

Area Communities NCIP Finalists

Several area communities Wednesday came under the scrutiny of out-of-state judges in the final competition of the 1978 Nebraska Community Improvement program (NCIP). Names of the finalists in the competition are Belden (Class I, under 200), Coleridge (Class II, 201-500), Scribner and Stanton (Class III, 501-1,000) and Norfolk (Class IV, 1,001-50,000). Wayne was entered in the

competition but was not selected as a finalist. The winners in the five population categories will be announced at the Recognition Day banquet in Lincoln on Nov. 10. Those communities meeting qualifications in all 15 evaluation categories will receive the distinction of being named an "All-Nebraska" community. Winners of the Special Awards judging will be announced dur-

ing the Recognition Day activities. Special Awards are open to all communities of less than 50,000 population. A total of 82 communities entered the competition this year, according to Nancy Donovan, NCIP coordinator. All communities entering the Special Awards category are in competition with each other, although judges consider the resources available in a com-

munity, Donovan explained. She said each day two judges examine portions of the community scrapbooks containing information about one of the specific Special Awards categories. Those communities taking part in the NCIP competition submitted scrapbooks detailing the past year's accomplishments. Evelyn Fink, Cherryvale, Kans. and Wayne Kobberdahl,

Council Bluffs, Ia., were the judges who visited Belden and Coleridge. They viewed the communities' projects and interviewed committee members in each town of their year's work as outlined in the scrapbook. Arnold Hansen, Belden, explained to the judges about the new filter for the Belden Swimming pool and the building of courts for money raised by community projects. Others projects that were featured in Belden's scrapbook were:

- Resurfacing one-third of the village's streets and patching others as needed.
- Entertained senior citizens in the village's streets and patching others as needed.
- Volunteers who took care of the library.
- Two new businesses started with the opening of a cafe and a beauty shop.
- Clean-up. Paint-up. Fix-up of businesses and homes.

What A Day

FRIENDS Kimberly Liska and Angie Thompson aren't worried about the prospect of snow, ice, and freezing temperatures within the next few weeks. They're taking advantage of the warm autumn weather which enticed grown-ups as well as youngsters. Kimberly Liska, 10, and Angie Thompson, 13, are the daughters of a four-year-old daughter of Dr. and Mrs. Ken Liska, and Angie, three-year-old daughter of Mr. and Mrs. Chuck Thompson, decided to take their friends to Bressler Park Thursday afternoon, and while they were there took a ride on The Walton Truck. The truck, which was built last winter by men on the city's street department, was installed in the park for youngster's to play on.

Wayne Student Is Candidate

Kris Anderson, daughter of Mr. and Mrs. John Anderson, Wayne, has been selected as a district representative in the 1979 Nebraska Dairy Princess contest. The 1979 Princess will be selected Nov. 15 in Omaha in conjunction with the Nebraska Dairy Industries association annual meeting. The contest will be held at the Holiday Inn on South 72nd Street. The new princess will be crowned following the noon luncheon. Miss Anderson, 19, lives on a farm with four brothers and a sister. She is a sophomore at the University of Nebraska. She was active in speech, 4-H church choir, volleyball, orchestra, band, pep band, cheerleader and was on the honor roll while in high school. She won several trophies and awards in showmanship and judging. She is active in Madrigal singers choir and is a dorm secretary.

WSC Marching Band is Busy

The Wayne State College Marching Band has been active this fall performing at various WSC football games, parades and other WSC activities. The band's next performance will be at the Wayne State Washburn University football game at 1:30 p.m., Saturday, Nov. 4 at Wayne. The 64-member marching band also forms a concert band during the second semester at WSC. Selected band members also perform in the Wayne State Jazz Rock Ensemble, which performs popular music ranging from the big band era to current rock. Performances this semester, in addition to the Nov. 4 marching band performance, will include a Jazz Rock ensemble concert, Nov. 15, a concert band concert Dec. 5 and a jazz band tour for the Northeast Nebraska region, Dec. 7-8. A recent addition to the WSC Marching Band is a 12-member Flag Squad, which performs with the marching band at the various events.

False Alarm

WAITING FOR the "all-clear" signal from Wayne firemen are these Wayne State students who were evacuated from Terrace hall on the WSC campus Thursday night. The Wayne volunteer fire department rolled all units in response to a fire call at the dormitory. It turned out to be a false alarm.

Visit Monday By Zorinsky

A reception in honor of U.S. Sen. Ed Zorinsky will be held at the Black Knight Lounge Wayne tonight (Monday), beginning at 7:30. The reception is open to all members of the community, and is sponsored by Mr. and Mrs. Kenneth Olds, Mr. and Mrs. Henry Lay, Mr. and Mrs. Bill Fenske, and Mr. and Mrs. Allen O'Donnell.

Wayne High School Parent-Teacher Meetings Set for Week of Nov. 13

Wayne High School officials have scheduled Parent-Teacher Conferences this year during the week of Nov. 13-17 to coincide with American Education Week. Don Zeis, high school principal, said school will dismiss each day that week at 2 p.m., with conferences to commence at 2:15. They are scheduled to conclude each day at 4:45. To allow each parent ample time, Zeis said conferences will be scheduled according to parents last name Thursday evening, Nov. 16, has been set aside for parents who cannot attend afternoon conferences. On that day, conferences will begin at 6:30 and continue until 9 p.m. School will dismiss at 4 p.m. Conferences are not expected to last longer than 15 minutes each. Teachers will be located in classrooms and National Honor Society members will be present to assist parents in locating all staff. Refreshments will be served in the high school see MEETINGS, Page 10

Seek Volunteers For 'Hotline'

The Northern Nebraska Comprehensive Mental Health Center, Norfolk, is seeking volunteers to act as crisis consultants for the "Hotline", a 24-hour toll-free telephone crisis line (1-800-473-8323). Through the use of a telephone diverter system, "Hotline" calls are transferred to a volunteer's home telephone. Volunteers must have private telephone lines, as it is necessary that calls remain confidential. No prior experience in telephone helping is required. A four to five week training class for "hotline" volunteers will begin in late November, with classes to be held in Norfolk at Northern Nebraska Comprehensive Mental Health Center. Mental health professionals will provide the volunteers with instruction in methods to improve their verbal helping skills, as well as techniques which are useful in dealing with particular crisis line situations. Professional assistance in handling difficult calls will always be available to the volunteer crisis line consultants. Those persons interested in obtaining more information concerning the "Hotline" training are urged to call (402) 371-7530, extensions 56 or 64.

Carroll Firemen Have Busy Week

The Carroll fire department Friday was called to the Owen Owens farm one mile south and two miles west of Carroll to put out a fire in straw in a larrowing house. Firemen said the straw apparently was ignited by a heat lamp. The department Wednesday was called to the Stanley Morris residence to extinguish a grass fire. There was no damage.

Unclaimed Property Filing Cleared Up

Have you received a pink form from the Nebraska state treasurer entitled UNIFORM DISPOSITION OF UNCLAIMED PROPERTY ACT...? If so it is in error, in part. A Friday afternoon phone call from State Senator Bob Murphy informed the Herald that a portion of the form requiring filing and a line for delinquent filing of the form by CERTAIN parties is in error and indeed illegal. More than 40,000 of the forms have already been mailed. The form calls for banks, financial organizations, businesses and some others to file the form listing "unclaimed property" and states that even though the listed organizations have no unclaimed property they still must fill out and return the form. Teeth in the requirements calls for a \$50 per day fine after Nov. 1. EVEN THOUGH THE ORGANIZATION HAS NO UNCLAIMED PROPERTY! Senator Murphy said Friday that a check with the Nebraska attorney General's office revealed that the state treasurer may not require persons or businesses to file the form if they have no unclaimed property and certainly may not fine them. Make no mistake—if you or your business HAS unclaimed property, you are required to complete and file the form. If you do not, you will be fined. If you do not have any unclaimed property, however, Senator Murphy says you may still file the form. (See item No. 13) Does the form apply to you? Best test is, did you receive one? What is "Unclaimed Property?" The form spells it out. If in doubt, check with your attorney, accountant, etc. Thanks, Senator Murphy for saving lots of us from more bureaucratic red tape!

Gross Appears Before Committee

Pat Gross, manager of Tri-angel Finance, Wayne, Thursday told the Legislature's Banking committee and insurance committee, there are times when he has to send would-be borrowers to low because of a \$3,000 limit on loans by small finance companies. Gross was one of several witnesses to appear before the committee. Omaha who brought out the need for a higher interest ceiling and a longer repayment time. Gross said the present 36-month repayment period is as unrealistic as the loan limit. He suggested seven to nine years for repayment. During the questioning, Gross pointed out the loan limit is low is \$35,000.

Doug Bereuter Kiwanis Speaker

Wayne county has become a target for politicians as Doug Bereuter, candidate for congress, Monday said in a speech before the Kiwanis club meeting at noon today (Monday). In other activity, Carroll is hosting a Republican "Fun Night" on Friday in the Carroll auditorium. Mrs. Fred Mann said the activities will begin at 7:30 p.m. with music at 8:30 p.m. Cider, sausage and kraut will be served until the activities end at 12:30 a.m. Tickets for the "Fun Night" may be purchased at the First National Bank, Wayne; from Fred Mann, 214 E. Main St., or Mrs. Marilyn Koch, Mr. or Mrs. Merlin Reinhardt or Leon Meyer.

Remain In Intensive Care

Mrs. Anna Gamble, 80, Wayne, and her granddaughter, Cathy Brzynski, 30, remain hospitalized in the intensive care unit of St. Luke's Medical center in Sioux City. They are being treated for multiple injuries received in an accident in Iowa near Ida Grove, Ia. The Clarence Brzynski, whose home was formerly Wayne, were killed in the two-car crash which took the life of an Ida Grove resident. Hospital personnel said Mrs. Gamble was reported to be improved but remained in critical condition. Miss Brzynski underwent surgery Wednesday and is listed in serious condition.

Preliminary Discussion

RICK HAMMAN (third from left, director, Mid-Elkhorn Valley Council of Governments, make a point during preliminary discussion Thursday concerning an application for HUD grant funds to purchase additional acreage for the Wayne Industrial park. Also taking part in the

discussion were (left to right) Gary Van Meter, Wayne Chamber executive; Bill Martin, field representative State Department of Economic Development; Hamman, Mike Perry, Wayne Industries and Bruce Mordhorst, Wayne city clerk.

Area Cultural Workshops Planned

Wayne and other Northeast Nebraska residents now have the opportunity to have various writing and other cultural activities brought to their communities through a new regional arts coordinator at Wayne State College. Campbell Barcenci has been hired as coordinator under a federal grant which was approved by the Nebraska department of Labor under the CETA program in cooperation with the Northeast Nebraska Arts and Education Community program supported through the NEA. Barcenci will arrange cultural workshops for area groups, including senior citizens, schools, and non-student adults. He will also survey the demand in the region for various cultural programs. Barcenci will also compile a regional art directory to show area residents the art resources and programs available to them, according to J.V. Brummis, WSC post-in-residence. "We would like to have community groups to contact us if they want a program or would like to sponsor programs in their areas," Brummis explained. He said Barcenci will also conduct weekend workshops on writing, poetry, literature and other art topics for individual groups. Brummis explained programs will be conducted where a demand is expressed and will be "tailor-made" to the expressed needs of the communities. "This is just another facet of the offerings we initiated last year," Brummis said. "We have been active in regional schools and communities but Barcenci will be able to devote time to mainly community programs." Barcenci will work through the WSC Humanities division in arranging the regional programs. WSC initiated several other art programs last year, including a "Post-in-the-Schools" program for area youngsters, a Northeast Nebraska writers "Reading Team" for community groups and a "Plains Writers' Circuit" which brought writers and poets to the region. "Our programs, including the one just initiated, are basically designed to heighten the awareness of the arts in the part of the state," Brummis added. "We would like to increase the cultural activities in all of the region and in North-Central Nebraska, if there is a demand," Brummis said. Those interested in programs for their areas should phone WSC, 375-2200.

OBSERVATIONS

Hedging a request

Considerable confusion and discussion surrounds the earth moving on west Seventh street for a proposed drive-in restaurant. How can construction begin? people are asking, "when the property is zoned for residential use and not commercial, and no building permit has been issued?"

City clerk Bruce Mordhorst answered these questions in a telephone interview. Builders of the drive-in wish to install sewer and water on the property in anticipation of bad weather. Therefore they have requested, and been awarded a "digging permit", and a "driveway permit" which allows them to move dirt to install the water and sewer, and build

driveways to Seventh street and Logan street.

In addition the builders anticipate asphaltting the area which Mordhorst says requires no permit.

Mordhorst said the Wayne's city attorney found no reason to deny the digging and driveway permits. Should rezoning fail, the new owners would merely have a paved lot in a residentially zoned area. They are betting and hoping their rezoning request will be granted.

The clerk added that the rezoning hearing will be at 8 p.m. Oct. 31 in the City Council chambers during the regular meeting of the Wayne city council.

With Chuck Barnes

No matter which team you rooted for in the World Series, you all have to agree the weather Thursday and Friday was a winner.

—CHB—
We were in Carroll Friday and one man was outside watering something and getting a tan at the same time. That was quite a sight, considering the physic of the man. . . and we were tempted to tell him the flowers were dead anyway.

—CHB—
There are times when we dig out from under the continuing deluge of unwanted mail. We came across a new twist in the "of-the-month" clubs which we felt deserved some attention before being filed.

—CHB—
It is a "Toy of the Month Klub" whose membership for a monthly striping of \$3 will receive two or more toys whose manufacturers suggested retail price is at least \$4. We were unable to determine if the \$4 price was for both or more toys or if it was the suggested price-tag for each.

And we thought our bottled Nebraska air for those in air-polluted areas was a loser.

—CHB—
Sleepwalkers take heart! Researchers have found they can provide relief through a relatively simple form of therapeutic hypnosis.

—CHB—
They have had some success with the treatment but did mention they are still looking for three of their resource subjects who didn't "take" to the treatment and are still walking their way through slumberland. . . somewhere

And here we thought that "Handy Rascal" Randy Hascall, Wayne Herald's sports gormet, was just fired.

—CHB—
The so-called lid bill is being attacked from all sides. And rightfully so. Maybe one of the reasons is that the lid is misplaced. Perhaps it is there aimed at putting a lid on so-called ideas by some of our stellar politicians. It would be more

effective.

—CHB—
Life is chancy at best. But it is even more so for the person who tripped the fire alarm in Terrace Hall at Wayne State. Some things just aren't in the category to downing goldfish.

—CHB—
And that, he said with resounding relief, is that!

Linafelter-Schroeder Marry At Allen Methodist Church

MR. AND MRS. CLAYTON SCHROEDER

Allen United Methodist Church was the setting for the wedding Oct. 15 uniting in marriage Denise Jean Linafelter and Clayton Schroeder.

Miss Linafelter is the daughter of Mr. and Mrs. Ken Linafelter of Allen. She was graduated from Allen High School in 1974 and from the Omaha Methodist School of Nursing in 1977. The bride is employed as a surgical nurse at St. Elizabeth Hospital in Lincoln.

The bridegroom son of Mr. and Mrs. Francis Schroeder of Dakota City, graduated from Ponca High School in 1974 and from Southeastern Community College in Lincoln. He works at Mohawk Data Sciences in Lincoln.

The Rev. William Anderson of Allen officiated at the wedding ceremony.

Bouquets and blue carnations and white mums and candleabras with greenery and white bows decorated the altar of the church. The candleabras were made in 1950 by the bride's grandmother, the late John Isom.

The bride's brother, Bruce Linafelter of Albion, was soloist and read scripture. Wedding music included "The Wedding Song," "One Hand, One Heart" and "The Lord's Prayer," accompanied by Carol Manley of South Sioux City.

Both women of South Sioux City, also a brother of the

bride, placed the unity candle.

The bride, given in marriage by her parents, was escorted down the aisle by her father. She wore a white Quiana gown with long, narrow sleeves and a scoop neckline. The sleeves were decorated with Venice appliques and edged with a soft ruffle. The incident bodice and high decorative neck edged were trimmed in hand clipped Venice lace and seed pearls. The skirt was edged with lace and swept into a full chapel train.

Her tiered fingertip veil of bridal illusion was of matching lace with handwoven motifs of lace and pearls. She carried a bridal bouquet of white silk roses, blue forget-me-nots and stephanotis.

Bonnie Linafelter of Albion served her sister-in-law as matron of honor. Bridesmaids were Connie Stewart of Lincoln, sister of the bridegroom, and Diane Mohr of Ponca.

They wore matching gowns of blue Quiana with blue chiffon catches. Each carried a basket of white silk roses and baby's breath with blue ribbon streamers.

Best man was Darrel Whitacre of Wichita, Kan., and groomsmen were Craig Jones of Lincoln and Don Mohr of Ponca. The bridegroom wore a white tuxedo and attendants wore tuxedos and white shirts were trimmed in blue.

For her daughter's wedding, Mrs. Linafelter wore a long, champagne gown. The bridegroom's mother selected a corsage of white roses.

Candles were lighted by Robin Linafelter of Allen, brother of the bride, and Greg Harder of Ponca. Guests were ushered into the church by Robin Linafelter, Gregg Harder and Dan Stewart.

The guests were registered by Marilyn Roth of Sioux City.

A buffet supper and dance were held at the Lincoln Community Hall following the wedding ceremony. The supper was served by the Jay Circle of the Allen United Methodist Church.

Mr. and Mrs. Bob Jones of Allen and Mr. and Mrs. Dave Harder of Ponca greeted the 200 guests.

Susan Malcom of Cambridge and Lisa Carpenter of Lincoln cut and served the cake, which was served by the bride.

Allen, Jean Ralph of San Diego poured, and Kelly Bobber of South Sioux City and Beth Isom of Sioux City served punch.

Waitresses were Shelly Williams, Angela Jones, Marni Harder and Melanie and Lynn Roth.

The couple took a wedding trip to Las Vegas and will make their home at 2801 N. 26th, Lot N. 31, in Lincoln, 68521.

SPEAKING OF

White: Old Fashioned Values Are Most Valuable Resources

Sommers H. White, management consultant and former Arizona state senator, spoke to more than 400 Extension home economists Wednesday during the National Association of Extension Home Economists annual meeting held in Omaha.

White said in an increasingly complex, mechanized world, it will be the old-fashioned values of time, compassion and motivation that will be people's most valuable resources.

Among the economists attending the meeting were Anna Marie Kreifels, Joycelyn Moody and Tama Krause of the University of Nebraska Northeast Station, near Concord.

"Time and time management is going to become more important in the future as the country's resources, such as energy, become more limited," said White. The pressures of time also will continue growing, making the wise use of time essential, he said.

The best time management idea, he suggested, is to establish good communications with people so as to effectively motivate them and not waste time over misunderstandings and nonessentials. He noted that key communication is established in four-minute intervals; the first four minutes of contact and the last four minutes.

"You will determine the future and set the tone of any meeting or contact in the first four minutes and you never get a second chance on that impression," he said. "And it's the last four minutes that you remember."

"Effectively motivating people also will be an important key to the future with less resources and an increasingly technological and legalistic society. "The key problem of motivation is getting people to do what they already know," he said. This will be especially important in such areas as energy conservation,

since "the best single source of more oil is conservation."

Motivation also will be more important as the country turns out more and more lawyers, contributing to a complicated, legal society in which people may become "immobilized and afraid to do anything," he noted.

White also referred to a survey done by his company in which 100,000 people were asked what their biggest problem was. "Ninety-eight percent of the people in America responded that they want to beed last night hungry for more love, more appreciation, and more of an opportunity to deal with people that they feel trust and care about them."

"It's the old-fashioned values that are those things that will have high payoffs in the future," he concluded.

Books Available at Senior Citizens Center

Library hour at the Senior Citizens Center Oct. 12 was conducted by Mrs. Judy Blendenman, assistant city librarian.

Books, which may be checked out at the Senior Citizens Center and returned there or to the Wayne Public Library, are "A Dream Apart," "The Helper," "The People's Pharmacy," "Born to Heal," "Hour of God, Hour of Lead" and "Miss Jane Pittman."

Mrs. Ella Kingston has donated books on American heritage to the Senior Citizens' library collection.

Pirates Walk The Plank

Wayne Offensive Line Prevails

Wayne High football fans couldn't have asked for a more perfect evening than Friday. The temperature was 48 degrees, there was no wind, the stadium was full and the Blue Devils used a daunting offensive line to roll over Emerson-Hubbard 43-16. The victory assures Wayne of at least a tie in the West Husker Division with a 3-1-1 record. Harrington is 2-1-1 with one game left.

"The team wanted the seniors to go out winners. Coach Stew Gline remarked, "To rush for over 200 yards, for the second time in three games, the offensive line has to be doing one exceptional job."

The six seniors on the team are Tom Ginn, Brad Emry, Dennis Carroll, Jay Stoltenberg,

Don Straight and Al Nissen. They received their graduation presents a little early when the final seconds ticked off the clock Friday night.

After playing their final home game in front of a parent night crowd, the six seniors left the stadium with a high degree of satisfaction.

Following an early Wayne fumble on a fourth down play at the Emerson 23-yard line, the Pirates marched 49 yards for a touchdown and it appeared the Blue Devils might have a long night ahead.

Penalties also haunted the Devils in the first quarter and they were unable to sustain a drive. Emerson mounted an early drive in the second quarter but the Wayne defense still

ened and forced a 27-yard field goal by Bob Doris which put the Pirates on top 10-0.

That's when Emerson's momentum disappeared and Wayne's picked up. Quarterback Jeff Dion alternated handoffs to running backs Rick Johnson and Brad Emry while the offensive line picked holes in the Emerson defense and the Blue Devils were on the move.

After Johnson and Emry penetrated the defense, Tom Ginn took over, running the ball from the Emerson 18-yard line to the two yard line with a burst from the two and Wayne was right back in the thick of things at 10-6.

The Blue Devils lightened and held the Pirates on the following series, forcing a 50-yard punt. The offense took over where it

left off and Dion hit Jeff Zeiss with a pass for a 41-yard touch down play with 1:11 left in the half. The PAT kick by Al Nissen went through the uprights and Wayne led 13-10.

The following kickoff was a wobbler down the middle and Emerson ran into a mixup play to handle the ball. Ginn fell on the free ball and the Pirate 14-yard line and suddenly Wayne was in scoring position again.

Two losses moved the ball back to the 25 and with a third down the situation looked dim. Ginn received a Dion pass and carried it to the nine-yard line, short of the first down.

Facing a fourth down situation at the nine-yard line with only 13 seconds remaining in the half, the field goal unit entered the game. As Nissen prepared for the 26-yard kick the snap from center reached Ginn high and he couldn't place it for the kick.

Dennis Carroll set up the final drive when he executed a mishandled Wayne punt at the Emerson 36-yard line. With :56 left on the clock, Paul Sutherland ran the ball in from the four. Brian Aguirre scored the two-point conversion, making the final tally 43-16.

Johnson led Wayne with 129 yards on 18 carries while Emry ran for 88 on 17 carries and Ginn rushed four times for 57 yards. Defensively, Randy Dunklau made 17 tackles to raise his total for the last three games to 54. Al Nissen added 12 tackles while Doug Hummel, Johnson and Todd Heier added 10. Dennis Carroll, Dan Mitchell, Kelly Maxson and Aaron Schuetl also added at least seven tackles a piece.

The Devils, 5-2-1 will play Pierce on the road Wednesday.

Victory Bell

RINGING THE victory bell as the final seconds tick off the clock are Wayne High seniors Brad Emry, Tom Ginn, Dennis Carroll, Don Straight, Al Nissen, and Jay Stoltenberg. The Blue Devils triumphed over Emerson Hubbard 43-16 Friday night.

Devilish Defense

TEAMING UP to stop a potent Emerson-Hubbard team are Ross Powers (65), 10d Heier (16) and Randy Dunklau (70).

As the Emerson line charged, Ginn dumped a pass off but a defender blocked it and Wayne went into the lockerroom leading 13-10.

The Blue Devils carried the momentum into the second half and forced Emerson to punt on the first series of the third quarter. Taking over at their own 26, the Devils used a pass to Nissen and a Johnson run to move the ball into Pirate territory.

Then Emry broke away and romped 42 yards for a TD. Ginn passed the ball on a fake PAT kick to Stuart Nissen for the two-point conversion and a 21-10 lead. Good kickoff coverage put Emerson back at its 20 and the defense held.

Jeff Ulmark continued to punt superbly for the Pirates as he booted the ball from the Emerson line of scrimmage at the 26 into the Wayne endzone for a 64 yard punt.

With 2:58 remaining in the third quarter Johnson found daylight as his line opened the way, and he speared 57 yards for a touchdown. Nissen's PAT

kick made it 26-10.

Again, Emerson, was held out of its own territory on the ensuing series and Wayne received a punt at its own 45. On the first play from scrimmage, Ginn scampered 50 yards before being run down at the five-yard line.

Ginn received a pass from Dion on the following play for a first TD of the season and the PAT gave the Devils a 35-10 margin.

A bad snap from center over Aaron Schuetl's head on an attempted punt, turned the ball over to Emerson at the Wayne 24. The Pirates pushed the ball in and with six minutes remaining closed the lead to 35-16. Al Nissen sacked the quarterback on the two-point conversion at tempt.

Dennis Carroll set up the final drive when he executed a mishandled Wayne punt at the Emerson 36-yard line. With :56 left on the clock, Paul Sutherland ran the ball in from the four. Brian Aguirre scored the two-point conversion, making the final tally 43-16.

Johnson led Wayne with 129 yards on 18 carries while Emry ran for 88 on 17 carries and Ginn rushed four times for 57 yards. Defensively, Randy Dunklau made 17 tackles to raise his total for the last three games to 54. Al Nissen added 12 tackles while Doug Hummel, Johnson and Todd Heier added 10. Dennis Carroll, Dan Mitchell, Kelly Maxson and Aaron Schuetl also added at least seven tackles a piece.

Wakefield Clinches Clark Division Title With 18-6 Win

When the Wakefield Trojans met Coleridge Friday night, they didn't play the kind of football that had led them to an undefeated conference record, but they played well enough to claim the Clark Division title with an 18-6 victory.

It was Wakefield's first conference championship in almost 40 years.

"The victory wasn't very glamorous but it was there," Coach John Tarzon said after the game. "Coleridge played very well and although we didn't win with a lot of style, we won and it feels great."

Wakefield scored the first touchdown of the game on a familiar play as Todd Swigart hit Scott Hallstrom on an 11-yard pass. When the PAT attempted the Trojans led 6-0.

Costly Wakefield fumble set up the lone Coleridge TD as the Bulldogs took over the ball at their own 30 and moved it down field. The touchdown was scored on a 16-yard pass from George Heier to Scott Anderson which deadlocked the game in the first quarter.

Swigart picked up a second

quarter Coleridge fumble the Wakefield TD and ran it back to the Bulldogs 35-yard line to set up the second Wakefield TD. The Trojans mounted a drive and on a third down and two for the touchdown, Swigart passed to Scott Hallstrom for the six points.

Wakefield took advantage of a Coleridge punt and moved the ball 50 yards for a touchdown with two minutes left in the half. Doug Stardi ran the ball in from the four to make the score 18-6 at half time.

A scoreless second half pushed Wakefield's season record to 5-1. Blaine Nelson rushed the ball 19 times for 109 yards in from the four to make the score 18-6 at half time.

Wildcats Bow To Hartington In Close Conference Game

Winside fell to 3-1-2 in Clark Division play Friday night as the Wildcats lost to Hartington 7-6 in a low scoring contest.

Hartington put points on the scoreboard first with an 89-yard touchdown pass in the second quarter. The PAT made the score 7-0.

Winside came back when Mitch Pfeiffer ran the ball in from the five-yard line to get the Wildcats within one point. A two-point conversion attempt failed, however, and Hartington took one-point lead into the lockerroom at half-time.

Neither team managed to score in the second half and

Balanced Bears Send Wausa Into Hibernation With Win

The Laurel Bears poured on an onslaught against Wausa Friday night and shutout the Vikings 26-0, with a balanced scoring attack.

Ron Gadenek opened up the scoring with a one-yard run in the first quarter. After the PAT attempt failed, Laurel led 6-0. Gadenek came back with another one-yard touchdown plunge in the second quarter opening up a 12-point lead.

Steve Anderson was the next bear to cross the goal line when he rambled 19 yards to pay-dirt giving Laurel an 18-0 half-time lead. The Bears came out running again in the second half as Mike McCorkindale broke free for a 16-yard TD spot.

A five-yard run by Don Dalton and a PAT kick by Scott Sherry stacked the lopsided score to 21-0 at the end of the third period. The longest scoring play of the night was earned by Dennis Anderson who galloped 25 yards for the score. Sherry added the PAT for a 28-0 final count.

Allen Won't Say Die But Falls To Walthill

The Allen Eagles played a good football game Friday night but a strong Walthill team play to beat them and grab the championship of the Lewis Division with a 40-7 win.

Walthill put points on the board in the first quarter with a touchdown run to take a six point lead. Allen came back with a TD on a three yard pass from Lee Hansen to Bart Gotch to tie the game up. Greg Carr gave Allen a 7-6 lead with the PAT kick.

Then the Bluejays rattled off three unanswered touchdowns and two-point conversion to take a 28-7 lead.

Greg Carr broke loose to gallop 63 yards in the third period for an Eagle touchdown closing the margin to 28-13 but that didn't last long as Walthill came right back to score.

Trailing 34-13 in the third quarter, Allen scored again as Richard Stewart intercepted a Bulldog pass and returned it 46 yards for a TD. Carr scored the two-point conversion to make the total a respectable 34-21. A final Walthill TD in the fourth quarter put the game out of range and the score stood 40-21.

"We played a good game," Coach Bart Kneiff said. "Walthill does have a real good team though. I think we can beat Wynthill," he added in reference to Wednesday's game.

Carr was the leading rusher with 111 yards on 13 carries while Lee Hansen, Rich Stewart and Bart Gotch also played a good offensive game. Defensive standouts were Robert Malcom, Kevin Kraemer, Stewart and Carr.

Allen slips to 2-3 in the Lewis Division while Walthill moves to 5-0.

Allen Wins Final Tester

Before Wildkitten Match

After dropping the first game of a volleyball match 4-15, Thursday night, Winside regained its composure and defeated Norfolk Catholic 15-4, 15-5 in the final two games.

"They came out tight, then relaxed and played the best volleyball of the season during the last two games," coach Rich Stoffers said. "They hustled and played super to get the momentum."

The varsity record is now 5-8 on the season with a 3-3 conference record.

The B team fell 8-15, 2-15 and the C team lost 5-11, 9-11. They will complete regular season play tomorrow (Tuesday) in Lyons at 6:30 p.m.

In a preparatory match for tonight's meeting with Winside, the Allen spikers defeated Walnut Hills 15-7, 15-7, to improve their record to 10-2 on the year.

"It was a dead night all the way around," Coach Gary Troth said. "I don't know what we expect against Winside with our spiky play."

Troth was referring to tonight's 7:30 match between the Lewis Division champs and the Clark Division winners. The games will be played in Winside.

The Allen coach credited Stacey Koester with her best over-the-season performance in the win over Walnut Hills. She scored eight points and added seven aces in the three games.

Allen's B team won 15-3, 11-15, 15-9 as Ann Quinn led the team with good serving. Troth said his reserves exhibited a "pretty fair team effort" as he called on his bench for frequent substitution.

Team Effort Boosts Wakefield

The Wakefield volleyball team defeated Coleridge in two straight games 15-3, 15-8 Thursday night in a good team performance.

"It was our best team effort all year," Coach Ernie Kovar said. "Everyone contributed well and that led to the win."

Wakefield was led by Joni Erb with seven points. Erb and Donna Kuechler combined for good floor games to contribute to the victory. Kathy Gustafson scored five down spikes to lead the attack.

USD Spikers Dump Kittens

The Wayne State College women's volleyball team suffered a defeat Wednesday to the University of South Dakota spikers at Vermilion, bringing the Wildkitten's season record thus far to 14-16.

The Wildkitten's varsity was shut-out in games of 12-15, 13-15, 15-7 and 7-15, with the reserves rallying to defeat the USD spikers, 15-4 and 15-9.

Coach Bernice Fulton commented, "Our problems resulted from tight calling by the officials. The tightening of the calls caused the women to make errors they wouldn't normally make."

Coach Fulton and her spikers, now 1-2 in Central States Conference action, played a tough Emporia team in CSIC play Friday, in Rice Auditorium.

The Emporia spikers were 10-4 over and 6-0 in conference action.

The Wildkitten's also hosted Washburn, Saturday, in Rice Auditorium.

WSC Harriers Lose To Chadron

The harriers of Chadron State College out-distanced the Wayne State College cross-country team 21-34 in a non-conference meet held at WSC, Friday.

Dave Hauser and Jerry Steinhauer were the two top runners for Wayne, running the course at 28:24 and 28:37 for fourth and fifth place finished respectively.

Mike Rolness of Chadron finished first in the meet with time of 26:49, followed by Dave Licari of Chadron, 27:44 and "Gary Hastings" of Chadron, 27:55.

WSC, now 0-2 in duals this fall, will compete again Oct. 26-27 in the Kearney Invitational Meet at Kearney State College. Chadron State is now 1-1 in dual action this fall.

Other harriers competing Friday include:

Duane Scherbarth of Chadron, 29:22; 4th: Mark Baumen of WSC, 29:37; 7th, Scott Schriener, WSC, 29:43; 8th: Ron Paul Chadron, 30:27; 9th: Brain Keegan, WSC, 31:18; 10th: Ray Keith, Chadron, 32:32; 11th: Bryan Kroebe, WSC, 33:02; 12th and Paul Fenster, WSC, 35:35, 12th.

CONTEST RULES
 One football game has been placed in each of the 20 ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of tie, write "tie." Use the entry blank below or a reasonable facsimile.
 Pick the score of the "Game of the Week" and enter that score in the appropriate blanks. The correct closest score will be used to break ties, and will be used only in the case of ties.
 One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to The Wayne Herald office not later than 5 p.m. Thursday, or if mailed, should not be postmarked later than 5 p.m. Thursday. You need not be a subscriber of the Herald to be eligible for prizes.
 The Winners will be announced weekly on the Thursday sports page of The Wayne Herald. There will be duplicate prizes awarded if winning scores are identical. Employees of the Herald and their immediate families are ineligible. Judges' decisions will be final in every case.

A New Generation of Leadership

"Doug Bereuter has the experience to fight inflation"

Complaining about inflation isn't enough. You need the experience to fight it. Sen. Doug Bereuter has that experience... and the proven record to lead the fight.

Doug Bereuter has already been in the thick of the fight against inflation, and he knows that government spending is a primary cause. He also knows that "promises" to exercise self-restraint are not new and are not going to work.
Doug Bereuter served four years in Nebraska's Legislature where the Constitution prohibits deficit spending. As a State Senator he has also fought against excessive government regulation of business because he knows that hidden costs are passed on to the consumer.
Sen. Bereuter sponsored a unique law to fight inflation... the Business/Consumer Impact Statement bill. Now, state senators will be aware of the effect of new legislation upon consumers, business people and farmers.
Doug Bereuter has the experience a Congressman needs to fight inflation... and he has the proven record to lead the fight.

Be Right with Bereuter.

Elect Doug Bereuter

Nothing goes with a crisp autumn day like a cup of hot apple cider. With this year's good apple crop, fall is an ideal time to revive the long-time Nebraska tradition of cider making. Selecting the right apples for cider is the first step to a good cup of brew, according to Teresa Shaffer, Institute of Agriculture and Natural Resources Extension foods specialist.

"How the apples look isn't as important as their flavor," she says. "You can choose cheaper, smaller apples with blemishes or even apples that have fallen from trees as long as they have a good, tart flavor."

Many find that a combination of apple varieties, such as Red Delicious and Pippin, provide the best results. Shaffer suggests using both tart and sweet apples, blending them half and half for the correct balance.

One bushel of apples will yield about two gallons of cider. To crush and press the fruit, a steam juicer, an apple crusher or even a food grinder can be used, according to the specialist.

A steam juicer consists of a series of pans stacked so that steam is passed through the fruit in a colander, releasing its juice, which drains into a collection unit for bottling. A more traditional method is to crush the fruit using an apple cutter, which usually can be rented for a day or two.

Two-Front Battle In War on Weeds

It takes two well-executed battles annually to make any progress in the continuous war on weeds. And fall is the second time during the year when farmers need to reach into the arsenal to fight perennial weed pests.

That's the "tactical advice" offered by two Institute of Agriculture and Natural Resources agronomists, who state that one herbicide treatment a year of difficult-to-control perennials does little more than keep the weed from spreading.

Perennials such as field bindweed, Canada thistle and leafy spurge are more susceptible to herbicide treatment in the fall for several reasons, according to UNL weed control specialists John Furrer and Alex Martin.

Because food storage in the root systems of these weeds is taking place, herbicides applied in the fall readily move down to the roots along with the food. This time of year, temperatures and soil moisture are generally more favorable for plant growth than during the summer, a condition required for best herbicide performance.

Two treatments—one in the spring just before flowering and the other in the fall—are needed to make a real dent on weeds, they stressed. "Even with two treatments per year, don't expect satisfactory control after one year—it will take several treatments," they warned. Controlling perennial weeds requires perseverance, even after established plants have been killed, new plants will develop years later from seed in the soil, they advised.

They recommended as most useful in controlling perennial weeds 2,4-D and combinations of 2,4-D plus Banvel. However, these herbicides must be used repeatedly to obtain satisfactory control. Tordon can be used only in nonagricultural areas for perennial weed control.

All treatments can be made anytime after mid-September but before cold weather sets in, the agronomists said. Musk thistle treatment should wait until after October 1. Daytime temperatures in the 50s are satisfactory.

WEEKLY Health TIP

The first Ford automobile had to wait over an hour for its first test run since it was built in a shed, and was wider than the shed door.

WEEKLY Health TIP

Can colds be avoided? Colds can increase when the winter heating season begins, because the dry air in heated rooms parches the nose and throat membranes, which are then more susceptible to virus infection. Dry mucous membranes cannot clean themselves by actions of their cilia (hairlike structures) and more mucous upward out of the respiratory system, clearing away germs and viruses. If homes, schools, and places of work can be humidified to about 40% it should help to reduce the common cold infection.

**Refuge Open
to Archery**

A portion of DeSoto National Wildlife Refuge will again be open to Nebraska archery deer hunters this fall, according to refuge manager George Gage.
The open area is the same that was open last year to bow hunters and includes a total of 765 acres that lie west of the present Missouri River channel. A small tract of Iowa land on the north end of the refuge remain closed and is posted accordingly, says Gage.
Access to the open area is from a gravel road that runs east from Highway 73, near DeSoto, six miles south of Blair. The area will be open to archery hunters from Sept. 16 through Nov. 10, 1978 and Nov. 20 through Dec. 31, 1978.
Hunters are asked to record the number of hours they hunt and document kill data on a register located at each of three parking areas. A map showing the location of the hunting area and listing regulations which apply is available at refuge headquarters, or by writing the Refuge Manager, DeSoto National Wildlife Refuge, R. 1, Box 114, Missouri Valley, Iowa 51555.

Craft Sale Thursday

Members of the Senior Citizens center in Wayne are gearing for their annual craft sale next week.
Crafts and homemade pie and coffee will be sold Thursday afternoon and evening at the Senior Citizens Center, located at 306 Pearl St. The public is invited to attend between the hours of 2 and 9 p.m.
Mrs. Jocile Bull, director, said all kinds of crafts will be featured, and cost of the pie and coffee is just 50 cents. A door prize will be given away.

News Briefs—

(Continued from page 1)
established insurance agency with an office in the State National Bank building, has been named as the area representative for Allstate Insurance companies in the Wayne vicinity.
"We are pleased to all Allstate, one of the best known, most widely accepted names in the business, to our complete insurance line for people in the Wayne area," Henry Ley, president of the agency, said.

Receives Doctorate

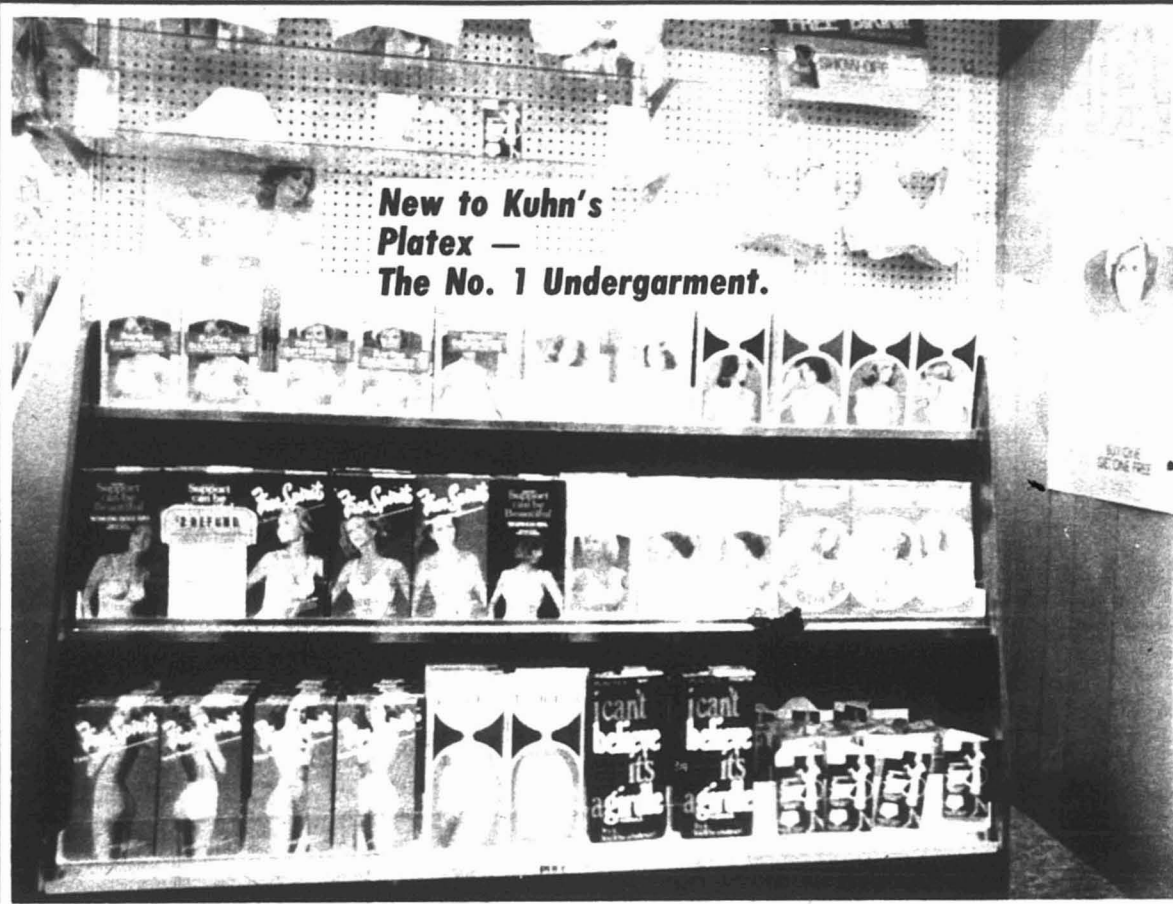

Karen D. Harvey, a native of Wayne, recently received a doctor of education degree in elementary education from Northern Illinois University, DeKalb, Ill.
Harvey, who has been working in the department of curriculum and instruction at NIU, will be taking a position at the University of Colorado, Denver, as the coordinator of the initial Certification program in the School of Education.

Trims Levy

The board of education and administration of Educational Service Unit, which includes Wayne County, has made a decision to cut the mill levy for the coming school year from 1 to .79 hundredths of a mill.
Educational Service Unit 1 has operated on the maximum of one mill for the past nine years.

Painting Display

Recent paintings by Peter Hill, painting instructor at the University of Nebraska-Omaha, will be on display Oct. 23 through Nov. 17 in the Nordstrand Visual Arts gallery in the Fine Arts building at Wayne State College.
Hill received his MFA from Cranbrook Academy of Art in Michigan and has taught at UNO since 1956.
The exhibit is open free to the public from 9 a.m. to 5 p.m., Monday through Friday. A price list will be posted for those interested in purchasing any works.
