## No charges filed in Wayne Care Centre case

# Former administrator under investigation

The former administrator of the Wayne Care Centre is under investigation in connection with the financial affairs of the 92-bed nursing home at 918 Main Street north.

Budd Bornhoff, Wayne County attorney, confirmed Tuesday that the Wayne Care Centre investigation has been underway "for several months" but that "no charges have been filed."

Last week, the county attorney acknowledged that he has "a file" on Dee Stoltenberg, the center's administrator for the past two years.

Stoltenberg, 46, the wife of Wayne State College football coach Del Stoltenberg, resigned suddenly about 3:30 p.m. Monday, Feb. 8, citing "personal reasons."

**CONTACTED TUESDAY** night, Stoltenberg said she had not been notified of an investigation.

"I haven't been notified of anything," Stoltenberg said. "You'd think they'd notify me before they notified you."

Acknowledging that she has hired an attorney, Stoltenberg said she had been

"advised by several people" not to say anything in connection with the case.

"I think he'll be as surprised as I am about this," Stoltenberg said. She declined further comment on the matter, indicating she wanted to discuss it with her attorney.

She declined to identify the attorney.

"I AM GOING to hang up now," she said, explaining that she would have no further comment.

Earlier Tuesday, Bornhoff had confirmed that the Nebraska State Patrol and the Wayne County Sheriff's Department have been involved in the investigation.

In addition to the fact that no charges have been filed in the months-long investigation, Bornhoff declined to confirm whether any legal action would be filed.

Asked if he intended to file charges, Bornhoff said: "I don't know."

Asked last week if he had a case against Stoltenberg, Bornhoff said: "I don't know. I have a file."

**WILLIAM SCHLACTER** of the State Patrol's special investigation unit in Norfolk, told The Wayne Herald that depart-

ment policy prevented him from confirming or commenting on an investigation.

Schlacter referred inquiries to the county attorney.

Last week, Wayne County Sheriff Scotty Thompson first denied then confirmed his department has been involved in the investigation.

Sheriff Thompson referred inquiries to the county attorney.

Efforts to obtain information on the investigation from the State Attorney General's office produced a referral to the State Department of Public Welfare.

**THERE, A SPOKESMAN** said the State Welfare Department was not involved in an investigation of the Wayne Care Centre or Stoltenberg.

The spokesman referred inquiries to the county attorney.

Contacted Tuesday morning, Bornhoff said: "Snap it up, I'm busy."

He then confirmed that the investigation was underway. When asked if he knew how long the investigation had been underway, Bornhoff said: "Nops...several months."

When asked if the county attorney's office had been involved in the investigation, Bornhoff said: "I don't know."

**IN RESPONSE TO** inquiries, Bornhoff told The Wayne Herald: "Hurry up, I've got better things to do than take care of you guys."

Bornhoff volunteered nothing further on the case.

And, State Patrol investigator Bob Mavis of Wakefield declined to comment on the case, but did confirm that there is "an investigation" in Wayne.

He said department policy prevented him from commenting on an investigation. Asked whether other law enforcement agencies were involved in the case, Mavis declined comment.

Referring to Bornhoff, Mavis said: "He makes the determination. A State Patrol investigation is strictly confidential until it becomes a case, or until an action is filed."

**STOLTENBERG, WHO** had served as center administrator for nearly five years until her sudden resignation, was replaced

by Marion Evans of Wayne, a nursing home employee.

Evans will serve as temporary administrator until the position is filled, according to Tim Boyle of Boyle Offices, Sioux City, Iowa.

Boyle is a partner in the Sioux City firm that owns and manages the Wayne Care Centre.

Contacted Tuesday afternoon, Boyle said the company had not been contacted in connection with the investigation. He said no one had "asked any questions" and no one had "asked for any records."

**THE COMPANY** has been advertising locally for applicants to fill the nursing home administrator's position vacated by Stoltenberg.

Stoltenberg, who had moved out of her office by last Tuesday morning, had been with the center since 1978.

She has declined to elaborate on her sudden resignation beyond citing "personal reasons."

Boyle Offices representatives were on hand at the center to accept her Feb. 8 resignation.

## District Court murder trial scheduled to begin Monday

The second degree murder jury trial of Dennis V. Thorne, 36, rural Winside, is scheduled to begin at 9:30 a.m. Monday.

Thorne, who has been charged with second degree murder in connection with the shooting death of Marlen Kleinschmidt, 40, also of rural Winside, has been in the Wayne County Jail since the early October incident.

Trial is expected to begin with the empanelling of a jury for the Ninth District Court trial slated for the second floor courtroom of the Wayne County Courthouse.

**NINTH DISTRICT** Court Judge Richard P. Garden of Norfolk is expected to preside during the trial with Wayne County attorney Budd Bornhoff prosecuting.

Thorne is being represented by Terry Dougherty of Norfolk, a court-appointed defense attorney.

The defendant turned himself in to law enforcement authorities soon after the Oct. 9 shooting incident.

Kleinschmidt was pronounced dead at a Norfolk hospital after the 2 a.m. incident at his rural home southwest of Wayne.

## Airport board member files for new term

A four-year veteran of the Wayne City Airport Authority is seeking election to a six-year term on the board.

Mitchell Nissen, 45, a Wayne hairdresser and a licensed private pilot, is seeking the seat he was appointed to four years ago.

Nissen, a 1954 graduate of Wayne High School, was appointed to the Airport Authority board by Mayor Wayne March to fill the vacancy created by the resignation of Marlin Wright, Wayne.

**BORN IN STANTON** County, Nissen moved to Wayne with his family in 1948.

After graduation from Wayne High School, Nissen attended Wayne State College for two years before enrolling in Eden's School of Hairdressing in Grand Island.

After hairdressing school, Nissen worked in Lincoln for about 10 years. His Lincoln hairdressing career was interrupted by a two-year stint in the Army.

He also received advanced training in hairdressing at the Comer and Doran Beauty School in Hollywood, Calif., before moving back to Wayne in 1968.

**NISSEN JOINED** Beulah's Beauty Shop on his return to Wayne and opened his own, Main Street salon in 1973.

A member of the National Hairdressers and Cosmetologists Association, Nissen is president of the area affiliate.

During his four-year appointment to the Airport Authority, Nissen has served as chairman of the five-member board.

**A harbinger of spring**  
THE BIRTH OF farm animals is a welcome harbinger of spring in northeast Nebraska. This Charolais-Angus-cross calf was having an early spring-filing Tuesday on the Don Goeden farm south of Wayne. Though she was less than a day old, the little heifer kept mother Charolais concerned

about the safety of her newborn offspring. The youngster's enthusiasm prompted a gentle nuzzle and a kiss to seal that universal bond between mother and daughter.

# Two incumbents seek Council seats

Two incumbents have filed for re-election to the Wayne City Council.

Carolyn Filler, a two-term member of the Council from Ward 2, filed for a spot on the nonpartisan primary-election ballot Tuesday afternoon.

Darrel Heier, a one-term councilman from Ward 1, also filed re-election Tuesday afternoon.

**HEIER, 43, FILED** four days after a former City Council member, Vernon Russell, filed for the Ward 1 seat.

Russell, who quit the Council in 1978 in a dispute that involved garbage collection rates, filed for the Ward 1 Friday.

Filler, 38, the only candidate to file in Ward 2 to date, was first elected to the Council in 1974. She is seeking her third term.

Heier, who was appointed to fill the unexpired term vacated by Russell, is completing his first full elected term.

Filler, who works at Providence Medical Center, is an 18-year Wayne resident. Heier, who teaches business education at Wayne

High School, is a lifelong Wayne County resident.

**BORN IN TORRENCE, Calif.,** Filler moved to Wayne in 1964 after her marriage to William Filler, an associate professor of business at Wayne State College.

A 1961 graduate of Narbonne High School (California), Filler attended the University of Iowa. The councilwoman's work experience includes a stint in the personnel department of a large California shopping center.

Filler is Sunday school superintendent for the First United Methodist Church of Wayne.

She and her husband are the parents of three children — Cindy, Jackie and Terry.

**HEIER, WHO WAS** born on a farm southwest of Wayne, is a 1956 graduate of Wayne High School and a 1962 graduate of Wayne State College.

## Doughnut shop set to open in April

Another new business is coming to Wayne.

Daylight Donuts, a franchised doughnut and coffee shop operation, is expected to open its doors at 212 Main Street in early April, according to owner-operator Bill Wright of Yankton, S.D.

Wright, who owns Daylight Donuts shops in Yankton and Vermillion, S.D., has purchased the Jeff's Cafe building owned by Willard and Irene Jeffrey of Wayne.

**AFTER MORE THAN** 18 months of searching for a business location in Wayne, Wright successfully negotiated the purchase of the Jeff's Cafe building this week.

Jeffrey told The Wayne Herald that the building was sold, but that the contents, mostly restaurant equipment, will be sold at public auction on March 6.

Jeff's Cafe is expected to close its doors around March 1.

Wright said that he plans to do some remodeling in the building in addition to installing Daylight Donuts equipment and fixtures.

**A WAYNE REAL** estate agency, ERA Property Exchange, and local attorneys from the firm of Olds, Swarts and Enz, participated in negotiations for the sale of the property.

The building, which has anchored the center of the west side of Main Street, has housed a hardware store, cafe and theater over the years.

The Jeffrey family has operated a cafe in the building for the past seven years.

Jeffrey, who spent 30 years as a bricklayer before opening the downtown restaurant, said he "didn't know" what he would be doing once the front doors close on Jeff's Cafe. He did say he expected to stay in Wayne.

**WRIGHT SAID** he expects to be in Wayne for the opening of the new shop, said Daylight Donuts offers some 30 varieties of doughnuts and sweet rolls plus coffee, juices and other drinks.

"I think Wayne is a good community," Wright said. "I think we'll be accepted in Wayne without any problems."

Wright, who has been in the Daylight Donuts business for five years, is a native Nebraskan from Gordon.

He said plans were incomplete on staffing the Wayne shop. The new shop is expected to be open from about 6 a.m. to 5 p.m. daily, according to Wright.

**MEANWHILE,** the Jeff's Cafe public auction has been scheduled for 11 a.m. Saturday, March 4, at the restaurant.

Contents of the cafe will be sold. Items include office equipment, tables, chairs, ice cream freezers, a walk-in cooler, high chairs, booster seats and deep-fat fryers.

Also included in the list of items for sale are pots and pans and other wares.

### Music ministry program set

"Joy In the Evening," a music ministry special, is scheduled at 7 p.m. Monday (Feb. 22) at the Stratton House, Wayne. Pat Cool, pastor of the Abundant Life Church in Neligh, will be special guest.

Cool has been traveling in the music ministry for the past seven years throughout Nebraska, Kansas and West Virginia. In 1977, he attended the National School of Gospel Music in Murray, Kan. Cool was chosen to sing in a 32 voice ensemble group which performed at the National Quartet Convention in Nashville, Tenn.

Cool and his wife, Rose Ann, will be joined in ministering by Marty and Belinda Gratzoff. Reservations for Monday's special can be made by calling Merlin Heinemann at 375-1485 by Friday. The event is sponsored by the Interdenominational Couple Fellowship.

### Cheerleaders stage fund drive

Wayne High School's wrestling cheerleaders recently collected a total of \$28 in a fund-raising drive for Dori Allvin, daughter of Carl and Leona Allvin.

The Allvin family's rural Wayne home was recently destroyed by fire.

The cheerleaders sponsored a "Sexy Leg Contest" for WHS faculty men. Students bid on the candidates after examining photographs of the legs of faculty men.

Robert Stuber, vocal music instructor at the school, won the contest with an \$8.55 bid.

### Delegates sought for conventions

Wayne County voters interested in being delegates to the county's Republican Party or Democratic Party conventions must file with the county clerk by March 12.

Any registered Democrat or Republican is eligible to file. All those who file will automatically become delegates to their respective party conventions.

The county conventions will be held in Wayne during June.

### 3 School Board terms expiring

Three terms of three members of the Wayne Carroll Board of Education expire this year.

Standing for election this year are seats held by Wilbur Grese, Dale Stoltenberg and Milton Owens.

The primary election filing deadline for incumbents is Thursday, Feb. 25. The filing deadline for non-incumbents is March 12.

### Council approves poll change

The Wayne City Council has approved a change in the Ward 4 polling place at the request of the Wayne County Board of Commissioners.

Council changed the polling place from the Fire Hall on Pearl Street south to the City Auditorium, about a block north on Pearl Street.

### Bonus bucks drawing Thursday

Tim Garvin of Dixon lost out on \$1,000 in bonus bucks during last Thursday's Grand Give-A-Way drawing in Wayne.

His name was announced at 8 p.m. in participating stores, but the Dixon resident failed to identify himself.

The next drawing is at 8 p.m. this Thursday.

### Social Security rep sets visit

Bill Howes of the Norfolk social security office will be in Wayne on Monday, Feb. 22. He will be located at the Senior Citizens Center from 10 a.m. to noon.

# State colleges seeking student board members

A group of four students from the State Colleges of Nebraska comprise the student members of the Board of Trustees of the Nebraska State Colleges.

Although the student members do not have the power to vote during meetings, their insights reflect student ideas and interests to voting members of the board.

Voting members of the board include six governor-appointed positions and the State Commissioner of Education. Combined with the student members, this group governs the four Nebraska State Colleges of Wayne, Chadron, Kearney and Peru.

STUDENT MEMBERS of the board are appointed by the governor. Board by-laws explain how the student members are appointed.

They say: "An undergraduate student shall be appointed from each of the Nebraska State Colleges to serve a one year term. After Jan. 1, but before March 1 the student senate or similar body shall nominate three candidates to the Governor of Nebraska.

"The representatives who the governor appoints have one year terms which run from April 29 to May 1. Student trustees are accorded full board membership and participation except that they are non-voting members."

Student members for the 1991-92 term include Lori Jean Berg, Peru State; Michael S. Watson, Chadron State; Maureen McCaw, Kearney State and Brian Wansink of Wayne State College.

WANSINK, FROM Sioux City, Iowa, first became interested in student government at Wayne State College because of the poor support and interest by the previous student senate.

Wansink said that the year before he became a student senate member, there was a definite "impotence" in the student senate. Because of this, Brian said he made a commitment to make the student senate at Wayne more representative.

After serving with the senate for two and a half years, Wansink decided to continue his role as a leading force for the college. At this point, Wansink applied and was nominated by Gov. Charles Thone as a student member to the Board of Trustees.

Wansink, a senior majoring in business management and English, said he does have plans to continue his college career after graduation. While a particular university has not been chosen, Wansink said that the Eastern schools are forecast in his mind.

Overall powers of the board include appointment and dismissal of faculty and employees, adopting board policies for administration of the State College system and deciding on recommendations of the college presidents.

Applications for student board members are being accepted by the colleges, in February and must be submitted to the Board Office by the college nominating committees before Feb. 28.

## State Supreme Court justice joins program

Nebraska Supreme Court Chief Justice Norman Krivosha will be a featured guest when Wayne State College hosts a program entitled "Equally Under Law: Problems of a Democracy" in March.

Krivosha, along with the deans of the Law Colleges of the University of Nebraska, Creighton, and the University of South Dakota, will all take part in the program.

"Equally Under Law: Problems of a Democracy" is the first program offered by the WSC Public Affairs Institute since "Holocaust Revisited" last fall.

THE PROGRAM is scheduled for Tuesday, March 23 at 1 p.m. in Ramsey Theatre of the Val Peterson Fine Arts Center on the WSC campus. The public is invited to attend, free of charge.

This program is dedicated to the late Norman Nordstrand, former Dean of Humanities at Wayne State who died last year. "Norm was a very special man," said Allen O'Donnell, director of the public affairs institute and associate professor of political

science at WSC. "He was a great help to us in creating the institute and served on the executive committee until his death." O'Donnell said. "I'm sure Norm would be proud of this program scheduled for March 23. This is the kind of topic, and the kind of people, that greatly interested him."

### 'Time to Remember' gifts

The American Heart Association, Nebraska Affiliate, reports that "A Time to Remember" gift was received in the name of Maude Swan of Wayne.

Heart Association ATTR gifts provide a gift to the living in the support of research and education to reduce the threat of heart disease.

Anyone wishing to honor a loved one may make an ATTR gift in memory of deceased friends and relatives, as well as in honor of special occasions, or as a get well greeting by sending the name of the person to be notified, together with their check or money order (payable to the American Heart Association) to Wayne County ATTR chairman Mrs. Carl Lentz, 703 E. 10th St., Wayne, Neb., 68787, or by calling the Nebraska Affiliate toll free at 800-642-8400.

### Woman's Club meets

Twenty members of the Wayne Federated Woman's Club and nine guests met in the Presbyterian Church parlors last Friday afternoon for the annual music auditions.

President Marian Jordan conducted the business meeting and appointed Edith Wightman and Paula Strahan to the nominating committee.

Members voted to purchase a new clock for the Woman's Club room. Lunch was served by Florence Reithwisch, Ellen Huxford, Alice Dorman and Minnie Ulrich.

Brownies and Girl Scouts will provide music at the next regular meeting, slated March 12. Laura Fredrickson will have the program, entitled "Know Nebraska."

### Assembly Church showing film

The public is invited to see a documentary film, "Free Again," at Christian Life Assembly, 901 Circle Dr., in Wayne. The film will be shown at 7:30 p.m. Sunday, Feb. 21.

The film is narrated by Dr. Grady Wilson of the Billy Graham team, and produced by Earl Miller, creator of the film series, "Focus on the Family."

The Rev. A. R. Weiss, pastor of Christian Life Assembly, said the documentary says over and over again that God keeps and honors his word.

### Pharmacology update for nurses

Northeast Technical Community College (NTCC) will present a 12 week course, "Pharmacology Update for Nurses," beginning Monday, Feb. 22, and concluding on May 10.

Classes will be held on Mondays, in Room 132 of the Maclay building from 7 to 10 p.m. The course will provide an update and review of the general principles of pharmacology and an overview of the therapeutic drug groups.

Emphasis will be on nursing implications, cautions and idiosyncrasies, and clinically significant drug-drug and drug-food interactions. Upon completion of the course, students will receive certificates for 36 contact hours.

Cost of the course is \$22 plus a textbook. Instructors are Mike Hammond and Kim Kortje, Pharmacists at Our Lady of Lourdes Hospital in Norfolk. To preregister, by Feb. 19, contact Jean Wubben at NTCC, 371 2020; ext. 238.

### Evening Circle workshop set

The LWAL Evening Circle met Tuesday evening, Feb. 9, at Grace Lutheran church. 1982 year books were given out. Debbie Rise read the opening devotions. 24 members were present with two guests, Linda Gehner and Marcella Droscher.

Elsie Echtenkamp reported that 10 birthday cards were sent to the Care Centre and a gift to an ill member.

Mary Lou Erxleben presented each member with a Christian Growth valentine and gave a reading "A Special Valentine." Each member is to make a handcrafted item by April for the Bethesda Boutique at the district convention June 7-8 at South Sioux City. The craft items will be used as table center pieces.

The spring workshop will be at Wakefield on April 27. Debbie Rise and Karen Mendenhall presented the program "For Women in the Bible." Abigail, Deborah, Lydia and Martha, Twita Walters, Bonnie Sandahl and Verna Mae Baier were the hostesses. Next meeting will be March 9.

### 4-Hers attend program

Kurt Janke, Karen Sandahl, and Turena and Cynthia Walde recently attended the 4-H Host School Program sponsored by the University Collegiate 4-H Club in Lincoln.

Twenty nine high school students from across Nebraska spent the weekend learning about college life. They took campus tours, and talked with students, administrators and instructors. Informative sessions on housing, financial aid and student activities were held.

### Cooking course offered

Manjit Johar will again offer a course on Eastern and Oriental cooking starting Monday, March 1. This course is being offered through the cooperative program between Northeast Technical Community College and Wayne High School. The cost includes \$10 registration and actual cost of the materials used in cooking. The participants learn the art of cooking various types of meals, curries, vegetables, lentils and to bake various kinds of bread.

Interested persons should contact Kurt Frey at the Wayne High School or Manjit Johar at 375-3844. Pre-registration is preferred even though students can walk in on the first day of class. The class will meet from 7 p.m. to 10 p.m. for six consecutive Mondays at the Wayne High School Home Ec room.

### VFW Auxiliary gets new members

The VFW Auxiliary met Feb. 8 at the Wayne Vets Club room, at 8 p.m. The meeting was called by Francis Doring, president. This was a regular meeting with eleven members present. Three new members were received: Teresa Sievers, Debra Daehnke, and Geraldine Marks. A letter was received from Annabelle Ferguson, secretary of the Niobrara Auxiliary, which said that the District's Committee will be held April 12 at Niobrara. A thank-you card was received from Jill Perry, chairman of the Girl Scout Troop, thanking the auxiliary for the flags they donated to them. Helen Stiefken, rehabilitation chairman, will send a card to Fontelle Hoffman. The bowling chairman is Wilma Allen. The report was given by Mable Sommerfeld and Francis Doring in her absence.

The District 3 Bowling Tournament was held Feb. 7 and 14 at the Wayne Matinee Lanes. The Wayne Auxiliary bowling team was Glenadine Barker, Cindi Jorgensen, Wilma Allen, Debra Daehnke, Teresa Sievers, and Geraldine Marks.

A donation was given for the Camp A-Vet program for the veterans to attend Camp this summer at Millard. A donation was also given for the Political Action Committee.

The Mid-Winter Conference was held Feb. 13 and 14 at the Midtown Hotel at Grand Island. Evelyn Thompson attended the convention.

Serving committee was Mable Sommerfeld, Erma Hings, and Alice Davis. The next meeting will be March 8 at 8 p.m. at the Wayne Vets Club room.

## Seven state qualifiers lead Winside to district title

Top-ranked Winside will put its Class D rating on the line today (Thursday), Friday and Saturday at the State Wrestling Tournament. The Wildcats placed third last year and are shooting for a higher finish in 1982.

Winside claimed top honors at the Class D-2 District Tournament held Friday and Saturday at Newman Grove. Seven wrestlers qualified for state by placing in the top four positions at the district tourney.

"We really wrestled well in the semifinals and the round before. It was an all-out effort," Winside coach Paul Sok said. "We should be sitting in a pretty good spot to place high at state."

SEVEN WILDCATS are making the trip to state. Curt Rohde at 112, Mark Koch at 119 and Barry Bowers at 185 all won individual titles. John Thies at 98, Doug Jaeger at 132, Brian Bowers at 145 and heavyweight Kent Glassmeyer placed second in their respective weight classes.

Two other wrestlers, Don Hayden at 105 and Jeff Thies at 155, earned sixth place finishes but only the top four wrestlers in each class qualify for state. Nine of Winside's 10 wrestlers brought home medals.

Koch, ranked third at 119 pounds, is one of Class D's 10 undefeated fourth and one of four wrestlers seeking a fourth consecutive state medal. He placed fourth as a freshman, fifth as a sophomore and second as a junior.

The Winside senior knocked off top-rated Scott Strobel of Clarks 6-4 in the district championship Saturday. The state's second ranked wrestler, Frankie Marsh of Bertrand, also is unbeaten.

WINSIDE'S ONLY top-rated wrestler, 185-pound Barry Bowers, also will be shooting for a gold medal. Bowers, who is making his fourth appearance at state, placed third last year at 167 pounds. He pinned Shawn O'Connor of Greeley in the district finals Saturday.

The other Winside wrestler who won his weight class, Curt Rohde, is making his third appearance at state. Heavyweight Kent Glassmeyer finished second and will make his fourth trip to state.

Doug Jaeger, who placed second at 132 pounds in a three time qualifier. Another second place finisher, 98-pound John Thies, is making his second appearance at state. This is the first year for Brian Bowers, a 145 pounder.

Four Class D teams have more qualifiers than Winside. Arnold qualified nine wrestlers, Mullen qualified eight, Harvard qualified eight and Greeley qualified eight.

Leading teams by number of qualifiers: Arnold 9, Mullen 8, Harvard 8, Greeley 8, Amherst 7, Clay Center 7, Palmer 7, Winfield 7, Elm Creek 6, Bertrand 6, Friend 6, Clarks 5, Etwood 5, Hemingford 5, Meridian 5.

WINSIDE COACH Paul Sok said he feels five or six teams are in the race for the championship. He singled out Mullen, Arnold, Harvard and Elm Creek as top contenders along with Winside.

"It will depend on how the first few rounds go and if might go down to the finals," said Sok. "You never know for sure what will happen. A team could walk away with the title. We'd like to be that team."

Winside had a couple of close losses in the championship matches at districts. Doug Jaeger lost an overtime match based on fifth criteria. The match was tied 1-1 at the end of regulation. After he wrestled to a 0-0 draw in overtime, Jaeger's opponent was awarded the victory because he earned an escape in regulation while Jaeger's point was awarded because of stalling.

Brian Bowers scored a reversal in the final 20 seconds to pull within one point at 4-3 in his match. Bowers let his opponent escape but missed the takedown. Glassmeyer lost by three points.

SOK SAID that Glassmeyer "really wrestled well" and pinned an opponent who entered districts with an 11-1 record. He added that Rohde did a "really fine job" and collected three pins. Barry Bowers won all of his matches with pins.

District championship results:

98—Winside's John Thies lost a 10-3 decision to Rex Marly of Lehigh.

112—Winside's Curt Rohde defeated Kerby Kucera of Palmer 14-3.

119—Winside's Mark Koch defeated Scott Strobel of Clarks 6-1.

132—Winside's Doug Jaeger of Winside lost an overtime decision to Tom Nekolicak of Greeley based on fifth criteria.

145—Winside's Brian Bowers lost a 7-3 decision to Randy Walkowiak of Greeley.

185—Winside's Barry Bowers pinned Shawn O'Connor of Greeley in 1:53.

HW—Winside's Kent Glassmeyer lost a 7-4 decision to Fred White of Sargent.

D-2 team scoring qualifiers: 1. Winside 171-7, 2. Greeley 151-7, 8. Palmer 131-6, 4. Clarks 116-5, 5. Sargent 104-5, 6. St. Edward 74-4, 7. Elgin 74-3, 8. Lehigh 72-3, 9. Scribner 58-2, 10. Stromsburg 56-3, 11. Ansley 42-2, 12. Newman Grove 24-1, 13. Clearwater 7-0.

## Three Trojans are state-bound

Two Wakefield wrestlers will be making return trips to the Nebraska High School State Wrestling Tournament and one other will be making his first appearance today (Thursday).

The Trojans qualified three wrestlers for the tourney which is scheduled today, Friday and Saturday in the Bob Devaney Sports Center in Lincoln.

Plainview and Pender finished one two in the Class C-3 District Tournament held Friday and Saturday in Plainview.

THE THREE INDIVIDUALS representing Class C Wakefield are 98-pound Jeff Verplank, 126-pound Jon Stelling and 132-pound Dirk Carlson.

One other Wakefield wrestler earned a district medal but didn't qualify for state. Jon Pretzer finished sixth at 138 pounds and Wakefield coach Lyle Trullinger said he felt Pretzer did "an outstanding job."

Verplank (14-11), a freshman, finished fourth at 98 pounds and will wrestle Danny Palmer (24-4-1) of Bennington in his first state tournament appearance.

Stelling (21-7) will be making his third trip to state. He placed fourth in the Class C-3 district meet and will face Scott Delong (21-6) of Centennial at state.

Stelling, a junior who was rated in Class C throughout much of the season, is making his third consecutive state appearance. He placed fourth at 112 pounds last year.

CARLSON (22-3), a senior, will be making his second state showing. He qualified as a freshman and will wrestle against Randy Wiemann (16-11) of Howells. Carlson, who was ranked fifth in the final Class C ratings, placed second in districts at 126 pounds.

"I'm pleased to have that many wrestlers down at state," said Trojan coach Lyle Trullinger. "Our district was among the best around and the 132-pound class was pretty healthy."

Trullinger said that Verplank has been wrestling well, particularly in the latter part of the season. "We're looking to stay (at state) through Saturday (final day)," said Trullinger.

Individual district place matches:

98—Wakefield's Jeff Verplank was pinned by John Beckman of Elgin Pope John in the consolation finals.

112—Wakefield's Jon Stelling lost a 6-1 decision to Terry McGuire of Wisner-Pilger in the consolation finals.

132—Wakefield's Dirk Carlson was pinned by Joe Hansen of Stanton in the championship match.

Team scoring qualifiers: 1. Plainview 161½-4, 2. Pender 157-7, 3. Creighton 144½-5, 4. Osmond 118½-4, 5. Burwell 108-2, 6. (No) Elgin P.J., 9-4, 7. (No) Stanton 9-4, 8. Wisner-Pilger 81-2, 9. Atkinson WH 75½-2, 10. Norfolk Catholic 62-2, 11. Neigh 51½-2, 12. Wakefield 50½-3, 13. Randolph 45-1.

## Blue Devils' scrappy three-some prepares to meet best in the state

Experience should be a factor for one Wayne wrestler when the State Wrestling Tournament opens today at the Bob Devaney Sports Center in Lincoln.

Jon Jacobmeier, a 119-pound junior, will be making his third appearance at state and is seeking his first medal. Seniors Steve Pospishil at 112 pounds and Eric Brink in the heavyweight division will be making their first trip to state.

JACOBMEIER will face 194 Jeff Huss of Waverly in first round action. Wayne has never had an individual champion and JAKE (18-6), who was ranked first in state earlier this year, appears to be this year's top candidate.

However, Brink has built up a 19-3 record through the year. The Wayne senior, who has to stuff himself with food to even respect

the minimum allowable weight of 185 pounds for heavyweights, will be giving away the weight advantage to every wrestler he faces at state.

The leading candidate in Class B is undefeated Damon Tyree (28-0) of Chadron. Other top contenders are from Superior and York. Brink's first round foe is Duane Olson (15-7) of Ogallala.

Pospishil (18-7) will be an underdog in his weight class but has wrestled well against tough opponents all season and has continued to improve. His first round opponent is 16-3 Lanny Smith of Auburn.

AT STATE, district winners are matched against district fourth-place finishers and second-place winners meet third-place finishers. Thus, because all three Wayne wrestlers placed third in districts, they will

meet foes who took second in their district tournaments.

In the well-balanced Class B-2 districts held Thursday and Friday at Boys Town, no team qualified more than five wrestlers.

Wayne's consolation matches:

112—Wayne's Steve Pospishil defeated Kris Anderson of Omaha Roncalli 9-4.

119—Wayne's Jon Jacobmeier defeated Ryan Hansen of West Point 6-4.

HW—Wayne's Eric Brink pinned Pat Crebbs of Omaha Roncalli in 1:48.

B-2 team scoring qualifiers: 1. Tekamah-Herman 131½-4, 2. Arlington 130½-5, 3. Boys Town-126-4, 4. North Bend 125-5, 5. West Point 115-5, 6. Elkhorn 104½-4, 7. Roncalli 103½-5, 8. Blair 91½-4, 9. Gretna 90-2, 10. Wahoo 79½-3, 11. Plattview 67½-2, 12. Wayne 58½-3, 13. Schuyler 51-1, 14. Omaha Ryan 51½-0, 15. Lakeview 21-1.

## State Wrestling Tourney pairings are released

Thirteen wrestlers from The Wayne Herald coverage area will be in action today (Thursday) when competition begins at the State Wrestling Tournament at the Bob Devaney Sports Complex in Lincoln. That number equals the number of qualifiers from this area last year.

Winside, which won its Class D district, is sending seven wrestlers to state for the second straight year. Wayne qualified four wrestlers in Class B and Wakefield has three qualifiers in Class C.

Three wrestlers, all from Winside, will be making their fourth consecutive trip to state. Mark Koch is one of four wrestlers in the state who is seeking his fourth state medal. He placed fourth at 98 pounds in 1979, fifth at 105 in 1980 and second at 119 in 1981. With a 23-0 record, Koch is one of 10 unbeaten wrestlers in Class D and 42 in all classes.

Barry Bowers qualified the past three years and placed third at 167 pounds last season. Kent Glassmeyer is making his fourth appearance and hopes to win his first state medal.

Four other wrestlers will make their third appearance at state. Jon Stelling of Wakefield placed fourth at 112 pounds last year. Other three-time qualifiers are Wayne's Jon Jacobmeier and Winside's Curt Rohde and Doug Jaeger. John Thies of Winside will make his second state appearance as will Wakefield's Dirk Carlson, a junior, qualified as a freshman.

First-time qualifiers are Steve Pospishil and Eric Brink of Wayne, Jeff Verplank of Wakefield and Brian Bowers of Winside.

Wrestling action will be held on eight mats today and Friday and on four mats Saturday. Defending state team champions are Columbus in Class A, Albion in Class B, North Platte St. Patrick in Class C and Hyannis in Class D.

First round pairings:

Class B—Wayne wrestlers  
 112—Steve Pospishil, Wayne (18-7) vs. Lanny Smith, Auburn (16-3).  
 119—Jon Jacobmeier, Wayne (18-6) vs. Jeff Huss, Waverly (19-8).  
 HW—Eric Brink, Wayne (19-3) vs. Duane Olson, Ogallala (15-7).

KSC free-throw flurry flops

# Lady Cats clip Kearney State for NAIA District playoff spot

PATTY CARNEY of Wayne State and a Kearney player both dive for a loose ball. Carney baffled the ball off of the Kearney gal's knee in the late going to let Wayne retain possession of the ball. Officiating is Paul Eaton of Wakefield.

The Wayne State Lady Wildcats may have waited until late in the year to gain the victory column in the Central States Intercollegiate Conference, but the team did it in style by taking wins over Fair Hays State and Kearney State in Wayne last weekend.

The victories, the second and third in a row for Coach Jan Jirsak's youthful squad, left the Cats at 11-14 going into Tuesday's match with Washburn. Peru State visited Wednesday night, while the regular season ends with road games at Emporia State and Washburn this Friday and Saturday, Feb. 19-20.

With the win over Kearney, the Lady Cats have assured themselves of at least a spot in the NAIA District 11 playoffs. A win over Peru State on Wednesday would bring the first round playoffs to Wayne versus the second-place school in the NIAC conference, with the playoff date "most likely Feb. 24," according to Wayne State Coach Jan Jirsak. District finals are slated for Feb. 27 at the site of the team with the best overall record.

A FLURRY of missed free throws in the final 52 seconds hurt Kearney State more than Wayne State, as the Lady Wildcats scored an exciting 60-59 win in CSIC play Saturday in Wayne.

A free throw by Wayne's Robbie Lehr with 1:44 gave the Cats a 59-58 lead that survived three missed Kearney free throws over the next 1:20. Patty Carney had a chance to ice the game with '21 but hit only one of two charity attempts to move Wayne on top 60-58.

Janet Lee fouled KSC's Shari Holtmeier with 16 remaining, but Holtmeier missed the second of two free losses that could have tied the game. Cathy Weir got off one more shot for the Lady Anvelopes but it missed the mark with six seconds to play and Wayne escaped with the victory.

Coach Jan Jirsak, who avenged an earlier five-point loss to her alma mater, saw her squad paced by Lehr's 14 points and 19 rebounds. Guard Tammy Blackburn added 14, while Carol Durkee chipped in 12 points and nine rebounds in a reserve role.

Wayne State held a commanding 61-44 rebounding edge. Weir had 25 points to lead the visitors.

WSC squad nips Washburn 54-53

# Lady Wildcats post fourth one-point win

For the fourth time this season, the Wayne State Lady Wildcats have been involved in a one-point ball game. And for the fourth time, the Lady Cats have come out on top.

Wayne State nipped Washburn University 54-53 Tuesday night for its fourth consecutive victory.

Janet Lee hit a 12-foot jumpshot with 54 seconds for what proved to be the winning basket. The shot gave WSC a 54-53 advantage and Washburn missed two opportunities to go ahead, including a shot with eight seconds remaining.

Washburn led throughout the first half

and at one point held an eight-point edge. That lead was extended to 11 points at 37-26 for the Kansas squad early in the second half. WSC rallied to tie the game at 43-43 with 9:31 left to play.

Some outstanding performances were turned in by Wayne State players. Maggie Albert scored 13 points and Robbie Lehr scored 11 points and pulled down 19 rebounds. Tammy Blackburn scored 11 points and Lee had six points, four steals and three assists.

Wayne State is 12-14 overall and 3-9 in the conference. Washburn drops to 11-12 and 2-10.

Trojans drop to 5-11 season

# Fast-breaking Oakland wears out Wakefield

Oakland's fastbreak got the best of Wakefield in the second half to hand the Trojans a 57-52 loss Tuesday night at Wakefield.

The score was tied at the half and the hosts were still within five points at the end of the third quarter. However, Oakland kept running and finally wore down the Trojans, who don't have much bench strength.

Mike Clay led Wakefield with 20 points on 10 field goals and Jeff Coble followed with 14 points. Mark Starzl and David Thompson fouled out of the game.

"The kids played a heck of a game but ran out of gas. Oakland's height was a factor and our substitutes couldn't keep up," said Wakefield coach Scott Miller.

Wakefield lost the battle of the boards 17 to 24 with Starzl leading the hosts with five. The Trojans hit 26 of 45 field goal attempts for 48 percent. Oakland was led by M. Peter-

son with 22 points. The loss dropped Wakefield to 5-11. The Trojans will host Ponca on Friday and will meet them again in districts Tuesday.

In junior varsity play, Oakland-Craig topped Wakefield 39-32.

# Laurel girls upset Allen in district play opener

No birthday present could match the one given to Laurel coach Dwight Iverson Tuesday by his girls basketball team. The Laurel girls upset third-seeded Allen 39-38 in opening round play of the Class C-7 Districts at Laurel.

Iverson, who celebrated his birthday Tuesday, said the victory was a "pretty nice present." The win avenges a pair of losses to Allen earlier this year.

THE COACHES in the Class C-7 District should have known better than to select Laurel as site for the tournament. The same thing happened during volleyball season and that time the Bears upset Wynot.

"I feel like I'm 45. I think I'm 28 but I'll have to check my driver's license," said an ecstatic Iverson when asked of his age. "Playing tough teams all season proved beneficial in the end."

The winning point came on a clutch free throw by Cyndi Jonas with :33 remaining in the game. Allen had led nearly the entire game before Jonas connected on the front end of a one-and-one for a 39-38 Laurel lead.

The Bears rallied in the second half and Kim Sherry tied the score at 38-38 with a basket off of an offensive rebound. After falling behind, Allen had an opportunity to take the lead in the final seconds.

LAUREL'S RENEE Gadeken flung up Allen's Shelly Williams on a loose ball with seven seconds left in the game. Laurel controlled the tip and Sherry held onto the ball until time expired.

"Everyone contributed. A big key was our bench strength. We put our second five in late in the third quarter and they held their own," Iverson said. "Robson, Johnson, Hansen, Nelson...came off the bench and did a good job."

Robson came into the game, played the entire fourth quarter and made five rebounds, three steals and two points all in the final period. Iverson also complimented her defensive play.

"We were worried about their press. We had heard about it and experienced it first hand. Breaking it early was another deciding factor—it eliminated their fastbreak," said Iverson.

THE WINNERS were paced by Anne Schultz with 20 points and Kim Sherry with nine. Laurel's team goal was to hold Des Williams to 10 points or less. The senior guard scored just that—10 points. Beth Stalling led the Eagles with 13 points and Michelle Harder hit nine.

The Bears opened up the game with a 5-2 lead but Allen gained the advantage and held on the rest of the way until the final seconds. The Eagles led by six or seven points much of the game.

Iverson said that Stalling killed Laurel with 11 points in the first half. The hosts adjusted defensively and stopped her in the second half.

Leading rebounders were Schultz with 12 and Jonas with nine. The loss ended Allen's season at 12-4. Laurel, which stepped up to 11-19, will play second-seeded Randolph at 8 p.m. tonight (Thursday) at Laurel.

Since the Bears have lost twice to Randolph this season, Iverson is hoping that once again the third time will be a charm. "I may feel the girls I lied about my birthday. It's really Thursday," said Iverson.

# Winside's third-quarter surge sparks 36-27 win over Bancroft

The Class D-3 District host Winside Wildcats advanced to Wednesday's semifinal round by downing Bancroft 36-27 Tuesday night.

The game was nearly even except for the third quarter in which Winside outscored Bancroft 12-5. Winside coach Kathy O'Connor said that everyone played well and then added that Lisa Jensen played the best game of her career. Jensen led the winners with 13 points and three assists.

Darla Janek scored 12 points and had eight rebounds. Joni Jaeger had eight points and 11 rebounds. Kelly Leighton made eight rebounds and Kristi Benschoot made four assists.

The win improved Winside's record to 5-9 and advanced the Wildcats into second round play against Walthill, a winner over Coleridge. Wednesday's game was scheduled at 6:30 in Winside.

The Cats held a one-point edge at the end of the first quarter and a two-point advantage at the half.

The hosts hit 37 percent from the floor compared to 16 percent for Bancroft. Bancroft, led by Jill Samuelson with 15 points, out rebounded the Wildcats 40 to 46. Winside made only 13 turnovers and the opposition committed 17.

# Wayne girls open districts

When the Class B-4 tourney opens, Wayne will have the odds stacked against it. The Blue Devils are the only team in the seven-team field with a losing record. Five teams have lost no more than three games.

Wayne must face Class B's 10th rated Hartington CC (14-1) in the first round. North Bend, 14-0 and ranked third in the state, is seeded first. Columbus Lakeview, rated ninth with a 12-3 record, is seeded fourth and 13-3 Columbus Scotus is seeded third. Schuyler (10-3) and West Point (7-5) round out the field.

District pairings:  
Class B-4 at Madison, Feb. 22-25  
Monday (22nd): North Bend gets bye, 5 p.m.—Schuyler vs. Lakeview, 6:45—Scotus vs. West Point, 8:30—Wayne vs. Hartington CC. Tuesday's semifinals: 6:30—North Bend vs. Schuyler-Lakeview winner, 8 p.m.—Scotus-West Point winner vs. Wayne-Hartington CC winner. Finals at 7:30 Thursday.

# Test of shooting, dribbling skills

A basketball skills competition, sponsored by the Wayne Lions Club will be held this Saturday in the Wayne High Gym. The competition, which begins at 1 p.m., will be divided into four age divisions: 8 and under, 9 years, 10 years, 11 years. Boys and girls will compete against each other. Trophies will be awarded for first and second places in each age group with judging on shooting skills, dribbling skills, and combination of shooting and dribbling. Entry forms may be picked up at First National Bank, State National Bank or the Wayne Elementary or Middle Schools.

# Wakefield girls get trounced by Wynot

The Wakefield girls basketball season came to an end Monday night as undefeated Wynot trounced the Trojans 43-10 in Class C-7 District action at Laurel.

Wynot triple-teamed Wakefield's season leading scorer, Brenda Jones, and shut down the Trojans' offense. Jones was held to only four points and 12 rebounds. Kelly Greve scored four and Michelle Meyer added two for the locals.

The Trojans had trouble hitting their shots, sinking only 5 of 35 field goal attempts.

"We pressed them and got the turnovers but nobody scored. They triple-teamed Brenda and we didn't have any offensive punch," said Wakefield coach Mary Schroeder. "Hopefully we can pick up our offense next year."

Wynot upped its record to 10-0 and was scheduled to face Ponca on Thursday. The Trojans' season came to a close with a disappointing 0-16 mark—the second consecutive winless season at Wakefield.

Other first round winners in the Class C-7 districts were Laurel over Allen, Randolph over Homer and Ponca over Emerson-Hubbard.

## Kearney's Antelopes escape capture of snare set up by WSC

"Home Sweet Home" turned out to be less than sweet for the Wayne State Wildcats last weekend as Fort Hays State and Kearney State each logged basketball wins in WSC's Rice Auditorium.

The setbacks left the Wayne State squad with a 12-17 record and 2-9 Central States Intercollegiate Conference mark heading into a Tuesday make-up game with Emporia State in Rice Auditorium. Peru State visited for a crucial NAIA District 11 tilt on Wednesday.

As the season nears a conclusion, the Wildcats have regular season dates remaining at Emporia State (Feb. 19), at Washburn University (Feb. 20) and a home encounter with Chadron State on Feb. 24. Procedures for determining the participants in the NAIA District 11 playoffs were established at a district meeting Sunday in Seward. The procedure is a fairly lengthy one for determining the second place team from the independent district schools, but it basically amounts to the fact

that Wayne can control its own destiny by taking wins over Peru State (Feb. 17) and Chadron State (Feb. 24).

A PACKED house was on hand Saturday to watch perennial power Kearney State earn a 78-67 CSIC and NAIA District 11 win at Wayne behind deadly shooting from the field and line.

The Antelopes (7-8) trailed 48-47 with 15:13 to play but outscored their hosts 18-2 over the next six minutes to pull ahead 65-50. Wayne State rallied for the next 10 points to pull within 65-60 but could move no closer as the Cats dropped their fourth straight game.

Kearney State threw 11 of its last 13 points from the free throw line to stem the WSC comeback bid. The free throw stripe, less than kind to WSC in recent games, saw KSC connect on 26 of 37 attempts compared to Wayne's seven for 16. Wayne State committed 30 fouls on the night, double the Kearney total, to cripple their cause despite

holding a 30-26 edge in field goals made. Grady Hansen again topped all scorers with 26 points for WSC. Gale Bauer hit for 20 and Lex Adelung 19 for KSC as the Lopers shot a hot 57 percent from the field.

## 4th straight loss for WSC

The WSC "Rawhide Review" suffered its fifth consecutive loss Tuesday night as Emporia State handed the Wildcats a 65-52 setback in Rice Auditorium.

The conference defeat dropped Wayne to 2-10 in CSIC play and 12-18 for the year. Emporia is now 15-13 overall and 5-6 in the conference. The two teams will meet again Friday at Emporia.

WAYNE STATE led 35-29 at the half—by as much as nine points—but again the Cats hit a cold spell early in the second half to give their foe a break. Emporia tied the game at 35-35 and outscored the Wildcats 23-7 during a nine-minute stretch to establish a 51-42 lead.

The hosts scored the next 12 points to regain the lead at 54-51 with 7:00 remaining. Wayne State held its last lead at 55-54 with 5:52 left. With 3:12 minutes to play, the Cats were one point down and they never came back.

The Hornets' last 11 points and 13 of the last 15 were scored at the free throw line. Again, Wayne State had fewer free throw attempts than its foe. Emporia took 31 shots at the line compared to 12 for the hosts.

Grady Hansen led the Wildcats with 21 points, Al Jones scored 13, Brad Edwards scored 12 and Loneil Greene scored 9. Hansen had 11 rebounds and Edwards made seven assists. The winners were led by Rick Simpson with 18 points, Mike Farmer with 15 and Tim Trent with 12.

## Wayne swimmers snatch 81 awards

Wayne's swim team competed at the Nebraska Aquatics Swim Meet last weekend in Lincoln. There were 525 swimmers from 21 teams in the Midwest Western Swim Association. A total of 38 Wayne swimmers participated in the two-day meet at the Devaney Sports Center.

Wayne's team was led by Jason Liska who won three events, placed second three times and third in two events. His efforts included 'A' times in the 50 backstroke, 200 freestyle and 200 individual medley. He swam a rare 'AA' time for the 100 yard freestyle. Shawn Schroeder had four wins, two seconds and one third while swimming 5 'A' times at 8 and under. Kris DeNeayer swam three 'A' times. Liz Reeg won two 'A' times, Matt Reeg two 'A' times, Eric Liska had 2 'A' times, Kelly Laska had 2 'A' times, Kelly Laska had 2 'A' times, Kelly Laska had 2 'A' times, Kelly Laska had 2 'A' times.

Times qualify the swimmers for final events in the upcoming Great Plains Meet in late March. The Wayne Swim Club had 79 individual awards and a first and second in relays. They were credited with 16 first places, 31 second places and 16 thirds.

### Blankenship shines

## Free throw edge tackles Laurel

Free throws were a major stumbling block as the Laurel boys were whipped by Wausa 62-42 Friday night in Wausa. The hosts made 84 of 93 free throw attempts while Laurel had just nine attempts and hit four. Wausa's Ned Blankenship staged a one-man scoring act, ripping the nets for 30 points.

The conference loss dropped Laurel to 4-2 in the Clark Division race and 8-10 overall. The Bears shot just 30 percent from the field. Meanwhile, Blankenship was red-hot from the outside. He made five of six shots in the fourth quarter.

"We executed pretty well but shot poorly," Laurel coach Joel Parks said. "We got ourselves in the hole early. We had the shots but they didn't go and Wausa opened the game up in the third quarter." The Laurel coach complimented Blankenship for his fine shooting from outside the 20-foot range.

Parks said that Blankenship consistently pulled up and hit baskets from 20 feet. Coupled with an off-night by Laurel's offense, the Bears found themselves in trouble.

Phil Martin was the only Laurel player who broke the double-figure mark in scoring. He had 11 points and 10 rebounds. In addition to Blankenship, Wausa received some help from Boyd Ober with 10 points.

Laurel won the junior varsity game 39-30. Scoring: Mike Jonas 15, Troy Young 10, Mark Penlerick 8, Paul Loftquist 2, Mark Herrmann 2, Ben Galvin 2.

The Bears are scheduled to open district tournament play at 6:30 p.m. next Monday (22nd) against Randolph.

## 4th quarter breakdown stops Bears

A fourth-quarter lapse led to Laurel's downfall as Plainview edged the Bears 46-41 Saturday night in Laurel. The hosts led 20-17 at the half and 32-31 at the end of the third quarter. But, Plainview used a fourth-quarter surge to outscore Laurel 15-9 to post the victory. Laurel had led through most of the game but the Pirates took the lead 42-41 with :58 left. The Bears took a good shot with 12 seconds remaining but missed and had to foul. Plainview hit four free throws in the final 17 seconds to

provide the final spread. "We missed our free throws, we missed the front ends of five one-and-ones," Laurel coach Joel Parks said. "We played well enough to win but missed free throws weca our undoing." The Bears were led by Dave Marquardt with 15 points. Tim Bloom and Kelly Robson scored eight points each. Plainview was paced by Mark Pendergest with 17 points, Jay Bessmer with 11, Bert Gensler with 10. Leading rebounders were Phil Martin and Bloom with five each.

Laurel hit 17 of 43 shots for just less than 40 percent. Plainview hit 50 percent of its 30 shots.

The junior varsity game was won 68-41 by Plainview. Laurel scorers: Troy Young 9, Mark Herrmann 7, Paul Loftquist 6, Mark Penlerick 6, Ron Hirschman 5, Ben Galvin 4, Mike Jonas 2, Phil Martin 2, D. Marquardt 1, B. Marquardt 1.

Trojans tripped

Trying to keep up with Coleridge's running game was an impossible task and the Wakefield Trojans were crushed 89-70 Friday night in a girls-boys doubleheader at Coleridge. The hosts used a 25-7 first quarter lead to establish ground rules for the game. By the end of the third quarter, the Bulldogs led 71-40. The Trojans rallied in the final period to get back within 19 points.

Wakefield loses

A first half lead slipped away as Wakefield's girls lost a 33-25 decision to Coleridge in their regular season finale Friday night. The Trojans led 12-7 at the half in the quest for their first win of the season. However, Coleridge gained a 22-20 advantage by the end of the third quarter and held on to stop Wakefield's hopes.

Runaway game

An always-improving Osmond team outmanned Winside 72-38 last Thursday, bringing to a close the Wildcats' regular season. Winside will now prepare for Monday's Class D District game against Coleridge.

Walthill boys explode

Class D power Walthill used an explosive second half to handle Allen 84-52 Tuesday night in a makeup game at Walthill. The Eagles kept in the game early but a 51-30 scoring advantage in the second half propelled the hosts to the victory. Allen was led by Robb Linafelter with 18 points and Troy Harder with 8. Walthill's leaders were Mike Becker with 18 points, Paul Conneely with 14, Tod Tipton with 14, Kip Meyer with 12 and Ron Moeller with 10. "We stayed with them for awhile but they were too hot," said Allen coach Dan Looke. The Bluejays attempted 32 free throws in the game and hit 22. Most of those came in the second half. Harder and Dennis Smith led the Eagles with seven rebounds each and Linafelter had six. Walthill held a slight edge of 38 to 36 in rebounding and committed 18 turnovers to 21 for Allen. The Eagles shot 29 percent, and Walthill shot 46 percent. Looke will seek his 100th career victory Friday at Wynot.

A clean sweep

There was no resemblance between the two ball games but Wayne's recreation seventh and eighth grade boys earned a pair of home court victories Thursday over the Sioux City Boys Club teams. Wayne 25, Sioux City 23. After getting off to a poor start, the Wayne seventh grade team rallied in the second and third quarters and then held on during the fourth period for a slim 2-3 win. The hosts, playing without the services of leading scorer Ted Lueders who injured his hand, trailed 6-0 at the end of the first quarter. An eight-point second period pulled Wayne within two points at the half. An 11-3 edge in the third quarter turned the game around and the hosts fought off a late Sioux City rally in the fourth period. The winners were led by Russ Longe with eight points, Troy Wood with six, Jon Stollenberg and Bill Liska with four each and Jason Jorgensen with two. Sioux City 6 4 3 10-23, Wayne 0 8 11 5-24. Wayne 47, Sioux City 37. Don Larsen put on a fine performance to lead Wayne's eighth grade boys to a 10-point win over the Sioux City Boys Club eighth graders. Larsen had his best game of the year, playing well on both ends of the court and ripping the opponents for 27 points. Shannon Dorsey scored six as Wayne outscored its opponent 17-10 for a 10-point margin of victory. Sioux City 6 12 8 18-39, Wayne 10 12 8 19-47.

Blue Devils rally to win

The Wayne Blue Devils rallied from a seven point deficit to nip Lyons 47-44 Tuesday night in the Wayne High gym. Wayne got off to a fine start and led by 10 points at the end of the first quarter. But Lyons exploded in the second period to pull in front of the hosts. Trailing by seven points entering the fourth quarter, the Devils outscored the Lyons 14-4 to pick up their fourth victory in 17 games. Todd Schwartz was the game's leading scorer with 16 points. Mark Botenkamp scored 10 and Shaun Niemann scored 9. Leading rebounders were Botenkamp with eight and Steve Overin with seven. Wayne was outrebounded 39 to 29 but the Blue Devils hit 37 percent of their shots while Lyons hit 33 percent. The visitors were led by Tim Hays with 15 points and Randy Weltzenkamp with 11. Wayne, 4-13, will complete its season by hosting Pierce Friday and will open district action next Monday (March 1). In an exciting junior varsity game, Lyons trimmed Wayne 61-56 in overtime. The Lions had to play with only four players late in the overtime as one of their six team members fouled out and another was injured. The score was tied 54-54 at the end of regulation. Wayne was led by Jim Poehlman with 14 points, Mark Kubik with 16 and Layne Marsh with 10. Other scoring: R. J. Meltzer 4, Leif Olsen 4, Tim Corbit 2, Randy Gamble 2, Blaine Johs 2. Freshmen in consolation play

Play in the Randolph Invitational had its ups and downs this past week as the Wayne freshmen boys won their first game and lost their second. The Blue Devils defeated Laurel 43-30 in opening round action on Monday. On Tuesday, Wayne suffered a 62-57 setback to Norfolk, an earlier season victim of the Blue Devils. "Norfolk played better than last time and we didn't play as well," said Wayne coach Duane Blomkamp. Wayne is now scheduled to play at 1:30 p.m. Saturday in the consolation game of the tournament. Against Laurel: Kevin Maly scored 22 points and Jeff Sharer scored 10 to lead the winners. Other scoring: Rick Nelson 4, Pete Warne 2, Darrin Barner 2, Chris Wieseler 2, Carl Urwiler 1. Laurel scoring: Scott Rath 11, Kyle Daberkow 11, Mike Granquist 4, Troy Heitman 4. Wayne led 24-11 at the half but Laurel switched to a zone defense in the second half and pulled back within seven points as Wayne missed its shots. However, Sharer hit four straight baskets in the fourth quarter to get the Devils back on the road. In the loss to Norfolk, Maly scored 23 points and Warne scored 15. Other scoring: Brad Moore 6, Wieseler 6, Nelson 5, Sharer 2. The Blue Devils had trouble in the second quarter. Wayne missed four one-and-one opportunities and gave up some easy baskets to their opponents.

athlete of the week

Two wrestlers were in the running for the athlete of the week award for the week ending Feb. 5. Both boys had highly successful weeks, winning individual tournament championships in their respective weight classes. Because he won his first invitational title, Wayne's Steve Pospisil was given the nod for the award over Winside's Barry Bowers. During the week of Jan. 31-Feb. 5, Pospisil defeated a Columbus Lakeview wrestler in a dual and claimed the gold medal in the 112-pound division of the Albion Invitational. He defeated the Lakeview wrestler 20-11 in a rematch during the title match. Bowers, who was second in line for the athlete of the week award, ran his record to 16-1 with a first place finish in the 185 pound class at the Plainview Invitational. Bowers, rated first in Class D at 185, won one match by pin and two by major decisions. High school athletes from Allen, Laurel,

Pospisil Wakefield, Wayne and Winside High Schools and college athletes from Wayne State are eligible to be nominated for and selected as "Athlete of the Week." Coaches should send nominations to: Sports Desk, The Wayne Herald, 114 Main Street, Wayne, Neb. 68787.

## Get physical

Providence Fitness Center is nearly completed and ready for action. The fitness center houses a racquetball/handball court, dry heat sauna, whirlpool, aerobic exercise room, exercise bicycle, complete Universal gym for muscle exercises, free weights and various other pieces of exercise equipment. A motorized treadmill is expected to be delivered this week.

The public is invited to a grand opening from 2 to 4 p.m. Sunday of the new center in the basement of Providence Medical Center. The new facilities are located in the northeast corner of PMC.

The facility, which recently opened for use, is intended to provide for complete physical fitness training. After many months of planning, a non-profit corporation, Providence Fitness Center Inc., was formed in August for the purpose of promoting physical fitness and helping to develop more facilities which would enable persons in the Wayne area to become more physically fit.

The finishing of area and equipment were paid for by the non-profit corporation through contributions and donations. Anyone who may be interested in joining the corporation can contact any of the following board members for more information: Willis Wiseman M.D., Pat Craun, Dee Pflanz, Jan Magnuson, Brad Pflueger, Shane Giese, Gary VanMeter.

The fitness center is open from 8 a.m. to 10 p.m. seven days a week and may be used at no charge by members of Providence Fitness Center and hospital employees. Senior citizens are eligible for a 50 percent discount on membership.

SOMETHING FOR everyone can be found at Wayne Fitness Center. Jack and Doug Manske "sweat it out" in the sauna (top, left photo). In the racquetball court, Gary Vopalensky and Rick Urwiler challenge each other in a friendly game. Brad Pflueger and Shane Giese (left, center photo) prefer to "pump some iron" on the Universal weight machine. ## Say cheese, please

THELMA MOELLER, director of the Wayne County Welfare Department, displays a brick of cheese in her office at the Wayne County Courthouse. The department has given away just over half the 900 pounds of government-surplus cheese it received recently. The cheese is available to low-income residents on a first-come, first-serve basis.

# Annual police report shows speeding leads arrest list

The Wayne Police Department handled 623 speeding cases last year.

Some 377 of those cases involved warnings to speeding motorists, while 228 cases resulted in arrests.

Speeding fines netted \$4,360, with two cases remaining on the court docket after Dec. 31. Only one speeding case was dismissed during the year.

THE SECOND-most frequent arrest category involved invalid inspections stickers with 44 logged throughout the year.

A total of \$215 in fines were collected for that violation with one case remaining to be heard in Wayne County Court by Dec. 31.

On the heels of invalid inspections stickers was invalid registration. Police made 36 arrests in that category last year for \$255 in fines and one case dismissal.

Police also arrested 36 motorists for failure to dispose of parking tickets. Those arrests generated \$155 in fines.

POLICE ARRESTED 16 motorists for traffic signal violations for a total of \$240 in fines. And, officers arrested nine motorists for stop sign violations for a total of \$120 in fines.

In addition, police issued 20 stop sign violation warnings during the year, plus 17 warnings for traffic signal violations.

Seventeen careless driving warnings were issued along with 16 for reckless driving. Police also issued 15 warnings for illegal U-turns, and 12 for improper turns.

Five arrests were made for reckless driving. The arrests generated \$250 in fines with one case remaining to be heard by the end of December.

POLICE ARRESTED 16 persons for consuming alcohol on a public way during the year.

The arrests netted a total of \$225 in fines. And, 12 persons were arrested on minor in possession charges with \$275 in fines collected for those offenses. One case was dismissed, but five were placed on probation.

Police also handled one case of a minor attempting to purchase alcohol. The minor was fined \$100.

Police made one driving while intoxicated arrest during the year, but charges were not filed. One motorist refused to take a breath test and was fined \$250.

Police also handled 13 arrests for theft with two cases being dismissed, five resulting in jail sentences, three persons placed on probation and two making restitution to the owner. One case was not filed.

OTHER ARRESTS during the years included: no operators license, 11; dog at large, 8; littering, 6; criminal mischief, 6; driving under suspension, 5; illegal U-turns, 4; leaving the scene of an accident, 3; trespassing, 3; burglary, 2; annoying phone calls, 2; failure to yield, 2; unlicensed vehicles on property, 2; and false reporting of a fire, 2.

One arrest was made in each of the following categories: failure to remove snow, carrying a concealed weapon, no taillight; disorderly conduct, no muffler, runaway; fleeing to avoid arrest; warrant, assault; and auto theft.

Police made a total of 482 arrests during the year for \$6,950 in fines. That compares to \$39 arrests in 1980 for \$7,711 in fines.

THIRTEEN CASES were dismissed in 1981, compared to 11 dismissed in 1980. Police issued a total of 874 traffic warn-

## Theft, vandalism is increasing

The leading crime in Wayne during 1981 was theft, with vandalism running a close second.

According to the Wayne Police Department's major crime summary for 1981, 81 thefts were reported during the year with 16 cases unfounded and 12 cases cleared. The department's annual report shows 56 cases of vandalism reported during the year with one case unfounded and three cases cleared.

ALTHOUGH THERE WERE only 14 cases of burglary reported, burglars made off with items worth a total of \$18,853.51, police report.

That compares to \$8,021.71 for thefts and \$5,194.45 for property loss due to vandalism.

Police recovered \$7,526.18 worth of stolen property and an auto valued at \$5,000 during the year.

In the theft category, 32 cases were reported involving between \$50 and \$200, and 26 cases were reported involving sums under \$50. Thirteen cases involved more than \$200.

ON VANDALISM, 19 reports involved vehicles and another 19 involved buildings. Vandalism to other property totaled 15 cases.

While theft cases were down from the 98 logged in 1980, burglary cases were up. Police reported 14 burglary cases in 1981, compared to nine in 1980.

Nine burglary cases involved non-residential buildings, while five involved homes.

Reports of vandalism increased by two in 1981 with 56 cases compared to 54 in 1980.

POLICE LOGGED seven cases of misdemeanor assault during the year with four cases listed as unfounded and three cases cleared.

The number of assault cases was more than double the three cases reported in 1980.

ings during 1981, compared to 793 in 1980.

Also among the most frequent warning category was failure to license dogs with 102 cases during the year.

Violation cards were issued to 78 motorists for no headlights and to 46 motorists for expired inspections stickers.

Cards also were issued to 33 motorists who failed to produce drivers licenses on police request. A total of 29 violation cards were issued for no license plates, 21 for no taillight and 19 for no registration.

All total of 234 violation cards were issued during the year, compared to 177 in 1980.

PARKING WARNINGS for the year included 60 for violations of church parking only, 46 for parking wrong side to curb, 32 for exceeding the 24-hour limit, 22 for no parking this side, 15 for parking rear-end to curb, and 12 for blocking the sidewalk.

A total of 835 tickets were issued for violation of the parking ban between midnight and 3 a.m.

Police issued 208 tickets for parking on the wrong side of the street, and 152 for violations of the parking ban between 3 a.m. and 5:30 a.m.

Thirty-nine tickets were issued for parking left side to curb and 31 tickets were issued for exceeding the 24-hour limit.

Twenty-three tickets were issued for exceeding the 15 minute parking limit and 20 were issued for parking between signs violations.

A TOTAL OF 1,387 tickets were issued for parking violations, compared to 1,437 in 1980.

Police also handled 1,634 complaints, or requests for services during 1981. The number was one shy of the 1,635 requests made in 1980.

Some 23,343 radio messages were handled, compared to 22,683 in 1980.

And, 8,560 telephone messages were handled with 464 listed as 911-emergency calls. Police report only 337 of the 911-emergency calls constituted legitimate emergencies.

Police received 22,802 teletype messages during the year, but sent only 4,358.

Criminal complaints totaled 185, compared to 182 in 1980. Criminal arrests totaled 26, off the pace of 35 set in 1980.

POLICE IMPOUNDED 62 animals (mostly dogs) during the year, compared to 182 during 1980.

And, 26 vehicles were impounded during the year, twice as many as in 1980.

During the year, police investigated 115 traffic accidents on public streets, three fewer than in 1980. Some 36 traffic accident on private property were investigated, compared to 27 in 1980.

Police patrol cars traveled 41,796 miles during 1981, down from the 46,240 miles driven in 1980.

Department vehicles used 4,274.8 gallons of gasoline, compared to 4,474.5 gallons in 1980.

UNIFORMED POLICE officers worked a total of 9,294 man hours during the year, compared to 10,795 during 1980.

Those officers logged a total of 251 hours in overtime, compared to 260.5 during 1980.

Police dispatchers worked a total of 8,721 hours during the year, compared to 8,532 in 1980.

In other activities, the department sold 317 bicycle licenses during the year and 307 dog licenses.

Officers appeared at 12 public speaking engagements on subjects ranging from First Aid to juvenile delinquency.

And officer training included a total of 360 man hours in sessions that ranged from accident investigation to legal issues.

## Council

(Continued from page 1)

The councilman completed his WSC degree after a two year stint in the Army. He taught one year at Ashland High School, Ashland before joining the teaching staff at Wayne High School.

Heier interrupted his teaching career to serve as sales manager for the former Hurd Ford Motor Co. of Wayne and to earn a masters degree WSC.

After serving as principal at Wynot High School for two years, Heier returned to Wayne High School as a business education instructor.

He and his wife Betty, an English teacher at Wakefield are the parents of two sons, Tod and Tim.

THE COUNCILMAN has served as an area representative to the Nebraska State Business Education Association, Lutheran Churchmen and is a former member of the Wayne Lion's Club.

Heier and Heier are the only two incumbent members of the Council to announce re-election bids.

Swals held by Ward 3 Councilman Leo Hansen and Ward 4 Councilman Larry Johnson are up for election this year.

Filing deadline for incumbents is Thursday, Feb. 25. The filing deadline for non-incumbents is March 12.

Setting spending limits test Legislature's mettle

By Melvin Paul, Statehouse Correspondent, Nebraska Press Association. Setting state spending limits and deciding how to appropriate Nebraskans' hard-earned tax dollars has never been easy. But the 1982 Legislature is faced with a situation that it hasn't had to confront as regularly as it confronts the pleas for more state support for various programs.

The one recommended by Gov. Charles Thone. Thone's figure is \$758 million, a level he said can be supported with existing tax rates. Sen. Jerome Warner of Waverly and a majority of his Budget Committee support a \$773 million spending target, which is based on the premise it would force an increase from 15 to 16 percent in the state income tax rate.

THE DEBATE OVER spending targets and tax rates to support them can easily be misunderstood by people unfamiliar with the situation. The reason is, the tax issue is a complex one because so many variables come into play. Warner has tried to make it clear that regardless of whether the rate is 15 or 16 percent, Nebraskans would be paying less income tax next year than this year. The federal tax cut must be remembered, as must the fact that Nebraska's tax is a direct percentage of the federal liability.

continued, and at what level. The time has come when state officials must realize they can't be all things to all people. Some tough decisions need to be made; some sacrifices are inevitable. SECESSION ISSUE Rep. Doug Chamberlain recently suffered a setback at the hands of his colleagues in the Wyoming Legislature. The Wyoming lawmakers declined to get involved in Chamberlain's attempt to annex the Nebraska Panhandle to Wyoming.

more than 2,000 respondents expressed a desire to become Wyoming residents. PETITIONS ALSO were circulated in the Panhandle, and there was considerable support for secession. But indications are only a few thousand of the Panhandle's 98,000 residents publicly expressed a view. Chamberlain wanted a referendum in Nebraska, which would have clearly shown what a majority of residents wanted. But one must acknowledge that even a public vote would not be totally representative; it's probable many people would not have gone to the polls, figuring the issue was moot, a waste of time, absurd or whatever.

The secession issue isn't new; it's been debated before. But there has been considerable interest shown in the subject this time around, and Panhandle residents might have benefitted at least for awhile. MAYBE CHAMBERLAIN is correct when he says Panhandle residents are forgotten and Nebraska state government is unresponsive to their needs. But the secession issue has made headlines statewide and even nationwide; the Panhandle has been far from forgotten. But whether the recent events spark action in Lincoln in such a way that Panhandle residents are not forgotten again remains to be seen.

viewpoint

Wheels of justice

The election of a county attorney will be one of the most important challenges facing Wayne County voters this year. Interest may be a great deal higher in a number of other partisan and non-partisan election year races, but the county attorney position remains crucial to the function of local government. A county attorney candidate must serve many masters, not the least of which is representing the people as the chief law enforcement officer in his jurisdiction. While the county attorney's position requires a candidate with a solid legal background, it also demands the common sense qualifications found in most but certainly not all dedicated public servants.

Landy Fowler

another viewpoint

Hold your own

1982 shapes up as a "hold your own" year for the farm machinery industry. Last year's anticipated recovery in the farm machinery industry did not happen. In fact, sales were off substantially. U.S. tractor sales were down 14 percent during the first 10 months of 1981 and reached their lowest level in Nebraska in eight years. A large number of factors affect the outlook for machinery sales. Purchasing power, the financial condition of farmers and high interest rates dim the outlook for 1982. Large production, large carryover stocks and current world tensions have contributed to low commodity prices while interest rates have remained fairly firm, discouraging new investments.

Doug Jose, Farm management specialist, University of Nebraska-Lincoln

Public input predominant feature

Unicameral heritage unique

The Unicameral adopted last Thursday for a four day recess concluding with our observance of the birth dates of two former presidents, George Washington and Abraham Lincoln. I thought this might be a good opportunity to pause for a moment and reflect upon our Legislature and a few of the advantages of our system of government which all of us, as Nebraskans, enjoy.

senator merle von minden

THE AMENDMENT'S sponsor, U.S. Sen. George W. Norris of Nebraska, also pushed for the selection of state representatives in a non-partisan election. The result has been a unique, efficient system of self-government for Nebraska which has served as well for over 40 years.

I feel that one of the predominant features of the Unicameral is the openness of its proceedings. With only one legislator per district, constituents are given a better opportunity to know their representative who, in turn, is more accountable to his/her constituency. This brings about a better relationship between a legislator and his constituents, which makes for a better understanding of

the issues and the legislative process. Because we operate within a unicameral system, the method for passing legislation is simple and direct. The simplicity of the proceedings, when compared to other legislatures, gives everyone a better opportunity to scrutinize the pending legislation.

ONE STEP in the consideration of a bill which is unique to Nebraska, is the requirement that every bill introduced be given a public hearing. No other state gives its people the opportunity to speak directly with their legislators on every bill. Anyone can make the trip to Lincoln and present their views. This is a tremendous opportunity for

every citizen in the state to make their representative aware of his/her views. I encourage everyone in the 17th District to take advantage of this opportunity whenever they want to make a contribution to the legislative process.

One final note about a few of the activities in the Legislature last week. Gov. Charles Thone signed LB 32 into law which makes it unlawful to use radar jamming devices in automobiles LB 69 which would have required anyone transporting a child four years old or younger, by automobile, to buy a restraint system, was killed on final reading.

THE LEGISLATURE also considered a resolution which would have put the Unicameral on record as advocating the abolition of the Federal Reserve System and a return to the Gold Standard.

It was decided that the resolution should be referred to a committee and scheduled for public hearing. It is LR 218 and has been scheduled to be heard on Feb. 22, before the Banking, Commerce and Insurance Committee. As you can see, there is quite a variety of bills considered each week. It has been a busy, interesting session so far. The remainder of the session promises to be more of the same.

Panhandle proposal divisive gimmick

By M. M. Van Kirk, Nebraska Farm Bureau. What Nebraska doesn't need is to spend \$5,000 or \$10,000 or whatever on a legislative study and public hearings that would amount to divisive gripe sessions over whether the Nebraska Panhandle should seriously consider seceding and being attached to Wyoming. This gimmick has been kicked around for as long as most of us can remember, and those who spent most of our adult lives working and living in the Panhandle and some day "may go back home to western Nebraska" recognize it for what it is, something to have a little fun with as long as it doesn't get out of hand and isn't taken too seriously.

FARMERS AND ranchers certainly have nothing to gain from such a surgical operation, even if they live in the west end of Banner County and haul their wheat across the line to LaGrange.

The current furor indicates a certain lack of pride in our magnificent agricultural state and its splendid variety. There has been too much misunderstanding through the years between the rural and urban factions and a jockeying for advantages for each that have not been good for the over-all wellbeing of Nebraska.

People in Lincoln and Omaha too often do not understand the problems and realities of outstate Nebraskans, and particularly the rural areas. And conversely, outstate people often fail to comprehend the very real problems and the services provided by the cities.

The wagon ruts in the Oregon Trail through Mitchell Pass were put there when "Nebraska Territory" extended far up into what is now Wyoming, Wyoming and Colorado are uniquely superb in their own right, good friends and neighbors.

WESTERN NEBRASKANS will still travel to Cheyenne, Laramie and Denver and up to Glendo for weekend fishing. And folks from Southeast Wyoming will still enjoy coming to Scottsbluff for shopping and outstanding medical facilities. But there is no need to have hearings to study the feasibility of a "divorce and a future marriage" for our territorial boundaries.

Sometimes our "provincialism" does us harm. Nebraskans would do well to have greater knowledge and appreciation for all areas of their state. It is disappointing to find many people in eastern Nebraska who have never spent time in the Panhandle. East from Scottsbluff is National Monument and view Laramie Peak in Wyoming, 120 miles to the west. Let them drive up the Pumpkin Creek Valley along the Wildcat Hills to the Wyoming line and enjoy feeling "on top of the world."

Every Nebraskan would gain by visiting the "wheat country" of Kimball, Cheyenne, and Box Butte counties just before harvest, or travel up the North Platte Valley on a "blue haze" October day and see the great "hills" of sugar beets waiting to be processed.

EVERY NEBRASKAN, and that includes Panhandle residents especially, would enjoy visiting those parts of Nebraska that they may have missed through the years. Try an upper Elkhorn Valley ranch with the world's greatest hay meadows and flowing arroyo wells for the cattle.

Travel through the rolling hills that produce great soybean and corn crops in northeast Nebraska. In the fall there is nothing prettier than the milo fields of the southwester of Nebraska counties at harvest time.

And no one should ever miss traveling along the Republican Valley, noting its many historic points and its still developing agricultural capacity.

Lincoln is a beautiful capital city comparable to any in the nation and Omaha continues to be the justy center of trade and industry that put down its roots as a pathway to the West as a river town in the 1800s. Let's get on with settling and appreciating all of Nebraskaland.

### Farmers show heifer champ

Jack Slevers of Wakefield and Bellar Exotic Farms of Wisner recently showed the Grand Champion Percentage Heifer at the Southwest Chautauque Sweepstakes held at Fort Worth, Texas on Jan. 28. She was born June 1980 and is out of Wue Sky 1st Set. The Bellar Show string consisted of six head. Five received first place. The Sweepstakes was held in conjunction with the Fort Worth Fat Show.

### Ag institute set for youths

Applications to attend the 11th annual Nebraska Agricultural Youth Institute are now available from high school vocational agriculture instructors, home economics instructors, county extension agents, guidance counselors, or by contacting the Nebraska Department of Agriculture. NAYI gives 200 high school juniors and seniors a chance to exchange opinions and ideas on important issues and concerns of today's agriculture. Delegates selected to attend NAYI will come to Lincoln to interact with agricultural leaders, government officials, experts in many areas of agriculture and other involved agricultural youth.

### Seed, feed workshop set

Reducing the costs of seed corn and livestock feeds will be the topic of discussion for a workshop scheduled for Tuesday, Feb. 23 in Hartington. The event, again sponsored by the Small Farm Energy Project, will begin at 9:30 a.m. at the First Congregational Church. The morning session will include a panel of local farmers, a veterinarian assistant and Energy Project staff, discussing alternatives to high feed costs. Farm grown soybeans in the dairy ration, high lysene corn, alternate feeds for hogs, excluding soybeans and other feed topics will be included. The afternoon session, beginning at 1 p.m., will feature farmer Chuck Zangor of North Loup on the topic of on-farm seed corn production. Zangor has had many years of experience in seed corn production to reduce operating costs of the family farm. Several local farmers will also discuss their experiences. The public is invited to attend the workshop. Pre registration is requested by calling the Energy Project at 402-254-6893. A \$2 registration fee will be charge at the door.

### Contest on for Trucker's Queen

The search is underway for the young woman who will become the 1982 Trucker's Queen. The queen will be crowned at the annual Farm to Market Truckers' Day on May 7 at the Marina Inn, South Sioux City. Contestants must be at least 16 years old. Each contestant must be able to attend the press day event at 1:30 p.m. May 1 at the Marina Inn's pool room and be at the Trucker's Day event by 9:30 a.m. May 7. Each contestant also is required to have a Farm to Market trucker sponsor. There are no entry fees, but sponsors should provide transportation or purchase clothing for the contestant. Each contestant receives a gift and the queen will receive a horse chest filled with gifts. The queen will represent Farm to Market Truckers at numerous public events during her reign. Nominations must be submitted by April 23 and include the following information: Candidate's name, address, telephone number, school and grade; parents' name and address, and sponsor's name and address. Send information and a photograph to Ollie Thomas, 3100 Pierce St., Sioux City, Iowa 51104 (712-277-7911).

### Farm tax guide available

Today's modern farmer has many unique tax situations, and a free publication from the Internal Revenue Service can help answer the questions that arise from these situations. IRS Publication 225, "Farmer's Tax Guide," covers a wide range of subjects, such as soil sales, crop destruction, chicken purchases, casualty losses and share farming. Examples of how to prepare the Form 1040 and related schedules, and listings of important tax dates which affect farmers throughout the year are also included. "Farmer's Tax Guide" is written in a clear, understandable style and can be a source of valuable information for today's farmer, according to the IRS. This handy reference can be obtained using the order form in the tax package.

## Silo press field day

A FIELD DAY was held Tuesday and Wednesday afternoons at the Merle Ring farm east of Wayne. A presentation on sealed storage was given. On display were a Silo Press system and a Leslers building. A video presentation and details of the Silo Press were given as many area cattle feeders and farmers attended.

## His grandfather fed eleven

# Today's farmer feeds 78 people

Fifty years ago, the typical American farmer produced enough food on his 145 acre farm to feed 11 people—an average of one person for each 13 acres. Today, his grandson feeds one person on five acres of farmland, and is farming three times as much land as his grandfather. The grandfather fed 11 people from his 145 acre farm 50 years ago, the grandson feeds 78 people from his 450 acre farm today. In 1930, there were 13 million farmers and farmworkers. They harvested the products of 303 million acres which made up the then existing 6.5 million farms. Between 1930 and 1980, vast changes took place. Agricultural research produced a remarkable technology and manpower was replaced by machine power. A new generation of farmers arose—many college trained and armed with knowledge about science, business, and international affairs that their forebears never dreamed of. Farming became a highly specialized business geared to feeding an expanding U.S. population, which increased from 122 million people in 1929 to more than 229 million today. The average size of an American family today is 450 acres. There are only 2.3 million farms and 3.7 million farmers and farmworkers in the United States now. But they serve the food needs of the American people, as well as an estimated 110 million people throughout the rest of the world.

## Cow-calf seminar scheduled

Jim Wolf, rancher and cattle feeder from Albion, will identify "Challenges for the Beef Industry" is a talk at a Cow/Calf Seminar Feb. 22 at the Norfolk Livestock Market pavilion. Beef producers from northeast Nebraska are urged to attend the seminar, beginning at 10 a.m., according to Dr. Paul Guyer, University of Nebraska extension livestock specialist. Other topics to be discussed include Simplified Crossbreeding Programs, Improving Low Quality Roughages, Beef Herd Health Programs, Managing Calving Difficulties and Controlling Scours, Minimizing Cal Losses at Weaning and Preconditioned Cal Sales. Speakers include Dr. Lee Torkelson, Norfolk veterinarian; Melvin Andrews, vice chairman of the Nebraska Livestock Feeders' Association; Cow/Calf Council and NU Institute of Agriculture and Natural Resources specialists Dr. Duane Rice, Dr. Terry Mader, Dr. Jim Gosey and Guyer. The seminar is sponsored by the livestock feeders associations and the Cooperative Extension Service in Stanton, Madison, Pierce and Wayne Counties, along with the Norfolk Livestock Auction Co.

### WINTER TREE PROBLEMS

Winter drying is caused by the desiccation of foliage and twigs by warm winter days or dry winds. Trees and shrubs lose moisture all year round. Because of frozen plant tissue, frozen soil or lack of soil moisture, the trees lose more moisture than the roots can replace and the drying damage results. The injury is evident on the more susceptible evergreens in the later winter by a reddening or browning of the foliage. The dead branch tips on deciduous trees and shrubs are not evident until spring. A couple of precautions can be taken to reduce the potential damage: choose hardy species adapted to the area, mulch the soil around the trees to prevent freezing, and water the trees thoroughly in the fall and during the winter when the ground is not frozen.

### SUNSCALD AND WINTER BURN

Sunscald and winter burn are both caused by rapid drops in temperature after plant tissues have been warmed by the sun. Sunscald occurs on thin-barked trees such as maples, mountain ash and apple. Tissues beneath the bark are killed and the bark separates from the wood underneath. Trees can be wrapped with one of the many commercially available tree wraps, burlap or aluminum foil. Winter burn is the browning of the foliage on evergreens after the temperature drop has killed it.

### FROST CRACKS

Frost cracks form when unequal expansion and contraction of the wood occurs during rapid temperature changes. When tree trunks are quickly warmed after exposure to low temperatures, the sapwood regions expand more rapidly in the heartwood. This causes a split which eventually extends out through the bark. Frost cracks rarely heal completely because they reopen each winter. Little can be done to remedy a frost crack, but commercial tree wraps may help prevent them. Healthy trees also heal wounds faster.

## Young tractor drivers need two special state permits

Two special permits are needed for young tractor drivers to meet Nebraska State law and the Federal Department of Labor Standards. 1. Department of Labor Standards require boys and girls from 14 to 16 to have a special exemption permit if they are to operate a tractor or other farm implements for someone other than their parents. This permit can be obtained by completing a 24-hour course in tractor operation and safety. The county extension agents in Dakota, Cedar, Thurston, Wayne and Dixon Counties are providing a special training for this purpose to be held on Saturdays—March 20, April 3 and 10—at the Northeast Station near Concord from 8 a.m. to 4:30 p.m. each day. This is part of their 4-H Youth Development Program and is open to all youths without regard to race, color, or national origin. There is a \$5.00 registration fee for this training payable in advance. Those interested in receiving this training should register with their county extension agent prior to March 15. This training would be excellent for all youths who are driving tractors as the main emphasis is safe tractor operation and maintenance. 2. Nebraska State Law requires a special permit for all tractor operators: 13 to 16, to enable them to drive a tractor or other farm equipment on any Nebraska roadway. This permit can be obtained in two ways. 1. A temporary permit is available from the Department of Motor Vehicles for a \$1 charge. It is good for only six months and no test is required. It is especially good for those youths who will be 16 in six months. 2. A permanent permit is available for a cost of \$2. It is good until the age of 16. A written test, an eye exam, and a tractor-driving test, administered by the Department of Motor Vehicles examiners is required. A special test day to obtain this permit has been scheduled for April 3 at the Northeast Station near Concord from 9 a.m. to 12 noon. Special application blanks can be obtained from the local county extension agent.

## Farm financial outlook for 1982 may be repeat of 1981 decline

1981 was a difficult year financially for farmers and ranchers and 1982 could be much the same, according to a University of Nebraska agricultural economist. Dr. Ron Hanson, associate professor of agricultural economics, said 1981 was the second year in a row of depressed net farm incomes and also the second consecutive year that the farming sector failed to demonstrate any financial progress.

Since the increase in net worth or equity growth of farmers did not keep pace with inflation, their real wealth position or purchasing power declined still further in 1981. Unless farm prices recover early in 1982 and interest rates provide farmers some relief, the real wealth position may drop even further, he said.

THE FINANCIAL POSITION of the farming sector deteriorated in other respects as well, Hanson said. Farm borrowers had a slower rate of repayment in 1981, he said, and some lenders reported more payment delinquencies and loan defaults.

Most lenders also reported a decline in the overall credit quality of their current loans, yet few expressed any real concerns or worries about the eventual repayability of these loans, Hanson said. Many lenders still view their farm borrowers as being in a strong financial position with the capability to withstand these current economic conditions.

However, farmers already in a highly leveraged financial position face an entirely different situation, he said. These farmers may be faced with restructuring their farm's debt load—even at present high interest rates—or with reducing their farm operation size by selling off some assets to get their business back to a strong liquid position.

Although selling is certainly the last choice for any farm borrower, it may be the only choice unless current economic conditions improve quickly in 1982, Hanson said. "This may well be necessary so that the farm has the debt capacity or repayability to handle the farm's debt load and be able to generate the necessary cash flow to meet loan payments so they come due during the year," he explained.

HANSON LISTED other factors having an impact on the agricultural outlook for 1982. Farm assets. The value of all farm assets in the U.S. increased 7.1 percent in 1981 to \$1,177 billion. This increase is the smallest gain in either dollar amount or percentage since 1972 and fell below the 8.6 percent 1980 rate and far below the 15 percent rise in 1979.

Farm real estate alone accounted for \$895 billion or 76 percent of the total value of all assets. The increase in farm real estate values was responsible for nearly 70 percent of the total increase in all farm assets.

U.S. farm real estate values rose nearly 8 percent during 1981. This compares to a 9.9 percent gain in 1980 and a 14 percent rise in 1978 and '79. Low farm incomes and high interest rates are largely responsible for depressing the rate of increase in real estate values for 1981. 1982 should show a percent rise in land values.

Several factors explain the expected rise, Hanson said. First, low prices for land are willing to sell in a depressed land market and competition for these lands are likely to stabilize land values. Second, some sellers are willing to sell off land and assets at lower interest rates in order to free up a higher per acre selling price. Third, demand for farmland by nonfarm investors and by farmers with high off-farm incomes con-

tinues strong. "If economic conditions improve during the early part of 1982, land values should be much higher than 10 percent," Hanson said.

Farm debt. The total farm debt increased another \$20 billion and stood 11.4 percent and stood at \$194.5 billion at the start of 1982. This increase was below the 14.7 percent rise in 1980 and much lower than the average debt growth rate of 15.4 percent for 1977-'79.

FARM REAL ESTATE debt still accounts for 53 percent of total farm debt and is expected to increase about 10 percent during 1982, Hanson said. A decline in the number of farmland sales and an increase in land contract seller financing should keep the increase in farm real estate debt during 1982 similar to 1981's increase.

Non real estate farm debt could increase about 11 percent as farmers purchase the needed machinery and equipment that they have been putting off during the previous two years, Hanson said.

Net worth of equity. Net worth or equity in farm assets increased 7.3 percent in 1981. However, it was much below the nearly \$41 billion gain in 1979.

"This certainly illustrates the impact on the financial condition of the U.S. farming sector when farm debts increase at a faster pace than the rise in farm asset values," Hanson pointed out.

MORE IMPORTANTLY, he added, the real wealth position declined about 1.5 percent during 1981. Though not expected, a continued reduction in real wealth for the farming sector is possible in 1982. The nominal real wealth position of the farming sector is expected to rise about 1 percent in 1982.

### Sales trophy

KENNETH HALLER of Winside, right, receives a district runner-up trophy from Gary Blöcke, Crow's district sales manager, left. The awards were made to Haller for his entries in the 1981 CornMaster Yield Project, sponsored by Crow's Hybrid Corn Company, Milford, Ill. The district runner-up trophy came on a yield of 139.9 bushels, number 2 corn per acre from Crow's 444, a mid-season hybrid. The award was made at a project program held recently in Storm-Lake. This program was one of 12 awards meeting which included a special program on corn research and management that were held throughout the Cornbelt during January to honor more than 500 entrants in the project. Highest yield in the project came from Ted Hahn, Toluca, Ill., who received an A.F. Crow Founder's Trophy for his winning entry, the award being named in honor of the founder of Crow's Hybrid Corn Company, the late A.F. Crow. Hahn's yield was 254.7 bushel, number 2 corn per acre from Crow's 444, a mid-season hybrid. Crow's yield project is held each year to provide an opportunity for farmers throughout Crow's sales area to compete for recognition and to exchange corn growing and management information. Crow's distributes its seed corn through a network of 1,900 dealers in 12 cornbelt states.

### Wayne Feed award winners

JOHN AND GAYLENE Nitzman, Feeder's Elevator of Wayne, were presented an award in recognition of their contributions to livestock and poultry production. Nearly 90 Wayne Feed Dealers and their wives attended the Wayne Feed Division's 1981 President's Marketing Council business seminar at Barbados, West Indies, in January. Each dealer was presented with an award for outstanding marketing services during the past year. Presentation of the memento was made by Donald L. Staheli (far right), executive vice president of Continental Grain Company, and Dale F. Larson (left), senior vice president and general manager of the Wayne Feed Division.

## Soil expert urges planning for cropland conservation

Now is a good time for farmers to be planning their soil and water conservation needs for the coming cropping season, according to Verlin Francis of the Soil Conservation Service.

With the recent announcement of a feed-grain set aside program, farmers should be thinking about what part of their farm may be placed into this program.

It may be desirable to convert some of the steeper cropland to pasture or hayland. There may be small areas of steeper slopes or low productive soils within a field that could be planted to grass and used for grazing along with crop residues in the fall. Set asides are also a good place to plant for summer installation of sprays, irrigation pipelines or other needed conservation practices, according to Francis.

Farmers should be aware that there are also income tax benefits that can be obtained by installing conservation practices. Information on these provisions can be obtained from the Internal Revenue Service or a tax consultant.

It is good to have a long-range plan for the conservation of soil

and water resources. But it is more important to make some progress each year toward carrying out the plan.

Farmers interested in getting a free conservation plan for their farm, or who would like to visit about plans for the coming year, can contact the Soil Conservation Service office in Wayne.

### 4-h news

**SOUTHSIDE DAIRY**  
The Southside Dairy 4-H Club had its meeting on February 1, 1982. A discussion was held on how to take care of a calf and what to do with it.  
Lunch served by Mrs. Hayden. The next meeting will be held on March 8, 1982 at Mr. and Mrs. Bauermeister.

The Spring Branch 4-H Club met at the Hoskins Public School the evening of Feb. 8. Leaders present were Mr. and Mrs. Dennis Puls and Mr. and Mrs. Harold Wittler.  
Turena Walde, president, opened the meeting with the 4-H Pledge.

New officers elected for 1982 are Russel Puls, president; Erin Marotz, vice-president; Ann Meijerhenry, secretary; Joan Bevilacqua, treasurer; and Kay Meijerhenry, news reporter.

Mrs. Puls and Mrs. Wittler served refreshments.  
The next meeting will be on March 8, the place of the meeting to be announced later.

## HOW TO TAKE THE TEETH OUT OF INFLATION WITHOUT FEELING THE BITE OF FEDERAL TAXES.

### Introducing the One Year Tax-Exempt Certificate.

If you hate paying taxes as much as you hate inflation, you'll love this new One Year Savings Certificate.

It lets you earn up to \$2,000 of tax-free interest if you open a joint Federal return, up to \$1,000 of tax-free interest on individual Federal returns.

And no one — anywhere — is authorized to pay you more interest on this One Year Certificate than State National Bank. On a minimum deposit of \$500, our One Year Certificate pays 70% of the current one-year U.S. Treasury Bill rate. Which is no small potato.

And, because of its unique tax-free status, our One Year Certificate could be

far more profitable than other savings options.

In addition to a guaranteed return for one year, it also provides the most security. Because inside the State National Bank, your deposits are insured for up to a total of \$100,000 by the FDIC. While many non-bank investments are simply not insured.

If you're interested in earnings up to \$2,000 tax-free, call or visit with the professionals at the State National Bank. For high-yield savings and solid advice, we're all the bank you'll ever need.

## Huffs and puffs

STEPHANIE TORCZON of Wakefield plays her tuba in the West Husker Junior High Band Festival held Saturday at Wayne. Schools represented were Wayne, Wisner-Pilger, Winside, Emerson-Hubbard, Wakefield, West Point C.C. and Harlington Holy Trinity.

### BENEFIT FOR BAND

Crazy antics by beast and man will be the main attraction at a donkey basketball game at the school auditorium on Friday night, March 5.

The Wakefield High School Band is sponsoring Bob Crosby's Donkeys as a fund raising project of the group to help pay for their trip to Colorado in late May.

It was rumored that a donkey named Dudley, alias Doctor "D", was recently in town to try out for the team or possibly to scout the riders.

Team captains announced last week are Lowell Johnson, for a farmers' tea, Larry Clay is representing the school board; Elise Studer for the school faculty and Ray Lund is captain of the businessmen's team.

Advance tickets can be obtained from the school office beginning Friday. Trojan band members will begin selling the tickets Friday, Feb. 26.

### FRIENDLY TUESDAY

Seven members of the Friendly Tuesday Club met Feb. 9 at 2 p.m. with Mrs. Joe Anderson. Guests were Edith Johnson of Emerson and Mrs. Jerry Bodlak of Thurston.

Eleanor Park presided over the meeting in the absence of Ruth Lempke, president.

Roll call was a current event. Bertha Anderson had the program on "Old Songs and Their Origins."

Clara Holtruf gave reading "Changing the Border Line of Nebraska."

A birthday card was signed for Veggie Holtruf and cards were sent to Ed and Joe Anderson in the Emerson Care Center. The meeting closed with the reading of Collect in unison.

A Valentine lunch was served on a decorated table with a floral centerpiece from Mrs. Anderson's daughter, Mrs. Bodlak.

Mrs. Alvern Anderson will host the Tuesday, March 9, meeting at 2 p.m. They will have a baked goods and gift exchange.

### DISTRICT CONVENTION

The American Legion Auxiliary met Feb. 8 at 8 p.m. at the Legion Hall. They made plans to host the District 111 Convention to be held Saturday, March 27.

Mrs. James Gustafson, president, conducted the meeting.

Ladies in the district will hold their meeting at Salem Lutheran Church with Mrs. Laura Tipperly, president, presiding. The Legion will meet in the Legion Hall with Art Heinemann, commander, in charge.

The auxiliary has set a tentative date of Friday, March 12, to have a potluck supper in honor of the Legion's birthday. An initiation of new members will be conducted at the March meeting and a girl will be sent to Girl's State.

The Auxiliary will present a flag to the Senior Citizens and to the Waldbaum Day Care Center.

Mrs. Benton Nicholson, Mrs. Iris Larson and Mrs. Mildred Lundahl served. Mrs. Alice Johnson gave an impressive talk on her trip to Freedoms Foundation at Valley Forge, Pa. and spoke on the freedom wall and a grove of trees dedicated to the nation's living and deceased Medal of Honor recipients.

The next meeting will be Monday, March 8, at 8 p.m. at the Legion Hall.

### LETTERS MAILED

Letters to all Wakefield High Alumni were mailed last week, according to Marcia Kratke, president of the alumni association. There were 27 members of the alumni committee folded, addressed and stuffed the letters at the Graves Library Feb. 9.

Approximately 1,700 letters were sent to 43 states, Africa, England, Sweden, South American, Japan and Canada.

The alumni banquet will be held July 3 at the school and tickets may be purchased by June 1 for those wanting to attend. If anyone who hasn't received an invitation please contact Mrs. Kratke.

### PANCAKE SUPPER

A pancake supper for the public will be held at the Wakefield Health Care Center on Monday, Feb. 22, from 6 to 8 p.m. in the extended care wing dining room. Proceeds will be used for the care center resident activities fund.

Flipping the pancakes will be members of the hospital board, John Viken, Norman Minola, Weldon Schwartz, Joyce Kuhl, Willis Kahl, Kenneth Packer, Alvin Sundell and Bud Erlandson.

Cost of three cakes and three sausages will be \$2.25 with refills on pancakes. A short stack of two pancakes and two sausages is \$1.75. The prices include coffee, tea or milk.

### BIBLE STUDY

Eight ladies of the St. John's Lutheran Church Bible study met on Friday at 2 p.m. with Mrs. Kenneth Baker.

For the lesson they listened to a record "How to Visit a Sick Person." Then they discussed it.

Mrs. A.D. Brown will host the Friday, March 12 meeting at 2 p.m.

### Christian Church

## Response Line

#2 IN A SERIES

**Q. Fuel is a major cost in electrical generation. What is NPPD doing to control these costs?**

**A.** We recently reduced coal and oil inventories at several of our generating facilities. This resulted in a one-time savings of more than \$10,000,000. This savings is being passed along to you as lower overall operating costs and all such costs are reflected in electric rates.

**Q. How do NPPD electric rates compare nationally?**

**A.** A survey completed in 1981 showed that NPPD retail rates were well below the average rates of 100 utilities across the nation. In fact, NPPD rates were in the lower one-third of all the utilities studied. This study confirms that despite recent increases electric rates paid by Nebraskans are still among the lowest in the nation — as they have been for many years.

**Q. What effect do federal regulations have on our electric rates?**

**A.** Federal regulations have made a substantial impact on electric costs. Over the past several years NPPD can document expenditures of millions of dollars to meet federal environmental and safety requirements at power plants. These costs must be passed along to customers in the form of higher rates.

**Q. Why are summer rates for electricity higher than winter rates?**

**A.** Because summer is the time of "peak" electric demands. During these months Nebraskans use more electricity — primarily for air conditioning and irrigation. To meet this peak demand, NPPD must build and maintain generating facilities that may be used very little during other times of the year. Our policy is that customers who create the higher demand should help pay for it. Therefore, the more electricity NPPD's retail customers use in the summer, the wider the difference will be between summer and winter rates. If you have a supplier other than NPPD, the same situation could be true.

If you want more information on these or other subjects relating to NPPD, contact your nearest NPPD office or write: Division of Public Affairs, Nebraska Public Power District, P.O. Box 499, Columbus, NE 68801.

**H&R BLOCK TAX TEST**  
Question No. 9  
Income averaging can save you money. But only if you make more than \$30,000 a year.  
 True  False  
What you don't know about income averaging could cost you money. H&R Block knows that no matter how much you make, if your income went up substantially last year you may be able to income average. We'll take advantage of this if it's to your benefit. The answer is FALSE, since there is no minimum amount of income required to qualify.
