

Writer advocates less, better government

Dear Editor: The City of Wayne is talking of a rate increase in electrical service. All that is actually needed is a revision of the existing rate structure which has been totally unfair to the majority of electrical customers and homeowners.

Your newspaper had an article (letter) on this subject last winter. Since then, the city council meetings and minutes of same have been followed closely and not a word about a progressive pricing system has been mentioned.

No thought is given to reward the savers of energy. Certainly an incentive is given to those who use more electricity. Last year a councilman (John Valasek) noted an error in billing of certain large electrical customers and brought this to the city's attention.

In reviewing the published minutes of Jan. 13 council meeting which appeared in the Feb. 2 Wayne Herald, it is stated that a motion was made to implement a rate study by the City Administrator.

For instance, effective March 1, Columbus has a new administrator at a salary of \$21,500 per year. Columbus is a growing industrial city of three times the size of Wayne, yet the city administrator's salary is almost the same.

Incidentally, studies of other cities, which are larger than Wayne, show similar facts. The important thing to note is that my point has been made.

The word is that about \$200,000 per year will be paid to the City of Wayne by N.P.P.D. for electrical year production capacity. This is a sizeable amount of money and should be used to enable a reduction of electrical rates which would benefit all concerned.

Hopefully we'll know soon. If at all possible, it would be easier to follow the council procedure if the minutes were printed in The Wayne Herald issue that immediately follows the council meeting.

OBSERVATIONS

Decision is sensible

The Wayne County Historical Society board of directors has decided on a sensible course of action regarding the proposed county museum. The society will accept the \$2,000 grant from the commissioners, and at the same time, will take action to have placed on the November general election ballot a measure which would authorize a mill levy for the historical society.

minutes. Above all, please keep printing the minutes and continue to fight any and all attempts by shallow thinkers that wish to have the minutes printing discontinued. One Who Is For Less, But Better Government.

More on museum

Dear Editor: The Wayne County Historical Society now wants the issue put on the ballot concerning the Reilly Ley Home. One day over radio KTCH, one of its members said that the commissioners were elected to make decisions such as this.

Fan is disgruntled

Dear Editor: In response to articles concerning Wayne State's progress (?) in basketball, I offer these observations and ideas for improvement regarding the tournament.

Also, in the high school division, an improvement can be made. There are just too many small schools participating in the tourney. It stands to reason that larger schools mean larger crowds at the tourney.

Secondly, there is no Wayne State junior varsity team this year! It's the first time in memory that this has been so. The excuse for this is that there is not time and coaching personnel for a junior varsity team.

Thirdly, team members now are from much greater distances from Wayne and this makes it hard to identify with the players.

Another item to be commented upon is the quote that the attitude about winning has to be changed. In comparing records, it appears that the winning attitude has prevailed in the past more so than the present.

A final comment now should note that basketball was designed as a non-contact sport and the rules still reflect that. When one sees the local college team taught to knock-down and be knocked down during warm-ups and then during the game!

I understand even the pep band and students of Wayne State are disenchanted with the goings-on of the basketball program. In any event, it is apparent that much is left to be desired when such groups desert or boycott home games.

Weekly gleanings...

News of Note around Northeast Nebraska

STATE Senator Loran Schmitt learned last week that the campus of John F. Kennedy College is not likely to become a veterans nursing home for the reason that the problem of conversion of existing buildings to meet Nebraska Fire regulations would be prohibitive.

A PUBLIC review meeting to discuss tourism development recommendations for northeast Nebraska has been scheduled for 7:30 p.m. today (Monday) at the Ponca Legion Hall basement.

THE PENDER Chamber of Commerce will hold a Bicentennial Dinner on Friday, March 19, the first such dinner of its kind in several years.

THE LYONS city council last Tuesday evening adopted a resolution to enter into a contract with Nebraska Public Power District by which NPPD is to furnish all of the city's needs—gas and electric power.

LYONS will host the East Husker conference boys basketball tournament this week. First round action is slated to begin today (Monday) with two first round games.

THE MADISON Junior Woman's Club will hold a Fine Arts Bicentennial Festival at the Madison Public Elementary School auditorium Wednesday, Feb. 11, at 7:30 p.m.

A COMMUNITY choir will be formed as part of Oakland's Bicentennial observance. The choir, sponsored by the Oakland Ministerial Association, will present a cantata, "I Love America" by John W. Peterson in early May.

MRS. ELIZABETH Eliasson, a teacher in the Bloomfield Community School System for eight years, has been nominated by the Cedar-Knox Association of Teachers of the Year for 1975-76.

THE WISNER-PILGER Gator Marching Band has been invited by the Nebraska Jaycees to represent the State of Nebraska at the National Jaycees Convention in Indianapolis, Ind., June 24.

THE WISNER city council asked for and received support from the general public on their proposed solid waste incinerator transfer station last Monday night during their second hearing on the matter.

STRAYEr Thoughts

By Jim Strayer

A Nebraska vocational-agriculture instructor named Chris Carlson sent this description of a cow to the Dairymen's Digest and I thought our readers might enjoy it.

The front end of the machine contains the cutting and grinding mechanisms, as well as headlights, dog catcher, air inlet and exhaust, a bumper and a foghorn. At the rear, the machine carries the milk-dispensing apparatus and, in addition, an automatic fly swatter and insect repeller.

Cows are available in an assortment of sizes and colors. Production output ranges from two to twenty thousand pounds of milk per year.

A Nebraska State Senator made a good point last week when he introduced a bill which would have required pedestrians to wear crash helmets equipped with flashing lights.

We all like to eat. In fact, eating is one of life's great pleasures.

As a result, Americans think of "diet" as a bad word. But Dr. Skelch, president of the Nebraska Heart Association, wants to share this secret: Everyone is on a diet whether he likes it or not.

In terms of heart health, or diet can either make us or break us. Medical experts have identified diet as a major risk factor of heart attack and stroke.

Fortunately, Dr. Skelch adds, it may be possible to reduce the risk of heart disease through dietary control. "As a matter of fact, you can be a gourmet and conscious of your heart health at the same time," says the new edition of the American Heart Association Cookbook.

The new edition has hundreds of low-fat, low-cholesterol recipes. The cookbook isn't a diet book, but is designed for persons who want to lose weight as well as those who wish to maintain the same weight.

Who's who, what's what?

1. WHO will represent Wayne County in the case involving an agreement for ambulance service?
2. WHO will host the February Chamber of Commerce Banquet?
3. WHAT will be held today (Monday afternoon) at the Redeemer Lutheran Church social room in Wayne?
4. WHO was the winner of the Fred Dale Athlete-Scholar Award at Wayne State this year?
5. WHO was selected from Wayne High to receive a four-year University of Nebraska Regents Scholarship?
6. WHAT new firm assumed ownership of the International Harvester farm implement dealership in Wayne last Monday?
7. WHO is in charge of the Eagler Seal Drive in Northeast Nebraska this year?

ANSWERS: 1. Norfolk attorney J. C. Gaiz. 2. Sherry Brothers True Value Hardware. 3. The first session of a four-part clinic on baby-sitting. 4. Rex Pressler, a senior from North Platte. 5. Mike Schmidt, son of Mrs. Mrs. Mrs. Mrs. Burdon Schmidt. 6. Thies and Brudgion, Inc., operated by Don and Duane Thies and Bill Brudgion. 7. Mrs. Methilde Harms of Wayne.

fashionable lately. If you happen to catch the public television broadcast of a debate on bicycle safety, you know what I mean.

I'm not against bicycle safety but the amount of time spent on the subject, in light of some of the other important bills introduced, seems a waste, even granting that most legislative work is done in committee.

Which, I suppose, is alright, but personally, I'm tired of seeing law makers trying to legislate common sense. If that makes anyone want to pick up a pen and write a letter telling me I'm cold-hearted because I'm not concerned about the safety of bike-riders, consider this: If you are concerned enough to write, you are probably concerned enough about safety on bicycles which you or your children ride after dark.

Leaving state government and moving on to the feds, I'll offer this interesting tidbit from the Farmiland News: "I marvel at the ability of federal bureaucrats to spend huge sums of money while producing no visible product in return for the taxpayers' investment."

Humphrey explains that there now are 1,341 federal advisory commissions with more than 23,000 members, staffs numbering in the thousands, and an annual budget of more than \$42 million.

He recommends substitutes for these foods, such as skim milk and its by-products, fresh fruit for dessert and snacks,

Doctor says everyone is on a diet

and fish and poultry in place of red meats. Besides helping your heart and your waistline, low-fat, low-cholesterol cooking also benefits your pocketbook.

Rich, heavy desserts and whole milk products are in the same category as sugary meats, in Dr. Skelch's opinion. Fancy cakes and sundae are high in price and low in nutritional value.

The Nebraska physician explains, "for better or worse, we all maintain dietary patterns that affect our lives... simply by eating the same kind of foods every day. Studies show that Americans eat too many foods high in saturated fats and cholesterol and that such a diet may lead to heart disease."

The new edition has hundreds of low-fat, low-cholesterol recipes. The cookbook isn't a diet book, but is designed for persons who want to lose weight as well as those who wish to maintain the same weight.

Perform a death-defying act.

Eat less saturated fat.

Letters Welcome

Letters from readers are welcome. They should be timely, brief and must contain no libelous statements. We reserve the right to edit or reject any letter. Letters may be published with a pseudonym or with the author's name omitted if so desired. However, the writer's signature must be a part of the original letter. Unsigned letters will not be printed.

WS Doubleheader Is Tuesday

A doubleheader of wrestling and basketball Tuesday night is next on the Wayne State home sports chart. Wildcat wrestlers will take on the Yankton at 6 o'clock in Rice. After that, at 8, coaches of Wayne and the University of Nebraska at Omaha will take over. Both pairs of teams have met before, Wayne defeating Yankton 37-13 on the mat, UNO edging Wayne 77-75 in the Maverick season opener. After that, UNO climbed to 8-8, then went into a hailstorm which left the Mavericks 31-8 before their Saturday game with Youngstown of Ohio. Last week Kearney State beat UNO in overtime. UNO is fighting for a chance at NCAA Division II playoffs and can afford no more losses. Wayne, 10-9, comes off a 12 day rest since its impressive win over Blair Cliff. Meanwhile, Wayne's basketball women will go to Lincoln Tuesday night for varsity and junior varsity games with the University of Nebraska. The Wildkittens also have two home dates this week. Friday night the JV will play Chadron State's varsity at 6 in Rice, and the varsity will meet Westmar at 7:30, Saturday at 2, South Dakota State will come to Rice. Wayne already has beaten both Westmar and SDSU on their home courts, and UNL here. Wayne women took a whipping Wednesday at Kansas State University, 89-57, then beat Waldorf J.C. of Iowa, 72-27, Friday in the Westchester Tournament. They were to play Mankato State Saturday. The only other home event this week is a Wayne-Northwest Missouri swimming dual at 1 p.m. Saturday.

Closing in on a Victory

LIFTING his opponent off the mat, Wayne's Rick Straight reaches to put down 167-pound Mike Tramer of Lyons during Friday night's rounds of the Husker Conference wrestling tournament held at Wayne State's Rice Auditorium. Straight went on to win the match, 4-1, to advance to Saturday's matches.

Laurel, Allen Paired In District BB

Basketball teams from Allen and Laurel will play each other during the second night of the Class C-4 district meet at Wayne State's Rice Auditorium. Laurel, which is second-seeded with a 14-2 record in the eight team meet, will play 1-14 Allen on Tuesday, Feb. 24, at 8:30 p.m. It was decided during Wednesday's district meeting at the college. The four-day journey starts on Monday, Feb. 23, with top-seeded Hartington High, 15-2, going against Wausa, 4-9, at 7 p.m. At 8:30, Bloomfield, 4-12, faces four-seeded Ponca, 6-7. On Tuesday, Feb. 24, third-seeded Osmond, 10-5, takes on Wynot, 2-9, at 7 p.m. Semifinals are on Thursday and finals are Friday. The district winner will advance to regional play. The place and opponents for the regional meet will be announced following district play. Coach Tom (Monday) coaches from Winside and Wakefield will attend seeding meets for their districts. Wakefield's staff will go to Wisner; Winside's staff will go to Norfolk. The seeding meet for Class B Wayne will be Monday, Feb. 16, at Norfolk. The Wildcats, who have been No. two since the second poll of the season, bolster that position with three-grapplers who are ranked among the top four in their respective weight divisions. Keith Suehl leads the trio with a second place showing in the 126 pound division. Kevin Cleveland is third in 112 and Bob Bowers is tied for fourth with Pat Walton of Franklin in the 119 pound class.

Bears Roll Past Bees

The Laurel Bears continue to be the front runners in the Northeast Nebraska Activities Conference Friday night as the fourth ranked Class C quint knocked off their sixth loop foe, Bloomfield, by 82-52. Coach Joel Parks' club, which is undefeated in league play and holds a 15-0 overall record, once again played a solid ball game, shooting from the field and rebounding off the boards. Led by senior Greg Pipitt with 21 points and 10 rebounds, Laurel ripped the nets for 53 percent from the field and cleaned 37 caroms. Also strong on the boards for Laurel was senior Jan Erwin who had seven rebounds. Senior Scott Huelbig had one of his best performances from the field, hitting nine fielders for a total of 18 points.

Forget About the Temperatures, Let's Ride!

STUDENTS didn't worry about the bone-chilling temperatures Wednesday afternoon as they mounted four snowmobiles and rode off along the hills for the final episode in their lessons about skiing. Besides VanBallegoeyen, other drivers included Terry Stinger, Dick Metteer and Keith

Kopperud. According to Koenig, the annual event is always a fun time for the youths, but the temperatures this time were a little hard to bear. Below, Stinger rides his snowmobile over one of the small hills.

Carroll News

Club Exchanges Valentines

Nine members were present when the Town and Country Home Extension Club met last week in the Melvin Dowling home. Members exchanged Valentine's gifts and answered roll call with personal comments about the proposed county museum in Wayne.

Mrs. Willis Lage presided and Mrs. Wayne Hankins reported on the last meeting. It was announced that Wayne County Home Extension club cookbooks are now on sale. Several members of the club purchased their cookbook at the meeting.

Mrs. Lynn Roberts had the lesson, entitled "Is It Fraud?" Mrs. Lynn Roberts will be the March 2 hostess and Mrs. Willis Lage will have the lesson on storing food in the home.

The Arnold Juncks were Wednesday evening visitors.

Hospitalized
Cliff Rhode is a patient in the Norfolk Lutheran Hospital. Mrs. Harry Hofeldt returned home Tuesday from the Our Lady of Lourdes Hospital in Norfolk. Mrs. Hofeldt had been hospitalized for several days.

Six at Study
The Bible study group of the Methodist Church met with Mrs. Wayne Hankins Monday with six members.

Next meeting will be March 1. Mrs. Hankins will be lesson leader.

Kelli Davis is 3. Kelli's Davis was honored for her third birthday Jan. 25 when afternoon and luncheon guests in the Gordon Davis home were the Earl Davises, the Jay Drakes, the Don Davis family, the Terry Davises, and Wendy, and the LeRoy Nelson family.

Returns from Hospital
Mr. and Mrs. Norman Trowbridge of Page went to Omaha Tuesday to bring Thelma Woods home. Mrs. Woods had been a patient in an Omaha hospital for the past two weeks.

Miss Woods will stay with Alice Boeckenhauer at 316 E.

Seventh St. in Wayne during the winter.

The Dick Jenkins family of Norfolk recently moved to his parents' home southwest of Carroll. Mrs. William Jenkins moved to Norfolk following her husband's death.

Mrs. Sam Schram and Eric, Omaha. Mrs. Jerry Walsh, Hubbard. Mrs. Kenneth Hall and

Mrs. Anna Hansen were dinner guests Jan. 29 in the Russell Hall home. Eric stayed with his grandparents until Tuesday, Feb. 3, when his mother came to take him home.

The Wayne Hankins and Mike were dinner guests last Sunday in the home of her grandfather, Irwin Record, at Osmond.

Museum

(Continued from page 1)

Board member Cleo Shärer proposed agreeing to accept the \$2,000 grant from the commissioners and return in one year to request additional funds. That motion was overwhelmingly defeated by members who said the society should seek a mill levy.

Al Ehlers then made a motion that the society accept the \$2,000 and also initiate a petition drive to place on the ballot a measure seeking a mill levy for support of the society. The motion carried.

County clerk Norris Weible said Thursday a petition drive will not be necessary. According to Weible, who serves as county election official, the historical society need only make a formal request for the matter to be placed on the ballot.

Weible added the measure would have to go on the general election ballot in November. The commissioners Tuesday had discussed placing the issue on the ballot for the primary election in May but such action is not allowed under state law.

Should the measure carry, it will probably be more than two years before the historical society would receive any funds from the levy. The levy would not be included in the county budget until fiscal 1977-78 and revenue for that fiscal year would not be available until November, 1977 at the earliest, Weible said.

If the mill levy measure passes, and no further funds are allocated from the general fund, that would mean the society would receive only \$2,000 to operate on for over two years.

Historical society president Lucile Larson, Friday said it has not been decided if admission would be charged for the museum. If so, she speculated, the price would be kept low and special rates would apply for school children. Revenues would go to help defray operation and maintenance costs.

Break-In

(Continued from page 1)

ried open sometime late Tuesday night or Wednesday morning.

Losses include a Bell and Howell 16 m.m. sound film projector, two tape recorders, a 21 inch black and white Zenith television set, and \$18.81 in bills and change taken from the teacher's desk drawer.

A number of rural Wayne County schools have been break-in victims in recent weeks. Also, three juveniles were arrested two weeks ago in connection with a break-in at the Wayne Middle School.

Police Blotter

About 8:45 a.m. Friday, vehicles operated by Betty Hepburn, 209 Lincoln, and Robert Frey, 821 Pearl, collided in the intersection of W. Sixth and Douglas.

A car driven by Pat Gross, 718 Walnut Dr., broke off a sign post when his vehicle slid into the post near a corner on Ninth and Walnut Dr. about 7 p.m. Thursday.

Two flags valued at \$50 were reported missing from the city auditorium flag pole about 8:45 a.m. Thursday. The flags were believed to have been taken sometime between 11 p.m. Wednesday and 6:30 a.m. Thursday.

Hoisting To Head Extension Board

Members of the Dixon County extension board Tuesday night elected new officers for the year during a meeting at the Northeast Station near Concord.

Named as president was James Hoising of Newcastle, who replaces Mrs. Bill Sachau of Alton. Other officers and who they replace: Don Dahma, Ponca, vice president who replaces Mrs. Don Curry, Ponca; and Mrs. Merle Rubbeck, Alton, secretary who replaces Mrs. Lloyd Roeber, Wakefield.

New on the board is Mrs. Ervin Kraemer, Alton, who replaces Mrs. Gary Erwin. Both Mrs. Sachau and Mrs. Roeber will remain on the board as 4-H representatives. Board members making up the 4-H council are: Ernest Swanson,

Wayne, and Fredrick Kramer, Alton. The home extension council is made up by Mrs. Mary Lubberstedt and Mrs. Rubbeck.

ON FEB. 23, 1776, PRUSSIAN BARON FREDERICK VON STEUBEN ARRIVED AT VALLEY FORGE WHERE HE INSTITUTED A TRAINING PROGRAM THAT TRANSFORMED WASHINGTON'S CONTINENTAL ARMY INTO A FAR MORE EFFECTIVE FIGHTING FORCE!

30% of our customers make 90% of the calls to Directory Assistance.

100% of our customers pay the bill.

You probably know someone who often reaches for the phone instead of the phone book to get a number. That person is among the 30% of Northwestern Bell customers who make 90% of the calls to Directory Assistance. And three-fourths of the calls are requests for numbers already listed in the book.

All telephone users help pay for these calls, because Directory Assistance is a part of everyone's phone bill. This year, at least \$26-million of your telephone dollars will go to provide this service in the five states served by Northwestern Bell. And that figure keeps growing.

To help control the cost of Directory Assistance, we need everyone's cooperation. You can help by keeping your telephone directory near your phone, and using it whenever you can to look up phone numbers.

We're here to help you when you really can't find a number. But please, look in your book first.
