spread to the rest of the business district. Methods used in the face-lifting were stimilar to those advocated by Nelson. Brick is cleaned by sandblasting if needed, and is then restained. Architect-ural features are highlighted with two contracting colors. Shutters and other features are added where needed. The method gives each building a new, individual look, while retaining the charm of the original architecture. Plinning down exact effects of the renovation project is difficult, but Zin-

necker sald he believes pride is the key, "The face-lifting gave a lot of owners renewed pride in their own business. Can recall several businessmen who said they had reached a point where they projew the life of the business". Northern Natural Gas and the Univer-sity of Nebraska-Lincoln bureau of busi-ness pl-research conducted surveys of David City businesses. In 1963 before the project sitred, and in 1967, about a year-after it was completed. Rich Sayers, Northern Natural com-munity development specialist, said an-

nual retail seles in the community in 1965 iotalied \$15,7 million. The total in 1967 reached \$22 million. A combination of factors undoubtedly helped account for the increased sales, Sayers said, and there is no way to directly attribute a portion of the in-crease to the face lifting, but Zinnecker thinks the business district's new look' belied thinks the business district's new look helped. Pointing out that David City is 25 miles from Columbus, 30 from Lincoln and 70 from Omaha, Zinnecker said, "I think the position that the face-litting helped, in-crease sales has some merit. People tend to shop where they are comfortable."

Dog, Not Owner Was Problem

In the July 8 issue of The was incomplete. #### **Black Knight Is Host** For Chamber Coffee

In Norfolk

In Norfolk Wayne businessmen are again this year supporting the Morth-east Nebraska Shrine Club by purchasing children's lickets to a circus which will be al Memo-rial Field in Norfold July 2627. Wayne Shriner Rowan Wilke said a number of Wayne busi-nessmen have Furchased lickets which they will be gaving away to Wayne yaugsters. Wilke said proceeds from the circus are used to help support Shir Shrine hospitals for crip-pled children and burn victims. The Northeast Nebraska Shri-nets, with headquarters in Nor-lok, in recent years handled the treatment of a young Carroll girl after the suffered severe burns, Wilke noted.

## OBSIERVATIONS

#### Let's end foot-dragging

14

Let's end fo Wayne's downlown improvement com mittee has expended a considerable amount of time and energy do come up with a viable plan to renovate this downlown businesuillise bogged down for sale the received for an ordinance to case an improvement district. Toroclimen Jimmie Thomas and Vern. Missell Tuesday voted against sus-pending the statutory rule requiring that ordinances be read on three separate occasions. With councilman Ivan Beeks sould not pravide the needed three-founds the metaling five members could not pravide the needed three-forths vote necessary to take the action which would have altowed for fital passel abjected to the improvement district ordinance on two counts. He said in a been his understanding fue free reading the ordinance way asking for risding action of a sidewaik district and he induct actually permit improve-ment including paying, grading, cur-ing, suttering, replacement of pdestriand ways, mails, landscaping, lighting, "and cursue lowed a low of an endore a the beard of the ordinance on the sideric ording aving, grading, cur-ing, suttering, replacement of pdestriand ways, mails, landscaping, lighting, "and cursue lowed have an incomparitie prove-ment force on ording aving, grading, cur-man of the ordinance on two curds the said in a sideric ording aving, grading, cur-ment including paying, grading, cur-ment of the ordinance on two curds the said state ording aving, grading, cur-ment of the ordinance on two curds the ordinance ways mails, landscaping, lighting, "and cursture lower on accurate the time of the ordinance of the ordinance on two curds the ordinance ways mails, landscaping, lighting, "and cursture lower on accurate the ordinance on two ments on the ordinance on two curds the ordinance on two ordinance of the ordinance on two curds the ordinance on two ordinance ordinance on two curds the ordinance on two ordinance ordinance on two curds the ordinance ordinance ordinance ordinance ordinance ordine ordinance o

waits, mails, landscoping, inginity, and construction of other necessiry appurien-ant improvements." Russell also objected to passing the ordinance before an accurate estimate of the cost is received, contrending that building owners will petition ou the project after learning the experise. Pass-age of the ordinance would permit an engineering study for the project to proceed. If the project is petitioned out, Russell would rather see that happen before engineering costs are incurred. If has been our understanding from the first announcement that the project pro-paced by the downtown improvement committee would entail more than just

News of Note around Northeast Nebraska

A GLIDER manufactured by a piano company during World War II is one of several attractions which will be featured during the air show portion of this year's Pender Jaycee Jamboree, The Jamboree Vectority Burling the air show portion of this year's Pender Jaycee Jamboree, The Jamboree is scheduled for Saturday and Sunday, July 31-Aug. 1.

LOREN MULHAIR, registered physi-cal therapist, joined the Antelope Memor-ial Hospital staff July 5 and will resume therapy work in the area formerly handled by Mark Pfell.

YOUNG cowboys and cowgirls from Kansas, Nebraska, Iowa, South Dakota and Wyoming competed in this year's Little Britches Rodpo in Ponca. Steve Phillips of Burwell won Junior Boys All Around Cowboy honors. A Slock City girl, Melissa Benson, won three of the four junior girls events to gain the All Round Junior Cowgirl title.

THE DAKOTA County Farm Bureau THE DAKUTA COUNTY FARM. Durreau Farmer-Businessman tour and steak (ry will be held Thursday, July 22, beginning at 6:30 p.m. Participants will gather at the Salem Lutheran Church parking lot. The group will four the Beerman Bros. Dehy plant and will return to the Dakota City park for the steak fry. THE PARADE committee of the Ran-dolph Bicentennial Fair has announced that entries are being accepted for the Sunday, Aug. 8, event. Chairman Roger Johnson indicated that all cubas, church groups and other organizations are in-vited to enter. Out of town entries as well as local entries are being accepted.

WISNER-PILGER board of education members have adopted a budget of \$936,500 for the 1976 77 school year, up about \$70,100 from a year ago.

## YOU AND YOUR CAR

We the Automotive-Information The controversy over those big, heavy bumpers riding the front and rear of new passenger cars for the last three model years heart' cooled a bit but the U.S. Department of Transportation has just added some treah coals. Beginning with the 1979 model year, no. Depart of an automobile will be allowed to suffer any damage in front or rear on impact of flive miles per hour or less: or on corner impacts at three miles per hour or less. That means no scratches on the body paint, the chrome moddings and traced to bumper movement. The way the law reads for 1976 cars, the bumper must profect only safety releted areas tike parking and head-lights, stoppends, steering, onel system, toors and so on

Ights, suspension, steering, fuel system, doors and so on: Because the heavier bumpers, starting with the front end in 1973 (both ends in 1974), haven't been around very long, their effectiveness really hasn't been measured. A' Tofedo, Chio, automobile deafershif's alies manager's reported to have complement that the heavier bumper er actuality responsibility damage in serious collisions. The Toledo Blade. In a page one story, said the bumpers costing 300 each have been partially responsible for bumping instruction are are solvered when the heav-been partially responsible for bumping instruction are are solvered when the heav-ter bumpers were infraduced, some in. Upance companies forwards their pre-nomizer is the most company claims, might dip.

haps the most comprehensive study Pernaps the most comprehensive study on how bumpers have performed since 1973 has been completed by the Automo-bile Club of Southern. California. In a paper presented in February before the Society of Automotive Engineers, Wil-chael R. Appleby and Louis J. Bintz of the AAA afflike asserting: "If a comprohily stated that the fre-

A MAJOR Nebraska Bicentennial event will be staged Sunday, Aug. 1. at the Neihardt Stoux Prayer Garden in Ban-croft. This is the date set for the formal dedication of the new Neihardt Cultural Center. Main speaker for the program will be Hild Petri of Culumbia, Mo., representing the Neihardt family.

TRI-COUNTY Council of Governments has added a new administrative assistant to its staff. She is Anne Packard of Sioux City. Her duties will be to assist the director of the Council of Governments in coordinating activities between the local governments and in planning future economic development in the three-county area.

should should should be approximately and the specifical sympers of the specifical sympers of the specifical sympers. No data has specifically quantified this reduction, which may be the only net consume benefit. "This is because the 10 per cent consume benefit. "This is because the 10 per cent consume benefit. "This is because the 10 per cent consume benefit. "This is because the 10 per cent consume benefit. "This is because the 10 per cent consume benefit. "This is because the 10 per cent consume benefit. "The statistical sol on the two per cent consume benefit. Council that is 50 for the two per cent consume benefit. The cost of the two bumpers might cost another 300 on top of today's prices. The cost of the two bumpers on 1976 models is at least \$150 above the cost of 1072 model cars. The AAA researchers studied 200 souther Catifornia cases and found that beave bumpers would not have privented damage of certain components in half the cudged without further analysis. Auto industry, bumper experts worry about the effect of heavy bumpers on fuel counds the letter of heavy bumpers on fuel bumpers represent 175 pounds of extra weight on the average car. A hundred pounds penalizes economy by one to two per cent. While one Federal agency. FEA. orders future cars to deliver more miles to the alignon, another, DOT, insists on heavy bumpers. There's a conflict, there some place.

The state Firemen's Association did much more than promote competition. A Mutual Aid Association was organized in 1915. In 1937 If sponsored first annual 3.Day State Fire School at Grand (stand. By 1908 a full-lime instructor was hired by time Department of Vocaffonal Educa-tion to bring training sessions to locations throughout the state.

### **STRAYer Thoughts**

I hope we get a good turnout Tuesday for AI Netson's second Visit to Wayne. Netson will be working with store owners to design building renovation projects. I first met AI while I was editor for the Ablion News Publisher John Ward invit-ed the artist to speak to businessmen there. I saw wis presentation and was impressed, so when the downlown im-provement committee asked or sugges-lifon abody ways to encourage business-men to improve the appearance of their buildings. If was halves in volunteer to invite AI to give his presentation in .

The second secon

Second Shot My favorite Nebraska columnist is Larry W. Davis Sr., publisher of Bettevue Goide. Davis Column probably doesn't ender him to too many folks, but 111 bet 1's the first hing most of his readers took at in his paper. Here's one of the milder examples, which I thought local golfers would enjoy.

Playing a foursome on one of the local golf courses, Joe "Goril-la" Baldwin, former councilman, would be mayor, number one agi-lator, gol ready to hil off on the number one tee, as he did so, a voice over the clubhouse loud speaker called out, "Will the fel-low ready to hil off number one please hil from behind the tee markfrs?" Joe looked, gol ready to hil again and again the voice called out, "Hils against the-rules o hil from ahead of the tee markfrs?" Joe stopped, gave the cubhouse a dirty look and again gol ready to hil. Once again the voice came over the loud speak-er, "Sir If you do not lee off from behind the tee markers, we will have to ask you to leave the course." Joe typned, threw his club up in the air and screemed, "Will somebody tell that lidot on the microphone that this is my second shell"

Guest Speaker Will Rogers Jr. will be speaking in Wayne in late October. The son of the late American humorist will address

funity to meet Lindahl when he was guest speaker for the dedication of the Wayne County Historical Society Museum.

Pen Pais Wanted One of the more unusual letters I've received as editor arrived hits week from Waiter Johnson, an immate in the London, Ohio correctional institution, Johnson, 28, would like to correspond with anyone who is interested. His address Is: Waiter Johnson, 143-220, Box 69, London, Ohio 4140.

But Do They Crunch? A new product developed by Oklahoma State University could be good news for dairymen. Called Cowboy Wheyfers, the new snack is said to have three times the protein of potato chips. As the name indicates, they are made from whey, a waste product of cheese making.

Nebraska Day at Space Center

Accident gap narrows

The gap between 1975's traffic accident total for Wayne and the flgure for 1975's closed to within one point this week. The cumulative total for 1976 was 106 through 7 a.m. Friday morning. The 1975 total for the same period was 18. Backing cars were involved in two of these mishaps, Com backing cars was struck by another vehicle as it made a turn. Another driver, backing out of a diagonal parking stor hif an adjacent vehicle. The third accident happened when a driver hit a parked car.

#### 'Records Will Fall' **Cagers Ready for Tilts**

The addition of a second game to All Star basketball for 1976 could provide a wholesale assault on the record book. All Star director Bob Morris of Waverly said the playing of two games by the same two feams gives each squad an opportunity to adjust. "With only one game as we have had in the past," Morris observed. "It was like wrapping up the senson in one fling. With two games, it is more like a error."

series.". The North and South teams in the annual Nebraska Coaches Association classic will collide in North Platte at Mid-Plains Community College on Aug. S and then meet again the following night at Pershing Auditorium in Lincoln. again i Lincoln

again the tolowing high at rershing Audiorium in Lincoln. Nine records were either lied or broken in the 1975 South victory over the North including the most points scored by a team-109. Marris obviously doesn't want to see one record broken-the tewest points scored by a team (45 by the North in 1989) hat was set the first year of the series. Some records appear safe, however. Morris safd it will take a super team effort by any all-star contingent to break the 1971 North mark of fewest team furnovers. The North, palyed 40 minutes of basketball with an unbelievable five furnovers.

Iurñovers. Among the individual records and the year established: -Most points by an individual: 27, Dennis Forrest, Omaha Central, 1973. -Most freid goals by an individual: 11, Scott Hawk, Creighton Prep, 1974. -Most free throws by an individual: 13, Dennis Forrest, Omaha Central, 1973. -Most Actional Syna. -Most records maintained by the Nebraska Craches.

-Most rebounds by an individual: 17, Hilary Howard, Ornaha Cathedral, 1971. Of the 15 records maintained by the Nebraska Coaches Association, the South and North teams each hold seven white sharing one. The dubios honor of having the highest number of team fouls of 32 was set by the North in 1974 and then field by the South last year. In each case, the high number of fouls dion't hamper the teams greatly as each squad setting the record won its contest. A Morris indicated, both games in 1976 count equally in the record book and it could be an opportunity for the South and Wayne State College for the North open Thursday, July 29.

A CREATER A SER. 7

The major league baseball player who received most bases on balls was Babe Ruth. The Babe walked 2,056 times.

**Midgets Score Eight Runs to** Halt Walthill

A surprising Wolfhill club put a big scare into Wayne Midgels Friday night, forcing the locals to score eight runs in the top of the sevent to stave off host Walthill, which came into the home till with only two wins against eight losses in Raiph Bishop League play, held a 43 edge after six frames to put coach Hank Overn and his team gets wanted to win their 10th Heague game and stay in first

up against the wail if the Mid-gets wanted to win their 10th league game and stay in first place in the league standings. Wayne mastered only three isis in,the top of the last inning, but got the needed help from Wathill's thening cores' which gave up six walks and two costly errors. Run-scoring hils which put Wayne in the drivers seet came off the bats of right fielder Aaron Nissen who singled and catcher Kevin Murray who riped a lwo bagger. Wayne took a briel 10 lead in the top of the second when Nissen was safe on first by a fielder's checke and the scored on Dean Carroll's base hit. The visitors fielders on a fielder's choice by pitcher Vic Sharpe.
