WSC Registrations Show An Increase

Registration for Wayne State's fall term is headed for an increase over last year, with additional students yet to enroll, Mrs. Virginia Wright, registrar, said Saturday.

Enrollment for regular students in day courses remains open through Wednesday. For persons taking only evening courses, registration is possible up to the second meeting of the once-a-week classes.

Registration offices will be open until 6:30 p.m. Monday, Tuesday and Wednesday this week for those enrolling in night classes. They should arrive in Main Administration Building by 6 p.m. or earlier in order to complete the sign-up.

The following week, however, persons enrolling in night classes must visit the registrar's office before 5 p.m.

Enrollment at the end of the first week of school went slightly over the final total of a year ago, Mrs. Wright said, and additional registrations in night courses will boost the figure.

Beyond that, continuing education courses through the fall term will further elevate student numbers.

Evening courses now total 47, with recent addition of two in business. They are accounting I, Tuesday and real estate law Thursday, both beginning at 6:30, like all night classes.

Several courses have been changed to different nights than originally scheduled: U.S. history to 1877, now Tuesday, this one at Schuyler High School; and two in physical education, community recreation, now Wednesday, and mechanical analysis of motor skills, Monday.

The evening curriculum also offers these subjects with nights abbreviated M, T, W, Th: Biology — Topics in human genetics, M; Business — principles of real estate, T; investments, M.

Communication arts — introduction of cinematography, W; Counselor education — Fundamentals of guidance, W; theory and technique of counseling, T; Earth science — astronomy, T, Th.

Economics — Economics of social problems, M; Education — The economics of reading, W; special methods for language, W; independent directed teaching, M; teaching science and math, Th; advanced children's literature, M; staff student personnel administration, see REGISTRATIONS, page 5

New Science Class Stresses Learning Through Experience

When eighth grade students in the Wayne Middle school reported for science class last week, they found a new experience waiting.

Teacher Earl Tooker doesn't lecture and he doesn't do science demonstrations for students. Instead, he supervises students as they undertake experiments on their own.

Students have conducted experiments before, but the new approach, called process teaching, is based on the premise of students learning by doing.

Curriculum is divided into four areas, called modules, dealing with the physical sciences including hydraulics, mechanics and electricity.

The youngsters must complete some basic requirements in the class but each module has numerous optional experiments, called excursions, that students can try.

Actual experimentation was only its second day Friday but students were already winding armatures on electric motors, charging wet cells which they built themselves, and constructing hydraulic brake systems by connecting two plastic syringes with surgical tubing and filling the system with water.

Although each student will eventually work with each module, students in the same class period work on different modules. Also students working in the same area won't necessarily be at the same place at the same time because the course is geared to let students work at their own speed.

A self-evaluation test is provided at the end of each chapter and the "experimenter" isn't satisfied with the results he or she can try optional experiments to gain more knowledge of the subject. When students are satisfied with their understanding of the subject, they take a teacher-prepared test.

The process approach to teaching was developed within the last three or four years,

New Hospital Room Rate Is \$45 Per Day

The rate of a room in the newly opened Providence Medical Center in Wayne has been set at \$45 a day, according to hospital administrator Charles Thomas.

Thomas said only private rooms are available at the hospital and that the \$45 figure is the only room rate. The rate was set by the hospital board of governors.

Rates at the new closed Wayne Municipal hospital were \$30 a day for a private room and \$28 for a semi-private room, said Mrs. Jim Thomas, who was administrator there.

Rates for other services at Providence Medical Center will be about the same as at the old hospital, Thomas said.

City Agenda Lists Seven Ordinances

Wayne city council members will consider seven ordinances, and hear discussion on several, other matters at their meeting tomorrow night beginning at 7:30 in the city auditorium meeting room.

Second readings are scheduled for three companion ordinances which would set deadlines for payment of electric, water and sewer bills, respectively, and would mandate action for delinquent payments.

Also scheduled for second reading is ordinance 823, providing for the creation of a downtown improvement taxation district.

Friday Is Final Day To Register

Voters who need to register for the Sept. 23 special election in Wayne on liquor by the drink have until Friday to do so, reminds county clerk Norris Weible.

Weible said eligible voters who have moved to a different ward or who haven't registered before must register before the deadline in order to vote.

FRIDAY GRID RESULTS:

Under Investigation

Wayne police are investigating an attempted theft of a CB radio and air compressor about 9:30 p.m. Friday from a car owned by Ronald Krause of Dakota City.

According to police reports, Krause's car was parked at a Wayne State College parking lot near Rice Auditorium when a passerby noticed two men taking the articles from the car. After a foot chase, the two got away.

Diploma Is Goal Of Adult Class

Anyone wishing to complete requirements for a high school diploma can register Sept. 15 for the adult basic education course to be offered this year in Wayne.

Instructor will be Mr. Leota Moller, who retired this fall after a 19-year teaching career which included heading the English department of Wayne-Carroll High School for the past 10 years.

Mrs. Moller said there is no charge for the course and students can either preregister by calling her at 375-1931 or can sign up at the first meeting, Sept. 15 at 7 p.m. in room 202 of Wayne High.

Classes will meet weekly on Monday nights from 7 to 9 p.m. Subjects covered will include language, arithmetic, social studies and science. There is no entrance level requirement, Mrs. Moller said.

"It is a good opportunity for anyone who needs a high school diploma for a job or for their own satisfaction."

The course will end in May. Students will work at their own pace and may take the high school diploma certification test whenever they feel they are ready. The course continues year-to-year and students who do not feel they are ready for testing after one year of study are welcome to continue their studies the following year.

Ready for '75 Grid Season

LEADING Wayne High's pep club this year are seniors, from left, Becky Allen, Dawn Davis, Diana Atkins, Kathy Dranselka and Jennifer Johnson. All five cheered on the Blue Devils to a victory Friday night at the home team sweep Sioux Falls City, missing from the yell squad is team mascot Lisa Nuss.

Retail Activity Was Down In First Quarter of 1975

Net taxable retail sales in Wayne County fell slightly during the first quarter of 1975, compared to the same period in 1974, according to a report issued by the University of Nebraska-Lincoln Bureau of Business Research.

The dollar volume during the first quarter of 1975 was \$5,075,000 — 93.9 per cent of the \$5,403,000 for the same period in 1974.

At the same time, retail commodity prices had increased 10.9 percentage points, so the decline in real or physical volume of goods sold was greater than the dollar amount indicates.

Dixon County fared slightly better. The 1975 first quarter total of \$2,430,000 amounts to 97.3 per cent of the 1974 figure of \$2,497,000.

Overall, Nebraska taxable retail sales increased 1.3 per cent in dollar amount, not enough to compensate for the higher prices and therefore representing a decline in physical volume sold.

Of the state's 26 planning and development regions, 11 had year to year first quarter dollar volume increases that exceeded the 1.3 per cent increase of the state as a whole but none exceeded the 10.9 per cent increase in commodity price level.

Damage Moderate In One-Car Mishap

Mrs. Ruth J. Fuoss of Wayne and her four-year old daughter, Tamara, were treated and released Thursday afternoon at Benhack Clinic following a one-car accident.

According to the Wayne County sheriff's office, Mrs. Fuoss was driving west of Wayne on highway 35 when she hit a rain slick spot and lost control of the automobile.

The Fuoss car went into the ditch on the north side of the road and the left front side of the vehicle struck the east end of a culvert. The mishap occurred about 47 miles east of Wayne.

Mrs. Fuoss was treated for bruises to her left leg and the left side of her rib cage. Tamara was treated for a cut mouth.

Damage to the left front and rear quarters of the automobile was termed moderate.

Wayne High 1975 AFS Student Plans Foreign Service Career

By JIM STRAYER
Alain Guillot-Pinque believes his year-long stay in the United States should be good experience if he achieves his goal of eventually entering the foreign service department of Belgium.

The 17-year old Belgian, his full name is Alain Robert Francois Chislain Guillot-Pinque, arrived in Nebraska two weeks ago after a 30-hour bus ride from New York City and was met by his American hosts, the Dvaine Rethwisch family of rural Wayne.

The 1975 American Field Service exchange student to Wayne-Carroll High School, Alain began studies there with his classmates on opening day, Tuesday.

A graduate of Belgium secondary school, Guillot-Pinque plans to enter the university in his hometown of Liege upon his return. He will study political science and international relations and wants to receive a basic background in law, although he has no intention of being an attorney.

Instead, Alain hopes to enter Belgium's foreign service department and be assigned to an embassy. He said he was probably influenced in that direction by

an uncle who is presently assigned as a specialist in economic relations with the Belgium embassy in the Soviet Union. In addition to international relations, Guillot-Pinque said he may eventually become involved in domestic politics.

Liege, a city of about 100,000, is located in an industrial region of Belgium which produces large amounts of iron. The energy crisis has pinched the economy there somewhat, Alain said, because of rising prices of coal, necessary to iron production.

In addition to iron and other semi-finished products, the region also produces glass and crystal, most notably at Val-St. Lambert. The state-owned Fabrique-Nationale weapons industry is also located in the region.

Alain's father is a fighter pilot in the Belgian Air Force with the rank of major. During his 26-year career he has flown a number of aircraft, progressing from the old British-built Spitfire propeller fighter to the present French Mirage jet.

Alain enjoys building model aircraft and one of his first projects after settling in with the Rethwisch family was to build

his American "father" a replica of a Spitfire I.

The Belgian school system is divided into six years of elementary and six years of secondary classes. Many students don't go to secondary school, Alain said, but enter vocational school or go to work.

Obligatory secondary courses include math, religion or morals, sports, science, history and social studies. French and a second language.

French is spoken by a little over half of Belgium's population, Alain said, with the sizeable Flemish minority speaking Dutch.

The first two years of secondary schools are devoted to general studies so students can decide what their area of specialization will be.

During the next two years, intensive studies in the specialty are started and if the student is satisfied, are continued through the remaining two years. Students who become dissatisfied with their original selection can switch to another field during their last two years.

Guillot-Pinque specialized in Latin language and studied Latin, Dutch, English and German in addition to his native French.

Alain feels his skills in language should open many fields to him and will hopefully be beneficial to a foreign service career.

Several factors influenced Alain to apply for the AFS program. His father was stationed at Ft. Bliss, Tex., for a six-month period and last year, an American AFS student from the Buffalo area of New York state stayed with the Guillot-Pinque family.

Despite his various contacts with the United States, Alain has found several surprises. The size of American cars was unexpected he said, especially an eight-door airport limousine.

Chamber Coffee Will Be In Presbyterian Parlor

The Wayne United Presbyterian Church will be hosting the regular Chamber of Commerce luncheon members will meet Sept. 15 from 9:30 to 11 a.m. in the church parlor. The church is located at the corner of Third and Lincoln Streets in Wayne.

One track mind.

In the 1860's, Americans wanted to put their young country on the right track. After several years, much hard work, and lots of money from government securities bought by Americans, the golden spike was driven at Promontory Point, Utah. On May 10, 1869, the east coast linked with the west.

Today, over 9 1/2 million Americans are helping to keep this country together by buying United States Savings Bonds through the Payroll Savings Plan where they work. Get on the right track. Look into our specially designed Bicentennial Series E Bonds. And buy them where you work or bank.

Take stock in America. 200 years at the same location.

STRAYEr Thoughts

By Jim Strayer

THE WAYNE POLICE department will soon be moving into new quarters in the old Wayne hospital building and frankly, it can't be too soon to suit chief Vern Fairchild.

I wouldn't want to say the present facilities are inadequate, but last week while I was at the station talking to the chief, he asked the dispatcher to copy a report for him. She flipped the switch on the copier and all the lights (both of them) in the building went.

CHIEF FAIRCHILD has had another problem recently. He keeps getting anonymous letters complaining about a specific parking area.

WHILE I'M on the subject of anonymous letters — don't mail unsigned letters to The Wayne Herald if you want to see them printed.

IT APPEARS that Nebraska is once again in danger of losing federal highway funds. First the Unicameral was forced to pass a 50 mile per hour speed limit.

A bill, introduced by Congressman James J. Howard and E. G. Shuster, the chairman and the ranking minority member of the Public Works Subcommittee on Surface Transportation, would penalize states such as Nebraska which have been conscientious about completing their interstate highways.

NEBRASKA HAS neglected other highways in favor of the federal money for completing the super highway. Now we need the federal money — about \$18 million is at stake — to rebuild and improve our regular state highways.

Ten other states are in the same boat or perhaps in a worse one. The same loophole — as Nebraska Present highway legislation provides that no state will receive less than half of one per cent

the interstate funds, with permission to use the money for other highway work if interstate projects are already completed.

THE AMERICAN Freedom Train will be in Sioux City Friday, Saturday and Sunday. This will be the closest the "train that took 200 years to build" will come to the Wayne area.

WE CARRIED the story of the district Kiwanis convention in Norfolk, Aug. 21-24, but didn't mention Wayne members attending the local contingent.

OBSERVATIONS

Liquor vote favored

Wayne voters will go to the polls Sept. 23 to decide if the city should allow liquor-by-the-drink.

While there are several bottle clubs in Wayne a "yes" vote on liquor by the drink might help to improve the entertainment outlook here.

J. Sterling Morton (1832-1902), inducted this year into the Nebraska Hall of Fame, is well known as the founder of Arbor Day.

Arbor Day Morton, a member of the national Hall of Fame, was also a major American statesman. He served two terms in Nebraska territorial legislature, was secretary and acting governor of the territory, and was secretary of agriculture under President Cleveland.

"My parents left Detroit for Nebraska on their wedding day, October 30, 1854, arriving at Bellevue in November, where they lived at Col. Sargy's trading post for the winter of 1854-55. In mid-summer of 1855, Mother returned to Detroit, traveling from Nebraska to St. Louis by steamboat.

"I was born in Detroit on September 27, 1855, and on November 6, my mother started for Nebraska via Chicago, taking the Lake Shore & Michigan Southern road as far as Chicago, where she was joined by her father, Hiram Joy, who made the trip with her. The route was by the Rock Island Railroad to La Salle; thence by the Illinois Central to Bloomington; from Bloomington to Alton by the Alton Railroad; thence by steam boat to St. Louis, where, in a few days, we boarded a steamboat for Nebraska City.

bound up. I rolled off the pillow and the boat proceeded slowly up the River, but I began to run and the Captain, not having much freight nor many passengers, refused to go any farther than Haines Landing (Missouri) where my Grandfather Joy hired a wagon to make the 90-mile trip to Nebraska City.

"I do not remember much of my life at Arbor Lodge during the first six years, but I do remember school days at the school house built and the first teacher, Esther Closser — also my first teacher. I went to that school for a few years and think I learned something — perhaps more than I might have if there had not been a hazel brush patch adjoining the school house part of Marston Park.

them — all supervised by the wagon boss, a man on horseback, who seemed, to us boys, to have about as good a job as any reasonable boy could ask for, his only superior being the overland stage driver.

"I remember we boys used to do a great business in our apple stand at the north gate. It was my first merchandizing. Our orchard, planted in 1858, had just come into bearing. Most of the varieties were summer apples or early fall, and they sold like hot cakes to the freighters; not infrequently they would take from half a bushel to a bushel to carry along with them, as it was their very last chance to buy any kind of fruit on their slow route to the Rocky Mountains.

"I remember, about this time, hearing the town bells ring. We were at the front gate with Father. A man on horseback came along and Father asked what caused the celebration. The man said the Legislature had decided to remove the Capitol to Lincoln and that the State, by the removal of the Capitol, would show that Omaha did not run the state. Father told him that it was a bad thing for Nebraska City; the Capitol ought to have remained in Omaha and then Nebraska City could get the University. It seems now, that he was quite right about it.

"The next important event in my life was in an ever-wet year, 1866, when my brother Paul and I were sent to Talbot Hall, an Episcopal school southwest of Nebraska City, a very good school, run by John G. Garrison, a brother-in-law of Bishop Clarkson. I think we both learned more there than at any other school to which we ever went. It cost too much money — about \$250 per year for school and board. After two and a half years we were taken out and again went to the little red brick schoolhouse for about a year. Afterward, I went to London, Canada, and finished my literary course at fifteen. Then went back to the farm, until I got a job in the bank of James Sweet & Co.

"I knew but little about the life in the town in those days, for the simple reason that I was not allowed to go to the 'City' very often. It cost too much more than a dollar to spend when we did go, and the boy who had the most left of that dollar on returning home was commended."

United Methodist Women Will Convene in Norfolk

National speakers, a hunger panic and installation of new officers, highlight the activities as United Methodist Women from across Nebraska gather for their annual meeting.

The two-day session, to be held September 19-20 at First United Methodist Church, Norfolk, opens with a message from president Helen Marie Clark of Eustis.

Nancy Hinton Ling, Methodist missionary in Chile since 1960, is the keynote speaker for Friday morning, addressing the women on "World Hunger and El Vegal." She has been stationed at the El Vegal Agricultural Institute in Angol, Chile, where she is involved with church activities and helps with the child dress choir and club work.

Lange is a 1956 graduate of the University of Tennessee and served several years as an assistant Home Demonstration

Agent in Tennessee and North Carolina.

Between the Already and the Not Yet" is the topic of an address to be given Friday morning by Rev. Mary Louise Rowand, Dallas, Texas.

At an Ecumenical Assembly of Church Women United in Memphis, Tenn., last year, she was elected deputy vice president to serve through 1977. She is guest speaker and lecturer at Southern Methodist University and was recently elected a trustee of Texas Christian University for a four-year term. Her husband is senior pastor of Central Christian Church in Dallas.

Friday morning activities culminate with the setting of directions for district meetings. A cantata entitled "I Like the Sound of America" will be presented Friday evening by the Lehigh Junior College music department.

Les Marquart, a church and community worker under the National Division of the Board of Global Ministries, will speak at the conference Friday evening. A native of Wisconsin, she spent 1972-74 on a sabbatical to Fushino, Daqing, Hokkaido, Japan. She is presently serving in South Dakota with the Pierre First Presbyterian Ministry, where she is working with Indian School students.

Friday activities will conclude with a fellowship hour.

Opening Saturday's session, Lois Garton will give a mission area's devotion. She was introduced as a lay missionary in 1957 after she and her husband graduated from Oklahoma State University. They studied at Perkins School of Theology at Southern Methodist University and from there went to the Southern Congo, Zaire Africa. They returned to the United States in 1966 and now reside in Lincoln.

Rubens meetings and a panel discussion on hunger will follow Garton's address. Panel members are Mary Jane Stewart, Lincoln; Helen Traudt, Lincoln; and Dr. Alva Clark, Omaha.

Mrs. Rowand will address the conference again Saturday, her topic being "We Have Two Churches." The afternoon session features an address by Yvonne Peters, president of the South Central Jurisdiction and the retirement of officers and installation of the new officers.

Shower For Peggy Thies Held Aug. 31

A miscellaneous bridal shower honoring Peggy Thies was held Aug. 31 at the Winside Trinity Lutheran Church.

Thirty five guests were present for the fête from Winnside, Concord, Norfolk, Stanton, Pomeroy, Randolph and Wayne. Decorations in the bride's colors of blue and white featured an umbrella centerpiece at the gift table and a floral arrangement and candle at the serving table.

Mrs. Duane Thies of Winnside, registered guests and Golly Thies and Angela and Dana Thies assisted with gifts. The committee presented the bride with a corsage. Eugene Benson of Norfolk and Mrs. Norma Jean Thor of Concord were in charge of entertainment. Hostesses were Mrs. Edna Thies, Mrs. Edward Thies, Mrs. Doris Thies and Mrs. Duane Thies, all of Winnside; Lucille Benson of Norfolk and Mrs. Norma Jean Thor of Concord.

Miss Thies, daughter of Mr. and Mrs. Robert Thies of Winnside, and Richard Junk of Norfolk and Mrs. Charles Junk of Randolph, were married Friday evening at the Trinity Lutheran Church, Winnside.

Son Baptized

Joel Michael Engle, infant son of Mr. and Mrs. Gene Engle of Woodland Park, was baptized Aug. 31 during morning worship services at the Hoskins Trinity Lutheran Church.

The Rev. Raymond Bachman officiated. Joel's sponsors were Mr. and Mrs. Richard DeTour.

Teachers Meeting

The Northeast Nebraska Retired Teachers Association is meeting today (Monday) at 10 a.m. The meeting will be held at the Wayne State College Student Union building.

Frozen Burger Assets

Does your ground beef supply for burgers disappear in face of brisk summer demand? A stock of ground beef patties in the freezer saves extra trips to the store. For convenience in meeting individual and varying demands, shape ground beef in patties and securely wrap each separately in foil or freezer film.

Or place two layers of waxed paper or foil between each patty (for easy separation), place in transparent freezer bag, seal and freeze. Burgers can be cooked from the frozen state; just place on a broiler rack a bit further from the heat and allow additional time.

Wayne Presbyterian Church Site Of Middleton-McCall Wedding

MR. AND MRS. DAVID MCCALL

Peach gladioli and a spiral candelabra trimmed with greenery and apricot pompons, appointed the altar of Wayne's United Presbyterian Church for the 7:30 p.m. wedding Saturday, Aug. 30, of Pamela Ann Middleton and David McCall, both of Phoenix, Ariz.

The bride is the daughter of Mr. and Mrs. Leroy Middleton of Wayne, and the bridegroom is the son of Mr. and Mrs. Lee McCall of Tuscon, Ariz.

Miss Middleton graduated from Wayne High School in 1972 and attended Wayne State College and Phoenix College. She is employed at the American Express Co. McCall, a 1965 graduate of Paradise Valley High School, attended Phoenix College and served in the Army two years. He is employed at Honeywell Computer, Inc.

The couple will make their home at 16606 N. 31st St., Apt. 41, Phoenix.

Honor attendants for the couple were Gail Jaeger of Winnside, sister of the bride, and Mark Middleton of Wayne, the bride's brother.

Susan Nuernberger of Wakefield was flower girl. Candles were lighted by Debbie Tech and Scott Tech of Norfolk. Guests, registered by Vickie Schlender of Phoenix, were ushered into the church by Daniel Jaeger of Winnside and Robert Clarkson of Concord.

The Rev. Robert Haas officiated at the ceremony and Don Schumacher of Norfolk sang "Colour My World" and "A Wedding Prayer." He was accompanied by Anthony Garlick, organist, and Robin Mosley, flutist. Both are of Wayne.

Mr. and Mrs. Kenneth Tech of Norfolk greeted the 85 guests at the reception held at the church, following the ceremony. Gifts were arranged by Karen Temme of Wayne and Janet Hansen of Omaha.

Connie Florine of Omaha cut and served the bride's cake and she carried chalcenopsis on chis, white pompons and apricot roses, accented with greenery and streamers.

Her attendant wore a floor-length apricot crepe gown, designed with a V-neckline, long fitted sleeves, fabric belt tied in

back, and ruffled helmine. She carried apricot daisies, yellow miniature carnations and white pompons, accented with long streamers.

The groom wore a white tuxedo with white ruffled shirt trimmed in black, and a white rose and stephanotis boutonniere. His attendant wore a white tuxedo jacket with black trousers, apricot shirt and apricot rose boutonniere.

The bride's mother wore a brown and cream double knit with brown accessories. Mrs. McCall chose a pink knit with white accessories.

Her attendant wore a floor-length apricot crepe gown, designed with a V-neckline, long fitted sleeves, fabric belt tied in

Metric System Lessons Set

How long is a meter? How much is a liter? How heavy is a gram? A meter, a liter and a gram are all measures of the metric system, a system the United States is rapidly moving toward.

"Measuring via Meters" will be the topic of a lesson set up by the University of Nebraska Northeast Station at Concord to acquaint representatives from organized clubs with the decimal system of weights and measures.

Lessons will be held in the courtroom of the Wayne County Courthouse at 9:30 a.m. and in the basement of the Harrington City Auditorium at 1:30 p.m. Sept. 17; at the Watthill extension office meeting room at 9:30 a.m. Sept. 18, and at the Northeast Station near Concord at 9:30 a.m. and the Dakota City Courthouse meeting room at 1:30 p.m. Sept. 19.

Clubs who would like to send representatives to the lesson are asked to contact Joycelyn Smith, area home extension agent, at the Northeast Station, Concord, so lesson materials will be available. Lessons are open to all persons, regardless of race, color or national origin.

Mallette Leads Explosive Blue Devils On 43-6 Romp of South Sioux

By DAN VODVARKA
Pushing South Sioux City around the field for over 350 offensive yards in the first half, the Wayne High Blue Devils served notice Friday night that

Con Teams Advance

All four teams from the Pro Division of the Wednesday night men's golf league were eliminated from the first round of league playoffs.

Advancing to the semi-finals are teams 22, 34, 18 and 19—all from the Con division.

Last Wednesday at the Wayne Country Club Team 22 beat Team 12, 34 defeated 13, 18 topped 9 and 19 stopped 2.

In the semi-finals Wednesday, Team 22 faces 34 and 18 goes against 19. The top two teams will meet the following week for the playoff title.

Members of the winning four-man teams include: Team 18 — Bob Reeg, Budd Bornhoff, Gene Clausen, Dan Gardner; 19 — Jim Marsh, Roy Corvett, Neil Swanson, Kem Swaris; 22 — Ron Dalton, Rowan Wilshire, Terry Karel, Phil Rouse; 34 — Al Reeg, Wayne Marsh, Glen Ellingson, Bill Bates.

they are again for real this year. Led by senior quarterback Paul Mallette, the Devils completely destroyed the invading Cardinals' 42-6 in the season's opener for both ball clubs at Memorial Stadium on the Wayne State College campus.

Wayne coach Al Hansen said before the game that he was pretty much in the dark about South Sioux. During the first 24 minutes of action, Hansen's gridgers showed their coach that the pre-game information about the foes wasn't really needed.

On the first possession of the game, Wayne drove to the Cardinal 25 before losing the ball on downs. An exchange of punts got the ball back for Wayne on its own 41 and Mallette and crew took over. Halfback Rob Mitchell quickly burst 32 yards to the South Sioux 15 and five plays later Mallette capped an 8-play, 2:04 drive with a one-yard quarterback sneak for the score.

Vince Jenness then split the uplights for his first of four extra points and one field goal in the game.

The invaders gave up the ball after two first downs on a fumble and Rich Workman of Wayne recovered on the South Sioux 32. Mallette took no time

in faking for the score as he going well and then hit six-foot-three Monte Lowe on a 32-yard touchdown pass.

As the quarters changed, so did the fortunes of the Cards as they maddled early in the second period to the Wayne 16. But there on fourth and one fullback Marc Fugleberg was stacked up by Wayne's David Hansen and Mallette for no gain.

Wayne's offensive line continued to tear huge holes in the Cardinal defense as moments after Wayne got the ball Mike Wieseler broke to the left side of the line, cut right and sailed 66 yards for the score. With 7:09 left in the half, Wayne led 21-0.

But Wayne's talented field general Mallette was far from finished with the South Sioux defenders. Before the teams would break for halftime, Wayne would command a 34-0 lead.

With 7:53 left in the half, Mallette marched the Devils 68 yards on two pass plays to score again. Mallette hit Mark Brandt on a 53-yard passing play and then hit Lowe for the score from 15 yards out.

South Sioux made a mistake by not running out the clock in the first half and gave the ball back to the Devils with 38 left

on their own 39-yard line. Hitting Brandt on another 46-yard strike and mixing his plays well Mallette closed out the half by scoring on a quarterback sneak as the clock ran out.

Not only did Wayne lead 34-0 at half but the Devils dominated almost every statistic. Wayne rushed for 171 yards and gained 180 yards in the air for a total of 351 yards compared to 100 yards for the invaders. Mallette hit for all—the passing yards as he missed on only one of seven passes, rushed for 14 yards and intercepted a pass on defense.

Coach Hansen said after the game that he was a bit surprised with Wayne's long, lightning scoring plays but added, "We knew we had a good passing attack because Mallette has an excellent arm." The Wayne coach continued, that he and his quarterback talked over the selection of plays before the game and during time outs. Mallette was allowed to call about 75 per cent of his own plays on the field.

Hansen saw the game pretty well decided in the early going "We just came out and hit them hard early," he said.

Late in the third period, the Cardinals got on the board as Steve Strong hit Rick Bayle on a 38 yard TD strike. Mitchell returned the kickoff to the Wayne 48 and it was the Devil's turn to score again. Ten plays later the victors had marched 57 yards and Brandt sliced over the left side for the score.

With less than a minute to go in the third period Hansen pulled his first string offensive unit and turned over the quarter back duties to Lowe. In the final stanza sophomore Vic Sharpe came in to try his hand at running the Devil offense.

Jenness capped the night's

scoring with a 28-yard field goal in the fourth period.

Wayne's defense held the invaders to just 160 total yards as senior Paul Lindner led with 10 tackles and Mallette, Wieseler and Rick Straight all had seven stops each.

Wieseler led the Wayne ground attack, that saw 11 different players carry the ball, with 102 yards on four carries. Brandt had 60 yards on 12 carries, 89 yards on two pass receptions while sophomore Brian Hahn tugged the ball five times for 47 yards and Mitchell had 45 yards on three carries.

The series between the two schools now stands at 7-4 in the Cards' favor.

This week it will be a trip to Blair on Friday for the 1-0 Blue Devils.

Randolph Blanks Laurel in Loop Battle

DEFENSIVE player Todd Anderson of Laurel puts the clumps on Randolph runningback Brian Lewon as Lewon tries to escape around left end.

By BOB BARTLETT
Close games are something Laurel football coach Bob Bortel wants to avoid.

So after his club lost 14-10, the 10 grid meets by less than a touchdown last year.

But Friday night's season-opening loss to Laurel in the Bears' championship game, Randolph was anything but close. The visiting Cardinals blanked the favored Bears 13-0 before a good size crowd.

Randolph's defense all but stifled Laurel's ground and air attack while the offense took full advantage of 38-yard aerial bomb and strong second-half running.

That 38 yard misle put the Cardinals in scoring position with 17 seconds remaining in the first half. After two incomplete halfback passes from Randolph's 47 yard line, quarterback Steve Tunik hit end Jeff Sausser at the 15. Seven seconds later Tunik found wingback Dave Waltz on the two yard line where the 165 pound senior fought his way into the endzone.

Randolph, which totaled 94 yards on the ground, amassed most of these yards in its second half control game. The Cards ate up almost four and a half minutes of the third period while the visitors sustained a 38 yard march to score their second touchdown.

Key to the Cards' second TD was a 40 yard return kickoff by sophomore Lyle Poppe. Nine plays later with the help of a personal foul against the Bears, Randolph's leading rusher Dave Hay bulled over from the one yard line for a 13-0 lead with 7:36 left in the third quarter. This time the extra point attempt by Glenn Tharnish was blocked by Laurel senior Mark Martindale.

Again in the fourth period Randolph's control game halted any hopes of a Bear come-from-

behind victory. Coach Jim Blesner's crew held onto the ball for about nine minutes in the final stanza.

Randolph literally stopped Laurel on the ground as the Bears' offense was assessed a minus four yards rushing. Quarterback Brad Ervin lost the ball on a chunk of ground when he was sacked seven times for a total of minus 45 yards.

Runningback Mike Dalton gained 27 yards in eight carries to lead Laurel while senior Mark McCas finished with 19 yards in six attempts.

Both teams passed a total of 41 times. As Bortel said prior to his season opener, Laurel was going to pass about 20 times a game. Bear quarterback Ervin and Gordon Kardell, the More BLANKS, page 5

Penalties Hamper Trojan Win

"Penalties stopped us. We were inside the 20 yard line but we just hurt ourselves," said Wakefield football coach John Torczon Friday night after his Trojans survived a 17-6 win over Lyons.

Wakefield was penalized a total of 125 yards and turned the ball over six times, including three lost fumbles and three interceptions.

It wasn't until the closing of the first half that the visiting Trojans scored when senior quarterback Mike Soderberg hit Scott Mills for a seven yard touchdown play.

After a fumble recovery on Lyons' 18 yard line, the Trojans marched in several plays to a 6-0 lead. The two point pass attempt went incomplete.

Lyons knotted the score in the third frame when the hosts grabbed a Soderberg pass on Wakefield's 21 yard line and senior signal caller Brad Brink capped the scoring drive with an eight yard run. The PAT was no good.

Wakefield put together its longest scoring march of the night in the final quarter, going 70 yards in 14 plays before Soderberg hit the Trojans' leading receiver senior Scot Keagle for a five yard TD.

Soderberg, who completed eight of 16 passing attempts, had four big completions during that sustained drive. The senior opened with a 22 yard strike to Brooks Myers before tossing passes of 11 yards to Mark Kober and passes of 10 and six yards to Mills.

On the ground, Soderberg led rushes with 43 yards in 11 carries. Dan Byers finished with 24 yards in eight rushes.

Winside Mauls Wynot

Winside High scored in every quarter Friday night en route to a 26-0 drubbing of Wynot in Lewis and Clark Conference Action at Wynot.

Senior runningback Brad Brummels led first year coach Ron Peck's team with 133 yards on 17 carries, including a two yard touchdown run in the third period. Quarterback Tyler Frevert finished with 31 yards and teammate Bryan Knudsen collected 25 to lead the Wildcats to their 20 yard grand total.

Dunklau opened up Winside's scoring late in the first period when he plunged over from one yard out after Wildcat Bob Hoffman recovered a Wynot fumble on the home team's five yard line. Frevert then had two yard kicks the ball through the uprights for a 7-0 lead.

Midway through the second period Frevert capped a 50 yard drive in nine plays when he scored on eight yards into the endzone. The PAT failed.

After Brummels put the Cats in front 20-0 in the third period, Hoffman grabbed a 47 yard field goal for a 26-0 score. All told, Winside collected 76 yards in the air.

Besides Hoffman's 42 yards in one aerial play, Hugo Bleich had 33 yards in three catches.

After the Wildcats' second touchdown, the team began to loosen up. Peck said, "Wynot never got within our 30 yard line. We held them to only three first downs the whole game," he

No Road Hunting

pointed out.

Winside's defense held the home team to a minus 29 yards for the night. Winside gave up 27 in the air, but stopped Wynot on the ground for a minus 76 yards.

Leading Winside's defensive attack was Brad Longenberg with seven unassisted and four assisted tackles. Neil Wagner had eight drops.

Allen Stuns Winnebago

Allen High Eagles gave head coach Cliff Jorgensen his first victory ever in the high school ranks Friday night with a 22-0 blasting of Winnebago.

Playing on their home field, the Eagles scored in all but the first quarter against the Lewis and Clark Conference foe.

Junior quarterback Brad Chase ran in for one touchdown followed by a safety, a 61 yard kick return by Brent Chase and a four and a half yard aerial strike from Rayme Dowling to Shawn Persinger to cap Allen's scoring.

With 2:37 left in the first half, Chase ran 18 yards to paydirt for the Eagles' first score after

a poor Winnebago punt landed on Allen's 25. The two-point run conversion failed. Defensive stalwarts Dennis Uhl and Randy Gensler teamed up in the third frame to down Winnebago's quarterback in the end zone for a two-point safety.

Chase's 61-yard return made the score 16-0 after Brad Chase hit Persinger for the two-point play.

"We were close to scoring several times in the first half," Jorgensen said, adding that his club was inside the five-yard line at least three times. Hampered by a fumble, Allen failed to capitalize on two other scoring attempts within the five because "we couldn't get any-

thing going," Jorgensen added.

The turning point in Allen's victory was the 61-yard return kickoff in the third period.

Brian Johnson and Martin Dale had eight each. Dan Nelson had seven.

Laurel VB Falls

In Triangular

Neligh and Plainview High volleyball teams handed Laurel a pair of losses Thursday in the Bears' season opener during a Northeast Nebraska Activities Conference triangular at Neligh.

Neligh knocked off Laurel's A team 15-12 and 15-6 before Plainview won two 15-1 sets.

"Plainview is a very good defensive team," said Laurel coach Carol Woodward. About Neligh, Mrs. Woodward pointed out that her club had a 10-5 lead in the first set before the home team came back.

Sophomore Cheryl Abts, had seven straight serve points in the opener to lead Laurel to its 10-5 first set command. Also doing a good job of setting up was senior Julie Hirschman. Mrs. Woodward noted.

In B game action, Laurel split. Laurel lost to Plainview 15-2 and beat Neligh 12-4. The reserve matches basically were serving games," the coach said. Leading Laurel's serving was freshman Cindy Kastrup with five points.

Tuesday night Laurel makes its home debut against another NENAC club, O'Neill. The B game starts at 6:30, followed by the varsity match.

Towns Receive

Electric Rebates

(Continued from page 1)

Two hundred thirty Nebraska communities have received, \$1,162,442 as a result of agreements leasing their electrical distribution systems to the Nebraska Public Power District (NPPD).

Ralph F. Beermann of Dakota City, member of the NPPD board of directors, said the money represents one-half the annual payments made by NPPD under terms of the lease agreements. Local communities receiving the power rebates include Allen—\$2,400.90, Concord—\$942.58 and Dixon—\$691.80.

The payments made were for the first half of 1975. Beermann said.

Total payments in 1974 were about \$1,900,000. Communities are free to determine how the money is used.

NPPD operates the electrical system and makes all additions and improvements to the property and pays the community 10 per cent of the adjusted gross revenues realized within the corporate limits.

The money turned over to communities does not include the annual five per cent in lieu-of-tax payments required by Nebraska statute.

In addition to the money realized, the agreements between NPPD and municipalities also provide for a one-third discount on electricity consumed by governmental agencies within the corporate limits.

Winside VB

Takes Three From Wynot

Winside High volleyball teams Friday took three matches from host Wynot during season opening play for both teams.

The varsity went three sets to lopple Wynot while the reserve and freshmen teams got their victories in two sets.

In the varsity match, Wynot capitalized on Winside's sluggish serving to come from an 8-0 deficit to win 15-10. "We only served about 62 per cent that first match," coach Don Leighton said, adding that his girls bounced back from the first-game jitters with strong serving in the final sets.

Serving nearly 90 per cent of its serves, Winside won 15-8 and 15-12, Debby Albrecht and Tammy Gramberg led Winside serving. Albrecht was 16-17 and Gramberg was 15-17 during the three sets. Winside also got strong help from senior spiker Jill Stenwall while Barb Ritze played good overall. Leighton noted. Also showing balanced playing were Cindy Thomas, Tammy Koll and Carlie Miller, who made some key plays, he added.

In reserve action, Winside won 15-9 and 15-6. The freshmen won 11-9 and 11-6 in abbreviated matches.

Tuesday night Winside opens home court play hosting Wisner-Piquet.

Board to Consider

Policy Revision

Wayne Carroll school board members meeting tonight (Monday) will discuss purchasing citizen band radios for school buses.

Possible revisions to school board policies in order to conform with new guidelines dealing with sex discrimination in schools and due process of students are also slated for consideration.

Etter Wins

2-Club Meet

Relph Etter won the Wayne Country Club two-club handicap golf tournament Wednesday with a nine-hole total of 33.1.

Etter finished in front of Warren Bressler, Doug Lyman, Jack Brownell, Tom McClain and Forrest Magnuson — the top golfers in the tourney.

Bressler had a 34.6, Lyman 35, Brownell 35.1, McClain 36.1 and Magnuson 36.3. There were 40 entered in the tournament.

Wednesday afternoon at the golf course there will be a four-man best shot tournament for club members.

Basic Course In Computers Is Scheduled

Wayne State College is offering area individuals, including high school students, the opportunity to obtain some basic understanding of and experience with computers.

A short course "Introduction to Computer Programming" will be held two consecutive Saturdays, Sept. 20 and 27, with classes running from 8:30 a.m. until 5 p.m. each day.

The student will learn to write programs through actual "hands-on" experience.

The course is available for one hour credit or can be audited. Instructors will be Dr. Hilbert Johns and Dr. Jim Paige.

Because of equipment limitations, enrollment will be limited. Total cost is \$17. There is no text to purchase.

Interested individuals should contact Dr. C. Don Keck, director of continuing education at Wayne State College.

New Members Welcomed

Twelve members turned out for the Monday evening meeting of the American Legion Auxiliary. The group met at the Vet's Club President Mrs. Julie Haas welcomed two new members, Mary Kruger and Helen Siefkin.

Mrs. Mary Brugger gave the American Legion report and Martha Siefkin read a prayer for Gold Star mothers. Mrs. Evelyn Thompson, third district president, gave a report on the national convention which was held Aug. 16-21 at Minneapolis. Others attending the convention were Mrs. Chris Bargholz, Jodene Bargholz, Alyce Bargholz and Mary Kruger.

The group voted to order 2,500 poppies to be used in making wreaths and for poppy day sales. It was also voted to give a \$3 donation to the American Legion Auxiliary emergency fund.

The group recognized the department of all veteran organizations of Nebraska for providing two new buses, one for the Veteran's Home at Grand Island and the other for the Norfolk Veteran's Home. Cost of each bus was \$38,000.

Hostesses were Martha Siefkin, Elsie Kay, Maria Brugger and Hattie Hill.

October 6 meeting will be at the Vet's Club.

4-H Projects Win Ribbons

Kris Anderson of Wayne won a purple ribbon last Monday at the Nebraska State Fair for his entry in the individual food category in the demonstration show.

Miss Anderson's entry was "The Ice Cream Shoppe." Anita Sandahl of Wakefield was also awarded a purple ribbon with her entry, "Sour Dough Flap Jacks Are Back."

Blue ribbons went to Cindy Bull of Wayne, demonstrating, "Man's Best Friend." The team of Leslie Greunke and Susan Rethwisch also captured a blue ribbon with the entry, "Two Make Cheesecake."

Local 4-H'ers were also entered in both competition and the Loyal Lassies from Wayne County won a red ribbon.

Miss Anderson was a narrator at the style revue and fellow Wayne 4-H'ers Chris Vakoc won a blue ribbon in the "Magic World of Clothes" division of the show. Melissa Greunke of Winside also won a blue ribbon in the style revue. Her entry was in the "Costume for Special Occasion" division.

Susan Rethwisch Is Top Judge In Home Living

Susan Rethwisch of Wayne was one of the top 4-H'ers in the home living judging contest at the Nebraska State Fair.

Competing against 4-H'ers from throughout the state, Miss Rethwisch finished tenth.

Home living judges had to figure out various problems dealing with textile art, choose which pillow out of four would be the best buy and judge several wood finishings, placing the entries into ribbon groupings. To complete the contest, they judged accessory groupings for a family room.

Consider these facts

... and check *first* at home before you trade

1. As often as not you will find the best services and prices at home. You're a prime customer here; not just part of a mob.
2. A substantial part of your home merchants' margin on sales to you goes to help you support community facilities that benefit you—fire and police protection, schools, churches, etc.
3. Local business provides jobs for your neighbors, your children if they'd like to live near you, and—perhaps even you.
4. Your trade keeps people here to supply your emergency needs.

WSC Offers Fall Course In Aviation

"Aviation Ground School" is a new, non credit evening course being offered at Wayne State College this term. The class will meet from 7 to 10 p.m., each Thursday evening, at the Benhack Hall lecture room, beginning Sept. 18, and running through Dec. 18. Objectives of the course are to enable participants to fulfill ground school training requirements, to provide support for persons taking flying lessons, and to prepare individuals for the Federal Aviation Administration examination for private pilot certification. The course will include principles of flight, aviation weather, instruments and systems, navigation, radios, regulations and examination reviews. Flying is an important part of the life of instructors Jerry and Kathleen Conway. Conway, who teaches business courses at WSC, is a licensed pilot and has been a member of several national flying organizations including the Cassara Skyhawk Association, of which he is a charter member, the Civil Air Patrol and Aircraft Owners and Pilots Association. Twenty students can be accommodated in the class. Early enrollment is suggested. Registration fee is \$40 and should be paid to Dr. C. Don Kock, director of continuing education at Wayne State. The fee includes text, plotter, aviation computer and all materials needed.
