Exotic Breeds Are Prime Topic

State extension beef specialist Paul Guver will conduct the key portion of a meeting on feedlot management scheduled for Feb. 2 in Wayne.

Guver will discuss exotic and crossbred beef animals and their relationships to carcass value and management.

Wayne county extension agent Don Spitzel said the meeting should be of value to both feeders and farmers with cow-calf. The meeting will begin at 1:30 p.m. at the First United Methodist Church in Wayne.

John Witkowski, extension entomologist at the Concord North-east Station will discuss methods of controlling insects in the feedlot. Northeast Station beef specialist Vernon Krause will talk about backgrounding and management, and Spitzel will discuss marketing.

Spitzel said a mini crop protection clinic has been scheduled to meet at the Methodist Church at 1:30 p.m. on Feb. 6.

An area crop protection clinic was held in Norfolk on Jan. 15,

Chamber Award To Be Presented

Wayne Chamber of Commerce members will convene tonight (Monday) for the organization's annual dinner.

Chamber manager Howard Will said Thursday that about 175 tickets had been ordered for the dinner, down from last year's total of about 200. Additional ticket sales were still possible at that time, Will said.

A key event at tonight's dinner will be the presentation of a president's award to the Chamber member judged to have rendered the most outstanding service during the past year. It will be the first time the Wayne Chamber has presented such an award.

Keynote speaker for dinner, beginning at 7 p.m. in the North dining room of the Wayne State Student Union, is Northwestern Bell Telephone Company vice president Ben Morris. Morris is chief executive officer for the company's Nebraska operation.

Exchange Students Come, Go

Wayne High School's new domestic exchange student, Kristin Elizabeth Whitehurst, began her first day of studies today (Monday) at Wayne High.

Kristin, who prefers to be called Kris, comes to Wayne from Bel Air, Md., where she was a junior at Bel Air Senior High School.

While attending classes during the second semester at Wayne High, Kris will make her home with the Robert Sutherland family.

Sutherlands met Kris at the airport Saturday, the same day Wayne High School junior Shari Hamm left for Lodi, Calif., where she will attend school under the same program.

The domestic exchange student plan is an offshoot of the foreign exchange program sponsored by the American Family Service chapter. This is the first year Wayne has participated in the domestic program, which was designed to create understanding and friendship across cultural boundaries within the United States.

Both Shari and Kris will attend classes from January to June.

Shari, 16, is the daughter of Mr. and Mrs. Deardir Hamlin of

CLAIR STOKES, Wayne light plant operator, performs a regular maintenance check on the plant's generators. The city Friday agreed to lease the plant's generating capacity

to the Nebraska Public Power District. The city will continue to maintain the plant, ready to begin power production when NPPD needs it, on two hours notice.

Door Windows Are Broken At St. Mary's

Two door windows were damaged sometime Thursday night or early Friday morning in a break-in at St. Mary's Catholic school, 420 E. Seventh.

Police said entry was made by knocking out a window in a west door, then knocking out a window in a door to the principal's office. No estimate of damage was given.

According to sergeant Ron Penkerick nothing was missing from the principal's office. Desk drawers and file cabinets were left open in the office, he said.

Penkerick said there is a possibility that the person or persons involved in this break-in could be the same who broke into the Middle School last week and took \$65.

SHARI HAMM

Paper Pickup Is Saturday

Boy Scouts of Wayne Troop 174 will collect old newspapers in Wayne Saturday. The papers will be sold to a recycling plant as part of a troop fund-raising effort.

The Scouts will be picking up papers in Wayne only, because of the size of the troop. However, anyone outside of the city wishing to contribute to the drive can bring papers to a collection center in the building on S. Nebraska St. which formerly housed the State Roads Department maintenance shop, or special arrangements for collection can be made by calling 375-3599.

Scouts will collect papers along every street in Wayne. They are asking that bundled newspapers be placed on the curb in front of homes or at an easily seen location in front of homes.

Newspapers should be bundled in stacks, not over 12 inches high with the newspaper sheet folded once. Twine to tie bundles is available at Gerald's Paint and Decorating, or at Carhart Lumber Company.

City Signs NPPD Contract

Wayne mayor Freeman Decker Friday morning signed a contract which leases the generating capacity of the city light plant to the Nebraska Public Power District for a 10-year period.

Wayne is the first city to sign such a lease with NPPD. Customer relations manager Clint Jahnnes explained that NPPD developed the leasing concept in cooperation with several cities as a way to offer municipalities an alternative to continued power production, relying on diesel fuel.

"Diesel generation has just become too expensive," Jahnnes said. "The capacity lease agreement allows Wayne to take advantage of our smaller average cost, made possible by the variety methods we use for generating electricity."

Mayor Decker said the signing of the contract was a rather historic occasion for Wayne, dictated by economic realities. "I'm sure that in the long run, it will mean a tremendous savings for the people of Wayne."

City Signs NPPD Contract

The contract, which goes into effect on March 1, also obligates the city to purchase electricity from NPPD at wholesale rates, for retail sale to customers.

The change-over shouldn't mean any noticeable difference in service, city administrator Fred Brink said, because the city has been purchasing some power from NPPD during off-peak periods. Brink said it costs about 50 mills per kilowatt to generate electricity at the municipal plant, while off-peak power from NPPD costs 12.8 mills.

Overall power costs will be somewhat higher than that when electricity for Wayne consumers is supplied exclusively by NPPD, because power used during periods of heavy demand costs more.

NPPD uses a variety of energy sources to generate power, including natural gas, petroleum fuels, hydroelectric power and nuclear power.

When demand is low, a greater percentage of NPPD power is produced with less expensive methods such as hydroelectric and nuclear generation, so overall production costs are less. Expensive petroleum fuels must be used to supply the additional power during peak demand periods, so electricity purchased then is more expensive.

NPPD and other power companies have long-term plans to convert largely to the less expensive forms of generation, but in the interim, petroleum generation must be relied upon to meet peak demands. Leasing the capacity existing plants such as Wayne's saves the cost of See NPPD, page 10

Livestock Killed In Hoskins Fire

A fire Monday on the Walter Gutzman farm, five miles north east of Hoskins, killed two sows and 21 pigs and destroyed a barn and its contents.

Hoskins firemen answered the call about 4:20 p.m. but were unable to save the barn and baled hay, straw and grain, which were stored in the building.

The farm, leased to Ron and Rick Lange, was partially covered by insurance. Cause of the blaze is unknown.

Wayne Student, Mike Schmidt, Shared the Award for Outstanding in the Conference Competition

Other Class A schools rated superior were Randolph for "Bald Soprano," and West Holt for "Chamber Music."

Class B schools rated superior in addition to Wakefield were Hazelington for "The Boor," Stuart for "Impromptu," and Rock County for "Bald Soprano."

The superior ratings entitles those schools to participate in the state one-act play contest on Feb. 3 in Kearney.

Class A outstanding individual duos, named in addition to Kober were Lori Paul, O'Neill, Rhonda Bothe, Norfolk Catholic; Marcia Broeze, Pender; Curt Tideman, Hartington, and Mike Meurgel and Kelly Vinson, both of Plainville.

Actors from Class B schools cited for outstanding performance, in addition to Miss Carlson, were Tami Foster, Hartington; Janet Henke, Butte; Sue Puckert, Rock County; See THE SPIANS, page 10

Community Council Reschedules Meeting

A meeting of the Wayne community council originally planned for tonight (Monday) has been rescheduled for Thursday night to avoid a conflict with the Wayne Chamber of Commerce dinner.

The meeting will be held in the Wayne High School library beginning at 7:30 p.m. The community council oversees Project Success, which aids school children with special learning disabilities, and the new Predict and Prevent program, being developed to provide similar services for pre-school children.

A number of subcommittee meetings will occupy the first half of the meeting. Subcommittees and chairmen are: volunteer recruitment — Angela Denesia; input and ongoing im-

Carroll Board Picks Jorgensen

George Jorgensen Tuesday night was named to the Carroll town board to fill the vacancy left by Joy Tucker, who resigned earlier this month because of health reasons.

Jorgensen will finish Tucker's term which runs into 1977.

Also during Tuesday night's special meeting, members adopted the one- and six-year street improvement program, which will include armor coating several streets, according to village clerk Alice Rohde.

Power Plant Founded in 1897

The Wayne Electric Utility was founded in 1897 with an initial investment of \$5,400, plus the cost of the boiler, and provided electricity for lights in the evening.

In a special session in 1899, rates were fixed at 50 cents per month for 16 candle power and \$1 per month for 32 candle power.

Service was extended to the daytime hours when patrons petitioned the city council for it, and, by 1904, increasing power demands had outgrown the plant's capacity. Plans were made to add a generating unit and new steam engine and generator were purchased at a cost of \$3,736 and a new boiler cost \$2,100.

The light plant operated at a deficit in the beginning. For example, in 1906 receipts were \$5,800, compared to expenditures of \$6,900. By 1913 that had changed and receipts slightly exceeded expenses. Coal was the first used then, about 4.7 tons a day.

A major change in the operation came in 1919 when the direct current generators were replaced with alternating current alternators.

Another major change was made in 1928 when the first diesel engine was purchased. The change was made because the cost of coal, freight and handling was so high that switching to oil reduced costs by 50 per cent. In 1947, a new type of engine was purchased which could operate on either diesel fuel or natural gas. Cost factors were responsible for that change also.

The Spians Rated Superior

The Wayne and Wakefield high school drama clubs both gained superior ratings in District 111 one-act play competition Wednesday.

Wayne received its top rating for performance of "Dieder mann and the Fire Bugs." Wakefield's play was "When Shakespeare's Ladies Meet."

The Wayne play won top honors two weeks ago in the Husker conference one-act contest. The Wayne thespians were among three of 14 Class A schools to receive the superior rating Wednesday. Wakefield had to compete against 15 other Class B schools.

Heidi Carlson of Wakefield was one of six students from Class B schools to be cited for outstanding individual performance. Wayne's Phil Kober was among the six Class A school students to receive recognition as an outstanding performer. Kober and another

Instrumental Clinic Is at Allen High

Band members from six schools in the Lewis division of the Lewis and Clark Conference will participate in the annual instrumental clinic on Monday, Feb. 2, at Allen High School.

A total of 30 students from Ponca, Newcastle, Allen, Homer, Walthill and Winnebago are expected to attend the all-day program, beginning at 8:30 a.m. in the high school auditorium.

Guest conductor will be Don Schumacher of Norfolk High School, who also will direct an evening concert at 7:30. The concert will be open to the public, said Lorne Stamp, Allen music director who is in charge of the clinic.

The Wayne State jazz-rock ensemble, under the direction of Dr. Ray Kelton, will perform at

Danger: Building Coming Down

THE SIGN in the foreground meant exactly what it said Friday as a crane begins the demolition of the front wall of the former McCullough Furniture store in Wayne, on the southeast corner of Fourth and Main Streets. Workers are demolishing the building to make way for the new Wayne

Federal Savings and Loan Association building. Association president Betty Addison Thursday said it's uncertain just how soon construction will begin because contracts are still to be let and because of probable inclement weather yet to come this winter.

Extra Hauling Fee For Residents in Winside Will Be \$3

Effective Feb. 1, Winside residents who have their garbage hauled will be paying an extra \$3 per month for special pickup service.

The additional \$3 will be for those persons who have more than the normal 32-gallon can full of garbage, it was pointed out by the town board in a letter to Winside customers.

The Winside town board gave its approval for the increase to Emil Swanson, who operates the hauling service in Winside. The regular monthly rate will remain at \$2.

All refuse must be in a box or plastic disposable bag and placed in front of the house on a curb for Monday pickups in alleys.

The village landfill will be open for Winside residents on Thursdays from 8:30 a.m. to noon and from 1 to 4:30 p.m. The landfill is located about one and one-half miles southwest of Winside.

FRIDAY CAGE RESULTS

Wayne 63, Hartington CC 71
Winside 67, Wynot 42
Laurel 99, Crofton 65
Wakefield 58, Madison 53
Allen 58, Winnebago 87

Lions Plan Talent Contest

The Wayne Lions Club talent contest has been scheduled for Friday, 11, giving local youth plenty of time to rehearse, a club spokesman said.

The Lions are sponsoring the contest to provide incentive for young people to achieve excellence in the general field of education with emphasis on amateur entertainment. The talent contest is designed to provide an opportunity for a variety of acts to perform, gaining experience before an audience.

Trophies will be awarded to the first and second place winners in each of four divisions. Divisions are: elementary — nine years old and younger; Junior — 10 to 12 years old; intermediate — 13 to 15 years old; senior — 16 to 18 years old.

The age of the contestant on July 1 will be considered their age for purposes of the contest.

First-place winners in each division will be eligible to compete in the district talent contest in Omaha on Apr. 25. District winners will advance to the state competition in Kearney in June.

The maximum number of performers in each act is nine, and the age of the oldest member will determine the division in which the act will compete.

Registration blanks will be made available in March, through The Wayne Herald. Further information can be obtained by contacting contest chairman Dr. Fred Wabbe.

Our liberty depends on the freedom of the press, and that cannot be limited without being lost. — Thomas Jefferson, Letter, 1786.

STRAYEr Thoughts

By Jim Strayer

A milestone was passed in Wayne Friday when Mayor Freeman Decker signed a contract leasing the capacity of the city's light plant to the Nebraska, Public Power District.

Members came through the district play competition with flying colors. Both schools received superior ratings.

This seems to be a time for writing contests. I received notice this week of one being sponsored by the Nebraska Writers' Guild.

A medal and \$100 will go to the winner in this creative writing competition, dedicated to the memory of the late Dr. Leo Jacks, long time Creighton University English professor and past guild president.

The contest is open to Nebraska residents between the ages of 18 and 25. Entries may be fiction—15,000 to 30,000 words; poetry (one poem or a group between 100 and 200 lines); or non-fiction essays (5,000 to 7,000 words).

The Wayne Municipal Airport might record a "first" today (Monday). North

western Bell Telephone Company vice president Ben Morley, the speaker for tonight's Chamber of Commerce dinner, might arrive at the airport via executive jet. If so, it will be the first time a jet aircraft has landed at Wayne.

An interesting observation on the economic system of the United States was made by Nebraska Congressman and senatorial candidate Jim McCollister. "The socialist and communist strikes overcoming inherent inefficiencies of their systems by enforcing a discipline on their people. They have sacrificed current consumption in order to make massive investments in their economy. Our country has done just the opposite. At every turn, we emphasize consumption and de-emphasize savings and investment. Our tax policies discourage investments. A majority in Congress is pandering to the public appetite for self-indulgent consumption."

LETTERS

Not a 'hoodwinker'

Wayne
Dear Mr. Concerned Taxpayer:
You could be a friend of mine since you didn't have enough power of your convictions to sign your name. I take exception to being called a "hoodwinker."

Do you believe in America? Then, how can you expect to instill a prouder sense of our country in our children if you let all the relics of our heritage go to waste? And if we say them, should we keep them locked away in a dark room for no one to see?

By state statutes one-tenth of a mill can be used to save our heritage... Someone must have thought it important to let this aside.

As for Boy and Girl Scouts, 4-Hers, etc., they are important enough to me to go around every year collecting for them. All things good have to be sought after and worked for to be kept.

Wayne
Dear Editor,
After reading the article "Wayne County Cancer Rate Above Average" in the Jan. 15 issue of The Wayne Herald, I remember I had intended, since May 1975, to write this letter to thank the 13 volunteer workers in Hunter precinct for the American Cancer Society. They have struggled through rainy weather, mud, muddy roads on a house-to-house visit during April 1975, collection \$25 more for Hunter precinct than was collected in 1974.

Wayne
Dear Editor,
I am a board member of the reorganized Wayne County Historical Society and as an individual who desires that the Ley property become the site of the Wayne County Museum, I think of James Michener, who in writing about what America means to him, said "I am hopeful about our future, because I have seen the tremendous energy we can focus on a problem when the prospects look bleakest."

Wayne
Dear Editor,
Regarding the proposed means for conveying the Ley family home to the Wayne County Historical Society, who stand for liberty?

Wayne
Museum would be a priceless gift!

Wayne
Dear Editor:
After attending Tuesday's informal meeting of the commissioners I came away with various impressions. Certain individuals who are opposed to the acceptance of the museum offer... feel that the decision should not rest solely on our commissioners but rather that said issue should be brought before a special election.

Wayne
In adopting either of these means, particularly the latter, the members of the society will be showing faith in their own enterprise and devotion to the principles of the Declaration of Independence. This is not to suggest a private corporation and its patrons; let them have the opportunity to so state at the polls.

same became available, would far exceed those of the proposed museum. Emphasizing the fact that this proposed museum is a "county-wide" project, I am sure that county residents, when approached about museum possibilities, think of a certain old building in their own town or the possibility of constructing a new facility on a certain parcel within their home territory.

Should the commissioners approve the sum of not less than \$3,000 nor more than \$4,000 yearly levy for the proposed museum, it has been determined that said amount would constitute 40 cents per resident in Wayne County, per year.

At the present time no decision has yet been made by our county commissioners regarding this matter and said matter has been on their agenda for several weeks.

As a board member of the reorganized Wayne County Historical Society and as an individual who desires that the Ley property become the site of the Wayne County Museum, I think of James Michener, who in writing about what America means to him, said "I am hopeful about our future, because I have seen the tremendous energy we can focus on a problem when the prospects look bleakest."

Let's focus our energy toward getting this museum established and placing all of the priceless artifacts that are in our possession in a museum that does them justice. What better gift can we give our children than an opportunity to touch the past, understand the present and look forward to the future.

Wayne
Who stands for liberty?

Wayne
Dear Editor,
The means proposed for conveying this home to the society involves enactment by the Wayne County commissioners of a one-tenth mill levy on all real property in the county, the proceeds from which are to go to the society for the maintenance and improving of the Ley family home.

Wayne
Museum would be a priceless gift!

Wayne

OBSERVATIONS

Museum is worth a try

A number of interesting points were brought up Tuesday when the Wayne County commissioners heard testimony regarding a proposed agreement under which the family of the late Rollin Ley would donate their father's home to the county historical society for use as a museum, with the condition that the county would provide between \$3,000 and \$4,000 a year to maintain the building.

Opponents of the museum also outlined points that might not be obvious. No one argued that having a museum to preserve local history is desirable. It was pointed out that many artifacts with local historical importance have left the county to be displayed in distant museums, because no suitable local facility is available. Once such items have trickled away, their return is unlikely.

Yet the motivation behind the clause is easy to understand. The family simply wants to ensure that if support for the museum is withdrawn, the house would not be allowed to deteriorate, but sold. The clause ensures that a generous gift will be used for the purpose intended.

But even if it, and if such a proposal is acceptable to the Ley family, it still

Doesn't obviate the need for an annual appropriation to maintain the museum. Opponents suggested that the matter be decided in a special election, in order to relieve the commissioners of what admittedly is a tough decision. But we're sure the commissioners would be the first to point out that they were elected to make such decisions. It is estimated that the cost of a special election would be more than the first year's support, so that argument isn't logical.

Proponents of the museum also outlined points that might not be obvious. No one argued that having a museum to preserve local history is desirable. It was pointed out that many artifacts with local historical importance have left the county to be displayed in distant museums, because no suitable local facility is available. Once such items have trickled away, their return is unlikely.

Defense budget dilutes policy

By FRANCIS D. MOUL
Syracuse Journal Democrat

President Ford faces a formidable task in accomplishing his reelection to the Presidency in the annual State of the Union address he made before Congress last Monday night. The President said he wanted a low growth federal budget for the coming fiscal year, with an estimated 50 per cent cut in projected budget growth. That means a budget of \$32.2 billion, which is still some \$74 billion above the present government-fiscal year spending.

Wakefield Couple Plan Golden Year Observance

Mr. and Mrs. Robert Blatchford of Wakefield will mark their golden wedding anniversary with an open house reception Sunday, Feb. 1, from 2 to 4 p.m., at the First Presbyterian Church, Wakefield.

All friends and relatives are invited to attend. The couple requests no gifts.

Hosting the event will be the couple's children, Mr. and Mrs. Richard (Joan) Pospisil of Wakefield and Mr. and Mrs. Louis (Jeanne) Allison of North Bend.

Robert Blatchford and Edna Curry were married, Jan. 26, 1926, at the First Baptist Church in Sioux City, Ia.

MR. AND MRS. ROBERT BLATCHFORD

Winside Girl Receives Honor

A Winside High School senior, Gail Grone, was recently named 1975-76 Betty Crocker Family Leader of Tomorrow at Winside High.

Gall was selected for her performance in a written knowledge and attitude examination administered to senior girls, Dec. 2, 1975.

The daughter of Mr. and Mrs.

Art Grone of Winside, Gail will receive a certificate from General Mills, who sponsors the annual educational scholarship program, and is also eligible for state and national honors.

Each state winner will receive an expense-paid educational tour of Washington D.C., and a \$1,500 education grant. The state winner also earns for his or her school a 20-volume reference work, "The Annals of America," from Encyclopedia Britannica Educational Corp.

From the state winners will be

SPEAKING OF FAREWELL

Senior Citizens Invited to Attend Luncheon With State Senators

Four members of the Wayne Senior Citizens Center will join senior citizens from across the state when they meet with their state senators this Thursday during a luncheon, sponsored by the Nebraska Senior Citizens Council.

The luncheon marks the third year that senior citizens have met with their state senators to discuss the needs of Nebraska's senior citizens. The luncheon will be at 12 noon at the Radisson Cornhusker Hotel.

Planning to attend the luncheon from Wayne are Mrs. Harold Olson, Walter Wesemann, Goldie Leonard and Jocell Bull, director of the local center.

Mrs. Bull, who currently serves as second vice president on the Nebraska Senior Citizens Council board of directors, said purpose of the luncheon is to provide better communication between older citizens of Nebraska and their state senators.

The Wayne Senior Citizens Center is a member of the Nebraska Senior Citizens Council. Goldie Leonard, a member of the local center, serves as treasurer on the council's board of directors. Mrs. Bull said senior citizens may purchase individual memberships to the Nebraska Senior Citizens Council for \$1 per year. The only qualification is that persons must be 55 years of age or work with the elderly.

The monthly dance will be held this Tuesday at 2 p.m. at the Wayne Senior Citizens Center. Persons having birthdays or anniversaries in January will be honored during the day.

Wednesday, 51 senior citizens were at the center for the monthly potluck dinner. The table centerpiece was arranged by Mathilde Harms and Gladys Petersen. Mildred Wacker gave the invocation.

On the volunteer serving and clean-up committee were Anton Pedersen, Annie Ruebig, Goldie Leonard, Mathilde Harms, Mildred Wacker, Cordelia Cham-

WH Grad Completes Course in Accounting

A 1973 graduate of Wayne High School, Arlin Cary, has completed the professional accounting course at the Lincoln School of Commerce. The announcement was made by Lill Bertels, dean of student services.

Arlin, who is the son of Mrs. Edna Cary of Wayne, is employed with the First National Bank of Lincoln.

We Few Club Given Lesson On Macrame

We Few Home Extension Club members met Jan. 12 with Mrs. Dennis Luft for a lesson on the art of macrame, presented by the hostess and Mrs. Ronald Wredt.

Twelve members and two guests, Mrs. Don Luft and Mrs. Dennis Jensen, attended the meeting. Seven pot hangers were completed and five oval wall hangings were started after the lesson leaders demonstrated basic knots.

During the business meeting, Mrs. Richard Korn quoted old time remedies and wives tales from the book, titled "The Fox Fire Book." The book is available at the public library for Bicentennial reading. Lunch was served by the hostess.

Program for the next meeting, Feb. 9, will be "Is It Fraud?" presented by Mrs. Richard Korn and Mrs. Alvin Anderson. The group will meet at 8 p.m. in the home of Mrs. Frederick Janke.

Missionary League Meets at Grace

Eighteen members and three guests of the Lutheran Women's Missionary League met at Grace Lutheran Church Jan. 13 to sort and trim stamps for mission projects.

Lunch was served by Darlene Risselt, Lemora Sarason, Carol Rehnisch and Vi Hartman.

Next meeting will be at 8 p.m. Feb. 10 in the church basement.

BPW Meeting Set

The Wayne Business and Professional Women's Club will meet for a 4:30 p.m. dinner meeting Tuesday at the Black Knight.

Eleanor Edwards will have charge of the program on "Health Care: A Corollary Issue" and "Lobbying: A Democratic Technique."

Circle Members Meet

Mrs. Carl Dammie was hostess Jan. 12 to the Central Social Club. Ninety members met at the Cornhusker Cafe, answering roll call by telling what the Bicentennial means to them.

Next meeting will be at 1:30 p.m. Feb. 3 with Mrs. Edward Tillman.

Winside High Students Attend Music Clinic

Eight students from Winside High School were among the more than 200 high school vocalists and instrumentalists from 60 Nebraska communities who attended a day-long music clinic Monday at Kearney State College. The clinic is held annually and is sponsored by the department of music.

Headed the clinic sessions were William Lynn, associate professor of music, and Ron Crocker, assistant professor of music. Lynn directs the Choralers and Nebraskans, college vocal groups. Crocker is director of the Kearney State Marching Band, Symphonic Wind Ensemble and Concert Band.

Students participating in the clinic from Winside High were Becky Glassmeyer, flute; Janelle Gottberg and Kim Mann, clarinet; Darci Janke, French horn; LeNeil Zofka, baritone; and Gail Grone, Deb Westerhaus and Melodi Westerhaus, who sang second soprano.

Winside High vocal director Lance Bristol and instrumental teacher Vincent Grubrau accompanied the group to Kearney.

CALENDAR OF EVENTS

- MONDAY, JANUARY 26**
Minerva Club, Mrs. Howard Witt, 2 p.m.
Senior Citizens Center Bible study, 2:30 p.m.
Wayne Newcomer's Club, Mrs. Larry King, 8 p.m.
- TUESDAY, JANUARY 27**
Senior Citizens Center monthly meeting, 2 p.m.
Villa Wayne Tenants' Club weekly meeting, 2 p.m.
JE Club, Mrs. Harvey Reibold, 2 p.m.

Aid Members Get Pins For Perfect Attendance

Two members of the Immanuel Lutheran Ladies Aid were recognized during the group's Jan. 15 meeting at the church for their outstanding attendance records in Aid.

The two, Mrs. Pearl Echtenkamp and Mrs. A.W. Gode, were presented pins from Mrs. Marvin Nelson on behalf of the Ladies Aid. Mrs. Echtenkamp completed 20 years of perfect attendance and Mrs. Gode has a 15 year attendance record.

Co-hostesses for the meeting were Mrs. Gilbert Raus and Mrs. Lloyd Roeber.

New officers, installed by the Rev. A. Gode, are Mrs. Lloyd Roeber, president; Mrs. Marlin Schullter, vice-president; Mrs. Dale Lessmann, secretary, and Mrs. Gary Nelson, treasurer.

New committees are Mrs. Harvini Nelson, Mrs. Lloyd Roeber, Mrs. Laverne Wischhof and Mrs. Lawrence Ruwe, sweepings; Mrs. Elmer Schrieber and Mrs. Gary Nelson, serving; and Mrs. Bon Holman and Mrs. Lawrence Ruwe, visiting.

Mrs. Roeber conducted the business meeting with 26 members.

Broderick-Hammer Engagement Told

Making plans for an April 24 wedding are Cindy Lee Broderick, daughter of Mr. and Mrs. Francis Broderick of Plainview, and Kevin Dale Hammer, son of Mr. and Mrs. Willard Hammer of Wayne. The engagement has been announced by the bride-elect's parents.

Miss Broderick graduated from Plainview High School in 1973. Her fiancé is a 1973 graduate of Wayne High School.

Honor Pearsons

About 50 relatives gathered at the Dale Pearson home at Concord Sunday, Jan. 18, honoring their silver wedding anniversary. Pearsons were married Jan. 20, 1951.

A buffet supper was served that evening by the couple's children, Mr. and Mrs. Richard Fisher of Wakefield, and June, Duane and Paul Pearson, at home. Mrs. Kenneth Salmon cut and served the anniversary cake, which had been baked by Mrs. Dean Salmon.

Guests were present from Sioux City, Wakefield, Wayne, Concord, Dixon, Omaha, Laurel and Pender, and included the couple's wedding attendants, Mrs. Kenneth Salmon and Virgil Pearson.

Guests Monday evening in the Pearson home to honor them were the Dean Backstroms, the Ernest Swansons, the Virgil Pearsons and Jean Buck, all of Wayne, and Evert Johnsons, Pat Erwins, George Andersons, Cliff Stallings, Verdel Erwin and Ted Johnsons.

Married in Utah

Our Savior Lutheran Church in Salt Lake City, Utah, was the scene of the Dec. 14 wedding of Angela Beth Spittlinger and William Babcock.

The bride is the granddaughter of Monte Bomer of Wayne. Mrs. Leo Holt of Wayne is an aunt, and Mrs. Russell Lindsey Sr., also of Wayne, is great aunt of the bride.

The couple are making their home in Mountain View, Wyo. They are both employed by the Utah Division of Wildlife Resources.

Wayne's Rally In The Fourth Isn't Enough

Wayne shaved a 17-point fourth quarter deficit to four points with two minutes left Friday, but the Blue Devils couldn't get closer as Hartington Cedar Catholic held on in a West Husker Conference loop battle, 71-67.

The Devils of coach Bill Sharpe tossed in 20 points in the final stanza and held host Hartington to only 10. Tim Koll and Dave Hix led Wayne's rally with three points each as Koll finished the game with 15 points and Hix made 10.

Red hot Hartington forged a 43-29 halftime lead as the Trojans hit close to 75 per cent of their shots in the first half. Senior Dick Uhling led the scoring in the first half for Hartington with 21 of his game-high 33 points. Teammates Tom Schiel, Fred and Paul Stevens totaled 14 points each to help push Hartington's record to 10-1.

For Wayne, the loss was the Devils' sixth in 12 games. Wayne started to turn the spring tide in the second half when the Devils' press began to take effect, causing Cedar to give the ball up for a total of 12 times.

"We played a really good ball game the second half. In the first half, it was just a case of them getting too many offensive and defensive rebounds," Sharpe pointed out.

The Devils hit on 44 per cent of their shots while Hartington made 56 per cent. Wayne edged the Trojans on the boards, 36 rebounds to 28.

Bowers Is 3rd
Another Winside High grad is ranked in the Nebraska Scholastic Wrestling Coaches Association ratings for Class C. He is senior Bob Bowers, who joins three other teammates to give Winside four matmen who are rated among the top four in their weight classes.

The 118-pound Bowers last week was rated third in his class, behind Pat Hinde of North Platte S.I. Pats and Tim Schroeder of West Point.

Also rated from Winside are Kevin Cleveland, fourth in 112; Keith Suehl, second in 126, and Brad Brummels, second in 138.

As a team, the Wildcats again are ranked second among the top 10 Class C teams in the state.

LED by Garry Roeber (54), a band of Wakefield players rapidly closed in on Madison's Randy Sunderman as the senior tries to make a layup in first half action. Other Trojan followers are Mike Soderberg, left, and Scot Keagle. Roeber foiled Sunderman's scoring attempt as he gets a hand on the ball to knock it out of Sunderman's hands.

Madison's Height Is No Match For Wakefield's Quickness

By BOB BARTLETT
Wakefield and Madison both exploded for 22 points in the final quarter Friday night. But for the visiting Dragons, their scoring didn't pack the needed punch as the Trojans pulled out their seventh win, 58-53.

The victory was the first in four West Husker Conference matches and pushed the Trojans' record to 7-4 going into Saturday night's home tilt against area rival Laurel.

Wakefield's Scot Keagle and Madison's Craig Whittle both sank 20 points to lead their teams' efforts. Keagle balanced his scoring with 10 points in each half and grabbed 15 rebounds while Whittle got hot in the second half to hit 14 points.

In the first half, neither team looked like it was going to blow the other off the court as each team's defense controlled the tempo of the game.

For Wakefield, its defensive effort proved to be more than Madison could handle as the man-to-man Trojan play held

coach Fred Latheby's Dragons to 17 points at the half.

After the game, Wakefield coach Joe Coble pointed out that his players followed the game plan "to the letter." Coble's strategy was for Wakefield to use its quickness to halt Madison's inside scoring.

"We're giving up four to five inches per man. We've got to rely on our quickness, they're so much taller," Coble said.

Madison starting lineup included a pair of 6-7 players, and three others ranging in size from 6-1 to 6-5. Wakefield's tallest starter is Keagle, 6-5.

Quickness also was a trade mark for the Trojans' offense as the hosts scored 10 fast break points in the second quarter. The Trojans took a 12-point command in the early going of the second half.

Wakefield made 47 per cent of its shots from the field and hit better than 55 per cent from the free throw line.

The free throw line is where the Dragons found their scoring

WS Cagers Welcome 5-Day Rest
Wayne State's basketball players are in a welcome five-day gameless period before their next action Tuesday night against Peru State, 7:30 in Rice Auditorium.

It is welcome so the Cats can recover from the last two smothering draining games, the 118-117 double overtime loss Tuesday at Kearney, then a 112-83 stomping by Doane Thurs. day at Crete.

There was little satisfaction for the Wildcats that they scored over their season average while Doane was hitting two-thirds of field shots, from inside and outside.

The Tigers, who had beaten Wayne here, 69-67, early in January, returned on Jan. 22 and before the Wildcats hit stride. Still, there was no stopping the Doane drive, which built a 56-37 half lead.

SPORTS

One-Point Win Gives Team 2 Fifth Victory

Undelected Team 2 pushed its win string to five Wednesday night to be the undisputed leader in men's B league recreation basketball.

Led by Sid Hillier with 14 points and Duane Blumenkamp with 10, the league leaders overcame a six-point halftime deficit to beat Team 4, 47-41.

For the losers, who were led by Wayne Wessel with 15 points, the loss marked their third in five games.

In another one-point decision, Team 6 edged Team 5, 49-48, for its first win of the season. Ron Fink, cashed in 36 and Bill Blecke added 14 as the winners stormed to a 33-25 lead going into the second half and held on in the closing seconds.

Team 3, led by Sid Hillier with 17, Team 5 has two wins and three losses.

In a three-point contest, Team 3 poured in 27 points the second half and held Team 1 to 14 in the last two quarters for a 51-48 victory. Dick Sorenson ripped the nets for 19 points for the winners who are 3-2. Bill Workman and Terry Lief garnered 12 points each for team 1 which is 2-3.

Also scoring:
Team 3—Darrall Dooscher 8, John Witkowski 4, Ken Swartz 2, Jerry Dorsey 2, Phil Griest 2; Team 4—Steve Pohl 10, Dan Johnson 6, Bill Woehler 4, Terry Kumm 4, Keith Kopperud 2.

Team 6—Tom Roberts 7, Dan Vodvarka 6, Larry Clark 4, Glen Nichols 2; Team 5—Dick Mettler 10, Steve Schumacher 8, Hank Overie 5, Don Sherman 4, Darrell Moore 3, Sam Schroeder 1.

Team 3—Don Zeiss 13, Chris Luenders 6, Perry Backstrom 5, Dick Dilman 4, Gene Casey 4; Team 1—Bob Reeg 11, Larry Stralman 4, Larry Meler 4, Jack March 3, Vernon Krause 2.

West Husker Tourney Cedar Is Seeded First

With the exception of Hartington Cedar Catholic and Columbus Lakeview, records for basketball teams in this year's West Husker Conference tournament will be about even.

Top seeded Cedar will enter the third annual division meet at Wayne Carroll High School auditorium on Monday, Feb. 2, with the best record. The Trojans, who were seeded with a 9-1 record during Wednesday's seeding meeting at Wayne, suffered their only loss earlier in the season to cross-town rival Hartington High.

Cedar opens the eight-team meet at 6:30 p.m. against Columbus Lakeview which was seeded last with the worst record, 2-8. The second game of the night at 8 o'clock includes a pair of fourth and fifth seeded teams with 6-5 records, Emerson Hubbard and defending tournament champion, Wayne High.

Tuesday night action at 6:30 finds third-seeded Wakefield, 6-4, going against Stanton, 5-6. At 8 p.m., second-seeded Madison, also 6-4, takes on Wisner Pilger with a 5-6 record.

Winners will advance to semifinal play on Thursday, Feb. 5, at 6:30 and 8 p.m. Consolation and final games are on Friday, Feb. 6, at 6:30 and 8.

Laurel Sets Season Point High in Trouncing Crofton

Laurel cagers made two season firsts Friday night in staging their 11th straight win in 13 games.

The Bears scored 99 points for a season high to down host Crofton, which had 65 points, and senior Jon Erwin scored a career high of 30 points to lead Laurel in the Northeast Nebraska Activities Conference match.

The Bears, who are undefeated in loop play with two wins, had little trouble scoring a 45-28 halftime lead. And even had an easier time scoring 34 points in the third frame for a 79-49 margin going into the fourth period.

Erwin led teammates in scoring during the third, sinking 14 points as the Bears finished with a blazing 54 per cent shooting clip from the field.

Senior Greg Pippitt also paced the Bears in the first three quarters, collecting eight baskets and making three of four free throw attempts for a total of 19 points.

"It was a ragged contest before it was all over with," commented Laurel cage boss Joel Parks. Laurel would score at will most of the game and

Cats' Second-Half Scoring Blows Wynot Off The Court

By DAN VODVARKA

Wynot had a little trouble getting out of the dressing room for the second half of its game at Winside Friday. The invading Blue Devils probably wished they never would have left the locker room for the third period. Trailing the host Wildcats by five points at halftime, Wynot got blown out of the gym by a 17-2 count in the third stanza.

The invader's only two points of the eight minute period came at the free throw line as not a single field goal try by the Devils found the bottom of the nets. The cold third period was all Winside need to roll to an easy 67-42 win.

The win was the second one-sided affair of the season between the two clubs with the Wildcats winning both encounters. Winside is 5-1 in the Clark division of the Lewis and Clark Conference and 6-3 overall all year. Friday's action setup the rematch Saturday night at Harrington between Winside and Harrington. Harrington is unbeaten in the Clark division and handed the Wildcats a one-point loss earlier this season.

On Tuesday night, Winside continues its league action with a trip to Osmond.

Winning coach Korin Lutt said he told his cagers at halftime to work a little more on offense. "Nobody was going to the boards for us and we weren't getting much penetration to the bucket," he pointed out.

The Cats changed all of that quickly in the opening minutes of the third quarter as senior Tyler Frevert opened the action with a felder and senior Bob Hoffman followed with two more quick baskets. Before the smoke cleared, Winside ran off 15 straight points and led 45-25 with 3:38 left in the quarter. With 3:09 to go in the period, Kirk Hochstein of the losers hit a free throw to break the ice for Wynot.

Wynot didn't get a field goal in the second half until with 7:09 left in the game Kirk Schroeder hit a felder.

Leading the way throughout the game for the winners was Hoffman and Frevert. Hoffman entered the game with a 19 point

ATTRACTING A crowd as usual was the basketball during action Friday night at Winside. Here Winside's Bob Hoffman (40), Rick Hoffman (30) and an unidentified Wynot Blue Devil mix it up in a tussle for the elusive ball.

Winnebago Thaws Out for Win over AH

Host Winnebago Friday night went into a cold spell in the first three minutes of the ball game before the Indians thawed out to rack up a 87-58 win over Allen.

Down by 7-4 with four and half minutes left in the first period, Winnebago's "bazz" and "bazz" with a 29 point explosion in the second period, took a 49-26 half time command.

Guiding the Indians to the Lewis division victory were seniors Neil Sullivan with 28 points and Curt St. Cyr with 25

Despite the one-sided victory, Allen mentor Jim Koontz quickly pointed out that his club played its best game of the season. "The first year head coach pointed out that the playing of Charlie Ferguson and Vernost Roberts—who had—10 and 12 points respectively for scoring honors, gave the club the leadership it needs.

"We're confident that our best effort of the season will payoff in the long run, especially Tues day night when we meet New castle again," Koontz said.

In their first meeting, New castle disarmed the Eagles, 50-37. Koontz figures Tuesday's game will be a lot closer because he is able to substitute freely.

"Over the space of the last three ball games we played well as a team. Everyone is contributing," he added.

Koontz feels that his players are showing more confidence in themselves. Citing his team's first half scoring percentage against Winnebago, the coach said Allen hit 39 per cent, which is the best thus far this season.

Rebounding was a big plus for the Eagles Friday night as the area quart outscored Winnebago 40-39. Freshman Bart Golch and senior Shawn Persinger led with 11 caroms each.

Allen goes into Tuesday night's battle searching for its first win in 17 games. The Eagles also are looking to break a losing streak that stretches over 31 games.

The junior varsity also will be aiming to chalk up its first win after Newcastle's Allen a 41-40 setback for the Eagles' 10th defeat. A last second shot from 70 feet out sank Allen's hopes of a victory.

Wayne Matmen Fall To Strong Tekamah

Ranked as one of the top state Class B wrestling teams in the state, Tekamah Herman Thurs day used its strength to overpower visiting Wayne grapplers, 52-10.

The locals posted wins in the first two matches of the contest before Tekamah won the rest on pins, decisions and forfeits.

Freshman Terry Hamilton won his second match of the season when pinned Tekamah's 98-pound Rick Robinson in 3:45. Hamilton's record is 2-7. In the 105 pound weight class, sophomore Kirk Echtenkamp boosted his mark to 14-1 with a 10-0 decision over Darry Palmer. Tuesday night Wayne will take its 2-5 dual mark to Wakarusa.

Tekamah 52, Wayne 10
98-Terry Hamilton (W) pinned Rick Robinson, 3:45 105-Kirk Ech, 1:47

Reserves
Tekamah 32, Wayne 3
98-Bill Farren (L), decisioned Rick Lutt, 7:4 98-Doug Farber (T) decisioned Larry Hank, 10:0 Paul Coves (T) decisioned Jeremy Edmonds, 6:5 Ward Walker (W) decisioned Greg Peterson, 7:4 Red Wilson (T) pinned Bob Pfeiler, Chuck Knight (T) pinned Jeff Edmonds, Jim Nelson (T) pinned Scott Carhart

McKay, Kunzmann Lead Coeds in 58-53 Victory

Freshman Pat McKay scored 29 points and Connie Kunzmann hit 23 to boost Wayne State women in a 68-53 basketball win over the University of Nebraska Lincoln at home Friday night.

McKay, a 6-8 forward from Knoxville, Ia., posted her big best score of Wayne's 7-5 season with 11 field goals and seven for eight free throws. It was one of the few times anybody outscored Kunzmann, a 6-0 sophomore center from Evely, Ia.

For UNL, Kathy Hawkins had top score at 11. Kathy Foley next with seven, as the Huskers dropped to 8-5.

The two teams will meet again in Lincoln for a scheduled game on Tuesday, Feb. 10, then later in February for a three team state playoff which includes the University of Nebraska at Omaha. Those three are the only teams competing in the large school class of the Nebraska Women's Intercollegiate Sports Council. Winner of the double elimination playoff will advance to the regional tournament.

In the past, all collegiate women's basketball teams of Nebraska have played in a single state tournament. Wayne State the champion the past three years.

The Feb. 10th date also included the Wayne UNL junior varsities in a rematch UNL down ed Wayne Friday, 61-44, with Rhonda Rhodes leading the vic-

tors on 16 points, Sheri Ballentine 11 for Wayne.

In the varsity game, Wayne led by sizable margins all the way, 39-24 at the half, and up to 19-0 except for a Husker rally in mid second half which closed the spread to 46-39.

Wednesday at Fremont the Wildkittens forged another 15-point win as they downed Midland, 83-68. Kunzmann occupied her usual role leading the point production with 21 while three others scored, well. Beckey Kelley, 18, Kathy Betz, 16, and Pat McKay, 14.

Wayne's men's suburban opponents, stayed close in a first half 39-37, but wilted in the second.

The junior varsity preliminary went badly for Wayne reserves in a 70-43 loss.

Q. The water rates in my county were recently increased. Can my landlord pass on this increase to me in the form of higher rent?

A. Yes, an increase in state and local fees, levies and other charges for municipal services, except for gas and electricity, is an allowable cost under Price Commission regulations, justifying a rent increase. For more information, see IRS Publication 53019, "Rent Guidelines." It's available at no charge by dropping a postcard to your Internal Revenue district office.

ALLEN VILLAGE BOARD PROCEEDINGS

January 5, 1976

The regular meeting of the Village Board of Trustees met Wednesday, January 5, 1976 in the Village Office. The meeting was called to order by Active Chairman, Merle Rubick. Trustees answering roll call were Ellis, Schroeder and Carpenter. Absent was Lindeletter. Also present were Snyder and Roberts.

Every government official or board of trustees should publish at regular intervals an accounting of his showing where and how each dollar is spent. We hold this to be a fundamental principle to democratic government.

water tower aluminum, and for Jim Koch of Consolidated Engineers was present and presented the 1 & 1/2 Year Street Improvement Plan. After much discussion the motion to pass the resolution, accepting the plans as presented by Consolidated Engineers was made by Ellis and seconded by Carpenter. Roll call vote all Aye. None nay carried.

MINUTES OF SPECIAL MEETING OF THE CHAIRMAN AND BOARD OF TRUSTEES OF THE VILLAGE OF HOSKINS, NEBRASKA

A special meeting of the Chairman and Board of Trustees of the Village of Hoskins, Wayne County, Nebraska, was held at the fire station in said village on the 21st day of January, 1976, at 4:15 o'clock p.m. Present were Chairman, Miller, Trustees, Opler, Schourich, and Waller. Absent, None.

Notice of the meeting was given in advance thereof by posting in at the residence of the Chairman, Opler, Schourich, and Waller. The following voted aye: Opler, Schourich, and Waller. The following voted nay: None. Thereupon the Chairman declared the motion carried and said resolution passed and was adopted. In witness whereof, I have hereunto set my hand and officially attested the seal of said village on this 24th day of January, 1976.

'We Finally Got a Picture of It'

MEMBERS of the Winside Volunteer Fire Department's rescue squad figured it was about time town residents get a look at their unit since it arrived almost a year ago. The rescue operators, from left Charlie Jackson, George Voss, Russell Prince and Ted Hoeman, got together recently during a picture-taking session at the fire hall. A total of 11 Winside residents took Red Cross classes in order to qualify to give emergency help when needed.

NOTICE OF MEETING

Notice is hereby given that a meeting of the Mayor and Council of the City of Wayne, Nebraska will be held at 7:30 o'clock P.M. on January 27, 1976. The regular meeting place of the Council which meeting will be open to the public.

WINSIDE VILLAGE BOARD PROCEEDINGS

January 5, 1976

The regular meeting of the Chairman and Board of Trustees of the Village of Winside, Nebraska was held at the Clerk's office of said village on the 5th day of January, 1976, at 7:30 p.m.

"LIVE AND FARM

BETTER ELECTRICALLY"

Wayne County Public Power District

Serving Wayne and Pierce Counties

Following the passage of the Groundwater Management Act by the 1975 Session of the Nebraska Legislature, all natural resources districts have been given the responsibility for the proper development and management of groundwater in the state.

One of the provisions of the Groundwater Management Act allows for groundwater decline complaints to be filed with the local NRD Office. The NRD Board must then act on that complaint along with the Director of Water Resources by means of public hearings, scientific evidence and testimony.

In order to determine whether or not a groundwater decline is truly taking place, the Board of the Lower Elkhorn NRD is considering the establishment of a voluntary Groundwater Monitoring Program. This program is tentatively scheduled to include about 10 per cent of the 2,000 registered irrigation wells in the Lower Elkhorn NRD.

With the very limited groundwater information on groundwater levels, it does not appear that a critical groundwater control area will be established in the Lower Elkhorn NRD for several years.

However, with the limited information available, if several complaints are received in an area, a critical area may appear to be developing when monitoring may show a temporary decline only through the irrigation season.

If a number of wells in the area had been monitored for some time, that complaint could be substantiated or rejected based on information from several years of monitoring.

In order to measure the water level in a well, it must have an access port in the pump head. The access port is a 1 1/2" diameter hole in the pump head through which an electrical plumb line may be dropped to the water level.

Nearly all irrigation pumps have a port which can be opened to allow a plumbline.

If you would like to have the water level in your well checked, please check the gear head on your pump for an access port. If it does, please fill out the information card below and return it to the Lower Elkhorn Natural Resources District Box 383, Norfolk, NE 68701. You will be contacted before your well is checked.

LOWER ELKHORN NATURAL RESOURCES DISTRICT VOLUNTARY GROUNDWATER MONITORING PROGRAM

I agree to allow my irrigation well to be monitored for groundwater levels.

REDUCED TILLAGE IS FOR YOU!!!

Below zero temperatures, school closings and snow drifts make corn planting appear to be years away not just a couple of months away. When you take a few hours to make your cropping plans for 1976, be sure to evaluate your tillage practices along with fertilizer, herbicide management and seed selection.

Why evaluate tillage management? Simply because machinery and time are a major cost in the production of a crop. Just maybe the same yields with five to ten dollars lower production costs means that many more dollars on the profit side next fall.

There are several ways to cut costs and increase profits with "Reduced Tillage".

If you can plant a crop with less time, your management time is worth more. As criteria for deciding which form of "Reduced Tillage" is for you, take a critical look at each trip over the field and see if each one is really worth your time!!!

Time is Money!!!

ORDER YOUR TREES NOW!!!

Remember to order your trees. Clark McNary trees are still available from your local SCS Office or County Agent. Trees are only \$13.00 per hundred with planting and weed control at \$12.00 a hundred, same as last year. Take advantage of one thing that hasn't gone up since last year!!!

Mishap Makes Loading Job

THE DRIVER of a tractor-trail bed rig escaped injury about 5 o'clock Thursday morning when he tipped the truck on its side at the intersection of Highways 98 and 35, about eight miles west of Wayne. Nearly 37 tons of building steel were dumped in the accident and had to be loaded onto two trailers later in the morning, Richard Campbell of Miland, Ill., told officers he was approaching from the south and, because of dense fog visible in this photo, didn't realize where the intersection was until it was too late to slow down. Rather than drive off the embankment at the dead-end of Highway 98, Campbell attempted to turn and tipped his rig on its side.

IRS Looking for 5 Area Persons

The Internal Revenue Service is trying to locate taxpayers who changed their 1974 or prior year federal income tax, but who did not advise their refund agent of the change. Those persons, or their next of kin, are asked to call or write to the Internal Revenue Service, 15th and Dodge Sts., Omaha, NE 68102, and establish identity and rights to receive the refund.

Dogs, Trainer Giving Program At Allen High

Students and teachers at Allen High School will have a lesson that day on dogs and their behavior. The program, today Monday at 10:30 a.m., is being given by Miss Carroll and the dogs will be loaned almost any animal treated with love and kindness will return the affection and will be hard to please. Also appearing through the use of a slide projector will be a book on dog training. Among the books, Michael the spotted fawn, Louie the red fox and Snoopy the raccoon.

Sterling North, author of the first series, "Rascal" and "Ragcans Are the Brightest People," has written an article, entitled "Who's Afraid of The Wolf?" in which he describes Miss Carroll's work with four small puppies. She is working on another book about wolves in which Miss Carroll will be featured.

1976—TIME FOR A CHANGE

Was 1975 really a successful year for you? Does your present job offer all the opportunity you want? If your answer is no, you will be interested in the opportunity we offer. You may have been driving a truck, working in a factory, selling goods or services, teaching school, or doing 101 other things people do to earn a living — yet you are dissatisfied with your job, your low income, or the people you work with. We have an opening for one person in this area. Our selection will be based upon an unbiased personal interview that will tell us and you if you are suitable for our business. If you are selected, you will be thoroughly trained and may enjoy earnings of \$200 to \$400 per week. For personal interview, call 544-5718 and ask for Mr. Adkisson or send resume to 2415 23rd St., Columbus, NE 68701. An Equal Opportunity Company

Legion Auxiliary Offers Scholarship

The Nebraska American Legion Auxiliary is offering financial assistance to a qualified high school senior who is planning on attending a vocational-technical school next fall.

Maximum amount of the award is \$200, awarded on the basis of quality of high school work and financial need.

Interested students must have been a resident of Nebraska during the past five years, and must be a dependent of a veteran. Veterans are also eligible for the award to attend a vocational-technical school next fall.

Application forms and details are available from Ken Carlson, Wayne High guidance counselor, or from the department of secretary-treasurer, American Legion Auxiliary, P.M. Box 5272, Lincoln, Nebraska 68505.

Deadline for completed applications to be mailed to the Lincoln office is Apr. 23, 1976.

Blecke Plans Appeal

A district court jury in Wayne County awarded \$14,433.37 to Scular Bishop of Missouri, a commodities brokerage firm, in a suit against Gary Blecke of rural Wayne.

The Missouri firm contended that the damages were due because Blecke had not maintained margins in the futures market.

Blecke, in a counter suit had asked for \$30,000 in damages from the firm, contending that failure of the firm's broker to follow Blecke's instruction had resulted in losses in the futures market. Blecke said Thursday that he will appeal the decision.

Bruggers Honored

Guests Tuesday evening in the Walden Bruggers home for their anniversary were the Harlin Bruggers family, The Meritt Bruggers family and Mrs. Jerry Bruggers and children, Norfolk.

Honor 1st Birthday

The Walden Bruggers, Henry Kochs, the Larry Lindsay family, Wayne, the Meritt Bruggers family, Ervin Bruggers and Aileen George were guests last Friday evening in the Harlin Bruggers home for Christine's first birthday.

Mrs. Sievers Hostess

Friendly Wednesday Club met Wednesday afternoon with Mrs. Alfred Sievers. Seven members and two guests, Mrs. Mike Sievers and Carol Eskin, attended. Prize winner was Mrs. Mike Sievers.

Plans were made for a dinner Feb. 18 in the Florenz Niemann home. Husbands will be guests.

Club Wears White

Ten members of the Scattered Neighbors Home Extension Club met Wednesday afternoon in the Herb Jaeger home, answering roll call by wearing something
