Speaking of Football

Peggy Thies, Richard Junck Wed

Trinity Lutheran Church of Winside was the scene of the Sept. 5, 7:30 p.m. ceremony which united in marriage Peggy Sue Thies and Richard Eugene Junck.

The bride is the daughter of Mr. and Mrs. Robert Thies of Winside and the groom is the son of Mr. and Mrs. Charles Junck of Randolph.

Honor attendants for the couple were Sally Landanger of Norfolk and Ray Junck of Carroll. Kathy Thies of Winside was candle lighter.

The bride, given in marriage by her parents, fashioned her white empire-styled floor-length bridal gown of polyester crepe which featured a lace covered bodice. She wore a waist-length veil accented with pearls and held by a Juliet crown, and carried blue and white miniature carnations and baby's breath with long white bridal streamers.

The bride's attendant wore a light blue floor-length gown styled by the bride. Lace was featured around the empire waist and on the sleeve cuffs, and she carried blue and white miniature carnations and baby's breath with long streamers. The groom and his attendant wore white jackets with black trousers, light blue shirts and black bow ties.

For her daughter's wedding, Mrs. Thies

selected a light blue floor-length dress with a jacket and white accessories. Mrs. Junck wore a tan and beige dress with a jacket. Both had a corsage of blue and white miniature carnations with blue trim.

Guests registered by Sally Thies of Winside, were ushered into the church by Daryl Junck of Laurel and Quentin Thor of Osmond.

The Rev. Paul Reimers officiated at the double ring rites and Mrs. Paul Reimers sang "There is Love" and the "Wedding Prayer." Accompanist was Mrs. Lyle Krueger of Winside. A reception for 100 guests followed at the church basement. Mrs. Frants Thor of Osmond and Lorraine Benson of Norfolk cut and served the cake baked by Mrs. Kay Fredricks of Winside. Mrs. Edward Thies poured coffee and Sally Thies served punch. Waitresses were Nancy Thies and Kathy Thies, both of Winside, and Dorothy Junck of Randolph. Others assisting with the reception were Mrs. Don Thies and Mrs. Duane Thies, both of Winside.

The bride graduated from Winside High School in 1974 and from Norfolk Technical Community College School of Practical Nursing in 1975. The groom, a 1970 graduate of Randolph High School, farms south of Sholes.

Hoskins Couple Mark 35 Years

Mr. and Mrs. Elmer Koepke of Hoskins observed their 35th wedding anniversary Sunday, Sept. 7 at Kings party room in Norfolk. The event was hosted by their children, Mrs. Leonard (Arleen) Polak and Leroy Koepke, both of Madison.

Mrs. Lester Koepke of Hoskins registered the 116 guests attending from Norfolk, Madison, Hoskins, Pierce and Randolph. Among those attending was Leonard Koepke of Hoskins, an attendant at the couples wedding 35 years ago. A card party was held with prizes going to Walter Fleer, Jr., high, Hugo Warneke, second high, Elmer Laubsch, low, and Hattie Gallinat, traveling. The cake was baked by Mrs. Don Wiedeman of Norfolk. Mrs. Leroy Koepke of Madison served coffee. Assisting in the kitchen for the carry-in lunch were Mrs. Leonard Polak of Madison and Mrs. Lester Koepke of Hoskins. The Koepkes were married Sept. 10, 1940 at the Trinity Lutheran Church in Hoskins. The couple lived at Hoskins for two years and then moved to Winside, where they lived for seven years, before moving back to Hoskins, where they reside on a farm. In addition to their two children, the Koepkes have seven grandchildren.

Don't talk to your plants. Listen to your handbag.

(You should also smell it, touch it, and look at it a lot)

If it's really healthy leather, your bag will speak in a cheerful little squeak, the kind of comfortable creak your saddle made the last time you went horse-back riding. (These Coach™ bags are bursting with this sort of happy talk.)

As for smelling, we all know what a nice, sensory pleasure you get from sniffing good leather. (These bags smell so shamefully delicious you can hardly keep from sighing "Ahh" over them.)

And touching your leather bag can almost be a fine art. If you don't watch out, you could become fanatic. Leather experts call the feel "the slip".

Coach™ bags always have a springy slip. And the more you touch them, the better, more burnished and lustrous they get.)

Watermelon Tote in saddle, mocha, black or rust, \$7.00

Courier Pouch in saddle, \$5.00

Black and Rust Taupe can be Special Ordered!

Crescent Bag in saddle and green, \$9.00

But looking at your bag is the best part. These bags are made of baseball glove leather, which means they're born to be strong-yet-tender. They're specially tanned and specially stained, never painted. Natural scars, veins and wrinkles are deliberately not covered up.

Now touching and smelling etc. are only a few of the pleasures that cause wise women to collect closets-full of Coach™ bags. Look at the way they're crafted: no linings because they have nothing to hide, heavy brass fittings, excellent and elegant shapes.

Spices Add Brazilian Accent

"To win a laurel wreath for your brow, put a laurel leaf in your stew pot now." And for extra praise, when you are making Quick Brazilian Beef, add a small amount of aromatic cumim.

Quick Brazilian Beef

- 2 tablespoons flour
- 2 tablespoons corn starch
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 1 1/2 pound top round steak
- 1 inch thick
- 1 medium onion, sliced
- 1 (11-pound) can tomatoes
- 2 tablespoons chopped parsley
- 2 bay (or laurel) leaves
- 1/2 teaspoon cumim
- 1 tablespoon water

Mix together flour, corn starch, salt and pepper. Coat meat with mixture. Reserve remaining corn starch mixture. Pour corn oil into large skillet to depth of 1/4 inch. Heat over medium high heat 3 to 4 minutes. Add meat and cook, turning once, about 25 minutes or until meat has crisp crust on both sides and is medium rare. Remove meat. Drain off all but about 1 tablespoon drippings from skillet. Return meat; add onion and saute 5 minutes. Stir in tomatoes, parsley, bay leaves and cumim. Stir together 1 tablespoon reserved corn starch mixture and the water; add. Stirring constantly, bring to boil and boil 2 minutes. Makes 4 to 6 servings, 2 cups gravy.

Laurel Auction Will Host Annual Swine Contest

The 1975 Northeast Nebraska Market Hog Show and carcass contest is scheduled for Sept. 15 at the Laurel Livestock Auction. This will be the ninth year for the show, making it one of the oldest of this type in the state.

Registration will be from 8 to 10 a.m. on show day. No pre-arrangement is required. Regulations covering the show can be obtained for county extension offices, at the Northeast State of Concord or from a director of the Northeast Pork Producers Association.

The show is open to all purebred and crossbred hog producers in Cedar, Wayne, Dixon, Thurston and Dakota Counties. The event is sponsored jointly by the Northeast Pork Producers Association.

Social Security Payments on Rise Locally

Social security benefits were paid to residents of Wayne county at a rate of \$213,000 a month at the close of 1974, Dale Branch, social security manager in Norfolk; said recently.

Also in this 18-22 age group, Branch said, are some other types of beneficiaries, including children of retired, disabled or deceased workers who became disabled before they reached 22 and who will probably never be able to work and become self-supporting.

Branch pointed out that, although most social security beneficiaries are older people about one out of every four is under age 60. In Wayne county, 175 people under age 60 are collecting social security payments each month. Nearly 100 are under age 18, receiving payments because a working father or mother has died or is getting social security disability or retirement benefits.

Beginning with the checks beneficiaries received in July 1975, Branch said, social security benefits have increased eight per cent.

Wayne State Will Modify Semester Dates

Wayne State College will modify its calendar of term dates next year to coincide approximately with the terms of the other Nebraska state colleges and the University of Nebraska, president, Yle E. Seymour said Tuesday.

The change means a moderate shift from the trimester calendar which Wayne State has used since 1961, Dr. Seymour said. The trimester schedule had terms of 15 weeks for the fall and winter sessions, then two 7 1/2-week terms from late April to early August. This replaced the traditional two semesters of 18 weeks and a summer session.

The new schedule for 1976-77 will have the first term from August 30 to December 18; second term from January 5, 1977, to May 5; a post-session May 1977, first summer session June 6 to July 5, and second summer session July 11 to August 12.

The first and second terms will extend over 16 weeks, with class periods of 50 minutes instead of 60 minutes as scheduled on the trimester plan.

Actually, Wayne State will modify its spring summer schedule in 1976, president Seymour said. Instead of the announced two 7 1/2-week terms, there will be a post-session April 28 to May 19; first summer session June 7 to July 9; second summer session July 12 to August 13. These will follow the regular trimester terms scheduled for fall and winter, 1976.

President Seymour said Wayne's new calendar still permits students to finish the two major terms early in May, or take the post-session and be done in time for full summer employment, or continue through one or two summer terms, to accelerate their college careers.

Police Blotter

Tailights on three vehicles owned by Wesley Grain and Fred Grandland Highway, reportedly were damaged by an air gun sometime before 10 a.m. Tuesday.

Cars driven by Keith Donscher, 591 E. Seventh, and James Baier, 591 E. Seventh, were stopped at a Sunday night intersection of Seventh and Main Streets. Both vehicles had stopped for a stop light when the Donscher car rolled into the Baier auto.

Over \$200 worth of damage was reported to a truck about midnight Saturday when the driver, Renato Carlson, 114 E. Sixth, lost control of his vehicle, went through a corncrow and hit a tree on a gravelled road north of Worthing's Trailer Court. Carlson, suffered minor cuts.

About 5 p.m. Saturday a car belonging to Doris Holman, Waterbury, sustained damage to the left side of her car when it was struck while in a parking lot on the east side of Wayne.

Prep Picks:

Area Clubs Wakefield, Allen Clash Friday

By BOB BARTLETT
The first of two intra-area games will take place this Friday night when the Wakefield Trojans host Allen Eagles at 7:30. The following Friday, Sept. 19, Allen again is in the spotlight this time at home against Winside.

Both Allen and Wakefield are fresh off victories from last Friday. Wakefield clipped Lyons, 12-6, and Allen walloped Winnebago, 22-0.

The scores are deceiving if you try to pick Friday night's winner based on scores only. Winnebago, which has had trouble in fielding 11 players for a game, simply was outclassed by Allen. On the other hand, Wakefield was hurt by over 120 yards in penalties in what was first believed as an easy opener for coach John Torcion.

Looking at both clubs, Wakefield outweighs Allen's front line by about 75 pounds per man if not more. Wakefield also has more experience in the backfield, which is led by West Husker all-conference running back Scott Mills.

Just adding those facts makes Wakefield the choice to rack up its second straight win of the young season.

Other games Friday find Wayne at Blair, Walthill at Winside and Neligh at Laurel.

Wayne, which beat South Sioux City off the field last Friday with a 24-6 victory, should preserve its record if the Blue Devils are as keyed up for this game as they were for South Sioux.

Coach Al Hansen pointed out last week that he never saw a team so fired up as his club was before its season opener Blair, however, may not be as easy a conquest as South Sioux. The Bears last Friday upset favored Class B Plattsmouth, 20-0.

The Winside Walthill clash is billed by coaches in the Lewis and Clark Conference as one of the top loop matches this week.

Walthill, which tied Ponca and Homer last year for the Lewis division title, had to sit out the Conference playoff. The following Friday, Sept. 19, Allen again is in the spotlight.

Ponca, which tied Walthill was blanked by a strong Bancroft club. 6-0. That loss could fire up the Bluejays, according to Winside's coaching staff. However, I'll stick with the Cats to win this one.

After Laurel's dismal showing against Randolph last Friday a 13-0 loss, the Bears are really going to have to shape up if they expect to give Northeast Nebraska Activities Conference leader Neligh a run for the money. Right now Laurel's running game is the sore spot in coach Bob Bozard's team. The Bears finished with a minus four yards rushing for the night. Neligh has to be the favorite after upsetting O'Neill, 6-0.

Last week, my prep picks came out just over the 500 mark, with three games right and two wrong. Allen's victory over Winnebago and Laurel's loss to Randolph spoiled my chances to open the season with a perfect 5-0 slate.

Evans, Johansen Win Couples' Meet

The couple of Jim Evans and Jan Johansen fired a nine-hole round of 46 Sunday to win the two-ball foursome golf meet at Wayne Country Club.

A total of 11 couples entered the meet, which marked the close of tournament play for the summer of the course.

Other prizes awarded went to Mary Murray and Bud Froehlich who had the furthest lie from the No. two tee box after three strokes; Willie Wiseman and Le Surber who had the closest lie to the No. three pin, and Chuck Surber who had the shortest second shot on the course.

Norfolk Sophs Blank Wayne Reserves, 20-0

Lack of good offensive line work was one of the main reasons Norfolk High sophomore football team trampled Wayne reserves Monday in the locals' first contest of the season, said Wayne coach Ron Carnes after the B squad fell 20-0.

"We just didn't do a good job of blocking. That's the major problem," Carnes said. "Our defense did a pretty good job, especially in the second half."

Norfolk scored twice in the first half, once in each quarter for a 14-0 command. Norfolk missed the two-point conversion after the first touchdown, but made the conversion on its second attempt.

A fumble in the third period on Wayne's 20-yard line set up Norfolk's third TD. Again the PAT failed.

Bryan Heithold and Brian Haun finished as Wayne's leading rushers. Heithold had 28 yards in three tries; Haun had 24 yards in eight carries.

Wayne collected 90 yards total offense, 42 on the ground and 48 through the air. Sophomore quarterback Vic Sharpe completed only five of 22 attempts. Carnes pointed out that Sharpe had a poor completion average, but the low percentage was due to "our receivers who were not holding onto the ball."

Leading Wayne's defense was Haun with nine tackles. Mark Victor and Heithold had seven each. Kevin Marks and Kelly Hansen were cited for their defensive play. Marks recovered several Norfolk fumbles and Hansen had one interception, which he returned about 15 yards during the third period.

Athlete Of The Week

PAUL MALLETT, Wayne High School

Wayne High quarterback Paul Mallette's unheralded performance in Friday's 49-6 drubbing of South Sioux City earned him the honor of "Athlete of the Week" award of the 1975-76 school year.

Mallette scored two touchdowns and threw two other TD strikes as the Blue Devils finished with a 49-yard offensive game.

"Paul is just too quick for South Sioux's defensive secondary. Give him just a little time to set up and he'll hit his target," said coach Al Hansen about his veteran signal caller.

Son of Mr. and Mrs. Mike Mallette of Wayne, Paul also plays in Wayne's secondary where again he helped to stifle South Sioux ground and aerial attack. The 180-pound veteran finished with seven stops to tie two other teammates for the second highest number of tackles against SSC.

As a junior last year, Mallette guided his team to a 10-0 season record and the West-Husker Conference championship. The team's only loss of the 1974 gridiron season came in the Husker Conference playoff against Scribner.

Friday's win has given the Devils the feeling that they can repeat last year's fine football season. Hansen pointed out, because the team has shown it has the quickness and power to be a winner.

Prepsters from Winside, Allen, Wakefield and Laurel are eligible for the "Athlete" honor. Each one named to it receives a billfold sized recognition card.

24 Fresh Out For '75 Team

Wayne High freshman football coach Duane Blumenkamp has 24 players out for this year's squad.

Heading the list are Tom Ginn and Dave Schwartz who are vying for the quarterback slot. Ginn also will see duty in the backfield along with Brad Ermy and Don Straight, Blumenkamp noted.

Now in his fourth year as head coach, Blumenkamp noted that his club has a good chance to better last year's 3-3 record.

Wayne opens its six-game slate on Thursday, Sept. 18, at Pierce. Rest of the schedule: September—25 Emerson-Hubbard, October—7 at Randolph, 9 Norfolk High, 21 West Point CC, 30 at Hartington CC.

Winside Halts Wisner-Pilger

Winside High's volleyball team tonight (Thursday) will be going into their home matches against Wayne with 2-0 records.

Tuesday night the Wildcats topped Wisner-Pilger teams in Winside's first home matches of the season.

Led by seniors Tammy Gramberg and Deb Albrecht, Winside's varsity ripped Wisner 15-5 and 15-11. Gramberg finished with 12 of 13 serve points and Albrecht was six for six. Also leading Winside's serving was senior Jill Stenwall who completed eight of nine attempts.

"Jill played a good floor game as did three other starters, Cindy Thomas, Tami Koll and Barb Ritz," said coach Don Leighton.

Winside's strong bench strength, led by junior Jean Wacker, pulled the reserves over Winside in three sets, 10-15, 16-14 and 15-12. In the last two sets, Wacker was 7-7 in her serves.

In C team play, the hosts won in three sets, 15-4, 8-15 and 15-3. Winside only missed one serve the entire night. Leighton pointed out.

Washington—The port of Bandar Abbas, at the entrance to the Persian Gulf, was said by 17th century English seamen to be located "one inch from hell" because of its constant sweating heat. National Geographic says: Today a modern Iranian naval base at the port guards the strategic oil tanker lanes.

8th Grade Faces NC This Tuesday

Wayne's eighth grade football team will open its season on Tuesday in a home match against Norfolk Catholic. Game time is 5 p.m. at the practice football field south of West Elementary School.

Under coach Duane Blumenkamp, the locals are scheduled to play four contests. Besides Norfolk Catholic, Wayne will play at South Sioux City on Oct. 8 and host West Point-Centennial Catholic on Oct. 15. No date has been reset for the Schuyler game after Schuyler had to drop its Sept. 22nd home tilt against Wayne.

Eighteen youths reported for the team. Top quarterback prospects are Jeff Dion and Jeff Zeiss, said Blumenkamp.

O'Neill Thumps Laurel VB Team

Laurel High varsity volleyball team lost a pair of sets to O'Neill Tuesday night, but the scores weren't indicative of how Laurel played, said coach Carol Woodward.

Visiting O'Neill thumped the Bearettes 15-7 and 15-2 after both clubs were nearly deadlocked in the early part of the sets. Neligh held an 8-7 lead in the first match before breaking away, and held a 3-2 edge in the second set.

"We looked a lot better than last week. Our girls just lack confidence," Mrs. Woodward pointed out. Leading the varsity at the net and in serves was senior Patti Stark.

The reserve team lost both.

WH Chalks Three Wins Over Stanton

All three Wayne High teams scored victories Tuesday night to even their season records at 1-1. The varsity took a pair of sets from Stanton as the A team served 95 per cent of its shots across the net for the night.

"This is one of the best percent we have had," Patti Stark pointed out, coach Mavis Dalton, adding that every varsity member played.

In another runaway victory, the reserves scored two 15-4 wins. Again coach Dalton led the victory as a "team" win.

Freshman Suzie Proett, led Wayne frosh with 17 serve points to power Wayne to 15-7 and 15-11.

WS, Northern Seek First Wins Saturday

The quest for first victory features Wayne State's new football game — for both teams. Northern State of Aberdeen, S.D., comes to the Wayne grid-iron Saturday night at 7:30 after a 10-9 loss to Valley City State, N.D., last week.

Wayne also dropped its opener Saturday, 28-14 to William Penn. Looking back a year, Wayne had beaten Penn, 14-7 at Oskaloosa, Ia., while Northern lost an upset at Valley City. As a result, the fur-ruffed Northern Wolves were primed to beat anybody they met in the next game, and that happened to be Wayne, in front of 5,000 attending Gypsy Day, Northern's equivalent of Wayne's Wildcat Days. Result: a 41-21 rout by Northern.

At that point, Wayne did not know it would later have to forfeit to Penn, also to Midland, but it made no difference at Aberdeen.

Now another year, and both Wildcats and Wolves are hungering for victory. To Wayne's possible benefit, it's a home game, and some injuries should be healed by Saturday.

Fullback Dave Burke, slightly hobbled last week by an ankle sprain, appears back to 100 per cent. Less certain is the status of veteran defensive tackle Mike Schuster, who missed last week's fray because of knee injury. He may be ready this time, and that would be a considerable plus.

Coach Del Stottengen figures Wayne will need full power against Northern which returns

LEADING RUSHER for Wayne State, Brian Moeller, butts heads with a William Penn defender as he struggles to gain yardage during Saturday's opener for both teams. Moeller finished the game with 86 yards in 22 carries.

most of its talent. Last week the Wildcats out-gained Penn by the margin of 354 to 267 yards, largely thanks to one of the better passing games in several years. Quarterbacks Dave Miller and Rick Benedetto combined for 220

aerial yards. By far the standout receiver was split end Maurie Minkken, who nabbed eight passes for 155 yards. Few times, if ever, has a Wayne receiver gained that much. The feat gave Minkken a Wayne carrier pass receiving record of 1,179 yards, exceeding the 1,142 achieved by wingback Dean Oil in the past three years. Minkken arrived at this point in the first game of his junior year, so he has time to put the record out of sight. He also can better his own Wayne season mark of 643 yards, set last year.

Aside from Minkken, offensive honors went to senior tailback Brian Moeller, who rushed for 86, scored the first WSC touchdown from two yards, then added a two-point rushing conversion. He also completed his first collegiate pass.

After the TD, Wayne trailed, 14-8, and seemed to have momentum going. But two turnovers spelled doom later in the second quarter. An interception of a Wayne pass set up Penn's third score, accomplished on a six yard run by fullback Tim Mattern. Wayne's fumble of the ensuing kickoff fell into Penn hands, and Mattern soon had another TD, from 16. Jim Paul kicked his fourth extra point. The first Penn scoring came

on a 45-yard run by sub tailback Jim Goerss, who finished with 104 yards; the second score on a 47-yard pass play from Jeff Parsons to wingback Jim Dullin.

After the half Wayne defense stifled Penn efforts completely, but not until late fourth quarter did the Wildcats produce an other touchdown, when quarter-back Rick Benedetto, who took over in the third period, piloted a drive which ended with his own five yard keeper. A running conversion attempt failed. Soon after, Wayne almost scored again.

Defensively, middle guard Pat Donohoe turned in exceptional effort with nine assists and one solo tackle. Linebacker Bob Clark logged five assists and three solos. Craig Slepicka, the only new starter among four defensive backs, made three tackles without aid — two of them halting sure touchdowns.

Frozen Dessert Shells
1 envelope whipped topping mix
1 T. sugar
1/2 t. almond extract
1/2 C. chopped nuts (optional)

Prepare whipped topping mix as directed on package, adding sugar and almond extract before whipping. Fold in nuts. Spoon in mounds onto wax paper covered baking sheet or tray. Make a depression in each mound with spoon to form a nest or shell. Freeze until firm — at least 1 1/2 hours. Fill with fruit, ice cream topped with chocolate sauce or prepared pie filling. Serve immediately. Makes about 4 or 5 shells.

A WELL-DESERVED pat on the back goes to the Second Guessers club, especially to Dan Gardner, for getting the ball rolling on new Wayne State College football programs.

If you haven't seen one, you can pick one up at any home college football game. The colored cover features a picture of the new college actively sign on the campus. Inside, readers can browse through some of the advertisements from local and area businessmen who helped make possible the college program.

In addition, there are a schedule of WS activities, letter from college president Lyle Seymour as well as a roster of both teams for the Saturday home game.

Also, you'll find an article on the Second Guessers organization. Taking on a more active role this year, the club is eager to expand its membership. Members meet every Thursday noon at the Black Knight. During the past two weeks, over 35 have attended the weekly meetings.

Cost of the food is \$2. If you're interested in attending a meeting, just drop by. Membership fee is \$12 a year.

A NOTE to football fans who illegally park their vehicles on the University of Nebraska, Lincoln campus this fall—your vehicles will be towed away.

NU parking coordinator John Duvé said the new policy was developed as a result of extensive damage to University and city property, the interference with

emergency services and community pressure.

"Our office has received numerous complaints from Lincoln and University citizens over the years regarding the damage to lawns, sidewalks, and plantings and other personal property, as well as improperly parked vehicles interfering with or halting the flow of traffic," he said.

Damage to University property alone runs into thousands of dollars each game, Duvé pointed out. "One of our greatest concerns is the interference with emergency ambulance and fire services, caused by illegally parked vehicles."

In an effort to solve these problems, the University will back up its annual appeal with a tow-away policy for those who park their vehicles on the grass, sidewalks and other illegal areas.

Vehicles towed away and impounded will be released after the driver appears at the holding lot at 1100 N. 17th Street and pays a towing fee, which is expected to range between \$10 and \$15. Duvé said Lincoln police also plan to tow and impound cars illegally parked on city property at the 17th Street location.

A REMINDER to bowling league secretaries to get in the results of the weekly results as soon as possible. As in past years, the Herald will print a list of the top bowlers in each league. To qualify, male bowlers must roll games of 200 or better, or have a three-game series total-

ing 570 or better. For female leglers, games of 180 or better, or 480 three-game series.

The list of top city leglers for the week is printed in each Monday issue. Deadline is 5 p.m. Friday to bring in the results. Please don't phone in the results.

FORMER WINSIDE High long distance runner, Gregg Lage, finished 25th Saturday in the cross country dual between Nebraska Wesleyan University and South Dakota University at Vermillion.

Another area runner, sophomore Jeff Tracey of Ponca, was 22nd with a time of 26:10.

Lage, who is on the NWU team, finished in 26:17. In a Lincoln newspaper, Wesleyan coach Woody Greeno said Lage was one of nine incoming freshmen who is expected to lead the Plainsmen this year.

Last year the Winside High grad was second in the Class C mile and two-mile.

Pop Top Rings from Soda Pop Cans

Is soda pop popular at your house? And do you collect a lot of those interesting-looking pop top rings? Here are a few suggestions for their use.

Earrings
Yes, earrings of all things! It's easy and you can make them any color you want. First paint the pop top rings. Then, simply place them flat onto waxed paper and fill the ring sections with ordinary white glue. Stir in a little food coloring, using a toothpick. Let the glue dry overnight, then carefully lift them off the waxed paper. Curl the tab ends and glue your finished earrings to the ear-rings backs.

Ring around a Hot Pad
Fancy up an old hot pad pretty enough for a party table. First cut a piece of cardboard or felt, the same size and shape as your hot pad, for a backing to protect your table. Then bend enough pop top

rings to go around your hot pad and glue the tab ends to the underside of the pad. Paint the pad and the pop top rings. Finally, glue on the backing.

Lizard Novelty
Here's a cutie to hang on your coat or just to let the children have to play with. Overlap 11 rings and thread them onto ribbon. Cut tabs off except as follows: the first for a head, and the 3rd, 4th, 7th and 8th for legs. Curve the tabs down for the legs and up for the head. Tape the end of the ribbon for the tail. Cover the head ring with a paper circle and glue on beads for eyes.

VA-Q&A. Q. I received treatment for a service-connected injury at a Veterans Administration hospital about two years ago. I need treatment again and wonder if the VA will give it to me? A. Yes, and if, as you indicated, you have already established service-connection, all you need to do is apply for treatment again. Q. I draw compensation from the Veterans Administration for a service-connected disability suffered in Vietnam. Am I entitled to a \$150 annual clothing allowance? A. That depends upon the nature of your disability. If you wear one or more prosthetic or orthopedic appliances (including a wheelchair) which tend to wear out or tear your clothing, you are eligible. But you must apply to the Veterans Administration to get it. Q. - Are World War II veterans eligible for pensions? I am 65 and my wife and I need more than the \$3,000 annual income we now live on. I served in World War II but I wasn't wounded. A. - Any 65-year-old veteran who served a minimum of 90 days and received a discharge other than dishonorable is considered permanently and totally disabled for pension purposes. A married man with your income could be eligible for \$69 per month pension at current rates. Q. - When a veteran who dies of service-connected causes is buried in a private cemetery, will the Veterans Administration pay the \$150 plot allowance in addition to the \$800 allowance for funeral expenses? A. - No. The \$800 payment is for all funeral costs, including a burial plot. However, if death occurs in a VA facility, an additional amount is payable to transport the deceased to place of burial. Q. - Is it true that veterans no longer have to apply for certificates of eligibility for education and training benefits? I hear that the Veterans Administration mails them to veterans so that they no longer have to apply in person. Because I didn't apply when I got out two years ago, will VA send mine through the mail? A. - The new system is keyed to the list of discharges now being furnished by the Department of Defense. Because you were discharged before the automatic system was established, it will be necessary for you to file application for your benefits at the local VA office. Evening guests were the Orville Rices, Mrs. Bob Anderson, Jackie and Laurie, the Alvin Andersons, Wayne, the Dwan Ericksons, Wakefield, and Hazel, Marge and Opal Carlson.

Victor Park Dedicated

RIBBON CUTTING duties were shared Saturday morning by Mrs. Henry Victor and Wayne mayor Freeman Decker. The ceremony was the official dedication of Henry Victor Park, named after Mrs. Victor's late husband who was

employed by the city for 22 years. The inset shows the inscription of a plaque mounted on a memorial marker in the park, located on the south edge of Wayne.

Leprechaun Mint Freeze
1 cup whip topped whipping mix
1/2 C. sugar
1 T. vanilla
1/2 T. peppermint extract
5 drops green food coloring
2 sq. semi-sweet chocolate, coarsely grated

Prepare whipped topping mix as directed on package, adding sugar with the milk, and increasing vanilla to 1 teaspoon. Fold in peppermint extract, food coloring, and grated chocolate. Spoon into paper souffle cups. Freeze until firm — about 3 hours. Makes about 2 1/2 C. or 5 servings.

EGG ELEGANT

1 pound mushrooms
4 tablespoons butter
3 tablespoons flour
1/2 teaspoon salt
1/4 teaspoon pepper
1/2 teaspoon dry mustard
2 1/2 cups milk
6 to 8 hard-cooked eggs
1 package (6) frozen patty shells, baked
Wash, peel and slice mushrooms. Cook in melted butter until tender, about 8 minutes. Blend in flour and seasonings. Gradually add milk and cook, stirring constantly, until thickened and creamy. Add eggs. Spoon into warm Pepperidge Farm patty shells. Garnish with anchovies, if desired. Serves 6.

HEALTH TIP
FROM THE NEBRASKA MEDICAL ASSOCIATION

Thousands of Nebraskans are living active, satisfying lives even though they have some degree of heart impairment. After suffering a heart attack, it is understandable that some people are fearful of resuming activity.

However, the Nebraska Medical Association warns that when these fears are exaggerated, they actually harm the patient and his heart. His fears deny him the activity he needs for good health.

Getting back to work is a tonic for the person who has been disabled. This applies as much to the heart patient as to the person who has suffered some other illness or injury. He may not be able to resume the complete range of his former activity, but a heart patient should try to reach the safe limit of his functional capacity.

The patient should follow the advice of a physician, who can evaluate his capacity. Becoming more active often relieves financial and emotional strains within the family of the heart patient. The Nebraska Medical Association suggests resuming some activity for the good of the patient's heart and his health, both physically and emotionally.

Complaints—

(Continued from page 1)

said the only light fixtures removed were operating room lights, of no use to the city. Thoma's said some cabinets were removed but that the hospital administration had visited with city representatives and it was his understanding that it was okay to remove the cabinets. Thomas said he has a complete listing of hospital equipment and can account for the disposition of all items.

Council member Carolyn Filter said she had heard that the Wayne police officer Saturday had threatened to sue Thomas if a window air conditioner he apparently removed was not returned.

Police chief Vern Fairchild responded saying the office involved detective sergeant Ron Penierick had told Thomas to return the air conditioner and that Thomas had replied "Let them sue me."
Later Tuesday night Sgt. Penierick confirmed Fairchild's account adding that he had been sent by Brink to tell Thomas the air conditioner would have to be returned.

Brink said at the Council meeting that the air conditioner would have to be returned, and apparently no action will be forthcoming. Vakoc and Filter did ask to receive from Brink a list of items removed and their disposition.

Council—

for an industrial tract road, and other funds received by the city. "I feel we wouldn't get these grants if we didn't have someone who knows his way around," Decker said.

The council agrees to begin setting aside funds to match the six per cent deduction from police officers' checks toward a pension fund.

Police retirement is mandated by state statute and the city is obligated to pay pensions. The city portion of the pension fund

is an item in the current budget. Bornhoff advised the council he has written to an attorney for the Nebraska Public Service Commission (PSC) concerning the proposed operation of a city-owned taxi.

The council had planned to have the taxi in operation by Sept. 1 but later postponed the venture when a PSC representative told city officials that municipal taxis were subject to

PSC regulation. The council has planned to institute the taxi projects on a 90-day trial basis. However, if subject to the same regulation as private carriers, the city would need PSC approval to start and discontinue service and in setting and changing rates.

That could cause difficulties in dropping the project if it doesn't appear feasible. Council mem-

bers directed Bornhoff to try again to obtain the opinion of the PSC. The council also approved three appointments recommended by mayor Decker. Walter Moller was named to fill a vacancy on the city planning commission, created by the resignation of Roger Nelson. Robert McClain and B. W. Giese were appointed as reserve police officers.

the MIND to imagine, the SKILL to do!
The first time sound was recorded, the man with the mad and the skills to do it was Leon Scott. He used a rotating cylinder in 1877.
The first audible sound reproduction didn't occur until 20 years later. Thomas Alva Edison had the mind and the skills to do it, and through his invention was regarded as a toy, recordings were made of several famous people, including Queen Victoria and P. T. Barnum.
The first time the piezo-electric effect, the ability of certain substances to emit electricity when squeezed, was discovered by Pierre and Jacques Curie in 1880. It was regarded as little more than a laboratory curiosity, but the minds and skills of the people at Motorola have now used it to make small, lightweight, hi-fi speakers producing better sound at lower costs.

WSC Will Offer Special Education Night Courses

For the first time undergraduate credit is being offered for a learning disabilities course at Wayne State College. This term Wayne State has scheduled three short-term, special education night courses for two hours of undergraduate credit each.

Courtesy - That period during which the female decides whether or not she can do any better.

The courses should interest teacher aides, classroom instructors, administrators and other interested in beginning work in the learning disabilities area.

Each class will meet from 6:30 to 9:30 p.m. one night per week for eight consecutive weeks. Advance registration, through the registrar's office of Wayne State College, is appreciated, although registration is possible at the first session of each course if the enrollment limit has not already been met by that time.

Learning disabilities (Ed 750) will meet at Neligh High School, beginning Wednesday, Sept. 24, with instructor Mrs. Deanna Gilham.

Instructional materials in special education (Ed 235) will meet at room 133 in the Macley Building on the Northeast Technical Community College in Norfolk, beginning Sept. 25. Mrs. Doni Hirt of Wayne will be instructor.

Language arts for the mildly handicapped (Ed 296) will meet Monday evenings at the West Elementary School in Wayne, beginning Sept. 22. Mrs. Mary DeFreese and Mrs. Marian Renick will be instructors.

Enrollment fee for each of the courses is \$31 for Nebraska residents or \$55 for out of state students. A \$10 matriculation fee is to be paid by any student who had not taken a class through Wayne State College previously.

Figures Reveal Highway Death Rate Is Declining

So far this year, all figures show that Nebraska is heading toward its fifth year in a row of reduced highway accident fatalities according to spokesmen for the Nebraska Highway Safety Program.

Each year since 1971, Nebraska's fatal accidents have been on the decline. At the end of this August, 1975, the fatality count was 230. This compares with 260 for last year at the end of August.

Labor Day weekend fatality count this year totaled seven. Last year this count was eight. Not only has Nebraska enjoyed a steady decline for several years, Nationally, traffic accidents have been on the decline.

The National Safety Council publication "Traffic Safety" points out that the energy crisis might be one of the contributing factors for the accident reduction rate. Several measures were proposed to cope with the energy crisis, this has included voluntary travel reduction, wholesale level fuel allocation, Sunday closing of gasoline stations, and the nationwide 55 miles per hour speed limit.

The 55 m.p.h. speed limit, which significantly lowered the average speed on main rural roads and carried over what onto other roads, affected traffic accidents and fatalities in two ways, according to the safety publication.

First, by reducing speed, the chance of death or serious injury, if involved in an accident, was lessened. Second, by caus-

ing traffic to flow more uniformly, the chance of being involved in an accident was also reduced. Several studies have been done on the factors contributing to the reduction in traffic deaths in 1974, by NSC and other public and private organizations. In general, the investigations agree that between one third and one half of the lives saved in 1974 can be attributed to the slower, smoother flow of traffic.

Studies have also shown that the average occupancy cars in 1974 was lower than 1973, probably due to less social and recreational driving. With fewer passengers exposed to risk, it follows that there would be a reduction in the number of passenger deaths.

Other factors that could contribute to accident and fatality reduction include improvements in automobile and road design, better law enforcement, and state and local traffic safety campaigns.

All these things together have made a change in driving habits and attitudes. And, although the energy crisis has abated in the minds of many, these habits and attitudes appear to have been retained.

If the number of fatalities is any indication, drivers in Nebraska appear to be aware of good driving habits and are taking caution to keep the fatality rate down.

Dixon News

Fellowship Group Elects Officers

Dixon Senior Methodist Youth Fellowship met Sunday evening. Sandra Hirschert led the lesson. New officers were elected with Kris Young, president; Cheryl Abis, vice president; Clayton Hartman, secretary; Anja Eckert, treasurer, and Lori Hartman, news reporter. Shelly Prescott served refreshments. Next meeting will be Sept. 28 with Shelly Prescott as lesson chairman and Randy Stingley serving refreshments.

Honor Mrs. Hassler
Last Wednesday afternoon guests in the Mrs. Doratha Hassler home in honor of her birthday were Mrs. Duane Diediker, Alice Kamrath and Brandy Blohm, Mrs. Alfred Hinz, Milpitas, Calif., Mrs. John Marlen, Omega, Kan., Mrs. Kermit Turner, Wakefield, Mrs. Harry Bose and Carol Diediker, Sioux City. Evening visitors were Mrs. Henry Barthing and the Larry Lampbrechts.

Receive Purple Ribbon
The Wranglers 4-H Club sang at the Nebraska State Fair Aug. 30 and received a purple ribbon. Barbara Creamer was their accompanist.

Small, But Successful

DESPITE a rather small crowd for Sunday's annual Wayne Kiwanis white elephant sale at the city auditorium, the club netted over \$250. Proceeds will go to support club functions, including the club's youth programs.

Tips Given on Controlling Insect Invaders

Insect invaders of the home this time of the years include crickets, weevils, elm leaf beetles and face flies, according to John Wilkowski, extension entomologist at the Northeast Station at Concord. With the exception of the cricket, these insects do no damage but may be quite an annoyance. Crickets, however,

can severely chew and damage clothing, particularly if the clothing is soiled. Crickets may be controlled by spraying small areas such as cracks and crevices inside the home with an aerosol bomb containing malathion or spraying the outside foundation with either Malathion, Sevin or Chlorfane. Invading weevils are normally

about one fourth inch long and have an extended curved proboscis or mouth. Simultaneously treat the foundation and around windows and doors with a 3 per cent chlordane spray.

Elm leaf beetles are about one fourth inch long and are yellow and black with a black stripe near the outside of each wing cover. Both the adult and the slug like larvae are severe defoliators of the American and Chinese elm. Beetles in homes can be simply picked up with a vacuum cleaner or sprayed directly with a household spray bomb containing either pyrethrum diazinon or malathion.

Face flies closely resemble house flies except they are slightly larger and darker than the house fly. In the fall they enter buildings to hibernate. The best control is to prevent their entry but the "fly swatter" and several cans of an aerosol bomb containing an insecticide such as one per cent DDDVP or one per cent Dibrrom should help. Hang one per cent DDDVP resin strips in attics, one per 1,000 cubic feet also will help. For additional information see your local county agent.

WS Student Wins \$25 Bucks Prize
A Wayne State student, Randy Freivoget, won last week's consolation prize in the weekly Birthday Bucks promotion in Wayne.

Freivoget of Wayne won the \$25 prize when he turned out to be the person in one of the participating businesses with the birthday closest to the date drawn at random earlier. Freivoget was at Gibson's Discount Center when the winning date of July 8, 1975 was announced last Thursday night. His birthday is Aug. 14, 1955.

The drawing tonight (Thursday) at 8:15 will be for \$500 as a result of another week going by without a grand prize winner being named. If the top prize is not claimed this evening, another \$25 consolation prize will be awarded.

All shoppers in the Wayne area are eligible to take part in the weekly drawings. No purchases are required and there is no limit on the number of times a person may win.

THE WAYNE HERALD

'Child's Interest Is Our Concern'

"We are the child's advocate" is the best way to explain the role of the Nebraska Childrens Home in Omaha, said Kaye Ebberson.

A caseworker for the Childrens Home, Miss Ebberson said at Monday's Wayne Kiwanis meeting that the Home's main concern is the best interest of the child who had been abandoned by his parents.

The Childrens Home has three functions, she pointed out. It helps to provide an adoption service for homeless children, help for unwed mothers and seek foster care for youths.

In providing suitable homes for children, it is important to find a favorable environment for

Cub Scout Recruit Night Is Monday

All boys eight through 10 years old interested in joining Cub Scouts are invited to attend a Cub Scout recruit night on Monday at 7:30 at West Elementary School.

David Clark, district director, will assist cubmasters John Rebersdorf of Pack 175 and Richard Brown of Pack 221 to register new members. Cost is \$2.

Boys joining Cub Scouts should be accompanied by their parents.

Treasurers for this year are Robert Porter, Pack 175, and Robert Carhart, Pack 221.

the child's growth Miss Ebberson said.

The number of children available for adoption is decreasing, she noted, adding that one of the main reasons for the decrease is that unwed mothers are keeping and raising their children.

Most of the youths the Home tries to place in foster homes are teenagers. Some families shy away from providing a foster home for teenagers because they feel trying to cope with them is too hard, she said.

"If families would accept a teenager for what he is and treat him like individual members of the family, the problems

Allen Board Hires Roberts to Assist With Career Ed

Mrs. Darlene Roberts, Part-time special education teacher at Allen schools, has been hired as assistant director of Allen's career education program.

Mrs. Roberts, who will assist director Bruce O'Callaghan, was named during Monday night's school board meeting. Her salary was not disclosed.

Members agreed to refrain from setting school activities on Wednesday nights, leaving those nights free for church activities, according to superintendent Virgil Ferguson.

In other business, the board okayed the dismissal of students from classes Friday in order to see the American Bicentennial Freedom Train in Sioux City. Students will be excused from classes only if they have a signed permission slip from their parents. Ferguson pointed out
