Map Strategy For United Way

Team leaders from the Wayne business and residential community and representatives from Wayne High School and Wayne State College were to begin today (Monday) mapping out their strategy to begin the 1978 United Way campaign.

Team leaders from the Wayne business and residential community and representatives from Wayne High School and Wayne State College were to begin today (Monday) mapping out their strategy to begin the 1978 United Way campaign.

Team leaders from the Wayne business and residential community and representatives from Wayne High School and Wayne State College were to begin today (Monday) mapping out their strategy to begin the 1978 United Way campaign.

Posts Taken From Truck

Sheriff's officers are investigating a theft of equipment and materials taken Thursday night from a truck belonging to Paden Construction Company, Fremont.

Sheep Producers Okay Promotion

Wool producers have voted three to one to continue deductions from Commodity Credit Corporation wool incentive payments to finance promotion of wool.

The producers voted in a referendum held Aug. 21 through Sept. 1.

Preliminary returns show 75.4 percent of the producers favored the advertising and other market development activities which would be continued under a proposed new agreement between the Secretary of Agriculture and the American Sheep Producers Council, Inc.

The proposed agreement authorizes continued deductions from payments made under the National Wool Act on wool and unshorn lambs marketed during 1978 through 1981.

Seeing is Believing

POINTING OUT the weight-holding capabilities of a micro-lam 60-foot continuous length beam is Rod Tompkins, president of Heritage Homes of Nebraska, Inc., Wayne, which hosted some 26 dealers from a three-state area Friday.

Judging Underway

Judging is being completed this month with the winners to be announced at Recognition Day in Lincoln Nov. 10.

Wayne Being Considered For 'All-Nebraska' Title

Wayne is 1 of 92 communities entered in the 1978 All-Nebraska Community Program (ANC), a part of the Nebraska Community Improvement Program (NCIP).

Communities covered in the competition include airport improvement, health services, planning, solid waste practices, education, fire protection, industrial development, law enforcement and criminal justice, library services, parks and recreation, street improvements, wastewater collection and treatment, water supply system and housing.

Communities are judged by state agency representatives whose program responsibilities cover the specific category. To be an "All-Nebraska Community," the standards in all of the categories must be met.

Communities not meeting the standards in a category may provide additional information

SBA Disaster Loans Available

Dixon County has been named 1 of 25 Nebraska counties which have been approved by the federal Small Business Administration for disaster assistance caused by heavy spring storms.

The special SBA loans are available for homeowners and small business, not to exceed \$55,000 per home or \$500,000 per business.

The interest rate on loans to farmers and businesses covering physical loss is three percent on the first \$250,000 and 6% percent thereafter.

For homeowners, loans are limited to a maximum of \$50,000 to restore a residence, and up to \$10,000 to replace contents, or a maximum of \$55,000 for both purposes.

Economic injury loans are primarily designed to provide financial assistance to businesses, other than farmers, whose income has been adversely affected by the severe weather conditions, and who are unable to obtain credit through normal sources.

Station Closed

The new city transfer station has been shut down temporarily to make repairs, according to Vern Schulz of the city.

Schulz said he expected the station to be reopened the middle of this week. He said a part being shipped to Lincoln is supposed to arrive Tuesday in Lincoln.

At Providence Medical Center Pilot Intern Program Termed Success

Patients at Providence Medical Center may have a lot of legitimate complaints, but complaining about their food and diets is not one of them.

This is backed up by the patients themselves, the food supervisors, the dietitian consultant and more recently, by a dietetic intern.

Deborah Moody, 22, last Friday completed six weeks of a pilot program as a dietetic intern at Providence Medical Center.

Tama Krause, dietetic consultant who supervised Miss Moody's internship, said the program has been a success as far as she is concerned and Miss Moody joined in with compliments about her six-week stay.

"I got a chance to evaluate the Center's dietetic department during my in-service training," Miss Moody explained, "and then I made recommendations and suggestions and had a hand in re-writing some of the policies. It has been an interesting and rewarding six weeks."

Mrs. Krause explained the program was approved by the American Dietetic Association (ADA) after a team from the ADA spent time in Omaha evaluating the merits of such an internship.

Mrs. Jane Thayer, former PMAC dietitian and I worked out an intern program," Mrs. Krause said. "It wasn't all that easy to come up with a program that was workable and met the standards of the ADA

The News in Brief

Car Care Course

A car care course designed for women, scheduled for this week, will begin Monday, according to John Fuetberth of the Chrysler Center in Wayne.

New Duty Assignment

Marine Lance Cpl. James L. Lanphear, son of Phyllis R. Lanphear, Hoskins, has reported for duty at the New River Marine Corps air station, Jacksonville, N.C. He joined the Marine Corps in October, 1975.

Receives Promotion

Yvette A. Gavin, daughter of Mr. and Mrs. Marlen A. Kraemer, RR 2, Laurel, has been promoted to the rank of Airman First Class.

SS Official Here

George Reeg of the Norfolk social security office will be in Wayne Tuesday, Sept. 26, at the Senior Citizen Center, from 9 a.m. to 12 noon.

Enlists in Air Force

Tim Neustrom, 24, son of Mr. and Mrs. Robert Neustrom, Merville, Iowa enlisted in the Air Force on Sept. 7. He is married to the former Kathleen O'Donnell of Wayne.

Named Chairperson

Mrs. LeRoy E. Johnson, Wakefield, has been selected as chairperson of the 1978 door-to-door campaign for St. Jude Children's Research Hospital.

CB Meeting Oct. 2

The Wayne County Citizens Band Radio Club will hold its regular monthly meeting tonight Oct. 2 at 8 p.m. in the basement of the WSC Fine Arts building.

Laurel Student Receives Grant

Patty Janssen, Laurel, senior at Midland Lutheran College, Fremont, is the 1978-79 recipient of a \$100 scholarship presented by the Laurel-Concord Education Association.

This is the second scholarship to be awarded by the association to a college senior student majoring in education.

Miss Janssen, a 1975 Laurel-Concord graduate, plans to be graduated from Midland in May, 1979, and is majoring in business administration and secondary education.

Miss Janssen was a member of the Alpha Lambda Delta Honor Society.

She will begin work in the field as a dietitian and then take a day-long test administered by the ADA in April. After successful completion of the test, she will be a registered dietitian.

Mrs. Krause pointed out that even after becoming accredited, the dietitian must continue an on-going educational program. "A dietitian must complete 75 hours during every five years to remain accredited," Mrs. Krause explained.

Miss Moody said she plans to work in specialized areas such as administration or therapeutic before becoming a dietetic consultant.

Accident Saturday Morning

TWO PERSONS were injured in a two-car accident Saturday morning at the intersection of highways 35 and 14, eight miles east of Wayne.

The driver of the car in the foreground, was treated and released at the Wakefield hospital. The driver of the other car admitted to the hospital. Halsey told officers he was returning on highway 14 when the other vehicle involved involved in the mishap, which was east bound on highway 35, did not stop at the stop sign and the two vehicles collided. Both cars were totaled. The name of the driver of the other car was being withheld pending notification of relatives.

DEBORAH MOODY (left) and Tama Krause, dietitian at Providence Medical Center, look over a menu during a coffee break.

Blue Devils Roll Over Wisner

The Wayne Blue Devils rattled off four unanswered touchdowns in the first half and the reserve units held on to post a 26-0 win over a young, injured Wisner-Pilger team Friday night.

Following a Wisner-Pilger punt, the Blue Devils took over the ball of their own 35 yard line. The home team used several running plays to move the ball into Wisner-Pilger territory of the 40 yard line.

Brad Emry broke loose through the left side of the offensive line and rambled down to the Wisner-Pilger three yard line. Emry killed the TD on the first play and Al Nissen drilled the PAT through the uprights for a 7-0 lead.

Unable to sustain a drive on the next series, Wisner-Pilger turned punt formation from their 40 yard line. Stuart Nissen broke around the line and blocked the punt. As the ball bounced backward, Nissen bobbed it into the endzone where he fell on it for another Wayne touchdown. The PAT kick was wide to the right.

Wisner drive when he recovered a fumble at the Gator 47 yard line. Wisner regained possession of the ball but a fumble recovery by Jay Stollenberg turned the tables again.

With the ball at the 35, the Wayne offense ate away at the defense with short runs, eventually moving the ball to the five yard line. Emry carried it in for his second TD of the night and Wayne.

Kelly Maxson stopped another PAT attempt was wide. Struggling to get back in the game, the Gators came out passing on the next series. Tod Frier dropped back to cover the pass and stepped in front of the receiver to make the interception at the Wisner 32 yard line.

On the very next play, quarterback Jeff Dion threw a quick and screen pass to Jeff Zeiss at the line of scrimmage. Zeiss broke down the sideline and with a good block by Doug Hummell romped in for a 32 yard touchdown.

Picking A Hole

A WALL of blockers lead the way for Brad Emry on a carry against Wisner-Pilger Friday night. The Blue Devils

ran up 26 points in the conference victory.

Sports

Wayne Netters Avenge Early Season Loss

When Wayne and Wisner-Pilger meet in volleyball competition the two teams play as competitive as if a world championship were on line. Wayne gained the most recent world championship Thursday and also gained a little revenge from an earlier season loss when they rolled over undefeated Wisner-Pilger 15-12, 15-7.

Gun Case Winner

RECEIVING A gun case for his son, Rob is Bob Little of Laurel. Rob won the gun case in a Tuesday raffle by the Logan Valley Gun Club, but was unable to accept it. Friday night Jack Bruna, (right), sold the winning ticket and presented the prize. The gun case will hold two rifles or shotguns.

Laurel Turnovers Again Lead To Bear Defeat

The Laurel Bears failed to play up to their potential for the second consecutive week, making costly turnovers which led to a 0-0 loss to second rated Class D power Walthill, Friday.

"We turned the ball over too many times again," Coach Nick Danze said. "We stopped our selves and stopped ourselves." Walthill's lone score came in the first quarter when Terry Stansbury ran eight yards for a touchdown. Walthill held the lead for the next three quarters and upped its record to 4-0 Laurel falls to 2-2.

Logan Valley Club Gun Show Saturday

New and antique show guns will be on display Logan Valley Gun Show in the city auditorium Saturday, Sept. 30 and Sunday, Oct. 1 for buyers, sellers, traders, lookers and displayers. Presently 50 display tables have been sold to dealers from a five state area to display their firearms. Experts will be on hand to give free appraisals of firearms.

Red Shirts Take It To Rated Hartington

The Wakefield defensive unit, called the red shirts, dampened the Hartington offensive spark Friday night and scored one touchdown to knock the seventh rated team in Class C off its undefeated plateau.

"I'd give the game ball if it weren't so expensive," the redshirts for their performance," Wakefield Coach John Torccon commented after the game. "They did a whale of a job tonight."

The game was scoreless after three quarters of play when Blaine Nelson recovered a fumble at Hartington's 31 yard line to set up a Trojan drive. Eight plays later, Tod Swigart hit Nelson for a 10 yard touchdown pass and a six point lead after the PAT attempt failed.

Winside Back On Victory Trail With 26-8 Conquest

Winside rebounded from last week's loss to Ponca by trouncing Wausa in conference play 26-8, Friday night.

Coach Dennis Gonerman termed the victory "a very big win" and said his team looked good this week.

Gonerman said, "We were mentally and physically ready." The Wildcats opened up the scoring in the first quarter when Bob Hawkins scored on a 67 yard touchdown pass from Paul Roberts. The PAT attempt failed and Winside held a 6-0 lead.

Adult Volley Tuesday

Participants in the adult recreational volleyball league will not meet for volleyball Wednesday night. Instead, the volleyball players will meet tomorrow (Tuesday) night at the regularly scheduled times.

The reason for the change is that the city auditorium is rented out Wednesday. Persons who are unable to attend Tuesday should contact Hank Overin at 375-2584. Teams will not play against until Wednesday, Oct. 11.

Winside used another long run to take an 18-0 advantage into the lockerroom at half time. Mitch Pfeiffer came into the game to attempt a field goal but ended up running the ball when the snap was mishandled.

Ponca Too Strong

Indians Storm Past Eagles 43-6

BY CHUCK BARNES The Ponca Indians took advantage of Allen mistakes and incorporated them into their game plan to score a sweeping 43-6 victory over the Eagles in a game played Friday night at Allen.

They showed some strength, however, as they came back early in the third quarter, trailing 13-0 to score on a fine 48-yard individual effort by Greg Carr. They couldn't convert the point after and the score remained 13-0.

The game got off to a shaky start by both teams with broken plays and untimely penalties. The Indians got on track late in the first period with Steve Forney scoring from the 4 yard

line. The point after was good and the Indians had a 7-0 lead with 1:59 left in the first. Ponca got the ball back in Allen territory as the clock wound down with a 4th and 8 situation on the Allen 27 as the period ended.

DISAPPOINTED ENROUTE TO a loss to Ponca Friday night are Allen Coach Bart Kneiff, Gary Karlberg, and assistant coach Gene Lauritsen.

The Eagles couldn't keep up the momentum and turned the ball over to the Indians who were able to move the ball, but were hampered by penalties, score remained 13-0 as the half ended.

Following the quick score by the Eagles, the Indian offensive machine got into high gear with Forney picking up his second TD from the 4 yard line. He made up for the missed point by going for 2 putting the Indians out in from 21 A with 6:30 remaining in the third quarter.

Bill Chase, a 135 pound back for the Eagles, took a pounding as he attempted to return the kickoff by the Indians. He was taken from the field by the Allen-Waterbury emergency unit with what appeared to be injury. Following the game, Eagle Coach Bart Kneiff said he had been informed the player was not injured seriously.

The Eagles took to the air only to have Bruce Lowe of Ponca move in for an interception on the Allen 20. Koeppel capped a drive by the Indians with a one yard plunge to bring the score to 27-0. Lowe attempted the kick after only to have the Eagles Gary Karlberg move in for a block keeping the score at 27-6 with 4:06 remaining in the third period.

The Indians were on move as the third quarter came to an end with the score, 27-6. Kurt Bortoff moved to the 11 after a personal foul on the Allen assistant coach Mark Backman went over for a touchdown from the 10 to move the score to 33-6. Bortoff scored a two pointer on a run to bring the score 35-6 with 11:43 remaining in the game.

Ponca began using reserves who rose to the occasion by intercepting an Eagle pass on the Allen 38. Following a series of plays, Bortoff scored from the eight with less than minutes to play. He added two more on a run for the final score, 41-6.

Lee Hansen was the big gun for the Eagles with 34 yards in 13 carries. Kevin Creamer had 6 yard in 4 tries and Greg Carr collected 17 yards in 6 attempts. Terry Brewer had 14 yards on 3 carries.

In passing, Hansen was 5 out of 11 for a total of 53 yards. Carr was 2 for 26 yards. Kevin Creamer had 10 carries collected 6 carries and had 3 assists. Terry Brewer had 6 carries.

The Eagles will meet Newcastle Friday night at Newcastle. They are 2-2 for the season.

Randy's RECAP

According to Randy Hascall

are in the CSIC, of which Wayne State is a member. Chadron State, WSC's first opponent, is rated fourth in the Division II rankings.

Washburn, which interestingly enough was picked to finish last in the CSIC in the preseason poll, was the lone winner in the Conference last Saturday with Kearney and Missouri Southern idle.

And if that's not enough, Washburn is the national leader in rushing defense with an unbelievable 11 yards rushing allowed in 87 rushes for two games. That's an average of 5.5 yards per game.

They also rank fourth in the nation for total defense, allowing an average of 102 yards a game. Besides being a defensive leader, Washburn has the 12th rated offense with a 408 yards per game average, and they lead the country in scoring offense with a 57 points per game average.

The statistics are remarkable regardless of the fact that Washburn has faced weak opposition. They'll soon open up against some formidable opponents and then we'll know a how tough they are.

Missouri Southern is sixth ranked in scoring offense with 39 points in one game and second ranked in total offense with 522 total yards. Their rushing offense accumulated 344 yards to rank third.

Two state colleges are also highly rated in team categories. Kearney State is tied for sixth place in scoring after a shutout in their first game. Chadron State is rated eighth in passing offense with a 213 yard average per game.

ACCORDING TO STATISTICS released by the Planters Peanut Company Friday, Keith Zimmer placed fourth in the Mr. Peanut national Target Tennis Tournament.

In an article last week, it was reported that Keith placed third but apparently the standings were unofficial at the time. Keith informed me that he was sent the standings and they indicate he placed fourth, unlike the earlier article said.

QUOTES OF THE WEEK come from the Second Guessers Club meeting Thursday. When asked to comment about this year's wrestling team, WSC coach Nick Pederson kidded, "They're taller than the basketball team."

Not to be outdone, when asked about his team, Cross country coach LeRoy Simpson retorted, "We beat the basketball team in scrimmage the other day." Basketball coach Bill Ivey just laughed.

SINCE I STARTED printing a sports quiz in my column on a regular basis, I've had a few people submit quizzes to me. I'm glad to receive any sports quizzes (with answers) either through the mail, by phone or in person. So, if you're interested, feel free to submit them to me. If I receive enough, I'll start printing the quiz with the name of the person who submitted it.

SPORTS QUIZ: Turning our attention to cross country, who were last year's state champions in their respective classes?

ANSWERS: Kearney won Class A, McCook won Class B and Crofton won Class C. Crofton proved their strength again this year when they won their invitational Friday with only 10 points. Last year they won state by 56 points.

Freshmen Stopped Just One Conversion Away From Tie

Two long scoring plays lifted the Emerson Hubbard freshman football team to a 14-12 win over Wayne Thursday.

The freshman Blue Devils put the first points on the board when Jim Sperry passed to Mark Botenkamp on a 16 yard touchdown play.

Emerson came back with a touchdown in the second quarter on a 29 yard pass play and added a two-point conversion to take an 8-6 lead at half.

A 68 yard run in the third quarter gave the Pirates a 14-6 lead. Wayne rallied in the final period when Rich Pochman scampered 20 yards for a TD. The PAT attempt which would have tied the game, failed.

Pochman led the Blue Devils offense with 96 yards rushing, Dallas Hansen and Steve

New Offense Potent In Winside Victory

Winside lost the opening game but came back to win the scoring two and claim its volleyball title with Stanton 15-15 15-11 Thursday.

Surprise starter Kathy Thies did a consistent admirable job according to Coach Rich Stoffers and he added that Julie Krajcek held the team together with 18 sets in 18 attempts, and 13 assists.

Stoffers said that Marci Thomason had her best game year, with 100 percent spiking efficiency in nine attempts. Winside used a new 5-1 offense for the first time in the Stanton match.

The Winside JV team won 15-11 15-4 and the freshmen won 15-11 15-4. Winside will take its 3rd record to Coeledge Thurs, 22. Coeledge 15-20 in the conference.

Wayne Runners Place Fourth

With a consistent running performance, the Wayne cross country team placed fourth in a nine team field at the Crofton Invitational Friday afternoon.

Kurt Powers finished 10th in a time of 12:02 with Rick Luft right on his heels in 12th place at 12:05. Doug Proffitt placed 21st in the time of 12:27 and Jeff Bauer finished 26th in 12:38 to round out the Blue Devils scoring of 80 points.

The winning individual was John Kube of Crofton with a time of 10:48. Crofton won the meet with 10 points, while Jefferson placed second with 39 points and Naper third with 46 points.

Wayne will host South Sioux City in a dual Tuesday, Sept. 26 at 4 p.m.

Wildlife Habitat lands, open to the public, are marked by signs which can be seen from the roads.

WILDLIFE HABITAT PROGRAM

Hunting seasons are here again, and the Lower Elkhorn Natural Resources District would like to remind hunters of the private lands that are providing new habitat and hunting areas. This is due to the Wildlife Habitat Program financed cooperatively by the Lower Elkhorn NRD and the Nebraska Game and Parks Commission. The monies from the habitat stamp you bought with your hunting and fishing permit pays 75 percent of the cost of this program.

Not all of the Wildlife Habitat lands are open to public access however, they do all provide habitat for wildlife production. This

increases wildlife populations in surrounding areas, which can be hunted by obtaining permission of landowners.

The Lower Elkhorn NRD has operated a habitat program since 1974, and now has the largest acreage sign-ups in the state. Presently 3,687 acres are in the Wildlife Habitat Program at an annual cost of over \$50,000. Of these, 2066 acres are available for public access by foot traffic only.

Cover types on the Wildlife Habitat lands varies from temporary plantings of oats, sweet clover, and legumes to permanent seedings of mixtures of grasses and legumes. One practice also calls for protection of existing habitat which may be grasses, shrubs or trees. This variety provides habitat for many species of wildlife, and outdoor activity for hunters, hikers, trappers and fishermen.

Anyone wishing to see a list of Wildlife Habitat Lands, which are open to public access, may do so at your local SCS Office or at the Lower Elkhorn NRD Offices in Norfolk or Clarkson. Landowners wishing to enter the program or obtain more information should also check with the above mentioned offices.

Hunters are urged to remember that these lands are still privately owned and the landowners may control your access in cases of misconduct or destruction of property.

PROPER WELL ABANDONMENT

Abandoned wells which are improperly sealed or not sealed at all, are a hazard to public health and safety and also to groundwater quality. Many cases of groundwater contamination have been attributed to improperly abandoned wells, as the wells may provide pathways for undesirable substances to reach the groundwater aquifers. Because of the slow movement of groundwater, many years may be required for a contaminant to move even short distances from its source and be detected in surrounding wells. By this time the damage has been done and, depending on the severity of contamination, the use of an aquifer for a water supply may be lost for many years. Most Nebraskans depend on groundwater for domestic water supplies, therefore, protection of groundwater quality is important.

Although it may be difficult to realize the benefits of properly sealing wells for the sake of groundwater quality, it should not be difficult to see the responsibility of reducing a safety hazard. Children have been killed by falls into wells or buried alive when a dug well or well pit caves in. There is also a question of legal responsibility for injuries or death resulting from accidents caused by improperly abandoned wells.

Many states have rules and regulations regarding the abandonment of wells. These regulations are devised to protect individual safety and groundwater quality; they are not meant to be a burden to well owners.

and that the well is marked so that it can clearly be seen.

+++The manual "Rules-Abandonment of Water Wells—1977" can be obtained free from the Department of Water Resources: Nebraska Department of Water Resources
P.O. Box 94676 or P.O. Box 1451
Lincoln, NE 68509 Norfolk, NE 68701

When any owner of an abandoned well replaces such a well he shall, within thirty days after the completion of such replacement well, give notice to the Department of Water Resources by filing the completed well registration and well driller certificate forms for the replacement well. No fee shall be collected for filing notice of abandonment or for the registration of the replacement of a registered well.

Registration of any "replacement well" in accordance with State Law is conclusive evidence that the well being replaced has been abandoned.

ABANDONMENT OF OTHER TYPES OF WELLS

Although not required by law, owners of other wells such as domestic wells, stock wells or test holes, are encouraged to properly abandon the wells in accordance with the procedures outlined in the rules and regulations for abandonment of registered wells as previously mentioned. Abandonment procedures for domestic wells and test holes are also outlined in a publication entitled "Minimum Standards for a Private Water Well in Nebraska, 1972." This publication can be obtained free from:

Conservation & Survey Division,
University of Nebraska
113 Nebraska Hall or P.O. Box 665
Lincoln, NE 68588 Norfolk, NE 68701

Nebraska Department of Health
P.O. Box 95007 or P.O. Box 1209
Lincoln, NE 68509 Norfolk, NE 68701

Although well abandonment may be carried out by the well owner himself, it is recommended that a local well driller who is familiar with proper abandonment procedures be contacted. Different hydrogeologic conditions warrant different methods of abandonment. Information about the well, such as depth, water level and types of material encountered, is important in determining the proper method of filling the well cavity.

If, however, a well owner chooses to perform the work himself the proper minimum rules and regulations referred to above should be followed.

Remember, the rules and regulations are not meant to create more government regulation but rather to eliminate any safety hazard and to prevent deterioration of groundwater quality.

CONTEST RULES

One football game has been placed in each of the 20 ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of tie, write "tie." Use the entry blank below or a reasonable facsimile.

Pick the score of the "Game of the Week" and enter that score in the appropriate blanks. The correct closest score will be used to break ties, and will be used only in the case of ties.

One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to The Wayne Herald office not later than 5 p.m. Thursday, or if mailed, should not be postmarked later than 5 p.m. Thursday. You need not be a subscriber of the Herald to be eligible for prizes.

The Winners will be announced weekly on the Thursday sports page of The Wayne Herald. There will be duplicate prizes awarded if winning scores are identical. Employees of the Herald and their immediate families are ineligible. Judges' decisions will be final in every case.
