Home Health Care

An alternative choice in the health care system

By LaVon Anderson

A relatively new concept of health care which began three years ago in Wayne is growing.

Home Health Care, designed to provide skilled nursing to homebound persons within a 25 mile radius of Wayne.

Under the auspices of Lutheran Community Hospital in Norfolk, Home Health Care began as a satellite program at Providence Medical Center in Wayne.

The program is designed to provide skilled nursing to homebound persons who require the skills of a registered nurse but do not need to be in a hospital or nursing home.

MABEL KARNES, is one of about 25 patients currently receiving Home Health Care services.

Mabel feels that she may not have been able to return to her home if not for Home Health Care.

Once a week a registered nurse, Ann Witkowski of Wayne, visits the 79 year-old Laurel woman in her home.

Mrs. Witkowski is one of two registered nurses who work part time for Home Health, and she feels the service is definitely growing in contrast to other services being cut.

"TWO YEARS ago Medicare put a limit of 100 on the number of Home Health Care visits we could make per year," said Mrs. Witkowski.

"Recently that limit was dropped," she said, adding that now there are no limits on the number of visits made per year.

"It's becoming more of a choice in the health care system," she added.

SERVICES PROVIDED by Home Health Care must be ordered by a physician.

The nurse keeps in constant contact with the doctor following out his plan of care.

"The doctor chooses the plan of care," said Mrs. Witkowski.

His plan of care may call for twice a day, daily or weekly visits. "It depends on what the patient needs."

TO DATE, about 2,100 home visits have been made by Mrs. Witkowski and Betty Reeg, both registered nurses.

Their visits average about 90 per month.

Most of the patients are first seen after coming home from the hospital, explains Mrs. Witkowski.

"This is a crucial time for adjustments to be made for any chronic illnesses," she says, adding, "skilled nursing helps promote continuity of care and provide knowledge and skill which help in this adjustment period."

SOME OF THE skills Mrs. Witkowski and Mrs. Reeg provide include dressing changes, giving injections, catheter care, drawing blood for lab work, and teaching and monitoring diabetics in their homes until they are stabilized.

They also can help patients with new colostomies become accustomed and

comfortable with their daily care.

And, said Mrs. Witkowski, many patients with long term chronic diseases can be helped to live a fuller life within their limitations with some guidance in their home.

MRS. WITKOWSKI said many patients on oxygen use at home need supervision to prevent pulmonary and cardiac complications as well as teaching safety measures in continuous oxygen therapy.

"Supervising medications and noticing side effects of too little or too much of a certain medication and reporting these signs to the physician also is an important skill," said Mrs. Witkowski.

"The nurse also serves as a liaison between patient and the physician in evaluation of the patient's total health care needs," she adds.

A HOME HEALTH CARE nurse's job also involves a lot of education.

"Hospital nurses are more adept at taking care of the acute or immediate needs of a patient," said Mrs. Witkowski.

"Home Health Care nurses educate the family members on how to take care of health problems," she said, adding that the visits also help prevent recurring health problems.

"Our jobs also include observing patients and counseling them," said Mrs. Witkowski.

MRS. KARNES appreciates the weekly visits from Mrs. Witkowski.

"It's reassuring to know that Ann's visits may prevent any further complications," said Mrs. Karnes.

"We've gotten to know each other pretty good. She's been so good to me," she smiles.

HOME HEALTH CARE is available only with a physician's order, stresses Mrs. Witkowski, adding that in some cases it is another interested person (friend, neighbor or relative) that first makes the request.

Presently Home Health is used most by older patients as follow up care on their dismissal from a hospital.

Of the 25 patients visited by Mrs. Witkowski and Mrs. Reeg, about 95 percent are over the age of 65. The second biggest age group is between 45 and 65 years of age.

HOME HEALTH is not an emergency service, Mrs. Witkowski points out, but a scheduled one, specifically designed for persons who are home bound or for whom it is difficult to get out.

The patient, however, must be able to care for himself or have someone in the home to help him.

Mrs. Witkowski said the caretaking person (usually a family member) of the terminally ill patient who chooses to die at home, can be assisted in pain management, prevention of such problems as bedsores, elimination problems, dehydration, problems with nutrition, and helped with obtaining supplies and getting aid from other sources such as the American Cancer Society.

"Continual support and reassurance

are important aspects of providing care for the dying at home," said Mrs. Witkowski.

FREQUENCY OF visits is determined according to the medical needs of the patient as determined by their doctor, Mrs. Witkowski said. In addition to skilled nursing, other services provided through Home Health

Care include a registered speech therapist and a physical therapist to rehabilitate stroke victims or post surgical patients after such surgery as hip pinning.

"Working with patients in their home setting has proved extremely beneficial both to the patient and to the family," Mrs. Witkowski points out.

"No medication can provide the healing which can come from being in your own home," she adds.

PATIENTS WHO have continuing care at home must be recertified every 60 days by their doctor, Mrs. Witkowski said, while other patients have only a minimum number of visits prescribed by their physicians.

Mrs. Witkowski said the program is fully certified by Medicare and Medicaid, who pay 100 percent for qualifying persons.

She said most insurance programs, especially major medical and group plans, also will pay 80 to 100 percent.

Congressman here

Bereuter talks to American Public Policy class at WSC

First District Congressman Doug Bereuter made a brief stop in Wayne Friday afternoon as part of a scheduled district work period which began April 11.

Bereuter addressed the student American Public Policy class at Wayne State College before attending a luncheon meeting with the Norfolk Chamber of Commerce.

Only about a dozen students were present to hear Bereuter and ask questions ranging from the budget deficit to the Falkland Islands crisis.

BEREUTER TOLD the students he was most interested in discussing the budget deficit and how it will be handled.

"Generally," said Bereuter, "I'm here to discuss the state of the economy today."

Bereuter said there is less activity on the floor of the house this year than in a decade. "That's not by accident," he said, "but by design."

"**LEADERSHIP OF** the house is not interested in discussing the fiscal policy," Bereuter explained, adding that polls indicate that if elections were held today Republicans would lose 24 to 42 seats in the house.

"There's a deliberate delay in acting on the fiscal deficit," said Bereuter. "But, it's not a Republican party conflict."

BEREUTER POINTED out that although many persons suggest cutting domestic programs as a way of reducing the budget

deficit, less than 20 percent of the budget is directed toward those programs.

"There are no easy answers," the congressman said.

"It must be done in a sort of comprehensive package so everyone can say the misery is being shared."

Bereuter added that any kind of alternatives will be unpopular.

BEREUTER SAID he feels there are two major factors which are keeping the interest rates high.

"The financial structures of this country do not have confidence in the ability of the government to bring fiscal control," said Bereuter.

Secondly, he said, 37 percent of the money available for borrowing goes for federal purposes.

AS A BIT of good news, Bereuter said the prime interest rate in the past 15 months has dropped from around 21 1/2 percent to about 16 1/2 percent.

And, he said, the inflation rate has seen a decline from around 11 to between 6 or 7 percent in the same time.

"We still have some very substantial problems," said Bereuter, "and if we don't take action on the deficit problem we will move from a recession into a depression."

Lodes to practice dentistry in Wayne

Gene Lodes, 27, will practice dentistry in the Wayne office of Wessel-DeNaeyer beginning in early June.

Lodes will be graduated in early May and will take his board exams. The Sidney native did his undergraduate and graduate work at the University of Nebraska at Lincoln.

Dr. Wayne Wessel indicated that Lodes and his wife Meg will be looking for housing in the Wayne area. "They are a really fine, young couple and will make a fine addition to the community."

Meg's father is acting dean at the Lincoln Law School, and Gene and Meg are tennis players.

news briefs

Bornhoff passes bar exam

Todd Bornhoff of Wayne received notification this month that he passed his Nebraska bar examination. Bornhoff's first opportunity to take the exam was Feb. 24 and 25, and he received notice April 6 that he had passed. Bornhoff, 28, is a partner in the law office of his father, Budd B. Bornhoff, 117 Main St. A 1972 graduate of Wayne Carroll High School, Bornhoff is a 1976 undergraduate of the University of Nebraska-Lincoln. He worked two years as an accountant at Iowa Beef Processors before entering UNL Law School in 1979. He was graduated from law school in December 1981. While attending law school, Bornhoff worked a year in the Lancaster County Attorney's office in Lincoln. He and his wife, the former Carolyn Hynek of North Bend, moved to Wayne in March.

Tri-Cog birthday breakfast

A host of dignitaries, highlighted by Gov. Charles Thone, will celebrate the 10th anniversary of the founding of the Tri-County Council of Governments (Tri-Cog) in northeast Nebraska, according to John Young, chairman. The birthday breakfast will be held at the Laurel auditorium at 9 a.m. on May 3. Gov. Thone was instrumental in the formation of Tri-Cog when serving as a congressman from that area. Tri-Cog is comprised of city and county governmental units from Dixon, Cedar, and Knox counties assisting in planning and coordination of services.

Breakfast planned for Keck

Interested persons in Wayne County are invited to attend a reception and breakfast today (Monday) for Republican Senatorial candidate James Keck of Omaha. Mrs. Faye Mann, Wayne County Republican Chairman, said the breakfast will be held from 7 to 10 a.m. in the Wayne Woman's Club room. There is no charge, and no advance reservations are necessary.

Farm Bureau meeting today

There will be a Farm Bureau meeting today (Monday) at 8 p.m. in the Farm Bureau office.

FUTURE FEEDERS

The Future Feeders 4-H Club met April 5 at the Northeast Station near Concord.

Seven members and one new member, Craig Forsberg, attended.

Members discussed a tour to the Iowa Beef Processing plant in June. They also discussed community projects and viewed a slide program on pollution, garbage, junk and man.

Lunch was served by the Smiths and Kardells.

Next meeting is scheduled at 8 p.m. May 3 at the Northeast Station with Carlsons and Erwins serving.

Q. I understand that the dividend and interest exclusions for federal income tax have been changed. Can you explain what those changes are?

A. Under an act passed in 1980, an exclusion for both dividends and interest was established for 1981, totalling \$200, or \$400 for a joint return. Unfortunately, that law had a lifetime of exactly one year. Beginning with the 1982 taxable year, and carrying through 1984, only an exclusion for dividends in the amount of \$100, and \$200 for a joint return will remain. However, beginning in 1985, an interest exclusion of 15 percent of up to \$3,000, or \$6,000 for a joint return, will take effect. This exclusion will be limited to the lesser of 15 percent of \$3,000, or the amount that interest received during the year exceeds interest paid out (excluding interest paid on home mortgage or in connection with a trade or business), in other words, until 1985 you will be entitled only to a dividend exclusion as explained above, but an across-the-board interest exclusion in 1985 and after.

Or Drop It Off at the Wayne Herald, Wayne, NE

...by randall howell

country boy...

Howdy.
The time has come to say good-bye. And, believe me, I don't do very well with good-byes. The friends my family and I have made in Wayne need particularly difficult to leave. We will miss you, dear readers. But, the prairie soil of South Dakota beckons.

IF THINGS GO as planned, I should be astride a tractor on Monday, turning over the earth for this year's planting. Even though there is sadness in my heart at leaving Wayne, I cannot remember when I've been as excited as I am about our new life on the farm.
And, though I've made it a rule in my newspaper career to avoid writing about my family, I need to tell you that my women — all four country girls — are excited, too.
At 9 months old, country girl Shyla has discovered the wonders of baby chicks.
Dear friends of ours, Darrell, Diane and Ely Mueller, presented us with our first flock of little layers this week.

THE SIX LITTLE balls of yellow fluff will be traveling with us to South Dakota for a new home.
Eventually, they will produce our first farm grown breakfast eggs.
And, at 4 years old, country girl Danielle has been supervising the feeding and safety of our two little black Labrador farm dogs.
Sparky and Blacky, both abandoned by their previous owner, have come into our lives through the help of The Wayne Herald bookkeeper, Linda Granfield and Dorothy French.
Linda spotted the puppies the other night along a county road west of Carroll.
BY THE TIME I got to them the next day, a passing power company lineman had delivered the two of them safely to the Darrell French family farm west of Carroll.

A third pup had been hit by a car before the lineman got to them. But Sparky and Blacky were waiting for us at the French farm.
They, too, have been getting ready for the move to the Howell farmstead near Aberdeen, S.D.
And, Cassidy, the eldest of the country kids at 6, has been getting an education in dairy goats and dairy goat kids.
Our friends, Cindy and Roger Willers of rural Wayne, have given us the opportunity to start our own dairy goat operation in South Dakota.

A MILKING DOE and a week-old doe kid will be traveling with us to the old homestead.
Both are purebred Nubian dairy goats from Cindy's herd northwest of Wayne.
We plan to be back through the area this fall to pick up a purebred Nubian buck to get the herd off to a good start.
While Cassidy has been learning about dairy goats, she's also been eagerly awaiting the arrival of two kittens from our friends Dee and Kathy Luft of rural Wayne.
Kathy has a couple of special kittens that she claims will strike terror in the heart of any South Dakota field mouse.

THE LUTT'S ALSO have contributed three ducks, a drake and two hens, to start our flock in the slough just west of the Howell farmstead.
If we get them up there in good shape, the two hens should set a couple of times to get us rooting before fall.
It's quite a menagerie.
In fact, my wife Randy, who's a North Dakota country girl, has suggested that we might want to consider trail driving the livestock to Aberdeen.
Cassidy has volunteered to ride the goat, but we've had to explain to her that it ruins the milk production.
Danielle's convinced the puppies will help her herd the baby chicks, but then she's never had to chase a chicken before.

ALL IN ALL, it should prove to be an interesting ride with ducks, chicks, dogs, cats, goats and kids.
Can you imagine what it's going to be like making pit stops along the way.
Randy and I have started to realize why the pioneers only made a few miles a day on their trek west across this country. We'll be lucky to get loaded up and out of town over the weekend.
No matter what happens, though, it's going to be an experience that should provide fuel for dozens of Country Boy columns over the next few years.
I hope to continue writing Country Boy, offering it to small country newspapers throughout the Dakotas and, hopefully, Nebraska.

AND, THOSE COLUMNS that seem to work right, will be earmarked for a collection of Country Boy stories that may find their way into a book someday.
And, in that regard, I want to thank you, dear readers, for your encouragement over this past year.
So many of you have taken the time to offer your support for what Country Boy represents.
Country Boy has been the most difficult, and most enjoyable, thing I've ever done.
The columns have been so much a part of what's near and dear. At first, I was reluctant — and downright scared — to share those thoughts.
But, I soon overcame much of my fear when readers, like yourself, offer so much encouragement.
YOU HAVE GIVEN ME the opportunity, and the support I've needed, to develop more maturity as a writer.
And, for that I'm eternally grateful.
I have gained the confidence that I feel I need to explore so many other dimensions of the rural life we all have come to love.
I don't know how to thank you. And, perhaps the best tribute that I can offer is the promise that I will continue to write about

people like you and people like me.
I will do my best to capture the thoughts and feelings that make us who we are.
And, I will do it with a positive pride...for I am proud that you have allowed me, and my family, to come and live among you for a little while.

THE WAYNE AREA will always be our second home.
And, because you opened your doors to us, we want you to know that our door will always be open to you.
As we build our new life together, we will think of you often. You helped us find the strength to go on at a time in our life when the world about us was in shambles.
We shall never forget that.
And, we have made a solemn promise to be forever willing to reach out to others, just as you reached out to us.
We have worked hard. And you have worked hard to make each and every one of us feel loved and accepted.

WE WILL CARRY that love with us in the challenges that come with our tomorrows.
It is impossible for me to thank each and every one of you individually. So, please accept these words as a special expression of gratitude from me and from my country girls.
And, a special thank you to my staff.
It has been a trying year for them.
Working for a country boy is not easy, nor was it intended to be.
But, they all gave it their best shot.
I ask you, dear readers, to give them your support as they carry, facing the challenges of new tomorrows for The Wayne Herald.
May a gentle breeze part the prairie grass on the pathway to your tomorrows.
Good-bye and may God bless you.

letters

To the editor:
This letter is in reply to the letter in your April 15 issue concerning "R" movies.

First of all, the Motion Picture Association of America sets the guidelines for their motion pictures, and it is their job to enforce their guidelines to whatever extent they deem necessary, not the State of Nebraska or the local police department.

Second of all, if parents don't like their 14 year olds going to these movies, I think it is their job to keep them at home.
In regard to the high school prom shows, most of the students that will attend the shows are 17-18 years old. These students had their choice of shows, but what a choice "On Golden Pond," "Robin Hood," or a double feature "American Werewolf in London" and "Halloween II." Both of these are outstanding movies in suspense and special effects.

Of course, "On Golden Pond" is a very good movie, but it has already played three weeks in town, so why see it again.
Trash these days is not thrown at our youth. Trash to one person is another person's enjoyment of artistic ability and expression. To me there is no need for argument.

viewpoint

A positive step

The move to set a uniform price for season tickets to the Wayne Municipal Swimming Pool is a step in the right direction.
It may seem like an incidental thing to many, but it is powerful as a symbol of increased understanding between rural and urban residents in the Wayne area.
There is no question that the city built the pool with funds from the pocketbooks of municipal taxpayers.
And, those who continue to feel the pool should remain a special privilege for city residents simply do not understand the mutual benefits that can be brought about through an even-handed relationship between urban and rural residents.
There is no question that the City of Wayne would be in serious trouble in a number of areas were it not for the support of rural residents.
And, there is no question that the rural residents in and around Wayne County would find life more difficult were it not for the services offered by urban residents.
Any barrier to the building of an urban-rural relationship that endures as a foundation for progress needs to be eliminated if the economy, and hence the quality of life, in this area is to continue to be desirable.
Wayne area residents, both urban and rural, have much to offer each other when they work together in an even-handed, straight-forward manner.
Both have plenty of opportunity to preserve the uniqueness of their own living environments while working closely to build a better community.
One of the exciting things about this area is that, more often than not, the community is a healthy mixture of urban and rural residents who feel a common sense of purpose and fair play.
In that respect, the previous split fees at the city swimming pool had become somewhat counter-productive.
Perhaps City Councilman Darrel Heier put it best when he said the city may have been "penny wise and pound foolish" in having the split rates that forced rural people to pay more at the pool.
City Administrator Phil Kloster also has been a strong advocate for a straight urban-rural fee for residents of the area using the facility.
When it came to a vote, the entire Council supported the move to equalize the 1982 pool rates.
Each and every member deserves commendation for having the courage to correct the error in past policy.

Bill fails to advance Church school controversy continues

After a year's effort to try to get a Christian School bill passed, LB 652 failed to advance to final reading this week.
The controversy over private church schools in Nebraska will probably continue next year if we cannot get the issue resolved this session.
We will have one more opportunity to vote on the bill on select file in the next few days. If it fails again, the proposal automatically dies. I am confident that we can find a solution for Christian Schools to operate legally in Nebraska.

Other senators criticized the bill and said that it would lead to accredited church schools lowering their standards.
The Legislature trimmed the major appropriations bill by \$9.6 million, setting the proposed state budget at \$739.5 million for the next fiscal year.
Lawmakers approved an amendment that would set the state sales tax rate at 3.5 percent. The half-cent increase would become effective on May 1 and December 31. The State Board of Equalization is expected to raise the individual income tax rate from 15 to 17 percent when they meet later this month.
The sales tax increase will ease the state cash-flow problems. The state will collect \$20 million less in tax revenues this fiscal year than was originally projected.
Those cash problems are a result of a faltering Nebraska economy that has produced far less sales and income tax revenues than was expected last November when rates were set.

THE BILL WAS viewed as a compromise which would exempt church schools from teacher certification requirements if their governing boards notify the state that the regulations interfere with their religious beliefs.
An amendment was approved that would establish minimum educational standards of at least 60 college credit hours to teach elementary classes, and 120 credit hours to teach high school students. The teachers

Bereuter visits district Spring recess time for travel

This week I will be traveling throughout the First District meeting with constituents to discuss issues of concern to them.
My Spring Recess agenda includes:
• visits to the Vietnam Veterans Outreach Center in Lincoln, the Norfolk Housing Authority, the Madison Senior Citizens Center, the Petersen Visa-Grip factory at DeWitt, and Lincoln's Opportunities Industrialization Center;
• participation in a student convocation at Palmyra High School, a government class at Nebraska Wesleyan, and a public policy class at Wayne State College;
• discussion with members of the Nebraska City Optimist Club, the Lincoln Chamber of Commerce, the Production Credit Association, the Lincoln Executive Club, and the Norfolk Chamber of Commerce.

Earlier this year, 30 Nebraska Agricultural Leadership Council Fellows visited Washington and participated in a Leadership Education/Action Development (LEAD) Program.
I had an opportunity to talk with the group about "effective lobbying" at the National Council of Farmer Cooperatives.
OZONE CUTS YIELD. — New data developed by the National Crop Loss Assessment Network reveals crop estimates far higher than those previously used for damaging effects of air pollution on farm production.
Ozone, which is formed when hydrocarbons from burned fuels react with the sun's rays, is cutting the yield of corn, wheat, soybeans, and peanuts by about \$3.3 billion annually — a tenth of the total value of those four crops.

The Mighty Mo

Last week I was pleased to learn that the first barge of the season is operating on the Missouri River.
Increased use of the Missouri River to move our agricultural products to market makes good energy sense and lowers the cost of transportation.
Lower transportation costs can benefit Nebraska farmers by making our feed grains and other products more important in both domestic and foreign markets.
I think Gov. Charles Thone deserves a lot of credit for attracting the attention of the water transportation and shipping industry to greater use of the Missouri River.
It was Governor Thone who called and conducted the first ever "Governor's Conference on Increased Use of the Missouri River" in the Spring of 1980.
As a direct result of that conference, the Sioux City and New Orleans Terminal Corp. made a major commitment of capital to expand its port facilities along the Nebraska-Iowa portion of the Missouri River.
In addition, the Army Corps of Engineers has increased its efforts to maintain the Missouri at a 9-foot deep channel throughout the shipping season.
Hopefully, more and more shippers will follow the governor's lead and make greater use of this natural and energy saving asset called the "Mighty Mo."
Increased agricultural exports will help the state's economy and the pocketbooks of Nebraska farmers and I am certainly glad to see the Missouri River in full swing once again.

briefly speaking

Council meeting at Wayne

The annual meeting of the Prairie Hills Girl Scout Council will be held this year at Wayne State College on April 22. This also is the date of the first annual National Girl Scout Leader Day.

The purpose of the meeting is to conduct business of the Council, elect new members to the Board of Directors and to the Nominating Committee, and also to give recognition to outstanding volunteers.

Wayne residents nominated to serve on the Board are Mrs. Mike Perry as a vice president, and Ralph Barclay and Robert Jordan as members at large. Nominated for the nominating committee is Mrs. Robert Jordan.

Questers elect officers

Confusable Collectables Questers Club elected new officers at their April meeting, held last Monday evening in the home of Gert Thomas.

New officers for 1983-84 are Twila Claybaugh, president; Loretta Tompkins, vice president, and Gert Thomas, secretary-treasurer.

Eight members attended the meeting. The program, "This Old House," was given by the hostess. The story of the opera house was read from The Wayne County History.

Tentative tour dates of June 2 or 9 were discussed.

Loretta Tompkins will be the May 3 hostess at 8 p.m.

Pro-Life Convention slated

Local chapters, Wayne, Madison, Antelope, Lindsey and Park, representing the 40 chapters of the Nebraska Coalition for Life, will host the 1982 State Pro Life Convention.

The convention is scheduled April 30, May 1 and 2 at the Villa Inn in Norfolk.

The state convention will consist of an opening session, two days of workshops, noon luncheon, dinner banquet and a prayer breakfast. It will feature both national and state pro-life leaders and will be addressing a wide spectrum of subjects.

Among the speakers will be Jane Muldoon, former vice president of National Right to Life, and Mary Jo Heiland, a well known authority on Planned Parenthood.

A total of 20 workshops will be presented and an opportunity to meet Nebraska's political candidates.

Laurel couple wed 61 years

Mr. and Mrs. Elmer Lyons of Laurel celebrated their 61st wedding anniversary last Monday.

Sunday afternoon visitors in their home were Mr. and Mrs. Irving Hanson and daughters, Silver Creek, and Monday coffee guests were Mrs. Ed Grone, Wayne, and Mr. and Mrs. Bert Lutz, Mr. and Mrs. Morton Fredrickson and Mrs. Frieda Winters, all of Laurel.

Participates in fashion show

Mona David, daughter of the Rev. and Mrs. John David of Huskiny, participated in the fifth annual Lincoln School of Commerce Fashion Merchandising Show.

The event was held recently at the Hillcrest Country Club in Lincoln.

The show, which was presented by the 1982 Fashion promotion and coordination class, selected as its theme "Tribute to New York, N.Y. - Heart to the Fashion Industry."

The fashion class each spring travels to New York to view first hand the fashion industry.

Miss David modeled in the show and was co-chairman of the room set up and staging committee.

JE Club meets Tuesday

Camilla Liedtke entertained JE Club members Tuesday afternoon.

Guests were Jessie Hamer and Thelma Young, and in cards it was Peg Gormley and Rose Schulz.

Midred West will be the April 27 hostess at 2 p.m.

ROSE RIEKEN, WHO WAS NAMED "Woman of the Year" by the Rural Northeast Deanery of Catholic Women, accepts a plaque from Father Jim Buschelman during the Deanery Day of Recollection last Wednesday at Wayne. Pictured with Rose is her husband, Joe.

Woman of the Year

Rural Northeast Deanery selects Wayne woman to receive award

Rose Rieken of Wayne was honored by the Rural Northeast Deanery of Catholic Women as their "Woman of the Year" during the group's annual Deanery Day of Recollection in Wakefield last Wednesday.

The Rural Northeast Deanery is comprised of 13 parishes including Wayne, Ponca, Nelso, Waterloo, Hubbard, Winnebago, Jackson, South Sioux City, Emerson, Pender, Lincoln, Bancroft and Walthill.

IN MAKING the presentation, Mrs. Darrell Beacom of Jackson Deanery president, cited Mrs. Rieken for her vital role in the parish community.

"Her many services to the needs of the parish community are only outweighed by her spiritual inspiration to us all," said Mrs. Beacom.

"It is with great pride that we are able to claim her as one of our Extraordinary Ministers of the Eucharist," she added.

SINCE MOVING to Wayne in 1950, Rose has been an active member of the Altar Society Guild of St. Mary's Church in Wayne, serving two years as president and two years as vice president of the organization.

She also has been active in the Northeast Deanery, and served

Christian recording artist leading Newcastle service

Chuck Olson, tenor soloist and Christian recording artist, will lead a worship service of sacred music and testimony at the Gospel Chapel in Newcastle at 8 p.m. Friday, April 23.

Harold Carlson, chairman of the Northeast Nebraska Christian Mens Fellowship, invites the public to attend.

OLSON is co-founder and president of Concert Ministries Association, a non-profit organization which administers a scholarship program for students of sacred music, conducts church music workshops and clinics, and sponsors the Church Music Service, an anthem selection and purchasing service for local church music programs.

IN 1930, Rose and Joe moved to Wayne where Joe worked at Miller Motors and Herb's Buick.

Rose was employed at McCullough Furniture until 1960 when she and Joe opened their own upholstery business in Wayne.

Riekens continue to operate their upholstery shop at their home. In addition, Joe operates a bicycle repair business at home.

OVER THE YEARS, Riekens have opened their hearts and homes to the children of St. Augustine's Indian Mission in Winnebago.

Several children of the mission have experienced family life with the Riekens for the summer months, and two girls remained in the Rieken home for a year while attending school in Wayne.

Many of the children who had no homes also spent time with the Riekens during the holidays.

Rose's generosity also was known at the mission for the many goodies and clothing she often delivered to the children.

Riekens have two daughters of their own, Mrs. Roger (Arlene) Huberty of Omaha and Mrs. Earl (Bevelly) Anderson of Elsworth Air Force Base in South Dakota. There are seven grandchildren.

Wayne man's art accepted for national exhibition

Doug Pierson, a senior illustration student at the Minneapolis College of Art and Design (MCAD), has had two illustrations accepted for the annual national student exhibition by the American Society of Illustrators in New York City.

Pierson, 22, is the son of Mr. and Mrs. Dean Pierson of Wayne.

A 1978 graduate of Wayne Carroll High School, he will graduate from MCAD on May 22 with a bachelor's degree in fine arts.

ILLUSTRATION students nationwide annually submit 35mm slides of original work to the Society of Illustrators during the month of February.

After jury selections are made, students are notified of their acceptance.

An exhibit of these selected works will take place at the Society's museum in New York City from April 20 to May 6.

PIERSON has been notified that he will receive a monetary prize for one of his selected paintings at an awards ceremony at the museum on April 23.

The selected illustrations will then appear in the Student Illustrator's Annual, a publication of the Society of Illustrators.

Dr. Roy Matson honored

AAUW gift given in honor of late Wayne physician

The Nebraska branch of the American Association of University Women (AAUW) has honored the late Wayne physician Roy Matson with one of four 1981 Named Gifts into the Mary A. Grete Northwest Central Regional Endowment.

Dr. Matson was a physician in Wayne from 1946 until his death in December of 1974.

A NATIVE of Bertrand, Neb., Dr. Matson received his undergraduate degree from Carthage College, Carthage, Ill., and his medical degree from the University of Nebraska Medical School in Omaha. He moved to Wayne after serving five years in the United States Army Medical Corps, and practicing briefly in Hastings.

DR. MATSON was a charter member of the American Academy of Family Physicians.

To maintain his membership in the American Academy of Family Physicians, Dr. Matson was required to earn an additional 150 hours of authorized schooling every three years.

He became a fellow in the Academy in October of 1973, having accumulated 1,250 hours, well above the necessary 900.

He also was a member of the Nebraska Medical Association, American Medical Association, the American Association of Physicians and Surgeons, and the Nebraska College of Medicine Alumni Association.

Dr. Roy Matson

LOCALLY, Dr. Matson was a member of the Wayne Chamber of Commerce, Isaac Walton League, American Legion and Veterans of Foreign Wars. He and his wife, Marjorie, a longtime AAUW member with a degree in microbiology, are the parents of two children, John and Beatrice and Carl of Aloha, Ore. There are six grandchildren.

DR. MATSON'S named was submitted by Wayne AAUW branch president Becky Wilson at the state AAUW convention. Named Gifts can be presented to an endowment by individuals, or local or state branches by a contribution of at least \$500.

Monies earned by the Wayne branch during its annual house tour were contributed in this way to the Mary A. Grete Northwest Central Regional Endowment.

These endowments honor an individual or group through gifts in tribute or memorium.

A MINIMUM of \$10,000 establishes the endowment. Gifts in any amount, including the Named Gifts such as that honoring Dr. Matson, are then contributed until the endowment reaches the income producing level of \$80,000.

Annual fellowship funds for women scholars, or grants in support of continuing education, research, pilot and public service projects, and publications come from the income produced by the endowment after this point.

Women have held over 4,000 fellowships in the 100 years since the program began.

THERE WERE 78 named gifts from state branches in the United States and Puerto Rico.

On these 78, only eight were contributed to the Grete Endowment.

Half of these were given by the State of Nebraska, of which the Roy Matson Gift was one.

American Legion Auxiliary plans Gold Star program

The American Legion Auxiliary will conduct its Gold Star program on May 3 at 8 p.m. at the Wayne Vet's Club.

Eleven members attended a meeting April 5 at the Vet's Club. The meeting was opened by President Helen Stefken, followed with the advancing of the colors by sergeant at arms Marguerite Hofeldt and Emma Soules. Chaplain Mary Kruger read the prayer for Easter.

FOREIGN relations chairman Marie Brugger reported on the school for the deaf and blind in Eluwa, Southwest Africa, and asked the auxiliary to send a donation to the school to purchase books in their native tongue, clothing, and playground equipment.

Eveline Thompson, Girls State chairman, announced that Pam Rowe is this year's delegate to Girls State, scheduled June 6-12 in Lincoln.

Alternate to Girls State is Mary Pat Dolata.

LEADERSHIP development chairman Mary Kruger read the last three rules of the 10 commandments for the American Legion Auxiliary.

Membership chairman Eveline Thompson reported there is one new member, Mabel Sommerfeld, bringing the total paid membership to 87.

A LETTER was received from department veterans affairs and rehabilitation committee chairman Bernice Hegi, who announced that a home service pin is available to volunteers who have accumulated 50 hours of home service.

A letter also was read from department children and youth chairman Irene Mueller, announcing that April is Children and Youth Month. Mrs. Mueller encouraged the auxiliary to have a program on

drug abuse and Ryes Syndrome, and to give a donation to the Children's Heart Fund.

A THANK you note was received from the Nebraska Children's Home Society in Omaha, thanking the auxiliary for the donation they received.

Another thank you was read from the Norfolk Veteran's Home for the lap robes, clothing, games and cards they received from the auxiliary.

THE AUXILIARY has set May 20 for Poppy Day.

Members planned to sponsor a bingo party at the Norfolk Veterans Home on April 16. Those planning to attend were Mary Kruger, Marguerite Hofeldt, Emma Soules, Louise Kahler, Neva Lorenzen, Marie Brugger, Helen Stefken, Alma Spittgerber, Eveline Thompson, Norbert Brugger, Harold Thompson and Chris Bargholz. Baking angel food cakes for the

bingo party were Neva Lorenzen, Marguerite Hofeldt, Mary Kruger, Marie Brugger, Emma Soules and Eveline Thompson.

EVELINE Thompson gave a report on the District 3 Convention.

Chaplain Mary Kruger conducted a memorial service and draped the charter for charter member Maude Swan. Taking part in the service were President Helen Stefken, memorial chairman Eveline Thompson, and Chaplain Kruger. The group sang "Jesus Savior Pilot Me," accompanied by Alma Spittgerber.

CHAPLAIN Kruger closed the meeting with prayer, followed with the singing of "America" and "How Great Thou Art."

Serving were Luverna Hilton, Eisle Halley and Vickie Skokan. Next meeting will be the Gold Star program on May 3.

National Library Week scheduled April 18-24

The Wayne Public Library is joining the American Library Association in its 25th annual National Library Week observance April 18-24.

This year's library week theme is "A Word to the Wise Library."

Started in 1958, National Library Week is meant to encourage local residents to use their libraries and to educate them on what the library has to offer.

LOCAL librarian Kathleen Tooker said modern day libraries have a lot to offer.

Most libraries now have access to a variety of tapes, records and movies.

Many also have story hours for children, large print books for the visually impaired and the most recent periodicals to keep readers up to date on issues ranging from medicine to homemaking.

MRS. TOOKER said residents are invited to visit their local libraries during National Library Week to learn more about library services available in their home towns.

Wayne State men finish in first place; women second in own invitational

The weather finally gave a break to outdoor sporting events as Wayne State College's men's and women's track teams finished the Wayne State Invitational at Memorial Stadium on Thursday. Both teams enjoyed a successful invitation on April 16 and 17. The men's team, coached by Coach Ron Jones, captured second place in the 100-meter dash with a time of 14.3. Scott Driver (sophomore) placed first in the pole vault with a vault of 14.6, his best this season. He also finished fourth in the high jump with a height of 6.1. Ron Berrie (senior) captured second in the 800-meter run with a time of 1:59.0. Teammate Ron Keegan (senior) placed fifth in the 400-meter run with a time of 1:27.3. The women's team, coached by Coach Jan Jirsak, placed second in the 100-meter dash with a time of 17.5. Tracy Stollenberg (freshman) placed fifth in the long jump with a distance of 10.15. Lisa Pyle (freshman) placed fifth in the 400-meter run with a time of 1:09.1. The women's 4x100 relay team won first place with a time of 49.4 over the teams from Kearney State and Peru. The medley relay team finished second behind the Kearney State team with a time of 1:51.9, and the 4x400 relay team placed third with a time of 4:07.9.

Deb Nygren to attend WSC
One of the most prolific scorers in Nebraska high school girls' basketball history, Deb Nygren of Mead, has announced plans to enroll and participate in basketball at Wayne State College, according to Coach Jan Jirsak.
The 6-0 Nygren stands as the number 10 all-time scoring leader in Nebraska girls' high school basketball history, with 1,135 career points. Her 19.3 scoring average last season was fourth best in Class C, according to Conde Sargent of the Nebraska School Activities Association (NSAA).
In addition, Nygren averaged 11 rebounds per game last season for 17.5 Mead. She earned all-conference, all-area and all-state honors during her high school career.
She is the daughter of Mr. and Mrs. Richard Nygren of Mead, and was coached at Mead by WSC alum Tom Becker. Deb has been selected to play in the Mid-East Nebraska All-Star game in June.

WSC scheduled baseball playoff
The Wayne State College baseball team will meet the Kearney State Antelopes in a one-game playoff to determine Nebraska's representative in the Central States Intercollegiate Conference (CSIC) tournament, according to Wildcat Coach Ron Jones.
The Cats and the Antelopes will engage in a seven-inning contest on Thursday at 1:30 p.m. on a neutral field in Columbus. The winner will take part in the CSIC tournament on April 30-May 1, while the loser will face Chadron State on those same days in an NAIA District 11 dual doubleheader.
Kearney State and the Wildcats have each won two games of the four-game series to necessitate the playoff for the CSIC berth.
The Lady Wildcat softball team has rescheduled a doubleheader at Kearney State for today (Monday). The game was originally set for April 6 before bad weather forced its postponement.

Six gridders to Wayne State
Two quarterbacks are among the latest list of football recruits who plan to attend Wayne State College, according to Dr. Ralph Barclay, Wildcat recruiting coordinator.
The group includes Dan Anderson, a 6-0, 210-pound lineman from South Sioux City; Jeff Borer, a 5-11, 225-pound defensive lineman from Elgin; Marty Brewer, a 6-0, 190-pound quarterback from Logan, Iowa; and a transfer from Iowa Lakes Junior College, Keith Mussi, a 6-7, 190-pound running back/defensive back from Ravenna; Tony Shaw, a 6-2, 195-pound linebacker from O'Neill; and Mike Wood, a 5-11, 180-pound quarterback from Omaha Northwest.

Wildcats take 2 from Northwestern

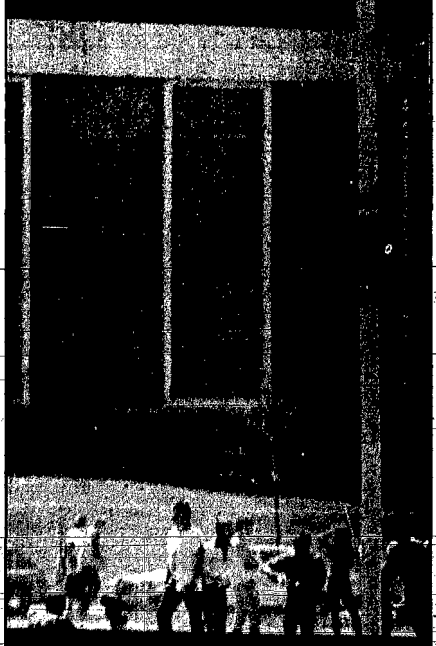

The baseball team at Wayne State College edged closer to the .500 mark after taking a pair of games on the road against Northwestern Iowa on April 15. WSC claimed the first game 4-1, then held on for the second win by 11-9.
With the victories, the Cats pushed their record to 9-11. Wayne State has gone 8-2 since returning from their March "Southern Swing" with a 1-9 mark. Coach Ron Jones' crew was scheduled to face Bellevue on Saturday, the University of Nebraska next Wednesday for a 1:30 p.m. doubleheader in Lincoln, and a one-game playoff with Kearney State Thursday in Columbus at 1:30 p.m.
A four-hit pitching performance by Wildcat moundman Rocky Thompson (junior, Neff) and Vic Sharpe (junior, Wayne) and the 3-for-3 hitting of junior outfielder Craig Ladwig of Omaha powered WSC to the 4-1 victory.
THOMPSON surrendered no runs and just three hits before being relieved by Sharpe in the sixth inning. Sharpe was tagged for a solo homer to account for the Red Raiders' lone run in the sixth, but shut the hosts out the rest of the way. Thompson claimed the win in his first decision this season. Ladwig had a pair of RBI's to pace the offense.
Wayne cruised to a 10-0 lead heading into the bottom of the fifth in the second game, but Northwestern rallied three runs in the fifth, three in the sixth and three in the seventh. Wayne added an insurance run in the top of the seventh.
Northwestern went through four Wayne pitchers in the game. Kevin Williamson (senior, Orchard) got the start, followed by Jerry Goeden (junior, Wayne), Marty Summerfield (freshman, Dunlap, Iowa) and Joe Olsen (freshman, Laurel). Olsen earned the victory, his first as a Cat.

Three wins in one day for Lady Wildcats

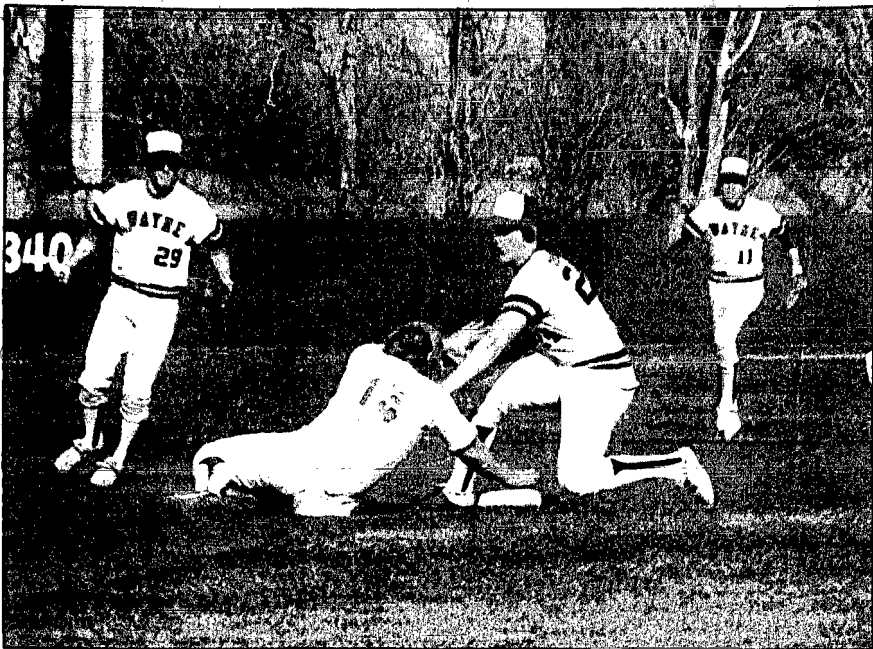

It isn't often that a team registers three wins in one day, but the Lady Wildcat softball team at Wayne State College accomplished that feat on Monday, WSC split a doubleheader with Nebraska Wesleyan in Lincoln and swept a pair from Dana at Blair.
Coach Deb Weaver's squad, now 5-1, is scheduled to take part in a tournament sponsored by Missouri Western at St. Joseph this weekend. The Lady Cats will then return home for a doubleheader against Peru State on Tuesday.
Last Monday was a day of vacation for the Nebraska state college system, but Weaver's squad did anything but rest. The four road games were all rescheduled from earlier dates postponed due to bad weather. The final scores included a 6-0 win over Wesleyan, a 10-4 loss to NWU, and 17-6 and 11-3 victories over Dana, with the last game concluding just before midnight.
IN THE 6-0 win over Wesleyan, senior pitcher Cindy Stella of Bellevue led the NWU bats with a one-hitter and 12 strikeouts. Wayne jumped to a 2-0 lead in the top of the first and cruised to the win. Sue Plumb (senior, Irwin, Iowa) started off a good day at the plate with a triple, while Lori Johnson (sophomore, Sioux City, Iowa) drove in two runs.
Wesleyan stormed back for a 10-4 decision in the second game behind a seven-run fifth inning. This time it was the WSC bats that went cold as the team managed only five hits. Freshman Laurie Owens of Sioux City, Iowa took the loss on the mound, while Sue Plumb had the Cats only extra-base hit on a double.
The squad then loaded up and headed for Blair. "We really appreciate the Dana coach letting us get the games in," Coach Weaver said later.
Things looked bad for the visitors in the first game as Dana held a 6-0 lead heading into the top of the sixth inning. But Wayne came alive for an amazing 13 runs in that sixth inning and added four more in the top of the seventh for the 17-6 win.
FRESHMAN Sherry Teischaw of Omaha pitched the victory in her first action for WSC. Sue Plumb belted a home run, while Tammy Blackburn (sophomore, Norfolk) had a double. Seven errors ruined Dana's chances.
Wayne State won the aptly named "nightcap" by an 11-3 count. Lori Johnson provided WSC with all the runs necessary with a grand slam home run in the first inning. Linda Prchal (senior, Millard) smacked a three-run homer in the sixth. Tammy Blackburn pitched WSC

Third baseman Rich Murcek (sophomore, Omaha) went 2 for 4 at the plate including an RBI double and a solo home run in the fifth. Bill Schwartz (senior, Wayne), standout first baseman, went 3-for-4 and had a two-run single in the first inning. Chico Mason (junior, Hillsburg, Pa.) had a home run while Tom Todd (junior, Vineland, N.J.) smacked a double.

KELLEY PETERSON (left photo) picks up a first place finish for Wayne State in the 100-meter hurdles. The Lady Wildcats placed second in the Wayne State Invitational, Thursday. Above, Wayne State freshman Scott Driver clears the bar in the pole vault. He won the event with a mark of 14.6 and helped the Wildcats to a first place finish. Warm weather and sunshine brought out the best of many athletes in the WSC meet. WSC women's winners were Newberger in the shot put, Peterson in the 100 hurdles and the 400-meter relay team. For the men, Berrie won the shot put, Driver won the pole vault, Kenkel won the long jump and Blackburn won the 110 high hurdles.

Defense and 2-run homer leads Trojans past Wayne

Wakefield pitcher Mark Starzl cracked one of the longest home runs ever hit in the Wakefield ball park but it was defense that played the key role as Wakefield topped Wayne 5-2 Wednesday in North's Nebraska Baseball League play.

The Blue Devils committed five errors while the hosts made only one. Wayne errors in the first and sixth inning led to three Wakefield runs.

AFTER THE GAME, Wakefield coach Joe Coble complimented his team for a solid defensive performance. He singled out the performance of Mark Kubik who made a fine catch in right field to prevent two runs from scoring in the sixth inning.

The Trojans took the lead in the bottom of the first inning and never trailed. Brian Soderberg walked and took second base on a passed ball. With two outs, Mike Clay hit a grounder to shortstop. A throwing error allowed Soderberg to score. The Devils came right back to tie the score as Jeff McCright led off the second inning by lashing a line drive against the center field fence for a triple. Tim Heier's grounder was booted by Wakefield's short stop and McCright scored on the play.

The hosts struck back in the bottom of the third on Starzl's two-run homer. Soderberg opened with a single and Starzl blasted a pitch over the sacred 400 foot mark on the left field fence.

WAYNE STRUGGLED to recover from Starzl's two-run shot but pulled back within one run in the top of the fifth inning. With two outs, Kevin Maly drew a walk and stole second base. Randy Gamble lined a single to right field to drive in the run. The tying and go-ahead runs were stranded on base in the sixth inning and the Trojans put the game out of reach in the bottom of the sixth.

Ken Roberts singled and moved to second on a fielding error. At that time, Steve Overin came in to relieve starting pitcher Todd Pfeiffer. Pinch runner Bob Berry scored from second on a two-out grounder

by Troy Greve which got past Wayne's third baseman. Greve moved to second on the play and Ted Tullberg drove in the final run with a base hit. Wayne's Kevin Maly reached base in the last inning but was stranded at third as Wayne's threat was killed.

STARZL PITCHED all seven innings for Wakefield and allowed only three hits and four walks while notching nine strikeouts. Pfeiffer, who pitched 5 1/3 innings, giving up four hits and three walks, was tagged for the loss.

Overin gave up one hit and one walk in 2/3 of an inning. Wakefield, now 30 in league play, was scheduled to play at Laurel Friday. Wayne, 2-1, is scheduled to play at Laurel today (Monday) and host Laurel in a double header Thursday.

COACH COBLE congratulates Mark Starzl for his two-run homer. The Wakefield senior ripped one of the longest home runs ever hit at the Wakefield ball park. The Trojans defeated Wayne 5-2 Wednesday.

Randy's Recap

By Randy Hascall

A COUPLE of speedsters in this area have two of the fastest times in the state in their main events.

Jerry Roberts of Wakefield is tied with runners from Imperial and Crawford for the eighth fastest 400-meter time in the state. Only three individuals in Class C have runners faster than his time of :52.3.

Wayne's Missy Stollenberg, only a junior, has run the second fastest 100-meter dash time this year. Timm from Murdock has the fastest time at :12.2 but Stollenberg and Thomas from Lewiston are tied at :12.3. Missy's time is two-fifths of a second faster than her nearest Class B competitor.

WE'VE HAD SOME ideal weather for outdoor sports the past few days and it's just about time for the slow pitch softball season to start.

The women's league in Wayne has already organized and seems to have things under control. The men's league meets at 7 o'clock tonight in the Wayne Jaycee Hall and hopefully will get things ready to go.

If won't be long before the teams open their seasons.

The sore, aching muscles in my arms and shoulders remind me that it takes awhile to get back into the swing of things. It's amazing what the first practice of the year can do.

SOME FINE ATHLETES gathered at the Wayne State College track Thursday for the annual WSC Invitational.

Among them were Wayne's All-American hurdlers Ed Blackburn and Kelley Peterson. Most of the races and field events were well worth watching.

My only regret is that Wayne's new water hazard is still under construction and wasn't finished in time for the steeplechase event. That would have definitely added some excitement to that event.

I still feel that the 4x100 meter relay is the most exciting event to watch at a track meet. Perfection of the exchange is vitally important in a relay race that short.

Both Wayne State teams did well at their own meet.

HOPEFULLY, we'll soon hear successful recruiting reports from some Wayne State coaches. Coaches in all sports have been keeping busy trying to persuade talented individuals to attend Wayne State and apply their talents toward WSC athletics.

The Wayne football coaching staff has announced the names of numerous recruits who have signed and WSC women's basketball coach Jan Jirsak has also signed some recruits. Although 1982 appears to be a tough year for men's basketball recruiting at the small college level, let's hope Rick Weaver can sign some prospective stars.

THIS PAPER marks the end of The Wayne Herald career of editor Randy Howell. He joined quite a bit working under the Country Boy and feel he made several improvements in this newspaper. I wish him luck in his venture as a South Dakota farmer.

Medalist leads Wayne to second in triangular

Cole Froeschle had low score of the day as the Wayne-High golfers took second place Thursday in a triangular with Norfolk Catholic and O'Neill.

The host Norfolk team won the meet with a four-man score of 174. Wayne was second at 185 and O'Neill was third at 186. Froeschle fired a 38 on the par 36 course to top all golfers.

Six golfers played and the top four scores were counted. Brad Moore shot a 48, John Carhart, had a 49 and Layne Marsh scored a 50. Scores which weren't used were a 53 by Liff Olson and a 59 by Larry Lueders. The Blue Devils are scheduled to host Wausa today (Monday) at the Wayne Country Club and play at O'Neill Wednesday.

CELEBRATING LIBRARY WEEK

In the library, Mrs. Dickes' is pleased to announce that they did get all the necessary soup labels and that the tape recorder is on the way. Also, she has made even more plans for library week, and they now include daily trivia questions for the high school.

In the elementary, they'll play charades of book characters and write living authors letters. Mr. Mullin's English class will be using library words for spelling words, and every day during a different period there will be a 10 minute free reading time. In the elementary, they will be given clues and expected to find the books to which the clues refer.

GOING TO SCIENCE SHOW

Jackie Crisp and Don Lühr both

presented our school at the Nebraska Academy of Sciences at Lincoln, April 17. Don spoke on Avian Malaria and Jackie's experiment dealt with memory transfer in planaria.

"MIKE, THE BIKE" COMES TO LAUREL

"Mike, the Bike," was part of the elementary bicycle safety program sponsored by the Laurel-Concord Future Business Leaders of America chapter on Wednesday, April 14. The program began with showing two films: "I'm No Fool With a Bicycle" and "Bike Superstars."

Then Trooper Charles Buckingham from Norfolk presented "Mike, the Bike." Through the use of the "talking" bicycle, the students learned the rules for be-

ing a safe bicycle rider. The program was concluded by giving each student the pamphlets, "Bicycling is Great Fun!" and "Biking Tips for Kids," provided by the FBLA chapter.

"BIRDS OF PREY"

On April 15, the students, grades K-12, were entertained during an assembly program called "Birds of Prey" with Ryan Walden.

Walden is a biologist and educator with extensive experience in phases of wildlife. Using live animals and props, Walden put his vast experiences together to arouse ones curiosity with the out of doors world.

Walden presented a varied

selection of live predatory birds: Two eagles, a Golden and a Bald, and also several owls, Hawks, and Falcons. "Birds of Prey" provided one with the opportunity to view, to learn, and to develop a greater understanding of these beautiful predators and the important part they play in the Balance of Nature.

A NEW FACE AT LAUREL

There is a new face at Laurel this month. Her name is Jody Balster and she is teaching the art classes grades K-12.

Miss Balster is originally from Chamberlain, S.D. She attended

college at Northern State in Aberdeen, and graduated in December, 1982. She is an art major with an emphasis in ceramics. Laurel is her first teaching job.

Miss Balster enjoys golf, swimming, and sewing. Last year she traveled to the People's Republic of China with a study tour sponsored by the National Education Association.

We welcome Miss Balster at Laurel-Concord School and wish her success in her first teaching job.

SCIENCE PROJECTS LEAD TO AWARDS

Eighty five Wayne High students in Dale Hochstein's Biology I classes recently completed major research projects.

The students chose a science related project for which they could collect actual data.

They began the projects during the first week of January and continued research until the second week in March.

Data was collected and evaluated during this time period, and the students wrote a formal research paper to present with their projects.

Each student also gave a se-

lected ten minute oral presentation and answered questions from other students in the class.

On March 20, three Biology I students took their projects to the Northeast Nebraska Junior Academy Science Fair which was held at Wayne State College.

Sophomore Blaine Johns won a first place ribbon for his "Speech Synthesis and Recognition" and was among the top five students who went to Lincoln for the state competition on April 16.

Blaine also placed first in the over all Science Fair.

Sophomore Rodney Porter's project, "The Effects of Radiation on Oedogonium Foveolatum," also won a first

place ribbon and he was among the top 15 students who displayed at Lincoln.

Sophomore Cheryl Sukup's project "The Weight Gain in Animals," won a second place ribbon at the Science Fair.

Judges at the Fair (one college instructor, one high school teacher, and one college student) examined each project for originality, scientific thought, purpose of results, overall appearance, thoroughness of the project, and the student's ability to present the project.

The top five students at the Fair received trophies and their projects were presented at the state meeting.

The top two science projects at the fair also received awards for their work.

All entering students were awarded ribbons. Fifteen of the student received certificates to display their research projects at the State Meeting in Lincoln which took place on April 16th.

SPEECH AND DRAMA BANQUET AND AWARDS

The Wayne Carroll High School held its Speech and Drama Banquet on Tuesday, April 6, at the Black Knight.

Entertainment was furnished by President Tom Fletcher and Vice President Bryan Schmidt.

They also expressed their sincere appreciation to their director, Ted Blunderman, and to the students' parents for their support.

Several awards were received by the speech participants.

Steven Zahniser, a senior, received a superior rating at Districts on his extemporaneous speech; Bryan Schmidt, a junior, and Gregg Elliott, a freshman, received a superior rating on the duet they presented at Districts; and David Melton, a sophomore, received an excellent rating on his informative speech.

Awards given to those who performed in the one act play went to Bryan Schmidt, best actor.

Laura Victor, best supporting actress, and Steven Zahniser, best supporting actor.

These medals were won at the conference contest.

Special school awards were presented by Ted Blunderman to Steven Zahniser, Outstanding Senior of the Year, Bryan Schmidt, Outstanding Actor, and Gregg Elliott, the Most Improved Actor.

The 1981-82 first year lettermen were Gregg Elliott, David Melton, David Remer, and Tom Fletcher.

Bryan Schmidt and Steven Zahniser, both second year lettermen, receive a speech pin and a drama pin.

WAYNE HIGH-WAYNE STATE CHOIR CONCERT

The Wayne High School Varsity Choir will perform in concert with the Wayne State College Choir on Sunday, April 18, at 3 p.m.

The concert, which will be held in Ramsey Theater at WSC, is free to the public.

Selections are to be performed by each choir individually and two pieces will be sung by the combined choirs.

Wayne High School's choir was invited to participate with the college by Wayne State College choir director Dr. Cornell Runsted.

The high school choir is directed by Robert Stuber.

Beyond the carrot.

These days many financial institutions are dangling a carrot in front of you to get your checking account dollars...in the form of Now Account checking minimum balances...free checks...all sorts of temptations.

But if that dangling carrot doesn't hold the promise of experienced personnel, accuracy in working with checking accounts, unmatched convenience as well as a total package of financial services, the carrot may not be quite as good as it looks.

So, instead of looking for the differences in Now Accounts, look for the real differences...the experience, service and convenience that only the State National Bank can offer you. You'll see why hundreds of people have already opened a Now Account at State National Bank and Trust Co.

SENIOR CITIZENS

On April 9 the Milton G. Waldbaum Day Care Center children entertained the Senior Citizens with several Easter songs. Each child was dressed as his Easter bunny. The seniors enjoyed this and would like to thank Patsy Murphy, Kathy Lofte, Sharon Boatman and Mary Ann Murphy for all their time and work.

Also on April 9, 49 seniors enjoyed the Easter noon congregational meal. All the women wore Easter hats. Some were homemade. Cliff Busby and Luther Hyspe were the official hat judges. Audrey Johnson took top honors for the most original hat.

The bake sale on April 18 was a great success. Emma Harding was the lady quilt made by the senior ladies. Many thanks to all

who donated food, worked or help support the bake sale. Also, a special thanks to the sale committee for doing such a fine job.

Pastor Robert V. Johnson from Salem Lutheran Church gave a very interesting talk on hobbies last Monday. Rev. Johnson brought several of his hobbies to show and gave many suggestions for new ones. Thanks go out to him.

With the help of many Senior Citizens the entry way ramp has a new look. Grass carpeting has been installed. Thanks to those that spent the afternoon laying it.

WATER EQUIVALENTS TABLE

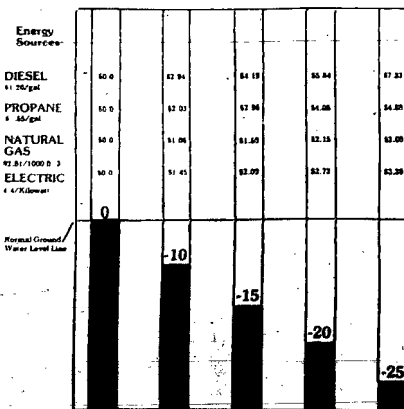

- An acre-foot covers 1 acre of land 1 foot deep
- 1 acre-foot = 43,560 cubic feet = 325,900 gallons
- 1 cubic foot = 7.48 gallons
- 1 cubic foot per second (cfs) = 646,320 gallons per day
- 1,000 gallons per minute (gpm) = 2.23 cfs
- 1,000 gallons per minute (gpm) = 4.42 acre feet per day
- An acre-foot supplies an average Nebraska family of 5 for 1 year for domestic water needs. (325,900 gallons)

FACTS NEBRASKAN'S CANNOT IGNORE

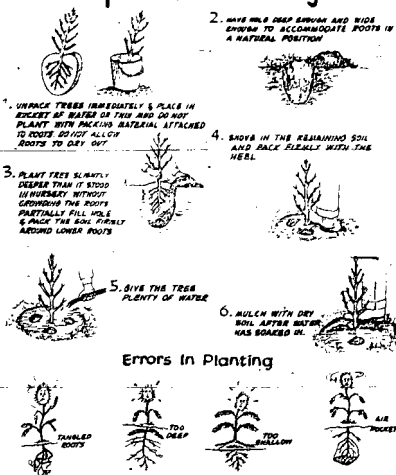

- * Approximately 6 million of the 7 million irrigated acres in the state are irrigated by groundwater.
- * Lake McConaughy, Nebraska's largest reservoir, stores 1.9 million acre feet and is 22 miles long, 4 miles wide and has 105 miles of shoreline.
- * Nebraska ranks 3rd behind California and Texas, in total irrigated acres.
- * Eight (8) million acre ft. of surface water leaves Nebraska annually with only one (1) million acre ft. entering Nebraska from other States.
- * Wyoming is appropriating over 100 million dollars annually for water storage projects while Nebraska appropriates 3 million dollars annually.

How-Costs Go Up As Groundwater Declines

Excess dollars needed to irrigate each acre with the average well pumping 800 lbs./yr. at a rate of 80 GPM (pumping 30 acres and operating at 1% efficiency). Does not include costs of deepening well or buying more powerful pump, etc. (Irrigation Scheduling Data Proj.)

ARBOR DAY — April 22, 1982

The uniqueness of Arbor Day was summed up by its founder, J. Sterling Morton. In an address in 1887, he said, "Arbor Day... which has already transplanted itself to nearly every state in the American Union and has even been adopted in foreign lands... is not like other holidays. Each of those recesses on the past, while Arbor Day proposes for the future."

April, 1982 — Nebraska's 24 NRD's will plant about 3.5 million trees in farmstead windbreaks and wildlife habitat plantings.

NOTICE OF PUBLIC HEARING Notice is hereby given that a public hearing will be held by the City of Wayne, Nebraska, on the 27th day of April, 1982 for the purpose of considering a project for which financial assistance is being sought from the Federal Highway Administration pursuant to the Urban Mass Transportation Act of 1964, as amended generally described as follows:

1. The project is for the operation and maintenance of a 15 passenger handibus for the elderly and handicapped living in Wayne, Nebraska.

2. Location of project is 306 Pearl, Wayne, Nebraska.

3. The estimated cost of the project is \$13,477. Federal and state contributions are estimated at \$10,254. Local financing by the General Fund of the City is \$3,418.

4. This project is currently under review by the A-95 Clearinghouse.

5. This project is proposed to help finance a transportation service for the elderly and the handicapped living in Wayne. The bus is capable of carrying 15 passengers and is equipped with a wheelchair lift.

At this hearing, the City of Wayne will afford an opportunity for interested persons or agencies to be heard with respect to the social, economic and environmental aspects of the project. Interested persons may submit oral or in writing evidence and recommendations with respect to said project.

A copy of the application for a Federal grant for the proposed project is available for public inspection at 306 Pearl, Wayne, Nebraska.

because it's the least costly investment per acre.

It's going to be harder to make farming pay off in the years to come. Harder for many reasons.

So if anything makes sense, it's to maximize the potential of the land you now farm. Irrigating with a center pivot is one way. Irrigating with a Corner System is even better.

A Corner System can irrigate 19 to 45 more acres than a regular pivot, producing extra income on acres already being farmed. That's why nearly one out of every six pivots sold today is a Corner System.

And when it comes to Corner Systems, nobody knows more than Valmont. They've proven reliable with nearly 3,000 systems in operation. That's at least 20 times more than any other brand.

Before you buy any center pivot, see us. We'll tell you how a Valley Corner System can add to your bottom-line profits while being the least costly investment per acre.

Valley dominates the field. Husker Valley Irrigation Phone 371-0153 RR 2 Nel/Okla. NE 68701
