The 'Pigeonhole Parade' is Underway with a Big Winner!

CAREFULLY SELECTING an envelope from the official pigeonhole box is Mrs. Esther Hughes, Wayne, Birthday Bucks consolation winner who is the first to lead off the "Pigeonhole Parade."

A MOMENT of suspense as Mrs. Hughes opens the envelope which she selected under the watchful eye of Jean Nuss of the Ben Franklin Store where Mrs. Hughes was shopping when the date was announced.

IT WAS A HAPPY and profitable selection for Mrs. Hughes as evidenced by Nuss. The envelope contained a \$75 prize in Birthday Bucks. The "Pigeonhole Parade" is a new twist to the popular Birthday Bucks promotion.

Must Meet Standards

Expect Increase in Sewer, Water Rates

While gasoline prices are expected to take a jump in the not-so-distant future, Wayne residents can also expect an increase in their water and sewer rates.

Darrell Brewington, city administrator, said the two departments have been losing money for the past three years

and if the rates aren't increased they will continue to lose money. These financial facts were touched upon during the regular meeting of the Wayne city council Tuesday night when the subject of the wastewater treatment facility was examined as a part of the agenda.

The present facility is in violation of federal and state standards and the city has been advised they must "do something" about the situation.

The council has been aware of the deficiency for some time and they have taken preliminary steps to affect a remedy. Engineers have recommended expanding the present lagoon

system with land use application. All of this takes money and with all the reserves depleted the city does not have the necessary funds to insure meeting operating costs, funding the debt service of a bond ordinance which must be passed to bring about the necessary changes at

the facility and to meet the "escalating costs of doing business." "This is something that must be dealt with in the very near future," said Brewington. "The federal agency can place a moratorium which would prevent any future connections to the sewer system because it

would mean polluting South Logan Creek." He pointed out this would inhibit the growth of the community which seems to be on the upgrade. Brewington went back into the records to point up the losses in the sewer operation. In 1976 the net operating loss was \$12,000. In 1977, the city ran out of reserves and the loss escalated to \$18,594. Because of the lack of reserves and steadily increasing inflation, the loss in 1978 was \$36,719.

Brewington said he has been in contact with Phil Lorenzen, fiscal officer for the city with the Mid-America Bank of Omaha. "He has advised us that we must get our rates up to the point where we are meeting operating costs as well as taking into consideration continuing inflation factors before the city can expect to sell a quarter of a million dollars in bonds to finance the expansion of wastewater facility."

"This can mean only one thing—a raise in sewer rates," Brewington pointed out. He commented that it has been several years since sewer rates were raised. The water situation is deteriorating in that something will have to be done to city wells. "This again is going to take capital expenditures in an area where there has been a deficit since 1977," Brewington explained. He said because of relatively good reserves, the system was \$4,700 to the good at the end of fiscal 1976 but then the reserves were depleted and the department began to operate in the red beginning with a net operating loss of \$20,000 in 1977. The downward trend continued in 1978. See RATES, page 12.

Mike Braden Needs Help

A fund has been established at the Security State Bank in Alten for little Mike Braden, six and a half-year-old son of Mr. and Mrs. Gary Braden of Wayne, and grandson of Mr. and Mrs. Jerry Chapman of Allen.

Mike, who suffers from a blood disease, is a patient at Clarkson Hospital in Omaha. His condition required surgery last week for the removal of his kidneys and spleen. Mike is now on lifesaving machines awaiting the transplant of a kidney.

Funds for Mike have also been set up at the First National and State National Banks in Wayne.

Peoples Gives City \$7,302.80

The city coffers were enriched by some \$7,302.80 at the regular meeting of the city council Tuesday night when Keith Mosley, manager of the Peoples Gas Company, presented the check to the city.

The check represented three percent of the gross revenue from natural gas sales in the City of Wayne from July to December of last year. The check is to be used to "encourage the economic development of the City of Wayne." Mosley also is a city council member from the Third Ward.

Board Rehires School Heads

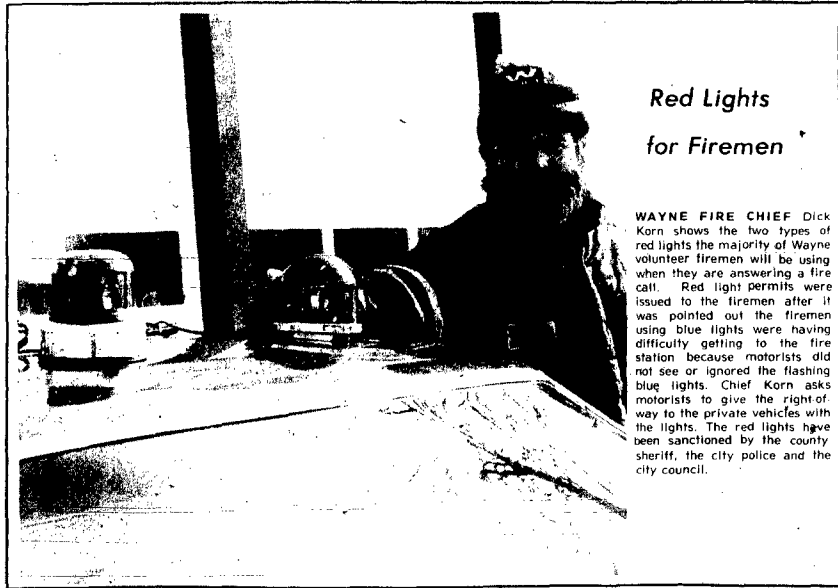

The Wayne-Carroll school board of education Monday night voted to re-hire David Luff, elementary principal; Richard Metteer, middle school principal; and Don Zeiss, high school principal.

The approval came on recommendation of Supt. Francis Haun.

He pointed out the vote was to re-hire the administrators and did not salaries.

Monday Closings

Federal, state and county offices will be closed Monday, Feb. 19, for George Washington's birthday include the ASCS office and the Wayne county courthouse.

Red Lights for Firemen

WAYNE FIRE CHIEF Dick Korn shows the two types of red lights the majority of Wayne volunteer firemen will be using when they are answering a fire call. Red light permits were issued to the firemen after it was pointed out the firemen using blue lights were having difficulty getting to the fire station because motorists did not see or ignored the flashing blue lights. Chief Korn asks motorists to give the right-of-way to the private vehicles with the lights. The red lights have been sanctioned by the county sheriff, the city police and the city council.

Held Up for 2nd Reading

Parks Ordinance Bugged Down by Time Element

Recreational park areas in new sub-divisions in the City of Wayne have not yet found their place in the city's ordinances.

An ordinance providing for land or monetary fees by subdividers passed the first reading Tuesday night at the regular meeting of the city council. However, it failed to get the three-fourths majority to dispense with readings at three separate meetings and it will be read again at the next council meeting.

The delay is making at least one sub-division unhappy. Although he had a special meeting Wednesday with City Administrator Darrell Brewington, Bob Vakoc of B and J Enterprises, developers of a new subdivision in the east part of town to be called Sunnyview Addition,

said that until the ordinance is passed in one form or another, his company cannot proceed with the development.

"The building season is nearly here. See PARKS, page 12.

Project Empathy

"People can always learn something new about themselves if they look hard enough," commented Wayne-Carroll School Board President Wilbur Giese following a short presentation of a new method of evaluating teacher candidates. The presentation was made Monday night by Dr. Francis Haun, superintendent of the district, during the regular monthly

meeting of the school board. Dr. Haun just completed a two-and-one-half day orientation on "Project Empathy" which qualifies him to administer the evaluation test.

"I'm not entirely convinced that we should incorporate the testing procedure into interviewing candidates for teaching positions within the district, but it certainly seems to have merit," Dr. Haun commented. While no definite decision was made regarding the procedure, it captured the attention of the board members during the brief explanation. The procedure was developed by researchers in Omaha Public Schools through federal funding over a three year period. The name "Empathy" evolved from the theme of the research:

City Council Accepts Sewer Extension Project

Sewer Extension District 77-1 has been certified as being completed by the city engineer and the city council voted by resolution to accept the project.

The city also approved a resolution for final payment to Midwest Bridge and Construction Company, Norfolk, general contractor for the interceptor line. City Administrator Darrell Brewington pointed out the warrants would amount to \$38,793.98 as the final payment. He said, however, that Midwest Bridge has agreed to reimburse the city more than \$4,000 for work done

by the city to correct deficiencies in the project. The city has made a \$148,000 payment earlier to Midwest Bridge.

The bonds for the final payment were purchased by the First National Bank, Wayne, at 6 percent interest. In connection with the interceptor line, Brewington asked approval of the council to assess undeveloped land in the district on a square footage basis rather than by the lineal foot as is generally the practice. The council agreed to the method of assessment.

Upgrade Phone Service

Telephone customers in the Wayne Exchange have approved a Northwestern Bell proposal to upgrade rural telephone service in the area.

Ken Berglund, telephone manager, said 78 percent of the telephone customers voted in favor of the improvement plan.

The improvement means that all Wayne residents will have one or two party telephone service when the project is completed. Berglund said plans are now underway, but it will be at least a year before all work is complete.

Key Answers Help Determine Above Average Teachers

"Emphasizing More Personalized Attitudes Toward Helping Youth." Through the research, eight "life style themes" emerged as the focal points around which to describe the outstanding teacher. They are: Relationship, Democratic Orientation, Support Drive, Empathy, Student Orientation, Acceptance, Student Success and Work and Professional Orientation.

Following intensive research involving some 387 teachers who volunteered to be interviewed and evaluated, 32 questions were found to discriminate between average and above average teachers. These make up the Empathy Interview.

During the interview, a teacher candidate when asked 1 of the 32 questions is scored on whether or not the answer is like the one the above average teachers gave. These are called the "Listen First" answers.

Dr. Haun said the orientation he attended provided him an opportunity to learn what answers best describe the above average teacher. "We received training to determine from the answer whether or not the answer was better or not the answer. See ANSWERS, page 12.

Selecting winners each month during 1978 from the more than 600-plus recipes submitted to The Wayne Herald during the year wasn't an easy task for the judges.

Mrs. Roy Albertson of Wayne was the Herald's first Recipe-of-the-Month winner in February of 1978 for her, Cauliflower Walnut Bake.

Winners during the months of March and April were Mrs. Bertha Stuhmann of Wayne and Mrs. Nell Sandahl of Wakefield. Mrs. Stuhmann's winning recipe was Meatball Stew, and Mrs. Sandahl submitted a recipe for Lime Delight Dessert.

This week The Wayne Herald announces first place winners and runner-up awards for the months of May, June, July and August. Winners during the remaining months of 1978 will be announced in The Wayne Herald next week.

Each of the monthly winners throughout the year receives a \$25 food certificate from The Wayne Herald to spend with one of Wayne's grocers, including Wittig's Food Center, Rich's Jack and Jill, and Johnson's Frozen Foods.

In addition, the winners' recipes, along with all of the hundreds of other recipes submitted to the newspaper during the year, will be published in The Wayne Herald Cookbook.

The cookbook will go on sale during the Homemakers School this Friday afternoon at 1 p.m. at the Wayne city auditorium. Cookbooks also will be available at the newspaper office and in local grocery stores.

Mrs. George Langenberg

Among the recipes in the cookbook will be one by Mrs. George Langenberg of Hoskins, the newspaper's Recipe of the Month winner for May.

Mrs. Langenberg submitted a recipe for Beehives, which was judged best of all the recipes printed during that month.

The recipe, which Mrs. Langenberg found in a stock paper from Montana, was printed in The Wayne Herald on May 25. "I thought it was good enough to win," she said.

A housewife, Mrs. Langenberg and her husband reside in Hoskins. They have three children, Stanley and Georgie, who both farm at Hoskins, and Mrs. Al (Shirley) Hirschman, also of Hoskins.

Mrs. Langenberg's hobbies include cooking, gardening and crocheting. In addition she is a member of the Highland Home Extension Club, Town and Country Garden Club, and Dorcas Society of the Peace United Church of Christ.

Time Makers, Takers' Is February Lesson

Are you one of those persons who never seems to have enough time?

Mrs. Joycelyn Moody, area home extension agent, says a time management system, along with a realization of "time wasters" in your life, may help you find time for the things that really matter.

Mrs. Moody will be giving the lesson "Time Makers and Time Takers" to representatives of community clubs and interested individuals next week.

Lessons are scheduled as follows:
Feb. 20-1:30 p.m. courtroom, Wayne.
Feb. 21-1:30 p.m., Ridgeview Manor meeting room, Coleridge.
Feb. 22-1:30 p.m., Northeast Station, Concord.
Feb. 23-1:30 p.m., Extension Office meeting room, Walthill.
Feb. 24-1:30 p.m., Dakota City Courthouse meeting room, lower level.

Participants will analyze time wasting habits and learn techniques to use their time more efficiently, including setting goals and daily priorities.

The lesson, "Time Makers and Time Takers," is open to all interested groups or persons. Contact Mrs. Moody at the

Guild Meets

At St. Mary's

St. Mary's Guild met at the church last month with 15 members.

Following committee reports and new business, members were encouraged to become more active in the church community.

Plans were announced for a parish booklet to be given to each family in the church and to newcomers to the parish.

Following the meeting, the Bible study on John 15:16-17, was given by Mary Jo Gross.

Next meeting will be a potluck supper on Feb. 22.

Members of the LaPorte Club will meet this Sunday at 12:30 p.m. for a potluck dinner in the home of Mrs. Walter Chinn.

Russell Lutts

Mr. and Mrs. Russell Luff of Wayne celebrated their 40th wedding anniversary aboard the Norwegian cruise ship Sunward II.

The couple sailed to the Bahamas and Berry Islands aboard the luxury liner, leaving Port of Miami on Feb. 9. They will vacation with their daughter Toots and family in Florida before returning to Wayne in March.

Two sons, Duane and Dee, and their families live at Wayne. There are four grandsons and three granddaughters.

Lutts have farmed in Wayne County since their marriage on Feb. 12, 1939, and presently live one mile east of Wayne.

Minerva Meets

In Witt Home

Twelve members of the Minerva Club met with Miriam Witt Monday afternoon.

Marvel Corbit conducted the meeting in the absence of president Mrs. William Koerber.

Following the meeting, Pauline Nuerberger presented the program, entitled, "Housekeeping As An Art." She quoted from the book "Super Woman" by Shirley Conran.

Next regular meeting will be with Beulah Atkins on Feb. 26 at 7 p.m.

Food Lesson

Given at Club

Mrs. Charles Maier presented the lesson "Your Food Will Be Good and Good For You" at the Tuesday afternoon meeting of the Merry Mixers Home Extension Club, held in the home of Mrs. Lawrence Thompson.

Ten members attended the meeting, answering roll call with the worst thing they have ever eaten. Mrs. Fred Mann reported on new bills in the unincorporated area.

Mrs. Leslie Allemen was honored for her birthday.

Mrs. Kenneth Haller will entertain the club on March 13 at 1:30 p.m.

Omitted from List

A seventh grader at Allen Consolidated School, Michelle Harder, was inadvertently omitted from the list of honor roll students for the first semester, which appeared in The Wayne Herald, Feb. 8.

Miss Harder had the flu at the semester. When her tests were made up she qualified for the honor roll.

LET'S TALK IT OVER

WITH **DARREL FUELBERTH**

Why do home buyers go to a real estate broker? They could simply drive around the streets of the area in which they wish to live and contact home-owners, hoping to find a house for sale. Perhaps the owner could sell it cheaper because there would be no sales commission to pay.

The home buyer goes to a professional real estate agent because he saves time and headaches. The professional agent knows where houses are for sale that meet the buyer's requirements. The agent can also facilitate the sale by his contacts with lending institutions, appraisers or engineers, as needed. He handles all the paper work in such a way that the sale goes smoothly.

Want to sell your house? We know buyers who could be interested. It costs you nothing to come in and "TALK IT OVER," or phone us and we'll come and visit you.

Koll Making Fourth Trip

Winside Qualifies Ten Wrestlers

The Winside wrestling team easily claimed the team title in district wrestling action Friday and Saturday by qualifying 10 of 12 wrestlers for the state tournament.

Winside became the only team to qualify 10 wrestlers for state competition in Class C. While only three other teams in the

state qualified at least 10 wrestlers in their classes. The district success gives Winside a stronghold in its quest for a state championship. Last year, the

Wildcats finished third in Class C. In the process of winning the team title, Winside broke two school records. The team scored

213 points for a new high and qualified one more wrestler for state than in 1975 when Winside won the Class C title with nine wrestlers at state.

Leading the list of qualifiers is Tom Koll, who is the only wrestler in The Wayne Herald area making his fourth appearance at state. Koll won the 145

pound class by winning two matches by decision and one by pin. He was involved in one of the best matches of districts when he decided Legate of Elgin, the number two rated wrestler in state, 4-2 in the finals.

After the first day of districts, Winside held a 46 1/2 to 44 lead over Elgin, but all 12 Winside wrestlers were still in the running compared to eight for Elgin. On the second day, the Wildcats ran away from their competition. "At that time, I was sure we would be able to win the tourney if we wrestled like we should," Reeves remarked.

Doug Jaeger and Tom Anderson placed third and Barry Bowers at 132 captured fourth place. Koch, Jaeger, Barry Bowers and Glassmeyer are all freshmen.

"I'm extremely happy with the whole team," Winside coach Doug Reeves said. "All of the wrestlers have excellent chances to place high and a chance at the number one spot. The competition will be tough but the western teams will have to be awfully salty. We're not looking past any of them. We can do it if we wrestle like we did in districts. We never gave up."

Reeves named Harrison, Hyannis, Mullen and Harward as the teams to beat at state. Harrison has eight qualifiers, Hyannis seven, Mullen five and Harward nine. Shelton, Friend and Elm Creek also stand in the running with eight qualifiers each. "I hope we can come out ahead. I think we can," Reeves added.

"Everyone thought that Elgin would be the team to beat at districts and state but I told them that Winside had more depth and we won by almost 80 points," Reeves stated. Hopefully, Pfeiffer will be number

Winside Takes District Win Behind Strong Second Half

The Winside girls basketball team used a strong second half, Monday night, to roll past Norfolk Catholic 51-37 in the opening round of the Class C-7 districts at Norfolk High School. The win advanced Winside into semifinal round competition against Tilden Elkhorn Valley Wednesday at 8 p.m. Krisi Duering and Marci Thomas teamed up for 27 points and Kathy Thomas pulled down 18 rebounds to lead Winside.

"We played poorly the first half when their full court press bothered us. We had some free throw opportunities but we missed a lot of them," Winside coach Kathy O'Connor said. "We broke the game open early in the third quarter though." Winside shot 38 percent from the field for the evening. Andrea Mann was the assist leader with four. The winners had a strong night at the boards with Thomas grabbing 18 rebounds, Duering, 11; Kathy Thies, 8; Marci Thomas, 8; and Laurie Gallop, 7.

The winner of Wednesday's game is scheduled to play in the finals Saturday at 8 p.m. The winner of that game will play in regionals Wednesday.

An NPPD transmission line crosses Roger Paulman's property southeast of the Gerald Gentleman Station. Here's what he has to say about it:

"We know we have to have more electrical power and we know the power lines must go somewhere...we use a lot of electricity ourselves. The NPPD people have gotten along with us and we've had few problems. Moneywise, they treated us right, and the transmission line, avoided our center pivots. We're getting along with NPPD."

For Roger Paulman, Jr. and many Nebraska landowners, an NPPD transmission line on their property is a symbol of cooperation that recognizes the increasing demand for electricity.

Wayne Wins Wisner Rematch

The Wayne High girls won their second overtime game of the year by nipping Wisner Pilger at home 62-60 Tuesday. Jolene Bennett and Peg Pinkelman scored 22 points each as the Devils defeated Wisner-Pilger for the second time this season. The other win was a much easier one in the West Husker Tourney.

"We had them by six in the first half and lead by 12 at one time in the third quarter but our lead didn't last," Wayne coach Curt Frye said. "This game was a more typical Wayne-Wisner matchup than the first game was. The two teams are good competitors."

Wisner-Pilger tied the game up at 55-55 after regulation play, sending the game into overtime. Wayne outscored the Galorettes 7-5 in the extra period to earn the win, their 12th in 15 games.

Charity Game In Laurel

The charity basketball game between the L.A. 76ers (Laurel High graduates of 1976) and the KTC Short Circuit Circus is scheduled for Saturday at 8 p.m. in the Laurel High gym. Donations will be accepted at the door for a special scholarship in Don Casey's name to be presented to one of the 1979 Laurel High graduates. Don was a senior at Laurel High at the time of his death. The mothers of the 76ers will serve lunch throughout the evening.

Bear Loss Ends Season

The Laurel girls completed their basketball season with a 47-32 loss to Wynot in Class C district action Tuesday night at Plainview.

Laurel led 8-2 with five minutes elapsed in the game, but the Bears hit a cold streak and scored only one point in the next 11 minutes. The cold streak took its toll and Wynot went on to win.

Kay Anderson led Laurel with 12 points and eight rebounds. The Bears' season record drops to 7-8.

Randy's Recap

According to Randy Hascall

THIS IS A BUSY WEEK for everyone at the Wayne Herald with the cooking school, a heavy sports schedule and the usual routine.

Sportswise, it's a very important week for many athletes in the area. Four of the five local high school girls teams competed in districts this week and the Wayne girls head into districts next week.

The area is well-represented at the Nebraska State Wrestling Tournament with 18 high school wrestlers competing today (Thursday). Winside qualified 10 of 12 wrestlers and Wayne and Wakefield qualified four each. Congratulations to all of these wrestlers for a superb job.

WITH THE STATE WRESTLING meet scheduled for Thursday, Friday and Saturday in Lincoln, I'll be devoting most of my time to coverage of that sport. I'll be at the Bob Devaney Sports Complex during most of the meet to give the state qualifiers coverage. Hopefully, in this weekend's edition of the Wayne Herald, readers will be able to follow their high school wrestlers through Friday's competition.

Results from Saturday's finals will be published in next Thursday's paper. Optimistic thinking sees some of our area wrestlers in the finals and consolation finals. I wish them the best of luck.

MEANWHILE, as I'm down in Lincoln, basketball games played Thursday and Friday night will pose somewhat of a

problem but will be covered. Thanks to the rest of The Wayne Herald staff, which will lay out the sports pages and do odds and ends for me, I'll be able to put state wrestling coverage in the spotlight, where it should be.

Taking a look at the State Wrestling Tournament, we can get a picture of who the top teams are going to be. Following is a list of the leading team qualifiers in each class with the number of state wrestlers.

Class A
Columbus, 12; Norfolk, 10; Millard, 9; Kearney, 9; Hastings, 9; Bellevue West, 9; Omaha Benson, 8; Omaha Burke, 8; Omaha Westside, 8.

Class B
Plattsmouth, 8; Lexington, 8; Gering, 8; Falls City, 7; St. Paul, 7; Wahoo, 7; Cozad, 7; Valentine, 6; Mitchell, 6; Central City, 6; York, 5; Elkhorn, 5; Blair, 5; Aurora, 5; Norris, 5; Chadron, 5; Albion, 4; Alliance, 4; Ainsworth, 4; Holdrege, 4; Gretna, 4; Auburn, 4; Seward, 4; Fairbury, 4; Wayne, 4.

Class C
Tekamah-Herman, 10; Wymore Southern, 9; Hooper Logan View, 8; Burwell, 7; Crawford, 7; Fairfield, 7; Dewitt, 7.

Class D
Winside, 10; Harvard, 9; Shelton, 8; Friend, 8; Harrison, 8; Elm Creek, 8; Harrisburg, 7; Hyannis, 7; Kearney Catholic, 7.

There are 37 undefeated wrestlers in the tourney.

WSC WRESTLING COACH, Nick Pederson is beginning to do some heavy recruiting for next year, now that state wrestling tournaments are near. The coach has four sons scouting for him.

JILL STENWALL of Winside, a junior on the Kearney State women's track team, set a new school record in the shot put already. In a dual with South Dakota Saturday, Stenwall won the shot put event with a record of 50 7/8. That breaks the previous mark by almost two feet and is believed to be one of the best in the country this season. That's not a bad start.

Four Wakefield High School wrestlers qualified for the state wrestling meet, by placing in the top four positions of their respective weight classes at districts. The Class D district tourney was held at Elgin Pope John, Saturday.

Blaine Nelson at 138 pounds, Steve Oberg at 145, Mark Schopke at 167 and Mark Muller at heavyweight, are the four wrestlers who will represent Wakefield today (Thursday) at the Nebraska State Wrestling Tournament in Lincoln's Bob Devaney Sports Complex.

Nelson placed fourth; deciding wrestlers from St. Edward and Elgin but losing twice to Smolik of Sargent, The Elgin wrestler was the number two seed in his weight class. Nelson's record is 12-12.

Oberg captured third place by deciding Ludemann of Butte and pinning a wrestler from Spaulding but losing a 4.0 overtime decision to Allemand of Clearwater. His record is now 11-14.

Schopke claimed third place in his weight by beating Akman of Greeley 4.3 and pinning Miller of Winside and a wrestler from Spaulding. His loss was a pin to Ludemann of Butte. Schopke's record is 8-5.

Muller became the final member of the team to qualify for state when he decided Colpack 3-2 and lost to Dugan of Greeley, to place fourth.

Blue Devils Win Game Over Elkhorn, Then Run Into "The Best" At Lyons

The Wayne Blue Devils rebounded from Friday night's loss to Walthill and defeated Elkhorn at home 59-54 Saturday night to get back on the winning trail. The Devils dropped a game to powerful Lyons 98-53 Tuesday night.

In the Elkhorn game, Wayne shot 45 percent from the field,

hitting 26 of 58 shots. Elkhorn shot 31 percent but shot only 47 percent from the field. Wayne held a 33-26 rebounding edge. Tom Ginn was Wayne's leading rebounder with seven.

Wayne took a slight 14-13 advantage after the first quarter and the two teams went into their lockers tied 18-18 at half.

Elkhorn gained the lead 44-40 after three periods but Wayne came back behind the scoring of Jeff Zeiss to get the lead for good. Zeiss pumped in 12 points as high scorer.

"We didn't play a good game. Elkhorn used a good 1-3-1 defense against us and we didn't shoot too well outside," Wayne coach Bill Sharpe said. "We were ahead by six or seven points with three minutes left and went into our delay game. It wasn't a very well played game but we did manage to win."

The Wayne reserves won 57-50 in the opener, led by Tod Heier and Kevin Nissen in double figures. Wayne scorers: Jere Morris, 4; Jeff Sperry, 4; Stu Nissen, 6; Tod Heier, 14; Scott Wessel, 4; Steve Sorenson, 4; Paul Sutherland, 4; Kevin Nissen, 12; Steve Koll, 3; Doug Proff, 2. Team total: Wayne, 26 FG, 5-13 FT, 15 F, 57 Pts. Elkhorn, 22 FG, 6-12 FT, 13 F, 50 Pts.

In Tuesday night's game, Lyons proved to be too tough for Wayne to handle. The number five rated team in the state had too much height with two starters 6-7 and 6-8 dominating the rebounding charts. The Lions jumped ahead 25-12 after the first quarter and kept a comfortable margin for the remainder of the game as they raised their record to 18-0.

The Blue Devils couldn't penetrate successfully and Jeff Zeiss led the team in outside shooting with 19 points. Tom Ginn followed with 13 in the losing effort. "We couldn't get in very close. They're awfully good. They're so big, they beat you to death on the boards. They got lots of easy shots," Sharpe said. "We're never going to play anyone better, no matter how far we go. They have by far the biggest team we've played. Our players were intimidated and didn't play very well. With a top-notch effort, we should have stayed within 20 points. That's about it."

The height advantage showed in the rebounding statistics with Lyons grabbing 52 rebounds and 29 for Wayne. Tom Ginn and Perry Nelson were the board leaders for Wayne with nine rebounds each. The Blue Devils shot 32 percent from the field to 47 percent for Lyons. The loss drops Wayne's record to 11-7. The Blue Devils are scheduled to play at Pierce Friday and

host West Point Tuesday.

The Wayne reserves posted their 12th win in 14 games by downing Lyons 50-44. Jere Morris and Tod Heier led the JV team with 12 and 11 points each. Scorers: Morris, 12; Jeff Sperry, 6; Heier, 11; Stu Nissen, 6; Scott Wessel, 2; Steve Sorenson, 9; Paul Sutherland, 11; Kevin Nissen, 3.

Trojan Girls End Season

The Wakefield girls basketball team completed its season with a 4-11 record, losing to Pender 54-41 in the first round of district action Monday night at West Point.

The Trojans were within one point after the first quarter but fell behind by six 26-20 at the half. Kelly Murphy led the young team with 18 points but Pender was too tough. Kathy

Gustafson led the rebounding department with 14, followed by Jolene Bartels with 8.

Wakefield shot 32.7 percent from the field and a high 80 percent in 10 trips to the free throw line. Janet Essmann was the determining factor, scoring 25 points for Pender.

"I saw a lot of improvement this season, I'm looking forward to a good season next year. With all five starters back, the team should be good," Wakefield coach Elsie Studer said. "We're not losing many players compared to the other teams in the conference so we should do well in conference play."

"The girls worked as a team this year," Studer continues. "They were young and lacked confidence but next year they should come through." Susan Miller is the only senior on this year's squad.

Hazard To Be A Fan?

Ultraviolet light burns while watching a basketball game?

That may sound strange but an estimated 20 persons suffered the peculiar effects following a basketball game between Wayne High and Hartington Cedar, in the finals of the West Husker Tourney played Saturday, Feb. 3.

People have been watching basketball games for years without contracting ultraviolet burns, so why did it happen this time?

Wayne High principal Don Zeiss explained that one of the mercury vapor lights in Wayne High's gym wasn't working properly. Apparently the outer shell of the light bulb was broken but the filament continued to burn. The light continued to light up and ultraviolet rays focused into the crowd.

A group of persons sitting in a section of the bleachers felt pain in and near their eyes on the following day and experienced vision problems. The fans received eyedrops from their doctors for the "sunburn" effect, which lasted three to four days.

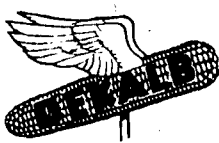

Needless to say, after discovering the cause the light bulb was replaced immediately Monday morning.

Wakefield Trojans Win Shootout Over Oakland-Craig Tuesday

In a game that Wakefield coach Joe Coble termed, "a real shootout," the Trojans ran past Oakland-Craig 80-73 Tuesday night on the road.

Tom Preston had the hot hand for Wakefield as he scored 26 points, by hitting 11 of 14 shots from the field and made five assists. Scott Hallsford scored 22 points in the offensive affair. Doug Starzl scored 12 and made 13 rebounds.

Wakefield shot a blistering 65 percent from the floor but didn't have an easy path to victory. The Trojans opened a big lead in the first half and went into the locker room ahead 49-39. But before long, Coble found his club behind by two points.

"We had to win twice. We led by 13 in the second quarter and by 10 at half but when I looked at the scoreboard late in the third period, we were down by two," Coble said. "We held our poise and went ahead, taking a five-point lead with three minutes left and winning by seven."

Coble had nothing but praise for Preston but was disappointed with the team's defensive performance. "Preston played a fabulous ball game. He hit 11 of 15 from the floor for a super game. I'm real happy with the defense but not happy with too many points. Yet, it was a good win on the road."

The Wakefield reserves lost 45-42 in the opener. Scorers: Dean Miller, 15; Ricky Guy, 6; Jeff Hallstrom, 5; Brent Kahn, 7; Loren Erwinson, 2; Doug Verplank, 4; Vaughn Nixon, 3. Reserve record: 8-5.

WSC Wrestlers Meet Stiff Competition

By BRAD WIELAND
WSC Sports Information Assistant

Coach Nick Pedersen's wrestlers ran into their stiffest competition of the year at the NIAA Regional tournament held the past weekend in York, Pa. Wayne State finished seventh in the 14 team tournament.

Pedersen said, "The tournament featured some of the best quality and quantity of wrestlers. WSC has competed against so far."

Freshman Dan Heeren of Haverdale, Ia., was the Wildcat's only first-place finisher in the tournament. Heeren, competing in the 150-pound weight class, decided all three opponents to reach the finals. In the finals, Heeren defeated Luke of Northern Pa. to claim first of his class at the tournament.

Don Schernikau of Beaver Crossing came home from Yankton with a third-place finish in the 126-pound match. In

first round action, Schernikau defeated Kreks of Yankton to send him into second round competition where Schernikau lost to Joslyn of Huron. Schernikau then had to come back to wrestle Doberstein of Kearney in the consolation match. Schernikau defeated Doberstein 8-4 to set up his match with Ron Schauls of Midland. Schernikau pinned Schauls to attain third place in the consolation match.

Heavyweight Ron Berrie of Davenport, Ia., got revenge for two earlier draws in the season against Midland's Rick Johnson in the fourth round. Berrie came out on top 3-2 to advance him into a battle for third place. In the consolation match, Berrie lost to VanderLugt of Northern bringing home a fourth in heavy weight class.

Wayne State's next action will be in Kearney on Feb. 21 in district competition WSC completed its regular season with a 12-8 dual mark.

Rec Leagues Past The Halfway Mark

In the sixth week of B League Recreation basketball games, Teams One, Four and Six picked up victories.

Team One rallied in the fourth quarter to defeat Team Two 68-64 Tuesday night. Team One led 18-10 after the first quarter and 30-29 at the half but Team Two, led by Fritz Weible, Larry Creighton and Bob Krueger, scored 24 points in the third period for a 53-49 lead.

Doug Sturm, Bruce Johnson and Denny Stroh sparked the fourth quarter rally which led Team One to its sixth 31 win in six games. High scorers for Team One were: Johnson with 20 points, Stroh, 14; Sturm, 13; and Bob Nelson with 13. Weible led Team Two with 26 points, followed by Krueger with 18 and Creighton with 14.

Team Four took a second quarter lead and held on to win its sixth straight game, 60-57 Tuesday night. Don Larson led Team Four with 28 points including seven in the third quarter and 10 in the fourth. Ted Ellis added 14 for the winners.

Earle Overin scored 20 points for Team Five, followed by Dave Schulte with 17 and Lynn Lessmann with 13. Team Five held a slim 16-15 lead after the

first quarter but fell behind in the second quarter and couldn't get ahead.

Team Six pulled away from a first quarter tie and increased its lead for a 47-34 victory over Team Three.

Roger Langenberg sparked Team Six with 11 of his 17 points in the second half. Robin Floor and Maurice Boeckenhauer added 10 points for the winners, who upped their record to 4-2.

Team Three was led by Moe Green with 10 points as their record fell to 1-5.

Team One (2-4) — Nelson, 13; Sturm, 13; Johnson, 20; Geise, 8; Stroh, 14. Team Two (3-3) — Weible, 26; Creighton, 14; Jacobsen, 4; Krueger, 18; Wag gone. Team Four (4-0) — Larson, 28; Donohoe, 8; Leach, 4; Ellis, 14; Weidit, 4. Team Five (2-4) — Lessmann, 13; Anderson, 4; Schulte, 17; Arneson, 3; Overin, 20. Team Six (4-2) — Floor, 10; Boeckenhauer, 10; Langenberg, 17; Weber, 2; Tomlin, 8. Team Three (1-5) — Daehnke, 2; Green, 10; R. Nelson, 8; Cornish, 8; Staffer, 6. Allen Girls Win Lewis and Clark

The Allen girls basketball team staked its claim as best in the Lewis and Clark Conference by downing Hartington in a battle of division champions, Saturday. Allen won the Lewis

Division title and Hartington captured the Clark Division crown to set up the matchup.

The game, Saturday night, in Wayne State's Rice Auditorium

was a hard-fought defensive battle, involving stall tactics by Hartington. Allen won the game, 31-18.

Hartington started out on top but Allen didn't let the Wild-

kittens get far. The Eagles held an 8-7 lead after the first quarter. The game was slow-moving in the second period as the two teams became engaged in a defensive battle. Offensive

penetration by both teams was limited as both teams played deliberately and passed the ball around.

Stacey Koester scored on a full court drive to score with five seconds remaining in the half for a 12-12 tie.

Hartington took possession of the ball in the second half and went to its delay game. The Wildkittens stalled away three minutes and it looked like the score might remain tied at 12 points after three quarters.

Finally, Hartington took a shot and missed. The Allen zone prevented Hartington's top scorer, Julie Herbolshelmer, from penetrating most of the night. Two baskets and a free throw out Allen on top 17-16 after three quarters of play.

Finally, in the fourth period, Lisa Erwin, who was unusually cold shooting, and Stacey Koester, who hadn't shot much, came back to life. A conference and led them to a big win. Hartington's full court press allowed Allen to score on fast breaks for 14 fourth quarter points and a 31-18 win.

Koester completed the game with 12 points and Erwin added 10 as Allen's regular season came to a close with a 12-0 record. Lisa Erwin grabbed 13 rebounds while Pam Brownell followed with 12 and Koester had 11.

"We were glad to win it. We played an excellent defensive game," Allen coach Steve McManigal said. "Their record was 14-2 and we did a tremendous job stopping them. We

quicker our pace in the fourth quarter and played a more comfortable game. A conference championship is a big win."

In the boys division that followed, Hartington defeated Wakefield 63-50 to win the Lewis and Clark Conference championship. Joe Hansen and Russ Hegerl led the Wildcats with 18 and 17 points respectively while Chris Waltz scored 14 and Tom Goetz added 10. John Miller led Wakefield with 18 points.

Wayne State Keeps Playoff Hopes Alive

BY DARWIN RUBECK
WSC Sports Information Asst.

Wayne State's Wildcats kept their playoff hopes alive Monday, downing the Peru State Bobcats 43-18 at WSC. The Wildcats ended a three-game losing streak and upped their record to 10-12 overall and 4-6 in CSIC action.

"The boys played a little sloppy, which is to be expected after a long road trip, but they played with a lot of heart and that's what really counts," Wildcat coach Bill Ivey said.

Wayne will play Chadron State at Chadron, Feb. 27, to determine which of the two teams will make the NIAA District 11 playoffs. They are tied for second with 4-2 records in the Nebraska College Conference.

The relaxed play was only apparent in the passing of the Wildcats, not in all aspects of the game. The Cats were not called for a foul until 14 minutes of the first half had passed.

Zack Lorenz of Lumberton, N.C. and Willie Summers of Hamlet, N.C., each hit 14 points to lead Wayne State. Willie Rhoda was the only Wildcat to go to the free throw line. The game's leading scorer, Dan Shouse of Peru, had 20

points. Shouse came into the game averaging 28 points per game, which was second best in the NIAA. Doug Jones was the only other Bobcat in double figures with 12 points.

Julie Petronis of Sioux City, Ia., led the Kittens in scoring with 12 points and Ann Hamling of Columbus was the top Kitten rebounder with 8 rebounds. Lynne Larson of Irwin, Iowa, added 10 points to Wayne's offense. Larson, re-injured an ankle at the end of the game.

Pitt Tops Cats
Bob Reeson of West Point and Wattle Rhoda of Elizabethtown, N.C., both performed well against the Gorillas, but the Cats were downed 70-70, Friday at Pittsburg, Kan.

Reeson led the Cats in both scoring and rebounding, trying his Wayne State career high of 22 points and grabbed 13 rebounds. Rhoda added 18 points and 10 rebounds to the Wildcat effort.

Greg Wolf of Pittsburg led all scorers with 27 points and was followed by Gene Daniels with 22 points.

Sunny York hit 25 points in leading the Lady Gorillas to a 70-43 win over the Wildkittens Friday.

Wayne State hit only 28 percent of their shots from the

field while Pittsburg hit 49 percent.

Lori Ervin of Concord led the Kittens with 11 points and Julie Petronis of Sioux City, Iowa, grabbed a game leading 13 rebounds.

The Wayne State Wildcats dropped two CSIC games on the road this past weekend. The Cats were downed by Pittsburg State 70-70 Friday at Pittsburg, Kan., and by the Missouri Southern Lions 88-69 Saturday at Joplin, Mo.

The Wildkittens were also defeated on the road by the same schools. The Lady Gorillas stopped the Kittens 70-43, Friday and the Lady Lions ran away with 79-47, Saturday.

Phil Close, of M. Southern, the game's leading scorer, poured in 27 points, 20 of those in the second half, as Missouri Southern exploded from a half-time lead of 39-35 to down the Cats 88-69 Saturday.

Wattle Rhoda of Elizabethtown, N.C., hit 19 points in the first half, but was held scoreless the second half.

Julie Bellar of Wakefield was the bright spot for the Cats. Bellar sat out eight games this season with a broken bone in his right hand, but came back Saturday to hit 6 for 6 from the field and 1 for 2 for 14 points, second high for the Cats.

Young Allen Girls Route Beemer

Lisa Erwin and Stacey Koester teamed up to score 30 points and led the Allen girls basketball team past Beemer in the second round of Class D districts 52-21 Tuesday night in Pender.

Seniors Susie Erwin and an injured knee and Pam Brownell, with an injured ankle, missed much of the game, but the younger players took over well.

A big second quarter outburst of 22 points to 3 for Beemer broke a first quarter tie of 8-8. Erwin and Koester led the attack but eight other girls

scored for the Eagles as they took complete control in the second and third quarters.

"We lost two seniors with injuries, but the rest of the team played super. We opened up in the second quarter as well as ever," Allen coach Steve McManigal said. "The key to the easy victory was that the young girls ran the fast break awfully well."

Erwin and Beth Stalling led the team with 12 and 9 rebounds respectively. The win advanced Allen into semifinals of districts

against Bancroft Wednesday at 8 p.m. The finals are scheduled for tonight (Thursday) at 8 p.m.

Baked Valentines Exchanged At Carroll Woman's Club

A baked Valentine exchange was held at the Thursday afternoon meeting of the Carroll Woman's Club, held in the club room.

Theme for the day was "Loving" and the group sang "Memories" and "Smiles," accompanied by Mrs. Edward Fork. Mrs. Lem Jones was music leader.

Fourteen members and a guest, Mrs. J.C. Woods, attended the meeting.

Following the flag salute, president Mrs. Lynn Roberts conducted the business meeting. The secretary and treasurer's reports were read by Mrs. John Swanson and Mrs. Merlyn Kenny.

Mrs. Swanson announced that a cooking school will be held in the Wayne city auditorium Friday, Feb. 16, beginning at 1:30 p.m.

The group voted to again co-sponsor a Carroll girl to attend Girls State at Lincoln in June. The Girls State choice also is sponsored by the American Legion Auxiliary.

Mrs. Martin Hansen read a poem, entitled "Before It's Too Late," and Mrs. John Swanson read "Celebration of St. Valentine's Day."

Hostesses were Mrs. Merlyn Kenny, Mrs. Esther Batten and Mrs. Ellery Pearson.

The group will make tray favors at the next meeting, set for March 8. Each member is asked to bring a scissors.

Junks Home

The Arnold Juncks returned home Friday evening following a tour in the southwestern United States, which began Jan. 26.

Twenty six persons were in the tour group, which visited Arizona, New Mexico and Old Mexico.

Juncks also visited in the John Rethwishes of Carroll, who are spending the winter in Mesa, Ariz. En route home the tour took them to Grand Canyon.

Meet in Jones Home

Mrs. and Mr. Lem Jones were hosts for the Friday evening meeting of the Happy Go Lucky Pitch Club.

Prizes were won by the Don Davises, the Clair Swansons and Mrs. Edward Fork.

Arnold Juncks will be hosts for the Feb. 23 meeting.

Luncheon Held

Mrs. Phyllis Hamm entertained at a 1 o'clock luncheon Feb. 6 honoring Mrs. Ralph Olson.

Olsons are moving to Wayne following their recent farm sale. Guests for the luncheon included Mrs. Richard Sieken of Wayne, Mrs. Darrell French, Mrs. Merlyn Kenny, Mrs. Ervin Wittler and Mrs. Olson.

Receive Funds To Pay Bills
Keith Taylor, Executive Director of Goldenrod Hills Community Action Council, announced this week that the agency has received emergency funds to help pay outstanding fuel and utility bills for qualifying households.

The agency serves Wayne County.

Taylor said that the emergency money is available to low income households who may have suffered financial hardships because of the severity of the past winter.

The emergency funds can be used for a variety of purposes including the payment of outstanding heating and utility bills; blankets and warm clothing; temporary loan of space heaters; emergency furnace repairs; replacement of broken windows; etc. and even the payment of outstanding doctor bills, which were left unpaid, so as to pay a heating bill.

Households who received emergency assistance in the past are not prohibited from again getting help, Taylor said.

The maximum amount of money available to each household is \$250.00.

For further information in this area, Taylor suggested contacting Goldenrod Hills CAC, Outreach Worker, Betty King, 375-1657.

Plan Two Soil Survey Meetings

The long awaited soil survey book for Dixon County will be handed out to farmers, or other interested persons at two meetings this month.

Both meetings will be held on Thursday, Feb. 22. A meeting in Ponca will be held at 9:30 in the firehall and a meeting in Wakefield will be held at 1:30 in the Legion Hall.

According to Bill Yost, District Conservationist with SCS, the soil scientist made this survey to learn what kinds of soils are in Dixon County, where they are located and how they can be used.

They went into the County knowing they likely would find many soils they had already seen and perhaps some they had not.

Two new soils were discovered and were named Maskell and Aowa.

Information in the survey contains such things as: Use of soils for construction materials, sanitary facilities, building site development, recreational development, wildlife habitat potential, windbreak and environmental plantings and crop and pasture yields.

The meetings are for both farm and non-farm people.

viewee is likely to be an above average teacher which we are looking for in the Wayne Carroll school district." He hastened to point out to the board members to refer back to the "Life Styles" in order to get a perspective on "What is a good teacher?"

There are several kinds of open ended questions in the interview. The interviewer asks the candidate how he or she does something in teaching. This allows the candidate to talk about methods or techniques.

Or the interviewer asks what the candidate's beliefs or attitudes are toward a particular idea. The answer reveals something about his or her value system. The applicant answers a third kind of question about classroom situations. Situational items make it difficult for candidates to contrive answers.

Dr. Haun explained that to hire teachers, administrators traditionally examine candidates' credentials and interview

Area ASCS To Meet Here

Some 400 ASCS County and Community committees from throughout Northeast Nebraska will be in Wayne Friday for an orientation.

Ray Butts, manager of the Wayne County ASCS office, said the day long orientation will be held at Wayne State College and will involve high level ASCS officials.

He said the State ASCS committee will be on hand as well as State Executive Director Glenn Kreuzer. Program specialists from the State ASCS office will conduct the orientation.

He said administrators often admit to doing most of the talking in an interview and finding out little about the candidate as a successful teacher.

He commented Project Emphaty might be another tool to be used in choosing the best teachers for the positions.

Rates—

with a loss of \$28,541.

All of this means rate increases in both sewer and water, Brewington said. "It has gone on too long without something being done to adjust the rates. Now we have no choice," he commented.

Parks—
(Continued from page 1)
here and we have to get the operation on the road." Vakoc explained. Although the Sunnyview plat was approved by the planning commission, the ordinance providing for parks will require it to be brought before the commission again.

"I hope we can present it to the commission at its monthly meeting this month," Vakoc stated. "It's very important to us and the type of housing we're planning should be important to the community." Vakoc was referring to medium-priced housing.

He said he is not in conflict with the intent of the ordinance, although he feels the percentages might be a little high.

The ordinance provides mandatory dedication for park, rec

ational and open spaces for sub-divisions of land in the city and within its zoning areas: requirements for mandatory dedication of real estate; requirements for fees in lieu of mandatory dedication of real estate and requiring direct fee payment as prerequisite.

The ordinance provides for 9 percent of real estate or 7 percent of direct fee payment.

Darrell Brewington, city administrator, said the national average for real estate is 10 percent. He pointed out, however, that the key is to provide parks for the future.

He said he felt the percentage of real estate and direct fee payment was too close and that developers might decide to pay the fee rather than provide the real estate. "We're interested in making available neighborhood parks in future sub-divisions. If we don't do it now, we may never get it done," Brewington said anything below 7 percent would be "self defeating."

Vakoc echoed Brewington's sentiments, stating it was the intention of his organization to make Sunnyview a "community within a community."

Brewington recommended to the council they adopt the ordinance as it was written. However, Councilmen Sam Heppburn, First Ward and Darrel Fuelberth, Second Ward, voted against suspending the rules for readings of the ordinance.

Fuelberth said he wanted more time to examine the ordinance and to allow other developers to have the opportunity to lend input which might cause the ordinance to be changed.

Rescue Squad Reports on 1978

The Allen-Waterbury Rescue Squad recently released a report on its activities during 1978. According to a spokesman for the rescue unit, 16 men and women were listed as certified ambulance attendants.

The attendants, along with members, served the communities by responding to 53 calls for ambulance and rescue service. Of those calls, 35 were term emergencies and 16 were non-emergencies. Nearly 100 hours were spent answering the 53 calls.

These were 25 calls outside of the Village of Allen and 18 within Village limits. Following expenses, the squad was able to deposit \$500 in savings, which brings the total savings to \$4,100. This money is earmarked for new equipment for a new vehicle. The present unit has been in service since 1972.

Donations during 1978 included \$25 as a memorial for Bus Good and \$369.16 for the purchase of a Rescue Annie, which is used to train persons in cardiopulmonary resuscitation (CPR).

Chicken's Natural Flavor Comes Out In British Cookery

This nation's English heritage has had a strong influence on American cooking. British cuisine is a simple, basic kind of cookery that allows the flavors of the food to come through. And it adapts ideally to chicken.

According to inventories, chicken was among food served by the earliest settlers at Jamestown. And even today, aromas of chicken roasting in the oven often provoke nostalgic memories of "the good old days" when families gathered for Sunday dinner.

Whole stuffed chicken, carved with a flourish at the table, is still the traditional Easter dinner in England. But British cooks, like those in America, long ago discovered the versatility of chicken — the ease with

which it adapts to new ways of preparation and its compatibility with so many different foods. The National Broiler Council has taken two typically British recipes (below) and given them an up-to-date approach without sacrificing any of the traditional forthrightness and quality.

"Roasted Chicken Feast" is a whole broiler-fryer chicken with vegetables cooked in the cavity — a complete meal that cooks in the oven while you're doing something else. It's elegant enough for a fancy dinner yet so simple you'll serve it often to your family. And in true British tradition, it relies on the ingredients rather than spices or sauces for flavor.

African Culinary Heritage Offers New Ways With Chicken

African cooking has influenced American cuisine for over 300 years. That continent itself is immense — a fifth of the world's land surface — and culinary customs are extremely diverse. But throughout Africa, as across America, chicken is an important part of the diet.

In some areas of Africa, chicken (especially stew) is seasoned with fiery spices. In others, it is marinated with fresh lemon juice, as much for tenderizing as for delicate flavor. Peanut sauces are indispensable in West African cooking and goes particularly well with chicken.

African cooks also have invented ways with the banana, coconut milk, cashew nuts and a wide variety of fruits and vegetables. Combinations of these traditional foods with chicken have produced many truly distinctive dishes.

Mary Youngbeck, Homemakers School Home Economist says that according to the National Broiler Council, Americans will average eating more than 40 pounds of chicken each this year. Chicken is both economical and nutritious but it need not be monotonous even when it is served so frequently. Mary Youngbeck will be sharing

National Chicken Cooking Contest

With the 1979 cook-off, the National Chicken Cooking Contest will begin its fourth decade. Chicken is still one of the most versatile and economical foods around. The per capita consumption continues to rise every year and cooks are always looking for new and different ways to prepare it. If you have a favorite recipe that is a little special and a little different, enter it in the 1979 National Chicken Cooking Contest and you just might become \$10,000 richer. That's the top prize to be awarded next July 25, in Charleston, SC, at the 31st annual National Chicken Cooking Contest. Another \$10,000 will be divided among the runner-up recipes.

Deadline for entering is April 1, 1979. Mail recipe entries to Chicken Contest, Box 28158, Central Station, Washington, DC 20005. An entry form is not required, but name, address and phone number must be written on each recipe. If entry form is desired, please send stamped self-addressed envelope to contest address. One may submit as many recipes as desired, but each recipe must be on a separate sheet of paper. Recipes must use broiler fryer chicken and be for approximately four servings. Chicken may be whole or any part or parts, but total preparation time must not exceed three hours. All ingredients must be familiar and readily available. Garnishes are not allowed. Recipes should be simple enough to appeal to most people, but different enough to be exciting.

One person from each state and DC will be selected for competition in the national cook-off. State winners will be determined through state cook-offs or by a judging agency. Judging at all levels will be based on simplicity, appeal, taste and appearance. The contest is sponsored by the National Broiler Council.

You'll hear more about the National Chicken Cooking Contest and receive new recipe ideas using chicken at the Wayne Herald Homemakers School on Friday, February 16 held at the Wayne City Auditorium.

Heat peanut oil in large skillet over high setting. Mix flour, 1 teaspoon salt and 1/2 teaspoon pepper. Coat chicken completely with flour. Fry chicken parts in hot oil, turning to brown evenly for approximately 30 minutes. While chicken is frying, bring chicken broth to boiling. Stir in rice, 1/2 teaspoon each of salt and pepper. Cook rice approximately 20 minutes or until liquid is absorbed. Stir coconut and raisins into rice and recover for 5 minutes over low setting. When chicken is done, remove from skillet. Drain off all peanut oil but reserve drippings. Stir cooked rice mixture into skillet with drippings, mixing ingredients thoroughly. To serve, arrange cooked rice on large platter, sprinkle with chopped peanuts, place fried chicken parts on top of rice. Garnish with fresh orange or mango slices. Serves: 4 to 6.

TANZANIAN CHICKEN
1 small broiler-fryer chicken, cut in serving parts
1 6-ounce can tomato paste
1 2-cup water
2 hard cooked eggs, sliced
1 small onion, minced
2 tablespoons Worcestershire sauce
3 tablespoons peanut butter
1 teaspoon dry mustard
1 teaspoon salt
Dash cayenne pepper

AFRICAN BARBECUED CHICKEN
1 broiler-fryer chicken, cut in serving parts
1 6-ounce can tomato paste
1 2-cup water
2 hard cooked eggs, sliced
1 small onion, minced
2 tablespoons Worcestershire sauce
3 tablespoons peanut butter
1 teaspoon dry mustard
1 teaspoon salt
Dash cayenne pepper

ROASTED CHICKEN FEAST
1 large broiler-fryer chicken, whole
1 teaspoon salt
1 tablespoon lemon pepper
4 small potatoes, quartered
4 small onions, quartered
4 carrots, quartered
4 cups water
Sprinkle outside and inside of chicken with salt and lemon pepper. Stuff vegetables in cavity of chicken; lace or pin cavity shut. Place on rack in roasting pan, breast side down. Pour 2 cups water in bottom of roaster. (Do not allow water to touch broiler-fryer.) Roast at 325 degrees F for 45 minutes. Turn breast side up, add 2 cups water to roasting pan and continue to roast for additional 45 minutes. Serves 4-6.

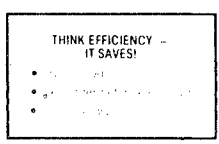

CHICKEN 'N MUFFINS
1 broiler-fryer chicken, stewed
4 tablespoons Blue Bonnet Margarine
1 cup onions, chopped
2 cups fresh mushrooms, sliced
1/2 teaspoon salt
1/4 teaspoon pepper
1 can (10 oz.) cream of chicken soup
6 sour dough English muffins, split, buttered and heated
3 large tomatoes, sliced (12 slices)
1/2 cup Parmesan cheese, grated
Remove skin and bones from stewed chicken, chop meat (3 cups approximately). Melt margarine in large skillet. Saute onions and mushrooms. Stir in chopped chicken and cream of chicken soup. Salt and pepper to taste. Heat buttered English muffins until hot. Spread chicken mixture on hot muffins. Top with slice of tomato and sprinkle with Parmesan cheese. Broil about 5 minutes or until cheese bubbles. Serves 12.

Make and Bake Bread Four Weeks Later

Plan ahead by making Freezer Whole Wheat Bread. Perhaps within the next four weeks it would be a nice gesture if fresh health food bread could be baked and served for several occasions. But finding the time to bake once a week could be a definite problem. If this is your problem, make and freeze this nutritious whole wheat dough, and then remove it from the freezer several hours before it is to be baked to let it thaw and rise. By using this technique, the bread can be baked moments before it is time to be served.

The method involved to prepare the dough to be frozen doesn't require many steps. Just mix and knead the dough; shape it and freeze immediately without letting it rise. When you are ready to use the dough, remove it from the freezer. Let it thaw and rise before you bake it. Surprise your friends and family with the ease with which this deliciously light (once frozen dough) bread was made.

FREEZER WHOLE WHEAT BREAD
(Makes 3 loaves)
1 cup milk
1/2 cup firmly packed light brown sugar
1/4 cup granulated sugar
2 tablespoons salt
1/2 cup (1 stick) Blue Bonnet Margarine
2 1/4 cups warm water (105 to 115 degrees F)
3 packages Fleischmann's Active Dry Yeast
3 cups unsifted whole wheat flour
7 1/2 to 8 1/2 cups Pillsbury's Best All Purpose Flour
Melted Blue Bonnet Margarine
Scald milk; stir in brown sugar, granulated sugar, salt and 1/2 cup Blue Bonnet Margarine. Cool to lukewarm. Measure

warm water into large bowl. Sprinkle in Fleischmann's Yeast; stir until dissolved. Add lukewarm milk mixture, whole wheat flour and 1 cup white flour; beat until smooth. Stir in enough additional white flour to make a stiff dough. Turn out onto lightly floured board; knead until smooth and elastic, about 12 minutes. Cover; let rest on board 15 minutes. Roll dough out to an 18 x 12-inch rectangle. Cut into 3 equal pieces, 6 x 12-inches each. Brush with melted Blue Bonnet Margarine. Stack dough on a greased baking sheet, brushed side up, placing plastic wrap between each piece. Cover sheet tightly with plastic wrap; place in freezer. When frozen, separate pieces of dough and wrap each with plastic wrap. Keep frozen up to 4 weeks.

Remove from freezer. Unwrap and place on ungreased baking sheets, brushed side up. Cover; let stand at room temperature until fully thawed, about 2 1/2 hours. Roll each piece to an 8 x 12-inch rectangle. Beginning at an 8-inch end, roll dough as for jelly roll. Pinch seam to seal. With seam side down, press down ends with heel of hand. Fold underneath. Place each, seam side down, in a greased 8 1/2 x 4 1/2 x 2 1/2-inch loaf pan. Cover; let rise in warm place, free from draft, until double in bulk, about 2 hours and 15 minutes.

Bake on lowest rack position at 375 degrees F about 35 minutes, or until done. Remove from baking pans and cool on wire racks.
To Bake Without Freezing:
After shaping, let rise in warm place, free from draft, until doubled in bulk. (Unfrozen dough will rise faster than frozen dough.)

Be Prepared for Successful Fruit Canning

Have you ever been in the middle of a complicated process like canning fruit and found yourself missing something essential? Of course you have your canner, jars and lids at hand, but make a note now to also have these:

A slotted spoon for packing fruit into jars, a wide mouth funnel for easy, efficient jar filling, liquid measuring cups in two and four cup sizes for pouring hot liquids, a sieve or colander for draining fruit, jar lifter or long handled tongs for safely transferring jars to and from canner, heatable with boiling water, so you can add to water in the canner as it boils away, rack, wooden board or folded towel for cooling processed jars. Fruit-Fresh, to protect and preserve fruit's color, texture and taste; minute timer for processing less than an hour, plenty of clean, dry pot holders, dishcloths and towels.

Make sure of yummy, not yucky results by using Fruit-Fresh, a special protector that "locks in" just-picked freshness and flavor. It's a must for all kinds of fruits, and berries, too. The special Fruit-Fresh formula keeps not only canned fruit from turning brown and mushy, but frozen and fresh served fruit as well.

Here's a new recipe from the Fruit-Fresh kitchen that's a delicious treat, and a sure success with Fruit-Fresh.

PEACH BAVARIAN CREAM
4 peaches, peeled and pitted
1 tablespoon Fruit-Fresh Water
3 packages peach gelatin (3 ounces each)
3 egg yolks, slightly beaten
1 cup (1/2 pint) heavy cream, whipped

Yolks. Stir in remaining peach mixture. Chill until slightly thickened. Fold in whipped cream and beaten egg whites. Pour mixture into a 1 1/2 quart mold. Chill until firm. When ready to serve, dip mold into lukewarm water for a few seconds, tap to loosen and invert onto a serving platter. Serve garnished, if desired, with whipped cream and peach slices. Chill until ready to serve. Serves 8.

Microwave a Pork Chop Dinner
A busy schedule? Limited time for cooking? Try Creole Chops prepared in the microwave and discover how pork fits any taste.
Pork chops cut about one-half inch thick are gently flavored with onion, green pepper, celery, garlic and tomatoes. Turning the dish halfway through the cooking time helps to cook the pork evenly. To determine doneness, test pork in different sections of the dish with a sharp knife or fork.
Remember that when the amount of food cooked in the microwave varies, the cooking time also varies. If you substitute a different size or thickness of pork, adjust cooking time. If you reduce the quantity by half, reduce the cooking time by slightly less than half.
Mary Youngbeck, Homemakers School Home Economist, reports that pork is a sound choice for good nutrition. It is one of the richest known food sources of thiamin and is a good source of the other B vitamins. Pork also furnishes the mineral iron, vital for the formation and maintenance of red blood cells and the prevention of anemia. Today's pork is produced for

Compliments With Pork Risotto

According to Mary Youngbeck, Homemakers School Home Economist, one of the secrets to successful pork cookery is to use a low to moderate temperature. Today's more lean and tender pork requires a shorter total cooking time. A real asset for the busy consumer.

Pork is more than good eating. It is outstanding in nutritive value. It is a major dietary source of the B vitamins, especially thiamin. Pork provides protein of the highest quality. It is also high in iron and is one of the most completely digested and utilized foods. And the weight-conscious can include pork in the diet as there are about 70 calories per ounce in cooking lean pork. More ideas using pork will be shared at the upcoming Homemakers School

sponsored by The Wayne Herald.

You'll like the easy to prepare and tasty Pork Risotto. Complete the meal with spinach salad, hot rolls and apple pie for a real porkfest.

PORK RISOTTO
2 pounds pork shoulder steaks cut 1/2 to 3/4-inch thick
1 tablespoon shortening

1/2 cup water
1 cup long grain rice (not quick cook)
1/2 cup chopped onion
1 can (13 1/2 oz.) chicken broth
1/4 teaspoon leaf Thyme, optional
1 package (10 oz.) frozen peas, defrosted
1/4 cup sliced stuffed olives

Trim meat from bones; cut into serving pieces. Brown meat on both sides in shortening in 10 or

12-inch frying pan. Sprinkle 1 teaspoon salt over meat. Add 1/4 cup water; cover and cook over low heat about 45 minutes or until meat is almost tender. Remove meat from pan; keep warm. Stir rice and onion into pan drippings. Add chicken broth, remaining 1/4 cup water, 1 teaspoon salt and thyme, if used. Bring to simmering stage. Top with reserved pork. Cover; cook over low heat until meat and rice are tender and liquid absorbed. Stir in peas and olives. Cover and heat until peas are tender, about 6 minutes. Yield: 6 servings.

Blend an egg with 1 cup orange juice and 1 tablespoon of honey for a nutritious quick pick-up. Great for breakfast, lunch or a snack.

Meals Come to Life With Vegetables

Do you often find that when you entertain, you spend more time with the stove than with your guests? This can easily happen when you are trying to put a dazzling meal on the table. Peas Pimiento and Cauliflower Tomato Bake are two

vegetable dishes that add color and elegance to your company table. Both provide a delicious way to get vitamins A and C into

your family and friends.

These vegetable dishes do not require hours of preparation time. The cauliflower can be cooked ahead of time and the casserole easily assembled for last minute baking. Peas Pimiento cook in less than ten minutes.

Both vegetable recipes call for Blue Bonnet Light Tasty Spread — an exciting new kind of all-purpose spread. It is made with twice as much natural flavor ingredients (wholesome skim milk) as margarine and contains 25 percent less fat and calories than the finest margarines.

Versatile Blue Bonnet Light Tasty Spread can be used as a table spread, on vegetables, in sauces and for pan-frying, sauteing or broiling. Serve these attractive vegetable medleys the next time you entertain.

PEAS PIMIENTO

- 2 packages (10 oz. each) frozen peas
- 1/2 cup Blue Bonnet Light Tasty Spread
- 1/4 cup minced onion
- 1/4 cup chopped pimiento
- 1/4 cup water
- 1/2 teaspoon salt
- 1/8 teaspoon thyme
- Generous dash pepper

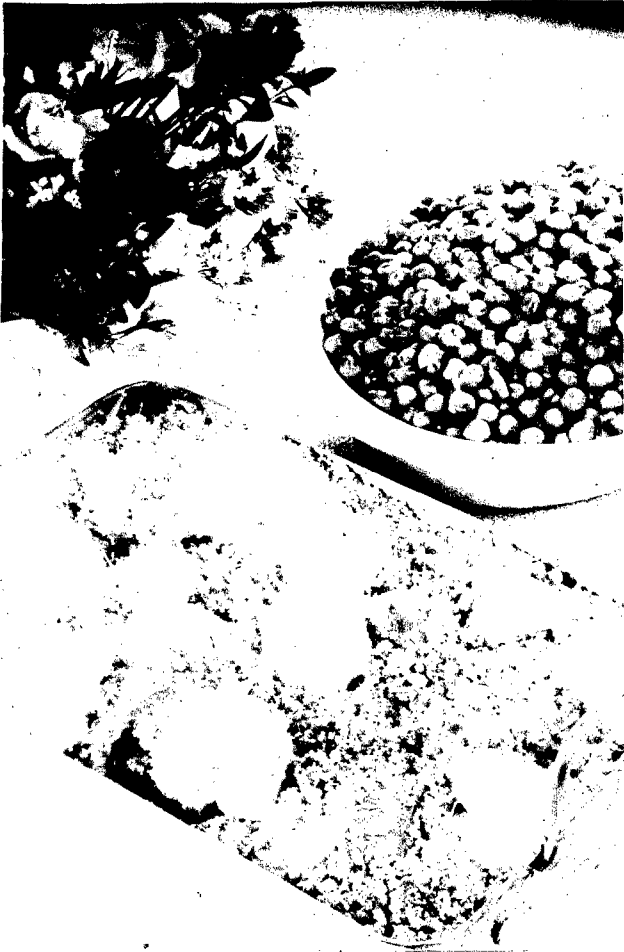

Place peas in a small saucepan. Add Spread, onion, pimiento, water, salt, thyme and pepper. Cover and bring to a boil over medium high heat, separating peas with a fork. Reduce heat and simmer 5 to 7 minutes or until peas are tender. Do not drain. Makes 6 servings.

CAULIFLOWER TOMATO BAKE

- 2 cups water
- 1 1/2 teaspoons salt
- 1 medium head (about 6 cups) cauliflower, broken into florets
- 2 large tomatoes
- 1 cup (4 oz.) grated Swiss cheese
- One third cup Blue Bonnet Light Tasty Spread, melted
- 1/4 cup fine dry Italian flavored bread crumbs
- 1/2 teaspoon seasoned salt

Bring water and salt to a boil in a large saucepan. Add cauliflower; cover and return to boil. Reduce heat and cook about 10 minutes or until tender.

Cut tomatoes into eighths. Arrange tomatoes and cauliflower in a shallow 2 quart casserole. Sprinkle with grated cheese. Combine melted Spread, bread crumbs and seasoned salt until well blended. Sprinkle crumb mixture over casserole. Bake at 375 degrees F about 20 minutes or until done. Makes 8 to 10 servings.

Ring Molds Improve Microwave Cooking

More and more homemakers are realizing the ease and speed of cooking in a microwave oven. They're also noting that the right cooking utensils can make it even better.

Ring-shaped dishes, such as Pyrex ring molds, are excellent for microwave cooking. The hole in the center provides more access for microwaves to reach the food. This eliminates the problem of uneven cooking such as an undercooked center.

Ring-shaped dishes are also ideal for either microwave or conventional cooking because they make the food so attractive.

The Pyrex heat-resistant glass molds allow the food to be served two ways — directly from the dish or inverted out of the mold. Foods must be firm enough to hold their shape if inverted onto another plate. When inverted, the rings can be filled with a variety of fruits or vegetables as with this pasta ring and peas.

Other foods such as hash or casseroles should be served directly from the ring mold.

Attend the Homemakers School on Friday, February 16 and learn about products from Corning.

- TUNA PASTA RING WITH NEWBURG SAUCE**
- 3 cups cooked, drained elbow macaroni
 - 1 can (6 1/2 oz.) tuna, drained and flaked
 - 1 tablespoon instant minced onion
 - 1 jar (4 oz.) pimiento, drained and diced

- 1 teaspoon salt
 - 3 eggs
 - 2 cups (1 pint) half and half
 - 1/4 cup Blue Bonnet Margarine
 - 1/4 cup Pillsbury's Best All Purpose Flour
 - 2 tablespoons dry sherry
 - 1 cup chicken broth
 - Salt and Pepper
- In a bowl, mix macaroni, tuna, onion and pimiento. Pour mixture into 4 Pyrex ring mold greased with margarine. In a bowl, mix salt, eggs, and 1 cup of the half and half until smooth and well blended. Pour mixture over macaroni. Cook in microwave oven, on defrost, for 22-24 minutes, or until ring is firm. Turn dish occasionally during cooking. While ring is baking, melt margarine in a saucepan, stir in flour. Gradually stir in remaining half and half, sherry and chicken broth. Stir over medium heat until sauce bubbles and thickens. Season to taste with salt and pepper. Loosen edges of ring mold and unmold on a large plate. Fill center with desired hot cooked vegetables — peas, green beans, carrots, etc. Spoon sauce over ring. Serves 4.

Conventional method: Bake in preheated 350 degree oven for 35-40 minutes or until firm to touch and puffed.

- BAKED HASH 'N' EGGS WITH CHEESE**
- 2 tablespoons Blue Bonnet Margarine
 - 1 small onion, chopped
 - One-third cup minced green pepper
 - 1/2 cup catsup
 - 2 cans (1 pound each) corned beef hash

- 4 eggs
 - Salt and Pepper
 - 2 slices American cheese, each slice cut into four strips
- In a skillet, heat margarine, and saute onion and green pepper for 5 minutes. Stir in catsup and hash. Spoon hash into Pyrex ring mold (about 5 cups). Cook

in microwave oven, covered, for 5 to 6 minutes. Remove from oven. With the back of a spoon, shape 4 hollows in hash. Drop an egg into each hollow. Sprinkle eggs with salt and pepper. Place 2 strips of cheese crisscross over each egg. Cover and cook another 5 to 6 minutes or until

eggs are set. Let stand for 2 minutes before serving. Serves 4.

Conventional method: Bake with eggs in preheated 350 degree F oven for 20-25 minutes or until eggs are set. Serve from ring mold, garnished with parsley.

Creative Cooks Ad Lib

Like musicians, creative cooks have learned the value of ad libbing in the kitchen. Mrs. Victoria Williams, who credits her new recipes to ad libbing, evolved Cream Cheese and Jelly Bars from an old cheesecake recipe.

The bar won the California homemaker and breeder of Suffolk sheep a trip to a national baking contest. It has flour not crust and a luscious cream cheese filling enhanced with the lively flavor of currant jelly. Smart homemakers know they

can't ad lib with flour storage, because the way it's stored can affect the quality of their baking. All purpose flour will last well for more than a year but it must be kept in a cool, dry place and stored in a moisture and vapor proof container. Whole grain flour should be stored for a maximum of 6 to 8 months under the same conditions. Freezing is advised for longer storage of either flour.

- CREAM CHEESE AND JELLY BARS**
- 2 cups Pillsbury's Best All Purpose Unbleached or Self Rising Flour
 - 1 cup chopped nuts
 - Two-thirds cup firmly packed brown sugar
 - Two-thirds cup Blue Bonnet Margarine, softened

- FILLING:**
- 1/2 cup currant jelly
 - 2 (8 oz.) pkg. cream cheese, softened
 - 1/2 cup sugar
 - 1/4 cup milk
 - 1/4 cup lemon juice
 - 1 teaspoon vanilla
 - 2 eggs
- Heat oven to 350 degrees F (325 degrees F for glass.) (Lightly spoon flour into measuring cup; level off.) Combine first four ingredients; mix until crumbly. Reserve 1 1/2 cups

crumb mixture for topping. Press remainder into ungreased 13 x 9 inch pan. Bake 15 minutes.

Gently spread jelly over partially baked crust. In large bowl, combine remaining filling ingredients; beat 2 minutes at medium speed. Pour filling over jelly layer; sprinkle with reserved crumbs.

Bake at 350 degrees F for 35 to 40 minutes or until golden brown. Cool; cut into bars. Store in refrigerator. 3 to 4 dozen bars.

Store eggs in the refrigerator in their cartons with the large end up. Those handy holders on some refrigerator doors aren't the best storage space because they are subject to too much temperature change. Properly stored fresh shell eggs will stay in good condition for five weeks in the refrigerator.

Swedish-Meatballs— Swedish-American Dish

Swedish Meatballs can be considered one of the exciting hot dishes served at a smorgasbord, widely known as a Swedish-American custom.

Traditional dishes can be exciting to prepare and serve such as the variety of dishes served at a smorgasbord, or the bread-and-butter table. The numerous dishes offered at a smorgasbord are, according to tradition, to be eaten each from a separate plate. Some of these foods one might find at a bread-and-butter table often include fish and egg recipes, cold meats and salads, and hot dishes such as Swedish Meatballs.

Swedish Meatballs are delicious and easy to prepare. Why not prepare this recipe from the test kitchens at Nabisco and see for yourself how easy it is to use Premium Saltnite Crackers from Nabisco in main dishes.

Learn more about the cracker with the "crunch" at the 1979 "Our Best to You!" Home Makers School to be held Friday, February 16 at 1:30.

- SWEDISH MEATBALLS**
 2 tablespoons Blue Bonnet Margarine
 1/2 cup finely chopped onion
 1 egg
 2 cups light cream
 27 Premium Saltnite Crackers from Nabisco, finely rolled (about 1 cup crumbs)
 2 teaspoons salt
 1/2 teaspoon allspice
 1/2 teaspoon nutmeg
 2 pounds ground beef
 1/2 cup vegetable oil
 1 tablespoon Pillsbury's Best All Purpose Flour
 1/2 cup milk
 Chopped parsley (optional)
 Melt margarine in a large skillet; add onion and saute until

tender. Combine egg and two-thirds cup cream in a large mixing bowl; add cracker crumbs and let stand 5 minutes. Add next four ingredients and onion; mix well. Shape into 1-inch balls. Cover and chill at least 3 hours. Heat vegetable oil in skillet. Brown about 10 meatballs at a time, shaking skillet to keep round shape. Drain on paper towels. Place in 2-quart casserole. Pour off most of oil from skillet, leaving brown particles in bottom. Stir in flour; gradually add remaining cream and milk. Cook, stirring constantly, until thickened and smooth. Pour over meatballs. Cover and chill until serving time or overnight. Heat, covered, in a preheated moderate oven (350 degrees F) 35 to 40 minutes or until bubbly. Sprinkle with parsley. Makes about 6 dozen (1-inch) meatballs.

Combine Cinnamon and Sugar

The delicious flavor combination of cinnamon and sugar will make this fluffy sweet roll a family favorite. The original recipe was discovered at a small town bake sale, then made even better by the addition of sour cream and citrus peel.

Either all purpose or unbleached flour can be used in the Sugar and Spice Puffs. Tests by Pillsbury home economists show the flours can be used interchangeably. Unbleached flour is especially good for yeast baking, though, because of its somewhat higher protein level.

The two types of flour differ in the addition of agents during processing. All purpose flour contains bleaching agents, which whiten it but do not affect baking, and maturing agents, which improve its baking characteristics for some products. Although unbleached flour contains neither agent, its higher protein level compensates to some degree for the lack of maturing agents.

Since the differences in the two flours are so slight, choosing which to use is mostly personal preference.

SUGAR AND SPICE PUFFS
 1 cup milk
 1/4 cup water
 1/4 cup sour cream
 3 tablespoons Blue Bonnet Margarine
 3 to 3 1/2 cups Pillsbury's Best All Purpose or Unbleached Flour +
 1 cup rolled oats
 1/2 cup sugar
 1 1/2 teaspoons salt
 1 teaspoon grated orange or lemon peel
 1 package Fleischmann's Active Dry Yeast
 1 egg

TOPPING:
 1/2 cup Blue Bonnet Margarine, melted
 1/4 cup sugar
 2 teaspoons cinnamon
 In medium saucepan, heat first four ingredients until very warm (120 to 130 degrees F). (Lightly spoon flour into measuring cup; level off.)

In large bowl, combine warm liquid, 1 cup flour, oats, sugar, salt, orange peel, yeast and egg; beat 2 minutes at medium speed. By hand, stir in remaining flour. On well floured surface, knead about 5 minutes. (Dough will be soft and slightly sticky.) Place in greased bowl. Cover; let rise in warm place until light and doubled in size, 45 to 60 minutes.

Grease 18 muffin cups. Punch dough down. Divide into 18 pieces; shape into balls. Place in greased muffin cups. Cover; let rise until light and doubled in size, 35 to 45 minutes.

Heat oven to 375 degrees F. Bake 15 to 20 minutes or until golden brown. Cool 5 minutes; remove from pan. Roll warm rolls in Blue Bonnet Margarine; then in sugar cinnamon mixture. 18 rolls.

Early American Soups Updated

Cold winds blowing may bring to mind a pot of hot soup to warm family members. The Nabisco Test Kitchens have updated two early American recipes for today's cooks. The preparation and cooking times are not long so that soup can be on the table and ready to eat in a short time.

TREAT OF PEANUT SOUP was adapted from foods common in Africa and became an American food. The original Brunswick Stew called for rabbit but this version uses chicken and the convenience of frozen vegetable cubes.

Try one of these soups today; another later in the week, but serve both with Premium Saltines from Nabisco — the "cracker with crunch."

CREAM OF PEANUT SOUP
2 tablespoons Blue Bonnet Margarine

1/2 cup chopped celery
1/4 cup finely diced carrots
2 tablespoons minced onion
2 tablespoons Pillsbury's Best All Purpose Flour
1 (13 1/2 oz.) can chicken broth
Two-thirds cup chunk style peanut butter
1 cup milk
Crisp-fried crumbled bacon or bacon bits
Premium Saltine Crackers from Nabisco

In saucepan melt margarine; add next three ingredients and saute until tender. Stir in flour; then chicken broth. Bring to boil; simmer a few minutes. Stir in peanut butter until smooth. Add milk; heat, but do not boil. Sprinkle with bacon. Serve with Premium Saltine Crackers. Makes 6 (about two-third cup) servings.

Margarine
2 medium onions, sliced
8 chicken bouillon cubes
4 1/2 cups water
1 (10 oz.) package frozen succolash
1 (10 oz.) package cut frozen okra
2 cups cut-up-cooked chicken
1 (8 oz.) can stewed tomatoes
1 (4 oz.) jar diced pimientos, drained
Pepper
Premium Saltine Crackers from Nabisco

In large saucepan melt margarine and saute onions until golden. Add bouillon cubes and water. Heat until cubes are dissolved. Add next four ingredients. Bring to boil; then simmer 15 minutes. Add pimientos; sprinkle with pepper and serve with Premium Saltine Crackers. Makes 6 (about 1 1/2 cups) main dish servings.

Eggs A La Sussie

What's a quick and easy way to prepare, delicious, nutritious, pretty to serve and excitingly different? Eggs a la Sussie!

Eggs prove their versatility once again in this novel appetized omelet. Your family or guests will never guess it took only minutes to prepare this unique entree. The eggs are simply mixed with water and seasonings, cooked like scrambled eggs (without the scrambling), topped with bacon bits and Swiss cheese and broiled. Though simple to prepare, the time-tested flavor combination of Eggs a la Sussie is terrific — similar to that of Quiche Lorraine.

Its delicate gourmet appearance though, belies its nutritional quality. The eggs in this surprisingly hearty dish provide high quality protein, vitamins A, D, E, K and the B complex, iron, phosphorus and trace minerals. More protein, vitamins and minerals including calcium are added by the cheese, with bacon supplying energy. Tomatoes would be a great accompaniment to provide vitamin C and enhance the flavor of this usual dish. Crispy bread could be added for a good texture contrast to round out a square meal.

If your guests question the origin of Eggs a la Sussie, you can explain it as a takeoff on a Spanish fritatta (omelet). This version, however, is cooked only once, on the bottom, to keep the eggs light and moist. The Spanish fritatta is usually turned and cooked on both sides.

Yes, Eggs a la Sussie is a really different dish! Try it soon. Learn more about eggs and the various ways they can be prepared at the Homemakers School to be held on Friday, February 16 at 1:30.

EGGS A LA SUSSIE

4-6 slices bacon
6 eggs
one-third cup water
2 tablespoons chopped chives
1/2 teaspoon salt
Dash pepper
1/2-2/3 cup shredded Swiss cheese
Cook bacon until crisp; drain and crumble, reserving 1 tablespoon drippings. Set aside. Mix eggs, water, chives, salt and pepper with fork. Heat reserved bacon drippings in a 10-inch omelet pan or skillet with oven-proof handle until just hot enough to sizzle a drop of water. Pour in egg mixture. Mixture should set at edges at once. With pancake turner carefully draw cooked portions at edges toward center, so uncooked portions flow to bottom. Tilt skillet as it is necessary to hasten flow of uncooked eggs. Slide pan rapidly back and forth over heat to keep mixture in motion and sliding

freely. White top is still moist and creamy-looking sprinkle with bacon and cheese. Broil until cheese melts. With pancake turner, slide from pan onto serving plate. To serve, cut into wedges. Makes 4-6 servings.

If someone in your family wants to get into training like Rocky, it's OK for them to eat raw eggs. Those eggs provide plenty of protein, vitamins and minerals. Just be sure the shell of the egg is clean and sound and you've kept the eggs refrigerated until you are ready to use them.

Fashion in Cookware Helps Set Attractive Tables

More and more in this fashion conscious society, homemakers choose cookware for its looks so that they can take it directly from the cooking appliance to the table. So, more and more Corning is adding fashion accents to its cookware, both in decorations and sets being packaged for homemakers.

Often the fashion-coordinated cookware from Corning neatly ties together the variety of foods being served, as with this glazed ham, candied sweet potatoes and bacony brussel sprouts meal.

You'll get more recipes and ideas using products from Corning at the upcoming Homemakers School on Friday, February 16. Mark your calendar for it, but do try the already-planned menu.

GLAZED HAM
1 smoked tenderized ham, about eight lbs.
Whole cloves
1/2 cup apricot preserves
2 tablespoons lemon juice
2 tablespoons white horseradish
1 tablespoon prepared mustard
With a sharp knife score fat of ham into diamonds. Press a whole clove into each diamond. Place in Corning Ware glass-ceramic Open Roaster and bake in a preheated oven (350 degrees F) for one hour. In bowl, mix remaining ingredients. Remove ham from oven and spread ham with some of the apricot mixture. Bake for another 30 minutes. Remove from oven and spoon remaining

glaze over ham.
CANDIED SWEET POTATOES
6 small sweet potatoes

Water
One-third cup Blue Bonnet Margarine
1 1/2 cups undrained crushed pineapple
One-third cup pecan halves
1/2 cup firmly packed brown sugar

In a two-quart Corning Ware glass-ceramic Saucepan, cover potatoes with water and one teaspoon salt. Simmer potatoes until tender. Drain, cool and peel potatoes. Cut potatoes into large chunks. In saucepan heat margarine and stir in remaining ingredients. Simmer until bubbly. Add sweet potatoes and simmer turning potatoes for 10 minutes or until glazed. Serves 6.

BACONY BRUSSEL SPROUTS
1 lb. brussel sprouts, trimmed and cut into halves
Water

6 slices bacon, chopped
1 bunch scallions, trimmed and sliced
Salt and Pepper
Place brussel sprouts in a 1 1/2 quart Corning Ware glass-ceramic Saucepan. Cover with water and one teaspoon salt. Simmer uncovered for 10 to 15 minutes or until tender but still crisp. Drain and remove brussel sprouts from pan. In saucepan, saute bacon until crisp. Stir in scallions and brussel sprouts. Stir over medium heat until piping hot. Season to taste with salt and pepper. Serves 6.

Method Makes Batter Buns Easy

These sweet, tender batter buns were created for a national recipe contest by a homemaker unable to knead yeast dough because of her health. The easy method is a boon for any baker. The recipe also uses the quick "spoon and level" technique for measuring flour. It is important to follow recipe directions for measuring flour carefully. Using other measuring methods results in different amounts of flour, which can affect the quality of baked goods.

Some recipes call for sifting flour; this method gives you the least amount of flour. Others direct you to dip the measuring cup into the flour and then level off with a spatula or knife; you'll get the most flour this way. The "spoon and level"

method results in a medium amount of flour.

ORANGE BATTER STICKY BUNS

- 1 1/4 cups milk
- 1/2 cup Blue Bonnet Margarine
- 3/2 cups Pillsbury's Best All Purpose or Unbleached Flour
- One-third cup sugar
- 1 teaspoon salt
- 1 tablespoon grated orange peel
- 1 pkg. Fleischmann's Active Dry Yeast

TOPPING:

- 1/2 cup firmly packed brown sugar
- 1 pkg. (4 serving size) vanilla pudding and pie filling (not instant)
- 2 tablespoons Blue Bonnet

Margarine

- 2 tablespoons orange juice
- 1/2 cup coconut, if desired
- In small saucepan, heat milk and margarine until very warm (120 to 130 degrees F). (Lightly spoon flour into measuring cup; level off.) In large bowl, combine warm liquid, 2 cups flour, sugar, salt, orange peel, yeast and egg; beat 3 minutes at medium speed. By hand, stir in remaining flour. Cover; let rise in warm place until light and doubled in size, 45 to 60 minutes. Generously grease 24 muffin cups. In small saucepan, combine all Topping ingredients except coconut; heat just until blended. Place 1 teaspoon mixture in each muffin cup; top with 1/2 teaspoon coconut. Stir

down dough. Drop batter by tablespoonfuls into each muffin cup. Cover; let rise until light and doubled in size, about 30 minutes.

Heat oven to 375 degrees F. Bake 15 to 20 minutes or until golden brown. Immediately remove from pan. 24 rolls.

TIP: Topping may be placed in a greased 13 x 9-inch pan. Sprinkle with coconut. Drop batter by tablespoonfuls over mixture. Let rise as directed. Bake at 375 degrees F for 20 to 25 minutes.

—If using Pillsbury's Best Self-Rising Flour, omit salt. HIGH ALTITUDE — above 3500 feet. For Topping, use 3 tablespoons margarine and corn syrup and 2 tablespoons orange juice.

Give Steak a French Accent

The glory of French cooking lies in its sauces. Served with fish, meat, poultry, vegetables and desserts, they compliment and enhance numerous dishes. Even a thick, juicy steak (which most Americans would swear can't be topped) is sauced by the French for a superb blend of flavors.

The French handling of steak is unique in other respects as well. To begin with, the French cut up the beef carcass differently than American butchers. Most steaks are small, boneless pieces of meat as opposed to our large T-bone, porterhouse and sirloin cuts. Instead of broiling, the French usually pan fry steaks. While the meat is kept warm the all important sauce is made from the pan juices. Often this is a wine sauce made with a burgundy or bordeaux. Mushrooms, shallots and other sea springs are also added to taste.

You can add a French accent to your favorite steak, cooked indoors or out, with our delicious Mushroom Wine Sauce. Blue Bonnet Margarine, found to be the equal of butter by many food experts, adds rich flavor to the spirited sauce. Serve your next steak dinner with a French flair for a delicious, memory making meal.

- ### BROILED STEAK WITH MUSHROOM WINE SAUCE
- 2 tablespoons Blue Bonnet Margarine
 - 1 1/2 pound mushrooms, thinly sliced
 - 2 tablespoons finely chopped onion

- 1 clove garlic, crushed
- 2 teaspoons Pillsbury's Best All Purpose Flour
- 1/2 teaspoon salt
- Generous dash pepper
- 2 tablespoons tomato paste
- 1/2 cup dry red wine
- 1/4 cup water

2 pounds boneless sirloin steak
In small saucepan melt Blue Bonnet Margarine over medium heat. Add mushrooms, onion and garlic, saute until onion is transparent, stirring frequently. Remove from heat. Stir in flour, salt, pepper and tomato paste. Blend in wine and water. Bring to a boil, stirring frequently. Cover, reduce heat and simmer 20 minutes.

Meanwhile broil steak to desired doneness. Serve with wine sauce. Makes 6 servings.

Impressively Easy - Eggs La Madeline

Eggs can be so easy to prepare and you will be pleased with this quick-fix entree in one pan on top of the range — Eggs La Madeline.

In this convenient dish, both eggs, the main protein source, and the vegetable cook right in the milk-based sauce. By adding toasted English muffins and a lettuce wedge salad, it's a well-rounded meal-in-a-hurry.

Colorful Eggs La Madeline, though easy on the chef, is an impressive dish to serve family or guests. With the contrast of crunchy muffins, delicately-cooked eggs and flavorful sauce, it's a tasty combination. The eggs can be cooked to order, too! Remove each serving of 2 eggs from the sauce when they reach the desired degree of doneness to suit each dinner (3-5 minutes).

On other occasions when you want to serve an impressive but quick and easy meal, poached eggs can be done in most any liquid. Try milk, broth, wine or beer instead of the usual water. Cold eggs will poach better than eggs at room temperature and the fresher the eggs the more the white will cling to the yolk rather than spreading. Gently slipping the eggs into the liquid helps the poached egg form properly, too.

Let convenient Eggs La Madeline come to your rescue. It's a delicious example of the ease of egg cooking. You'll hear about more ways to use the incredible, edible egg at the Homemakers School on Friday, February 16.

EGGS LA MADELINE
 3 tablespoons Blue Bonnet Margarine
 3 tablespoons Pillsbury's Best All Purpose Flour
 1 teaspoon salt
 1 1/2 teaspoon nutmeg
 1 cup milk
 1 cup chicken bouillon
 1 package (10 oz.) frozen peas
 6 eggs

Split and toasted English muffins or toast points
 Melt margarine in large skillet; blend in flour, salt and nutmeg. Cook, stirring until mixture is smooth and bubbly. Stir in milk and bouillon all at once; heat to boiling, stirring constantly. Boil and stir until mixture is smooth and thickened. Add frozen peas, stirring to blend well. Heat until sauce just begins to bubble, stirring constantly. Break eggs, 1 at a time, into sauce dish; slip into sauce. Spoon enough sauce over each egg to coat it slightly. Cover; cook over medium heat, basting occasionally until whites are desired degree of doneness, about 7-10 minutes. Serve over English muffins; spoon sauce over top. Makes 3 servings.

Note: To separate peas in package, gently hit against counter edge.

Putting up Fruit? Be a Careful Canner

Part of doing things right is knowing what can go wrong. Here's a quick rundown of things that can go wrong, and why from the makers of Fruit Fresh, the amazing protector for canned, frozen and fresh served fruit. If you watch out for them, and always remember to use Fruit Fresh, you'll be well on your way to success.

SPOILAGE
 This is usually caused by carelessness during processing. A faulty gauge or a failure to make altitude corrections may result in a loss of pressure. Or air may remain in canner after pressure is built up. Or water may have been allowed to stop boiling or to drop below jar tops during processing. All or any of these can cause spoilage, but can readily be avoided.

COLOR LOSS OR CHANGE
 Your best protection against this sad sight is to always use Fruit Fresh whenever you can

or freeze fruit. (Fruit Fresh protects the beauty and flavor of fresh served fruit, too.) That's because Fruit Fresh has a special formula that "locks in" fruit's natural color, flavor and texture so fruit always looks and tastes fresh picked. Other precautions you should take include: quick preparation for processing so fruit doesn't sit around, complete processing to kill all color-destroying enzymes, care in removing all air bubbles before processing, and storage of canned fruits in a cool, dim place.

FLOATING FRUIT
 This happens because you've packed fruit too loosely, over-processed it, used overripe fruit, or had syrup too heavy for the fruit.

No need to have any of these problems. They can all be avoided by simply using good fruit, good instructions, good sense and your good friend,

Fruit Fresh. Here's a recipe from Fruit Fresh you'll want to try.

PEACHES AND CREAM PIE

4 large ripe peaches, peeled
 1 tablespoon Fruit-Fresh
 1 unbaked 9-inch pie shell with a fluted edge

Two-thirds cup sugar
 1/4 cup Pillsbury's Best All Purpose Flour
 1/4 teaspoon salt
 1/2 teaspoon cinnamon
 1 cup (1/2 pint) heavy cream

Cut peaches into halves and remove pits. Sprinkle peach halves with Fruit-Fresh. Place halves rounded side up in pie shell. In a bowl, combine remaining ingredients and beat until smooth. Pour mixture evenly over peaches. Bake in a preheated oven, 375 degrees F, for 35 to 40 minutes or until puffed and firm to the touch. Cool thoroughly before cutting into wedges. Serve warm or chilled. Serves 6-8.

Chicken Recipe Worth \$10,000

An unusual combination of chunks of chicken breasts with all the usual pizza ingredients won \$10,000 for Mrs. Mary Grace Cerami of Ojai, California in the 1978 National Chicken Contest. It was the 30th annual cooking competition which now has contestants representing each state and the District of Columbia.

Winning recipes of the 51 finalists are featured in the 1978 edition of the Chicken Cookbook as well as old favorites, past \$10,000 winners and others. Besides the many delicious recipes, the cookbook includes tips on nutrition, special diets, buying, storing and freezing chickens. The beginning cook will find the basic recipes section helpful. It explains how to fry, oven-fry, broil, barbecue, roast and simmer chicken in the simplest manner. Diagrams show how to cut up a chicken and bone chicken breasts and thighs.

Interest in microwave cooking is gaining, and basic directions plus several recipes are included for those who have a microwave in their kitchen. There are over 100 pages in the 1978 Chicken Cookbook and over 100 recipes and tips ready to help everyone prepare simple, economical and delicious chicken dishes. The 1978 Chicken Cookbook is available for \$1.00, including postage. Mail orders to Chicken Cookbook, Dept. NBC, Box 307, Coventry, CT 06238.

Mary Youngbeck, Homemakers School Home Economist, also points out that the rules for

Cracked eggs are safe to use if you bake them thoroughly, as in a custard pie, or quiche or a casserole.

Is there any difference between fertile and non fertile eggs? Not really, says the American Egg Board. They both have the same nutrients but fertile eggs contain a small bit of male hormone.

the National Chicken Cooking Contest, sponsored every year by the National Broiler Council, are included in the cookbook.

Here is the 1978 winning recipe:

CHICKEN PIZZA

- 2 whole broiler-fryer chicken breasts, halved, boned, skinned and cut in 1-inch pieces
- 1 package (8 rolls) refrigerator crescent rolls
- 1/2 cup cooking oil
- 1 large onion, sliced into thin rings
- 1 large green pepper, seeded, cut into thin rings
- 1/2 pound fresh mushrooms, sliced
- 1/2 cup pitted ripe olives, sliced
- 1 can (10 1/2 oz.) pizza sauce with cheese
- 1 teaspoon garlic salt

- 1 teaspoon oregano
 - 1/2 cup Parmesan cheese
 - 2 cups shredded Mozzarella cheese
- Unroll crescent dough into 8 triangles. Into lightly oiled 12-inch pizza pan, press dough, especially at perforations, to seal. In fry pan place oil and heat to medium temperature. Add chicken, onion, green pepper, mushrooms and olives and cook, stirring, about 5 minutes or until fork can be inserted in chicken with ease. Spread pizza sauce over crust. Spoon chicken mixture evenly over sauce. Sprinkle garlic salt, oregano and Parmesan cheese on all. Top with Mozzarella cheese. Bake, uncovered, in 425 degree F oven 20 minutes or until crust is done. Cut into wedges to serve. Makes 4 servings.

FACTS & FIGURES.

Candy is dandy, but w aren't eating any more of it. Last year we did 50 years ago.

In 1927, the average American consumed about 100 pounds of sugar (sucrose) per year, and just under 10 pounds of candy. Last year each of us ate 95.7 pounds of sugar, and 16.4 pounds of candy. And the 60-year average has stayed in that range.

Baba Au Rum French Yeast Cake

When it comes to desserts, the French have a reputation for some of the best in the world. Nothing is more tempting than a tray of luscious French pastries, a high and silky soufflé, flaming Crêpes Suzette, or elegant Baba au Rum. The French don't indulge in them everyday, however. More often than not fruit and cheese are the daily dessert. Flamboyant desserts are reserved for special occasions.

Baba au Rum, one of the Continental favorites, is a rich yeast

cake soaked with rum sauce. For all its elegance this cake is one of the simplest to make. It is prepared by the modern Rapid mix Method developed by the makers of Fleischmann's Yeast to take the guesswork out of yeast bread baking.

The days of dissolving yeast in warm water are gone. Now, the yeast is treated as a dry ingredient and is added to some of the flour and sugar. Warm liquids and margarine are poured over the dry ingredients and initial beating is done with an

electric mixer. This new Rapid mix Method not only makes yeast breads and cakes lighter, more uniformly textured, but it also makes them easier to handle. Yeast baking has never been so simple, yet with all the home baked goodness of treasured family recipes.

After the Baba is baked, a simple rum flavored sauce is poured over the cake and allowed to soak into it. It's as simple as that. — Baba au Rum for a birthday, an anniversary or a very special occasion.

- BABA AU RUM**
- 1 1/2 to 2 1/4 cups Pillsbury's Best All Purpose Flour
 - 1/2 cup sugar
 - 1 package Fleischmann's Active Dry Yeast
 - 1/2 cup milk
 - 1/2 cup Blue Bonnet Margarine
 - 3 eggs (at room temperature)
- In a large bowl thoroughly mix two-thirds cup flour, sugar and undissolved Fleischmann's Active Dry Yeast.
- Combine milk and Blue Bonnet Margarine in a saucepan. Heat over low heat until liquid is very warm (120 to 130 degrees F). Margarine does not need to melt. Gradually add to dry ingredients and beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add eggs and 1/2 cup flour. Beat at high speed 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a thick batter. Cover; let rise in warm place, free from draft, until bubbly, about 1 hour.
- Stir down batter. Turn into well-greased and floured 2-quart Turk's Head pan or ring mold. Cover; let rise in a warm place, free from draft, 30 minutes.
- Bake at 350 degrees F about 30 to 35 minutes, or until done. Before removing from pan, immediately prick surface with fork. Pour Rum Syrup (below) over cake. After syrup is absorbed, remove from pan. Place on wire rack to cool.

RUM SYRUP

In a saucepan, combine 1/2 cup sugar and 1/4 cup water; bring to a boil. Remove from heat and stir in 1/4 cup orange juice and 1 tablespoon rum extract. Makes 1 cup.

CURRY CHICKEN

- 1 can (10-3/4 oz.) condensed cream of chicken soup
- 1 medium apple, chopped
- 1/4 cup seedless raisins
- 3/4 cup milk
- 2 tsp. curry powder
- 9 pieces Original Recipe Kentucky Fried Chicken

In medium bowl, combine all ingredients, except chicken. Place chicken in single layer in 8" x 12" baking dish. Cover chicken with sauce. Bake, covered, in preheated 350° F oven for 30 minutes. Remove cover. Continue baking, uncovered, for 30 minutes longer.

New Mixer Takes Work Out of a Favorite Bread Recipe

Taking a lot of the work out of using an old favorite bread recipe can make the bread taste even better! Now there's a new

mixer on the market that does just that. It's Sunbeam's new Power Plus Mixmaster mixer with a

powerful 335-watt motor that makes quick and simple work of both mixing and kneading the dough for two 1½ pound or three

one-pound loaves of bread. Heavy-duty dough hooks come with the mixer as well as regular beaters and the bowls

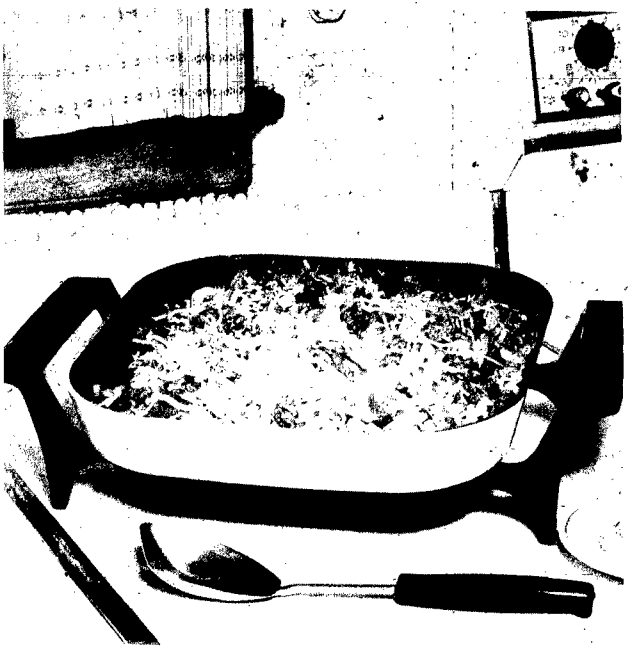

are stainless steel.

The "old favorite" recipe is for cinnamon-raisin bread and it's included in the use-care-recipe book that comes with the new Power Plus Mixer. Here's how easy it is:

- CINNAMON-RAISIN BREAD**
- 1 cup milk
 - 3 tablespoons Blue Bonnet Margarine, melted
 - 1 teaspoon salt
 - 1 tablespoon and 1 teaspoon sugar
 - 1 cup warm water
 - 1 package Fleischmann's Active Dry Yeast
 - 6 cups Pillsbury's Best All Purpose Flour
 - 1 cup raisins
 - 2 teaspoons ground cinnamon
 - ½ cup sugar

Insert dough hooks into mixer — see instructions. Scald milk; add margarine, sugar and salt. Cool to room temperature. Pour warm water into large mixer bowl, add yeast; dissolve thoroughly. Let rest for 5 minutes. Add room temperature milk mixture and 3 cups of flour to yeast in large mixer bowl. Turn mixer to speed no. 3 and mix for 1 minute. Scrape sides of bowl as needed. During the first few minutes of mixing time, it may become necessary to hand guide the bowl to allow the dough hooks to knead the mixture. Turn mixer to speed no. 2 and very gradually add remaining flour. Allow the mixer to mix and knead the dough for an additional 4-6 minutes. The dough should form into a ball cleaning the sides and bottom of the bowl. Total mixing and kneading time should be 5-7 minutes. Shape dough into a ball. Place in greased bowl and roll the ball to grease the dough. Cover, and allow to rise until doubled in volume (about 1½ hour). Punch down, fold sides to center. Turn dough over. Cover and allow to rise until doubled (40 minutes). Punch down, fold and turn. Place dough on board and allow to rest 10 minutes. Divide dough and roll or pat each half into 14" x 10" rectangle; brush dough with water. Combine sugar and cinnamon in bowl or shaker and sprinkle ½ of mixture and ½ of raisins over each rectangle. Roll dough into loaves, seal seams and ends and place into two well greased bread pans. (9" x 5" x 3"). Brush loaves with melted margarine. Cover. Allow dough to rise in bread pans until doubled (about 30 minutes). Bake in 375 degree oven for 50 minutes. Baked loaves will sound hollow when tapped with knuckles.

Some say it's best to plant potatoes on starry nights.

An Easy Meal In One Dish

You save electricity when you cook in an electric frypan as compared to using non-electric cookware on a range. Tests done by Sunbeam show that to be true for simple tasks like frying bacon or hamburgers or more complicated uses like baking cakes or pizza or making casseroles.

- 2 teaspoons salt
- ½ teaspoon pepper
- 2 teaspoons chili powder
- 1 (No. 2½ can) tomatoes
- ¾ cup water
- 8 ounce package processed American cheese slices
- Melt shortening in Sunbeam frypan at 300 degrees. Sauté dry vermicelli until lightly browned, stirring occasionally. Add beef and cook, stirring, until meat

loses its red color. Stir in next 8 ingredients. Add tomatoes and water. Stir gently. Set temperature control at 240 degrees. Simmer, covered for 25 minutes. Place cheese slices on top of mixture. Use broiler cover at 420 degrees until cheese is melted. If you do not have a broiler cover, grate cheese and sprinkle over the top and cook 5 minutes or until cheese is melted.

CREAMED TURKEY WITH STUFFING

- 1 package (6 oz.) chicken flavor stuffing mix
- 1 ½ cups water
- 2 packages (10 oz. each) 5-minute cook frozen sweet green peas
- 3 cups diced cooked turkey (about ¾ pound)
- 1 can (10-¾ oz.) condensed cream of mushroom soup
- 2 tablespoons pimiento strips
- 2 tablespoons sherry wine or water

Prepare stuffing mix as directed on package, using 1 ½ cups water. Gently press into a greased 4-cup ring mold; keep warm. Meanwhile, prepare peas as directed on package; keep warm. Combine turkey, soup, pimiento, wine and ½ cup of the peas in a saucepan. Cook and stir until mixture just comes to a boil. Unmold stuffing onto serving plate; spoon turkey mixture around base and into center of ring. Serve with remaining peas. Makes 6 servings.
