## Station in Wakefield

# Gasohol Now Available To Wayneland Consumers

Gasohol is coming to the Wayneland area. Gene Kratke, Oll company, Wakefield, this week announced his station will begin selling the new blend of gasoline. He had intended to offer the new fuel last week but a tanker of grain alcohol was delayed and so was the gasohol. Kratke is among the first dealers in Northeast Nebraska to provide the new domestic source of energy. "If it hadn't been for the shipment delay, we would have been the first station in Northeast Nebraska to offer gasohol. We had all the necessary paperwork done and we were all set to begin pumping gasohol last week," he said. However, he doesn't feel the delay will cut down on sales.

And the fact he is going to offer the gasohol at the same price as his unleaded gasoline, should bring more business his way. Most gasohol dealers tag on a premium price for the new fuel. Kratke explained gasohol is a blend of 10 percent agriculturally derived 200 proof anhydrous ethyl alcohol and 90 percent unleaded gasoline. He pointed out that gasoline is about three to four cents higher in octane than the commercial unleaded fuel.

The Wakefield dealer said gasohol can be burned in any internal combustion engine, regardless of its age, without carburetor modification. He pointed out that gasohol is a cleaner burning fuel than unleaded gasoline. Emissions from gasohol contain about one-third less carbon monoxide than emissions from unleaded gasoline.

Gasohol has been tested over some two million miles of driving in the Nebraska Gasohol Two Million Mile Road Test (Dec. 1974-Oct., 1977) without any problems. Gasohol vehicles averaged about five percent more mileage than those vehicles fueled with no-lead gasoline in the road test.

A "Consumer Acceptance and Market Potential" research project in Iowa last year showed:

—Up to 200 percent increase in non-lead gas sales as "gasohol."

—Some 66 percent of the buyers were not farmers.

—Consumers were willing to pay more for gasohol than other unleaded gasolines.

A consumer acceptance test and marketing survey in Nebraska in 1975 showed that some 93,000 gallons of gasohol were purchased in the Holdrege area. The Nebraska Gasohol committee has concluded from See GASOHOL, Page 8

A SUPERIOR RATING was presented to Winside High School for a one-act play presentation at district one-act contests at Wayne State College Wednesday. The Winside actresses performed "The In Group" and are now eligible to participate in the state contest in Kearney, Jan. 31. Front row, left to right are: Dawn Carstens, Della Holtgrew, Corinne George, Diane Heinenmann, Brenda Voss; second row, left to right: Carla Berg, Mary Bowder, Kim Leighton; third row: Jean Dederman, director, Lori Jensen, Michele Brockmoller.

## Wayne, Winside Win Top Marks for Plays

One-Act plays performed by students from Wayne and Winside high schools received "superior" ratings in District III One-Act Play competition Wednesday and Thursday at Wayne State College.

Students from 44 high schools took part in the competition with ten receiving "superior" ratings based on selection of cutting, meaning, characterization, acting, staging and overall effect. Superior ratings qualify the schools for the final one-act play competition at Kearney State College, Jan. 31.

Those receiving superior ratings in Class "A" competition were: Wayne high school, performing "High Sign"; South Sioux City high school, performing "Balcony Scene"; and O'Neill high school, performing "Zen Substitution."

Selected for the "Best Actress Award," Class A, was Susan Platner of Wayne high. J.P. Slavens of South Sioux City was selected "Best Actor," Class A.

Receiving superior ratings in Class "B" action were: Winside, performing "The In Group;" Norfolk Catholic, performing "The Lottery;" West Point high school, performing "The Inspector Answers;" Plainville, performing "The American Dream;" Rock County high school, performing "The In Group;"

## Ad Seminar Set Monday

When is the last time you took a really good look at the image your store projects to the buying public? Do your potential customers even know you exist? And will your "regulars" continue to return?

If these are questions that you have been asking yourself (and you should from time to time) and you're a Chamber member, then you're invited to attend the advertising seminar being sponsored by the Wayne Chamber of Commerce.

Being held tonight (Monday) from 6:30 to 8:30 at the Black Knight Banquet room, this seminar will give you an opportunity to pick up a few tips from the experts in the field of advertising — Dean Craun of KTCH Radio, Chuck Barnes of the Morning Shopper, and Jim Marsh of the Wayne Herald.

These professionals have a combined total of 55 years of work experience in advertising and can best help you better promote the business you've got to make if the best ever.

The 90 minute program will cover such areas as basic facts about each form of advertising, planning and budgeting your ad, retail promotions, new advertising patterns, image building through ads, and questions and answers.

## Clinic set For Tuesday

A meeting on the latest information on weed and insect control will be held Tuesday, Jan. 23 at 1 p.m. to 2:30 p.m. in the Wayne City auditorium.

Russ Moomaw, extension agronomist — weed control and John Wilkowski, entomologist, will be presenting the information. This information is a condensation of the information presented at the all day Crop Protection clinic held at Norfolk Friday, Jan. 12.

## Meeting Set

The Community Council will meet tonight (Monday) at 7:30 in the Wayne high school library.

The agenda includes sub-committee reports by Don Zeiss, curriculum modification in the See MEETING, Page 8

## Warming Trend

# Wayne Area 'Lucks Out' As Storm Tracks South

Residents of the Wayneland area Thursday braced for another major storm which was "hipped" by forecasters as rating about an 8 on a scale of 1 to 10, but luckily it measured only a weak 3.

The forecasters can't be faulted as early indications pointed to a type of storm they fear the most... an ice storm.

The precipitation reached the Wayne area about noon in the form of freezing rain which turned to ice pellets and then snow.

Many schools in the area announced early dismissals as they wanted to make certain the students could be transported safely. Most sports activities were postponed because of the impending storm.

However, the storm tracked to the south of the area with temperatures remaining relatively warm. They continued that way throughout the week and giving welcome relief to an otherwise woesome weather picture.

## Wayne Man Breaks Leg

The storm claimed at least one victim as a Wayne man fell after slipping on ice and broke his leg in two places.

Duane Havrda, EMHA official is in Providence Medical Center where he was taken by ambulance after he slipped on ice in an alley-way near Sherry Brothers Hardware on 1st Street.

Havrda said he slipped as he was walking from work to his car about 5:15 p.m. He said he had broken his right leg but tried to get up and slipped again, breaking another bone in the right leg.

He said he was able to get help after laying in the alley-way for "five to ten minutes."

## Study Tests For Hazards

Wayne County Extension Service in cooperation with the University of Nebraska Cooperative Extension Service and School of Pharmacy is testing users of pesticides for possible health hazards.

# Lad from 'Down Under' is Wayneland Visitor

By LAVON BECKMAN

For the past three weeks, Mr. and Mrs. Fred Mann and family of rural Wayne have shared their home and life with a young farmer from Australia.

Kim Rogers, 18, who farms with his father in western Australia, arrived at Omaha's Eppley Air Field on Dec. 9. He came with a group of about 70 other young Australians. Kim was the only member of the group who chose to come stay in Nebraska. Two persons opted to visit Denver, however most of the others traveled on to Oregon.

Of the 70 visitors to the United States, said Kim, most come from some city in Australia. Because of his agricultural background, however, Kim picked the rolling farmlands of Nebraska to visit.

Kim's stay in the United States is sponsored by the Lions Youth Exchange program. Under the program, "the International Association of Lions Clubs makes arrangements to house young persons between the ages of 16 and 21 who want to visit another country. Participants must pay for their own transportation, but once they are in the country they stay with Lions families. Their visit lasts for six weeks.

Before coming to stay with the Manns, Kim lived for three weeks with the Brian McBride family in Laurel. Brian is manager of Willett Mortuaries in Laurel. His family includes his wife, Ellie, and children Emily, 7, Mandy 4, and Spencer, 2.

Kim's stay in the United States, while with the Manns, included a visit to area feedlots and to see a dairy operation and farm which utilizes solar energy in Cedar County.

McBride also took the Australian visitor on a tour of the Milton G.

Waldbaum Co. egg operation in Wakefield and to the University of Nebraska Northeast Station, near Concord. In addition, they traveled to ranches in western Nebraska, to Pioneer Village at Minden and Ft. Kearney Beef Producers, and up into South Dakota.

After leaving the McBrides, Kim spent three weeks with the Manns, who farm three miles west and about one south of Wayne. The Mann family includes one son, Kenley, 16, and a daughter, Keri, 12, at home. Another son, Layne, and his wife reside in Lincoln where he is an attorney.

Kim was with the Manns until today (Monday) when he was scheduled to leave for Omaha, where he will stay for two days before returning home to Australia on Wednesday.

En route to Australia, the group plans to stop one day in Los Angeles and pay a visit to Disneyland.

Manns took Kim to Waterloo, Ia. on Friday to visit the John Deere Plant before he returns to his father's 4,000 acre farm near Tammin, in Australia.

When Kim returns to Australia he will continue farming with his father. Kim is the oldest son in his family. A brother and a sister attend boarding school, and another sister is at home. Kim's father also is a member of Lions Club.

Kim and his father grow about 2,000 acres of crops, mostly wheat, each year, leaving another 2,000 acres for grazing cattle and about 3,000 sheep. "In Australia," says Kim, "the ground is flatter than farmland in Nebraska."

Kim saw snow for the first time while living in Nebraska. He says he doesn't like the bitterly cold temperatures. The snow provided him an opportunity, See VISITOR, Page 8

# Unicameral Review

**SENATOR ELROY M. HEFNER**  
District No. 19  
Cassville, Nebraska

The most frequently-asked question in the Capitol halls this week is "Where did you move?" With nine new senators in the Legislature, I had moved seniorly to move to the second (main) floor, Room 2105. Located three doors down from the west entrance stairway, it will be easier for constituents to find.

The Legislature held only morning sessions this week with committee hearings in the afternoons. I was appointed to the Nebraska Transportation Advisory Committee which will be meeting regularly to review proposed legislation and evaluate highway, road, and street needs of the state and its political subdivisions, determine the effectiveness of programs and consider future legislation. I was also elected vice chairman of this committee.

On Thursday, Governor Thone and 30 members of the Legislature toured the Beatrice State Developmental Center and observed its 759 residents. At the present time court litigations are pressuring toward a goal of no more than 250 residents at this center. Some estimates

on the cost of this move run as high as 140 million and would cause many placements to be made against the wishes of the families involved and the best interests of the residents.

This visit gave us an opportunity to observe its operation and residents first hand. It will also give me and the other senators a chance to objectively make our decision regarding future funding and care of the mentally retarded.

The new Legislative Hall, lined with pictures of all senators who have served in the Unicameral Legislature, and is adjoining hearing rooms in the Capitol were dedicated last week. Located on the ground floor, west side, these rooms are designed to accommodate more people and give the average constituent greater opportunity to have a voice in the legislative branch of government. The salvation of the state is watchfulness in the citizen, and I encourage you, my readers, to take an active interest in your state government.

This week is the deadline for introduction of new bills. So far I have introduced three and will probably be more on the defensive this year. I will explain the bills I have introduced in later columns.

# Sugar not the only factor

This is the fourth in a series of six articles on dental health published by The Wayne Herald in cooperation with the Nebraska Dental Association. In observance of National Children's Dental Health Week, February 4-10.

As superintendent of schools, I am attempting to coordinate a good nutrition campaign to create student awareness of healthy snacking. In particular, I would like to replace high-sugared vending items with healthy snacks. Are there guidelines available to assist in such a campaign?

The dental professional certainly appreciates your concern for good nutrition and sound oral health in your school systems. While your students are learning about nutrition, they are developing permanent eating habits in the lunchroom, at school concession stands and vending machines.

If your schools are selling sugar-rich foods, your children eventually will pay the price. The relationship between sugar consumption and dental decay has been well established.

Research studies show that the total amount of sugar eaten is not the only factor in the decay process. The frequency of eating sugary foods, the length of time they remain in the mouth and the physical form of the food are equally important. Among the most hazardous items to dental health are sweet sticky snacks, hard candies, sugar-containing breath mints and cough drops and sticky dried fruit, such as raisins.

Further, dental disease is the most widespread disease in the United States today, despite the fact that it is almost totally preventable. By the time a child reaches school age, an average of three or more teeth will be decayed. By age 20, 14 teeth will be decayed, missing or filled.

In an effort to reduce children's exposure to sweet snacks and to discourage them from becoming dependent on sweets, the American Dental Association recommends the removal of sugar-containing products from school vending machines and school lunch programs and has called for the limitation of advertising of sugar-rich

products on children's television programs.

To assist you in planning activities and formulating policies on vending both in the schools and in the entire community, the ADA's Bureau of Dental Health Education has developed a nutrition campaign packet that contains helpful information including regulations, pamphlets, resource articles, bibliographies and organizational policies (including the ADA, American Medical Association, and National Congress of Parents and Teachers.)

Information on obtaining the ADA Nutrition Campaign Packet is available to administrators by contacting the Bureau of Dental Health Education, 211 East Chicago Avenue, Chicago, Illinois, 60611.

# Out of Old Nebraska

## 1907 march on Lincoln

Prior to 1915, South Omaha was a separate municipality with its own elected officials and city services. The community had been an important livestock processing and meat packing center since the 1870's and 1880's, when large stockyards were established there. Attempts during the early 1900's by Omaha to annex the smaller city were vehemently resisted by South Omahans motivated by community pride and the fear of increased taxes. A series of annexation bills came before the Legislature during these years, each of which was beaten back with increasing difficulty.

To protest a proposed 1907 annexation measure, South Omaha Mayor Thomas Hector proclaimed Feb. 27, 1907, a city holiday and organized an expedition of city residents to Lincoln. Newspapers on file at the Nebraska State Historical Society report the descent on the capital by at least 1,000 South Omahans anxious to preserve their local autonomy. The Feb. 27, 1907, Lincoln Evening News reported:

"South Omaha marched on the state capital today like an all-conquering host, for the purpose of registering its protest against the passage of any of the numerous bills introduced in the legislature to consolidate it with Omaha. Eleven hundred strong, the men and women of the packing house burg came to Lincoln on a special train, paraded the streets in solid phalanx and assembled on the capitol grounds, where a notable demonstration took place. Band music, songs and banners were all employed by the energetic inhabitants of the Magic City (nickname for South Omaha) to show the legislators that annexation is not popular there."

"Two years ago, some 400 or 500 South Omahans came to Lincoln to remonstrate against a bill then before the legislature providing for the union of the two Omahas. This year, the advocates of annexation, most of whom live at Omaha proper, have been claiming that sentiment in the neighbor city had changed and that 'everybody except the politicians' wanted them made one. It is here a force in numbers the members of the legislature certainly found out to the contrary when they looked out of the north entrance of the capitol and saw a thousand citizens who had laid aside their daily occupations to come and help defeat the threatened legislation."

"It was one of the most enthusiastic crowds ever seen in Lincoln which departed from twelve coaches at the Burlington station, and began winding its way through the streets, marching behind Frank's band of South Omahans. Every man wore a red badge and every woman a white one, containing these words: 'South Omaha Protests Against Forcible Annexation.'"

"The parade stretched out for a distance four or five blocks on its way to the capitol. At its head marched several men bearing a 'big stick', somewhat longer than the size and arched in the middle. Two large square banners flanked these fiddlers to every one along the route: 'We Are Not Politicians'; 'South Omaha, Our Home, Our City'; 'Leave Well Enough Alone'; 'Don't Stop Packing'; 'Square Deal for South Omaha'; 'Conservative Club'; 'South Omaha Annexation'; 'We Join in the Protest.'"

"Arrived at the capitol grounds, the marching army ranged itself about the

north stoop of the state house, with the band in the center, and struck up some verses to the tune of 'Maryland, My Maryland,' which was changed to 'South Omaha, South Omaha.' All the visitors joined in the singing with patriotic fervor, and at the conclusion they sent up a lusty cheer, waving canes, handkerchiefs and hats meanwhile. A woman holding a baby not more than three months of age was one of the most enthusiastic persons in the throng."

The February 28, 1907, Omaha Daily Bee included a further description of the South Omaha forces:

"There were enough school teachers and school children in the crowd of 1,000 to give the delegation all the appearance of a fresh-air picnic." Several leaders of the delegation addressed the lawmakers in person (February 27, Lincoln Evening News): "The leaders of the delegation are Mayor Thomas Hector, Dr. W.J. McCrann, who is ex-mayor and president of the Commercial Club, and T.J. O'Neill, a committee consisting of H.B. Fleharty, Rev. R.L. Wheeler, J.J. Nolan, and J.H. Van Dusan was to meet the cities and towns committees of the senate and house this afternoon and make arguments against annexation."

# Tax law revisions

(First in a series of five articles from the Nebraska Society of Certified Public Accountants on preparing 1978 Federal Income Tax returns)

Although most of the tax law revisions adopted by Congress last year did not take effect until this year, taxpayers now getting ready to prepare their returns should be aware of the changes that apply to 1978 incomes, for most of those changes benefit the taxpayer.

Among persons affected are those who:

—Had capital gains or losses.  
—Are 55 or over and sold their homes after July 26, 1978.

—Sold inherited assets that appreciated in value after 1976.

—Made energy-saving modifications in their homes after April 19, 1977.

—Changed homes for employment reasons.

As for the other changes you may have heard about — the raising of personal exemptions, the ending of the general tax credit, the broadening of tax brackets to lessen the effects of inflation, and the increase in the earned-income credit to help low-income taxpayers — all those were indeed enacted, but they became effective only in 1979.

Of the more immediate concern, until the law was changed, 50 percent of long-term capital gains had to be added to taxable income. Now, on most gains realized after October 31, 1978, only 40 percent must be included.

Because of the complexity of changes in the treatment of capital gains, which make it necessary to compute gains and losses at two different rates, anyone affected is likely to need professional assistance with 1978 returns.

"Some of the South Omahans did not march all the way to the capitol but fell out and hunted up places for lunch. Every eating house in town was besieged during the noon hour as it has not been for many days. The South Omaha people have good appetites which (they) brought along with them, and every establishment was practically cleaned out of 'grub' when they got through. The delegation will return on its special train this evening, the time set for departure being 7 o'clock. A member of the delegation said that there were 1,138 in the party and that 200 who came to the train at South Omaha could not find room."

Annexation was defeated in 1907, but the issue arose again five years later. A bill calling for a special election to decide annexation for South Omaha, Florence, Benson and Dundee was passed. On June 1, 1915, voters in these communities and greater Omaha voted for annexation. Mayor Hector claimed the election was unconstitutional and refused to turn over South Omaha funds and city records to Omaha Mayor James C. DeHamer. A special June 29 court order was issued before Omaha finally obtained the records and brought South Omaha under its jurisdiction.

could be the biggest tax break most persons are ever likely to receive, so it should not be treated casually.

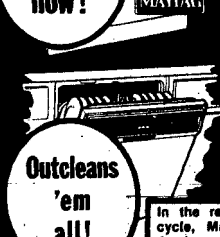

A change adopted earlier but which became effective in 1978 and thereafter determines the length of time an asset must have been held in order to qualify for a long-term gain or loss. It is now a full year. Another earlier change provides that in 1978 a taxpayer can offset up to \$3,000 of net capital losses against ordinary income. In 1977 the maximum was \$2,000.

Anyone sharing in an estate that was settled in the past couple of years may also need professional help. The Tax Reform Act of 1976 provided for new treatment of assets inherited and sold after the end of the year. But Congress now has moved the start-up date for those changes back to 1980. So anyone who received a 1978 legacy should check; they may have paid taxes on it that now are refundable.

If you improved the insulation in your home on or after April 20, 1977, or added storm windows or other fuel-saving devices, you may be eligible for a credit of 15 percent of that you spent, up to a total credit of \$260. If you put in solar heating or equipment utilizing renewable sources of energy, the credit can be even bigger. The energy-conservation credits apply only to principal places of residence, not vacation homes. They also do not apply to new homes.

If you have been true to your word and make a profit on a home sale you can defer the capital gain tax if within eighteen months you reinvest in another home costing at least as much. It also has long been true that this "rollover" could be used no more than once every year and a half. Effective in 1978, however, if the change of homes is employment connected, as in a change of your place of employment, you can defer the capital gain tax even if two sales occur within 18 months.

## Activities Attract Senior Citizens

Dale Kindred, executive director of the Northeast Nebraska Area Agency on Aging, located in Norfolk, was a guest at the Wayne Senior Citizens Center Wednesday noon for the monthly potluck luncheon.

Kindred spoke following the meal and told about the services which will soon be provided from the Area Agency on Aging, to be senior citizens center. Mrs. Betty King, the new Wayne County outreach worker for the Goldenrod Hills Community Action Agency, Inc., also was a guest at the dinner.

Fifty persons attended the potluck luncheon. Kathy Virgl, a Wayne State practicum student, arranged the floral bouquet Mrs. Harry Wert gave the invocation and Mrs. Joceli Bull read a poem written by Larry Osnowski.

The volunteer kitchen committee was Shirley Wagner, Mildred Wacker, Gladys Petersen, Besse Peterman, Gale Bathke, Mrs. Harry Wert, Mrs. Virgil Chambers, Viola Lawrence, Melba Grimm, Lula Nelson, Mary Echtenkamp, Mabel Sundell and Leona Bahde. Helping prepare for the luncheon were Mr. and Mrs. Virgil Chambers, Gladys Petersen, Mildred Wacker, Shirley Wagner, Viola Lawrence, Harry Wert and Rose Heithold.

The next potluck luncheon will be at noon on Wednesday, Feb. 21.

At 2 p.m., the group went to the Wayne Care Centre, where Mrs. Maude Auker was presented a certificate as an honored member of the Nebraska Century Club. The presentation was made by Dale Kindred.

## Kitchen Shower Held in Winside

A kitchen shower was held in the Owen Hartman home in Winside Jan. 17 to honor Lisa Longnecker of Winside, who was married Jan. 20 to Kevin Cleve land, at 7 p.m. Decorations included an umbrella on the gift table. Two contests furnished entertainment.

Hostesses were girls from the senior class at Winside High School and Kay Woodman.

Miller at St. Joseph's Hospital in Sioux City, Anna Meier, Helene Meyer, Henrietta Frost, Hattie McButt and Evelyn Woods.

On Tuesday afternoon, 16 persons took part in the weekly current event session. Refreshments were furnished by Emma Soules and Mr. and Mrs. Virgil Chambers.

Senior citizens who bowled Tuesday afternoon at Melodee Lanes were Carl Lentz, Gordon Nuernberger, Otto Baier and John Dall. Bowling is sponsored by the Wayne Senior Citizens Center.

John Dall rolled the high game of 202, and second high (183) was rolled by Otto Baier. Gordon Nuernberger rolled the third high (178). High series (545) was rolled by John Dall.

There were 17 at the Senior Citizens Center Jan. 11 for the library hour, conducted by Judy Blenderman, assistant librarian at the Wayne Public Library. Mrs. Blenderman told about the following books: "Bubbles: A Self Portrait," by Beverly Sills; "Wunnerful, Wunnerful,"

by Lawrence Welk; "The Tan-Faced Children," by Frank Galkins; "The Hidden Years," by James Phelan; "Edgar Allen," by John Neufeld; and "My America, Your America," by Lawrence Welk. She also showed a film, entitled "This is the Place."

Senior citizens may check books out at the Senior Citizens Center and return them there or at the Wayne Public Library.

Next library hour, conducted by Mrs. Blenderman, will be on Thursday, Feb. 8, at 2:30 p.m.

Floral bouquets have been shared at the Senior Citizens Center by the family of Goldie Leonard. Cookies and brownies were shared with members of the Senior Citizens Center on Jan. 13 by the Wayne Winners Boys 4-H Club.

## Club Welcomes Maude

MAUDE AUKER, who celebrated her 100th birthday on Nov. 22, was once again the focus of attention last Wednesday when she received a certificate naming her an honorary member of the Nebraska Century Club. The certificate, which was presented by Dale Kindred (pictured), executive director of the Northeast Nebraska Area Agency on Aging, read as follows: "The Nebraska Century Society and the people of the Great State of Nebraska, in honor of 100 years contribution to Nebraska's living history, recognizes Maude Auker as a Nebraska Pioneer and honored member of the Nebraska Century Club." The certificate was presented in behalf of Senator J. James Exon and Governor Charles Thone. Maude also received pins which read "Enjoy Your Age" and "Getting Better With Age." from Mrs. Joceli Bull, commissioner of the Nebraska Commission on Aging. Mrs. Auker was presented the certificates and pins at the Wayne Care Centre where she resides.

## 'The Miser' Next Play at Wayne State

On Feb. 11-13 the Wayne State Theater Department will present "The Miser" by the 17th century French master of comedy Moliere.

The production is being directed and designed by Arthur L. Dirks.

Moliere is often studied by college students, and "The Miser" is considered one of his best accomplishments. This production, complete with period costumes and a fresh approach to staging and scenery, offers students and the public the opportunity to enhance their appreciation of Moliere's work as well as enjoy an evening of comical entertainment.

"The Miser" centers around Harpagon, a miserly old gentleman played by Dr. Bob Johnson, communication arts professor at Wayne State College.

Harpagon is totally infatuated with money and takes every precaution to insure the safety of his most prized possession—a money box.

Unknown to Harpagon, his son Cleante and daughter Elise, played by Mark Shuffelt and Nancy Baum, are secretly planning to marry their lovers, which proves to be much to the displeasure of their father.

As the play progresses, obstacles mount and Harpagon's avarice gets the best of him. Performance dates are Sunday, Feb. 11, at 2 p.m., and Monday and Tuesday, Feb. 12 and 13, at 8 p.m. For more information contact the Wayne State Theater Department, Wayne, Nebr., 68787, or telephone 375-2200, Ext. 234.

## WEOPA Hopes to Rid Girl Friday Stereotype

If members of the Wayne Educational Office Personnel Association (WEOPA), have their way, the "Girl Friday" stereotype for office workers won't last much longer.

The 24 member Wayne based group has been active since the fall of 1977 promoting professionalism for all educational office workers.

"The old 'Girl Friday' image does not hold true of what office workers are today," says WEOPA member Vera Hummel, an office worker at Wayne State College. "Today we are part of the team in an organization. Management comes up with the idea, but we are doing the mechanics and we view ourselves as professionals."

WEOPA, made up largely of workers from WSC, is affiliated with the state organization, NEOPA, and the national group, NAES. The groups serve similar purposes at the state and national level.

The Wayne group has held regular monthly meetings to discuss ways of improving office operations and has hosted speakers from such companies as IBM and Northwestern Bell. They also hosted a state wide office personnel conference in 1977 and have served as a model group for other educational office personnel organizations.

"The purpose of the WEOPA is not social," Hummel said. "It is to further professional growth so we can improve the total operations of our institution."

Dr. Max Lundstrom, vice president for administration at WSC, said the group has definitely had a positive affect on operations at Wayne State. "I think the members of the WEOPA have a better understanding of what happens in the other offices on campus because they talk about their programs."

and there seems to be a better understanding of the overall operations of the college.

"It also seems to be helping the office workers develop a more professional attitude," Lundstrom added.

WEOPA president Sue Hochstein said part of the group's progress can be credited to monthly meetings, which, she said, are informative and educational.

"Our meetings cover anything from the betterment of office skills to better office and campus relations," Hochstein said.

"They are designed to help educational office workers improve anything they do on the job."

A current WEOPA project is development of a handbook for educational office personnel. The booklet is designed to help new employees become familiar with educational office work.

Hochstein added that although membership for the Wayne group consists mainly of college office workers, it is open to all educational office personnel, including public and private school workers and educational service unit workers. She said the group holds quarterly evening meetings to accommodate members who are not from the Wayne area.

The next meeting, scheduled for 8 p.m., Feb. 21 at WSC, will feature guest speaker Christine Hille, a field representative of the Nebraska Women's Bureau of the Office of the Nebraska Secretary of Labor.

## Wayne Student Will Perform

Marcia Peterson of Wayne, a student at Midland Lutheran College in Fremont, is a member of the cast of "Play It Again, Sam," to be presented Feb. 20, 21, 23 and 24 at 8 p.m. at Midland Lutheran.

"Play It Again, Sam" uses multi-media techniques to delve into the psyche of a man whose inferiority complex has destroyed his marriage and is threatening his slim chances for happiness.

# Emry Decides The Outcome

# Blue Devils Are Crowd Pleasers Against Cedar

SEEING VARSITY action for the first time is 6-4 Tony Rezec of Wayne (54) as he defends against Cedar Catholic.

The crowd, that jammed into the gym, High School gym Friday night, got its money's worth of excitement as the Wayne Blue Devils nipped Hartington Cedar Catholic 75-74 in a thrilling finish.

The winning basket came when Brad Emry hit a 22-foot shot over the Cedar Catholic defenders with nine seconds left on the clock. Hartington had one last chance to win the game but the final shot bounced off the rim and Jeff Zeiss hugged the ball to run off the final seconds.

"We didn't want to wait that long for our last shot," Wayne coach Bill Sharpe said after the victory. "If we would have missed, then we had to foul them. We wanted Emry to shoot it through and he did. It was an exciting game and did a lot of good for our team."

Wayne never trailed in the lightfast game until the final two minutes when Cedar Catholic took a 72-71 lead. Wayne lost the lead, trailing by one point, and Hartington went into its delay game trying to run out the clock. With 53 seconds left in the game, Emry fouled a Cedar player and two free throws put the Trojans on top 74-71.

Tom Ginn was fouled with 23 seconds remaining and made both free throws to pull Wayne within one point. The Blue Devils applied a tight press on the following inbound pass, and the Trojans bobbled the ball out of bounds.

Wayne took over under its own basket with 22 seconds on the clock and tried to get the open shot. Emry popped his jump shot from right of the top of the key and Wayne gained the final lead 75-74.

**Both Teams Hustled**  
Both teams played well during most of the game, hustling with

heads-up basketball, while seeking the high rebound.

Although the game was close most of the night, Wayne jumped to a 64-54 lead when Perry Nelson, Randy Dunklau and Jeff Zeiss combined for eight straight points early in the fourth quarter.

A couple of quick baskets by Cedar closed the score to 64-58 and 66-64 when the Blue Devils were troubled by a full-court press. Wayne held on to a slim lead on baskets by Tom Ginn, Emry and Tony Rezec, who

played his first varsity game for Wayne after moving from Omaha.

Rezec added some depth and height to the Wayne bench and became especially important in the fourth quarter when Perry Nelson and Al Nissen fouled out. The Blue Devils were sparked by scoring leaders Emry and Ginn who scored 23 and 20 points respectively, but it was good team play that won the game for Wayne. Coach Sharpe rotated his players into the ball game, matching fresh combinations

against the tall, deep Hartington team.

"C.C. is always tall. We were bothered by their full court press, tonight and lost our cool for awhile," Sharpe said. "I had a feeling that we'd come back when we got behind though and we did. The kids worked hard tonight."

Wayne committed 18 turnovers to 15 for Cedar but held a rebounding edge in the game. Ginn led the rebounding department with 11.

The Blue Devils shot 43

percent from the floor with 31 baskets in 72 shots while Cedar Catholic shot 38 percent.

"Randy (Dunklau), Perry (Nelson), and Al (Nissen) all played well. All the big kids did an excellent job," said Sharpe. "The break worked for us tonight and we beat their zone. Without that, we wouldn't have won. We seem to play good games against good teams."

Sharpe said he was pleased to see the large crowd and appreciated their support. "I can't remember ever seeing a bigger crowd for a regular season game in years," he added.

The two teams were tied 13-13 after the first quarter before Wayne took leads of 35-34 at half and 56-41 after three quarters.

Cedar's attack was also well-balanced with four players in double figures: Uhing, 21; Litz, 14; Zimmer, 10; Becker, 10. Jeff Zeiss added 12 points in the game to add to the performances by Ginn and Emry.

The win upped Wayne's record to 8-3 while Hartington C.C. falls to the same mark. The Blue Devils are scheduled to host West Point Friday and Schuyler

Saturday with reserve action beginning at 6:15 in the Wayne gym.

**Cedar Reserves 52,**  
**Wayne Reserves 44**

The Wayne High junior varsity record dropped to 7-2 with an eight-point loss to Hartington Cedar Catholic Friday. The junior Blue Devils trailed 14-13 after the first quarter but took a 30-24 lead at half. The third quarter was fatal for Wayne as Cedar outscored the Devils 15-4.

## Wakefield Trojans Fall To Wynot Blue Devils

After playing to a third quarter tie, the Wakefield Trojans fell behind in the final quarter Friday night and lost to Wynot 70-63 in Wynot.

Wynot took an 18-11 first quarter lead but behind the offensive performance of Scott Hallstrom, the Trojans tied the game 23-22 at the half. Hallstrom hit 27 points in the game as Wakefield's record dropped to 5-5.

The two teams went into the fourth quarter tied at 48: all but Wakefield's turnovers took their toll in the last period. The Trojans committed 20 turnovers in the game.

"We haven't been playing effectively in the last two games," Wakefield coach Joe Coble said. "We gave up 70 points in this game and let them penetrate for close shots. They shot the eyes out of that thing."

Wynot established a three-point lead in the fourth quarter and Wakefield was eventually forced to foul. The Blue Devils hit the free throws they needed to win their seventh game in eight attempts.

"They beat us at the free throw line in the fourth quarter. It was a tight game and their full court zone press hurt us," Coble said. "Our offense played well but we weren't concentrating on defense. I guess we'll have to go back to the fundamentals. We can't give up 70 points a game and win."

Wakefield shot 45 percent from the field. Tom Preston scored 14. Coble said that Preston's play has improved every game. Doug Starzl led the Trojans with 13 rebounds and Barry Jones pulled down 12. Todd Swigart led the team with four assists.

Wakefield travelled to Laurel Saturday night and hosts Winside in two games.

Leading scorers for Wynot were Scott Driver with 19 points, Doug Kether with 16 and Kirk Schroeder with 14.

## Laurel Bombs Creighton 76-39

The Laurel Bears devastated Creighton 76-39 on the home court Friday night behind a well-balanced offensive attack.

The Bears hit 32 of 60 shots for 53 percent while Creighton made 14 of 55 in the one-sided contest. Leading Laurel were four players who scored in double figures.

Steve Anderson pumped in 18 points, Ron Gadeken hit 16, Russ Gade scored 12 and Don Dalton added 11 for the Bears.

Gade led the team with 14 rebounds while Clark Maxon played a fine defensive game.

"Clark Maxon did a heck of a defensive job on Creighton's Darwin Faller," Laurel coach Joel Parks said. "Faller hit 39 points against Wausa in their last game but Maxon held him to two points in this game."

White Laurit was shooting well from the field and penetrating the Creighton defense. Creighton was cold and the Bears stretched a nine-point first quarter lead into a 40-19

**Winside Dropped**

The Winside Wildcats fell behind by five points in the third quarter of Friday night's basketball game and that proved to be the turning point as Wausa still led Winside 49-45 in Winside.

"It was a well-played game," Winside coach Dennis Gommerman said. "We had a lapse in the third quarter and Wausa got ahead by five points. From then on, we traded baskets and that wasn't enough."

Chuck Peter was the Winside workhorse, scoring 16 points and pulling down 18 rebounds in the losing cause. The two teams were tied after the first quarter before Winside took a 25-24 halftime lead. Then, Wausa gained a five point third quarter lead and the Wildcats couldn't break the lead.

Bruce Smith scored 10 points for Winside with Bob Hawkins grabbing eight rebounds and Paul Roberts running the offense with eight assists. Darrell Eldorado and Dan Blankenship led Wausa with 18 and 13 points respectively.

Winside's record is now 4-5 and the Wildcats travel to Osmond tonight (Monday) to try to even their record.

# WSC Wrestlers Win Two

BY BRAD WIELAND  
WSC Sports  
Information Assistant

The Wayne State College Wrestling team continued on the winning trail with victories over Northwest Missouri State, 29-20, and Midland College, 39-2, in action Wednesday in Rice Auditorium, improving its record to 7-2.

The Cats got off to a slow start against Northwest Missouri State when they were forced to forfeit the 118 lb. match. Down by six points, WSC's Don Schernikau of Beaver Crossing then pinned Joe High, tying the match at six all.

After losing the next two classes by decisions, 150 lb. Russell Reisch of Axtell, Iowa, pinned Craig Buschorn in the third period, tying the match at 12 all.

Wildcat Dan Heeran of Hawarden, Iowa, then obtained the quickest pin of the evening, 19 seconds into the match, over Marty Carler. The Cats held on to win the match, 29-20.

The WSC grapplers proved to be too powerful for the Midland Warriors, holding them scoreless until the last match of the night.

Registering pins for the WSC wrestlers were 142 lb. Marc Gillespie of Norfolk, 150 lb. Reisch and 167 lb. Dave Ulrich of Beaver Crossing. Reisch's pin was his second of the night.

Midland earned their two points in heavyweight competi-

tion when Rick Johnson and WSC's Ron Berrie of Davenport, Iowa, battled to a draw. The Cat's next action will be the WSC Invitational Saturday, at 10 a.m., in Rice Auditorium.

# Randy's Recap

According to Randy Hascell

THE WAYNE-HARTINGTON C.C. game Friday night was one of the most exciting basketball games I have seen for years. Not only that, but I won a bet with a friend from Hartington. I picked Wayne to win and naturally he picked Cedar.

Fans poured into the gym to watch the two rivals meet for the first time this season. It's fair to assume that they'll meet again in the West Husker Tourney and/or district action.

The game was a matchup of two good ball clubs and both have the potential of qualifying for the state tournament. It's always nice to see players hustle as hard as they're capable and both teams exhibited this quality.

The coaches and players were gentlemen, working hard to win; the fans were enthusiastic, fair and supporting of their teams, and the game was simply a thriller. This combination supplied the ingredients for an excellent and exciting game. It was almost a shame that one of the teams had to lose.

GIVE DON KOENIG some credit for organizing the halftime entertainment at Friday's game. On his own time, he worked up a presentation with some of his middle school students to perform at halftime of the game.

DURING HALFTIME of the junior varsity game, Sandy Jacobmeyer and Dusty Ruback were crowned snow queen and king. Crowning the two, were homecoming king and queen Al Nissen and Sarah Gavil. Attendants were chosen in each class.

AREA ATHLETIC EVENTS originally scheduled for Thursday were postponed due to the inclement weather. Events in this category include Wayne vs. Takamah-Herman wrestling, Pender vs. Laurel girls basketball, Wynot vs. Wakefield girls basketball, Wakefield vs. West Point wrestling, Allen vs. Decatur girls basketball and Wayne vs. Schuyler 8th and 9th grade basketball.

HONORED BY the Second Guessers this week as top athletes were two Wayne High girls and one Wayne State basketball player.

Peg Pinkelman and Lesa Barclay were presented awards for their quality play for Wayne High this year. Pinkelman is averaging about 14 points a game and Barclay about 15 for the Blue Devils.

Wattie Rhoda is Wayne State's first most valuable basketball player honored by the Second Guessers. WSC coach Bill Tvey said that in the past three years, he has watched Wattie mature as a

basketball player and as a person and said he is deserving the MVP award.

FRESH WRESTLING RATINGS have been released and five Winside wrestlers are rated in their respective weight classes. Winside is ranked third in the team standings behind Harrison and Elgin in the Class D ranks.

The five individuals rated are: Mark Koch, number three at 98 pounds; Brian Foote, number two at 112 pounds; Rick Bowers, number two at 119 pounds; Tom Anderson, number four at 126 pounds; Mitch Pfeiffer, second at 185 pounds.

Top Records in this area belong to Rick Luff of Wayne, 13.0, Dan Mitchell of Wayne, 12.1, Rick Johnson of Wayne, 12.3; Foote, 11.3; Bowers, 12.3; Anderson, 11.3; Pfeiffer, 14.1.

AN OVERSEAS TRIP has to help college recruiting when it into the regular basketball schedule. That's what Missouri Southern coaches and players enjoyed recently.

The CSIC school sent its basketball team to Portugal for a 10-day basketball tour. The team played four games in Portugal while taking a vacation at the same time.

## Wildcats Dropped By Kearney Offensive

BY DARWIN RUBECK  
WSC Sports  
Information Assistant

The Wayne State Wildcats could not handle the top scoring team in the nation, in the NAIA, falling 105-77 to the Kearney State Antelopes.

The Antelopes controlled the game from the opening tip, as they built up a quick 10-0 lead with 16:10 remaining in the first half. Tim Higgins with 19 points led the Lopers to their 11th victory against only 2 losses, 2-0 in CSIC action.

With a balanced attack, the Wildcats battled back to get as

close as three points with almost five minutes left in the first half. Kearney State then used a fast break and excellent shooting to lead 45-34 at half time.

Kearney State dominated action in the second half building up an insurmountable lead which at one time reached 27 points at 21:54 midway through the second half.

Zake Lorick of Lumberton, NC, hit 17 points to lead the Wildcats, and was followed by Wattie Rhoda of Elizabethtown, NC, with 12 points. Rhoda was the leading rebounder for the Cats grabbing 9 rebounds. Joe Lindsey of Wadeboro, NC was

the only other Wildcat in double figures, hitting 10 points.

The Antelopes, with Higgins leading the way with 19 points, figures: Bruce Hird hit 14 points, with Roger Behrends right behind him with 13 points. Behrends was also the leading rebounder for Kearney, pulling down 11 rebounds. Randy Cipriano and Gregg Grubaugh each had 10 points for Kearney.

Both teams hit a respectable 53 percent from the field, with Wayne State hitting 59 percent from the line and Kearney hitting 81 percent from the

charity stripe.

The Antelopes, behind Behrends' efforts, controlled the boards, pulling down 52 rebounds compared to Wayne State's 38.

The Wildcats, now 5-5 on the season and 1-1 in CSIC action, travel to Fort Hays State on Saturday night.

The Wayne State Wildkittens dropped their fourth straight conference game Friday night, losing to Kearney State 62-45. The Kittens just couldn't keep up with the Lady Lopers, and were trailing 31-22 at the half. Leah Hill led the Lady Lopers grabbed 8 rebounds. Hill hit 44 percent of her shots from the field, 7 of 1, and was perfect from the line, 2 of 2.

Lori Erwin of Concord took her normal role as the Wildkittens' leading scorer and second leading rebounder. Erwin hit 18 points and pulled down 5 rebounds.

The brightest spot in the game was the rebounding of sophomore Julie Petronis of Sioux City, Iowa, who set a new Cushing Auditorium rebounding record with 24 rebounds. Behind Petronis' efforts, rebounding was the only area that Wayne State led in, 46-44.

The Wildkittens are now 4-11 on the season, and 0-4 in CSIC action. They will be playing at Fort Hays State Saturday.

## Swimmers Dunked

The Wayne State College Swimming team ran up against a stubborn Air Force Academy Friday night in Colorado Springs. The Academy defeated the Cats 69-35.

WSC Coach, Ralph Barclay felt the attitude had some kind of effect on the swimmers, but felt it would not have affected the outcome.

Three swimmers from WSC swam well enough to take second place in their respective specialties.

Marty Christiansen of Fremont took second in the 100 and 200 freestyle and the 400 back stroke. WSC's diver John Frick of Arvada, Colorado, finished second in the one and three meter diving competition. Senior Duane Hugo of West Point completed the scoring for Wayne, when he took seconds in the 1000, 200 and 100 butterfly.

Wayne State will be swimming against Colorado College and Ft. Lenoir College today. The swim team's dual record is now 4-3.

## Winside Girls Dump Wausa For Sixth Win Of Season

The Winside girls basketball team got back on the winning trail Friday night by dumping Wausa 51-22 to end a three game skid in the toughest part of their schedule.

Winside opened up a 14-2 first quarter lead and after that the game was never close. The Wildkittens led 24-6 at half and 31-16 after three quarters before outscoring Wausa 20-6 in the final period.

Krisi Duering and Kathy Thomas shared scoring honors with 12 points each. In addition, Thomas collected 16 rebounds and Duering added 12.  
Kathy Thomas and Krisi Duering did an outstanding job under the boards. Winside coach Kathy O'Connor said, "And the rest of the team did a

good job getting the ball to them."

Andrea Mann led her team in assists with five while Kathy Thomas had seven steals to lead that department. Kim Dawson led Wausa with nine points.

Winside is now 6-4 and will host Wakefield tomorrow (Tuesday) at 6:30 p.m.

Family Planning Classes Slated

A series of four classes in Natural Family Planning is being sponsored by the Norfolk Knights of Columbus Council 1973, beginning Sunday, Jan. 22.

The continuing sessions will be Feb. 25, March 25 and April 29, all from 2 to 4 p.m. The first session will be held in the Sacred Heart Church basement.

All other sessions are scheduled at the Knights of Columbus, Hall, 110 Elm Ave.

Any couple, whether married or about to be married, of any denomination, is welcome to attend this series.

For more information, contact either Mr. and Mrs. Larry Throner, 371-3558, or Mr. and Mrs. Ron Vavak, 371-8656.

Natural Family Planning classes are provided by the Couple Couple League, a nonprofit non-denominational organization, founded in 1971 to provide Natural Family Planning series across the country.

Natural family planning refers to the practice of spacing pregnancies according to an awareness of woman's fertility by developing an understanding of certain signs and symptoms which indicate her fertility or infertility.

## Touching Up On Skates

WHILE MOST people complained about the recent ice storm and slippery driving, these two Wayne State students took advantage of the weather to do some ice skating. Jeanie Ramold, left, and Karen Forrester skated on the ice pond between the college and Providence Medical Center, during a break between classes Friday afternoon. After warming up, the two demonstrated their abilities with fancy skating. Even the best skaters don't stay on their feet all the time, as Karen proves above.
