Wakefield's 1981-82 Levy is Highest

County Commissioners Set New Tax Rates

Wakefield property owners who live in Wayne County face the highest tax rate of any taxpayer in the county for the 1981-82 fiscal year.

And, taxpayers in Winside rank second on the tax-rate list, according to figures recently released by Wayne County Clerk Gretto Morris.

Hoskins ranks third. And, Wayne, the largest municipality in the county, has the third highest tax rate at \$2.02 per \$100 of actual valuation.

THE WAYNE tax rate is 7 cents lower than the Hoskins levy of \$2.09 per \$100 of actual valuation, according to computations recently approved by Wayne County Commissioners.

And, the county's Wakefield property owners — those living south of the Dixon County line — face a tax rate of \$2.65 per \$100 of actual valuation.

That's 53 cents higher than Winside's tax rate of \$2.12 per \$100 of actual valuation.

The rate is no longer expressed as a mill levy, but in dollars and cents per \$100 of actual valuation. The combination of mill levies computed through assessed valuation figures has been abandoned by Nebraska after the State Legislature required the current formula in a 1979 law.

UNDER THE law, the current 1981-82 fiscal year was set as the starting date for computing tax rates on an actual-valuation basis. The rates also can be expressed as dollars and cents per \$1,000 of actual valuation. In that case, Wayne County's Wakefield tax rate represents \$26.55 per \$1,000 of actual valuation.

Winside's rate represents \$21.25 per \$1,000 of actual valuation; Hoskins represents \$20.94; and Wayne's is \$20.21.

Carroll's tax rate is the lowest of any municipality in the county, excluding rural townships, at \$1.71 per \$100 of actual valuation, or \$17.13 per \$1,000.

Sholes comes in just above Carroll's tax

rate with a levy of \$1.86 per \$100 of actual valuation, or \$18.62 per \$1,000.

THE TAX RATE includes a county-wide levy and special levies for the services of three educational units, the Wayne County Agricultural Society, Lower Elkhorn Natural Resources District and Northeast Nebraska Technical Community College.

Every property owner in the county pays those rates, according to Morris. Beyond those levies, the valuation of each taxing district and the demands placed against that property for municipal services and schools accounts for the variation in the final rate.

The county-wide tax rate (per \$100 of actual valuation) for 1981-82 is 38 cents, or \$2.87 per \$1,000. That rate is based on a county-wide valuation of \$268,404,715 and a tax requirement of \$770,562.88.

That rate breaks down to about 20 cents per \$100 for the county's road and bridge fund and about 4 cents per \$100 for the general fund.

THE COUNTY relief-medical fund represents about 1 cent per \$100 of actual valuation. (The tax rate for Wayne County has been computed to a 100th of a cent.)

The noxious weed control fund, for instance, is earmarked to receive \$0.098 per \$100 of actual valuation, or nearly a penny per \$100.

The county improvement fund tax rate is \$0.0037, less than a half-cent per \$100. And, the veteran's aid fund rate is \$0.0007, or less than a 10th of a cent per \$100 of actual valuation.

The free high school levy — paid by those taxing districts without high school facilities — is 63 cents for 1981-82. Several districts are exempt, however.

SPECIAL SERVICES and their tax rates include: Educational Service Unit 1, \$0.0253; Educational Service Unit 2, \$0.0295; Educational Service Unit 8, \$0.0322; Wayne County Agricultural Society, \$0.0038; Lower Elkhorn NRD, \$0.0037; and Northeast

Nebraska Technical Community College, \$0.0468.

Wayne's municipal tax rate is 60 cents per \$100 of actual valuation, which includes the city's demand against real property for the general fund, special assessment fund, various purpose funds, fire protection and the airport.

The city's actual valuation has been set at \$60,850,895. The city's total tax rate — a combination of rates for municipal services, the school system, county government and special services — is \$2.0219 per \$100 of actual valuation.

The Wayne-Carroll School District rate, which is a part of that total city rate, is \$1.1485 per \$100 of actual valuation, or \$11.48 per \$1,000.

WINSIDE'S municipal tax rate, about 44 cents per \$100, is stacked against a village valuation of \$4,721,995.

The tax rate includes a levy for the

general and park fund, the streets and lighting fund, auditorium fund, fire and rescue fund, amusement fund, social security fund and library fund.

Hoskins, with a valuation of \$3,224,955, has a municipal tax rate for village services of about 79 cents per \$100.

The village levy breakdown includes tax rates for the general fund, streets fund, street lighting fund, fire protection, sewer, water and the refunding bond fund.

CARROLL'S municipal tax rate for village services is about 27 cents per \$100, based on a valuation of \$2,212,335.

Sholes village tax rate for municipal services is about 31 cents per \$100, based on a valuation of \$319,380.

Wakefield's Wayne County valuation is \$1,408,595. The tax rate for municipal services for that portion of the city is about 77 cents.

Principal Fined, Gets Probation In Assault Case

Wayne High School Principal Donald Zeiss, 38, has been fined \$100 and placed on a year's probation for assaulting a senior during a late-July incident in Wayne.

Zeiss, who appeared before Wayne County Court Judge James J. Duggan Thursday without an attorney, had pleaded guilty to assaulting 17-year-old Jeff Moore, the son of Darrell and Wilma Moore, Wayne, on July 25.

A pre-sentence investigation, which was sealed by the court, was ordered by Judge Duggan after Zeiss entered the guilty plea on Aug. 20.

THE PRINCIPAL, who offered no comment beyond those contained in the written pre-sentence investigation report, was placed under the jurisdiction of the District II Probation Office.

Terms of the probation direct Zeiss to visit with his probation officer at "such reasonable times and places as may be directed by the probation officer, including the defendant's home."

Zeiss also was ordered to "work faithfully at his employment" and to "break no laws."

Furthermore, he must notify the probation officer in writing of any change in employment or change in address. He also

is barred from leaving the state without written permission.

COURT COSTS were added to the principal's \$100 fine.

Additional probation terms for Zeiss included a ban against drinking alcoholic beverages to excess. He was also barred from using controlled substances except those prescribed by a physician.

Judge Duggan ordered Zeiss to follow other reasonable terms given to him in writing by the probation office.

The fine and probation come at a time when the principal is under investigation by the Nebraska Professional Practices Commission — an arm of the State Education Department.

The investigation was triggered by a complaint filed at the state level by the senior's parents.

ALSO, ZEISS was recently reprimanded by the Wayne Carroll School Board.

The board's reprimand included a sternly worded passage warning students of its concern regarding the disruption of teachers' and administrators' home lives.

The board launched its investigation of the case in early August after the Moore's filed a letter of complaint during a meeting at Wayne High School.

The Moores said Zeiss assaulted their son on July 25 after he and a friend had returned from an out-of-town baseball game.

ZEISS, WHO has avoided commenting on the incident, did state that the assault took place after "an outcrop of 12 to 14 months of incidents" in which unidentified youths frequently drove by his home yelling insults and throwing objects at his house.

The principal called the Moore's the next morning after the incident and apologized for a case of "mistaken identity."

The school board has since adopted, as district policy, job descriptions and duties for principals that expressly forbid the use of intimidation or harassment as punishment for students.

Wayne High School Homecoming King and Queen

WAYNE HIGH homecoming royalty Kris Proett and Jim Sperry exchange a congratulatory kiss after being named queen and king at Friday's coronation. The two were elected by a vote of high school students and crowned by the 1980 royalty Michelle Kubik and Todd Skokan. Other can-

didates were: Karla Otte, Mandy Peterson, Frances Prather and Jill Zeiss; king - Eric Brink, Mark Hummel, Todd Pfeiffer and Rocci Schulz. Crown bearers were Erica Stoltenberg, daughter of Nancy and Gary Stoltenberg and Matt Blomenkamp, son of Duane and Jean Blomenkamp.

New Dentist

A NEW DENTAL CLINIC will open in Wayne next month. Steve Becker, a Wisner dentist, will open the new Wayne Dental Clinic in the Mineshaft Mall on Oct. 13. Initially, Becker, a third generation dentist, will commute from Wisner to staff the clinic, which will be open from 9 a.m. to 5 p.m. weekdays and Thursdays until 9 p.m. Becker's father, C.P. Becker, practices dentistry in Alton, Iowa. His grandfather practiced in Osmond from 1917 to 1950. A 1976 graduate of Creighton dental school, Becker has been practicing in Wisner for three years. Becker and his wife, Diane, have a 2-year-old son.

Birthday Breakfast

Fly-In, Stunt Pilot to Highlight Wayne Airport Celebration

More than 50 airplanes are expected to descend on the Wayne Municipal Airport early next Saturday morning as pilots and passengers from throughout a tri-state area arrive to help celebrate a half-century of aviation.

The pilots and passengers from Nebraska, South Dakota and Iowa are expected to be joined at a fly-in, drive-in breakfast table by friends of aviation and industry from throughout the Wayne area.

The 7 a.m. to 10 a.m. breakfast will kick-off the day-long 50th birthday celebration of the airport, which began as a grass strip east of town that was owned by John T. Bresler of Wayne.

A JOINT-VENTURE celebration, the event will feature displays on the develop-

ment of the airport and Wayne Industries, according to Chuck Barnes and Dean Craun, both members of the Wayne Municipal Airport Authority.

In addition, the celebration will feature Ole Pash, a aerobatic pilot from Harlan, Iowa, who will perform over the airport from 1 to 2 p.m. Saturday.

Rated as one of the best aerobatic pilots in the United States, Pash will be using his red-and-white Pitt Special for the air show. The airport will be closed to all air traffic during his early-afternoon, hour-long performance.

According to Barnes, the airport manager, **AL ALIEN** and authority members have met at Federal Aviation Association requirements for spectator safety.

BEFORE THE aerobatic show, celebration organizers have scheduled a radio-controlled model airplane show at the airport.

The show will be presented by the Norfalcons, a radio-controlled model airplane club from Norfolk. That show begins at 10 a.m.

The radio-controlled airplanes, which are scaled-down models of the real thing, will be on display in the airport's main hangar after the show, which follows the fly-in, drive-in breakfast.

From 11 a.m. to 1 p.m., **ALLEN AVIATION** will offer reduced-cost airplane rides over Wayne, according to Barnes, who said passengers will be charged no more than the actual cost of the flight.

The 15-minute flights will involve a turn-around-the-town aerial tour of Wayne that begins and ends at the airport.

DURING THE airplane-ride event, visitors will have an opportunity to view displays in the main hangar.

The displays will include a salute to Wayne Industries as well as the airport — both vital links to the development of Wayne's economy, according to Barnes.

He said the airport display will have an historical flavor with dozens and dozens of photographs depicting the airport's development from grass to paved runways.

ALSO INCLUDED will be photographs of pilot training programs, such as the one operated by the Army Air Corps in conjunction with Wayne State College during World War II.

ALSO FEATURED will be a spot-landing contest for local pilots, Barnes said.

After the aerobatic show, local pilots will be given an opportunity to test their flying and landing skills with three chances to hit a target on the runway during touchdown.

Participating pilots will be awarded points for each try, with the greatest point total assigned to touchdowns on the target. Awards will be presented to the winners.

Barnes said spectator safety rules and regulations will be enforced during the contest, but that visitors should be able to observe the pilots' flying and landing maneuvers.

Wayne State College Hosts Annual Band Day

ONE OF THE BIGGEST Band Day celebrations in Wayne State College history was held on campus Saturday, Sept. 26, and four high schools came away as winners. High school bands from Yankton, S.D., top photo, and Schleswig, Iowa, took the first-place trophies. Along with the trophies, the schools received \$300 in scholarship money to be designated for a senior band student who will attend WSC next fall. Second-place winners were Creighton High (Division I), and Laurel-Concord High (Division II). In addition to the trophies, the bands each received \$200 scholarships for a future WSC musician. The scholarships were a new offering,

thanks to the combined efforts of the Wayne Chamber of Commerce and the Wayne Second Guessers. The 18 bands attending took part in a parade through downtown Wayne Saturday morning. The Wayne High School band, bottom left, marched at the end of the parading bands, which were escorted by the WSC band. The Wakefield High School band, bottom right, was among the 18 bands in attendance. Football fans were entertained by the bands during halftime at the Wayne State-Midland College football game.

police report

No injuries were reported in two motor vehicle accidents investigated by Wayne Police Thursday and Friday.
On Thursday, a car driven by Carl S. Gutshall, Wayne, struck and parked car owned by Doreen K. Bilbrey, Wayne.
The southbound Anderson car, a 1971 Ford left the Pearl and seventh streets stop sign to make a left hand turn at 9:45 a.m. Entering the intersection, the Anderson car struck the west bound Bartels car, a 1976 Ford, on Seventh Street.
POLICE ALSO assisted in the removal of an abandoned vehicle from state Highway 35 west on Friday.
The automobile was parked along the highway near Mike Perry Chevrolet Oldsmobile.
And, on Thursday, police closed the alley behind Mines Jewelry because of a downed power line. The City's Light Department crew repaired the line.
Two men shooting guns on the north side of town Wednesday were told to stop using the firearms.
The men told police that birds were a problem in that neighborhood (1100 block of Main Street north). The shooting occurred around 8 p.m.

ALSO ON Wednesday, August Lorenzen of Wayne reported a window had been broken in his trailer on Eighth Street east. Police investigated the criminal mischief incident and found no evidence of entry to the trailer. Lorenzen reported the incident at 9:30 a.m.

CHECK with US!

By Betty Addison

Q. I understand a bill has passed Congress which permits a new savings certificate option. Can you tell me anything about it?

A. Yes. The United States Congress recently passed what has been called the "All Saver's Bill". Essentially, the bill permits savings associations to issue a new, one-year savings certificate, enabling savers up to \$1,000 in interest earnings... free of federal income taxes. The \$1,000 doubles to \$2,000 for couples. Currently, of course, the exclusions are \$200 for a single tax payer, and \$400 for couples on earned interest, effective on next year's returns. The All Saver's Certificate will be available to savers on October 1, 1981 and is a real plus to all of us interested in saving - interest tax free.

Country boy...

...by randall howell

Howdy. Even if you have a fear of flying, that shouldn't keep you from taking time next Saturday to help celebrate the 50th birthday of Wayne's Municipal Airport.

From the sound of things, the day-long schedule of activities could be exciting as well as informative. I've never seen an aerobatics show put on by a solo pilot in a single-engine plane, so I'm not going to miss Iowa's Ole Pash and his Pitt Special. No way.

THEY TELL me he's one of the best in the country. And, that's why they've brought him in to highlight the celebration, which runs the gamut from an early-morning breakfast to model airplane competition.

I don't know about you, but airplanes have always excited me. I've always wanted to learn to fly and I've never gotten over the thrill of a take-off.

I'm not fond of those big birds that lumber through the atmosphere looking like giant geese with glandular problems.

I've always felt trapped in them. And, I don't like riding in anything I can't get out of in a hurry. Not being able to see or talk to the driver also bothers me a lot.

IT'S NOT that I don't trust pilots, mind you. I just like to keep an eye on things. I want to be close enough to grab the wheel if he robs off for a few minutes.

That's why I really prefer smaller aircraft — the single engine or twin-engine variety.

Often you can sit right up there in the cockpit and back seat drive a little.

It's been so long, though, since I've been in the air that I just may have to take one of those 15-minute spins over Wayne that Allen Aviation is offering on the airport's birthday.

But, the feller to ride with — if his plane wasn't a single seater — would be that aerobatics pilot. That'd be better than any carnival ride.

THE LAST plane ride I had was when I was on the South Dakota road in politics.

I worked for a while as a campaign staffer for Leo Thorsness, former Vietnam POW and fighter pilot. He was the first South Dakota Republican guy who took on Sen. George McGovern with a serious campaign.

Well, to make a long, long story shorter, Thorsness didn't win his bouts with McGovern and when I caught up with him he was in a deadlocked election count with his opponent — a Democrat from my hometown.

Thorsness, who had already served his time in Vietnam POW camps and in Pierre as the chairman of the South Dakota Republican Party, was determined to pull the election out even if it meant going to court.

ONE OF MY jobs was, to get recant petitions signed by registered voters in districts where there seemed to

be evidence of fraud at the polls.

There were so many voting precincts and there was so little time, we had to fly. So, Thorsness flew his own staffers around to little airports all over the state's First Congressional District.

He favored a little, low-wing plane that I think they called a Grumman. Can't be sure about that name, though. An incredibly skilled pilot, he flew that little hummer like a toy.

It was November, and after take-offs that had me crawling out of the tail section, we'd count cows, deer, geese, ducks and fenceposts on the way to the next grass strip.

HE KNEW I loved it and I knew there were no Vietnamese around to worry about. So, we traveled like that for several days. I never felt anything but safe.

One day, while we were airborne, he was looking for a pond to count geese in on the way to another runway out in the middle of nowhere. Huge powerlines were coming our way.

Not wanting to question his flying skills or his attention at the stick, I made a remark about the interesting pattern they presented as they moved across the windshield.

With a grin! In his eye, he said that I should remember something about power lines and other aerial obstructions.

"AS LONG as they're moving, you're okay," he said. "If they aren't, you're flying through them and that's gonna hurt."

He explained that that's how he and his fighter plane flew through enemy anti-aircraft fire in 'Nam. The one that got him, wasn't moving.

I relaxed a little. But, I wouldn't take my eye off them for fear they'd stop moving across the windshield.

Only when they disappeared below my line of vision through the windshield was I convinced we'd slipped over them.

I didn't think he was ever going to stop laughing. Thorsness was the only pilot I ever met, or flew with, who sight navigated the full length of the trip. He knew every farmhouse, county road and cottonwood tree in eastern South Dakota.

And, I never saw him miss a prairie-grass landing strip. He drove the friendly skies reading the atmospheric conditions and the land like a race car driver reads the track.

IF THERE had been any doubt in my mind about learning to fly, Thorsness erased it in the flash. That was an unusual experience in politics, because it's very rare for a candidate to fly himself anywhere.

Another friend of mine, South Dakota Gov. Bill

Janklow, did it when he ran for attorney general and continued to do so during his stint in that office.

However, when he was running for governor, his staff finally convinced him to hire a pilot.

I never flew with Janklow, but I did get a chance to fly in Senate Majority Leader Howard Baker's leased Lear Jet during his campaign swing through South Dakota.

THAT WAS THE fastest plane I've ever been aboard in my life.

Two former Air Force combat pilots, who were earning a good living as charter pilots in civilian life, handled that bird whenever Baker needed to get someplace fast.

As a country boy, I just sat there with eyes agog as the engines screamed. I saw them release the brakes and before the "Go" forces released me from the cushion in my seat, we were at 1,000 feet and still climbing like a rocket.

With campaign stops everywhere, that Lear Jet became a puddle jumper. I don't think they ever leveled it out.

I'd jump off the end of the runway, climb darn near straight up. Then, those fly-boys would drop her nose darn near straight down and we'd glide onto another country airport.

NOW THAT kind of thing may be old hat for you, but I still grin like a barefoot boy with a 4-pound catfish whenever I think about it.

That was flyin' no matter how you feather your pros.

I keep hoping a younger brother of mine, Billy, who's an airplane mechanic in Casper, Wyo., will get his license and go into instruction.

Then, I'll remind him of all the nice things I did for him when he was a little tyke. And, if his memory is bad, maybe he'll teach me to ride the prairie wind.

Sounds like a heckuva deal to me. So far though, he says he'd rather repair them than fly them.

He's young though, and just might get over that.

UNTIL THAT happens, I guess I'll have to be satisfied watching and riding the little birds whenever I get a chance.

It's nice to live in a community where you can get that kind of opportunity once in a while.

Wayne's got a good thing going with that airport. This town's economic future may land there any day.

I hope that when it does, Wayne area residents have the good sense to recognize it and keep it here with a hearty welcome.

If it takes off again without a handshake we have no one to blame but ourselves.

Catch you next week...

The Right to Know

The public's right to know — a precept ingrained in our heritage, written in our laws and backed by our courts — has been keystone in the building blocks of a democracy.

Your right to know has been threatened, from time to time, by public servants who have been more than willing — even eager — to twist it into whatever shape suits their fancy.

Fortunately, those who display a penchant for that sort of twisting have been reasonably few and far between. For the most part, public servants see themselves as guardians of that right, rather than saboteurs.

Unfortunately, it only takes one or two people with the wrong idea to remake, undermine or destroy the backbone that braces the way we do the public's business in this country.

And, though we hear about it most in the national press, the problem often is but a mere reflection of a similar one on the local level.

A recent incident in Wakefield illustrates the local problem. Entry was gained to the local school and money was taken by thieves. A master key was missing from the school office. This situation triggered a change of locks for the school doors — a rather costly matter. And, it triggered an investigation by local police as well as the Wayne County Sheriff's Department.

That was in late August. And though information about crime and criminal investigations is sought regularly and frequently by The Wayne Herald, a community newspaper dedicated to the public's right to know, no report has ever been offered regarding the incident.

And, once the information was gathered from another source, the Sheriff's Department was again contacted for additional information and confirmation.

A senior deputy in that office, one who apparently sees the public's right to know quite differently than the courts, the State Legislature and Congress have construed it, not only declined to cooperate, but provided false information regarding the criminal incident.

It was a sad day for your right to know and a sad day for law enforcement.

Even forgetting all the legal ramifications of that for a minute, it still remains that an informed public is a protected public.

And, a public informed about crime can help protect itself, aid in deterring criminal activity, and assist law enforcement in bringing criminals to justice.

That's just common sense. Why taxpayers would be footing the bill for anything less challenges the imagination.

Most taxpayers, it seems, would begin to wonder what's going on around here.

Early Warning System

A U.S. Department of Agriculture task force has recommended an "early warning system" to detect grain elevators that may be developing financial problems, and has recommended measures to safeguard the interests of farmers and the government in potential elevator bankruptcies.

The task force report calls for a joint federal-state study group to establish minimum net worth standards for commercial elevators, improved audit procedures and increased coordination of government grain elevator licensing requirements.

The report has been submitted to an executive committee headed by Ray Lett, executive assistant to Secretary of Agriculture John R. Block. The executive committee now will assess the recommendations and forward them to Block.

Lett said the recommendations — published in a 60-page report — will serve as the starting point for further action, both administrative and legislative, in dealing with the bankruptcy problems.

"It is essential to the orderly marketing of agricultural products for farmers to have a sound grain warehouse system they can depend on," said Lett.

"To have such a system, we suggest requiring warehousemen to file an annual certified financial statement prepared by an independent certified public accountant. This statement should serve to assure both farmers, financial institutions and USDA of the financial soundness of the elevator."

"The possibility of grain elevator bankruptcies continues to create uncertainty for U.S. farmers and impedes the administration's push toward greater reliance on open, free markets to provide farmers' incomes," he said.

"Our recommendations focus on ways to detect early those grain elevators with possible financial problems and to alert farmers when USDA action is initiated. Our recommendations deal less with what could be done after an elevator does go bankrupt," Lett said.

Individual copies of the report are available through the publications section, information division, room 24-W, USDA/ASCS, P.O. Box 2415, Washington, D.C., 20013. Or call (202) 447-4122.

Nebraskan's Priority on Economics

Economics is a paramount concern to residents of Nebraska's First Congressional District. That would be an obvious conclusion to anyone who accompanied me on a series of Hear the Citizen meetings this past month.

During August and the last weekend of July, 45 constituent sessions were held in 35 communities. I participated in 31 of these meetings including eight in various neighborhoods of Lincoln. Attendance varied from a low of six to as many as 70 at one of the Lincoln meetings.

On the economic side, the high interest rates was a subject of every meeting. It is one aspect of today's economic that affects both the rural and urban resident. There is no doubt that inflation and high interest rates threaten the survival of farm and business owners throughout the country.

PRESIDENT Reagan and his advisors believe that the four point "economic recovery" program they have developed will indeed control inflation, help reduce interest rates, and restore economic prosperity to all segments of the economy. Although many people may question the ability of that package to achieve those goals, I sense a mood in the country to give the Reagan policies a chance.

congressman doug bereuter

Because past policies obviously have failed, people believe that we must try something new. In the absence of other reasonable alternatives, the President's program appears to have the public's support, at least for the present time.

I remain optimistic about interest rates. I feel that actions taken by both the Congress and the administration shortly before the August recess will have a favorable impact on lowering interest rates. During the Hear-the-Citizen meetings, I went on record in predicting we would see a drop of as much as two percent in the next 45 days.

A key to solving our economic problems is the patience of the American people. We

must remember that we didn't get into this situation overnight and that it will not be possible to get out of it overnight, either.

FARMERS are also keenly interested in upcoming consideration of the farm bill. It is one of several critical issues.

Low grain prices and expansion of grain exports are issues that go hand-in-hand and several persons had suggestions on how to improve the current situation. There were also critical comments about tobacco and peanut subsidies.

Undoubtedly stimulating concern among rural constituents is the great outlook for this fall's harvest. As I traveled throughout the District to attend these citizen meetings, I marveled at how green the state appeared. We've been extremely fortunate with late summer moisture and the crops look great everywhere from Falls City to Ponca.

One note of special interest is that there was practically no support for striking air traffic controllers. The only vocal support I heard came from air traffic controllers themselves at a meeting in Lincoln.

THERE WERE many other subjects discussed, too numerous to list here. Many

individuals had thoughtful ideas and several of them are being investigated to determine if legislative action is appropriate.

The important part of the Hear-the-Citizen meetings was that it wasn't simply an exercise in my providing a report of activities in Washington. It was a real opportunity to use my ears and, in some cases, to eavesdrop on good discussions between constituents.

It makes my performance as your representative in Congress more effective when I can listen. And people gave me an ear full in the following communities:

Lincoln, Falls City, Humboldt, Tecumseh, Nebraska City, Syracuse, Seward, Pierce, Plainview, Osmond, West Point, Wayne, Norfolk, Stanton, South Sioux City, Randolph, Hartington, Ponca, Schuyler, Fremont, Wahoo, Crete, Geneva and York. In addition, my staff conducted 14 meetings when I was out of the district.

In addition the 775 persons who attended meetings that I was at, I particularly appreciated the efforts of the newspaper, radio and television industries in helping notify persons in advance of the time and location of meetings. That's the kind of cooperation between the private sector and government that helps make government work.

Ruinous Rules and Regulations Clean-Air Act Often Part of the Problem

Richard L. Leshar
U.S. Chamber of Commerce

The Clean Air Act has, in many instances, actually stalled and sidetracked our drive towards cleaning up the air.

Hard to believe? Just consider a few of many case studies which have been compiled by the Business Roundtable:

Example: A company in the Midwest which presently burns natural gas and oil wanted to construct a new boiler which would burn wood-waste instead. The result would be cheaper fuel costs and reduced emissions of pollutants. However, the statutes of the Clean Air Act would require studies and permits taking at least 2 1/2 years at a cost of over \$500,000 before construction could even begin. But the law would allow quick reactivation of an existing coal boiler which will emit six times the pollutants as the new boiler.

EXAMPLE: Rather than add on emission control equipment to its existing furnace, an iron foundry in the Southeast proposed building a new furnace which would operate more efficiently and generate fewer pollutants than the first alternative. But the Environmental Protection Agency (EPA)

said no because the foundry is located in what has been designated a "nonattainment area" — one which does not meet EPA's standards for one or more pollutants. In 243 "nonattainment areas" around the country, including this one, there are special restrictions on new construction. In fact, in this area EPA has actually banned new construction! This company had no choice but to follow the first course, resulting in more pollution and less efficiency.

Example: A major oil refinery planned to replace several 40-year old units with ones which would burn less fuel and burn it more cleanly. Once again, because the facilities are located in another of the "nonattainment areas," which is subject to EPA's construction ban, the project was not allowed. The company's appeals to the agency have been met with confusion, red tape and years of delay. In addition to generating fewer pollutants, the project could be providing the city and county with \$7 million in additional tax revenues, not to mention 1,200 construction jobs and 50 permanent jobs for the area.

THIS LIST of horrors goes on and on, and yet, making changes in the Clean Air Act

will be one of the most politically sensitive and controversial issues Congress will face.

Why? Because in recent years a broad consensus has emerged that it is necessary and desirable to devote considerable resources to the task of cleaning up and maintaining our air — and the business community wholeheartedly agrees. After all, we breathe too! The problem is: How do we do it without sacrificing other equally critical goals such as full employment, economic prosperity and independence from foreign oil?

Back in 1970, the federal government's answer was the Clean Air Act — 2,500 pages of statutes and regulations so wrought with confusion, contradiction and complexity that even the EPA officials themselves often do not understand what they are supposed to require of the private sector. The result: Delays and cancellations of vital industrial and energy projects, lower productivity, higher prices, fewer jobs and ironically, delays in cleaning up the air.

NONETHELESS, along with a new awareness by business that the air must be protected, the Clean Air Act has resulted in

some improvement in the air quality. This is why the U.S. Chamber of Commerce strongly supports the continuation of the Clean Air Act when it comes before Congress for renewal this fall. Yet, it is vitally important to the economic future of our country that Congress address the confusion and contradictions in the Act and make changes where necessary. The standards we have set for a healthy environment must never be compromised, but the business community must be allowed greater flexibility to meet those standards in the most cost effective manner possible.

Despite the hue and cry raised by some environmental extremists, it is possible to support the goals of the Clean Air Act and, at the same time, sincerely believe that the Act has not worked. It has stunted our economic growth, delayed our freedom from foreign oil, and damaged our competitiveness overseas. The business community, proud of its long track record of problem solving, believes that we can make the important goals of clean air, good health and good business compatible with each other. And if Congress joins us in looking for solutions instead of listening to slogans, we will

briefly speaking

Bazaar Plans Continue

The Wayne Community Hospital Auxiliary continued plans for the annual Fall Bazaar during a meeting Sept. 18 in the Woman's Club room.

The bazaar will be held Saturday, Nov. 7, at the city auditorium. Drawings will be held for three prizes — stained glass, Afghan and 32-inch stuffed toy. The bazaar also will feature handmade gifts, used toys, a white elephant table, and homemade candy. A lunch of soup, sandwiches and pie will be served throughout the day.

Twenty-four members and a guest attended the September meeting, which was opened by President Sheryl Marra. Jan Kohl read "Is the Autumn in the Five Senses?"

Julia Haas reported sending baby cards for 19 boys and 21 girls. A letter was read from Marci Thomas, hospital administrator, on suggested goals of the auxiliary for the hospital.

A thank you note also was read from the hospital administrator and Benedictine Sisters for the auxiliary's recent gift of a steam kettle for the hospital kitchen.

Lunch was served by Lois Hall and her mother. Next meeting will be Oct. 16 in the Woman's Club room.

Barracks Entertain Auxiliary

Members of World War I Barracks entertained the Auxiliary at a smorgasbord meal last Monday evening at the Wayne Vet's Club. Twenty-five persons attended.

Speaking following the meal was Wayne Denklau, Wayne County Veterans Service Officer. A birthday cake was baked for Norbert Brugger, and cards furnished entertainment.

Next regular meeting of the Auxiliary will be at 7:30 p.m. Oct. 19 at the Vet's Club.

Just Us Gals Club

Gail Spahr entertained eight members of Just Us Gals Club Wednesday afternoon. For roll call, members told what they like about fall.

Receiving card prizes were Clara Spahr, high, and Gail Spahr, low. Mrs. Dale Spahr was a guest.

Dorothy Grono will be the Oct. 21 hostess at 2 p.m.

Julia Haas Club Hostess

Julia Haas entertained members of JE Club Tuesday afternoon at Jeff's Cafe.

Minnie Ulrich was a guest, and in cards it was Minnie Ulrich and Peg Gormley.

Next meeting will be at 2 p.m. Oct. 13 with Ida Myers.

Ten Attend We Few Club

We Few Home Extension Club held its September meeting in the home of Sandra Luft with 10 members present.

Newly elected officers for 1982 are Joan Thomsen, president; Connie Meyer, vice president; Gail Korn, secretary and Jean Luft, treasurer.

Committee leaders are Sandra Luft, citizenship; Connie Meyer, reading; Deb Eltonson, health; Mary Nichols, music; Connie Skup, cards and flowers; Sandra Wriedt, social; Leona Janke, impact; and Mary Nichols, historian.

Next meeting will be held Oct. 12 at 8 p.m. in the Gail Korn home. Potholders will be made for the Wayne Community Hospital Auxiliary's annual fall bazaar in November.

Acme Begins New Year

The first meeting of the new year of Acme Club was held last Monday in the home of Mrs. Jessie Hamer, assisted by Mrs. Helen James. Fourteen members were present.

New officers are Mrs. Priscilla Skov, president; Mrs. Bonnadell Koch, vice president; and Mrs. Helen James, secretary-treasurer.

The club has purchased a book to be placed in the Wayne Public Library in memory of Mrs. Hazel Bressler. The book is entitled "Meeting God at Every Turn" by Catherine Marshall.

For the program, each member told briefly about their vacation.

Next meeting will be held in the home of Mrs. Mary Doescher on Oct. 5 at 2 p.m. Mrs. Jessie Hamer will have the program.

New Members of Three M's

Mrs. Gordon Magdanz was hostess for the Three M's Home Extension Club's first meeting of the fall season last Monday evening.

Mrs. Melvin Utecht, a guest, was welcomed as a new member.

Mrs. Del Soransen, president, conducted the business meeting. For roll call, members told what plans they have established for their heirs.

Bess Baier, health leader, presented a list of poisonous household plants. Marci Rohrbeg, cultural arts/education chairman, encouraged members to attend five Audubon Wildlife Films at Wayne State's Ramsey Theatre, and the Sioux City Symphony Concerts at the Morningside Campus.

Tickets for the wildlife films may be purchased from the biology department at Wayne State. Tickets for the symphony concerts are available from Dr. O'Leary of Wayne State's music department.

New club officers for 1982 are Sue Schroeder, president; Verdine Johs, vice president; Marci Rohrbeg, secretary; Lanora Soransen, treasurer; Roberta Carman, family life; and Bess Baier, health. Verdine Johs is chairman of the December travel favors project for Providence Medical Center.

Linda Huinker, former County Extension agent, sent a letter of appreciation and best wishes for Wayne County Extension Clubs.

Members are planning to attend the following October Home Extension events: "Communicating With Your Kids" workshop, Wayne State College, Oct. 8; Achievement Day, Winside, Oct. 16; "Potpourri" Homemakers Day, East Campus, UN-L, Oct. 23; District F LAMP Impact Meeting, Laurel, Oct. 24.

Sue Schroeder gave the lesson, "Property Rights of Women."

Roberta Carman is the Oct. 19 hostess and Nancy Elwood will have the lesson on "Women in a Bottle." Assisting her will be the 4-H Alcohol Impact Team.

Upcoming WSC Productions

1981-82 Theatre Season Opens with 'All My Sons'

The 1981-82 theatre season will be a busy one for the Wayne State Theatre Department.

Area-wide audiences will be treated to Arthur Miller's well known play "All My Sons" for the first offering, Oct. 11-13.

Three "One-Acts" will be produced Nov. 21-24. "Death Trap" will be produced Feb. 14-16, and the annual spring children's play will be "The Time Machine," to be presented April 4-8.

THE OPENING drama, "All My Sons," is under the direction of Dr. Helen Russell.

Set designer and technical supervisor for the production is Art Dirks. Chris Hennig will be acting as assistant director/stage manager.

The show will be presented in

Ramsey Theatre in the Fine Arts building on the Wayne State campus. Performances are scheduled for Sunday, Oct. 11, at 2 p.m., and at 8 p.m. on Monday, Oct. 12, and Tuesday, Oct. 13.

"ALL MY SONS" takes place in the post World War II era. As it opens, Joe Keller, an airplane parts manufacturer, is enjoying comfortable suburban family life.

The audience soon learns, however, that his ex-partner is spending his time in prison for knowingly shipping defective cylinder heads from their co-owned factory.

This shipment caused the death of 21 airmen during the war. Joe, too, was charged with the crime, but was exonerated.

JOE'S SON, Larry, was killed during the war, and his other son, Chris, plans to marry Larry's former sweetheart, Ann.

Ann is the daughter of Joe's imprisoned partner.

Joe's wife, Kate, is against the marriage as she wants to believe that Larry is still alive somewhere.

WAYNE LORENZEN plays the part of Joe Keller, with Jeanne Robinson as his wife, Kate.

Corinne George is the lovely Ann, and Tim Gall plays the part of Ann's suitor and Joe's devoted son, Chris.

Dr. Jim Bayless, Keller's neighbor and friend, is played by Jed Friedrichsen, with the doctor's shrewish wife, Sue, portrayed by Susan Buss.

Another neighbor of Keller's is astrology-minded Frank Luby, played by Joe Faulk. Michele Brockmoller is cast as Frank's good-natured wife, Lydia. Joy Hewitt plays the part of a neighborhood child.

GENERAL admission tickets are \$3, and may be purchased in advance by contacting the Wayne State Theatre Department. Tickets also will be available at the door on the day of the performance.

Wayne State students and faculty members will be admitted free of charge with proper identification.

Wayne State Foundation Has Active 20-Year History

While considering plans for the coming year, the Executive Committee of the Wayne State Foundation at its September meeting agreed that high priority will be given in an effort to increase public awareness of the Foundation's work.

The Foundation is completing its 20th year and, in keeping with its established policy of assisting the educational programs at Wayne State, granted scholarships totaling \$21,000 to students at fee-paying time in early September.

Recipients ranged from freshmen to graduate students.

ACCORDING TO a spokesman for the Foundation, the funds for scholarships, student loans and other projects which promote the interests of the college come largely from donations and gifts from individuals.

Such funds are invested by a special committee and interest earned pays for the scholarships granted each year.

Ninety-two percent of all donations are used for student and academic needs at Wayne State.

The Foundation receives no funding from the state.

ON THE AGENDA of the September meeting were plans for the two-day annual meeting of Foundation trustees to be held October 16, beginning with a luncheon and business session.

Hilda Neihardt Petri, Columbia, Mo., president of the Wayne State Foundation, appointed several committees who will prepare reports for presentation to the trustees at the October convention.

Workshop Will Focus on Family Communication

Need some help communicating with your kids? "Even parents of teenagers can still learn how to get in touch with their children, become active listeners and acquire some techniques to communicate with them," says Herbert Lingren, Extension Family Life Specialist for the Nebraska Cooperative Extension Service.

DR. LINGREN will offer a workshop for parents of kids of all ages on Friday, Oct. 9, in the Birch Room of the Student Center on the Wayne State College campus.

The first session will begin at 10 a.m. and run until 3 p.m. with an hour lunch break.

From 7 to 10 p.m. the same evening, the workshop will be repeated.

It is being sponsored by the Wayne County Extension Program and the Wayne County Home Extension Club Council.

PRE-REGISTRATION can be obtained by writing the Extension Office at 510 Pearl St., Cour-

thouse, Wayne, Neb., 68707, or calling 375-3310, before Oct. 1. Cost of the workshop is \$1.

Fathers and mothers are invited to learn how to deal with their feelings in a non-accusative way with less hostility and less anger.

"A family communication program will help those families the most where both adults learn the importance of open communication and establish some basic communication skills," said Dr. Lingren.

Women Honor St. Paul's 100th Year

"St. Paul's 100 Years" was the theme at the general meeting of St. Paul's Lutheran Churchwomen Wednesday afternoon.

Many of the 41 women attending the program were attired in dresses reminiscent of their years as young women in Lutheran Churchwomen.

The Rev. Donver Peterson opened the program with a prayer.

VIRGINIA Backstrom read a

history of St. Paul's Lutheran Churchwomen, written by Ida Meyers, and Joye Magnuson read minutes from a 1928 meeting.

Mary Martinson gave the secretary's report from a 1942 meeting, and Alice Lennart gave a budget report for 1952. Minutes from a 1971 meeting were read by Ruth Fleer.

WOMEN TAKING part in the program, narrated by Dorothy Aurich, were attired in dresses from the period they represented.

Grace Melton sang "The Old Fashioned Meeting," accompanied by Ruth Carter, and Grace and Ruth sang a duet, entitled "The Old Fashioned Faith."

Members recognized for being members of the LCW 40 years or more were Gladys Petersen, Mary Hammer, Minnie Heikes, Anna Grier, Julia Haas, Leona Bahde and Anna Cross.

DURING THE business meeting, officers were accepted for 1982.

They are Marilyn Carhart, president; Grace Melton, vice president; Elaine Draugh, secretary and Susan Varliek, treasurer.

Chairmen include Margaret Luff, faith and hope; Leona Hammer, outreach and fellowship; Julia Haas, Christian action; and Evelyn Thompson, kitchen.

THE EVENING Circle will meet today (Monday) at 7:30 p.m. in the church lounge. Lila

Sprittgerber will have the lesson, and Lillian Surber will serve.

Next meeting of Naomi Circle will be at 2 p.m. Oct. 15 in the Alice Lennart home, with the lesson by Ida Myers.

The Oct. 16 meeting of Esther Circle will be at 2 p.m. in the home of Grace Millie Mary Martinson will give the lesson and Leone Jaeger will serve.

NEXT LCW meeting will be Guest Day on Oct. 28 at 2 p.m.

Mary Juhlin Honored Twice

Mary Juhlin of Laurel was guest of honor at two bridal showers given recently.

Fourteen guests attended a miscellaneous fete Sept. 20 in the Gladys Juhlin home, Battle Creek. Hostesses Linda Nelson of Battle Creek, Pam Minds of Wisner, and Marlene Jacobs of Wynot.

Marlene Jacobs welcomed the guests, who attended from Norfolk, Battle Creek, Wisner, Wynot, Wayne and Laurel.

A MISCELLANEOUS bridal

shower was held at the Laurel United Methodist Church Sept. 17.

Seventy friends and relatives attended from Laurel, Concord, Dixon, Belden, Allen, Wakefield and Wayne. Decorations were in mint green, peach and yellow.

Roberta Lute welcomed the guests and presented the honoree with a corsage. Doris Lipp had scripture and devotions.

Heidi Pehrson, a former Sunday school student of the bride's, played "Through the Eyes of

Love" at the piano. Assisting with gifts were Pam Ekberg and Patty Janssen.

HOSTESSES WERE LaVera Milliken, Lavonna Bowman, Doris Lipp, Phyllis Campbell, Phyllis Thompson, Frances Dickey, Roberta Lute, Ardith Anderson, Suzy Wacker, Barb Kruid, Judy Pehrson, Evelyn Janssen, Carla Erwin, Lynette Joslin, Cleon Thompson and Bernita Suber, all of Laurel.

'Health and Holiday Cooking' Theme for Achievement Day

Dixon County Home Extension Clubs are inviting all homemakers to get in the mood for holiday cooking by attending their annual Achievement Day program to be held at the Fire Hall in Martinsburg on Monday, Oct. 5.

Since "Health Awareness" has been the focus of home economics extension programs in 1981, the Dixon County Clubs have chosen "Your Health and Holiday Cooking" as their theme for Achievement Day.

THE AFTERNOON will begin with a "tasting table luncheon" from noon to 1 p.m., featuring a variety of nutritious holiday foods.

Highlighting the afternoon will be a demonstration talk entitled

"Boning a Turkey" by Helen McMahon, Home Economist with the Nebraska Poultry and Egg Division, Lincoln.

Recognition and installation of Home Extension Council officers and club presidents also will be given.

THE PUBLIC is invited to attend. A \$1 donation will be accepted for the tasting table luncheon.

Hostess clubs for the afternoon will be Hillcrest, Liberty Belles, Merry Homemakers, Three C's, Twilight Line and Wakefield Happy Homemakers.

The planning committee is Mrs. Harold Pansegrau and Mrs. Bob Juhlin, Newcastle; Mrs. Doane Kastning, Ponca; and Anna Marie White, Dixon County Home Extension Agent.

YOU CAN EARN MORE THAN 13% on your money when you buy a home! It's true — homes have gone up an average of 15% per year in the last 5 years! And unlike interest, gains on real estate is deferred and taxed at the capital gains rate. And you can buy a Sunrise Townhouse Condo at last year's prices. But don't wait! Builders and developers must pay interest too, and the prices must go up! Yes, you can actually save by buying now when interest rates are high and construction costs are low. And you own a Sunrise Townhouse just like any home or real estate, except:

1. You save on the purchase price because construction costs are lower.
2. You don't worry about maintenance and insurance.
3. You don't worry about snow and lawn service.
4. The exterior real estate is owned jointly by all owners.
5. You are always a member of the Homeowners association.
6. Condos have a better tax advantage for those that need every deduction you can get.

Each 1180 sq. foot Townhouse has oak cabinets and trim, dishwasher, main floor laundry, private patio, central air, gas heat, a complete energy efficient insulation package, and are situated on the highest hill in Wayne, next to the college and hospital. The Marywood subdivision is a prestigious place to live, and an "easy to sell someday" type of location that will protect your investment for years to come.

So don't put your money in the bank and pay taxes on the interest. You not only defer the tax on real estate appreciation, you only pay at the capital gains rates (about 30% of the regular rate).

Blue Devils Break Losing Streak To Insure Happy Homecoming

It's been a long time since Lonnie Ehrhardt has taken a shower like the one he took Friday night. The same with Don Koenig and Ron Carnes.

Those three Wayne High coaches took showers with their clothes on and couldn't have been happier. The showers were all part of the post-victory celebration planned by the Wayne High football team. The Blue Devils ended a 15-game losing streak by trimming West Husker rival Wisner-Pilger 18-14 in Wayne's homecoming game.

Anyone who may have wandered near the Wayne High lockerroom door Friday night, may have thought that vandals were tearing the place apart.

But, the screaming and banging of lockers was just part of the victory celebration. It had been a long time coming. Most of the team members had suffered through a long winless 1980 season.

THE BLUE DEVILS relied on their ground game and took Wisner's rushing attack away. Wayne rushed the ball 58 times for 248 yards and threw no passes. Meanwhile, Wisner had 27 yards rushing on 31 carries. The Gators made most of their yardage with their passing attack.

Wayne overcame five lost fumbles by grinding out 10 first downs and scoring three touchdowns.

Wisner put the first points on the scoreboard midway through the first quarter. On fourth and four, Les Schroeder passed to Robert Eschilman for a 23 yard TD.

The Blue Devils took the following kickoff and marched 51 yards to score the tying touchdown. Kurt Janke took the ball in on a

four-yard run. The two-point conversion failed.

THE GAME REMAINED tied at 6-6 until the third quarter when Richard Poshlman scored on a four-yard run with 5:40 remaining in the period. The two-point conversion failed with Wayne leading 12-6.

Wisner let the ensuing kickoff roll dead at the one-yard line and was forced to start deep in its own territory. A mishandled pitch-out rolled into the end zone and Eric Brink recovered for a Wayne TD. Again, the point-after attempt failed.

The Gators' Schroeder to Eschilman pass combination struck again, this time resulting in a 36-yard touchdown with 8:58 left in the game. The two-point conversion brought the score to 18-14.

Later in the final period, Terry Gilliland intercepted a pass to end a Wisner drive. The Blue Devils stopped the final scoring threat on downs, took over possession of the ball and ran out the clock.

"IT WAS A REAL hard-fought game. It's a great feeling to win. We came real close twice and the kids played with a lot of enthusiasm," Ehrhardt said.

The second-year coach said that his team's fumbles and penalties were probably the cause of overzealous players. "We played a real good game and it was a total effort," he added. "This breaks the ice and makes things easier this next week. We have a chance for a conference championship and that's a shot in the arm for these kids."

Wayne is scheduled to play at Columbus Lakeview Friday and will then meet another conference foe, West Point CC next week.

Ehrhardt said that his defensive front line "really handled things" and stopped Wisner's rushing game. "Now, we have to really buckle down and get ready this week."

THE WAYNE RUNNING game was well-balanced. Jeff McClight carried the ball 17 times for 86 yards and Janke carried 25 times for 83 yards. Richard Poshlman had 43 yards on 8 carries and Danny Frevert added 23 yards on 3 carries.

Wisner had only two turnovers compared to five for Wayne. However, Brink's recovered fumble gave Wayne a touchdown and Gilliland's interception ended a Gator drive. The Blue Devils had at least four blocked passes. Mark Kubik, Kevin Koenig, Kurt Janke and Todd Schwartz are each credited with one blocked pass.

Leading tacklers were Kubik with two solos and 12 assists, Brink with four solos and nine assists, Dallas Hansen with one solo and 10 assists, Schwartz with two solos and five assists, Mark Bofenkamp with six assists, Koenig with one solo and four assists and Janke with one solo and four assists.

Last Effort Falls Short

Bears Lose Bid for 1st Win

A last second desperation pass fell to the ground securing Emerson Hubbard a 13-6 victory over the Laurel Bears Friday night. The host Bears lost their homecoming bid in the penalty-plagued Lewis & Clark Conference East Division football matchup. For Laurel, it was the season's fourth consecutive loss. Emerson is now 2-2.

After struggling through the first half, the Bears came alive in the second half and put together a rally that nearly ended in a last second touchdown.

A desperation bomb from Dave Marquardt and intended for Phil Martin fell woefully to the ground after being batted around by two Emerson defenders and Martin. Time ran out on the Bears as the ball dropped on the goal line.

"IT WAS A TOUGH one to lose. The kids really worked hard and it was definitely our best game this year," Laurel coach Lynn Schuett said following the game. "The team played hard and I'm proud of them. Our attitudes remain real positive and we'll try to improve."

Emerson won the first half of action hands-down. The visitors scored with 2:15 remaining in the first quarter when Dean Fischer ran the ball in from two yards out. The PAT gave the Pirates a 7-0 advantage. Hampered by a weak offensive line, the Bears had trouble generating any offense. At times, Emerson found running room right up the middle but at other times Laurel's defense buckled down.

A quarterback sneak by Robert Utemark from the one-yard line gave the Pirates their second TD with 1:51 in the first half. Emerson faked the kick and went for two points but failed.

COACH SCHUETT made some adjustments during half-time and his team came out ready to play defensively. The Bears switched from a four-man line to five men to slow down Emerson's inside game. Laurel received the kickoff at its own

27 yard line. A pass interference call and a completed pass from Dave Marquardt to Phil Martin moved the ball down field.

A holding penalty moved the Bears back but on third down and 20, Marquardt hit Martin at the Emerson 45. On fourth and a long one, Marquardt kept the ball to pick up the first down. Another pass from Marquardt to Martin moved the ball down to the Emerson 18.

THE HOSTS HAD an excellent scoring opportunity but failed to complete a pass and Emerson took over on downs.

The Pirates ran into an epidemic of penalties including holding and ineligible receiver down field. Facing third down and 54 yards to go from the Emerson 25, Emerson went to the air in hopes of picking up a big play.

Tim Bloom stepped in front of an Emerson receiver, intercepted a pass and returned it several yards to the Pirate 37. However, the Bears turned the ball back over on downs when a fourth and 10 pass was one yard short of a first down.

Laurel received another big break when Mike Jones recovered a fumble at the Pirate 47. An unsportsmanlike conduct call on the next play moved the ball to the 26. Shane Heydon caught a pass for a first down and the Bears got another break when Emerson was called for interference at the 10 yard line.

WITH 1:45 remaining in the game, Marquardt threaded a pass to Martin for Laurel's first touchdown of the game and second of the season. The PAT was blocked and Emerson led 13-6.

An on-side kick attempt failed and the Pirates took over the ball at their own 41. A solid defensive stand shutdown Emerson's offense on a fourth and one situation.

The Bears regained possession with 21 seconds remaining. A desperation pass was batted around by three defenders and finally intercepted. However, a pass in

interference penalty was called against Emerson.

With six seconds left, Laurel was granted one final opportunity. Emerson dropped back into multiple coverage on the play and the pass from Marquardt couldn't be controlled by Martin.

THE BEARS RELIED on their passing at lack in the second half. Marquardt completed 7 of 19 passes for 73 yards. Martin had 6 receptions for 67 yards and Heydon made the other catch.

Tim Bloom and Marquardt each intercepted one pass. Emerson was led by Fischer with 22 carries for 115 yards. The winners were called for 14 fouls for 125 yards and the Bears were flagged for 9 penalties for 56 yards.

Leading defensive players were Martin with 18 tackles, Tim Bloom with 12, Shane Heydon with 10, Dave Marquardt with 9 and Dennis Martinson with 8.

Entering the game with Emerson, two Laurel players ranked among the leaders in Lewis & Clark Conference statistics categories. Bloom was second leading kickoff returner with an average of 16.8 yards per return. Heydon ranked fourth in punting with an average of 35.4 yards per punt.

The Bears will face undefeated Wakefield Friday in the Trojans' homecoming game. Next action will follow at Hartington next Friday.

Ponca Shows No Mercy After Last Week's Loss

Playing the Ponca Indians a week after they lose is like walking the plank. That was the unfortunate fate of Allen's football team Friday night. The Eagles met Ponca in Allen territory one week after the explosive Indians lost to Wakefield. Ponca had no trouble pulling away from Allen for a 44-0 shutout.

Statistics don't tell the true score of the contest. The Eagles gave up 120 rushing yards and 110 yards through the air. Meanwhile, Allen had 101 yards rushing and 43 passing.

PONCA SCORED 14 points in the first quarter and kept its offensive attack going strong through the third period.

Allen's Dan Nice scored on a 54-yard touchdown pass in the fourth quarter only to have the play called back due to a penalty.

Bruce Malcolm carried the ball 20 times for 60 yards to lead the offensive effort. He also played well at the defensive end position.

"We had a real good first quarter but fell apart in the second quarter," Allen coach Don Lofe said.

Robb Linafelter and Shawn Mahler threw all of Allen's passes and had three completions in eight attempts. Jody Mahler made one catch for 30 yards, Troy Harder had another reception for 11 yards and Deven Nice made the other catch.

DEFENSIVELY, Allen was led by Jeff Chase and Deven Nice with six unassisted tackles and one assist each. Brian Hansen had a pass interception.

Ponca had only nine first downs but broke a touchdown on a punt return and added other points on breakaway plays. Four Eagle turnovers hurt Allen's hopes.

The Eagles are scheduled to host Bancroft Friday in a Lewis & Clark Conference matchup. Both teams have struggled early this year.

Winside Runs To Victory over Wausa

An awesome ground game and a fine fourth quarter performance paced the Winside Wildcats to a 26-8 triumph over Wausa Friday on the Cats' home field. The win evened Winside's record at 2-2.

The hosts racked up 361 yards rushing and added another 40 yards through the air. Two running backs finished well above the 100 yard mark.

Winside coach Dennis Gonnerman had nothing but praise for his offensive line. "The offensive linemen did a super job. They made truck-size holes for the running backs and Wausa isn't that bad," Gonnerman said.

THE GAME was tied 8-8 going into the fourth quarter but Winside rallied for three touchdowns in the final period to pull away.

Sophomore John Hawkins carried the ball 23 times for 198 yards to lead the running attack. Mark Koch had 141 yards on 13 carries to complement Hawkins' performance. Brian Bowers added 41 yards on 8 carries.

Hawkins, who entered the game with an average of 61 yards rushing per game and 3.7 yards per carry, put on a fine individual show. In addition to his 198-yard rushing performance, he scored three touchdowns and added a two-point conversion. He caught two passes for 17 yards, recovered a fumble and intercepted a pass.

Wausa, which came into the game leading the Lewis & Clark Conference in passing, was held below its average. All-conference

quarterback Ned Blankenship completed 14 of 29 passes for 119 yards.

Prior to the Winside game he had completed 56.8 percent of his passes for an average of 148 yards a game and had only been intercepted twice. He had two passes picked off by the Wildcats.

WINSIDE PUT the first points on the scoreboard when Hawkins scored on a touchdown run in the first quarter. He added the two-point conversion for an 8-0 edge.

The Wildcat led held up until late in the third period when Wausa scored on a 20-yard pass from Blankenship to Jeff Nelson. The two-point conversion knotted the game at 8-8.

The Wildcats came right back with a touchdown on their next possession and added two more TD's in the fourth quarter to break open the tight battle. Hawkins' touchdowns came on runs of 30 yards, 13 yards and 44 yards. Mark Koch scored the other TD on a 63-yard run.

In addition to Hawkins' interception and fumble recovery, Winside added two other takeaways when Jon Meierhenry picked off a pass and Mark Koch recovered another fumble.

THE SUCCESSFUL rushing attack was complemented by a passing game which accounted for 40 yards. Meierhenry completed 3 of 5 passes for 35 yards and Mark Koch completed his only pass for 9 yards. Doug

Jaeger had two receptions for 23 yards and Hawkins had two for 17 yards.

"It was a pretty light game but we got a little breathing room in the fourth quarter. I'm happy the way this team came back," Gonnerman said. "We played a good game and made some hard hits. We contained their passing attack and played good foot ball against a good team."

Gonnerman praised Hawkins and Koch and his offensive line. "Hawkins ran like he's capable. He ran hard and ran over people. He had a good all-around game."

The offensive line which impressed Gonnerman by ripping "king sized holes" in the defense consisted of Jim Krajicek, Kent Glassmeyer, Barry Bowers, Kyle Miller, Danny Broekemeier, Tom Wills and Doug Jaeger.

LEADING TACKLERS were Krajicek with 10 solos and 1 assist and Barry Bowers with 8 unassisted tackles and 1 assist

Undefeated Trojans Shutdown Challenge

A slim 21-14 win was far from picturesque but it was a victory and the Wakefield Trojans had to be satisfied in that regard as they trimmed Hartington, Friday night.

The win improved Wakefield's record to 4-0 and dropped Hartington to 0-4.

"For a 0-4 team, Hartington played awfully tough and we didn't play like a 4-0 team. We didn't look sharp," Wakefield coach Dennis Wilbur said. "It was a hard-fought game and it was very, very close."

DESPITE ITS LACKLUSTER performance, Wakefield escaped with a one-touchdown victory. The Trojans had their bright spots but also had some weak spots.

The hosts took the lead in the first quarter on a 36-yard touchdown pass from Mark Starzl to Rod Nixon. Nixon kicked the PAT for a 7-0 advantage.

Late in the second quarter, Starzl again found Nixon, this time on an 11-yard TD pass. Nixon's PAT brought the score to 14-0. Hartington scored on the final series of the first half as Paul Heggart passed to Mike Watz from 23 yards out. The two-point conversion attempt failed.

The eight-point lead soon turned into 15 points on a long breakaway play in the third period. Starzl gained several yards when defenders got hold of the quarterback. Trap-ped and nearly tackled, he pitched out to Jerry Roberts and Roberts took off to complete a 70-yard touchdown run. Nixon ended the PAT.

WAKEFIELD HAD 154 yards rushing on 29 carries. Roberts was the leading ground gainer with 12 carries for 82 yards. He entered the game with an average of 66 yards per game. Mike Clay carried 10 times for 45 yards and Starzl carried 8 times for 27 yards.

The Trojans, who entered the game leading the Lewis & Clark Conference with fewest turnovers (five), lost one fumble and two pass interceptions.

The East Division leaders had given up only 12 points in three games before allowing Hartington to score 14. They also ranked

second in pass defense (33 yards) and third in total defense (129.3 yards) in the conference.

Starzl completed 6 of 14 passes for 65 yards. Rod Nixon had two receptions for 64 yards and two TD's. Vaughn Nixon also had three catches for 39 yards and made a diving catch late in the game for a key first down.

Interceptions were made by Roger Echtenkamp and Rod Nixon. Echtenkamp, who Wilbur tabs "a potential all-state candidate" made two unassisted tackles and 14 assists. Nixon had five tackles. Dale Gray had Wakefield's only fumble recovery.

OTHER LEADING tacklers were Starzl with four solos and seven assists, Clay with five unassisted tackles and one assist, Doug Verplank with seven tackles, Dirk Carlson with four solos and three assists, Jerry Roberts with four unassisted and two assisted tackles and Duane Witt with four

tackles.

Wilbur said his team needs to improve its penetration and improve its pass rush. The injury report shows that Jeff Coble suffered cracked ribs in last week's game and Wayne Guy is expected to undergo knee surgery this week.

The Trojans are scheduled to host Laurel Friday in Wakefield's homecoming game.

Young Wayne Runners Demonstrate Potential

The freshmen and sophomore runners on the Wayne High cross country team had a chance to test their skills against other underclassmen and proved their abilities at the Crofton Invitational, Friday.

With only one upperclassman on the team, Wayne coach Harold Maciejewski entered six runners in the freshman-sophomore division of the Crofton meet.

No team scores were kept but Wayne would have been the winning team. Five medals were given and the Blue Devils won two. Chris Hillier finished third with a time of 12:27, just three seconds behind the winner.

Blaize Johs earned the fifth place medal with a time of 12:47. Pete March placed ninth in 13:12. Gregg Elliott took 13th in

13:34. David Reimer finished 19th in 13:56 and David Maiton was 21st in 14:13.

A total of 30 runners competed in the underclassman's division.

Wayne entered one upperclassman in the varsity division. Glenn Elliott finished 41st in a time of 14:47. The varsity meet, which was won by Wayne last year, was won by South-Stoux-City with 21 points. Fort Calhoun placed second.

Maciejewski was pleased with the performances of his runners and said that in a couple of years, the team could be strong. The Blue Devils have scheduled a triangular between Wayne, Wisner-Pilger and Hartington CC at the Wayne County Club course. Thursday competition should begin at approximately 8:30.

Wildcats are Winners

Things look brighter for the Winside volleyball team after its victory Thursday. The Wildcats defeated Stanton 15-8, 15-8 in varsity action.

Lisa Jensen served 10 straight points in the first set and finished with 14 points to lead the winners. Jensen served with 100 percent accuracy in 16 attempts. Judy Bauermeister and Cheryl Tillema each had six service points.

Winside was led at the net by Joni Jaeger and Darla Janke with six ace spikes apiece.

Coach Paul Sok was pleased with his team's outing. "The team keeps improving all the time. We had an outstanding night of setting and spiking against Stanton," said Sok. "Our offense and defense complemented each other well. It was a total team effort. Things are looking up. We have a lot of season left."

In the B game, Winside came out on top 15-13, 15-13. Missy Jensen led the winners with 11 points. Stanton won the C game 15-4, 15-11. Leah Jensen scored seven points to lead Winside. Sok said that Stanton had an excellent freshman who hindered the Wildcats' hopes.

Next action is scheduled Friday at Coleridge in a volleyball-football doubleheader. The volleyball match is scheduled at 6 p.m.

Edged by Wausa

A tough Wausa squad edged Winside in a three-setter on Tuesday. Wausa won the match 15-6, 8-15, 15-14.

Lisa Jensen led the locals with 16 points. Patti Langenberg scored 10 service points. Leading spikers were Darla Janke with seven ace spikes and Joni Jaeger with six.

Wausa won the B game 15-1, 15-2 and the C game 11-5, 11-3. Missy Jensen scored five points for Winside's B team.

"We lost the third set in a close finish. Wausa has a real tough team but we stuck with them until the end," Sok said.

WSC Splits Matches

A steadily improving Wayne State College volleyball team earned a split in its home opener Wednesday. Losing to a tough College of St. Mary's squad and downing Morningside.

Coach Bernice Fulton's spikers, now 3-6-3 on the season, faced their Central States Intercollegiate Conference (CSIC) opponents over the weekend, with matches against Kearney State, Pittsburg State and Emporia State at Kearney.

On Wednesday, they travel to Fremont to challenge Midland, Peru State and Northwestern Iowa, with competition beginning at 6 p.m.

A powerful College of St. Mary's team was almost upset at the hands of the young Lady Wildcats on Wednesday. The St. Mary's Flames battled to a 15-10 win in the opening game, but were trounced 15-4 in the second game. Wayne State charged to a 14-10 lead in the third and deciding game before succumbing to a furious Flames rally that resulted in a 16-14 win for the visitors. The victory capped CSM to 11-1 on the year.

Morningside gave the Lady Cats a close battle before falling in straight sets, 15-10 and 15-13. The loss dropped the Sioux City school to 7-5 after it suffered 15-13 and 15-7 setbacks to St. Mary's in the evening opener.

Ann Montag, a sophomore spiker from David City, came off the bench to lead the Cats with 17 points and 15 downed spikes. Linda Pichal, the lone senior starter for WSC, notched 14 points and 23 assists. Freshman Beth Erickson added 13 points, 10 downed spikes and 19 assists, while junior Annette Reiman had 11 points, 13 downed spikes and 19 assists.

The Lady Wildcats next see home action on Wednesday, Oct. 7 when they host CSIC for Missouri, Western for two matches.

Wisner Downs Devils

It was a long night for the Wayne Blue Devils as West Husker rival Wisner Pilger evened Wayne's record at 4-4 with a 15-6, 15-11 victory over the Devils Thursday in Wisner.

Deb Prenger and Mandy Peterson were leading servers with four points each. Missy Stoltenberg was the leader at the net with 10 spikes including two aces. Sandy Utecht had six spikes with three aces.

The Blue Devils are idle this week. A match originally scheduled against Emerson Hubbard had been cancelled earlier this year.

In reserve action Thursday, Wisner dropped Wayne 15-6, 15-8. Kim Weander scored five points to lead the effort and Shelley Emry had an all-around good game for the Devils.

Wayne's freshmen also lost to Wisner. The host team came out on top 15-1, 15-17, 15-8. Katelyn Frevert was leading server with nine points. Next action is scheduled Oct. 5-6 in the Sioux City Tournament.

Trojans Gain Triumph

Looking much-improved from their last outing, the Wakefield Trojans got back on the winning trail Thursday night with a 15-6, 15-7 win over West Point.

Several girls played an important role in various areas of the winning effort. Leading servers were Trudy Hansen with 12 of 17 serves with two aces, Rita Wilson with 10 of 10 serves and three aces and Lana Erb with six of seven serves for three aces.

At the net, Wilson had three spikes in six attempts with two aces and Renee Wenstrand was four for five with one ace.

Leading setters were Susan Baker who was 10-for-10 with three sets for aces and Trudy Hansen with six good sets in six attempts and one for an ace. Coach Mary Schroeder said Teresa Biggerstaff had an "exceptional performance defensively."

"The girls looked much better and played better together. They moved and anticipated better than they have in the past," Schroeder said. "We were fired up for the game this time and gained confidence after we got the lead. The girls have a lot more self confidence now."

Next action for the Trojans is scheduled at Wynot Thursday and Schroeder says her team will be ready.

Wakefield won the B match 15-7, 15-12. Carl Johnson was the top hitter with 10 of 12 spikes and five aces. Christy Hingst had nine good sets in nine attempts including two for aces.

Brenda Jones was leading server with 18 good serves in 18 attempts. She scored the first 10 points of the first game. Kris Puls was right behind with eight good serves in nine attempts and two aces. She also had 11 of 13 good sets for six aces.

In the C match, the Trojans rallied to win 6-15, 13-10, 15-13. Roni Starzl was the team leader with nine points.

Bears Win Two-Setter

A Thursday night victory was just what the Laurel volleyball team needed to regain its momentum. The Bears defeated Coleridge in a two-set match 15-9, 15-11 to improve its record to 3-5.

Leading servers were Renee Gadekan and Kim Sherry with nine and eight points respectively. Anne Schultz led the team with seven ace spikes and Carol Osborne made 12 good sets in 12 attempts.

"Our line up changes paid off as all parts of our game fell into place," coach Dwight Iverson said. "We did everything pretty well and I was pleased."

Laurel fell behind early in both games but banded down and came through to rule the match. The clutch serving of Kim Sherry resulted in five ace serves in the last set.

Laurel won the B game 11-9, 7-11, 11-3 to improve its record to 4-0. Carol Osborne and Sandy McCorkindale scored eight points each for the winners. According to Laurel's rallying system, Janet Cunningham rated highest in all-around play.

The C game also was won by the hosts 12-10, 8-11, 11-6. Iverson said he feels this may be his best freshman team ever.

Leading scorers were Wendy Robson, Chris Lemon and Danine Rohde with six points apiece. Lori Lindsay had a good floor game and received a high mark in the individual ratings.

Next action for the Laurel team is scheduled Tuesday at Osmond.

Allen Gets Easy Win

Thursday's volleyball match between Winnebago and Allen turned out to be a warmup match for the Eagles who begin tournament play tonight (Monday) in the Newcastle Tourney.

The hosts had little trouble turning back Winnebago in two sets 15-4, 15-9. Allen coach Gary Troth said the match went about as expected with his team's experience coming through.

Winnebago served well in the match but Allen's balance over shadowed the visitors' strengths. In the first set, Carmin Lubbers scored nine service points. Des Williams scored six service points in the second set. Janet Peterson led the team in spiking with nine ace spikes and Loree Rasled had a good overall performance.

"We played good ball and our setters did a good job," Troth said.

The Eagles open tournament play tonight (Monday) at 9:30 against the Wynot-Walthill first round winner. Six teams are competing in the Newcastle Tournament and Allen received a first round bye. Other teams in the tourney are Homer, Ponca and Newcastle. Play will continue tomorrow (Tuesday).

In B team action Thursday, Allen was defeated 7-15, 9-15. The Eagles won the C team game 11-3, 11-4. Jeanne Warner and Shelley Boyle were team leaders.

Frosh Devil Machine Steamrolls Schuyler

The Wayne freshman football team kept its perfect record intact and continued to roll up the yardage and points as the Blue Devils flattened Schuyler 42-0, Thursday in Wayne.

The hosts scored six touchdowns against a team that was expected to be one of their more formidable opponents this season.

"The kids played real well. We didn't punt once and turned the ball over only once on downs," Wayne coach Duane Blomkamp said. "Schuyler started strong but our kids hit hard and played real well."

STEVE OVERIN drives for a touchdown.

THE DEVILS scored two touchdowns in the first quarter and two more in the third as they rallied to the win. Quarterback Steve Overin scored three touchdowns and passed for another.

The first touchdown was scored on a 27-yard pass from Overin to Kevin Maly in the first quarter. Maly scored the two-point conversion. Overin added the other first quarter TD on an eight-yard run. Chris Wieseler ran in the two-point conversion.

In the second period, Overin scored on a six-yard run. He then passed to Pete Warne for the two-point conversion.

The second half started off with an explosion as Overin scrambled 65 yards for a TD. The two-point conversion attempt failed. Wayne's lead was increased to 36 points when Maly ran 11 yards for a touchdown. The extra point attempt again failed.

was stopped.

The Blue Devils racked up 285 yards rushing and 87 yards passing. Overin carried eight times for 121 yards. Dorcy carried three times for 54 yards. Brad Moore had 37 yards on nine carries, Wieseler carried six times for 33 yards, Maly had seven carries for 27 yards and Terry Schultz had one carry for three yards.

Overin hit five of six passes for 75 yards and Moore completed one of two attempts for 12 yards. Pete Warne had three recep-

tions for 22 yards. Maly had one for 27. Rod Luff had one for 26 and Darrin Barner had one for 18.

Wieseler and Luff each recovered one fumble and reserve backs Lance DeWald and Terry Schultz each intercepted one pass. Blomkamp said he was pleased with their performances.

Next action is scheduled Oct. 8 when Wayne hosts Emerson-Hubbard.

Players of Week

Last Saturday's 51-21 football victory by Wayne State College over Midland earned a pair of Wildcats "Players of the Week" honors.

Senior quarterback Kelly Neustrom and sophomore safety Ken Kohlhof, both natives of Moline, Iowa, were named NAIA District 11 "Players of the Week" for their effort against Midland. Neustrom also earned co-offensive "Player of the Week" honors from the Central States Intercollegiate Conference (CSIC). Neustrom fired 18 completions in 29 passes for 289 yards and three touchdowns, and added a score on a nine-yard run before giving way to backup Mike Warren in the fourth period. Kohlhof logged 14 tackles, a fumble recovery, and two pass interceptions, one returned 23 yards for a touchdown.

No Wayne Staters appear in this week's national stats, but several rank high in NAIA District 11 and in the CSIC—Neustrom is the top passer in both the district and the conference, averaging 187 yards per game. The Wildcats are the top passing team in the district and the conference with a 207.5 yard average.

Senior wingback and kicker Pat Maxwell is second in District 11 and third in the CSIC in pass receiving, averaging 5.5 catches for 86.0 yards each game. Maxwell is fourth in scoring in the CSIC (11 points per game), and he rates fifth in the district and seventh in the conference in punting with a 36.6 yard average.

As a team, WSC is second in the CSIC in total offense, grinding out 342.5 yards per game. The Cats are fourth in the district and seventh in the conference in rushing (135 yard average). Defensively, WSC is second in both the district and the conference in pass defense, allowing just 94 yards each game, but fourth in District 11 and seventh in the CSIC against the rush (4187 yards allowed).

Bus Chartered for O'Neill Game

Wayne High football fans who would like to attend the Wayne-O'Neill football game scheduled Thursday, Oct. 29 but feel it is too far to drive may have a solution.

Tentative plans call for a chartered bus to O'Neill for the game. Details have to be worked out yet and will be printed later when arrangements are made. For more information contact Rita Sperry.

Women's Golf Banquet Held

The women's golf season at Wayne CC came to a close at the same time as summer with the annual awards banquet held Tuesday.

Newly elected board members for the coming year were announced by Women's Board president Sheryl Marra. They are Audrey Wiseman, Sandy Lyman, Nancy Warnemunde, Irma Hings, Marilyn Pierson.

Golf awards were presented by Marilyn Carhart and Vicki Pick to the following A players: Char Bolin, First; Marion Evans, second; Dee Stollenberg, third. B players—Irma Powley, first; Vicki Pick, second; Elizabeth Griess, third. C players—Marilyn Pierson, first; Norma Janke, second; Dorothy Troutman, third. D players—Minnie Rice, first; Beryl Harvey, second; Shirley Fredrickson, Lil Suhr, tie for third.

There were 23 golfers with perfect attendance and three new members in the 40s at least one time. New members in the club were Jill Perry, Des Williams and Nancy Warnemunde.

Muriel Ingalls, the bridge chairman presented bridge awards to the following women: 1st Emma Willers, 2nd Florence Koplin, 3rd Norma Janke, 4th Ella Baier, 5th—Glady's Roberts, 6th Dorothy Troutman. There was an average of 36 players each week.

Notes from Second Guessers

Four Wayne State Collegiate athletes were awarded athlete of the week certificates at Thursday's Second Guessers meeting.

Annette Reiman and Beth Erickson were selected by coach Bernice Fulton as volleyball players of the week. Kelly Neustrom and Ken Kohlhof were chosen by coach Ed Stollenberg as football players of the week.

Stollenberg reported that freshman punting back Bob Norris is still recovering from a shoulder injury. Wayne State information coordinator Kent Probst informed the Guessers that Kearney State, Fort Hays and Missouri Western are ranked 13th, 17th and 18th respectively in the NAIA football ratings.

Senior Citizen Swimming, Bowling

Anyone who is at least 55 years of age and interested in swimming on Tuesdays and Thursdays with the senior citizens at Wayne State College should call Jocell Bull at 375-1460.

Swimming is free of charge to senior citizens in Wayne and the surrounding area. Bowling is another item of concern. A women's bowling team will be formed at 1 p.m. tomorrow (Tuesday) and all women in the Wayne area are invited to attend. Melodee Lanes will furnish bowling balls and shoes at no charge. The cost of senior bowling is \$2 for three lines or 75 cents a line.

Blue Devil JV Stopped 1 TD Short

Pierce scored three touchdowns in the first half and held off a late attack to trim Wayne's junior varsity football team 28-20 Monday in Pierce.

The Blue Devils were inside Pierce's five yard line twice but failed to capitalize. On one occasion Pierce took the ball all the way for a touchdown.

Wayne outscored Pierce 14-7 in the second half. We had a very good second half. Wayne coach Ron Carnes said.

Kevin Koenig was Wayne's leading rusher. Kurt Janke, Bill Liska, Gerald Mond and Terry Gilliland played well defensively for the Devils. Touchdowns were scored by Koenig, Shaun Niemann and Danny Frevert.

Next action is scheduled today (Monday) on the home field against Harrington CC.

STAR OF THE WEEK

Unlike the previous two "stars of the week", this week's selection was chosen primarily for his offensive performance. This week's recipient of the award is a member of the only winning high school team in The Wayne Herald area.
 Jerry Roberts, a senior halfback for the Wakefield Trojans, led his team to victory Friday over highly regarded Ponca.
 Roberts carried the ball 17 times for 116 yards. He scored one touchdown on a 70 yard run. The athlete also played on the Trojan defensive unit.
 Other nominations: Dave Marquardt of Laurel, Mark Koch of Winside, Jeff Chase of Allen, Jeff McCright of Wayne.

CONTEST RULES
 One football game has been placed in each of the 20 ads on this page. Indicate the winner by writing in the name of the winning team on the proper line on the entry blank. No scores. Just pick the winners, or ties. In case of tie, write "tie." Use the entry blank below or a copy of equal size.
 Pick the score of the "Game of the Week" and enter that score in the appropriate blanks. The correct closest score will be used to break ties; and will be used only in the case of ties.
 One entry only to each contestant, but members of a family may each submit an entry. Entries should be brought or mailed to The Wayne Herald office not later than 5 p.m. Thursday, or if mailed, should not be postmarked later than 5 p.m. Thursday. You need not be a subscriber of the Herald to be eligible for prizes.
 The Winners will be announced weekly on the Thursday sports page of The Wayne Herald. There will be duplicate prizes awarded if winning scores are identical. Employees of the Herald and their immediate families are ineligible. Judges' decisions will be final in every case.

WSC Staffer on State Board

Allen O'Donnell, associate professor of political science at Wayne State College has been named to the board of the Nebraska Committee for the Humanities (NCH). O'Donnell, who previously served as a Regional Humanist for the NCH, will begin serving in January. The Nebraska Committee for the Humanities attempts to determine public humanities for the state, according to NCH Chairperson Charlene Miller. O'Donnell, author of "Towards the Primitive Terror," ran for U.S. Congress in 1978 and serves as chairman of the Faculty senate at Wayne State College as well as the Director of the WSC Public Affairs Institute.

Audubon Film Wednesday

Mountain Magic, the first of a series of audubon films, will be shown on Wednesday in Ramsey Theatre at Wayne State College at 8 p.m. Walter Berlet, producer of the film, will be present as narrator for the film program. Single tickets can be purchased the night of the show for \$2.50 for adults and \$1.50 for students.

OPENING DATE for the Pender branch office of the Norfolk Federal Savings and Loan Association has tentatively been set for Oct. 1, according to Steve Wohleb, branch manager.

BID LETTING for the Wisner Public School's proposed 6,500 square foot fine arts addition has been set for Thursday Oct. 15. School board members moved earlier to go ahead with the project providing the total cost does not exceed \$450,000. The Wisner Improvement Corporation has offered the school district up to \$225,000 in matching funds for construction of the facility.

A 27 YEAR OLD former Wisner resident wanted for armed robbery and felonious assault in Omaha was arrested by law enforcement officials as he rode a motorcycle through Wisner on U.S. 275 Friday afternoon, Sept. 18. Arraignment was scheduled last Monday for Lester D. Ferris of Omaha charged with two counts of robbery and use of a weapon in the commission of a felony and one count of felonious assault. The charges stem from an early morning incident Sept. 18 in which two Omaha convenience stores were robbed.

A BANCROFT 4 H'er was named Ak Sar Ben 4 H Dairy Queen Sept. 18. Seventeen year old Alice Ann Guenther, daughter of Mr. and Mrs. Ken Guenther, bested two other finalists among the field of district dairy queens from Iowa and Nebraska.

KENT CROSGROVE and Fran Davey were crowned 1981 Ponca Homecoming King and Queen during coronation ceremonies Sept. 17.

THE ANNUAL Plainview Farmers' Night was again termed a success last week. Receiving the Outstanding Farm Woman award was Mrs. Albert Friedrich, and recipient of the Outstanding Young Farmer award was Kent Lingenteller. Receiving the Distinguished Service award was the Plainview Development Corporation, and named Boss of the Year was Brad

Alderman, manager owner of Alderman's Variety Store.

CEDAR COUNTY Attorney Mark Behm said he will delay court action against persons involved in the Grace Christian Academy at Hartington. Behm said his plans to file charges to attempt to close the school have not changed, but that he will probably delay any action until after Oct. 5. Behm said the U.S. Supreme Court is scheduled to announce whether or not it will hear an appeal from a similar school in Louisville, Neb., which was closed by the courts.

Street Artist Exhibit Opening

New York street artist Myron Heise will present an exhibition of his works in the Nordstrand Visual Arts Gallery in the Val Peterson Fine Arts Center on the Wayne State College campus Sept. 28 through Oct. 16. Heise, a native of Bancroft, began his art training at the University of Nebraska-Omaha, and has since studied at the Academy of Fine Arts in Florence, Italy, the Art Students League in New York City, and the Pratt Center of Contemporary Printmaking, also in New York City.

He has had a number of shows with the group of New York artists who call themselves street painters, and his work has been reviewed in publications such as "American Art Review" and "Arts Magazine." Heise's paintings show the city of New York as it is by night. A reception for Heise will be held in the Nordstrand Visual Arts Gallery from 7 to 8 p.m. Monday while on the Wayne State campus Monday, he will conduct a workshop from 10 a.m. to 4 p.m. for area high school art teachers.

Birthday

(Continued from page 1)

THE CELEBRATION will include a model-airplane building contest for youngsters, according to Barnes. He said area youngsters will be competing in two classes — balsam and plastic models. The winners in each class will receive an expense-paid flight to the Sioux City airport.

There, the youngsters will be given a tour of the control tower. The model-airplane contest entries will be on display throughout the day Saturday. The fly-in, drive-in breakfast, which is open to the public, will be cooked and served by members of several civic organizations, according to Barnes.

THE MILTON G. Waldbaum Co. of Wakefield will furnish the eggs and cookers for the three-hour omelet breakfast. Barnes said the day long observance is being held to point out that the airport is not just for a few but is a vital link to the growth of the community.

He said no one is certain of the actual date the prairie grass field east of town along State Highway 35 was first officially designated as an airport.

However he said, the grass strip was first used for airplane landings in 1978. Bressler allowed

pilots to take off and land on the grassland, he said.

HISTORICAL records show that Guy Strickland was one of the first pilots to bring an airplane to Wayne. He landed on the Bressler property. Strickland was killed in an air crash about six months after coming to Wayne, but photographs of the pilot and his plane were taken while he was in the area. They will be part of the airport history display. Barnes said.

According to Barnes, Stanley Fuller, who now lives in Phoenix, Ariz., has been called the first owner operator of the Wayne Municipal Airport. He came to Wayne from Spirit Lake, Iowa.

HE WAS IN charge of the Army Air Corps training program and had about a dozen instructors, including Dutch Fuelberth, Barnes said.

Fuelberth later became the owner operator. He was owner operator from 1946 to 1951. In the late 1940s, Fuelberth, Russell Bartel and Clarence Sorenson once applied for an air mail route, but failed to get it.

For a short time, Fuelberth delivered copies of the Sunday World Herald to area farmers for 25 cents a throw. According to Barnes, Fuelberth would fly over the farm houses, and toss the paper out on the go.

DON AND BETTY Johnson managed the airport until 1974. The couple, now in Sidney, sent along a scrapbook of airport pictures from the 1940s through the 1960s. They also will be on display.

Don Johnson logged over 10,000 hours of flight instruction during his stint at the airport. He managed the shop, had a charter business and farmed 90 acres near the runways, which the airport authority leases today.

Betty Johnson was one of the students who helped her husband log the flight instruction time. She took her first solo flight at the airport after training with her husband.

He also taught the couple's children — Dale, Dave, Donna and Danny — to fly during his years at Wayne.

AL ROBINSON, who recently left the airport management to return to his hometown of Theford, took over from the Johnsons, according to Barnes. In addition to managing the airport, Robinson owned Al's Flying Service, a charter business, and was a flight instructor.

Current owner managers, Al and Tess Allen bought the charter service from Robinson in June. They moved from Missouri to Wayne and were joined by their son, Mark. The Allen trio also offer charter service and flight instruction.

Pioneer Field Day near Concord

A FIELD DAY for Pioneer Seed was held Sunday at the Arnold Witte farm, two miles east of Concord. Hundreds of area farmers and seed salesmen were on hand for the field day which included a tour through Witte's hand-planted test strip of corn, soy beans, milo and sorghum as well as a catored meal. Witte (above

photo) explains various varieties of corn to interested farmers on one of his many tours held throughout the day. In the background is Witte's farmstead and numerous parked cars of people who attended the field day.

Don't Let 'Em Get Away!

We spend millions of dollars to educate and train our community's young people...the finest "crop" of all we produce.

Then we watch them steal away to other cities, other states, where they believe opportunities are greater.

Why can't WE, right here at home, offer them the career futures they seek in distant places? Why not try to keep our home-raised talent at home?

Our stores, factories and service firms could offer lots more job opportunities if they did more business. They'd HAVE more business quickly, if we would quit buying items and services out of town.

Shopping here at home is the best insurance we have to keep our local businesses strong and growing...to provide brighter futures for our precious young people.

WAYNE COUNTY BOARD OF EQUALIZATION
Wayne, Nebraska
September 15, 1981

The Wayne County Board of Equalization met for adjournment for the purpose of setting the tax rates for 1981. All members, Merlin Betermann, Chairman; Kenneth Eddie and Jerry Pappas, members; and Orretta C. Morris, County Clerk, were present.

Receipt of the valuation of Wayne County for 1981 as determined by the State Board of Equalization was reported as \$220,404,715.00. There was presented to the Board by the Finance Committee of said Board a detailed valuation and tax levy document.

WHEREAS, the final action of the State Board of Equalization and Assessment of the State of Nebraska for the current tax assessment year of 1981 has been taken and certified and reviewed by the County Clerk of Wayne County, Nebraska, as provided by law and Chapter 204 and Governmental subdivisions of Wayne County, Nebraska, has each determined and certified their respective financial and tax requirements for said year, as provided by law; and the County Board of Wayne County, Nebraska has also determined the budget, financial and tax requirements of said County for said year, as provided by law; and

WHEREAS, all prior proceedings provided by law pertaining to the assessment and valuation of Wayne County, Nebraska, as follows: and the Finance Committee of said County Board has heretofore reduced the various financial and tax requirements and respective tax levies of said County and said Chapter 204 and Governmental subdivisions thereof of specific and detailed assessment tax levy document and report thereon, which document and report heretofore has been presented to the County Board of Equalization and which document and report is hereby referred to by this reference as though fully copied and set forth herein; and

WHEREAS, it is now the legal duty and obligation of said County Board of Equalization Wayne County, Nebraska, to make all tax levies requested, required and certified by said taxing and governmental subdivisions for the current tax and assessment year of 1981, as provided by law; and

NOW THEREFORE BE IT DETERMINED, RESOLVED AND ORDERED, by the County Board of Equalization of Wayne County, Nebraska, and of the County of Wayne and of the several political and governmental subdivisions hereof, as hereto determined and certified by the County Board of Equalization and the Finance Committee of said County Board, that the financial and tax requirements of the State of Nebraska, and of the County of Wayne and of the several political and governmental subdivisions hereof, as hereto determined and certified by the County Board of Equalization and the Finance Committee of said County Board, and the financial and tax requirements of the County of Wayne and of the several political and governmental subdivisions hereof, as hereto determined and certified by the County Board of Equalization and the Finance Committee of said County Board, and the financial and tax requirements of the County of Wayne and of the several political and governmental subdivisions hereof, as hereto determined and certified by the County Board of Equalization and the Finance Committee of said County Board, shall be as follows:

ADDED AND ADOPTED THIS 15th day of September, 1981, in the County Court House in Wayne County, Nebraska.

Orretta C. Morris, County Clerk
Merlin Betermann, Chairman of the County Board of Equalization

Saturday Night

IT WAS UPTOWN Saturday night. They came on foot, by car and on horseback for a chance to chat with their neighbors, see a free movie and munch popcorn. And Wakefield area residents, some dressed in old-fashioned clothes, did just that last weekend. After a Saturday-night bath, a clean pair of overalls and shirt, local residents descended on Main Street for an evening out of yesteryear. Warner Erlandson, top photo, nearly 90, and his friend, Edwin Reid, both of Wakefield, swapped yarns on a Main Street bench. Six young women — the Johnson girls (Heidi, 5, Amy, 4, and Renee, 3) and the Worth girls (Mandy, 2, and Missy, 5) and the Smidt girl (Lindsey, 2) gathered on the sidewalk to swap some gossip. The Johnson girls are daughters of Gerele and Ruth Johnson, Wakefield. The Worth girls are daughters of Mike and Karen Worth, Wakefield. Lindsey is the daughter of Cathy Smidt, Wayne. Mark Lundahl of rural Wakefield rode his horse, Herman, to town to share some time with his friends, Scott Salmon, Wakefield, Scott Sherer, Wayne, and Jody Navrkal, Wakefield. Ed Krusemark, Wakefield, got a ride to town in his daughter's 1938 Chevrolet. His daughter, Brenda Stuart, drove in from Pender with her family. Little Carly Salmon, 4, and her mother, Chris, both of Wakefield, set up a lemonade stand on a Main Street corner. And, Ken Addink, 9, Wakefield, joined several youngsters and oldsters who made a bee-line for the fresh and free popcorn.
