## 'Predict and Prevent' Title VI Grant Goal

Handicapped children in the Wayne Carroll school system will be able to receive pre-school training to teach them to cope with disabilities before they enter school, thanks to a \$40,000 grant approved by the State Board of Education.

School superintendent Francis Hahn announced the state board approval on Friday. Funds for the project are provided under Title VI of the Elementary and Secondary Education Act of 1965.

Counselors will provide in-home training for handicapped pre-school children. The goal is to insure the greatest possible motor, language, cognitive and social development of youngsters with disabilities before they enter school.

Parents of handicapped children will be offered assistance in creating conditions which will best nurture their child's development. The project is called

"Predict and Prevent" and will attempt to make certain that no child will reach kindergarten age with undetected handicaps.

Hahn explained, "The project has the potential to become a model for early diagnosis and treatment of the handicapped child. Handicapped children usually are not able to get professional help until they start school. It is hoped that this program will provide District 17 with a solution to this problem."

Dorothy Ley, Community Council chairman, added, "In our years of working with children who have learning problems, we have seen illustrated again and again that problems identified early can be remediated so much more quickly than those which are confronted later."

Early intervention not only prevents frustration and heart break in the family affected, but also, in the long run, saves the

taxpayer money for special programs later on. Of course, some children will need further support during the school years; but even the severely retarded can learn to do things for themselves and lead productive lives if given proper help early enough."

The project will be developed during the next three months so identification procedures can begin in January to find children, aged one through five, who have problems in the areas of hearing, vision, speech, language, motor or intellectual development.

Parents will be guided in the use of home activities to stimulate development. Parents in District 17 who are concerned that their pre-schooler might have a problem are urged to watch for future stories which will list symptoms of disabilities which interfere with a child's development.

Screening tests will be offered free, on Saturdays, for children of District 17 parents. Clinicians of Educational Services Unit 1 and the Project Success staff will conduct the tests.

When a problem is discovered, a home teacher and volunteer will visit each child's home for 30 minutes a week. The time will be used to teach parents how to guide their children in several home activities which will aid in the development of needed skills.

On a return visit the following week, the counselors will check the child's progress and offer further guidance.

Miss Floanne Hadd, director of speech, language and hearing services at ESU 1, commented, "I have always been convinced that early childhood education would be a great step forward in dealing with speech and language problems. I am very excited about the home based program which forms the basis for delivery in the Predict and Prevent Title VI project, and I will have my enthusiastic support."

## Cleaning Up

WORK BEGAN LAST week on the Wayne post office. Here a workman sprays a cleaning acid on the exterior in preparation for the application of a water proofing sealer. Under terms of the \$17,854 contract awarded to George E. Newsome of Des Moines, Ia. workers will also repaint interior and exterior fittings, install galvanized flashing on the roof, and remodel the customer service counter. Newsome said Thursday he hopes to complete the project in about two months.

## Wayne King and Queen Crowned

REIGNING OVER THE homecoming festivities Friday night were queen Diana Atkins (second from left) and Paul Mallette (18). Alternates pictured are Brian Frevert (55) and Kris Nedergaard (right). The crown bearers were Karmyn Koenig (1) and Ron Carnes (1).

## Pops Concert Is Tuesday

Area residents are reminded of the pops concert to be presented Tuesday evening at the Wayne State College Ramsay Theatre in the Fine Arts Center.

Featured will be the concert band, Ragtime Ensemble and Jazz band, all under the direction of Dr. Raymond Kelton. The program will include some Simon and Gartnerke numbers and selections from "Shant" and "The Sting," as well as other non-classical pieces.

The concert begins at 8 p.m. No admission will be charged.

## Shippers, PSC Meet Tuesday

Shippers and other parties interested in fighting the proposed abandonment of the Chicago and North Western Railroad branch line between Dakota City and Wayne will be convening in the woman's club room of the Wayne city auditorium Wednesday night at 7:30.

The Interstate Commerce Commission (ICC) has announced a three day hearing on the matter to begin Nov. 10 in Wayne.

Duane Gay will head a delegation from the Public Service Commission, sponsor for the Wednesday night meeting.

Gay, commissioner for District 1, including northwest Nebraska said after announcement of the ICC hearing that the Public Service Commission will devote every effort to fighting the abandonment request.

Staff members of the PSC have been contacting shippers along the line gathering statistics which will be used when the commission presents testimony in opposition of the abandonment.

## Health Department Okays Well-Drilling at Winside

The State Health Department Wednesday gave approval to Winside to drill a test well where test drilling revealed underground water.

The city contracted for test drilling several weeks ago after two of the town's wells went dry, forcing the use of a well containing water with a diesel smell.

Three five inch test wells were drilled. Water was discovered at a depth of 175 feet on a site across Crawford Ave. south of Winside High School.

City street superintendent Ken Macke met with health department officials in Lincoln Wednesday to obtain permission to sink a well with a 15 inch diameter test hole. A 20 horsepower turbine pump will be used to raise the water.

Macke said that after the new well is drilled, it will have to be pumped for 12 hours to determine capacity. A sample must then be submitted to the health department for testing before the water is approved for consumption.

Drilling was expected to start today (Monday). Macke said it could take at least two weeks before pumping could start.

## CROP Volunteers Preparing for Trek

Rev. Bob Nebel of Laurel Fri day said about 500 pledge cards have been distributed to volunteers for the Christian Overseas Trek Program (CROP) hike and bike-a-tron scheduled for Sunday.

Goal for the event is to raise at least \$2,400 for the CROP Program. Volunteers for the 11 mile trek will come from Wayne, Laurel, Allens, Concord, Dixon and Randolph. Rev. Nebel said. The circuitous route will start and end at the Dixon County fairgrounds at Concord.

Volunteers for the event are soliciting sponsors willing to pledge a certain amount for each mile covered, either on foot or by bicycle. The hike and bike-a-tron will commence at 1:30 Sunday afternoon.

Rev. Nebel said that he doesn't know yet how many volunteers have agreed to participate. Pledge cards are available from clergymen in the communities involved. He estimates that about 200 volunteers will be needed to meet the goal.

## Council Passed Motion, Not Resolution, on Pay

Wayne city council members Tuesday night will consider an ordinance to set city administrator Fred Brink's salary at \$20,700.

Gary D. Vopalensky, auditor for Educational Services Unit 1, gave his opinion "In my professional opinion as an auditor, a program designed See PREVENT, page 12."

The Wayne branch of AAUW (American Association of University Women) has indicated a strong interest in early child hood education. It is my hope that they will be an excellent source of volunteers for that component of the project."

A motion was passed at the last meeting, directing that an ordinance be prepared to set the salary at \$20,700. It was incorporated in the Wayne See COUNCIL, page 12.

## NRD To Outline Project Goals

Officials of the Lower Elkhorn Natural Resources District (NRD) will be at the Wayne city auditorium Wednesday night at 8 to explain district plans and goals for the next 10 years.

District director Steve Oltmans said the meeting is not required by law but is an effort by district officials to provide public information about the organization. Taxpayers support NRD through a one mill real estate tax levy.

Budget for the current fiscal year ending July 1 is about \$1 million.

About \$460,000 comes from the mill levy, \$402,000 comes from state sources and about \$254,000 is carry over from last year. Part of the latter funds are dedicated for future projects.

The budget is expected to grow seven fold over the next ten years. Oltmans said it is projected that \$7 million will be needed in fiscal 1985 to meet 26 per cent of the district's soil conservation goals and 38 per cent of flood project and recreation goals.

The biggest share of the district's activity in Wayne County is now concerned with the installation of road structures which replace bridges and allow waterways to cross county by ways without eroding the roadbed. Oltmans explained that the structures are less expensive than bridges, adding that costs are shared equally by the county and the NRD.

The resources district is also involved with land conservation and flood control projects in two watersheds in Wayne county, Plum Creek and South Logan. Oltmans said he and his associates will be explaining those projects at the Wednesday meeting.

**FRIDAY GRID RESULTS:**  
Wayne 12, Madison 0  
Winside 20, Ponca 8  
Allen 13, Hartington 7  
Wakefield 7, Bancroft 33  
Laurel 14, O'Neill 14

## Historians Reorganizing For County Participation

In an effort to encourage county wide participation the Wayne County Historical Society recently appointed directors to oversee a reorganization of the group.

Mrs. Terry Bartling said Friday the society has tentative plans for several projects throughout the county which will be announced after presentation to the various town boards is completed.

Committee members in addition to Mrs. Bartling are Mrs. Wayne Tietgen, Mrs. Lucille Larson and Mrs. Al Ehlers. Leon Meyer and Willis Johnson membership in the historical group has always been open to anyone in the county. Leon Meyer said, but has attracted mostly Wayne residents. Part of the expansion and reorganization effort will involve recruiting members from other towns and areas of the county to serve on the society's board of directors.

The family of the late Rollie Ley has offered to give the family house in Wayne to the historical society for use as a museum, with the stipulation that the county board of commissioners levy a one tenth mill tax for maintenance of the facility.

Historical society representatives met with the commissioners Tuesday and made the proposal. The commissioners indicated that they would like to see evidence that the organization represents the entire county before they would be willing to allocate funds for the project.

The historical society will next meet Oct. 28 at 8 p.m. in the Wayne County courthouse. Members of the committee are urging anyone in the county interested in local history to attend.

## NW Bell Is Asking For More Revenue

The Northwestern Bell Telephone Company has filed an application with the state Public Service Commission, asking for permission to increase its rates and charges to produce an additional \$7 million in annual revenue.

The commission will accept protests to the application through Thursday.

## Erwin Is Selected Concord Chairman

A member of Concord town board, Jack Erwin, Wednesday night was named acting board chairman during the board's monthly meeting.

Erwin replaces former chairman Duane Harder who resigned last month. Erwin's first term of office expires April 1. Filling Erwin's vacancy on the board is Vaughn Bensen, Bensen's wife, Julie, was appointed to replace Concord's former village clerk, Mrs. Donna Nelson, who also resigned last month.

The Bensons, who have a four year old daughter, Tiffany, have lived in Concord for eight years. Bensen is a business instructor at Wayne State College.

During Wednesday's meeting, members decided to hold a special meeting with village attorney Craig Munson of Laurel to help settle a land dispute between Harder and Glenn Magnuson.

Magnuson claims that Harder built part of his garage on Magnuson's land. Harder, who sold his land, no longer resides in Concord.

No date was set for the special meeting.

## New Sidewalks Going In At Old Hospital Building

Wayne city street department workers have been busy this week, tearing out sidewalk on the corner at Third and Pearl Streets, occupied by the old Wayne Hospital building.

The structure now houses the city police department and work is in progress to remodel portions of the building for use as city offices.

City administrator Fred Brink said the old sidewalk on the building property is being replaced because of severe deterioration. Sidewalk on the city property includes a half block strip east and west and a one quarter block strip north and south.

Brink said Thursday there is no estimated completion date for the remodeling because city workers are also involved in a project sealing street cracks.

Most of the painting for the new offices has been completed and a suspended ceiling installed, Brink said. About half of the paneling work planned has also been completed. However, the move will probably be delayed because of an expected six-week wait in obtaining carpeting.

When finished, the office spaces on the first floor of the building will house Brink's office, the clerk-treasurer's office and the billing department. City council chambers and a work area for the city engineer will eventually be installed on the second floor of the building and the senior citizens center will be moved to the building's basement from the present location on Main St.

## Allen Homecoming Royalty

ALLEN HIGH'S homecoming royalty, Diane Witte and Lindy Koester, were named during coronation ceremonies Friday afternoon prior to the school's pep rally for the Allen Newcastle football game. Parents of this year's king and queen are Mr. and Mrs. Duane Koester of rural Allen and Mr. and Mrs. Arnold Witte of Concord.

## Community Chest Has Good Jump Toward 1975 Goal of \$12,900

Approximately 700 volunteers who will help conduct this year's Community Chest fund drive in Wayne are expected to attend a breakfast Tuesday morning to kick off the drive.

And this year those volunteers will be taking over the drive with a \$3,582 jump on the \$12,900 goal.

Advanced gifts contributed by local businessmen, managers, and others totaled \$1,582 Friday according to drive secretary Marilyn Carhart.

All the people who have been asked to help with the fund drive are being urged to attend Tuesday morning's breakfast at the Student Center on Wayne State campus. The free coffee and rolls will be served starting at 7 o'clock.

Scheduled to talk at the breakfast are Kem Swartz, president of the Community Chest, and Bill Workman, chairman of this year's drive. They will outline why it is necessary to support the drive and who benefits from it. Wayne's Community Chest is affiliated with the national United Way fund drive conducted each fall.

If this year's goal of \$12,900 is reached, the money will be distributed in the following manner: \$3,000 to the local recreation program; \$2,500 to Boy Scouts; \$2,400 to Girl Scouts; \$1,400 to Salvation Army; \$700 each to the Senior Citizens Center and to the Arthritis Foundation; \$500 to Red Cross; \$300 to the National Cystic Fibrosis Research Foundation and \$200 to the Florence Crittenton Home in Sioux City, a home for uhmed mothers.

The approximately 50 captains recruited for the drive by members of the board of directors, a person can take care of persons to be their workers. The workers Tuesday morning will draw out the cards with names of persons they are to talk about making donations to the Community Chest.

Drive officials have emphasized that the annual campaign for donations takes the place of numerous individual drives which would be held sometime during the year. By giving to the Community Chest, a person can take care of several worthwhile agencies with one gift, they have noted.

Following is a partial list of captains who will be working in this year's drive:

Roger Boyce, Bob Jordan, Ted Bahe, Tom McClain, Carolyn Vokoc, Cyndi Palumbo, Jan Liska, Diane Bruggeman, Kathy Strayva, Orval Hickerson, Jim Hummel, Nial Edmunds, Charles Kay, Lyle Seymour, Jack Manske, Pat Gross, Jim Marsh, Joyce Reed, Jerry Schutte, John Nigh, Gerald Bofenkamp, Darrell Moore, William Swinney, Kathy Manske, Gordon Nelson, Robert Morris, Jim Strayer, Ann Witkowski, Carl Lentz, Dan Sherry, Don Schulte, LeRoy Simpson, Roy Hurd, Jan Johansen, Mrs. Glen Ellington and Norma Carr.

# OBSERVATIONS

## Public input vital part of planning

The Wayne County joint planning commission was officially launched Tuesday night with the signing of a contract for services with the State Office of Planning and Programming.

Over the next year or so the commission will be gathering information about the county and about what residents would like to see develop over the next 25 years.

A large part of the work will involve land use planning and that is a dirty word to many people. It shouldn't be. Land use planning, however, should lay the groundwork for future smooth development of land areas, to best suit the intentions of people within the county. LB

317, passed by the last session of the state legislature, requires that counties complete a comprehensive plan by July 1, 1977. No penalty is attached for non-compliance but it is considered an excusable state or federal intervention.

Which means that if the county wasn't doing the planning, someone not familiar with the area, and not as responsive to local needs and wishes, would eventually do the work.

Hopefully, public interest will develop as the commission delves further into the intricacies of planning. The commission will need all the public input they can get to do the kind of job the people of Wayne County deserve. JIM STRAYER

## Out of Old

Nebraska

The ingenuity of Nebraska settlers to produce the new implements needed to meet the new conditions met with the state's plains environment is still seen in products being created and manufactured today. Several Nebraska born products and ideas have achieved national wide success.

Of all Nebraska's exports, few if any are as widely known as the Vise-Grip wrench, manufactured in the small Saline County town of DeWitt. William Petersen, the inventor of the tool, came to this country from Denmark in 1901. His first wrench was patented in 1921, but the first Vise-Grip wrench with a locking handle was not patented until 1924. Through the years it has gone through many modifications. The business began on a small scale, and in 1934 a co-partnership consisting of Petersen, his three sons, and daughter was organized. Hundreds of thousands of these tools have been sold throughout the world, and the company has a warehouse in the Netherlands to serve European countries.

Seven different styles and sizes of the basic Vise-Grip and five special varieties are now manufactured. The Petersen family still owns and manages the company.

A water proofing material developed by a Nebraskan, a result of pioneer archeological research, is being manufactured in Nebraska. This material, Hydrozo Clear Coating, was first produced in 1929 by E. E. Blackman, a state geologist for the Nebraska State Historical Society Museum in Lincoln, Nebraska. Mr. Blackman discovered and unearthed prehistoric pottery shards in a very wet soil that normally would have caused their disintegration. Further study showed a resinous substance was responsible for their unique preservation. Several years of research and experimentation were necessary before this resin was reproduced by Blackman as Hydrozite. He then perfected a liquid formula, Hydrozo Clear Coating for masonry and other porous surfaces. Commercial development of Hydrozo Clear Coating resulted when builders and property owners found this substance to be a most effective penetrative preservative. The Alton Railroad Grain Elevator, Commerce Trust Building, and Bray Hotel in Kansas City, Missouri, were among the

first buildings treated with Hydrozo Clear in the early 1930's. The advent of World War I brought about a closing down of the company because the main source for raw materials used in the production of Hydrozo was Germany. During the 1930's the company was reorganized at Gering, Nebraska, under the direction of J. Ellsworth Blackman, the founder's son. Later the company moved to Lincoln and is still producing Hydrozo and several related coating materials.

A nationally known maker of counters and display accessories for all types of retail stores is Store Kraft Manufacturing Company of Beatrice. The company grew from the idea of W.F. Morton for a better way to show and sell candy. Morton was at that time a partner with E.H. Hested in retail stores at Fairbury and Hebron. While traveling between stores on business he was caught in a blizzard at Jansen, Nebraska. The three days of tormented inactivity gave him an opportunity to develop ideas for store furniture to display candy, clothing, and hosiery. He drafted plans for the candy case on a piece of wrapping paper obtained from the butcher shop located in the first floor of the hotel.

Morton moved to Beatrice in 1918 when the Hested Stores Company opened an outlet there. The furniture he designed for the retail merchant friends he was requesting him to make items for them. In response to this interest the Store Kraft Manufacturing Company was incorporated in 1920 by W.B. Morton, E.J. Hested and Jess Lee. The candy case Morton had developed was the first item made and originally the only piece the company was going to produce. Constant requests for other items of equipment soon brought an expansion into a wide line of retail store furniture. By the 1930's a great variety of major and accessory store equipment pieces was being made. During World War II a variety of war material, including airplane wings, air plane gun turret seats, and communications equipment boxes were manufactured. Today Store Kraft provides stores with equipment and planning services.

Displays now being shown in the Nebraska State Historical Society Museum main hall feature these three Nebraskan companies.

### Credit hours said better WSC measure

Dear Editor: From the recently published statement that enrollment at Wayne State has increased 6.3 per cent in the current term over the September, 1974 term, one cannot, unfortunately, draw any reliable conclusions about either how efficiently the employees, buildings and equipment at WSC are being used, or about what is the probable future trend of enrollment. To be more nearly able to draw such conclusions one needs answers to certain questions, or sets of questions.

(1) What is the number of student credit hours in the current term and what has been the percentage of change since the September, 1974 term? To put it another way, how many full-time students are there now, and what is the percentage of change since the September, 1974 term? Incidentally, in the September, 1964, term, enrollment was 1,979, just one half of one per cent higher than enrollment in the current term. How many student credit hours were there in that term?

(2) What is the percentage of increase in the current term compared with the September, 1974, term, by class—i.e. freshmen, sophomores, juniors, and seniors? Does the increase of 6.3 per cent for this year over last involve all four classes, or does it only reflect an exceptional number of freshmen in the current term? This is important, because of the drop out rate for freshmen is higher than that for any other class.

(3) How many WSC students are attending tuition free, under the system of scholarships coercively exacted from taxpayers, as an ill disguised subsidy to this system last year? It must be emphasized that in 1964 this system did not even exist.

Whoever contemplates exulting over the announced 6.3 per cent rise in WSC enrollment in the current term over the analogous 1974 term should await the answers to these questions. He should also note that despite the apparent enrollment increase the current figure is still about 1,100, or more than 25 per cent, below the record WSC enrollment figure for September, 1968. Yet at the University of Nebraska-Lincoln, where academic standards are superior to those of WSC and the costs of attending are greater, enrollment for the current term is the highest ever attained. What is wrong at WSC?

Sincerely yours,  
T.H. Stevenson, Ph.D.

## HAVE A HAPPY DAY

# STRAY'er Thoughts

By Jim Strayer

IN THE MIDST of numerous shortages, I hesitate to bring this up, but I foresee another shortage crisis a few years down the road, or two. It should say now.

Anyone who saw the farm page in Thursday's issue of the Herald has probably figured out what I'm talking about. Remember the picture of the girl holding a stalk of corn?

For those of you who missed it, tassel corn is being developed in an effort to increase production. Researchers have reasoned that because yields are curtailed when kernel production is limited by developing corn that grows kernels on the tassel, and they've done it.

There is still a lot of work to be done before growing such corn is commercially feasible, but I think we should start preparing for it.

I'm all for increasing agricultural production, but I shudder to think what will happen when the new type corn takes over completely NO MORE CORN COBS.

Corn cobs have long been utilized for a variety of tasks by the resourceful. They've lost some of their appeal in recent years, for example, in privies. But then privies have been slowly disappearing from the landscape too.

Corn cobs have found other uses than privy fodder however. I can still remember eating some mighty good meals whipped up by my grandmother on an old cast iron stove using corn cobs as fuel. And with the current energy situation, those days might return.

Cobs have played more romantic roles, however, and the history of our nation might have changed without them.

Think I'm kidding? I look at it this way. Image is vital to great men, without it they would lack the confidence necessary to make them great.

Now, who was one of the greatest generals in World War II? General Douglas MacArthur. Did he have image? Certainly, I wasn't even born then but I instantly recognize his picture, because of the tremendous image he had through the press. What contributed greatly to that image? Why his corn cob pipe, of course. So you see, without corn cobs history might have been changed.

The elimination of corn cobs would also have especially severe impact on the University of Nebraska-Lincoln. The very name "Cornhuskers" would become obsolete, because tassel corn has no husks.

The pep club would be in trouble too. The lady pep members are called "Tassels" and the men go under the name "Cobs." It's easy to see that if cobs are eliminated and only the tassels are left, we'd have to call them all "Tassels" and that could be mighty confusing. Although I understand men can now run for the homecoming queen title at UNL, so I guess maybe the students would be able to adjust to it quicker than the rest of us.

At any rate, the eventual ramifications of cobless corn should be apparent by now so I just hope this country will devote some of its vast resources to developing a substitute (preferably biodegradable and non-polluting) before it's too late.

I GOT A LETTER to the editor last week which I decided would fit into my column better than the regular letter to the editor column.

It's from Hale O'Malley, who writes his own column "Letter from Mexico" mailed to his hometown in upper Wisconsin. He included a clipping containing an account of a recent experience in Wayne while enroute between the two locals. The pertinent portion follows:

As we farther west prices are going up. We're paying \$25 (plus 44 cents tax of course—always plus tax) for this ordinary room in New Mexico and had a better one for \$13 (plus tax) in Wayne, Nebraska two nights ago.

Trying cashing a check in any big city east or west you'd better know the mayor, or maybe be the mayor. But I took a chance on it in a little town in Nebraska and here's the conversation. Bank Officer: "Can I Help You?" ME: "I hope so, I want to cash this check from Guardian Life. I don't have any account here, don't know anyone, just passing through town."

"Well, let's see what we can do

You have a master charge credit card. Fine. Mr. Hale D. O'Malley, Cornucopia, Wisconsin. Yes. Ah, Mr. O'Malley, you're going to have trouble the next time you try to use this. It expired—see? May 5, 1975.

"It did? Well I'll be darned. Well, I have my Arizona driver's license here. It, ah, it expired Dec. 17, 1973. They expire on your birthday you know. Heh, heh."

"You live in Arizona, Mr. O'Malley?"

"No, actually I live in Mexico most of the time but Cornucopia is my real residence. But I kind of lived in Arizona for awhile there. The check is good though. Now we were both trapped. I could see the poor man mentally recounting this conversation to his Board of Directors; on the other hand the check looked as if he walks in. What kind of a crook would hope to catch a man, a banker yet, with a story as thin as that?"

"Right over here O'Malley, we'll O.K. it for you." And he did, and I don't remember his name or the name of his bank but he and his bank and his town and the state of Nebraska are A.O.K. with me. There's hope for us yet!

In his letter, O'Malley describes the bank as "the one on corner of the main street, a half block down from a good restaurant where everyone serves his own check books as he walks in. If I haven't talked to anyone about it but if the person involved recalls the conversation and would like to have the letter and clipping, I'll be glad to give it to them."

One last thing O'Malley concludes his letter with the following paragraph: "I'm not a banker but if any citizens of Wayne find themselves stranded in Puerto Penasco, I'll cash their check." Jim Strayer

## Irrigation gets credit for crop stability

The stability of Nebraska's crop production during the past few droughty years provides a dramatic demonstration of the value of irrigation to the state's farmers and ranchers and the overall economic health of the state's economy.

Both 1974 and 1975 in terms of rainfall deficiencies and prolonged hot dry weather are fairly comparable to the crop disaster years experienced in the 1930's and mid 1950's. The years 1974 and 1975 in Nebraska are bywords for economic disaster and at that time there were only about 300,000 acres of cropland under surface irrigation in the state. Production was virtually at a standstill on the state's vast drought-ridden acreage.

For the farmers who this year sustain not a second consecutive crop failure there is little consolation in statistics, and it is hard for them to realize that a projected harvest of 40 million bushels of corn in a year such as this is possible. Such production however, having some sort of harvest time weather disaster is almost assured thanks to the fact that 4.8 per cent of the state's corn acreage this year is irrigated.

Of Nebraska's 4,000,000 acres of corn which will be harvested for grain, 1,140,000 of those acres are irrigated with a projected yield of 72 bushels per acre. That still adds 82 bushels per acre irrigated average compared to 202 bushels per acre last year and 115 bushels per acre average in 1974. The ups and downs of drought corn yields is illustrated by the 72 bushel average in 1974 a great corn year yet 27 bushels per acre in 1971 and an estimated 57 bushels per acre this year.

As recently as 1971 only 37 per cent of the state's corn acreage was under irrigation and Nebraska's total acreage is more than half of its corn acreage on irrigated land for the first time in 1974.

Although total corn production in the state dropped to 3,000,000 bushels in 1974, higher market prices boosted the value of last year's crop to \$28,415,000 as compared to \$25,381,000 on 1973's record crop.

The state's total irrigated acreage according to U.S. Agricultural Census figures was 2,097,256 acres in 1959, 2,149,212 in 1964 and 2,957,213 in 1969. Since 1969 groundwater irrigation acres have nearly doubled to considerably over five million acres this year. As recently as 1971 the State Water Plan report used the figure of 2,400,000 acres of developed irrigation from ground water sources and 1,100,000 acres served by surface water from public project sources.

Expansion of the state's irrigated land is increasingly expensive. A few years ago, estimated cost of putting in a center pivot irrigation system to serve a quarter section ran in the neighborhood of \$70,000 to \$100,000. Today discussions on such developments use figures of \$60,000 and more plus the extra costs for fertilizer, seed and other production expenses that go with irrigated farming.

Nebraska's overall economy has come in for a boost as the value of all crop and livestock marketings rose from \$2.8 billion in 1972 to \$3.9 billion in 1973 and \$1.7 billion in 1974. Irrigation expansion has made the big difference.

## Letters Welcome

Letters from readers are welcome. They should be timely, brief and must contain no libelous statements. We reserve the right to edit or reject any letter.

Letters may be published with a pseudonym or with the author's name omitted if so desired. However, the writer's signature must be a part of the original letter. Unsigned letters will not be printed.

# 183 Attend NFWC Dist Convention

One hundred and eighty-three clubwomen from northeast Nebraska attended the 72nd annual convention of District III, Nebraska Federation of Women's Clubs, held Tuesday at West Point.

District III encompasses 57 clubs in northeast Nebraska.

Speaking during the morning session was Mrs. Otwin Schleuter of Pender, first vice president of the Nebraska Federation of Women's Clubs. Her topic was "It's Up to You."

New district officers were elected during the morning business meeting and a state nominating committee was chosen. Reports were given by district officers and chairman and by county presidents.

Featured speaker at the afternoon meeting was Mrs. Don Shide of Larimore, N.D. second vice president of the General Federation of Women's Clubs. Other speakers included Mrs.

Laurence Dillard of Blair, president of the state organization Mrs. William Hasebroock of West Point, state legislative chairman Mrs. Vernon Predeohi of Wayne District III president, and Mrs. Schleuter.

Following the 7 p.m. dinner, artist and poet Mrs. Ray Bokowski of Fremont emceed the "This is Your Life" program, honoring Mrs. William Hasebroock for her many years of work in state and national Wo-

man's Clubs.

Installation of new officers concluded the day long meeting. Officers are Mrs. Eldon Fox-Plainsview, president; Mrs. Gordon Bleich Norfolk, first vice president; Mrs. Lambert Zavcek, Pender, second vice president; Mrs. Verne Hagedorn, West Point, third vice president; Mrs. Ray Brandt, Neligh, secretary; Mrs. John Blankenship, Wausa, treasurer, and Mrs. Dallas Whorlaw, Pender, director of

Juniors.

Attending the convention from Wayne were Mrs. Vernon Predeohi, Mrs. Alvin Daum, Mrs. Walker Spittgerber, Mrs. Glen Ellingson, Mrs. Mildred West, Mrs. Marlin Lage, Mrs. Lucile Larson, Mrs. Mable Sorenson, Mrs. C.F. Maynard, Mrs. Chris Tietgen, Mrs. Mathilde Harms and Goldie Leonard.

The Wayne club received a citation for outstanding publicity in connection with legislative day at the state capital in Lincoln last January sponsored by the Nebraska Federation of Women's Clubs.

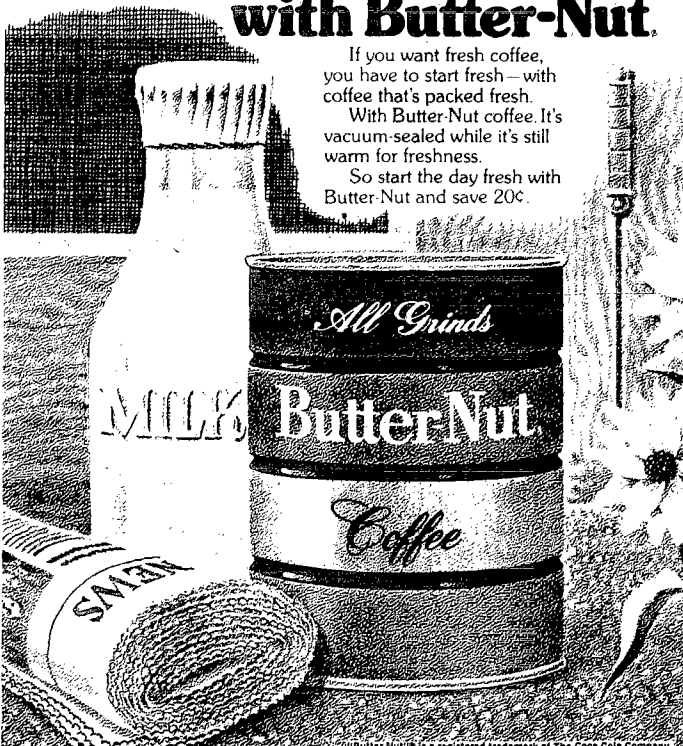

The Federal Apprenticeship Act of 1937 authorizes the Secretary of Labor to formulate and promote the extension of labor standards necessary to safeguard the welfare of apprentices.

**Who's New**  
 HOCHSTEIN—Mr. and Mrs. Ronald Hochstein, Florissant, Mo. a son Justin Parker 8 lbs., 7 oz., Oct. 9 grandparents, Mr. and Mrs. Charles Gross, New Castle, Del. and Mr. and Mrs. John Hochstein, Wayne.

### Kathleen Koch, Ronald Coles Engaged

Mr. and Mrs. Milford Koch of Stanton announce the engagement and approaching marriage of their daughter, Kathleen Koch, to Ronald Coles II, son of Mr. and Mrs. Ronald Coles of Indianapolis, Ind.

Both are graduates of Wayne State College.

Plans are underway for a November wedding at Faith Lutheran Church in Stanton.

### Sunday Fete Marks 40th Women Invited to Seminar

Mr. and Mrs. Bernie Bowers of Winside celebrated their 40th wedding anniversary Sunday, Oct. 5, with an evening dinner at the Vet's Club.

Guests included the Larry Bowers family, the Owen Hartman family, the Dennis Bowers family and the Dan Bowerses, all of Winside; the Gary Bowers family, Hartington, the Tom Bowerses, Carroll, Mrs. Clarence Bowers and the Ardell Weddingfields, Norfolk; the Edna Hickeyes, LeMars; the Wilfred Weddingfields, Pender; and the Lee Weddingfields, Dixon.

Bowerses were married Oct. 5, 1935. Their children are Mrs. Owen (Karen) Hartman, Larry Bowers and Dennis Bowers, all of Winside, and Gary Bowers of Hartington. There are 14 grand children.

The Sioux City Center for Women at Briar Cliff College will cosponsor a special program for International Women's Year on Saturday, Oct. 18, according to Kitty Green, public relations chairman.

The day long program, which begins at 9:30 a.m. at Heelan Hall on the Briar Cliff College campus, is titled "Women 2000: A New Voice for the Future."

The series is designed and produced by the Iowa Women's Political Caucus Research and Education Center and funded in part by a grant from the Iowa Board for Public Programs in the Humanities.

Three seminar sessions will be conducted. Participants may select from several types, including marriage and the family, child care, education, the working woman, political participation, media, public assistance and social programs, women in literature and women in history.

Persons who would like more information about the Oct. 18 seminar should telephone or write Linda Yoder, Center for Women, Briar Cliff College, Sioux City.

### Altona Aid Holds Guest Day Meeting Oct. 2 at Church

Forty persons attended the Oct. 2 guest day meeting of Altona Lutheran Ladies Aid, held at the church. Guests were members of St. John's Ladies Aid, Pilger.

The Rev. Carl Braecker conducted devotions and president Mrs. Kenneth Frevert welcomed the guests. Guest speaker was Mrs. Leila Maynard of Wayne who told of her experiences while a prisoner of war during World War II.

### 300 Attend Reception For Norbert Bruggers

An open house reception at St. Mary's School Hall, in Wayne Sunday afternoon, Oct. 5, marked the golden wedding anniversary of Mr. and Mrs. Norbert Bruggers of Wayne.

The event, hosted by Mr. and Mrs. Carl Nuss of Wayne, was attended by 300 guests present from Auburn, Visalia, Georgetown, Oroville and Pasadena, Calif.; Sioux City and Kingsley, Ia.; Wayne, Winside and Norfolk.

Guests were registered by Mr. and Mrs. Paul Rogge and gifts were arranged by Mr. and Mrs. Stanley Morris, all of Wayne. Among the guests present for the anniversary observance was Walton Bruggers of Winside an attendant at the couple's wedding 50 years ago.

Mrs. Jack Ruback of Carroll baked and decorated the anniversary cake and assisted Mrs. Watson Bruggers of Winside in serving. Mrs. Julia Haas of Wayne poured and Mr. and Mrs. Herbert Perry of Wayne served punch.

Mrs. Gene DeTurk of Wayne and ladies of St. Mary's Guild assisted in the kitchen.

Bruggers were married Oct. 7, 1925, at St. Mary's Catholic Church in Wayne and have lived their entire lives in the Wayne community. Bruggers was employed by the City of Wayne for 49 years before retiring last year. The couple has one daughter, Mrs. Earl (Marcella) Larimore.

Bruggers were honored Friday evening, Oct. 3, at a family gathering at the Amber Inn in Wayne. Mrs. Lee Sommer of Georgetown, Calif., showed slides of their trip through Central America they took last year. A family dinner was held Saturday night at the Wayne Vet's Club following cocktails in the Earl Larson home.

Mass was conducted Sunday morning, Oct. 5, at St. Mary's Catholic Church in honor of Bruggers anniversary. Organist and soloist was Mrs. Jean Nuss of Wayne. The apostolic blessing was presented by Marcella and Earl Larson. Larsons were hosts to a social hour and buffet dinner Sunday evening at Ron's Steakhouse in Carroll.

# Defense Sparks Allen Over Newcastle

By BOB BARTLETT  
A fired up Allen defense Friday night set up two touchdown opportunities in the second half and the offense capitalized on both for the Eagles' 13-7 homecoming victory over Newcastle.

The win marks the second in six outings for the Eagles while winless Newcastle suffered its sixth setback.

Senior running back Charlie Ferguson scored the game-winning touchdown on a three-yard blast up the middle with 6:11 left in the game. The 5-7, 160-pounder, who led Allen chargers with 64 yards in 14 carries, twisted and churned for gains of seven and four during Allen's 24-yard drive.

The offense got the ball with about eight minutes left in the game when the defense halted the Red Raiders' first down attempt on fourth down and one. Eleven plays later coach Cliff Jorgensen's team went ahead 13-7 after quarterback kicker Shawn Persinger sailed the ball between the uprights for the point after.

ALLEN'S leading rusher Charlie Ferguson (44) gets blocking help from two other Eagle top ground gainers Brad Chase (27) and Steve Shortt (12). Both Ferguson and Shortt scored a touchdown each as Allen won its homecoming game against Newcastle.

Defensive lineman Verneal Roberts' fumble recovery in the third quarter was the turning point in the game when the senior pounced on a loose ball at Allen's 25 yard line.

From there, Persinger drove his crew 75 yards in seven plays to Newcastle's six yard line where senior Steve Shortt bulled up the middle for Allen's first touchdown of the game with 1:09 left. The attempt for the two-point conversion failed when

Persinger faked the kick and attempted to run the ball in. Allen's first scoring drive was kept alive on runs of 14 and 22 yards by Shortt and Ferguson and an 18-yard pass play from Persinger, to sophomore Lin Smith who pushed his way to the six.

Allen's second half game was a complete turnaround from its first half showing. "We were making too many fundamental

mistakes," Ferguson said, adding that in the second half Allen "got into the right state of mind" and played good ball.

About Allen's leading ground gainers, Ferguson, the coach, noted, "Charlie really puts out an all out effort, even in practice." Shortt was right behind Ferguson in rushing with 59 yards in 11 totes while junior Brad Chase had 55 yards in 17 carries. Newcastle's Troy Madge took

the wind out of Allen's first drive in the opening frame when the six foot freshman intercepted Persinger's first aerial of the game at the Raiders' 26.

Sophomore quarterback Bill Lund then engineered his club 73 yards before the clock ran out in the first period. Four seconds into the second frame, junior fullback Ron Finnegan ran in from the three yard line to put the Raiders ahead 6-0. The kick by Doug Maskell was good, putting the visitors in front 7-0.

Allen's defense began to stiffen in the second half. Leading the defense was Roberts and junior Kevin Hohenstein with eight tackles each.

## Pierce Spikers Defeat Laurel

Laurel's varsity volleyball team suffered its eighth loss Thursday night at the hands of visiting Pierce.

Laurel, 0-8, lost in two sets, 8-15 and 10-15. Leading coach Carol Woodward's team in scoring was Teri Dirks with eight points.

The reserve team also fell to Pierce, 11-15, 17-15 and 15-17. The girls played a good game despite the loss, noted Mrs. Woodward.

## Defensive Players Earn Guessers Athlete Awards

Labeled as the top defensive players on their teams, seniors Larry Creighton and Mike Schuester were named the athletes of the week last week by members of the Second Guessers and coaching staffs.

Creighton, a six-foot, 195-pound defensive end and tackle, was the mainstay in Wayne High's defense against Tekamah-Herman as he led the Blue Devils with 10 tackles, said his coach Al Hansen.

Schuester, Wayne State's leading defensive tackle, dropped Dakota State punters 18 times during the "Wildcats" 46-14 victory. The 6-2, 235-pound veteran also grabbed a fumble, blocked a pass and sacked Dakota's quarterback in what coach Del Stoltenberg called one of Mike's "exceptional games."

Each athlete received an award naming him as the top prep and college player for the week. Parents of the top athletes are Mr. and Mrs. Ivan Creighton of Wayne and Mr. and Mrs. Alfred Schuester of Dubuque, Ia.

## Laurel, O'Neill Battle to Tie

Northeast Nebraska Activities Conference foes Laurel and O'Neill Friday night played to a 14-14 tie on the Bears' home field.

Laurel quarterback Brad Erwin teamed up with Jon Erwin for two touchdown passes in the third quarter as the Bears came from a 7-0 deficit to take a 14-7 lead going into the final frame.

Erwin spotted Jon for an 11 yard TD play with 10:35 remaining. The PAT failed about six and a half minutes later, the pair came up with an 18 yard scoring play. Gordon Kardell unleashed a toss to Jon for the two-point conversion.

O'Neill's Bob Babi did all the scoring for the Eagles. Taking advantage of a Laurel fumble on its one yard stripe, Babi dived over for the game's first score. With about 10 minutes left in the game, Babi scored from three yards out to cap a long O'Neill drive and prevented the Eagles from suffering their third loss in six games.

Holding a 3-21 conference mark, the fourth ranked Bears travel to undefeated Creighton Friday night. The Bluejays are tied with Plainville for first place in the league with 5-0 records.

Senior runners Mike Dalton and Mark McCoy led Laurel's offense. Dalton had 71 yards in 18 carries and McCoy had 57 yards in 15 carries.

Defensively, senior Roger Kvoles again was the leading tackler with 17 take-downs. He was followed by Brad Erwin with 15 tackles and Steve Thompson and Clyde Matthews with 13 stops each.

Scoring by Quarters	7 0 0 7
Laurel	0 0 14 0

## Winside Stuns Former Undefeated Ponca, 20-8

Winside's second-half scoring dropped Ponca from the ranks of the unbeaten Friday night as the Wildcats scored two touchdowns for a 20-8 upset victory.

Quarterback Bryan Denkau and runningback Cliff Tillema scored in the third and fourth frames respectively to break an 8-8 halftime deadlock.

Following a bad snap from center, Ponca kicker Steve Bevelhimer was tagged at the Indians' two-yard line by Winside's Brad Langenberg. On the next play, Denkau, who led Winside rushing with 67 yards, rushed in for the go ahead score.

Tillema capped a 47 yard CAT drive in the fourth with another two-yard plunge. Aiding the Cats' victory march was a Donkey Wayne, a former former quarterback godd for 22 yards. A sprained hand in the Wausa game forced coach Ron Peck to move Frevert to split end and put Denkau at the signal calling position.

Frevert was the top receiver for the night with three catches for 48 yards. Senior Hugo Bleich pulled in a 24 yard aerial for his only reception of the night.

That reception, however, put Winside on the scoreboard late in the second frame when the

Denkau to Bleich play capped a 55-yard Winside drive. Denkau again went to the air for the two-point play, hitting Frevert for the Cats' only PAT of the game.

Ponca, which now has a 5-1 mark, took advantage of one of its two interceptions in the opening quarter to turn into six points. With 2:39 left in the first stanza, Ponca's Brian Blatchford dove over from the one-yard line to complete the Indians' 18-yard march.

A Ponca theft at Winside's 12-yard line put the Indians into scoring position until the Cats' defense stopped the invaders at the one. Making the big play were Winside's Bob Hoffman, Warren Gallop and Monte Pfeiffer.

"This is one of our best efforts this season," Peck noted after his team earned its fourth win in six starts.

Winside's ground game amassed 183 yards for the night. Besides Denkau's 67, Tillema had 46 and Pfeiffer had 40 yards.

Peck singled out Hoffman and Wagner as the leading tacklers with 13 and 11 stops. Pfeiffer and Greg Carstens together sacked Ponca quarterback Bevelhimer three times. Also earning praise were tackles Brad Brockman and Gallop along with sophomore guard Bill Thomas, whose pass interception late in the first half halted a Ponca scoring threat on the 15 yard line.

The Yardstick	Winside Ponca

## Winside Suffers 1st Loop Loss

Hartington High spikers handed Winside its first conference loss Thursday night.

The host team went down 15-8 and 15-3 to drop Winside's record to 3-1 in the Lewis and Clark Conference and 5-5 overall.

The serving was good, noted Winside coach Don LeNiel, but the team couldn't get its spikes or net play going.

Winside's reserves upped their record to 5-2 with a 15-0 and 14-14 two set victory over Hartington. Spikers, Janke and Lori Luemmann combined for all of Winside's points in the opening shutout. Darci finished with 11 of 13 good serves for the night while Lori was 14 for 14 and LeNiel Zofka was eight for eight.

The C teams battled to three sets before Hartington came out on top, 12-15, 15-4 and 10-15. The loss drops the C team's record to 4-3.

Tuesday night will be Mother's Night at Winside when the Wildkitties host Pierce. Four matches are slated. The C team opens at 6:30 p.m. in the high school gymnasium followed by two reserve games and a varsity match.

Purpose of two reserve games is to give more sophomores a chance to play, said assistant coach Kathy O'Conner.

United Methodist Women will hold a Thanksgiving dinner at 12 noon for their Nov. 12 meeting. Chairmen of the kitchen committee are Mrs. John Rethwisch and Mrs. Rex Chapman. Mrs. Ann Roberts and Mrs. LaRue Lelcy are in charge of the dining room. Lesson teachers will be Mrs. Faye Hurlbert and Mrs. Charles Whitney. Eleven members attended the Tuesday afternoon meeting of United Methodist Women, held in the church fellowship hall. Vice president Mrs. Walter Lage presided at the business meeting and read the purpose of United Methodist Women. Thelma Woods gave the opening thought. Mrs. Jay Drake and Mrs. Carl Davis presented a purchase two insulated coffee servers for the church kitchen. It was announced that the group will continue having its unit meetings the second Wednesday of the month. Plans were made to sponsor three women dinners and to serve a Memorial Day dinner. Installation of officers will be held during a Sunday worship service in the near future. Reports of the Dorcas sub group and Bible study groups were given. Mrs. Ann Roberts and Mrs. Charles Whitney reported on the state meeting they attended in Norfolk. Cards were sent to Stanley Hansen, Gene Textley, Mrs. Randy Schlund, the Rev. Robert Swanson and the Leonard Halen family. Mrs. Walter Lage and Mrs. Ann Roberts were in charge of a pledge service. There was "Go and Tell Everyone" Pledge Mrs. Allen Stoltenberg was honored for her birthday. Mrs. Harry Hofeldt served. Mrs. Arnold Junk will be the Nov. 12 hostess.

Ceramics Lab Finds Home Under Memorial Stadium

Fire inspectors who made their regular visit to Wayne State College recently decided that the kiln from the second floor of the Fine Arts Center must be moved. As a result, not just the two kilns but the entire ceramics lab was moved to one end of the area beneath the WSC Memorial Stadium. The move was completed as classes got underway for the fall term. The ceramics lab takes up only a minor portion of the floor space beneath the stadium. A balcony, or second story was incorporated into the rear portion of this studio to take advantage of the ascending ceiling height under the rising bleachers, giving a total of about 1,000 square feet of work space for the combined levels. The balcony arrangement required four individual stairs of six steps each to enable WSC artists to cross over the cement beams which divide the balcony into quarters at about shoulder height. It makes an interesting architectural arrangement. Changes made in order for the lab to be installed included a metal floor on both levels, metal stairs to the balcony, painting, beginning and advanced drawing and understanding art. Marlene, a graduate of Limestone College at Gaffney, S.C., received her M.A. and M.F.A. from Miami University at Oxford, Ok. Last year she was interim instructor at Hastings College.

Meet Wednesday St. Paul's Lutheran Ladies Aid and LWML met Wednesday at the church fellowship hall with 12 members attending. The Rev. G.W. Gottberg was in charge of the lesson taken from the LWML quarterly. Mrs. Robert Peterson conducted devotions and presided at the business meeting. It was announced the LWML fall rally will be held Oct. 21 in Marlinsburg. The group voted to sponsor a bazaar and food sale in November. Mrs. Robert Peterson and Mrs. Edward Fork reported on the 16th biennial convention of LWML, held at St. Paul, Minn. Mrs. Allen Stoltenberg was honored for her birthday. Mrs. Harry Hofeldt served. Mrs. Arnold Junk will be the Nov. 12 hostess.

20 at AFY Twenty members were present when AFY met last Sunday evening at the Methodist Church. Roll call was "The Funniest Thing I Ever Done on Halloween." Guests were Mr. and Mrs. Stanley Hansen and Ann. The group mailed a get well card to the Rev. Robert Swanson of Springfield, former pastor of the Carroll United Methodist Church. Kaylyn Hansen presented the lesson. The evening concluded with a hike around town and a wiener roast. Next meeting is set for Oct. 19.

Delta Dek Bridge Mrs. Otto Wagner was hostess for the Delta Dek Bridge Club Oct. 2. Mrs. Charles Whitney will host the group Oct. 16.

Attend Meeting Mrs. Ann Roberts, Mrs. Charles Whitney, Mrs. Wayne Hankins, Mrs. Walter Lage and Mrs. Ronnie Billheimer attended the day long mission study meeting, held Wednesday at the Wayne United Methodist Church. Meet in Lage Home The Bible study group of the United Methodist Church met Monday morning in the Walter Lage home. Mrs. Charles Whitney was leader and the first eight chapters of Mark were reviewed. Mrs. Whitney will host the Nov. 3 meeting. Mrs. Wayne Hankins will give the lesson.

Extension Meeting Town and Country Home Extension Club met Tuesday evening in the Willis Lage home with eight members attending. Roll call was answered with a favorite recipe. Mrs. Lynn Roberts gave the lesson entitled "Measuring Via Meters." Next meeting will be Nov. 3 in the Merlin Kenny home.

Meet for Pinocle Mr. and Mrs. Lynn Roberts entertained the Pinocle Club last Saturday evening. Guests were the Merlin Kennys and prizes went to Mrs. Howard Mau and Wilbur Heithold. The Gerald Hicks will be the Nov. 8 hostess.

Attend Conference Dale Stoltenberg attended an Ag Leaders conference Tuesday and Wednesday at Rockford, Ill.

Civic Club Meets Mrs. Lowell Olson was hostess when the Carroll Civic Club met last Saturday evening. Guests were the Merlin Kennys and prizes went to Mrs. Howard Mau and Wilbur Heithold. The Gerald Hicks will be the Nov. 8 hostess.

Exhibit To Offer Original Prints Wayne State College will sponsor an exhibit and sale of approximately 600 original prints from the famed Ferdinand Roten Galleries collection on Friday. Along with prints by such masters as Picasso, Goya, Renoir and Hogarth, visitors will be able to see works by many of today's American artists, some famous and some "not so famous."

Area residents are invited to browse through this outstanding collection of original graphics. A knowledgeable Roten representative will be on hand to answer questions about the prints and the artists and to discuss other prints not in this collection but which may be obtained from the gallery in Baltimore. A world respected authority on graphics of all types, Roten holds exhibitions and sales at major museums, colleges, art galleries and art centers throughout the United States and Canada. The informal displaying of the collection allows visitors to examine at close range the various graphic techniques of different artists. This event will be held at Val Peterson Fine Arts, Building

Two WSC Students Receive Scholarships Wayne State College has awarded Cooperating School Scholarships for fall tuition to Rochelle Recher of Council Bluffs, Ia (eight terms) and James Auck of Fargo, N.D. (six terms). Miss Recher, daughter of Mr. and Mrs. Verdean Recher, 203 Coit Road, Council Bluffs is a 1975 graduate of Abraham Lincoln School where she was linac in softball, volleyball, basketball and track. A freshman at Wayne State, she plans to major in physical education and carry a recreation minor. Auck, son of Mr. and Mrs. George Auck is a 1975 graduate of Harry Z. Burke High School. A junior at Wayne State College, Auck is majoring in art and plans to teach art and coach. He is also active in college baseball. Cooperating School Scholarships are awarded students from schools at which WSC students have done student teaching.

Three C's Elect New Officers New officers of the Three C's Home Extension Club were elected Monday evening when the group met in the home of Mrs. Roy Hansen. Eleven members answered roll call with "Foods I Don't Like." Officers for 1976 are Mrs. Steve Martindale, chairperson; Mrs. Dettlev Lindquist, vice chairperson; Mrs. Roy Stohler, secretary; Mrs. Norman Anderson, treasurer; Mrs. Art Johnson, news reporter; Mrs. Glen Mannison, health chairperson; Mrs. Clarence Pearson, reading chairperson. Following the business meeting, Mrs. Clarence Pearson and Mrs. Art Johnson gave the lesson on the metric system of measuring. Mrs. W.E. Hanson will be the Nov. 3 hostess. Betterment Association Eight members of the Concordia Betterment Association met Oct.

Highway 57 Officially Opens

Mrs. Kearnay Lackas, center, Wednesday cuts the ribbon that symbolically opens the new 10.6 mile stretch of Highway 57 between Carroll and Belden. Mrs. Lackas was chosen to cut the ribbon after town officials learned that her property lies directly on the county line between both towns. Attending the cutting were, from left, Belden town board chair Arnold Hansen, Belden banker Dave Hay, Mrs. Lackas, Carroll postmaster John Rethwisch and Carroll banker Larry Alderson.

Concord News Three C's Elect New Officers

New officers of the Three C's Home Extension Club were elected Monday evening when the group met in the home of Mrs. Roy Hansen. Eleven members answered roll call with "Foods I Don't Like." Officers for 1976 are Mrs. Steve Martindale, chairperson; Mrs. Dettlev Lindquist, vice chairperson; Mrs. Roy Stohler, secretary; Mrs. Norman Anderson, treasurer; Mrs. Art Johnson, news reporter; Mrs. Glen Mannison, health chairperson; Mrs. Clarence Pearson, reading chairperson. Following the business meeting, Mrs. Clarence Pearson and Mrs. Art Johnson gave the lesson on the metric system of measuring. Mrs. W.E. Hanson will be the Nov. 3 hostess. Betterment Association Eight members of the Concordia Betterment Association met Oct. 2 at the Fire Hall. The secretary reported that the NCIP scrap book has been sent to state. It was announced that Concordia has been officially named a Bicentennial community by the National Bicentennial Committee. Coming Events Tuesday, Oct. 14: Womens Christian Temperance Union, Concordia Lutheran Church, 2 p.m. Wednesday, Oct. 15: Community Bible study, Evangelical Free Church, 3 p.m., note change of day. Sunday, Oct. 5 guests of Mrs. Grace Guern were Marvin Guern and Wanita, and Carol Arndt of Scribner. Mrs. Grace Paulsen and Mrs. Al Guern Jr. and daughter visited Mae Christensen at Creighton Wednesday in honor of her birthday.

*Maskenthine Multi-Purpose Project*

The Maskenthine Flood Control and Recreation Project is on a site one (1) mile north of Stanton, Nebraska, considered by the Corps or Engineers in the mid 1960's as a potential flood control site.

Known as the Maskenthine Project, the \$1 million multi-purpose development being sponsored by the Lower Elkhorn Natural Resources District, will provide flood control and recreation for Northeast and Central Nebraska.

The Project, the first to receive a grant from the Nebraska Natural Resources Development Fund, is the first major flood control reservoir in the Elkhorn River Basin which sustains an average annual flood loss of \$5 million annually.

The Lower Elkhorn Natural Resources District is providing approximately one-third of the development costs from local funds with assistance from the Bureau of Outdoor Recreation - Land and Water Funds administered by the Nebraska Game and Parks Commission, and the Nebraska Natural Resources Development Fund, through the Nebraska Natural Resources Commission.

Construction is to begin in the fall of 1975 with completion of the flood control construction by mid-summer 1976. Recreation development will continue through 1977, and be open for public use in the summer of 1978.

Being the first major flood control project in the Elkhorn River Basin, the Lower Elkhorn NRD is justifiably proud of the Maskenthine Flood Control and Recreation Project. The Lower Elkhorn NRD is also proud of the participation in the project of the Nebraska Natural Resources Development Fund as an example of the capability of this Fund in the State of Nebraska.

It is the sincere desire of the Directors of the Lower Elkhorn NRD that the Legislature will see fit to increase the level of funding for the benefit of all Nebraskans.

NEARLY 130 Wayne County Home Extension Club members and guests turned out for the annual Achievement Day program Thursday evening at the Wayne city auditorium, sponsored by the Wayne County Home Extension Council. Assisting at the registration table, left photo, is Mrs. Leon Meyer of Wayne, at left. Looking over the

book "Treasure Trails in the U.S.A." are, right photo, from left, Mrs. Orville Nelson, Mrs. Earl Tooker and Mrs. Evan Bennett, all of Wayne. Copies of the book were presented by the Wayne County Home Extension Council to all public, parochial and school libraries in Wayne County during the evening as part of the Council's Bicentennial project

# Achievement Day Attracts 130

About 130 home extension club members and guests, registered by the Happy Homemakers Home Extension Club, attended the Wayne County Home Extension Council's annual Achievement Day program Thursday evening at the Wayne City Auditorium. There was "American Women Can Achieve." Chairman of the event was Mrs. Charles Stelling of Wayne, assisted by Mrs. Paul Sievers, Mrs. Orville Nelson, Mrs. Val Damme and Mrs. Robert Porter, all of Wayne, and Anna Marie Kretzels, area home extension agent from Concord. Mrs. Alma Splittgerber of Wayne accompanied group singing of patriotic songs throughout the evening program. Songs included "America the Beautiful," "America" and "God Bless America." The welcome was given by Mrs. Robert Porter of Wayne, president of the Wayne County

libraries as part of the Council's Bicentennial project. Persons who wish to obtain a copy of the book, at a cost of \$4, should contact the county agent's office or the Northeast Station at Concord. Corsages which were made by the Happy Homemakers Club were presented to new and retiring members of the Wayne County Home Extension Council by Mrs. Val Damme. New county officers, installed at the Sept. 30 Council meeting at Hoskins, are Mrs. Ernest Siefken, chairman; Mrs. Alvin Mohlfeld, chairperson elect; Mrs. Cornelius Leonard, vice chairperson; Mrs. Milton Owens, secretary; Mrs. Delvin Mikkelsen, treasurer; Mrs. Alvin Wagner, Winside Hoskins group chairperson; Mrs. Charles Stelling, Wayne Carroll group chairperson; Mrs. Bernhard Splittgerber, citizenship leader; Mrs. Dean Janke, education leader; Mrs. Larry Nichols, family life leader; Mrs. William Thoenel, health and safety leader; Mrs. Howard Greve, county fair class H, and Mrs. Kermit Benshoof, county fair class L. Retiring county officers were recognized during the evening by Mrs. Robert Porter, Mrs. Ernest Siefken, Mrs. Gene Luff, Mrs. Larry Nichols, Mrs. Leo Hansen, Mrs. Phil Scheurich, Mrs. Val Damme, Mrs. Alma Splittgerber, Mrs. Alvin Mohlfeld, Mrs. Randy Baier, Mrs. Roger Luff, Mrs. Verne Mills, Mrs. Val Damme and Mrs. Hill Bert Jobs. Club presidents elected for the coming year are Mrs. Jim Nuerberger, Farm Fans; Mrs. Joe Corbit, Klick and Klatter; Mrs. Werner Mann, Merry Mixers; Mrs. Larry Briggs, Monday; Mrs. Dale Krueger, Scatter Neighbors; Mrs. Kermit Benshoof, Star; Mrs. Gilbert Krallman, Sunshine; Mrs. Verne

### Over \$15,000 Awarded in Suit

District court judge George W. Dittreich awarded over \$15,000 to Mrs. Merle Tietfort as settlement in a suit decided in district court in Wayne on Wednesday. The suit filed against Jerald Ranne of Omaha and Gerald Canner of Council Bluffs, Ia., alleged that on Mar. 26, 1973, Ranne, lost control of the auto mobile he was driving, in the employment of Canner, left Highway 15 south of Wayne and hit the Logan Valley Green house, operated at the time by Mr. and Mrs. Tietfort. Mr. Tietfort is now deceased and the greenhouse is no longer in business. The suit alleged that Ranne was under the influence of alcohol at the time, that he failed to maintain control of his car and that he was not maintaining a proper lookout. County court records show that following the accident, Ranne was charged with driving with more than 1 per cent alcohol. On May 17, 1971, he paid a \$100 fine and court costs on the charge.

### Jr. Fire Patrol Starts Tonight

The first of eight monthly junior fire patrol meetings begins tonight (Monday) at 7 o'clock in the city fire hall. All city and rural fifth grade students are invited to participate in the monthly programs which will run one hour on every Monday following the first Tuesday of the month. Sponsored by the Wayne volunteer fire department, the junior fire patrol meetings will cover such topics as self protection in the event of a fire, rescue, types and control of fires and the use of fire extinguishers. Directing this year's program will be firemen Bob Stanley and Gary Slegner. Cataract, occurring most often after age 40, is the leading cause of blindness in the U. S. today. Yet surgery to restore sight, the only cure, is safe and successful in 95 out of 100 cases, says the Nebraska Society for the Prevention of Blindness. Cataract is neither a form of cancer, nor is it contagious. The condition, emphasizes the Society, is only correctable by surgery.

### Lutheran Women Work on Quilts

Redeemer Lutheran Church Women held their Circle meetings Wednesday afternoon and evening. Each Circle worked on quilts to send to the Immanuel Home in Omaha. Mrs. Clara Circle met in the morning at hostesses Eva Nelson and Diana Baretman. Guests were Cecil Wriedt and Mrs. Glen Ellingson, who became a new member of Mary Circle.

#### Club Studies Metric System

Members of the A. Teen Wayne Extension Club and a guest, Mrs. Robert Boldt, met last Wednesday afternoon in the home of Mrs. Duane Kruger to study the metric system of measuring. Mrs. Harold Wittler, lesson leader, explained the metric system to prepare members for the changeover in the United States. President Mrs. James Robinson is in charge of the business meeting and reminded members of the Friendship Dinner which was to have been held Oct. 8 in Norfolk, and the Wayne County Home Extension Council's annual Achievement Day held Thursday night at the Wayne city auditorium. The president also gave the schedule for the consumer education programs on Channel 19 TV. Two-minute reports by special leaders were given as part of the club's educational program. Mrs. Walter Fieger Jr. explained the historical context of the NEHC book "Treasure Trails in the U.S.A." Mrs. Earl Anderson read reasons for changing to the metric system and Mrs. George Ehlers read an article, entitled "Safety, Fall Cleaning." Mrs. William Thoenel told members of the arthritis and diabetes conference to be held in O'Neill in February of 1974 and commented on the book concerning mental health, titled "Come Live With Me." Officers Mrs. Duane Kruger and Mrs. Guy Anderson set Oct. 31 as the date to meet with Mrs. James Robinson to prepare yearbooks for 1974. Six members who attended the mini-convention in Laurel gave their evaluations and agreed that a 1974 session would be desirable. Officers were urged to attend special training sessions to be held next year. The November meeting will be in the home of Mrs. George Ehlers. Mrs. William Thoenel will give the lesson on heritage arts.

#### WMS Meets

Members of the Womens Missionary Society of the Peace United Church of Christ met Wednesday afternoon in the home of Mrs. Lena Ulrich. Hostess was Christine Leuker and guests were Mrs. Neida Schroeter and Mrs. Fred Talbot of Norfolk, Mrs. Bradley Bartlett, Mrs. George Langenberg Sr., and Mrs. Erwin Ulrich. President Mrs. Walter Fenske opened the meeting with a prayer. Miss Leuker accompanied group singing of "Near to the Heart of God." Mrs. Fenske read "Time is Very Important." Roll call was answered with a Bible verse. The group sang "In the Cross of Christ I Glorify."

#### Fire

The fire is believed to have started from a nearby incinerator. Mr. and Mrs. Bill Holte and family reside on the Kleensang place.

#### Firemen Called

Four Hoskins volunteer firemen were called to the Marvin Kleensang farm about six miles northwest of Hoskins last Friday afternoon to extinguish a grass

## Victims of the system?

In some circles, it's "in" to be down on the system. After years of thought and action we still believe that the system is a good one—that it works for your good.

We're referring to our economic system that runs on profit—the system that has provided America with the highest standard of living in the world by far. (Four out of 5 families own TV sets,

3 out of 5 own their homes, and 1 out of 3 own 2 or more cars.)

We've lived with this truth so long it has become trite. Some people just take for granted the system that has put men on the moon. Some seem bored by abundance. Others are attacking the profit system with false arguments. Our system isn't perfect. It does have its faults. But it deserves

to be judged on its record.

In a nationwide public opinion poll, a majority of people interviewed said they believe that business profits average 28% of sales after taxes. They are wrong. The fact is that over the past 20 years profits have averaged about 5% on sales—or 5 cents on a dollar.

**We all profit from profits.**

**Chamber of Commerce of the United States**  
Washington, D.C. 20006

A federation of chambers of commerce, trade and professional associations, business firms and individuals dedicated to strengthening the competitive enterprise system—for the greater good of all.

 Minneapolis, MN 55426

**NE Tech School Receives Grant**  
 The Nebraska Commission on Law Enforcement and Criminal Justice has awarded a grant of \$5,049 to the Northeast Nebraska Technical Community College in Norfolk.  
 The grant is for the third-year funding of the two-year associate degree offered in the criminal justice, corrections program.  
 The grant to the college was one of 27, totaling \$367,293.97, approved by the Commission at its September meeting. The commission awards funds to state agencies and local units of government to assist those projects that will upgrade the criminal justice system in Nebraska and eventually reduce crime.

**OBITUARIES**

**Lloyd Sila**

Funeral services for Lloyd A. Sila, 57, of Emerson were held Friday at St. Luke's Lutheran Church, Emerson. He died Wednesday as a result of injuries sustained in a tractor accident south of West Point.

The Rev. Ronald Nelson officiated and honorary pallbearers were Myron Lempe, Harold Roenfeldt, Gordon Jorgenson, Earl Frey, Franklin Frey, Wednell Allen and Frank Frey. Serving as active pallbearers were Adrian Abendroth, Gary Sila, Dennis Greve, Ron Greve, Glen Greve and Larry Sila. Burial was in Mount Hope Cemetery, West Point.

The son of Wenzel J. and Lillian Pezz Sila, he was born Sept. 11, 1918 in West Point. He was united in marriage to Janelle Schroeder Nov. 27, 1973 at Sioux Falls, S.D.

Preceding him in death were a son, Myron, and a brother, Leo. Survivors include his widow, four sons, Lydel at home, Marvin of Maryland, Aaron of Sioux City and Arlan of Emerson, one daughter, Clarissa of Sioux City, four brothers, Henry of Wisner, Virgil of West Point, Len of Fremont, and James of California and five sisters, Mrs. Paul (Violet) Abendroth of Bancroft, Mrs. Lawrence (Irene) Albus of Beemer, Mrs. Gus (Laura) Greve of Pender, Mrs. George (Marjorie) Kubik of Bancroft and Mrs. Edwin (Myra) Parr of Fremont.

**New School Is an Adventure**

STUDENTS AND TEACHERS in school District 57 moved into their new schoolhouse Monday and the kids were thrilled by their new surroundings. Tricia Frevert, seven-year-old daughter of Mr. and Mrs. Kenney Frevert, said she likes the fountain and wash basin arrangement in each classroom. Five-year-old kindergarten Shannon Janke is telling teacher Mrs. Cliff Peters she thinks the school "is pretty inside and outside." The antique hand bell on Mrs. Peters' desk is one nice feature from the past incorporated in the modern school house.

**Otto Carstensen**

Funeral services for Otto J. Carstensen of Laurel are set for today (Monday) at 2 p.m. at the United Lutheran Church of Laurel. Burial will be in the Laurel Cemetery. He died Thursday evening at Providence Medical Center at the age of 62 years.

Survivors include his widow, Eva, one son, three daughters and several grandchildren.

**Council**

(Continued from page 1)  
grant. The council passed a resolution on the matter at their last meeting but the FHA office asked that another sentence be added. In a story following the meeting the agency was erroneously reported as being the Federal Home Administration.

Brink will report to the council that the planning phase has been completed in a project aimed at bringing the city sewage plant in line with environmental standards by 1977.

Bids will be opened at the meeting for two items: an industrial tractor and a fire truck. The council will also consider an ordinance to set an occupation fee for Class C liquor licenses. A date will be set for a public hearing for a Class C

license requested for Korn's NU Taver.

Also on the agenda are discussions of the Nebraska open meeting law and discussion of purchasing a new police cruiser.

**Prevent**

(Continued from page 1)

to diagnose and remediate early childhood educational problems is a vital program. I feel the early development of an achieving attitude in both the parents and the child will be of great benefit to the progress of the youngster.

The home-based feature of the program will eliminate geographical and financial difficulties involved in transporting young children. Once the plan is developed by District 17, using

Title VI monies, personnel costs for adopting districts will be low, with many of the services carried on by volunteers.

Anyone in the community who would be interested in helping either with the development of the program or with home visits later on a volunteer basis may call West Elementary School, 1501 S. 8th and leave the number with L. J. in Space.
