## Council Takes Giant Step Toward Improvement Plan

Wayne city council members walked through the downtown business district Thursday afternoon, and took some giant strides toward a project to renovate the area.

Items for which tentative approval has been given, pending further discussion and enactment of an ordinance to that effect, include:

—Removal of drinking fountains on Main St.

—Logan St. from railroad tracks to Third, west side only; installation of 6-foot sidewalk, curb, and alignment of curb.

The council met in special session with members of the downtown improvement committee to discuss proposals forwarded by the committee for renovation of the commercial area.

After brief discussion of the proposed items, city officials and improvement committee members took a pedestrian tour of the business district to see first-hand what might be done to make the area more attractive.

—Second St., Main to Pearl: widen traffic way, installation of 10-foot sidewalk, curb and gutter.

Looking for a good place to read? Try the Wayne Public Library, it's one of the best according to the Nebraska Library Commission.

—Third St., Main to Logan: widen traffic way, install 10-foot sidewalk, curb and gutter.

—Main St., First to Fifth: close excess driveways (alley excluded), install new sidewalk and curb and gutter where needed.

In addition, the library has received a Class A rating from the commission for its contribution toward achieving adequate library resources and services for residents in the state.

City engineering consultant Bruce Gilmore said during the meeting that he sees no problem in proceeding with sidewalk and curb and gutter along Main St. so long as the work is coordinated with the State Department of Roads (DOR). Wayne's Main St. is a section of Highway 15.

City administrator Fred Brink informed the council that a DOR official would be at the council meeting Tuesday night to discuss the project.

## AFS Student Arrives from Philippines

A young Philippine student who plans someday becoming a lawyer is Wayne's most recent participant in the American Field Service exchange program.

Jo Jo's father is an attorney and his mother is a housewife. The family also includes three sisters and two brothers. One sister is married and lives in San Diego, Calif. with her husband. Jo Jo's younger sister and brother are both studying in Manila. His eldest brother, a medical student in the Philippines and another sister studies political science there.

Jo Jo will return to the Philippines after his year in Wayne. He plans to study political science at the University of the Philippines, and says that if he achieves a B+ average while studying in the United States he can attend the university's main branch at Diliman. Later, he hopes to return to the United States to study law. "It's something I've always wanted to do," he said.

In Jo Jo's country youths are not allowed to obtain a driver's license until they are 18, but many ride bicycles and Jo Jo admits to having a few accidents with the two-wheeler.

WAYNE'S LATEST foreign exchange student, Fulgencio Ibarra Jainga Quimpo, Jo Jo of the Philippines, chats with his American brothers, Jeremy, Jeff, and Mrs. Edmonds. Jo Jo is the origin exchange student to spend a year studying at Wayne High School under the American Field Service program.

## A Glimpse at the Sun

A MID AFTERNOON sun peeks around one of the towers which will be used to hold up the new bell at St. Mary's Church in Wayne. A crew from Lee Swinney Construction in Wayne and John Einung helped to set up three of the six towers Friday before the team placed the bell in place Saturday morning.

## Predict and Prevent Local Project Expanding

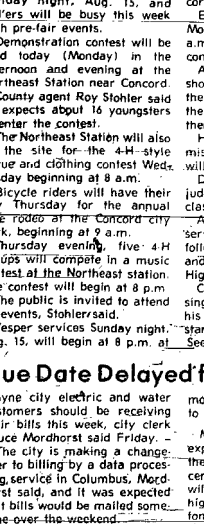

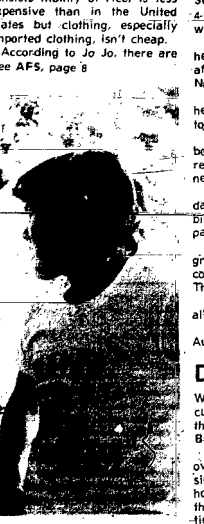

A program developed in Wayne to help pre-school children with developmental problems will be expanded this fall to include all six counties in Educational Service Unit 1.

Project Predict and Prevent was developed within the Wayne-Carroll school district under the direction of Beverly Scovill to identify pre-school children with handicaps and to help them overcome their developmental problems such as speech or hearing problems or more severe handicaps, and teachers also make visits to the home to work with the children.

## Wayne Classes Begin Aug. 30

Wayne-Carroll School District students will be back in the classroom Aug. 30, schools superintendent Francis Haun said.

Teachers will attend a pre-school workshop Aug. 26-27. Focus will be on student-teacher communications.

## Warm-Up Events Stated For Dixon County Fair

The Dixon County Fair begins Sunday night, Aug. 15, and 4-Hers will be busy this week with pre-fair events.

Home living, 4-H foods and miscellaneous exhibits judging will all begin at 10:30 a.m. Dairy showmanship and dairy judging for 4-Hers, and open class dairy will begin at 2 p.m.

Country western and gospel singer Dennis Yearly will begin his performance at the grand stand at 7:30 p.m. At the same time, DIXON, page 8

## Due Date Delayed for Utility Bills

Wayne city electric and water customers should be receiving their bills today, city clerk Bruce Nordhorst said Friday.

Because of the delay in billing, the deadline for paying bills will be extended from Aug. 12 to Aug. 18, Nordhorst said. Next

## Road Plan Draws Fire

Owners of property adjacent to Highway 35 — Seventh St. through Wayne — emphatically told the Nebraska Department of Roads (DOR) that they aren't interested in having the road widened to four lanes.

Bob Stutzman, DOR corridor study engineer, said his office had received a petition signed by virtually every owner of property along the highway through Wayne, opposing a preliminary study released by the DOR which outlines plans to widen the road bed from 30 to 52 feet wide to allow for four lanes of traffic.

District engineer Thomas McCarthy of Norfolk will be scheduling a meeting in Wayne to hear first-hand any commentary on the proposal.

## ASCS Director Explains Feed Grain Program

The 1976 feed-tie disaster program is much like last year's program, according to Wayne County ASCS director Ray Butts, but there are several changes, producers should be aware of.

The disaster program provides for low-yield disaster payments if a drought or other disaster reduces a farm's yield substantially. Butts said the dry weather has many producers thinking about cutting their corn for green chop and silage earlier than usual.

Prices for school lunches will be the same as last year: 60 cents per day or \$2.75 per week for students; 70 cents per day or \$3.00 a week for adults.

## Carroll Graduates Will Reunite

Graduates of the old Carroll High School will be gathering Saturday to reminisce about their alma mater and renew old friendships.

The end of an era came in 1958 when the Carroll board requested a merger of the two districts. Wayne voters approved the measure and the merger was completed. The Carroll school is still in use as an elementary school. All high school students in the Wayne-Carroll district attend classes in the modern building at Wayne.

# OBSERVATIONS

## Available: good education

Wayne schools again this year received an AA rating from the State Board of Education, continuing a trend started in 1971.

Achieving and keeping the rating doesn't just happen, and it isn't awarded for excellence in just a couple of things. It takes top-level teachers, administrators and school board members to insure

that high standards are maintained. No one can guarantee a student a good education, because the student really plays the most important role in determining what kind of education he or she receives. But the AA rating indicates that, within the Wayne school system, a good education is there for the asking. — Jim Strayer.

## YOU AND YOUR CAR

By the Automotive Information Council

The question of the air bag is still up in the air.

A researcher who has made a personal study of more than 2,000 auto accidents in the last 15 years contends it can only be brought to earth with a program costing at least a half billion dollars. "We have been dragging our feet in field-testing the air bag," contends Donald F. Huelke, professor of anatomy at the University of Michigan and a past president of the American Association for Automotive Medicine.

Huelke told the Automotive Information Council that he believes 100,000 automobiles would have to be equipped with air bags over a two-year period to provide sufficient and reliable data. The researcher, who has been investigating fatal and serious injury accidents in his home area of Michigan since 1961, favors lap and shoulder belt systems "because the data is there to prove their reliability."

Huelke will appear next February before the Austral-Asian College of Surgeons in Melbourne, Australia, to present the findings of 39 teams of federally sponsored investigators in the United

States. Some 8,000 accidents involving 14,000 people riding in cars built since the 1968 model year were investigated.

"For the first time we not only have documented accidents but we have checked out specific areas of the human body," Huelke reports. "Too often, we have heard that belts save lives but leave injured occupants unable to continue their lives in a normal manner."

Data on 5,103 selected accident cases (front seat passengers only) is being sifted but Huelke released some preliminary findings on frontal crashes where occupants wore lap and shoulder belts:

—Almost complete elimination of serious head and neck injuries.

—A 50 per cent reduction in chest injuries.

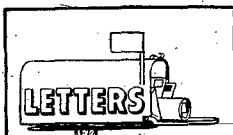

—A 90 per cent reduction in severe lacerations, broken bones and dislocated joints in body extremities — hands, arms, legs, thighs.

—The overall results in frontal crashes indicated lap and shoulder restraints reduced injuries 50 per cent and fatalities about two-thirds. Lap belts alone cut serious and fatal injuries by a third.

## EDITORIAL PAGE

Our liberty depends on the freedom of the press, and that cannot be limited without being lost. — Thomas Jefferson, Letter, 1786.

## Student disgusted

Dear Editor: How many of you Wayne residents wouldn't even have the job you have if it weren't for the college?

Then think of the thousands of dollars the college kids bring into this small town every year by patronizing the grocery stores, clothing stores, drug stores, theaters, food and drink establishments, bowling alley, banks, etc.

And think of the other things college students have contributed — the annual Easter egg hunt, the annual Christmas children's party, the painted fire hydrants, the numerous parties at the Wayne Care Centre, and the help given with the children at Pile Hall.

What is the purpose of this letter? Only this: why is it that when I call about renting an apartment in Wayne, the answer is often the same old thing, "No students" or "No singles, only couples."

If you are so worried about damage, why not simply raise the deposit fee? The simple fact that we are interested in continuing and pursuing education should say something for our dependability. Sure, maybe a few careless people going to school only for the social life may have ruined it for the rest of us. But why not give others a chance?

Will I recommend this town to others planning on attending college? I think not! It seems the townspeople are all for us going to school here until something is personally asked of them. We are expected to travel hundreds of miles to attend college then have no place to call home.

The dorms are overflowing. Besides that, dorm life gets a little old for the age 20-plus students. Think it over! Sincerely, — A Disgusted Student.

## Writer dislikes proposed change

Dear Editor: I am very concerned about the petition to change the Dixon County government from supervisors to commissioners. I feel that the hazards of having commissioners, selected from the county as a whole, rather than electing a supervisor from the township that know him, well, are much greater than any problem we may currently have.

If the main reason for wanting a change in government is to improve the quality of road maintenance, the people favoring this change will be disappointed. During the past five years, I've traveled rather extensively over the roads in both Dixon and Cedar Counties, and after any winter snow storm, I've been firmly convinced that Dixon County roads were well worth every extra penny.

If the people in any township feel inadequately represented, then it makes more sense for these people to launch a campaign to elect a supervisor who will more adequately represent them, rather than discarding the total system for one in which most people will have much less direct voice. Sincerely — Mrs. Harold W. George.

# STRAYEr Thoughts

By Jim Strayer

There is at least one postscript to coverage of the Wayne County Fair — an item which didn't make it in our regular news columns, and for a good reason.

It stems from one of my bad habits. During events like the fair, when there is a lot to cover and a limited time to do it in, I tend to feel guilty if I spend much time on things like meals. My table manners suffer as a result, and it usually doesn't take too long to eat.

Kay doesn't appreciate that, and she was especially disconcerted during the annual barbecue at the fair when I was finished with my meal before she had nibbled her way through half of her first sandwich.

She was lending a hand that night, carrying my note pad and writing down names for me.

Later that night, when writing a summary of fair events for the paper, I was half-way down a page when I came to an item which I decided to leave out. It read:

"Jim Strayer won first place in the speed-eating contest."

One More to Go

One more big event for the summer in our area will be the Dixon County Fair, Aug. 16-18.

With two county fairs, five Bicentennial celebrations and the Winslow Old Settlers Reunion, it's been an action-packed summer for us at the Herald, and I hope everyone has enjoyed it as much as we have.

### Letter Policy

It seems that I again need to remind some folks about my policy regarding letters to the editor. I received one dated July 27 from "A Disgusted,irate Student." The writer was upset about property owners who (the writer claimed) are reluctant to rent to college students. The writer didn't put his or her name on the letter.

Also last week, a woman called saying she wanted to give me an editorial over the phone. She didn't want to give her name.

Either article could have been printed, but the author's signature is required. That doesn't necessarily mean it must appear when the piece is published; pseudonyms are acceptable in most cases. But we must insist on a signature in our files for our own protection. Possible legal action is one reason.

Also it is policy of the Herald that any article written by myself or other staff members which expresses an opinion must be signed by the writer. If we didn't require signatures on all letters, it would be easy for someone to accuse us of writing our own letters to the editor in cases where we didn't want to own up to the expressed opinion.

Postscript: a second letter was received from the student mentioned above. It came with a signature, and appears on this page.

Good Life  
Anyone with doubts about the "Nebras-

ka — The Good Life" slogan might want to take a gander at Congressman Charles Thone's weekly newsletter.

Charley says the Nebraska-Iowa area is leading and will continue to lead, the nation's economic recovery — just as it resisted the worst of the recession.

Between Oct. 1, 1973 and March 31, 1976, Thone continues, personal income for non-farm workers in the two states increased by about 27 per cent, or five per cent better than the nation as a whole.

The rider in a picture of 4-H barrel riding competition in the last issue was incorrectly identified as Rick Anderson. Correct identification is Greg Jenkins, son of Mr. and Mrs. Melvin Jenkins of Carroll.

Incidentally, Wayne County 4-H horse club, the Hombres, certainly deserves credit for the fine work they are continuing. To date, they have raised, through benefit horse shows, more than \$1,000 which has been donated for the benefit of crippled children in Wayne County. That's what I call riding reeily tall in the saddle.

# Jean Weible is July Bride

July 31 at St. Paul's Lutheran Church in Winslow, Jean Weible, daughter of Mr. and Mrs. Frank Weible, became the bride of Dennis Wade, son of Mr. and Mrs. Harold Wade. All are of Winslow.

The Rev. G. W. Gottberg of Winslow officiated at the double ring ceremony.

Mrs. Dean Krueger sang "Sunrise, Sunset," "Colour My World," and "The Wedding Song," accompanied by Mrs. G. W. Gottberg. Both are of Winslow.

Ushers were Fritz Weible and Jim Rabe, both of Winslow; Richard Kraus of Hoskins and Richard Diltman of Wayne. Candies were lighted by Lisa Porter and Mike Porter, both of Colorado Springs, Colo.

The bride, given in marriage by her father, appeared in a fitted-length gown of white satin organza, with a chapel-length train. Venice lace, which accented the long, fitted sleeves, was repeated at the hemline. Venice motifs, lace trim and pearl beading were featured at the sculptured keyhole neckline and empire waistline, and she wore a waltz-length veil which was trimmed in Venice lace and caught to a Camelot headpiece. She carried blue and white bridal roses with white stephanotis, baby's breath, English ivy and streamers.

Maid of honor was Joan Weible of Omaha, and bridesmaids were Jean Weible of Winslow and Pam Holbrook of Omaha. They were attired in matching floor-length hafter dresses of blue knit, styled with matching flared capes and a diamond inset gaiter at the empire waistlines. They carried nosegays of tinted pompons in spring colors with blue streamers and baby's breath.

Best man was Jerry Rabe of Winslow. Date Vendors of Battie Creek and Brian Wade of Sioux City were groomsmen. The bridegroom wore a white tuxedo jacket and pants, and his attendants wore white tuxedo jackets with black pants. The groom wore a white tuxedo jacket and pants, and his attendants wore white tuxedo jackets with black pants.

The bride is a 1973 graduate of Winslow High School and a 1976 graduate of the Nebraska Methodist School of Nursing in Omaha. She is employed at the Lutheran Community Hospital in Norfolk. The bridegroom graduated from Winslow High School in 1971 and from North east Technical Community College at Norfolk in 1973, and is engaged in farming. The couple will reside near Pilger.

Among those graduating from Stewart Beauty School in Sioux City on July 31 was Carol Wieseler, a 1973 graduate of Wayne High School.

Miss Wieseler, who is the daughter of Mr. and Mrs. Al Wieseler of Wayne, completed 2,100 hours of training at the Sioux City school. During her training she studied all phases of hairstyling, cosmetology, permanent waving, manicuring and shop management.

Miss Wieseler recently completed her state board examination and will be employed at the Hair in Morningside.

Attending her graduation exercises from Wayne were the Al-Wieseler family: the Scott Niemanns, Rob Mitchell and Mrs. Lorna Spittgerber and Janet.

Mr. and Mrs. William Henkel Jr. of Norfolk and Mr. and Mrs. Harry Baker of Wakefield hosted the annual Kraemer family reunion Aug. 1, held in the William Henkel Sr. home at Norfolk.

Among those attending was Kurt Dolph of Wakefield. Other relatives attended from Allen, Pierce and Norfolk. William Henkel Sr. of Norfolk was the oldest family member present and four-month-old Hillary Joy Peters, daughter of Mr. and Mrs. Kenneth Peters of Norfolk, was the youngest. Two sets of four generations were also present for the picnic dinner.

Holys for the 1977 reunion will be Mr. and Mrs. Walden Kraemer and Mr. and Mrs. Fritz Kraemer of Allen.

## Ruth Bressler Marries Donald Myers July 31 At Wakefield Covenant

Ruth Bressler, daughter of Mr. and Mrs. Merlin Bressler, and Donald Myers, Jr., son of Mr. and Mrs. Donald Myers Sr., all of Wakefield, exchanged wedding vows in a 7 p.m. ceremony July 31 at the Evangelical Covenant Church, Wakefield.

Guests, registered by Suzanne Lundin of Allen, were ushered into the church by Richard Hall of Orchard, Jerry Wilerna of Verdigris and Dave Hitz and Doug Soderberg, both of Wakefield.

The Rev. E. Neil Peterson officiated at the double ring ceremony. Mrs. James Kviten of Omaha sang "The Wedding Blessing" and Mike Johnson of Wakefield sang "O Master Let Us Walk With Thee," accompanied by Mrs. Marvin Fell of Wakefield.

Joe Kviten of Omaha was flower girl and Ron McCune of Amarillo, Texas, was ring bearer. Lighting candles were Nancy Carlson of Wakefield and Debra Lundin of Allen.

The couple's honor attendants were Judy Youngman of Lockport, Ill., and Jay Carlson of Verdigris. Bridesmaids were Linda Erlanson and Jay Myers, both of Wakefield, and groomsmen were Brooks Myers of Wakefield and Steve Bressler of Grand Island.

The bride appeared at her parents' side in a gown of white, fitted-length, styled with a V-shaped neckline, lace-trimmed bodice, long sleeves, and a floor-length skirt edged in tulle ruffling. Her veil was of bridal illusion, and she carried red roses and baby's breath with ivy.

The bride's attendants wore flowered dresses of sheer polyester over blue crepe in floor length. They carried baskets of blue and white daisies.

The bridegroom wore a white tuxedo and his attendants wore light blue tuxedos with royal blue velvet bow-ties.

For the couple's wedding Mrs. Bressler chose a medium blue dress of polyester knit with a jacket and Mrs. Myers wore a mint-colored dress of Guiana knit.

Mr. and Mrs. Myron Olson of Wakefield and Dr. and Mrs. James Carlson of Verdigris served as hosts to the reception for 175 guests held in the church fellowship hall following the ceremony. Heidi Carlson and Robert Mills of Wakefield arranged gifts.

Mrs. Bruce Bennet of Winnebago and Mrs. Gene Dobbs of Sioux City cut and served the cake and Mrs. R.E. Youngman of Lockport, Ill., and Mrs. Clarence Hall of Orchard prepared punch. Punch was served by Joyce Viken of Wakefield.

Waitresses were Heidi Carlson and Mary Jo Lundin, both of Allen and Robin Mills and Ann Muller, both of Wakefield.

The couple took a wedding trip to Colorado and are now at home at 3536 1/2 - McCann, in Cheyenne, Wyo. The bride, a 1973 graduate of Wakefield High School, attended North Park College in Chicago for one year.

The bridegroom, also a 1973 Wakefield High graduate, serves with the U.S. Army Air Force at Warren Air Force Base in Wyoming.

# Dolph-Sorensen Wedding Vows Spoken at Wayne

The marriage of Kay Marie Dolph to Gary Patrick Sorensen was solemnized July 24 in 2 p.m. at St. Mary's Catholic Church in Wayne. Parents of the couple are Mr. and Mrs. Donald Dolph of Wakefield and Mr. and Mrs. Robert Sorensen of Kearney.

The Rev. Tom Ryan of Grand Island officiated at the double ring ceremony. Singers were Kurt Dolph, Cynthia Keagle and Mrs. Steven Kraemer, all of Wakefield, and organist was Mrs. Jean Ackerman of Kearney. Wedding music included "Twilight of Never," "One Hand, One Heart," "Colour My World" and "The Wedding Song."

The bride appeared in a traditional white gown of Quifia knit. Lace trim and seed pearls fashioned the bodice and cuffs by the long sleeves; and the floor-length skirt swept into a chapel-length train. Her fingertip veil was attached to a cap trimmed with seed pearls, and she carried a cascade of talsimann roses, daisies and baby's breath.

Matron of honor was Mrs. Michael Stevers of Wayne and bridesmaids were Mrs. Ray Maffett of Kearney and Kathy Dolph of Wakefield. Floral touches were highlighted in bows and ooby's breath accented their floor-length yellow and apricot print dresses. Each attendant carried a long-stemmed talsimann rose with yellow streamers.

Richard Sorensen was best man and John Shiers and Timothy Sorensen were groomsmen. All are of Kearney. Ushers were Michael Lacey of St. Paul and Kenneth Dolph of Wakefield.

The bridegroom wore a dark brown tuxedo with a white ruffled shirt trimmed in brown, and his attendants wore dark brown tuxedos with apricot ruffled shirts.

Mollie Jo Greve and Kevin Greve, both of Wakefield, were flower girl and ring bearer. Candelighters were Kim Sorensen of Kearney and Kraig Dolph of Wakefield.

Mr. and Mrs. William Rischmuller of Wakefield, Dan Sorensen and Teresa David of Kearney were hosts to a reception which followed at the Wakefield Legion Hall. Mrs. Richard Sorensen of Kearney registered guests.

The Wayne Senior Citizens Center will mark its seventh anniversary with an open house, to which the public is invited, at 7 p.m. Tuesday, Aug. 10.

Registration will be held for door prizes. Refreshments will be served following the afternoon program.

For the program, Anton Pedersen, president of the Wayne Center, will give the welcome and Pearl Griffith will read the history of the center. Mrs. Jocelyn Bull, center director, will give a slide presentation of center activities. Mrs. Sue Spicer, who is blind, will play piano selections and accompany the singing a long.

Children of Wayne sponsored a booth during the Wayne County Fair, July 29-Aug. 1. Decorating the booth, entitled "An Old Solution to a New Problem - Easy on Energy," were Eldon and Joell Bull and Anlon and Rena Pedersen. Gladys Petersen had charge of the center during that time.

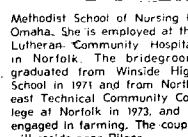

Working in the booth during the fair were Lottie Longenecker and Emma Soules, who churned butter, and Pearl Griffith, demonstrating child crafts. Rena Pedersen and Goldie Farney worked on a 126-year-old quilt top which belonged to Mrs. Longenecker's grandmother.

Mrs. Charles Bull displayed her 18 samples of tatted articles and Emma Soules showed samples of lye soap which she had made. Making homemade noodles and soup were Goldie Leonard and Mathilde Harms, who also baked a pie from scratch in a microwave oven.

Mrs. Joell Bull said the most popular attraction at the center's fair booth was a demonstration by Annie Suebio on making homemade taffy. Helping pull the taffy were Eldon and Joell Bull, Anlon Pedersen and Emma Soules.

Also on display in the booth were many photographs of early Wayne County, courtesy of Wayne photographer Doug Lyman.

## Center Marking Anniversary

The Wayne Senior Citizens Center will mark its seventh anniversary with an open house, to which the public is invited, at 7 p.m. Tuesday, Aug. 10.

Registration will be held for door prizes. Refreshments will be served following the afternoon program.

For the program, Anton Pedersen, president of the Wayne Center, will give the welcome and Pearl Griffith will read the history of the center. Mrs. Jocelyn Bull, center director, will give a slide presentation of center activities. Mrs. Sue Spicer, who is blind, will play piano selections and accompany the singing a long.

Children of Wayne sponsored a booth during the Wayne County Fair, July 29-Aug. 1. Decorating the booth, entitled "An Old Solution to a New Problem - Easy on Energy," were Eldon and Joell Bull and Anlon and Rena Pedersen. Gladys Petersen had charge of the center during that time.

Working in the booth during the fair were Lottie Longenecker and Emma Soules, who churned butter, and Pearl Griffith, demonstrating child crafts. Rena Pedersen and Goldie Farney worked on a 126-year-old quilt top which belonged to Mrs. Longenecker's grandmother.

Mrs. Charles Bull displayed her 18 samples of tatted articles and Emma Soules showed samples of lye soap which she had made. Making homemade noodles and soup were Goldie Leonard and Mathilde Harms, who also baked a pie from scratch in a microwave oven.

Mrs. Joell Bull said the most popular attraction at the center's fair booth was a demonstration by Annie Suebio on making homemade taffy. Helping pull the taffy were Eldon and Joell Bull, Anlon Pedersen and Emma Soules.

Also on display in the booth were many photographs of early Wayne County, courtesy of Wayne photographer Doug Lyman.

### 3-Run Homer Halts Wayne In Playoffs

A three-run homer in the bottom of the 10th inning Thursday night sank Wayne's hopes of earning a spot in the finals of the Northeast Nebraska Baseball League playoffs as host Newcastle took a 4-1 decision.

Second baseman Brad Larson delivered the final blow off pitcher Lyle Blivens when his circuit hit drove in runners from first and second. The victory capped Newcastle's comeback Homer Sunday night for the first of a three-game series to decide the post-season champs.

Newcastle broke a scoreless deadlock in the bottom of the fifth when third baseman Ron Edge scored on a sacrifice fly to right field by designated hitter Greg White.

Blivens' suicide-bunt with the bases loaded and no one out in the seventh scored left fielder Mic Daehnke from third to tie the game. But the locals failed to tally any more runs when catcher Mike Meyer was caught in a chasesdown and right fielder Bob Nelson was tagged out as he tried to scramble from second to home, all following Blivens' bunt.

Nelson was cut off at home plate when he tried to score during an argument between umpires and league officials over what was thought to be obstruction on the part of Newcastle's third baseman when Meyer tried to get back to base. Base umpire Kirk Peters called Meyer safe, but plate umpire John Torcson overruled, saying that Meyer was out.

Winning pitcher Dave Kneff and center fielder Bart Wendt opened the bottom of the 10th with back-to-back singles before Wendt was thrown out at third on Blivens' fielder's choice.

Blivens went the entire distance for Wayne, giving up six hits and striking out six.

A COUPLE of surprised looks and calls were part of the action Friday night during the first night of the Area A Class C American Legion Junior tournament at Wakefield. The surprised look came on the face of Scribner's catcher Mike Hunke when he was thrown out at third base on a fielder's choice by teammate Jay Miller. Making the tag out was Wayne's Gary Wunter. The surprise call came in the first inning when the base umpire ruled that Scribner pitcher Russell Poppo was safe on first base because Wayne's Bob Keating allegedly lifted his foot off the bag. In this photo it appears Keating's foot was on base when the call was made.

## 'Pond Owners Juniors Pass First Exam by Beating Scribner Should Check Vegetation'

Filamentous algae and rooted forms of aquatic vegetation are becoming a constant and recurring problem in ponds and smaller lakes in northeast Nebraska, according to Lee Rupp, District III fisheries supervisor.

A combination of heavy use of agricultural fertilizer (some of which is highly soluble in hot ponds), coupled with the hot, dry summer which has resulted in low water levels and warm, clear water has caused many ponds to be unfishable due to excess vegetation, he said.

Aquatic chemical controls are available, but Rupp cautions anyone using them to first contact the Game and Parks Commission at Norfolk or to carefully read the literature available from the chemical dealer. It is extremely important that anyone using aquatic chemicals follow the directions carefully. "There have been several incidents of fish kills resulting from the improper use of aquatic herbicides," said Rupp.

A good rule of thumb for pond owners to follow is to treat their ponds in the spring before a heavy vegetation problem occurs. The decomposition of large amounts of plant materials utilizes a tremendous amount of dissolved oxygen in the water needed by fish to survive. Late treatment of severe vegetation problem can therefore result in a fish kill.

### Keglers to Meet Early Next Week

League meetings for fall bowling will be Aug. 17 and 18 at Melodee Lanes in Wayne.

The Wayne Men's Bowling Association will meet at 8 p.m. on Tuesday, Aug. 17, and the Wayne Women's Bowling Association will meet the following night, also at 8 p.m.

Both encouraged league bowlers and those persons wishing to join the league to attend the meetings.

Melodee Lanes will open Friday, Aug. 20. Price for each line will remain at 65 cents, said Mrs. Val Kienast. Kienast owns and operates the lanes.

before he scored on Sharer's base hit.

Hix and Nissen each crossed the plate again in the two-run fifth inning when Hix, who doubled, circled third and came home on a pair of batted balls. Nissen, who walked, stole second and sent to third on a passed ball, came home on catcher Mike Manes' single.

Again Wayne's hitting was on the upswing as the Juniors continued play in their second tournament in two weeks. Leading

### Carnes, Koenig To Direct WH Grid Campaign

Assistant coaches Ron Carnes and Don Koenig will take over the reins for Wayne High head football coach Allen Hansen, until the head coach is able to resume his duties, said principal Don Zens.

Hansen, who has been head football coach the past nine seasons at Wayne, suffered a heart attack at his home Friday, July 30, and has been hospitalized at Providence Medical Center in Wayne.

### Wakefield '9' Will Head for Dodge Tourney

Players from Wayne and Allen-Martinburg town teams will help bolster a crew from Wakefield town team when the area team plays in the second night of a Dodge County Fair in Scribner.

Wakefield will play a team from West Point at 4 p.m. Friday, Aug. 13, right after the Oakland-Snyder match at 2 p.m. Other teams in the tourney are North Bend, Dodge, Scribner and Pender.

Terry Luff of Wayne and Kevin Peters of Wakefield will manage the Wakefield squad, which will be composed of Luff, Steve Hix and Larry Raabe from Wayne; Neil Blohm and Kevin Hill from Allen, and Earle Overin, Randy Nelson, Kirk Barge, Roger Lueth and Randy Hallstrom, all of Wakefield town team.

A Wakefield victory would put the area team into Saturday night's semi-finals at 8:30 p.m. against the winner of the Oakland-Snyder game. Final game is Sunday, Aug. 15, at 8:10 p.m.

Wakefield manager Danny Paul pointed out that players from Wayne and Allen were added to the squad because officials from the Dodge County Fair did firm that he would have to make his team as strong as possible in order to play.

Paul noted that practice was scheduled for 2 p.m. Sunday, but if players weren't able to make they should contact Luff by Tuesday to let him know if they will be able to play.

## Creamer Hurls Laurel Juniors to 6-1 Victory

Jeff Creamer chalked up his ninth win on the mound Friday night by throwing a three-hitter against Wynot for a 6-1 Laurel victory in the first night of the Class B American Legion Junior tournament at O'Neill.

Creamer struckout 10 Wynot batters to keep his perfect record intact and lead the area club to its 20th win of the season against three losses.

Laurel also got the hitting it needed throughout the seven-inning contest. Right fielder Brian Blatchford collected a double and a single to lead Laurel's seven-hit attack.

Laurel opened the game with back-to-back base hits by Cleve Stolpe and Brian Blatchford.

### No Fee Hike Planned

Officials at the Wayne Country Club don't foresee another hike in green fees this year after increasing daily fees by 25 cents.

According to club manager Del Stollenberg, the new \$4 rate paid all day was okayed by the board in order to keep up with increasing costs to play on other courses.

Remaining the same will be the \$5 fee to play on weekends.

## Last-Minute Rush Is Expected for Hunter Deadline

A last-minute crush of some 10,000 youngsters seeking hunter safety training is expected by the Game and Parks Commission once fall hunting seasons open.

This year, state law requires that young hunters between 12 and 16 complete the Commission's hunter-safety course before going afield. So far, about 30,000 have done so, but that's only about three quarters of the estimated number of hunters in the affected age group. The crush is expected to begin about Sept. 1, when dove, squirrel and rabbit seasons open.

The course involves a minimum of six hours of training on gun handling, hunting ethics, landowner relations and wildlife management and is conducted by 7,300 volunteer instructors throughout the state.

Those who are allocated should not wait until the last minute to become certified. They should attempt to locate an instructor in their area and attend a hunter safety course. Instructors realize the problem and are attempting to schedule as many classes, as possible in the time remaining.

Information on instructors can be acquired from local conservation officers or the Game and Parks Commission office in Norfolk.

The concept of young hunter education was not a new one. As a matter of fact, Nebraska was the 46th state to go into a federally subsidized, substantial funding program. The federal funds, amount to 75 per cent of total cost, were derived from an 11 per cent excise tax on handguns, with the Nebraska Game and Parks Commission providing the other 25 per cent of the program's cost. While the cost sharing of this program remains at 25 per cent—75 per cent proposition, the federal funds are now contributed to by the archery industry, which also includes an 11 per cent excise tax on its equipment.

## Juniors

(Continued from page 4)

Hank added that he was undecided who would start on the mound for Wayne Sunday against Pender. His choices were Gary Munter or Dave Hix. Rain delayed the four-day Junior tournament from opening Thursday night. As a result the finals are scheduled for 8 p.m. Tuesday. Also pushed back was the start of the Class C Area A Midget tournament at Wakefield.

Scheduled to play Saturday night at 6:30 were Wakefield and Howells followed by Arlington and Bancroft. The Area 11E in the single elimination tournament will be settled tonight (Monday) at 8:30.

## Census Bureau Will Sample Employment

Local representatives of the Bureau of the Census will conduct a survey of employment in the Wayne area August 16-21.

Richard Burt, director of the bureau's regional office in Denver, announced that the survey is conducted for the U.S. Department of Labor as a scientifically designed sample of approximately 70,000 households throughout the United States. Employment and unemployment statistics based on results of this survey are used to provide a continuing measure of the economic health of the nation.

For example, in June the survey indicated that of the 94.6 million men and women in the civilian labor force, 87.5 million were employed. The nation's unemployment rate was 7.3 per cent, up from 7.2 per cent in May but substantially below the recession peak of 8.9 per cent reached in the second quarter of 1975.

**Top Golfers**

Top three winners are holding trophies.

## Home Gardening Course Offered Through SUN

A new "college at home" course in gardening and landscaping will be offered this fall by the State University of Nebraska (SUN), an innovative program of the University of Nebraska now beginning its third year.

"Anyone interested in growing plants and landscaping will benefit from this course," said SUN Dean Milton J. Hassel. "Beginners will discover an enjoyable way to pick up the fundamental skills, and those with some experience will be offered a variety of useful professional tips."

Featured in the course will be 30 half-hour television lessons to be broadcast over the Nebraska Educational Television Network for 15 weeks beginning Monday, Sept. 6. Two TV lessons will be scheduled each week at 6 p.m. on Mondays and Wednesdays.

The topics covered in the programs, entitled "Home Gardener," will range from landscape design to vegetable gardens, from house plants to care of trees. Also presented will be tours of botanical and private gardens and unusual nurseries. The course has been approved for three hours of undergraduate credit by the Horticulture Department of the University of Nebraska.

Nebraska College of Agriculture. The SUN faculty consultant, Emil Pearson, a member of the horticulture department, will be available to talk with students about their studies through the free long distance telephone service installed in SUN's Lincoln offices.

Hassel emphasized that SUN is continuing its policy of no admission requirements for its courses. "SUN is committed to making college opportunities available to Nebraskans who cannot give up responsibilities at home or work to take courses on a campus. Anyone interested in furthering his or her education may enroll simply by filling out a registration form and mailing it with payment to SUN."

Tuition for the "Home Gardener" course is \$40. The mailed instructional materials, a specially designed text coordinated with the TV lessons, costs \$7.95 plus \$2.00 tax (\$2.28 in Omaha, Bellevue and Lincoln).

"Home Gardener" will be among the ten college-level courses offered this fall by SUN. The other courses include "The Adams Chronicles" (American history), "Anysee for Tennyson?" (A New Approach to the Study of Poetry), "Nebraska History" (an UNL Extension Division course offered in cooperation with SUN), "Consumer Experience," Writing for a Reason (non-credit), "American Economy," "Fundamentals of Computer Science," "Accounting I," and "Accounting II."

Dean Hassel encouraged anyone interested in enrolling to write to SUN at P.O. Box 82446, Lincoln, Nebraska 68501, or call SUN free at 800-742-7421.

## Manley Finishes Summer With Nettle Creek

Joe Manley, a 1973 graduate of Wayne High School, this week will complete his summer participation with the Nettle Creek Players, an educational summer stock theater company of Hagerstown, Ind.

Now in his third season with the theatrical group, Manley is playing the role of Chino, second in command of the Sharks, in "West Side Story," the Players' last production of 1976.

When the season closes Sunday in the tent theater, Manley will have participated in all four musicals staged in the east-central Indiana community. He had minor roles in "Babes in Arms" and "Annie Get Your Gun" and was head of properties for "Godspell," a play that was enthusiastically received by capacity audiences at each of its eight performances.

In other summers with the Players, Manley portrayed Thomas Jefferson in "1776," "The Governor" in "Man of La Mancha" and appeared as Lun Thea in "The King and I."

Active in theater while in high school, Manley will be a senior at Wayne State college where he is majoring in music and theater. He is the son of Mr. and Mrs. G. R. Manley of Wayne.

## O'Donnell Helping Plan Campaign

Allen O'Donnell of Wayne is one of 13 Nebraska Democrats appointed to a campaign strategy council for congressional candidate Pauline Anderson.

Mrs. Anderson, opposing incumbent Republican First District Congressman Charles Thompson, said she will work out details for her campaign strategy. She said she will be touring the district in August.

### NOTICE TO BIDDERS

The City of Wayne, Nebraska will receive sealed proposals until 8:00 p.m. August 31, 1976 at the regular meeting of the City Council for furnishing one (1) Industrial Tractor, Loader and Under Body Sickle-Mower of which time, or as soon as possible thereafter, the proposals will be opened and read aloud.

A trade in of a 1958 D-14 Allis Chalmers Tractor and Heavy Duty all hydraulic loader is offered on the proposal and may be bid separately.

Proposals shall refer new standard models of a recognized manufacturer and shall be submitted only by a regularly franchised dealer for said equipment.

The proposal shall be made on a form furnished by the City of Wayne. Specifications and proposal forms may be obtained from the office of the City Clerk, City Hall 306 Pearl St., Wayne, Nebraska.

Each bidder shall submit with proposal a certified check or bid bond made payable to the City Treasurer of Wayne, Nebraska in the amount of five (5) per cent of the amount of the bid as surety. The bidder who enters into an agreement to furnish an industrial tractor, loader and mower as proposed, if his bid is not successful, shall forfeit the amount of the check to the City of Wayne.

The City agrees to make a selection within 30 days based on price, time of delivery, guarantees and other pertinent facts and features. The bidder who submits the best proposal may withdraw his proposal for 30 days after the date of the opening of the bids. Certified checks of the unsuccessful bidders will be returned as soon as possible after a selection has been made.

The City of Wayne reserves the right to waive technicalities of the bidding and to accept any bid at its discretion.

### JC Head Stops in Wayne

STATE JAYCEE president Barry Kennedy of Pawnee City, center, was the guest speaker at Monday night's Wayne County Jaycee meeting. Kennedy told the group that when seeking new members, they should find out what the prospective members would like to see done in the organization. Kennedy pointed out that by getting members involved in club functions, they learn how to communicate, organize and delegate jobs. On hand for the meeting were Wayne JCs, bottom left to right, Dave Zach, Bryan Reinhardt, Bill Watson, Charlie Brockman; Gene Casey and club president Bob Meyer.

### Wakefield Girls Earn Ak Awards

Two women from Wakefield are among the 24 University of Nebraska students who have been awarded \$400 AK-Sar-Ben scholarships.

They are Cheryl Meyer and Carolyn Muller who are enrolled in the University of Nebraska-Lincoln College of Home Economics. Cheryl, who is a trainee at the Northeast Station near Concord, is a sophomore and Carolyn is a senior.

### Chosen for Award

Norman Anderson, postmaster at Concord, is the recipient of a United Postal Service Bicentennial award.

Anderson received the award, along with a congratulatory letter, from the regional Postmaster General for serving as president of the Concord Bicentennial Association and his work on the Bicentennial committee.

### AFS

(Continued from page 1) only two seasons in the Philippines—rainy and hot, and there are lots of typhoons at this time of year. Because temperatures there are warm enough to allow citizens to go without coats year round, Jo Jo has never seen

snow and is anxiously awaiting the first flurries.

"The sunset here is much later than in the Philippines," Jo Jo said. "There the sun comes up around 6 a.m. and goes down at 5 p.m." "Here (in Nebraska) it's still light at 9 o'clock at night," said Jo Jo, who is used to going to bed about that time.

What are some of the surprises Jo Jo's found since arriving in Wayne? He didn't bring a swimsuit because he didn't think there would be any place to swim in Nebraska. In the Philippines most of the swimming is done in the ocean. Jo Jo thinks American food is delicious. "Nebraska's beef is better, and cheaper," he said.

Jo Jo said he was told by Philippine students who have already visited the United States that sports and music were the "big things."

Jo Jo said he thinks he's going to like the small-town atmosphere in Wayne, adding that it is big enough to find things to do and small enough to get around easily. Jo Jo has already seen a good part of the city. He's gone swimming in both the college and city pools, strolled the college campus, visited the local movie house and wrestled in the high school gym.

Also Jo Jo has seen several area bean fields first hand. Since arriving in Wayne he's gone out to help brothers Jeremy and Jeffrey walk bean fields for Wayne area farmers. "What's he think about it? I know I don't want to be a farmer," he says.

Jo Jo said he decided to become involved in the AFS program because, "I like to meet people."

### Library

(Continued from page 1) books, unabridged and narrated by professional readers on long-playing records.

A meeting room is located in the library and is available to groups by contacting the librarian, and a typewriter is available for persons who are without a typewriter of their own.

Summer library hours are from 2 to 8 p.m. on Monday through Friday and 1 to 6 p.m. on Saturday.

### Project

(Continued from page 1) The Wayne schools under a grant from Title VIB of the Elementary and Secondary Education Act, and Mills said a similar grant will finance expansion of the program under service unit auspices. Money raised through the ESU 1's one mill property tax levy will not support the project in any way, Mills said.
