Wayne State Bicentennial Features Music, Dancing

Various Wayne State College departments are cooperating to present "Let Freedom Ring" a Bicentennial program scheduled for March 13.

History professor Dr. James Pfiffer wrote the script for the program, which will depict the principles on which the United States was founded, and what has been accomplished since then.

Cornell Rønestedt will direct the college choir during the program. The choir, and the WSC band, under the direction of Dr. Ray Kellton, and orchestra, under the direction of Mike Palumbo, will provide music from various periods of American history.

Local Boy Scout members will also participate in the program, carrying a parade of flags representing American history

Airport Seat Is Up for Election

Wayne voters will elect a member to the airport authority for the first time in elections this year.

The five authority members were originally appointed by the mayor with city council approval. State statute provides that one member will be elected in the first election following appointment, and two members will be elected in each of the next two succeeding elections.

The position to be filled in the upcoming election is presently held by Merlin Wright, who Tuesday said he plans to file for the position.

The election procedure is the same as for city council members. If more than two persons file, AIRPORT, page 10.

Harpisichordist To Give Concert

Igor Kipnis, world renowned harpichordist and son of former Metropolitan Opera bass, Alexander Kipnis, will perform at Wayne State College Monday evening. His Wayne performance was originally scheduled for a later date.

The 8 p.m. performance, sponsored by Wayne State College and the Nebraska Arts Council, is open to the public. Tickets will be available at the door for \$1.50 for adults and 75 cents for high school students. Children under 12 and holders of WSC identification cards will be admitted free.

Igor Kipnis will perform at Ramsey Theatre in the Val Peterson Fine Arts Center.

Kipnis made his debut as a harpichordist in 1949 over a New York radio station. Since then he has received many awards and has played throughout the United States, Canada, Europe, South America, Israel and Australia.

Dancers will present part of America's historical culture, with square dances and minuets. The program will be presented in Rice auditorium, free of charge.

State Champions
WINSIDE GRAPPLERS Keith Suehl, left, and Kevin Cleveland kept the Wildcatters' tradition of producing state Class C champions going strong Saturday when the pair won their weight classes during the finals at the University of Nebraska-Lincoln Coliseum. By winning their matches, the pair also helped their club to a second place finish in the team standings. For a look how other wrestlers from Wayne, Wakefield and Winside did in the state meet, turn to the sports page.

Ambulance, Auto Collide

The Providence Medical Center (PMC) ambulance was knocked out of action while on an emergency call in Wayne Monday afternoon, just before 5 o'clock.

A 1967 auto driven by Mrs. Nancy Ahlvers was declared a total loss after being struck in the side by the ambulance in a collision at the intersection of Seventh and Main Streets in Wayne.

According to the police report, Jenness was traveling west on Seventh St. with red warning lights and sirens operating. He told police he thought the intersection was clear and proceeded through it, but struck the Ahlvers automobile.

Mrs. Ahlvers told police she heard the siren but was unable to stop before she entered the intersection, and her car was struck by the ambulance. She was traveling north on Main St.

The ambulance was enroute to the Hotel Morrison to pick up a patient when the accident occurred. Jenness used the ambulance radio to inform alternate ambulance driver Doug Finn of the situation. Finn drove his car to the hotel, checked the patient, and summoned the municipal taxi which serves as a backup unit for the ambulance. The emergency call was completed successfully.

The City of Wayne had previously ordered a new ambulance from the Superior Trend Coach Company of Broken Bow, which will be "awarded" and operated by PMC, but Monday's mishap left the community without an ambulance until the new one arrived. See AMBULANCE, page 10.

Hoskins Hikes Rates for Water

The Hoskins town board Monday night okayed a 50 cent increase in the monthly charge for water rates.

Beginning March 1, residents will pay \$3.50 each month. The new rate, however, will be retroactive to the first of the year, according to a village official.

As a result, residents will pay a higher water rate in March.

The increased cost of electricity to pump the water was cited as the reason for the hike in the water rates.

Child Abuse Meeting Planned

The Nebraska division of maternal and child health will sponsor a one-day workshop on child abuse in Wayne on April 1.

Focusing on "The World of Abnormal Rearing," the workshop will meet from 9 a.m. until 4:30 p.m. in the Birch Room at the student union building.

Lunch will be provided. There is no charge for the workshop.

Siren Sounds Only Temporary

Strong men may weep when the new civil defense siren in Wayne signals it is time to knock off for lunch, but a few have been known to gruff their teeth.

The problem isn't so much the waiting sound of the siren, installed on the tower behind the fire station, but the duration of the blast.

Laurel Bicentennial Flag Ceremony Set

Nebraska Bicentennial chairman Mrs. William Hasebroeck will present a Bicentennial flag to the City of Laurel in ceremonies March 4.

The event will begin at 2 p.m. at the Laurel-Concord school auditorium.

Winside, Allen Students Enter Speech Contest

Students from Winside and Allen will be among the entries who will compete Monday in the annual Lewis and Clark Center speech contest at Ponca High School.

The contest, which is divided into eight categories, will start after registration at 8:30 a.m. Expected to attend: the contest are students from all 12 center schools.

Baccalaureate Dropped

A long-standing tradition at Wayne high school will end this year as the result of the decision made Monday at a meeting of the Wayne Ministerial Association.

The association members voted to discontinue the annual baccalaureate services for graduating seniors, a measure becoming popular with many schools.

Drug Abuse Series Program To Focus On Schools, Home

The third in a five-part series of drug education programs will be presented tonight (Thursday) on KWSC-TV.

The 9:30 program will be aired over Cable TV channel 10 by the Wayne State College station.

Armory To Host Chamber Coffee

The Wayne Chamber of Commerce will hold its monthly get-together for coffee on March 15 at the National Guard Armory.

The event will begin at 9:30 a.m. and continue through the morning hours. All Chamber members are invited to attend.

Wayne Dentist Dies

Funeral services were scheduled for 2 p.m. Wednesday for long-time Wayne dentist Dr. Robert Gormley.

A native of Kearney, Dr. Gormley graduated from the Omaha high school and from the Creighton University school of dentistry before establishing practice in Winside. He later moved his offices to Wayne and continued practice until his death Saturday.

Survey: Number of Singles Increasing

As in most parts of the United States a growing number of people in Wayne County are living alone these days, maintaining their own homes apart from other members of their families.

A decade or so ago, these single men and women, some young and some old, would have been living with relatives and would have been more or less dependent upon them.

Local Draft Board Ends

Wayne County's selective service board officially closes its doors Friday, ending an era which began in 1941 when draft boards were established in every county in the nation.

Current members of the Wayne County board are Phil Olsson of Carroll, Merlin Hilton of Wayne and George Farron of Winside.

Vehicle, Property Taxes Due

Friday is the final day to register motor vehicles at the county treasurer's office. Vehicles driven after Sunday with out the 1976 license plates will be subject to citation.

Treasurer Leon Meyer said that, overall, registrations came in earlier than usual this year, with nearly two-thirds of the anticipated 2,000 registrations being completed in January.

Moving Law Passes, Razing Ordinance Delayed

The Wayne city council Tuesday night passed an ordinance governing the moving of buildings, but decided to move slower on an ordinance to regulate tearing down buildings, after amending the proposed law.

Councilman Ted Bahe's motion to raise the fee for moving permits to \$10 barely passed on a 5:3 vote. The original ordinance would have provided for a \$5 fee. Bahe said the increase is necessary to cover the cost of administration.

Orators Ready for Contest

Wakefield and Wayne will be among the 13 high schools expected to take part in the Husker Conference speech contest Saturday at North Bend.

Wayne contestants and their events are: Dianna Langston, oral interpretation of prose; Jo Tomrdle, oral interpretation of poetry; Tim Maier and Ravi Johar, extemporaneous speaking; Janet Baier and Tammy Nelson, after dinner speaking; Scott Haver and Kathy Mann, informative speaking; Shannon O'Donnell, original public address; Mike Schmidt, and Phil Koerber, duet acting.

Winside Lands Second in Class C

Five Grapplers Place in State Meet

By BOB BARTLETT
Two Winside High wrestlers won their divisions Saturday while grapplers from Wayne, Wakefield and Winside placed second during the finals of the state high school wrestling meet at the University of Nebraska Lincoln Coliseum.

Wildcat senior Keith Suehl and junior Kevin Cleveland led their club to a second-place finish in the Class C team standings as the pair stopped their opponents to take first in their weight classes.

Cleveland decided North Platte St. Patrick's Mike Peckman, 43, to win the 112-pound class and Suehl decided Mil-

ford's Bill Snell, 6-0, to win the 126-pound division.

The pair, along with second-place finisher Brad Brummets and fourth place finisher Brian Svoboda helped to guide coach Ron Peck's Wildcats to second place in the team standings with 60 points.

"We were trying for first, but we're just as happy with taking second," said Peck, who completed his first year of coaching at Winside.

Winside, which is the defending state Class C champion, was locked out of repeating its bid for first going into the finals when team champion, North Platte St. Patrick's, held an 112-point lead. North Platte finished with 70 1/2 points.

Cleveland was the only one of Winside's winners who had to come from behind to win his match. Down 3-0 after he gave up one point for an illegal hold and two points for a takedown, Cleveland scored two points for a reversal in the second period and another two points for a near fall with about 35 seconds left in the match.

For Cleveland, the win was his 27th against three losses.

Suehl, who holds a 31-2 record, suddenly came alive after he scored three points for a near fall. The senior grappler then collected one point for an escape and two points for a takedown.

The win for Suehl was especially pleasing since he lost to Snell 5-3 in overtime during the North Bend invitational. And the loss for Snell was his first.

Winside's second place finisher, 138-pound Brummets, lost his match to Dan Minnick of Franklin, 1-0. Minnick scored a one-point escape in the second per-

iod and held on to take the match.

Taking second place for Wayne was 126-pound senior Ken Daniels, who was pinned by Darryl Freyer of Ashland in 4:27. Heavyweight Merrill Hale of Wakefield finished second in his division when he was pinned by Dale Dorau of Bennington in 2:31.

For Wayne coach Don Koenig, Daniels' second place finish in Class B was the first time he has had a wrestler rank that high since Alan Wischoff wrestled and held on to take the match.

ler for Wayne and took second in the state.

"Ken is just starting to reach his peak," Koenig pointed out about his senior grappler before Saturday's final match. Since the Husker Conference tournament earlier this month, Daniels has shown a vast improvement in his wrestling, Koenig pointed out.

Daniels, who finishes the season with a 25-7 record, went up against undefeated Freyer, who had dropped from 112 to 126 for the state meet.

A total of 13 grapplers from the three schools went to the state meet. Nine were from Winside and two each from Wayne and Wakefield.

Losing in the first round were from Winside, Tom Koll (105), Monte Pfeiffer (132), Brad Langenberg (145), Neil Wagner (155), LaVerle Miller (167), and from Wayne, Kirk Echtenkamp (105).

Two grapplers who advanced from the first round but lost in the quarterfinals were Brian Svoboda of Winside and Steve Greve of Wakefield, both 185 pounds. Svoboda wrestled back to finish fourth.

Team 6 Wins Season Title In A League

Post-season playoffs in men's A league recreation basketball begins Monday night when Teams 3 and 4 play at 7:30, followed by Team 1 and 5 at 8:45 p.m.

Season winner Team 6, which posted its eighth win in 10 games this week, and Team 2 drew byes in the first round of league playoffs. Both will see action the following Monday night when Team 6 takes on the winner of the game between Teams 3 and 4 and Team 7 plays the winner of the game between Teams 1 and 5.

The championship and consolation matches will be played on Monday, March 15.

In final regular season play this week, Team 6 dumped Team 5, 76-63. Brent Johnson led the winners with 22 points. Mark Fleer led the losers with 31. The record for Team 5 is 3-7.

Tied for second place with 7-3 records are Teams 1 and 2. Team 1 posted the only victory of the two with a 70-55 decision over Team 3. Tim Robinson and Korbitt Lutt each scored 16 points to push their club to victory. Rick Mitchell had 19 for Team 3, which fell to a 1-6 record.

Team 4 topped its record to 3-7 with a 75-70 squeaker over Team 2. Todd Surber had 27 points for Team 4. Don Larson led Team 2 with 18 points.

Also scoring:

Team 4—Jack Froehlich 14, Bob Nelson 12, Marty Hansen 10, Ric Wilson 8, Scott Driscoll 8, Ron Fink 7. Team 5—Jerry Geiger 12, Mike Meyer 8, Randy Workman 6, Dave Olson 4, Roger Langenberg 2.

Team 1—Rauvric Boeckenhauer 13, Fritz Weible 11, Mark Lowe 6, Steve Hix 4, Randy Nelson 4. Team 3—Charlie Roland 10, Mike Lidie 10, Tom Foster 6, Mike Manes 6, Dave Schulte 4.

Team 4—Breck Giese 22, Mike Crighton 14, Ward Barstman 9, Mike Meyer 4. Team 2—John Dorcsey 17, Bruce Johnson 13, Bob Nelson 12, Randy Nelson 8, Mike Manes 7.

Battling for the Top Spot

FIVE grapplers from Wayne, Winside and Wakefield were in the finals of their weight divisions during the state wrestling tournament Saturday. They were, from the top, Keith Suehl of Winside, top; Kevin Cleveland, Winside, top; Ken Daniels, Wayne, bottom; Brad Brummets, Winside, right; and Merrill Hale, Wakefield, left.

Sportsbeat

By Bob Bartlett

THERE WAS talk among Nebraska prep wrestling coaches during the state meet in Lincoln Saturday that a solid foundation is building in support of a grand championship — Super State so to speak — matching the best wrestlers in all classes in another tournament.

Although the idea may not get off the ground in Nebraska for possibly another two years, several high school coaches from around the area expressed their feelings that a tournament of this caliber is the best thing for wrestling in this state.

Coaches from Wayne and Wakefield, Don Koenig and Lyle Trullinger, said they favor such a tournament because it would give champion wrestlers from each class a chance to prove or disprove the theory that Class A has the strongest group of grapplers.

According to both coaches, the question of having a superstar tournament was put before coaches in the state earlier this season, and the consensus among mat bosses was yes. However, high school athletic directors balked at the idea.

Trullinger, who is Wakefield's AD, pointed out that many of the athletic directors are interested in such a tournament, but aren't sure how it would be handled, or who would be in charge. Until those questions are answered, the possibility of a superstar tournament will remain up in the air.

The idea of a superstar tournament

came about after our neighboring state to the south, Kansas, successfully started its superstar tournament last year.

According to an article in The Lincoln Journal by sports editor Randy York, the tournament proved that no one class dominated the meet in terms of the number of winners.

o o o o

WHEN I first arrived Saturday at the state meet at the University of Nebraska Lincoln Coliseum, I noticed a lot of cars from out-of-state colleges. My first thought was that Nebraska must be a pretty good source of wrestling material for these colleges to pay a visit to the state meet.

Koenig backed up my thoughts by pointing out that Nebraska is developing its high school wrestling programs into a contender with such wrestling powerhouses as Iowa, Colorado, Oklahoma and Wyoming. Koenig, who wrestled in Iowa for six years, added that he believes that in five years high school wrestlers from Nebraska "won't have to take a back seat to anybody."

o o o o

IN A quick review about Wayne High's girls basketball team this year, coach Don Zeiss pointed out that senior Mary Kovensky was Wayne's leading rebounder and freshman Peg Pinkelman and junior Stephanie Dorcsey led in scoring. Kovensky pulled down nine cars per game and Pinkelman and Dorcsey averaged almost five points per game, as the

trio helped to lead the varsity to a 3-3 record during the first year of girls basketball at Wayne.

Kovensky was second high in scoring with a 4.5 average. Rounding out the top six scorers were Julie Overin, 4.3; Sydney Mastey, 3, and Julie Kay, 2.4. For the season, Wayne girls averaged 28.8 points a game and their opponents scored 25.3 points a game.

A total of 18 girls lettered on this year's squad, including three seniors, four juniors, four sophomores and four freshmen and three student managers. Complete list of letter winners will be released during the school's sports awards program at the end of the school year.

o o o o

SHORT NOTES: Kerry Jech, a 1974 graduate of Wayne High, is enjoying a successful season on the hard court for Nebraska Christian College in Norfolk. At 6-1, Kerry is averaging over eight rebounds and 14 points a game. His best performance was against Minnesota Bible College when he led the team with 29 points.

Walthill Smashes Trojans, 67-51

Walthill's torrid outside shooting and smooth inside play Monday night caputed the Blue-Jays past Wakefield, 67-51, and moved the winners one step closer to the finals of the Class C district basketball tournament at Walsner Pilger High School.

Led by senior Jay Bellar with 23 points, Walthill, pushed its record to 19-1 going into Friday's semifinal match with the winner of the Oakland-Craig Bercroft game.

Bellar ripped the nets for eight points in the first quarter, including a basket with four minutes left which put the Jays ahead to stay, 8-6.

It was Walthill's eight-point lead at the end of the first period which made the big difference in the outcome of the game, said Wakefield boss Joe Coble. "We missed three or four shots early in the ball game and that was the margin through most of the game," Coble reflected.

Wakefield's scoring leader, senior Scot Keagle, who had 25 points, had several baskets in and out of the hoop in the first half. Those baskets might have switched the momentum of the game for Wakefield, Coble pointed out.

The Trojans' game plan was to stay as close to the inside plays as possible, while on de-

fense Wakefield intended to stop Walthill's crew with a zone defense.

"Walthill is a whole lot like Laurel — they're tough all over," Coble said prior to Monday night's contest. Coble particularly pointed out the play execution of Bellar who is "the best player I've seen in this country."

Walthill mentor Larry Fletcher added that Bellar is the team's scoring leader as well as the leading rebounder. The senior averages 19 points a game and 15 rebounds. But the four-year head man didn't sell

the rest of his team short. Randy Stensberry, who finished with 16 points, is the second leading Jay scorer with a 15 point average while teammate George Looft and Tom Baumert average 11 and 10 points.

"Wakefield, which ends the season with an 8-10 record, got scoring help from 5-8 guard Tim Rouse, who weaved through Walthill's middle for 12 big points.

Rouse, who played one of his best games of the season, helped to loosen up Wakefield's offense when Walthill's defense slowed Keagle from scoring inside.

For the night, the Trojans shot 38 per cent from the field, cleared 33 rebounds and gave the ball up 17 times. Keagle was the leading rebounder with 11 followed by Al Johnson with six.

WAKEFIELD'S Mike Soderberg eyes the basket while teammates Scot Keagle (24) and Val Johnson (52) look on. Watching the action for Walthill is George Looft (15).

Laurel Jr. High Tops Allen '5'

Laurel junior high claimed third place in the Hartington tournament Saturday with a 45-34 win over Allen in the consolation rounds.

Lennie Swanson pumped in 12 points to lead Laurel to the victory. High man for Allen was Greg Carr with 15. Allen ends its season with a 1-13 record.

Carr also was the leader in Friday's game when the area five lost to host Hartington in the second night of the tournament, 51-26. Carr had 15 points.

WS Grapplers Eye NAIA District Title

One trophy is firmly in the hand of Wayne State wrestlers, but they have no time to admire it. There's another to be won Friday.

The first trophy symbolizes championship on the four-team Nebraska College Conference. The title the Wildcats now have won 10 times in 13 years. They claimed this one at Chadron Feb. 18.

The bigger task comes when four other teams join the state colleges in the Nebraska NAIA district meet at Kearney Friday. Midland, Dana, Doane and Concordia are the others expected.

Peru State's chances of repeating as champion seem dimmed by results of the conference meet. The Bobcats entered that one as defending champ, but finished fourth under handicaps. They had to forfeit three weights, and their defending national champion at 150, Bud Frohling, could not wrestle because of injury. But that was last week, and Peru may fill the gaps by Friday.

Wayne State earned its conference title on strength of seven finalists. Two of them won individual crowns — senior Mike Riedmann of Omaha at 190, freshman Dwight Liendemann of Winfield at 177. Riedmann was the 177 class winner last year.

Coach Marion Haayer called the Riedmann title this time "a super match." He gained a last second 9.8 decision over Kent Coleman of Peru. Curiously, Coleman lost a one-pointer last year to Wayne's Fred Spale, 4-5.

Fred Marslett of Peru repeated as heavyweight champ.

later, Coleman beat Spale. Liendemann won his championship on a 6-40 pin of Mike Elker, Kearney. That pin, his 14th at Wayne, earned the former Winside state champ another honor — most pins in a season

LIENEMANN RIEDMANN

Riedmann takes a 28-7-1 record into district battle.

Two Wildcat second placers lost to defending champions: Randy Humpal, 158, to four-time champ John Whisler, Peru, who was named outstanding wrestler of the meet; his win over Humpal came on a 39-second pin. Mark Ellis, 118, lost, 12-4, to returning finalist Kevin Anderson, Kearney.

The other seconds: Paul Sok, 126, by 1-13 to Mark York, Peru; Kevin Cuvelier, 142, by 2-17 to Phil Saunders, Chadron; Kirk Hanson, 150, by 4-6 to Willis Stallman, Chadron.

Wayne got thirds from Craig Hellwege, 134, for the second year. Marrie Midrum, 167, Jerry Mundell, heavyweight.

Bears Miss Century Mark In Win Over AH

By DAN VODVARKA
Awesome Laurel completely dominated and humiliated Allen in a 99-22 rout Tuesday night at Rice Auditorium to complete the first round of action in the C-4 district tourney.

Pressing undermanned Allen with a tough man to man defense, the top rated Bears cruised to an almost unbelievable 46-5 halftime advantage.

The win puts the Bears into the tourney semi-finals. Thursday (tonight) the Wayne State College gym. The 7 p.m. game will see Monday's first round winners, Wausa and Ponca, squaring off.

Osmond advanced to the semi's Tuesday night in the early game by blasting Wynot 91-35. Roger Folkers led the hustling Tigers with 25 markers as the game never was in doubt.

Laurel will enter tonight's action with a 19-2 mark and a 39 game winning streak. Allen finished up the 1973-74 campaign with a 1-16 mark.

The Eagles stayed in Tuesday's ball game only through the opening minutes as Laurel opened by hitting on only two of eight shots from the floor and held an early 5-7 lead.

But midway into the opening quarter the rout fell in on Allen and the Bears' powerful offense broke loose.

By the end of one quarter Laurel owned a 26-4 lead and the ball game. In the first eight minutes, Laurel hit on nine of 19 field goal tries and forced Allen into a total of 11 turnovers. Allen could muster only one field goal, by Jeff Creamer, in the first quarter out of eight shots from the field.

Laurel hit its final five shots of the period.

And if the first stanza wasn't a bad enough quarter for the Eagles — things got worse in the second period. The second quarter saw Laurel race to a 40 point lead and the Eagles missed all 12 of their shots from the floor.

With 4:49 left in the first half, Laurel's coach Joel Parks had his starters on the bench and a 38-5 lead. By halftime both benches were cleared and the contest was almost completely played by reserves.

Jon Erwin led the eight Laurel scorers in the first half with a dozen tallies.

The Bear starters got to play most of the third period as Laurel stung the Eagles 29-12 in that stanza. The fourth quarter saw both benches in the game and Laurel got three one and one free throw situations in the last minute but failed on all three to break the 100 mark for the first time this year.

All 12 Bears made it into the scoring column with six players in double figures. Erwin led the way with 19 points as he almost out scored Allen single handed.

Creamer and Denny Uhl had six points each for the losers.

ALLEN'S Shawn Persinger makes a sudden stop near the basket in an attempt to fake out Laurel's Greg Pipplitt. However, the move failed to lose Pipplitt during Class C district play-off action Tuesday night at Wayne State's Rice Auditorium.

Winside Coasts in 56-38 Victory over Plainview

Winside climbed its first hurdle of Class C district-basketball play at Norfolk High with out much trouble Tuesday night, by stomping Plainview, 56-38.

The Wildcats, who never really put the game away until midway in the second half, will take their 11-6 record tonight (Thursday) into the semifinal match at 8 o'clock against Norfolk Catholic, which topped Elkton Valley, 54-42, in the first game of the night.

DRIVING around Plainview's Bill Bauer, senior Bob Hoffman of Winside goes in for the two point play Tuesday night. Winside went on to win its first game in Class C district basketball action.

Both clubs were cold in the first period as neither took command until the closing minutes when Winside took a 12-2 lead going into the second stanza.

The Cats' defense was the main reason Winside was able to keep Plainview's scoring down as the area quint used a zone defense to halt the Pirates' inside scoring plays.

Winside held Plainview scoreless for better than six minutes before Matt Hoffman hit a 10-footer with 1:41 left in the first period for the Pirates' only bucket during that period.

"We have to shut off our two guards, (Kim) McCrady and (Gordon) Rasmussen if we're going to win this game," said Winside mentor Korlin Luff before Tuesday night's match.

After the contest, Luff pointed out that his team played well at times, but lacked the consistency to put the game finally out of reach. "It's as if the guys were trying to keep the score down so they could get in more playing time," the coach added.

Luff was pleased with his team's scoring as three players scored in double figures. Senior Tyler Frevert led the trio with his 11th shots from the key as he belted in 12 points.

WS Cagers Wrap Up Season

Basketball of the Wildcats looking to pad its 27-11 record with wins at Peru State Wednesday and at Concordia Saturday night.

Both opponents have been short on wins. Peru, 4-15 and Concordia 2-23 as of Monday.

St. Mary's Tourney Starts Sunday

The eighth annual open bowling tournament at Meldore Lanes, a Wayne begins this Sunday.

Sponsored by St. Mary's Men's Club, the tourney runs every Sunday until March 28.

Special \$30 prizes will be awarded to the teams with the high handicap scores during the first two Sundays of the meet. Handicap is based on 70 per cent of the difference between a bowler's average and 200. The minimum average is 145.

Entry fees for this year's meet are \$35 for team, \$14 for doubles, \$7 for singles and \$2 for all events. Teams are scheduled to bowl between 10:30 a.m. to 4 p.m., doubles between 1 and 6:30 p.m. and singles between 7:30 and 8 p.m.

Reservations may be made by calling 375-3390. However, submitting of entry form and paying full remittance are required for confirmation of reservation, according to tournament secretary Harold Murray.

Athletes of The Week

KEITH SUEHL KEVIN CLEVELAND

Undoubtedly this week's Athletes of the Week awards have to go to two Winside grapplers who won their weight classes during the recent state Class C tournament.

They are senior Keith Suehl and junior Kevin Cleveland, who finished first in the 126 and 112 pound divisions, respectively to help their team win second place in Class C.

Son of Mr. and Mrs. Harry Suehl of rural Winside, Keith last year finished fourth in the state at 119 pounds. His desire and hustle or the last year has earned him a 31-2 record, pointed out coach Ron Peck.

Cleveland who is the son of Mr. and Mrs. Robert Cleveland of Winside, posted one of the more deserving wins of the season when he overcame a 3-0 deficit in the second and third periods to top his opponent 4-3, and win his title. Cleveland's record is 27-3.

Wayne Keglers Are First in VFW Tourney

The doubles team of Arvid Marks and Alvin Hendrickson Sunday rolled a 27-6 series to win their division during the 25th District Three bowling tournament in Wayne.

Hendrickson shot a 676 with handicap and Marks fired a 600 to top their nearest rival by 12 pins.

Also placing in the doubles division from Wayne was the team of Lee Tietgen and Wayne Tietgen with a 1216.

Winning the singles title was Ed Wright of Norfolk, who shot a 627 scratch series and picked up 66 pins in handicap for a 688 total. Jim May of Wayne was third with a 659 and Lee Tietgen fourth with a 653.

First place in the team division went to Norfolk Lefties with a 3,659 total.

Altogether there were 17 teams, 82 singles and 41 doubles in the one day event.

Adding to Wildcat sorrow is a statistic like this: three seniors finished careers with a total of 75 points in the Hastings game and still lost. Not often does a team have three scoring in the 20's. Anderson led at 28, John Redmond hit 26, Rex Pressler 21, Lennie Adams scored 10.

Rugged combat took toll in foul outs. Redmond and Adams for Wayne. Kert McKee and Pat Hodges for Hastings. In addition, a brief tiff in the final second of the first half resulted in officials evicting Sylvester Pierce of Wayne and Jack Wesołowski, Hastings. It is not clear who did what to whom, but whatever it ignited tempers of coaches, officials and players.

Mankato State Nips Tankers Bears—

It was close, but Wayne State swimmers last week just missed one of coach Ralph Barclay's annual goals — namely, beating Mankato State.

They went into the final event Mankato leading by \$2.50, but the host Indians turned it on strong for a 3:31.8 time in the 400 free relay, well ahead of Wayne's 3:39.5.

Final score: 59-50.

By contrast, last year here, they entered the last race Wayne leading \$5.51 — the meet victory going to Wayne, \$2.51, on the relay win.

The Wildcats won five of eight events in this year's meet and actually led scoring until the eighth race. After that it was back and forth.

The 400 medley relay started Wayne's points with the quartet of Duane Hugo, Kevin Jech, Pat Donahoe and Randy Pinkelman, timed in 5:11.8. Jech and Pinkelman won a first in 200 breaststroke.

Marty Christiansen, good for two firsts in almost every meet, did it again, in the 200 free and 200 backstroke. Lance Clay got the other first, in the 1,000 free.

The WSC tankers, 8-4 in duals, will swim at Kearney Friday, then finish the year at Seward Saturday against Concordia and Graceland.

The U.S. Department of Labor was established by law in 1913. It included the Bureau of Labor Statistics (created in 1884 as the Bureau of Labor), the Bureau of Immigration and Naturalization (created in 1891), and the Children's Bureau (created in 1912).

Power was given the Secretary of Labor to "act as mediator and to appoint commissioners of conciliation in labor disputes," and in 1918, the Conciliation Service was established as a separate division of the Department.

William B. Wilson, a trade unionist and Member of Congress, became the first Secretary of Labor.

Taste has come to light.

One third fewer calories than our regular beer, but all the taste you'd expect from Schlitz.

It took Schlitz to bring the taste to light.

World Day of Prayer

By Mrs. Ed Oswald 286-4872

World Day of Prayer services at Winside will be held Friday, March 5 at 2 p.m. at the Trinity Lutheran Church.

The theme for the event, "Education For All of Life," has been prepared by women in Latin America. Concrete situations, common to the lives of some Latin American women, form an integral part of the worship service.

Committee in charge of arrangements in Winside: Mrs. Lloyd Behmer, chairman, assisted by Mrs. Dale Krueger and Mrs. Clarence Pfeiffer of Trinity Lutheran Church; Mrs. Don Wacker, Mrs. Lee Gable and Mrs. Chester Wylie of United Methodist Church and Mrs. Richard Miller, Mrs. Herbert Jaeger and Mrs. Elta Miller of St. Paul's Lutheran Church.

All area women are invited to attend the service. Special music will be provided during the day.

World Day of Prayers is observed in 129 countries throughout the world to unite women in ecumenical worship and to share in an offering to bring hope and air to thousands around the globe.

In the United States, offerings go into a fund administered by the Intercontinental Mission Committee of Church Women United.

Annual gifts from the offerings go to aid Christian ministry in national parks, for scholarships for women through the World Council of Churches and to the international committee for "World Day of Prayer leadership training."

Offerings also make possible gifts for short term projects often related to the celebration theme. This year gifts are being made through Church World Service and UNICEF for projects in Niger, Malagasy Republic and India to provide a safe and accessible water supply and a source of protein.

Contributions are being made for legal defense and family assistance for political prisoners under repressive regimes, for the rehabilitation for political refugees from Latin America and for projects which enable women to make their full contribution in their communities and nations.

Princesses in San Diego Charles and Phyllis Prince, formerly of Winside, have accepted positions in San Diego. Both are graduates of Winside High School and Wayne State College where they are affiliated with Alpha Mu Gamma national honorary.

They are the son and daughter of Mr. and Mrs. Cecil Prince of Winside.

Shingles is with Sony Corporation in San Diego and has received one promotion. Phyllis is a secretary in the data department of the San Diego school system.

Dinner for Birthdays Dinner guests Sunday in the Andrew Mann home for the birthday of Andrew Jr., of Norfolk were the Dean Janke family and the Roger Thompson family, Newman Grove.

Return From Washington Mr. and Mrs. Al Schlueter spent Feb. 18 in Washington D.C. for the NASSP principals convention. While there, they heard President Ford, Hubert Humphrey and Hugh O'Brian speak.

Anjlie and Mark Schlueter were guests of the Otis Halls, O'Neill, while their parents were away. Mrs. Leone Schlueter, Canistota, S.D., stayed in the Schlueter home to care for Dave and Kim.

Public Invited Members of the United Methodist Church of Winside will sponsor a roast beef dinner March 7 at the church. The public is invited to attend the dinner, beginning at 11:30 a.m.

Price for the meal is \$2 for adults and \$1 for children.

Committee in charge of arrangements is Mrs. Charlotte Wylie, Mrs. Marvin Fuoss, Mrs. Chester Wylie, Mrs. Maurice Lindsay and Mrs. Mildred Witte.

12 at Circle Center Circle met Thursday afternoon in the home of Mrs. Harry Sueli Sr. with 12 members responding to roll call by naming the first lady they admired most.

Vice president Mrs. Alfred Janke, conducted the business meeting. Macramé plant hangers were made by each member.

March 18 meeting will be in the Harry Sueli Jr. home.

Guest Attends SOS SOS Club met Friday afternoon with Mrs. Fred Damme. Nine members answered roll call with a Valentine's verse. Mrs. Herman Schuetz was a guest.

For the topic discussion, members recalled something about sleigh riding. The group listened to favorite songs and played pitch. Prizes were won by Mrs. Dora Ritze, Mrs. Edgar Marolt, Mrs. Harry Sueli Sr. and the guests.

Mrs. James C. Jensen will host the March 19 meeting.

Mrs. Quinn Hoesst-Gotter met Thursday afternoon in the home of Mrs. Harold Quinn. Guests were Mrs. Minnie Quinn, Winside, and Bess Leary, Wayne. Prizes were won by Mrs. E. T. Warnbunde, Mrs. Mildred Witte and each of the guests.

Next meeting, March 4, will be in the home of Mrs. H. L. Neely.

13 Meet at Sew Thirty-two members of the Sewing Circle met Thursday at the Trinity Lutheran Church to quilt.

A cooperative luncheon was served at the end of the afternoon.

RNA Meets Neighbors of America met Friday in the home of Mrs. Thorvald Jacobsen. Mrs. Fred Wittler, vice orator, conducted the meeting.

Glady's Reichert presented a brief history of the RNA. As a fascinet project, members discussed summaries of the states of Vermont, Pennsylvania, Maine, Connecticut and Rhode Island.

Lunch was served by the hostess. March 19 meeting will be in the Glady's Reichert home.

St. Paul's Lutheran Church (G. W. Gotberg, pastor) Thursday: Womens Bible study, 2 p.m. Saturday: Saturday school, 9 to 11:15 a.m. Sunday: Sunday school and Bible classes, 9:30 a.m.; worship, 10:30; church council, 7:30 p.m. Tuesday: Adult membership class, 7:30 p.m. Wednesday: Ladies Aid and LWML, 2 p.m.; Bethel classes, 7:30; Walther League, 7:30.

Trinity Lutheran Church (Paul Reimers, pastor) Sunday: Sunday school, 9:30 a.m.; worship, 10:30.

United Methodist Church Sunday: Sunday school, 10 a.m.; worship, 11. Tuesday: Roast beef dinner, public invited, 11:30 a.m.

Social Calendar Friday, Feb. 27: Three Four Bridge, Dennis Janke's. Tuesday, March 2: Winside Senior Citizens Center potluck dinner, city auditorium; Brownie Troop 167, Donovan Leighton home; American Legion Roy Reed Post 252, Legion Hall, 8 p.m. Wednesday, March 3: Federated Women's Club.

The Lytle Theses and Debra, and the John Asmusus spent Sunday in the Leo Asmus home, Minden, Ia. En route home they visited Mrs. Marvin Asmus at her home in Beemer.

The Mike Thompsons, Anjlie and Brian, were among guests Sunday in the home of Mrs. Mildred Thompson, Bathie Creek.

Dinner guests Sunday in the Chester Wylie home were Mrs. Clarence Wylie, Wichita, Kan., Mrs. Dorothy Kabisch, Wayne, the Don Wylie family, Norfolk, and Janice and Russell Long-necker.

The Don Wackers spent the weekend in the Reed Wacker home, Lincoln. They visited Mrs. Reed Wacker in the Byran Memorial Hospital Saturday. Mrs. Wacker returned home from the hospital Saturday and will recuperate at home before returning for further surgery. Elizabeth Wacker is spending some time with her grandparents, the Don Wacker, while her mother recuperates.

The Jim Breedon family, Omaha, were weekend guests in the Rev. G. W. Gotberg home.

To Hold Card Party The American Legion Auxiliary Unit 252 will sponsor a benefit card party Sunday, Feb. 29 at 7:30 p.m. at the legion hall.

Air Force Recruiter Plans Wayne Visits

Sgt. Ron Marshall, local Air Force representative will be available the second and fourth Tuesdays of each month from 3 p.m. to 4 p.m. at the Chamber of Commerce office in Wayne.

Sgt. Marshall is also in his Norfolk office each Monday, Thursday and Friday. He can be reached there by calling 371-3848.

For more information contact Ron Wilson, Robco Transportation, Inc., Carroll, Iowa, Outside of Iowa phone 800-831-1852 toll free, in Iowa 712-972-2784, collect.

Police Blotter

A car driven by Howard Morris, 419 W. Eighth, was struck about 2:30 p.m. Sunday when it turned in front of a car operated by Ernest D. Douglas. The mishap happened when Morris was turning into a Gibson's parking lot.

About 11 a.m. Sunday a street barricade belonging to Dick Carlson, rural Wayne, was reported missing from North and Nebraska Streets. The barricade was valued at \$50.

Cars driven by Darrel Fuelleber, 611 E. 10th and William Kemp, 721 W. Seventh, collided near the intersection of Third and Logan Streets about 10:15 a.m. Saturday.

About 15 minutes earlier Saturday morning, a car operated by Melvin Kord, rural Wayne, struck the rear end of a vehicle operated by Herman DeWitt, 922 Logan, which stopped on the 100 block of West First. A parked car owned by Evening Ham Farms, Wakefield, was struck about 4:45 p.m. Friday when a pickup operated by Laverie McCDonald, 617 Pearl, was backing from a parking stall on the 100 block of West First.

About 1:45 p.m. Friday, a garage owned by August Dorman, 320 Logan, was damaged when an unknown vehicle struck it.

The North Eastern Fertilizer Co. suggests that you check their prices when—thinking about those spring fertilizer needs. Prices are much, much lower than they were a year ago so it should be very profitable to do a good job of fertilization this year. They will have 18-46-0, 0-46-0, 29-14-0, 16-20-6, Anhydrous Ammonia, and most any other grades you may want.

They will also have insecticides and herbicides at very competitive prices, so see the North Eastern Fertilizer Co. before you buy.

BARNYARD MANURE FOR GARDENS

Barnyard manure gives excellent results on most gardens when properly used. It is an excellent source of organic matter and plant nutrients. An annual application of barnyard manure (400 to 500 pounds per 1,000 square feet) is recommended.

CAUSED FOR SICK HOUSE PLANTS

General defoliation - Sudden changes in temperature. Transplanting shock. Sudden changes in lighting intensity - moved from strong sunlight to a dark location. Overwatering.

16 page booklet giving tips on tire selection, care, safety and mileage is available free from the Tire Industry Safety Council

'Kiwanis Club Important Part of Wayne's History'

About 55 persons Sunday night helped the Wayne Kiwanis Club celebrate its 53rd anniversary during a banquet at Wayne State's Student Union.

Guest speaker Mrs. Charles Hepburn of Wayne told the gathering that the Wayne club had played an important role in the development of Wayne and probably will continue playing an important part in the future.

During her talk about the history of Wayne, which she is helping to prepare for The Norfolk Daily News' Bicentennial issue, Mrs. Hepburn pointed out that the railroads were instrumental in the growth of Wayne, Wakefield and the surrounding area.

When the Chicago, St. Paul and Omaha division of the Northwestern Railroad came to this area in the late 1880's, it became "the primary reason for Wayne's existence," she said.

The original name for Wayne was Brookdale. However, residents decided to change the name after it was decided that Wayne would be the county seat instead of LaPorte. Residents selected the name of Wayne to honor General Anthony Wayne who fought in the Revolutionary War and to name the town after the county.

In 1881 Wayne became a prairie village and three years later the town was incorporated. In 1889, Wayne officially became a city.

Mrs. Hepburn pointed out that since 1857 Wayne always had a college. When the college first opened its doors, it was a Lutheran college. Thirty-four years later, it became the normal college, before the state bought the school in 1909.

It was in 1930 that Dr. Walter Benthack began his practice

Wayne. At that time there were five doctors in Wayne, four in Wakefield and three in Winslow.

Part of Mrs. Hepburn's history of Wayne included photographs of the city in the 1880's and 1900's, which were reprinted and given to the Wayne Historical Society by Doug Lyman, owner of Lyman Photography in Wayne.

Honored during the evening for their years of membership were three Wayne men, Adon Jeffrey, Henry Ley and Raymond Schreiner. Jeffrey and

Ley were honored for 30 years and Schreiner for 25 years. They will receive their pins and certificates at a later club meeting.

During the evening dinner, music was provided by Vickie Rusek, a sophomore at Wayne State.

Some lucky shopper tonight (Thursday) has a chance to win \$700 in Birthday Bucks if his or her birthday matches the winning date drawn at random and announced at 8:15 p.m.

The jackpot climbed to \$700 this week after a Wayne State coed missed winning the \$675 prize during last week's drawing. As a result the amount rose another \$25 to reach the ceiling amount—participating Wayne merchants are giving away in their weekly drawing.

Diane Schreiber of David City missed picking up the big prize last week when her birthday was just three days short of the Nov. 15, 1955 date drawn by Joan Lage of First National Bank. Diane, who was in Gibson Discount Center at the time of the drawing, was born on Nov. 12. Because her date was the closest to the winning date drawn, she won the \$25 consolation prize in Birthday Bucks, which case be spent just like cash in any one of the participating Wayne businesses.

DIANE SCHREIBER
Anyone can enter the contest by just being present in a participating Wayne business when the winning date is announced. No purchase or registration are necessary.

KIWANIS CLUB members and their wives examine some of the photographs taken of Wayne during its formative years.

Notice of District No. 1 Wayne County Annual Meeting

Notice is hereby given that the annual meeting of the Carroll Rural Fire District No. 1 Wayne County will be held at the Carroll Fire house at 1:30 p.m. on March 6, 1976 for the purpose of electing members for the board whose terms are expired. Also to take care of any other business as may come before the meeting. Your presence is urgently requested.

Clarence Morris, Sec. Treas.

GUEST SPEAKER for Sunday night's Kiwanis banquet was Mrs. Charles Hepburn, who spoke about the history of Wayne during the evening dinner at Wayne State's Student Union.

Agnostomist Gives Tips on Improvement

Brome grass pastures are currently the most abused crop on many farms in northeast Nebraska, according to extension agronomist George Rehm.

Special attention to management will improve production from these pastures. Pasture management, however, is more than opening the gates in spring, allowing the grass to be overgrazed and then moving the animals to harvested corn fields in the fall, Rehm said.

The practices of fertilization, weed control and rotational grazing will improve production from these pastures. Grazing trials in Cedar County showed that one pound of lamb per acre was produced for each pound of

nitrogen per acre. Rehm adds that additional trials showed that nitrogen and phosphorus are the only two nutrients needed for brome grass pastures in northeast Nebraska.

For most brome grass pastures, the application of 60-80 pounds of nitrogen with 20-30 pounds of phosphate per acre will double and in some cases triple forage production. This fertilizer can be applied in either early fall or early spring. The most ideal time for application would be late March or early April.

Fertilization combined with rotational grazing will produce additional gains from these pastures. For best results, the

brome grass needs to be rested at times during the growing season. This is not possible if the pasture is grazed continuously.

A simple rotational grazing system would be to divide a pasture into three parts and graze each part for about 10 days. This system would allow the other two parts to rest for about 20 days. Electric fence can be easily used to divide the pasture but the arrangement of the fences will be dictated by the location of the water supply.

Rehm concludes by suggesting that farmers who would like to increase production from pastures try fertilization, weed control and rotational grazing.

CONSUMERS, PROTECT YOURSELVES!

The Better Business Bureau tells us that there are over 800 known fraudulent schemes in operation today. Are you familiar with these schemes? Do you know how to protect yourself from being "taken in"?

Eight of the most commonly used schemes include mail order frauds, door-to-door sales schemes, home improvement schemes, charity swindles, health quackery, work-at-home gigs, bait and switch schemes, and "something for nothing" frauds.

Better Business Bureaus are in the business of helping consumers protect themselves from unethical business firms, misleading or untruthful advertising, unscrupulous operations, and fraudulent schemes. The BBB can give performance or reliability reports on a company with whom you plan to do business.

Consumers are urged to get in the habit of calling the BBB toll

free number before doing business with a firm about which they know nothing. Consumers should also call the BBB to report situations which appear to be fraudulent, advertising which is found to be untruthful or misleading, or salespersons who may be "fly by night" operators.

Consumers can protect themselves. Call free Cornhusker BBB, Lincoln 800 742 7327 or Omaha BBB 680 649-9332.

HEALTH TIP
FROM THE NEBRASKA MEDICAL ASSOCIATION
The urine analysis determines the ability of the kidneys to do their work properly. Blood count, and hemoglobin estimation are important, because many women become anemic during pregnancy. Blood typing is important, since all women are faced with the possibility of blood loss during labor and after delivery.

Blood tests also determine the RH factor, to prevent a possible severe transfusion reaction or injury to an unborn child. Blood pressure helps detect a possible toxic condition in the mother, which may be dangerous. The Nebraska Medical Association urges young pregnant women to take proper care for a healthier mother and child.

Good driving habits become a part of you for a lifetime. So do bad habits. Learning proper Rules of the Road now can develop your confidence behind the wheel. Safe driving is a good habit. We have the facts about safe driving auto insurance.

"SERVING YOU IS OUR BUSINESS"

Business notes...

Allen Farmers Cooperative Elevator board president Cliff Rasmussen announced that the Allen elevator Thursday purchased Allen Lumber and Hardware Co. Corporation.

By Rowan Wittso "Realize that by the very nature of life you cannot please everybody all the time; and knowing that, you will never be upset when you do not..."

It would be nice if it were possible to always keep everyone happy. The very nature of life, Miller tells us, is that this is not possible. Some people do not wish to be pleased; others it would be wrong to please because they would influence us in wrongful ways.

Knowing we have failed to please another can make us uncomfortable. It shouldn't. Try to please, of course, but let's not be upset if we try and fail... it's the nature of life!

We offer sympathetic, understanding help to anyone at time of death. We try to meet exact needs of every family, whatever they may be.

LOVE ME, LOVE MY MPG.

1976 MERCURY BOBCAT VILLAGER MPG

34 MPG HIGHWAY 24 MPG CITY

EPA estimates for Bobcat Villager MPG with 4 speed manual transmission. Your actual mileage may vary depending on the type of driving you do, your driving habits, your car's condition and optional equipment.

LOVE THAT MERCURY BOBCAT!

Easy maintenance. Easy handling. Good gas mileage. Smart styling. You just got to love that Bobcat! There's a Bobcat MPG 3 door, and the Bobcat MPG Villager, shown above. The Villager is a great little hauler with rear seats down it has over 57 cubic feet of cargo space. So if you're looking for the sporty practical kind of car, come see Bobcat MPG. The frisky little wagon, or the tough little 3 door. They're waiting for you to test drive today.

We love it.

And so will you.

See your Lincoln-Mercury dealer. Buy or lease at the sign of the cat.
