Courthouse question might reach primary election

By Randy Hascall

Should Wayne County renovate its present county courthouse or build a new one? That question may be facing Wayne County voters in May's primary election. The 3 Wayne County Commissioners, meeting with 2 representatives of the State Fire Marshal's Office on Tuesday, agreed that the issue should be placed on the ballot.

IN ORDER to comply with the fire marshal's regulations, a fire escape and fire alarm system must be added to the courthouse. The stair wells also must be enclosed as an alternative to replacement of all doors.

The commissioners learned that the second floor fire escape will cost about \$10,000, the stair well enclosure about \$5,000 and a new fire alarm system approximately \$8,000.

Those estimates do not include architect

fees which usually run between 6 and 10 percent according to the commissioners.

Another costly expense would result from installation of an elevator for the handicapped. The Wayne County courthouse is required under Federal regulations to install an elevator.

CONGRESS APPROVED regulations in October which prohibit government entities from discriminating against the handicapped if they receive \$25,000 or more of revenue sharing funds.

The commissioners said an elevator would cost approximately \$59,000. The elevator will not qualify as a fire escape. In addition to the improvements to meet fire regulations and handicapped regulations, the commissioners said several costly projects tie ahead.

A new roof, a new heating system and rewiring probably will be necessary in the near future, the commissioners reported

THE COMMISSIONERS questioned putting that much money into an "old building." They added that they didn't feel a three-man board should make a decision involving hundreds of thousands of "taxpayers' dollars."

"It's hard to explain to the taxpayers, putting money into an old building," Commissioner Jerry Pospishil said.

Commissioner Merlin Beiermann said it could cost in the neighborhood of 3/4 million dollars for total renovation of the courthouse and said he thinks it should be placed on a ballot for the primary election.

"We're crowded for room and it's still an old building," he said.

The commissioners said that if a vote is included in the May election, the public will be informed of the cost of fixing up the courthouse versus the cost of building a new one.

Pospishil said that the commissioners need to collect facts and figures so the issue can be placed on a ballot.

WSC Foundation picks director

Kirk Hutton

Members of the Wayne State Foundation met last week and named a new executive director.

He is Wayne State College presidential assistant Kirk Hutton. Hutton replaces Lyle Seymour, who resigned as the foundation's executive director at the end of 1983.

Hutton presently serves as institutional advancement assistant at Wayne State, where his duties include being director of the Wayne State College Alumni Association, the development of regional clubs, admissions recruitment and academic advising.

HUTTON WAS introduced to the Wayne State Foundation executive committee during a meeting Jan. 13.

The committee voted to approve his appointment as executive director upon the recommendation of David Ley, foundation president, and Dan Gardner, chairman of the search committee.

During last week's meeting of the executive committee, Hutton briefly outlined

his goals as executive director.

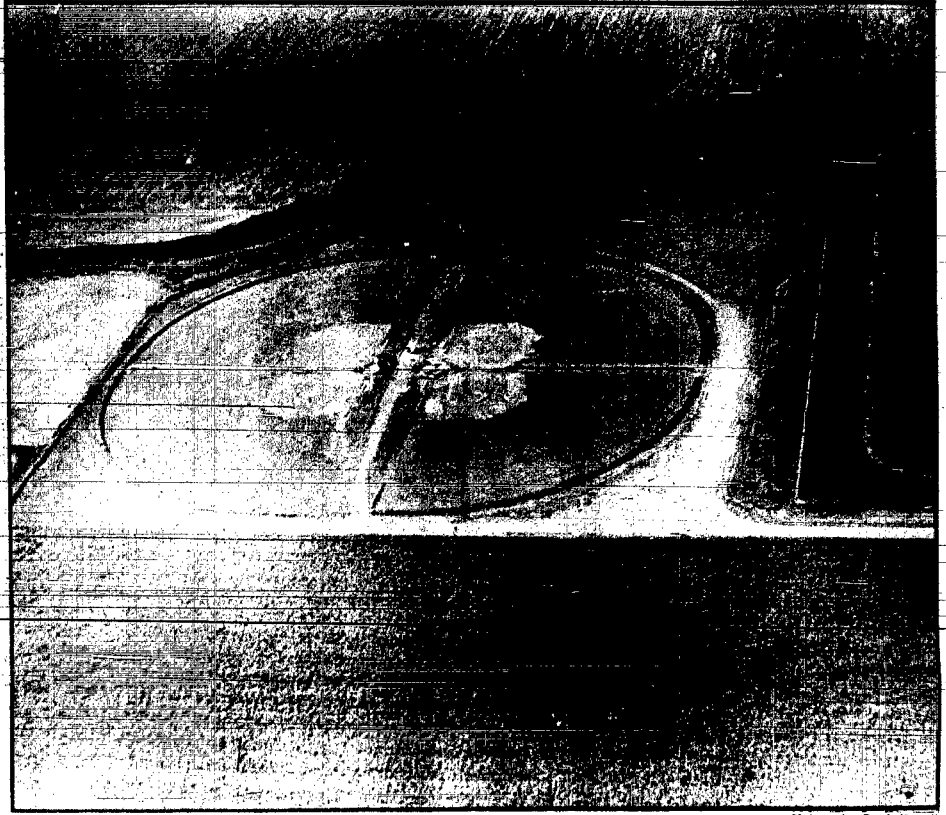

He will be present at next month's meeting of the executive committee to respond to suggestions and answer questions from the board.

HUTTON RECEIVED his BA degree in education from Wayne State College in 1978, and his MA in communication from Wichita State University in 1981.

From 1976-80, Hutton served as admissions counselor and later academic counselor at Wayne State.

He was a graduate teaching assistant for the basic oral communication program at Wichita during 1980-81, and instructor of communication at Doane College in Crete in 1981.

IN OTHER business during last week's meeting of the executive committee, Bob Reeg, investment chairman, and committee member Dan Gardner, joined President Ley in analyzing various aspects of the foundation's six month continuation budget which will be in effect until June 30, 1984.

THE WAYNE Jaycee Softball Complex, shown in this aerial photograph, is one of the major Jaycee projects. Improvements will be made on the complex this summer. The Jaycees are celebrating their 30th anniversary this year.

Jaycee chapter celebrates 30th anniversary this year

Wayne's 100th birthday celebration marks the 30th anniversary of the Wayne Jaycees. The Wayne chapter of the Junior Chamber of Commerce was chartered on Tuesday, May 18, 1954 with 54 members. Donald Boyce, first president of the Jaycees, was given a charter and a president's pin to kick off charter ceremonies on that day.

Original officers were Boyce, Donald Means, William Kugler, Norman Ellis and Alvin Voorhies. Directors were Jason Preston, Wayne Christopher, Earl Green, David Hamer Jr. and Charles Surber.

MONDAY NIGHT, the Jaycees kicked off their 30th year of existence with a social hour and meeting in recognition of National Jaycee Week (Jan. 15-21). One of the guests was Dr. Max Maguire of

Spencer. Maguire was president of the Norfolk Jaycees and attended the ceremonies for Wayne's Charter in 1954. The list of Jaycees' projects is a long one. One of the most recent major accomplishments is the construction of a four field softball complex east of Wayne. Other projects include Christmas gifts for Care Centre residents, a junior wrestling tournament, Christmas tree sales, a demolition derby at the county fair, 2 scholarships for Wayne High School seniors, a leaf pick up social hour for the feeders banquet, 4th of July fireworks and a co-ed softball tournament.

The Jaycees have sponsored candidates in state competition for Outstanding Young Farmer and Rancher and Outstanding Young Individual. Other activities include family campouts, soup suppers, picnics and a league softball team. The Jaycees also

work closely with the Jayceettes.

CURRENT OFFICERS of the Wayne Jaycees are President Verdel Luff, Secretary Scott Johnson, Treasurer Mark Throener, Management Development Chairman Larry Magnuson, Community Development Chairman Ken Kwapnoski, Individual Development Chairman Roger Allemann and Chairman of the Board Alan Ekberg.

Individual training and development offered through Jaycees includes CPR training, a Time Dynamics, Leadership, Communication and Personal Dynamics course, and personal financial planning.

Nationally, there are approximately 350,000 Jaycees in more than 9,000 communities. Men between the ages of 18 and 35 are eligible to be members of the organization.

Maude Auker's estate leaves money to hospital foundation and others

Various local groups will benefit from the estate of Maude Auker who was Wayne's oldest resident and Wayne County's second oldest resident when she died Nov. 7, 1983 at age 104. Mrs. Auker's will bequeaths \$10,000 to the Wayne Hospital Foundation, \$5,000 to the Wayne County Historical Society, \$1,000 to the Senior Citizens Center, \$1,000 to the Wayne State Foundation and \$1,000 to the First Baptist Church in memory of Pearl Wolfe Patterson. That term would expire in January of 1986. An additional \$5,000 will be given to the Nebraska Children's Home of Omaha, The First United Methodist Church and United

Presbyterian Church, both of Wayne, with each be given equal shares of her real and personal property after specific bequests have been made.

The bequest to the Presbyterian church will be made as a memorial to Art and Maude Auker and their daughter, Helen. The bequest to the Methodist church will be given in memory of Mr. and Mrs. S. E. Auker.

Maude Auker, the daughter of William and Louisa Cooper Benson, was born Nov. 27, 1878 at Red Oak, Iowa.

Laurel school board has vacancies

Four Laurel Concord Board of Education seats are expected to be filled by May's primary election. If necessary, a runoff election will be held in November. The terms of 4 board members will expire in January of 1985. Three will be four year terms and 1 will fill the unexpired term of Arthur Swarthout, which is now being filled by Tom Fredrickson. That term would expire in January of 1986. Candidates may make personal filings or file by petition, at least 60 days prior to the primary election. An incumbent seeking re-election must make a personal filing at least 75 days prior to the election date. Forms for filing can be obtained from the county clerk, Mary Ann Christensen, the secretary of the Board of Education or the school administrative office.

Parking causes concern

These streets being examined by council

A proposed resolution that drew approximately 20 Wayne residents to the last city council meeting, is expected to get plenty of attention at the next council meeting, Jan. 31.

The resolution being considered by the council concerns off street parking on various streets within the city of Wayne. The proposal calls for the restriction of parking on those streets. City Administrator Phil Kloster said at the last council meeting that between 75 and 80 percent of the city's streets have mid night to 5 a.m. parking restrictions. That allows for easier and more efficient snow removal, he pointed out.

If the resolution is passed, it will result in no parking in designated areas of 10 city streets and no parking between the hours of midnight and 5 a.m. on designated parts of

24 streets. It would be effective Aug. 1.

ACCORDING TO the resolution, no vehicle could be parked or left standing on the following designated parts of these streets:

- *1. The east side of Linden Street from Aspen Street to 14th Street.
- *2. The south side of 14th Street from Providence Road east to the city limits.
- *3. The south side of Aspen Street from Claycomb Road to Linden Street.
- *4. The east side of Circle Drive from 9th Street north to the end of Circle Drive.
- *5. The east side of South Window Street from 3rd Street to Fairgrounds Avenue.
- *6. The south side of Fairgrounds Avenue from South Nebraska Street east to the city limits.
- *7. The east side of South Nebraska Street from Fairgrounds Avenue south to the city

- limits.
 - *8. The east side of South Window Street from Fairgrounds Avenue south to the city limits.
 - *9. The south side of Folk Street from South Nebraska Street to South Window Street.
 - *10. The west side of Walnut Street from 12th Street to Hillcrest Road.
- THE PROPOSED** resolution states that no vehicles could be parked or left standing between the hours of 12 midnight and 5 a.m. on the following designated parts of these streets:
- *1. The west side of Oak Drive from 7th Street to 2nd Avenue.
 - *2. The north side of 3rd Avenue from Oak Drive west to the city limits.
 - *3. The west side of Maple Street from 2nd Avenue to Grainland Road.

- *4. The south side of 2nd Avenue from Birch Street to Maple Street.
- *5. The east side of Birch Street from 2nd Avenue to 1st Avenue.
- *6. The north side of 1st Avenue from Birch Street to Maple Street.
- *7. The west side of Wilciff Drive from 3rd Street to 1st Street.
- *8. The west side of Blaine Street from 3rd Street to 1st Street.
- *9. The west side of Sherman Street from 1st Street to Grainland Road.
- *10. The west side of Douglas Street from 1st Street south to the city limits.
- *11. The west side of Lincoln Street from 7th Street south to the city limits.
- *12. The west side of Pearl Street from 6th Street to Clark Street.
- *13. The east side of Pearl Street from 5th Street to 3rd Street.
- *14. The north side of 3th Street from

- Pearl Street to Lincoln Street.
- *15. The south side of 4th Street from Main Street to Pearl Street.
- *16. The south side of 4th Street from Main Street to Logan Street.
- *17. The west side of Sherman Street from 13th Street north to the city limits.
- *18. The north side of Aspen Street from Claycomb Road east to the city limits.
- *19. The west side of Linden Street from Aspen Street to 14th Street.
- *20. The north side of 14th Street from Providence Road east to the city limits.
- *21. The north side of Fairgrounds Avenue from Main Street to South Window.
- *22. The west side of South Window from Fairgrounds Avenue south to the city limits.

Another State Normal.
President Fie and the trustees of the Wayne Normal have invited Nebraska to purchase the Wayne Normal and convert it into a State Normal. For seven years the people of Nebraska have been asking for a State Normal in this section of the state.
Nebraska has but two State Normals, one at Peru in the extreme southwestern part of the state. Both Normals are within fifty miles of the Kansas-Nebraska boundary line. By rail, Peru is 200 miles from Pierce and Kearney is 125 miles.
It is time for North Nebraska to awaken from its slumbers and demand a State School for our young people and our teachers. Ever since the Peru Normal was organized we have been paying for its support. It has cost the state, but only a few students and teachers from Pierce county have gone to that school because it is so far from us. Our students and teachers have attended the private normals at Wayne and Fremont instead. These schools have educated at least 90 per cent of our normal trained people of this section.
The Wayne Normal cost over \$100,000 and it is offered to the state for \$100,000.—Pierce County Leader.

Worker vs. Dross.
If you were employing a man in any line of business which would you prefer, a man who takes an interest in his work and is constantly trying to perform it in a way to bring about beneficial results, or one who simply seemed inclined to put in his time and draw his salary. We have several times spoken of the work of Supt. A. E. Little of this county and various school officers in reporting conditions that tend for the better development of the boys and girls, the young men and women of the county, and expressing the thought he should be given the fullest encouragement by the parents and various school officers of the county. That his mind is constantly on his work is evinced in many ways, and none better than the latest circular letters he is sending over the county. Realizing that boys and girls in the county are largely lost sight of between the ages of 15 and 21 he is endeavoring to get in communication with them through the teachers of the various districts in a way to make them feel that there is some one interested in them, their activities, and moral life, as well as toward the highest education. He has been led to this voluntary act on his part through the efforts of President Roosevelt and his commission on country life, and the new departure of the Y. M. C. A. in working to get in touch with the life of the young men in the country districts, thereby ascertaining the tendency of the boys toward athletics, such as base ball, foot ball, racing and various sports that develop the physical body, and then lead them onward to a further development of their mental and moral nature. The movement is one which has in it great possibility for good and we believe that Supt. Little is to be commended for his thought along this line, and assisted, encouraged and cheered by having his list of questions quickly and fully answered. He is doing his part toward those addresses of do them that good may come from it.

Some Doings.
In the county Commissioners proceedings last Friday you will find some interesting reading, including the report of the Sheriff, the appointment of township deputy assessors, by county assessor Witter and approved report of county Judge Hunter showing fees for the year 1928 to be \$288.60, the report of County Supt. Little, the appointment of the deputy county clerk. The letting of the contract for proceedings, legal notices, blanks and stationery. All bids for the furnishing of books and office supplies were rejected and the officials ordered to buy them as they were needed. Dr.

A Sad Case.
One of the tragedies of life was that which took place Saturday in Norfolk S. M. Cutler, aged 65 years, for the past 20 years, a diligent and successful farmer, who had a wife and two children, one a boy and one a girl. The result was so good that the family will remain another year at least. Mr. Scott has a farm near Wayne. Mr. Collins is a wide-awake, hard-working man, who has a fine tract of land near the town site of Laurel. Mr. Scott is a fine farmer and a good citizen.

A Surprise.
A very pleasant little surprise party, which we did not learn of last week, occurred at the residence of J. S. Gamble, seven miles west of Wayne Tuesday evening, January 6. It was the 50th birthday anniversary of Mrs. Gamble and thirty-two friends were invited. A delightful supper consisting of oysters, beef, and a general assortment of dishes was served, and music, both vocal and instrumental, interspersed with social conversation, helped to pass the hours all too quickly, and the guests departed at a late hour, wishing that their worthy hostess many happy returns of the day.

Blair was given the contract as usual, to physicians for another year. The official bond of A. R. Davis as county attorney was approved, and was also three overseers of road districts and one justice of the Peace. The entire board proceedings including bills may be found in this issue.

Something Good.
A Sioux City man has invented a device which protects people who are in blowing out the gas. It is simply itself, being a little brass rod which is just the proper length when heated by the flame of the gas, to hold open a valve. As soon as the gas is put out, either by blowing or turning the valve, the little rod cools, contracts, and a special valve automatically closes. Several million people are wondering why they didn't think of it before.

Five Outlook.
The X-Ray incubator company has several men steadily employed these days turning out a large number of its first class machines. The outlook for business is much better than last year. Orders are coming in by every mail. Those who had a machine last year are ordering still others this season which shows the satisfaction in the use of the machines that gives them a standing. One man gave an order for eleven incubators and brooders.

New Books.
The Federation, as a result of their food sales and entertainments a month or so ago, have been able to add sixty new volumes to the public library. A person visiting this institution any Saturday afternoon cannot but realize that it is a good thing for the boys and girls, and older people too, as they see the large number participating in it and the earnestness displayed in the selection of books. A good book is like a good friend, a valuable thing to have.

Will Remain.
W. W. Scott of Ft. Collins, Colo. was here over Sunday, visiting his brother-in-law, W. A. Fraser. Mr. Scott went to Ft. Collins a year ago in the hope of benefiting the health of his son, who is a boy fever sufferer. The result was so good that the family will remain another year at least. Mr. Scott has a farm near Wayne. Mr. Collins is a wide-awake, hard-working man, who has a fine tract of land near the town site of Laurel. Mr. Scott is a fine farmer and a good citizen.

High School Notes.
The High School is going to give a program Friday afternoon. The main feature will be a debate on "Resolved, that the United States should have a large navy." The affirmative will be supported by Mr. Charles Nicholas and Miss Beulah Trevett, and the negative by Miss Beulah Marsteller and Miss Margaret Forben. Everyone invited to attend.

Give us the News.
If you have anything in the way of news—editorial, personal, coronations, society events, illness or accidents, engagements, marriages or divorces, the Herald will always be glad to receive the fact for publication. Send by mail or call up phone 145.

File Recommendations.
Professor Richardson handed in his resignation last week as Principal of our schools and the Board accepted of the same. They immediately communicated with different Colleges and on the recommendation of Professor Fie at Wayne they have accepted of the same. Mr. Zimmerman is almost an entire stranger to our citizens, and from the way he has taken hold and entered into the work the Board made no mistake in hiring him. Mr. Zimmerman is not an untalented experiment in school work, as he has taught school five years, two years as principal in South Dakota. He also taught in the College at Wayne where he was recognized by Professor Fie and students as an able, conscientious hard working young man, and we believe he will be equal to every emergency and that our schools will go on along that high plane of efficiency. Pigeon Herald.

Wayne Lodges Install.
Last Thursday evening was installation night for several lodges in Wayne. The Ancient Order of United Workmen and Degree of Honor Lodges held a joint installation of officers at the lodge rooms attended by a large number of members. The Wayne Commercial Club band furnished music for the occasion. Grand Master Walling of David City and Grand Chief Mrs. H. Cleaver of Neligh had charge of the ceremonies, which concluded with refreshments. The Degree of Honor officials installed for the ensuing year are: Mrs. M. House, P. C.; Mrs. R. N. Thorpe, C. of H.; Mrs. Ethel Juhlin, I. of O. G. T.; Mrs. H. Erickson, G. O. G. T.; Mrs. V. Emery, recorder; Mrs. V. Kingsbury, treasurer; R. N. Thorpe, secretary; Mrs. W. H. Watters, grand Harry Watters, I. W. N. J. Juhlin, O. W.

There's a good deal of satisfaction in knowing that the clothes you wear are of good quality; all-wool and well-tailored. Part of the pleasure in wearing clothes comes from knowing that they're of the right quality. There's a lot of cheap clothing made and sold; it's made so that you'll think it is good, and you pay for what you think it is. It isn't even low-priced sometimes. The advantage to you in our Hart Schaffner & Marx clothes is not simply in what they are—all-wool, correct in style, perfectly tailored; it's in what you know they are. When you wear these clothes you know you're right; the mental attitude is worth more than the price of the clothes. Special price for next 10 days. **Dan Harrington**

German experience

4-H exchange representative is back

By Anita Sandahl
 An IFYE's Perspective of Germany
 Yes, the Nebraska IFYE (International 4-H Youth Exchange) representative is home again and ready to share her experiences with the people back home. I'll begin by answering some of the most common questions I've been asked since I returned in December.
 Q: Were you ready to come home?
 A: Actually, I was having a wonderful time, but I knew when I left it would only last 6 months

Of course, there were days I was ready to leave, but then we all have days we wish we were somewhere else. Now I find myself missing Germany.
 Q: Do you plan to go back?
 A: When I applied to be an IFYE, I looked at this as a once in a lifetime experience, and it was. Now that I've made such wonderful friends in Germany, I truly hope to get back to see them someday.
 Q: How can I or someone I know become part of this IFYE program?
 A: If you're 15-19 years old consider IFYE ambassador. A 3-

week exchange, or 19-26, consider becoming an IFYE representative for 4-6 months. For more information contact the County Extension Office or myself.
 Q: What are you doing now that you're back?
 A: Since I graduated last May from UNL with a degree in vocation home economics education, I am currently seeking employment in a home economics related field. And while looking for a job, I'd be more than willing to come share my IFYE experience with your organization. Naturally, I can't share everything in one pro-

gram, so I want to focus in on the interests of your group. Topics I can include are: IFYE program, German culture, family life, agriculture, home economics, architecture, transportation, leisure time activities, youth education, scenery. So, next time you need a program for family night or your monthly meeting, please keep an IFYE's perspective of Germany in mind. Just let me know how and when I can share with you. Call me at 375-1879. Once again, vielen Dank (many thanks) for allowing me to share my experiences with you.

WOMANS CLUB
 Eleven members of the Carroll Womens Club met Thursday at the Lutheran Church fellowship hall for a soup and sandwich dinner served by Mrs. John Swanson, Mrs. Arthur Cook, Mrs. Edward Fork and Mrs. Alice Wagner. Mrs. Erwin Morris was a guest. Mrs. Arnold Junck conducted the business meeting. Mrs. Edward Fork reported on the last meeting and Mrs. Arthur Cook read the treasurer's report. Roll call was a scrapbook display and members brought their scrapbooks and told about them.

Several thank yous were read for Christmas boxes received from the club. The club bought Christmas gifts for 2 members of the Wayne Care Centre.

Plans were made to give a birthday gift for Cindy Davis of Carroll who is a resident of the Wayne Care Centre.

Mrs. Merlin Kenny and Mrs. Lynn Roberts were in charge of the program and introduced Mrs. Erwin Morris of Carroll who told about making 123 scrapbooks. She stated that after receiving a cookbook of Christian family living from the late Pastor Niederweimer of Coleridge, at the wedding of Mr. and Mrs. Morris in 1950, she became interested in scrapbooks of poetry with some original poetry that she wrote, family history, general area of newspaper clippings and also cherished inspirational readings. The consistency of each book is by calendar month and year. Mrs. Morris also has a scrapbook of world news highlights. She brought several of her books and had them on display.

Mrs. Merlin Kenny read an article for the new year taken from The Guidepost magazine. The next meeting will be Feb. 9 at the Lutheran Church

fellowship hall when members are asked to bring a sack lunch, coffee and tea will be furnished. Roll call will be happiness is and Mrs. Etta Fisher and Mrs. Lem Jones will have the program with the topic "Retirement."

GST BRIDGE CLUB
 Mr. and Mrs. Dean Owens hosted the GST Bridge Club Saturday evening at their home. Prizes went to Mrs. Stan Morris, Mrs. Merlin Kenny, John Paulsen and Lynn Roberts. Mr. and Mrs. Lynn Roberts will host the club on Saturday, Feb. 4.

SCHOOL BOARD
The Wakefield Board of Education reorganized at the meeting on Jan. 9. Hermin Utecht was re-elected president; Jim Stout, vice president; and Larry Clay, re-elected secretary. Board president Utecht will appoint board committees.
Mike and Bob Leonard of rural Wakefield visited with the board about the possibility of transferring a tract of land from the Pender school district to the Wakefield school district. The board voted to agree with the transfer providing the Pender district will release the land.

The current 2-year contracts of Superintendent Derwin Hartman and Principal Joe Coble were extended 1 year by a vote of the board.

An educational contract with the Richard Young Hospital in Omaha was approved by the board for a student who has spent some time there this year.

Other items discussed included state school lunch week Jan. 16-20, Lewis and Clark Conference negotiation meeting Jan. 27 at the Northeast Station, Voca-

tional Evaluation Jan. 12; new District 60R school map; Chapter II grant, bus barn roof and school days missed because of inclement weather.

BLOOD BANK
Eugene Swanson joined the 3 gallon club of the Siouxland Blood Bank of Sioux City when he donated blood Jan. 12 at the Wakefield Health Care Center. Jerry Nicholson of Emerson joined the 2 gallon club and Greg Simpson of Wakefield, 1 gallon club.
A total of 30 persons donated blood.

LEGION AUXILIARY
The American Legion Auxiliary met Jan. 9 at 8 p.m. at the Legion Hall. Lois Hollman, president, presided over the meeting.

Unit chairmen gave reports and Mrs. Marie Bellows reported on the tote bag drawing held New Year's Eve. Geri Rohde of Emerson won the bag donated by Miss Evangeline Patterson.

The group set Saturday, Feb. 4 as kitchen cleaning day.

Everyone that can help was urged to attend and to bring a sack lunch. Work will begin at 9 a.m. A march was held for the Little Red Schoolhouse, whose funds are used for nurses scholarships.

All auxiliary members are to bring dish towels and kitchen items such as paring knives, large spoons, etc. they can donate to the hall cleaning day or to the next meeting on Monday, Feb. 13 at 8 p.m.

Iris Larson, Alicé Johnson and Evelyn Doescher served lunch.

FRIENDLY TUESDAY CLUB
Eight members of the Friendly Tuesday Club met Jan. 10 at 2 p.m. with Mrs. Ruth Lempke, Mrs. Jack Park, Mrs. Marvin Stolle and Mrs. Raymond Brudigan were guests.
The minutes of the last meeting were read and approved. Roll call was show-and-tell crafts. Eleanor Park gave a demonstration on how to make box nut cups from discarded cards. The birth day song was sung to Mrs. Alfred Meier.
The meeting closed with the reading of the meditation. Clara Holtorf will host the

Tuesday, Feb. 14 meeting at 2 p.m. They will have a Valentine gift grab bag.

Set Medicare enrollment period begins in January

People who failed to sign up for the medical insurance part of Medicare or who once had this protection but dropped it will have a chance to get this protection during the 1984 general enrollment period, January through March, according to Dale Branch, Social Security district manager in Norfolk.

The medical insurance part of Medicare helps pay for doctor bills, outpatient hospital ser-

vices, and many other medical items and services not covered under hospital insurance.

Protection for people who sign up during the general enrollment period will start July 1.

Medical insurance is financed by premiums paid by those enrolled and the Federal general revenue. Currently the Federal Government pays about three fourths of the cost.

People who sign up during a general enrollment period may

pay a higher premium. Branch said. This is because the premium is increased by 10 percent for each full year a person could have had this protection but did not.

More information about the medical insurance general enrollment period can be obtained at the Norfolk Social Security Office, located 1310 Norfolk Avenue, Norfolk. The telephone number is 1-800-642-8310.

Waiting just one more year to start an IRA will cost George \$56,958.

There are rewards for starting an Individual Retirement Account early. When you do, you build more security into your retirement.

If George opens his IRA at age 25, (based on 10.25% annual interest) a \$100 monthly deposit will provide him with retirement funds of \$600,141 at age 65. Beginning his IRA at age 26 would provide funds of \$543,183—a loss of \$56,958 for delaying one year.

Choose a plan to suit your budget now. Even \$25 a month becomes a substantial retirement fund and every penny you deposit in your Federally insured Midwest Federal IRA is deducted from your 1983 taxable income.

Midwest Federal charges no fees or commissions. Stop in our office and we'll show you what your IRA can grow to if you begin now.

Junior Law Cadet Program set

The 17th annual Junior Law Cadet Program has been scheduled in two sessions, offering identical programs to boys and girls, according to commander Lowell Feye of the American Legion, Department of Nebraska. The boys' session is June 11-15, and the girls' session is June 18-22 at the Nebraska State Patrol Training Academy at Lincoln Airport.

Participation in the one-week program is open to students completing the 11th grade. Two students will be endorsed from each of the 15 Districts of the Department of Nebraska to attend each session. Application forms are available from the American Legion Post Commanders or the local high school superintendents.

The scheduled activities include classroom studies in such subjects as Motor Vehicle Laws, Court Procedure, Human Relations, Safety Education and First Aid; tours of correctional facilities and state law enforcement offices; and are highlighted by field activities that include marksmanship, VASCAR and radar operation and maximum performance driving.

Evening classes will be devoted to the Driver Improvement Course. Each day will begin with before-breakfast calisthenics. The participants will remain "in residence" during the period and will be awarded Certificates of Achievement at concluding ceremonies at 2:00 p.m. on the respective Friday afternoons, June 15 and June 22.

Commander Feye said, "This program was developed by the Law and Order Committee and is offered in cooperation with the Nebraska State Patrol. Other states are now following Nebraska's leadership in developing similar programs which help youthful participants better understand the true 'role' of today's professional police officer."

The members of the Law and Order Committee are Virgil Ferguson of Grand Island, Waldo Smith or Arthur, Gary Baker of Blair, Susan Rowe of Grand Island, Michael Helm of North Platte, Kansas, and the Chairman is Lieutenant J. E. Thompson of the Nebraska State Patrol.

COMMUNITY EXTENSION CLUB
The Allen Community Extension Club met at the home of Mrs. Paul Koester on Friday afternoon with 7 members answering roll call with a show and tell of hobbies and crafts. Fern Benton, vice president, presided in the absence of Mrs. Ernest Stark, president. The meeting was opened with the club creed. Fern Benton gave a book report on the book "First We Will Have Coffee." Irene Armour reported on the council meeting she had attended recently at the Northeast Station. The February meeting will be at the home of Mabel Wheeler with Mrs. Elmer Whitford and Mrs. Paul Koester giving the lesson, "When is a Bargain Really a Bargain."

SUNSHINE CIRCLE
The United Methodist Sunshine Circle met at the home of Fern Benton on the afternoon of Jan. 10 with devotions by Ella Isom. Roll call was answered by 10 members telling what they did at Christmas. Members gave their offering for the number of days the sun had shown in 1983. The circle will have "Opportunity Bags" this year as a money making project. Lists were given out as to how to put money in the bags each month. The February meeting will be at the home of Irene Armour where Valentine favors will be made for the Wakefield Health Care Center.

FAREWELL DINNER
A farewell dinner was held at the Allen United Methodist Church on Sunday honoring the Craig Williams family who will be moving to Guttenburg, Iowa this month. Craig and Jackie were presented special recognition pins from the United Methodist Women.
