THE WAYNE HERALD

Students learn immediate hazards of smoking

Sometimes the evidence has to be right before someone's very eyes before it becomes believable.

So some students at Wayne-Carroll High School are finding out some information they might not have known about cigarette smoking or tobacco chewing. Most labels on the packages dictate that smoking or chewing can be hazardous to your health and cause cancer or other diseases in future years.

But what is known about the immediate effects of smoking or chewing?

Demonstrating to students the immediate harmful health of smoking was the purpose of a program recently carried out with the efforts of Dale Hochstein's Biology II class at Wayne-Carroll High School.

The program, entitled "Monitoring Tobacco—Education Project (BIOTEP)," involves the use of electronic testing equipment to measure the effects of tobacco on hand tremor, skin temperature, heart rate and the level of carbon monoxide in the blood.

Tobacco users were monitored by Hochstein's class (which included Ted Lueders, Jodi Dilman, Kim Backstrom, Kurt Rump, Jennifer Salmon and Jeff Simpson) before and after tobacco usage to compare results. Students not using tobacco were also tested twice and served as the control group.

Well over half of the 30 students that were monitored in the program at Wayne-Carroll were non-smokers or non-chewers. Six tobacco chewers and four smokers comprised the remaining test categories.

TOBACCO USERS in the BIOTEP session experienced increased hand tremor, higher levels of carbon monoxide in the bloodstream, an increased heart rate and a reduction in skin temperature immediately after tobacco usage, according to the program summary.

The equipment loaned for the BIOTEP program included a carbon monoxide analyzer to measure CO in exhaled breath; a cardiometer to measure heart rate; a digital thermometer to measure skin temperature; and an electronic device to measure hand steadiness. Results read out as follows:

Carbon Monoxide Amounts

- Nonsmokers before using analyzer, 2.8 parts per million of carbon monoxide; after using analyzer (3-0 parts per million);
- Smokers before using analyzer, 6.4 parts per million; after, 13.75 parts per million.
- Chewers before using analyzer, 2.5 parts per million; after, 3.4 parts per million.

Pulse rate

- Nonsmokers before using cardiometer, was 78.3 per minute; after, 76.6.
- Smokers before using cardiometer, 80.5 per minute; after, 98.8 per minute.
- Chewers before using cardiometer, 62.2 per minute; after, 66.6 per minute.

Skin temperature

- Nonsmokers before, 84.2; after, 86.2.

Photography: Chuck Hackenmiller

BIOLOGY II students monitoring results are from left, Ted Lueders, Jodi Dilman, Kim Backstrom, Kurt Rump and Jennifer Salmon.

- Smokers before, 86.7; after, 82.9.
- Chewers before, 84.4; after, 82.4.

Tremor test

- Nonsmokers before measured 26.4, after, 22.2.
- Smokers before, 35.4; after, 56.4.
- Chewers before, 27.3; after, 34.2.

One interesting fact which Hoch-

stein said the program beared out was the skin temperature drops for smokers and chewers. That is due to the constriction of the blood vessels. "That's why smokers and chewers are normally feeling cold," he said.

He also noted the adverse affect smoking had on hand coordination.

Hochstein said the main goal of the

program is to demonstrate to the students these immediate harmful health effects of smoking, since young people are not so concerned with the possibility of serious illness 30 or 40 years in the future.

This similar program was performed on sophomores at South Sioux City recently. Of those that smoked and took the test, Hochstein said ap-

proximately 20 percent quit smoking and chewing.

Hochstein and his class hope to present the material to students in the junior high level and other groups, for the purpose of promoting student awareness of the rapid physiological changes caused from tobacco use and the potential serious effects from continued use.

Go-cart fun provided on area track

Some things a person just can't forget.

Like mom's apple pie. Or your first ride on a bicycle.

One childhood memory which Mark Wiltse of Laurel can recall is the thrill of riding go-carts. Over this year's July 4th holiday, Wiltse had an opportunity to renew his affection for the go-cart. He rode one in a go-cart track at Yankton, South Dakota.

"I saw what they were doing there (in Yankton) and I thought of how I could better it. The go-cart riding looked like good clean fun," Wiltse, age 32, said during a recent interview.

"So I started looking into it, checking things out," he said.

In August, after a period of indecision, Wiltse, forged ahead with his plan to build a go-cart track in Wayne. On Aug. 1 of this year, the track work began.

On Thursday, Sept. 11, the go-cart track opened for business. Sixty people occupied the five go-carts on the dirt track grooved out just north of the Wayne Plant Market along Highway 35 east of Wayne—an opening day figure which took Wiltse by a pleasant surprise.

Old tires barricade the path of the track, which is about 1/5th of a mile if one goes the complete route of the oval and infield of the track; or 1/10th of a mile if one only travels around the oval.

COSTS TO RIDE the go-carts, whenever there are no specials advertised, is \$1.75 for five minutes and \$3.50 for 10 minutes. As a start-up promotion, he is offering go-cart rides at \$1.50 and \$3 for the time allotments.

In the future, he plans on having promotions such as "ladies night" or, if the interest is there, go-cart racing at the track.

The interest comes from individuals who enjoy racing the go-carts, on a certain night each week, on tracks from Omaha and Lincoln to Atkinson. At these races are junior class competition, adult or heavy adult competition and other events.

Lights would probably be required.

Photography: Chuck Hackenmiller

MARK WILTSE poses on one of his five go-carts at the dirt track east of Wayne. The go-cart track opened last Thursday. Over 1,000 tires are used to keep the go-carts from going off course.

Board approves computer purchase

The Nebraska State College Board of Trustees approved, on Friday, a request for a new computer system at Wayne State College of Nebraska.

Wayne State College will now negotiate with the accepted bidder, Digital Equipment Corporation for the hardware and Information Associates for the software, on a contract for the computer purchase. The new system will be for use by the administration of the college and not for instructional usage.

Specifications for the computer system were sent out in July of this year and bids from nine computer

system companies were opened in early August.

The total cost of the new computer system will be approximately \$600,000 over a four year period, and funding for the system will be derived from Title III federal grants. Conversion from the old Burrough computer system, which is about seven years old, to the new system will be next summer.

WSC officials feel that other colleges in the state college systems will benefit from the experiences WSC

Tickets on sale for concert

General public tickets to drummer Buddy Rich and his band at Wayne State College of Nebraska will go on sale beginning Sept. 22 at the Wayne State Business Office, Hahn Administration Building.

Buddy Rich and his 15-piece band will appear at Rice Auditorium on Tuesday, Oct. 7 at 8 p.m. as the inaugural performance of the Black & Gold Series at the college.

Tickets are \$4 for adults and \$2 for high school students and younger.

The ticket office is open from 8 a.m. to 5 p.m.

Persons may write for the tickets by sending a check or money order to the Black & Gold Series, Box 1910, Wayne State College of Nebraska, Wayne, NE 68787. Persons may order tickets by phone using MasterCard or Visa by calling 402-375-2200.

The next performance in the Black & Gold Series is the Midwest Opera Company's production of "Hansel & Gretel" Nov. 6.

CROP walk set for September 28th

The fourth annual CROP Walk in Wayne will take place on Sunday, Sept. 28, with registration at 12:30 p.m. at Wayne city auditorium. Rain date is the following Sunday, Oct. 5.

The Rev. Daniel Monson of Redeemer Lutheran Church, chairman of this year's event, said the 10-mile walk will begin at 1 p.m. at the auditorium. Monson stressed that participants may walk however many miles they choose.

Most churches in the Wayne area are taking part in the event, and Monson said participants can pick up pledge envelopes at their local churches. Participants are then asked to solicit pledges for each mile walked. Persons who would like to pledge toward the event can also contact their local church.

This year's goal is to have 160 walkers raise \$3,000. Monson said 130 persons participated in last year's walk, raising approximately \$2,700.

Serving as co-chairman for this year's CROP Walk is the Rev. Gordon Granberg of the First Baptist Church.

CROP stands for the Christian Rural Overseas Program, and the walk is designed to raise funds for world hunger.

Had first quarter lead

Wayne hangs tough, but loses to Schuyler

Wayne-Carroll knew they would have to scratch and claw for every down in their bout on the home field Friday night against Schuyler, the No. 1 Class B ranked team in the state.

Despite a valiant effort by the Blue Devils who had mounted a first quarter lead, Schuyler shook off any upset intentions and emerged from the contest as 38-14 winners.

"You can't fault our kids. They played hard," said Blue Devil Head Coach Lonnie Ehrhardt.

As the game wore down, the lumps Schuyler dished out to the Blue Devils began to take its toll, turning a "game within reach" into a tough loss for Wayne.

"We got banged up pretty good. Schuyler is a very physical team. They play tough," Ehrhardt said.

The Blue Devils didn't buckle when Schuyler scored the first seven points of the game on their opening drive.

With under four minutes left in the first quarter, Blue Devil Quarterback Ted Lueders connected with Bill Liska on a 22 yard touchdown strike. Prior to the TD loss, Lueders hit Bill Landanger on a 30 yard completion to keep the drive going.

Schuyler's next touchdown came off a controversial play. The Blue Devils, on about their own 35 yard line, attempted a pass to the right side which fell incomplete. Schuyler picked up the loose ball and ran it 35 yards for a touchdown.

The officials had called the attempt a lateral instead of a pass and the Blue Devils argued that the throw was a screen pass to the right and should have been an incomplete pass.

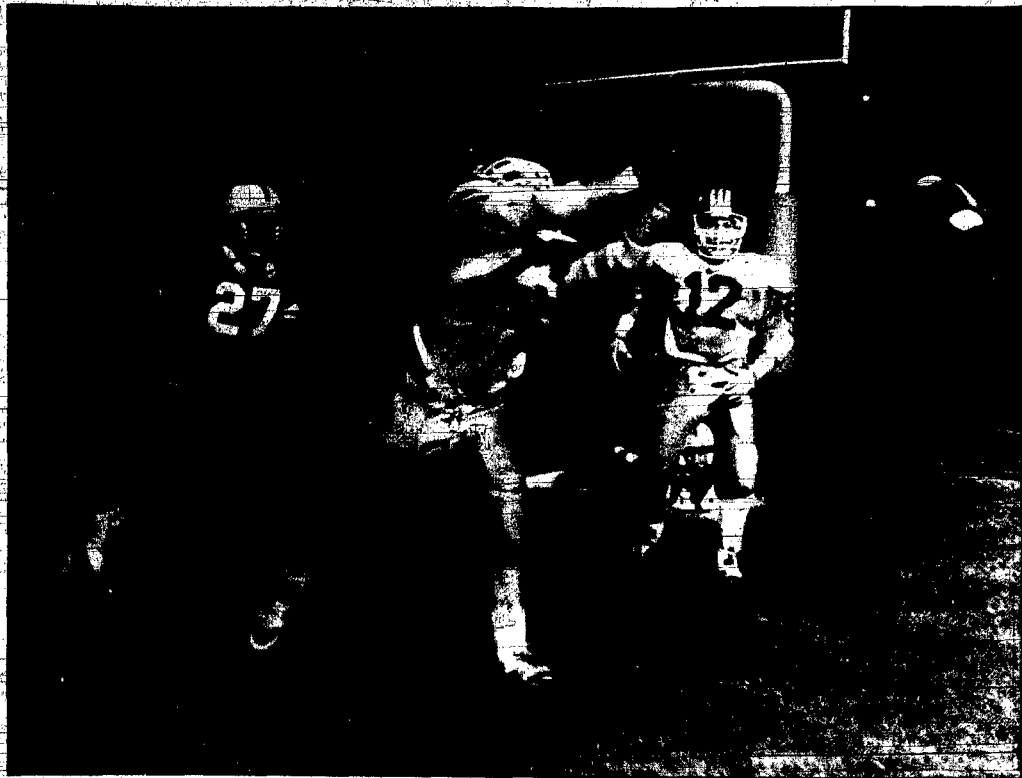

Nobody caught the big Schuyler tackle who picked up the ball and raced to the goal stripe. "Nobody figured that the ball was alive anymore. It was just one of those things," Ehrhardt said.

The touchdown stood and the score tipped toward Schuyler's scales at 13-7, as the extra point kick had hit the upright and bounced back.

Swift-footed Blue Devil Jon Stoltenberg then took the kick-off after the Schuyler touchdown and raced to the outside, rambling 90 yards for a touchdown and Wayne, after the extra point kick by Cory Nelson, took the lead at 14-13.

Schuyler came back with a touchdown in the second quarter, but failed on the conversion attempt and led 19-14.

Ehrhardt said the turning point in the game came in the final seconds of the first half. Schuyler was pinned deep in their own territory, facing a third down and 29 situation. The Schuyler quarterback faded back and completed a screen pass. A couple of missed tackles in the Blue Devils' prevent defense allowed the Schuyler pass receiver to ramble down the sidelines for the touchdown. There was no time on the clock when

IN PHOTO at left, Ted McCright (27) tries to cover Schuyler's Brian Schneider as the football sails over the receivers outstretched hands. Blue Devil on the ground is Scott Pokett (44) who had the coverage on Paul Baumer (12). Bottom photo, John Stoltenberg (19) and Steve Luff (53) zero in on a Schuyler runner.

Photography: Chuck Hackenmiller

he scored. The two-point conversion was again foiled by the Blue Devils and the half-time score stood at 25-14.

During halftime, heavy rains scattered the crowd. But by the time the second half began, the rain stopped coming down.

In the third quarter, both teams played almost even. Schuyler managed to score a touchdown with 51 seconds left in the quarter and went into the fourth quarter carrying a 31-6 lead. Schuyler's final touchdown of the game came on a drive that started on the Wayne 39 yard line and was capped by a two-yard run.

Schuyler managed to stop Wayne's running game, allowing only 16 yards of total rushing. In the passing department, the Blue Devils completed five of 13 total passes for 100 yards and gave up three interceptions. Starting quarterback Lueders, who had left the game late in the game with sore ribs, completed four of nine passes for 75 yards and one touchdown pass. Jess Zeiss had three attempted passes and completed one

for 25 yards, and Ted McCright was intercepted in his only pass attempt.

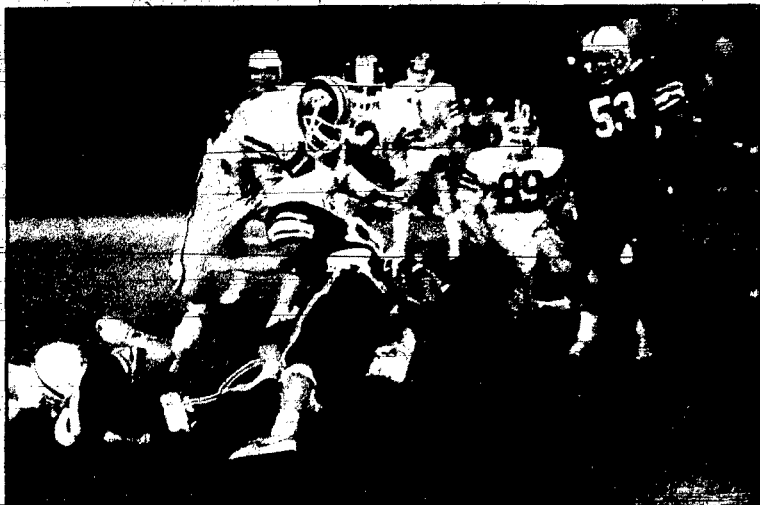

Top receivers for Wayne were Bill Landanger with two catches for 39 yards; Bill Liska who had two catches for 36 yards and one touchdown pass; and Cory Nelson who grabbed a pass good for 25 yards.

Team totals for Schuyler show they rolled up 297 yards rushing and 169 yards through the air.

Leading tacklers for Wayne were Bill Liska with four solos and 10 assists; Stoltenberg with 2 solos and 6 assists; Jason Liska, Joel Pedersen and Corey Frye each with 2 solo tackles and 5 assists; Landanger with 3 solo tackles and 3 assists; and Jamie Fredrickson with a solo tackle and 5 assists.

Scott Pokett had an interception, and fumble recoveries were credited to Bill Liska, Landanger and Tom Baier.

Next Friday night the Blue Devils are on the road to take on Lyons-Decatur Northeast.

Penalties prove costly

Allen makes great effort in loss to Wausa

Judging from the words of Allen Eagles Head Coach Dave Uldrich, one might think the Eagles had won their football game Friday night against Wausa.

No, the Eagles lost the game, 24-12. But if moral victories count for anything, Allen came out of the game a winner.

"I'm really proud of them. I've been telling the kids this game would be a team effort all week long. Our players played as hard as they could.

They played their hearts out," Uldrich said.

Had it not been for some big plays by Wausa, Uldrich said, his team would have been in control of the game.

Five times during the game the Eagles had the football inside the Wausa five yard line. But penalties and other mistakes kept Allen from crossing the goal line. "We would get a good drive mounted and then the mistakes would kill it," he said.

The Eagles were penalized 13 times for 115 yards.

Player depletion is one of Allen's advantages, which is one of the reasons why the team effort was stressed. And it paid off.

In the first quarter, the Eagles put together a 55 yard scoring drive in their second possession, capped by a three yard touchdown run by Max Oswald.

Wausa scored 18 points in the second quarter, all coming 4 1/2 minutes away from halftime. A bad snap resulted in a safety for Wausa, mak-

ing the score 6-2. Then, on a fourth down play, Wausa connected on a 11 yard touchdown pass and a conversion that made the score 10-6. The last touchdown before the half saw the Wausa quarterback scramble out of the pocket and score from 32 yards out, making the score 18-6 with another two-point conversion.

In the third quarter, Kwankin took a Wausa punt and dashed 55 yards to the goal stripe to cut the Wausa lead to 18-12. Later in the quarter, Wausa

added to its lead by scoring on a four-yard running play, giving them the final margin of victory at 24-12.

Allen had one more first down than Wausa (10 to 9). As a team, the Eagles rushed for 134 yards on 43 carries, led by Kwankin who carried 28 times and gained over 115 yards.

In the passing department, Max Oswald attempted 13 passes and completed four for 16 yards. Wausa had 160 yards on the ground and 97 yards in the air, outgaining the

Eagles in total yardage 257 to 150. The fumbles category shows Allen fumbling twice and losing the football twice to Wausa.

Defensively, Mark Isom led in tackles with 14, followed by David Isom with 13 tackles. Max Oswald with 11 tackles and Trevils Schroeder and Robb Sullivan each with 10 tackles.

The Allen Eagles take on undefeated Beemer next Friday night at Beemer.

Coleridge looks 'awfully good' in big win over Wakefield Trojans

Coleridge put on an offensive show before their home crowd Friday evening, scoring 52 points.

Wakefield, although on the losing end of the score, didn't do so bad either — scoring 24 points — against one of the state's top-rated football teams, according to Trojan Head Coach Dennis Wilbur.

"We played pretty good, but we played an awfully good team. It's going to really take something to beat them," Wilbur said.

Coleridge got the scoring started with a 71 yard punt return that went for a touchdown in the first quarter. They then scored against Wakefield's defense until the second

quarter on a 19-yard run.

The Trojans responded to the Coleridge touchdown with one of their own — a 60 yard run by Todd Kralke. However, before the first half ended, Coleridge broke a run open for 47 yards and then punched it in from four yards out to go up at halftime by a 24-6 margin.

Coleridge grounded out more yardage on the ground that resulted in two more touchdowns, boosting their lead over Wakefield to 38-6 heading into the final quarter.

However, the Trojans wouldn't roll over and finished the game with a flourish, scoring 10 points in the fourth quarter on a two yard and a

seven yard run by Brad Lund and a one yard run by Kralke.

Two more touchdowns were tallied by Coleridge, making the final score 52-24.

"We had some defensive breakdowns. Part of that was due to their speed. They really have some fast backs," Wilbur said.

"It was a little indecision, and they were gone," he added.

Wakefield had more first downs than Coleridge (12 to 11) and outgained their opponent in total rushing yardage, 46 attempts for 267 yards while Coleridge finished with 226 yards on 50 carries.

Kralke hit on five of 17 completions for Wakefield, good for 69 yards. His

primary receivers were Kevin Greve with three receptions for 41 yards; Randy Kinney with one reception, seven yards; and Brad Lund with a single reception for 21 yards.

Kralke led all Trojan rushers with 23 carries for 158 yards, followed by Brad Lund with 18 carries for 96 yards and Kinney with five carries for 13 yards.

The Trojans fumbled the football away five times, recovered by Coleridge three times. The fumbles were another factor which figured into the Wakefield loss, Wilbur mentioned.

On Friday, the Wakefield Trojans will celebrate Homecoming 1986 in a game against non-conference foe Scribner.

sports briefs

Bunker ball benefit planned

The Winside volunteer firemen will host a benefit bunker ball softball game on Sunday, Sept. 21 at the Winside ball park at 7 p.m. Competing against the firemen will be the KTCH Short Circuit Circus.

Both teams will be attired in firemen's boots and clothes. Nine innings will be held or until exhaustion. Free will donations will be taken for the Winside rescue unit fund instead of charging admission.

Swimming competition meeting

A parents meeting for parents of children who are interested in competitive swimming will meet Wednesday, Sept. 17 at 7:30 p.m. in the Methodist Church in Wayne.

Practice will begin on Sept. 22 at the Wayne State College Swimming Pool from 5:30 to 6:45 p.m.

Crofton rolls over Laurel-Concord in home opener

Crofton came into Laurel and spoiled the Bears' home opener Friday night, leaving town with a convincing 32-7 win.

Although seemingly disappointed about the loss, Laurel-Concord Head Coach Gale Hamilton says his team will be bouncing back.

"Crofton came out ready to play and we didn't," he said about the loss Friday evening.

Hamilton stresses the point that his team is young with a good core of juniors. "By no means does this mean we're through," he said.

"Crofton was much more aggressive. They just took it away from us," he added. "We had difficulty holding Crofton defensively all night long."

The Warriors got on the scoreboard first as they drove the length of the field for a touchdown, then missed on the conversion attempt to lead 6-0.

The Bears came roaring back as Scott Marquardt completed a 25 yard pass to Joedy Cunningham and a 30 yard strike to Larry Jacobsen, placing the ball on the five yard line and goal to go. Running back Brad Prescott then ran the ball in from three yards out for the score. After

the extra point, Laurel held a 7-6 lead.

But that was short-lived as Crofton came back with one touchdown in the second quarter, another in the third quarter and one more touchdown in the final quarter to ice the win.

One blow to the Bears' offensive was the loss of back Brent Haisch, who left the game with an injury prior to the Bears' first touchdown scored.

Hamilton said Haisch had suffered a hip pointer, and it is uncertain what his status will be for next Friday night's game at home against Ponca. Prior to leaving the game, Haisch had rushed five times for 16 yards.

The leading rusher for Laurel was Prescott, who lugged the football eight times for 40 yards and scored the lone touchdown for the Bears.

In the passing department, the Bears were led by signal caller Marquardt, who threw 21 attempts and completed 11 for about 80 total yards.

He gave up two interceptions (one of which was run back for a touchdown in the fourth quarter).

The leaders on defense for the Bears was Paul Roeder with 11 and Randy Sherry with 12 tackles.

Photography: Dave Diediker

nebraska game & parks

Deer hunters who have been putting off getting a permit and others who want a second permit, still have time to apply for 6067 remaining permits in 11 management units.

Hunters may have a total of two deer hunting permits each year. Those may be one firearm permit and one archery permit; two firearm permits; or two archery permits.

Resident deer hunting permits are \$20; nonresident permits are \$100. All resident hunters 16 years or older who hunt game species or trap furbearers in Nebraska must have a \$7.50 Nebraska Habitat Stamp. A Habitat Stamp is also required of all nonresidents, regardless of age, who

hunt game species or trap in Nebraska.

As of Thursday morning, Sept. 11, there were 6067 firearm permits still available. The units where permits remain and the number of permits are: East Republican, 64; West Republican, 232; Calamus East, 729; Calamus West, 837; Loup West, 851; Pine Ridge, 938; Plains, 463; Sandhills, 1338; Upper Platte, 50; Platte River Late Season, 515; North Platte River Late Season, 50.

Archery deer hunting season opens Sept. 15.

Bowhunters across the state will be taking to the field Monday morning, Sept. 15, for the opening day of

Nebraska's 1986 archery-deer-hunting season.

As usual, a large deer population should provide exciting hunting and biologists say they are expecting archers to have another good year. During the 1986 season 12,681 bowhunters took a total of 24,986 deer, a hunter success rate of 24 percent.

The 1986 season will continue through Dec. 31, but will be closed across the state during the firearm deer season, Nov. 8-16; and Dec. 13-21 in the East and West Republican Rivers late season firearm units.

Archery deer permits are \$20 for resident hunters, \$100 for nonresidents. All residents 16 years

or older who hunt game species or trap furbearers in Nebraska must have a \$7.50 Habitat Stamp. A Habitat Stamp is also required of all nonresidents, regardless of age, who hunt game species or trap in Nebraska.

Archery deer permits are available across the counter from any Game and Parks Commission office in Lincoln, Omaha, Norfolk, Bassett, North Platte, and Alliance, or from the Ak-Sar-Ben Aquarium at Schramm Park State Recreation Area near Gretna. Habitat Stamps are also available from those locations, as well as from any of 1200 permit vendors across the state.

Wildcats defeated by Walthill

Winside's offense sputtered and stalled Friday night as Walthill pounded the Wildcats by a 42-14 score.

The game left Head Coach Rich Touney with some goals in preparing for the upcoming home game next Friday against Hartington — to work on gaining some consistency on defense and, more importantly, to find his offense.

"It seemed like we would have good defense for a while and then Walthill would pop one for 15 yards. We were not consistent in playing a tough football game on defense. We were spotty," Touney said.

Of course, it could be that Walthill

made it look that way and it was not poor ineptness on our part," he added.

Offensively is another story, according to Touney. "We will be revamping our offense this week," he said.

That revamping, Touney said, could include possible changes in starting roles.

During Walthill's game, the Wildcats coughed up the football 12 times, but only lost it once. Winside also had two interceptions during the game.

Walthill scored 9 points in the first quarter, 18 points in the second quarter and 8 points in both the third and fourth quarters — with four of their five touchdowns on the ground.

Both Winside touchdowns came in the fourth quarter. The first points for Winside were scored with 7:48 remaining in the game as Max Kant capped a 49 yard drive with a 9 yard run. Most of the yardage in the drive was gained on the ground.

The second touchdown came with about five minutes remaining to be played. With Doug Paulsen at quarterback on the Winside 4 yard line, he connected with Tim Jacobsen for a 75 yard scoring strike.

In team statistics, Winside rushed for 78 yards on 42 attempts. Walthill rushed for 172 yards on 51 carries. In the passing department, Winside connected on 3 of 10 attempts for 111

yards. Walthill made good on 4 of 13 passing attempts for 107 yards.

Individual rushing statistics showed Randy Lepley with 11 carries for 35 yards; and freshman Max Kant carried 7 times for 39 yards.

Kevin Jaeger had one catch for 3 yards; Darren Wacker, one catch for 33 yards and Jacobsen, a catch for 75 yards.

Max Kant was 1 of 7 in passing for 3 yards while Paulsen completed two of three passes for 108 yards.

Defensively, the Wildcats were led by Mike Thies with nine solo tackles and one assist; and Tim Jacobsen with seven solo tackles and three assists.

area volleyball

Poor serving the culprit

Trojans fall to Lyons

LYONS — In their last match against Emerson-Hubbard, it was the serving which brought on the Wakefield Trojan win. Against Lyons Northeast on Thursday night, it was the serving that proved to be the Trojans' downfall as they fell to the Lyons Northeast team in two sets.

Lyons Northeast edged Wakefield in the first set, 16-18 and then went on to handily defeat the Trojans in the second set by a 6-15 score. The loss puts the Wakefield record at 2-1 as they head into the Winside Tournament which begins next Tuesday.

Head Coach Paul Eaton said it wasn't the serving that shined against Lyons Northeast, but the floor game for the Trojans, a reversal of the previous game.

Heading into the Lyons Northeast match, the 2-0 Trojans had anticipated Lyons Northeast to be equal to the competition they had faced in the previous games. So to some, the outcome of the match was a surprise.

The first set of the match got off to a bad start for the Trojans as they hit the net on four out of their first five serves.

"You just don't do that very often," Eaton said in discussing the match. During the first set, the Trojans missed 9 of 32 serves, a percentage of

about 71 percent. For the match, the team hit on about 77 percent (35 of 45). "Two nights before we had hit about 95 percent plus," he said.

Eaton said Wakefield had several chances to win the first game. They went ahead, 15-14 and had two or three serves with only a point needed to win — but the serves went out of bounds. "They (Lyons Northeast) scored the last three points to beat us. We had the one point lead and the servers just didn't get the job done," he said.

In the second set, Wakefield had gone ahead, then fell behind and panicked, according to Eaton. "We had a lot of passing mistakes the second game," he said.

Marci Greve paced the Wakefield scoring with 8 points. Greve also led Wakefield in the serving department, going 11 for 11 and was the one of the top hitters, making good on 9 of 12 spikes with four aces. Stacey Kuhl was 12 of 13 in hitting; also with four aces.

Top setters were Stephanie Torczon, 44 of 56; and Des Salmon, who was 34 of 47.

The Wakefield Trojan C team was defeated by Lyons Northeast in two sets, 13-15 and 7-15 and in the B team matchup, the Wakefield Trojans were victorious with 15-2 and 15-6 set wins.

Serve reception burns Bears in match against Wynot

LAUREL — It was a case of which team was able to receive and handle serves from the opposition which determined the outcome of the Laurel-Concord versus Wynot volleyball match Thursday evening.

And that factor, according to Laurel head coach Carroll Manganaro, was the leading culprit in Laurel's loss of two of the three sets and the match against Wynot.

Laurel won the first set 15-12, and then lost the second and third sets 11-15 and 3-15.

The transition game just wasn't there for Laurel, she said. The poor service reception by Laurel in the latter sets didn't allow the Laurel team an "opportunity to run the offense," Manganaro said.

Because the offense had difficulty establishing an offense, it contributed to the team's low spiking percentage, which was at 70 percent.

"It is usually 80 percent," Manganaro commented.

Laurel's game was strong the first set of the match as the home team jumped to a 11-5 margin. Wynot, however, came storming back to come within striking range at 14-10. It took three rotations before Laurel was able to clinch the set at 15-12.

In the second set, Wynot and Laurel exchanged volleys until the score stood at 6-6. Wynot then broke loose and reeled off another 6 points, making the score 6-12. However, the momentum switched as Laurel answered back and closed the gap to 11-14 before Wynot came through with the game-winner.

The trouble experienced by Laurel in the serving receptions showed more in the third set as Wynot led 0-10 before Laurel scored its first points.

Manganaro said the varsity had switched from its 5-1 swing offense to a new type of offense. The junior var-

sity is just learning the new offense, so it was difficult for those coming off the bench to play their positions, according to Manganaro.

Leading scorer for Laurel was Dawn Addison with 13 points. She was also the top server with 16 of 17 from the line.

Topping the spiking category was Stacy Strawn, 6 of 8, and Becky Christensen who was 5 of 6.

Sara Adkins was 35 of 39 in setting. In team serving, Laurel made good on 39 of 49 attempts (approximately 86 percent), "We generally like about 90 percent," said Manganaro.

The loss puts Laurel-Concord's record at 1-4, with their next match at Plainview on Sept. 18.

The Laurel-Concord B team was defeated by Wynot by scores of 4-15 and 2-15.

And in C team action Thursday night, Laurel-Concord took the best out of three sets by winning 11-1, 3-11 and 11-4.

Front line keys win

Allen overpowers Coleridge

ALLEN — Lana Erwin's serves for the Allen Eagles were perfect — 13 for 13 — against Coleridge Thursday night.

But the most remarkable feat about those statistics is that they all came in the first set — 13 straight serves, with three of those as aces — as the Eagles overpowered Coleridge in two sets, 15-1 and 15-10.

The win puts the Allen Eagles at 3-1. Next Tuesday night the Eagles will travel to Ponca before returning to the home court on Thursday night, Sept. 18, against tough divisional foe Emerson-Hubbard.

"Erwin had 13 straight, then we lost serve, got it back and the next person won it for us," said Eagle Head Coach Gary Troth.

"We also set and hit really good. Coleridge gave up the net and we just overpowered them," Troth said about his team's efforts.

During the second set, Troth said 15 different people were used. "The starters played only a bit in the second set, so we had lost a bit of playing consistency," he mentioned.

Still, the Eagles managed to stay ahead and had, at one time, a 9-3 lead before the inconsistency set in.

Troth credited the up front playing of Kristi Chase and Barb Hansen, in addition to the serving of Erwin, as a key in the win over Coleridge. "Chase and Hansen controlled the front line and really had some shots — like lightning bolts," he said.

The spiking statistics show Chase

finishing the match 8 of 8 with three aces; Hansen 5 of 6 with two aces and Erwin, 5 of 8 with three aces. More importantly were several of the ace blocks which Hansen and Chase had achieved during the Coleridge match.

Leading point-getters were Erwin with 7; Chase with 7 and Hansen with 5. Top setter was Nikki Olesen, a perfect 16 of 16, with 11 of those sets going for aces — a statistic which Troth says is outstanding.

In the other match-ups against Coleridge Thursday, the Eagle junior varsity won in two sets by scores of

15-8 and 15-8. Troth said the hitting of Candace Jones and the serving of Lisa Boyle were instrumental in the win.

The C team win made the match against Coleridge a clean sweep for Allen, as the Eagles won in two sets by scores of 11-2 and 11-5.

Troth, although not overlooking the team's next opponent (Ponca), says the match against Emerson-Hubbard will be a critical one for both sides — adding that the winner of this match could figure heavily into who will win the conference title.

"It should be a pretty good game," he said.

Winside news

METHODIST CHURCHWOMEN
Mrs. Dorothy Nielsen presided at the Sept. 9 meeting of the United Methodist Churchwomen with 12 members present. The secretary and treasurer reports were given.

310 pennies for the Mile of Pennies was collected. Anna Wylie reported on sending get well cards to Marshal Jensen and Rev. Carpenter. Marie Suehl reported on contacting new members.

The Northeast Annual District meeting will be at Laurel Sept. 16. The group will furnish coffee, rolls and do some of the serving. A baby quilt will be finished to donate at that time for the We Care Mission at O'Neill.

UMCW will be making name tags for the leader training workshop in Norfolk on Oct. 28. The Nebraska Conference of United Methodist Churchwomen's annual meeting will be in Lincoln Oct. 3 and 4.

An invitation has been received to the Carroll United Methodist Churchwomen's guest day on Sept. 24.

Election of officers was held with Dorothy Nielsen elected president;

Dottie Wacker, vice president; Helen Holtgrew, secretary; and Charlotte Wylie, treasurer. Committee chairmen are Rev. Sandy Carpenter, Christian personhood; Anna Wylie, Christian social involvement; Grace Koch, Christian global concerns; Charlotte Wylie, supportive community; Bernice Lindsay, program material; and Marie Suen, membership. The nominating committee for next year is Charlotte Wylie, chairman, Audrey Quinn and Bernice Lindsay.

The birthday song was sung to Elsie Reed and Audrey Quinn. Each were presented with a corsage for missions.

Rev. Carpenter had devotions, "Prayer Brings Gladness." Dottie Wacker had the program, "Loyalty to God versus Loyalty to Man." Myrtle Nielsen was hostess.

The next meeting will be Oct. 14 at 2 p.m. Program leader will be Helen Holtgrew and hostess will be Dottie Wacker.

LEGION AUXILIARY

The Roy Reed American Legion Auxiliary met Sept. 8 with 11 members present.

Dorothy Jo Andersen, president, presided at the business meeting.

Goldie Selders gave a prayer followed by the flag salute and preamble. The secretary and treasurer reports were read and approved.

A \$10 memorial has been received in behalf of Ruby Sweigard.

All members' dues are due. Correspondence was read from the District 3 president, Arlene Lundahl of Emerson. Her theme is the butterfly and her project is a showcase for the Norfolk Veterans Home.

There will be a leadership school Sept. 14 in Gretna.

Popples were ordered. A letter was read from the Winside history book committee asking the auxiliary to update their history for a new book. Arlene Zortka volunteered to do this project.

The auxiliary will make contributions to the following projects: Special Olympics, District Presidents project, Gold-Star Gifts for Yanks, Little Red School House, Auxiliary Emergency Fund, Freedom Foundation Seminar,

Chapel of our Champions and Forgotten Children Fund.

Dorothy Jo thanked everyone for helping with the auxiliary float for the Old Settlers parade.

Committees will also remain the same as last year.

Elva Farren was hostess. The next meeting will be Oct. 13 at 8 p.m.

TRINITY YOUTH

Seven members of the Trinity Youth Group met Sept. 7 with leader Peg Eckert and Pastor Von Seggern. Prior to the business meeting, a picnic lunch was furnished in the church basement by Peg.

Kristy Miller, president, conducted the meeting. The treasurer and secretary reports were read and approved.

A hayrack ride will be held Sept. 21 at 2 p.m., followed by pizza and movies at the church. This is to welcome the following new members of the Youth Group: Aron Nau, Jason Krueger, Trevor Topp, Jennifer Jacobs and Wendy Rabe.

Following the meeting, Pastor Von

Seggern furnished the youth with a watermelon feed.

The next meeting will be Oct. 5 at 1:30 p.m.

FINE ARTS BOOSTERS

Five members and Mr. Jefferies were present for the first meeting of the year Monday for the Fine Arts Boosters.

Band students are to be fitted for their band uniforms today (Monday) starting at 5 p.m. in the band room.

The Boosters will hold four meetings a year with the others scheduled for Nov. 3, Feb. 7 and April 6 at 7 p.m. Any parent who would like to help the Boosters should contact either Mrs. Dale (Judi) Topp, president, or Mrs. Mick (Sue) Topp, vice president, or attend the Nov. 3 meeting.

CONTRACT

Mrs. Gladys Gaebler hosted the Sept. 8 Contract Club with one guest, Rosemary Mintz of Laurel. Prizes were won by Twila Kahl, Irene Dittman, Leora Imel, Jane Witt and Rosemary Mintz.

The next meeting will be Sept. 22 with Minnie Graef at 1:30 p.m.

WEBELOS

Two Webster Cub Scouts met Sept. 8 with their leader Donna Nelson at the fire hall. They reviewed the cub scout book to plan their lessons and played a few games. The next meeting will be today (Monday) at the fire hall at 4 p.m.

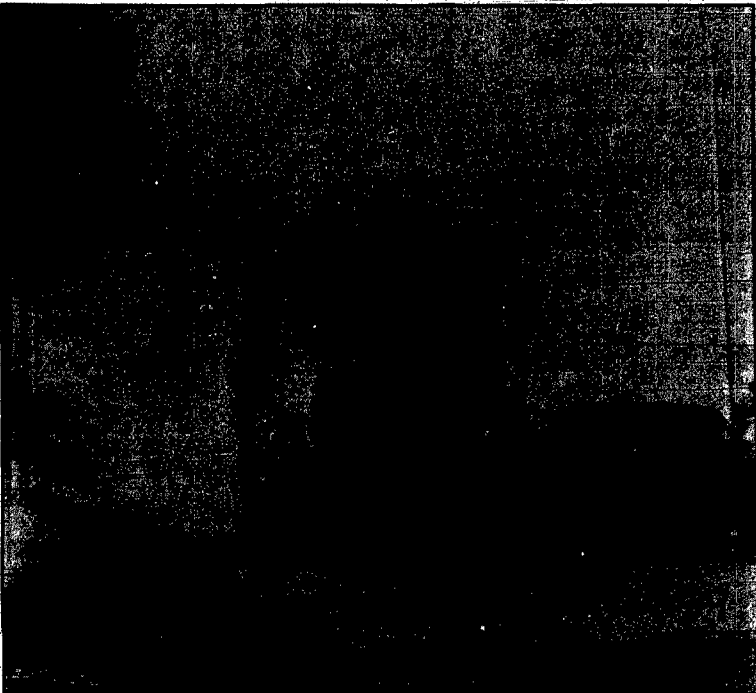

CUB SCOUTS WANTED

A cub scout recruitment night will be held Thursday, Sept. 18 at the elementary school library at 7 p.m. Any boys between the second and fifth grade who would like to become a cub scout should attend this meeting.

SCHOOL CALENDAR

Tuesday, Sept. 16: Winside volleyball journey.
Friday, Sept. 18: Football, home, Hartington, 7:30 p.m.

Morning coffee guests in the Adolph Rohlf home Monday; were Martha Etheridge of Lafayette, Calif., Rose Wurth of Omaha and Henry Lenser of Meadow Grove.

SEXUAL Impotence:

solutions for a common problem.

Over 3,500 men in Siouxland suffer from a common problem that is easier to cure than to live with.

Today, we know there are two types of sexual impotence: physical impotence and psychological impotence. When a man faces a sexual crisis, his partner suffers, too. In all cases, help is available if you ask for it.

Now St. Luke's offers a free and confidential educational program to help men and women understand impotency and learn the methods of treatment which are available.

The program series consists of four meetings featuring presentations by health care professionals, a self-help group and a number to call for information. All meetings will be held in the Dakota Room at St. Luke's from 7:30 until 9:00 p.m.

Program Schedule
September 30 Impotency: An Overview
October 14 Psychological and Emotional Factors
October 28 Panel Discussion: Physical Causes
November 11 Treatment Alternatives

If you or someone you know has any questions about impotency or our free and confidential program series, call for our brochure.

279-3543

Go-carts

Continued from Front

If the racing element was introduced in Wiltsche scheme of plans for the go-cart track.

Wiltsche said the go-carts at the Wayne track will travel, at a maximum of 20 miles per hour. In-

dividuals 19 years of age or younger must have parents consent in order to use the go-cart recreation operation.

The tires, he said, will stop the go-carts from going out of control outside of the track area. He does plan,

however, to put some sort of fencing around the track as another precaution.

Wiltsche considers the go-cart operation as an opportunity for others to feel the thrill like he did after an absence of so many years. "It's still fun," he said.

Computers

Continued from Front

had in the bidding and negotiation process and gaining the federal money.

Donald Whisenhunt, WSC provost and vice president of academic affairs, said the new computer system

is a major purchase which will be a significant improvement in WSC's ability to function in administrative areas and improving the knowledge base.

The financial aid office, which Whisenhunt said is currently understaffed, will greatly benefit

from the new computer system. The system will also be helpful for admissions, housing and alumni administrative levels at the college.

"Once the student's name is on the computer, you never had to put the student's name in again," Whisenhunt said.

ADULT EDUCATION PROGRAM

Sponsored by Wayne Community Schools, Wayne State College and Northeast Technical Community College

COURSE TITLE	COURSE DESCRIPTION	INSTRUCTOR	LOCATION	DAY	TIME	LENGTH (weeks)	STARTING DAY	TUITION COST
Bird Watching and Identification	Instruction in the proper techniques for bird watching, identification, feeding, and proper equipment.	Willette Lueschen	High School 203	Mon.	7:00 to 9:00	3	Sept. 29	\$11.00

DUE TO ENROLLMENT NUMBER REQUIREMENTS, PRE-REGISTRATION FOR ALL CLASSES IS REQUIRED.

TO PRE-REGISTER BY MAIL —

USE THIS FORM

ENROLLMENT POLICY:
Because adult education classes are partially supported by registration fees, we must reserve the right to withdraw a class offering if enrollment is not adequate. This will be done, however, only after those who do register are given the opportunity to continue the course in such cases for a slightly higher fee or for fewer sessions.

Junior and senior high students may attend by permission only.

Registration not complete until all charges paid. Fees will be collected the first evening of classes. Please pay all fees by check made payable to NTC. Persons enrolling may call the office of counselor between 8:30 a.m.-4:00 p.m. daily, Monday, Friday. Persons may enroll at the first session if pre-registration numbers are sufficient to have the class.

Hoskins News

Mrs. Hilda Thomas
565-4569

BIRTHDAY CLUB:

The 40th anniversary of the Hoskins Birthday Club was observed at the home of Mrs. Laura Ulrich Monday afternoon. Ten members, a former member, Mrs. Katherine Malchow and a guest, Mrs. Dorothy Brunels, were present.

Mr. and Mrs. Arnold Wittler accompanied Mrs. Leo Schmit and Steven, of Osmond to Aurora, Colo. Sept. 4 where they were guests in the Mr. and Mrs. Tim Hill home. Mrs. Hill is the former Karen Wittler. They returned home Monday.

The club was organized at Mrs. Ulrich's home in 1946 and at one time had 25 members.

Mr. and Mrs. Lyle Marotz were Sept. 6 weekend guests in the Dr. and Mrs. Loy Marotz home in Lincoln. On Saturday afternoon, they attended the Lincoln East High School football game where their grandson, Chris Marotz, is a member of the football team. On Saturday evening they attended the Nebraska-Florida game. They went to Nebraska City on Sunday afternoon to visit her aunt, Mrs. Marie Rakes and were supper guests in the Mr. and Mrs. Clifford Rakes home. They returned home Monday afternoon.

Mrs. Ulrich read the club history and also conducted a memorial service for deceased members.

Dinner guests in the Mr. and Mrs. Gerald Bruggeman home Sept. 7 honoring the birthdays of Mrs. Dan Bruggeman, Mrs. Bill Borgmann and Emily Borgmann, were Mr. and Mrs. Jerry Altemann, Ryan and Jeannie of Wayne, Mr. and Mrs. Keith Bruggeman and Joshua of Norfolk and Mr. and Mrs. Dan Bruggeman, Jeremy and Jeffrey, Mr. and Mrs. Bill Borgmann, Abby and Emily, Mr. and Mrs. Larry Bruggeman and Mrs. Terry Bruggeman, Terry and Lizzie, all of Hoskins.

The afternoon was spent playing Bunko, with club prizes going to Mrs. Rose Puls, Mrs. Frieda Meierhenry and Mrs. Clarence Hoemann. Guest prizes went to Mrs. Katherine Malchow and Mrs. Dorothy Brunels. Mrs. Carl Hinzman was winner of a guessing game.

The hostess served a dessert luncheon.

HOMEMAKERS CLUB

The Hoskins Homemakers Club met at the home of Mrs. Laura Ulrich for a no-host luncheon at noon on Tuesday for their first meeting of the season. Guests were Mrs. Lyle Marotz, Mrs. Art Behmer and Mrs. Rose Puls.

Members and guests told about memories of their school days. The afternoon was spent filing a quilt for the hostess.

Mrs. Lydia Scheurich will be hostess for the Oct. 14 meeting.

SENIORS CARD CLUB

Mrs. Hilda Thomas was coffee chairman when the Hoskins Seniors Card Club met at the fire hall for their first meeting of the season on Wednesday evening.

Card prizes went to Carl Hinzman, George Wittler, Mrs. E.C. Fenske and Mrs. George Wittler.

Mrs. Bill Borgmann entertained for Emily's fifth birthday Monday. Rachel Deck and Jessica Miller spent the afternoon with Emily. Joining them after school for a birthday party at the Dairy Queen in Norfolk were Emily Deck, Andrea Deck, Desiree Anderson, Kelly, and Kimberly Nathan and Abby Borgmann.

The next meeting will be on Sept. 24 with Mrs. Laura Ulrich in charge of arrangements.

Mrs. Linda Sinken and Maggie Locke of Sioux City spent Wednesday with Mrs. Larry Severson.
