FRIDAY NIGHT was perfect for a Boy Scout outing and Troop 174 in Wayne took advantage of it to invite some youngsters who they hope will become interested in scouting. Left, Mike Koch picks a mushroom which scoutmaster Bob Carhart later identified as inedible. Center, assistant scoutmaster Ray Replogle shows Sedic Ellington, Mark Bolenkamp, Mike Koch and David Wiener some of the fine points of fin fry cooking. Right, Glen Elliott cranks ice cream to top off the outdoor meal.

## Battle Is Brewing over Rail Branch Line

Railroads have pretty much had things their own way in recent years regarding the curtailment of branch line service, but the Chicago and North Western Railroad will be facing stiff opposition in November at a hearing on their request to abandon the line between Dakota City and Wayne.

The Interstate Commerce Commission (ICC) has scheduled a two-day hearing in Wayne, beginning at 9 a.m. Nov. 11.

An ICC administrative law judge will take testimony on the matter and make a recommendation to the commission.

Duane Gay, northeast Nebraska representative on the state Public Service Commission, said Friday afternoon that the commission will protest the abandonment and is planning a meeting of shippers and interested parties to collect information to be used in the case.

Gay said the meeting date has not been set but that it will be in mid October and that Wayne Shippers will be individually contacted by PSC staff members gathering statistics on the effects of closing the line.

While railroads have usually been successful in recent years when requesting the abandonment of branch lines, Gay thinks the PSC might be able to win this case.

"Our intent is to have our entire staff participate in the protest," Gay said. "Personally, I think we have a decent chance to win this one."

Gay said the two days stipulated on the hearing notice were requested by C&NW to present their case. He said the PSC has asked for an additional two days to present the other side of the question.

The purpose of the meeting the Nebraska Commission plans to hold in October is to rally support against the railroad's request and to complete the compilation of information about the impact of the proposal.

Gay said the railroad has allowed the track to deteriorate and said poor service is part of the reason for the decline in the number of cars shipped on it annually.

The commissioner said the railroad company is interested in Nebraska only as a "bridge" state with mainlines running through it. "They couldn't care less about the branch lines," he said.

Ramifications of losing the Dakota City Wayne branch are serious, Gay said. Farmers will eventually bear the brunt because loss of rail transportation will mean higher fertilizer costs and in some cases, less money for their grain. Increased truck traffic will also mean more wear and tear on highways in the area and could contribute to a higher accident rate, Gay pointed out.

Gene Fletcher, owner of the Farmer's Elevator in Wayne, said loss of rail transportation could, in some instances, cost farmers up to five cents a bushel on their grain because truck transportation is often higher than rail rates.

The difference depends on where the grain is going to. Right now, truck bids for moving grain are better than for rail freight, Fletcher said, but that could easily change if large amounts are sold to foreign buyers.

"Then they'll need the grain at the Gulf of Mexico and for that they'll want box cars." The cost of fertilizer would climb sharply in the area if only truck transportation is available, Fletcher said.

Dry fertilizer comes from Florida or Canada and shipping over long distances is cheaper by rail. Fletcher estimated dry fertilizer would cost about \$12 a ton more if it had to be shipped in by truck.

Larry Skokan of Terra Western fertilizer in Wayne said all of his dry fertilizer and part of his anhydride fertilizer is now shipped by rail and while he said it isn't a dollar amount, it's not a serious problem, he said.

The first two weeks in October are considered an ideal time to control the weeds because spray drift is not a serious problem, Lindsay said, and many experts believe fall spraying is much more effective than in the spring.

The recommended control method is to spray with from one and one-half to two pounds of 2, 4-D herbicide per acre. Lindsay recommends using a sprayer with a 100 gallon water tank, 10 gallon spray nozzles and driven at four miles per hour. Five gallons of 2, 4-D with four pounds of active ingredient per gallon will need to be added to the 100 gallons of water to apply two pounds of the chemical per acre.

Further information can be obtained by contacting Lindsay at 375 3772.

Hikers and bikers should be ready for an 11-mile trek to raise money for the Wayne and Dixon County fund raising effort for CROP (Christian Relief Overseas Program).

Volunteers for the event, slated for Oct. 19, will be asking for sponsors to sign a card pledging to give an amount for each mile covered on foot or by bicycle.

The hike and bike for hunger will begin at 1:30 p.m. Oct. 19 at the Dixon County fairgrounds at Concord and following a circuit route east, returning to the town.

Rev. Bob Nebel is chairman of the event and has sponsor cards available for Laurel volunteers. Other clergymen who have sponsor cards available are: Concord Rev. Dettlov Lindquist; Allen Rev. Waylen Brown; Dixon Rev. Al Ramos; Wayne Rev. Ken Edmunds; Rev. Doniver Peterson; Rev. George Francis; Rev. Paul Reimers and Father Tom McDermott.

Volunteers are responsible for getting one or more sponsors and for collecting the money after the event.

Rev. Nebel estimated that about 200 volunteers are needed to raise enough money to meet the \$2,500 goal for the local campaign. CROP is the overseas food relief program for the National Council of Churches, with 31 member denominations.

## Nominations Are Sought For Local ASC Committee

Farmers are asked to nominate candidates of their choice to be on the Agricultural Stabilization and Conservation (ASC) county committee ballots, says Raymond Butts, Executive Director of the Wayne County ASC office.

The ASC county committee election will be conducted from Nov. 21 to Dec. 1 by mail ballot. Wayne County has been changed to a one community county for ASC election purposes. County ASC committeemen are now

selected by mail ballots instead of by community committee delegates to a county convention. ASC committees are responsible for managing government farm programs on the local See ASC, page 7

## Workshop Director Announces Plans

Ron Millage, director of the Northeast Nebraska Rehabilitation Services workshop in Wayne, has announced his resignation, effective Oct. 17.

Millage has held his present post for about a year. He graduated from the University of South Dakota at Vermillion in 1973 and was a supervisor at the rehabilitation center in South Sioux City for a year before moving to Wayne.

His immediate plans are to return to Raskin Park packing house in Sioux City, Ia., where he previously worked for five years under another owner. He will be in a foreman training program, Millage hopes, eventually enter social services work with the state of Iowa.

No replacement for Millage has been named.

## Encephalitis Is Possibility In Wakefield Case

A possible case of encephalitis has been reported in Wakefield by Dr. C.M. Coe.

The doctor said a clinical diagnosis indicates that Mrs. Don Peters of Wakefield had contracted the disease, commonly called sleeping sickness.

However, Dr. Coe emphasized that nothing can be confirmed pending the return of laboratory tests.

Mrs. Peters was hospitalized briefly about two weeks ago in the Wakefield Community Hospital for testing. Dr. Coe said she is now at home and that her condition is "improving."

He said he had encountered no other cases indicative of encephalitis.

## WH Homecoming Theme: 'Wildcats Are Dynamite'

"Wildcats are Dynamite" is the theme of this year's homecoming activities at Winside High School.

Beginning today (Monday) through Friday, students at Winside will hold various homecoming activities, including a bonfire, parade, poster contest, crowning of the king and queen and a dance.

Candidates for this year's royalty will be announced Thursday night following a home volleyball contest with Wausa. Also after the game the traditional bonfire will be held near the football field.

Following dismissal of classes at 2 p.m. Friday, students will parade from the high school to the village park, where students will hold a pep rally.

Coronation will be held at halftime of Friday's Winside-Wausa game. A dance follows from 9 to midnight at the multi-purpose room in the elementary school. Playing for the dance will be Capun.

During the week-long celebration, each of the four high school classes will be making posters which will be displayed during the football game.

## Woody Allen Comedy Hit Is First WSC Fall Play

The first production of the season for the Wayne State College Theatre Department will be "Don't Drink the Water," a Woody Allen cascade of comedy to be staged Oct. 26 and 27.

Performances will be at 2 p.m. Oct. 26 and 8 p.m. Oct. 27 at Ramsey Theatre in the Vot Peterson Fine Arts Center. Dr. Helen Russell, professor of the arts at WSC, is directing the show.

Walter Hollander, Jewish and typically "old country," is played by Noel Rennerfeldt, Wayne State senior from Oak land, and Hollander's wife, Marion, is portrayed by Jean Derman, a senior from Norfolk.

The Hollanders and their beautiful young daughter, Susan, are on a holiday in a small European country behind the iron curtain whose population is made up of three million, nine hundred and seventy-five thousand athletes, twenty-four thousand agnostics, one thousand Jews and one Catholic.

As the play gets underway the Hollanders find themselves in the American Embassy which is surrounded by machine guns. Sharing the embassy-fort is the country's one Catholic, Father Drobney, who has been held up at the embassy the past six years — practicing magic tricks.

Father Drobney is played by a Wayne State junior Kevin Baron from Omaha.

Jackie Meisel, a sophomore from Norfolk, plays Susan Hollander who has been held up at the embassy the past six years — practicing magic tricks.

## City Council Agenda Includes Liquor Tax

The Wayne city council will consider levying an occupation tax on class C liquor licenses when they meet in regular session Tuesday night.

The council is scheduled to meet tonight (Monday) at 5 p.m. to canvass votes for the special liquor election held Sept. 23. A preliminary count by city clerk-treasurer indicates that the proposal was approved by a majority of voters.

Council members will discuss the need for an electric rate study and will also consider a resolution to raise electric rates.

Other agenda items include the second reading of an ordinance to raise city administrator Fred Brink's salary, a resolution for paving at the Industrial site east of Wayne and a request for rezoning.

# Food status? Try this quiz

Is the world facing starvation? Are we doing all we can to grow more food? If you eat less, will that help hungry people in the rest of the world?

The Department of Agriculture has just issued a booklet that answers questions about the world food situation simply and directly. The booklet takes the form of a true-false quiz based on the most frequently asked questions.

Can you sort out fact from fiction in the things you hear and read about food, hunger, and famine in the world? Take the following quiz and see. If you want the complete facts, write for a free copy of "Is the World Facing Starvation." Send your request with a self-addressed mailing label to: USDA, Rm. 545-A, USDA Office of Communications, Washington, D.C. 20250.

Answer the following questions either true or false:

1. The famine in the world is one of the worst in history.
2. Malnutrition is a world-wide problem.
3. Over the last 10 to 20 years, the amount of food per person has been declining steadily in the less developed countries in the world.
4. Total food production in less developed countries, where it is needed is falling far behind food output in developed countries.
5. The world is down to only about 30 days supply of food.
6. About 8 of 10 babies in the world are born in less developed countries.
7. At the present rate, we will increase our world population by one-fourth in less than 10 years.
8. The real solution to the long-run food problem is to increase food production in developed countries enough to take care of food deficiencies in the less developed nations.
9. Almost all governments in less developed countries have policies designed to produce more food for their people.
10. Food grains are the single most important part of the world's food supply.
11. The strongest demand for food in the years ahead will continue to be for food grains such as wheat and rice, and not for meat.
12. If you ate a little less beef per week, that would free up some of the grain used to feed beef animals — and you would be making a real contribution toward helping the world's hungry.
13. The most needy of the world's people are rice eaters. If the United States produced twice as much rice and ate one-half less, that would solve the world's major food problem.
14. It would be a good policy to greatly increase the world food grain supply, especially of wheat, by raising wheat instead of corn on much of our Corn Belt land in the Midwest.
15. The answer then is to change our diets drastically from animal proteins to cereals, making much more food grain available to the less developed countries, and at a price that they might readily afford on the world market.
16. Food prices around the world have been rising faster than the prices of all other commodities.
17. A major drop in food production caused the sharp rise in food prices since 1971.
18. What the hungry world needs for the long haul is more food aid to prevent malnutrition.

# STRAY Thoughts

By Jim Strayer

WAYNE-CARROLL High School students planning to attend college next year might do well to contact counselor Ken Carlson now about costs and financing.

Financial aid is available for many students, but early planning is needed. For example, financial reports from parents are needed by students by January for students who need aid to attend the University of Nebraska-Lincoln next year. Ken says that because forms must be processed first, about six weeks should be allowed and he recommends the forms be mailed shortly after Thanksgiving.

The first step is planning to get a copy of "Meeting College Costs in 1976-77, A Guide for Parents and Students."

The booklet provides a checklist of steps to follow in applying for aid and explains how to estimate college expenses, how to figure the amount of aid needed, where aid can be obtained.

NELIGH NEWS and Leader editor Randy Grosse offered this story which is a pretty good commentary on why kids start smoking (I confess, I'm part of the guilty group). A father came home from work one day to discover his children standing on the back steps, puffing away. He became quite angry and asked them what they thought they were doing. "We're playing church," was the quick reply.

The answer was confusing and Dad asked for an explanation Junior replied,

"Well, Pop, we've had the sermon, sang the songs and prayed. Now we're standing around on the steps, smoking."

SMOKERS KNOW only too well how bad the habit is (I recall a non-smoking drill sergeant who put it very succinctly when allowing us our daily "coughin' nall": "Feed your disease," was his order.) Shortness of breath, a bad taste in the morning and sometimes irritated eyes are only part of the immediate rewards of our habit.

As I sit here with a cigarette smoldering in the ash tray not under the typing table, I can't help but wonder how it all began.

Like most of us, my first experience didn't lead to the habit. A friend and I came home from grade school and swiped some long-forgotten pipe tobacco which had been getting moldy in the humidor, which had long since been relegated to a decorative status.

We smuggled the contraband down into the cellar and rolled it up into a piece of paper hastily torn from a school writing tablet, and lit up. That should have been enough to make anyone swear off, forever.

A YEAR OR so later, a friend from Kansas revealed to me an honest to goodness pack of real cigarettes. He always stayed several weeks in the summer with his grandmother, who was our next door neighbor in Fairbury. Looking over his treasure, I decided to give it another try. Seclusion was mandatory but our choice wasn't the best. Our neighborhood

had drainage ditches at the time, rather than concrete curb and gutters. The ditch was particularly wide in front of his grandmother's home and was crossed by a "bridge." We decided that under the bridge would be a good place for our grand experiment.

I should explain that the "bridge" was maybe five feet long, four feet wide and had about three feet of clearance underneath.

No one would see us there, we decided. Of course not — when Dad came home for lunch and saw a pair of legs sticking out from under each side and smoke rolling out, he figured the bridge was on fire and we were trying to put it out. Right? Wrong.

Like many fathers, mine decided a fitting punishment would be to let me continue my experimentation openly and handed me an evil looking — and worse smelling — black cigar.

This time, I really swore off, forever. How it started again is too many pages ago to remember. Like a lot of other people, I plan to quit, someday. For now, it's time to stop writing. You see, my cigarette has just gone out and

# Critic advocates agriculture confrontation

Political decisions are destroying the U.S. farmer and rancher and confrontation not compromise, with these political forces, offers the only hope for survival of the American food production system.

The most revealing statistics on agriculture and the consumer's problems have just been published. The cost at retail of a market basket of foods produced on U.S. farms in a year's supply for the average urban household of four went up \$105 in the past year, from \$1,727 to \$1,832. And of that \$105 increase, \$1 went to the farmers and ranchers who produced the food and \$104 went to the meat packers, millers, bankers, bottlers, canner, cooper, packers, railroads and all the others in between the producer and the consumer. And of that total cost of processing and moving food to the retail store, labor received an estimated \$1 per cent.

Farmers and ranchers, who have experienced a 27 per cent increase in their per acre household of four in the last year and a 29 per cent decrease in their net incomes, have just seen President Ford knuckle under to George Meany of the AFL-CIO and the longshoreman as they blackmailed their way into higher subsidies for the maritime industry on a continued limitation on grain sales to the Soviet Union. Mr. Meany has "magnani-

mously" said he would postpone the longshoremen's boycott of Soviet grain ships for a month but that he must be sure that such sales will not be inflationary.

It's time for consumers to ask Meany and Big Labor if this sudden concern for their welfare will include the following:

To keep consumer costs down, will Mr. Meany and Big Labor never again shut down the trucks or trains or ships or planes and mills and mines in order to enforce their inflationary wage demands?

Will Mr. Meany urge union members to work harder so that their productivity per man hour can be improved and thus reduce costs of products to consumers? (Output per man hour on farms is three times higher than it was 20 years ago but output per man hour in manufacturing is only 1 1/2 times higher than it was 20 years ago.)

Will Mr. Meany and Big Labor quit lobbying for big government spending legislation that increases "deficit" deficits and is the root of the whole inflationary mess?

— Since Mr. Meany believes that the federal government should handle all farm commodity exports on a government to government basis, is he ready to have the output of his industrial workers turned over to the government for trad-

ing on the same basis?

And consumers as well as U.S. farmers and ranchers should ask President Ford a few questions such as:

— Is Mr. Meany and Big Labor going to set the nation's foreign policies and dictate the nation's trade agreements from now on?

— Why did the Administration work out a unilateral "compromise" with Mr. Meany and Big Labor on the grain shipments and ignore the rights and interests of the farmers and ranchers who produced the grain in the first place?

— Is the Ford Administration considering export moratoriums and limitations on all the products of U.S. industry on which the jobs of Big Labor depend, in the name of "controlling inflation" and "protecting" the American consumer?

— Is the Ford Administration going to ask farmers and ranchers for "all out" production next year and again promise that if without pay curbs on their export production?

— If it didn't send the Mr. Ford is not an "elected" President. Well, the American people certainly did not choose George Meany to serve as a self appointed dictator.

M. M. Van Kirk, director of information, Nebraska Farm Bureau Federation.

## OBSERVATIONS

### Industrial plan needs foresight

As an addendum to Thursday's story on industrial development in Wayne: The Department of Economic Development says Nebraska received high marks from professional developers in recent nationwide survey to determine each state's attitude toward business and industry.

Spokesmen says Nebraska was one of 19 states where developers received "excellent" cooperation.

Three states were rated as "good", while nine states were "indifferent" and 18 were described as "anti-growth, difficult to deal with."

States like Nebraska and communities like Wayne are in an enviable position regarding industrial growth. We have

tremendous potential in that area and with some hard work, should be able to attract industry.

At the same time, industrial growth can be controlled to meet local needs, industrial development is desirable and advantageous to a community for a variety of reasons but at the same time can bring problems if planned and foresight isn't exercised.

As Nebraska in general and Wayne in particular forge ahead in attracting industry, planners must exercise care to ensure that growth will be beneficial in the long run to both the communities and the companies involved. — Jim Strayer

## Cost of government index lauded

FIRST District Congressman Charles Thone has come up with another good idea, if he can make it work.

Thone plans to introduce a bill that would require the U.S. Bureau of Labor Statistics (BLS) to publish cost of government figures to be released monthly with the present cost of living indexes.

The Congressman claims to have come up with a system to combine government statistics into a cost of government index which would show that the cost of local, state and federal government has grown faster than the general cost of living.

Cost per person of supporting govern-

ment went up 125 per cent between 1965 and 1975 with the biggest jump being in payments by individuals to state governments — up 169 per cent. Since 1970, the cost per person of supporting government has increased 42 per cent and in the year that ended June 30, an average of \$1,958 was paid per person for government, from a per capita income of \$4,690.

The public has a right to know what their government is costing and Thone's idea seems good. A great deal of opposition will probably need to be overcome to see the bill become law but we wish him good luck. — Jim Strayer.

# 1975 Fall Bible Institute Features Slate of Courses

Area individuals wishing to attend one or more of the fall Bible Institute courses being sponsored by the Wayne circuit of the Lutheran Church, Missouri Synod, should contact the Rev. John Upton, pastor of Wayne's Grace Lutheran Church.

Courses, free of charge, will be offered each Sunday evening throughout October from 7 to 9:30 p.m. at St. John's Lutheran Church, Wakefield, and will be conducted by local and area pastors.

Persons planning to attend one or all four Sunday evenings will participate in two hour-long sessions each evening. Several sessions, covering a wide range of topics, will be conducted each hour and individuals will choose one session to attend each hour. Classes will run from 7:15 to 8:15 and from 8:30 to 9:30.

Topics to choose from during the first hour and leaders:

- "Lutheranism in America" by the Rev. Carl Broecker, pastor of St. Paul's Lutheran Church in Wakefield and Trinity Lutheran Church at Atlanta.
- "Ecumenism" by the Rev. Henry Niermann, pastor of Im-

manuel Lutheran Church in Laurel and St. Paul's Lutheran Church at Concord.

- "Philippians," a Biblical study on St. Paul's letter to the Philippians church, conducted by the Rev. Paul Friedrich of Trinity Lutheran Church, Martinsburg.
- "Alcoholism and the Christian" by the Rev. John Upton.
- "Sunday School Teachers Workshop," a workshop for lower division teachers conducted by Will Tewes of Seward, district secretary of education.

Topics to choose from during the second hour and leaders:

- "The Christian Family," for married couples only, conducted by the Rev. James Weyland of Hope Lutheran Church in South Sioux City.
- "The Large Catechism" by the Rev. Jack Schneider, assistant pastor at Wayne's Grace Lutheran Church.
- "Dealing With Life's Problems" by the Rev. Gerald Gotberg, pastor of St. Paul's Lutheran Churches in Winslow and Norfolk.
- "Sunday School Teachers Workshop," a workshop for upper division teachers, con-

ducted by Will Tewes.

According to Rev. Upton, nearly 150 persons are expected to attend the fall Bible Institute, representing St. Paul's Lutheran Church, Winslow, Grace Lutheran Church, Wayne, Immanuel Lutheran, St. John's Lutheran, and Trinity Lutheran Churches, Wakefield, Immanuel Lutheran Church, Laurel, St. Paul's Lutheran Church, Concord, Trinity Lutheran Church, Martinsburg, Hope Lutheran Church, South Sioux City, and St. John's Lutheran Church, Newcastle.

The event, to which all friends and relatives are invited, is being hosted by the couple's children, Mrs. Phillip (Irene) Ave of Hoskins, Gene of Hadar, and Lucille, at home.

# SPEAKING OF PEOPLE

## Awards Banquet To Be Tuesday

The Wayne Country Club Ladies awards banquet will be held Tuesday evening, with cocktails at 6:30 p.m. and supper to follow at 7.

Bridget awards will be presented by Mrs. Gordon Huser, and golf awards will be presented by Mrs. Duane Bloemkamp.

This year's banquet will also feature a style show, with fashions furnished by Wayne merchants.

The banquet is for all members and their guests.

## Couple Plan Celebration

Mr. and Mrs. William Schwede of Hadar will observe their 35th wedding anniversary Sunday, Oct. 5, with an open house reception from 6 to 9:30 p.m. at the American Legion Post 16, 1305 Riverside Blvd., in Norfolk.

The event, to which all friends and relatives are invited, is being hosted by the couple's children, Mrs. Phillip (Irene) Ave of Hoskins, Gene of Hadar, and Lucille, at home.

## Yoga Director Will Lecture At Wayne State

Noah Webster defines yoga as mental discipline to direct attention exclusively upon one object in order to identify the consciousness of the object.

Dr. Prataap will have more to say on the subject.

Dr. Prataap is director of the Yoga Academy in Philadelphia, Pa., founder of SKY Foundation in Philadelphia, a staff member of the Philadelphia Institute of Awareness, and consultant for the Community Mental Health and Psychosomatic Clinics at Thomas Jefferson Hospital in Philadelphia. He is also managing editor of the Yoga Mimamsa magazine.

Dr. Prataap will be lecturing at the Wayne State College Student Center Birch Room at 7:30 p.m. Monday, Sept. 29. Admission is \$3.00 per person. The lecture is sponsored by the Wayne State College Yoga Society of which WSC student Dan Mackey of Norfolk is president.

Dr. Prataap was born in Valsundhara, India. He received his Ph.D. in psychology at Andhra University in India and joined Kavyayadharma in 1959, obtaining his diploma in Yoga Pravaishia in 1961. Dr. Prataap worked in Kavyayadharma Samiti as a research psychologist and lecturer in yoga and mental health, and in 1967 earned a Ph.D. at the University of Bombay.

## The Simple Truth Appear at Allen

The Simple Truth, a four-member ensemble, will present a sacred concert at the United Methodist Church in Allen Saturday evening, Oct. 4.

The public is invited to attend the 8 p.m. program, according to the Rev. K. Waylen Brown, pastor. A free will offering will be taken.

Members of the group include Avon-Ojala of New Zealand, a licensed minister who also plays the electric piano, organ, accordion, trombone, drums and bass guitar. Ojala was national

champion instrumentalist for four consecutive years.

Other members are Boby Joe Howard of Amarillo, Tex., formerly with the Singing Deweys, Greg Ham of Seattle, Wash., a senior at Mid-American Nazarene College at Olathe, Kan., until joining the group, and Jim Bridges of Belzoni, Miss., formerly with the True Light and a senior at the Jackson Mississippi College majoring in religion.

Coffee and cookies will be served in the church parlors following their performance.

## Bruggers to Mark 50th

MR. AND MRS. Norbert Bruggers of Wayne will observe their golden wedding anniversary Sunday Oct. 5, with an open house reception at St. Mary's School Hall, Wayne, from 7 to 4 p.m. All friends and relatives are invited to attend. The couple requests no gifts. Bruggers were married Oct. 7, 1925, at St. Mary's Catholic Church in Wayne. They have one daughter, Mrs. Earl (Marcella) Larson of Wayne.

## Recent Bride is Honored

Recent bride Mrs. LaVerte Johnson of Laurel was honored with a miscellaneous bridal courtesy held Sept. 30 at the Concordia Lutheran Church, Concord.

Mrs. Johnson, nee Nancy Leah

Forney, daughter of Mr. and Mrs. Russell Forney of Ponca, was married Aug. 30 at the Trinity Lutheran Church at Martinsburg. The bridegroom is the son of Mr. and Mrs. Albert Johnson of Laurel.

Twenty guests attended the shower from Ponca, Omaha, Wayne, Laurel and Concord. Decorations were in pastel colors. Mrs. Glen Magnuson had devotions and Mrs. Wallace Anderson read an article, entitled "What is a Farmer's Wife?"

Esther Johnson of Omaha poured and assisted the bride with gifts.

Hostesses were Mrs. Harvey Rastede, Mrs. Florence Johnson and Mrs. Floyd Johnson, all of Laurel, Mrs. Wallace Anderson of Wayne and Mrs. Glen Magnuson of Concord.

## Pink and Blue Shower Given

A pink and blue shower for Mrs. Fred Krause of Norfolk was held last Monday in the home of Mrs. Dan Plantenberg, Hoskins.

Thirteen guests attended the evening fete from Norfolk and Hoskins. Decorations, in yellow and white, featured a baby giraffe centerpiece at the gift table. Games served for entertainment with prizes forwarded to the honoree.

Life is a struggle.

## Son Married

Mr. and Mrs. Thomas Lindsay of Jamestown, N.D., formerly of Wayne, announce the Aug. 16 marriage of their son, Thomas Brian, to Kathie Lynn Rosenau of Jamestown.

The bridegroom is the grandson of Mrs. Maude Lindsay of Wayne and Mr. and Mrs. Harold Shell of Laurel. The couple's new home is at 914 11th Ave. N.E. in Jamestown.

## Girl Commended For Scholastic Merit

Miss Kris Nedergaard, daughter of Mr. and Mrs. Gordon Nedergaard of Wayne, has been named a Commended Student by the National Merit Scholarship Corporation.

She is among 35,000 students nationwide commended by NMSC for high performance on the 1974 Preliminary Scholastic Aptitude Test National Merit Scholarship Qualifying Test.

Students in this category represent less than two per cent of those who are expected to graduate from high school in 1976. Their scores were just below those of the 15,000 semifinalists announced by NMSC in September.

## IRA to Hold Meeting at Wayne

The Northeast Nebraska Council of the International Reading Association (IRA) will hold its fall meeting Tuesday, Oct. 7, at Wayne. The meeting is scheduled for 7:15 p.m. in the Birch Room of the Wayne State College Student Union building.

The evening will be presented by Mrs. Gen Helgesen of Bemidji, Minn. Her topic will be "Operation Potlache, a Feast of Ideas." All persons interested in improving instruction in reading or the language arts are welcome to attend.

Registration is from 6:45 to 7:15 p.m., followed by the program and a coffee hour with informal browsing among displays prepared by Mrs. Hel-

egesen. There is no admission charge for IRA members or full time students. Charge for non members will be \$1, with membership available.

Mrs. Helgesen, a former fourth grade teacher in Bemidji, will present ideas for art, music, study of one's state, creative writing, poetry and reading in instruction techniques which have worked for her. Many of her ideas and experience in working with young students were recently published in a paperback book.

The business meeting will be conducted by Mrs. Alice Johnson of Wakefield, president of the Northeast Nebraska, IRA Council Mrs. Johnson will pre-

sent pins to past presidents who are still members of the Council, including Mrs. Marjorie Decker of Tilden, Mrs. Delores Finch of Plainview, Bernice Langenberg of Norfolk and Mrs. Lois Dunklau of Pierce.

November 15, the IRA Council, along with Service Units I and VIII, will sponsor a work shop at the Norfolk Junior High School, prepared by the Good Apple People. The Nebraska State Conference on Reading will be held at Norfolk on March 26-27, 1975.

Persons who would like more information about the upcoming fall meeting should contact Mary Arlene Schulz at Wayne State College.

# Dalton, McCoy Sweeten Laurel's Homecoming Victory

By BOB BARTLETT

It's almost a sure bet that if Laurel coach Bob Bozied could take a portable crowd's nest with him to the Bears' away football games, the head referee would do it.

The announcer's booth, commonly referred to as a crowd's nest where the coaching staff watches both teams' offensive and defensive formations, was Bozied's home for three quarters during Friday's homecoming game as Laurel trampled Crofton, 42-12.

Carefully watching Crofton's defense, Bozied called the majority of his offensive plays while shuffling quarterback Brad Erwin and Gordon Kardell.

Bozied's new views of the game worked to perfection the first half as Laurel posted a 22-0 lead the first period, then added 14 points the second quarter for a 36-0 halftime command.

Laurel's top runningbacks, Mike Dalton and Mark McCoy, each cashed in on a pair of touchdowns the first half en route to Laurel's second North east Nebraska Activities Conference win against two loop losses. Dalton picked up this third TD in the third frame.

With less than two minutes gone in the first period, McCoy capped a 65-yard drive with a three-yard plunge into the end zone for a 6-0 lead. Laurel scored on its first possession with the aid of a 15-yard illegal penalty against Crofton. That moved the ball into Warrior territory where, on the next play, Kardell hit Jon Erwin for a 36-yard aerial to put the Bears into scoring range following the TD. Kardell and

Erwin teamed up for the two-point conversion to make the score 8-0.

About two minutes later, senior Brian Johnson intercepted a Mike Drotzmann pass on Crofton's 33-yard line. Four plays later the Bears had another six points on the board when Dalton — the games leading rusher with 149 yards in 21 game — scampered 24 yards to paydirt. Brad Erwin found Duane Nelson in the endzone for the two point play and a 16-0 lead.

Following a poor Crofton punt that went only two yards, Laurel again was knocking on the door with 5:22 remaining in the first period. After an interference penalty against the visitors, McCoy scored his second TD from the eight-yard line. The PAT failed.

Crofton's speedy Randy Goeden stopped McCoy from gaining his third TD in the second period when the Warrior defender came from behind to tackle McCoy on Crofton's 33. McCoy, who collected 142 yards in 15 carries, broke off left tackle from Laurel's 19 and raced 48 yards before being brought down.

Goeden's TD-saving play didn't stop the Bears from later scoring. Quarterback Erwin rifled a 23-yarder to Jon Erwin for another six pointer that boosted the margin to 28-0 with 9:05 left in the first half. Again the two-point try failed.

With less than five minutes to go, Dalton capped Laurel's final scoring drive of the half with a one-yard drive to put his Bear team in front 34-0. This time the

two-point pass to Nelson was good, pushing the score to 36-0.

"Going out and do what you want to do and not adjust — that's the name of the game," Bozied commented about his offensive strategy that never was hampered by Crofton's defense.

Laurel's ground game went for over 300 yards while the air game netted the Bears, almost another 100.

The same couldn't be said for Crofton's offense. The Bears' defense stode its ground for most of three quarters, until the final period when the visitors cashed in on two scoring plays.

Senior Roger Kvois led Laurel's fine defensive showing with six assists and 10 tackles while Steve Thompson had seven assists and eight tackles. Dan Nelson was next with three assists and nine tackles.

Laurel's final score came in the third period when Dalton broke loose for a 45 yard touchdown with 8:16 left.

LAUREL'S Mark McCoy (20) takes a pitchout from quarterback Brad Erwin as Erwin fumbles to the ground. Dalton breaks three yards for the Bear's first touchdown Friday night against Crofton. The six pointer was the first of two McCoy scored in the Homecoming match that saw coach Bob Bozied's club stomp the Warriors, 42-12. Also in the play is Laurel lineman Jon Erwin (87) as he attempts to block a Crofton defender.

## SPORTS

### Ponca Shutsout Allen

Ponca remains the front runner in the Lewis division of the Lewis and Clark Conference Friday night after the visiting Indians scalped Allen, 43-0.

The win boosted Ponca's conference mark to 3-0 and 4-0 overall while Allen's mark slipped to 1-1 in the loop and 1-3 overall. Friday night Allen goes on the road to face another undefeated division team, Homer. Homer is 1-0 in the conference.

"We looked good for about the first seven minutes of the ball game," said Allen coach Cliff Jorgensen, "but we fell apart after that."

Ponca pushed across 30 points the first half to shutout Allen's hopes of victory.

Twice the hosts had scoring opportunities called back because of penalties in the third period. Quarterback Shawn Persinger unleashed a 45 yard aerial to Steve Shortt to put Allen at its deepest penetration. Ponca's 15-yard line. But a major penalty brought the ball back. On the next play, Persinger dashed 40 yards down to Ponca's 35. But again a major penalty nullified that gain.

"Ponca is a fairly fast ball club," Jorgensen pointed out "but my kids just quit on me the first half."

Senior Charlie Ferguson was the Eagles' leading rusher with 59 yards in nine carries. On defense, senior Rob Rock again was the leader for the second straight game with 13 take downs. Right behind him were Randy Gensler and Vernae Roberts were seven and six respectively.

### Hartington Decked 26-6

## Winside Cashes In On Breaks

By DAN VODVARKA

Turning four Hartington mistakes into gold, Winside grabbed a Lewis and Clark Conference win 26-6 at home Friday night.

The host Wildcats cashed in on two Hartington first half fumbles then took advantage of an unsuccessful field punt and an intercepted pass to post the victory.

The win puts the Wildcats at first year coach Ron Peck at 1-1 on the year and 2-0 in the Clark Division of the loop. Hartington falls to 1-1 and 0-2 in the loop.

Although the hosts' offense was very effective in the right situations it was the Wildcat defense that made the difference as Winside stopped Hartington's

Kevin Eckhoff.

Eckhoff entered the game as the conference's leading rusher with an average of 116 yards a game during three contests.

Winside's tough 6-7 defense however, put a stop to that as Eckhoff, a 176 pound senior was held to just 56 yards on 27 carries.

Leading the mean Winside defense were Bob Hoffman and Brad Brummels up front and Neil Wagner, John Callow and Monte Pfeiffer as they jammed up the line and hounded Hartington's fresh quarterback Jeff Gort.

With a 6-02 left in the first quarter, a 67 yard, 78 pound Hoffman recovered a Hartington fumble on the visitors' 17 yard line. Hartington tried just four plays to score a quarterback Tyler Frevert plunged over from one yard out for the score.

Later in the period Gort found a Hartington fumble on the Hartington 46 and Winside began again to drive. Moving quickly, Winside scored again as Frevert rolled for 27 yards on a keeper and Cliff Tiller—a look a pitch and ran wide for the final 16.03 yards and the score with 11:13 left in the half.

Winside's extra point was again stopped.

Hartington struck back quickly as Eckhoff got loose on the following kickoff and scrambled to the Winside 30 yard line. Two plays later Chris Heert broke into the open and rapped 30 yards for the losers' only points of the night.

After taking the second half kickoff, Hartington drove to the Winside 49 where on fourth down the visitors tried a fake punt.

"Right in an up, blow 160," said the snap but was stopped cold by Hoffman and Brackman.

From there Frevert and Gort took over and marched for Winside's third touchdown of the game on 13 plays. On fourth down and two on the two yard line, Frevert faked the pitch out and sailed into the right corner of the end zone for the six insurance points.

Frevert also scored the double PAT on a similar play to the left side.

The final score of the game came in the fourth period when Hoffman picked off a Gort pass and scampered 46 yards for the touchdown.

A happy coach Peck tapped the winners' effort as "initially our best game of the season so far. We haven't played up to our potential until tonight."

### Guessers Tab Lindner, Moeller as Top Athletes

Paul Lindner and Brian Moeller have been selected as Athletes of the Week by the Second Guessers and coaching staffs. Lindner, Wayne High's leading defender, and Moeller, Wayne State's top rusher, were named last week during the club's weekly meeting.

Lindner leads the Blue Devil's tackle charts with 30 stops in three contests. Against Wisner-Pilger in Wayne's last game, the senior had seven takedowns to lead his club. "Paul might have had a lot more but Wisner only ran the ball 75 times," pointed out coach Al Hanson.

Against Midland College, Moeller scored both touchdowns to lead the Wildcats to their first victory of the season, 16-6. The senior tailback's two TDs pushed his total number of touchdowns for the season to four and helped land him sixth in the nation in scoring according to NAIA statistics released last week. Moeller has a total of 24 points.

The awards, which are presented to the top football player from Wayne High and Wayne State, will be presented each week.

HOLDING THE ball high, Winside quarterback Tyler Frevert scrambles into the end zone on a fourth and two play to score the Wildcats' third touchdown of the night. Bob Hoffman (81) signals the score as Winside went on to

win 26-6 in Winside. Hoffman had a big night on defense as he recovered a fumble and turned an intercepted pass into a touchdown.

## Madison Hands Wakefield Second Straight Defeat

Madison Friday night became the first school in five years to score two aerial touchdowns against Wakefield while passing the Trojans 33-0 in a West Husker Conference match at Madison.

Wakefield's loss marked its second straight in four outings and its first conference defeat of the season. Friday night coach John Torczon's Trojans return to the Wakefield field for homecoming against another loop foe, Wisner-Pilger.

Wakefield took possession the opening frame, but gave the ball up on its third play when quarterback Jono Kline threw an interception to Madison's Rob

Olson who returned the ball 39 yards for a 6-0 score. Still in the same quarter, Madison opened up the air lanes for the first of two aerial six pointers when quarterback Dick Peterson hit Craig Wehrle for a 72-yard TD strike.

Peterson scrambled for four yards in the second quarter to add another touchdown to give his team a 20-0 halftime lead. After a scoreless third period, the hometown Dragons added two more six pointers in the final frame. First one came on a 31 yard pass to Norm Funk followed by Steve Harper's 27 yard touchdown run.

"We tackled very poorly," said Torczon after noting that Madison's total offensive yardage for the night was 347 yards. Wakefield, which "was never close enough to score a field goal," mustered 143 yards for the game. Leading the ground crew was junior Brook Myers with 20 yards in seven attempts. The Trojans' top yard maker, senior Scott Mills, was held to only 19 yards in seven totes.

Mills' low yardage was due in part to thigh injuries he received early in the game that forced Torczon to pull his star runner out of the contest. Injuries also plagued lineman Steve Greve, who exited with a knee injury. Myers with a pulled neck muscle, and Tim Rouse with a bruised thigh.

## Hopkins' 3 TDs Leads Laurel to 32-14 Victory

Runningback Shannon Hopkins scored three touchdowns Thursday to lead Laurel's junior high to a 32-14 victory over Hartington public and the Bears' second straight win.

Hopkins scored a pair of TD's in the first half on runs of 15 and 20 yards en route to Laurel's 16-6 halftime command. Mark McCorkindale and Clark Hanson each made the two point conversion.

After a scoreless third period, Hopkins' great team coach Alan Schar each scored a six pointer. McCorkindale bolted across the goal line for both two-point conversions.

"Both the offense and defense did a great job," coach Alan Rainbolt pointed out. "The offensive line opened the holes and blocked well and the defense completely stopped their (Hartington's) runs."

Laurel's Lee Scoby set up one of Laurel's touchdowns in the fourth when he intercepted a Hartington aerial at Laurel's 45 yard line. Other top defenders were Randy Dunklau and Jeff Anderson, the coach noted.

## Linafelter Wins PPK Contest

Eleven year old Rob Linafelter of Allen has won his division of the annual Ford-sponsored Punt, Pass and Kick competition that was held Tuesday at Ponca. Son of Mr. and Mrs. Ken Linafelter, Rob will represent his area during the zone competition in Fremont on Oct. 11.

Tuesday's win marked the fourth straight year the Allen youth has placed first. Rob's total of 243 points topped a field of 16 youths. Linafelter punted the ball 78 yards, passed for 92 and kicked it 77 yards.

Three other Allen youths also competed. They were Jon Stapleton in the 11 year old category, and Beth Stalling and Gary Taylor in the 12 year old group.

## Wakefield JVs Host Walthill

Wakefield's reserve football team will be going after its third straight win Monday night when the Trojans host Walthill.

Tuesday night coach Joe Coble's crew got past Emerson Hubbard 14-12 to post its second win against ne defeats.

Trailing 12-6 with four minutes left in the game, Wakefield quarterback Jono Kline found teammate Val Johnson in the endzone for a four yard TD pass. Kline then hit Dan Byers for the two point conversion.

"Our defense played extremely well the second half," Coble said, after host Emerson scored all its points in the second quarter.

Wakefield took a quick 6-0 lead in the opening period when defensive safety Jeff Simpson intercepted an Emerson aerial and raced the ball 77 yards for a touchdown.

Emerson came back in the second period on a reverse to knot the game. Minutes later the Pirates went in front on a long pass that gave the home team a 12-6 edge.

## Wanted: Tankers for City Team

Youths interested in swimming in the city winter swim team are invited to attend a practice meeting on Wednesday from 6 to 7 p.m. at the Wayne State College pool in Rice Auditorium.

Membership is open to those persons up to 18 years of age or a senior in high school, said manager Scott Driscoll. After the Wednesday meeting, practices will be held weekly on Tuesday, Wednesday and Thursday.

Driscoll hopes to start meet competition in November and have about three to four meets before Christmas.

## Emerson Nips Wayne Frosh

Emerson Hubbard nipped Wayne's freshman gridder's 8-7 Thursday to hand the locals their second loss in as many starts.

Going into the second half, Wayne held a 7-0 lead. The Devils scored on a Tom Ginn to Brad Emry 27 yard aerial to cap a 65 yard drive in eight plays. Al Nissen kicked the extra point.

Emerson broke the scoring ice in the third period on a 45 yard run up the middle. The two point conversion was good.

Wayne had a chance to sew up its first win with about a minute left. Twice Ginn found receivers in the endzone only to have the ball dropped.

"Those two dropped passes weren't the only problems bothering our team," said coach Duane Blomkamp. "We just

## Into Second Week

The second week of city recreation volleyball finds Teams 1 and 6, and Teams 3 and 4 playing each other at 7 p.m. Wednesday at the National Guard Armory. The final match at 8:15 is between Teams 2 and 5.

No results were available for last week's matches after players voted not to keep league standings for wins and losses. According to city recreation director Hank Overin, members agreed to keep the league non-competitive.

Overin said plans are to keep the same team rosters for five weeks before picking new teams. If any member can't make the scheduled playing time, he is asked to contact Overin.

# Blues Chasers Thrill Crowd

About 350 students, faculty members and area residents attended the Olive Brown show at Wayne State College Ramsey Theatre Wednesday evening, responding enthusiastically to the black singer and her trio as they belted out their blues repertoire.

Ms. Brown made her appearance in a fringed pink ensemble with shocking red stockings.

Trio members were Calvin Dillard, who made some of the introductions and, to the delight of the audience, hammed it up on the sax; Sam Sprawling, veteran performer at the piano, and LeRoy

Bannister, providing the strong drum beat.

Olive Brown and her Blues Chasers, the first of the special program series at Wayne State College for this year, was presented with the support of the Nebraska Arts Council.

Next scheduled program will be a lecture by Charles Berlitz, author of "The Bermuda Triangle," who will visit Wayne on Tuesday evening, Oct. 21. Admission will be \$1.50 for adults, 75 cents for high school students and free to children under 12 and Wayne State students or faculty members.

BELOW, OLIVE Brown (center) and Calvin Dillard (right) are visited backstage by WSC students Samuel Wright, Chicago; Willie Bailey, Aurora, Ill.; Mark Malone, Indianapolis, and Tony Love, Aurora, Ill. Right, Olive belts it out, dressed in pink ensemble with shocking red stockings, during her performance at Wayne State.

United Methodist Women held their annual birthday party and guest day Wednesday with Mrs. Ann Roberts registering the approximate 90 persons who attended. Ushers were Mrs. J.C. Woods and Thelma Woods.

Theme was "A Fish Story."

Mrs. Ronnie Billheimer, president of the local society, gave the welcome and Mrs. Wayne Hankins accompanied for group singing of "I Love to Tell the Story." Mrs. Merlin Kenny was in charge of the call to worship. Her topic was "Prayer, Its Definition and Power."

A skit, entitled "A Fish Story," was presented by Mrs. Duane Creamer and Mrs. Stanley Hansen. Scripture readers were Mrs. Merlin Kenny, Mrs. Delmar Eddie, Mrs. Gene Rethwisch, Thelma Woods and Mrs. Don Harmer. Mrs. Wayne Hankins presented an oratorio, entitled "The Lord's Prayer," Jerry Junck sang two solo selections, accompanying himself on the guitar.

Mrs. Walter Lage conducted the memorial service for Mrs. Ted Winstrele and Gladys Woods. Mrs. Charles Whitney lit two candles. Mrs. Lage also presented a United Methodist Women membership pin to Mrs. Maurice Hansen.

Mrs. Ronnie Billheimer was presented a living corsage for missions. She presented mission corsages to Mrs. Al Ehlers of Wayne, the Rev. Gail Axen, Jerry Junck, Mrs. Merlin Kenny, Mrs. Duane Creamer, Mrs.

Wayne Hankins, Mrs. Stanley Hansen, Mrs. Don Harmer, Thelma Woods, Mrs. Gene Rethwisch, Mrs. Delmar Eddie and Mrs. Kenneth Hall. Mrs. Wayne Hankins and Mrs. Merlin Kenny presented their corsages to Mrs. Jessie Phillips and Mrs. Dorca Tietgen, both of Wayne.

Mrs. Charles Whitney introduced Mrs. Elaine Crowder, who is visiting her parents, Mr. and Mrs. Ernest Graham of Randolph. Mrs. and Mrs. Crowder are missionaries to Africa. Mrs. Crowder presented a corsage for missions by Mrs. Al Ehlers.

The Rev. Gail Axen had the closing prayer and Mrs. Ronnie Billheimer and Mrs. Al Ehlers poured at the salad bar luncheon.

Visit in Eddie Home

The Joe Brickzens and Vicky Wahpeton, N.D., were weekend visitors in the Kenneth Eddie home. They also visited in the Delmar Eddie, Don Eddie and Vincent Meyer homes.

The Floyd Andrewses of Wayne, the Lyle Jenkinses of Norfolk, the Kenneth Edies, the Don Harmers and the Joe Brickzens were dinner guests Sunday in the Earl Switzer home. Norfolk to honor the North Dakota visitors.

the Oct. 18 party.

September Meeting

The Town and Country Home Extension Club met Sept. 9 in the Lowell Olson home. Roll call was answered with a school day recollection.

New officers are Mrs. Willis Lage, president; Mrs. Dean Owens, vice president, and Mrs. Wayne Hankins, secretary-treasurer.

October 7 meeting will be in the Willis Lage home.

Birthday Supper

Judy Kavanagh was honored Sept. 16 for her birthday when supper guests in the Jack Kavanagh home were Mr. and Mrs. Don Bauers and Tom, and Mrs. Duane Schutte, all of Sholes, the Alden Servens of Concord and Jim Serven.

Weekend Guests

Weekend guests in the Lester Bethune home honoring the hostess for her birthday were their children, the Bob Bethune family of Storm Lake, Ia., the Merle Bethune family of York, and the James Townsend family and Roy Bethune, all of Grand Island.

Joining the group for supper Sunday were the Earl Bethunes and LaBita of Norfolk and the Milton Bethunes and Jamie of Randolph.

Auxiliary Meets

The American Legion Auxiliary met at the Woman's Club room Tuesday with hostess Mrs. Ronnie Billheimer. The hospital assignment has been received and booties will be made for the Soldiers and Sailors Annex at Norfolk.

Visitors Monday afternoon in honor of the occasion were Mrs. Jim Stenens and Mrs. Kenneth Eddie of Carroll, the Myron Larsons of Winside, and Mrs. Emma Davis, a former Carroll resident who is also making her home at the Randolph Manor.

The birthday cake was baked by Mrs. Eddie.

Mrs. Lyle Peters of Osmond and Mrs. Paul Schrad of Norfolk also visited during the weekend in honor of the event.

Attend Conference

Mrs. Charles Whitney and Mrs. Ann Roberts attended the state conference for United Methodist Women, held Sept. 19-20 at Norfolk.

Mrs. Richard Dinsdale of Falls City, who also attended the conference, was an overnight guest in the Whitney home.

Surprise Party

Mrs. Agnes Duffy was honored for her birthday when her sister, Kate Ross, planned a surprise party for her at her home. Guests were Mrs. Lillian Kenny, Mrs. Opia Marquardt, Mrs. Harold Loberg, Mrs. Anna Hansen, Mrs. Ellery Pearson, Mrs. Lyrill Thomas of Maankato, Minn., and Mrs. Clara Paisley of Ocheydan, Ia.

Mrs. Cecelia Wintz and Henry Ulrich of Belden were evening visitors to honor the occasion.

Meet for Picnic

Group 3 of the Allied Hawaiian Tours met at the Carroll city auditorium for a picnic dinner last Sunday. Mr. and Mrs. Robert I. Jones of Carroll were elected president and secretary-treasurer.

Guests attended the picnic from Wayne, Osmond, Bloomfield, Pilger, Norfolk, Stanton and Carroll.

The group, which meets annually, will hold next year's picnic the last Sunday in September at the Ta Ha Zouka Park in Norfolk.

agreed that the cost of dry fertilizer would undoubtedly go up.

Skokan said the number of cars shipped by his company is down this year because of a drop in the amount of products sold. He added, however, that service on the line "is not the best."

In addition to higher fertilizer prices, loss of rail service could possibly cause some problems in obtaining stocks during peak purchase periods. One railroad car can haul the same amount as three truck transports, Skokan explained, adding that it might be harder to get trucks in fast enough to keep up with demand.

Fred Gildersleeve, owner of Wayne Grain and Feed described service on the line as "rotten." "One train a week can't do much good. We need daily service."

He said he would do virtually all his shipping by rail if the service was good but doubts that will happen.

"They haven't repaired the tracks for 20 years. If they had kept the line up, they would have business, but it's too far gone now to think about repairing."

At times, elimination of rail transport won't affect grain prices because truck rates are equal or better but in some cases, the proposed abandonment could cost farmers from 10 to 15 cents a bushel on grain they sell, Gildersleeve said.

Bob Carhart at Carhart Lumber said his company does most of its shipping by rail, citing cost and convenience as factors which make the railroad preferable to truck transport.

Rail delivery is probably no more dependable than truck shipping, Carhart said, but most mills prefer to load on to railroad cars and his company prefers to unload them.

"With a truck, you must drop whatever you're doing and unload it as soon as it arrives," he explained. "We can hold a railroad car until it is convenient for us to unload it."

Carhart said onclosed railroad cars are also better than trucks for shipping finished lumber. He said he has been satisfied with the weekly service given by the railroad.

## Two Charged Free on Bond

(Continued from page 1)

Two men charged with receiving stolen property in connection with the theft of about 80 firearms from John Wriedt of Allen appeared in Woodbury County (Iowa) District Court last Monday, and afterwards were released on \$1,000 signed bonds.

Court records show that Carl Alvin Merchant Jr., alias "Lil Hebo," 19, and Donn Curtis Schultz, 22, were charged with receiving guns stolen from Wriedt's farm on Sept. 11. Wriedt said the guns are mostly antiques and worth about \$10,000, collectively. Sioux City police earlier arrested a juvenile in connection with the case and recovered 51 of the guns.

Schultz was arrested on a warrant last Monday by Sioux City police. He is scheduled to appear in court for preliminary hearing Oct. 1. Merchant waived preliminary hearing on that charge and also on a charge of larceny of a motor vehicle.

that day and will be asked if they will conduct fund drives in their businesses.

Also during the meeting, the boards will ask businessmen their feeling about setting aside an hour or two on the morning of the kickoff breakfast for workers to help canvass the city for donations. Although the idea may not be feasible this year, perhaps businessmen will go along with it next year, Swartz said.

"If there is enough support from businessmen to set aside an hour or two this year, we'll bring the question to the workers at the kickoff breakfast on Oct. 14," Swartz added.

The Oct. 14th breakfast at the Student Union will kick off this year's campaign. To attend that meeting are all the drive captains recruited by each of the board members, plus the five workers each of the captains recruit.

At the Oct. 14th breakfast each of the workers will take five cards with names of individuals they are to contact to explain the functions of Community Chest and ask for donations to help support it.

**Cattle on Feed Down**  
Nebraska feedlots on Sept. 1 held 886,000 cattle, down 13 per cent from a year earlier and 38 per cent below Sept. 1, 1973, reports Don Marfield, State Statistician of the State Federal Division of Agricultural Statistics. This is the same number that was on feed Aug. 1 of this year.

**Nebraska feeders** marketed 219,000 fed cattle during August, down four per cent from the comparable period a year ago and 12 per cent below August 1974. Placements of 213,000 in August were three per cent above last August's placements and 37 per cent above July placements of this year but were 21 per cent less than August of 1973.

**Cattle and calves on feed Sept. 1** for slaughter market in the seven states preparing monthly estimates totaled 5,827,000 head, down 13 per cent from a year ago.

**August placements of cattle and calves on feed in the seven states** totaled 1,259,000 up four per cent from August last year. Placements during the month were above a year ago in five of the seven states.

**Fed cattle marketings during August** totaled 1,199,000, down eight per cent from last year. Marketings were below August 1974 in all states except Kansas.

**Other disappearance during August** totaled 43,000, compared with 61,000 in August a year ago.

**Hog inventory down 17 per cent** Hog producers in Nebraska had 2,610,000 hogs on hand Sept. 1, 1975, down 17 per cent from a year earlier. Breeding stock was down three per cent and market hogs down 18 per cent.

**Sows farrowed during the June** quarter totaled 125,000, producing a pig crop of 906,000, down 13 per cent from a year ago.

**During the next six months,** 265,000 sows are expected to farrow on Nebraska farms, which would be the same number that farrowed during this period last year. Both quarters are expected to see 100 per cent of a year ago.

**Sows farrowing during the June** quarter totaled 2.1 million head, down 14 per cent from the same period in 1974. Pig crops during this period totaled 15.0 million, down 12 per cent.

**Producers in these 14 major states** intend to farrow 2.1 million sows during the September- November period, seven per cent below a year ago. Intentions for the December-February quarter are to farrow 1.9 million sows, up six per cent.

**Hoskins News**

By Mrs. Hans Asmus 565-4412

**Party Planned**

A welcome back night for teachers of the Hoskins Public School will be held tonight (Monday) at 7:30 p.m. in the school gym.

Everyone is invited to attend, especially families with children in school. Lunch will be served.

**10 at Club**

Ten members of the Town and Country Garden Club met for a 2 p.m. dessert luncheon last week in the home of Mrs. Howard Fuhrman. Guests were Mrs. Konrad Wockmann and Mrs. Antone Clesler.

President Mrs. Clarence Schroeder opened the meeting with a reading, entitled "Take Out the Garbage." Members answered roll call by telling about something new in their or grandpa's home when they were a child.

It was announced that the annual supper for members and their husbands will be held Oct. 19 at 6:30 p.m. in the Arthur Behmer home.

The hostess gave the comprehensive on the sickle and Mrs. George Langenberg Sr. gave the lesson on lilies.

The Oct. 28 meeting will be in the home of Mrs. A. Bruggeman.

**Visit in Leu Home**

Mrs. Edna Puls, Mrs. Everett Wetzler, Mrs. Raymond Walker of Norfolk, Mrs. Walter Strate and Sharon, and Mrs. Erwin Ulrich were Monday afternoon guests in the Art Leu home for the hostess' birthday.

The group visited the new home of Darrel Leu, located east of Norfolk, and returned to the Art Leu home for lunch. The

birthday cake was baked by Mrs. Walker.

**Birthday Observed**

Jerry Schwedes, Kathy and Tony, Harry Schwedes, Mrs. Ruby Haase and Robin, and Mrs. Susan Pohlman and children were Sunday afternoon guests in the Darrel Schwede home for Sandra's ninth birthday.

Mr. and Mrs. E. W. Dean, Wichita, Kan., left Friday after spending since last Monday in the home of Mrs. Dean's brother and family, the Manley Wilsons.

H. F. Mittelstaedt returned home last Monday after spending a week in the home of their daughter and family, the Wallace Kreislers of Mahanoy, Minn.

Marine First Lieutenant David J. Roberts, son of Mr. and Mrs. Eldin B. Roberts of rural Wayne, is now embarked on a Mediterranean cruise with Marine Medium Helicopter Squadron 261, aboard the amphibious assault ship USS Inchon.

Roberts' unit, based at the New River Marine Corps Air Station near Jacksonville, N.C., has visited Rota, Spain, and passed through the Straits of Gibraltar since boarding the Inchon at Norfolk, Va.

He has also visited Sigonella, Italy, while at the U.S. Naval Air Facility there.

The six month deployment is designed to include additional training exercises, and visits to several other European ports.

**Brandt To Attend Health Education Meeting Friday**

Dr. Irvin Brandt of Wayne will be one of 17 members attending the annual meeting of the board of directors of the Community Health Education Association of Northeast Nebraska (CHEANN).

The board meets Friday afternoon at 1:30 in the Schuyler Senior Citizens Home.

CHEANN is a fully funded project of the Nebraska Regional Medical Program, covering 19 counties; the program is designed to implement the education of persons in the health care professions, including retraining and continuing education.

Included on the agenda are reviewing of the past year's accomplishments, setting goals for CHEANN's second year, election of an executive committee and considering participation in a survey of area health care institutions in cooperation with the Creighton University School of Medicine.

**Walhill Downs Wakefield, 16-12**

Walhill overcame a 12-8 first half deficit Wednesday to hand Wakefield a 16-12 defeat in junior high football action at Walhill.

Larry Soderberg scored Wakefield's first six pointer on a 10-yard intercepted pass in the first period in the second quarter. Quarterback Tom Preston ruffed a 15-yard touchdown pass to Scott Hallstrom for a 12-8 lead. Both PATs failed.

Walhill scored a safety and touchdown in the third period to drop Wakefield's record to 0-2. Some of the players tabbed by coach Dennis Chipman for their efforts offense, Rick Harding and Hallstrom defense Doug Phipps, Jeff Hallstrom, Dennis Tullberg, Ken Salma and Jody Scherer.

**5 WSC Freshmen Gain Scholarships**

Special ability scholarships in music have been awarded five freshmen students at Wayne State College for this term.

Recipients of the \$100 awards are David Braeze, son of Mr. and Mrs. James Braeze, Pender; Susan Hogan, daughter of Mr. and Mrs. Donald L. Hogan, Kearney; Jane Ring, daughter of Mr. and Mrs. Merle Ring, rural Wayne; Kerl Schuetzler, daughter of Mr. and Mrs. Elmer Schuetzler, Osmond; and Shawn Willer, daughter of Nelson Willer, Fullerton.

Miss Ring, a 1974 graduate of Wayne High School, was 10th in her class of 99 and participated in stage bands, pep band and musicals and was a cheerleader and member of the annual staff and AFS. She is considering a teaching career.

Braeze a 1975 graduate of Pender Public School, was active in wrestling, band, vocal music and drama, and plans to major in music in preparation for a teaching career.

Miss Hogan was in the top quarter of her 1975 graduating class at Kearney Senior High School. High school activities included band choir, swing choir, forensics, yearbook and newspaper staff. These plans, Spanish Club, Girls Athletic Council, Student Council and Literary Board. She plans to study music and drama.

Miss Schuetzler was 12th in her 1975 graduating class of 42 at Osmond Community School. High school activities included band choir, glee, volleyball, Pep Club, cheerleading, Student Council, instrumental and vocal groups and Waltham League. She was also a majorette.

Miss Willer, a 1975 graduate of Fullerton High School, plans to major in music and German. Her high school activities included singing choir, woodwind quintet, Pep Club, FHA Girls Athletic Association, basketball and volleyball. She was church organist and accompanist and a five-year first place talent contest winner.

**Police Blotter**

A car driven by Margi Moore, Wayne, struck three parked cars about 12:30 a.m. Saturday as she was turning right onto West First Street. The vehicles are owned by Clayton Dr. Lynette Stever, rural Ames; Gary or Rick Turner, Holdrege; and Terry Roberts, Carroll.

About 3:20 p.m. Friday a parked car owned by Gerald or Margriet Hale, Carroll, was hit in a parking lot on the 500 block of Valley Drive. Driver of the other vehicle was Charles Temme, 316 E. Seventh.

About a half hour earlier near the intersection of Third and Main Streets, cars driven by Craig Willams, Jewaria and Lew Thompson, rural Wayne, collided.

A car operated by Charles Weir, 219 W. Sixth, struck the rear end of a vehicle driven by Arnold Svetken, rural Wayne, about 1:15 a.m. Friday on the 600 block of Main.

Rudolph Kay, rural Wakefield, was backing his vehicle from a parking stall on the 200 block of Pearl Thursday when he hit a car owned by Clarence Brockman, rural Wayne.

**NEW FRONT LOOK FOR CHEVY** — A smart new head-on look highlights 1976 styling of Chevrolet's Chevelle. Chevelle's top-of-the-line Malibu Classic series, including the luxurious Landau coupe (top photo), features new vertically stacked dual headlamps with diamond-patterned grille and new bumpers.
