ONE-HUNDRED FOURTH YEAR NUMBER SIXTY-ONE

Economic Activity Stalling

The level of economic activity in Nebraska, including the city of Wayne, dropped in November, with four of the five sectors recording losses when compared with October figures.

THE DECLINE in November was reported in both agricultural and nonagricultural sectors, the Bureau of Business Research College of Business Administration, has reported. In the months previous to November, agricultural sectors showed gains while most other sectors drop-

Don Stone Will Speak To Feeders

The Northeast Feeders will hold its annual banquet on April 12 at the Wayne State College Student Union. Social hour will be at the Wayne Volunteer Fire Hall starting at 6:30, and a coffee social will be held at the union in a room adjacent to the banquet hall. Dinner will be at 8 p.m.

One of the Midwest's most popular speakers, Sioux City banker Don Stone, will highlight the annual banquet of the Livestock Feeders Association. Stone's quarter century as a radio and television performer brought him wide recognition, a position which he has maintained as marketing officer for Northwestern National Bank. His affiliation with KSCJ and KTIV took him through all facets of the electronic arts, including the assignment of manager for the television station. Stone's topic for the Wayne meeting — "Meat Is a 4 Letter Word!" Tickets for the banquet are available from directors of the association and local banks.

ped. In Wayne, net taxable sales recorded a 2 percent gain for November over the same period a year ago. Net taxable sales in Region 11 as a whole, of which Wayne is a part, dropped 2.7 percent compared to November of 1978, while sales for the year to date remain slightly ahead at 3.8 percent.

FIGURES compiled by the research bureau show the physical volume index for the state fell .9 percent from its October level and was 3 percent below its value of last year.

Nationally, the index rose .1 percent from October, but was down .4 percent from November, 1978.

The October-to-November decrease for Nebraska was broadly based. The index for the agricultural sector fell .5 percent and the composite index for the nonagricultural sectors fell 1 percent.

Government, with an increase of 1.5 percent, was the only sector registering a gain. The month-to-month losses for the remaining sectors were as follows:

CONSTRUCTION, down 2.3 percent; distributive, down 1.4 percent; and manufacturing, down .9 percent.

Even though the indexes were considerably lower than last November, it must be remembered that November, 1978, was an unusually good month for the state, the College of Business Administration said.

Despite November's loss, the Nebraska economy has exhibited a slight increase, on a year-to-date basis, and should finish the year about 1 percent above 1978.

THE MANUFACTURING sector has expanded steadily throughout the year, as output has fallen only four times. The index for the manufacturing sector was 2.9 percent above its November, 1979, level and was the only sector increasing.

The agricultural sector has been another area of strength in the Nebraska economy during 1979. November's fall in the index was only the fourth decline this year. Prices received by Nebraska farmers in November were up 13.5 percent when compared to last year, but prices paid increased 13.7 percent over the same period.

CONSTRUCTION continues to be the weakest sector in the Nebraska economy, the report said. The index for this sector has fallen steadily throughout 1979 and lies 18.7 percent below the level of 1978.

The distributive and government sectors have been the most erratic sectors in the state's economy, the report continued. In November, the indexes for both sectors were less than last year, but definite trends have not been established.

AFTER ADJUSTMENT for price changes, Nebraska's net taxable sales in November were 2.8 percent below last year's level. Retail sales for the nation were 3.9 percent below those of last November.

The November decrease was spread throughout Nebraska, as 20 of the state's 26 planning regions had total sales below those of November, 1978. Non-motor vehicle sales, however, were less affected, as only 16 of the 32 principal trading centers had sales lower than those of last November, the report indicated.

KIMBALL, WEST Point, Chadron and Hartington recorded increases exceeding 10 percent.

After adjustment for price changes, Nebraska's net taxable sales in November were 2.8 percent below last year's level. Retail sales for the nation were 3.9 percent below those of last November.

THE ADDITION of Kindergarten will provide a service both to the parish and to the community," Mrs. Von Seggern said. She added that although the school is Catholic supported, "kindergarten is open to anyone interested. We have told our parishioners of the kindergarten program, but we haven't made any formal announcement to the public."

The new program tentatively will be a morning kindergarten for an entire year, the officials explained. Its addition to the previous 16 program also will be "at minimal cost," they explained.

St. Mary's Plans Kindergarten

For the first time in the history of the school, St. Mary's Catholic Elementary School will have a kindergarten class.

EFFECTIVE NEXT fall, St. Mary's will have a kindergarten class of at least eight students, and has the endorsement of the Arch Diocese in Omaha and the State Department of Education.

The decision was made last fall after the Arch Diocese recommended a kindergarten be established here in the 27-year-old school.

ST. MARY'S board of education President Margaret Von Seggern and school Principal Donna Goeden said the school had been leaning in that direction for several years. The school officials said the Diocese periodically evaluates individual schools and makes a variety of recommendations.

"The addition of Kindergarten will provide a service both to the parish and to the community," Mrs. Von Seggern said. She added that although the school is Catholic supported, "kindergarten is open to anyone interested. We have told our parishioners of the kindergarten program, but we haven't made any formal announcement to the public."

The new program tentatively will be a morning kindergarten for an entire year, the officials explained. Its addition to the previous 16 program also will be "at minimal cost," they explained.

Temperatures Around Area Show Decline

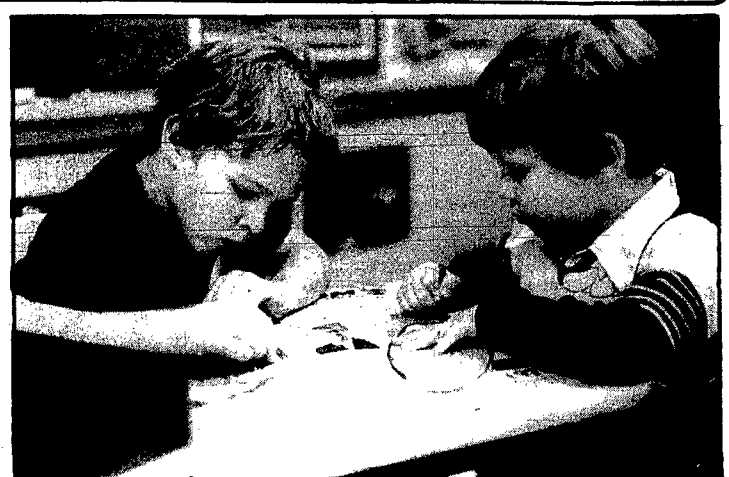

For the first time in several months, the area actually recorded below normal temperatures last month, according to figures released by the University of Nebraska Institute of Agriculture and Natural Resources in Lincoln.

SIMILARLY, February was a colder than-usual month at nearly all reporting sites in the state. In the eastern half of Nebraska, temperatures averaged 3 to 9 degrees below normal. Average temperature for the three winter months of December, January and February was about 1 degree above normal.

Precipitation also was deficient for the month. All reporting sites in the Northeast Division, which includes Wayne, reported below normal precipitation. In Wakefield, the nearest reporting station, less than a half inch of moisture was reported, about 52 hundredths of an inch below normal, the report showed.

TEMPERATURES for the month were about 3.7 degrees lower than normal in February. The average daily maximum in Wakefield was 30.5 degrees while the average daily minimum was 11.1 degrees, leaving the average for the month at 20.8 degrees.

The highest temperature for Wakefield was reported Feb. 26 with 51 degrees, while the lowest recording was Feb. 1 with 17 degrees.

AARON WILSON, 6, and Philip Huttman, 5, both prospective kindergartners next year at St. Mary's Elementary School, work studiously on their portion of an Easter bunny. St. Mary's held its first Kindergarten Roundup Friday afternoon in anticipation of its first kindergarten class in the school's 27 year history. A minimum of eight students are expected next fall, school officials said.

THE BUILDING is established as is the teaching staff. All that will be needed is some materials and books. No additional staff will be required, and K-1 will be taught in a combination session, they said.

Establishment of the kindergarten program included approval from both the necessary state and Catholic agencies. Teachers in the Catholic school are required to meet the same teaching requirements as teachers in public schools, Goeden and Von Seggern pointed out.

THE NEW kindergarten here is one of on-

Kim Blecke Honored With Music Selection

Kim Blecke, daughter of Mr. and Mrs. Gary Blecke, Wayne, has been selected to participate in the "America's Youth in Concert" program this July sponsored by the Universal Academy for Music at Princeton, N.J.

SHE IS the only student from area schools to participate in the program which is designed to demonstrate internationally the high quality and fine character of America's youth while enriching and expanding the musical and cultural horizons of the young musician.

Students from each state are selected for the event by individual audition. Blecke said she was an all-state choir, representative from Wayne-Carroll High School and consequently received a letter inviting her to audition.

WITH ASSISTANCE from Mrs. Fred Webber, she taped her audition and mailed it to officials at Universal Academy for Music in Princeton. Blecke was notified about two weeks after she sent in her audition.

Main feature of the month-long tour is an overseas trip. There will be a performance of the group at New York City's Carnegie Hall before departing for Europe. Students will perform in London, Paris, Geneva, Innsbruck, Venice, Florence and Rome.

THE CONCERT group is organized into ensembles of concert choir, concert band and symphony orchestra. Blecke will be a member of the choir. The musicians will perform under the baton of outstanding university conductors while the chaperone staff consists largely of music educators from many different areas of the country.

After arriving in NYC, Blecke said she will audition again for one of two choirs that will tour.

BUT A MAJOR hurdling point in her plans is a lack of funds. She has accumulated about \$1,000 on her own, and the Universal Academy for Music has loaned an additional \$600, leaving a balance of \$400 to raise before leaving.

Anyone wishing to assist her in reaching her goal is asked to contact her. She is a junior at Wayne-Carroll and performed in choir as a freshman, but missed her sophomore year. Blecke participated in all-state competition last fall in Fremont.

Spell 'Discriminate'

And then there were two, sitting on opposite sides of a semi-circle competing against one another for the title of Wayne County Rural Spelling Bee Champion.

LEANN JANKE, 13, daughter of Mr. and Mrs. Byron Janke of Carroll, and Shelly Janke, 12-year-old daughter of Mr. and Mrs. Dennis Janke of Wayne, faced off for nearly 15 minutes spelling and misspelling words.

But neither could spell two words correctly and consequently, while the opponent faltered twice in a row. On and on they went until finally, the word "discriminate" was asked of LeAnn.

SHE THEN faltered, hesitatingly saying, "D-I-S-C-R-E-M-E-N-A-T-E." That was wrong, so Shelly had her chance. "D-I-S-C-R-I-M-I-N-A-T-E," she said correctly. Then came her chance for fame. The next word was "imparfait" and if she spelled that one correctly, she would be the Rural Spelling Champ.

"I-M-P-A-R-T-I-A-L," she responded slowly, and as she finished, her fellow spellers and classmates along with teachers and parents broke into applause.

Shelly was the champion, with LeAnn a close and deserving runner-up. For her efforts, Shelly won a \$50 savings bond from The Wayne Herald and a handsome trophy. LeAnn received a camera and a plaque congratulating her for her spelling prowess.

And as coincidences would happen, it was Shelly's mother, Linda, who was the County Rural Spelling Champion two years in a row, 1957 and 1958.

MORE THAN 50 rural students participated in the annual event held at the Wayne State College Student Union. To arrive at a winner, more than 80 words were called, spelled and misspelled.

Top five places went to the Jankes, who are second cousins; Sheri Rhode, Cheryl Sukup and Chad Janke, also a relative of the top winners.

Third place won a dictionary and \$10 gift

certificate to the Rusty Nail, fourth place a \$5 gift certificate to Coast to Coast and fifth place a tote bag and \$2 bill.

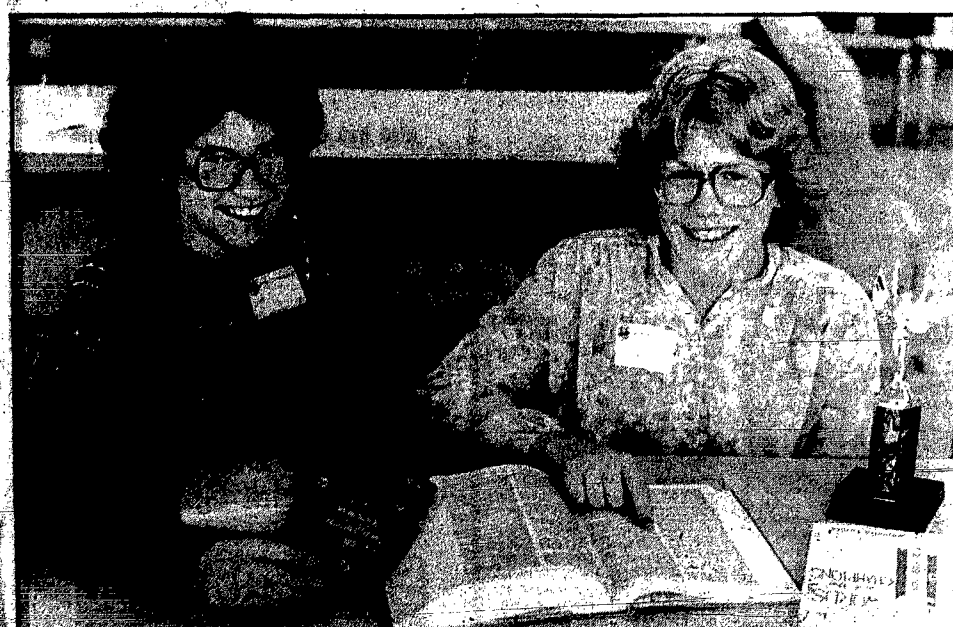

IN ADDITION, the top 19 students in the written portion, all of whom qualified for the oral contest, received \$2 bills.

Shelly is a student at District 57 and LeAnn a student at District 51.

Once all spellers but the Janke cousins were eliminated, the pair began their dual. Both misspelled "impetus" — Shelly spelling it "impituous" and LeAnn calling out "impelst." The word "stupely" confused both girls, with both spelling "stupely."

BUT THE GIRLS were not alone in their mistakes. Other words missed by other spellers were as follows:

Galaxy came across as galixcy; obnoxious was spelled as obnoxious; sacrilege as sacrelage; haughty as hauly; finess as fenice; tarpolin as tarpulin; rhetoric as rerritic; writhe as rythe and rive; perjury as perjury; and ludicrous as ludicrus.

AND THE WINNERS ARE: Shelly (right) and LeAnn Janke, second cousins. The girls were first and second place winners respectively in the Wayne County Rural Spelling Bee held Friday afternoon at Wayne State College. After elimination of more than 50 other spellers, Shelly and LeAnn battled for 15 minutes trying to out-spell the other.

Highway 15 Funds Not Diverted

Contrary to the latest rumor, funds are not being diverted from the Wayne Highway 15 project for other construction programs elsewhere in the state.

DEPARTMENT OF Roads District Engineer Tom McCarthy said last week that although the highway will not be reconstructed this year, funds still are available for the work.

The Wayne Herald heard reports recently that money was being diverted from the Wayne project to a bypass around Ashland. McCarthy said "we are not taking it (money) from the Wayne project or any other project." Once the money is budgeted for a specific project, the money remains in that program, he explained.

ALTHOUGH MONEY is not being diverted from Wayne, McCarthy said a cash flow problem has caused some limited problems. "But it's a twofold problem, a shortage of money and a design change," he explained.

The primary reason the road will not be built this year, he said, is a major design change. Instead of using new asphalt, the existing asphalt will be recycled instead.

"NORMALLY, the state wastes the old

asphalt," the district engineer said. "But in the last two years, equipment has been developed that can use the old asphalt in a new base."

The overall goal of the idea is to save money and materials by recycling the old asphalt from Nebraska 15 north to the Concord turnoff. Bids on the project will be let this fall, he added, with construction to begin in the spring of 1981.

THE DESIGN change (to recycle the old asphalt) and a cash flow problem have combined to push the construction back several months. In addition, the possibility of having the road torn up during winter months also was a consideration.

If contracts were let this spring and construction started next fall, the highway would be under major construction during the winter, making the road nearly impassable, McCarthy explained.

BY DELAYING the project a few months, the highway will be open during the winter and torn up next spring and summer. This was a major consideration by officials from the Department of Roads and area residents and officials, he explained.

The history of Nebraska 15 has been lengthy, since considerable controversy sur-

rounded the initial proposal by the state. It would have included what Wayne County Club officials felt was major damage to the golf course.

After several meetings between members of the County Club board of directors, city officials and state officials, a decision was reached.

THE HIGHWAY from the north city limits (also the north edge of the golf course) back to Wayne would not be reconstructed and widened. However, the stretch of highway from the north city limits to the Concord turnoff would be widened and improved. Only resurfacing will take place within the city limits.

The bypass of Ashland also has generated some controversy, with city and rural interests clashing on several occasions.

COMMUNITY representatives maintain the bypass is needed to provide better access to the community and to attract industry. Opponents, most of whom are farmers, object to the taking of productive land for a highway they say is not wanted.

But despite the problems in Ashland, District Engineer McCarthy says the future of Nebraska 15 north of Wayne is certain — it will be rebuilt.

News Briefs

Winside Play Postponed

Originally scheduled for Friday and Saturday, the Winside High School production of "Dirty Work at the Crossroads" has been rescheduled for April 10 and 11 due to illness.
 The Fine Arts Department there has been working for several weeks in preparing for the three-act, Gay Nineties melodrama. It will begin at 8 p.m. each of those nights, with a salad bar supper preceding the Friday evening show. The salad bar will begin at 6:30 p.m.

Blood Bank Visit April 10

The Siouxland Blood Bank will be accepting donations from 9:30 a.m. to 2:30 p.m. Thursday, April 10, at Providence Medical Center.
 The last six donors will be screened at 2:30 p.m. Donors must be in general good health, must be between the ages of 17 and 66, must have eaten an adequate meal before giving blood, must never have had hepatitis, jaundice or cancer and must undergo a mini physical prior to donation.

Kathy Stoltenberg Honored

Kathy Stoltenberg of Carroll has been awarded the Producer Award of The W.T. Rawleigh Company for outstanding sales development.
 Stoltenberg, as an independent Rawleigh Distributor, is part of an international organization which has been serving family needs since 1889. As a Rawleigh Distributor, she supplies home medicines, spices, extracts, food supplements and cleaning aids to homes throughout this area.

Winside Roundup Slated

The Winside Public School will be holding its annual kindergarten roundup on Thursday, April 3, from 9 to 11 a.m. All prospective kindergarten students and their parents should attend, according to school superintendent Donavon Leighton.
 Leighton said parents should bring their child's birth certificate and be prepared to fill out immunization records including dates. Information concerning physicals, personal hygiene and immunizations will be presented by Mrs. Pat Meierhenry, Educational Service Unit (ESU) No. 1 nurse. Therese Johnson and other ESU personnel will be screening the students for possible speech and hearing problems.
 Mrs. Leighton, kindergarten teacher, will meet with the children and briefly explain the kindergarten program to the parents.

Do We Help By Destroying Business?

Richard L. Lasher, President Chamber of Commerce of the United States

After all the administration's rhetoric about its new crisis budget of pain, here are two facts you should know: First, thanks to some very clever juggling of numbers, the actual net reduction in proposed federal spending for fiscal 1980 and 1981 will be — hold your breath — ZERO. Surprise! As the "Wall Street Journal" explained, "... In releasing its new spending totals the White House also made (upward) 'revisions' to the spending estimates it offered back in January. The March figures are the January figures, plus 'revisions' minus 'cuts'."

Second, the increase in tax revenues from one fiscal year through the next will jump by an unprecedented \$92 billion — the worst tax increase in peacetime history. In fact, this projected \$92 billion increase is so huge, it equals all the money the federal government collected in total tax receipts just 20 years ago. So while the budget "cuts" are a

joke, and on us, of course, most of the pain the President promised is real, but will fall on the backs of taxpayers.

More and more Americans see April 15th, the deadline for mailing tax returns, as a national day of shame, even disgrace. But one group definitely does not. Led by Ralph (I'll decide-what's-best-for-consumers) Nader, these individuals won't be joining the protests for lower taxation, less spending and reduced regulation. Their hearts and minds are engaged elsewhere, planning an anti-business day for April 17th, to convince America the business community should be blamed for every national ill from chronic inflation to ring around the collar and sore feet. Just take a glimpse at their all-star cast.

Mr. Nader himself, of course, is top dog. And with his vision, why not? Among Ralph's pearls: "... compared to China, we can't get anything done..." and, "'I'll tell you what the real problem is. We ask people to think instead of asking them to believe. And history has always gone to those who

believe."

For economic expertise, the group can look to John Kenneth Galbraith, who once said any New York City problem could be solved by simply providing more money. Backing up John will be economist Robert Lekachman, a strong supporter of George McGovern in 1972 when the candidate proposed giving away \$1,000 to any deserving American.

But for real intellectual clout, the anti-business coalition can turn to their clean-up hitter, labor leader William Winpisinger. "Wimpy" says: "I am convinced the only way organized labor can repeal the armies of right-wing radicalism is by fighting for a total redistribution of this nation's income and wealth... by completely revamping and reorganizing the total tax system." Who are these right wing radicals? Apparently anyone silly enough to believe government might be too big... and expensive.

Ralph and his gang will shriek to any camera in sight that big business monopolizes markets, exploits workers,

gobbles up profits, pollutes the atmosphere and poisons the political process. Anyone honestly willing to look beyond this hysterically dreary litany might want to consider a few facts:

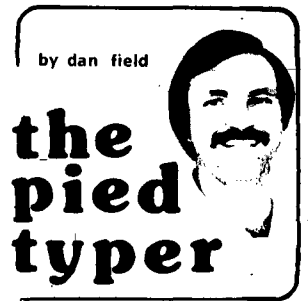

Since 1975, the private enterprise system has created an average of 2.5 million jobs every year and still produces the greatest variety of products and services of any society in the world. Wages paid to workers in the 200 largest manufacturing firms average about 36 percent higher than for all the rest of manufacturing. As a percentage of total national income, corporate profits have actually declined from 12 percent in 1963 to 9 percent last year. In contrast, the earnings of employees during the same period increased from 69 percent of national income to 73 percent. What's more, the biggest stockholders in America are pension funds, mutual funds, insurance companies and trust funds who invest the direct and indirect earnings of — working people. Workers justifiably complain that their higher take home pay buys less. They

should also understand why: During the last ten years, federal taxes have increased 61 percent faster than prices, 67 percent faster than wages and 154 percent faster than profits. Look who's been taking money from whom!

Far from destroying the environment, business spent \$124 billion between 1970-77 to protect and purify our air and water — by far the greatest commitment of any country in the world. Nor is it enough to say progress has been made, for the number of government cited violations has dropped dramatically across the board.

Finally, in the 1978 elections, corporate Political Action Committees (PACs), gave only about four percent of all campaign contributions; the largest corporate PAC spent less than one-fifth as much as the largest union PAC, which just happens to be headed by Douglas Fraser — a sponsor of Ralph Nader's Anti-Business Day!

Maybe it's time we all ask what makes Ralph Nader tick — his love for the consumer or his hatred of business?

Our son, Chris, was born with the aid of a fetal heart monitor much like the new one at Providence Medical Center. Doctors said the sophisticated machine probably saved his life.

He was delivered by emergency Caesarean surgery after what seemed an eternity of irritable contractions, consultation among five doctors and the deep worry of his parents.

Decisive 'No' to Checkoff Program

Nebraska Farm Bureau Federation By M.M. Van Kirk, Director of Information

The margin by which cattle producers recently rejected implementation of the Beef Research and Information Act of 1976 was decisive and says very plainly that they don't want that program, the checkoff collection and the involvement of government that is represented.

It does not mean that the beef industry does not need promotion and research in order to prosper, expand and serve the nation's nutritional needs. In the 1977 referendum, cattle producers voted for the program by a margin of 56.5 favoring votes, but then the requirement was for a two thirds majority. The law was changed since then and the requirement in 1980 was for only a simple majority. In the February vote, of the 230,734 producers who had registered, 79,724 (34.4 percent) voted "yes" and 151,002 voted "no."

Here in Nebraska, one of the major cattle states, 5,800 (40.1%) voted "yes" and 8,655 voted "no." Other Midwest states responded similarly — Iowa; 37.1 percent in favor,

Missouri, 40.9 percent. Illinois, 46 percent. Kansas, 35.3 percent. South Dakota, 16.9 percent.

Western states generally favored the proposal. Colorado favored the program by 56.7 percent as did Wyoming with an identical percentage, and Idaho by 62.4 percent. Texas, with the largest number of registrants, gave the proposition only a 24.9 percent favoring vote.

Perhaps it is too soon for those who strongly supported the proposal to make a careful analysis. They may be too disappointed to be fully objective. Some believe that the recent action of the government in imposing a grain embargo on exports to Soviet Russia turned a lot of producers off from a proposal which depended on the Department of Agriculture to administer the program, even though the Act placed direction of the program when implemented in the hands of a board of producers with reasonable safeguards.

Some say the cattle producers' simply didn't understand the program and had misconceptions about it. Today's cattle producers are highly skilled in production,

financing and marketing and it is hard to believe that they didn't understand the many explanations of the program that were made available to them. The grain embargo might explain why the referendum vote fared worse the second time around.

Livestock people have been an independent group, particularly the cattle producers and feeders. Throughout the 40 years of government farm programs they have strongly resisted efforts to bring them under government farm programs like the grain producers have. Politicians have resented this and sometimes derided them when things in the livestock industry were not going well. But, in the end, the independence of the livestock producers has paid off and generally they have enjoyed greater financial rewards on balance over the years than those who depended on government support and management programs.

The National Pork Producers Council has operated a very successful voluntary support program for the pork producers, and its members have consistently rejected suggestions that they go under a government administered national checkoff program. The pork producers here in Nebraska and all across the national are a proud and enthusiastic bunch and they have supported and developed a program that is selling pork products and recapturing some of their lost markets.

The sheep producers are starting to make a comeback and have launched a voluntary self-help program backed by a 10-cent per head checkoff on every animal they sell.

Hopefully what the cattle producers said in their vote was, "We'd rather keep the government out, handle our own program and make it work." It won't be the easy way but maybe it will prove to be the best way.

Through the open minded policies of the hospital and through nine weeks of Lamaze training, his parents were able to understand exactly what was happening. Kathy and I shared his arrival into the cold world.

Lamaze, unfortunately, is a misunderstood form of childbirth that many people still connect with natural childbirth — birth without any type of medication.

Lamaze is defined simply as prepared childbirth. The mother and father are educated in conception, reproduction and finally childbirth. Techniques of breathing are taught to provide as little discomfort as possible for the mother, but the aid of medication always is available.

As I remember it, the basic philosophy of Lamaze is to provide the parents with an opportunity to experience the birth of their child together. As our Lamaze instructor explained in class nearly three years ago, we shared in the conception, so we should share in the delivery.

Through her in-home teaching and through instruction by our doctor and films provided by the clinic, Kathy and I learned the various stages of growth of a child within the womb. We learned techniques which would allow me, the father, to participate in the birth from start to finish.

The husband is the coach and provides the leadership and support needed in delivery. The delivery of course, is in a hospital or medical facility and is supervised by doctors and nurses. There absolutely is no attempt to abandon medical procedures.

Lamaze has been confused with natural childbirth where no medication is used, or with home delivery where the husband and wife, and possibly a midwife, are involved. Such is not the case with Lamaze.

What Lamaze provided for Kathy and me was a togetherness during probably the most moving part of our lives — the birth of our son. We were able to share everything (except her discomfort, of course).

Unlike our parents, Kathy and I were knowledgeable about almost every phase of the delivery. The doctors and nurses, rather than excluding us from consultations, included us in their discussions. They made sure we understood exactly what was happening and the possible consequences.

From the moment labor was induced (Kathy was nearly a month overdue), I was at her side. In the early stages, there was little for me to do except help her with the beginning breathing exercises. But when the going got tough, I was allowed to remain at her side, providing the loving support a mother needs.

As a routine measure, the fetal heart monitor was used to monitor the fetal heart beat. It also measured contractions and provided doctors with a guide to the progress of delivery.

But somewhere along the line, Mother Nature turned her back. Kathy began to experience quadruple-peaked contractions (single contractions are normal, quadruple, to the best of our doctor's knowledge, were unheard of).

Shortly after, the fetal heartbeat dropped to alarming levels (for a fetus) and after the heartbeat fell to dangerous levels for the third time, an emergency Caesarean was ordered.

Because of the emergency situation, Kathy and I had to abandon our Lamaze techniques of breathing in favor of a team of five doctors. Again, however, we were kept abreast of the situation and I was allowed to remain at her side, even through the entire Caesarean operation.

It was a marvelous feeling to hear the muffled cries of Christopher while he was still inside the womb. He emerged into the world angry but healthy, thanks primarily to the fetal heart monitor.

To this day, Kathy and I recall the feelings we had for our son and for each other because we were allowed to be together through the entire procedure. The cold, bright sterility of the operating room was dulled somewhat by our being together.

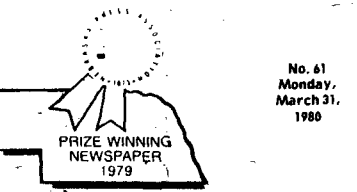

What all of this points up is the marvelous techniques the medical world has developed for delivery. The addition of a fetal heart monitor at Providence Medical Center is a major step in the right direction, and the teaching of Lamaze will provide an additional deep bond between the mother and father.

We can provide all the testimonials asked of us in favor of Lamaze and the fetal heart monitor. We also can attest to a horizontal Caesarean incision as opposed to the traditional vertical type.

There were no delivery complications because of the horizontal incision. It was our preference for cosmetic reasons, and the doctors agreed.

Dear Editor:

We would like to take this opportunity to express our thanks to Wayne State College for the use of the college swimming pool this past season.

The Wayne Swim Club had 33 members from 23 Wayne families. We trained about 150 hours at the pool during the 1979-80 season and we attended eight swim meets in the Lincoln and Omaha area. We gained an experience not usually available in a town our size.

At times our practice sessions conflicted with Wayne State activities, but the college always made arrangements for us to maintain our practice schedule. We would like to extend a special thanks to John Shaer, who many times interrupted his work schedule to let us in the pool area.

Wayne State has been in the news lately and has been criticized by some for its administrative decisions. The Wayne Swim Club would like to take this opportunity to salute Wayne State College for one of its many generousities to the community. We

hope to be allowed the same privilege in the future.

Dear Editor:

We think the Girl Scouts of Wayne deserve more publicity than we have been getting from the local news media.

In the past years other fine organizations have received adequate coverage from the local media and we feel we deserve equal opportunity.

We feel our programs are an important part of the community. For example, on March 22 more than 300 Girl Scouts from 50 troops attended the annual Cadette Day held at Wayne State College. Our troop planned and organized the entire day which consisted of ten workshops.

The local news media were informed in advance of the event but still we received no coverage. We hope this policy will change in the near future.

Sincerely,
Wayne Cadette Girl Scout Troop No. 145

Historical Society Planning Fall Table Fashions Display

The Wayne County Historical Society has announced plans to sponsor its third annual table fashions display in October.

Lucile Larson, a member of the Historical Society, said area clubs and organizations will once again be invited to furnish table settings for the show, which has been held in April the past two years.

At a meeting Tuesday night, the Historical Society decided to purchase a plaque for the museum. The plaque will list the names of principal donors to the society, including Henry Ley, Joy Ley Hein, Mary Alice Ley Champe, Marjorie Ley Armstrong and Josephine Ley Auker, who gave their family home to be used as the county museum site.

The plaque also will include the names of Mrs. Faneuil Senter Carhart, Mabel Sorensen, in memory of Albert and Ruby Watson, the Wayne Federated Woman's Club and the American Association of University Women.

Seven additional blank plates will be used for future donors. Mrs. Larson said another plaque will record the date of the opening of the museum, at Seventh and Main Sts., on July 5, 1976, and the names of Wayne

County Commissioners Merlin Belermann, Floyd Burt and Kenneth Eddie.

Members of the museum landscaping committee, including Mrs. Richard Baier, Mrs. Clifford Johnson and Lucile Larson, presented sketches to illustrate the project. Work, which will begin as soon as possible, includes large trees framing the museum. The trees, which will be chosen for their hardiness, size and shape, will be set off by smaller trees and shrubs. Mrs. Larson said the project may take several years to complete.

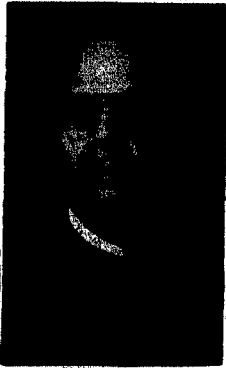

Nearly \$150 in donations will be supplemented by \$400 from the

society to initiate the planning and care of the trees and shrubs. Others wishing to make donations to the project can mail them to Leon Meyer, treasurer.

The Historical Society is planning several changes in arrangements and additions of furniture and clothing in April, when the museum will undergo a general cleaning.

The museum will be opened to the public early in May on a regular schedule. Groups wishing to arrange for special tours are asked to contact Mrs. Clifford Johnson, 375-1137, or Lucile Larson, 375-1861.

Dr. Anderson Conducting Good Friday Services

DR. DENNIS ANDERSON

Dr. Dennis Anderson of Omaha, President of the Nebraska Synod, Lutheran Church in America, will conduct worship services at the Redeemer Lutheran Church in Wayne on Good Friday, April 4.

The public is invited to attend the 8 p.m. service. Dr. Anderson, a native of Glenwood, Minn., was ordained into the Lutheran Church in America in 1963. He served as mission developer in Austin, Texas from 1963 to 1964, and as minister of the

Holy Cross Lutheran Church in Austin from 1964 to 1966.

He also served the Lutheran Church of the Good Shepherd, Prospect Heights, Ill., from 1966-71, and St. Paul's Lutheran Church, Grand Island, from 1973-78, when he was elected president of the Nebraska Synod.

He formerly served as Secretary for Interpretation and Regional Secretary for the Board of America Missions, Lutheran Church in America, and is the author of several religious articles and publications, including three books, "Searching for Faith," "Baptism and ...," and "Jesus My Brother in Suffering." He currently is serving on the LCA Executive Council, the Executive Committee Board of the Lutheran School of Theology, and is vice president of the Board of the Lutheran School of Theology.

Pastor Ostercamp Gives Bible Study

There were 20 at the Wayne Senior Citizens Center last Monday afternoon for Bible study of Exodus 1:2-1:10, conducted by the Rev. Larry Ostercamp of the Evangelical Free Church in Wayne.

The next Bible study of Exodus 2 will be at 2:30 p.m. Monday, April 14. Persons attending are asked to bring their favorite translation of the Bible.

Sherry King, a student in the home management class at Wayne State College, will speak at the Senior Citizens Center on Wednesday, April 2, at 1 p.m. Her talk will focus on nutritional labels and is open to the public.

The Senior Citizens Center has received floral bouquets from the families of Oscar Petersen, Faye Strahan, Carl Slevens and Conrad Suhr.

Haun Gets Scholarship

Brian Haun of Wayne, a sophomore in Industrial Engineering at the University of Nebraska-Lincoln, is one of four General Motors (GM) Scholars newly selected in 1980, according to Don Edwards, associate dean of the College of Engineering and Technology.

The scholarship includes full tuition and fees for four semesters; a \$200 annual book allowance; and employment as a GM summer intern prior to graduation.

Students are selected during their sophomore or junior years based on academic performance and extracurricular activities.

The program identifies talented students for potential employment with GM following graduation, according to Gerald Roslund, senior research engineer with the Detroit Diesel Allison plant, who was in Lincoln in March to coordinate the scholarship interviews.

Roslund is a 1968 UNL graduate and a native of Valley. His primary assignment is in research and development of fuel injection systems for diesel engines, with a special assignment as GM University Relations Team Coordinator.

Each student intern supplements education with on the

BRIAN HAUN

job challenges. Haun will work at Fisher Body Division in Warren, Mich.

The 1978 Wayne-Carroll High School graduate was on the honor roll in high school, along with being class president and alternate to Boys State. The son of Mr. and Mrs. Francis Haun, he is president of Sigma Nu fraternity, a member of Interfraternity Council, and a participant in UNL intramural sports, including football, basketball, softball, volleyball and track.

Bethune-Dubbs Wed

Roy Bethune, son of Mr. and Mrs. Lester Bethune of Carroll, and Cindy Dubbs, daughter of Raymond and Doris Dubbs, all of Grand Island, were married March 8 at the Trinity Methodist Church in Grand Island.

The bride is a graduate of Grand Island High School and is employed at the Nebraska Veterans Home in Grand Island. Bethune, who was graduated from Randolph High School and Milford Technical Community College, is employed at Tom's Service in Grand Island, where the newlyweds are making their home.

Mr. and Mrs. Lester Bethune attended the wedding from Carroll.

Cancer Society Begins Crusade

The Wayne County unit of the American Cancer Society began its 1980 crusade with a kickoff meeting last Monday morning at the Wayne Woman's Club room.

Coffee and rolls were furnished by the nearly 40 volunteers attending the meeting.

Mrs. Fred Gildersleeve told about the "I Can Cope" program which helps cancer patients and their families face the realities of cancer in their lives.

Mrs. Donna Hansen, county president, said the rural drive, under the direction of Mrs. Neil Sandahl, begins the first week in April, while the Wayne City drive gets underway April 8. Mrs. Emil Uken and Mrs. Ron Brown are Wayne City chairmen.

Chairmen for Winside and Carroll are Mrs. George Voss and Mrs. Harry Nelson respectively. During the month of April,

volunteers in Wayne County will be contacting their neighbors in an effort to save lives and raise money to help with cancer research, education and service.

Mrs. Hansen said the 1980 goal for Wayne County is \$6,207, nearly \$700 more than last year's goal.

Delta Dek Bridge Club

Guests were Mrs. Merlin Kenney, Mrs. Robert Johnson and Mrs. Lena Rethwisch, and prizes were won by Mrs. Lloyd Morris, Mrs. Marian Jordan and the guests.

Mrs. Esther Batten will be the April 3 hostess.

Womens Fellowship

A cooperative dinner preceded the Wednesday meeting of the Congregational Womens Fellowship at the church.

Mrs. Lynn Roberts conducted the business meeting and Mrs. T. P. Roberts was acting secretary. Mrs. Harold Morris had devotions and the lesson entitled "Power Pak," taken from the Christian Herald. The afternoon was spent quilting.

Next meeting will be April 9 following a moon dinner with husbands as guests.

Return Home

Mr. and Mrs. Lynn Roberts returned home last Monday after vacationing since March 6 in the western states.

In Golden, Colo., they visited in the home of her sister and family, the Clarence Granquist. The two couples traveled on to Fort Carson, Colo., and to Florence, Ariz., where they visited another sister and family, the Coy De Armanis.

They also visited nieces at Oracle and Casa Grande, Ariz., with the Rush Tuckers at Tempe, Ariz., and with Mrs. Frances Jones at Sun City, Ariz.

The group spent time with a cousin at Peoria, Ariz., and toured Hoover Dam and the Grand Canyon before going to Las Vegas.

En route home, Mr. and Mrs. Roberts visited with the Roland Spillingerbers at Brady, Neb.

Correction

A recent edition of The Wayne Herald incorrectly reported that the Ron Magnusons attended the 50th anniversary of the School of Technical Agriculture at Curtis. It was the fifth anniversary of the school and the reunion was held in North Platte.

The Lyle Cunninghams and Chris and Cory Brader visited March 23 in the home of Mrs. Cunningham's parents, the Leo Meiers of Sioux City.

The Larry Warburton family, Sioux City, spent March 22 in the Russell Hall home. The Sam Schrams and Eric, South Sioux City, were March 19 evening guests in the Russell Hall home. Schrams came to get Aaron, who spent a week in the Hall home while his parents were in Colorado.

The Merlin Kennys, Rick and Bob, Carroll, Joe Kenny, Lincoln, Jill Kenny, Wayne, and the Charles Gearharts of Iowa were dinner guests March 23 in the Mike Gearhart home in Newman Grove to honor the first birthday of Melissa Gearhart and the birthday of Bob Kenny.

Mitch-Nelson, Denver, Colo., spent March 17-19 in the home of his grandmother, Mrs. Lena Rethwisch of Carroll, and in the Merlin Brugger home at Winside.

Wayne Girls Win Opener

Wayne coaches Darrell Heler and Deb Bodenstedt knew before the season started that the girls' track team would be a contender. The members of that team wasted no time in proving themselves by winning the Lakeview Invitational Friday.

One Runner Wins; Boys Fall to 7th

Six individuals placed but the competition was stiff as the Wayne boys' track squad opened its season with a seventh place finish in the nine team field at the Columbus Lakeview Invitational, Friday.

Team scoring: David City Aquinas 121, Columbus Scotus 79, Columbus Lakeview 76, Seward 41 1/2, Schuyler 59, Wisner-Pilger 43 1/2, Wayne 42, Madison 27, Elkhorn Mt. Michael 18.

Kurt Powers was the only winner for the Blue Devils in the cold, rainy weather. He won the 880 in 2:10.3. Doug Proeff placed third in the two-mile run (10:52.0) and fourth in the mile (5:04.2).

Tod Heler ran a 2:13.9 880 to finish fifth in that event and Rick Johnson placed fifth in the 440 with a time of 55.4. Marvin Hansen placed sixth in the high hurdles in 18.3 seconds and Jeff Allen claimed sixth in the 100 yard dash in 10.8 seconds.

In relay events, Wayne finished third in the 440 and two-mile relays and placed fourth in the mile relay.

The 440 yard relay team of Hugh Jager, Al Lindsay, Jeff Allen and Stuart Nissen ran the distance in 48.8. The two mile relay team, composed of Tod Heler, Jeff Baier, Rick Johnson and Kurt Powers, recorded a time of 9:05. Paul Sutherland joined Heler, Johnson and Powers to run the mile relay in 3:50.0.

Team standings: Wayne 120, Aquinas 90, Scotus 63, Schuyler 53, Lakeview 46, Seward 45, North Bend 20, Wisner-Pilger 15, Madison 13.

The invitational at Columbus was hampered by rain and cold weather all day, hurrying some of the marks that were turned in.

Wayne had two double winners in the tournament. Junior Lynn Surber won the two-mile run in 12:40.1 and the mile run in 6:04.4. Promising freshman Missy Stoltenberg broke into her first varsity meet with style by winning the 220 yard dash in 27.85 seconds and the 440 in 64.6.

Stoltenberg also placed second in the 100 yard dash in 11.79 and the 110 yard hurdles in 17.05, making her Wayne's most successful individual in the season opener.

Other individual champions for the Blue Devils were junior Lisa Peters in the 880 yard run (2:41) and sophomore Jill Zeiss in the 110 low hurdles (16.9). Peters also placed second in the 440 (65.17) behind Stoltenberg.

Three Wayne girls placed fourth in various events. Jill Mosley, another freshman, finished fourth in the long jump with a leap of 14-11 1/4. Senior Jolene Bennett threw the discus 90-4 feet to place fourth and yet another freshman Jo Carlson placed fourth in the shot put with a toss of 32-1/2.

The other two Blue Devils who scored place points are junior Tracy Stoltenberg and sophomore Kris Proeff. Stoltenberg finished sixth in the long jump with a leap of 14-5 3/4 and Proeff placed sixth in the 880 in 2:45.2.

Wayne placed in every event but the high jump. The two-mile relay team of Julie Wiener, Proeff, Peters and Surber won its event in 11:04.4. The Devils also placed second in the 880 yard relay, fifth in the 440 relay and fifth in the mile relay.

Those relay teams consist of: 880 relay team—Zeiss, Kim Blecke, Mosley, M. Stoltenberg; mile relay team—Peters, Tamie Thomas, Proeff, Surber; 440 relay team—Zeiss, Blecke, T. Stoltenberg, Mosley.

Winside Girls Are Off And Running With Win

All-State Honors To Four Area Athletes

The girls' track season got off to a good start in Winside last Monday as the host team defeated Coleridge 61-43 in a dual.

Junior Laurie Gallop was a double winner for Winside. Her marks of 30-1 in the shot put and 88-6 in the discus gave her two firsts over teammates Sue Meierhenry and Tammy Thomas, who placed second and third respectively.

Other individual winners were Joanie Bowers, Lori Langenberg and Robyn Winch. Bowers, who nearly qualified for state last year, won the 110 yard hurdles in 17.7 seconds. Langenberg won the 100 yard dash in 12.7 seconds and Winch won the 440 in 1:12.4.

In relays, Winside won the two mile and 440 yard team events.

Langenberg picked up second place in two other events, jumping 13-8 in the long jump and running the 220 in 30.6 seconds. Other second place finishers were Lisa Jensen in the 880 (3:06.3), Karlene Benschoff in the two mile

run (17:04) and Becky Westerhaus in the 100 yard dash (13.3).

Deb Woslager placed third in the 100. Marci Thomas finished third in the mile and Corinne George placed third in the 880.

Winside coach Jim Winch said he will find out more about his team tomorrow (Tuesday) in the Laurel-Concord Relays scheduled at the Wayne State College track. If his team stays away from injuries it could be respectable, he said.

"If we can put it all together, we can be all right. Last year we finished third in the conference. We put it all together then," Winch said. "We can do as well this year if we put it together again."

Eleven lettermen return to the squad of 21 athletes. Three members of last year's state qualifying 880 yard relay team return are back this season. Lori

Langenberg, Becky Westerhaus and Deb Woslager will form the nucleus of that team.

Other returning lettermen are: seniors—Joanie Bowers, Marci Thomas and Corinne George; juniors—Robyn Winch, Sue Meierhenry and Laurie Gallop; sophomores—Lisa Jensen and Kelly Leighton.

Winside's schedule (duals at 4 p.m. and invitationals at 9 a.m. unless marked): April 1—Laurel Relays at WSC; April 8—Home against Laurel; April 11—Home against Allen; April 14—Home against Wakefield; April 17—Wakefield Invitational at WSC; April 21—Triangular at home; April 28—Home against Stanton; May 1—Lewis and Clark Meet; May 7—Girls' districts at Lyons; May 14—Non qualifiers meet at Winside; May 16-17—Girls' state at North Platte.

Relay Team Tops 25 Team Field

The Wakefield girls' track team returns six lettermen this season and those six will help solidify the team of 14 athletes. Only one senior graduated off last year's squad.

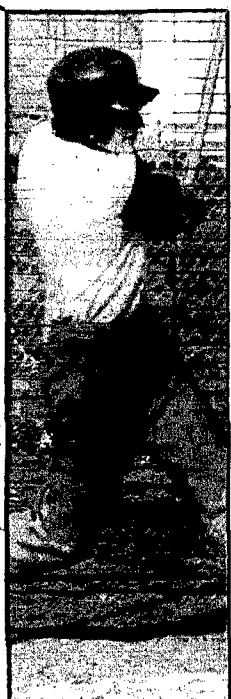

The Trojans returned from an early invitational at Doane College over a week ago with high hopes of a good season. A field of 25 teams competed in the Doane Invitational.

The top performance was turned in by the four lap relay team which won the competition among 24 teams. The team is composed of juniors Annette Newton, Joan Miller, Shelley Paul and Kelly Murphy. All are returning lettermen.

Kelly Murphy showed considerable potential in individual events by placing fifth in the 60 yard dash and the 270 yard dash. Senior Jolene Barrels tied for fifth in the high jump. The other

letterman is Coleen Neuhaus. "We have real good relay teams. We only lost one senior last year and the other athletes will improve considerably," Wakefield coach Ellie Studer said. Studer is being assisted this season by Wayne State student teachers Kathy Mahannah and Rocky Lile. "We have a good crop of really good athletes with good potential. We have high hopes of being down at North Platte (location for girls' state tournament)," Studer added.

Wakefield schedule: April 1—Laurel Relays, April 8—Dual at Lyons, April 10—Wayne State Invitational, April 14—Dual at Winside, April 18—Wakefield Invitational, April 28—Triangular at Wayne, May 1—Lewis and Clark Conference meet; May 7—Districts at Lyons; May 14—at Winside non-qualifiers meet; May 15-16—Girls' State Tournament.

AREA TEAMS Wakefield, Wayne and Laurel practice for the upcoming baseball season.

Baseball Season Here: Trojan Defense Ready

A strong defense should be the backbone of the Wakefield baseball team this season. The Trojans are scheduled to open their season tomorrow (Tuesday) at Bancroft. The game will begin at 4 p.m. if weather permits.

Of the 23 candidates trying out for baseball, 13 are lettermen and three all-conference players are returning for coach Joe Coble.

Rick Guy, an all-state, all-conference pitcher, heads the list. Outfielder Scott Hallstrom and second baseman Larry Soderberg are the other two all-conference players. Soderberg severely injured his back in preseason basketball and thus far has seen limited action in baseball practice.

The Trojans lost two fine ball players to graduation last year. Doug Starzl, a three year all state third baseman, and Todd Swigart, an all-state catcher and pitcher, will be missed from this year's lineup.

The remainder of last year's infield is back for the Trojans. Barry Jones will play at first base, Soderberg will play at second if his injury doesn't prevent him from playing and Tom Preston returns to the shortstop position.

Mark Starzl will fill the hole vacated by his older brother at third base. Dean Miller and Keith Roberts are competing for the catching position.

"Soderberg has shown a lot of courage, competing despite his injured back," Coble said. "Our catching is totally untested but Dean Miller is looking pretty good."

Coble expects the Northeast Nebraska High School Baseball Conference to be especially balanced this season. "I look for the conference to be really balanced. The champion may have one or two losses," said Coble. "Wayne is still the team to

beat. Pfeiffer (pitcher Tim) scares us. In the long run they'll be the team to knock out."

In addition to defense, Wakefield will rely on team speed. The outfield is composed of Scott Hallstrom in right, Joedy Sherer in center and Blaine Nelson in left. Nelson, who was a starter for the Legion team last summer, switched over from track and field this year.

"We have fine team speed. The opponents' catchers better come up throwing because we'll be running," Coble challenged. "We don't have any power hitter to scare Starzl so we'll have to scratch for every run. We'll have to manufacture some runs."

One question mark is the Trojan pitching depth. Most of the weight will fall on the shoulders

of proven ace Guy, who Coble hopes to start seven games. Guy has been throwing all year, the coach said. Behind Guy are Mark Starzl, Dale Phipps and Jeff Hallstrom.

Looking at the other teams in the conference, Coble predicted that Laurel would be tough and said that Bancroft is an unknown that is never down long.

Wakefield's schedule: April 1—at Bancroft (4 p.m.); April 8—at Ponca (4 p.m.); April 11—at Laurel (4 p.m.); April 17—Home against Ponca (4 p.m.); April 23—Home against Wayne (4 p.m.); April 24—Home against Laurel (2:30); April 29—Home against Bancroft (3:30); May 2—Home against Lincoln (2:30); May 7—at Wayne (4 p.m.); May 13, 15, 20—Districts; May 27, 28—State

Laurel Should Be a Contender

Laurel baseball coach Bob Weisenberg is sure that the Northeast Nebraska High School Baseball Conference will be well represented at the State Class B baseball finals this year.

And although Weisenberg knows his team will be an underdog, he is hoping that Laurel will be the area representative. The Bears placed third behind Wayne and Wakefield in the conference last year and should be an even bigger threat this year.

"We want to send the best representative from this area to the state tournament and our conference should have a good representative since it's getting stronger," Weisenberg said. "I think the conference will be real even."

Like its rivals Wayne and

Wakefield, Laurel also has one returning all-state. Catcher Shannon Hopkins, who is well known for his strong arm and hot bat, hit .333 for the Bears last season. He will be joined by eight other lettermen including all-conference honorable mention player Doug Lute.

"I think we should be a little bit better this season. The people who played well last year are a year older and stronger," the Laurel coach said. "Pitching will tell the story. We're counting on Paul Guern, Joe Olsen, Lon Swanson and Phil Martin to carry the main pitching load. We need to have someone with a good year."

Laurel will be counting on members of its successful Midget team to strengthen the team. According to Weisenberg, some of his reserve players could have been starters when the Laurel baseball program was inflated four years ago.

The conference is full talent, Weisenberg said while mentioning Rick Guy of Wakefield and Jeff Zeiss and Dan Mitchell of Wayne. But despite all that talent, the coach said his team will not be intimidated.

"The people who played on the Midget team last summer know how to compete in a tournament. They reacted real well last year," he said. "We're real optimistic about how the season can go. We hope that generates a good season."

The Bears are scheduled to open their season Thursday (April 3) with a doubleheader at Omaha Paul VI. After the doubleheader, they plan to watch the University of Nebraska play the University of Southern California in Omaha's Rosenblatt Stadium.

Laurel's schedule (all games at 4 p.m. unless marked): April 3—at Omaha Paul VI (2 p.m.); April 9—Home against Wayne; April 11—Home against Wakefield; April 16—at Wayne; April 22—at Ponca; April 24—at Wakefield (2 p.m.); April 28—Home against Bancroft; May 1—Home against Ponca (2 p.m.); May 3—Home against Boydstown (1 p.m.); May 7—at Bancroft (4:30).

Numbers Few For Trojan Track Team

Despite the lack of numbers on the team, Torczon said he feels the squad will be better than last year's team. With four sophomores, two freshmen and two juniors out, this year's group is basically younger, he said.

"We'll be heavily involved the middle distance races. All of our runners are versatile and all can run a respectable quarter if the weather keeps up," Torczon stated. "They're all competitors who won't quit. They've probably worked harder than any group I've ever coached."

Then he jokingly quipped, "I'd still like to have some rain. We have some kids with big feet who would make good muddies. Hopefully not on meet day, though," he added.

Wakefield schedule: April 1—Laurel Relays; April 11—Wayne State Invitational; April 14—Dual at Winside (4 p.m.); April 18—Wakefield Invitational at WSC; April 21 or 22—Triangular at Norfolk; April 28—Triangular at Wayne High; May 1—Lewis and Clark Meet; May 6—Winside Invitational; May 15—Districts at Lyons; May 23-24—Boys' State at Omaha.

"Track takes a different kind of individual. There is no crowd, just a clock and a tape. It's difficult to find a dedicated tracker, especially in the spring," Torczon said. "I'm real pleased with the way they are working. These guys are running for the pride of the school and themselves. Whether they score or not, they'll run their best."

As Wakefield boys' track coach John Torczon prepares his team for the 1980 season, he must face one major problem. Wakefield is a baseball community.

That makes Torczon's task an extremely difficult one. Especially since he can count the members of his team on two hands. Only nine boys are out for track this season and one is slowed by an injury.

Jerry Obermeyer, one of last year's leading scorers, was injured and underwent surgery. He is expected to join the team in one or two weeks. He will be joined by letterman Kendall Paulsen, Brent Kahl and Jerry Roberts.

Jeff Carlson, a standout on the team last season, has graduated and some of the other tracksters switched over to baseball this year.

"Track takes a different kind of individual. There is no crowd, just a clock and a tape. It's difficult to find a dedicated tracker, especially in the spring," Torczon said. "I'm real pleased with the way they are working. These guys are running for the pride of the school and themselves. Whether they score or not, they'll run their best."

Wayne Strong Again

The Northeast Nebraska High School Baseball Conference is entering its second year of existence and the competition is expected to be well balanced this year. Wayne, a team which finished 13-0 during the regular season last year, is favored to be on or near the top again in 1980.

The Class B runners-up have six players returning who started some or all of the games last year.

Coach Mike Mallette warns that the Blue Devils have a tough schedule but says he expects his team to be a "pretty good ball club." "I'm very optimistic. I don't look for our team to be weak in any area," Mallette said. "We should be pretty good if we can

come up with three or four players who can push for positions."

If the weather permits, the Blue Devils will open their season at 4 p.m. tomorrow (Tuesday) when they host Ponca.

Top returners from last year's team are two time all-state centerfielder Jeff Zeiss and junior Tim Pfeiffer. Zeiss batted .394 last season, stole 16 bases and scored 16 runs as the lead-off batter. Pfeiffer pitched 21 1/3 innings, gave up 13 hits and four runs while recording a 5-0 record.

Another veteran will be catching Pfeiffer's curve balls. Dan Mitchell, a football and wrestling standout, will return to that spot as one of the league's best catchers.

Zeiss, who doubles as a pitcher, and Kevin Nissen will also share duties on the mound. When they aren't pitching, Pfeiffer and Nissen will solidify Wayne's infield. Pfeiffer will play shortstop and Nissen will play at second or third base.

Jere Morris will fill the shortstop position when Pfeiffer pitches and Jeff Sperry has a good shot at playing second base, Mallette said. He added that first base is somewhat questionable depending on who the top nine players are. Mallette expects either Todd Skokan or Jeff Dion to play that position.

"Our infield will be exceptionally strong," Mallette boasted and then predicted, "We should have a tough schedule with Wakefield, Lincoln East and Lincoln. Ponca will be improved and Laurel could be a very respectable ball club."

The Northeast Nebraska High School Baseball Conference is composed of Wayne, Wakefield, Laurel, Bancroft and Ponca, Decatur dropped out of the league.

Joining Zeiss in Wayne's outfield could be Dion, Tim Thomas, Steve Sorenson or Pat McCright. With only two sophomores on the squad, some of Wayne's six freshmen may see action. Bill Sharpe is assistant coach again this year.

Wayne's schedule (all games at 4 p.m. unless marked): April 1—Home against Ponca; April 9—at Laurel; April 16—Home against Laurel; April 22—at Bancroft; April 23—at Wakefield; April 24—Home against Bancroft; April 28—at Boydstown (2:30); May 2—Home against Lincoln East and Lincoln High (1 and 3 p.m.); May 9—at Ponca; May 12—Home against Wakefield; May 12-23—Districts.

WHS Golfers Hope To Open Tomorrow

The weather may not seem like golfing weather, but the Wayne Blue Devils hope to be swinging their clubs tomorrow (Tuesday). Wayne is scheduled to open its golf season in a four team meet at 3:30 p.m. tomorrow in Beemer.

Other teams in the field are Oakland-Craig, West Point and host Beemer. For Wayne coach Harold Maciejewski, 1980 will probably be a rebuilding year.

Three lettermen return for the Blue Devils. Senior Doug Ross will join juniors Chip Carr and John Nielsen to form the nucleus of this year's squad. Ten other golfers will compete for the other two positions.

"This is a year in which we will try to get ourselves together. We have average ability and hope that experience will help improve our team," Mac said. "I hope the team will be competitive in our

Motion made by Councilman Fuebherth and seconded by Councilman Hansen that all claims be allowed and warrants be issued. The Mayor stated the motion and the result of the roll being all Yea's, the Mayor declared the motion carried.

In a letter to the Council, John Dorsey resigned his position as alternate member on the Board of Adjustments.

Council tabled for the third time the policy recommendation of the City Administrator concerning services provided by engineering firms for the City and area developers. The Administrator provided additional information as to what other cities are doing in this area.

Duane Schroeder, an attorney representing Wayne State College, briefed the Council on the proposed sewer line needed to serve the new maintenance building at the college. Mr. Schroeder asked if the college could have access to the City Sewer, and if they could, who would pay the costs and where would it be located. Pat Gross presented remarks in rebuttal. The Council agreed to table the matter until the next meeting.

Dennis Hirschbrunner, representing the engineering firm of Bruce Gilmore & Associates, stated that the bids for paving, water and sewer improvements in Marywood Subdivision had been tabulated and verified and recommended that the city accept the bids of Hass Industries on Sanitary Sewer District 80-1 and Water Main Extension District 80-1 and Gill Construction on Street Improvement District 80-1.

Mr. Hirschbrunner informed the Council of an irregularity in the Hass Industries bid on the water district. In bidding the water district Hass Industries bid on only one fire hydrant and not the corrected number of three. Hass Industries stated in writing they would be willing to install the other two hydrants at no charge to the City. In so doing, they would remain the low bidder. A legal opinion was requested from the City Attorney. The City Attorney stated that Hass Industries submitted the lowest lump sum bid and state statutes require that the City must accept the lowest responsible bidder.

Mr. Albin, one of the bidders on the water district, appeared before the Council and stated that if Hass had bid the three fire hydrants, Mr. Albin would have been the low bidder. Mr. Albin considered the action by Hass to reduce the unit price on the fire hydrants after bid disclosure to be highly unethical. The City Attorney provided an explanation to the reasoning behind their legal opinion. Discussion by the Council followed.

Motion by Councilman Heier and seconded by Councilman Johnson that Albin Construction receive the bid for the water district on the basis that Hass Industries submitted two bids. The Mayor stated the motion and the result of the roll being all Yea's, the Mayor declared the motion carried.

Serve All Club Visiting Wakefield Care Center

Members of the Serve All Home Extension Club are planning to visit the Wakefield Health Care Center on April 25.

Ten clubwomen met March 19 in the home of Mrs. Kenneth Gustafson. Mrs. Norman Haglund called the meeting to order, with all members joining in the Extension Creed. For roll call, members told what color means happiness to them.

Mrs. Lawrence Carlson, health leader, read an article on household items that contain poison. A report on St. Patrick's Day was given by Mrs. Fred Utecht. Mrs. Kenneth Gustafson reported on grants received from the Nebraska Arts Council for programs during the summer. Wakefield and Norfolk are among cities and towns receiving grants.

The president, Mrs. Haglund, reminded members of the upcoming Spring Arts Festival in Wayne and the Spring Tea in Hoskins on May 2.

An invitation was received from the Cedar County Extension Clubs to attend a salad luncheon April 23 in Hartington.

Members brought crafts they made during the past year for a show and tell program. Mrs. Fred Utecht was winner of the hostess gift.

Mrs. John Boeckenhauer will be hostess for the April 16 meeting.

Guest at Club
Mrs. Eugene Bartels was a guest at the March 18 meeting of the Even Dozen Club, held in the home of Mrs. John Greve. Eleven members attended the meeting, conducted by Mrs. Verona Henschke.

Members wore something green in honor of St. Patrick's Day. Honored for their birthdays were Mrs. Dean Meyer, Mrs. Willard Hammer and Mrs. Arnold Hammer.

Mrs. Emil Greve was in charge of the entertainment. UNO was played, with prizes going to Mrs. Albert G. Nelson and Mrs. Elmer Barghoiz. Mrs. Clifford Baker won the door prize.

Mrs. Willard Hammer will be hostess for the April 15 meeting. There will be a plant and bulb exchange.

The Ed Zachs, David and Sonya, Hastings, were guests last weekend in the Clarke Kal home. The Marvin Bakers, Pender, joined them for dinner March 23.

Marcee Muller, Tecumseh, was a weekend guest in the Emil Muller home.

The Dennis Ronspies family, Pierce, were March 23 supper guests in the Bill Greve home. Supper guests last Tuesday in the Greve home were the Morris Thomsens and the Kenny Thomsen family.

The Art Jorgensons and Connie, St. Charles, Minn., were overnight guests last Tuesday in the Ed Krusemark home.

Laurel Lions Club Contest Brings Out the Talent

THE LAUREL LIONS Club Talent Show was held Sunday, March 23, in the Laurel-Concord High School old gym. Judging the contest was Bob Wetzel of Tom's Music of Norfolk. Master of Ceremonies was Dave Rokusek of "Dave and Ellen Get Together" of Laurel. Participants competed in five divisions with a gold medal awarded to each first place winner, silver medals to each second place winner, and certificates of participation to each contestant. The first place winners are eligible to participate in the District Talent Show to be held in Ralston in April, and if they win there, they will go to the state Lion's

Club Talent Show in Millard in June. Division A (above left) for entrants eight years of age or younger with one or two person's was won by Amy Adkins rendition of "On The Good Ship Lollipop". Division B for one or two person's ages nine through 11 was won by Sara Adkins with a piano solo with Stacy Strawn's gymnastics routine taking second. From left are Sara, Stacy and Amy. Division C (above center) for groups consisting of three to nine persons ages 11 or younger was won by three five year olds with a song and dance to "Happy Hip

popotomus." They are front row from left, Mandy McBrid, Kenny Felber and Betsy Adkins. The silver medals went to a vocal group composed of back row from left Gail Twiford, Donna Herrmann, Shawn Weststad and Karen Rehm. Division D (above right) for one or two person's ages 12 through 14 was won by two piano solos, Monica Hanson (left) taking first and Scott Kardell (center) taking second. Jane Seibert's (right) medley from the "Sound of Music" won the gold medal in Division E for one or two persons ages 15 through 18.

Town and Country Plans Spring Tour

Members of the Town and Country Garden Club discussed plans for a spring tour when they met for a 2 o'clock dessert luncheon Tuesday in the home of Mrs. Hilda Thomas.

President Mrs. Arnold Wittler opened the meeting with a poem, entitled "Spring Awakens What Autumn Puts to Sleep." Roll call was "The First Sign of Spring."

Mrs. Mary Kollath read the secretary and treasurer's reports and the hostess gave the comprehensive study on Oklahoma. The lesson on asparagus was given by Mrs. E. C. Fenske.

Next meeting will be with Mrs. Emelia Walker on April 22. Mrs. Arnold Wittler will have the lesson.

her and Mrs. Marvin Malchow, second high.

Mrs. Carl Hinzman is in charge of arrangements for the next meeting, on April 9.

Scouts Meet

Brownie Troop 201 and Girl Scout Troop 202 and leaders Mrs. Richard Behmer and Mrs. Jim Spiedel met last Monday after noon at the fire hall.

Kristy Miller furnished treats. It was announced that Girl Scout Cookies arrived and were to be delivered during the week. Both troops worked on decoupage.

Next meeting is today (Monday) at 4 p.m. at the fire hall.

Johnson Honored

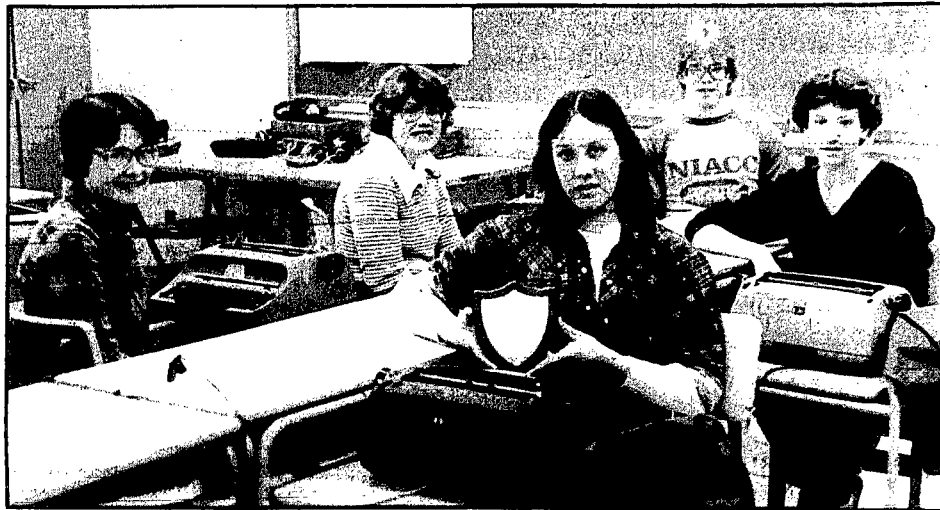

Fred Johnson of Hoskins was honored for his birthday Tuesday at a dinner in the Allan Pritchard home, Norfolk.

Other guests included Mrs. Johnson, the Don Johnsons and the Robert Johnsons, all of Hoskins.

Card Club

Mrs. Arthur Behmer was coffee chairman when the Hoskins Senior Card Club met at the fire hall last Monday evening. Twenty-six attended.

Receiving card prizes were Walter Fenske and Mrs. Carl Hinzman, high, and George Witt

Card of Thanks

MY STAY AT THE Clarkston Hospital in Omaha would have been very disheartening for Edna and I had it not been for the visits, cards and telephone calls which we received from so many friends and relatives. Our sincere thanks for all your prayers too and for the trips many of you made to take us to St. Joseph's Hospital in Sioux City where we underwent radiation treatments from January 16 to March 18. This thanks to all of you will never evaluate our true feelings for all your time, efforts and expense, both to Sioux City and Omaha. Also we both are sharing the beautiful flowers, cards, food, visits and telephone calls while I am recuperating at home. Chris and Edna Turgen. m32

WE ARE SINCERELY GRATEFUL for cards, flowers, memorials, food and every other help and expression of sympathy extended at the time of the illness and death of our beloved father, grandfather and brother. A special thanks to Rev. Peterson, Rev. deRosier and Sister Gertrude for their prayers and visits. The family of Carl Siverson. m31

Health Agency Seeks Reps

The Greater Nebraska Health Systems Agency (GNHSA) is seeking two provider and three consumer representatives for the agency's governing board.

GNHSA is responsible for health planning activities in a 71 county area of Nebraska. A 30 member board of directors, made up of area health care consumers and providers, is responsible for governing the agency's actions. As a nationally recognized health planning agency, it is responsible for developing a health plan for this area, reviewing and commenting on projects proposed by area health care facilities and for reviewing health-related grant proposals for federal funds. According to Bonnie Nickle, the northern coordinator, each year one third of the board must be elected, and board members are to serve three year terms. The Northern Subarea, which is advisory to the governing board, consists of 21 counties in Northeast and North Central Nebraska.

Women Gain NIAA Status

A proposal that the National Association of Intercollegiate Athletics' (NAIA) expand its program to include competitive opportunities and championship events for women effective with the 1980-81 academic year received overwhelming support from the voting delegates during the Association's 40th Annual Meeting at Kansas City last week.

By a vote of 113-12 the delegates voted to put the women's championships question before the membership for a final decision in an institutional mail vote.
