## Legal Aid Society Proposes Northeast Nebraska Offices

Residents of seven Northeast Nebraska counties who meet income guidelines may be able to obtain free legal assistance in the future.

Representatives of the Omaha Legal Aid Society met Wednesday at the Family Health Services office in Wayne with several regional residents to discuss a proposal for establishing a legal aid office in Wayne.

The Omaha Legal Aid Society is a private non-profit corporation financed by the National Legal Services Corporation and the United Way of the Midlands to provide legal representation and counsel to low income persons in designated areas of Nebraska.

Family Health Services director Anne O'Donnell said the Omaha office has been directed to expand its operation and will request funds for an office in Wayne and Winnebago to serve Dixon, Dakota, Wayne, Stanton, Cumming, Thurston, and Burt counties.

Meeting with Kathie Miller and Bob Broom of Omaha were Bill Anderson of Allen, Marty Strange of Walthill, Lawrence Harnestry of Winnebago, and Freeman Decker, Fred Brink, Kenneth Olds, David Ley, John Nigh, Roger Nelson, Mrs. O'Donnell, Joe Nuss, and Rowan Witte, all of Wayne.

The Omaha Legal Aid Society has prepared a grant application to request some \$80,000 in funds from the Legal Services Corporation to finance the operation during its first year.

Included would be salaries for three attorneys, a paralegal aid, other staff members, office rental and supplies, and other expenses.

## Board to Consider Sex Education Plan

Wayne-Carroll School District board of education president Dorothy Ley Friday announced she will propose to the board a policy designed to allow the school to provide sex education while protecting the rights of parents who do not want their children included.

"It is time we apply some rational thought to the subject of

sex education in District 17," Mrs. Ley said. "I have watched with some amazement the process by which a local concern has been manipulated into a political bumblebee nest on the state level.

The board president said she will propose that sex education films be scheduled at the school three or four times a year, during the evening with parents invited to attend with their youngsters. Parents who do not wish their children to see the films need not attend, she said.

"That seems to me an equitable solution," Mrs. Ley said. "The rights of those who do not wish their young people to view the films will be protected, but I am equally interested in protecting the rights of those parents who wish the school's

help so that their children have the opportunity to gain knowledge, respect, and responsibility for their human sexuality."

The topic of sex education in the Wayne-Carroll school system has gained statewide attention following the showing of a sex education film, "About Sex," to a class of 30 senior home economics students.

MIKE RETHWISCH

## Rethwisch Receives State 4-H Honor.

Mike Rethwisch, son of Mr. and Mrs. Dwayne Rethwisch of Wayne, is one of nine 4-H youth members selected for state honors.

The club members and four alumni members are eligible to compete in sectional and national contests for trips, scholarships, and trophies.

Rethwisch excelled in entomology projects for several years as a Wayne County 4-H'er and has earned a \$30 savings bond from Hercules, Inc., for his abilities in that project area.

He has exhibited at the Nebraska State Fair for three years and is the entomology project leader for his own 4-H club and another local club. He won the

insect identification contest in 1974 and has earned state awards in entomology in 1976 and 1977. He is involved with a district entomology camp for District III, as well as other entomology camps in Nebraska counties. He is assistant leader of the Wayne Winners 4-H Club and conducted an insect-identification contest for a five-county area in 1976.

The University of Nebraska-Lincoln freshman describes 4-H entomology work as involving "a lot of knowledge, a lot of patience, luck, effort and time involved behind any display that is worth the ribbon it receives."

Rethwisch also has completed 4-H projects in swine, foods, child care, electricity, beef, bicycle, tractor, small engines, corn, weeds, citizenship and do your own thing.

## Local Youths Win Prizes In Ak-Sar-Ben Exposition

Lori Erwin of Concord earned a purple ribbon in Division III competition Sept. 26 in the 4-H market best show during the 50th annual Ak-Sar-Ben Livestock Exposition.

Greg Meyer of Wakefield and Cheryl Koch of Concord both won blue ribbons in the division; for steers in the 1,195 to 1,255 pound class.

Several local 4-H youngsters also earned honors in the 4-H market swine show Sept. 25. In Division I, for 236 to 245-pound barrows and gilts, Verlin Hanson of Concord and Mike Finn of Carroll each won blue ribbons.

## Human Rights Is Conference Topic

The human rights aspect of the Carter Administration will be the theme of "Morality and U.S. Foreign Policy," the first Wayne State College Public Affairs Institute conference of

the current school year.

Panelists for the conference, scheduled for Oct. 19, are U.S. senators Ed Zorinsky of Nebraska and Dick Clark of Iowa; Val Peterson, WSC distinguished professor, former Nebraska governor, and former ambassador to Denmark and Finland; Dr. Sandra Vogelgesang, a member of the policy planning staff of the U.S. State Department, assigned to human rights concerns; Dr. Richard Super, Creighton University professor of history and a specialist in history and human rights; Dr. James Phifer, WSC history professor and social sciences division chairman, and Dean Norman Nordstrand, former U.S. Foreign Service Officer.

Public Affairs Institute officials said attendance by senators Zorinsky and Clark is tentative, depending on whether the senate is still in working session Oct. 19.

The panel will address two questions: What role has morality played in American foreign policy? and What is meant by human rights?

The conference, open to the public, will begin at 10 a.m. in the Ramsey Theatre of the Val Peterson Fine Arts Center.

## Emergency Loan Application Date Extended

The date for accepting emergency loan applications from Northeast Nebraska farmers has been extended to Dec. 2, Farmers Home Administration officials have announced.

Farmers needing credit as a result of drought can apply for the emergency loans at their local FmHA office. To be eligible, applicants must have sufficient losses from disaster and be unable to get credit from other sources. Interest rates are three per cent for actual losses due to disaster, and eight per cent for annual operating expenses or major adjustments in the farm operation.

Verlin Hanson, all of Concord, Trudy Hansen and Gloria Hansen of Wakefield, and Amy Finn of Carroll.

Division III (216-225 pound) blue ribbon winners included Annette, Amy and Mike Finn, Annette Fritschen, and Gloria and Trudy Hansen.

Trudy Hansen, Annette Finn, and Annita Fritschen each won a blue ribbon in Division IV (246-215 pounds).

Mike and Amy Finn won blue ribbons in Division V (196-205 pounds).

## Remote Readers Still Available

City officials have begun a campaign encouraging Wayne residents to take advantage of the opportunity for remote water meter reading offered by the city.

Street and water superintendent Vern Schulz said meter readers never have an opportunity to meet many people and the believes many Wayne residents are not aware of remote meters are available, although they have been available in Wayne since 1968.

The remote water meter is a small device mounted outside of the home, giving the meter reading direct from the meter inside the home through a sending unit.

The remote readers do not require any electricity and take only about 30 minutes for city employees to install, he said.

Installation of a remote reader eliminates the necessity of See REMOTE, page 12

Reservations for "Absurd Person Singular" can be made Oct. 10-14 by calling 375-2200, extension 234.

## Poet Fosters Cultural Awareness

Alex Haley may have started a trend in search for "roots" but James Brummels, poet-in-residence at Wayne State College, is traveling to high school students in northeast Nebraska making them aware of their cultural background through poetry.

"Students should be taught the arts are a valid form of self-expression," Brummels professes. "It's not that every student has to grow up to be a poet or painter, but they should see it as a creative outlet."

Brummels teaches part time at Wayne State College; the rest of his time is spent in various high schools in Northeast Nebraska teaching creative writing.

## Driver Injured

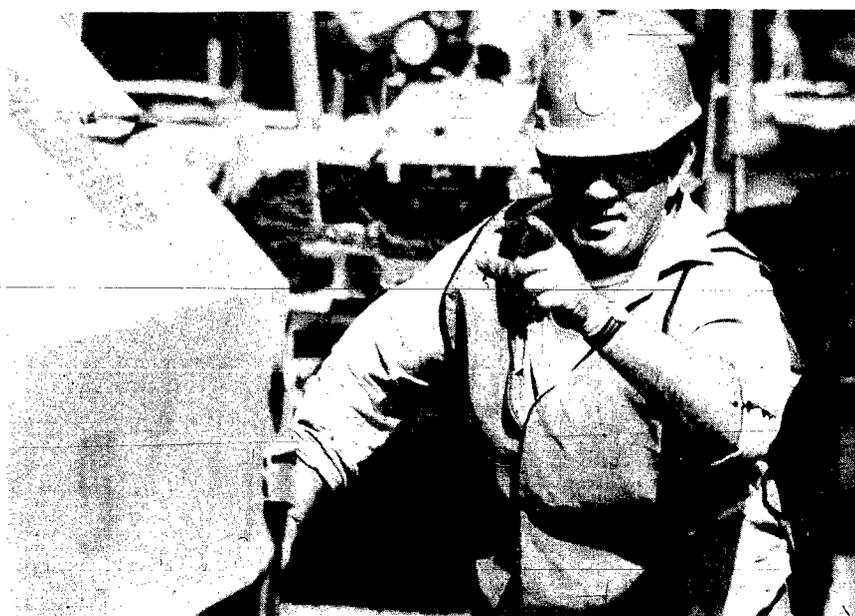

Charles E. Prince, 27, of Wayne, suffered a fractured collar bone and lacerations when his car left Highway 35 north of Winside early Thursday morning and landed on its top.

The Wayne County sheriff's department said Prince was northbound on the highway about a mile north of Winside at about 3:50 Thursday morning, when he apparently dozed off and failed to negotiate a curve in the road. The 1970 Toyota he was driving is a total loss, according to the accident report.

Prince was taken by the Winside rescue squad to Providence Medical Center in Wayne where he was reported in good condition Friday afternoon.

## Move'em Out

DEPARTMENT of Roads workman Arline Ulrich of Wayne signals a driver of one of the trucks carrying asphalt to move on Wednesday as a crew fills in some of the dips in the soon-to-be paved Main Street. Rains later in the week prevented the state crew from starting the

project in the downtown area. As a result, work is scheduled to begin sometime this week, probably Tuesday, according to DOR officials, who said the paving should take about two days to install.

## Madcap Activities Highlight Homecoming

Madcap outfits, window painting and a parade are just some of the activities students at Wayne-Carroll High School will take part in this week as they prepare for the annual homecoming Friday.

Students will dress in different attire each day as a part of spirit week before the Blue Devil football team takes on Madison at Wayne State's Memorial Stadium.

Activities today (Monday) will find students dressed in overalls, and on Tuesday they will wear boots. Wednesday is 50s

day when the youths will dress in the style of clothes from the 1950s. Thursday is hat day and on Friday students will wear brightly colored clothes, that class.

Also during the week students will paint the windows of Wayne businesses with various slogans to boost the Devils on to victory. The student or group of students who creates the best window display will be awarded \$15 to their class, said principal Don Zeiss.

Friday's slate of activities also will include a snake dance

starting about 2:30 p.m. to Sixth and Main Streets where the student body will hold a pep rally.

The king and queen will be elected by students Thursday and announced at 7 o'clock before the start of the football game. In the running for this year's candidates are Dawn Ellis, Kelly Frevert, Lori Johnson, Lisa Nuss and Sue Schwartz. illah Schwartz.

King candidates are Steve Bodensiedt, Kelly Hansen, Mark Heitold, Kevin Murray and Vic Sharp. Parents are Mr. and Mrs. Robert Bodensiedt, Mr. and Mrs. Cyril Hansen, Mr. and Mrs. Wilber Heitold, Mr. and Mrs. Harold Murray and Mr. and Mrs. William Sharpe.

A dance will be held in the school gymnasium from 9:30 to midnight. Omaha radio station announcer Dave Wingert will provide the music and entertainment for students and their registered guests.

## National Debt Now at \$3,240 Per Capita

What effect will the recent action of Congress, raising the ceiling on the national debt by \$75 billion, have on Wayne County residents?

How much of the money that the federal government is collecting this year and the like, is needed to meet the annual interest charges on that debt, which is now in the neighborhood of \$700 billion?

The local share of these carrying charges is approximately \$1,222,000. It is estimated that covers only the interest on the debt. It does not reduce the principal at all.

The debt itself has been growing by leaps and bounds. In 1949 it was only \$42 billion. This was equivalent to \$26 per capita nationally. By 1960 it was up to \$291 billion, or \$1,595 per capita, and by 1970, to \$263 billion, equal to \$1,892 per capita. Now, at \$700 billion, it works out to \$3,240 for every man, woman and child in the country.

interest on the current debt amounts to some \$40 billion a year. That is just about the total provided for in the budget for health services.

Residents of Wayne County, in line with their normal share of the national tax burden, are now paying close to \$40 per family toward the annual interest charges. It is estimated.

This is 119 per cent more than was called for in 1970 when the carrying charge was only \$18.3 billion a year.

The recent increase in the debt ceiling, requested by the Administration and approved by Congress, brings the allowable debt limit to \$775 billion. Continued deficit spending has made it necessary.

There is little concern among economists, however, over the rise in the nation's debt. They point out that the economy has also been expanding over the years and that the debt today, relative to the gross national product, is less than it was a decade or two ago.

# OBSERVATIONS

## Proud heritage

The National Guard will celebrate its 21st birthday on Friday, Oct. 7. The Guard traces its roots back to the first militia units organized in the Massachusetts Bay Colony in 1636, as the North and East Regiments.

The first large scale callup came during the American War for Independence, when George Washington called for troops to fight in the cause. Since then, guardsmen have been called to duty in all American Wars, including some 400,000 in World War I, almost 300,000 in World War II, 186,000 in the Korean War, and 22,000 in Vietnam. Another 45,000 went on active duty during the Berlin crisis.

The Nebraska National Guard, tracing its history back to 1854, has been involved in nearly every instance since when the Guard has been activated. Acting Gov. T.B. Cuming was responsible for the Nebraska Guard's beginnings, issuing a proclamation urging citizens of the Territory of Nebraska to organize their neigh-

borhoods into volunteer companies, constituting two regiments, one north, and one south of the Platte River.

The Army and Air National Guard have a dual role. In addition to answering the call during war time, Guard units are often on hand to help out during peacetime disaster. In Nebraska, for example, guardsmen from time to time have helped victims in the first crucial hours after a tornado, provided electrical power to farms after ice storms have wrecked power distribution systems, and flown infants from rural areas to medical centers for neonatal intensive care.

The Guard is familiar to most of us: we pass the local armory frequently, and National Guard members are our friends and neighbors. Many of us tend to take the Guard for granted, as we often do the familiar — until the services of Guardsmen are needed. The Army and Air National Guard have a proud heritage, and deserve a big "Happy Birthday" from all of us. — Jim Strayer

# STRAYEr Thoughts

By Jim Strayer

LeAnn Wood, National Merit Scholarship finalist, is the daughter of Mr. and Mrs. Neil Wood of Allen, not Mr. and Mrs. Leonard Wood; the name given in the news release we received announcing her accomplishment, (I couldn't help wondering if the person who wrote the release, was stationed at Ft. Leonard Wood, Mo., at one time.)

### Mistaken Gender

I have to chuckle at myself occasionally when I receive a call letting me know we've made a mistake. It reminds me of when my brother was born, and the local paper reported that the new baby had two sisters.

At the tender age of six I didn't take kindly to being identified as a girl. I telephoned the paper and immediately

announced "I'm not a girl," in a somewhat indignant tone.

The person on the other end of the line was thrown a bit off balance by that, of course, considering I hadn't identified myself, or the nature of my complaint. We eventually got everything straightened out, but some of the calls I get bring the incident to mind.

### 'Discriminate Reader'

I still haven't received a much desired phone call from a letter writer identifying himself only as "Discriminate Reader" (I think meaning to imply he was discriminated against.)

Normally I don't pay much attention to unsigned letters, but I would like a chance to respond to some of the allegations made.

Basically, the writer complains that while his name appeared in print when he admittedly violated the law, no mention was made of another case.

"I think all violations should be treated in the same way with similar headlines," the phantom letter writer said.

I couldn't agree more. However, from what I have been able to determine, the only case he could possibly be alluding to is a juvenile case. Such cases are confidential, by state law. Newspapers do not have access to official information on

juvenile cases; and we are prohibited from identifying anyone charged in juvenile court, even if we are able to obtain information from other than official sources. To do otherwise could mean a trip to the courtroom for us.

### Morality Conference

I am pleased to learn that "Morality and U.S. Foreign Policy," the first WSC Public Affairs Institute conference of the current school year, is scheduled for Oct. 19.

The list of prospective participants is impressive, and the conference should be interesting and informative.

The Institute, particularly administrator Clifton Ginn and director of programs Allen O'Donnell, deserve to be commended for the fine programs they have developed.

The panel for the October conference will address two particularly timely questions: What role has morality played in American foreign policy? and What is meant by human right?

News of Note around Northeast Nebraska

A DEER bagged Sept. 4 by Jerry Nelson of Omaha with a bow and arrow was the first one of the season to be checked in at Ponca State Park. Nelson grew up in the Maskell-Ponca area and had returned there to hunt. He estimated the doe weighed approximately 110 pounds.

IF PLANS materialize, two huge irrigation projects will begin to take shape in Nebraska within the next two years, one of which will be near O'Neill in the Niobrara River Valley. If legal hurdles can be cleared in time, work will begin on the \$180-plus million O'Neill Unit,

commonly called the Norden Dam project, in 1979. The project's waters will irrigate 77,000 acres in the Niobrara River Valley and surrounding lands between O'Neill and Norden.

PLAINVIEW will soon have a historical museum as the result of many unsolicited donations of money, supplies and labor. The museum is located in the old Chicago and Northwestern Depot.

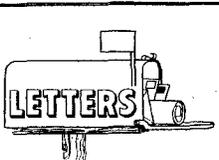

THE cast and crew have been chosen, set construction has begun, and rehearsals are underway for this year's Laurel-Concord all-school musical production of Abbott and Losser's "Where's Charlie?" Performance dates are Nov. 11 and 12. Curtain time is 8 p.m. in the Laurel-Concord gym.

LAUREL businessman Marlen Kraemer was honored with a lifetime Colledge Commercial Club membership and a community service plaque during the September Commercial Club meeting. The plaque was presented in behalf of the community for services rendered through the year in community projects.

## Students air Views on film

Dear Editor:

The concern of this letter is the controversial film shown at Wayne High, "About Sex." A group of people feel it was wrong to show this film to a class of 16- and 17-year old females. We would like to ask this group of people, "Did you tell your children about sex?"

If the answer to that question is "no," where and when do you expect them to learn about sex? Would you rather have them learn it on the street, or in a classroom where it can be discussed with a qualified and understanding teacher? Also, what about those people who can't tell their children about sex? Don't think just of yourself.

The majority of this same group of 16- and 17-year olds has more than likely seen worse subject matter on TV.

This entire controversy has turned into a political argument. A number of good people are being hurt and reputations are being damaged for no reason. This has turned into a chaotic situation in which a political fight for power has ensued between the state, state school board, and Public Health. The film is only an excuse, a wedge, to pry and rip this issue wide open.

We, the undersigned have seen the film and think the entire controversy is ridiculous. — Sue Schwartz, Gloria Splittgerber, Laura Blendeman, Lori Johnson, Connie Kramer, Beth Ostendorf, Nancy Brudigan, Julie Sprouts, Judy Temme, Dianne Hansen, Leslie Greunke, Kelly Black, Lisa Nuss, Susan Rethwisch.

WAYNE'S 31-12 LOSS DOESN'T DIM CLINE'S OUTLOOK

# 'Wayne's Title Hopes Are Alive'

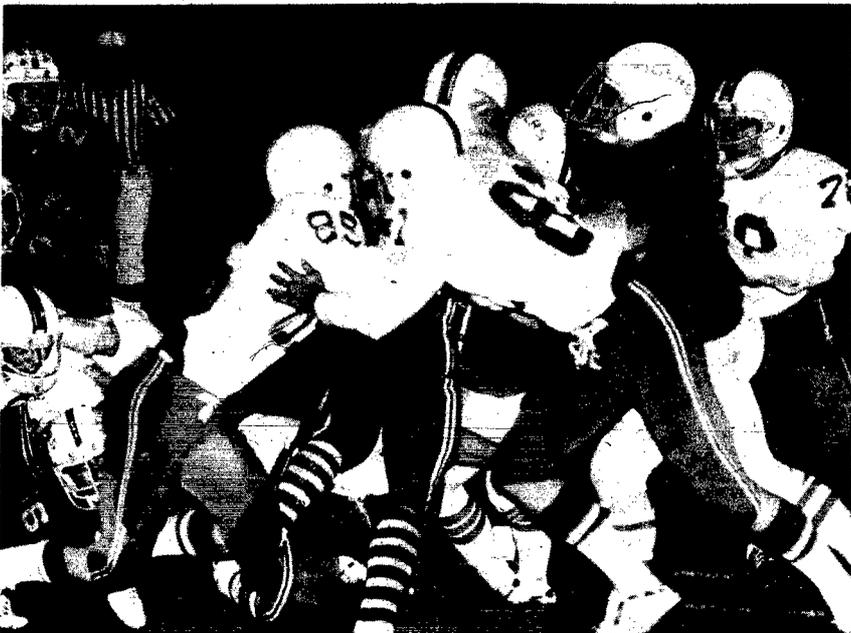

By BOB BARTLETT  
Wayne's 31-12 loss to powerful Tekamah-Herman Friday night hasn't damped the hopes of coach Stew Cline that his Blue Devils can still make the state playoffs or earn a West Husker Conference title.

"We're not out of it by any means," the 1975-year head man pointed out about Wayne's chances. "We still might have an outside chance for a wild card (in the playoffs) and definitely a chance for the conference title; but we have three tough games ahead."

Although the Blue Devils outshined the speedy Tekamah club in the final stat sheets, it was the 77-yard outburst by Tiger half-back Dave Cameron that broke the camel's back.

Cameron reeled off 66 of those yards on a touchdown run with just over five minutes left in the game to put a definite halt to Wayne's last-ditch rally.

Wayne had just finished a 50-yard scoring drive with 6:40 left on runningback Brad Emry's 16-yard run, carrying three Tekamah defenders three yards into the endzone to put spark in Wayne's winning hopes.

GANG-TACKLING defense was the order of the night for coach Stew Cline's Wayne chargers Friday night when Class C toughie Tekamah-Herman came calling. For the most part, though, Wayne's defensive efforts fell short as

The Tigers rambled to 31 points to stay undefeated, 5-0. Gaining up for Wayne are Kevin Murray (85), Danny Ahlvers (81) while David Hansen (78) comes charging in.

## Cats Still Eyeing Division Crown

A good second-half defensive show by Winside aided the Wildcats to their second straight win and third of the season Friday night as the hosts rambled past winless Wausa, 15-7.

The win also kept coach Randy Humpal's squad in contention for the West Lewis and Clark Conference title with a 3-0 record by moving into first place, past former front-runner Cateridge, which lost to Hartington.

To get that win, the Cats had to stage a rally of sorts, scoring just before the half to tie the game at seven apiece, then getting a 15-yard touchdown pass from quarterback Paul Roberts to Rick Bougan and a safety to sew up the game.

The Cats leading rusher Ed Morris put Winside on the board with just about two minutes left in the first half when he zipped into the endzone to cap a 40-yard scoring march. Mitch Pfeiffer, who was second in rushing for the Cats with 50 yards, booted the PAT.

Midway through the fourth Winside put six more points on the board when Ed Morris, who was hampered by a pulled leg muscle suffered during practice last week, directed his team on another long scoring march en route to win No. three against two losses.

The final clincher came when defensive stalwarts Bill Thomas and Russ Longnecker tagged Wausa's signal caller in the endzone for the two points.

Thomas, who started at the quarterback spot for Winside, and teammates Tom Koll, Dan Brockman and Longnecker had

six takedowns for the night. Defensive leader was Bryan Svoboda with eight.

Winside had three scoring opportunities turned back inside Wausa's 20. One was on a fumble and another was an interception, Humpal noted.

Mark Tighe's 75-yard return at the start of the second half and Doug Burke's three-yard scoring run in the fourth quarter Friday night all but sealed Homer's 20-6 win over invading Allen.

The Knights, who are 2-1 in conference play, held the Eagles three times inside Homer's 10-yard line, including twice during the third quarter.

"We had the scoring opportunities, but our offense just could n't move it," reflected coach Cliff Jorgensen after his team ended a three-game win skein.

Allen tied the score at six apiece at the start of the second quarter when quarterback Tod Ellis rifled a 90-yard touchdown pass to Kevin Kraemer, Homer blocked the point after by Brent Chase.

## Tighe, Burke Lead Knights Past Allen

Chase led both Allen's offense with 34 yards and defense with 14 tackles.

Friday night the 3-2 Eagles clan will have to regroup for homecoming against Newcastle.

Scoring by Quarters:

Wayne reserves  
Nip Cedar, 7-6

Wayne's reserve football team evened its record at 1-1 Monday with a come-from-behind 7-6 win over visiting Hartington Cedar Catholic.

The Trojans took an early 6-0 lead on a 65-yard touchdown pass before coach Ron Carnes' squad regrouped later in the period to march 60 yards before quarterback Jeff Don rifled the 15-yard touchdown pass to Dave Schwartz.

## Wayne Reserves Nip Cedar, 7-6

Wayne reserves led the Devils both offensively and defensively. He rushed for 82 yards and made 10 stops. Also on defense, Doug Hummel had nine takedowns.

Today (Monday) Wayne travels to West Point.

Cedar Blanks Jr. High, 8-0

Hartington Cedar Catholic's "aggressive and physical" play stopped Wayne from posing its second win of the season Monday, 8-0.

Cedar, which scored on its first possession of the game, continually stopped the locals' marches. The longest gain for Wayne was a nine-yard quarterback sweep, but that drive was short-lived when the play was called back on a 15-yard penalty.

Although no statistics were available, the coach pointed out that Rich Peshlman again was the leader on offense.

## Swigart's Arm Pilots Trojans To 22-0 Victory

Quarterback Todd Swigart completed seven of 15 passes including touchdown throws of 26, 49 and 29 yards Friday night to put Wakefield back on the winning road by beating Wynot, 22-0.

Swigart teamed up with Doug Starzl on the first possession of the game as the Trojans marched 68 yards to score. Blaine Nelson made the score 8-0 on his two-point conversion and Wakefield held on at the half.

In the third quarter, Swigart hit Nelson on a 49-yard bomb during the team's first possession of the second half. He threw the two-point pass to Jim Simpson for a 16-0 margin.

The final score came in the last period when Swigart hit Simpson on a 29-yard play to finish the night with 119 yards in the air.

As a team, Wakefield mustered 286 yards on offense, including 167 on the ground. Meanwhile, the defense held Wynot to 74 on the ground and 119 in the air for 119 yards.

Wakefield (2-2) pushed in league record in the West Lewis and Clark Conference to 2-1.

17-0 cushion with 2:11 showing. Wayne's offense never stopped in the first half. During the last dying seconds, quarterback Tom Ginn directed his Devils across midfield and into Tekamah territory on key aerials to senior Kevin Murray. With 42 seconds left, Ginn

continued to throw and nearly had a six pointer on the board when defensive halfback Cameron deflected a sure touchdown pass away from the outstretched hands of Murray. The Devils' defense appeared to slow Tekamah on its first scoring march when the Tigers

faced a third and four on Wayne's 21. But an off-side penalty put new life in Tekamah's drive, giving them a first and 10 on Wayne's 16.

Facing a fourth and three at Wayne's seven, Tekamah continued its march with a quarterback pitchout to a halfback who

got the needed first down. Wayne led in first-half statistics with a total of 122 yards to Tekamah's 109. The Devils had 77 yards on the ground and 45 in the air compared to the Tigers' 93 yards rushing and 16 aerial yards. Wayne also led in first downs, seven to six.

## That Varsity Keeps Looking Better Each Game

WAYNE'S Lesa Barclay fires a spike over the net to waiting South Sioux players Bobbi Gierman (12) and Sheila Hinds (21). Barclay and her teammates made win No. seven look easy over the visiting Cardinals Thursday night as Wayne took two straight sets 15-16 and 15-2. Lisa Nuss led the Devils in serving in the Second game with 11 points while Peg Pinkelman and Kelly Frevert aided Wayne's

sinking attack. Barclay's play against Emerson-Hubbard Tuesday night powered the locals to 15-5 and 15-8 wins. Wayne varsity now stands at 7-1. LaVonna Sharpe scored the first 10 points in the reserves 15-4 and 15-6 wins over South Sioux to remain undefeated with five wins. In C team action, Wayne won its fourth match against a loss, 15-7 and 15-10.

## Laurel Spikers Down Emerson

Elaine Guern had 15 serve points and Cindy Sherer collected 14 Thursday night to lead Laurel over visiting Emerson-Hubbard in three sets.

The Bears, who now own a 7-4 record, won the first and last sets with identical 15-10 scores. Sandwiched between the two was a 9-15 loss.

Coach Dwight Iversen's girls were aided by the strong floor play of Cheryl Abbs, whom the coach said played her best game with 18 spikes. Setting up the spikes were Susan Stark and Guern.

In B team action, Laurel lost 6-15 and 6-15 for a 6-2 record. The C team pushed its mark to 4-2 with 15-4 and 15-9 wins. Dixie Manz led with 13 points and Janet Walton was credited with a good floor game by the coach.

## Randolph Frosh Blank Yearlings In Repeat, 8-0

It was as if Randolph turned the clock back a year and replayed its 8-0 defeat of Wayne freshmen.

That was the outcome Thursday for the previously undefeated, yearlings of coach Duane Blumenkamp as host Randolph took advantage of a Blue Devil fumble on its own 10-yard line and four plays later took it from the two.

An interception of Tod Heier pass at the 15 late in the fourth quarter halted Wayne's deepest penetration. They were a good ball club, "pointed out Blumenkamp. "We weren't really ready," he added. Wayne's defense behind the efforts of John Kluge and Steve Bowers stiffened in the second half.

The 31 freshmen host Norfolk High Thursday at 3:45 p.m.

### And the Music Played on

About 1400 students were on hand to participate in the annual "High School Band Day" at Wayne State College Saturday.

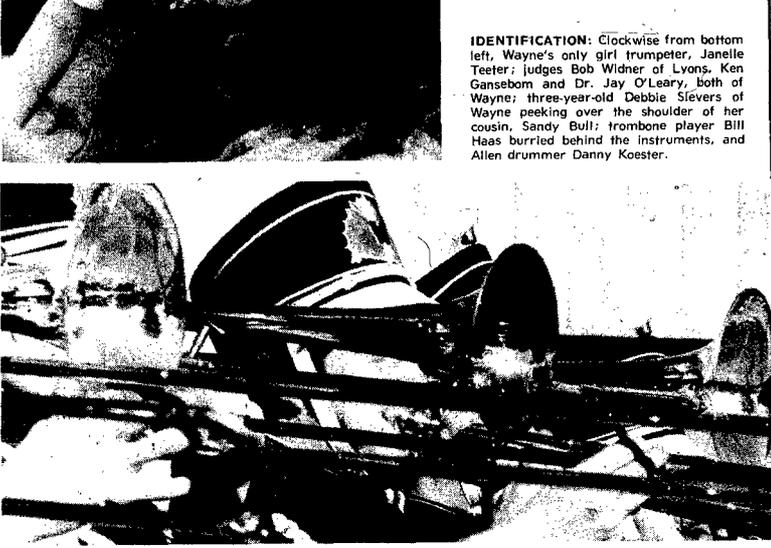

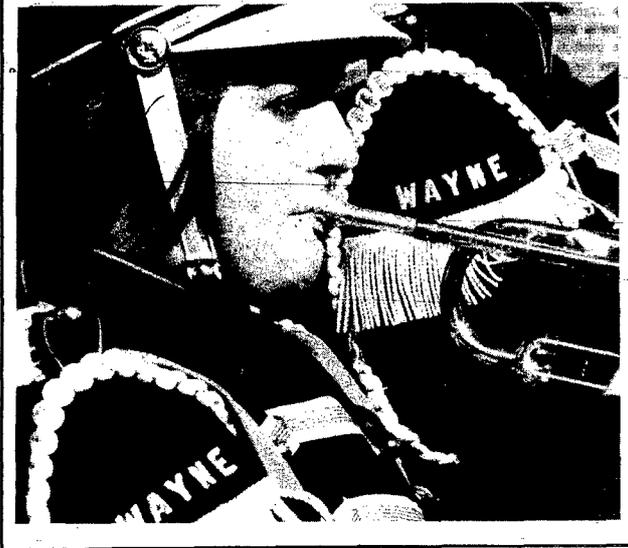

The 23 participating bands marched in a parade through Wayne and performed in pre-game ceremonies for the Wayne State-Midland football game. A half-time combined performance with the WSC Wildcat Marching Band featured popular polka tunes entitled "Leichtensteiner Polka, Willkommen, Cabaret and Beer Barrel Polka."

Plaques were awarded to the top four bands based on playing and marching abilities and general appearance. The Blair and Logan View bands won first and second place respectively in the school over 200 competition. The Bloomfield and Wakefield bands won first and second respectively in smaller school competition.

Dr. Ray Kelton, WSC music director, said he was very pleased with the performance and cooperation of all the participating bands.

"I thought everything went very well," Kelton said. "They all sounded well and everyone did a fine job."

Q. I've been using some of your counseling guides and you seem to rely very heavily on "goals." How can we plan for goals when it seems to take all our income just to pay our bills?

A. The feeling that you are spending all your income just "paying bills," suggests that you need goals. You have to plan to get the most out of your money in terms of what is most important to you. Singles or families should decide what they want most, and then see if they could give up other, less important things in their spending patterns, to get the things they really want. If they can't, they dismiss the idea as impossible for now, and plan for some goal they can reach.

Establishing attainable goals ends the feeling of being forever trapped in bills without ever getting anything worthwhile out of your earnings. Each year you feel a year older and no better off and it is discouraging. Goals, however, give you a sense of having some choices as to how you spend your money and the attainment of a desired goal gives a real feeling of satisfaction.

Most of us don't feel there is any "fat" in our spending patterns, but there are certainly some things more important than others. That's where goals come in. I might be happy to cut down on lunches to save enough for a power saw, and a family may choose to do without a second car so they can have a nice vacation each year.

Bigger goals, like college for the youngsters, a new home, or adequate retirement income, are almost impossible in these days, unless there has been some goal tending done, and money saved from less important spending to make these dreams come true.

Board

(Continued from page 1) High School, at least one student objected to the film and a group of adults later reviewed it at the Family Health Services Office in Wayne which supplied the film. Attention at the state level was focused on the local showing when Gov. J.J. Exon, State Board of Education, and State Health Department officials viewed the film in Lincoln. State school board members said it is up to the local school districts to decide what films will be shown locally, but the governor criticized state board members for not taking a stand on the issue.

Wayne school officials in the meantime said the film will not be shown again in the school system. A group of local parents, who said they feel the content of the film has been misrepresented in reports, had scheduled a public showing for persons 18 or older in the Wayne city auditorium Saturday night at 7:30 to give parents a chance to find out for themselves what the film portrays.

Mrs. Norman Gabler, a nationally recognized authority on textbooks, was scheduled to address the audience at the Saturday night viewing. "To me, the film itself is a dead issue," Mrs. Ley said in her statement issued Friday. "The school will not show it again. The Family Health Service has announced that the film will be withdrawn from circulation here and will not be issued again. That should be enough. Why some four or five people want to bring back the film out of obscurity, I don't know."

Mrs. Ley said she believes there are two underlying issues which are not resolved, and it is to those we should be addressing ourselves in a thoughtful manner. Sex education is, an explosive issue to some people, she said, adding that although she feels that it is only a small minority in a community like Wayne who think issues concerning sexuality will go away if ignored, the rights of that minority should be protected — but not at the expense of the majority.

She added that because sex education is an emotional issue, school staff members should be protected "from those who may act in other than a rational manner." In order that both the rights of the minority may be protected and that the school staff may be protected "from misguided and misdirected harassment," Mrs. Ley said, she is proposing the policy of optional sex education outside of regular classroom hours. In addition, she will propose that an advisory board be formed, including a physician, a nurse, a clergyman, a social worker, and a parent from each of the three schools — elementary, middle school, and high school — to advise the staff in the selection of films.

It is very uncomfortable for most parents to initiate discussions concerning sexuality with their children, even if they wish to do so, she said. "Many parents who have visited informally with board members this week have expressed their feelings of inadequacy in this area," Mrs. Ley said, "and said that they feel the home, the school, and the church all have a mission in this area. Some parents have said vehemently that they wish the school would give them more help, not less."

The board president said having films in the evening with discussion and questions fielded afterward by an advisory board would give reticent parents a basis for discussion. They could then go home with their child.

ren. Mrs. Ley said, and discuss the values and responsible attitudes they hope their children will incorporate into their way of life.

"Growing up in today's world is no easy task for our young people," Mrs. Ley said. "I think we owe them all the help we can give them in providing opportunities to consider thoughtfully the various issues surrounding sexuality before they are confronted with alternatives they are not prepared to face."

"I hope that such a plan as I have outlined in my statement can be the basis for a policy adopted by the board so that we can assure opportunities for appropriate education in the area of sexuality for those parents who wish their youngsters to participate, but at the same time protecting the rights of those who do not wish their youngsters to do so."

Legal Aid

(Continued from page 1) As proposed in the grant, two attorneys would work in an office in Wayne and one would be stationed in Winnebago, with the legal aid lawyers visiting satellite offices in other communities on a rotating basis. Eligibility for legal aid is determined by income. A single person with a monthly income of less than \$247 would be eligible, while the figure for a family of eight, for example, would be \$908.

The Legal Aid Society is prohibited from accepting criminal cases, traffic and misdemeanor cases, and cases classified as fee generating. The latter category includes cases where a private attorney would ordinarily accept the case with the understanding that he would receive a percentage of any money finally awarded to his client in the case. Another meeting discuss establishing the Legal Aid society in Northeast Nebraska will be scheduled in November. Interested persons are asked to call Mrs. O'Donnell at the Family Health Services office so they can be informed as details become available.

(Continued from page 1) Subcommittee, chaired by Senator Frank Lewis, to study the problems of financing a reciprocal nation agreement. The states involved are Nebraska, South Dakota, Colorado and Kansas. Members on the committee attending the Wayne hearing are Senators Frank Lewis, Sam Cullum and John Murphy.

Representatives from postsecondary institutions throughout central and eastern Nebraska and bordering states have been invited to make proposals for inter-state reciprocal agreements. Discussions will be on tuition, program cooperation and provisions of student openings for programs in veterinary medicine, optometry and others. The meeting will also include discussion on reciprocal service agreements among institutions for computer services, transferability of credit and other services.

The hearing is not restricted to these topics and interested citizens are urged to attend and voice their opinions.

(Continued from page 1) write about hunting while the student in Winnebago might write about tracking animals," he said. "There is a cultural difference just in our area, but it is important that young people be made aware of what they are."

The creative writing program is part of a cooperative effort between Wayne State College, high schools in Northeast Nebraska, and the national Endowment for the Arts. The "poet-in-the-school" idea has been around for some time. Brummels said the larger cities, including New York, Lincoln and Omaha, have had creative writing programs for several years. He said Northeast Nebraska has not had a program before this year because artists were usually located in larger cities.

"These programs work in Lincoln and Omaha," Brummels said, "but when you get to Northeast Nebraska it is different. It's a rural area and the arts activities are diffused. The program attempts to solve that problem. Brummels said he tries to help the students overcome a fear of the arts by helping them take pride in their writings. The best student poems are selected for a publication circulated within the area.

"The school and community will be able to observe something tangible from this expression," he said. "These are the abilities of the students that are not always brought out in the regular school."
