# THE WAYNE HERALD

## Farm Crisis program at Ramsey Theatre

Five farm leaders from Nebraska will offer their thoughts on matters relating to the current farm crisis at Wayne State College on Thursday, March 14.

The meeting, sponsored by the Wayne State College Public Affairs Institute, is free and open to the public.

The program, which will begin at 1:30 p.m. in Ramsey Theatre in the Val Peterson Fine Arts Center on the WSC campus, will deal with the question "What is the farm crisis?" Five experts on the panel will offer their thoughts on how the crisis should be dealt with.

"We live in a farm region and most of our students come from farm and rural backgrounds so what happens to the farmers happens to us," said Allen O'Donnell, associate professor of social science and director of the Public Affairs Institute.

"This is our problem, too."

Heading the panel is Chuck Schroeder, special assistant to the Director of Agriculture for the state of Nebraska. Tim Wraga of the Emerson Farm Crisis Movement, Marty Strange of the Center for Rural Affairs and Merle Hansen, president of the North American Farm Alliance, will also take part in the program.

Wraga and Strange recently attended farm crisis meetings in Washington, D.C.

**FILLING OUT THE** panel is Neil Oxton, president of the Nebraska Farmers Union.

Oxton recently presented his views on the farm problem before a committee of Congress.

The program, according to O'Donnell, is divided into two parts. "In the first part we will hear from the panel, and the second part will be devoted to questions and comments from the audience," he said.

"We know that this is a volatile issue at this time, given the intent of the Reagan budget and given the fact that many farmers and a number of banks are in great trouble in Nebraska, Iowa and South Dakota," O'Donnell said. He added that these facts should bring a good number of farmers, and some businessmen, to the meeting.

The debate on the farm budget in Washington and the actions of the legislatures and governors in Nebraska, Iowa and South Dakota will be watched very closely by the farmers and businessmen of the region, according to O'Donnell.

"I believe that will bring a number of people to this meeting with some important questions for our panel," he said. "This is a panel of experts, men who have devoted their lives to farming and ranching and who know what is going on in government and in the economy."

O'Donnell said he expects about 400 people to attend in the 660-seat Ramsey Theatre. No reservations are required.

That smile says it all

ONE LOOK AT Coach Bob Uhing's face and anyone way to Lincoln for their first state tourney appearance could tell that the 18-2 Wayne Blue Devils are on their in 21 years. More photos and game story inside.

## Program for the elderly

A new program to help the elderly and disabled remain in their homes has been expanded into Wayne, Madison and Pierce Counties by the Northeast Nebraska Area Agency on Aging.

A spokesman for the agency said "Project Independence" strives to increase the availability of community services to the elderly and others who are home-bound so they can remain in their own homes as long as possible.

Through the program, a registered nurse visits the home of the individual to discuss his or her needs and the services that are available to meet those needs.

Help may range from providing information to developing, implementing and monitoring a comprehensive plan of care.

THE AGENCY spokesman said available services could include teaching the individual how to help themselves with many tasks — teaching family members and others how to assist more easily and safely.

Other services which could be coordinated include meals on wheels, personal care, homemaking assistance, assistance with chores, home health nursing and aides, therapy to maintain or restore function, income assistance or support, health benefits for which the individual may be eligible, legal advice and assistance, mechanical aids, and hospice care.

THE SPOKESMAN stressed that "Project Independence" is designed to serve any person at risk of losing their independence.

The total service area includes Wayne, Madison, Stanton, Pierce, Cuming, Cedar and Knox Counties.

A referral may be made by the individual desiring the service, the family, a friend, physician, member of the clergy, or social worker.

The number to reach "Project Independence" is 1-800-672-6308.

## Wayne council holds off on annexation of Sunnyview

Wayne's City Council gave the annexation proposal of the Sunnyview Addition a title and a number.

And in some instances, the council can waive the rule of "three readings of the ordinance at three different dates" and pass the ordinance at the first reading.

However, the city council unanimously voted to "not waive" the three readings and will conduct another reading of the ordinance at the March 12 council meeting.

Several residents of the proposed Sunnyview Subdivision annexation area, which includes 26 houses, were present at Tuesday's city council meeting.

The area proposed for annexation is east of Wayne along Hillside Drive, Sunnyview Drive, Eastview and Poplar Street. The legal description of the proposed annexed area is available at the Wayne City Clerk's office.

Joe Parker, a resident of Poplar Street, asked the city council how thoroughly the annexation procedure has been discussed.

"Our taxes will jump (in some instances over \$300). What are we going to get for that?" he asked.

"There are no extra benefits for annexation," said City Attorney Kem Swartz.

Subdivisions annexed into the city would obtain city services such as water, sewer, electricity and snow removal. At the present time, Sunnyview Subdivision has all of these utilities except the snow removing.

Council member Carolyn Filler said there had been an "understanding" that the Sunnyview subdivision would be brought into the city limits sometime in the future.

Several years ago, a developer sought permission from the council to build streets in the subdivision on his own — sparing the city the procedures of bonding and assessing the property owners for the street work.

The city council gave the developer, the go-ahead, but said they wanted an engineer to inspect the project to see that it was meeting city street specifications.

AT THAT TIME there was low interest money available for housing in the Sunnyview Subdivision which could not be obtained if the subdivision were established within the city limits.

Another resident on Poplar Street said the city will inherit a "mud problem", since the area has only two storm sewers and often at the intersection of Poplar Street and Hillside Drive mud accumulates up to four inches (after a heavy rain).

Swartz said real estate taxes are paid a year behind, so property owners in the annexation area would not see the increase in property tax till they pay taxes for the year 1985.

THE COUNCIL heard from Bill Paysen of Wayne concerning the operation of the Municipal Swimming Pool.

Paysen asked the city council to consider returning the family hour at the swimming pool to 5 p.m. to 7 p.m.

Last year, the family hour was set at 6 p.m. to 7 p.m.

"The reason the hours were changed," said City Administrator Phil Kloster, "was because there was a limited number of people using the two-hour period."

"A lot of people work until 5 p.m. and pick up their family, but by the time they arrive at the pool the first hour is nearly shot, he said.

"And we can't afford to stay open that extra hour," Kloster added. "We're almost back to where we were losing money five years ago."

"We raised our rates three years ago and stayed close to breaking even. Now we're back to losing again," he said.

Paysen said there were more people swimming between 5 and 6 p.m. hours than the following hour. He asked if the pool could be open more days during the summer rather than closing a week before school starts.

KLOSTER SAID that last year, the pool was open on a day to day basis, depending on the length of the hot weather spell, prior to its closing.

A study of five swimming pools and their rates was assembled by Paysen, who said Wayne has the highest admission rate among the pools surveyed.

Those pools surveyed included Pender, Wakefield, West Point, Fremont and Norfolk. Last year's admission prices into the Wayne Municipal Swimming Pool were \$30 for family membership (some got a break of paying \$40 if the passes were purchased during a designated date); \$2 admission fee for those older than five; and \$1 for those five years old or under.

When a daily admission of \$2 is made over five years of age, then something has got to be wrong, he said.

"My main concern for coming here (before the city council) was not the price, but more people that I had talked to said the price was too high to start with," said Paysen.

Councilman Freeman Decker asked Paysen what alternatives he would consider for raising revenue for the pool operation.

"By subsidizing with tax funds, raising admission fees, reducing the number of lifeguards?"

Filler said she would like to review the family hour time, although the decision is up to the administration and not the city council. "The more it will pay for itself the less we have to pay with tax dollars," she said.

Kloster suggested trying the price of \$2 admission for ages 12 and above and \$1 for kids up to the age of 11.

It is the city administration's discretion to decide on the pool hours and admission fees.

IN OTHER action, the city council:

- Received a letter of resignation, effective July 1, 1985, from Herman (Bud) Wacker, currently the city's electric utility supervisor. Wacker has provided 36 years of service to the city of Wayne — the second longest tenured employee Wayne has ever had, Kloster said. Norm Brugger is the longest tenured employee, he said.
- Accepted the bid of Arnie's Ford Mercury for the purchase of a police cruiser. The city will obtain the cruiser at a net trade-in price of \$9,220.22.

Mike Perry Chevrolet-Olds was the only other bid submitted, bidding a net trade-in price of \$10,128. Councilman Stan Hansen abstained from voting on the bids for the cruiser.

\*Took in bids for the rent of two tracts of agricultural land owned by the city. The first tract is located immediately east and north of the sewage lagoon and contains approximately 19.43 acres of land. The second tract is in the industrial site north of Nebraska-Fiberglass Corporation and consists of approximately 7.5 acres.

Jim Corbit was awarded both sections of land rental at \$52 per acre. Others submitting bids were Virgil Kardell and Gerald Ott.

\*Were informed by Phil Kloster of two legislative bills which should be observed by

the council members. The first he mentioned was LB 160, a bill that would remove the tax exemption on gasohol.

The Nebraska League of Municipalities support the bill. However, Wayne representatives Mayor Wayne Marsh and Kloster initially voted against supporting the measure "being from a rural area and sale of certain amount of corn ends up as gasohol."

"Then we found out later that most of the corn for gasohol comes from Central or South America," he added.

A bill (LB235) which would convey an easement to the city of Wayne was heard in committee last Friday. It concerns granting Wayne an easement for the construction of South Providence Road. There is no question that the proposal will get out on the Senate floor, Kloster said.

"Hopefully it will get pushed along and passed," he said.

**Blue Devil fever hits school**

School will be closed on Thursday and Friday, March 7 and 8 at Wayne-Carroll School District to allow students to attend the state tournament in Lincoln and watch the Blue Devils in action.

There will also be bus transportation to the state tournament, for interested students, at a cost of \$4 per trip. The buses will return in the evening, according to Wayne-Carroll administrators.

## Area company expands with ag computer line

LARRY CARR with his new line of ag computers.

Red Carr Implement has expanded its dealership to include a new line of products. Computers.

Sperry New Holland's Ag-Command Computer System is the comprehensive computer system Red Carr Implement is introducing to the area.

"The Ag-Command Computer system package is unique, it's more in tune with what my rural customers really want and need," said Larry Carr, who recently completed an intensive two week training course in Indianapolis working with both hardware and software of the computer system.

National advertising appeared promoting the Sperry-New Holland computer system several months ago. Carr said people have been inquiring about the computer system since then. "There was enough response that we thought it would be another good line to have available."

The Ag-Command Computer System consists of the Sperry Personal Computer, available in several models, and the Ag-Command Software Series. The series includes general farm management programs plus specific crop and livestock operation programs.

The computer, which also has IBM capabilities, can be used in areas other than farm — such as by agribusinesses.

Carr said the computer system can be helpful to farmers facing an era of high technology.

"This computer can help maximize their management skills. Those that are keeping good records now can have even better records," Carr said.

"And they can have these records for a long period of time," he added.

CARR SAID that for ag command programs, the following computer system programs are available: general ledger, swine growing and finishing; swine herd; dairy herd; field and crops; and financial planning worksheet.

The computer system will provide, he said, easier filing of records or it will keep records of product cost and compare it to performance — or compare data of previous years — such as keeping production costs for different types of feed and seed.

Products and service from one, local agricultural business source provided by someone who already knows the specific needs of the community is also expected to make a difference in the service the community receives, according to Carr.

"We have it all under one roof — the ag hardware, ag and general business software, peripherals and maintenance."

Carr said the service center for the new computer systems will be in Omaha. Loaners will be available from the Wayne location, he said.

Carr said he plans on scheduling an open house later in March to display the new Ag-Command Computer Center at Red Carr Implement.

He said he is excited and optimistic about the new line of computers. Cost of the products, he said, will vary depending on what type of package, the farmer or business dealer wishes to purchase.

Leasing arrangements are available, he said.

## Older Nebraskans art show

Entries are being solicited for the third Annual Art Show for Older Nebraskans. Persons 60 years of age or older are invited to enter. The selected works will be exhibited during May, Older Americans Month, in the lobby of the Nebraska State Office Building. A selection from the show will be exhibited at the 1985 Governor's Conference on Aging, May 13-15, at Grand Island. The show is limited to 130 works. Artists may submit only one entry. Works must be original and completed after the artist's 60th birthday and not previously submitted to the art show for older Nebraskans. Any two dimensional medium is welcome including paintings, drawings, photography, batik, and weaving. Works must be matted, framed, or suitable to display and ready to hang. The artist's name, address and phone number must be on the work. Entries should arrive at the Nebraska State Office Building on April 30 or May 1. They may be delivered between 9 a.m. and 5 p.m. either day to the building loading dock. If work must be delivered earlier, arrangements should be made by contacting the Department on Aging. The art show is sponsored by the Lincoln Area Agency on Aging, the Lincoln Community Arts Council and the Nebraska Department on Aging. For more information, contact Lesa Lorenzen at the Lincoln Area Agency on Aging, 471-7158.

## UNL Engineering Dean's list

Area students named to the College of Engineering and Technology at the University of Nebraska-Lincoln dean's list for the first semester of the 1984-85 academic year include: Blaine D. Johns, Wayne, Electrical Engineering; Stacy Kay Marsh, Wayne, Criminal Justice; Mark Don Kubik, Wayne, Mechanical Engineering; Mary Jean Bowder, Winslow, Construction Management; and Timothy Wyatt Lineberry, Laurel, major unknown.

## Junior high band clinic at Wayne

A Junior High Band Clinic involving the Wayne Middle School seventh and eighth grade band and the Wakefield junior high band will be held this Saturday in the lecture hall at Wayne-Carroll High School. Keith Kopperud, Middle School Instrumental director, said solos and ensembles will begin at 1 p.m. The Wakefield band is scheduled to play at 2:30 p.m., followed by the Wayne seventh and eighth grade band at 3. The public is invited to attend.

## March CLEP exams offered

A program that enables people to earn college credits by examination will be offered March 13 at Wayne State College. The College Level Examination Program (CLEP) provides students the option of earning college credit without enrolling in college courses. CLEP provides an opportunity to save both time and money in earning a college education. Students wishing to participate must register by March 11. Anyone can take CLEP exams and submit scores to one or more of 2,500 participating institutions. To receive college credit at WSC, students must either be currently enrolled or have met WSC admission requirements. Students can get a good overview of the areas they select to take a CLEP exam by obtaining a booklet "Guide to the CLEP Examinations" from the Student Services Office at the college. The booklet can usually help you decide if you have enough knowledge about particular academic areas to attempt the related CLEP examinations. The booklet may be borrowed on an overnight basis or purchased for \$5. Credit received for CLEP is entered on a student's record without a grade, thereby not affecting grade point averages. There is no official record entered if the CLEP exam is failed, and students can re-take the same exam again provided appropriate fees are paid. Wayne State places no limit on the maximum number of credit hours earned through CLEP and taken before the senior year. Each CLEP exam usually takes about 90 minutes to complete. The fee for General and Subject Examinations is \$30 per exam. Scores are reported to the student and the college within one week. For more information contact the WSC Student Services Office, CLEP, (402) 375-2200, ext. 213.

## MADD pamphlet available

The Douglas County Chapter of M.A.D.D. (Mothers Against Drunk Driving) is acting as the State Coordinator in putting together a pamphlet giving information about the bills currently before the Unicameral which affect the drunk driving laws in Nebraska. Individuals who are concerned about the drunk driving problem and want to learn more about the proposed changes may write to: M.A.D.D., P.O. Box 601, Bellevue, NE 68005. Ask for the M.A.D.D. Hotline, M.A.D.D. especially wants to hear from readers who will write to their senator to express their views on the laws. The pamphlet is free. A stamp or two included with the request to help defray postage costs would be appreciated but is not required.

## Displaced Homemakers Program

The Northeast Nebraska Commission for Women is scheduled to meet Monday (March 4th) at 7:30 p.m. at the Career Planning Center on the Norfolk Tech. Community College campus in Norfolk. The major program/agenda item for the evening will be a discussion of the problems faced by displaced homemakers in Northeast Nebraska and a review of a proposal for a Displaced Nebraskans and a review of a proposal for a Displaced Homemakers Program in our area. A displaced homemaker is a person who because of widowhood, divorce, separation, disability of the breadwinner, or other loss of income faces major life transitions. Also planned is a review of the current status of legislative issues selected by the Women's Legislative Caucus. All interested persons are urged to attend. For further information, call Jean Karlen, 385-2657; Sheryl Lindquist, 375-3333; or Jeri Peterson, 371-1734.

## New G.I. bill announced

Starting July 1, all qualified members of the Army and Air National Guard will be eligible for education benefits worth up to \$5,040. To earn the benefit, a person must join the National Guard and meet certain minimum qualifications. A recipient must be a high school graduate, or equivalent, prior to the end of partial active duty training. A person must serve at least 180 days in the National Guard, including initial active duty. And, a member must have at least six years of service remaining in the National Guard after July 1, 1985. Finally, a person must be enrolled in a VA-approved institution. While eligibility for the program begins July 1, Guard members who enlist prior to July 1, 1985, and most current members may also be eligible for benefits under the new program. The maximum benefit for a full-time student is \$140 per month for 36 months — \$5,040 total. Students attending three-quarter time receive \$105 monthly and half-time students receive \$70. They may begin participating in the program after only six months of service. A person may use the benefit for 10 years, from the first day of enlistment, or until separation from the National Guard, whichever comes first. Regular pay and benefits for attending monthly training and two weeks of annual training continue, including any other state or federal programs open to the individual, such as the bonus program. National Guard recruiting and retention officials located throughout Nebraska have complete details on this program and other benefits. Call 473-1167 in Lincoln, or 800-742-7764 if you're outside Lincoln; or visit any National Guard unit.

## Job Service Coordinator position

The Northeast Nebraska Area Agency on Aging has announced the appointment of W.R. "Jim" Dettloff as the job services coordinator serving a nine county area. Counties served at the present time are Madison; Boone, Colfax, Cuming, Pierce, Platte, Stanton, Wayne, Antelope and South Sioux City. The goal of the program is to provide employment placement services to individuals 55 years or older, within certain income guidelines. Businesses or industry can benefit through possible payment for on-the-job training. In some instances additional classroom training may be funded for qualified individuals. Those desiring more information regarding employee or employer programs may call Jim Dettloff at the Northeast Nebraska Area Agency on Aging at Norfolk, 371-7454. For those outside the Norfolk area call toll-free 1-800-672-8368.

## Athletic director honored

WAYNE-CARROLL ATHLETIC Director Harold Maciejewski was honored during a presentation held at halftime of the Wayne-Columbus Scouts boys basketball game on Friday night in Wayne. Maciejewski, who will be retiring at the end of the school year, was presented a plaque on behalf of all the coaches who worked with him during his 31 years at the Wayne-Carroll school. Pictured above are Don Koenig, who presented the plaque, Maciejewski, and his wife Leah.

THE \$3.1 million proposed Rice-Carlson addition is at right, not left, as stated in last Monday's paper.

## Medicare deductible will increase to \$400

The Medicare hospital insurance inpatient deductible, the amount an inpatient is responsible for, will increase to \$400 for benefit periods starting in 1985. Dale Branch, Social Security manager in Norfolk, said recently. The 1984 deductible was \$356. Also increasing are the per-day amounts the patient is responsible for, Branch said. The inpatient deductible is the only cost to the patient for covered services for the first 60 days of care in a benefit period. For the 61st through 90th day, hospital insurance will pay for all covered services except \$100 a day in 1985. The 1984 figure was \$89. For the 60 reserve days of care, hospital insurance will pay all covered services except for \$200 a day in 1985 figure was \$78. For care in a skilled nursing facility, hospital insurance pays for all covered services for the first 20 days and all but \$50 a day for up to 80 more days in 1985. The 1984 figure was \$44.50. The Medicare medical insurance premium is also increased for 1985. The 1985 basic premium will be \$15.50 a month, compared to the 1984 basic premium of \$14.60. Some people pay a higher rate because there were periods of time they could have had medical insurance but did not. The basic hospital insurance monthly premium will be \$174 in 1985, compared to the 1984 rate of \$155 a month. This premium applies only to persons who are not otherwise entitled to hospital insurance. The \$15 medical insurance annual deductible will not change, Branch said, because it is set in law.

## obituaries

### Regina Junck

Services are pending at the Schumacher Funeral Home in Wayne for Regina Junck, 87, of Carroll. She died Wednesday at the Osmond Hospital.

### John Bressler von Seggern

John Bressler von Seggern, 68, died Friday, February 22, 1985 at his home in Bethany, Missouri. Funeral services were held Monday, February 25 with burial in Bethany. John Bressler von Seggern, the son of the late William E. and Kate Bressler von Seggern, was born in Wayne. He attended the University of Nebraska where he was affiliated with Phi Gamma Delta fraternity. He was a veteran of World War II, having served in the European Theatre. Survivors include two sisters, Mrs. William E. Gordon (Jane) of Houston, Texas; Mrs. George F. Fox (Betsy) of Columbia, South Carolina and a brother, William E. von Seggern, Jr. of Clearwater, Florida.

### Arlene Olson

Arlene Olson, 59, of Wayne died Feb. 25, 1985. Services will be held today (Thursday) Feb. 28, 1985 at the Redeemer Lutheran Church, Wayne at 1:30 p.m. The Rev. Daniel E. Monson will officiate. Arlene Marie Olson, the daughter of Carl and Helen (Albers) Marks, was born September 27, 1926 at Pierce. She was baptized on Oct. 24, 1926 and confirmed on March 28, 1939 at the Zion Lutheran Church near Hoskins. She was united in marriage to Harold "Tony" Olson on April 6, 1950. She was a member of the Redeemer Lutheran Church; Fraternal Eagles 3757, and the American Legion Auxiliary. She is preceded in death by her parents and one brother. Survivors include her husband Harold; one daughter, Mrs. Rick (Patty) Luft of Wayne; one brother, Alvon Marks of Pierce and several nieces and nephews. Pallbearers are Kenneth Jorgensen, Merl Ellis, Elmer Bargholz, Marvin Lamb, Lynn Gamble, Gerald Grimm, Burton Schmoed and Ted Reed. Burial will be in the Greenwood Cemetery in Wayne with Hiscos-Schumacher Funeral Home in charge of arrangements.

### Rev. Foster Cress

Rev. Foster Cress, 85, died Tuesday, Feb. 19, 1985 at Lincoln. Services were held Thursday, Feb. 21 at Walton. Rev. Cress was pastor at First Lutheran in Allen in the 1940s and 1950s. Survivors include his wife, Mary, of Lincoln and a son, Donald Cress.

### Dorothy Testelin

Dorothy Testelin of LaCrescent, Calif., died Jan. 31. She had lived for many years in Belden. Survivors include her husband and children; her parents, Mr. and Mrs. Oscar Kleibourn; one brother, Dwight; and two sisters, Marguerite and Helen.

# Public hearings to begin on budget

by Melvin Paul

The Legislature has been paying little heed lately to the Gov. Bob Kerrey's budget recommendations for the fiscal year beginning next July.

The Appropriations Committee last week completed a preliminary state budget which will be the subject of public hearings over the next several weeks.

The committee tentatively has called for about \$850 million in general fund spending for the fiscal year, lower than the \$864.6 million recommended by Kerrey. Not only do the governor's and the committee's budget differ in the spending totals, they differ considerably in the details of the budget.

In the five weeks since Kerrey formally proposed his general fund budget to the Legislature, legislative committees have killed several budget-related bills which Kerrey recommended.

The Revenue Committee voted to kill Kerrey's proposal to repeal the \$16.4 million general, hometax exemption program, which is scheduled to take effect next year.

The Legislature may yet decide to repeal the program, some lawmakers say, but only if it is replaced by a bigger, more expensive property tax relief plan.

OTHER ADMINISTRATION proposals already picked off by committees would delay the state takeover of the municipal courts in Lincoln and Omaha, eliminate pictures from drivers licenses, increase the driving record abstract fee and raise the fees that counties pay for their residents who are committed in state institutions.

Kerrey can claim a hollow victory in the Revenue Committee's advancement last week of his proposal to create the "Nebraska Future Fund" by increasing the state cigarette tax to offset a scheduled reduction in the federal cigarette tax.

Kerrey proposed funding college scholarships, water and soil conservation projects and economic development programs with the new tax revenue. Before advancing the measure, the committee adopted an amendment which would strip from the bill the earmarking of the revenue.

FOR THE FIRST time in the memories of some of the most seasoned lawmakers, the full Legislature this year will deal with the issue of mandatory school consolidation.

Members of the Education Committee and the Legislative Council Executive Board voted 8-5 last week to advance LB 662, sponsored by Senators David Landis of Lincoln, Ward Johnson of Omaha and Peter Hoagland of Omaha.

The mandatory school consolidation bill was assigned jointly to have two panels earlier in the session as a compromise after supporters attempted to have the bill referred to a more sympathetic Revenue Committee. The supporters of the bill argued the bill deals with tax equity, not quality of education.

The measure would require Class I school districts—those that offer kindergarten through eighth grade, to merge with other districts by 1989. Under an amendment recommended by the joint panel, elementary school buildings in reorganized districts could not be closed without the approval of a majority of those voting in an election of residents of the former Class I.

The panel also agreed to an amendment that would allow Class I districts to merge with existing Class VI districts, those that offer only high school education.

State lawmakers have taken most of this week off to lobby in Washington, D.C., on the farm crisis.

Twenty-seven lawmakers made the trip at an estimated cost to taxpayers of about \$20,000.

Five members of The Delegation were to meet Monday with Vice-President George Bush.

Senators Harry Chroisier of Schuyler, Howard Lamb of Anselmo, Loran Schmitt of Bellwood and Rod Johnson of Sutton and William Barrett of Lexington were expected to attend the meeting with Bush. Barrett, a former Republican state chairman, arranged the meeting.

When they left last week, the lawmakers didn't expect to be able to see President Reagan.

# Relief for farm credit

by Senator Paul Simon

Something has to be done for farm credit, and quickly. Within 60 days most farmers will have to go to their banks to borrow money for this year's plantings, and unless something is done, many banks will have to decline making the loans.

Having some immediate farm credit is not a substitute for a long-range plan. Some kind of long-range farm program will be voted on this year, but a long-range plan is not the answer for farmers and bankers who find themselves in a squeeze right now. Statistically Illinois is not hurting as much as Iowa or Nebraska, but it is bad in Illinois too. And for the Illinois farmer facing foreclosure — and there are many of them — suggesting that Illinois farmers on the average are not hurting as much as Iowa or Nebraska farmers is no comfort.

Farmers have been caught in a triple squeeze. Their costs — particularly interest costs — have soared; the prices they receive for farm commodities have gone down; and the value of their land has gone down.

That land value loss has meant that in extreme cases farmers have borrowed more than the value of the property they own. And that has caused banks real trouble. In Nebraska two farm-credit banks and six country banks have failed since Labor Day. In Iowa 300 banks are listed by that state as having an above average number of problems, and 48 of that number are on the Federal "problem list."

In discussing the farm situation, Republican Governor Terry Branstad of Iowa said recently, "The downward spiral is speeding up."

And what hits farmers and rural banks, also hits people who sell fertilizer and farm implements and men's clothing and everything else in a rural community — and eventually that touches on life in the big city also.

Republicans and Democrats in the House and Senate and Administration officials are all in agreement that something has to be done quickly about credit.

I hope something substantial can emerge. Each day we fail to act, more family farms go under.

In the meantime we must begin working on a long-range program. It should include two features, among many others:

- Encouragement for genuine soil conservation. We are gradually losing our topsoil in a world that will need it more and more.
- Greater limitation on what an individual farm operator can receive by way of subsidy. On last year's PIK (Payment in Kind) program, for example, 26 farms in California received more than \$1 million each, one of them \$6.5 million. Subsidies ought to be geared to the family farm.

To those of you who are farmers, I would welcome your suggestions on what our long-range farm program should be. We need something that significantly helps farmers, but does not cost too much money.

But before we get to drafting that bill, some emergency farm credit is necessary.

Senator Simon is from Illinois.

# Conway wants state, federal accountability

Many folks take our roads, streets and bridges for granted. Residents of Northeast Nebraska don't after experiencing first-hand the inconvenience and economic chaos of protracted bridge closings, such as those of Wakefield, Howard and South Sioux.

As we debated LB 179 this week, I reminded the Legislature of those problems and the burdens they caused. This bill would establish undeniable liability for situations such as when the state, for example, cuts a business off from the rest of the world while doing long-term construction work.

We must be careful to balance the benefits of infrastructure improvements with the effect that tearing up the streets and bridges have on the day-to-day livelihood of hundreds of small businesses in our communities. Certain changes are inevitable, but government cannot be careless with these sorts of responsibilities. Better streets and bridges improve the future, but they cannot be casually closed and slowly repaired. Although amendments will definitely be needed, the idea of better accountability on the part of government is a good one.

Those of us who drive on our roads also need to be held accountable for our actions. That's why I introduced LB 404 which would strengthen our current financial responsibility law. Every driver is supposed to have the ability to cover any personal or property damage they may cause. The problem is that this isn't enforced until the uninsured, irresponsible driver hits, hurts and perhaps kills an innocent traveler.

Thursday, the Public Works Committee held the public hearing for LB 404. With my amendments, the bill would cost nothing, be easy to administer, and could save hundreds of lives and possibly millions of dollars. Those who opposed the bill were those who feel they have a business interest in keeping the same irresponsible system we now have.

LONG BEFORE THIS legislative session started, I began receiving letters from frustrated residents of the 17th District whose vehicles had been hit by uninsured motorists. Often, in addition to no insurance, the offending driver had virtually no assets so even an extended court fight yielded no remuneration. Those unable or unwilling to be responsible for their actions should be kept off the road.

I feel confident that our public hearing was the beginning of change in what is currently a shocking situation. The thoughts and letters received from 17th District citizens have started the ball rolling. Together we can sustain the pressure for passage of LB 404.

As I write this column, I'm preparing to leave for Washington, D.C., to help put pressure on Washington policymakers to give Nebraska and its farm economy a fair shake. I'm pleased to have been selected to appear in front of the Joint Economic Committee of Congress to testify on the severe economic impact of the current farm crisis. Our delegation of legislators is going to Washington as a symbol of our state's determination to bring about change. Going with inflated expectations of what a single lobbying visit can accomplish, however, can leave us with a huge empty feeling when it's all over.

I am somewhat disappointed that the Administration hasn't been as cooperative as some other Washington groups have. So far, the highest official our delegation will meet with is Vice-President Bush, and then only with a select group of five. Hopefully I'll nonetheless be able to report successful results to you next week.

# Happenings affecting the farm crisis

**Farm Crisis Bulletin**

- Members of Congress who represent agricultural states are continuing their efforts to help our farmers. In the past two weeks, I have:
  - Met with the House Agricultural Task Force to work on the farm credit problems.
  - Attended a meeting of the National Commission on Agricultural Trade and Export Policy.
  - Continued to work with Representative Virginia Smith to line up appointments for visiting members of the Nebraska Legislature.
  - Spent several drafting sessions working on my emergency farm credit bill.
- Prepared materials for the Farm Crisis group that will visit Washington during the week of March 4.
- Counseled staff members who are now working with the American Soybean Association to draft trade legislation that would allow increased sale of United States grain to the Soviet Union.
- Spoken on the Floor of the House during a Special Order in which Members from agricultural states explained the problems confronting our farmers.

- Cosponsored a sodbuster bill.
- Met in Nebraska with a representative of the Production Credit Association to discuss agricultural credit problems.
- Placed my Emergency Credit and Debt Adjustment Relief Bill (H.R. 1155) in the hopper.
- Met with members of the Nebraska Congressional Delegation to discuss the farm credit crisis.
- And received from the Administration its proposal for the 1985 Farm Bill.

**Comment on the Farm Bill**

As far as I am concerned, the Administration's Farm Bill is a dead issue for at least eight weeks until we have dealt with the immediate farm credit crisis.

**Mail of All-Time high**

The amount of mail coming into my office is greater than it has been in the past six years. I am reading all of the letters and will review them as we consider the issues they address. They all will be answered, but I must ask that those who write to have some patience. Responding to this heavy volume of mail will take time.

# letters

## Conway's voting criticized on judges' salary increase

To the editor:

It seems that Jerry Conway is quickly becoming the fox and spend democrat that I was afraid of. Mr. Conway was quick to assure us that he was really a conservative when it came to state spending.

After grabbing the headlines with his vote to kill the judges pay raise, Mr. Conway has now changed his mind and cast the needed vote to revive the bill and send it to the floor of the legislature.

Current law provides for the judges salaries to increase in 1986 to \$61,663 for Supreme Court Judges, \$57,009 for District Court Judges and \$52,414 for County Court Judges. But that was not enough for Jerry and his buddies. Mr. Conway voted to increase the salaries to \$80,828, \$74,766 and \$68,704 respectively.

The taxpayers of Nebraska had better hang on to their pocket book this year. I hope Mr. Conway has a smooth way to convince the farmers, who are going broke, that the judges cannot live on \$61,000 a year.

I for one cannot figure out how our legislators can turn their backs on the farmers of our state and then turn around

## and vote for huge increases for our judges.

I'm sure that all of our local farmers and businessmen would appreciate a \$20,000 raise this year. If we all vote to Jerry, he would probably vote for it as he tries to be everything to everyone.

Mary K. Harder  
Dakota City

**Editor's Note:** The bill returned to committee and not to the Senate floor.

## When it was peaceful on the family farm

Letter to the editor:

I recently had an occasion to get our sons "Book of Poems" out which he had written in Mrs. Meyers class at Wayne High School. He is now a young farmer trying to make it through these troubled times and we are grandparents trying to hang on to the farm he wrote a poem about. This is what he wrote:

**Our Farm**

It has gently rolling hills and plains  
That are easily seen from our window panes  
Where nature is in its fullest bloom  
And we have a great abundance of room  
New born life always meets the eye  
And old friends stop by and by

The water is cool and very clear  
As we gather our loved ones we hold so dear  
Our Lord has blessed us and kept us from harm  
At our peaceful home on Our Farm,  
I would like to say to our son and all sons  
— to my husband and all husbands — to our neighbors and all neighbors — we are all going through such stressful, trying times but we must not let it get us down. We must remember; the most important thing is the kind of person you are not what you are doing for a living.

A very sentimental grandmother with a sad but thankful heart.

# political notes

**State**

Senator Erloy Hefner served notice that a bill requiring Nebraskans to wear seat belts will be up for debate in the near future before the full body of the legislature.

The public works committee held a public hearing on the bill Feb. 6. Testimony stated that 85 lives would be saved and more than 2,000 injuries could be prevented yearly in Nebraska if the bill is passed.

Another reason for the bill is the request by the United States Department of Transportation that states reauthorize two-thirds of the population pass mandatory seat belt laws. Otherwise car makers would be forced to begin installing air bags in new cars, costing as much as \$800.

Opponents of the bill say it is a restraint on their freedom and people should be able to make their own decision on whether to buckle up. They also say that buckling up can be just as dangerous as not buckling up.

**HEFNER SAID** a public hearing was held Feb. 12 on LB 479 — a bill currently in the Banking, Commerce and Insurance Committee which would protect deposit accounts held by the state with a bond or security.

Several years ago, the Legislature passed a bill that allowed financial institutions to request up to \$500,000 from the State Investment Council to be deposited in their institution. This money would allow institutions to have funds available to loan to their customers.

The close of banks in Nebraska has left the status of state deposited money in the closed banks unknown. The bill would help protect the state from losing money due to the failure of financial institutions.

## Crafty kids

CREATING ART was the purpose of a gathering Saturday morning of several Wayne area youngsters in the Wayne Woman's Club room. The free art workshop was sponsored by the Wayne Regional Arts Council and coordinated by Marla McCue. Youngsters in the top photo create forms using materials commonly found at home or in nature. The other project involved creating slides for viewing on a projector. Individual youngsters pictured working on their projects are, clockwise beginning with middle photos, seven-year-old Matthew Chapman, four-year-old Amanda Walton, five-year-old Rachel Blaser, and five-year-old Andy Brasch.

## briefly speaking

### Services at Daylight Donuts

World Day of Prayer services will be held this Friday during the noon hour at Daylight Donuts in Wayne for working women unable to attend the afternoon service.

The afternoon service is scheduled to begin at 2 p.m. at Redeemer Lutheran Church. Guest speaker will be Manjit Johar, a native of India.

World Day of Prayer is sponsored in the United States by Church Women United. This year's service was written by Christian women in India using the theme "Peace Through Prayer and Action."

### Dowlings wed 35 years

Guests in the Melvin Dowling home at Carroll on Feb. 17 to honor the couple's 35th wedding anniversary included their children, Mr. and Mrs. Gordon Kudera and daughters of Osmond, Mr. and Mrs. Wayne Dowling and son of Plainville, Mr. and Mrs. Milton Bethune and sons and Dean Dowling, all of Beemer, Mr. and Mrs. Craig Downie and sons of Norfolk, and Robert Dowling and Lisa Dowling of Carroll.

Mrs. Susan Nagel of Neligh, mother of Mrs. Melvin Dowling, also was a guest.

Mrs. Milton Bethune furnished the special anniversary cake.

### Former Hoskins woman is 85

Mrs. Fred Bargstadt of Norfolk, formerly of Hoskins, was honored for her 85th birthday on Feb. 24 during a family dinner held at the Boulevard Village Community Hall in Norfolk.

The 40 guests attended from Meadow Grove, Randolph, Pierce, Cedar, Norfolk and Hoskins. Hosting the event were the hostess, children and grandchildren.

Mrs. Bargstadt received a corsage from her daughter, Mrs. John Kudera of Greeley, Colo., who was unable to attend, and a floral arrangement from her grandchildren.

The afternoon was spent playing cards, followed with lunch. The special cake was baked by a granddaughter, Mrs. Les Sparr of Meadow Grove.

Mr. and Mrs. Bargstadt resided in the Hoskins area all their married lives until moving to Norfolk in May 1982.

### Piano students perform in recitals

Two recitals were given Sunday in Sioux City, sponsored by the National Federation of Music. Piano students of Mrs. Unil Uken of Wayne who took part were Sheila Cowgill, Brett Fuelberth and David Zahnsier.

The first recital, dedicated to the Parade of American Music, Ada Holding Miller founder, was held at 2 o'clock. Brett Fuelberth, son of Mr. and Mrs. Darrel Fuelberth, played "Rhapsody in Blue" by George Gershwin.

A non-American composer recital was held following the American composer recital. Sheila Cowgill, daughter of Mr. and Mrs. Bernard Cowgill, and David Zahnsier, son of Mr. and Mrs. Robert Zahnsier, played a duet, "Sonata No. 1 Opus 150" by Antonio Diabelli.

### Theophilus Ladies Aid meets

Theophilus Ladies Aid met Feb. 21 in the home of Mrs. Harold Ritze of Winside. All members but one attended. This year marks the 56th anniversary of the aid.

Mrs. Margaret Coulter called the meeting to order. Ruth Reeg had prayer and presented a reading on Ash Wednesday.

Because February is the month of love, the group sang "There is Beauty All Around." They also had a union reading on love and sang "More Love To Thee." February also is Brotherhood Month and there was scripture reading on brotherhood. The 23rd Psalm also was read.

Cards were sent to Erwin Vahlkamp, Clara Frevert and Mrs. Louise Hoeman, and the birthday song was sung for Ruby Ritze and Mathilde Reeg.

Mrs. Reeg was remembered with cards and a cake for her 85th birthday. The cake was served along with a carry-in luncheon.

The Rev. Gail Axen distributed Valentine tokens to members, and the meeting closed with the Lord's Prayer.

Emilie Reeg will be the March 21 hostess at 2 p.m. Mrs. Harold Ritze will give the lesson.

### Card shower for 63rd

The children of Mr. and Mrs. Max Holdorf of Concord are planning a card shower honoring their parents' 63rd wedding anniversary on Monday, March 4.

Cards should be addressed to Mr. and Mrs. Max Holdorf, Concord, Neb. 68726.

The couple's children are Verdell Holdorf of Aurora, Colo.; Mrs. Jack (Delores) Erwin of Concord; Darrell Holdorf of New Brighton, Minn.; Willard Holdorf and Delmar Holdorf, both of Wayne; Vernita Johnson of Elkhorn; and Marlyn Holdorf and Mrs. Dale (Yvonne) Genrich of Norfolk.

There are 27 grandchildren and 37 great grandchildren. Three grandchildren are deceased.

## new arrivals

**BLOCKLINGER** — Mr. and Mrs. Bob Blocklinger, Concordia, Kan., a daughter, Alicia Marie, 7 lbs., 8 oz., Feb. 24. Grandparents are Jim Stephens, Fremont, Mrs. Kay Stephens, Concordia, Kan., and Mr. and Mrs. Blocklinger, Concordia, Kan. Great grandparents are Mr. and Mrs. Leo Stephens, Carroll, and Mr. and Mrs. Bill Helmer, Sioux Falls, S. D.

**MACKLIN** — Mr. and Mrs. Vernon Macklin, Carroll, a son, Brent Thomas, 11 lbs., 5 oz., Feb. 7, Osmond General Hospital. Brent joins a two-year-old brother, David. Grandparents are Mr. and Mrs. Kenneth Winter, Pierce, and Mr. and Mrs. William Macklin, Laurel.

**MARI** — Mr. and Mrs. Gene Mari, Newcastle, a son, Jared Eugene, 8 lbs., 8 oz., Feb. 23, Providence Medical Center. Grandparents are Mr. and Mrs. Jim Cooper, Laurel, and Mr. and Mrs. Edward Mari, Jackson. Great grandparents are Mr. and Mrs. Marion Bobenmeyer, Maskell, and Mr. and Mrs. James Lynch, Jackson, and great great grandmother is Annie Bishop, Laurel.

**PFLUEGER** — Mr. and Mrs. Steve Pflueger, Spirit Lake, Iowa, a daughter, Meggie Melissa, 6 lbs., 6 oz., Feb. 12. Grandparents are Barbara Hess, Arnolds Park, Iowa, and Mills Pflueger, Wayne. Great grandparents are Mrs. Mabel Pflueger and Mrs. Della Frevert, both of Wayne.

**VAN CLEAVE** — Mr. and Mrs. Bob Van Cleave, Greenfield, Colo., a son, Matthew John, 8 lbs., 8 oz., Feb. 19. Matthew joins two sisters, Becky and Jennifer. Grandparents include Wanda Van Cleave, Allen, and great grandmother is Mamie Allen, Wakefield.

### Open house for 85th year

In observance of Mrs. Mathilde Reeg's 85th birthday, Mr. and Mrs. Ray Reeg of Wayne hosted an open house reception Feb. 24 at their home.

Relatives and friends were present from Wayne, Wakefield, Winside, Wisner and Fremont.

### Club meets in Jones home

Mildred Jones was hostess for the Feb. 21 meeting of the Happy Homemakers Home Extension Club. Roll call was answered with a favorite sandwich spread.

The hostess presented a reading, entitled "My How Thin You Look." President Dorothy Grone announced that the spring tea will be held May 3 in Carroll at 7:30 p.m. The Helen Becker conference will be at Norfolk on March 20.

Presenting the lesson, "From the Earl to the 60's," was Mardelle Mikkelsen.

Next meeting is scheduled March 21 at 1:30 p.m. with Mardelle Mikkelsen, Elaine Biermann will give the lesson, "Dressing Up Your Table."

### Minerva Club meets

Minerva Club met Feb. 25 in the home of Minnie Rice. Audrey Grone presented the program on Death Valley National Monument in California.

Hazel Lentz will be the March 11 hostess.

### Circle meets at St. Paul's

Melba Heffl was hostess for the Feb. 25 meeting of St. Paul's Lutheran Evening Circle. Lesson leader was Nancy Powers.

Members will participate in cleaning night at the church on March 18. They also are planning to serve coffee following the March 20 Lenten service.

Next meeting is scheduled April 22 at Wayne Care Centre.

### Witnesses attending convention

The Wayne congregation of Jehovah's Witnesses will attend a two-day convention in early March at Norfolk. Lance Roberts, spokesman for the group, said 63 local residents will be among the 1,200 delegates expected to attend from 20 congregations in northeast Nebraska and the bordering areas of South Dakota and Iowa.

The program, arranged by the Witnesses national headquarters in Brooklyn, N. Y., will have as its theme "Be Stabilized in the Faith."

The convention begins early on a Saturday morning and concludes late Sunday afternoon. A baptism for new members will take place on Saturday. Featured Sunday afternoon will be a public Bible talk, "Basis for Faith in an Unbelieving World," delivered by Darrel Holman, district supervisor of Jehovah's Witnesses in the Midwest.

Roberts said all sessions are free and open to the public.

### Help in choosing a rental home

Persons wanting more information about renting a home can find help in a new learn-at-home packet, entitled "Life With Leases and Landlords: Renting Your Home." The packet may be ordered through the Dixon County Cooperative Extension Office.

The packet contains materials to help prospective renters find, evaluate and choose the best rental home. Activity sheets also are included to help work through each of these processes.

The learn-at-home packet was developed by Kathleen Parrott, extension specialist-housing/interior design, at the University of Nebraska-Lincoln.

Persons interested in obtaining a packet are asked to contact the Dixon County Cooperative Extension Office and ask for a copy of "Renting Your Home: Life With Leases and Landlords." There is a \$4.80 charge for the packet.

## Observing 40th year

ERWIN AND ERNA BOTTGER of rural Wakefield will observe their 40th wedding anniversary with an open house reception from 2 to 5 p.m. on Sunday, March 3 in the Woman's Club room in Wayne. Hosting the event is the couple's daughter and family, Mr. and Mrs. Jerry (Edith) Anderson, Lori, Gary, Mindy and Kassi. All friends and relatives are invited to attend. No other invitations are being issued.

## community calendar

**FRIDAY, MARCH 1**  
World Day of Prayer, Redeemer Lutheran Church, 2 p.m.

**SUNDAY, MARCH 3**  
Alcoholics Anonymous, Fire Hall, second floor, 9:30 a.m.  
Duplicate bridge, Woman's Club room, 7 p.m.

**MONDAY, MARCH 4**  
Confusable Collectables Questers Club, Mary Monson Acme Club, Jean-Benthack, 2 p.m.  
Alcoholics Anonymous, Campus/Ministry basement, 8 p.m.

**TUESDAY, MARCH 5**  
Hillside Club, Irene Tamme  
Sunrise Toastmasters Club, community room, 6:30 a.m.  
Villa Wayne Tenants Club weekly meeting, 2 p.m.  
Tops 782, West Elementary School, 6:30 p.m.

**WEDNESDAY, MARCH 6**  
Villa Wayne Bible study, 10 a.m.  
United Presbyterian Women, 2 p.m.  
Tops 200, West Elementary School, 6 p.m.  
Wayne Alcoholics Anonymous, Fire Hall, second floor, 9 p.m.  
Al-Anon, City Hall, second floor, 8 p.m.

**THURSDAY, MARCH 7**  
Cuzins Club, Faye Dunklau, 1:30 p.m.  
Logan Homemakers Club, Mrs. Reuben Meyer, 1:30 p.m.

## Lifelong resident marks 97th year at Wakefield

Mrs. Mabel Fleetwood, a lifelong resident of Wakefield, recently celebrated her 97th birthday.

Mrs. Fleetwood, who still lives in her own home, was born Feb. 9, 1888 on a farm five miles north and one and a fourth east of Wakefield. She spent her childhood and married life on the same farmstead.

She was one of five children. A brother, Reuben Seagren, resides in California.

She MARRIED Elmer Fleetwood in 1913 and they were the parents of three children, Mrs. Paul (Etainie) Byers of Wakefield, Mrs. Elmer (Ione) Franzen of Sioux City, and Howard Fleetwood of Omaha.

There are five grandchildren and four great grandchildren.

Mr. Fleetwood died in 1952, just a few months before the couple planned to move into their retirement home in Wakefield.

MRS. FLEETWOOD was honored Feb. 10 with a dinner at the Wakefield Covenant Church, which was founded the same year she was born.

She was a member of the church's first choir and remains active in the church, playing piano each Sunday morning for the adult Bible class.

For many years she taught Sunday school, held offices in the Covenant Women's organization, and at one time served as a state officer.

The community of Wakefield honored her in 1981 when she was selected Centennial Queen.

**WAYNE CARROLL** seniors who have been awarded Board of Trustees Scholarships to attend Wayne State College are, clockwise from upper left, Anne Sorensen, daughter of Mrs. Delwyn Sorensen; Lisa Jacobsen, daughter of Mr. and Mrs. Duaine Jacobsen; Amy Gross, daughter of Mr. and Mrs. Pat Gross; Gregory Elliott, son of Mr. and Mrs. Ed Elliott; and Paula Koplin, daughter of Mr. and Mrs. Paul Koplin.

## Five Wayne High seniors awarded WSC scholarships

Five seniors at Wayne-Carroll High School have been awarded Board of Trustees Scholarships to attend Wayne State College.

They are Lisa Jacobsen, daughter of Mr. and Mrs. Duaine Jacobsen; Anne Sorensen, daughter of Mrs. Delwyn Sorensen; Amy Gross, daughter of Mr. and Mrs. Pat Gross; Paula Koplin, daughter of Mr. and Mrs. Paul Koplin; and Gregory Elliott, son of Ed and Sandra Elliott.

BOARD OF Trustees Scholarships, which provide for full tuition for four years at Wayne State

College, recognize the outstanding scholarship and scholastic achievements of high school seniors throughout Nebraska.

The awards are based upon high school academic records, college entrance examinations and written recommendations.

**JACOBSEN IS** active in student council, National Honor Society, varsity band, volleyball, track and basketball. She plans to major in business.

Sorensen, who plans to major in secondary education, is active in concert band, stage band,

choir, German Club, National Honor Society, 4-H, and the Lutheran Youth Fellowship group.

Gross participates in student council, National Honor Society, flag corps and varsity sports. Koplin is a member of German Club, varsity band, varsity volleyball, track, yearbook staff, National Honor Society and Medical Explorers.

Elliott is active in band, choir, stage band, swing choir, wrestling, cross country, track, football, FCA, Drama Club, school musicals and National Honor Society.

## Sharing traditions for greater understanding

NEARLY 140 GIRL Scouts from Wayne, Wakefield and Winside gathered at the Wayne National Guard Armory last Friday afternoon for Thinking Day, an annual day set aside for Girl Scouts around the world to think of each other and encircle the globe with a chain of warm, friendly thoughts. Providing entertainment for the observance in Wayne were members of the International Club at Wayne State College. Pictured performing an Indonesian dance for the scouts is Slow Ling Tan, a native of Malaysia.

Photography: LaVon Anderson

## Salems repeat vows in Wynot ceremony

Making their home in Wayne are Ed and Darla Salem, who were married Feb. 16 in 2 o'clock rites at Sacred Heart Parish in Wynot.

The bride is the daughter of Mr. and Mrs. Maurice Ketter Jr. of Wynot. Parents of the bridegroom are Mr. and Mrs. Robert McCormick of Ida Grove, Iowa.

Honor attendants at the couple's ceremony were Kelli Burbach and Dave Salem. Bridesmaids were Denise Dendinger, Diane Fuchtmann, Darcel Stevens and Sara VanVuren, and groomsmen were Joel Dendinger, Scott McIntoch, Chris Leininger and Doug Ketter.

Ring bearer was Eric Dendinger, and ushers were Dave Stevens, Scott Fuchtmann, Don Salem and Scott Salem.

**FOR HER** wedding day, the bride chose a long gown featuring a regency neckline dotted with seed pearls and appliques. Long puffed sleeves fell from shoulders accented with Rachel lace.

The slightly gathered skirt fell to a chapel-length train edged in Rachel lace followed by a Chantilly lace baby ruffle.

She wore a derby styled hat featuring schiffli embroidery dotted with seed pearls and rhinestones.

**MR. AND** Mrs. Jim Hans and Mr. and Mrs. John Spence hosts for a reception honoring the newlyweds.

Mr. and Mrs. Ed Salem

Donna Rhodes and Julie Hogan were seated at the guest book. Charlotte Colbenson, Punch, Cutting and serving the cake server was Doral Schroeder.

## baptisms

### Lacey Lynn Bruggeman

Lacey Lynn Bruggeman, daughter of Mr. and Mrs. Doug Bruggeman of Hoskins, was baptized during worship services Feb. 17 at Trinity Lutheran Church, Hoskins, with the Rev. Wesley Bruss officiating.

Sponsors were Julie Bruggeman and Craig Tillema. Bruggemans hosted a dinner afterward at the fire hall. Guests included Mr. and Mrs. Cliff Tillema of Neligh; Mrs. Carolyn Rabe, Steven and Rachel, Craig Tillema and Lori Gallop of Winside; Janice Tillema, Mr. and Mrs. Dwight Bruggeman and Julie, and the Rev. and Mrs. Wesley Bruss and family.

## policy on weddings

The Wayne Herald welcomes news accounts and photographs of weddings involving families living in the Wayne area. We feel there is widespread interest in local and area weddings and are happy to make space available for their publication. Because our readers are interested in current news, we ask that all weddings and photographs offered for publication be in our office within 10 days after the date of the ceremony. Information submitted with a picture after that deadline will not be carried as a story but will be used in a cutline underneath the picture. Wedding pictures submitted after the story appears in the paper must be in our office within three weeks after the ceremony.

## engagements

### Hall-Hansen

Mr. and Mrs. Kenneth Hansen of Allen announce the engagement of their son, David Hansen, to Valerie Hall, daughter of Mr. and Mrs. Kenneth Hall of Ponca. The bride-elect graduated from Ponca High School in 1984 and is employed at Elms Health Care Center. Her fiancé graduated from Allen High School in 1981 and is a student at the University of Nebraska-Lincoln where he plans to graduate in May 1985. Plans are underway for an Aug. 3 wedding at St. Joseph's Church in Ponca.

### Beutler-Haglund

Mr. and Mrs. Mylon Beutler of Bancroft announce the engagement and approaching marriage of their daughter, Pamela Rae, to Demont Haglund, son of Mr. and Mrs. Cole Haglund of Wakefield. Plans are underway for a March 23 wedding at St. Paul's Lutheran Church in Bancroft.

## Cons worth \$10 billion

Taking advantage of health-conscious Americans' desire to live longer, look younger and stay active, modern health quacks continue the age-old tradition of the snake-oil salesman.

A Congressional investigating committee has described these quacks as a "well-organized, sophisticated and persistent" group who con the U.S. public out of \$10 billion each year.

University of Nebraska-Lincoln extension consumer education specialist Jan Wilson says all population segments fall for these health and beauty frauds.

**SCIENTISTS** reviewed hundreds of these products for the U.S. Congress Subcommittee on Health and Long-term Care. All were advertised as capable of reversing or halting the aging process or of relieving conditions naturally associated with growing older.

"None of the products reviewed or tested proved of value," the report concluded.

"Some cosmetic value was found in a few, but these were no better than other commonly sold, lower-priced products," Wilson said.

**Style and More Style**

MEMBERS OF THE B-4 District championship team celebrate their victory and impending trip to the state basketball tournament with a little help from WSC's Catman (Dean Jacobs). Pictured above in the front row from left are manager David Ellis, Shannon Dorcey, Ted Lueders, Pete Warne, Scott Baker, Dan Gross, Carl Urwiler and Mike Kaup. Back row from left are Coach Bob Uhing, managers Dale Hansen and Jeff Heier, Jeff Hausmann, Don Larsen, Catman, Rod Dahl, Brent Pick, Corey Dahl, Bill Liska, manager Alan Doring, and assistant coaches Ron Carnes and Duane Blumenkamp.

## Blue Devils to state after 60-58 win over West Point

The stage was set for the final clash of the Class B-4 boys district basketball tournament between Wayne High and West Point, and it was a scenario that Blue Devil basketball fans will be reflecting on for years to come when they recall the 1984-85 cage season.

The setting included the 17-2 Blue Devils, rated sixth, coming into the championship game off of a hard-earned 50-46 win over Columbus Lakeview—in the semi-finals Saturday night, going up against the 19-2 West Point Cadets, ranked fifth in the latest poll and owners of a 55-53 win over Wayne earlier in the season. Added to that was the fact that during the gridiron season, West Point ended Wayne's state championship hopes with a 12-10 come from behind victory in the opening round of playoffs.

The outcome was a action-filled game which ended with the Blue Devils logging a 60-58 win and a trip to the state basketball tournament in Lincoln for the first time since 1964. The game was played at the Northeast Tech Activities Center in Norfolk.

"I'm happy for our kids...they have worked hard all season long and it's a tribute to them to get to the state tournament," said head coach Bob Uhing, who will make the journey to Lincoln in his first year with the Blue Devils. Uhing is no stranger to the state journey—as he guided Hartington Cedar Catholic to the Class B championship last year.

"Unlike the first game with West Point, our guards (Lueders and Gross) controlled the tempo of the game and we were able to play it at our pace," said Uhing. "West Point in a very quick break, and in the earlier loss they were able to get into their transition game, which really hurt us."

THE OPENING QUARTER of action was a prelude to the tone of the game, with the

score tied six times before Wayne pulled to a 15-12 lead. With the score knotted at 12-12 with four seconds left, Don Larsen collected a three point play off of a field goal from underneath the basket and a free throw to give Wayne their largest lead at that point. A pair of free throws by Brent Pick enlarged the Wayne lead to six points, 20-14, two minutes into the second quarter before the Cadets reeled off three long distance shots to tie the score at 20-20 with 4:06 in the half. Field goals by Rod Dahl and Pick put the Blue Devils on top, where they were able to remain going into the locker room at the half, 30-24.

"We controlled the tempo of the game and were patient on offense," Uhing said. "We got the ball where we needed to and our inside movement was good...we were also able to drive to the basket."

At the half, Brent Pick had already broken his game scoring average of nine points, having scored 13 points, while Don Larsen notched nine points and Rod Dahl six points.

BOTH TEAMS TRADED baskets on their opening possessions of the third quarter, but two Wayne fouls and a pair of baskets by West Point's Kelly Hoffman and David Petz narrowed the gap to 32-30 with 6:01 in the period and gave Uhing cause to call time out.

"We just told the kids that we wanted them to take good shots and work the ball around well. We knew we had the height, so we didn't have to shoot from the outside...we could take the ball inside to score," Uhing explained.

Wayne came out of the huddle to record four straight hoops, two coming off the hands of guard Dan Gross and the others from Pick off an offensive rebound and Larsen in the lane, to go up 40-30 with 2:45 left. A shot by Hoffman in the closing

seconds trimmed the Blue Devils margin to eight points, 44-36 going into the final quarter.

A quick bucket by Cadet senior Pat Wordekemper off a steal and a second basket by David Petz off a Wayne turnover seconds later threatened the Blue Devils just as the score closed to 44-40 with 6:40 on the clock.

At that point in the game, Uhing called a second time out and moved senior Rod Dahl underneath the basket to go up against West Point's 5-11, Todd Repschlaeger.

Wayne maintained a six to eight point lead through most of the quarter, but West Point threatened Wayne's security when Wordekemper threw in a basket and added a free throw for the three point play with 1:55 left to make the score 57-55.

Wayne got back up by three points, 60-57, when Pick put up a shot from the lane and Larsen hit the front of a two shot foul with 52 seconds left. Scoring in the game closed out when Repschlaeger nailed the front end of a one and one with just under 30 seconds left in the game.

While the scoring came to an end, there was still plenty of action left in the closing seconds. After a West Point time out, Ted Lueders missed the front of a one and one and West Point hauled in the board to get one last chance to tie the game with 15 seconds left.

Wordekemper got off a shot at the Cadet basket as the clock ran down, but the shot bounced out and a tip-in attempt by Wordekemper underneath also failed to insure Wayne the win.

"Our kids realize that they can play with anyone...the only time they have ever really been shut down is when they have done it to themselves," said Uhing. "No team has ever really done it to them."

The Blue Devils posted three players in double figures—led by Brent Pick with a game-high 21 points. Don Larsen netted 19 points and Rod Dahl canned 12 points, six in each half. Other scorers saw Gross with six points and Ted Lueders with two points.

"Our kids were aggressive on both of offense and defense, and were always looking to score when they had the ball, even up against West Point's press," Uhing said.

Wayne held a healthy advantage on the boards against the Cadets, pulling in 25 rebounds to 18 for West Point. Brent Pick was the team leader with eight rebounds. A key in the game for Wayne was limiting West Point's 6-1 Pat Wordekemper to just two rebounds on the night, well below his game average of 13 rebounds. "The kids were strong on the boards, they able to keep Wordekemper off the boards and didn't give up many second shots," Uhing noted.

"It was a good all-around team effort...our front line had a super game on the boards and they moved well without the ball. When they had the ball, they went up to the basket strong and used the glass."

Uhing was also pleased with the way his guards, Lueders and Gross, handled the pressure of the quick Cadet defense. "I was really pleased, Ted brought the ball up for us most of the night...but neither had any problems handling the pressure."

Wayne logged 16 turnovers in the game, but it was a fact that didn't cause great concern with Uhing. "Not coming to the ball on the pass was where we gave up a lot of our turnovers...but anytime you play a team as quick as West Point, you can't be too unhappy about the number of turnovers."

The Blue Devils shot 57 percent in the game, hitting 25 of 44 shots in the game. The Cadets notched 26 of 50 from the floor for 52 percent.

WAYNE EARNED their way into the championship contest with a 50-46 victory over Columbus Lakeview on Saturday evening.

The Blue Devils held a healthy margin through most of the game, including a 23-15 halftime lead, before Lakeview sprang to life in the fourth quarter and tied the game at 42-42 on a bucket by Keith Gering.

Free throw shooting brought Wayne out of the tie game when Rod Dahl hit both sides of a two shot foul and Ted Lueders and Dan Gross each logged the front end of a one and one to put Wayne up 46-42 with 1:13.

Lueders came through at the line four more times in the final seconds to keep the Wayne lead at four points and secure the victory.

Rod Dahl led the scoring with 20 points, followed by Don Larsen with 11 points. Brent Pick carded nine points, while Lueders scored five points, all at the free throw line. Scoring was rounded out by Dan Gross with three points and Carl Urwiler with two points.

"We quit being aggressive in the fourth quarter and instead of continuing to attack we started to protect our lead," said Uhing. "When the score got tied, the kids realized that they needed to continue to be aggressive."

Wayne's three outings in the district tournament were a good preparation for the upcoming state tourney, according to UHING. "The district is the toughest I have ever seen it. The top seven seeds in the bracket were rated in state at one time or another during the season and all three of our opponents were state-rated. That had to help us in getting ready for state," Uhing said. "We played some outstanding teams." "Our attitude was good all tournament long. The kids had respect for the teams in the district, but they were primarily con-

cerned with their own execution and working hard in each game."

Uhing added that in the days between now and the state tournament next weekend, his squad will be focusing on improving their game both physically and mentally. "We will need to be mentally ready; and between now and the tournament we will do all we can to be ready for it."

### Peru-Wayne face off

## Mini playoff holds key to season

The Wildcats missed on some critical free throw shots on Saturday evening and dropped a narrow 90-87 loss to Missouri Southern in the regular season and CSIC finale.

With the close, the Wildcats headed into their first post-season contest, a Nebraska Athletic Conference mini-playoff game against Peru State that was scheduled for last evening (Wednesday) at Dana College in Blair. Should the Wildcats win, they would advance to the first round playoff game against the winner of the Doane College/Midland College game which was also being played Wednesday night. That game is set for Saturday evening at the site of the Doane/Midland winner.

"WE LOOK AT this game with Peru as the beginning of a whole new season," said Weaver. "Each game is complete and separate and a loss could end the season at any time. Our goal is to get past Peru State in the mini-playoff and get one step further."

The Cats went into the PSC game at less than full speed, with starting guard Tracy Penn and forward Ed Heritage both questionable. Penn suffered a bruised thigh during the Pittsburg State game last Friday night, while Heritage injured his wrist during practice Monday night.

"We are at less than 100 percent going down to Peru, we might have to juggle the line-up around a little bit, depending on how Penn and Heritage are at game-time," Weaver said in an interview Tuesday afternoon. "The people that come in to play for us will have to provide us with some offensive punch and shoot the ball well."

The two teams met twice in the regular season, the Wildcats winning the first game 78-57 in Wayne in November and Peru State bouncing back for a 70-62 win at home earlier in February.

IN THE SOUTHERN game, the Wildcats saw a six point lead disappear in the closing minutes as the Lions worked their way back into the game and came away with a 90-87 victory. Both teams stood knotted at 49-49 at the half.

With 4:34 in the second half, junior Vince Tillo put the Cats up 84-78 on a shot from the inside and the tide seemed to be flowing in Wayne's favor.

That tide shifted directions moments later when Southern's Brian Taylor and James Parks each netted a basket and James Ward knocked in two free throws to even the score at 84-84 with 2:56 left in the game. WSC regained the lead for a brief moment on a free throw by Calvin Sprew, 85-84, with

2:44 left, but Southern took control for good on a shot by Parks, following an offensive rebound and free throws by Parks and Brian Pettler in the final minute and a half. Greg Garton sank both ends of a one and one with six seconds left to seal the win.

The Cats hit 25 of 42 free throws throughout the game, which included a 14 of 26 performance in the second half. "We missed some critical free throws during a stretch in the second half, and we just didn't capitalize on the chances they gave us," said Weaver.

Sprew led the scoring with 22 points, followed closely by John Thomsen with 21 points. Three other Cats also hit double figures, including Jimmy Gooch and Vince Tillo with 11 points and Dan Radig with 10 points.

Tillo and Sprew led the rebounding effort with eight boards each. As a team, WSC held a 43 to 38 advantage over Southern on the boards.

RICK WEAVER'S WILDCATS ended the conference season with a 4-8 record, which included three straight wins at home near the close. WSC proved a pre-season coaches poll wrong though, finishing in fifth place behind Fort Hays State, Washburn, Kearney State and Emporia State. Prior to

the beginning of the season, WSC had been slotted for the cellar spot in the CSIC.

"I'm happy with our finish...it was a good accomplishment considering the strength of the league this season," said Weaver. "At one time, five of the eight teams in the conference were rated among the NAIA Top 20...so there is no doubt about their strength."

Weaver also pointed out that a win over Southern would have tied the Cats for fourth place with Emporia with a 7-7 mark. The 6-8 record posted by the Cats in the best by any Weaver-coached team in the Central States conference.

## KCAU's Heavy Hoopers to play in Wakefield

Basketball action of a less serious nature will take place on the floor of the Wakefield gym on Saturday evening, March 2, when four local area teams challenge the "Heavy Hoopers" of KCAU Channel 9 in a benefit basketball game.

The game will begin at 7:30 p.m. and cost of admission is \$2 for adults and \$1 for students grades kindergarten through high school. Proceeds from the game will go to the Farm Crisis Committee and the Wakefield "W" Club.

APPEARING ON THE "Heavy Hoopers" roster will be KCAU weatherman Tom Peterson, along with other personalities and employees. The four local teams which will be represented during the game include the "Northside Farmers", the "Southside Farmers", the "Townies", and the "Baumers". Each squad will compete for one quarter of the game and feature their own group of "cheerleaders".

Serving as honorary referees will be Wakefield basketball fans Charlie Soderberg and Deloy Benne.

In addition to the basketball action, musical entertainment will be provided by the Wakefield Trojan pep band and the locally-formed Good Times Band. A contest to judge the cheerleading squads will also be held during the evening.

At the close of the game, a check will be presented to representatives of the Farm Crisis Committee.

A PANCAKE SUPPER sponsored by the Wakefield Lions Club will be held prior to the basketball game from 5:30 p.m. at the Wakefield High School. Tickets for the pancake supper may be purchased in advance and are available from Lions Club members and youth league baseball players. Tickets can also be purchased at the door. Proceeds of the pancake supper will go to the Little League summer program and the purchasing of eye glasses for needy children.

## Season ends at 8-13

# Trojans state hopes grounded as Macy drives to 52-42 win in finals

by Chuck Hackenmiller

Macy copied the script of Wakefield's tempo-controlling games during post-season play as the Chiefs clinched the district championship and a trip to the state tournament with a 52-42 win over the Trojans.

The Tuesday evening district finals game played at Homer.

In the two previous post-season wins (41-38 over Homer and 28-25 against Allen), Wakefield slowed the tempo of the game with its intended ball control offense.

Macy, driven by the shooting of 6'4" Kenneth Parker and 5'10" Brian Sargent, turned the tables on Wakefield as they controlled the tempo in the early part of the game. A field goal by Trojan Wade Nicholson knotted the game at 2-2, but two consecutive field goals by Macy's Sargent gave the Chiefs a lead which they never relinquished.

"Macy controlled the tempo to get ahead in the game. Wakefield couldn't get control of the pace of the game when they needed to," said Clark Coco, Trojan head basketball coach.

"Macy did what they had to do in the beginning of the game and some early Wakefield mistakes led to their (Macy's) advantage," he said.

DURING THE first quarter, a three-point play by Brian Soderberg made the score 6-5 with 3:17 remaining — the closest Wakefield came to taking the lead.

Macy posted a 12-7 lead when the first quarter ended and expanded the point spread to nine points (28-17). The combination of the Chiefs' Woodhull and Parker produced 10 of Macy's 16 second quarter points.

"We had talked before the game and during the time-outs about not allowing their offense to penetrate, but they were able to get inside with the ball and that was one of the key factors in the game," Coco said.

"Another important factor was their rebounding and ability to get the second shot," he said.

Macy jumped to a 35-19 lead with 4:48 remaining in the third quarter before the Trojans, led by Brad Lund and Soderberg, began connecting. With 1:40 remaining in the third quarter, Wakefield had cut the Chiefs' lead from 16 to 10 points and had held Macy scoreless for nearly five minutes of that quarter.

AT THE four minute mark of the fourth quarter, Wakefield had narrowed Macy's lead to six points, 39-33 and at the 2:55 mark, it was 41-35. However, the Trojans were forced to foul as the time dwindled down,

giving Macy ample opportunity at the free throw line.

"We went into a 2-3 zone and got aggressive on offense. We made a couple of baskets to pull within six points. If we would have gotten another possession in there, things might have been different," said Coco.

Soderberg led all scorers in the game with 19 points. Lund also finished in double figures with 11 points. Jason Erb led the Trojan rebounders with five.

Pacing Macy's scoring was Sargent with 15 points.

As a team Wakefield, who finished the season with an 8-13 record, shot about 34 percent from the field, but made six of seven shots from the free throw line. They committed five turnovers, while the Chiefs turned over the ball eight times.

Macy hit on nearly 46 percent of their field goal attempts and tossed in eight of 15 shots from the charity stripe.

"We worked season-long to prepare for districts. We got ready to play Homer and wanted a chance at Allen and got it," Coco said. "We were able to put things together and get ready at the right time."

"The team has had some success that they hadn't experienced in the past and they and the school are enthused about the program," he said. "The team, the students

and the school have really pulled together." The team and coach have been able to confront transition on and off the basketball court.

"With the fact that I came in from the college level after the school year had started and was relatively an unknown...we all came together as a group and worked together well. These players are a well-disciplined group of athletes."

And what does the future hold?

"We will work to improve our ball handling and passing...also continue to develop and improve our court sense. We'll have to play some off-season ball. It will be important for those returning to realize their faults and weaknesses and work on them," he said.

State champion

## Cage season ends for Lady Cats in loss to Southern

The 1984-85 cage season came to a close for the Wayne State Lady Wildcats Saturday evening in a 75-53 loss to Missouri Southern in Rice Auditorium.

The defeat at the hands of the nationally-ranked Lady Lions ended WSC's season record at 11-19 overall and 2-12 in the Central States Intercollegiate Conference.

AN 18-POINT SCORING binge by Southern set the tone of the game as they pulled out to a 26-8 lead with 9:37 in the first half. A long jumper by Michelle Blomberg broke the scoring ice for Wayne State with 7 minutes left. WSC had difficulty handling MSSC's stingy defense, and the Lady Lions widened their lead going into the half, 42-21.

The Lady Wildcats outscored Southern in the game's second half, 32-27, but not enough to make up the initial gap. "Missouri Southern plays a very aggressive defense, and it was especially strong in the first half," said Coach Lenny Klaver. "They played a 2-3 zone, and with their taller players, it caused problems for our small guards...we had trouble moving the ball."

Barb Wragge ended her collegiate career with a team-high 21 points, and was joined in double figures by Shelle Tomaszkievicz with 10 points.

Wayne State proved to be the more aggressive of the two teams on the boards,

drawing in 51 rebounds to 33 for the Lady Lions. Wragge, Shari Krohn and Deb Nygren led the strong team effort with 10 boards each.

It was a poor showing from the floor on the night, as WSC shot 56 times and hit 16 attempts for 28.6 percent. Southern netted just over 50 percent with 31 shots on 61 attempts.

WITH THE CLOSE of the season, Klaver said that the team accomplished several of the goals set prior to the beginning of the season, despite the fact they didn't end the year with a winning record. "Looking back, there were some games that we could have won and that would have brought us closer or up to the .500 mark," Klaver said. "We did see improvements in the season record from last year, and in the competition level in the Central States conference."

Klaver, who finished his first season at the helm, will lose just one senior to graduation, but the loss of the leading scorer Barb Wragge will definitely be felt. "We'll miss her scoring and rebounding ability...she had a tough job and she took a lot of responsibility on the court. She was a good competitor."

"We have a few people back for us next year who played extensively. Hopefully they will continue to improve and we hope to build around them with new recruits," Klaver said.

Having been on the recruiting trail since November, Klaver said that he has been looking for "good athletes who will adapt well to our style and basketball program", rather than keying on a big scorer or rebounder.

"Recruiting has been going well so far...in about another month we should have several individuals signed for the program."

## Soderberg named to All-State team

Wakefield Trojan grid quarterback, Brian Soderberg has been selected to participate in the eighth annual eight-man All-Star football game to be held on June 15.

The game is sponsored by the Nebraska Sertoma Club and the Hastings Chamber of Commerce, and will be played in Hastings.

SODERBERG, A 5-10, 165 pound senior, led the Trojan team in total offense during their 5-4 season last fall. As quarterback, he completed 48 of 119 passes for 584 yards and three touchdowns and rushed for 567 yards in 111 car rief for an average of 5.1 yards per carry.

In the scoring department, Soderberg logged 80 points on 12 touchdowns and four two-point conversions. As a member of the kickoff return unit, he returned the ball 12 times for 329 yards and two touchdowns.

Soderberg also was a strong member of the Trojan defensive squad, accounting for 55 unassisted tackles and sharing in 101 assisted stops to lead the team.

According to Wakefield football Coach Dennis Wilbur, this is the first time that a Wakefield player has been selected as a member of an all-state team.

Approximately 25 high school players are chosen to compete on each the East and West squads. Soderberg will be a member of the East squad, which will be coached by Dallas Ross of Winnebago and Mark Legband of Beemer.

## Frosh teams earn trophies

THE WAYNE FRESHMEN boys and girls basketball teams came away with third place trophies from the Norfolk freshmen tournament held on Saturday, Feb. 16. The boys team lost their opening round game to host Norfolk 52-27 but came back in the consolation round game to take a 52-44 victory over O'Neill. Leading scorers in the win were Nich Engelson with 22 points and Rob Rabe and Scott Hammer with 12 points. The freshmen girls team also lost their first round game to Norfolk 42-34 but bounced back to trounce O'Neill 41-15. Andrea Marsh led scoring in the win with 13 points and Sarah Peterson added eight points. Members of the boys team at left include in front row, Brad Bush, Nich Engelson, Tom Baier, Seth Andersen and Matt Hiller; back row, Bill Sperry, Coach Duane Blomenkamp, Jason Liska, Scott Hammer, Scott Sherer and Rob Rabe. Members on the freshmen girls team at right include in front row, Marnie Bruggeman, Sarah Peterson, Leslie Keating, Amy Schluns and Dawn Book; back row, Coach Sylvia Ruhl, Julie Tiedtke, Shannon Janke, Andrea Marsh and Katy Griess.

## Annual southern swing to open season; senior trio provides squad leadership

A squad of 25 players will open the 1985 Wayne State baseball season March 3 as they travel to Enid, Okla., to play two games with Phillips University. The week-long southern trip will end March 9 in Sherman, Tex., where they will compete in a doubleheader with Austin College.

"Our southern swing will be a tough one for us, but we have a chance of being more competitive this year than we did in 1984," said Coach Lenny Klaver.

Returning from the 1984 season are first team All-CSIC and NAIA All-District outfielder Pete Miller, a senior from Chicago; honorable mention All-District performer Gregg Cruickshank, a first baseman from Columbus; and Pete Saccone, an outfielder from Fairfield, Conn.

Head Coach Lenny Klaver, in his second year as head coach, is cautiously optimistic about this year's squad. "It will depend how our new people perform, there's potential in our pitching staff," Klaver said. "We've had good workouts, and it's been nice to be outside to practice," he added.

After the challenging 12-game southern trip, the Wildcats schedule includes NCAA Division I Nebraska and Creighton and Division II University of Nebraska-Omaha and Morningside.

Strain (second base); Dale Clayton (shortstop); Mike Hoffari (third base); Pete Miller (left field); Pete Saccone (center field); Kurt Brosamle or Paul Calvert (right field); and Jeff Scharn (catcher). The pitching spot is currently undecided.

A complete roster includes the following players: Jeff Strain, senior, second base; shortstop, Sloux City, Iowa; Pete Miller, senior, outfield, Chicago, Ill.; Jeff Scharn, senior, catcher, Lytton, Iowa; Pete Saccone, senior, outfield-pitcher, Fairfield, Conn.; Kurt Brosamle, senior, outfield, Morningside, Iowa; Gregg Cruickshank, senior, first base, Columbus; Randy Raabe, junior, outfield-pitcher, Pierce; Paul Calvert, sophomore, outfield, Pon-

ca; Ryan Roberts, sophomore, first base, Bellevue; Jose Ruiz, sophomore, pitcher, San Diego, Calif.; Dennis Vollmer, sophomore, pitcher, Wisner; Mike Hoffari, sophomore, third base-first base, Coleridge; Pat Salerno, freshman, outfield, Omaha; Dean Heying, freshman, second base, Grandville, Iowa; Dale Clayton, freshman, shortstop, Marshalltown, Iowa; Gale Breisneider, freshman, outfield, Pierce; Steve Roberts, freshman, short stop-pitcher, Bellevue.

Dean Cropley, freshman, second base, Lawton, Iowa; Mike Brazda, freshman, catcher, West Point; Bob Day, freshman, pitcher, Grand Island; Kevin Hoffari, freshman, pitcher, Madison.

**OTHER SENIORS WHO** started or played considerably as juniors are Jeff Strain, Jeff Scharn and Kurt Brosamle. Randy Raabe is the lone returning junior.

The pitching staff has been greatly bolstered with the addition of transfers Dave Lang (Garden City Community College); Mark Priegnitz (Johnson County Community College); Jeff Rothrock (Olney Central Community College); and Jose Ruiz (San Diego, Calif.).

Newcomers Dennis Vollmer, a sophomore, and freshmen Kevin Hoffari, Bob Day and Steve Roberts will add live arms to the staff.

The shortstop position looks to be filled by freshman Dale Clayton, Paul Calvert, Mike Hoffari, Ryan Roberts, Mike Brazda and Dean Cropley add young talent and sound defense to the Cats.

## sports briefs

### Old Timers wrestling

Wrestlers from the past are invited to compete in an Old Timers' wrestling tournament to be held at Lyons-Decatur-Northeast High School in Lyons on Sunday, March 3.

The event is open to any high school graduate who did not compete for, or was a redshirt on a collegiate wrestling team this past season. Two divisions will separate the younger and older participants. Weight classes are from 130 pounds to 222 pounds in 10-pound increments. An unlimited class is set for anyone over 220 pounds.

The tournament is a fund-raiser for the Lyons Kids Wrestling Club which is hoping to purchase a new mat with the proceeds. The entry fee is five dollars per entrant. First place award in each weight class is a walnut desk organizer with engraved plaque and medal. Medals will be awarded places two through four.

Pre-registration is encouraged, but not mandatory. Weigh-ins the day of the tournament are scheduled for 10 a.m. to noon with wrestling beginning at 12:30 p.m. Further information can be obtained by contacting Dave Friedl, head wrestling coach at Lyons-Decatur Northeast High School.

### St. Patrick's road run

A five-mile Wisner St. Patrick's Day Leprechaun Run will be held on Sunday, March 17 as part of the 15th annual Wisner St. Patrick's Day festival.

The run is scheduled to begin promptly at noon with registration at the Wisner Auditorium, beginning at 10:45 a.m. The entry fee is \$5 until Wednesday, March 13, and \$7 after that date and the day of the run.

Trophies, and medals will be awarded in eight age divisions, four male and four female categories. Tee shirts will given to all entrants. Pre-registration is appreciated if possible, to aid in ensuring enough shirts for all runners. Forms for registering are available at The Wayne Herald office.

Refreshments will be served following the race and shower facilities are available. A complete roster of times will be available after the run is completed.

The course will be the same as last year, a flat run with a slight incline in the third mile.

### Spring turkey hunting permits

Nebraska turkey hunters who want to apply for a spring shotgun hunting permit may do so March 1-16, during the second application period.

The 1985 spring shotgun turkey hunting season dates are April 13 through May 5 in the Central, Ponca, Round Top, Southeast, Southwest and Wildcat Units. The dates for the Niobrara and Verdigre early season are April 13-21, and for the Niobrara and Verdigre late season are April 22 to May 5.

A check for \$15 and a completed application form must arrive in Commission Headquarters in Lincoln before 5 p.m. on March 18 to be eligible for the second application period. Application forms may be obtained from any Game and Parks Commission office, or from any of 1200 permit vendors across the state.

### Dixon school basketball

The Dixon grade school basketball teams suffered a pair of losses at the hands of School District 57 from Wayne County on Friday afternoon, Feb. 22.

The Dixon girls lost by a 17-16 margin, and the boys team went down in a 31-16 defeat.

Upcoming games include Dixon hosting Wayne this evening (Thursday) in three games beginning at 6:30 p.m., and District 25 Wayne County on Saturday, March 2, beginning at 1 p.m.

### Hastings basketball camp

The annual Hastings College Basketball camp will conduct three sessions, two for boys and one for girls this summer.

Boys sessions dates are June 2-6 and July 21-25. The girls camp will be held from June 9-13.

The school is open to students from 10 years old through eleventh grade. Staff will include both top college and prep coaches, all experienced in basketball summer school work.

For information and application forms, contact Lynn Farrell, Athletic Department, Hastings College, Hastings, Nebr., 68901.

PITCHER LAURI OWENS (at left) snares a hard drive, picks up a ground ball during an outdoor practice while first baseman Shelle Tomaszkievicz (at right) earlier this week.

## Lady Cats host Creighton in season opener Saturday

The beginning of the Wayne State softball season is approaching fast, with the Lady Wildcats scheduled to host Creighton University in an opening doubleheader Saturday, March 2.

The 1985 schedule also includes seven tournaments, the first being the Central State Tournament on March 8 and 9 in Oklahoma City, Okla. The Lady Wildcats are also slated to play Oklahoma City University and Central State (Edmond, Okla.) on their spring break trip.

MARILYN STRATE WILL be in her first year as head softball coach at Wayne State, taking the place of mentor Sue Kovar who had guided the Lady Cats for the past six years. Strate has been the WSC volleyball coach for the past two years. Her assistant with the softball program will be WSC student Mike Govig.

Coach Strate will be guiding a very young squad. The Lady Wildcats return just nine players from last year's team which finished fifth in the NAIA Championships in Indianapolis, Ind. There are only three seniors and one junior on the 1985 team.

States Intercollegiate Conference first team pitcher senior Lauri Owens, junior catcher Teresa Durbala, and senior third baseman Carmen Doeschot. Doeschot was named honorable mention all-CSIC at the end of last season.

"We'll depend on our pitchers and catchers, they will be our strong points," said Strate. She also mentioned returning sophomore Mary Lingelbach and newcomer Heidi Anderson as seeing some time at the pitching spot.

Preseason preparation has been slowed by the fact that four team members were still involved with varsity basketball.

"Hopefully our defense will start to come together after we get the basketball girls out. It will take awhile on our defense. We have a lot of new people," Strate said.

A RUNDOWN OF THE tentative roster includes the following players: Carmen Doeschot, senior, third base, Lincoln; Lauri Owens, senior, pitcher, Sloux City, Iowa; Suzi Todd, senior, infield, Kingsley, Iowa; Teresa Durbala, junior, catcher, Norwalk, Iowa.

Jana Lyon, sophomore, catcher, Schleswig, Iowa; Mary Lingelbach, sophomore, pitcher-outfield, Elkhorn; Kristy Govig, sophomore, outfield, Omaha; Mary Jean Guenther, sophomore, second base, West Point; Shelle Tomaszkievicz, sophomore, first base, Omaha; Michelle Blomberg, sophomore, infield-outfield, Albert City, Iowa.

Heidi Anderson, freshman, pitcher, Milford, Iowa; Linda Bode, freshman, infield-outfield, Resvillo; Kathy Didier, freshman, shortstop, Bellwood; Paula Dolesh, freshman, infield, Pierce; Ree Gribble, freshman, shortstop, Chambers; Lisa Hansen, freshman, infield, Allen; Judy Nixon, freshman, first base, Ewing.

Tami Kratochvil, freshman, first base, Ulysses; Barb Stratman, freshman, outfield, West Point; Beth Todd, freshman, outfield, Kingsley, Iowa; Kelly Zierke, freshman, infield, Pierce.

Strate remarked that a final cut would be made at the end of this week prior to the Saturday doubleheader.

## List submitted in search for WSC cage coach

The list of applicants for the men's head basketball coaching post at Wayne State College has been narrowed to five names, according to Ron Jones, WSC athletic director.

Jones, who also is a member of the search committee formed to seek applicants for the position, stated that the list is currently being reviewed by the administration, which will make the final selection of candidates. "Any or all five of the names on the list may be among the final selections that will be interviewed," said Jones. "The final decision will be made by WSC President Ed Elliott."

The five representatives on the list feature a wide background of coaching experience, ranging from the assistant level at an NCAA Division I school to an NAIA head coach and junior college head coach. No high school coaches are among those in contention for the coaching position, which will be vacated by Rick Weaver at the end of the school year.

Once the final selection of candidates is made, those chosen will make visits to the Wayne campus and will be visited at their respective campuses by WSC representatives.

Jones added that the administration hopes to have a new coach named as soon as possible, but have not announced a deadline. "We hope to have a new coach chosen as soon as possible," Jones said.

## Junior bowling winners

THE ANNUAL JUNIOR league-adult doubles bowling tournament was held at Melodee Lanes on Saturday, Feb. 17. Winners in the competition included from left, Angie Nicholson (high scratch game, 205); Brent Sherman (doubles with partner, 1,191); and Scott Milliken (high scratch series, 501). A listing of the doubles teams and their scores includes Kami Billheimer-Kathy Billheimer, 1,131; Sarah Maly-Josie Bruns, 1,124; Mike Kaup-Jay Rebersdorf, 1,120; Eric Cole-Doug Cole, 1,102; Todd Gehner-Marilyn Gehner, 1,105; and Jeff Struve-John Struve, 1,102. Other high scores were bowled by Kami Billheimer (high series handicapped, 595); and Angie Nicholson (high game handicapped, 229). Those bowlers who bowled at least 50 pins over their average were Eric Cole (52 pins); Angie Nicholson (52 pins); and Brent Sherman (51 pins).

meeting, 7:30 p.m.

**THE FESTIVE Cafe Momus** is the setting for Act II of Puccini's operatic romance, **LA BOHEME**, performed by Midwest Opera Theater. Pictured in the foreground are Christine Stephenson as Mimì and Kirk Stuart as Rodolfo; behind them are David Majoros as Marcello and Carolyn Finley as Musetta. The opera is fully staged and sung in English.

## Opera to be presented at Wayne State

Puccini's opera *La Bohème* will be performed at Wayne State College (WSC) Tuesday, March 19, by the Midwest Opera Theater.

The 8 p.m. performance in Ramsey Theatre in the Val Peterson Fine Arts Center is another segment of the college's Special Programs Series.

Set in Paris in the 1890s, *La Bohème* is the poignant love story of two people surrounded by their Bohemian artist friends. Sung in English, the opera has four main characters, Mimì (played by Christine Stephenson), Rodolfo (Kirk Stuart), Marcello (David Majoros) and Musetta (Carolyn Finley).

Tickets for *La Bohème*, available in advance only from the Fine Arts Division Office, are \$3.50 for adults and \$1.50 for students high school age and younger. Wayne State students, faculty and staff and holders of WSC activity tickets are admitted free.

Tickets may be purchased or picked up in advance from the Fine Arts office beginning March 11. Tickets will be purchased by mail by sending a check made out to WSC to: Special Programs, Fine Arts Office, Wayne State College, Wayne, NE 68787.

The Midwest Opera Theater is a seven-year-old touring and educational affiliate of The Minnesota Opera of St. Paul. This performance is a part of a 12-week Upper Midwest Tour. The tour is supported by the Affiliated Arts Agencies of the Upper Midwest: Iowa Arts Council, Minnesota State Arts Board, North Dakota Council on the Arts, South Dakota Arts Council, Wisconsin Arts Board, with funds provided by the National Endowment for the Arts.

## Aspirin possible link to Reye's Syndrome

In the midst of the flu season, important new information has become available about the development in teens and children with flu — or Reye syndrome, a rare but serious condition that kills 20 to 30 percent of its young victims and leaves many survivors brain damaged.

The new information comes from a U.S. Public Health Service pilot study of a possible link seen in four earlier state studies between the use of aspirin in treating flu or chicken pox and an increased risk of Reye syndrome.

The Institute of Medicine of the National Academy of Sciences has reviewed the pilot study and found "strong support" for the link.

Although personnel from the Food and Drug Administration, the National Institutes of Health and the Centers for Disease Control will continue the study through next winter, the Institute of Medicine advised that the federal government not wait to inform and protect the public.

As a result, Health and Human Services Secretary Margaret M. Heckler has asked manufacturers to remove any recommended use in flu and chicken pox from aspirin-containing products aimed at children — and to add a warning to all aspirin-containing products against use for flu- and chicken-pox in children and teens.

Cyrl and Beverly Hansen sang several favorites for the group, and a cooperative lunch was served.

**BIRTHDAY PARTY**  
Honored during the February birthday party last Friday at the center were Russell Lindsay, Ruth Jones and Ann Roberts.

Cyrl Hansen and Ralph Olson provided music for the 35 persons attending the afternoon event, and Joe Rieken was caller for square dancing.

**INCOME TAX ASSISTANCE**  
Volunteer income tax assistance is available at the Senior Citizens Center every Tuesday from 2:30 to 4:30 p.m.

Persons who would like additional information are asked to call the center at 375-1460.

U.S. Surgeon General C. Everett Koop, M.D., has said that most childhood illnesses are self-limiting and usually don't require any medication at all. Doctors often suggest that a child with fever simply be made comfortable with cool compresses.

Of course, physicians continue to find aspirin useful and safe for adult, teen and childhood arthritis and other conditions.

Reye syndrome is a rare condition — a few hundred cases a year. It was named in 1963 for an Australian pathologist who described it as a swelling of the brain, combined with liver malfunction and blood chemistry disorders leading in most cases to death.

Improved recognition and early treatment of the disease has helped reduce the death rate, but still about one out of four reported cases are fatal.

It is crucial to take action quickly if Reye's symptoms occur — whether or not aspirin or an aspirin-containing product has been used. The first sign is generally persistent vomiting. The young person may be sleepy and lethargic, but still responsive. Within half a day, he or she can become disoriented, combative and delirious.

Unreated, the teenager or child can go into a coma and die.

Thus, Reye is a medical emergency. A child with Reye syndrome symptoms must be taken immediately to a hospital, where blood and body fluids can be monitored and a respirator used if breathing fails. Surgery may be needed in some cases to relieve pressure on the swollen brain. Therefore, act promptly if you suspect Reye syndrome.

—Dr. Alan Lupack's poem, "The Bug," appeared in a recent issue of *Poetry Motel*, a literary journal published by the Suburban Wilderness Press in Duluth, Minn. Another of Lupack's poems, "Countless Joys," appears in a current issue of *Phoebus: A Magazine of Verse and Art*, which is published in Hampton, Va.

—Rita Kissen, assistant professor of humanities, and her daughter, Michelle Brodsky, presented a paper on "The Feminist in the High School Classroom: From Both Sides of the Desk," at the annual conference of the Modern Language Association in Washington, D.C., Dec. 26-Jan. 9. The paper is a feminist analysis of high school from both the teacher's and student's points of view.

—Dr. Randy Shaw, professor of industrial education, has been appointed to the State Department of Education Career Guidance Counseling Committee that is drafting the Vocational Guidance portion of the new Nebraska State Plan for Vocational Education. This plan will make Nebraska eligible for federal funding under the Carl D. Perkins Vocational Education Act of 1984.

—A review by Donald R. Hickey, associate professor of history, in the *Works of Fisher Ames*, edited by W.B. Allen, appeared in an issue of the *William and Mary Quarterly*.

—Dr. John Renzelman, assistant professor of industrial education, joint author with Dr. Gus Baker, had an article on consumer education project published in the *Journal of Epsilon Pi Tau*, Vol. X, No. 1. Dr. Renzelman's project was conducted while he was a graduate student at Texas A & M University.

—Gary Davis, assistant professor of music, was guest conductor for the Conference Honor Band Clinic held in Stanton, Jan. 28.

—Ray Replogle, associate professor of art, recently showed 12 pieces of sculpture at the University Place Art Center Gallery in Lincoln. The exhibit was open Jan. 4-31.

—Dr. Alan Lupack's short story "Miss America and the Strippers" appears in the current issue of *Pig Iron*, a literary anthology published by the Pig Iron Press of Youngstown, Ohio. Dr. Lupack's poem, "The Heavy Handed Magician" appears in the latest issue of *Aileron: A Literary Journal*, published in Austin, Texas.

—Gary Davis and Jay O'Leary, division head of Fine Arts, attended the Midwest National Band and Orchestra Convention in Chicago Dec. 12-15, 1984.

—Donna Bliss, director of counseling, spoke on eating disorders in two psychology classes at the Norfolk Senior High School, Dec. 18.

**By the cupful**  
SHERIAN-FREY produced the coffee cup at left, as a special gift to Gov. Kerrey. Kerrey liked the mug so much that he asked Frey to provide mugs to 13 governors attending the Midwest Governor's Conference last November. The governors received not only one, but six mugs apiece each with the special conference logo on them. The 80 or more mugs were manufactured on a potters wheel which the Freys designed.

## Wayne senior citizens center

**FEBRUARY POTLUCK**  
Sixty-five seniors attended the February potluck dinner last Wednesday at the Wayne Senior Citizens Center.

A Valentines poem by Helen Steiner Rice was read by Coordinator Georgia Janssen.

Following the meal, Dr. Don Wisnitsch, vice president and professor of history at Wayne State College, presented "The Sights and Sounds of the Depression." Original pictures and music of the 1930's were included in the show.

Afternoon entertainment was dancing with music provided by Otto Field of Winslow and Lester Behrens of Carroll on accordions.

Mary Nichols, R.N., registered blood pressures that day from 9 a.m. to noon.

**FITNESS FILM**  
Seniors viewed the film, "Physical Fitness" at the center last Thursday. Twenty attended the event sponsored by Wayne Public Library.

Cyrl and Beverly Hansen sang several favorites for the group, and a cooperative lunch was served.

**BIRTHDAY PARTY**  
Honored during the February birthday party last Friday at the center were Russell Lindsay, Ruth Jones and Ann Roberts.

Cyrl Hansen and Ralph Olson provided music for the 35 persons attending the afternoon event, and Joe Rieken was caller for square dancing.

**INCOME TAX ASSISTANCE**  
Volunteer income tax assistance is available at the Senior Citizens Center every Tuesday from 2:30 to 4:30 p.m.

Persons who would like additional information are asked to call the center at 375-1460.

## Nebraskans for peace

The Wayne Chapter of the Nebraskans for Peace will meet Thursday Feb. 28 at 4:30 p.m. in the Humanities Building, Commons Area on the Wayne State College campus.

On the agenda for the meeting will be the newly formed Nuclear Freeze Nebraska Citizens Lobby and Wayne activities for Central America Week March 18-25.

All members and anyone else who is interested is invited to attend. For further information, call Rita Kissen at 375-2200.

### Cutting Fertilizer Costs

Fertilizer costs are a major cash cost and in these financially troubled times it's important that they be looked at carefully.

I'm reprinting an article from the Soil Science News written by D.H. Sander, University of Nebraska Extension Soils Specialist that explains better than I can how to cut fertilizer costs.

There are many cliches on fertility. Such cliches are "fertilizer for high yields," "you can't afford to be short," and "good managers use more fertilizer." With farmers facing a credit crunch and poor profits, it is time that we explore these cliches for what they really are — techniques to induce farmers to use more fertilizer without really establishing the need for such fertilizer.

There isn't any question that farmers need fertilizers for profitable crop production. The problem is that too often too much fertilizer is applied to soils that really need little or even none to produce maximum yields. In other cases producers fail to apply adequate amounts and kinds of nutrients to crops that may respond well.

Cliches like "fertilize heavy for high yields" fail to take into account the fact that the soil may already contain adequate nutrients for high yields. This certainly is not the time for most producers to risk applying a higher level of fertilizer in the hope of increasing yields. Producers should fertilize for a yield that they have achieved — the yield goal should be their five-year average yield. Increasing yield goal over the five-year average and the resultant higher-fertilizer investment is speculation. Speculation is usually considered to be for those who can afford to lose.

Applying fertilizer that isn't needed according to soil tests or for a higher yield goal than can be obtained is a complete loss, but with the high interest rates, the economics of fertilizing for a carryover are very poor.

"You can't afford to be short." This is a good cliché that gets farmers every time. In today's economy, fertilizing short may be the most affordable thing a farmer can do. If you are short on credit for operating expenses and can purchase only a limited amount of fertilizer, it is far better to apply a low rate to all the acreage rather than most farmers fall short of reaching their yield goals, they are automatically applying more fertilizer than they need. In the case of N, the failure to reach the yield goal together with the fact that only a limited number of producers use a soil test for residual nitrates, indicates that many producers can "afford to be short" because they have in fact been using more N than they need for the yields they are producing.

Finally, the cliché that "good managers use more fertilizer" is obviously erroneous. Good managers use the amount of fertilizer they need based on realistic yield goals and correlated and calibrated soil tests with a deep soil sample for residual nitrates. The really good managers may well use less fertilizer and be more profitable and may even produce higher yields than their counterparts."

Don't forget to attend the Crop Production Cost Cutting Meetings, Monday, March 4, 1:15 p.m. in the Wayne City Auditorium.

Photography: LaVon Anderson

## Addressing the farm crisis

MEMBERS OF THE Wakefield Farm Crisis Committee were among several hundred persons attending a rally Sunday in Sioux Falls, S. D. Representatives of the South Dakota State Legislature joined representatives from various farm organizations in addressing farm crisis objectives. Also speaking was Tim Wrage

of Emerson, chairman of the Farm Crisis Committee. Wrage, along with a contingent from the Farm Crisis Committee, will lobby in Washington on March 2-9. They also are planning a farm crisis meeting in Indiana on March 18.

## Permits are needed

Two special permits are needed for young tractor drivers to meet Nebraska state law and the Federal Department of Labor Standards.

1. Department of Labor Standards require boys and girls from 14 to 16 to have a special exemption permit if they are to operate a tractor or other farm implements for someone other than their parents. This permit can be obtained by completing a 10-hour course in tractor operation and safety.

2. Nebraska State Law requires a special permit for all tractor operators 13 to 16 to enable them to drive a tractor or other farm equipment on any Nebraska roadway. This permit can be obtained in two ways.

\*A temporary permit is available from the Department of Motor Vehicles for a \$5.00 charge. It is good for only six months and no test is required. It is especially good for those youths who will be 16 in six months.

\*A permanent permit is available for a cost of \$5.00. It is good until the age of 16. A written test, an eye exam, and a tractor-driving test, administered by the Department of Motor Vehicles examiners is required. A special test day to obtain this permit has been scheduled for March 9 at the Northwest Center near Concord from 9:30 to 12:00 noon.

Special application blanks can be obtained from the extension office.

## the farmer's wife

by pat meierhenry

Wednesday, February 27th, is Farm Crisis Awareness Day, and the Big Farmer would like to add his two cents' worth:

I understand there's an old joke circulating in our nation's Capitol. When tough decisions have to be made, the story goes, the first thing you do is shoot the wounded. Not really funny, you say? Most farmers would agree, especially when they find out the story relates to the Administration's attitude toward the 1985 Farm Bill.

As recently as six months ago, many of our city friends were totally unaware of any problems in agriculture. They were busy rejoicing over more and more reports of upturns in our national economy. More recently, though, we hear from relatives and friends as far away and as urbanized as Los Angeles, saying, "Are you okay? We hear about it every day on TV." A lot of them, perhaps even most of them, don't really understand what's happening or why. Some of them, even though they don't say it, probably think farmers have a lot of nerve asking the federal government to help them out. After all, what about painters, auto repair shops, lumberyards, and all those other small businesses? Is there a government subsidy for them? Not to my knowledge. It almost seems as if you have to be as big as Chrysler, the Continental Illinois Bank or Argentina to qualify. There are thousands of both small businesses and farmers who just don't fit into quite the right mold, even with the PK program.

WE HAVEN'T produced enough beef in the U.S. to feed our own people since 1965. The last figure I heard was that we are importing 38 percent of the beef consumed in this country. Meanwhile, cattle producers and feeders are going bankrupt by the thousands. The same thing is happening in the pork industry. It is hard for me to imagine how many billion tons of feed grains we cannot sell at a profit could have been fed right on the farms in the Midwest if agriculture had the protectionism which exists in other industries.

SENATOR JAMES EXON pointed out last August to the U.S. Senate that the external debt of Brazil, Mexico, Argentina, and Venezuela was roughly equivalent to the total indebtedness of the American farmer. The chairman of the House Agriculture Committee, Kika de la Cera, states that only 3 percent of the total Federal appropriations last year went to agriculture, and one-third of that was for food stamps. Maybe whoever managed to place the food stamp program in the USDA budget many years ago had more foresight than most of us

were getting 100 percent of parity. We are averaging 50 percent parity right now.

The mythical "free market" doesn't exist in America any longer. It has faded away into the same fairyland with the "law of supply and demand" and "free enterprise." No product of labor can be produced on a free world market when any of the inputs are affected by import restrictions, export taxes, minimum wages, union contracts, price-fixing, or etc.

THE VALUE OF THE U.S. dollar is up 139 percent since 1979, thanks to our huge deficits. We can no longer compete with other countries where this isn't happening. Cargill's attempt to bring Argentine wheat into our country because they could do that cheaper than buying it from our farmers is a perfect example. Any government official who thinks the American farmer got himself into his current financial crisis doesn't belong in Washington. He is also terribly wrong if he thinks agriculture is the place to start budget cutting to get rid of the deficit.

A healthy agriculture would generate billions of dollars of new wealth in our economy. The farmer who is making a profit will replace worn out vehicles and equipment, he'll pour concrete and build new fences. He'll revitalize those seven other workers that each farmer creates jobs for. He'll continue to feed those 79 people he's been feeding.

What will happen to the one-fifth of our gross national product now produced by agriculture? What about the 23 million jobs it generates? An unhealthy agriculture, if left to survive or die, will make the 30's look like a tea party. Maybe not every debt-ridden farmer who's still hanging on belongs in the high-technology world of today's agricultural industry. Maybe I don't. But when the mail boxes on our country road come down and the new ones have names like Mr. Prudental, Mr. FHA, Mr. FLBA, and Mr. First National, I don't want to be living here anymore. They'll never be able to replace the neighbors I grew up with or the ones I watch basketball games with.

## farm briefs

### Special Farm Bureau meeting

Members from Wayne and Dixon County Farm Bureaus held a special supper meeting February 9 at the Hotel in Wakefield. Senator Gerald Conway of Wayne was the featured guest. Special guests were Nebraska Farm Bureau Federation President and Mrs. Dennis Neitzke. Senator Conway answered many questions and informed those attending on items of interest in the state legislature.

### Farm Bureau meets

The Wayne County Farm Bureau met February 18 for its monthly meeting at the office in Wayne. The meeting was called to order by President Don Leidman and the roll call and minutes of the last meeting were read by Secretary Jon Rethwisch. Special guests were county commissioners Bob Nissen, Jerry Pospisil and Merlin Belermann. Many topics were discussed in an informal question and answer period. We would like to thank the commissioners for their time and cooperation. The Women's Committee reported that Julie Brockman of Winslow will be attending the Farm Bureau citizenship seminar to be held in March at Aurora. The Charles Marshall loan funds are now available for those attending any Institute of higher learning, not just nursing schools as was the policy in the past. Forms are available to apply for these loans in the Farm Bureau office or from women's chairman, Joanne Ekberg.

### ASCS to assist in loan processing

Field staff of the Agricultural Stabilization and Conservation Service will help Farmers Home Administration employees process loan applications in an effort to step up farm credit delivery. Secretary of Agriculture John R. Block said today. The agreement between the two agencies of the U.S. Department of Agriculture is part of a farm credit relief program Block announced Feb. 6.

The two agencies recognized the urgent need for debt adjustment and related loan assistance to be made available in a timely manner to farmers who have suffered severe economic reverses during prior years due to disasters and poor economic conditions.

ASCS personnel, upon request, will help FmHA county supervisors in such activities as performing appraisals, assisting in preparing loan applications, calculating production losses, developing financial plans and helping with general clerical work.

FmHA will retain responsibility for loan decisions.

### U.S. Grain to Soviets Hit Record

Secretary of Agriculture John R. Block said the sale of 193,000 metric tons of U.S. grain to the Soviet Union that was reported today pushed Soviet purchases during the current year of the Long-Term Grain Agreement (LTA) to an all-time high of 15,628 million tons.

He said total sales, with almost eight months still remaining in the October-September agreement year, have already surpassed the previous record of 15.5 million tons in 1978/79.

"I am pleased that our efforts in boosting the level of U.S.-Soviet grain trade has resulted in this record amount so early," said Block. "President Reagan's policy against farm embargos and the increased levels provided for in the new agreement allow the Soviets to plan with confidence to expand their livestock industry and to fill more of their import needs with U.S. grain."

### 4-H officer training

All Wayne County 4-H Officers are invited to 4-H Officers Training at the Wayne City Auditorium, Thursday, February 28th starting at 7:30 p.m.

4-H Presidents, Vice-Presidents, Secretaries, Treasurers, Newsreporters and Recreation leaders will receive training so they can be better 4-H Officers. There will also be special sessions on parliamentary procedure and planning a 4-H Club Program.

## 4-h news

### SPRING BRANCH

The Spring Branch 4-H Club met at Hoskins Public School on Feb. 17 with 14 members attending. Brad Hoffman was welcomed as a new member.

Also attending were leaders Mr. and Mrs. Dennis Puls, Mr. and Mrs. Harold Wittler and Roger Langenberg.

President Holly Neitzke opened the meeting with the 4-H motto, and Jill Brudigan reported on the previous meeting.

The club is planning a community improvement project and members distributed information

sheets on tree planting. Plans also were discussed to have a CPR class.

It was announced that six members have transferred their memberships to the newly organized Rainbow Kids 4-H Club.

Mrs. Dennis Puls discussed various projects with club members, and the Marot and Neitzke families served refreshments.

The club is planning a community improvement project and members distributed information

sheets on tree planting. Plans also were discussed to have a CPR class.

It was announced that six members have transferred their memberships to the newly organized Rainbow Kids 4-H Club.

Lutt takes third GENE LUTT of Wayne took third place honors with his entry in the heavyweight pen-of-five competition in the third annual Tri-State Live Hog and Carcass Show recently at the Sioux City Stockyards. From left to right are Jeane Pruett, Woodbury County Pork Queen; Lutt; and Kim Alliman, Pork Princess.

## Ventilation important to healthy confinement

Ventilation is important in confinement housing because of the extreme heat, dust, cold and mud in the last few years. Nebraska beef producers have considered livestock confinement housing as an option to get away from some of these environmental problems.

According to Gerald Bodman, extension agricultural engineer at the University of Nebraska-Lincoln, good herd health, high growth and production efficiency and convenient management require a quality environment in an animal housing facility.

"When we move animals into confinement it becomes our responsibility as a producer to provide an environment that is going to allow the animals to grow in a healthful condition," Bodman said.

A quality environment can be provided without the use of mechanical equipment. This is commonly referred to as "natural" ventilation. Non-mechanical ventilation relies on the displacement of warmer, lighter air by cooler, heavier air

to achieve air movement within a facility. The primary source of heat for warming air is the animals. When coupled with wind forces the result is airflow through the building.

"Since warm air rises, steeper sloped roofs provide a higher flowrate of upward warm airflow. A ratio of 4 to 12 roof slope is best," Bodman said. "A 12 to 12 ratio slope means the height of the roof increases 4 inches for each 12 inches of building width."

"ALL VENTILATION systems require both air inlets and outlets. An A-frame opening at the eaves for normal winter ventilation and an opening along the ridge is needed in order to get rid of excess moisture.

"Open ridge is certainly preferred over any of the commercial ventilations that are available right now," Bodman said. "During summer months, large openings along the side wall are needed to allow for air flow across the animal space. "I believe it is important for producers to remember that in a

livestock facility it is the first 4 to 5 feet from the floor that is really important," Bodman said. "and if we don't ventilate that area properly then what we do for the rest of the building is useless."

Bodman said that in Nebraska, beef producers have more problems with heat stress than cold stress, and for that reason the confinement building should be located where it can intercept the summer prevailing southeast winds as well as possible.

"Orient the building so the ridge runs east and west or slightly towards the southeast," Bodman said. "Either of these positions would be better than a north-south orientation."

Bodman said that insulation is not required. "If producers want to put insulation in that's fine. But they should be sure it is done correctly." Further information concerning non-mechanical ventilation of beef barns can be found in the 1985 Beef Cattle Report available at local extension offices.

## Empty promises

CORN CRIBS ON LAND northeast of Wakefield are barren now. But spring planting, hopefully, isn't that far away.

## hoskins news

mrs. hilda thomas 583-4369

**A-TEEN CLUB**  
Mrs. Earl Anderson was hostess when the A-Teen Home Extension Club met at Becker's Steakhouse in Norfolk the afternoon of Feb. 19.

The meeting opened with the Pledge of Allegiance and Mrs. Duane Kruger presided at the business meeting. For roll call, members brought a Valentine for their secret sister.

Mrs. Walter Fleece Jr. read the report of the previous meeting and gave the treasurer's report.

Mrs. Vernon Hokamp, family life leader, read an article "This is the Year of the Family."

The president reported on the recent council meeting and explained the special fair awards. She also told about the seat belt poster contest for third graders.

The Helen Becker Health Conference will be held at the Villa Inn in Norfolk on March 20.

Mrs. Earl Anderson led in group singing and the birthday and anniversary songs were sung for Mrs. Vernon Hokamp.

The lesson, "Listen with your Heart, as Well as Your Ears," was presented by Mrs. Vernon Hokamp.

Mrs. James Robinson was winner of the hostess gift.

The next meeting will be with Mrs. Irving Anderson on March 13.

**SENIORS CARD CLUB**  
Mrs. E.C. Fenske was coffee chairman when the Hoskins Seniors Card Club met at the fire hall the evening of Feb. 19.

Prizes in cards went to Walter Koehler, Mrs. Carl Wittler, Carl Hinzman and Mrs. Art Bahmer.

The next meeting will be on March 5 with Mrs. Carl Hinzman in charge of arrangements.

**MISSIONARY SOCIETY**  
The Lutheran Women's Missionary Society met at the Trinity school library Thursday afternoon at 1:45 p.m.

The meeting opened with a hymn and Pastor Bruss conducted devotions.

All members took part in presenting the topic, "Our WELLS Ministry in Europe."

Mrs. Alvin Wagner, president, handed out prayer reminders and presided at the business meeting.

Mrs. Wesley Bruss read the report of the previous meeting and gave the treasurer's report.

She also reported on a letter received from the Mission in Taiwan.

Mrs. Ed Schmale, reporter, reported on a National News letter and told of the National LWMS convention to be held in Michigan in June.

Mrs. Schmale was coffee chair for the next meeting which will be on March 21 at the school library.

**GET-TO-GETHER CARD CLUB**  
The Get-to-gether Card Club met with Mrs. Marie Rathman on Thursday afternoon. Guests were Mrs. Henry Dreissen, Mrs. Frieda Bendin and Jo Bendin.

Prizes in 10 point pitch went to Mrs. Irene Fletcher, Mrs. Alfred Vinson, Mrs. Marvin Kleensang and Mrs. Frieda Bendin.

Mrs. Harry Schwede will be hostess for the next meeting on March 21.

**BIRTHDAY CLUB**  
Mrs. Carl Hinzman entertained the Birthday Club Friday afternoon.

The afternoon was spent playing Bunco with prizes going to Mrs. Rose Puls, Mrs. Frieda Meierhenry and Mrs. Anna Falk.

Peace United Church of Christ (John David, pastor)

Tuesday, March 5: Pastor's Bible study, 7:30 p.m.

Wednesday, March 6: Catechetical instruction, 3:30 p.m.; Lenten service, 7:30 p.m.

**SOCIAL CALENDAR**  
Thursday, Feb. 28: Hoskins Garden Club, Mrs. George Wittler.

Friday, March 1: G&G Card Club, Mrs. Frieda Meierhenry.

Saturday, March 2: Rainbow Kids A-H Club, fire hall.

Monday, March 4: 500 Club, Walter Gutzmann.

Tuesday, March 5: Hoskins Seniors, fire hall.

Mrs. and Mrs. Carl Hinzman entertained for their birthdays the evening of Feb. 17. Guests were Mr. and Mrs. Dave Miller and Mr. and Mrs. Alfred Carstens and of Winside, Mrs. Rachel Wilcox

and Mr. and Mrs. Harold Ahlmann and Adm of Norfolk and Mr. and Mrs. Dennis Puls and Russel, Mr. and Mrs. Dallas Puls, Jennifer and Dustin, Mr. and Mrs. Reggie Gnirk and Angela, Mrs. Frieda Meierhenry, Mrs. Rose Puls and Mrs. George Langenberg Jr. and Jeremy.

The evening was spent playing cards with prizes going to Dave Miller, Dennis Puls, Mrs. Reggie Gnirk and Mrs. Rachel Wilcox.

Mrs. and Mrs. Dewey True, Mrs. Russ Neilson and Adeline Kuhlman of Bloomfield were Feb. 16 visitors in the Mr. and Mrs. Carl Hinzman home.

Mrs. Harold Brüdigan and Jill went to South Sioux City Saturday where Jill participated in a swim meet at the municipal pool there. They also visited Mr. and Mrs. Gene Kudera in Sioux City.

### WORLD DAY OF PRAYER

World Day of Prayer will be held tomorrow (Friday) at the United Methodist Church in Laurel at 2 p.m. It is celebrated in churches across the United States and in 170 countries and regions of the world. The 1985 service theme is "Peace through Prayer and Action." It is written by Christian women of India and calls people the world over to gather for the 98th consecutive year to circle the globe in prayer for peace and to actively become peacemakers.

World Day of Prayer is sponsored in the United States by Church Women United. Those churches and representatives participating in the Laurel service are Logan Center; Mrs. Bonnie Kvols; United Lutheran, Mrs. Ellen Johnson; Evangelical Church, Mrs. Beverly Meyer; St. Mary's Catholic Church, Mrs. Deanna McCoy; Presbyterians, Mrs. Freda Swanson; and the Laurel Methodist, Mrs. Roberta Lute. The Kwankins of Allen, formerly of India, will be the guest speakers.

The offering from World Day of Prayer will be used to fund national and international projects in support of the empowerment of women, human rights, justice and peace.

### MARANATHA GROUP

## card of thanks

MANY THANKS to my family and friends for the flowers, gifts, cards, visits and phone calls I received during my stay at PMC and since returning home. A special thank you to the food brought to my home. Special thanks to Pastor Monson and Sister Gertrude for their prayers and to Dr. Bob, Dr. Dahlman and Gary West and the entire PMC staff for their excellent care. Marian Hoffman. 128

A SPECIAL thank you to my friends and relatives for the cards, gifts and flowers in honor of my 90th birthday. They made it very special and memorable. God bless each of you. Mrs. John Potter. 128

I AM TAKING the privilege through The Wayne Herald of thanking my near and dear ones who came to spend the Sunday p.m. with me in the home of my son and his wife, Ray Reeg, in honor of my 85th birthday. Also for the gifts that were given. Bless you all. Mathilde Reeg. 128

A VERY special thank you to our family, relatives and many friends who helped us celebrate our 35th anniversary. Your presence helped make it an evening we will never forget. Thanks to all. Pat and Ruth Erwin. 128

**Deadline for all legal notices to be published by The Wayne Herald is as follows: 5 p.m. Monday for Thursday's newspaper and 5 p.m. Tuesday for Monday's newspaper.**

## legal notices

**NOTICE TO CONTRACTORS:**  
Sealed bids will be received by the Nebraska Department of Roads in Room 104 of the Central Office Building at the South Junction of U.S. 77 and N2 at Lincoln, Nebraska, on March 2, 1985, until 10:00 a.m. At that time the bids will be publicly opened and read for GUARD RAIL, ASPHALTIC CONCRETE SURFACE COURSE and incidental work on the CARROLL NORTH AND SOUTH State Project No. R-57-11(102) in Wayne and Cedar Counties. This project is located on N-57 beginning south of Carroll at the junction of N 57N-98 and extending north to the junction of N-57US-20.  
Each bidder must be qualified to submit a proposal for any part or all of this work as provided in Nebraska Revised Statute 39-229.01-01-02.  
**PROPOSAL FORMS FOR THIS WORK WILL BE ISSUED ONLY TO CONTRACTORS WHO ARE QUALIFIED FOR BITUMINOUS.**  
The proposed work consists of 12.4 miles of highway construction and improvements. The approximate quantities are:  
12. Bridge Approach Section  
12. Breakaway Terminal Section  
7.5 Sta. Roadway Grading  
6 Cu. Yd. Gravel Surface Course  
73.50 Yd. Special Surface Course  
1 Cu. Yd. Concrete for Pipe Culvert (Pipes 40.883 Ton)  
490.260 Gal. Asphalt Cement  
Emulsified Asphalt  
12,000 Lbs. Bituminous Surface Roadway  
644.510. Cast-in-Place  
Shoulder Construction  
Minority business enterprises will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.  
Plans and specifications for the work may be seen and information secured at the office of the District Engineer of the Department of Roads at Norfolk, Nebraska, or at the office of the Department of Roads at Lincoln, Nebraska.  
The successful bidder will be required to furnish bonds in an amount equal to 100% of the contract.  
A 5% bond in the amount of 5 percent of the total amount bid must be filed with the proposal. The bid bond must be executed on the

**WORLD DAY OF PRAYER**

World Day of Prayer will be observed at the First Lutheran Church in Allen tomorrow (Friday) Feb. 29, 9 a.m. coffee. Program begins at 9:30 a.m. The community is invited to attend. The program will be presented by the United Methodist Women with Elizabeth Kwankin speaking. The program, "Peace through Prayer and Action" was written by Christian women of India. It calls people the world over to gather for the 9th consecutive year to circle the globe in prayer for peace and to actively become peacemakers. The service seeks to motivate a commitment on the part of participants to become personally involved in the peacemaking process — as individuals and as families within their communities, their nation and the world. The World Day of Prayer offerings make possible the mission of Church Women United including the International Grants for Missions program that funds national and international projects in support of the empowerment of women, human rights, justice and peace. The service will be celebrated Friday across the United States and in 170 countries and regions of the world.

**NPPD LOCAL MANAGER**

The Nebraska Public Power District has named Cary Philbreck of Norfolk to the position of local manager at Allen. Philbreck will replace Jim Decker who has accepted the position of local manager at Ponca. This promotion will become effective March 1.

**HISTORICAL SOCIETY**

The Dixon County Historical Society met Feb. 19 at the Victor Carpenter home for the regular order of business. It was reported the Society has received some new items to be placed with the museum which include a tongue and hay fork. It was reported the wood in the items is in good shape. They are a gift from Merlin Noe. He also reported hay slings donated for the machine department.

Immediate plans were made to start wiring the machine shed with gravel and cement work to be done as soon as the weather is warmer. Joyce Grosvenor reported problems with the curtains which is being taken care of. Mr. Hilder from Idaho is looking for family roots through the Dixon County Museum.

The next meeting will be held March 19 at 1:30 p.m. at the Allen fire hall. The Vern Grosvenors are hosts.

The meeting ended with entertainment by Frances Noe. Loyola Carpenter, reporter.

**COMMUNITY CLUB**

The Allen Community Development Club met the evening of Feb. 18 with new president Rick Hank presiding. The club will again help co-sponsor the annual Easter egg hunt with the Lucky Lads and Lassie 4-H Club on Saturday, April 6. The club is also making plans to have clean-up days this spring. Also discussed was the placing of an "Allen" sign at the junction of highways 9 and 20 along with some work projects at the Isom Hill athletic field.

**JAZZ FESTIVAL**

Members of the Allen jazz band and the pep bands had a full day Saturday as the jazz band took part in the Wayne State Jazz Festival competing among the 21 schools in attendance. The Allen band received an excellent rating for their numbers presented at 10:40 Saturday morning. They were presented a trophy. On Saturday evening, the pep band played at the double varsity basketball game at Rice Auditorium. They were among the top four schools selected by the Wayne music fraternity as they judged pep bands at the schools events during the basket-

ball season. They were also presented a plaque at the game.

**FHA MEETING**

The Allen FHA chapter met Feb. 18 and held election of officers. Elected for the 1985-86 school year were Jackie Boyle, president; Denise Magnuson, vice president; Sonya Stewart, secretary; Tiffany Harder, treasurer; Michelle Greenough, parliamentarian; and Kris Blohm and Diane Magnuson, encouters. District officer is Lisa Boyle. The chapter observed National FHA Week, wearing different dress each of the week and on Friday morning, serving the faculty breakfast.

**FFA MEETING**

The Allen FFA chapter held their regular meeting on Feb. 18 at 7 p.m. New officers were elected for the 1985-86 school year. Brian Malcom was elected president; Dave Heckathorn, vice president; Elizabeth Hansen, secretary; Ryan Creamer, treasurer; Angie Jones, reporter; Jeff Gotch, sentinel; and Larry Boswell, parliamentarian. These newly elected officers will be installed to their respective offices at the FFA banquet to be held March 22 at the Allen gym.

Greenhand awards were awarded to Elizabeth Hansen, Angie Jones, Lanny Boswell, Jim Kroll, Robb Sullivan, Jim Johnson, Eric Strehlow, Curtis Blohm, Brian Johnson, William Jackkins, and Travis Schroeder. The greenhand dress is the first degree to be earned in FFA.

Chapter members were reminded of a nationally syndicated half hour television program, entitled "Agriculture's Next Generation: A Conflict of Interest" which will be broadcast Wednesday, March 6 at 6:30 on KCAU Channel 9. The National FFA organization has commissioned this program which will be narrated by Eddie Albert and will be aired on 120 television stations nationwide.
