WAYNE, NEBRASKA 68787, THURSDAY, APRIL 25, 1980
ONE-HUNDRED FOURTH YEAR NUMBER SIXTY-EIGHT

AN ESTIMATED 150 PERSONS GATHERED at the Wayne-Carroll High School Lecture Hall Monday night to hear and ask questions of five candidates seeking the 17th District State Senatorial seat held by retiring Sen. John Murphy of South Sioux City. A panel of six persons representing various interests questioned the candidates and the audience was given a

chance to ask additional questions. From left are: Edwin Fahrenholz, Allen, Gerald Conway, Wayne; Merle Von Minden, Allen; Frederick Mann, Wayne; and Eugene O'Neill, South Sioux City.

Cramer Awarded Prestigious Honor

J. Alan Cramer, winner of this year's prestigious Nebraska Press Association's Master Editor-Publisher Award, is the youngest recipient of the honor to date.

Cramer, 47, publisher of The Wayne Herald, received the unexpected award Saturday night at the Ak-Sar-Ben Awards Banquet at Ak-Sar-Ben Hall. The banquet concluded official activities of the three-day convention of the Nebraska Press Association.

meone who truly represents the full meaning of the Master Editor-Publisher Award aptly described on the award plaque.

The plaque says that Cramer "has worked hard, lived honorably, thought soundly, influenced unselfishly and is entitled to the highest honor in his profession."

A NATIVE OF Atlantic, Iowa, Cramer is the son of the late Mr. and Mrs. Mark Cramer, and was reared in the newspaper profession.

Gov. Charles Thone presented the plaque to Cramer. See picture on Page 10.

THE STATE'S weekly and daily newspapers gathered at the Omaha Hilton for banquets, seminars, workshops and business meetings.

Cramer, who also has interests in other Nebraska newspapers as well as papers in Iowa, Minnesota and Montana, is the eighth Nebraska newspaper person to receive the honor.

Others receiving the award in the last eight years were Harold Anderson, Omaha World-Herald; Jim Kirkman, North Platte Telegraph; Jack Lowe, Sidney Telegraph; Jack Lough, Albion News; Lyman Cass, Ravenna News; Fred Seaton, Hastings Tribune; Ron Furse, Aurora News Register; and Joe W. Seacrest, Lincoln Journal.

PRESENTING THE award to Cramer were Gov. Charles Thone and NPA President Arthur J. Riedesel, publisher of the Ashland Gazette. Riedesel characterized Cramer as "a man who divides his time and talent in many ways to benefit many personal, private and public involvements. He is so

He is past president of the board of governors of the Northeast Nebraska Technical Community College District, and currently serves as a member of the State College Board of Trustees. He is the only member to have served two successive terms as president.

He also is a trustee of the Wayne State College Foundation, member and vice president of the executive board of the Mid-America Council of Boy Scouts, advisory council member of the Wayne State Business Development Center and Committee on the Humanities.

Cramer also is past president of the Nebraska Press Association, past president of the Interstate Editorial Association, past president of the Nebraska Press Advertising Service, is state chairman of the National Newspaper Association, is a member of the National Newspaper Association membership committee, is a member of the NNA task force on postal problems, is past chairman of the NNA promotion committee and is a two-time chairman of the NNA Government Affairs Committee.

HE ALSO IS on the board of directors for the American Newspaper Representatives, Inc., a national newspaper advertising corporation, and is on the board of the Nebraska Public Television. The Wayne Herald publisher also is a member of the President's Council for the Nebraska Methodist Hospital.

\$190,827 in State Aid Expected

School District Should Get Significant Boost

Wayne-Carroll School District will receive approximately \$190,827 more next year in state aid to education as a result of the Legislature's override of a Gov. Charles Thone veto.

THE ACTION came Friday as one of the Legislature's final votes, boosting state aid to public schools by \$40 million above the \$55 million paid this fiscal year.

The Wayne-Carroll District's share, based on computer projections made by the State School Board's Association, will be 13.6 percent of this fiscal year's budget. State aid for the 1979-80 was only 5.8 percent of the total budget.

Supl. Francis Haun said that had the Legislature not approved any hike in school aid, the school district would have had to raise property taxes 4.22 mills, or about \$118,160.

THE ADDITIONAL revenue will be placed in the district's general fund which is used for the cost of administration, instruction, plant maintenance, transportation and support services such as clerical, food service, etc.

It will not be used for capital outlay (new buildings) or faculty salaries, he added.

Total state aid to schools will be \$95 million and is the first time in about four years state aid has been increased. According to Governor Thone and Legislators, the 73 percent hike will provide cuts in property taxes across the state.

Because of the statewide 7 percent budget lid law, state payments that would increase local budgets more than 7 percent must be used to replace property tax revenues.

The vote to override Thone's veto and add \$40 million to the state aid was 33-13. But senators voted down an amendment by 20-24 an even bigger increase of \$40 million.

In its original form, the bill would have provided an estimated \$115 million in state aid, a 109 percent increase. That would have resulted in the Wayne-Carroll District receiving \$260,000, or \$170,000 more than this fiscal year.

SUPERINTENDENT Haun said he has not seen the bill in its approved form and does not know the formula used in distributing the additional aid.

Other schools in Wayne County will receive the following increases in state aid: Winslow — from \$26,601 to \$53,708; and Wakefield — from \$47,413 to \$123,898.

Candidates Provide Few Differences

Five candidates running for the District 17 State Senatorial seat found little to disagree with among themselves at a candidates' forum Monday night at the Wayne-Carroll High School.

AND ONLY ONCE did a candidate take issue with another — when Merle Von Minden chided his counterpart from Allen, Edwin Fahrenholz, for what he termed "ducking a question."

Other candidates participating were Frederick Mann and Gerald Conway from Wayne and Eugene O'Neill from South Sioux City. The forum was sponsored by the Wayne County Monday Mrs. Extension Club.

QUESTIONS POSED to the candidates by a panel of six and by some 150 shirt-sleeved audience members covered the 7 percent lid bill, federal and state bankruptcy laws, contributions from corporations, gasoline research funding, the institutionalization of handicapped persons, the usury law, ownership of water rights, legislative salaries and a variety of others.

The only instance of one candidate taking issue with another was when Allen candidates Von Minden and Fahrenholz were asked about their opinions of voter imposed budget lids.

THE ALLEN Consolidated School District is facing a zero-growth budget issue on the May 13 primary ballot, and the proposal has generated considerable controversy in Allen.

Fahrenholz was first to respond, saying he was not fully aware of the situation, adding he tries to keep away from the problem.

After Fahrenholz finished his brief answer, Von Minden said he would not duck any questions, nor would he duck any questions if elected senator.

Among the questions and answers were the following:

DO YOU THINK a school board should be able to work within a 7 percent budget limitation?

Conway — refused to answer if those were to be the only options, but later added that a district should be able to operate under the lid.

Von Minden — Yes.
Mann — Yes, it's possible.
O'Neill — Yes, but...
Fahrenholz — It's impossible to answer yes or no.

HOW DO YOU feel about the bankruptcy laws?

Von Minden — Laws should be more severe yet in Nebraska.

Mann — Admitted he was not up on the current laws, but with a limited understanding of what had been said, he felt the laws were too lenient.

O'Neill — Laws are too lenient. Laws provide an easy way out of the injury of others.

Fahrenholz — Laws are far too lenient, but were set up so persons, after completing bankruptcy filing, would have some means so they could pay some of the debts.

Conway — Agreed with everyone else.

HAVE ANY OF the candidates received contributions from lobbyists or special interest groups?

O'Neill — Not a dime.
Von Minden — Hadn't received any and didn't want any.

Conway — Had had several groups come to him but has accepted only \$100 from a

friend who wants to see him elected. He later denied he had acted as a lobbyist for the Nebraska Education Association.

Mann — Was unaware that the Nebraska Commerce of Welfare and Industry had made a contribution to his campaign as the Omaha World-Herald recently reported. The money was not sought, he said. Other minor contributions have come from friends and neighbors.

Fahrenholz — Has not checked his local bank for about a week, but did not believe he had received any.

DO YOU BELIEVE more funding should be made available for research into gasoline and the use of vegetable oil for energy supplies?

Von Minden — Basically would leave that decision to the public, but would seek legislation allowing the issue to be put on the ballot so the public could vote on bonding for such corporations.

Mann — Felt it was unnecessary that the

state get into the matter, saying he believed free enterprise would realize a potential profit and take the leadership.

O'Neill — Is in favor of research for all energy sources.

Fahrenholz — Research into the use of vegetable oils looks to be more promising.

Conway — Agreed with others that there is a need to continue research and provide funding for research. He, too, feels private enterprise will take over from there in producing the alternative energy sources.

DO YOU BELIEVE handicapped children should be institutionalized (such as in Beatrice) or should be placed in a community based program (such as Region IV Developmental Disabilities)?

Mann — Is for "taking care of these people." But there is no agreement among

Sparse Audience Hears of Sales Tax

About 25 Chamber of Commerce and City Council members were on hand at a special Chamber session Monday night to discuss the proposed city sales tax.

BERNIE NAVE, certified public accountant from Omaha, gave a brief address to open the program. Keith Mosley, representing the Wayne City Council, spoke in favor of the sales tax and businessman Dick Keidel spoke against it. A question and answer period followed.

Keidel said his main objection to the proposed tax is that "it's in my opinion an additional tax not strictly a replacement tax". He added he feels the tax has real potential for unfair and unethical business advertising from businesses outside of the city limits. It could cause a possible split in the community, he felt.

ANOTHER ONE of Keidel's objections to the proposed tax is that Wayne would be the first city in the area to add sales tax. "I don't like being first in taxes," he stated.

Keith Mosley presented his case in favor of the sales tax by stating, "It is the most equitable, most logical tax. I support it as a city official and as a property owner and father of five children."

According to Mosley, the one percent proposed tax would shift the burden of taxes. College students, who do not pay property tax, travelers and farmers would contribute to the city's revenue by paying sales tax.

MOSLEY POINTED out that the city contributes approximately \$160,000 to \$170,000 for county roads each year.

The councilman stressed that unless something is done the city will have a net deficit of more than \$180,000 in the next fiscal year. "We are trying to broaden the tax base," he said.

The first year of sales tax will generate an estimated \$300,000, according to state figures. That would be enough to build up a reserve, and property taxes would be reduced accordingly. If the city had an excess of money the following year, property taxes would again be dropped, Mosley stated.

IF THE PROPOSED sales tax does not pass this year, then the city must wait two more years before considering it again.

In closing, Mosley said: "If we must wait two more years, that means cutting things (such as services to the community). We can cut but unfortunately we're experiencing a traumatic thing — inflation. I feel the ci-

ty of Wayne needs to be supported by everyone"

QUESTIONS WERE asked concerning the sales tax and brought up several topics not included in the presentation.

Nave, the CPA who has compiled a variety of information regarding city sales tax, pointed out to the audience that one percent is the maximum by law that can be charged as city sales tax. The other alternative is a 1/2 percent sales tax. The tax will not be locked in and can be changed by a referendum, he stated.

If the city remains short of funds after the city sales tax is added and subsequent property tax cut is carried through, property taxes would possibly be raised the following year, Nave said.

IT ALSO WAS pointed out that a taxable area could be annexed which would include businesses outside the city limits to generate additional revenue. General discussion continued for about 20 minutes.

Mayor Wayne Marsh added his opinion to the discussion stating: "We're not here to tell you we need sales tax, we are here to tell you we need additional revenue of some kind."

Spring Arts Festival Saturday to Offer Public Variety

Artists, both professional and amateur, along with hobbyists and students will display their talents and wares at the second annual Spring Arts Festival here Saturday.

Scheduled from 10 a.m. to 4:30 p.m., the festival will be held in the City Auditorium and near the downtown area.

ENTRIES WILL include art and craft displays and sales such as sculpture, watercolor, oils, photography, batik, weaving, quilting, etc.

Scheduled to perform throughout the day are singers, guitarists, pianists, accordion and harmonica players, whistlers and poets.

Interested individuals are invited to bring their guitars, banjos, autoharps, etc., to participate in an informal "hootenanny" to be held downtown at noon. Chords and song sheets will be provided. A sing-a-long will be held at 4 p.m.

SPECIAL EVENTS for kids also will be held all day. These include three puppet shows, one of which will be an improvisatory show at 10:15 a.m.; another will be a continuing "walking puppet theater," and the third will be a series of puppet shows authored and presented by a Wayne State College class at 1 p.m.

Also for youngsters will be creative art activities, group singing and face painting (removable, of course).

A wildlife quilt designed and hand-sewn by Gail Korn will be given away. It is now on display at Gerald's Decorating Center. In addition, a coloring book of Wayne, drawn by members of the Wayne Regional Arts Council board of directors, will be introduced and on sale at the festival.

THE ARTS FESTIVAL is free to the public and is sponsored by the Wayne Regional Arts Council for artists and craftsmen of the Wayne area. It also is supported by the Nebraska Arts Council.

The schedule of performances is as follows:
10:30 a.m. — Dave Blenderman, puppet show.
10:45 a.m. — Darrell Lindsay, piano solo.
11 a.m. — Tone-up (at the Stratton House) for instruments in the "Hootenanny."

Birthday Bucks Winner

Last week's Chamber of Commerce Birthday Bucks winner was Kevin Victor, Wayne. He was at the 4th Jug when the winning date of Sept. 8, 1951, was called. His birthday is Sept. 15, 1951. Victor received a \$25 consolation prize.

Rethwisch Assistant Treasurer

New officers have been elected for the University of Nebraska at Lincoln Agronomy Club for the coming school year.

Among the officers is Mike Rethwisch, Wayne, who was named assistant treasurer.

Chamber Coffee at Taco del Sol

This Friday's Chamber of Commerce coffee will be held at the Taco del Sol in the Mineshaft Mall from 10 to 11 a.m. Owners Jere Chapman of Wayne and Gary Hohn of Norfolk will be on hand to greet Chamber members and a Progress Award will be presented.

In recognition of National Secretaries Week, Chamber members are invited to bring their secretaries to the coffee for a special Mexican treat — an apple crisp dessert and cup of coffee.

Siren Test This Friday

The city of Wayne will conduct its monthly testing of Civil Defense sirens at 1 p.m. Friday. Sirens will be allowed to run only one minute with a three minute pause between each test, and will be tested in the following sequence:

—Alert (used for tornado or other natural disaster warning), both high and low siren on for one minute.

—Pause, three minutes.

—Attack, both high and low on for 10 seconds, off for 10 seconds, continuing for one minute.

Normal time sequence for each of the sirens in an emergency situation would be a full three minutes. Since this is for testing purposes only, the siren will be shut off after one minute each so the public can quickly determine the difference between test and an actual warning. If this were not a test, the public should immediately take shelter upon hearing either the alert or the attack signals given.

Lodging Tax, Abortion Concerns of Legislature

CAPITOL NEWS
By Melvin Paul
Statehouse Correspondent
The Nebraska Press Association

Even though quite a few of his colleagues agreed with Grand Island Sen. Ralph Kelly that the state had an obligation to help Joseph Soukup Jr., a majority of the legislators rejected a proposed \$35,000 payment to Soukup.

Kelly suggested placement of the \$65,000 into the miscellaneous state claims bill but the amendment was defeated on a 21-24 ballot.

Soukup, who now lives in Grand Island, spent 13½ years in various state institutions, and Kelly said the man had to put up with "a litany of wrongs" for which he should now be compensated as a matter of justice.

Kelly proposed the district court appoint a conservator to supervise Soukup's educational and vocational training.

Soukup, now 37, had sought \$2.5 million from the state to compensate for alleged psychological and physical mistreatment while he was institutionalized.

The Legislature's Business and Labor

Committee voted to disallow the claim.

Sen. Martin Kahle of Kearney, a member of the committee, said the state should avoid setting a precedent and that he believes Soukup can receive all the help he needs from existing agencies.

But Sen. David Landis of Lincoln disagreed. He said Soukup was involuntarily and illegally "incarcerated" for more than six years because he was held against his will after he reached the age of 21.

Also knocked out of the claims bill was a \$35,651 payment to reimburse farmers and ranchers whose crops were damaged by wild animals.

Sen. Jerome Warner of Waverly suggested the deletion, arguing inclusion of the payment "may establish a precedent that I think some thought ought to be given to."

Most of the payments would have been given to ranchers who suffered considerable hay losses from deer that foraged for food during severe winter weather.

Specify legislative intent
The Legislature has amended a legislative intent bill to specify it doesn't want tax money going into group insurance

policies for abortion coverage unless a woman's life is in danger, or to pay for treatment of complications stemming from an abortion.

After considerable debate, the amendment, sponsored by Sen. Don Dworak of Columbus, received a 33-5 vote of approval.

Sen. Steve Fowler of Lincoln won adoption of another amendment he said would let insurance companies know the Legislature wants them to make abortion coverage available to public employees who agree to pay the cost of the extra coverage.

Fowler said insurance firms would not voluntarily offer abortion coverage to public employees unless the Unicameral mandated the offering.

Sen. Larry Stoney of Omaha later managed to change Fowler's amendment to make it permissive.

Signs lodging tax
Gov. Charles Thone has signed into law the bill that imposes a 1 percent sales tax on lodging and allows counties to levy another 2 percent to promote tourism.

The revenue generated by the 1 percent state tax will go to the tourism division of

the state Department of Economic Development.

All monies raised by the counties, which would have to hold public hearings before imposing the 2 percent levy, would also go for tourism promotion activities.

Those also advised the Legislature he signed a bill designed to revitalize branch rail lines.

The new law encourages private investments and the use of public funds to upgrade branch lines that might otherwise be abandoned but which are important, especially to people in rural areas.

On another matter, the lawmakers sustained the governor's veto of a proposal to increase state employee salaries 11 percent. That means the employees can expect an 8 percent increase in pay starting July 1.

Systems contaminated
The state Health Department said recently more than 100 Nebraska drinking water systems have levels of contaminants above federal limits that were established to protect human health.

Department officials said, however, in most cases people will not have to quit

drinking water from those systems in the near future because there is no current threat to health.

The officials added that health problems could result over a period of years if the contaminant levels are not lowered and people continue to drink the water.

Under federal regulations, communities with excessive contaminant levels are to remedy the problem by Jan. 1 in order to be in compliance with the Safe Drinking Water Act.

The Health Department is preparing a list of systems currently not in compliance and is working on steps that could be taken to satisfy the federal standards.

The department has examined samples of about 75 percent of the state's community water supplies. So far, laboratory exams showed 47 systems with excessive levels of bacteria, 35 of selenium, 21 of radium, 20 of nitrates and one of lead and one of organic matter.

Some of the systems have more than one contaminant with an excessive level.

Says lid will hurt
Hugh Harlan, administrator of instruc-

tional services of the state Education Department, has told the state Board of Education the zero lid will have a "devastating effect" on the Omaha school system next year.

Harlan said Omaha will not be able to maintain its high standards in the face of inflation and the zero lid imposed by voters last year.

He added some programs that took years to develop may be lost forever.

A task force on educational quality has recommended that the state department maintain present accreditation standards despite pressure from school districts to lower the standards.

Harlan said there will be a deterioration of quality in schools because of spending lids and inflation and that lowering standards and redefining quality would "make a mockery of what quality is."

Board member Don Lienemann said a zero lid does not necessarily mean a decline in quality.

Lienemann indicated his belief that sensible budgetary pruning could be accomplished without affecting educational quality.

Aerial Spray Ban Sought

NEBRASKA FARM BUREAU FEDERATION
By M.M. Van Kirk,
Director of Information

Aerial crop and rangeland spraying would for all practical purposes end if the Environmental Protection Agency (EPA) and the Federal Aviation Administration (FAA) actually respond favorably to a petition filed with these agencies by "Friends of the Earth" and published in the Jan. 17, 1980, Federal Register.

The Aviation Trades Association and farm organizations such as Farm Bureau have already submitted testimony to both agencies objecting to the proposal and pointing out what would happen if it actually were implemented. The petition asks the EPA to institute drastic regulations for the use of herbicides, insecticides and other pesticides. Under the proposed rules, farmers could not spray 250 feet adjacent to other property, including highways and roads, without written permission. This would apply to spraying herbicides at the time of planting a crop as well as to control weeds or insects after the crop is up.

Control of grasshoppers, corn borers, weeds and other pests of wheat and row crops would require a 1,000-foot barrier zone when aircraft was involved in a spraying, unless the operator obtained written permission from every person who might possibly be in that area's radius.

The petition as proposed would permit absolutely no drift of any spray material, no matter how slight. The aerial spraying grasshopper control program which may be needed this summer on Nebraska and Colorado rangeland couldn't even be contemplated. Aerial application of pesticides is several times more energy efficient than other application methods. Further, as a practical matter, for some crops there is simply no alternative, due to the height of the crop and/or irrigation practices, to aerial application of pesticides during the spraying season.

Of course the proposal is very wrong and made possible by the emotional propagandists who have little scientific knowledge about the proper use and function of pesticides and about agricultural production and its requirements. They have installed an inordinate fear in much of the public that all pesticides are a threat to humans, animals and plant life and that their use should be banned in all cases.

Pesticides are among agriculture's most valuable tools and it is essential that farmers, ranchers and pest control operators continue to have reasonable access to pesticides with favorable risk-benefit evaluations.

Actually, what the "Friends of the Earth" petition aims at is a method of eliminating manufacture and use of all agricultural chemicals. Under a 250-foot barrier application, very few pesticides could be used on gardens, in orchards or on flowers and lawns. One would have to get written permission from every resident of an entire block before he could apply a fungicide to stop the blight in his tomatoes or rose bushes, or control the bagworms before they destroyed his ornamental evergreens.

One may talk all he wants to about the wonders of organic farming and natural controls but some things just won't wait.

Anyone who tried to produce apples, for example, knows that if sprays are not applied at timely intervals one ends up with wormy apples... something not tolerated in commercial trade. In many cases before natural controls can be effective, the orchards, gardens, field crops and forests are either destroyed or severely damaged.

Consumers complain about the cost of food now. Think what the prices would be if production and quality were reduced by 50 percent.

Excessive regulations have increased pesticide development costs over 300 percent since 1972 and this cost is still going up. The average elapsed time from discovery to first registration of a new product is almost 10 years. The cost of developing a single new pesticide is now estimated at upwards of \$20 million.

Since the mid 1960's there has been virtually no growth in money spent for private research — primarily due to inhibiting effects of regulatory agencies. Much of the money is being spent in defensive research and court costs rather than finding new and better control products and use techniques.

Nineteenth Century Freightling in Nebraska

There was a time when Nebraska's long distance transportation wasn't dependent on high-priced petroleum products and restricted to graded roads or "ribbons of steel." Oxen, horses and mules first moved goods across the great trails up the Platte River, and later brought the edge of civilization into the Nebraska counties as they were formed.

In the 1930s the Federal Writers' Project prepared a series of newspaper articles on subjects pertinent to the state. One dealing with freightling is printed below. Another excellent source of information about transportation in the mid-1800s is William Lass' book, "From the Missouri to the Great Salt Lake," a publication of the Nebraska State Historical Society (available for \$7.95).

The transportation of freight across Nebraska before the advent of the railroad or the automobile was an interesting though sometimes hazardous occupation.

The freighters followed approximately the same routine each day. At dawn the night herder came to camp and called the wagon boss: he got up, pounded upon each wagon and called the men to "turn out" and assist in driving in the cattle which had been grazing on the prairie.

The corral was made by arranging the wagons in circular form, the front wheel of one wagon interlocking the hind wheel of the one in front. Two half circles were formed with a gap at either end. Into this corral the cattle were driven; the night herder watched one gap and the wagon boss the other while the men yoked up.

The first step in yoking up was to take the lead yoke to the shoulder and hunt the off leader. When the steer was found the bow was put around his neck, and with the yoke fastened to him he was led to the wagon, where he was fastened to the wheel with a chain. Then the other bow was put on the near leader, and he was led to his place under the yoke. The lead chain was hooked to the yoke and laid over the back of the near leader. The other cattle were caught and yoked in the same manner. When the cattle were all yoked they were driven out, chained together and hitched to the wagon.

The first drive in the morning would be until 10 o'clock, or later, according to weather and distance between camping grounds. Cattle were un-yoked and the men got their first meal of the day. The oxen were driven in and yoked for the second drive between 2 and 4 o'clock. The time of starting was governed by the heat. Two drives of about 5 to 7 hours were made each day. The rate of travel was about 2 miles an hour, or from 20 to 25 miles a day, according to the condition of the roads.

Many trains started from the Missouri River ports with not more than two yoke of cattle — in the six that comprised the team — that had ever worn a yoke before. Many had to be roped, and some of the wildest were made to wear their yokes for weeks.

The bullwhacker's whip had a 20-foot lash, tapering to a small point and tipped with a buckskin popper. This was hung to an 18-inch handle, which the driver grasped with both hands. After four or five swings around the head the lash was shot straight out with a report like a gun. Unless a "deathhead," a steer was seldom really struck with these whips, since at full force it would draw blood.

The cooking for freightling trains was usually done on sheet-iron or cast-iron stoves, or pots and bake ovens in place of stoves. When in non-wooded areas buffalo chips were used as fuel. The bill of fare usually was dry salt pork, bacon, corn meal, flour, beans, dried apples, coffee, tea and sugar.

One company drove six days a week, and remained in camp all day Sunday. Most of the other freighters drove all seven days. The same company required that local prohibition be established at Nebraska City as a condition for making that town the terminus of their overland freight business.

LETTERS

April 17, 1980

Dear Editor:

I am writing in response to Mr. Dan R. Boeshart's letter of April 12, 1980, which appeared in local newspapers.

Is Mr. Boeshart really concerned about the future of his old alma-mater of Allen? The answer is no as he presently pays no taxes in the district, does not live in it, and has no one attending the school. When he evaluated the school he must've had the blinders on or he would've seen plenty of frills. He would've also gone over the huge inflated budgets of the past two years and resulting unbearable taxes. He would've also taken note of a large number of unneeded teachers and other staff.

Also it would be rather interesting if Mr. Boeshart would reveal the fact that he went to school under one of the best most conservative superintendents ever in Nebraska. This was Mr. K.R. Mitchell who ran an excellent school with no huge inflated budgets or unbearable taxes without whom Allen's school wouldn't exist. He would also expose to daylight the fact frills and huge inflated budgets are not needed.

Mr. Boeshart did not state that he himself is a teacher in a neighboring district

and is therefore completely biased against the lid for fear it may spread to his district and teacher and staff cuts may be made there also. Let him move to the Allen district and pay huge taxes and justify all the unneeded huge reserves carried year after year.

Also Mr. Boeshart can finally butt completely out and let us paddle our own canoe until such time as he becomes a taxpayer and resident of our district. We can handle our own affairs without the presence of an interloper from outside. We do not tell him how to teach in his district so he can quit interfering in our affairs until he helps pay our school taxes period.

We have a complete list of any and all suggested cuts and frills also that were presented to the public and board.

Also Mr. Boeshart might ask the Allen board to reveal the findings of their recent audit and see what it shows and also ask why is a petition circulating asking the superintendent to resign. Also, why didn't the board take conservative steps the last two years and work with the public and no lid would've been needed.

April Wedding Ceremony Unites Workman-Murray

Sherry Workman of Wayne, daughter of Mr. and Mrs. William Workman of Omaha, was married in a double ring ceremony April 12 at Wayne to Kevin Murray of Wayne, son of Mr. and Mrs. Harold Murray, Wayne.

Decorations for the 4 o'clock ceremony, at the First United Methodist Church in Wayne, included pew candles adorned with pink and white ribbons and greenery, and altar vases with assorted spring flowers.

For her wedding day, the bride chose a white full-length dress designed with a high neckline of sheer organza. A Cluny lace ruffle enriched the bodice and enhanced the sheer waistband. The skirt, styled with long panels of Chantilly lace, and the train were edged in matching lace. The bride's elbow-length veil, trimmed in Chantilly lace, was attached to a crown cap and she carried a cascade of silk carnations, stephanotis and lily of the valley accented with tiny pink rosebuds.

The bride was given in marriage by her father.

Maid of honor was Lori McClain of Wayne, who wore a pink fashion in floor length, designed with a high neckline and crocheted bodice. The long, split sleeves flared at the wrists.

Bridesmaids Tamie Murray, Sherri Claussen and Jodi Fleer, all of Wayne, and Denise Hendrickson of Lincoln, wore matching primrose dresses. They carried silk nosegays of pink roses and lily of the valley.

Dennis Murray of Wayne served as best man, and groomsmen were Loren Murray, Randy Workman and Ritch Workman, all of Wayne, and Mike Wiestler of Lincoln. Ushers were Clay Ellingson and Keith Schuttler, both of Wayne.

The bridegroom was attired in a white tuxedo, and his attendants wore silver tuxedos with satin lapels trimmed in black velvet.

For her daughter's wedding, Mrs. Workman selected a raspberry floor-length dress styled with a crocheted blouse and pleated skirt. Mrs. Murray chose a full-length mauve dress designed with angel sleeves, a round buttoned neckline and tie belt.

Candles were lit by Cheryl Murray, and flower girl was Kary Preston of Wayne.

The Rev. Kenneth Edmonds and the Rev. Thomas McDermott, both of Wayne, officiated at the ceremony. Wedding music included "Longer," sung by Sheryl Anderson of Wayne and accompanied by Shauna Roberts of Lincoln on the trumpet and Karla Frevert of Wayne at the organ. Miss Anderson also sang "The Wedding Song" and "It's Time To Say I Love You."

A reception was held at the church following the wedding ceremony. Janine Tiedtke of Wayne registered the guests, who

were greeted by Mr. and Mrs. Dick Sorensen of Wayne. Gifts were arranged by Jodi Workman and Cathy Rieke of Omaha.

Sandra Thompson of Bancroft and LeJean Hanson of South Sioux City cut and served the cake. LoAnn Bofenkamp of Wayne poured.

Waitresses were Jodi Workman and Cathy Rieke, both of Omaha, and Lisa Bofenkamp of Wayne.

A wedding dance was held at the Wayne National Guard Armory following the reception at the church. Music was furnished by Dave and Ellen.

The newlyweds took a wedding trip to the Lake of the Ozarks and are making their first home at 710 E. 6th St., in Wayne. The bride, a 1979 Wayne-Carroll High School graduate, is a dental assistant in the offices of Drs. Wessel, DeNaeyer and Cooley, in Wayne. The bridegroom was graduated from Wayne-Carroll High School in 1978 and is employed with Leopold Jones Construction of Wayne.

Spring Tea

MRS. DARRELL NELSON'S spring wardrobe (pictured at right) may not make the fashion scene, however she was a big hit at the Dixon County Home Extension Clubs' Spring Tea Monday afternoon. Mrs. Nelson was among 11 women who modeled "futurama" fashions during the program, held at the Northeast Station, near Concord. Nearly 50 members of extension clubs throughout Dixon County attended the event, which was hosted by the Hillcrest and Sunshine Extension Clubs. The program also included special music by The Light (pictured above), a vocal trip comprised of, from left, Ann Rickett, Karma Thomas and Janet Manz. Guest speaker was Thelma Thompson, textiles and clothing specialist at the University of Nebraska Lincoln.

Wayne Garden Club Attends Spring Confab

Thirty-eight members of garden clubs in Bancroft, Emerson, Lyons and Wayne attended the District 5 Spring Conference of the Federated Garden Clubs of Nebraska.

The conference was held Friday at the Lyons city auditorium. Speaker was Mrs. Richard Edward Prince, state president, who talked about the environment, soil and water, and trees adapted and growing in Nebraska.

Mrs. Prince also showed slides of Costa Rica.

Mrs. Richard Hancock, first vice president, showed slides of the national convention which she attended in New Orleans.

Club presidents reported on their work, study and civic projects, and musical entertainment was provided by the Lyons High School.

The meeting, which was chaired by District 5 director Mrs. Clarence Maas, included the flag ceremony by the Sunny Side Garden Club of Emerson. Four door prizes were given and the doors and means table netted \$50.

Shower at Carroll Honors May Bride

A shower Saturday evening at the Carroll Methodist Church honored May bride-elect Jeanine Harmer, daughter of Mr. and Mrs. Don Harmer of Carroll.

Thirty-five guests attended the event and hostesses were Mrs. Merle Schluns, Mrs. Rick Schluns and Mrs. Steve Schluns, all of O'Neill. Mrs. Don Frink of Norfolk, Mrs. LeRoy Nelson, Mrs. Lem Jones, Mrs. Wayne Kerstine, Mrs. Robert Johnson, Mrs. Gordon Davis, Mrs. Don Davis, Mrs. Ken Hall, Mrs. Randy Schluns and Mrs. Phil Olavson.

Decorations, in pink, blue and

yellow, included a hanging umbrella centering the gift table. The hostesses presented the honoree with a corsage.

Games furnished the entertainment, with the prizes going to Mrs. Cliff Burback and Mrs. Merlin Kenny. The prizes were forwarded to the honoree.

Gifts, registered by Mrs. Doug Rhotofs of Norfolk, were carried by Dana and Danielle Nelson, Amy, Deanna and Tammy Schluns, and Mandi Hall.

Miss Harmer and Russell Longnecker, son of Mr. and Mrs. Don Longnecker of Winside, will be married May 31.

Winside Bikers Cycling To Fight Cystic Fibrosis

Winside area youngsters are invited to take part in the Cystic Fibrosis Breath of Spring Bike A Thon this Sunday from 7 to 5 p.m. Rain date is May 2.

Bikers are asked to meet at the West Corner of Winside across the highway on the county road.

Participation in the Cystic Fibrosis Bike A Thon is open to anyone wishing to help children and young adults who suffer with cystic fibrosis and other lung damaging diseases like chronic bronchitis, bronchiectasis and severe asthma.

Gay Lea Hafermann, chairman of the bike a thon, explains, "When you ride your bicycle Sunday you'll be doing what a lot of youngsters with cystic fibrosis and other lung diseases wish they could do. There are so many youngsters in this country who can't ride bicycles because their health won't let them. And they

need our help for research to find a cure for cystic fibrosis, and for the medical care that helps them live longer."

To enter the bike a thon, residents of Winside should obtain sponsor sheets at the school or from Mrs. Hafermann. After obtaining sponsors from among friends, relatives and neighbors, participants will ride in the bike a thon. Pledges will be collected afterward based on the number

of miles each participant accomplished.

"Even if you can't participate in the event, you can help our lung damaged children in Nebraska by sponsoring the wonderful kids who are giving their time and energy to help less fortunate youngsters," said Mrs. Hafermann.

For more information on the Breath of Spring Bike A Thon, contact Mrs. Hafermann at 286-4289.

Emry Marks 87th Year

Wendell Emry of Allen, Milton and Janice Emry of Fremont, Glenn and Arlene Fox of Orlando, Fla. and Twila Ogle of Olympia, Wash. hosted a coffee Sunday afternoon to honor the 87th birthday of their father, Earl Emry of Allen.

Guests included Mrs. Elsie Snyder, the Clarence Emrys, the Ralph Emrys, the Ben Jacksons, the Vernon Ellises and the Basil Tribes, all of Allen, the Merle Whites of Laurel, the Irvin Fegleys of Sioux City, the Ken Schuffetes and Lesa Emry of Fremont, and Karen Harlung of Orlando, Fla.

Other guests during the week were the Dick Chapmans, Den-

nis, Diane and Dallas Berven of Sioux City, and Sandy Pettit and family.

Laura Banister Is Auxiliary President

Laura Banister was elected president of the WWI Auxiliary during a meeting Monday evening at the Wayne Vet's Club.

Other newly elected officers are Marie Brugger, vice president; Peg Gormley, secretary; Julia Haas, treasurer; Gertrude Groskurth, chaplain; Marguerite Hofeld, conductress, and Evelyn Carlson, musician.

Reports were given and the meeting closed with prayer and the song "America." The women were joined by members of the barracks for lunch and cards.

Next meeting will be at 7:30 p.m. May 19.

Planning Tour

The We Few Home Extension Club is planning to tour Sioux City on May 12. Chairman for the tour is Mrs. Larry Nichols.

Nine clubwomen met with Mrs. Fred Janke April 14. For roll call they told how they conserved energy during the winter and how they plan to beat the heat during the summer.

It was announced that the Spring Tea, sponsored by the County Home Extension Council, will be at Hoskins on May 2. Mrs. Richard Korn gave the lesson on home furnishings.

Allen Juniors, Seniors Rehearsing for One-Acts

The junior and senior classes at Allen High School will present two one-act plays at the school on Tuesday, April 29, at 8 p.m.

The first play, "Love Hits Wilbur," focuses on Wilbur Max-

well, who hates girls so much that his mother is afraid he isn't normal. Wilbur's perspective on the female gender changes quickly when he meets a friend of his sister's.

The cast for "Love Hits Wilbur," includes Doug Koester as Wilbur; Colette Kraemer as Betty Lou; Lori Troth as Virginia; Sonya Ellis as Connie; Lisa Wood as Mrs. Maxwell; and Wayne Trevelt as Mr. Maxwell.

In the second play, "Trial by Fire," Claire, a young girl, is on trial for dancing and kissing a

young man. Only her attorney believes her to be innocent. The comedy opens at the trial with three elderly ladies who would rather gossip than serve as jurors.

Members of the cast for "Trial by Fire," are Shari Jones, first juror; Dawn Kluever, second juror; Lisa Erwin, third juror; Lisa Wood, judge; Joni Kreamer, defense attorney; Erma Johnson, prosecutor; Ann Gwin, Claire; Jeff McAtee, Mark; Teri Kjer, anti-dancer; Tom Sturges, anti-lover; and Rhonda Lyons, guard.

Lori Erwin Honored

Lori Erwin of Concord was honored at a miscellaneous bridal shower Saturday afternoon at the Evangelical Free Church, Concord.

Miss Erwin, daughter of Mr. and Mrs. Gary Erwin, and Lindy Koester, son of Mr. and Mrs. Duane Koester, all of Concord, will be married June 14 at the Evangelical Free Church.

Seventy guests attended Saturday afternoon's fete, coming from Sioux City and Davenport, Iowa; Concord, Allen, Wayne, Dixon, Wakefield, Laurel, Norfolk, Kearney, Newcastle and

Ponca. Decorations were in green and yellow.

The program included devotions by Mrs. John Westerholm and a reading by Mrs. Rodney Johnson. There was a skit by the hostesses and piano selections by Karl Erwin. The bride's sisters, Karl, Susie, Lisa and Lana, sang several numbers.

Hostesses were Mrs. Edward Linn, Mrs. Bud Erlanson, Mrs. Verdel Erwin, Lorna Stamp, Mrs. Dennis Forsberg, Mrs. Rodney Johnson, Mrs. Floyd Bloom, Mrs. Don Dahlquist and Mrs. Marilyn Dahlquist.

Wakefield Spring Musical

ABOUT 75 STUDENTS IN FIRST, third and fifth grades at the Wakefield Elementary School sang and danced for their relatives and friends during a spring musical Friday evening in the school gym. "Happiness is Something to Sing About" was the theme for the program, which was attended by about 300 persons. Pictured singing

Thursday afternoon during a matinee for school students are members of the third and fifth grade classes. Mrs. Barbara Meyer, director, said nearly 75 students participated in the program. Other school students (grades two, four and six) took part in the school's Christmas program.

Anniversary Dance Honors Werner Manns of Winside

A Winside couple, Mr. and Mrs. Werner Mann, marked their 35th wedding anniversary Saturday evening during a dance at King's Ballroom in Norfolk.

Mrs. Robert Peters of Harrisonville, Mo. and Mrs. Jim Kressig of Hartington arranged gifts and registered the guests, who came from Harrisonville, Mo., Laurel, Lincoln, Omaha, Wayne, Winside, Hartington, Arl-

ington, Hoskins, Carroll, Norfolk, Randolph, Wisner, Columbus, Pilger, Stanton, McLean, Coleridge, Pierce and Wakefield.

Women assisting in the kitchen included Mrs. Leonard Andersen, Mrs. Harlin Brugger, Mrs. Art Groene and Mrs. Karl Frederick, all of Winside, and Mrs. Arlin Thies of Wayne.

Manns were married April 22, 1945, at Wisner. Attendants at

their wedding, who were present for their anniversary, were Frederick Mann of Wayne and Mrs. Marvin Mann of Lincoln.

Manns have lived their entire married lives at Winside and are the parents of three children, Dean Mann and Mrs. Don (Donna) Nelson, both of Winside, and Mrs. Dianne Westfall of Lincoln.

Plan for
June Wedding

Mr. and Mrs. Louis Peter of O'Neill announce the engagement of their daughter, Laura Jean, to Dale Donald Hochstein, son of Mr. and Mrs. Donald Hochstein of Wynot.

The bride-elect, a 1977 graduate of St. Mary's High School, O'Neill, is attending Wayne State College. Her fiancé, who was graduated from Wynot High School in 1975 and Wayne State College in 1979, is an instructor in the Wayne Carroll High School.

A June 14 wedding is being planned at St. Patrick's Church in O'Neill.

Home Furnishing Lesson

Members of the Happy Homemakers Extension Club were given a lesson on home furnishings last Thursday afternoon.

Presenting the lesson in the home of Mrs. Gerald Pospishil were Mrs. Jack Langemeier and Mrs. Val Damme.

Eleven members attended the April meeting, which opened with

the song "I'd Like to Teach the World to Sing," accompanied on the guitar by Mrs. Gary Block. Members responded to recall by naming the newest thing they have added to their homes.

Health leader, Mrs. Ed Groner read "The Time Table for Cancer Check," and citizenship leader Mrs. Jack Langemeier reminded members of the candidate's

forum, which was held Monday evening at Wayne-Carroll High School. Mrs. Mildred Jones, family life leader, read an article on building family strengths.

Each clubwoman showed a picture as part of the cultural arts focus by home extension clubs across the state.

Members of the club are planning to furnish sandwiches and work at the Spring Tea, slated May 2 in Hoskins.

Next regular meeting will be at 1:30 p.m. May 15 in the home of Mrs. Ernest Siefken.

Raise Funds for MS

Seniors JoAnne Roberts of Allen and Mark Jones of Mineola, Iowa led Dana College students in raising about \$4,200 for muscular dystrophy.

The Dana College students raised the money during a 24-hour campus Dance Marathon for Muscular Dystrophy April 11-12.

Miss Roberts and Jones won first place in dollars earned through pledges and were voted "most popular couple" by the marathon participants.

JoAnne is the daughter of Mr. and Mrs. Emmett Roberts of Allen.

Ladies Win in Round Robin

The Lady Wildcats stumbled in one game at home and in two games at the University of Nebraska but rebounded to a successful showing in the Kearney State Round Robin Tournament over the weekend.

Wayne State won three of four games in the Kearney journey,

defeating Peru State 9-5, Fort Hays 12-7 and Kearney State 16-3. The only downfall came in a 9-8 eight inning loss to Chadron State.

Against Chadron, Wayne committed 11 errors to lose a lead of 8-4. Lynne Larson was the losing pitcher. Chadron scored three

runs in the seventh on three errors, a single and a wild pitch and then added the final run in the eighth.

The Lady Cats looked much improved as they defeated Peru 8-5. Cindy Stella, who gave up no extra base hits, was the winning pitcher.

Stella also collected three hits and three RBI's in four plate appearances. Lisa Draper went six for eight at the plate in the two games.

Against Fort Hays, WSC scored five runs in the bottom of the fifth inning. Lynne Larson earned the win in relief of Pat Lenihan. Terri Rademacher had a single, double and triple in three at bats. Three Fort Hays pitchers walked 15 WSC batters. Linda Prchal drove a home run for the winners.

In the final game against host Kearney, Cindy Stella picked up her third consecutive pitching triumph. Wayne State disposed of Kearney in five innings on the 10-run rule.

Freshman second baseman Connie French blasted a home run and the Lady Cats scored 12 runs in an explosive fifth inning.

The University of Nebraska at Lincoln swept a doubleheader from Wayne State 7-2 and 9-4. Lynn Brandt and Vicky Carsey were the leading hitters for the Cats.

In a doubleheader at home a week ago, St. Mary's of Omaha scored four runs in the top of the seventh inning to tip Wayne State 6-4. Diana Hall led the Lady Wildcats with two singles, a double and two runs.

The hosts rebounded in their second bout against Concordia, gaining a 9-3 win. Cindy Stella was the winning pitcher. Pat Lenihan stroked a single with bases loaded. Diana Hall hit a sacrifice fly. Terri Rademacher blasted a two run single and Rene Fernau added an RBI single to cap a five run third inning.

In the other game of the round robin pairing, St. Mary edged Concordia 11-10 in 10 innings.

ANOTHER RUN scores against Nebraska Wesleyan as Wayne State's Lady Wildcats rally, in action at WSC last week.

Blue Devils' Best Performance Nets First Place Showing

The shining sun and temperatures in the 90's brought out the best of the Wayne girls' track team, at the Tigerette Invitational in Tekamah, Tuesday.

The Blue Devils ran away with the first place trophy in the 14-team field, racking up 101 points.

Team scoring: Wayne 101; South Sioux 60; Tekamah-Herman 58; Laurel 47; North Bend 43; Beemer 33; Logan View 26; Ponca 26; West Point 21; Wisner-Pilger 12; West Point CC 3; Oakland-Craig 2; Lyons 2; St. Edward 0.

Wayne coach Darrel Heier and assistant Deb Bodenstedt said they were real pleased with the performance. "The juniors and seniors came through and showed their leadership," Heier said.

The weather conditions helped as several season best performances were recorded. Lynn Surber and Lisa Peters

were two of the leading scorers on Wayne's team. Surber placed second in the 1,600 meter run in 5:51.4, won the 3,200 meter run in 12:33.1, ran a leg for the 3,200 meter relay team which placed first and ran a leg for the 1,600 meter relay team which finished fourth.

Surber's individual performances were her best this season. She entered the competition ranked fourth in Class B in the 3,200 meter run with a time of 12:36.7.

Peters placed second in the 400 meter dash in 61.5, second in the 800 meter run in 2:22.4, ran a leg on the 3,200 meter relay team which placed first and ran a leg on the 1,600 meter relay team which placed fourth. Her individual times were also her season's best.

The 3,200 meter relay team, which is undefeated this year is composed of Peters, Surber, Kris

Proett and Julie Wiener. Their time of 10:26.3 was also a season best.

Jolene Bennett set a new school record in the discus with a mark of 104.7. That distance gave her first place in the event.

Other leading runners for the Blue Devils were Missy and Tracy Stoltenberg. Missy won the 100 meter dash in 12.9 seconds and placed fourth in the 200 meter dash in 27.8 seconds. Tracy placed second in the 100 meter low hurdles with a time of 16.7 seconds. She also finished third in the high jump with a mark of 4-10.

Wayne's 400 meter relay team took second place in 53.6 seconds. That team is composed of Jill Zeiss, Jill Mosley, Tracy Stoltenberg and Missy Stoltenberg. The 1,600 meter relay team of Mandy Peterson, Shelly Davis, Surber and Peters placed fourth with a time of 4:27.9.

Jo Carlson placed third in the shot put with a toss of 32-4 1/2 and Kelly Bartholomew finished sixth with a mark of 30-8, a personal best.

Next action for the Blue Devils is in a triangular at 3:30 p.m. Monday at the high school track.

Laurel Places Fourth
Laurel's girls finished fourth in the Tigerette Invitational, scoring 47 points.

Paula Chace won the 800 meter run in 2:19.4, the 400 meter dash in 58.5, and the 200 meter dash in 26.6 seconds. She also placed second in the long jump with a mark of 16-6 1/2. Chace ranks high among the leaders in five events, listed in the Omaha World Herald state track and field leaders.

Laurel placed fourth in the 3,200 meter relay with a time of 10:46.0 and fifth in the 1,600 meter relay in 4:28.1. Cindy Jonas finished fifth in the 800 meter run in 2:35.0.

Wildcats Win Some, Lose Some

Brian Cliff College center-fielder Miguel Martinez blasted three home runs, a double and a single leading the Chargers to a 9-6, 11-2 double-header sweep over Wayne State College Friday night in Wakefield.

The Brian Cliff victories snapped an eight game WSC winning streak and spoiled an otherwise perfect week for the Wildcats as they won 4 of 6 contests. Martinez

drove in five runs in the two games and was retired only once in the nine times he batted.

He walked twice, once intentionally and was hit by a pitch in addition to his five hits. In the opening game, Wayne State got some hitting support of their own from leftfielder Brian Blatchford who stroked his fourth and fifth

home runs of the year driving in five runs and giving the Wildcats a 5-1 lead after two innings.

The Chargers rallied, however, scoring two in the third and four in the fourth to assume a lead they would never lose. Rocky Thompson (2-3) was the loser for Wayne State.

In the nightcap, Brian Cliff took a 5-1 lead after four innings and never was seriously threatened. Two unearned runs in the fourth inning proved especially costly to the Wildcats. Leading only 3-1 Brian Cliff scored the unearned runs in the fourth without a hit. Three WSC errors, a hit batter, and a walk led the runs. Al Voigt (1-2) was the loser.

Earlier in the week, the Wildcats blasted Peru State 11-1 and 14-4 with both games going only five innings due to the 10-run rule. Following the Brian Cliff losses, the Wildcats dumped Bellevue twice Saturday 2-1 and 6-4.

Grady Hansen pitched a seven hitter and Brian Blatchford and Mike Meyer added enough offense to gain the victory in the first game. Blatchford had a

single and triple to drive in one run.

But the biggest hit of the game came in the top of the seventh inning with the score tied 1-1. Meyer blasted his fifth homer of the season to score the winning run. WSC had only four hits in the game.

Dewey Edgar earned the pitching victory in the second game, receiving relief help from Doug Carroll in the seventh inning.

Tom Todd and Mark Glatzer each rapped two doubles to lead the Cats. WSC scored four runs on four singles and a double in the third inning.

Wayne State's record slipped to 16-20 Tuesday as Buena Vista swept both halves of a doubleheader 7-5 and 10-2.

The Cats stranded 14 runners on base in the opening game as Buena Vista pitchers walked 18 batters. In the second game, Vista scored six unearned runs in the fifth inning on two costly errors.

Losing pitcher Al Voigt didn't receive much defensive support from his teammates. Buena Vista improved its record to 17-14. Wayne State travels to Kearney for a doubleheader Saturday.

NCC Title on the Line

The championship of the Nebraska College Conference will be on the line Saturday when Wayne State travels to Kearney State for a key NAIA District 11 double-header. The opening game will begin at 1 p.m.

The Wildcats and Antelopes split their opening two contests of the year April 5 in Norfolk. Kearney won the opener 4-2 and Wayne State the second game 6-5. The Wildcats trail Kearney State in the NCC by one-half game. Wayne State has a conference record of 6-1 while Kearney is 7-1. Overall the Wildcats are 16-18 while Kearney is 12-18.

The Antelopes have four games scheduled prior to the double-header Saturday. Two of those games at Peru State Thursday, count in the NCC. Friday the Antelopes are host to Bellevue.

The Wildcats still have three games to make up in the NCC. Two games at Peru State and a single contest with Chadron State were rained out earlier in the year. Both the Wildcats and Antelopes should qualify for the District 11 playoffs. Two teams from both the NCC and Nebraska Intercollegiate Athletic Association will qualify.

B League Final Game Monday

One finals spot was gained without too much trouble and the other was gained in overtime as B League Men's Basketball playoffs continued Tuesday night.

Team Five, which had lost only one game in 11 outings avenged its loss by putting Team Four out of the running with a 44-49 triumph. Team Four won the earlier contest in the third week of league play.

Team One had a much tougher time reaching the finals, edging Team Seven 67-63 in overtime. It was a fitting finish since the two teams had tied for second place in regular season standings.

Playoff finals are scheduled at 7:45 p.m., Tuesday in the Wayne city auditorium.

Erwins Strike Again
Tom and Rod Erwin combined for 54 points to lead Team One to victory 42-43 in overtime over Team Seven. The teams had tied for second place in regular season standings.

Team Seven jumped out in front as all five players scored at least four points in the first quarter. The second period belonged to Team One which gained a 33-32 half time lead.

Erwins held off the challenge by Team Seven in the fourth quarter but Bruce Johnson still scored 14 points in the last two periods to send the game into overtime 62-62.

One field goal and three free throws were enough to clinch the victory for Team One.

Leading scorers for the winners were Tom Erwin with 29 and Rod Erwin with 25. For Team Seven, Johnson pumped in 24 points and Jim Lindau and Tom Hagmann scored 11 points each.

Team One: T. Erwin, 29; R. Erwin, 25; Jones, 5; Jarvi, 4; Anderson, 2; Pankaskie, 2; Team Seven: Lindau, 11; Johnson, 24; Hagmann, 11; Daehnke, 8; Schulz, 9.

Ninth Consecutive Win
Team Five, playing its first game in three weeks, had too many guns for Team Four and reached the playoff finals with a

64-49 win. Team Four was the only team to beat Team Five this year.

After receiving a bye in the final week of regular season play and receiving another one in the first round of playoffs, Team Five played traditionally well in the first quarter.

A 23-7 advantage after the first period of play was the big difference in the semifinals game. Denny Stroth and Bill Carlson netted six points each in the opening quarter.

Team Four actually outscored conservative Team Five 42-41 over the last three quarters but the damage was already done.

The winners were paced by Ted Ellis with 19 points, Gary Leach with 18 and Denny Stroth with 12. The losers were led by Moe Green with 12, Bill Bailey with 11 and Greg Hafer with 10.

Team Five: Larsen, 5; Leach, 18; Ellis, 19; Stroth, 12; Kruger, 3; Carlson, 7; Team Four: Hafer, 10; Wieland, 8; Bailey, 11; Nelson, 8; Green, 12.

Playoff finals are scheduled at 7:45 p.m., Tuesday in the Wayne city auditorium.

Rose Leads Golfers

Wayne High's golfers continued competition Thursday at the Wayne Country Club and Friday at the Albion Invitational.

On Thursday, the Blue Devils hosted a quadrangular and finished fourth. Harlington Cedar Catholic won the match with 158 strokes, followed by Emerson Hubbard with 168, Harlington High with 183 and Wayne with 184.

Doug Rose was the team leader, carding a 41 on Wayne's back nine. Cedric Ellingson shot a 44, John Ellingson scored a 49 and John Metena shot a 50 to round out the scoring.

In reserve action, Wayne's B team shot well, outscoring Harlington C.C. 179 to 208. Chip Carr led the junior varsity with a 42, Bill Haas and John Carhart shot 45's and Jeff Brandt recorded a 47 to total 179 strokes.

Next action for the Wayne golfers is scheduled at 3:30 today (Thursday) in Norfolk.

In the 12 team Albion Invitational, Friday, Wayne finished ninth with 383 strokes. Leading individuals in the tournament were Bruce Merchant of Norfolk Catholic and freshman Paul Gahan of Oakland-Craig with identical 75's.

Albion and Norfolk Catholic finished second, third and fourth respectively.

Doug Rose tied for seventh, eighth and ninth in individual honors and settled for ninth when he lost a playoff. He recorded a 39-43-62. Bill Haas carded a 50-45-92, Jeff Brandt shot 50-48-98 and John Carhart followed with a 56-52-108.

Softball Tourney
The Tri-State Lindsay's mens and womens slowpitch softball tournament is scheduled for May 17 and 18 at the Floyd Complex in Sioux City.

Open to all ASA sanctioned teams, the triple elimination tournament will guarantee each team four games. After Saturday's play, teams will be divided into classes, with trophies being awarded for first and second places in each class.

Sunday will feature a "Texas" tournament for all teams losing their first three games. The tournament drew 48 area teams last year and directors expect a bigger and better tournament this year.

Entry deadline is May 5. All interested managers may contact Ken Stultz at 255-5971 anytime.

Second Guessers Elect Officers

Officers and directors of the board were elected at the Second Guessers' meeting, Thursday noon in the Black Knight.

Bill Dickey was elected president to take over for resigning president Bob Enz. Dale Gutshall was elected vice president and Marion Arneson

was chosen treasurer. The Board of Directors for 1980-81 will be Bob Enz, Cap Peterson, Dan Gardner and Randy Hascall.

The Second Guessers club is the booster club that supports Wayne High School and Wayne State College athletics.

Randy's Recap

According to Randy Hascall

SEVERAL AREA ATHLETES rank among the leaders in the state track and field top marks of the season.

At the top of the list, to no one's surprise, is speed demon Paula Chace of Laurel. Chace has placed her name on the "All-Class" charts in five categories. She has the best time (58.4 seconds) in the 400 meter dash, third best time (25.9 seconds) in the 200, eighth best time in the 100 meter dash (12.5 seconds), seventh fastest time in the 800 meter run (1:25.7) and fourth fastest long jump (17-7 1/2).

Compared with only Class C athletes, Chace's achievements are really exceptional. She has the second fastest time in the 200, third fastest in the 100, fastest by nearly one second in the 800 and fastest by .8 of a second in the 400. Her mark in the long jump is four inches farther than her nearest competitor.

Wakarusa's girls 400 meter relay team placed fourth in Class C with a time of 52.8 seconds.

Lynne Surber of Wayne stands fourth in the Class B 3,200 meters in 12:36.7.

Tending to boys track and field, Wayne's Matt Peters has recorded the third fastest

time in the Class B 800 meters, a 2:02.7 converted from an 880 yard race.

I'm sure I probably missed some local athletes when skimming the charts in The Omaha World Herald this week.

SOME CHANGES ARE PLANNED by the Nebraska School Activities Association for sports next school year. They are as follows:

For 1981, the boys' and girls' state track competition will be combined into a two-day state meet at one site. The site is to be determined later. This change also results in district competition for boys and girls being held simultaneously, too.

All football games involving Nebraska high school teams will have a winner by use of an overtime plan if the game score is tied after regulation play. The overtime plan basically will afford the two teams an equal opportunity to score via a series of downs from 10 yards out. This plan has been in effect for all NSAA state playoff games.

The point where a school can be eligible for the eight-man football playoffs will be established at the NSAA enrollment figure of 90 students or less. Previously, the breaking point was the Class C-D division line.

The rest period required between matches for schools faced with the possibility of playing three matches in one day will be reduced from 1 1/2 hour to 30 minutes. Pre-game warm-up time has been changed from 15 to 16 minutes.

The height of the 300 meter hurdles race in boys track will become the intermediate level for the 1981 district and state meets. The event this year is the 300 meter low hurdles.

PEOPLE HAVE ASKED me where I've been hiding my Major League baseball predictions. Well, here they are, better late than never:

- American League East: 1—Baltimore, 2—Milwaukee, 3—New York, 4—Boston, 5—Detroit, 6—Cleveland, 7—Toronto.
- American League West: 1—Kansas City, 2—California, 3—Texas, 4—Minnesota, 5—Chicago, 6—Seattle, 7—Oakland.
- National League East: 1—Pittsburgh, 2—Montreal, 3—St. Louis, 4—Philadelphia, 5—Chicago, 6—New York.
- National League West: 1—Houston, 2—Cincinnati, 3—Los Angeles, 4—San Diego, 5—San Francisco, 6—Atlanta.

WSC Invitational Wayne State 2nd, 4th

Wayne State placed second and fourth in the men's and women's divisions of the WSC track invitational Thursday in Wayne. The Wildcat men scored 100 points finishing second to Kearney State. Wayne State's women tallied 30 points finishing behind Westmar, Midland and the champion of the division, Kearney State.

Kearney State's Jill Stenwall, a graduate of Winside High School and one of the top shot putters in the country, was one of four double winners in the tournament. She won the shot and discus. Other double winners were Gerald Wynia of Dordt College in the 5,000 and 10,000 meters, Larry Andringa of Westmar College in the discus and javelin and Melissa Chapman of Westmar College in the 100 and 200 meter dashes.

Joe Ortmeier of West Point, and John Frick of Arvado, Colo., won their respective events tying one WSC record and breaking another. Ortmeier tied the Wayne State high jump record with a leap of 6 feet 6 inches. Frick vaulted 14 feet 6 inches to set a new record in the pole vault. Other WSC winners for the men were: Dan Warnke of Meadow Grove, in the 400-meter run with a time of 49.8 seconds and Ed Blackburn in the 110-meter hurdles in 14.4 seconds. Though the Wayne State women won no events in the meet they did set several new WSC records. The new records are:

Sue Fricke of Monroe, in the shot put; Vicki Qualies of Omaha, in the long jump, the 100 and 200 meter runs; Deb Deitering of Missouri Valley, Iowa, in the 400, and 800 meter runs; Deb Litz of Snyder, in the 1500 meter run and the Wildcat 400 and 1600 meter relay teams.

Saturday, the Wildcat women traveled to the Westmar College Eagle Invitational meet in LeMars, Iowa. Wayne State finished third in the meet with 46 points, Dordt second with 47 points and host Westmar captured the championship with 54 points.

Wayne State's 880 yard relay team of Julie Christen, Burwell, Diane Johnson, Papillon, Marlan Borgman, Osmond and

JOHN FRICK of Wayne State clears the pole for a new WSC record of 14.5 at the Wayne State Invitational last week. This high contrast line shot by Wayne State sports writer photographer Willis Mahannah was taken with a wide angle lens.

Free Golf Clinic Sunday

Kent Lyons of Applewood Golf Course in Omaha will conduct a free golf clinic at 2 p.m. this Sunday (April 27) at the Wayne Golf Course. The public is invited.

Lyons, a member of the PGA and a 12-year veteran of teaching golf, will develop his presentation around four fundamentals which he stresses in both groups and individual lessons: striking the ball squarely, getting the ball airborne, direction and shoulder turn (or pivot). After discussing and demonstrating these fundamentals, he will handle questions from the audience.

Wayne golf professional Rudy Froeschle, who is sponsoring the clinic, will be assisting Lyons in the clinic.

A League Title To Be Decided

Teams One and Seven completed regular season play with identical 8-4 records to tie for the league title. The two teams split decisions when they met in regular season play.

Now the same two teams will meet to decide the playoff championship in the Men's Recreation A League at 7:30 p.m. Monday.

Team Seven hammered Team Six 68-49 and Team One rallied in the fourth quarter to nip Team Five 60-58 in semifinal action, Monday.

A Fine Performance

Team Seven used a balanced scoring attack and a good defense to eliminate Team Six from playoffs with a 68-49 victory.

The winners jumped out in front 20-8 at the end of the first quarter and 37-14 at the half to put the game out of reach. Earle Overin, the team's leading scorer all season, netted 21 points. Mark Gansbom turned in a fine performance, adding 18 points, including 10 in the second quarter.

Rob Mitchell hit 12 points for Team Seven and Jay Davis pulled down 25 rebounds to complement the team attack. For Team Six, Eric Christensen led the attack with 14 points.

Team Seven: Hansen, 8; Overin, 21; Rudebusch, 5; Rob Mitchell, 12; Davis, 4; Gansbom, 18. Team Six: Schultz, 8; Christensen, 14; Burke, 7; Munter, 8; S. Meyer, Wacker, 2; Rick Workman, 4.

Keating Leads Comeback

Bob Keating scored 12 of his 22 points in the fourth quarter to lead Team One to a 60-58 come from behind victory over Team Five.

The lead see sawed back and forth in the first three quarters before Team One gained the win. Jon Erwin scored eight first quarter points as Team Five got off to an advantage of 17-13 at the end of the first quarter. Behind Dean Carroll's eight point performance in the second period, Team One battled back to lead 35-34 at the half.

Team Five used a balanced attack to again take the lead 54-46 after three quarters of play but fell apart in the final period, managing only four points.

Bob Keating hit 12 points in the fourth quarter and Rick Mitchell added a basket as Team One sneaked past Team Five.

Leading scorers for the winners were Keating with 22 and Dean Carroll with 10. Jon Erwin scored 22 for the losers followed by Brad Erwin with 15 and Jerry Goeden with 10.

Team One: B. Keating, 22;

Officials Clinic Set Saturday at Wayne State

Wayne State College is one of five Nebraska colleges offering officiating clinics through the Nebraska School Activities Association. The Wayne clinic is scheduled for Saturday (April, 26).

The clinic will begin at 10 a.m. in Room 12 of Rice Auditorium for persons considering becoming officials. The NSAA will conduct that session.

The afternoon session will be held on the Wayne State football field at 1 p.m. It will involve mechanics in individual areas. Four individual officials will conduct the session.

Glen Blakeman of Norfolk will handle the portion on referees; Larry Godel of Norfolk will take the part on linesmen. Jim Gray of Coleridge will discuss the section on umpires and Mike Carney of Wayne will handle the area on field judges.

The four individuals will discuss mechanics, review and referee the Wayne State varsity alumni football game and may discuss further information following the game.

Other colleges involved with clinics include: Nebraska Wesleyan, Kearney State, UNO and Nebraska Western College.

Wayne Boys Fifth

Victories in the two mile relay race and the 880 yard dash lifted Wayne's track team to a fifth place finish in the Randolph Invitational, Tuesday. Eighteen schools participated in the event.

The two mile relay team composed of Tod Heier, Paul Sutherland, Rick Johnson and Kurt Powers ran away with first place by 10 seconds. The winning time was 8:31.8 for the Blue Devils. The same individuals combined to place second in the mile relay with a time of 3:37.7.

Kurt Powers won the 880 yard dash in 2:05.0 to win that race. His best converted time of 2:02.7 in the 800 meters ranks him third

Doubleheader Sweep Trojans Win Again

A doubleheader sweep over Ponca, Thursday afternoon, put the Wakefield Trojans in the driver's seat of the Northeast Nebraska High School Baseball League.

The Trojans blasted Ponca 10-0 in five innings in the opener and came back with a 4-1 win in the second game to complete the sweep. Both games were scheduled for six innings.

Pitching ace Rick Guy threw a no-hit shutout in the first game. He struck out seven batters and walked none. Wakefield committed one error and coach Joe Coble said his team played "exceedingly good defense this game."

Offensively, Wakefield cracked 11 hits to score 10 runs. Barry Jones went three for three at the plate, scored two runs and drove in two others. Joedy Sherer also went three for three and drove in two runs.

Tom Preston collected two hits in two at bats and scored three runs. Rick Guy made one hit for two RBIs. Billy Warren also scored two runs for the winners.

Ponca put up a good scrap in the nightcap but the Trojans prevailed in a 4-1 decision.

Coach Coble said he was disappointed in his team's defense but added that the team has been making progress.

The second victory upped Wakefield's record to 4-0. All were conference games putting the Trojans on top of the league race.

The Trojans were scheduled to play at Wayne at 4 p.m. Wednesday and at Laurel today at 2:30 p.m. in two vital contests. The

WSC Alumni Game Saturday

Some of the top players from Wayne State College's football past return to the Northeast Nebraska campus Saturday, April 26 for the annual varsity alumni football game. This year's contest will begin at 1 p.m. in WSC's Memorial Stadium.

About 50 alumni football players including many of Wayne State's most successful gridirers are expected to compete. All of the Wildcats' rushing and receiving record holders will be represented in the game. Most notable is three-time NAIA All-American Bob Barry. Battle Creek.

Barry will suit up against the varsity for the first time. In his four years at Wayne State, Barry rushed for 3,588 yards, 1,161 of those in 1978. To set single season and career rushing records. He is also the Wildcats' career total offense leader.

In addition to Barry, two other players who earned All-American status in 1979 will play in this year's spring game. Kevin Savio and Tim Hurley played center and defensive end respectively on last year's squad.

The alumni backfield will also have WSC's single-game rushing record holder, Reggie Smith of West Point. Smith gained 224 yards against Peru State in 1972 to set the record.

Maurie Minkten, Gretna, the Wildcats' all-time leader in yards receiving in a single game, season and career will also be back. Minkten's 110 receptions, set from 1973-1976, is a WSC career record.

Jeff Ingram, the Cats' single season reception leader (94 in 1978), will be back, but not with the alumni. Ingram is expected to be granted a hardship ruling from the NAIA and will gain an extra year's eligibility. The standout receiver was injured on his first reception last year and missed the remainder of the season.

Of the returning alumni players 16 are currently active as coaches and teachers throughout Nebraska, Iowa and South Dakota.

Other former WSC players returning include: Mike Green, Wakefield; Stan Lewis, Chicago, Ill.; Mike Dinklau, Wayne; Ron Coles, Norfolk; Tracy Norris, Springfield, S.D.; Kevin Savio, Wayne; Brian Moeller, Homer; Brad Hoffman, Wayne; Tim Dahl, David City; Dan Jones, Adel, Iowa; Kirk Gardner, Wakefield; Greg Walker, Omaha; Rusty Mailliard, Omaha; Deah Ott, Kearney; Mark Minkten, Gretna; Kevin Mahlberg, Elm Creek; Tim Hurley, Omaha; Roger Doud, Wayne; Donn Landholm, Plainview; David Carper, Bancroft; Roger Parr, Fremont; Mike Schuster, Wayne; Dave Carlson, Wahoo; Paul Stuart, Ravenna; Greg Welch, Leigh; Chuck Ross, Wisner; Charlie Curran, Omaha; Craig Slepicka, Grand Island; Nick Danze, Laurel; Mitch McCann, Pender; Ken Monroe, Norfolk; Chuck Wendt, Omaha; Ray Wagner, South Sioux City; John Jarosh, Wayne; Jim Gray, Coleridge; Gary Boehle, Wayne; Duane Carlson, Farragut, Iowa; Keith Krohn, Herman and Bob Raabe, George, Iowa.

The annual varsity alumni game concludes Wayne State's spring practice. The Wildcats open their 1980 season against Chadron State Sept. 13 in Wayne.

Bereuter Says Carter Action Not Effective

Congressman Doug Bereuter termed a Carter administration proposal to help small businesses as "insufficient," and warned that effective action must be taken soon to relieve the current credit crisis.

Bereuter's reaction was to a temporary program announced by the Federal Reserve to make \$1.3 billion available to certain banks exclusively for loans to small businesses and farmers.

"This program may help a few individuals," Bereuter said, "but this new money will cost borrowers 15-17 percent, and does lit-

tle to alleviate the major problem facing businessmen and farmers — the high cost of credit."

Recent testimony before the House Small Business Committee "painted a gloomy picture for small business owners and farmers," Bereuter said. "Efforts by the Administration to exempt small businesses and farmers from the Federal Reserve credit control policy will be difficult."

According to Bereuter, a study done by the National Federation of Independent Business (NFIB) shows that in past "tight money"

periods, banks prefer to loan funds to large businesses, thus shutting small businesses out of the credit market.

"The small business owners need credit to finance inventory acquisition, or their businesses will be threatened by failure," Bereuter said. "This dismal prospect has become a definite probability for many small businessmen."

Bereuter said he would continue to search for immediate relief to lessen the dangerous "credit squeeze" facing small businessmen and farmers.

Honorary Elects Officers

Members of the Wayne State College Chapter of the Alpha Lambda Delta (ALD) National Honorary recently elected new officers for the 1980-81 academic year. The group also selected recipients for their annual scholarships.

ALD members encourage high scholarship and academic achievement. The WSC Chapter awards scholarship each year to its members and members are eligible for scholarships from the national organization.

New officers include Valerie Wagner of Winnetoon, president; Lori Martensen of Norfolk, vice president; Jeanine Kroenke of Dodge, secretary; Sara Botos of Missouri Valley, Iowa, treasurer; Jeff Conway of South Sioux City, editor; Lori Wragge

of Pierce, historian and Tamara Mantey of Norfolk, senior advisor.

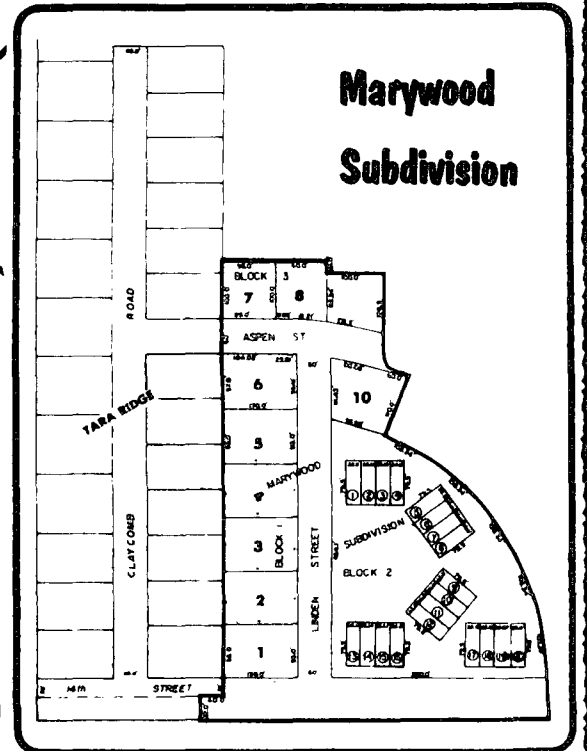

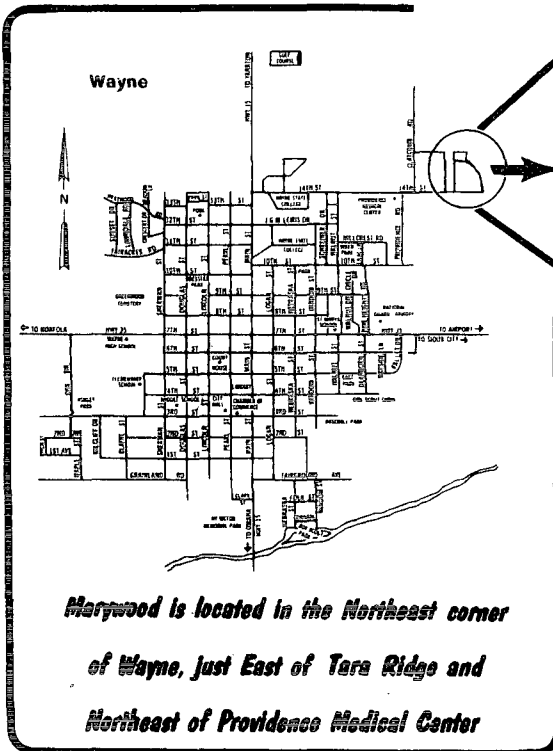

Those receiving the \$50 ALD scholarships were awarded to Jody Melsinger of Plattsmouth; Pam Lauters of Plainview; Brenda Hunke of West Point; Valrie Wagner of Winnetoon; and Dave Shiveley and Tamara Mantey, both of Norfolk.

Those receiving the \$25 ALD scholarships included Sharie Wragge of Pierce and Brian Wank of Sioux City, Iowa.

Insurance Dividend Info Found to Be Untrue: VA

The Veterans Administration has issued a statement warning World War II veterans that notices being circulated in the state about availability of insurance dividends are not true.

James C. Smith, director of the VA Regional Office, Lincoln, said

the bogus notices take various forms but say primarily that dividends are available on GI insurance even though the policies have lapsed. In his statement, Smith emphasized that dividends are not available on policies that have lapsed.

The VA official, said that

similar erroneous notices have appeared periodically since 1948 and have caused confusion and disappointment to a large number of veterans.

Smith said the VA does not know the source of the misinformation but speculated that it could have stemmed from payment of special dividends in 1951 and 1952 or from Congressional action in 1970 which settled all outstanding claims.

"In any case," he said, "anyone who spreads the rumor is not performing a service to veterans. It's a waste of the veterans' postage and it costs thousands of dollars to answer the queries received by VA insurance offices at both St. Paul and Philadelphia."

Use of Telephone Can Speed SSI Business

People in the Northeast Nebraska area can use the telephone to take care of almost any business they have with the social security office. Dale Branch, social security district manager in Norfolk said recently.

Using the phone saves almost everybody time and effort. Branch said. The best time to call social security is after the middle of the month. That is because social security checks are delivered early in the month and the phone lines may be tied up much of the time early in the month.

The telephone can be used to apply for social security

Bereuter Criticizes Comments

Congressman Doug Bereuter has severely criticized the Carter Administration for "telling farmers, in effect, to drop dead."

Bereuter said his comments were in reaction to an emergency meeting between administration officials and farm organizations in Washington on Wednesday. According to Bereuter, the administration said there was little more that Washington could do for the farmers. Bereuter said that Federal Reserve Chairman Paul Volcker declined to use existing authority in a 1969 Credit

Control Law to order banks to make loans available to farmers.

In a letter to the President and to Volcker, Bereuter reacted to the meeting by noting that "the administration has plenty it can do and has done to farmers, but little it is willing to do for them."

"The administration is in effect telling the farmers to 'drop dead' — considering the importance of food to our nation, we may all have to join them," Bereuter said in his letter.

Bereuter noted that the ad

Bereuter at Fundraiser

First District Congressman Doug Bereuter will be the special guest of the Pierce County Republicans at a May 3 luncheon in Plainview. County GOP Chairman William Meyer of Pierce, has announced.

According to Meyer, the event will be held at Mary's Steakhouse in Plainview and will begin at 7 p.m.

"We realize Doug has a tight schedule for his weekends in the District, so we're especially glad he has agreed to help us build up the local Party organization," Meyer said. The fundraiser will be a buffet-style dinner and salad bar. Congressman Bereuter will speak briefly to the group and then answer questions.

Richard Hillrichs of Plainview, chairman of the event, also will serve as ticket chairman. In addition to Hillrichs, tickets will be available from the following members of the fundraiser committee: Harold Mauck in Plainview; Jim Black, William Meyer, and Harley Bovee in Pierce; Gerald Peterson, Richard Adkins in Osmond. The price of the tickets is \$15 per couple. Meyer also stated that several other Pierce County Republicans will be selling tickets to the event.

Back row, from left are Cowgill, Schmidt and Moore.

EXTENSION NOTES

by Anna Marie White

'QUACKS' DIFFICULT TO RECOGNIZE

Medical quackery is just as prevalent today as it was in the days of the peddlers of snake oil, sprays, tonics and wrinkle removers. Only today it's often harder to recognize. Today's quacks are often educated, well-dressed, respectable appearing persons skilled in displaying sympathetic concern about the health problems. The result is that the public is finding it increasingly difficult to distinguish between

authentic and false promotions. There are ways to identify misinformation. Look for these signs:

- The promoter uses a special or "secret" formula, ingredient, or machine that he claims cures a disease.
- The seller promises or implies a quick and easy cure, or talks about "pepping up" your health.
- He uses "case histories" and testimonials from patients.
- He may claim medical persons are persecuting him or that they are afraid of his competition.
- He claims his method of treatment is better than that prescribed by a physician.

Any of these might be an indication that claims being made are false. Consumers need to recognize these signs because complete protection cannot be provided by the government. Even if a quack is arrested, he may simply pay his fine and set up operations in a new location. When in doubt, call the Better Business Bureau (800-642-9332), and remember, if a claim sounds too good to be true, it probably is.

Although the ancient Greeks and Romans knew that Africa's Niger River existed, they never explored it.

(Continued from page 1) families as to what should be done. Some he has talked to are against community based programs. "I'm for taking care of these people, but the method is under debate."

O'Neill — Needs more information and to talk with his constituents. Fahrenholz — Usually, most handicapped people function the best with people such as friends and family. "If we could provide pre-school education" the children might be more able to adapt to society later. "I know it will cost a lot, but the cost of institutionalizing could be staggering. We must provide these needs."

Conway — Taxpayers would be avoiding some more astronomical costs down the line by not providing the needed programs at early ages. He felt the community based programs are needed.

Von Minden — Yes, he is in favor of districts providing these services. It is cheaper, he said, to do it through community based programs.

WHO SHOULD HAVE OWNERSHIP OF WATER UNDER THE GROUND?

have had the water rights. But now it is being discovered that water is a rather free-flowing resource. There is a need to monitor water usage.

Von Minden — Man has a right to his own water, but perhaps we will need some monitoring. Natural Resources Districts (NRD's) are getting too large, and "environmentalist people are getting ahold of these NRD's." If elected he will look into the bigness of the NRD's. "In account of big operators, there will have to be some monitoring of water."

Mann — He said he did not have much to add, but said eventually it may not make a difference. "Rightly or wrongly, the courts are going to come up with a decision and we'll have to stick to it." He does not think it is fair to use up the water and have a neighbor down the road be without.

O'Neill — Agreed, also, noting there will have to be some type of conservation as long as the

bureaucrats stay out of it.

Fahrenholz — Agreed that it is going to be very necessary to monitor this matter in a year or two, and federal legislation will be forthcoming.

ARE YOU WILLING TO WORK FOR THE ANNUAL LEGISLATOR'S FEE OF \$4,800?

Conway — Said he was willing to, and jokingly added that was not much of a step down from where he currently is.

Fahrenholz — Wages are okay. "Absolute dedication is what we have now among the legislators."

Von Minden — Although he is satisfied with the salary, he noted he was disgusted that some people are against any increase in expense allowances for senators.

Mann — "The salary is not that great, but it's dedication to the job that is important."

O'Neill — Said he does believe legislators should be paid in the future more in proportion with costs of living, but "none of us are running with that in mind."

Cramer Honored

Daylight Savings Time Here Again

Yes, folks, once again it's time to fool Mother Nature.

daylight time has been practiced in Europe for centuries.

DAYLIGHT saving time will be upon us again officially at 2 a.m. Sunday. But for those of you who don't want to stay up and change your clocks then, we suggest you move your time pieces ahead one hour when you go to bed.

The easiest way to remember which way to set your clocks and watches is this: spring forward, fall back.

The lost hour is regained the last Sunday in October, with the entire concept of daylight saving time emerging from Congress in 1966. According to the United Press International,

BUT A FEW areas of the United States refuse to be dragged into submission. Arizona, Hawaii, Puerto Rico, the Virgin Islands, American Samoa and a few counties in Indiana have refused to join the crowd.

An idea first brought to the United States by Benjamin Franklin, daylight saving time was re-instated year-round during World War II to save energy. It first was experienced in the U.S. in 1918 with the passage of "an act to save daylight and to provide standard time for the U.S."

NRD Election Is Thursday

Election of a Lower Elkhorn Natural Resources District director will highlight the NRD board meeting at 8 p.m. Thursday at the Cuming County Courthouse in West Point.

Candidates seeking the position include the following:
Tom Anderson, Wakefield; Timothy J. Boyle, Wayne; David Cooley, Wayne; Rose Ann Gall, Clarkson; Robert E. German, Pierce; Art Greve, Wakefield; Lowell Hale, Meadow Grove; Louis Sindelar, Howells; Mark Suerper, Lindsay; Orand Unkel, Battle Creek; David Zach, Wayne.

The director position was vacated by Val Peterson of Wayne who moved from the Lower Elkhorn District, thus making himself ineligible for the post.

In other business the NRD is expected to take action on use of cooperative agreement forms, on a policy concerning mandatory conservation controls, on an agreement with the Game and Parks Commission for Creel Survey at Maskenthine Lake, on requests for assistance from the NARD Legal Defense Fund.

Others include action on a resolution to accept land and water conservation funds from the Game and Parks Commission for Willow Creek Project, on a cost-sharing request from Leigh for professional planning on a city park project and on funding of soil surveys in Platte and Cedar counties.

There will be a variety of other reports and any other business that may come before the board.

OBITUARIES

William Earl Turner

Services for William Earl Turner, 88, of Wayne, are scheduled at 2 p.m. Friday at the United Methodist Church in Ponca. The Rev. Don Hedlund will officiate, with burial in the Ponca Cemetery.

Pallbearers include Keith Neilsen, Kent Neilsen, Duane Biggerstaff, Donald Biggerstaff, Kevin Beldin and Ken Hansen. Visitation is from Wednesday noon until time of services at the Wittse Mortuary in Wayne.

William Earl Turner, son of William R. and Fannie Turner, was born May 27, 1891, at Steel City. He married Susan Kelly on Sept. 30, 1912, at Fairbury. The couple farmed near Fairbury for a short time before moving to the Ponca area to farm. They also had lived near Wynot and Laurel before retiring and moving to Wayne about 20 years ago.

He is preceded in death by his parents and three sisters. Survivors include his wife, Susan of Wayne; one son, Leonard Turner of Temple City, Calif.; three daughters, Mrs. Matthew (Bonnie) Neilsen of Harrington, Mrs. Ralph (Helen) Beldin of Ponca, and Violet West of Russellville, Ark.; and 17 grandchildren, 43 great grandchildren and four great great grandchildren.

Bertha Crawford

Services are scheduled at 10 a.m. Friday at the Wittse Mortuary here, for Bertha Crawford, formerly of Wayne. She died Tuesday at Bowdle, S.D., where she had been living with her daughter.

The Rev. Robert Haas will conduct the service. Pallbearers include Robert Merchant, Willard Wittse, Floyd Andrews, Wayne Gilliland, Ed Wolske and Clifford Johnson, and burial will be in the Greenwood Cemetery, Wayne.

Visitation will be from Thursday (today) morning until time of services at the Wittse Mortuary, Wayne.

Planting Demonstration Set

Landowners and farmers interested in conservation tillage are encouraged to attend a planting demonstration at the Floyd Glassmeyer farm, located four miles south and one-fourth mile west of highways 98-35. The demonstration is scheduled for May 1 at 5:30 p.m.

USDA agencies, Cooperative Extension Service and the Lower Elkhorn NRD are cooperating to show farmers the different

brands of conservation tillage equipment in operation.

Representatives will be present to explain operation of the planters, and personnel of the Northeast Experiment Station will discuss fertilizer and weed control in conservation tillage. Comparison costs for various tillage methods will be discussed and lunch will be provided.

For more information, contact USDA offices or the Cooperative Extension Service in Wayne.

Ley Drama Scholarship Winner From Winside

The first of an annual drama scholarship from part of about \$16,500 donated to the Wayne State Foundation by the late Henry Ley, his family and friends, was recently awarded to a spring candidate for graduation at Winside High School.

Corinne George, Winside, will receive the scholarship for 1980 attendance at Wayne State College. The award covers complete tuition for one semester and will be renewable for up to eight semesters. At least one outstanding high school theatre student showing a financial need will attend WSC each year through the award.

Ley, a long time supporter of Wayne State and one of the founders of the Wayne State

Foundation, served as vice president of the foundation until his death last June. Ley had arranged for a \$14,000 life insurance policy to be presented to the foundation at the time of his death. His family and friends have since presented another \$2,500 to the foundation for a total contribution of \$16,500 with additional contributions expected. The interest on about \$10,000 of that will be used for the annual drama scholarship, with the remaining funds to be used to benefit WSC students through various foundation projects.

Ley's wife, Dorothy, said although Henry was a Wayne banker from 1930 until 1979, a career in theatre was one of his lifelong dreams.

"He was very interested in theatre," she said. "Particularly when he was a student at the University of Nebraska. He starred in many productions there and he was instrumental in the organization and life of the Wayne Players (a Wayne theatre group)."

She said he remained active in theatre throughout his life. During his first term as State Banking Commissioner (1964-67 and 1971-74) he drove from Lincoln to Wayne for rehearsals for a play in which he was starring and he was best known in the area for his Wayne performance as Elmer Dowd in the play "Harvey."

"We felt that (the scholarship) would be most pleasing to him of anything," Mrs. Ley said.

A Sign of Spring?

SPRING HAS arrived but a person would never know it when encountering a scene like the one above. Some Wayne resident left a water sprinkler on all night two weeks ago as temperatures dropped

below freezing. The result was a rare but picturesque scene as the water turned to ice. Above the sprinkler continues to work while the sun begins to melt the artwork.

Club Delivering 'Vial of Life'

As one of the club projects for 1980, members of the Scattered Neighbors Home Extension Club will be delivering the "Vial of Life" to each household in Winside.

The vials will be delivered Monday, April 28. There is no cost for the materials.

The club is undertaking the project in conjunction with the health awareness program chosen by the Wayne County Home Extension Council for 1980.

A spokesman for the club said the "Vial of Life" program is designed mainly for senior citizens and other persons living alone, persons with known medical problems, and residents who live in somewhat isolated areas.

Purpose of the program is to provide reassurance to those who have the vial that their wishes will be carried out if they are unable to speak. The vials also will provide vital information necessary for ambulance attendants, neighbors and hospital emergency room staff in the event of an emergency.

More information about the program will be available when clubwomen call on Winside residents Monday.

Center Circle

Mrs. Bernie Bowers entertained 14 members of the Center Circle April 17. For roll call, members showed what they did with their club tray.

Mrs. Marie Suhl, Mrs. James Jensen and Mrs. Otto Field were

honored with the birthday song. Receiving pitch prizes were Mrs. Lenora Davis, Mrs. Kar Frederick and Mrs. George Jaeger.

Mrs. Larry Bowers will be the May 15 club hostess. Roll call will be answered with members telling how they spent Mother's Day and what they received.

Correction

A recent edition of The Wayne Herald incorrectly stated that Poppy Day in Winside would be observed March 10.

The article should have read that Poppy Day will be held Saturday, May 10.

Meet for Pitch

Sunday Night Pitch Club met April 20 in the home of Mrs. Irene Warnemunde, with prizes going to Alfred Miller, Lloyd Behmer, the Wayne Inlets, Mrs. Ben Ben-shoff and Mrs. J. G. Swetgard. The club's final meeting of the year will be held Friday, April 25, during a dinner at the Wagon Wheel Steakhouse in Laurel.

Visit Fischers

Visitors in the Carl Fischer home during the weekend included Carlyce Fischer of Sheridan, Wyo., Craig Fischer of Columbus, the Marvin Fischers, Mary and Paul of Anoka, Minn., the Pat Fischers and daughters of Blaine, Minn., the Michael Fischers and sons of Minneapolis, Minn., the Ed Svobodas of Audubon, Iowa, the Duane Westerburhs of Ogallala, Dave Pospisil and Randy Marks of Pierce, Doug Anderson of Grand Island, Steve Korth and the Harold Fischers of Norfolk, and the Myron Millers.

The out-of-town guests also attended the Fischer-Fernau wedding in Wayne on Saturday evening.

Eleven at Club

Eleven members of the Busy Bees Club met April 16 in the home of Mrs. Adolph Meyer, answering roll call with show and tell.

For its final meeting of the year the club is planning to tour the greenhouses in Norfolk on May 6.

Guest at Club

Mrs. Carol Erwin of Concord was a guest at the April 16 meeting of Friendly Wednesday Club.

All members attended the meeting in the home of Mrs. Ed Niemann. Mrs. Alvin-Longe won the game of chance. Mrs. Florenz Niemann will be the next hostess.

Royal Neighbors

Royal Neighbors of America met in the home of Mrs. Anna Wylie Friday. Johanna Jensen, orator, conducted the business meeting.

Mrs. Myrtle Jacobsen will be the May 16 hostess.

Mrs. Thies Hostess

SOS Club met Friday in the home of Mrs. Emil Thies. Pitch furnished entertainment following the business meeting, with prizes going to Mrs. Edgar Marotz, high, Mrs. Edna Kramer, second high, and Mrs. James C. Jensen, low.

A get well card was sent to member Mrs. Emma Muehlmeier, who is hospitalized.

Ladies Aid

Theophilus Ladies Aid met April 17 in the church parlors with president Mrs. Harold Ritze. The president presented a brief program and the group sang "Come Thou Fount," followed with a responsive reading. The closing hymn was "Sweet Hour of Prayer."

It was announced there will be church cleaning on May 23 in the afternoon.

Next meeting will be May 22. Mrs. Ervin Vahlikamp will be program leader and Mrs. Herman Reeg is hostess.

The Duane Thompsons spent the weekend in the Bill Hixon home, Rockwell City, Iowa. They attended the confirmation of their grandson, Bret Hixon.

The Ben Kurrelmeysers and Lyle, Fremont, were visitors in the Ivan Diedrichsen home.

The Charles Jacksons and Scott were among guests in the Bob Jackson home in Omaha for Matthew Jackson's third birthday. They all attended the Shrine Circus in the afternoon.

Mrs. Robert Peters, Harrisonville, Mo., and Mrs. Diane Westfall and children, Lincoln, spent the weekend in the Werner Mann home.

The Dean Janjkes and Darla attended the spring chorale concert at the University of Nebraska-Lincoln. Their daughter, Darci, sings in the chorale.

Extended Campus Courses Set

Wayne State College will offer four Extended Campus Division courses in South Sioux City throughout the summer at the South Sioux City High School.

Included will be family and marriage counseling, managerial accounting, salesmanship and introduction to computer programming.

Family and marriage counseling will introduce students to a systems approach to family and marriage counseling. The two undergraduate/graduate credit course is designed for those interested in studying family life and for professionals in the counseling field. The course will be held from 7:10 p.m., Fridays, May 2 and 9; and from 8 a.m.-4 p.m., Saturdays and Sundays, May 3, 4, 10 and 11.

Managerial accounting will be held from 6:30-8:30 p.m., Tuesdays and Thursdays, May 5-Aug. 4. The course, worth three undergraduate credits, will cover the functions, theory and practice of general financial accounting, including the areas of cash and temporary investments, receivables, inventories, investments, plant and equipment, intangibles and deferred charges.

Salesmanship, worth two undergraduate credits, is an introductory course examining the principles and practices of sales. Emphasis is placed on both "in store" and "outside" selling. The course will be held from 6:30-8:30 p.m., Tuesdays and Thursdays, May 6-June 19.

The final course, Introduction to Computer Programming, will be held from 8 a.m.-4 p.m., July 12 and 19 and is worth one undergraduate/graduate credit. Participants will have the opportunity to learn computer programming by actually writing and running programs on the computer with individual help in "debugging" the program.

All courses will be taught by regular WSC faculty. For further information or registration contact the WSC Extension Campus Division at 494-4005 or Joy Morten at 494-6485.

Allen Methodist Church Serving Spaghetti Supper

The Allen United Methodist Church will be serving a spaghetti supper this Sunday from 5 to 8 p.m.

Tickets can be purchased from any board member for \$2.50 for adults and \$1.50 for children under 12 years of age. Proceeds will go towards the purchase of the new church organ.

Open House
All area residents are invited to attend open house at the newly remodeled Allen Senior Citizens Center today (Thursday) from 1:30 to 5 p.m. There will be a special ribbon cutting ceremony at 2:30.

Refreshments will be served throughout the afternoon. The new center is located in back of the Farmer's Cafe.

Paper Drive
The youth group of the Martinsburg Trinity Lutheran Church is conducting its monthly paper drive.

Papers will be picked up in Allen and Waterbury the first Saturday of each month at 10 a.m. Persons with papers are asked to have them bundled or in sacks in their front yard. Magazines are not accepted.

Proceeds will go to the youth group and Martinsburg tennis court.

Persons who have questions or who would like to have their papers picked up at another time are asked to contact Machele Pettit at Allen.

Cheerleaders Named

The 1980-81 cheerleading squad at the Allen Public School has been named. Cheerleaders for the boys varsity are Pam Kavanaugh (captain), June Luschen, Machele Pettit and Alicia Starling. Varsity girls cheerleaders are Linda Wood (captain), Shelly Hingst and Shelly Knepper.

Boys' junior varsity cheerleaders are Tami Jewell (captain), Kathy Nice and Deana Hansen.

Rusty Nail Scholarships Given Out

Members of the Wayne State College Chapter of the Alpha Psi Omega national dramatics honorary recently selected the Outstanding Theatre students for 1979-80 at WSC. The group also awarded the Rusty Nail Theatre Scholarship, new this year.

Joe Oobry of Bellwood and Dave Hesse of Crofton were selected as the outstanding theatre students based on four years of participating in the WSC theatre productions and membership in the Alpha Psi Omega Honorary.

Oobry and Hesse each received a cash award contributed to the Wayne State Foundation by the late Robert Brome, a 1938 WSC graduate and playwright. Oobry, son of Mr. and Mrs. Rudy Oobry of Bellwood, is a 1976 graduate of Aquinas High School.

Hesse, son of Mr. and Mrs. Ed

Hesse of Crofton, is a 1976 graduate of Crofton High School and a December 1979 graduate of WSC.

Michelle Brockmoller, daughter of Mr. and Mrs. Kenneth Brockmoller, Winside, was awarded the Rusty Nail Theatre Award, established by Roger Nelson, owner of the Rusty Nail in Wayne. The \$500 cash award will be applied toward tuition and is given annually to an outstanding WSC theatre student based on financial need and the results of a talent audition.

Brockmoller will be a spring 1980 graduate of Winside High School.

Ethanol Grows in Popularity

Escalating prices of petroleum fuels have stimulated considerable interest in the production of grain alcohol (ethanol) in Nebraska. The efficient use of the fermentation residues from alcohol production is important to improve the economics of the total process.

MOST ESTIMATES of the value of distiller's grains are from research on dried corn grains which have been used in commercial dairy rations for many years. The dried grains have approximately 30 percent protein and an energy value for dairy cows approximately equal to the original grain. Because approximately two-thirds of the original corn is fermented to alcohol, the fiber, fat, minerals and protein, increase approximately three times per unit volume compared to unfermented corn.

The quality of the protein available in distiller's grains is of special significance. It is relatively more resistant to breakdown in the cow rumen than most protein sources. This quality of being resistant to rumen breakdown is of special value for ruminants with high protein requirements. The dairy cow has the highest requirement. High-producing dairy cows have a protein requirement of as much as 18 percent in the early part of lactation and 14 to 16 percent thereafter.

THE BACTERIAL protein synthesized in the cow's rumen will provide only a small part of her total protein requirement. Consequently, it is necessary to have a high proportion of her feed protein escape breakdown in the rumen and pass through to the small intestine for digestion. By feeding slowly degraded or resistant proteins such as distiller's grains it should be possible to obtain more production from the same amount of protein or the same production with a smaller amount of protein.

Summaries of experiments indicate that production is increased

with distiller's grains compared with other proteins such as cottonseed meal, linseed meal, hominy feed, soybean meal and coconut meal.

Because of the high content of fat in distiller's grains compared to other high energy sources, feeding distiller's grains helps prevent the depression in milk fat percent that often occurs when high starch containing grain rations are fed to meet high milk production energy requirements.

FEEDING distiller's grains also may promote energy intake in early lactation when voluntary energy consumption is often in

sufficient to meet the needs of high milk yields. Distiller's grains are more effective in maintaining a normal milk fat test than corn grains in pelleted grain mixtures. Dried distiller's grains are reasonably palatable and can be fed at levels up to about one-third of the grain ration fed to dairy cows.

Information on the feeding of wet distiller's grain is very limited. Although we know of no experimental evaluation of wet grains in dairy rations, it is expected that their value, on a dry basis, would be similar to that for the dried grains.

BECAUSE of the high energy cost of drying the grains and other products, it is expected that the by-products of farm alcohol plants would be used on an "as produced" basis, or as pressed or centrifuged material with only a part of the moisture removed.

The material remaining just following fermentation is referred to as whole stillage and contains 5 to 10 percent dry matter. This type material has been fed to livestock with varying degrees of success and performance may be reduced if it is not properly supplemented. Since stillage is high in available phosphorus and low in calcium, a calcium supplement must be provided.

Because large amounts of water must be consumed to obtain significant amounts of nutrients from whole stillage, excessive urination will occur. Free choice salt should be available to balance the sodium loss in the urine. When feeding whole stillage to cattle, dry hay should be offered free choice. Additional dry grain also will be required for best performance. A vitamin A and D supplement also should be provided.

UNTIL STORAGE and handling problems have been well resolved it seems necessary that the material produced should be fed concurrent with production rather than planning to hold it for later use.

It is suggested that the feeding of whole stillage or partially dried stillage to dairy cattle should be restricted at the beginning to six to eight gallons per head and gradually moved upwards as desired.

Spoilage will occur rapidly in hot weather and can result in serious digestive upsets. INAR is researching methods of storage or preserving wet distiller's products. Hopefully practical procedures will be developed to ease holding the wet byproducts for later feeding of livestock.

Ag Engineer To Review Energy

Reviewing energy possibilities from agricultural products will be emphasized at the Nebraska Society of Professional Engineers annual Community Affairs Project in Columbus May 2.

Two of the eight scheduled speakers at the one-day workshop are Institute of Agriculture and Natural Resources staff members. They are Dr. William Splinter, head of the Department of Agricultural Engineering, Institute of Agriculture and Natural Resources, and David Shelton, INAR district extension agricultural engineer at the Northeast Station, Concord. Splinter's topic is titled "Overview of Energy from Agricultural Products" and Shelton will discuss "Alcohol Production - Some Considerations."

The purpose of the workshop, which begins at 9 a.m., is to promote greater awareness of the principles and application of all types of gasoline production units, both developed and experimental. Lectures and display models will cover all aspects of energy conversion units aimed at the general public, agribusinessman

and the professional engineer. Registration fee is \$16, which includes one half hour of college credit and lunch. A banquet for those attending the workshop and

the general public will begin at 7 p.m. Advance tickets are \$8.50 or \$10 at the door. Inquiries should be made to Bernie Loung, Box 499, Columbus, Neb. 68601.

CCC Buys Corn

USDA's Kansas City commodity office has reported purchases of 33,245,049 bushels of No. 2 or better yellow corn, maximum 15 percent moisture.

The office reported there were 3,362 bids to sell a total of 60,368,332 bushels. CCC accepted 1,897 of these bids at a total price of \$78,125,865. The weighted average (amount paid divided by the number of bushels) was \$2.35 per bushel.

Of the accepted bids, 68 (for 10,720,200 bu.) were from inland terminals and 1,829 bids (for 22,524,849 bu.) were from county elevators.

The purchases were as follows:

STATE	QUANTITY	PRICE RANGE
Colorado	108,500	\$2.26-\$2.40
Illinois	5,107,325	\$2.40-\$2.50
Indiana	2,655,000	\$2.33-\$2.45
Iowa	8,227,303	\$1.46-\$2.40
Kansas	299,500	\$2.38-\$2.42
Michigan	62,000	\$2.30-\$2.40
Minnesota	7,699,770	\$2.00-\$2.40
Missouri	665,674	\$2.31-\$2.45
Nebraska	7,180,825	\$2.20-\$2.40
North Dakota	78,500	\$2.22-\$2.40
Ohio	710,000	\$2.42-\$2.50
South Dakota	369,393	\$2.00-\$2.40

Phi Sigs Pick Up Cans

MEMBERS OF THE WAYNE State College Phi Sigma Epsilon fraternity picked up some 22 plastic trash bags of trash, mostly aluminum beer and pop cans, April 12. The fraternity traveled roads three miles in each direction of Wayne on its annual cleanup project. Helping east of Wayne on U.S. 35 were from left: Paul Schmitt, Mike Walters, Doug Stephens and Dave Wilson.

Wayne County Farm News

Editor's Note: At least once each month, the United States Department of Agriculture Service Center, 120 Logan St., provides a variety of information on farm-related items. Offices involved are the Agricultural Stabilization and Conservation Service, the Farm and Home Administration and the Soil Conservation Service.

Grain Reserve Opened Up: Commodity Credit Corporation (CCC) has announced that corn producers who did not comply with 1979 crop set aside and NCA requirements shall be eligible for CCC price support loans on their 1979 crop corn, provided it is placed in the three year reserve program.

This program is on a first come, first serve basis. The final availability date is May 15 or until approximately 275 million bushels have entered the reserve, whichever comes first. The offer may be terminated at any time.

The interest rate on these loans will be 13 percent and will not be waived for the first year in the reserve.

New Interest Rates:

New interest rates of 13 percent are effective for all new crop loans and new farm storage facility loans applied for after April 15. Loan applications made April 15 or before will be at the old rate of 10 1/2 percent for bin loans and 9 percent for grain loans.

ACP

Funds are still available for cost sharing on conservation practices. Make your plans now for performing your needed conservation work.

Feed Grain Notices:

Notices of farm program yields and NCA's were mailed on April 16. Producers have 15 days to appeal their acreages or yields. If you receive a notice for a farm you have no interest in or did not receive one, you should have. Be sure and contact the ASCS office.

Producers are required to report their acreages accurately and timely to be eligible for 1980 program benefits.

Report fall seeded crops by May 15 and all other crops by July 15. These deadlines are final. It will be easier to pass through the eye of a needle than be able to file a late report.

Tillage Demo:

A demonstration of conservation tillage planters will be held at 5:30 p.m. May 1. This will be at the Floyd Glassmeyer farm four miles south and one half mile west of Wayne on the south side of the road.

A sandwich supper will be provided free of charge. Information on planting techniques, herbicide application, etc., will be given.

Proven Yields

Those who wish to have proven yields must write up an appeal by May 2. This includes those who have brought in production evidence. We must have the written request.

Comments from FCIC:

Many producers in the county have taken advantage of the new flexible "all risk" program beginning with the 1980 crop year. Major changes for this year are three levels of coverage, higher guarantees available and higher price elections.

The final date to apply or update present policies is April 25 for corn and May 10 for soy beans.

For more information, contact Federal Crop Insurance Corporation (FCIC), 401 Sunset Plaza, Norfolk, 68701, or phone 371-1600.

Important Dates:

- May 1 - Conservation Field Demonstration
- May 2 - Final day for yield and NCA appeals
- May 15 - Final day to verify fall seeded crops
- May 15 or earlier - Final day for non-participants to enter corn in reserve
- May 31 - Final loan availability date for regular 1979 crop corn, soybeans and grain sorghum loans
- July 15 - Final certification date for spring seeded crops

Hemp Dogbane
Hemp Dogbane is a perennial weed that is increasing in Northeast Nebraska. Since the plant is a perennial, an effective control program must prevent seedling establishment as well as kill the established root system. Cultivation or a 2,4-D application will control hemp dogbane seedlings.

The year of treatment. The hemp dogbane control with Sutan plus should be considered a side benefit and not a primary method of control.

Hemp dogbane can be controlled in cropland with 2,4-D, 2,4-D plus Banvel and Roundup. Spring treatments of 2,4-D or 2,4-D plus Banvel should be made when hemp dogbane is in the early flower bud stage. Roundup is most effective as a late summer or early fall treatment.

Fall is the best time to apply 2,4-D and 2,4-D plus Banvel for hemp dogbane control in corn. Fall application of the herbicides should be made after corn silks turn brown. Treatment should be made two years in a row.

Roundup can be applied through a recirculating sprayer, roller or rope-wick applicator in soybeans. Due to incomplete coverage with these machines only partial control can be expected from one year's treatment. Treatment in following years should improve control.

Recent research shows that Sutan plus incorporated in corn provides 60 percent or better control of established hemp dogbane

Energy Institute Developed

Organizations and agencies wanting to develop farm energy programs can now take advantage of a new training institute established by the Small Farm Energy Project of Harrington. The institute will offer seminars, hands on workshops and one to one consultation with program staff of client organizations. Each program will be individually tailored to meet the needs of the particular client group. The Small Farm Energy Training Institute's services will be provided by the staff and cooperating farmers of a recently completed three year project to demonstrate practical, low cost applications of alternative energy on family farms with limited capital and income. Included in the Institute's curriculum are:
Sizing up the farm for alternative energy possibilities, conservation on the farm, principles of retrofit, determining cost effectiveness before you commit, rules of thumb in solar construction, how to find the best "hardware," financing alternative energy, monitoring and evaluating project, working with small farmers, organizing community based energy projects. The Institute is designed to serve organizations with farm memberships or with programs serving farmers, but can be adopted to the needs of other rural organizations as well. The Institute is non profit but will be supported by client fees. Fees will be arranged based on the cost of providing the service required and the ability of the organization to pay. The Small Farm Energy Training Institute is sponsored by the Center of Rural Affairs, a non profit organization based in Walthill, Neb. For more information, write Box 736, Harrington, 68739.

LEGAL NOTICE OF MEASURES TO BE VOTED UPON MAY 13, 1980. BALLOT TITLES AND TEXTS OF CONSTITUTIONAL AMENDMENTS PROPOSED BY THE EIGHTY-SIXTH LEGISLATURE, FIRST SESSION, 1979.

Also Included Are Statements of Explanation in Italics Prepared by the Executive Board of the Legislative Council.

PROPOSED BY THE 1979 LEGISLATURE

Proposed Amendment No. 1
A vote FOR this proposal will allow the Governor to fill by appointment a vacancy occurring in the office of the Lieutenant Governor the same as he is now authorized to do in case of a vacancy in any other elected state office (excluding judges), which appointee would serve until a successor was elected; thus, a vote for will remove the single exception in the constitution to the authority of the Governor to fill by appointment vacancies in all elected state offices (excluding judges).

A vote AGAINST this proposal will result in retaining the present provision which authorizes the Governor to fill by appointment vacancies in all elected state offices (excluding judges), except for the office of Lieutenant Governor.

Constitutional amendment to allow the Governor to fill a vacancy in the office of Lieutenant Governor.
Constitutional amendment to allow the Governor to fill a vacancy in the office of Lieutenant Governor.
Constitutional amendment to allow the Governor to fill a vacancy in the office of Lieutenant Governor.

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENT

Now, therefore, be it resolved by the members of the Eighty-Sixth Legislature of Nebraska, First Session:

Section 1. That at the primary election of 1980, there shall be submitted to the electors of the State of Nebraska for approval the following amendment to Article IV, section 13, of the Constitution of Nebraska, which hereby proposed by the Legislature:

Sec. 13. If any elected state office created by this Constitution, except offices provided for in Article V of this Constitution, or the office of Lieutenant Governor, shall be vacated by death, resignation or otherwise, it shall be the duty of the Governor to fill that office by appointment, and the appointee shall hold the office until his successor shall be elected and qualified in such manner as may be provided by law.

Bike-A-Thon for Cystic Fibrosis

Wakefield area adults and youngsters are invited to take part in a Cystic Fibrosis Breath of Spring Bike-a-Thon on Saturday, May 10, from 1:30 to 5:30 p.m.

Catherine O'Connor, chairman for the event, said pre-registration will begin at 12:30 p.m. that day at 411 West Third St. in Wakefield.

Riders will follow a one-mile course within the city limits. Mileage will be restricted to 30 mpr.

Persons wishing to enter the bike-a-thon may obtain sponsor sheets from Maura McCune, Catherine O'Connor, or at the Wakefield Republican. After obtaining a sponsor sheet, participants are asked to sign up sponsors who will pledge a minimum of 10 cents per mile. Sponsors can be among friends, relatives, neighbors or businessmen.

Pledges will be collected based on the number of miles each participant rode during the

designated time. Participants will receive prizes if all the pledges are collected and they meet a minimum amount set by the Cystic Fibrosis Foundation.

Cystic Fibrosis funds go to help support research, care and education programs for lung-damaged children in this country.

Persons who would like more information are asked to call Mrs. O'Connor at 287-2557.

May 15 meeting at 8 p.m.

Etter Circle has been postponed until May 15 at 9 a.m. with Mrs. Harry Larson.

Officers Elected

New officers of the Kings Daughters of the Wakefield Christian Church, who were elected last Thursday afternoon, are Mrs. Colin Weddington, president; Mrs. Paul Wright, vice president; and Mrs. Robert Foote, secretary-treasurer.

Eighteen members attended the meeting and election of officers. Mrs. Wilbur Giese had the devotions and lesson.

It was announced that the annual Kings Daughters meeting will be held in Norfolk on Thursday, May 1.

Chancey Agler and Beulah Clark served lunch.

Next meeting is May 15 at 2 p.m.

VFW Auxiliary

Eleven members of the Allen Keagle VFW Auxiliary met April 15 in the meeting room at Graves Library.

Mrs. Alfred Benson, secretary pro tem, read thank you notes from the Erie Hitz family and the Walter Hales. A card also was read from Lenice Frank.

It was announced that Poppy Day will be observed in Wakefield on Friday and Saturday, May 2-3. Mrs. Kermit Turner is chairman and Mrs. Harold Holm is co-chairman.

The group elected new officers, who will be installed in June by Mrs. Lloyd Hugleman. Mrs.

Hubert Eaton was judge, and tellers were Mrs. Randell Blatterl and Mrs. Derwood Wriedt.

Mrs. Alfred Benson reported on the centennial meeting she attended recently. Mrs. Randell Blatterl won the jackpot and Mrs. Lloyd Hugleman won the cake walk.

Mrs. Harold Holm will be hostess for the May 20 meeting at 8 p.m. at Graves Library.

Legion Auxiliary

The American Legion Auxiliary met April 14 at the Legion Hall.

Plans were made to serve at the annual Community Club supper meeting on Friday, April 25. The auxiliary is planning to begin work on the flower garden on Main Street.

The group also discussed running the concession stand at the ball park during the two midweek and legion baseball tournaments.

Reports were given by Mrs. Marie Bellows, Americanism chairman; Mrs. Gary Salmon, scholarship chairman; and Mrs. Edythe Bressler, card chairman.

The group thanked Mrs. Edith Hanson for the door she installed to separate the kitchen from the main room.

Claudia Adams announced that Boys and Girls State Orientation will be held in Emerson on Sunday, April 27. All members of the American Legion and auxiliary are urged to attend.

Mrs. Eve Conner, foreign relations chairman, presented a program on the Dominican Republic. Lunch was served by Mrs. Gary Salmon, Mrs. Dwan Ekberg and Mrs. Derwood Wriedt.

Next meeting is May 12 at 8 p.m.

DON'T LET THOSE DOLLARS GO MARCHING OUT OF YOUR CITY...

Vote For A City Sales Tax

Every time you visit Omaha, Lincoln, Denver, or vacation spots, you help pay somebody else's property taxes by paying the sales tax they impose. Most of their sales taxes exceed 1%. Isn't it time you ask non-residents to help pay for the services and facilities they utilize? Without a city sales tax, tourists and visitors use your city facilities and services while you pay for them with your property taxes.

IT ONLY MAKES \$ENSE!

Nebraska is an agriculturally-oriented state. Farmers need the cities and cities need the farmers. However, cities should not have to provide municipal services and facilities such as libraries, swimming pools, parks, etc. for those who do not contribute to the local tax base. A city sales tax is an equitable method of requiring those who utilize your city's services and facilities to contribute their fair share.
