

General Debate Scheduled for Murphy's No-Fault Insurance Bill

By IVY HARPER
LINCOLN—Scheduled for general debate soon in the Unicameral is LB 394, sponsored by senator John Murphy of South St. Louis City, which would bring no-fault insurance to Nebraska.
 Murphy said no-fault insurance is inevitable because the federal government has demanded it.
 A federal no-fault bill passed by the U.S. Senate is expected to be approved by the House before the end of this session. The legislation would apply to all states not having federally approved no-fault insurance.

'Unicameral in Action'
 Legislators in many states, therefore, are trying to pass their own laws so they will not be subjected to the estimated higher costs of the federal plan.
 LB 394 provides for a \$2,000 threshold. In accidents involving an injury below this cost, there could be no law suit unless the accident involved death or serious injury.
 Murphy said his bill represents what insurance companies consider the lowest cost while still complying with federal no-fault standards.

He said because the bill does not restrict the right to bring suit, it is not no-fault insurance as people generally consider it.
 Murphy's bill is supported by the insurance industry. At the public hearing on LB 394, John Binning, president of First Greatwest Corp., spoke for Nebraska-based insurance companies and said they favor Murphy's bill.
 Binning said the public and insurance companies would benefit from its passage as the bill would mean savings for insurance companies because of the reduced cost of distributing benefits.

These savings would be passed to the public through lower premiums, he said.
 Murphy's bill would require insurers to offer catastrophic economic loss insurance to cover losses greater than those covered by the medical payment and disability coverage. The automobile owner can choose whether to buy the catastrophic coverage.
 Murphy stressed that his bill is a major piece of legislation which will affect all Nebraska. He expects considerable debate on the issue when it comes before the Unicameral.
 One of the major opponents of LB 394 is

Sen. John DeCamp of Neligh, who has introduced another bill dealing with no-fault insurance. DeCamp's bill, LB 465, was being held in committee and its fate was decided Wednesday when the banking, commerce and insurance committee met in executive session.
 LB 465 has been called a "trial attorney's bill" by Murphy and other critics, but DeCamp denies this. Murphy also criticizes LB 465 because he said it does not comply with federal standards.
 DeCamp's bill provided up to \$5,000 in benefits but places no restrictions on the

right to bring suit when an accident results in injury.
 DeCamp said he doubted if his bill would reach the floor because Murphy is the chairman of the committee and he opposes it.
 DeCamp called Murphy's LB 394 "a disaster" and has described it as an insurance company bill.
 Murphy's bill would significantly increase public cost, DeCamp said, adding that any bill will have to increase rates. DeCamp claimed his bill would not raise See **INSURANCE BILL**, page 8

Local Council Okays Cost of Living Raise For City Employees

All city employees in Wayne will receive an average 4.7 per cent cost of living raise beginning next month.
 The city council, on a 5-3 vote, Tuesday night approved the salary hike on the recommendation of city administrator Fred Brink.
 The raises will cost the city about \$1,769 per month, according to Brink, who noted that the city's current budget was drawn up to take care of a 5.5 per cent cost of living hike in the salaries.
 Voting against the salary boost were John Vakoc, Darrel Fuelberth and Ted Bahe. Favoring it were Leo Hansen, Vernon

Russell, Ivan Beeks, Carolyn Fuller and Jim Thomas.
 Opponents of the salary hike said they wished more time to consider the raise, which was not proposed by Brink until late in the council meeting.
 Vakoc said an expenditure of "this magnitude deserves agenda space." He said he was disturbed that the council was "hit with it cold" and asked to vote on the hike without giving it some thought and without giving the public an opportunity to comment on it.
 Vakoc and Bahe also requested more information on how much salaries and benefits have been lagged over the past year, saying it is difficult to approve a salary hike without knowing what kind of percentage boosts have already been approved in the past year.
 Brink was asked to gather information on salaries of city employees and the percentage of increases for those salaries.
 Also Tuesday night, the council agreed to ask for bids on construction of the road in the industrial tract east of Wayne and for bids on intersection improvements at Third, Fourth, Fifth and 10th Streets on Windom, and Fairgrounds and Main Street intersection.
 Approval to go ahead with seeking bids on the work came after Brink told the council the city has received verbal approval on its request for a \$40,000 grant from the Farmer's Home Administration for road work in the city's industrial tract. He said Wayne is the first community in the state to receive such a grant for industrial development purposes.
 Brink also noted that this is a good time to be asking for bids on road and street construction, for construction firms are ac See **COUNCIL**, page 8

School Board Approves New Salary Plan

With Wilbur Giese abstaining from voting, the Wayne Carroll school board Monday night approved a salary schedule which provides a 6.96 per cent hike in the base pay given teachers in the school system.
 The salary schedule, which will go into effect for the 1975-76 school year, will result in a beginning teacher with no experience receiving a base salary of \$7,675, up \$500 from the base salary of \$7,175 in effect this year.
 A teacher with a master's degree and no experience would receive a base salary of \$9,364, up 6.96 per cent over the base salary of \$8,754 in effect now.
 Giese said he has objected to the salary index, the method by which teachers are paid for each year they stay in the local school system and for each step up the advanced education ladder.
 Teachers receive a four per cent salary hike over their base salary for each year of experience and a five and a half per cent salary hike over that base for each step on the ladder for advanced education. There are limits to both.
 No changes were made in the percentage hikes in those two areas in the new salary schedule, nor were there any changes made in the amounts of additional pay teachers receive for such duties as coaching, sponsoring classes and the like.
 Superintendent Francis Haun said the salary increases will cost the school district approximately an additional \$52,000 for the coming school year.
 The salary schedule also contains improved insurance coverage for the teachers, an improvement which Haun estimates will cost the school district about \$2,000 a year.
 Also Monday night, the board approved hiring all teachers in the school system if they wish to teach another year.
 Not returning will be high school English teacher Leola Moller, elementary music teacher Laurie Helgren and elementary teacher Beverly Scovil. All three have turned in their resignations to Haun.
 Hired during the meeting to fill the vacancy left by the resignation of Mrs. Moller was former teacher Marilyn Piesson of Wayne. She will teach half time, according to Haun.
 The board postponed action on setting salaries for the school district's three principals, who

earlier were offered jobs for the coming school year.
 Current salaries are \$16,750 for high school principal Don Zeiss, \$15,000 for middle school principal Loren Park and \$13,500 for elementary principal Richard Mettler.
 Also Monday night, the board agreed to have specifications drawn up for construction of an all-weather athletic track south of West Elementary School.
 Estimated cost of the asphalt track is \$35,000, but the cost could be less depending on how

extensive a facility is constructed, according to Haun.
 Haun, who noted that work will have to begin on the track soon if it is to be completed by fall, told the board that a track is something the school needs more than any other facility. It would be used by both boys and girls of all ages, he said, and it would be a step in the direction of finishing the total school complex envisioned several years ago when the high school was constructed.
 Also Monday night, the board: —Approved Haun's working

on forms and reports necessary if the school district is to receive its AA accreditation from the state department of education for another year. Wayne Carroll is the smallest school in the state to obtain the rating, a step higher than the normal A accreditation.
 Okayed dismissing school on Sept. 24 next fall so the school can host a "Classroom Update" meeting being sponsored by the state education department. The meeting would attract teachers from across See **SALARY**, page 8

4-H Auction Is Enlarged, Set for Fair

The annual 4-H beef auction will be turned into a county wide livestock auction and will be held at the Wayne County fair this year.
 That's the decision reached during a meeting of 4-H livestock members, leaders and parents Tuesday night in Wayne.
 This year's auction will feature market lambs and hogs as well as beef, according to Don Spitzer, county agricultural agent.
 In addition, the auction will be changed so persons bid on animals individually rather than on the basis of their weight, Spitzer said.
 That should make the auction easier to understand for the general public, he noted.
 Also, a special show will be held for pens of three beef cattle prior to the livestock auction, with animals judged on a commercial basis. In past fairs, 4-Hers were unable to show See **AUCTION**, page 8

2 Carriers Win Calculators

JEFF SPERRY

TAMMY LESEBERG

Two Wayne Herald newspaper carriers may find math problems a little easier to solve now that each owns a pocket-size electronic calculator.
 Tammy Leseberg, 11-year-old daughter of Mr. and Mrs. Harry Leseberg, and Jeff Sperry, 12-year-old son of Mr. and Mrs. Jerry Sperry, won the calculators last week following a month-long subscription campaign.
 Both youths deliver papers to subscribers in Wayne. Tammy has delivered the Herald for about 10 months. Jeff for the past year and a half.
 To win the calculators, carriers had to sign up 10 or more new subscribers to the Herald, with at least five being persons living in towns where the paper See **CALCULATORS**, page 8

Seymour's Inauguration To Attract Large Crowd

Inauguration of Dr. Lyle E. Seymour as sixth president of Wayne State College Friday is expected to bring a large crowd — the staff and students of Wayne, townspeople, alumni and official representatives of more than two dozen colleges.
 Inauguration is the first of three major events this week-end. Dedication of the new Benchack Hall of Applied Sciences comes Saturday afternoon, 1:30, and spring commencement is scheduled for 2 p.m. Sunday in Rice Auditorium. In addition, the State College Board of Trustees meets at Wayne this week-end.
 The inaugural ceremony begins at 2:30 p.m. Friday in Ramsey Theatre of the Peterson Fine Arts Center. Participating in the program are Norman Otto, representing Gov. J. J. Exon; Ward Reesman, Falls City, president of the Board of Trustees; Henry Ley, Wayne, board member, and J. Alan Cramer, Wayne, former board president; Tom Carney, Norfolk, president of the Student Senate; Val Peterson, president of the Wayne State Foundation; Sverre Andersen, chairman of the Faculty Senate; Dr. Ed Elliott, dean of graduate studies who was chairman of the presidential search committee, and Dr. Freeman Decker, Wayne mayor.

Also participating are the college choir directed by Dr. Cornell Runestad, Prof. Antony Garcia, organist; the Rev. S. K. deFreese and the Rev. Paul Reimers, both of Wayne, giving the invocation and benediction.
 The public is invited to attend the inaugural.
 Following the ceremony, there will be an informal reception in the foyer of the Fine Arts Center.
 The inaugural dinner, at 7:30 p.m. Friday in the Student Center, has about 300 reservations. Mrs. Ruby Pedersen of the WSC English faculty, will be mistress of ceremonies, and the program will include music by college faculty members Antony Garcia, Michael Palumbo, Jay O'Leary and Connie Webber.
 A social hour from 5:30 to 7 at the Wayne Country Club, is open to those with dinner tickets and official guests.
 Dr. Seymour, 52, is a new comer to Wayne State or the city of Wayne. He moved to Wayne in the late 1920's from his birth town, Milaca, Minn., graduated from Wayne High School, attended Wayne State, earned a bachelor of science degree from Iowa State University in 1947, a master of science from Iowa State in 1954, and a Ph.D. in biochemistry from the University of South Dakota in 1961. He joined the Wayne State See **INAUGURATION**, page 8

EKG Dataphone Now in Use at Local Hospital

Doctors at Wayne Hospital can now get immediate help in reading electrocardiograms given patients in the local hospital.
 Making that possible is the new EKG dataphone which has been installed and is now ready for use at the hospital.
 The dataphone underwent its first test Friday afternoon, with Jerry Schutte, employee at a local clothing store, serving as the "patient."
 In a few short moments, Schutte was hooked up to the EKG machine and nurses proceeded to put the dataphone into use, resulting in an EKG print out appearing at Creighton University Cardiac Center in Omaha at the same time as the printout was coming off the local EKG machine.
 The dataphone will now permit local doctors to get an immediate opinion from a cardiologist at the Creighton University center whenever they feel another opinion is necessary.
 Prior to installation of the dataphone, doctors mailed the EKG printout to Sioux City for a specialist's written opinion, according to Mrs. Jim Thomas, hospital administrator.

Hanner-Roberts Rites Held Sunday at Allen

In a 3 p.m. ceremony Sunday at the Allen First Lutheran Church, Terri Hanner, daughter of Mr. and Mrs. Melvin Hanner of Sioux City, became the bride of Jerry Roberts, son of Mr. and Mrs. Emmett Roberts of Allen.

The Rev. Clifford Lindgren of Concord officiated at the ceremony. Jean Roberts sang "Color My World," accompanied by Mrs. Charles Carlson.

The bride, given in marriage by her father, wore a traditional floor-length wedding gown and carried a blue and white bridal bouquet.

Her matron of honor was Mrs. Tom Morey of Sioux City and bridesmaid was Midge Hanner of Des Moines, Ia. They wore blue velvet gowns with white

lace trim and white garden hats. Best man was Douglas Dunn and groomsmen was Larry Bourassa. Both are of Sioux City.

The men wore navy blue jackets and white trousers and the bride's mother chose a pink and blue dress. Mrs. Roberts wore a blue dress with white accessories. Both mothers had white mum corsages.

Ushers were Larry and Chris Hanner of Sioux City, Melinda Miller of Omaha was flower girl and Scott Miller of Sioux City was ring bearer.

Mr. and Mrs. Bill Snyder of Allen served as hosts to the reception held at the church parlors following the ceremony. JoAnne Roberts of Allen registered guests and Mrs. Dennis Miller and Mrs. Tom Roberts, both of Omaha, arranged gifts. Working in the kitchen were Marjorie Westfall and Mrs. Earl Westfall, were forwarded to the honoree.

The couple are residing at 1603 Jackson St., Apt. 4, Sioux City, Ia. The groom is employed at Walgreens in Sioux City.

Baptismal Rites Held March 30

Baptismal services for Michelle Ann Force, daughter of Dr. and Mrs. R. Ken Force of Columbus, Ohio, were held March 30 during Easter sunrise services at St. Paul's Lutheran Church, Concord. The Rev. H. K. Hiemann officiated.

Dinner guests afterwards in the John Meyer home at Allen were Lt. Robert J. Meyer, the Paul J. Fredericksen family and Merlyn P. Smiths, Pender, John Hoogendorns, Rock Valley, Ia., Thomas Fredericksens, Omaha, Mrs. Linda Hosen and Lesa, South Sioux City, and the R. Ken Forces and Michelle.

Francois-Winger Engagement Told

Making plans for a July 4 wedding at St. Mary's Catholic Church, Nebraska City, are Patricia Ann Francois and Darrell E. Winger Jr., both students at Wayne State College.

The engagement has been announced by the bride-elect's parents, Mr. and Mrs. Robert Francois of Nebraska City. Miss Francois graduated from Nebraska City Lourdes in 1971. She is a senior at Wayne State College where she is affiliated with Chi Omega Sorority.

Her fiancé, also a senior at Wayne State, graduated from Auburn High School in 1971. He is the son of Dr. and Mrs. Darrell E. Winger Sr. of Peru.

Annual Spring Tea Is May 2

The Wayne County Home Extension Council has announced that their annual spring tea will be held Friday afternoon, May 2, at the Hoskins Public School.

Registration will be from 1 to 1:30 p.m., according to Mrs. James Robinson of Hoskins, this year's tea chairman. Guest speaker will be Dr. Robert N. Manley, executive associate of Selection Research, Inc., at Lincoln. Dr. Manley will speak, sing and show slides in his historical presentation, "Listen to the Land."

According to Mrs. Robinson, non-members as well as members of home extension clubs are invited to hear Dr. Manley's talk, which is being presented in connection with the nation's bicentennial celebration.

Members of this year's spring tea committee in charge of arrangements are Mrs. Steven Davids, Mrs. James Robinson and Mrs. Phil Scheurich, all of Hoskins, and Mrs. Bill Willers of Stanton, with advisors, Mrs. Robert Porter of Wayne, home extension council president, and Anna Marie Kreifels, area home extension agent.

Merry Mixers Club Meets For 20 Years

Twenty nine members and former members of the Merry Mixers Home Extension Club, and their husbands, observed the club's 20th anniversary Saturday evening at a supper at the Cornhusker Cafe.

Mrs. Fred Mann read a history of the club's activities. A skit, "Getting Ready to Go to Club," was given by Mrs. Les Allerman, Mrs. Werner Mann, Mrs. Robert Peters and Mrs. Charles Maier. Bonnie Mohfeld read a poem about club members.

Decorations were yellow daffodils and a cake.

Cards provided the evening's entertainment and prizes at crazy bridge went to Lydia

Thomsen, ladies high, Eldin Roberts, ladies low, Eldin Roberts, men's high, and Werner Mann, men's low.

Extension club members will hold their next regular meeting at 1:30 p.m. May 13 with Mrs. Harvey Mohfeld, Mrs. Eldin Roberts and Mrs. Ray Butts will give the lesson, "The Impressionable Years."

Allen Church Scene of April 4 Fahrenholz-Mohr Wedding Rites

The marriage of Diane Fahrenholz to Donald Mohr III was solemnized Friday in rites at the First Lutheran Church in Allen.

The bride is the daughter of Mr. and Mrs. Edwin Fahrenholz of Allen. The bride groom's parents are Mr. and Mrs. Don Mohr Jr. of Ponca.

Guests, registered by Dolie Birkley of Hubbard, were ushered into the church by James Stark and Clayton Schroeder, both of Ponca.

Mrs. Verlan Hingt of Allen sang "For All We Know" and "Colour My World." Accompanists were Mrs. George Saunders at the piano and Denise Linafelter on the flute. Organist was Mrs. Charles Carlson. The Rev. Clifford Lindgren of Concord officiated.

The bride was attended by Janean Fahrenholz of Lincoln, maid of honor, and Janice Poppe of Scribner, and Denise Linafelter of Allen, bridesmaids.

Attendants for the bridegroom were Randy Stark of Lincoln, Leslie Albrecht of Jackson and Victor Schultz of Ponca.

Flower girl was Chona Fahrenholz of Allen and ring bearer was John Mohr of Ponca.

The bride chose a floor length gown of angel skin peau with a high neckline trimmed in seed pearls. Chantilly lace bodice, bishop sleeves and A line skirt with a double flounce which extended into an attached chapel length train. Her lace edged silk illusion veil was caught to a Juliet cap

trimmed with peau d'Ange lace and seed pearls and she carried a bouquet of roses and baby's breath.

The bride's attendants wore long dresses of blue and pink polyester crepe in floral print, styled with empire waists and bell sleeves. They wore a baby rose in their hair and carried one long stemmed rose.

For her daughter's wedding Mrs. Fahrenholz wore a deep pink gown in floor length with printed sleeves and a front tie. Mrs. Mohr selected a light blue gown in floor length with a white lace sash and rhinestones.

Mr. and Mrs. Maurice Swanson of Pender greeted the guests at the reception which was held at the church parlors following the ceremony. Gifts were arranged by Karen Schultz of Ponca and Valerie Birkley of Hubbard.

Mrs. Willis Schultz of Ponca and Susan Tomes of Scribner cut and served the cake and Mrs. Fredrick Schultz of Ponca poured. Punch was served by Mrs. Truman Fahrenholz of Allen. Assisting in the kitchen were members of First Lutheran's LCW.

The couple are making their first home in Lincoln. The bride, a graduate of Allen High School, attended Patricia Stevens College in Omaha and is employed at Miller and Paine in Lincoln. The bridegroom graduated from Ponca High School and attended Wayne State College for one year. He is a student of Southeast Community College at Millard.

Fete Given Bride-Elect

Bride-elect Linda Wagner of Norfolk was honored Friday evening with a miscellaneous bridal cotesty at the Trinity Lutheran Church in Winside.

Miss Wagner, daughter of Kenneth Wagner of Winside, and Robert Langenberg, son of Mr. and Mrs. Dor Langenberg of Hoskins, will be married at the Trinity Lutheran Church in Winside April 11.

Thirty five guests attended the fete from Winside, Wayne, Hoskins, Norfolk, Concord, Battle Creek and Pilger. Decorations were in yellow and white. Mrs. Don Langenberg poured and Carol Wagner, the honoree's sister, served punch. Assisting with gifts were Joni, Lori and Patty Langenberg.

The bride was presented a corsage by the committee. Pen

cil games provided entertainment and prizes were forwarded to the honoree. Two musical selections were sung by Mrs. Paul Reimers and daughter. Hostesses were Mrs. Don Wacker, Mrs. Clarence Pfeiffer, Mrs. Howard Wacker and Mrs. Elmer Wacker.

Engaged

Making plans for an Aug. 22 wedding at the Trinity Lutheran Church, Martinsburg, are Carmen Amanda Blohm and Richard E. Stark. The engagement has been announced by the bride-elect's parents, Mr. and Mrs. Martin Blohm of Allen.

Miss Blohm is a student at Northeast Nebraska Technical Community College at Norfolk. Her fiancé is the son of Mr. and Mrs. Arnold Stark of Ponca.

Bridal Fete for Linda Baier

About 32 guests attended a bridal cotesty held Sunday at the Immanuel Lutheran Church in Glenvil honoring Linda Baier of Carroll.

Miss Baier, daughter of Mr. and Mrs. Merrill Baier of Carroll, and Elwyn Fitzke, son of Mr. and Mrs. Ward Fitzke of Glenvil, will be married June 8 at St. Paul's Lutheran Church in Wayne.

Decorations featured the bride's chosen colors, blue, pink and yellow. Mrs. Alan Rose Amanda Martelli introduced the guests, followed by games conducted by Mrs. Clifford Philippi of Bruning. Mothers of the couple, Mrs. Merrill Baier and Mrs. Ward Fitzke, poured.

Hostesses were Mrs. Alan Roseboom, Mrs. Clifford Philippi, Mrs. Don Philippi, Mrs. Herman Valentine, Mrs. Dennis Valentine, Mrs. Harvey Penning and Mrs. Steve Schuppman.

Progressive Supper Set For May 3

The Wayne Newcomers Club made plans for a progressive supper when they met with Mrs. Steve Sayre Monday evening.

The supper, scheduled for May 3, will begin at 7 p.m. with hors d'oeuvres in the Robert Dolata home. The group will proceed to the Harold Wilde home for the main course, followed with dessert in the Bob Meyer home. Husbands will be guests for the supper.

Twelve members attended Monday night's meeting for craft night. Each member brought a craft to share with the group and the hostess demonstrated making macrame pot hangers. She also passed out instructions for making cornhusk dolls, ecology breadboard plaques and a Christmas wreath. Mrs. Bob Dolata received the door prize.

Emry, Chapman Lead Blue Devils at Wisner

Seniors Gordon Emry and Dick Chapman collected five of Wayne High's eight firsts during Monday's Wisner-Pilger triangular.

Led by Emry's three firsts and Chapman's two, the Blue Devils scored 58 points for second place. West Point Central Catholic won the meet with 64 points while the hosts trailed with 53.

Emry clocked :15.5 in the 120-yard high hurdles, jumped 19'2 1/2" in the long jump and went 40.7 in the triple jump for his firsts. He placed second in the 180-yard low hurdles in :22.6.

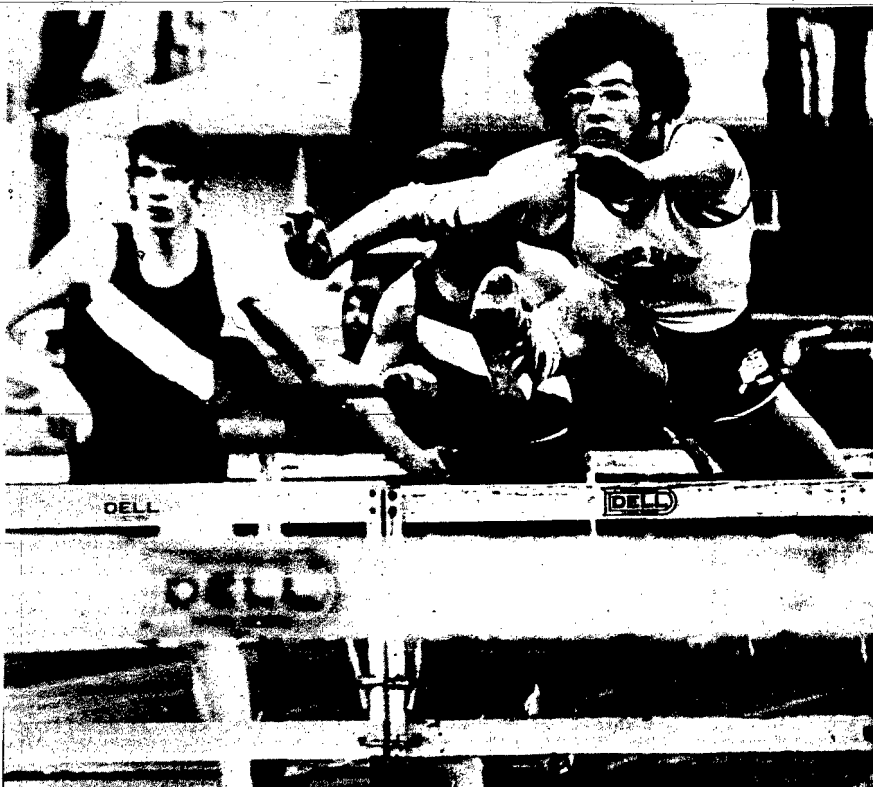

Chapman clipped his season best in the 100-yard dash by one-tenth of a second, running in :10.1, and won the 220 in :23.8. The absence of Rod Hoops, Jeff Backstrom and Tom Maier hurt the Devils' chances, said coach Al Hansen. Hoops would have been strong in the shot put and discus; Hansen said, and Backstrom and Maier might have finished first in distance events. Sophomore sprinter Mark Brandt attended the meet but was unable to compete because of a pulled muscle.

Also winning for Wayne were Jack Froehlich, Don Nelson and the mile relay team. Froehlich clocked :56.7 in the 400, Nelson pole vaulted 9-8 and the relay team of Froehlich, Marty Hansen, Pat Garvin and Pat Dorcey finished in 3:50.6.

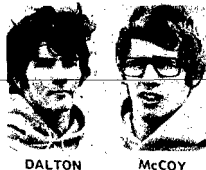

Second-place finishes by the 880 and two-mile relay squads gave Hansen confidence his club will finish strong in Friday's 15-team Columbus invitational. "We'll be tough in the relay splits the sprints and hurdles," Hansen said.

The 880 team of Terry Lessmann, Rob Mitchell, Hansen and Chapman ran a 1:41.9 time, and the two-mile squad of Mitchell, Dorcey, Ken Daniels and Jerry Sievers clocked a 9:36.4.

Other finishers for Wayne: Garvin, third in 440, :58.6; Nelson, fourth in 880, 2:20.5; Joe Teeter, fourth in mile, 5:54.5; Daniel daSilva, fourth in two-mile, 13:48; Hansen, fourth in discus, 105.6'; Froehlich, third in high jump, 5-6; Brandt, fourth in long jump, 18-1.

DALTON McCoy

Fresh Miller Boosts LH's Track Hopes

First-year Laurel High track coach Tom Bell's hopes of a boost when freshman Dave Lindgren placed fifth in the two mile at Friday's Plainview invitational.

Bell has six returning letter men among the 30 out for track this season — seniors Rob Lillard, Warren Hanson and Don Diediker; junior Mark McCoy, and sophomores Mike Dalton and Tim Harrington.

Dalton, McCoy, Diediker and senior Phil Dalton figure to make up Laurel's two-mile relay squad. Dalton and McCoy ran on last year's state qualifying team. All four also will run on the 800-yard relay squad.

In field events, Lillard is expected to compete in the shot put, Hanson in the discus. Harrington is Laurel's threat in the long and triple jump as well as in the hurdles.

The Bears' all-around entry, senior Sterling Stolpe, will compete in the 100-yard dash, shot put and triple jump, Bell said. Although this is Stolpe's first year, Bell said Stolpe "can do about anything."

Bell's hopes for a good year depend partially on his underclassmen. Besides Lindgren as a distance runner, sophomore Garth Paulsen figures to be strong in the high jump, low hurdles and long jump, Bell said.

Last year Paulsen went 5-5 in the high jump and as an eighth grader, Lindgren ran a 4:50 mile. "He has the best chance to set school records in the mile and two mile."

Laurel's schedule April — 14 at Crofton, 18 at O'Neill, 23 Randolph invitational, 29 Windsor invitational; May — 1 at Creighton, 5 at Bloomfield, 9 NENAC at O'Neill.

Clause 42 of England's Magna Carta, signed in 1215, declared that anyone not a prisoner or outlaw was free to travel abroad in time of peace without seeking the king's permission. For many centuries, in Britain and most countries, passports were unnecessary.

Athlete Of The Week

GORDON EMRY, Wayne High School

Gordon Emry is starting the 1975 high school track season the same way he ended the 1974 season — winning.

The senior hurdler already has two wins under his belt in the 120 yard high hurdles at Wisner and Plainview meets and appears to be ready for another trip to the state tournament, a trip he made last year.

Emry also is strong in the triple and long jump as well as the 180 yard low hurdles. He won the first two events and took second in the low hurdles Monday at Wisner after placing second in the triple jump at Friday's Plainview invitational.

Said Wayne High coach Al Hansen "Gordon is one of our top point makers. I can rely on him to score for us in most meets."

Son of Mr. and Mrs. Arnold Emry of Wayne, Gordon was a member of this year's West Husker Conference championship football team and the Husker Conference championship basketball team.

Emry's award is the first of the high school spring sports season.

Wildcats Split Twinbill With Creighton Tuesday

Wayne State split a baseball doubleheader with Creighton University Tuesday at Omaha, 6-5 and 7-6, and coach Larry Schultz was ecstatic about his team's performance.

He used an extensive vocabulary to explain how the 48 Wildcats played after a 2 1/2 week weather layoff — words like exceptional, best of the season, sharp.

Now he probably can use some different words to describe weather prospects, which undoubtedly will erase games here today (Thursday) with Iowa Lakes Community College and possibly a special attraction Saturday morning.

That special is the first annual Oldtimers game at 11 a.m., if there is a playable diamond. Schultz expects a flock of recent graduates to come back for the game: Marty Going, Steve Heying, Greg Kamp, Charlie Solano, Ben and John Ege, Ron Nelson, Ray Miller, Bart Knoff, Bob Pudil, George Jones, Bob Brandt and maybe others.

Against Creighton, the Wildcats gained an eighth inning victory in the opener when Jerry Frerichs slammed a home run. The Cats had trailed until a

Sturgeon once was so plentiful in the Hudson River that steaks made from the light, almost boneless meat of the big fish were called "Albany beef," the National Geographic Society says.

Maybe this is the week Wayne State's track team can sink its spikes into something besides snow or mud. The Wildcats hope to get their first outdoor competition at the University of South Dakota invitational today (Thursday).

The invitational was scheduled Saturday, but snow nearly knee deep smothered that date.

Coach LeRoy Simpson has 16 performers on the squad — enough quantity and quality to prompt his prediction for "a very desirable outdoor track season."

The Wayne State track program has struggled in recent years for lack of an adequate track. However, Simpson hopes a recommendation by the college governing board to build an all-weather track will find favor with the Legislature. The track was one of 10 priority projects included in the board's capital construction suggestions for the state colleges.

A Nebraska School Activities Association ruling that forbids junior high schools from participating in sports against non-association members will probably have a greater impact on Wayne than on other area schools.

Wayne's junior high sports program is handed under the city recreation program and under for Wayne to compete against other junior high schools. The school system must have its own program, according to district representative Lyle Trullinger of Wakefield. If Wayne doesn't adhere to the ruling, other junior high schools will likely have to strike Wayne from their schedules or be slapped with a NSAA violation. Trullinger said. Such violation may result in high schools being placed on probation by the NSAA, Trullinger said.

The ruling, handed down during Friday's NSAA meeting in Lincoln, doesn't stipulate that a junior high coach has to be a faculty member. Trullinger noted. That could leave the door wide open, for example, the school system would hire recreation director Hank Overin to conduct the junior high sports program.

According to Middle School principal Loren Park, no decision has been made about the future of junior high sports.

JUNIOR high sports seasons will be limited to 10 weeks, it was decided Friday, including practices and games. Starting dates are up to the schools. Junior highs also will be limited to one

actively per week, except in case of postponed games or tournaments.

— to change the dates for starting practices in winter sports, giving coaches an additional two weeks. Example, practice for basketball and wrestling didn't start this year until Nov. 15, two weeks before the first game. Now coaches can start practice the fourth Thursday before the first contest.

— to allow schools to organize sports clinics between June 1 and Aug. 1. Before, high schools were prohibited from hosting clinics. Now high schools can sponsor their own clinics. Clinics, however, are limited to 21 days.

— to study changing golf from a spring sport to fall.

— to survey high school superintendents to see if they want to extend the 1975 football season from nine to 10 weeks. Class playoffs, new next fall, are scheduled for the 10th and 11 weeks. Some coaches feel nine weeks is too short considering conference playoffs have to be completed before the 10th week.

COME RAIN or shine, Wayne State will hold its annual varsity alumni football game Saturday at 2 p.m. If wet weather continues, however, the game will be moved from Memorial Stadium to the practice field.

Returning alumni may include Reggie

Smith, Marty Going and Reggie Yates. On the minds of most alumni will be last year's 22-6 defeat.

NEIL BLOHM of Allen, a freshman pitcher for Morningside College in Sioux City appears to be one of the college's top hurling prospects. Blohm threw against Big Ten heavy Indiana, guiding his club to a victory.

Allen fans may see the right hander in action this summer if he joins the Allen Martinsburg town team.

SIGHTS and sounds of rodeo are in store for Nebraska ETV viewers April 19 and 10 p.m. during finals of the eighth annual University of Nebraska Intercollegiate Rodeo. Over 250 college riders from a six-state region of the National Intercollegiate Rodeo Association will compete for team and individual titles and points for eligibility to compete in the national finals in Bozeman, Mont., in June.

Waiting for Next Year

COACH Steve Hix expects plenty of competition in Wayne's junior high wrestling program next year when these sixth graders return. On this year's squad were, front row from left, John Kluge, Mike Schock, Jerre Morris, Chip Carr, John Anderson; back row, Steve Koll, Nick Phelps, Hix.

Council

(Continued from page 1)
 tively seeking work at this time of the year.
 Bids are to be opened on the work during the council's April 29th meeting.
 Council members also discussed — but took no action — on a suggestion that the city consider purchasing .5 S flags and welcome flags for display on Main Street.
 Councilwoman Carolyn Filter made the suggestion, noting that there are several appropriate times during the year when flags should be flown on Main Street.
 She said the subject of flags is one she has heard considerable comment on by residents of the city who feel flags should be displayed in the city several times a year.
 Cost of 84 flags for 14 blocks from First to 14th Street would be between \$714 and \$1,566, according to estimates obtained by Brink.
 Council members postponed action on the subject in hopes local residents will speak out as to whether they think the idea is a good one.
 In other action Tuesday, the council:
 —Approved on an 8-0 vote to have a contract drawn up for purchasing the Marra Home Improvement Co. building on South Main. Total price of the building, after work is done by the owner, would be \$50,650. Marra had originally asked \$40,000 for the building, but the council is asking him to install overhead doors, construct partitions, make changes to the building and meet all requirements and do other work.
 —Approved on a 7-1 vote (Thomas objecting) another one-year contract with the city's planning consultant firm. The contract will cost the city \$1,000 and will require a firm representative to attend 10 meetings of the city planning commission.
 —Sent to the Selective Localized Accident Prevention committee a request for stop signs at corners of 10th and Hillcrest and 10th and Pine Heights Road. The request came from residents of the area who think traffic is increasing in the area now that the hospital nears completion. They said increased traffic endangers their children.
 —Dropped further consideration of asphaltting several blocks of streets in the Roosevelt Park area in the southeast part of the city after listening to several residents in the area express opposition to the work.
 —Approved mayor Freeman Decker's appointment of local businessman Roger Nelson to the planning commission to fill the seat currently held by Robert Vakoc, who has been named to another city board, and Decker's appointment of Merv Mordhorst to the Wayne County Joint Planning Commission, the commission which will work on zoning the entire county. Mordhorst is a member of the city's planning commission.
 —Learned from Brink that the city's budget for the next fiscal year may permit a drop in the local mill levy of 1.23 mills. Brink said the increased valuation of property in the city may allow for such a drop.
 —Approved on an 8-0 vote a five-year agreement with the Wayne County Club which would make the city responsible for financing some of the upkeep and improvements at the golf course.
 —Agreed to have city attorney Budd Bornhoff study state laws requiring cities to publish legal notices in newspapers. Russell made the request so the council knows "exactly what we have to publish." He noted that it is time the city starts cutting back in its spending on publications of legal notices.
 —Agreed to meet at 7 p.m. to discuss the rules and policies for city employees.
 —Postponed action on a proposed ambulance agreement with the Missionary Benedictine Sisters of Norfolk, who will operate the new hospital when it is opened in Wayne later this year. The subject will be discussed at the council's next meeting.

WSC Graduation Set for Sunday

About 200 seniors and graduate students will receive degrees Sunday afternoon at Wayne State's spring commencement.
 The ceremony is set for 2 p.m. in Rice Auditorium.
 Speaker will be Mrs. Hilda Neihardt Petri, daughter of the late John G. Neihardt, a Wayne graduate and poet laureate of Nebraska. Mrs. Petri, an attorney in Columbia, Mo., has visited the WSC campus many times and is a member of the Wayne State Foundation board of directors.
 As an annual feature of spring commencement, the foundation will make several awards — to the highest ranking senior and the senior who has been of greatest service to the college, among other awards.
 The college orchestra will provide music for commencement.

Travel-Study Course Is Set At Wayne State

A travel-study course which should interest students wishing to acquaint themselves with America's direction in the Bicentennial is scheduled for this spring at Wayne State College.
 "America and the Future of Man" will run from April 28 through June 11. The first week will focus on orientation and planning, and will be followed by four weeks of afternoon research sessions and evening seminars. The evening seminars will be taped for presentation over cable television during May.
 The class will spend June 1-11 on a trip to Washington, D.C., to attend the second general assembly of the World Future Society. Sight seeing at the nation's capital will also be included.
 Participants will have their choice of three study programs, each worth six credit hours. Allen O'Donnell will teach the political science division, Elizabeth Hepburn will teach the creative writing division and William Hagerman will have charge of the communication arts division.
 Cost for the entire course is \$135 plus tuition for six hours. This amount includes round trip transportation to Washington and lodging plus two meals daily while there.
 Hagerman is coordinator for the course. Persons interested in the course should send \$25 to reserve a spot to Special Studies, Wayne State College, including with the deposit their choice of study area. Enrollment will be limited to 35 students. Registration closes Tuesday.

The 'Ugly Prof'

FOR Dr James Paige, ugly is beautiful. Translated, that means he's the Ugly Professor of 1975, an honor bestowed on him by Wayne State students who voted recently for their favorite faculty member in Carhart Science Building. The award is sponsored annually by Lambda Delta Lambda and Kappa Mu Epsilon, honoraries in science and mathematics at WSC.
 Three of those area students were among 313 seniors recognized for superior scholarship. They are Layne Mann; Wayne, College of Agriculture; Lori Chace, Laurel, College of Home Economics; and Alan Tague, Pilger, College of Arts and Sciences.
 Area students recognized for their scholastic standing:
 Juniors — Edwin Bull, Wayne; Robert Gadeken, Laurel; Ronald Janke, Wayne; Kurt Lesh, Wayne; Elaine Lundstrom, Wayne; Kyle Willis, Wayne; Pamela Nelson, Laurel.
 Sophomores — Dawn Carman, Wayne; Mitzi Goetter, Pilger; Joyce Hixon, Wayne; Pamela Hinrichs, Dixon; Lisa Lesh, Wayne; Michael Nuss, Wayne.
 Freshmen — Keith Boeckenhauer, Wakefield; James Dahlquist, Laurel; Jill Carhart, Wayne; Marjorie Lundstrom, Wayne; Michael Hasekamp, Pilger; William Lambert, Pilger; Kim Chace, Laurel; Cheryl Meyer, Wakefield; Susan Schroeder, Laurel; Carolyn Wentworth, Laurel.
 Also recognized for scholarship were Lee Dahl, Laurel, College of Dentistry; Marsha Johnson, Carroll, Dental Hygiene; and Marie Tietsoot, Wayne, Omicron Kappa Upsilon.

3 Teachers at Winside Resign

Three Winside teachers will not return to the school system next year, the school board learned Monday night.
 Resigning effective the end of the present school term are Mrs. Marian Iversen, Mrs. Bonnie Siefken and Miss Doris Siefken. Mrs. Iversen, English teacher, who is in her 14th year at Winside, will retire. Bonnie Siefken is the music instructor, and Doris Siefken teaches home economics.
 Those three are the only teachers who have said they will not teach at Winside next year, according to superintendent Don Leighton.
 The board and teachers declared an impasse in salary negotiations last month and are now awaiting the decision by a three member fact-finding group.
 Both groups have agreed on a \$7,500 base salary for teachers for the 1975-76 school year and on the four per cent pay hike for each year of teaching experience and the four per cent pay hike for each nine hours of college credit beyond a bachelor's degree.
 However, they disagree on deviating from the salary schedule to hire teachers and increasing insurance coverage.
 The board agreed to continue contracting with Educational Service Unit No. One for speech and hearing, visual handicapped, psychological evaluation and counseling. The school contracts with the Wayne-Carroll school system for its trainable students and with Stanton for its educable students, Leighton said.
 Members also approved renting a school-owned house to high school guidance counselor Lee Johnson. Now living in the house is principal Al Schueter. Rental cost will be figured into Johnson's salary, Leighton said.
 The board okayed transferring \$1,500 from the school's general fund to the hot lunch fund because of rising meat costs, Leighton pointed out.

Area Students Recognized for Grades at NU

Students from Wayne, Carroll, Laurel, Dixon, Wakefield and Pilger were among 2,722 University of Nebraska-Lincoln students recognized for scholastic achievement during the 47th annual honors convocation Tuesday.
 Three of those area students were among 313 seniors recognized for superior scholarship. They are Layne Mann; Wayne, College of Agriculture; Lori Chace, Laurel, College of Home Economics; and Alan Tague, Pilger, College of Arts and Sciences.
 Area students recognized for their scholastic standing:
 Juniors — Edwin Bull, Wayne; Robert Gadeken, Laurel; Ronald Janke, Wayne; Kurt Lesh, Wayne; Elaine Lundstrom, Wayne; Kyle Willis, Wayne; Pamela Nelson, Laurel.
 Sophomores — Dawn Carman, Wayne; Mitzi Goetter, Pilger; Joyce Hixon, Wayne; Pamela Hinrichs, Dixon; Lisa Lesh, Wayne; Michael Nuss, Wayne.
 Freshmen — Keith Boeckenhauer, Wakefield; James Dahlquist, Laurel; Jill Carhart, Wayne; Marjorie Lundstrom, Wayne; Michael Hasekamp, Pilger; William Lambert, Pilger; Kim Chace, Laurel; Cheryl Meyer, Wakefield; Susan Schroeder, Laurel; Carolyn Wentworth, Laurel.
 Also recognized for scholarship were Lee Dahl, Laurel, College of Dentistry; Marsha Johnson, Carroll, Dental Hygiene; and Marie Tietsoot, Wayne, Omicron Kappa Upsilon.

City 4-H Club Being Considered

Youths in and around Wayne interested in joining a 4-H club are invited to an organizational meeting on Tuesday, April 29.
 Place and time for the meeting will be announced later, according to Wayne County agricultural agent Don Spitz.
 One of the projects being considered for the club is sheep, a project which has proven successful in other towns which have started 4-H clubs, Spitz noted.
 Leader of the club will be Maurice Boeckenhauer of rural Wayne. Among those helping him will be Steve Gramlich, a 4-H'er from rural Carroll.
 Youths and parents who are interested in learning more about the proposed club may contact Spitz, Boeckenhauer or Gramlich.

They're Tops in Talent

FOR THE first time in the two year history of Wayne Lions Club's annual talent contest, a duet was named for one of four winners. The contest was held Tuesday night at Wayne High School. Scott Havener and Gwen Preston, right, won the intermediate division with their vocal performance. They and the three other division winners, little Kim Damme, Stacy Marsh, left, and Jeanne Ring, will compete in the district talent contest at Laurel on April 20. Kim Performed in a baton act in the elementary division. Stacy played the piano in the junior division and Jeanne played the piano in the senior division. Parents of the winners are Mr. and Mrs. Dallas Havener, Wayne; Mr. and Mrs. Jason Preston, Wayne; Mr. and Mrs. LeRoy Damme, rural Winside; Mr. and Mrs. Jim Marsh, Wayne, and Mr. and Mrs. Merle Ring, rural Wayne.

Orientation for New WH Frosh Tuesday Night

All students who will enter Wayne High School as freshmen next fall are being urged to attend the freshman orientation scheduled for the high school lecture hall Tuesday evening from 7 to 9:30.
 Also being urged to attend the orientation are parents of students who will be freshmen at WH in September, according to guidance counselor Ken Carlson.
 On hand during the orientation will be Carlson and Donald Zeiss, high school principal. They will discuss the high school program, course offerings and school policies.
 Eighth graders at Wayne Middle School have already filled out class registration forms, according to Carlson, but they should attend the orientation so they can get answers to their questions about the school's program and extra-curricular activities.
 Rural eighth graders who have not previously registered are to register during the orientation, Carlson noted.
 Present during the evening to help answer questions and give students and parents a tour of the building will be Student Council members.
 Students and parents unable to attend the event should contact either Carlson or Zeiss at the high school.

WHS Seniors Place First at Science Fair

A two-member research team from Wayne High School which finished first in the botany division at the ninth annual Greater Nebraska Science and Engineering Fair at Nebraska City last weekend, have been invited to display their project at the University of Nebraska's Engineering Week program, slated for this Friday and Saturday.
 Displaying their project will be seniors Gordon Emry and Janet Spittger, who placed first for their research project on the effects of abnormal growth on germinating seeds.
 Other Wayne High school seniors attending the two-day event, which included over 225 entries from approximately 30 schools in eastern Nebraska, were Erin O'Donnell, Mary Fernau, Kevin Jech and Alfred Grovas.
 Grovas' research project on the genetics of bacteria received a second place award in the microbiology division and special recognition from the U.S. Air Force and the American Society for Microbiology. Jech and Fernau received honorable mention awards for their research projects in microbiology.
 Wayne High biology instructor, Verne Mills, who accompanied the students to Nebraska City, said he feels the students' work is genuinely outstanding and that they deserve recognition not only for their achievement, but for the manner in which they represented their school and community.

AHS Teams Win Ribbons In FFA Meet

An Allen High School team earned a blue ribbon in the horticulture contest held in conjunction with the 47th annual FFA state convention in Lincoln last week.
 The team placed seventh out of the eight teams receiving blue ribbons in the event.
 Earning red ribbons in individual competition in the horticulture contest were Allen High's LeAnn Luberstedt and Van Hansen. Allen's Rich Chase won a white in the individual competition.
 Allen High's dairy cattle judging team won a red ribbon in that division of the state contest, placing 15th out of 23 teams winning ribbons.
 In individual competition, Allen's Doug Peterson won a white ribbon in the dairy cattle judging contest.
 Two other Allen High teams won blue ribbons.
 The meats judging and identification team earned a white, the same ribbon as team member Pat Kavanaugh earned. Also earning a white was the school's livestock selection team.

House Sustains Water Damage

A house owned by a Ponca couple at 420 Logan in Wayne sustained damage when water pipes were broken sometime before 11 a.m. Tuesday, according to the Wayne police department.
 Entry was made by breaking a basement window, police said. The house is owned by Mr. and Mrs. Ellis Hartman. No damage estimate was given.
 About 1 p.m. Saturday, a window was broken at a house owned by Mrs. Adrian Vrtiska, 517 Windom.

Wakefield Girls 5th

Wakefield High girls won fifth place in the Columbus Lakeview invitational track meet Saturday by scoring 12 points.
 Cheryl Nelson paced the Trojanettes with a third in the 80-yard low hurdles, finishing in 12.3. Other Wakefield finishers included Mary Kober, fifth in the low hurdles in 12.5; 440-yard relay team of Nelson, Kober, Joy Myers and Robin Mills, fifth with a time of 56.3; and Mills, fifth in the long jump with a 15-1 leap.
 Seward won the 13-team meet with 75 points. Columbus Lakeview was second with 55, followed by Schuyler 49, Howells, 45, York 34, Madison 34, Grand Island Northwest 23, Clarkson 20, Wakefield 12, David City 10, Fremont Bergan 4, Wisner-Pilger 1 and Stanton 0.

Salary

 Northeast Nebraska, according to Haun.
 He earned that a meeting will be held at the high school lecture hall on Wednesday, April 23, for area board members and administrators who wish to discuss establishing standards for the minimum level of education for all schools in the state. The morning session will begin at 9 a.m., the afternoon session at 1 p.m. It will be one of several meetings on the subject scheduled around the state.
 —Voted unanimously to prohibit smoking during board meetings.
 —Postponed action on a proposal to air-condition the high school. The project could run as high as \$94,000 for the total building, according to Haun.
 —Heard a report on the school's Project Success, an innovative teaching method aimed at helping students who have difficulty learning in normal classroom situations. Giving the report were project director Mettler and Pack.
WS Sculpture Show Opens on Saturday
 A sculpture show, scheduled to run Saturday, April 12, through Monday, April 21, will be set up in the foyer of the Wayne State College Fine Arts Center.
 The pieces, done in plaster, wood, bronze, aluminum, stone and plastic, and ranging in size from six inches to six feet, represent the work of about 25 art students.
 Some of the work will be for sale, according to Ray Replogle, who instructs the sculpture classes at WSC.

Police Blotter

—A car owned by David Stoy, an off 204 W. 11, was struck about 11 p.m. Tuesday while parked on the 500 block of Wayside Lane. Driver of the vehicle was Jerry Reys, 18, Pearl.
 —A semitruck operated by Don Schultz, rural Wayne, backed into a vehicle driven by Roger Engstedt, Wakefield, near the intersection of Seventh and Main about 2:45 p.m. Tuesday.

Bowl Winners

Championship of Wayne State's annual College Bowl — a local version of the one-time television Quiz Bowl Show — belonged to a foursome representing the physical science honorary fraternity, Lambda Delta Lambda.
 The winners are Mike O'Hara, Omaha; Duane Pearson, Wakefield; Jean Buck, Battle Creek; and Rex Murray, Wayne.

Auction

(Continued from page 1)
 pens of three beef animals.
 The livestock auction will be held on the final day of the fair, scheduled for Thursday through Sunday, Aug. 7-10.
 A committee will be named to attempt to work out some arrangement whereby 4-H'ers showing dairy, breeding beef, breeding sheep and breeding swine will receive cash incentives similar to those received by 4-H'ers with animals in the normal livestock auction.
 The expanded livestock auction will be conducted so 4-H'ers will keep their animals if they wish, will mean that about twice as many 4-H'ers will receive cash bonuses than have received them in the past, according to Spitz.
 If owners of other 4-H animals receive cash incentives, it will expand the event even more, he noted.
 One of the advantages of expanding the auction to include swine and sheep is that more buyers can take part without spending large amounts of money, he noted.
 Spitz said he hopes the changes in the format of the auction help turn it into a county-wide event, with buyers coming from all over the county rather than primarily from Wayne. In past years, the auction has been sponsored by the Wayne Chamber of Commerce.

Dataphone

 ting the EKG to Omaha by telephone, but the dataphone allows a doctor to receive immediate interpretation if he feels it is necessary, Mrs. Thomas said.
 The EKG dataphone can be used in four different rooms in the local hospital now that telephone jacks have been installed. The machine can be used in the emergency room, surgery room or either of two heart rooms, according to Mrs. Thomas. That will allow hospital officials to move the machine rather than the patient when an EKG is required at different places in the hospital, she said.

OBITUARIES

Mrs. Hildur Carlson

Mrs. Hildur V. Carlson of Wayne died Friday at the Wayne Care Centre at the age of 87 years. Funeral services were held Monday at the Evangelical Free Church, Concord.
 The Rev. Delvon Lindquist officiated and pallbearers were Terry Kardell, Jonathan Carlson, John Carlson, Alex Brown, Richard Carlson and Sid Wisness. Burial was in the Concord Cemetery.
 Hildur Johnson Carlson was born June 16, 1887 in Smoland, Sweden. She came to the United States at the age of 16 years and resided at Oakland, Neb. In 1907, she married Albin Carlson. The couple moved to a farm, a mile east of Wayne in 1919, where she made her home until 1962 when she moved into Wayne. Since March of 1974, she has resided at the Wayne Care Centre.
 Preceding her in death were her husband, one grandchild and one great grandchild. Baseball Meet Set

Board members of the Wayne Baseball Association are encouraged to attend a town team organizational meeting tonight (Thursday) at 7:30 at Les' Steak House.
 Purpose of the meeting is to find out if there are enough local players to form a team. If there are, the board will decide whether to sponsor the team.
 According to Terry Lutt, who volunteered to manage the team, at least 15 men are needed to form a squad. Local men interested in playing ball who are unable to attend the meeting should contact Hank Overin or Lutt.

WINSIDE VILLAGE BOARD PROCEEDINGS Winside, Nebraska. A meeting of the Chairman of the Board of Trustees of the Village of Winside, Nebraska, was held at the Village Hall on the 21st day of March, 1975, at 7:30 o'clock P.M. Present were Chairman Dallas D. Puls, Trustees Merlyn Thomsen, Frank Weible, and Vernon Hill, Auditor Robert Cleveland. Notice of the meeting was given in advance thereof by posting three public places in the Village of Winside, Nebraska, a copy of the notice of posting notice attached to these minutes. Notice of this meeting was simultaneously given to the Chairman and members of the Board of Trustees and a copy of their acknowledgment of receipt of notice and the agenda is attached to the minutes. Availability of the agenda was in the advance notice and in the notice to the Chairman and Board of Trustees of this meeting. All proceedings hereinafter taken while the convened meeting was open to the attendance of the public.

The Village Clerk presented for consideration by the Board of Trustees a petition for an ordinance for street improvement, purporting to be signed by resident owners owning property directly abutting upon the streets proposed to be improved and petitioning for improvement thereof by an ordinance creating a Street Improvement District to include the streets set forth therein. It appearing to the Board of Trustees that said petition was signed by at least sixty per cent of such resident owners, the at

ached ordinance, designated Ordinance No. 233, was introduced by Hill, AN ORDINANCE CREATING STREET IMPROVEMENT DISTRICT IN THE VILLAGE OF WINSIDE, NEBRASKA, ORDERING THE CONSTRUCTION OF GRADING, PAVING, CURBING AND GUTTERING IMPROVEMENTS THEREIN AND ORDERING THE PUBLICATION OF THE ORDINANCE IN PAMPHLET FORM. Trustee Weible moved that motion to suspend the rules and upon roll call vote on the following Trustee's vote: YEA: Hill, Weible, and Mann. The following voted NAY: none. The motion was adopted by the Board of Trustees. Trustee Mann then introduced the following resolution and moved its adoption: BE IT RESOLVED BY THE CHAIRMAN AND BOARD OF TRUSTEES OF THE VILLAGE OF WINSIDE, NEBRASKA, as follows: The Chairman and Board of Trustees hereby find and determine that the Chairman and Board of Trustees will meet at 8:00 o'clock P.M., on the 7th day of April, 1975, at the regular meeting place of the Board at the Clerk's office, at which time a hearing will be held as to the sufficiency of the petitions for street improvement which have been filed with the Village Clerk and pursuant to which Ordinance No. 233 has been passed and approved and as to the existence of the required facts and conditions for the passage of the Ordinance. The Clerk is hereby instructed to cause notice of this hearing to be published as provided by law. Trustee Weible seconded the motion for the passage of the foregoing resolution. On roll call the following voted YEA: Hill, Weible, and Mann. The following voted NAY: none. Whereupon the Chairman declared the motion carried and said resolution duly adopted.

Motion for adjournment: Adjourned. Dallas D. Puls, Chairman (Publ. April 10)

Thought for Today By Brian McBride "He who has a why to live can bear with almost any how." Friedrich Nietzsche

It is easy to feel sorry for ourselves and bemoan the deficiencies in our lives that fate has meted out to us. Everyone wants to "live well", often equated with a bountiful supply of material things. When life has a goal, when we have established a worthwhile reason for living, the "how" of our lives assumes its proper secondary importance. Our objective should be to fulfill our "why" and almost any "how" will provide opportunity. Many thoughtful people are specifying in detail their wishes regarding their own memorial services. We are available to answer questions and to assist with suggestions. Can we help you? If so, please phone.

Mrs. Otto Saul will be hostess to the Monday Pitch Club meeting scheduled for 2 p.m. April 14.

Weekly Class Slated For Area's Retired

Mrs. Jociell Bull, director and coordinator of the Wayne Senior Citizens Center, has announced that Wayne has been selected by the Nebraska Commission on Aging as a rural pilot site to conduct a class for retired persons, beginning this Monday at the local center.

NAMH Plans Family Workshop

"Change and the Family" has been selected as the theme for a family enrichment workshop planned for this Saturday in the McClay building of the Northeast Nebraska Technical Community College at Norfolk.

Sponsoring the workshop, which is open to the public, is the Region IV Nebraska Association for Mental Health.

Among the featured speakers will be Dr. Don Merriman, professor of adolescent psychology at Wayne State College. Also scheduled to speak during the day-long event are Syd Carne, assistant general executive of the Omaha YMCA; Shirley Seavers, instructor of human development and the family at the University of Nebraska-Lincoln; Larry Frahm, director of consultation and education at the Lincoln Lancaster Mental Health Center, and Anne Marie Aita Mulligan, special assistant to the director of the State Health Department's division of developmental disabilities.

Cost of the workshop, \$5 a person, includes the noon meal and refreshments. Members of the Region IV NAMH will hold their annual meeting at 9:30 a.m. Registration is at 11:30 a.m., with workshops scheduled to get underway at 1:45 p.m.

Workshop topics will be "Understanding Yourself," by Syd Carne; "Alternatives to Traditional Child Rearing Methods," Shirley Seavers; "Communications for Today's Couples," Larry Frahm; "Improving Parent-Teen Relations," Don Merriman, and "Myths on the Elderly," Anne Marie Aita Mulligan.

Allen O'Donnell of Wayne, chairman for the planning committee setting up the workshop, said the day should prove to be a worthwhile experience for all persons concerned with what is happening to today's family.

charge, will be held from 9:30 to 11:30 a.m. and is limited to 20 persons. According to the center director, the first 20 persons to sign up at the center, located at 316 Main St., in Wayne, will be able to participate.

Material, which has been prepared by the gerontology department of the University of Nebraska-Omaha, will include printed matter, tapes and slides on such topics as community service, mental health, everyday law, housing alternatives, the process of aging, health needs, food, death and leisure time.

In preparation for the program, Mrs. Bull is attending a statewide pilot program facilitators training workshop being held today (Thursday) and Friday at Kearney.

Persons wishing more information about the program should contact Mrs. Bull at 375-1460 or 375-2862.

Gourmet Club Dines Swedish

The Gourmet Club of Wayne State College met in the home of Dr. and Mrs. Irv Brandt.

Mr. and Mrs. Marion Haayer and Dr. and Mrs. Niel Edmunds were co-hosts for a Swedish dinner, including potatiskorv, torsk, kjottbollar, sursild, rodbrod, lemon lime jello, tapioca pudding, rosettes and frugisuppe.

The group will meet April 23 at 6:30 p.m. for an Indian dinner in the home of Dr. and Mrs. J. S. Johar. Co-hosts are Dr. and Mrs. Russell Rasmussen.

Seeks License Back

Doug Nelson, 24, of rural Wayne filed an appeal in Wayne County district court Thursday in an attempt to have his driver's license reinstated.

Nelson's driving licenses was revoked by the state motor vehicles department on March 13 following a fourth arrest for speeding in less than two years. Court records show that Nelson was convicted of speeding twice in Cuming County court, on May 5 and Dec. 5 of 1973, and twice in Wayne County court, on Nov. 7 last year and March 6 this year.

State law requires that driving license be revoked after a person has lost 12 points for driving violations.

Wayne Stater Names Editors

The Wayne Stater, weekly newspaper of Wayne State College, announced Tuesday in its final issue of the term the appointment of editors for the 1975-fall term.

They are Wendy Hedquist of South Sioux City as managing editor, Laureen Haught of Omaha, as news editor and Mike Palack of Norfolk as sports editor.

All three have been reporters the past school year. Miss Hedquist majored in both Spanish and art and Miss Haught majored in French.

Heading the staff the past two terms were Sue Stolen of Sioux City, executive editor; Doug Coulter, Plainview, managing editor, and Dave Mowitz, Hampton, news editor.

Supper

(Continued from page 1) Herald incorrectly named Tuesday as the night for the supper.

The supper, from 5:30 to 8 p.m., will include a tavern, beverage and a variety of salads. Persons planning to attend are encouraged to bring a salad to help the AFS in its efforts to raise funds to bring another foreign exchange student to Wayne High School next fall.

The Wayne High stage band, under direction of Ron Dalton, will perform during the first part of the evening. The performance will be followed by one featuring fifth and sixth grade band students from the Middle School, directed by Keith Kopperud. Beginning at 6:45, fourth grade students will give a physical education demonstration, under guidance of Don Koenig.

Tickets for the supper, at \$1.50 for adults and 75 cents for children under 10, may be purchased at the door or in advance from AFS committee members Mrs. Kent Hall and Mrs. Max Lundstrom, or by calling Mrs. Rowan Walte at Wayne-Middle School or Mrs. Beulah Atkins at West Elementary School.

Dedication Is Saturday Of New Benthack Hall

Saturday afternoon, Wayne State College will dedicate its new Benthack Hall of Applied Science. The transition from the 1916 vintage Physical Industrial Building to the new facility began during the fall term.

Benthack Hall is named for Dr. Walter Benthack, a Wayne physician who served on the Board of Trustees of the Nebraska State Colleges from 1939 to 1945.

Formal dedication and ribbon-cutting ceremonies will be held at 1:30 p.m. at the west entrance to the building, weather permitting.

Christiansen Construction Co., of Pender, general contractor, will present the keys to a representative of the Board of Trustees, who in turn will present them to Dr. Benthack. The public is also invited to attend the 2-4:30 p.m. open house and visit the child development lab, the automotive workshop, the Rodgers-Warner Lecture Hall, the Huntmer Research Laboratory, classrooms and offices. WSC students will be stationed in all areas to explain courses and equipment.

DR. BENTHACK

The new building has approximately twice the useable space of the building it replaces.

Concluding the afternoon will be a 4:30 p.m. social hour at the Wayne Country Club for WSC home economics and industrial education alumni and other invited guests.

'It's time to defend our beliefs'

Dear Editor: We, and our political "leaders," are praising the merits of détente with Russia and the Communists when we know from bitter experience that those so-called "world saviors" have not once honored a treaty or agreement, written or unwritten, unless we made a show of force. I hate war as much as any man or woman in this country, but there is a limit.

In this year of 1975, we are planning to celebrate our 200th birthday. The 200th birthday of what? A nation of cowards afraid to sneeze for fear of offending the Communists?

Our forefathers and those who followed them were not cowed by some of the greatest powers of the world. Up until the time of WW II, our military consisted of farmers and men and women from the streets of our cities, and we backed down from nobody. We became a great nation because we believed in ourselves and the principles for which we stood.

Every great nation was not destroyed by enemies from without but by politicians seeking power, prestige and wealth and by the apathy of its citizens lulled into a sense of security.

If The Wayne Herald really wants to help celebrate our 200th birthday, I suggest that it print on the front page of each and every issue: the Declaration of Independence and the Communist Manifesto.

Read and compare the two documents and see what you want the future of the United States to be.

In addition, I suggest that from time to time the Herald print: the Pledge of Allegiance, the oath of office for the President of the United States and the oaths of office of the Representatives and Senators.

I believe we have turned the other cheek. It is now time to let the rest of the world know where we stand and that we are through taking their stunts, insults and laughter behind our backs.

It is now time to take stock of ourselves and those we put into office to manage our affairs and protect our nation. Anyone who is an employee of another is expected to give an honest day's work. If our Senators and Congressmen, our President, our governors and representatives are not doing their jobs, it is time to replace them. We, the people, have the votes and therefore the power to do just that.

I'm proud of what our country has been and what it has stood for, but today I am not so sure. What do our leaders want us to do? Will they listen to our arguments, even our pleas? Or are we to twiddle our thumbs while they talk us down the drain?

Think it over. It's your country as well as mine. — Floyd Bracken, who is just as much to blame as anyone.

'Boeckenhauer's comment not true'

Dear Editor: Robert Boeckenhauer's comment in his letter to the editor in the April 3rd issue of The Wayne Herald to the effect that last year about 60 items were removed from the Wayne County Historical Society's museum without knowledge of the board of directors is untrue.

It is down in the minutes of the board's meeting on March 26, 1974 that we asked permission to use the items on display at the program put on by the Wayne Senior Citizens Center and the Wayne Middle School seventh graders.

The motion that some rather large items, such as the display of wrenches and horsebits, be displayed at the program passed unanimously. The members present at that meeting who voted to let us borrow the articles were Wayne Gilliland, Mrs. Clifford Johnson, Mrs. Mathilde Harms, Miss Goldie Leonard and Keith Mosley. The motion also included the note that someone be on duty at the tables at all times.

We did not borrow 60 items, as Mr. Boeckenhauer said. One morning, Dan Johnson (seventh grade social studies teacher), Goldie Leonard, Mathilde Harms and I went to the museum at the Wayne County courthouse to pick out the articles that would fit in with what Mr. Johnson had been teaching the youths. I listed the 26 articles in order, and Mr. Johnson tagged them. I borrowed the butter churn, which was listed among the 26 articles. I washed it and put tape over the cracks so that I could churn the

butter for the homemade bread that we promised to serve the youths at the end of the program.

Mrs. Harms and Miss Leonard went back to the museum with Mr. Johnson and some of his students and checked back in the 26 articles that we had borrowed.

Nothing was taken or broken, and we had capable, responsible senior citizens behind the tables at all times during the program.

The Wayne County Historical Society was given credit in the article in the Herald for letting us display the articles.

We are very much against cliques in any organization; therefore, we have not allowed any to be formed at our center. We have no desire to co-sponsor any event with the Wayne County Historical Society.

If any of the board of directors of the society would like to read the minutes quoted above, they are in your secretary's book. It is up to the society if they will allow their members and the public to read them.—Jociel Bull, director of the Wayne Senior Citizens Center, and members of the center.

(Editor's Note: Mr. Boeckenhauer's letter referred to attempted to explain why the Wayne County Historical Society would not permit any of its antiques to be displayed at the program. It was written in response to an editorial in the Herald which was critical of the society's policy concerning display of those antiques.)

Antique buffs support policy

Dear Editor: Just for the record, the Confusable Collectables, a national antique oriented group, wishes to support the Wayne County Historical Society's policy on loaning irreplaceable antiques. Readers are aware the value of antiques is ever increasing, but their availability de-

creases. The majority of museums across the country enforce a "do not touch" policy.

We, as a group, feel that the Wayne Historical Society is more than generous in loaning valuable, and oftentimes fragile, antiques for society-sponsored events.—Confusable Collectables.

'Renters are being misled'

Dear Editor: I recently paid taxes for my automobile for the current year. It was a pleasant surprise to see that the taxes had been reduced from the previous year. Closer inspection, I also noticed that the year before had a reduction, too, though by a smaller percentage. These respective tax decreases: 1975 from 1974—\$4.76 mills from 100.41; 1974 from 1973—100.41 from 105.95. There two decreases total 11.19 mills.

The decrease in the mill levy is a welcome occurrence in a world of high inflation. It appears that we must be getting some pretty good value in government here in Wayne County.

However, if one does not compare taxes from year to year, one would be led to believe that these taxes are actually increasing.

Last fall I received a letter from the landlord stating that the rent was being increased by X number of dollars, which figured to be as high as 17 per cent.

Here is the kicker, increased property taxes were cited as a reason for the rent increase. It's readily apparent that we

have been misled and are paying for non-existent increased taxes (actually about a 5.5 per cent annual decrease).

In addition, increased interest rates were cited as a reason for the rent increase. It's a fact that the prime rate on interest has just hit a two-year low!

Maintenance was cited as another factor in increasing the rent. Since we mow the lawn and scoop the sidewalk, this shouldn't be a factor to consider in rent increases.

Garbage rates were mentioned as a factor also. These rates may or may not have increased, but it's a fact that there is competition in refuse collection for the first time in memory. So possibly new service or compromised rates would seem not unlikely.

All in all, we've been fed some false information. The facts speak for themselves, and appropriate action should follow by a reduction in rent to correct unjust past increases.

Presently, there are not many places to rent in Wayne, as it's not a large city. But deceiving those with whom one does business can not be justified because of the lack of rental property!—An Informed Tenant.

Terry ends suspense, files suit for seat back

CAPITOL NEWS

LINCOLN—Terry Carpenter has dropped the other shoe, so to speak. The former Scottsbluff senator, has filed with the U.S. District Court in Lincoln a suit designed to show that write-in votes for him were incorrectly rejected and that he ought, after all, to have been returned to the Legislature.

Actually, the long-awaited court action wasn't filed by Carpenter, but by three Scotts Bluff County residents who said they had cast ballots of a type thrown out by Secretary of State Allen Beermann when he recounted the votes in November's 48th Legislative District election.

The three voters, technically, are asking the court to overrule Beermann and rule that their ballots, and all other like theirs, should be tabulated in Carpenter's favor.

That, it is argued, would be enough to give back to Carpenter the seat currently occupied by senator William Nichol of Scottsbluff, declared the winner by 68 votes when Beermann conducted the recount. The original tabulation by county officials had Carpenter the winner.

Carpenter went first to the state courts, but it was ruled in Scotts Bluff County

district court that only the Legislature, under Nebraska's constitution, could decide legislative contests.

But the Legislature, after appointing a special committee to deal with the Carpenter challenge of Nichol's election, voted that it couldn't deal with the contest since Carpenter had failed to file a bond.

The Carpenter case was that the statutes do require a bond and that he hadn't filed it, but that the constitutional duty of the senators was stronger than that statutory provision and that the lawmakers should go ahead anyway.

Not so, decided the Legislature. It voted to toss out the Carpenter challenge on grounds that it couldn't violate its own laws and neither could Carpenter.

The former senator—he had resigned his seat last summer after losing the Democratic lieutenant governor primary—said he would go next to federal court.

But it wasn't until April 2 that he did so.

In the meantime, Nichol has been serving as the senator for the Scotts Bluff County citizens in the 48th District. He and the other defendants—there are

several, including other legislators—have until later this month to file answers to the Carpenter suit.

Carpenter's attorneys claim in their petition that write-in ballots which misspelled Carpenter's name, left out his first name or initial or failed to designate the office to which they wanted him elected should be counted, even though it was Beermann's ruling that Nebraska law disqualifies the votes.

The Carpenter side contends the intent of the voters was clear and that hair-splitting by officials has the effect of denying the citizens who cast the disputed ballots their constitutional right to vote.

Nichol has in the past maintained, and is expected to reassert in the federal court, that the Carpenter campaign forces were involved in some irregularities last fall.

As the apparent winner, however, he hasn't pressed those charges. He indicated during the initial legislative discussions that he would attempt to prove that there was a shadow on the Carpenter candidacy.

There was a third candidate in that race, Ben Wilson of Mitchell. He also is a

defendant in the Carpenter case. Nichol has asked that the attorney general's staff provide him with legal services in the federal court suit. The senator said he had spent thousands of dollars already defending himself and his election against Carpenter challenges.

Winter's Fling

The calendar notwithstanding, western Nebraska became a snow disaster area last week. The reason was clear to anyone in the vicinity as one blizzard after another wracked the area.

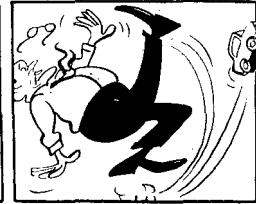

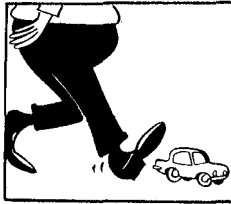

Governor J.J. Exon, declaring a disaster, activated two Nebraska National Guard units to provide assistance to the victims.

Human misery—and there was plenty of that—was compounded by the problems facing ranchers. The storm hit in the height of the calving season and losses were expected to be huge.

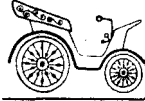

The state's role, in addition to providing guard helicopters to transport feed to stranded stock and make rescues of motorists, included supplementing county budgets with emergency funds to lease road clearing equipment.

OBSERVATIONS

Wildlife needs a break

Concerned county commissioners and farmers in Northeast Nebraska could have a tremendous impact on helping declining populations of wildlife through proper roadside management practices.

That's the word being sent out by Clayton Stalling, wildlife manager for the Nebraska Game and Parks Commission.

He says that one of the primary nesting areas used by pheasants and quail is roadside ditches, especially now that there is increased demand on farm land for the production of cash crops. Over 25 per cent of Nebraska pheasant chicks are hatched in roadside cover, he notes.

County commissioners and farmers can greatly help pheasants and quail by mowing only one swath on the roadside ditch. In addition to helping the birds who are nesting in the cover, that practice will save the county and farmer considerable mowing costs.

The state roads department has been

cooperating with the state game commission for several years in leaving roadside cover along the interstate highway and along the state highways. According to Stalling, visitors from other states have commented many times about the beauty of seeing the tall, uncut grass blowing in the wind.

County-controlled roadside represents an even greater potential for increasing the nesting cover for wildlife, says Stalling, because of the greater amount of right-of-way involved and the slower traffic which rural roads carry.

We hope farmers and county commissioners and supervisors in the Wayne area heed what Stalling has to say about trying to improve wildlife cover along our county roads. If they do, we might see pheasants, quail and other wildlife make a comeback in the area.—Norvin Hansen.

Thoughts for today

THURSDAY — Angels fell in Heaven, Adam in paradise, Peter is Christ's presence. I Corinthians 10:12: Let him that thinketh he standeth take heed lest he fall.

FRIDAY — Ask yourself if any habit that belongs to your own personal life, and bring it face to face with Jesus Christ. Hebrews 12: Let us lay aside every weight and the sin which doth so easily beset us.

SATURDAY — Did you lose Christ by neglecting the Scriptures? Solomon 3:1; I sought Him but I found Him not.

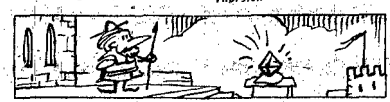

SUNDAY — The eagle that soars in the upper air does not worry itself as to how to cross rivers. Isaiah 40:31: They that wait upon the Lord shall renew their strength.

MONDAY — Thou hast a duty to thy God; for His breath is in thee. Genesis 2:7: The Lord God formed man out of the dust of the ground and breathed into his nostrils the breath of life.

TUESDAY — Seek your life's nourishment in your life's work. John 4:34: My meat is to do the will of Him that sent me.

WEDNESDAY — A visiting minister remarked at the beginning of his sermon that he felt right at home with them. "I saw all those empty seats up front, I felt the gum under my chair, and when I saw the size of the offering, I knew I was among friends. You surely are my people."

Adamant was originally coined by the ancients from the Greek words a meaning "not" and damas meaning "tame" to describe a mineral of incomparable hardness. Diamond, which qualifies as a mineral of incomparable hardness, being the hardest of gems, comes from the same root!

Soderberg, Domsch Are 'Stater' Picks

Wakefield's choices to attend Boys State and Girls State in Lincoln this June have been announced by sponsoring organizations.

Named by the American Legion to attend Boys State was Mike Soderberg, son of Mr. and Mrs. Charles Soderberg.

Debra Domsch, daughter of Mr. and Mrs. William Domsch, has been chosen by the American Legion Auxiliary to take part in Girls State.

Alternates selected to attend in case the two are unable to take part were Steve Greve, son of Mr. and Mrs. Henry Greve Jr. and Lori Magnuson, daughter of Mrs. Sylvia Magnuson.

All four youths are juniors at Wakefield High School.

Debra participates in Pep Club and Girls Glee and serves as assistant editor for annual staff and treasurer of the National Honor Society. She is a member of St. John's Lutheran Church where she sings in choir and is zone secretary for the Waltham League. She is a member of the Dixota Wranglers Saddle Club and is in her eighth year as a 4-H member, serving as vice president of the Pop's Partners 4-H Club.

Mike has participated in football, basketball and baseball and attended basketball schools at Doane College in Crete and Hastings College. He served as class president in his sophomore year and is a member of the W Club and Wakefield Salem Lutheran Church.

Alternates Lori Magnuson and Steve Greve also participate in several activities at Wakefield High School. Both are members of the Salem Lutheran Church.

NU Expert: Cut Down On Plant Population

One of the knotty problems facing Nebraska crop producers this spring is the amount of seed to plant to achieve a particular plant population (number of plants per acre) to hedge against a possible recurrence of the 1974 drought.

Dr. Don Sander, University of Nebraska-Lincoln extension agronomist, says in general plant populations should be reduced in 1975, perhaps on both irrigated and dryland under certain conditions—if soil moisture outlook is poor. (His comments were made during the recent unseasonably heavy snows, and the effect of snow melt on

surface moisture and perhaps subsoil moisture in some cases cannot yet be gauged.)

Dr. Sander's analysis is directed at corn and sorghum producers as follows:

Last year many corn and sorghum growers observed the great effect plant population can have on grain yields in a hot, dry year. In some instances, the difference was 40 or 50 bushels per acre compared to none. It is known that high plant populations did not require much more water than low populations. However, during extreme heat and drought stress that occurred during 1974, small

differences in water requirement can make substantial yield differences. In 1974 the yield difference was often due to a lack of pollination caused by stress.

As long as the subsoil moisture outlook is poor, plant populations should be reduced for 1975. This may be true for some irrigators as well as dryland producers.

Most hybrids will produce maximum yields at well over 20,000 plants per acre. However, 80 bushels of grain per acre can easily be produced with only 8,000 corn plants per acre or only 15,000 20,000 sorghum plants per acre (one to two pounds seed per acre). These low populations greatly reduce the risk of crop failure due to drought yet provide reasonable dryland yields if precipitation is plentiful.

Be sure and select hybrids carefully. Select hybrids that have a proven track record and that can produce a second ear if conditions permit.

When planting reduced populations, actual planting procedures are more critical or re-planting may be necessary. While seed probably should be placed in moist soil, don't plant too deep. Deep planting (over 1 1/2 inches for corn and one inch for sorghum), delays emergence and increases the chance of

crusting with resulting poor stands. With low planting rates a producer cannot afford to lose many plants.

"While these suggestions apply primarily to dryland producers, irrigators who may be short of water or lack good water control might also profit by reducing plant populations slightly from previous years," Sander said.

Confinement of Sows

It probably isn't necessary to turn lactating sows out of farrowing crates for feeding and exercise as many producers have thought at least for the first three weeks. Costs are about equal regardless of whether they are fed and watered in the crate or not.

Research has indicated that turning sows out twice daily required one-half more labor, but less investment per sow capacity than when sows are fed in crates during the 21 day period. Total costs are about the same either way. Slatted floors reduce daily cleaning when sows are confined and not turned out. When sows are constantly con-

fined, some animals may need individual attention and exercise if problems such as constipation develop. Don't be in too much of a hurry to put sows back into crates after you feed and water them in outside pens.

A sow consumes about four pounds of water for every pound of feed eaten. That means if a lactating sow consumes 10 pounds of ration per day she will drink about 35 to 40 pounds of water, nearly five gallons. If a sow is limited in time to drink, her milk production will be reduced.

Plan To Give Lawns Care
When the snow melts and lawns become dry enough to walk on, it's a good time to inspect for damage and disease.

As soon as the soil dries and becomes firm enough to walk on, cut the lawn at 1 1/2 inches, collecting the clippings and debris. Subsequent mowings for cool season grasses should be at two inches until June 1, then raise the mower to three inches for the remainder of the summer.

Dead, matted areas can be the result of the past winter, but they might also indicate poor drainage, soil compaction, thatch, lack of fertility, or a poor choice of grasses. It would be a mistake to reseed these areas until you diagnose the cause of the lawn problem.

Farm Bureau Spring Meet Is April 26

Tickets are available for the Wayne County Farm Bureau's spring meeting scheduled for Saturday, April 26, at the Birch Room in the Student Center at Wayne State College.

The dinner will begin at 7 p.m. Tickets, at \$3.50 each, are available at the Farm Bureau office in Wayne or from any board member.

Guest speaker for the evening will be Clare Porter, a founder and now president of Agricultural Builders of Nebraska, an organization dedicated to the improvement of agricultural industry in the state.

Porter received his bachelor's and master's degrees in agronomy from Kansas State Agricultural Extension Service. He later worked on the agronomy staff at Kansas State University and then at the University of Nebraska as secretary-manager of the Nebraska Crop Improvement Association.

A member of the Dean of Agriculture Advisory Council, Porter has received numerous awards for his service to agriculture, including election to the Nebraska Hall of Agricultural Achievement in 1969.

The banquet, open to the public, will include an appearance by the Wayne High School stage band.

County Officials

Plan For NE Group's Meet

Several Wayne County officials are expected to attend Friday's meeting of the Northeast Nebraska Association of County Officials at Norfolk.

The all-day meeting will include election of officers for the coming year. Currently serving as president of the 24-county organization is Floyd Burt of Winslow. Wayne County commissioner from the third district.

Ten state senators are expected to attend the meeting to discuss activities of the Legislature with the county officials.

'Poor Farm Prices Hike Unemployment'

Low cattle prices and declining prices for farm products affect big-city employment around the country, a Stanton County cattle feeder told Wayne Kiwanians Monday.

M. J. Hankins, who fed about 6,000 cattle a year before the current market slump, said, "For every dollar the farmer makes, it turns out to be \$7 in the cross national product."

The current leap in beef prices has caused the cattle feeder to suffer heavy losses.

Cattle, Metteer Tops

Brian Cattle and R. J. Metteer won their divisions in Cub Scout Pack 175's pinewood derby race Friday at West Elementary School.

Cattle took first in the 175 mile per hour division and Metteer finished first in the 150 mph class. Second and third-place finishers included Blaine Johs and Jay Rebensdorf in 175 mph, and Rod Luff and Rodney Porter in 150 mph.

Twenty-one Scouts participated in the race.

resulting in a reduction of farm spending and a dip in the U.S. economy, Hankins said.

Reasons for the decline in prices paid the feeder include unfair packer buying practices, chain store price manipulation, racketeering in the beef industry.

ry, excessive importing and lack of law enforcement, according to Hankins.

"This is a serious disease," Hankins said about the condition of the cattle industry. "I'm afraid the disease is about to become terminal." He warned that it could result in "market manipulation," where anyone can manipulate the market except the feeder and farmer.

Packers are forcing feeders to sell on consignment, thereby eliminating competition, Hankins said, and federal courts have proven that chain stores are manipulating prices.

An example of racketeering in the beef industry was seen last year when a beef company had to pay organized crime to sell beef in the East. Hankins went on.

Hankins said he would like to see anti-trust laws used to break up chain store pricing. "But legislators aren't doing anything in Congress."

Hankins believes that returning to the free enterprise system of supply and demand would help all evade the price slump.

Tickets Selling Quickly For Livestock Feeders' Banquet Saturday Night

Demand for tickets to the Northeast Nebraska Livestock Feeders Association's annual banquet is running high again this year, according to association directors.

The banquet is scheduled for 8 p.m. Saturday at the Wayne State College Student Center.

A social hour will be held at the Wayne fire hall beginning at 6:30 p.m.

Guest speaker for the event is Dr. LaVern Freeh of the University of Minnesota. Dr. Freeh is head of the Office of Special Programs, assistant director of the Agricultural Extension Service and special assistant to the deputy vice president and dean of the Institute of Agriculture, Forestry and Home Economics.

"Humor Helps Us Handle It" is the title of his talk.

A highlight of the program will be the presentation of the Stockman Award. Willis Meyer, farmer-feeder from Wayne County, was last year's award winner.

Gene Williams, farm director of WNAX Radio at Yankton, will serve as toastmaster for the evening.

This year ticket sales are being limited to a total of 500 persons; the capacity of the Student Center dining room.

Tickets may be purchased

4-H Project Meeting Is Scheduled Monday

Wayne County 4-H leaders and junior leaders are invited to project meeting Monday evening at 7:30 in the Wayne County courthouse, reports county agent Don Spitze.

Spitze said that all 4-H Clubs in the county, regardless of whether they are home economics or agricultural, should have at least one leader and one junior leader attend the meeting.

Discussed during the evening will be the "Do Your Own Thing" project and the junior leader project. Present to discuss the two projects will be Spitze and Linda Sander, area home economist from the Northeast Station near Concord.

Ikes to Discuss Applicants for National Confab

Members of the Izaak Walton League in Wayne Monday night are expected to discuss applications from youths who wish to attend the environmental action conference for youths scheduled during the League's national convention in Des Moines July 10-12.

Several students from Wayne High School wish to attend the conference, titled Exploring the Scene by Young Americans, according to club secretary-treasurer Norris Weible.

Also expected to be discussed at the local club's meeting, scheduled for 7:30 at the club's lake northwest of Wayne if weather permits, is planting of trees and shrubs on three of the four mile intersections surrounding the lake. The cover would be planted to help provide protection to wildlife, according to Weible.

The trees and shrubs have been ordered, Weible said, and other plantings will be taken from the Dick Baier grove east of the lake.

'Bucks' Prize Starts Climb Once Again

Wayne's Birthday Bucks prize is on its way upward again, the result of the grand prize going unclaimed in last week's drawing.

Mrs. Glayds Phillips of Wayne won last week's \$25 consolation prize when she turned out to be the person with a birthday closest to the date drawn at random and announced Thursday evening in all participating businesses.

Her birthday of June 24, 1901 was only a few weeks away from the winning date of July 15, 1901. She was at Busy Bee Furniture when the winning date was announced.

Since the top prize went unclaimed last week, the drawing will be worth \$325 tonight (Thursday) at 8:15 if it goes unclaimed again this week, another \$25 consolation prize will be awarded and the top prize will be worth \$350 next week.

All area residents are eligible to participate in the weekly drawings. No purchase and no registration are required, but a person must be in one of the sponsoring businesses when the winning date is announced in order to win either the grand prize or the consolation prize.

Lutheran Circles Meet

By Mrs. Art Johnson 584-2495

Lutheran Church-Women Groups met Thursday. Work projects, articles for rest homes, and Lutheran World Relief quilts, childrens clothes, baby clothes or layettes are being collected.

The groups were reminded of the Northeast District Assembly at St. Mark's Church, Bloomfield, on April 11. Each should bring a quilt block 6 x 4 inches with name in center and also a pantry item. April 17 will be family night with a special speaker.

Mary Circle met with Mrs. Art Anderson as hostess. Ten members were present. Mrs. Esther Peterson was Bible study leader and will be the May 15 hostess.

Ruth Circle met in the Richard Kraemer home with Mrs. Ted Johnson hostess. Eleven members were present and Mrs. Kenneth Olson was study leader. A co-op lunch will be held at the May meeting.

Mrs. Roy Pearson hosted Naomi Circle with 13 members present. Mrs. George Anderson was study leader. Mrs. Pat Erwin will be the May hostess.

Seven members were present at Mariha Circle hosted by Mrs. Evert Johnson. Study leader was Mrs. Winton Wallin. The May hostess will be Mrs. Fred Oppegard.

Annual Supper
Dixon County Extension board, past and present mem-

bers and their spouses attended the annual supper Saturday at the Village Cafe, Allen, with about 30 attending.

Past board members Darrell Curry, Newcastle, Lloyd Roebber, Wakefield and Mrs. Marlen Johnson, Concord, were given certificates of recognition. Connie Sachau, Imperial, showed pictures and told of their three weeks in Japan.

Attends Work Shop
Mrs. Marlen Johnson represented Concordia Lutheran Church Sunday school teachers at a workshop for Vacation Bible School, held Saturday at St. Paul's Lutheran Church, Wayne, from 10 to 5 p.m. The VBS theme is "Followers of Jesus."

Allen Planning Career Ed Fair

Allen's elementary school will hold a banquet and career education fair April 25 at the high school auditorium. No time has been set for the event.

Elementary students will present some of their projects created through the school's new career education program following the dinner, said superintendent Gail Miller.

The dinner will be co-sponsored by the school's career education program and parents of elementary students, Miller said.

Concordia Lutheran Church in Concord will have Bible school the first week in June.

Tuesday Is Deadline For Some Taxpayers

People under 72 who earned over \$2,400 and got one or more monthly social security retirement, dependent or survivors checks in 1974 must submit an annual report of their earnings to social security by April 15, according to Dale Branch, social security district manager in Norfolk.

The report shows how much was earned in wages and self-employment income last year by people who got monthly social security payments, as well as how much they expect to earn this year.

The report will be used to determine if people were paid the correct amount of social security benefits for 1974. It will also be used to adjust their monthly 1975 social security

payments, as well as how much they expect to earn this year.

payments according to their estimated earnings, according to Branch.

Full social security benefits could be paid to eligible people in 1974 if they earned \$2,400 or less for the year. But no matter how much they earned for the year, they could be paid their full social security benefits for

any month they earned \$200 or less and didn't do substantial work in their own business.

Branch said. The figures for 1975 are \$2,520 for the year and \$210 a month.

"People who file an annual report late or don't file one that's due may suffer a penalty," Branch said.

Future Writers, Producers, Directors?

SIXTH GRADE students in Marie Skokan's reading class at Wayne Middle School act out play written, produced and directed by themselves as a highlight to one of their class projects. Student Cheri Mahen, left, quizzes some of the dressed up actors in one of the scenes from "The Glorious

Conspiracy," based on a book by the same name which dealt with the time of the Industrial Revolution. The youngsters performed their play last week on the school's small stage.

ADJUSTABLE TO ANY SIZE SOW

Farro-Crate will hold a 200 lb gilt or a 700 lb sow. No need to
fasten to building or floor. Opening at base for baby pigs is ad-
justable. It is recommended that a 1" x 6" or 1" x 8" board be
used to keep sow well forward of the rear gate during the
actual farrowing. Remove the board after farrowing.

COLLAPSIBLE FOR EASY STORAGE

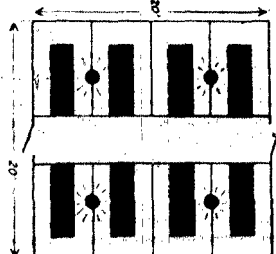

Here's a Farro-Crate folded for simple storage by merely removing
the base and two top bar braces. Can be hung on wall or stored
out of the way when not in actual farrowing use.

SELF-LOCKING GATE MECHANISM

The easy "latch-up" latch on each
Farro-Crate is a permanent part of the
gate. Can't be lost. The gate is easy
to open and remove, yet it cannot be
opened by the sow.

MORE SOWS IN LESS SPACE

"Farro-Crates" can be ar-
ranged in series to fit al-
most any size farrowing
house, such as the 20 x
20 house (with 8 crates)
illustrated at left. You
can farrow more sows in
the same space than be-
fore and you can save
50% in heat lamp cost
and current by using one
lamp for two litters.
Farro-Crates eliminate the
need for wooden pens.

**BE READY FOR
FARROWING**

**WITH
CASWELL
FARRO-CRATES**

All-Steel Caswell Farro-
Crates last a lifetime.
Better, more sanitary
and more economical
than lumber. Farro-
Crates are easily disin-
fected and have high
resale value. Eliminate
80% of cleaning time
because sow learns
to "housebreak" her-
self when allowed out
for feed, water and ex-
ercise. Here's the orig-
inal farrowing stall
the one and only
Farro-Crate. Insist on it!

Manufactured under one
or more of the following:
Reissue Patent No. 24054; Patent
Pending, Trade Mark (Farro-Crates)

SPECIFICATIONS

- All steel welded construction. Frame consists of ¾" welded steel rods and high strength structural tube. Base is 7" x 1 3/8" angle to hold wood floor. (Flooring not furnished.)
- Available in single units, or in series.
- 42 3/4" high, 26" wide, 6 6" long.
- Adjustable 8" to 11" opening above base for baby pigs.
- Weight, approx. 100 lbs.; series unit approx. 120 lbs.
- Collapsible for quick, easy storage.
- Painted aluminum and trimmed in red.
- Gate has self-locking permanent mechanism.
- Guaranteed against faulty workmanship and materials.

THERE ARE 2 WAYS TO SELL REAL ESTATE:

1

Hire a real estate market analyst to tell you what your property is worth.

Write letters to every owner and tenant in your community.
[Don't forget to enclose photographs.]

Find Out who are now renting their property. Start ringing door bells.

Hire a sky-writer to spread the word.

Go to night school to master the intricacies of the real estate business.

Be Prepared to help buyer finance the purchase of your property.

Then if you find a buyer, hire a lawyer to draw up the papers.

OR 2

Simply turn the whole problem over to a Realtor. He knows
who your best prospects are.

Good cow milking depends on an adequate
vacuum supply. An undersized or worn-out
vacuum pump reduces your profits.

That's why we want to help you get
all the milk your cows can produce.

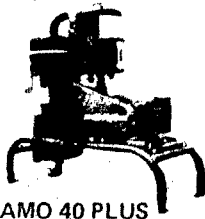

Call your Surge dealer right now . . .
ask him to check your vacuum system's
performance.

Ask about
**A DOLLAR
PER C.F.M.**

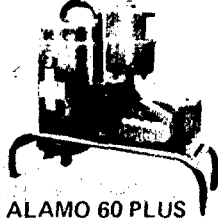

If your vacuum pump needs replacement, he will
recommend the right model for your dairy.
Then ask him how you can qualify to get
ONE DOLLAR PER CFM from Babson Bros. Co.
Don't wait, this special offer ends May 11, 1975.

GOODYEAR'S NATION-WIDE FIELD HAZARD ADJUSTMENT POLICY - FARM TIRES

In addition to coverage for workmanship and material related conditions as outlined in Goodyear's Manufacturer's Tire Adjustment Policy, all Goodyear Super Torque, Power Torque, Traction Torque, Sure Torque and Special Sure Grip rear tractor tires, except those branded or stamped "NA" (not adjustable), which during their original tread life become unserviceable due to field hazard damage, will be covered under this policy, excluding such damage resulting from fire, wreck, mechanical defects, under-inflation, broken or knicked beads, or nail punctures.

At our option, we will repair at no charge a tire adjustable under this policy, or replace it with a new Goodyear tire of comparable grade and size, computed on Goodyear's printed "Predetermined Price for Adjustment" current at the time of adjustment, which price will fairly represent the actual retail selling price of the comparable tire at the time of adjustment, as follows: 25% Charge - with 75% or more tread remaining and in first 24 months of tire service; 50% Charge - with 50% or more tread remaining and in first 36 months of tire service; 75% Charge - with 25% or more tread remaining and in first 48 months of tire service.

Applicable taxes and dealer services are additional. This policy does not in any way extend to consequential damage resulting from either workmanship or material related conditions or field hazard damage.

Coverage by this policy extends only to tires in agriculture use, excluding logging, industrial and pulling contest usage.

No representative or dealer has authority to make any representational program or agreement except as stated herein. This Adjustment Policy is not to be considered a guarantee or warranty because any tire may fail in service or otherwise become unserviceable due to conditions beyond the control of the manufacturer, such as mechanical condition of the vehicle, improper tire maintenance, field conditions, etc.

This is our bag

not meat or meat substitutes

Some feed companies spill over into other areas — such as raising meat animals, or more recently, making meat substitutes.

Neither of these endeavors is illegal, but both put the feed manufacturer into direct competition with his customers at the supermarket.

That's why we at The O A Cooper Company have stuck to the business of making quality feed. We believe there's something unfair about making money selling feed on the one hand, then competing against these same customers by producing real meat or meat substitutes. Evidently, many farmers, feeders and ranchers agree, because sales of Cooper Feed have increased steadily.

A National Posture Week message presented in the public interest by:

THINK STRAIGHT AND FEEL GREAT

Posture is an acquired habit. When you are conscious of how you're standing... when you think straight... your posture is bound to improve. And good posture does as much for your health as it does for your appearance. When you do nice things for your body, it does nice things for you. Think straight.

TO KEEP THEM STANDING STRAIGHT MAKE THESE SIMPLE POSTURE CHECKS

1 SHOULDER CHECK

Have a child stand straight. Both shoulders should be level. One shoulder high is an indication of problems.

2 HEM CHECK

Check a daughter's skirt hem to see if it hangs crooked... or if every time a skirt is checked has to be altered on just one side.

3 BENDING CHECK

Have a child bend straight forward from the waist, head level with the back and arms hanging relaxed to the floor. Check on either side of the spine to see if the muscles "bunch" up (one sign of scoliosis - curvature of the spine).

4 SHOE CHECK

Children wear out shoes in a hurry. This is expected. But if one shoe wears out well ahead of the other - especially if the wear is centered on the edge of the shoe - the possibility of spinal problems exists.

If any of these problems are present, a professional examination is recommended.

Different-You Bet!

NC+ IS A FARMER-OWNED SEED COMPANY

Being a farmer-owned production-sales organization makes NC+ different from most seed companies. We understand your problems because we are farmer-oriented from seed production through sales, by farmer dealers and retailers.

Each year more farmers are also learning that NC+ means early seedling vigor, fast growth, standability and yield. In corn, sorghum, or forage hybrids, these characteristics add up to **All Around Performance**—the real Difference in NC+ Hybrids.

EQUAL OPPORTUNITY EMPLOYER

TAKE A NEW LOOK AT THE OLD WAY OF FARMING.

Protein costs are going up causing pressure on livestock feeding profits. That's why greater emphasis is being placed on the feeding versatility and protein value of alfalfa.

By selecting a Sexauer Alfalfa for your specific growing conditions and following sound management practices, you'll gain increased alfalfa quality and tonnage. Sexauer Alfalfas start off fast in the spring, recover fast after each cutting and have large leaves with finer stems for higher protein value. And high quality protein alfalfa reduces the need for added protein supplements to feed. This means greater profits for your feeding operation.

The only additional work in planting Sexauer Alfalfas is harvesting the increased yields!

And the little extra you'll pay for the Sexauer Brands will be returned to you in increased yields over the common varieties of alfalfa.

This spring plant the protein producers... Sexauer Alfalfas.

TIMES ARE ROUGH

*But That Doesn't Alter The Fact
That You Need A New Home, Does It?*

If inflation seems to have pushed that new home from your future, maybe it's time you took the matter into your own hands.

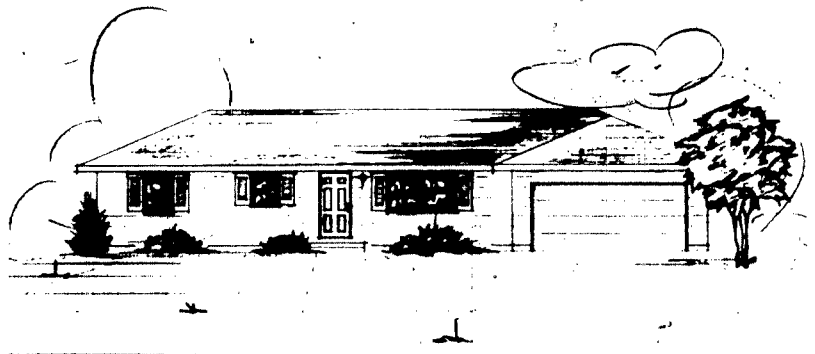

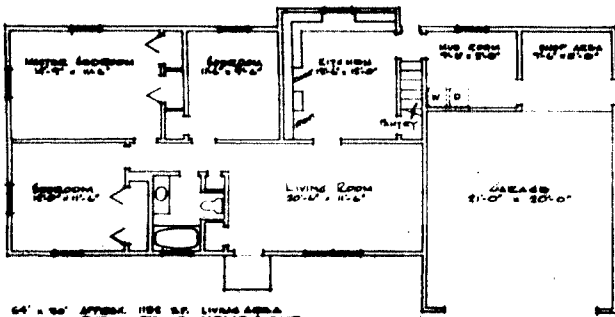

You've read all the ads by CAPP, WAUSAU, PRESIDENT, U.S. HOMES and others telling you how you can save THOUSANDS OF DOLLARS building your new home. . . .

WELL, IT'S TRUE!

What they are talking about is the "shell house" concept. But there is no need for you to deal with a company from Minnesota, Illinois or Iowa. When it comes to housing in this area, Allied Lumber & Supply together with Vakoc Construction Co. will give you a better deal:

Here's a plan we offer for:

\$12,500

PRICE INCLUDES home enclosed by our carpenters plus finishing materials for your installation (including sheetrock, insulation, doors, trim, tile and carpet)

Let our carpenters erect your home according to the plan of your choice. They will securely enclose the home. YOU are the general contractor. YOU hire skilled sub-contractors to do the finishing work (and keep the middleman's profits yourself) or do as much as you want yourself and save even MORE!

— ALSO AVAILABLE —

- Custom Plan Service
- Optional Electrical, Plumbing, Heating-Air Conditioning and Cabinet packages
