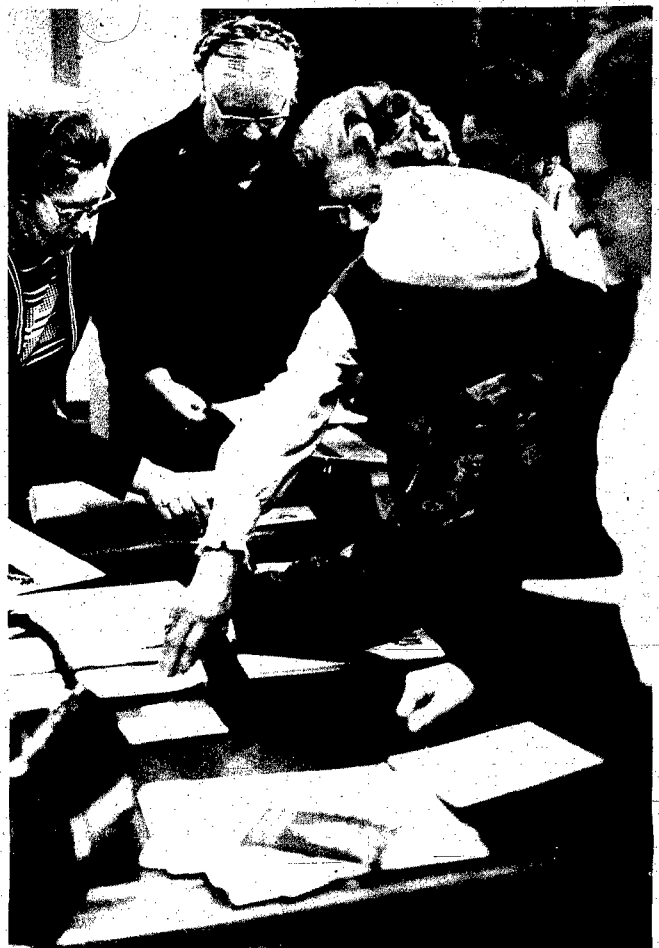

—Restore the depot in the south part of the city for its historical value.

—Work on completing and furnishing a museum.

Named to a committee to start considering those and other ideas were several people from various segments of the community.

On that committee are the Rev. Robert Haas, representing the Wayne Ministerial Association; Goldie Leonard and Mary Kieper, representing the Wayne Women's Club; Carolyn Filter, representing the city council;

Members of the woodwind ensembles are Jerri Paulson, Omaha; Shelly Graemer, Concord; Lois Mendlik, Dodge; Randy Anderson, Butte; Alyson Toyne, Glidden, Ia., and Dr. O'Leary, Wayne.

WOMEN gather around to pick up literature and promotional material following Friday night's meeting in Wayne to get things going on the community's American bicentennial activities.

Marriage Seminar Set at WSC

The Cooperative Christian Ministries at Wayne State College is sponsoring a marriage seminar which will begin Tuesday night in the Menagerie Room of the WS Student Union.

Stated to run for five consecutive Tuesday evenings, the course is being offered for married couples as well as single adults and will be conducted by local area pastors representing the campus ministry.

Each of the five sessions, free of charge, will be held from 7 to 8:30 p.m. No advance registration is necessary, according to the Rev. Jim Scovill, pastor of the Winside and Carroll United Methodist Churches.

Rev. Scovill said session leaders will not lecture, but will conduct participation-type meetings.

"(The seminar) will not only provide useful information for the participants, but for the leaders as well," he said.

Dates for the seminars, topics and leaders:

Feb. 25—"Sexual Relations" by the Rev. Jack Schneider, assistant pastor at Wayne's Grace Lutheran Church.

March 4—"Religious Values" by the Rev. Thomas McDermott

Concert Set at WSC Thursday

Area residents are invited to an instrumental ensemble concert to be presented by the Wayne State College music department Thursday at 8 p.m. at Ramsey Theatre in the Val Peterson Fine Arts Center.

Selections will include Warfield's "Two for Three," a Beethoven Trio, "Bagatelle" by Grundman; "Nocturne and Toccata" by Adier, "Impromptu for Woodwinds" by Nelhybel and many others.

Directing the program will be Dr. Raymond Kelton, brass ensembles; Dr. Jay O'Leary, woodwind ensembles, and Michael Palumbo, string ensembles.

Brass ensemble members are Bob Johnson, Scribner; Patricia Schumacher, Wallhill; Jim Conley, Cherokee, Ia.; Les Owen, Tokamah; Mark Davenport, South Sioux City; Terry Hanzlik, Verdel; Randy Srb, Papillion; Mike Harnan, Columbus; Diana Erickson, Lyons; Janelle Groff; John Schaller, Ia.; Jim Koudelka, Battle Creek; Brad Weber, Randolph; Jill Redehorst, Columbus; and Dr. Kelton, Wayne.

Members of the woodwind ensembles are Jerri Paulson, Omaha; Shelly Graemer, Concord; Lois Mendlik, Dodge; Randy Anderson, Butte; Alyson Toyne, Glidden, Ia., and Dr. O'Leary, Wayne.

In the string ensembles are Deborah Crumblish, Omaha; Grace Rohrbeg, Emerson; Pam Meuret, Brunswick; Sue Gradoville, Carroll, Ia.; Suzanne Anderson, Sioux City, and Virginia Predeohl, Wayne.

Variety on Tap At WH Concert

The audience will be treated to a variety of music during the annual midwinter concert to be given by the Wayne High School varsity band on March 2.

The concert had originally been scheduled for this coming Friday.

There will be no admission for the 3 p.m. concert.

To be presented during the hour-long concert will be traditional marches, including John Phillip Sousa's "Black Horse Troop," a tribute to the late Jim Brown, whose "Bad, Bad LeRoy Crows" was a popular hit several months ago and an arrangement of songs made famous by the Beatles. Also planned is a modern arrangement of the old church hymn "God of Our Fathers" which will feature the audience singing along with the music.

Directing the 75-piece band will be Ron Dalton, instrumental music teacher at the high school.

Remember: Blood Bank Here Tuesday

Reminder: The Siouxland Community Blood Bank mobile unit will be in Wayne Tuesday to take donations of blood from local and area residents.

The mobile unit will be set up in the Woman's Club room in the city auditorium from 9 a.m. to 3 p.m.

It will be the first time the mobile unit has visited this community since the local municipal hospital joined the blood bank organization at the first of the year.

Residents can sign up as family members of the blood bank by agreeing to donate one pint of blood per family each year. The agreement results in the family being covered for all of its blood needs, with a charge being made only for processing the blood rather than for processing as well as the actual cost of the blood, according to blood bank officials. The savings is \$27 a pint when blood is needed, they note.

Persons between 18 and 66 years of age who are in general good health are eligible to donate blood.

City Receives Grant To Hire 2 Employees

The city of Wayne has received a \$10,341 grant from the federal government to pay the salaries of a clerk typist and a street department utility worker, according to administrator Fred Brink.

The city will receive the federal funds under a program aimed at getting unemployed people back onto the payroll, Brink said.

The city received notice on Thursday that the city's grant application had been approved. The notice of approval came less than a week after application had been made, Brink noted.

The grant will pay the wages and all fringe benefits of the two employees until Jan. 31 of next year, according to Brink. At that time the city will "make every effort to phase the employees into the regular work force," he said.

The clerk typist has already been hired and is working in the city clerk's office. The other employee will be hired as soon as possible, said Brink.

The salary for the clerk typist is \$450 a month and the salary for the utility worker will be \$338 a month, according to Brink, who noted that the city will pay their salaries but will be reimbursed by the government.

In a related development, the city last week added an employee in the street department under a federal program aimed at helping disadvantaged persons find employment.

That person, also a utility worker, will receive \$344 a month from the city, which in turn will be reimbursed by the government. The city has previously had employees on its payroll under the program, called Operation Main Street.

\$25 Bond Top 'Bee' Prize

The winner in the second annual spelling contest for rural seventh and eighth grade students in Wayne County will receive a \$25 savings bond, according to sponsors working on the March 14th event.

The spelling bee will be held in the north dining room at the Wayne State Student Center starting 10 a.m., said Virginia Koll of Wayne, president of the Wayne County Rural Teachers Association, which is sponsoring the contest.

The winner also will advance in the April 12th state spelling bee sponsored by the Omaha World-Herald. That contest will be held at Boys Town, with the winner advancing to the national contest scheduled for Washington, D.C.

Other prizes offered in the local contest include a dictionary for second place, \$5 in cash for third place and several \$1 prizes.

Working on arrangements for the spelling bee have been Gloria Lesoberg, Janet Carlson, Judy Peters and Judy Roher, all rural teachers from Wayne.

The spelling bee and the seventh-eighth grade tour to Omaha on April 11 were discussed by the teachers during a meeting at the courthouse in Wayne on Friday.

Students will tour Boys Town, the art museum and the police department in addition to two or three other places, according to Mrs. Koll.

In charge of making arrangements for that coming tour, an annual event, are the officers of the teachers association: Mrs. Koll, vice president Dorothy Park, secretary Arlene Longe and treasurer Ann Current, all of Wayne.

Youths to Perform

First and second grade students at West Elementary School will give a physical education demonstration during the half-time of the Wayne-Hattington Cedar Catholic basketball game Tuesday night at the High School auditorium.

Under the direction of instructors Don Koenig and Paul Eason, the youngsters will perform jump rope skills. The varsity game starts at 8 p.m.

We have been brought to the brink of national bankruptcy. Their, the politicians', concern for the problem brought about by \$\$\$ eroding deficit spending programs, etc., is touching. 'Dear Son: It was so windy our chicken

My Dear Son: Just a few lines to let you know that I am still alive, I am writing this letter shortly because I know you can't read fast. You won't know the house when you come home — we've moved. It was a lot of trouble moving — the most difficult thing was the bed. You see, the man wouldn't let us take it in the taxi. If wouldn't have been too bad if your father hadn't been sleeping in it at the time. About your father — he has a lovely new job. He has 500 men under him. He's cutting grass at the cemetery. Your sister got herself engaged to that fellow she's been going out with. He gave her a beautiful ring with three stones

missing. Our neighbors the Browns started to keep pigs. We got wind of it this morning. I got my appendix out and a dishwasher put in. There was a washing machine in the new house when we moved in, but it is not working too good. Last week I put in a shirt — pulled the chain — and I haven't seen them since. Your little brother came home from school crying yesterday. All the boys in his school have new suits. We can't afford to buy him a new suit, but we're going to buy him a new hat and let him sit in the window. Your sister, Mary, had a baby this morning. I haven't heard whether it is a

boy or a girl, so I don't know if you are an Aunt or an Uncle. Your Uncle Amos was drowned last week in a vat of whiskey in the Dominion Brewery. Four of his work mates dived in to save him but he fought them off bravely. We cremated his body and it took three days to put out the fire. Your father didn't have too much drink at Christmas. I put a bottle of Castor Oil in his pint of beer. It kept him going until New Year's Day. I went to the Doctor on Thursday, your father came with me. The Doctor put a small glass tube into my mouth and told me not to breathe for ten minutes. Your father offered to buy it from him. It rained only twice last week, first for

three days and then for four. Monday was so windy, one of our chickens laid the same egg four times. We had a letter yesterday from the undertaker. He said if the last installment wasn't paid on your Grandmother within 7 days — up she comes. I must close now — because the plumber is coming here to repair the pipes and there's a shocking smell. Your Loving Mother P.S. I was going to send you \$10.00 but I had already sealed the envelope. Anon. (From Thursday's "Free Air" column by Randolph Times publisher Marvin Taylor.)

OBSERVATIONS

It's not going to be easy

The crowd that turned out for Friday night's public meeting on bicentennial activities in Wayne probably wasn't anything to brag about, but it was about as good as could be expected for an initial meeting. Many of the approximate 35 people who attended the meeting were representing clubs or organizations, so the word will probably quickly spread to many times the number of people who were actually there. A committee has now been named to serve as the group which will try to consider all ideas and suggestions and come up with an activity or activities which the community and area can tackle during coming months. We hope that in time the committee will become a funnel, receiving numerous ideas from others and selecting the best as those we will undertake to help this country mark its second hundred years of existence in 1976. But it can only become that if you and your neighbors will shoulder your responsibility and suggest ways we can do that. We also hope that the committee can become a unifying and directing force as far as those activities are concerned. It will be much too easy for various segments of the city and area to decide

on bicentennial activities they wish to take on as projects without coordinating those projects with others going on in the community. The result could be a number of individually worthwhile activities but a lack of a community-wide effort of any lasting value. It likely will not be an easy task for the committee to accomplish. The committee's job of deciding on exactly what project or projects the community should undertake is also going to be a difficult one. Regardless of what is finally decided upon, there will be some in the city and area who will be disappointed that something else wasn't decided upon. It's not going to be easy to select those which will best reflect the wishes of most of us, but it is a job that is going to have to be accomplished if we are to achieve anything that we and future generations can look back upon with satisfaction. Although we can see some problems looming ahead for this committee, we certainly don't want to discourage those people who have been named to it. The ruts in the road are not going to be that difficult to get through, and the rewards at the end of the road are certainly worth any temporary difficulties the group may encounter. — Norvin Hansen.

Readers write:

'After all that the police still failed to act'

Wayne Dear Editor: In the past couple of weeks I have read letters to the editor criticizing the Wayne city police department. Apparently, we are not the only ones who are disgusted with their service (or in this case, a lack of service). To elaborate on this point, I'll report to you your complaint. Several weeks ago we noticed cars in the neighborhood that were not only unusually noisy but excessively so. This was reported by phone to the Wayne police. About a week passed and by now the noise was worse as new snow had fallen and the cars had to accelerate more to drive by. Thus, another call to our men in blue. This time the license numbers and description of the cars was given to help to correct the nuisance. Another week passed and still no action, so another call. This time the police wanted to know the address of the violators. This was gladly furnished to them. Another week passed and still no action to alleviate the problem. If this is beginning to sound repetitious, you can imagine how the neighbors and I felt. However, another call was made to the police and now the party on the other end of the line wanted to know what times these infractions occurred. I started to wonder now as to how serious they were about taking some (or any) action about these violations of our laws. In any case, a time chart was kept for about a week and this was reported to the police as to what times most of the activity occurred. Now it should be a simple matter to at least talk to the people involved in this matter, listen to their non-standard mufflers and at least give a warning against further infractions. But it seems this task is too big for our police.

The last call was made about two weeks ago and at this time I suggested that if something was not done by the police, perhaps the mayor should be informed about the situation. Apparently this did not scare (or wake-up) the local police, as every morning when these cars are started, our windows rattle and shake to the reverberations of the illegal mufflers. The radio or radio has to be turned up to drown out the unnecessary and illegal racket as the cars are warmed up a few minutes before they proceed. All in all, several weeks have passed and as yet no relief has come to us. I'm sure that this information has been recorded in some manner at the police station and proper action can still be taken. During all the conversations by phone, not one of the dispatchers identified themselves. Thus, neither did we. For obvious reasons, I remain unidentified as well as unsatisfied with the Wayne city police department. — A Disgusted Taxpayer.

'Thanks for coverage'

Wayne Dear Editor: Thank you for the coverage you had in the Wayne Herald about Marie Arnot and her workshop on the changing family roles, which was sponsored by the American Association of University Women. We appreciate your efforts to announce these community events. — Phyllis Rahn, AAUW publicity chairman. (Editor's Note: The story Mrs. Rahn refers to appeared in the Feb. 17th issue of the newspaper. It was written by LaVon Beckman, society editor.)

How much is \$1 billion? Better take a deep breath

As taxpayers, Americans have all most given up trying to visualize what \$1 billion looks like or what it really is in terms they can readily understand. Let's forget that Uncle Sam is spending their taxes in billion-dollar chunks, an economist for the Chamber of Commerce of the United States took out his slide rule recently and did some figuring. Placed one on top of the other, it would take a stack of \$1 bills 68 miles high to add up to \$1 billion. Laid end to end, a billion \$1 bills would go around the world approximately four times. How can anyone spend that much money? Easily, if you are the federal government, says the U.S. Chamber. Based on the proposed fiscal 1976 budget, the federal government will spend almost a billion dollars a day — actually, once every 25 hours.

HOW MANY of you remember Bernard Grocery Co., Kohl Land & Investment Co., Wayne Booterie or Kearns Produce House? How about Meyer & Bichel, Coryell & Brock, Newberry Studio, The Wayne Grocery or Ahern's? If you do, you've been around this area for a good period of time. For those names were taken from advertisements in an August 30, 1923 issue of The Nebraska Democrat, which Mabel Marple ran across while going through some of her mother's things recently. Here are some of the headlines off the front page of that crisp, yellowed newspaper: "Disasterous Storm Sweeps Country" (about a hail storm around Wood Lake and Battle Creek), "C. E. They knew how to write in those days, those editors of weekly newspapers. For instance: "Otto Burkhardt of Norfolk, who was riding in a coupe with his wife (when the storm struck), was rendered unconscious when a huge stone crashed through the roof of his car. He and his companion protected themselves during the storm by holding the seat cushion above their heads." "We hope that the lads (at Concord) have the little parkers that will bring home the bacon." You could even pick up a pair of "solid leather" men's shoes for \$3.95, shoes for "heavy set women" for \$4.95 and women's silk hose for anywhere from \$1 to \$3 a pair. Stockings for girls and boys ranged from 25 cents to 45 cents. And at the Basket Store you could buy some Semi Solid Buttermilk "to create development and shorten the feeding period for hogs." Market reports in that issue: Corn, 70; oats, 28; springs, 20; hens, 16; roosters, 05; eggs, 18; butterfat, 37; hogs, \$6 to \$7.25, and cattle, \$4 to 9.50.

SAMPLES of some of the "fillers" used in that paper: "It is strange how many people who want the editor to print some thing they think should be well known, an unpleasant truth perhaps, or perhaps mere gossip, will and fade away when the newspaper man says, 'You seem to know a lot about the case — suppose you write it up and sign the story, and we will print it. We hate to print some alleged facts and then have to fall back on the lame excuse that you told me.'" "Representative Madden of Illinois, who is logically at the head of the committee of Ways and Means in the next congress, wants all income tax repealed." "We have heard a lot of strange things happening to dairy cows pastured near a stream, such as finding fish in the milk, but a South Dakota man claims that his cows go into the lake to keep the flies from their legs and udders, and that they come home milked." "And samples of some of the "locals": "Surveyor Jones has been running some lines in the vicinity of Hoskins, returned home this morning."

RANDOLPH'S board of education has voted to hire all three principals for another school year. To be kept on during the 1975-76 school year, a high school principal Jack Rohrbeg, junior high principal James Rasmussen and elementary principal Shirley Nissen. Their salaries will be set at a later board meeting. WITH O'Neill relinquishing his right to be the No. 1 Irish community in the state; Wisner's Hibernians are planning a bigger and better St. Patrick's Day in their community on March 17. Named president of the Irish organization during a recent meeting was Dick Kane. Fred McGuire was re-elected secretary-treasurer and Jack Dixon was named to serve as grand marshal of the parade for another year. O'Neill has decided not to hold an Irish celebration similar to those in past years.

BILL TIPTON, high school principal at Hartington High for the past year, has been named to take over as superintendent beginning in July to fill the vacancy when superintendent Jim Adkison leaves. A native of Coffeyville, Kan., Tipton earned both his undergraduate and graduate degrees from Kansas State College at Pittsburg. Before moving to Hartington last year, he was a high school principal at Pacific, Mo. His son, Pete, is one of the top scorers in Nebraska prep basketball this season.

BEEMER JAYCEES will hold snowmobile races Sunday, March 2, at the municipal park. Registration is to get underway at 10.30, with racing to begin at noon. Trophies and cash prizes will be awarded top finishers in the afternoon competition.

COACH Gary Dunn probably made history at Cedar Catholic High School in Hartington if not in the state on Feb. 11 when he sent his starting five basketball players onto the court. All five were brothers — Gary, Larry, Rick, Roger and Danny, sons of Mr. and Mrs. Gene Wieseler of St. Helena. The brothers played a full five minutes, leading Plainview by as many as six points while on the court. The Wieselers have 12 children. The other seven are all girls.

CROWNED queen and king at the Randolph High School sweetheart dance Feb. 14 were Krista Young and Gene Korfh. The two were named by the school's FFA and FHA chapters. Their parents are Mr. and Mrs. Paul Young and Mr. and Mrs. Harold Korth.

HERB ALBERS, Wisner livestock feeder, will be featured speaker at the next meeting of the Cedar County Livestock Feeders Association. The meeting is set for tonight (Monday) at Belden. Albers is president of the Nebraska Livestock Feeders Association and a director of the National Livestock Feeders Association.

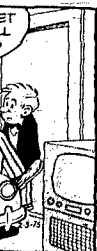

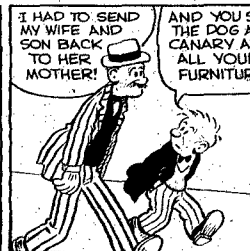

HARTINGTON officials are offering a \$500 reward to anybody who can supply information leading to the arrest and conviction of whoever was responsible for damaging the city auditorium recently. Vandals broke into the building, spraying paint on interior walls and stole several large light bulbs. DAVID LAMBERT was named "Mr. Irresistible" at Wisner-Pilger High School on Feb. 14, bringing to a close a week of FHA activities held in observance of National FHA Week.

Professor's Talk Starts Bicentennial Ball Rolling At Local Senior Center

Dr. Charles Hepburn, professor of history and chairman of the division of social sciences at Wayne State College, spoke to members of Wayne's Senior Citizens center Wednesday afternoon, following their monthly potluck dinner. Fifty-three attended the dinner and program. Dr. Hepburn, accompanied by his wife and daughter, Kathryn, spoke on "The Idea of Freedom: The Declaration of Independence - Definer of Liberty." Dr. Hepburn told the group that the Declaration of Independence is religious or spiritual in nature and that unalienable rights refers to all men everywhere. He believes that the right of revolution in the Declaration flows from the belief in unalienable human rights and that belief in the philosophy of the Declaration and support of it depends ultimately upon the faith of each individual. Following a question and answer period, the professor concluded the program by saying that the faith in the truth of the philosophy of freedom can be strengthened in each of us by testing it daily with our own experiences, reason and sense of justice. The program began with group singing of "America" and ended with the singing of "America the Beautiful," accompanied by Pearl Griffith. Dr. Hepburn's lecture, endorsed by the Nebraska American Revolution Bicentennial Commission, kicks off the center's American bicentennial activities, according to center director Mrs. Jocell Bull. Gladys Petersen arranged the floral centerpiece for the noon meal and Mabel Sundell gave the invocation. Serving on the volunteer committee were Ed Johnson, Gladys Petersen, Lora Johnson, Mary E. Miller, Annie Ruebig, Pearl Griffith, Anna Mohlfeld, Louise Hoeman, Ann Nelson, Cordelia Chambers, Mary Echtenkamp, Nellie Brockman, Mildred Wacker, Rachel Bull, Alma Splittgerber, Dorothy Thun, Rose Heithold, Anton Pedersen, Jocell Bull and Eldon Bull. The next potluck dinner will be at noon March 19. Mrs. Marian Waggoner, assistant public librarian, was at the center Thursday afternoon to conduct the library hour with 14 center members attending. Books which may now be checked out from the center free of charge include "Sandhills Essie" by McKelvie, "The Robe" by Lloyd Douglas, "Ty Cobb and Stump" by "Jean Dixon, My Life and Prophecies" by Rene Noorberg, and "Hawaii" by National Geographic. Mrs. Bull said that a talking book machine is available at the center free of charge for persons unable to read printed books. Individuals interested in using this service should contact Mrs. Bull at the center, 316 Main St., or call 375-1460. Next library hour will be at 2:30 p.m. March 20.

BILLY GRAHAM says about the new motion picture "Time to Run"...

There is no doubt that today we see the family unit being attacked from every side, torn apart and fragmented. *TIME TO RUN* is a motion picture about a family, about listening, about the silences between people, the unspoken moments, and the moments of anger that don't really accomplish anything. *TIME TO RUN* openly offers the reality of Jesus Christ as an answer to the human dilemma. I feel that thousands of people will see a part of themselves in the film. Hopefully, families seeing it will be brought closer together in real understanding and communication.

I urge you to take your children... or your parents... to see *TIME TO RUN* when it comes to your community. You may find it more of a mirror than a motion picture!

AFS Planning Bake Sale, Salad Supper

The Wayne chapter of the American Field Service met in the home of Mrs. Herbert Niemann last Monday night.

During their business meeting, the committee voted to sponsor another foreign exchange student for the 1975-76 school year, and made tentative plans for two fund raising events to help finance the AFS exchange program. Helping to sponsor the fund raising events, a bake sale in March and a salad supper during April will be members of Wayne High's AFS committee.

AFS president Marion Simpson, Mary Schultz and Ken Carlson were appointed to a nominating committee and will present a slate of nominees at the group's next regular meeting.

The local chapter invites persons interested in the AFS program to attend their committee meetings held the third Monday of each month, and welcomes contributions from organizations and individuals wishing to help finance the intercultural experience.

Persons wishing further information about the American Field Service should contact Mrs. Simpson.

Scouting 65th Anniversary

By working together, the Boy Scouts of our community are committed to build a better America through their scouting programs, producing better citizens and future leaders.

This month, the Boy Scouts are celebrating their 65th Anniversary. They're proud of their accomplishments and justifiably so. We are proud of the Boy Scouts (and leaders) who are the very best in their field of excellence.

Emerson Edges Winside in Overtime

By BOB BARTLETT

"We're losing too many close ball games, and I don't know why," said Winside High basketball coach Korlin Lutt after his Wildcats fell to Emerson-Hubbard, 66-65, in overtime Thursday night at Winside.

Leading by 36 much as eight points in the last period, Winside saw that lead vanish when Emerson's leading scorer, Scott Sorenson, made five of his 19 points the last quarter to put Winside behind, 60-59.

With 13 seconds left, junior Bob Hoffman made a pair of free throws to put Winside ahead again 61-60. But hopes of ending the regular season with a 6-0 record began to fade when Emerson senior Bob Hayes was fouled on one second left. Hayes made one of two free throws to send the game into overtime.

"We had them blown out of the ball game," Lutt said, but the game suddenly changed when Emerson started a trap defense the fourth quarter, using two players to guard the Winside player with the ball.

Junior Tyler Frevett led Winside with 24 points, 12 each half, as the Cats and Emerson were tied at 28 all at intermission.

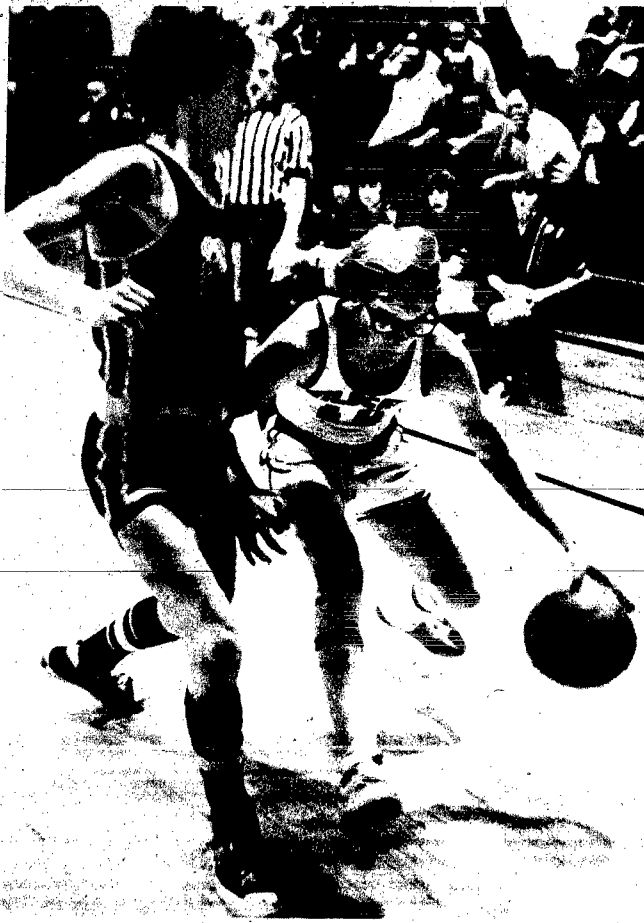

Hoffman, who also scored 12 the second half, pumped in six the third period to help Winside to a 48-42 lead going into the fourth period. Hoffman was second in assists with four while junior Bryan Denklau had five.

Although both clubs attempted 67 shots, Emerson hit 43 per cent while Winside had a respectable 40 per cent.

Rebounding was strong point in Winside's game as senior Terry Luff pulled down 15 of the team's 27 caroms.

Winside's one-point loss was the second this season and the fourth game the Cats have lost by a total of 10 points. Wausa nipped the Cats by one, Hartington escaped with a three-point victory and Coleridge edged Winside by five.

Emerson's junior varsity won in overtime in the preliminary, stopping Winside by 36-32. The game was tied at 30 at the end of regulation play.

BRYAN DENKLAU of Winside tries to drive 'round Emerson Hubbard's Bob Hayes during Thursday night action at Winside.

Ponca Stomps Trojans, 74-58

Seniors Bob Curry and Kelly Kneel combined for nearly half of Ponca's points Friday night as they led their club over Wakefield, 74-58, at Ponca.

Curry poured in 19 points while Kneel hit 17 to hand coach Joe Coble's crew its fifth loss in 20 games, before the club heads into Class C district action at Winer Pilger Tuesday night.

Ponca boomed to a 40-28 half-time command and continued the same scoring pace the second half while limiting the Trojans to only two men in double figures.

Senior Tony Peters led the against Emerson Hubbard Trojans with 14 while another senior, Chuck Lindstrom, had 11.

Class D Quints To Vie at WSC

A nine-team Class D district basketball tournament opens tonight (Monday) in Rice Auditorium at Wayne State College.

Newcastle and Beemer are matched at 5:30 in the first of three games tonight. Decatur and Snyder play at 7 p.m. before Macy and Ponca clash at 8:30.

Tuesday night at 6:30 Rosalie will play the Newcastle Beemer winner, then at 8 p.m. Homer and Winnebago will complete first-round action.

The tourney resumes Thursday at 6:30 with survivors of the top bracket: Homer or Winnebago against Rosalie, Newcastle or Beemer. The 8 p.m. game pits Decatur or Snyder against Macy or Ponca.

Championship round is scheduled for 7:30 p.m. Friday. There is no playoff for third place.

In apprenticeship, a young man or woman earns and learns at the same time, the U.S. Department of Labor's Bureau of Apprenticeship and Training points out.

Ponca shot off Wakefield's top scorer, Scott Keadle, from the field not allowing the 65 junior to make a field goal. Keadle scored his 120 points from the free throw line.

The Trojans finished with a 38 per cent clip.

"We got beat the first five minutes of the ball game," said coach Joe Coble, pointing out that Ponca took a nine-point lead early in the game.

Wakefield whittled the margin to two in the second quarter, but Ponca again caught fire to boost the lead to 13 in the third period.

"We pulled the game to within five the last period, but you can't spot a team like that and expect to beat them," Coble added.

Wakefield veteran Scott Mills suffered an ankle injury, limiting his chances of playing in district action against Emerson Hubbard Tuesday night at Winer Pilger. About a week ago the Trojans lost the services of senior transfer Don Myers due to an illness.

Ponca was victorious in junior varsity action, halting the Trojans by 40-27. Wakefield ends the season with a 7-8 record.

Devils Get Win by Ripping Takamah

For the first time this season, Wayne High had five cagers score in double figures as the Blue Devils posted their 17th win by drubbing Takamah-Herman, 76-45, Friday night.

Senior Bob Keating led the five-man senior scoring attack with 16 points. Meanwhile, Mark Hansen had 14, Rick Mitchell 12, and Jack Froehlich and Earle Overin finished 10 each.

Keating, looking stronger after he suffered a sprained ankle last week, pumped in six points each in the second and third periods as the Devils opened up with a trio of 18-point quarters.

"Bob was going real good the third period when I took him out," said coach Bill Sharpe, noting that most of the starting five played about two and a half quarters before he started substituting.

The Devils took an 18-13 lead going into the second period,

Wayne, Laurel Frosh to End Year Tonight

Wayne High and Laurel freshman cagers close their seasons tonight (Monday) when they meet at 6:30 at Laurel.

"ISN'T THIS the prettiest thing you ever saw?" says Mike Riedmann, right, of Bellevue, of his trophy for the 177-pound championship of the Nebraska College Conference. Of course; Fred Spale, left, of Schuyler and Jim Meyer of Wayne can say the same about their 190 and 126-pound titles.

Meyers Repeats As NCC Champion

Not at all surprising, Jim Meyer earned a repeat championship for Wayne State in the Nebraska College Conference wrestling tournament here Thursday.

Coach Marion Haeyer declared the trio of champions put lustre on the team's third place score, pretty well back of second time winner Peru State, which scored 174 points, and Chadron State, 106 1/2. Wayne totaled 79, Kearney State 76.

But two other Wildcats turned in what might be called surprises when they defeated returning champions from Peru. Mike Riedmann at 177 pounds, and Fred Spale at 190 did it in spectacular fashion, too, both gaining reversals in the late seconds to win 5-4 and 6-5 decisions.

Nationally ranked Peru, favored to win, had some uneasy moments as Chadron closed in during the championship events,

but the Bobcats matched Chadron's four second places to preserve a lead gained in first and second rounds.

For Meyer, a senior from Wayne, the 126-pound championship adds shine to his finest season. He pinned his first round foe, Earl Jones of Chadron, in 6:15, then defeated Gary Lasso, 4-0, of Peru for the title that lifted his season to 26-6. Now he aims to repeat last year's district first when Wayne enters the NAIA state meet Friday and Saturday at Midland.

Teams 5, 1 Advance in BB Playoffs

Team 5 advanced to the second round of city recreation league basketball playoffs March 3 while Team 1 drew a bye after the two teams won games Monday night.

Led by Don Dalton, top scorer with 20 points, Team 5 won a 70-66 overtime decision over Team 4. The game was tied at 60-61 at the end of regulation.

Hastings Takes Rematch, 80-77

It is tough to beat a basketball team that shoots 61 per cent from the field. That was Wayne State's problem in a rematch with Doane here Thursday.

While the Wildcats shot close to their average, and rebounding was almost equal, there was no matching the torrid Tiger field accuracy.

But Doane's shooting finesse did not guarantee easy victory. The Tigers had to hear the final buzzer before breathing easier with an 80-77 decision.

WSC Coeds Advance in State Play

Wayne State's women coeds took a first step Friday toward repeating their Nebraska college women's championship. They routed Concordia, 77-42, in first round play at Midland College, Fremont.

That matched the Wildkittens against Nebraska Lincoln in a 1 p.m. Saturday game. A win would send Wayne into the title contest at 5 p.m. Sunday against the winner of the Kearney State-Midland game Saturday.

WSC Tankers Topple Mankato

A December prediction for Wayne State swimmers came true Friday night. Back then coach Ralph Barclay reasoned his team might beat Mankato State in a dual this year for the first time in 10 tries.

And the Wildcat tankers did it. They beat the Minnesotans — regularly one of the better NCAA swim teams — by 62 to 51.

Barclay had made his prediction Dec. 7 after Wayne finished ahead of Mankato in the Jack Rabbit Relays. Wayne tied for second with 80 points, while Mankato took fourth at 74. That was close.

Friday's dual was close, needing the final event to settle it. The 400 yard freestyle relay got off to a five-yard lead on Tom Carney's lead-off 100, and that margin held up as Jim Bathen, Dave Justl and Bob Floerchinger completed the trip in 3:27.7.

Clay did break a Wayne record Thursday, not in a meet, but in a certified time trial which coach Barclay arranged to give his team a chance to meet qualifying times for the national meet.

The Clay performance in a 1,650 yard freestyle was timed in 18:29.5, nearly a minute faster than the 19:29 set in 1966 by Russ Nyberg, one of Wayne's all time swimming aces. It was, incidentally, the last of several Nyberg records to go down.

For Clay, it was the first time he ever swam the 1,650, a distance reserved for tournaments. For dual meets, 1,000 usually is the longest event.

Good as the new record is, it does not qualify for national entry, which requires a time fast enough to equal twelfth place in the previous year's national meet.

Wayne finished its season Friday with a 10-2 dual record. That runs the all time record to 79 wins, 38 losses, dating back to 1965.

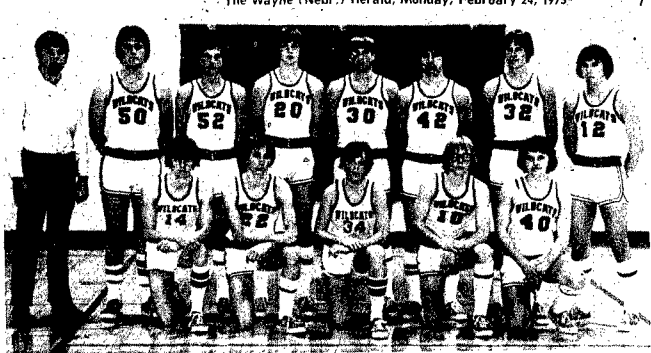

No NAIA district or conference meet is scheduled this year.

Team 1 Regains First in League

It took two overtime periods before Team 1 nipped Team 2 and regained its No. one position in city recreation B league basketball Wednesday night.

Team 1, now 6-1, and Team 2, now 2-4, were tied at 40-40 at the end of four quarters before the pair duelled to a 47-46 score in the second three-minute period.

Sid Hillier led Team 1 with 20 points while Bill Workman scored 13. Top scorers for Team 2 were Dick Sorenson with 16, Norvin Hansen with 10.

Headed for District Action

WINSIDE HIGH will be one of four area high school basketball teams playing in the Class C district tournament at Wisner-Pilger tonight (Monday) and Tuesday. The Wildcats face Hartington High at 6:30 tonight followed by the Allen-Coleridge game at 8 p.m. Tuesday night. Laurel plays Wynot at 6:30 and Wakefield takes on Emerson Hubbard at 8. On this year's Wildcat squad are front row from left, Keith Willis, Dean Janke, Cliff Tillema, Bryan Donkua, Rick Hartman; back row, coach Korlin Luft, Kevin Marotz, Mark Luhr, Terry Luhr, Bob Hoffman, Brad Brockman, Dave Asmus, Tyler Frevert. Not pictured is assistant coach Mike Jones.

WH Grappler Is 1st

Wayne High senior grappler Randy Surber won the 105-pound division during the district Class B wrestling tournament at Wisner Pilger Feb. 14-15.

The Wayne Herald incorrectly reported in Thursday's issue that Surber had finished second.

Team 1 Regains First in League

It took two overtime periods before Team 1 nipped Team 2 and regained its No. one position in city recreation B league basketball Wednesday night.

Team 1, now 6-1, and Team 2, now 2-4, were tied at 40-40 at the end of four quarters before the pair duelled to a 47-46 score in the second three-minute period.

Sid Hillier led Team 1 with 20 points while Bill Workman scored 13. Top scorers for Team 2 were Dick Sorenson with 16, Norvin Hansen with 10.

The league leaders had been tied with Team 4 for first with 5-1 records.

Team 3 boosted its record to 3-4 in the league's second one-point contest, Wednesday, beating Team 5 by 40-39.

Bob Reep pumped in 21 points to lead the victors while Jim Brasch had 14 for Team 5, winless in six games.

Team 4, idle last week, is in second place followed by Teams 3, 2 and 5.

Wednesday night Teams 3-4 tangled at 7:30 followed by Teams 2 and 5 playing at 8:30.

Chess scoring

Team 8 — Tom Roberts, 6; Chris Luaders, 5; Ken Liska 3; Team 2 — Mark Lowe 6; Bill Woelher 6; Hank Overin 4; Sam Schroeder 2; Terry Kumm 2.

Team 3 — Steve Schumacher 7; Ron Fink 6; Harold Wilde 4; Larry Meier 2; Team 5 — Steve Hix 12; Dennis Spangler 11; Ron, Millage 2.

WSC Coeds Advance in State Play

Wayne State's women coeds took a first step Friday toward repeating their Nebraska college women's championship. They routed Concordia, 77-42, in first round play at Midland College, Fremont.

That matched the Wildkittens against Nebraska Lincoln in a 1 p.m. Saturday game. A win would send Wayne into the title contest at 5 p.m. Sunday against the winner of the Kearney State-Midland game Saturday.

Wayne had little trouble handling Concordia, which had beaten Chadron in an earlier game Friday. In a half-time, Wayne coach G. I. Willoughby had used every player, but still led, 48-22.

Connie Kunzmann paced the Wildkittens with 25 points, a lot of them coming off fast breaks, steals and rebounds.

UNL won its crack at No. 1 seeded Wayne by upsetting fourth-seeded UNO 71-54. Midland, ranked No. 2, defeated Creighton, 60-35, and Kearney, No. 3, beat a home, College of St. Mary's, 67-46, to gain semifinal positions.

Hastings Takes Rematch, 80-77

It is tough to beat a basketball team that shoots 61 per cent from the field. That was Wayne State's problem in a rematch with Doane here Thursday.

While the Wildcats shot close to their average, and rebounding was almost equal, there was no matching the torrid Tiger field accuracy.

But Doane's shooting finesse did not guarantee easy victory. The Tigers had to hear the final buzzer before breathing easier with an 80-77 decision.

First half battle saw the lead change 10 times until Doane pulled up to a 39-33 intermission, then climbed up as much as 12 during a Wayne chill.

Rick Anderson's 16 point second half, after eight in the first, drove the Wildcats within a point, 63-62, seven minutes from the end, and kept hopes alive until he followed John Redmond to the sidelines with a fifth foul at 1:44. At that point, Doane led, 76-68.

Still Wayne was not dead, Andy Kaplan took charge and hit six points within a minute to put the Wildcats up to 80-76 just 21 seconds to go. After that, tense defense allowed only one more point, a free, loss by Rex Pressler, who finished with nine. Redmond hit 12; Chuck Collins, nine; Kaplan and Charlie Henderson eight each; Ray Daws seven, for all the scoring.

Doane had only one in double figures besides Pearl, Joe Wharton with 10.

The Tigers are 15-7 while Wayne slipped to 13-9 ahead of Saturday night's invasion by Hastings. Nebraska's winningest quint at 19-4.

WSC Tankers Topple Mankato

A December prediction for Wayne State swimmers came true Friday night. Back then coach Ralph Barclay reasoned his team might beat Mankato State in a dual this year for the first time in 10 tries.

And the Wildcat tankers did it. They beat the Minnesotans — regularly one of the better NCAA swim teams — by 62 to 51.

Barclay had made his prediction Dec. 7 after Wayne finished ahead of Mankato in the Jack Rabbit Relays. Wayne tied for second with 80 points, while Mankato took fourth at 74. That was close.

Friday's dual was close, needing the final event to settle it. The 400 yard freestyle relay got off to a five-yard lead on Tom Carney's lead-off 100, and that margin held up as Jim Bathen, Dave Justl and Bob Floerchinger completed the trip in 3:27.7.

Wayne won seven firsts to Wayne's six, but the Wildcats combined first and second in three events to add up the bigger score. Mankato did not gain a single first-second combination.

Uncommonly, Wayne had no double winners this time. Wildcat firsts went to Lance Clay in the 1,000 freestyle; Justl, 200 free; Bathen, 50 free; Scott Driscoll, 200 butterfly; Dan Carney, 700 breaststroke.

Two Mankato winners posted Wayne pool records: Harry Wickstrom with a 2:08 in the individual medley and Ken Brown with a 4:4 in the 100 free.

Justl, though finishing second in the 100 free, clocked a 49.8 that qualifies him for the NAIA national meet.

Clay, a 55 and 115-pound freshman, came within seven tenths second of equalling the

Want to buy a widget?

When a lot of people want to buy a widget, and there are not many widgets on the market, the price of the widget goes up. That has three effects. Two out of the three benefit the consumer.

1. The widget makers get rich. This benefits the widget makers.

Read on.

2. The widget makers increase production.

3. Investors put their money into new widget factories.

Soon, there are enough widgets for everybody

who wants one. At that point, the price comes down. Widget makers no longer get rich. Some even lose out. And investors try to invest in something the consumer needs more than widgets. The investor has the choice of keeping his capital in widgets or plowing it into new fields. Either choice, of course, involves risk.

A concrete parallel to our mythical widget is the ball point pen. When they first came on the market, they were in short supply and sold at very high prices. The rest is history. Mechanical

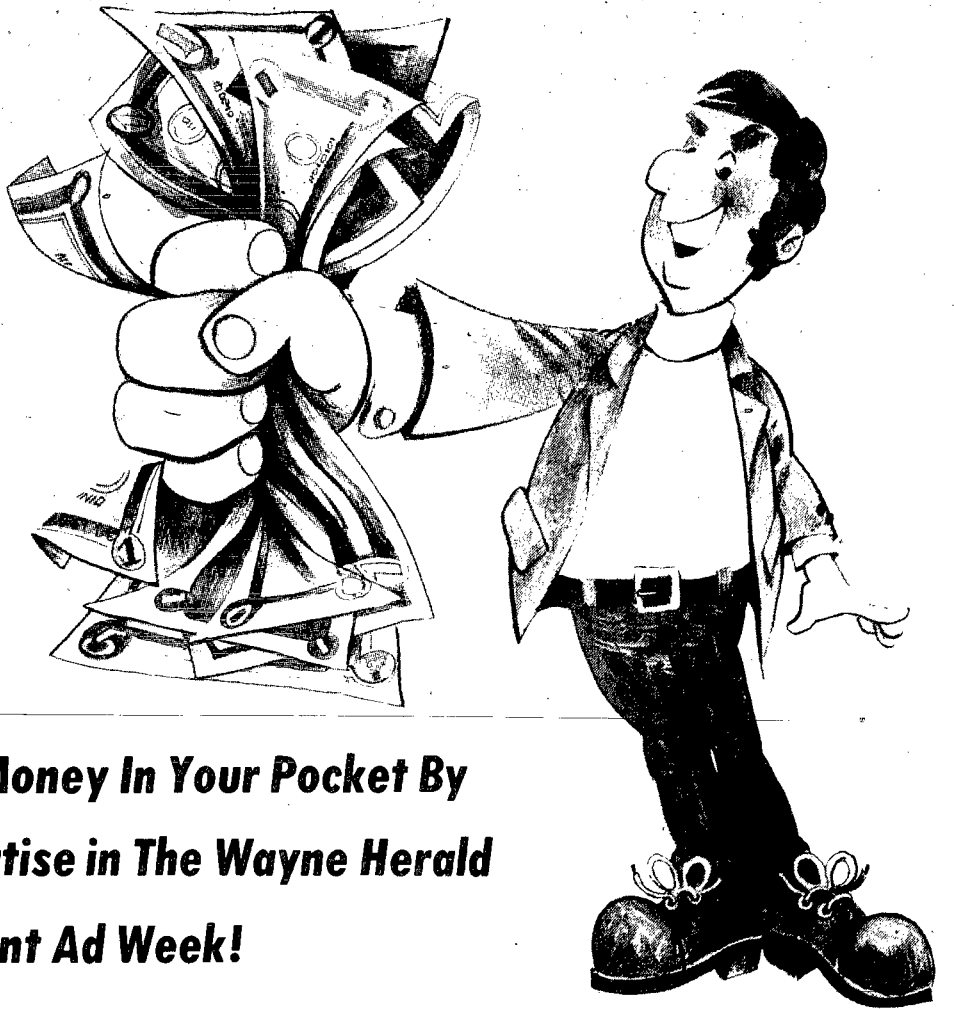

ingenuity spurred on by competition has resulted in the superb pens that today sell for the price of lead pencils.

That's the real purpose of profit in a competitive economy—not to make a few people rich, but rather, to attract capital (and other resources) to the production of what the consumer wants. It's a signal system. It works automatically, 24 hours a day, 365 days a year. For you.

We all profit from profits.
