## County Extension Plans Home Ec Agent Change

A change in structure among most County Extension Offices will be felt in Wayne and four other Northeast Nebraska counties over the next few months.

**DON SPITZE**, Wayne County's agricultural agent, announced Friday that starting sometime in December, Wayne will have its own home economics extension agent. In the past, three agents have served five counties including Wayne. Each county will get its own half-time person in about three months, he said.

Wayne's home ec agent will be Linda Hulinker, 28, of Hader. After the initial training period, she will be located in the County Extension Office in the basement of the Courthouse.

**REARED ON** a dairy farm in Northeast Iowa, Hulinker graduated from the University of Northern Iowa at Cedar Falls and was a consumer information writer for the Utah State University Extension Service. She also has several years' experience teaching home economics in junior and senior high schools.

Spitze said travel problems and availability of the home ec agents resulted in a trend among state Extension offices to switch from the area concept to the individual county concept.

Anna Marie White, Val Ebberson and Joycelyn Moody will serve Dixon, Cedar and Dakota counties respectively after the switchover in a few months. An agent for Thurston County will be announced in the near future. White, Ebberson and Moody have served all five area counties, but will be half-time only at their respective locales in December.

**SPITZE SAID** Hulinker was chosen Wednesday night by the Wayne County Extension board. Several candidates for the position applied through the state Extension Office in Lincoln which screened the applicants and submitted two names for review by the local board.

The home extension columns which appear periodically will be primarily by Hulinker after about Dec. 15. However, the other agents will submit articles on special subjects on occasion.

## Community Health Fair Set At City Auditorium Sept. 19

The Wayne City Auditorium on Pearl Street just south of the City Hall will be the scene of a Community Health Fair Friday, Sept. 19, sponsored by the Wayne and Dixon County Home Extension Clubs.

**TWO MAJOR** aspects of the fair will include a program of special speakers scheduled throughout the day and the display of some 25 to 30 health related exhibits.

There also will be opportunities throughout the day for vision and hearing tests, for blood pressure screening and for diabetes screening. Those wishing to be screened for diabetes are asked to eat a full meal including dessert about 1 1/2 hours before being screened.

**WAYNE E. Wessel**, DDS, and other area dentists will exhibit "Dentistry in the 80's." The Kidney Foundation of Nebraska will have dialysis and kidney transplant information on hand also.

An exercise testing treadmill will be displayed by the Wakefield Health Care Center Auxiliary, and a display of equipment used in fitness evaluation will be displayed by the Wayne State College Physical Education Department.

Leon Rottman, Extension human development specialist, will display the "You Can Do It" exhibit which shows helpful ideas for independent living for physically handicapped persons.

**SPEAKERS**, films and their topics are as follows:

10 a.m. — Alcohol, Drugs or Alternatives, Neal Boeshart, alcoholism counselor, Laurel.

10:30 a.m. — Women in Transition, Holly Alexander, Displaced Homemaker Program, Omaha.

11:35 a.m. — Total Care, Help for Crippled Children, Bob Jones and Bill Strait, Shriners, Sioux City, Iowa.

12:15 p.m. — Fraudulent Health Practices, Tywanne Paul FDA (Food and Drug Administration), Omaha.

12:50 p.m. — Scoliosis Screening Program, Educational Service Unit No. 1, Wakefield.

1:15 p.m. — Dealing with family stress, Sister Barbara Markey, Family Counselor, Omaha.

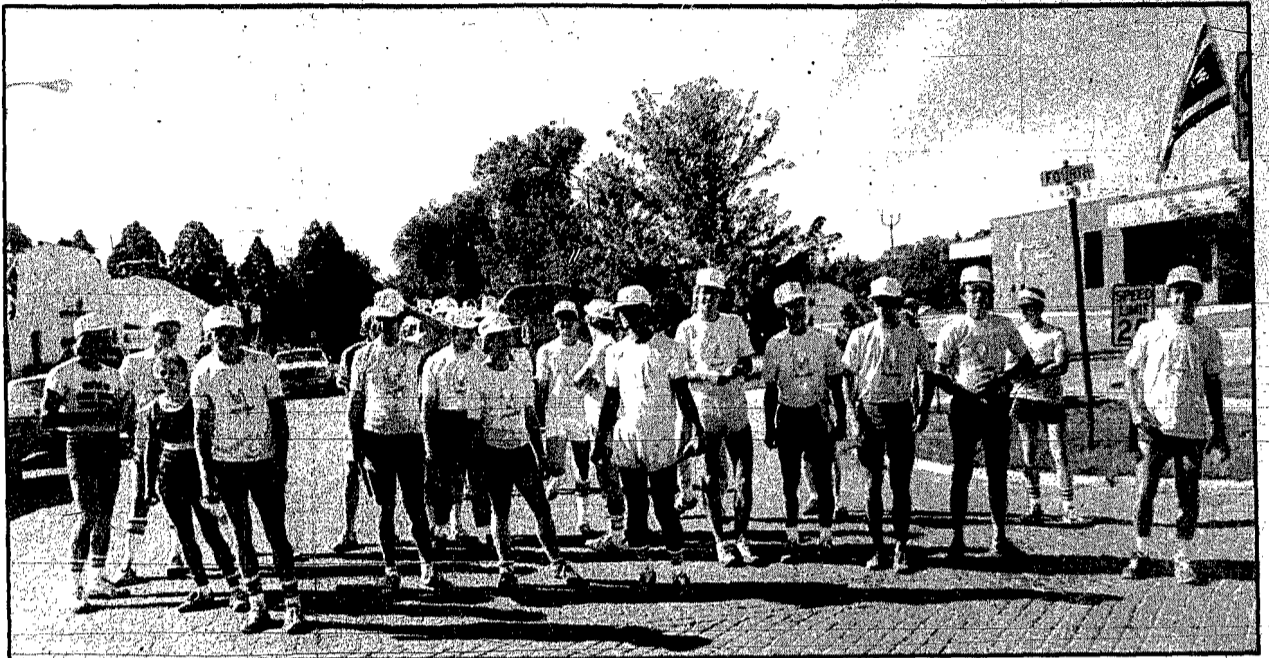

2:30 p.m. — X Ray: Get the Picture on Protection, Tywanne Paul, FDA, Omaha.

3:10 p.m. — Burns and Orthopedic Research/Training Shriners, Sioux City, Iowa.

4 p.m. — Alonon The Recovery Program, Lori Gutz, alcoholism counselor, Norfolk.

The Wayne and Dixon County 4 H youth will be serving refreshments. The public is invited to visit the fair.

For more information about the Health Fair, contact Mrs. Marian Jordan, 128 Maple St., Wayne, 375-2611; Mrs. Larry Lubberstedt, Dixon, 585-2212; or Anna Marie White, Dixon County Extension Agent, Concord, 584-2261.

## The Incredible Egg Bonds Communities

**DECKED OUT IN THEIR** "Incredible Edible" T-shirts and hats, an estimated 20 runners (above) jogged from downtown Wakefield to the Milton G. Waldbaum Co. plant after completing a run from Wayne to Wakefield Thursday morning. The run and Wayne Chamber of Commerce coffee at the plant were in observance of Waldbaum's 30th anniversary celebration last week. Thursday's activities included the 10.6 mile cross-country run which some runners completed, with others starting from about three miles outside Wakefield. A special Waldbaum relay team of 10 members also competed. Some runners carried ceremonial eggs the entire distance, while others sported the oblong oddities from the center of Wakefield to

the Waldbaum plant. Included in the ceremonies at the coffee were presentations to the city of Wakefield (see pictures on page 2 of this issue); a plaque to Waldbaum President Dan Gardner from Wayne State College President Lyle Seymour for the company's support of the institution; and a plaque to Gardner from Ed Elliott from Wayne's "Second Guessers" club for his support of the club and athletics. Waldbaums is the largest single integrated egg processing facility under one roof in the U.S. It was started in 1950 by Dr. Milton G. Waldbaum with 30 employees breaking 200 cases of eggs per day. The company has grown to more than 300 employees processing nearly 3.5 million eggs in an eight-hour shift.

## GED Classes Planned

Adult basic education classes will resume this fall. Persons working toward their general education degree (GED) now have the choice of meeting during the day or in the evening.

**THIS CHANGE** also affords employers the opportunity to use release time, matching time, partial pay or other incentives for their employees who would like to complete their high school education, improve grammar skills, or learn English as a second language.

The first session will meet from 9 to 11

a.m. Monday, Sept. 15, in the Columbus Federal Savings & Loan Association meeting room in the basement. The evening group will first meet from 7 to 9:30 p.m. Wednesday, Sept. 24, in Room 202 at Wayne-Carroll High School.

**MRS. RON** Jones and Mrs. Steve Dinsmore will be the instructors. Prospective students are welcome to come to either or both sessions for any amount of time and can enroll anytime throughout the school year.

For more information, call 375-4355 or 375-2688.

## Wayne Economy Improves Some

Local officials are hoping the increase in net taxable retail sales from April to May is a sign that the Wayne economy has bottomed out.

**FIGURES** released by the University of Nebraska College of Business Administration's Bureau of Business Research show that Wayne's economy did, in fact, move ahead of April. However, compared to the same month of a year ago, the local economy remains in poor condition.

April saw Wayne's economy plummet. With sales 37.1 percent behind April of 1979, Wayne was tagged as having the worst economic showing of any reporting city. But all was not disastrous, reports indicated, since Wayne experienced one of the most productive first quarters in the state.

At the end of March, Wayne was 15 percent ahead (in net taxable retail sales) of the first quarter of 1979. Since then, the local economy has nosedived and now seems to be recovering.

**SALES FOR** May of 1980 were 17 percent behind those of May of 1979. The volume of sales for May of this year was \$2,514,000 compared to \$2,693,000 for the same period of last year, Bureau of Business Research figures show.

Economic woes were similar in Norfolk, as sales there in May were 16 percent behind those of May, 1979.

There were six other communities with net taxable sales losses more than Wayne's. These were Seward, Columbus, Grand Island, Fairbury, North Platte and Hartington. Most reporting cities had sales losses of between 10 and 20 percent, according to the report.

The only communities showing gains were Kimball and Alliance.

**STATEWIDE**, the level of economic activity was down for the month of May, as noted previously. The bureau's index of economic activity for the state fell 1.9 percent for that month.

Jerry Deichert, research assistant for the bureau, noted that May's decline was felt throughout the Nebraska economy. He reported that activity was down in four of

the five sectors in the state. According to the report, both agricultural and nonagricultural activity decreased. Their losses were 8.9 percent and 7.7 percent respectively.

**GOVERNMENT** was the only sector registering an increase in May, the report stated. The April-to-May changes for the nonagricultural sectors were as follows:

Government, up .9 percent; distributive, down .4 percent; manufacturing, down 1.5 percent; and construction, down 7.3 percent.

Deichert indicated that the Nebraska economy appears to have been affected by the slowdown at the national level. The index of output for the state is at its lowest level since August, 1978, he noted.

**NON-AGRICULTURAL** output has fallen steadily since the beginning of 1980. And the report stated that real first-quarter personal income for Nebraska was down slightly from the fourth quarter of 1979.

According to the report, the outlook for the Nebraska economy remains hazy. It declines in retail sales and construction and later in the year, the economy may begin to improve. But unless increases in agricultural prices can be sustained, the report indicated lower farm income will exert a downward pressure on the Nebraska economy.

Deichert noted that the level of employment in Nebraska increased .3 percent in May when compared to May of last year.

**BUT, HE SAID** that net taxable retail sales, after adjustment for price changes, were 12.8 percent below the sales of last year. Much of this was due to a 38.5 percent decline in motor vehicle sales.

The following table shows retail sales for January through May, both 1979 and 1980:

Month	1979	1980
Jan.	\$2,450,000	\$2,763,000
Feb.	\$2,420,000	\$2,765,000
March	\$2,497,000	\$3,401,000
April	\$3,300,000	\$2,412,000
May	\$2,693,000	\$2,514,000

## Chamber Boasts Pair Of New; Young Faces

The Chamber of Commerce office is sporting a pair of new faces this week: one is a part-time secretary and the other an intern from Wayne State College.

**KATHY HUTTMANN** is the new secretary and manager of the Rural Employment Service (RES), filling the position vacated by Mable Tietgen. Mrs. Tietgen left the job Friday, Aug. 29. Mrs. Huttmann began her duties Tuesday.

**SHE WILL** be at the Chamber office from 1 to 5 p.m. Monday through Friday. A graduate of Bloomfield High School, she attended Wayne State College and Kearney State College for one year each. She has been employed in the financial aids department at WSC.

In her RES duties, Mrs. Huttmann will help employers locate workers and will assist persons in locating jobs. She also will have bookkeeping and similar secretarial duties.

Her husband, Rod, is manager and part owner of the Pabs! Blue Ribbon distributorship here.

**DAVE HOUSER** began his internship with the Chamber office Aug. 30 as part of a course at Wayne State.

A native of Marshalltown, Iowa, he is a senior at WSC majoring in business administration with an emphasis in management. He plans eventually to become a Chamber of Commerce manager.

The internship was arranged by and through Dr. Neil Swanson, professor of business at WSC. While the stint with the Chamber is not a course requirement, Houser said it will provide him on-the-job training and exposure to Chamber work. He will be on hand from 1 to 4 p.m. Monday, Wednesday and Friday.

**AREAS TO BE** covered will include industrial development, office management, membership calls, committee organization, promotion development, public relations, city and political relations, employment placement, etc.

Houser will be directly responsible for taking of minutes at meetings, coordinating at least one specific promotion, writing at least one newsletter article each month, coordinating the publishing of at least one newsletter, accompanying the manager on member and prospective member business and coordinating a community attitude survey with the manager.

His brother is the executive at the Manhattan, Kan., Chamber of Commerce.

**CHAMBER MANAGER** Gary Van Meter said the internship is a good example of the college's ability to provide the community with expertise and service. This type of internship usually is found only in cities much larger than Wayne, Van Meter said.

KATHY HUTTMANN AND DAVE HOUSER

## College Board to Meet

The Nebraska State College board of trustees will have a regular meeting in Lincoln Wednesday.

**AGENDA ITEMS** will include reports from presidents of the four state colleges. The report by Wayne State College President Lyle Seymour will include the opening of the college's 71st year, a three-day orientation program, financial and operational reports and personnel appointments.

The board also will be informed that a WSC faculty member has been chosen to receive the "Outstanding Young Man of America for 1980" award, an honor sponsored by the U.S. Jaycees, and other such items that may come before the board.

## OBITUARIES

### Ralph Gould

Funeral services for Ralph Gould, 64, Laurel, are pending with Wiltse Mortuary of Laurel. Mr. Gould, a farmer in the Laurel area for many years, died Friday while boating at Gavins Point Dam with his nephews.

## Pair Sentenced

Two former residents who pleaded guilty to receiving stolen property were placed on two years' probation Wednesday by District Judge Merritt C. Warren.

During District Court proceedings here, Fredric S. Brink II and Robert T. Zimmerman Jr. were placed on probation after a pre-sentence investigation. Each previously had pleaded guilty to the stolen property charge regarding burglaries at the Wayne Country Club and The Joyn last December.

The pair first was charged with burglary, but through plea bargaining several weeks ago, the charges were reduced to receiving stolen property. The theft of stereo equipment from both locations was in late December.

Besides the probation, Brink and Zimmerman were ordered to make restitution to the Country Club and The Joyn for damage to buildings, equipment and personal property resulting from the burglary. Brink will reimburse the county for court-appointed attorney fees.

The pair has been at the State

Penitentiary in Lincoln since July 2. The two appeared in court Wednesday and were released on probation afterward. Zimmerman will live in Columbus and Brink in Omaha, under orders of the court.

## The Wisdom of Big Brother IV

Richard L. Lesh, President Chamber of Commerce of the United States

What would you do if, famished for a good fish dinner, you went to your favorite restaurant, only to find the entrees limited to broiled grunt fish, baked mudblower and fried rattfish? Bet you'd lose your appetite for fish in a hurry, wouldn't you?

This scenario, says Senator Bill Roth of Delaware, has haunted the good folks at the National Marine Fisheries Service who are responsible for promoting more consumption of seafood. So, worried that ugly names will dissuade Americans from eating more fish, these bureaucrats decided to purge every ugly fish name and replace it with an appetizing one.

First they spent \$63,000 on a contract to study how to retittle fish. Unfortunately, this only proved the feasibility of varying the ugly title of different fish. No problem. A second study, par for the course in Washington, was approved to find the new fish names.

But still no luck. The second study didn't produce any new names either, only a set of criteria to judge which fish, ugly names and all, taste better. Rather than drag this out into a real fish story, let me just give you the upshot: After spending seven years, nearly half a million dollars, and drawing on the services of more than 50 agency employees, not one fish has been renamed. The only tangible result, of course, is that once again,

the taxpayers got taken, hook, line and sinker.

**Latest Bulletin From the Energy Department**  
National Review reports the Department of Energy is so efficient it managed to attract 485 people to a free conference by mailing out only 110,000 slick invitations with color brochures enclosed.

**Department Of Redundancy Department?**  
The National Science Foundation awarded a six-month, \$100,000 grant to the National Academy of Sciences, to develop a guide for the safe handling of chemicals in the laboratory. Then there was that \$92,000 grant for a study on "The Evolution of Pubescence Characteristics in Bumblebees." The feds keep spending... you keep paying.

**So Now You Tell Me**  
The following letter was written by Senator Gordon Humphrey of New Hampshire, and sent to the White House on August 7, 1980.

"Yesterday, I received a publication entitled 'National Buying Alert', prepared by the White House Office of the Special Assistant for Consumer Affairs. This publication identified various food items which were best buys for a certain time of the year. This

information would have been very useful to my constituents in New Hampshire, and I would have been happy to bring it to their attention. However, the 'best buys' were for the month of June. Naturally I would not insult the intelligence of my constituents by bringing to their attention a government document which tells them how they could have been saving money on food items if they had been purchased two months ago.

**It's Oil In A Day's Work**  
The Dallas Morning News recently gave its readers a novel explanation as to why the Sun Belt is doing so well:

"The Internal Revenue Service is sending 73 more agents to Dallas and at least 50 to Austin. How come? Because of the 'windfall profits' tax on oil, which, having been written in agonizing detail (nearly 200 pages as published by the Government Printing Office), has now to be interpreted and explained.

It may be that taxing the oil companies to the tune of \$227 billion won't find us any more oil, but think of the jobs it creates for those who can figure out, more or less, what Congress and the President thought they were doing."

If you're an optimist, then Wayne's economy is on the upswing. If you look at life from the dark side of the moon, then the apparent improvement is only superficial. Whatever the outlook, the local economy has a long row to hoe. Yes, it improved from April to May by 26 percent — certainly a substantial margin. But net taxable-retail sales here are still 17 percent behind those of May of last year.

Statewide and nationally, the construction, agriculture and automobile industries seem to be hardest hit. There are few who will argue with that. Even in little of Wayne, which until about six months was sliding by the edge of the recession, is now in its midst.

There is hope down the pike, however. Sales did improve in May, and June usually is a strong month around these parts even though Wayne State College dismisses its students then for the summer.

The Wayne Herald, with the help of the Chamber and 55 businesses, initiated a \$1,000 giveaway promotion in July which — at least on Thursday nights — boosted the number of shoppers in town. The Chamber's first try at a Farmer's Market was relatively successful as well.

On the surface, these promotions appear to benefit only the business community. Partially true. The entire community, in the long run, will benefit. A healthy business community is one of the most important factors in the life of a city.

Look around at some of the towns with little or no business. Not doing much, are they? I'm a firm believer that a little patience, perseverance, resilience and sacrifice by everyone will make Wayne an even better place to live.

The state of the economy could be depressing if dwelled upon too long. Here follows an upper a plug for Wayne State College, its German department and several of its students.

WSC Vice President Ed Elliott received a letter from participants of the WSC Nebraska German Program which lauded the program and its instructors.

The group said "the language classes were arranged so that there was opportunity for all individuals, regardless of previous skill, to gain a greater understanding of the art of German communication. Many of us had no background in the language and were thrilled with our newly acquired abilities to communicate even basically in stores, restaurants and with the local people.

The instructors were Allen Ahlers and Inge Atkins. "Allen's experience, knowledge and American view of Germany and its civilization is uniquely enhanced by Inge's contribution based upon her perspective as a native German. Together they wove for us the rich and colorful tapestry of German culture that could not be duplicated by a patchwork arrangement of lectures and commercial guide services," the letter continued.

There's never a dull moment in this wacky business, and here's a perfect example.

Ever hear of an albino carrot? Neither had I until a couple of weeks ago when Kerry Otte of Wayne brought in what obviously was a white carrot.

It looked like a carrot, smelled like a carrot and, presumably, tasted like a carrot — except that it was white, not orange. It was normal in every other way, had been planted in the normal manner and was in the same row as orange carrots.

The Ottes should have let it go to seed and captured the corner on the albino carrot market. Sounds like that might be a way to make an extra buck.

Mrs. Floyd Glassmeyer, Route 1, Wayne, provided these rules of conduct as laid down by President Abe Lincoln.

You cannot bring about prosperity by discouraging thrift.

You cannot strengthen the weak by weakening the strong.

You cannot help small men by tearing down big men.

You cannot help the wage earner by pulling down the wage payer.

You cannot further the brotherhood of man by encouraging class hatred.

You cannot help the poor by destroying the rich.

You cannot establish sound security on borrowed money.

You cannot keep out of trouble by spending more than you earn.

You cannot help men permanently by doing for them what they could and should do for themselves.

There was considerable fuss over the City Council voted to remove a bunch of stop signs around the city.

Their decision was based on an intensive study of traffic patterns by the Police Department. The theory was that people tend to be more cautious when there isn't a stop sign than when there is.

A lot of residents think the Council and Police Chief made a mistake. Maybe in a few isolated instances, yes. But more attentive readers will note there have been much fewer traffic accidents reported on our Record Page in the last few months. Watch for a story on the matter soon.

## Agricultural Power

**NEBRASKA FARM BUREAU FEDERATION**  
By M.M. Van Kirk, Director of Information

Distribution of the annual report, "Nebraska Agricultural Statistics" for 1978 with preliminary statistics for 1979, serves again to emphasize the strength of the state's agricultural economy and the leading role it plays in the nation's agricultural picture.

The statistics and comparisons in the publication, compiled and published by the Nebraska Crop and Livestock Reporting Service and the Nebraska Department of Agriculture, show that 1979 was a record production year in Nebraska. For both crops and livestock, the state's farmers and ranchers maintained their position as the nation's sixth leading agricultural producer with total cash marketing receipts for the year of \$5.6 billion, a 17 percent increase over 1978's \$4.7 billion.

Of the whopping 1979 total, 65 percent came from livestock marketings and 35 percent from crop marketing receipts. With due allowances for inflation, the dollar comparisons in crop and livestock receipts over the years are interesting. In 1962, the total was \$1.9 billion, then moved to \$2.1 billion in 1970 and 1971. In 1973, the cash marketing total for the state advanced to \$3.9 billion, then to \$4.0 billion in 1974, and dropped back below \$4 billion in 1975, 1976 and 1977.

The continued increase in irrigated acreage has stabilized crop production through extremely dry years such as the present one and those of 1974 and 1976. It is estimated that 73 percent of this year's corn acreage is irrigated with attendant high per acre yields, a primary reason why in 1978 and 1979, Nebraska has moved into third place in corn production, right behind Iowa and Illinois.

According to the latest publication's listings of Nebraska commodity rankings in comparison with other states, the following are indicative of our state's rising capabilities:

- 2nd place in fed cattle and calves marketed, 1979. Number — 3,975,000.
- 2nd place in number of cattle on feed, Jan. 1, 1980. Number — 1,680,000.
- 3rd place, corn for grain production, 1979. Bushels — 793,500,000.
- 3rd place, sorghum grain production, 1979. Bushels — 144,570,000.
- 3rd place in number of cattle and calves, Jan. 1, 1980, 6,400,000. Also in value of cattle and calves on that date, \$3.1 billion.
- 4th place in cash receipts from all

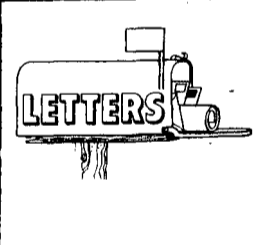

livestock marketings, 1979, \$3.5 billion.

- 5th place in dry edible bean production, 2,160,000 cwt.
- 5th place in winter wheat production, 1979, 86,700,000 bushels.
- 5th place in all hay production, 1979, 7,618,000 tons.
- 6th place in number of hogs and pigs, Dec. 1, 1979, 4,150,000 head.
- 6th place in sugar beets production, 1,460,000 tons.

In three commodities, Great Northern beans, alfalfa meal and popcorn, Nebraska producers were No. 1 over all other states. In soybean production, they are in 13th place with 54,750,000 bushels in 1979.

Estimates of farm production expenses for 1979 in Nebraska were not available for the current publication but a preliminary estimate of farm production expenses in the U.S. was set at \$113.7 billion for 1979, up 16 percent from 1978 and a new record high. The 16 percent increase would at least be equalled for Nebraska because of rising fuel costs and the state's increased reliance on pump irrigation to maintain its high production levels.

The 1979 figures again reflect the state as an agricultural powerhouse, in both good years such as 1979 and in droughty years such as 1980.

Dear Editor:

We'd like to thank everyone involved this summer in helping make the Wayne Women's Softball League the best yet.

Without the interest and cooperation of the following and many others, we'd never be able to continue. Our sincere appreciation and thanks goes out to all of you.

The following allowed us use of their fields: Frank Teach and the Wayne State College grounds department, Dennis Spangler at the National Guard Armory, Marci Thomas at Providence Medical Center, Don Zelss at the high school and Darrell Moore.

Also, thanks to all the umpires who donated their time. Officiating is often a thankless job and those men and women did it without payment.

We appreciate Ken Whorlow's donation of sand to ready a field for the tournament and the help of Denny Robinson, Ken Prokup, and Alfred and Rod Sievers in getting the field in shape.

Also, thanks to Bob Ensz for initiating incorporation procedures for our league, to the Wayne Fair Board members for all the time spent with our league board in discussing use of the fair grounds and to Merle Sieler for his time and help. It's this type of thoughtful cooperation that's helped the league grow.

Finally, congratulations to Charlie's Bar and Gooches Best for winning the league and tournament trophies respectively. We hope to see everyone back next year. Thanks again to everyone.

## Jean Erwin Weds Steve Suehl At St. Paul's Lutheran Church

St. Paul's Lutheran Church in Wayne was the scene of the wedding ceremony Aug. 30 uniting in marriage Jean Erwin, daughter of Mr. and Mrs. Pat Erwin of Wakefield, and Steve Suehl, son of Mr. and Mrs. Billy Suehl of Winside.

Deanna Manz of Laurel registered the guests, who were ushered into the church by Ed Travers of Columbus, Terry Nelson of Hoskins and Doug Elning and Jeff Backstrom, both of Wayne.

Officiating at the 7 o'clock double ring ceremony was the Rev. David Newman of Concord. Kelly Brown of Battle Creek sang "Through the Eyes of Love," "God, a Woman and a Man" and "Wedding Song," accompanied by Janet Casey of Wayne.

Flower girl was Trisha Krie of Laurel and ring bearer was Colby Kruse of Charleston, Ill.

Roxann Gade of Laurel was maid of honor. Bridesmaids were Linda Kruse of Charleston, Ill., Ronda Travers of Columbus and Cindy Erskine of Sioux City.

Their rust-colored Quiana fashions were in floor length. Each carried one long-stemmed yellow silk rose surrounded by three yellow silk rosebuds.

Best man was Kevin Heithold of Wayne, and groomsmen were Keith Suehl of Winside, Jon Erwin of Wakefield and Duane Suehl of Winside. The men were attired in rust tuxedos.

The bride appeared at her father's side in an ivory silesia gown. Shiny venice lace and pearls accented the Queen Anne neckline, and venice appliques edged the long, fitted sleeves and encircled the upswipt waistline. The sunburst pleated skirt draped softly to a semi cathedral train, edged in matching lace. She wore a hat encrusted with ace motifs, brad illusion and double silk roses, and carried a cascade of yellow and rust silk roses.

For her daughter's wedding, Mrs. Erwin chose a mauve floor length dress with brown and beige accessories. The

MR. AND MRS. STEVE SUEHL

bridegroom's mother selected a burgundy dress, also in floor length, with black accessories.

Mr. and Mrs. Cliff Stalling of Concord and Mr. and Mrs. Harry Suehl of Winside greeted guests at a reception in the church basement following the ceremony. Gifts were arranged by Nancy Heithold of Wayne.

Singing at the reception were Karl, Susie and Lisa Erwin and Lori Koester.

Serving the wedding cake were Diage Miller of Wayne and Deb Krueger of Winside. Mrs. Norma Backstrom of Wayne and Mrs. Margie Meyer of Wakefield

poored, and Phyllis Nelson of Hoskins and Lori Suehl of Winside served punch.

Waitresses were Lana Erwin of Concord and Jill Erwin, Kim Erwin and Pam and Jan Erwin, all of Sioux City.

The newlyweds are making their first home near Winside.

The bride, a 1977 graduate of Laurel High School and a 1980 graduate of St. Joseph Mercy School of Nursing, is employed at Providence Medical Center. The bridegroom was graduated from Winside High School in 1974 and is engaged in farming near Winside.

## Otto Sauls Observe 50th Year at Grace Lutheran.

Nearly 225 friends and relatives gathered at Grace Lutheran Church in Wayne Aug. 31 to observe the golden wedding anniversary of Mr. and Mrs. Otto Saul, longtime residents of the community.

The open house reception was hosted by the couple's children and their families, Merlin Saul and Mrs. Larry (Lorraine) Johnson, both of Wayne. There are four grandchildren and two great grandchildren.

Mr. and Mrs. Roger Saul of Tilden registered the guests, who came from Sioux Falls, S. D.; Lakewood, Colo.; Wayne, Wakefield, Allen, Winside, Pilger, Norfolk, Columbus, Blair, Lincoln, Omaha, Fremont, South Sioux City, Tilden and Laurel. Martha, Saul of Wayne, an attendant at the couple's wedding 50 years ago, was among guests present for the anniversary observance.

Gifts were arranged by Mrs. Roger Madden of Norfolk and

Mrs. Brooks Widner of Wayne. Roger Madden was emcee for the afternoon program, which included a family history by Roger Saut. Readings were given by Jennifer Widner and Lori Lowe, and prayer was by the Rev. Tom Mendenhall. Special music included "Oh Happy Home," sung by Larry Johnson, and "The Lord Bless You and Keep You," sung by Mr. and Mrs. Roger Madden.

The cake was cut and served by Mrs. Harry Suehl of Pilger, Mrs. Eldon Heinemann of Wakefield and Mrs. Larry Wacker of Lakewood, Colo. Mrs. Roger Madden of Norfolk and Mrs. Brooks Widner of Wayne poured, and Mr. and Mrs. Monte Lowe of Sioux Falls, S. D. served punch.

The Bible study group of Grace Lutheran Church assisted in the kitchen. Waitresses were Mrs. Larry Baker of Wakefield, Mrs. Delmar Vahkamp of Columbus and Mrs. Terry Meyer of Wayne. Mr. and Mrs. Saul were married at Immanuel Lutheran

Church at Wakefield on Aug. 27, 1930. The farmed south of Wayne for 20 years and have resided in Wayne for the past 30 years.

Guests were Mrs. Minnie Pfeil and Mrs. Delwyn Herbolshelmer, Deana and Janae, all of Pierce, and Mrs. Tom Rappe and Erin of Richfield, Minn. Games and readings furnished entertainment.

Mrs. Schreiner is the former Lori Freidel.

## John A. Kays

### Marking Golden Year

Mr. and Mrs. John A. Kay of Wayne are planning to observe their golden wedding anniversary with an open house reception on Sunday, Sept. 14.

All friends and relatives are invited to attend the event from 2 to 4 p.m. at St. Paul's Lutheran Church in Wayne. No other invitations are being sent and the couple requests no gifts.

Hosts are their children, Mr. and Mrs. John E. Kay and Mr. and Mrs. Gary Kay and families.

## Hoskins Couple Married 50 Years

Mr. and Mrs. Lyle Marotz of Hoskins, who were married Aug. 31, 1930, at St. Paul's Lutheran Church in Norfolk, observed their golden wedding anniversary Aug. 31.

An open house reception at Grace Lutheran Church in Norfolk was followed with a buffet

dinner for 110 persons at the Trinity Lutheran School in Hoskins.

Granddaughters Tiffanie Fuhrman of Norfolk and April Marotz of Hoskins registered the 225 guests attending the reception.

Among those attending were

Arthur Marotz of Stanton, Mrs. Lisetta Marotz Gutzmann of Norfolk and Mrs. Frieda Hille Fowler of Topeka, Kan., attendants at the couple's wedding ceremony.

The guests came from Kansas City and Topeka, Kan.; Osco, Ill.; Burke, S. D.; Los Angeles, Calif.; Keystone and Denison, Iowa; Grand Island, Plainview, Wayne, Lincoln, Pierce, Winside, Stanton, Pilger, Battle Creek, Norfolk, Carroll, Hadar and Hoskins.

Leigh Meierhenry of Denison, Iowa arranged the gifts. "Down Memory Lane" was the theme for the afternoon program presented by the couple's children, grandchildren, other family members and friends. Master of ceremonies was Verne Fuhrman.

Mrs. Edwin Brogie of Hoskins

baked the anniversary cake, which was cut and served by granddaughters Stephanie Krijan of Omaha and Sherri Marotz of Hoskins. Other granddaughters who poured and served punch were Melanie Fuhrman of Norfolk, and Laura Marotz and Pauline Marotz, both of Norfolk.

Members of the Mary Martha Circle of Grace Lutheran Church in Norfolk assisted in the kitchen for the reception. Women who helped serve the buffet supper included members of the Hoskins Trinity Lutheran Ladies Aid.

Mr. and Mrs. Marotz have lived in the Hoskins community their entire married lives. Their children are Mrs. Verne (Lyla Fay) Fuhrman and Lon Marotz, both of Norfolk; Lane Marotz of Hoskins and Loy Marotz of Lincoln. There are 13 grandchildren.

## Extended Benefits Program Changed

State Labor Commissioner, John Hanlon, has announced that due to a recent United States District Court decision, the effective date of extended benefits was changed from Aug. 24 to July 20.

Those individuals who have exhausted their unemployment insurance benefits during approximately the past six months may be eligible for extended benefits.

Nebraska is participating in the federal-state extended benefit program, triggered on when the national unemployment insured rate climbs to 4.5 percent computed as a 13-week moving average. The purpose of the program is to assist unemployed workers who have no further benefits available from regular unemployment during the national economic downturn.

"The Division of Employment is sending out additional notices

to those eligible individuals who may be affected by the retroactive Court decision," Hanlon stated.

Claimants should bring Identification Booklets and Social Security Cards with them to the nearest Division of Employment Area Claim Center as soon as possible.

The term "Gypsy" is a corruption of the word "Egyptian." People mistakenly believed that the gypsies descended from Egyptians. In fact, they are probably the descendants of a nomadic tribe of northern India.

## Money, Energy

### Are Emphasis

Saving energy and money will receive emphasis in Nebraska this year.

A program called PUMP (Pump Unit Management Program) developed and conducted by the University of Nebraska Cooperative Extension Service has been designed to help Nebraska farmers learn how they can improve the energy.

Field tests have shown that the average irrigation pumping plant rises 25 percent more fuel than needed because the system is not adjusted or engineered properly. It is estimated that if all irrigation pumping units in Nebraska were engineered and adjusted properly, about 50 million gallons of diesel fuel equivalent could be saved annually. The high costs of energy make these demonstrations extremely important to the irrigator.

A field demonstration on the pumping plant testing will be conducted by the university PUMP testing team for farmers in the Wayne-Card County area at the Bob Wobbenhorst farm one mile west and half north of Belden.

The demonstration will be held Tuesday starting at 1:30 p.m.

## Football Ignites Winside Offense In Win

## Sports Briefs

An explosive offense was unveiled and the Winside Wildcats took advantage of critical turnovers to stun the Allen Eagles 29-6 in Winside, Friday night.

The game was played under ideal football conditions before a good-sized crowd which turned out to watch the two teams open their seasons. The football game was the second half of a sports double-header which saw Allen defeat Winside in volleyball action.

Brian Foote was Winside's "do-everything" in the contest which was one-sided in the first half. Foote carried the ball 11 times for 88 yards and one touchdown, kicked two extra points, three field goals and intercepted a pass.

Foote's field goals covered distances of 26 yards, 29 yards and 27 yards. In addition, he had a successful 39 yard kick called back because of a penalty. The hosts took a 3-0 lead early in the first quarter. Foote ran the opening kickoff back 71 yards and booted a 26 yard field goal for the go-ahead points.

Byron Schellenberg added another first quarter score when he ran the ball in from the two yard line to cap a 35 yard drive following a fumble recovery. The point after try failed when the snap was bobbled and Winside led 9-0 as the first quarter ended. The Cats struck again with 10:14 remaining in the half.

Quarterback Mark Koch hit freshman John Hawkins for a 48 yard touchdown pass. Foote's PAT made the score 16-0. Another Allen fumble with 7:11 left in the half led to a 29 yard field goal by Foote. Winside regained the ball one more time in the second quarter and Foote kicked a 27 yard field goal for a half time lead of 22-0.

Allen came back aggressively in the second half but couldn't handle the Wildcats. A long punt return by Foote was called back because of a holding call and Allen took over only a few plays later on a fumble recovery.

The Eagles put the ball in the air and then mixed up the offensive attack to move the ball downfield. The drive started on their own 40 yard line and ended on a fourth down and goal play from the five yard line.

Terry Brewer carried the ball around the left side on the crucial fourth down play to break up the shutout. The two-point conversion attempt failed.

Penalties again haunted the Wildcats. A 55 yard touchdown by Schellenberg was called back because of a holding penalty. Foote caught Allen's defense off guard when he booted a quick kick for 43 yards.

Allen suffered a big blow to its team Friday night when defensive standout Randy Smith dislocated his shoulder. Smith, who had problems earlier with previous shoulder separations, will probably be forced to quit football. He was an all conference, All Area selection last season.

The Eagles struggled to get back in the game, converting a first down on a fourth and inches

play at their own 33 yard line. However, a bobbled snap turned the ball over to Winside at the Allen 37.

With 7:42 remaining in the game, Foote tagged his 38 yard field goal. Another holding call brought the ball back and put the Cats in a fourth and 20 situation. Rather than punt, Winside went for the first down and converted on a 26 yard pass from Koch to Bill George.

The Wildcats moved the ball deep into Eagle territory but fumbled the ball into the endzone. Marty Mahler made the recovery, giving Allen the ball at the 20 on a touchback.

The visitors were unable to sustain a drive and Winside took over. Foote scored the final touchdown of the game on an eight yard run with 3:08 left. His PAT made the final score 29-6.

"We looked good for our first game. Koch had only one week of practice at the quarterback spot (because of an injury) but did a pretty good job." Winside coach Dennis Gonnerman said. "The freshman (Hawkins) caught all but one pass thrown to him. We have two good running backs in Foote and Schellenberg and the offensive line did its job, making holes. I was pleased."

Gonnerman said that both ends played well and added that his defense did a fair job. He then credited Allen and predicted that the Eagles "will have a pretty good team."

In addition to Foote's impressive stats, Schellenberg rushed for 42 yards and one touchdown as a team. Winside racked up 328 total yards. Koch hit five of seven passes for 123 yards passing and no interceptions.

Leading tacklers were Barry Bowers with 12 assists and 6

THIS TIME the ball rolls in Allen's favor in action at the Winside Allen football game, Friday night. Winside won the game 29-6. Here, the Wildcats fumble the ball into Allen's endzone as the Eagles' defense prepares for recovery. Pictured are Allen players Robb

unassisted, Schellenberg with 11 assists and 1 solo. Joel Broekemeier with five assists

and three solos and Geore with five assists and two solos. Dan Broekemeier had two fumble recoveries and Tom Koch had an interception.

Defensively, the Eagles were paced by Linafelter with nine tackles, Pat Onderstahl with seven Carr, Brewer, Mahler and Keith Rohde also had good defensive performances. Brewer, Carr and Smith all recovered fumbles.

The breaks went against us earlier," said Allen coach Bark Kniffel. "Winside has a good ball club, one of the better ones in the area. We'll try to run our defense harder next week."

Gonnerman complimented athletic director for "having the field in super shape for the first game."

## Olsen-led Bears Move Ball but Can't Score

The Laurel Bears racked up 340 yards but couldn't find the end zone as they lost their season opening football game 30-0 to Randolph on the road, Friday night.

The Bears, paced by the arm of Joe Olsen, covered 262 yards in the air. Olsen completed 16 of 29 passes with three interceptions to lead the aerial attack.

Meanwhile, Randolph was busy gaining its yardage on the ground. The hosts rushed for 318 yards and gained only three yards in the air. The Bears outyarded their opponents 340 to 321.

Randolph has a real good team. They'll beat a lot of teams and I'll take a line team to beat them," Laurel coach Lynn Schuett said following the game. "We did a pretty good job but we just couldn't handle them. They ran the ball well and we couldn't get on the scoreboard."

Looking over his team's effort, Schuett said he was pleased with the play of several players. He praised Olsen for his passing suc-

cess and added that Brian Buss did a fine job of receiving the passes.

In addition to Olsen and Buss, Schuett said that Jamie Johnson and Todd Twiford had good performances. Kurt Saunders gained 50 yards on the ground to lead Laurel in rushing.

Randolph scored its first touchdown in the first quarter and added a safety in the second period for a 9-0 lead. The hosts scored again in the third quarter and added two touchdowns in the fourth quarter to put the game away.

The Bears are scheduled to play Cedar County rival Hartington Cedar Catholic at Hartington next Friday.

## Runners Triumph In Albion Invitational

Wayne's cross country team made believers out of the rest of the field as the Blue Devils won the Albion Invitational with 34 points, Friday. It was the best start ever for a Wayne team.

Grand Island Central Catholic finished second with 41 points, seven points behind the Devils. Grand Island Northwest placed third with 46 points and the rest of the pack followed more than 20 points behind.

Leaders for Wayne were veteran Doug Proett and Stephen Monson, a transfer from Wahoo. Last season, Proett placed 19th at state and Monson placed sixth. Monson made his presence especially welcome with his performance at Albion.

The two team leaders crossed the finish line together behind winner Doren of GICC. Proett was credited with second place and Monson with third despite the fact that they finished at the same time with identical times of 16:22. The winning time over the 5,000 meter course was 16:01.

The two man finish brought back memories of last season when Proett and Kurt Powers (now a graduate) crossed the finish line together in many meets.

The key to the victory was the performance of the other runners on the team. The top four scores from five runners are tallied to determine the team score and Wayne's other three varsity runners came through under pressure.

Henric Ollsson, a foreign exchange student from Sweden, made his cross country debut a happy one by placing 14th with a time of 18:01 in the 53-man field. Jeff Baier placed 15th with a time of 18:08 to round out the scoring.

All four runners received medals as they were given to the top 15 finishers. Wayne brought home the first place trophy from among the nine teams competing for the title. Joel Mosley, the fifth man on the varsity squad, also had a fine performance. He ran the course in 18:35 to finish 19th, just out of the running for a medal.

"The team ran real well. For our first run, it was quite good," Wayne coach Harold Maciejewski said. "We entered the meet kind of unknown because we hadn't had any time trials. The way we finished, it might have been a good thing."

The Blue Devils will seek their second championship in the Plainville Invitational Friday, Albion Invitational scoring: 1. Wayne 34, 2. GICC 41, 3. GINW 46, 4. Aurora 70, 5. Albion 85, 6. Central City 93, 7. Ord 107, 8. Lakeview 124, 9. Genoa 139, 10. Plainville 150. Burwell also competed but didn't field enough runners to figure in the team competition.

## STOCK CAR RACES

Riveria Speedway Mike Benson of Wakefield ended the season in fourth place in the late model division with 790 points. He placed third in the final championship A feature, Saturday. The 50 lap race was run by a field of 15 cars.

Bob VanderVeen of Wakefield finished the season in sixth place in the hobby stock division with 285 points.

Interstate Raceway Benson placed fifth in B feature of the late model races, Sunday in Jefferson, S.D. VanderVeen placed third in his

heat and won the A feature of the hobby stock division. Russ Plumber of Emerson placed seventh in his heat and ninth in the A feature.

Interstate Raceway Benson placed third in his heat, second in the trophy dash and second in the A feature of Monday's late model races in Jefferson.

VanderVeen placed fifth in his heat and second in the A feature of the hobby stock division. Plumber placed second in his heat, fifth in the trophy dash and 10th in the A feature.

## Trojans Win 'Bruiser'

The Wakefield Trojans got back on the right track by taking a 25-12 victory over Homer, Friday night in Wakefield.

The Trojans, who fumbled away a shot at a winning record with excessive turnovers last year, got back in the groove as they cut their number of turnovers down to one.

"We made fewer mistakes and capitalized on good running in the second half," Wakefield head coach Dennis Wilbur said after the game. "We were a little jittery out there but they were normal jitters for the first game. We didn't run the ball real well in the first half."

Wilbur termed the matchup "a bruising game" and explained that four players were sent to the hospital.

Dirk Carlson and Brent, Kahl were the two Wakefield players who were sent to the hospital. Carlson, received a possible concussion and Kahl jammed his neck. The pair is expected to be back in action soon. Homer also had two players taken to the hospital.

"Homer had a good defense. They've improved a lot from last year," said Wilbur. "Our defense did real well except for about three breakdowns. Homer had a couple of long runs. Our offense was pretty sluggish but we'll show some improvement. We

were bound to make some mistakes."

Wakefield started four seniors and three sophomores. The remainder of the starting lineup was composed of juniors.

The Trojans scored the first touchdown in the first quarter. Quarterback Mark Starzl hit Brent Kahl on a 16 yard touchdown pass. The two-point conversion failed.

Homer tied the game up with a TD in the second period but Wakefield went into the lockers at the half with a 12-6 advantage. Rod Nixon scored on a two-yard run and again the two-point conversion failed.

After a scoreless third period, Starzl connected with Nixon for an insurance touchdown. The play covered 64 yards making the score 18-6 after the PAT failed. Freshman Wayne Guy made the score 24-6 and Jeff Hallstrom added a point after bringing the final tally to 25-12.

Homer, which scored its first touchdown on a 34 yard run, scored again in the final period on a 19 yard pass.

Statistically, the game was pretty even. Both teams totaled 188 offensive yards. Wakefield had nine first downs compared to seven for Homer. The main difference was Homer's three turnovers and Wakefield's one.

Starzl completed 4 of 12 passes

for 103 yards and no interceptions.

Leading defensive players in the balanced effort were Starzl with nine tackles, Hallstrom with three tackles and one fumble recovery, Alan Echtenkamp with four tackles and a blocked pass, Mike Clay with two tackles and an interception, Nixon with two tackles and an interception which he returned 28 yards, and Jerry Roberts with four tackles.

"Homer is a good ball team and we shut them down all but two or three plays. They'll be respectable," Wilbur stated. "Clay had a real good defensive game. Roger Echtenkamp and Starzl had good performances."

Individual leaders in the rushing department were Roberts with 41 yards, Joey Sherer with 28 yards, Starzl with 18 and Wayne Guy with 10 yards and a TD. Nixon had a puntling average of 37.5 yards per punt.

The Trojans travel to Allen to play the Eagles at 7:30 p.m. Friday.

## Devils 'Outnumbered' In Loss to South Sioux

Numbers were a factor as South Sioux City spoiled Lonnie Ehrhardt's head coaching debut as Wayne High football coach, Friday night. The Cardinals defeated Wayne 20-0 in South Sioux.

Ehrhardt said he and his assistant coaches will take a look at the game film, analyze the scouting report on Blair and make preparations for Friday's home opener.

"We have some things to work on but considering the circumstances we did okay," Ehrhardt said. "They just outnumbered us. They had 75 players suited up and we have 39 players out."

South Sioux running back Mike Schmied opened the game up with some outstanding running. He rushed for 148 yards and scored all three touchdowns.

The star runner scored the first TD with 4:03 left in the first quarter on a 34 yard run. Hohenstien added the PAT. Schmied scored from three yards out with 10:04 remaining in the first half. His final touchdown came from 10 yards out with 6:23 left in the game.

ed to score in the last 10 minutes of the second quarter, all of the third and about half of the fourth quarter.

"We played a very respectable game defensively," Ehrhardt said. "Then, we picked up some momentum, came out and started to move the ball. We were stopped three times on interceptions and other times on penalties."

Ehrhardt pointed out that Wayne had poor field position for most of the game. "They (South Sioux) took over the ball in good field position and we always had poor field position. Their defense was able to stack up against us. They blitzed their linebackers throughout the game and we couldn't get untracked. We stopped ourselves. It was a case of the first game jitters."

Last year, several Wayne players were injured in the South Sioux game. Ehrhardt said he felt that caution about injuries may have been a factor in this year's game. "We let them take the ball game to us, we didn't take it to them. The real positive thing was that we didn't have any major injuries."

One of the high points of the game was the performance of Aaron Schuett. "Aaron had a fine game both offensively and defen-

sively and did a good job of punting. He was a real good leader," the first year coach said.

Offensively, the Wayne backfield of Chip Carr, Tod Heier, Kevin Nissen and Richard Poehlin had some good plays according to Ehrhardt.

Defensively, Pat McCright had an interception and a 15 yard return and Al Lindsay had a fumble recovery.

Leading tacklers were Carr with two solos and eight assists, Eric Brink with five solos and three assists, Schuett with four solos and eight assists, Nick Sieler with three solos and four assists and Brett Frevert with four solos and five assists.

"The game against South Sioux was good experience and will build character on this team. We played even football with them much of the game," Ehrhardt stated. "We had respect from their club."

## Eagles Rally to Tip Winside

A strong rally in the final two games enabled Allen to upend Winside 14-16, 15-8, 15-3 in area volleyball action Friday night at Winside.

The Eagles put together a string of 14 consecutive points to pull away from the Wildcats for the win.

"We didn't give up. We came in and remained fairly calm and did the job," Allen coach Gary Troth said. "Last year, we used to win

the first game and mess up later."

Winside coach Paul Sok said he was pleased with his team's performance in the first game but added that his team made some mistakes in the final two games. "We weren't picking the ball up at the end. We won a good first game but didn't maintain our poise. It's hard to make a comeback against a good team like Allen."

Winside took the early advantage by winning the first game 16-14 in a long nail-biter that was every bit as close as the score indicated.

The visitors scored the first two points of the game but the hosts scored the next four points to gain the lead. The game was tied eight times before Winside pulled away. No team ever led by more than three points.

Allen took the lead at 12-11 on a hard serve by Lisa Erwin but Winside came back with three consecutive points to regain the advantage. A well placed dink by Loree Rastede put the host team back on top at 14-13. Lori

Langenberg was also instrumental in the win.

In the second game, the Eagles pulled away from a 4-4 deadlock and went on to win 15-8.

"We had a good defense. Winside had some good hits but we kept returning them. Our two huddle yells are 'We're a team' and 'Be aggressive'. We did both of those tonight," Troth said. "We passed and handled the ball well and our serve reception was better than any team I've ever coached. We're confident."

Troth also praised the Winside team. "Credit Winside tremendously. They're a heck of a team and their coach has them playing well. They hit good hard serves." Leading players for Allen were Lisa Erwin and Des Williams defensively and Ann Gwin offensively. "Our front line played pretty well in a team win," Troth added.

Gwin was the star of the third and final game. She served the first 12 points of the deciding game as the Eagles took a decisive 12-0 lead. The visitors then held on for a 15-3 win. "Ann

Gwin just kept putting her serves in the court. She did a fine job," Troth said.

Winside will play at Osmond Friday and Allen will play at Ponca next Tuesday (Sept. 16).

The Eagles were also scheduled to play in the Pender Tournament on Saturday after defeating West Point Central Catholic on Thursday.

### Allen Wins

Allen defeated West Point Central Catholic 15-10, 15-9 Thursday.

## Antelope Season

Archery Antelope Season Opens August 20

The 1980 archery antelope season opened Aug. 20, runs through Sept. 26, then closes during the firearm antelope season. The archery season opens again Oct. 6th and continues through Oct. 31.

The Game and Parks Commis-

sion reminds hunters that most antelope hunting takes place on private land and all hunters are required to obtain permission before hunting on private property.

Norm Dey, administrative assistant of the Commission's wildlife division, says that hunters should be extremely cautious about fires on the rangelands as the especially hot summer has created very dry conditions across the state.

Dey recommends that hunters carry fire extinguishers in their vehicles when in the field, so that if a fire does break out, it can be taken care of immediately. He advises people driving vehicles with catalytic converters to be extra cautious as the converters get very hot and have been known to start grass fires.

Hunters who take an antelope are reminded to field-dress the animal immediately to allow rapid cooling of the meat. Dey advises the carcass should then be taken to a cooling facility as soon as possible. But, he says, the antelope should not be skinned or quartered or otherwise cut-up, other than field dressed, prior to being taken through a check station.

To transport the animal home, Dey says it should be placed in a well-ventilated area of the vehicle. For long trips, the animal should be butchered, the meat wrapped and frozen and then placed in styrofoam coolers so that the flavor isn't affected during the trip. Dry ice will help to keep the meat frozen while enroute and coolers should be securely taped shut to reduce temperature loss.

The hunter must have his antelope permit with him while hunting and the permit must be accompanied by a Habitat Stamp by all resident hunters 16 years of age or older and all nonresident hunters regardless of age. You need purchase only one Habitat Stamp per season, so the stamp you purchase for antelope hunting will be valid through all other hunting seasons this year.

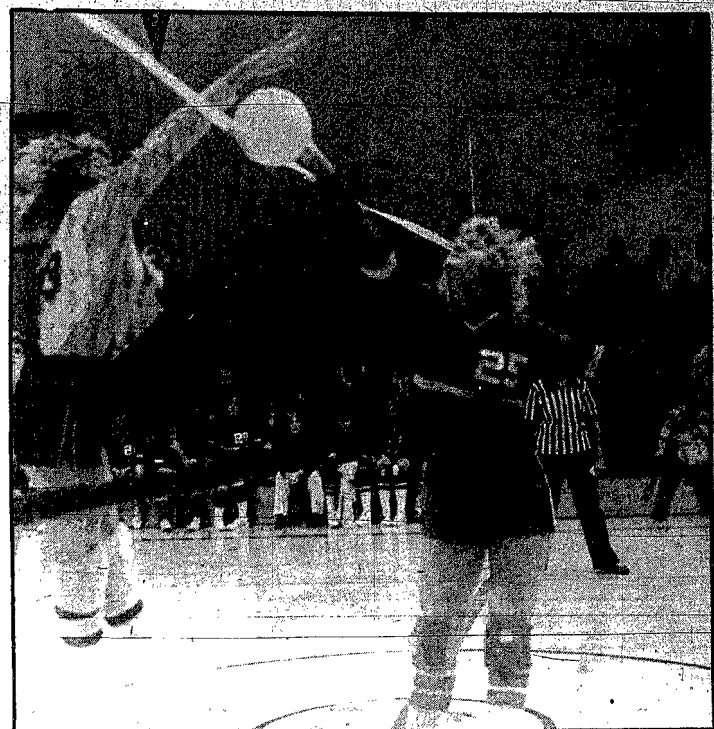

Applications for permits should be mailed to the Nebraska Game and Parks Commission, 2200 N. 33rd, Box 30370, Lincoln, 68503.

## Doubleheader Tried Out

THE VOLLEYBALL appears to be caught on the top of the net here as opposing players from Allen and Winside battle for control of the ball. At left is Allen's Lisa Erwin and at right is Winside's June Meyer. Winside won the first game of their Friday night matchup but Allen rallied to win the next two games and the match. This was the first in a series of volleyball-football doubleheaders planned at Winside High School this year. After the volleyball match, fans wandered onto the football field to watch the same two schools clash. Winside won that outcome.

## Headquarters Takes Third

HEADQUARTERS placed third in the Wayne County Women's Slow Pitch Softball League this summer. Pictured from left, front row: Sherri Koch, Diana Jaeger, Julie Overlin, Sherri Peterson. Second row: Jo Soubek, Jana Jenkins, Kelly McCoy, Peg Pinkelman, Sue Lanser. Back row: Shauna Roberts, Cheryl Abis, Sheryl Anderson, Kelly Fevert Heithold. ## Randy's Recap

According to Randy Hascall

players participated in the tourney. Ten teams were represented on the all-tourney team.

Meyer played third base and catcher for Hartington's town team which reached the finals of the tourney before losing to Renner 11-10 in the championship game.

Brain Blatchford, another Wayne State varsity player from Ponca, was named to the all-tourney team as an outfielder. He also plays for Hartington. The 29-man all-tourney team also included three other players from the Hartington squad. They are Dennis Schmitz at first base, Rod Redson as pitcher and Don Hagge as a utility player.

RENOVATION of the Wayne city ball park is scheduled to continue tomorrow (Tuesday) at 6:30 p.m. Last time, the renovation work began at 7 p.m. and darkness cast its shadow upon the field as the final touches were being completed.

This time, plans call for removal of the wiring in front of the stands, around the dugout and near the batting cage as well as removal of a few posts.

As usual, volunteer work is needed and definitely welcome. Anyone who owns a tractor and loader or heavy duty wire clippers would be warmly greeted.

MIKE MEYER, Wayne native and Wayne State baseball star, was named to the all-star team in the South Dakota amateur baseball tournament at Mitchell, S.D. recently. Thirty teams and about 600

#### CONTEST RULES

One football game has been placed in each of the 20 ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of tie, write "tie". Use the entry blank below or a copy of equal size. Pick the score of the "Game of the Week" and enter that score in the appropriate blanks. The correct closest score will be used to break ties, and will be used only in the case of ties.

One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to The Wayne Herald office not later than 5 p.m. Thursday, or if mailed, should not be postmarked later than 5 p.m. Thursday. You need not be a subscriber of The Herald to be eligible for prizes.

The Winners will be announced weekly on the Thursday sports page of The Wayne Herald. There will be duplicate prizes awarded if winning scores are identical. Employees of the Herald and their immediate families are ineligible. Judges' decisions will be final in every case.

## Winside Ladies Aid to Mark 50th Anniversary

The Ladies Aid of St. Paul's Lutheran Church in Winside will mark its 50th anniversary on Sunday, Sept. 14, from 2 to 4 p.m. Plans for the observance were discussed when the women met Wednesday with 30 members and a guest, Mrs. Norma Stollenberg of Carroll.

The Rev. John Hafermann presented the lesson. Devotions were by Mrs. Hafermann. The secretary and treasurer's reports were read by Mrs. Cyril Hansen and Mrs. Dean Janke.

Mrs. Leo Hansen reported on the Lutheran Family Social Service and Mrs. Dean Janke told about the Lutheran Community Hospital Service Guild. It was announced that Ladies Day will be held Sept. 18 at the Wisner city auditorium.

The Winside women are planning to hold their annual bazaar on

Nov. 15. **Snack bar workers** in September and October are Mrs. Cyril Hansen and Mrs. Leo Hansen, Sept. 12; Mrs. John Hafermann and Mrs. Russel Hofmann, Sept. 16; Mrs. Gottlieb Jaeger and Mrs. Herbert Jaeger, Oct. 10; and Mrs. Albert Jaeger and Mrs. Ray Reeg, Oct. 21.

**Hostesses for the meeting** were Mrs. Karl Frederick and Mrs. John Hafermann.

**Senior Citizens**  
Fifteen members were present when Winside Senior Citizens met Tuesday at 12:30 p.m. for their monthly business meeting.

Mary Nichols, R.N., and Connie Bargstad were guests and took blood pressure readings from persons requesting it.

President Mrs. Ella Miller conducted the business meeting,

which included minutes of the previous meeting and the treasurer's report. A get well card was sent to Mick Jaeger.

Pitch furnished entertainment. Next meeting will be this Tuesday at 2 p.m. at the Stop Inn.

**Meat for Bridge**  
Mrs. Minnie Graef entertained the Contract Bridge Club Wednesday. Receiving prizes were Mrs. Twila Kahl, Mrs. N. L. Dittman, Mrs. Irene Warnemunde and Mrs. J. G. Sweigard.

Next meeting will be Sept. 24 with Mrs. Twila Kahl.

**Birthday Guests**  
Friends and relatives gathered in the home of Mrs. Ella Damme Aug. 27 to help her celebrate her birthday.

The guests included the Leroy Herschelds of Stanton, the Howard Schuelzes of Stanton, Mrs. Herman Schuetz, the LeRoy Damme family, the Albert Dammes, the Carl Dammes and Mrs. Lottie Damme, all of Wayne, the Gottlieb Jaegers, the Herman Jaegers, the Albert Jaegers and Mrs. Minnie Weibie.

Pitch was played and a cooperative lunch was served.

## Honored at Care Centre

THREE RESIDENTS OF THE Wayne Care Centre observed their birthdays last month. Marking their birthdays in August, pictured from left, were Ben Richardson, 86, Martha Wagner, 80, and Anna Voecks, 91. The three honorees joined other residents of the Care Centre on Aug. 27 for ice cream and cake in the dining room.

## Oldest First to Buy

RECEIVING the first ticket to the Benhack Golden Anniversary Banquet Oct. 25 is Maude Auer. Wayne County's oldest resident. Now a resident of Wayne Care Centre, Mrs. Auer is believed to have been a patient of "Dr. Walter" longer than anyone else, but is unsure exactly how long. The tickets, which go on sale this afternoon (Monday) at Wayne banks, feature a detachable stub for purchasers to conveniently donate towards a gift in honor of Dr. Benhack. It will be presented at the banquet. Since only about 800 seats are available, the public is urged to buy tickets as soon as possible.
